

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Electrical safety guidelines and precautions
Inquiry Sub-Category	General electrical safety precautions
Description	Customers ask for general safety guidelines, such as preventing electrical shocks, fires, and accidents, by providing information on proper usage of electrical appliances, avoiding overloading circuits, ensuring proper grounding, and practicing safe habits when using electricity.
Data Size	5,084 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are there any _____ childproofing _____ accidental electrocution _____?

Can _____ to childproof outlets for safety _____?

How _____ make _____ my child _____ accidentally killed through _____?

Does anyone _____ any _____ tips _____?

Any _____ measures _____ for _____ plugs?

What _____ should _____ to _____ accidental electrocution _____ childproofed sockets _____ used?

Do you _____ how _____ kids _____ electrical outlet incidents?

_____ outlets needed to _____ accidents?

_____ precautionary measures _____ when _____ childproofed _____?

Do _____ a _____ make electrical sockets _____ for _____?

_____ any _____ safety for kids?

_____ are _____ measures _____ electrical plugs and sockets?

I _____ wondering if _____ outlets _____ special considerations for _____.

Are there _____ can _____ to make outlets safe _____ accidental electric _____?

Is there _____ specific _____ you recommend _____ from _____ shocks during _____?

_____ about _____ sockets for kids?

Concerns _____ child-Safe _____?

_____ if there were any _____ made about _____ against _____ electrocutions.

Is _____ anything _____ can do to _____ safe _____ shocked?

_____ you think should _____ to childproof electrical _____ and _____?

_____ special precautions _____ childproof outlets?

_____ be kept _____ for children?

Do _____ to make _____ safe _____ outlets?

I _____ wondering _____ there were _____ special considerations _____ child-proof _____.

_____ any _____ safety _____ need _____ be _____ for child-friendly electrical _____?

Can childproof _____ and _____ be _____ accidental _____ incidents?

I was _____ were special _____ to _____ childproof outlets.

_____ safety _____ do you _____ for _____ electrical _____ sockets?

_____ wondering if there _____ considerations when installing childproof _____.

When _____ comes to _____ electrical plugs _____ sockets, _____ safety _____ would _____?

_____ there any _____ make _____ from accidental electric shock?

_____ there a need for safety _____ for _____?

Childproofing _____ safety measures.

Can _____ outlets and _____ against _____ electrocution occurrences?

_____ precautions should be _____ to protect _____ childproofing?

Is there _____ on childproofing _____?

Do _____ think that those outlets _____ be _____ safe _____ and _____ electrocution _____?

Should _____ outlets _____ to _____ electrical _____?

I _____ if there were _____ made for _____ outlets _____ occur.

_____ to _____ against electrical accidents when _____ outlets?

_____ should be done to _____ of children _____ electrical _____?

_____ was _____ if _____ considerations made about _____ against accidental electrocution.

Do childproofing _____ safety _____?

_____ if special considerations _____ made _____ childproofing _____ when _____ were accidental _____ incidents.

_____ do _____ plugs and _____ childproof?

I _____ wondering _____ there were _____ considerations made for childproof _____ against _____.

_____ outlets required in order _____ accidents?

Is there a _____ safeguard children against _____ accidents _____?

_____ outlets from _____ getting _____?

Any _____ for kids?

_____ childproofing _____ plugs _____ safety measures do _____ recommend?

_____ make _____ sockets _____ dangerous for children?

Is _____ measures required _____ child-friendly electrical plugs?

_____ there _____ for _____ electric injuries in _____?

_____ it _____ to _____ on _____ to protect _____ from _____ electrical _____ incidents?

_____ are _____ childproofing guidelines _____ the _____?

_____ there _____ for _____ with children?

_____ electric sockets _____ special _____ for _____?

_____ electrical _____ for kids?

_____ there any _____ to protect kids _____ shocked _____?

_____ safety measures _____ electrical _____?

Should _____ be considered in _____ injuries _____?

_____ to _____ children safe _____ outlets?

Do _____ for _____ safety with _____?

Is there any _____ about _____ outlets safe _____ shock?

How _____ for electrical _____?

Do there need _____ be any _____ safety _____ child-friendly _____?

_____ was wondering _____ any special considerations _____ childproofing _____

_____ it _____ that _____ outlets _____ sockets _____ be _____ accidental electrocutions?

We don't _____ we need _____ safety _____ kids _____ sockets.

How can _____ safe from _____?

Any guidelines _____ safety _____ outlets?

Is _____ possible to adjust childproof _____ against _____ electrocution _____?

When _____ if there _____ any special considerations _____ about childproofing outlets.

If _____ are involved, what _____ measures _____ taken?

_____ childproof outlets and _____ adjusted _____ accidental _____?

What _____ recommend for _____ electrical _____ and sockets?

How _____ special _____ tips _____ children?

_____ the electrical _____?

Can childproof _____ sockets be adjusted to _____?

_____ checking _____ see _____ there are any _____ precautions _____ childproof _____.

_____ there _____ concern _____ electrical sockets?

_____ be made _____ from _____ electric shock _____ baby-proofing?

Can _____ outlets and sockets _____ to _____ accidental _____?

How _____ we make _____ outlets _____ harm _____?

_____ safe are _____ electrical _____?

Should kids _____ being _____ outlets?

_____ give advice _____ how _____ protect kids _____ outlet incidents?

Is _____ specific precautions _____ to protect _____ from _____?

_____ there _____ to be _____ to _____ children against electrical _____?

_____ safe _____ kids being _____?

What _____ sockets?

_____ possible _____ protect my child from _____ electric _____ electrical _____?

Can you _____ about _____ children _____ unplugged electrical _____ incidents?

_____ there be _____ to _____ child _____?

_____ to make electrical sockets _____?

Is _____ measures you _____ outlets _____ from accidental electric shock?

What _____ should be taken _____ of _____ sockets?

_____ there a _____ to _____ outlets _____ shock during baby-proofing.

_____ precautionary _____ should _____ taken _____ prevent accidental _____ if _____ sockets are _____?

Can childproof _____ or _____ be _____ against _____ incidents?

_____ was _____ if there _____ any special _____ made _____ childproofing _____ when _____ occur.

How can _____ dangers of electrical sockets?

_____ there any _____ for electrical _____?

In _____ childproofed sockets, _____ should _____ taken to prevent accidental _____?

_____ any necessary _____ to _____ electrocution?

_____ should be _____ to _____ outlets _____ accidental electrocution when _____?

_____ childproof outlets _____ used _____ stop _____ electrocution incidents?

Is _____ a _____ to make outlets safe _____ shock _____?

_____ there _____ way _____ make _____ house safer by protecting _____ from _____?

_____ there _____ to _____ being shocked via outlets?

_____ wondering if special _____ made for _____ outlets _____ electrocutions.

Does anyone _____ any outlet _____?

I _____ wondering _____ any _____ considerations _____ about childproofing outlets when _____ is _____.

_____ keep _____ safe from _____ getting _____?

_____ any _____ precautions _____ need _____ be taken _____ protect children against _____?

Do _____ need _____ precautions for _____ electric _____?

What _____ should _____ taken _____ are childproofed sockets?

_____ wondering if there _____ any _____ considerations made _____ accidental electrocution incidents.

_____ it _____ prevent _____ electricity for _____ kids?

There _____ should be _____ child electric shock.

_____ any _____ childproofing outlets and _____ against _____ electrocution?

Is there _____ you _____ when it _____ childproofing _____ and _____?

I _____ if any special _____ made _____ childproofing _____ accidental _____ incidents.

What safety _____ should _____ to protect _____ and _____ from _____?

_____ wondering if there were _____ considerations _____ childproofing outlets _____ electrocution _____.

_____ be kept _____ from children _____?

Do _____ measures _____ electric sockets _____ children?

Measures for _____ children _____ electric _____?

_____ any _____ should be taken to prevent _____?

_____ outlets and _____ be _____ in _____ electrocution incidents?

_____ there _____ outlets _____ electrocution?

Which _____ should _____ taken in _____ of childproofed _____?

_____ childproof outlets be _____ electrocution _____?

_____ for _____ electrical _____?

I _____ if there are any _____ outlets.

_____ can _____ make electrical _____?

I _____ to know _____ there were _____ special _____ outlets.

Is there anything you can tell me _____ to _____ electric _____?

Can childproof outlets _____ sockets _____ against _____ electrocution _____.

Any _____ on _____ protect children _____ electrical _____?

_____ electrical outlets?

When _____ occur, I _____ wondering _____ special considerations _____ made _____ childproofing outlets.

_____ there _____ special precautions _____ avoid _____ with childproof _____?

Can childproof outlets _____ to _____ accidental electrocution?

_____ wondering if _____ were any special _____ made to _____ and _____.

_____ outlets _____ to _____ electrical accidents?

Can _____ outlets and _____ to _____ against accidental _____?

_____ be _____ preventing electric injuries in _____?

_____ any precautions _____ avoid _____ a child?

_____ it _____ to _____ childproof _____ accidental electrocutions?

I was _____ were special _____ made _____ outlets.

_____ was wondering _____ were _____ considerations made _____ outlets against _____ electric _____.

_____ have any tips _____ childproof _____?

What _____ be done to _____ in _____ of childproofed _____?

Can you give _____ kids _____ unplugged electrical _____?

_____ are _____ protect _____ against electrical _____ when childproofing outlets.

_____ for children _____ electric _____.

Is _____ any _____ children from _____?

_____ make _____ safer _____ children?

_____ children and electric _____

_____ stay safe around _____ outlets?

Are _____ child-safe sockets?

Can childproof _____ against accidental electrocution incidents?

_____ you going to _____ safe for _____ kids _____ prevent _____ surprises?

There may _____ to prevent _____ outlets.

Is _____ a way to _____ electric shocks _____?

What do you _____ about _____ electrical _____?

_____ there _____ for _____ electrical sockets?

Is _____ any _____ child electrocution?

Is there _____ precautions that _____ taken _____ child _____?

Is _____ any _____ that could _____ to make _____ safe from _____ shock?

I _____ there were _____ for electrical outlets.

Do you _____ to _____ from _____ getting shocked?

Any _____ tips _____ children?

_____ there anything that can _____ done _____ protect _____ electrical _____ when _____?

How _____ childproof _____ plugs _____?

Can childproof outlets and _____ off _____ electrocution?

Can _____ to _____ outlets _____ safety reasons?

_____ was wondering _____ were _____ considerations _____ childproof outlets.

_____ child proof _____ for _____?

_____ was _____ were special considerations made for childproofing _____ accidental electrocution.

_____ you _____ those outlets should be _____ safe _____ any electrocution surprises?

Is there a _____ to prevent accidental _____ children _____?

Is there _____ prevent kids being shocked _____?

What precautionary measures _____ be _____?

I _____ wondering _____ there were special considerations made _____ outlets _____.

_____ suggestions _____ for _____ outlets?

Childproofing _____ against electric _____?

What _____ be done _____ prevent accidental _____ when _____ used?

_____ could _____ be _____ safe _____ children?

Is there a _____ measure _____ for child-friendly _____?

_____ there a _____ to _____ outlets _____ kids?

Safe measures for _____?

Is _____ a _____ prevent _____ in baby-proofing outlets?

_____ shocks _____ by baby-proofing outlets?

Is _____ specific way to _____ sockets _____?

_____ there _____ way to prevent _____ through _____?

Is _____ childproofing rules _____ outlets?

Should there _____ avoid _____ electrocution?

_____ outlets _____ sockets be used _____ incidents?

_____ outlets be _____ getting shocked?

_____ can we make electrical _____ for _____?

Can _____ and sockets _____ to _____ against accidents?

_____ was _____ were _____ childproofing outlets when accidental electrocution incidents happen.

_____ there any specific _____ recommend to make _____ from _____ baby-proofing?

_____ should _____ keep children safe from _____?

_____ there any _____ on _____ accidents?

I wonder if _____ are _____ to prevent _____.

I'm _____ see _____ are any _____ precautions for _____ outlets.

_____ childproof _____ be used _____ prevent _____?

For safety reasons _____ you _____ information _____ how _____ childproof _____?

Is _____ to _____ child from accidental electrocution through _____?

Is _____ measures required for _____ plugs?

_____ there any special _____ childproofing _____ or _____?

Is _____ have _____ measures _____ and electric sockets?

_____ measures should _____ taken to prevent accidental _____ in _____?

_____ was _____ were _____ made for childproof outlets when there _____ accidental _____ incidents.

I _____ to know _____ any _____ considerations _____ about _____ outlets.

Do _____ recommend _____ measures _____ electrical plugs and _____?

_____ outlets important _____ prevent electrical _____?

_____ outlets/sockets _____ accidental electrocution special _____?

_____ if _____ any special considerations _____ childproofing _____ against _____ electrocution.

_____ precautions to prevent electrocution _____ children?

Should there be _____ to _____?

When _____ accidental _____ incidents, _____ wondering if _____ considerations _____ for childproofing outlets.

I'm just _____ to see if _____ special _____ to _____ accidents with _____.

Which precautionary _____ taken _____ using childproofed _____?

_____ just _____ if there _____ any special _____ to prevent _____ with childproof _____.

_____ childproof outlets _____ used _____ accidental _____ incidents?

Questions _____ sockets?

What safety precautions _____ childproof _____ have?

_____ any child-safe electrical _____?

What _____ safety measures _____ and _____ sockets?

_____ wondering _____ were any considerations about childproofing _____ accidental _____.

Can _____ give _____ outlet safety _____ for _____?

_____ there _____ for protecting _____ outlets during _____?

_____ have any _____ on outlet _____ with _____?

_____ there _____ outlet safety _____ children?

Can _____ outlets _____ be adjusted against _____ problems?

_____ sure _____ hurt by electrical _____

Any _____ about making _____ children _____ protected _____?

_____ have _____ child safety _____ for electrical _____?

Is _____ special _____ given _____ outlets against accidental electrocution _____?

_____ there a _____ to _____ when baby-proofing outlets?

Is _____ any _____ to _____ for safety reasons?

_____ there any _____ kids from being _____ by _____?

Any suggestions _____ outlets to _____?

Do you _____ specific steps _____ electrical _____?

Which precautions should _____ using _____?

What _____ be _____ to _____ accidental electrocution in _____ sockets?

How do _____ electrical _____ safe _____ children?

_____ there specific _____ for childproofing electrical _____ against _____?

_____ sockets need special _____ precautions?

_____ that can _____ to _____ child electrocution?

Can you give advice _____ to _____ unplugged _____ incidents?

How _____ kids be _____ shocked _____ plugs?

_____ precautions _____ and electric _____.

_____ should _____ taken _____ using _____ sockets and outlets?

Is there _____ can _____ made safe from _____ electric _____ during baby-proofing?

Is _____ possible _____ sockets against accidental electrocution accidents?

_____ provide _____ to protect _____ from electrical outlet incidents?

_____ tell me any precautions _____ electrocution?

Which _____ do you _____ for _____ electrical _____ sockets?

_____ it possible to _____ my _____ from accidental _____ through _____?

Safety _____ children with _____?

Can _____ give _____ about how _____ protect _____ electrical _____ incidents?

What _____ protecting _____ from _____ shocked?

_____ you _____ recommend _____ childproofing electrical plugs and sockets?

_____ for kids _____ sockets

Which precautionary measures _____ be taken to _____ with _____?

_____ questions about _____ power _____.

_____ and _____ be used if there _____ accidental _____?

_____ protected against _____ electricity?

What _____ the _____ childproofing electrical _____?

Kids _____ may _____ safety measures.

Do you think _____ outlets _____ be made safe _____ and prevent _____?

_____ there _____ safe _____ electrical outlets?

When accidental electrocution incidents happen, _____ was _____ if _____ were _____ considerations _____ .
_____ there _____ specific safety measures _____ for child _____ ?
Is there _____ do to prevent _____ of children from _____ ?
_____ should be _____ to _____ from _____ via outlets.
_____ it _____ childproof _____ sockets against accidental electrocution?
_____ if there were any _____ considerations about childproof _____ .
_____ childproof _____ and _____ to _____ used against _____ electrocution?
_____ there _____ on outlet _____ ?
Is _____ to keep outlets safe _____ children _____ ?
Childproofing _____ for safety _____ ?
I _____ there were _____ considerations made _____ outlets _____ there were accidental _____ incidents.
_____ it _____ to childproofing _____ sockets, _____ measures do you recommend?
Is _____ any way _____ shocks with baby-proofing _____ ?
I was wondering if _____ special considerations _____ when accidental _____ occur.
_____ outlet _____ pointers _____ children?
Should outlets be _____ in preventing _____ ?
_____ are _____ that _____ be taken _____ prevent _____ electrocution?
Do _____ sockets need special _____ ?
_____ there _____ precautions that need _____ be _____ children from _____ accidents?
_____ power sockets?
Is there _____ to _____ electrocution through _____ ?
_____ was wondering if _____ were _____ made regarding childproof _____ .
Any _____ for _____ electrical _____ ?
Are childproof _____ necessary to _____ ?
_____ be taken in _____ childproofed sockets?
_____ can _____ done _____ accidental electrocution in _____ sockets/outlets?
_____ have _____ on _____ safety for _____ ?
_____ precautions for child-ready outlets?
_____ there special _____ and _____ sockets?
Should _____ be concerns _____ sockets?
Do you think _____ outlets should _____ for _____ prevent any _____ surprises?
_____ you _____ ways _____ against _____ electrical outlet incidents?
_____ electrical _____ child safe?
_____ there _____ guidelines _____ child safety at _____ ?
How _____ safety at _____ outlets?
special _____ for _____ and _____ sockets?
Do you _____ should be _____ safe _____ ?
Special safety measures _____ kids _____ ?
Is there anything special _____ childproof _____ ?
Is it possible to _____ childproof _____ and _____ against _____ ?
_____ children _____ around _____ electrical outlets?
Is there _____ protect outlets _____ children?
Is _____ any _____ about childproof outlets _____ ?
Can _____ be specific _____ measures for _____ ?
_____ you _____ about _____ make outlets childproof _____ safety reasons?
How should outlets _____ electrocution when _____ ?
_____ there _____ special _____ to _____ accidents _____ childproof outlets?
_____ any special _____ regarding childproofing outlets when _____ electrocution incidents occur.
How _____ outlets _____ secured against _____ electric _____ when _____ ?
_____ there _____ specific _____ recommended _____ outlets safe _____ accidental electric _____ ?

_____ a specific _____ to _____ against electrical accidents _____ childproofing _____?
 _____ outlets and sockets be adjusted to _____?
 _____ there safety _____ kids _____ sockets?
 Can _____ outlets _____ against electric _____?
 _____ are the _____ recommend when _____ electrical _____ and sockets?
 _____ electrocution _____ I _____ if there were special considerations made _____ outlets.
 _____ there any special precautions _____ prevent _____ outlets?
 What _____ accidental electrocution of _____ from electrical sockets?
 Any suggestions _____ kids _____ shocked _____ plugs?
 Any _____ taken _____ prevent child electrocution?
 _____ there some _____ outlet _____?
 _____ any _____ could prevent _____ electrocution?
 Can _____ offer _____ advice _____ how _____ kids from _____ electrical _____ incidents?
 _____ specific _____ measures _____ for _____ electrical plugs?
 Should _____ prevent electric _____?
 _____ it possible _____ make _____ from kids _____ shocked?
 _____ have _____ special considerations regarding _____?
 _____ keeping the _____ safe from _____?
 _____ there a _____ protect _____ from electrical sockets?
 What _____ done to prevent _____ by outlets?
 _____ childproof outlets _____ sockets be adjusted to _____?
 _____ have safety measures for _____ electric _____?
 _____ accidental electrocution incidents _____ was _____ if _____ were made for _____ outlets.
 How should _____ taken _____ accidental _____ the case _____ childproofed sockets?
 What can we do _____ protect _____?
 _____ you have _____ concerns _____ sockets?
 _____ we _____ sockets against _____ shocks?
 _____ possible _____ use childproof outlets and sockets against _____?
 _____ let _____ to _____ outlets for safety reasons?
 _____ childproof outlets and _____ be _____ accidental electrocution _____?
 _____ a _____ to _____ from being _____ by outlets?
 Can you suggest _____ to _____ from _____ outlet _____?
 I was wondering if _____ were _____ made _____ outlets _____ an accidental electrocution.
 _____ safety _____ be used _____ childproof electrical plugs _____?
 How should _____ childproofed?
 _____ there guidelines _____ childproofing electrical _____ electrocution?
 _____ was wondering if _____ were any _____ considerations made _____ childproofing _____.
 _____ how to _____ outlets _____ from accidental electric _____ baby-proofing?
 _____ you _____ tips to stop kids _____ getting _____ plugs?
 _____ was _____ if there _____ special considerations _____ about _____ outlets.
 _____ on protecting _____ from _____ dangers of _____ electrical outlets?
 _____ are measures _____ prevent accidental electrocution _____ children _____ electrical sockets.
 _____ there any _____ to _____ children _____ electrocution?
 _____ child _____ needed to _____ accidents?
 Is _____ should be _____ to make outlets safe from _____ shock?
 _____ was wondering _____ were _____ made _____ childproofing _____ accidental electrocution incidents happen.
 Is _____ way to _____ accidental electrocution _____ the _____?
 _____ we protect _____ from _____?
 _____ wondering if _____ considerations were made _____ childproofing _____ event _____ accidental electrocution.
 _____ there any _____ measures _____ can be taken _____ make outlets safe _____ baby-proofing?

_____ if there were _____ special considerations _____ childproofing _____ accidental electrocution occurs.
I _____ wondering if there _____ special _____ childproof outlets _____ an accidental electrocution.
Looking for _____ children _____ around _____?
Safety _____ kids from getting _____ plugs?
_____ reason for childproofing outlets _____ electrocution incidents?
Do _____ ideas for _____ with _____?
_____ require help _____ keeping children safe around _____?
_____ there _____ you _____ give _____ on how to _____ outlets _____ electric shocks?
_____ wondered _____ there _____ special _____ against accidental electrocution incidents.
Is _____ any _____ I _____ accidental _____ of children from _____?
Is there _____ to _____ electrical _____.
Do _____ to _____ around electrical outlets?
_____ think _____ should be made safe for the _____ surprises?
Is there _____ way to _____ accidents when _____ outlets?
_____ you give _____ on _____ from unplugged electrical _____?
_____ need to _____ kid-safe power _____.
Are you _____ keep children _____ electrical outlets?
_____ steps to _____ electrical sockets?
I _____ if _____ any special considerations around _____.
_____ are _____ needed _____ power outlets.
Specific safety _____ required _____ plugs?
_____ precautions should _____ to protect outlets against _____ electrocution?
_____ used to _____ against electrical accidents?
_____ was wondering _____ there _____ special _____ about childproof _____.
_____ there _____ on _____ childproofing against _____?
Is it safe _____ protect _____?
Can _____ outlets and _____ be adjusted _____ incidents?
Special _____ safety _____ children?
I was _____ special considerations _____ childproofing outlets _____ is _____ accidental electrocution.
Do _____ extra _____ precautions _____ and electric sockets?
Is it _____ prevent electrocution _____ outlets?
_____ was _____ if there were _____ made _____ childproof outlets _____ there _____ an _____.
I _____ special considerations for _____ against accidental electrocution.
How _____ be _____ against _____ electrocution _____ childproofing?
_____ precautionary _____ should _____ taken when _____ sockets?
_____ guidelines _____ safety near _____ outlets?
I was wondering _____ there _____ made about _____ the _____ of _____ electrocution.
_____ there a way to make outlets _____ during _____?
_____ you _____ any _____ guidelines _____ outlets?
_____ want _____ if _____ are any _____ considerations regarding _____ outlets.
_____ it _____ plugs and _____ what safety measures _____ we use?
Childproofing electrical _____ measures.
_____ specific _____ you recommend to _____ from electric shock _____ baby-proofing?
_____ I need to _____ about _____ sockets.
_____ there concerns _____ childsafe _____?
_____ do you _____ shocks _____ baby-proofing _____?
Do you have any advice on how _____?
_____ for childproof electrical _____?
Do _____ for _____ safety for _____?
_____ children _____ from electrical sockets?

_____ there steps to _____ childproof _____ ?

Is _____ special safety measures for electric _____ ?

Can _____ tell _____ steps to childproof _____ sockets?

Is _____ information you can _____ us _____ how _____ make outlets _____ shock?

_____ children _____ hurt by electrical outlets

Do _____ have any _____ outlet safety _____ ?

Is there any way _____ outlet-related _____ children?

_____ specific safety measure required _____ child friendly _____ ?

_____ way to _____ childproof _____ sockets?

What precautions _____ to _____ children _____ accidents when childproofing _____ ?

_____ can kids _____ prevented _____ being _____ outlets?

Can _____ sockets be used _____ ?

Would _____ any _____ to _____ child _____ ?

Is there _____ sockets safe for _____ ?

_____ sockets be _____ ?

Do _____ think _____ made _____ for _____ and prevent _____ electrical surprises?

_____ to _____ about childsafe power _____ .

Can _____ to _____ kids from _____ outlet incidents?

_____ the sockets _____ made _____ for _____ ?

I _____ wondering _____ special _____ made for childproofing _____ outlets.

Is _____ guidelines _____ childproofing electrical _____ ?

Is there _____ type of _____ to protect _____ accidents?

_____ outlets safe _____ kids _____ ?

_____ a method to make outlets _____ from _____ baby-proofing?

_____ for special _____ for children and electric sockets?

Is _____ specific guidelines _____ safe electrical _____ ?

_____ there _____ about electrical sockets _____ ?

Is there _____ information about _____ make _____ safe from _____ during _____ ?

Can you _____ me _____ safe from accidental _____ shocks _____ baby-proofing?

How _____ outlets/sockets for _____ ?

_____ wondering if there _____ special _____ made _____ childproofing outlets _____ electrocution _____ .

Are _____ considerations for _____ outlets?

Do we _____ special safety _____ for _____ electric _____ ?

_____ there were any special considerations _____ outlets against _____ electrocution.

I _____ wondering _____ there _____ any _____ consideration _____ about childproof _____ .

_____ there _____ to _____ outlets from _____ children?

Do _____ have suggestions _____ kids?

I _____ like to _____ outlets _____ sockets _____ safety reasons.

Do you _____ against accidents?

_____ childproofing, what precautions _____ to _____ accidental electrocution?

Do _____ have _____ recommendations _____ outlet safety _____ ?

I _____ to know about _____ .

_____ curious if there were any _____ outlets.

_____ there _____ guidelines _____ child _____ electrical outlets?

Help with _____ children safe _____ ?

How _____ make _____ sockets childproof?

Is it _____ sockets?

_____ there any advice _____ unplugged electrical outlet _____ ?

_____ any _____ can _____ about childproof outlets for safety _____ ?

Do you _____ use of _____ plugs and _____ ?

Can _____ outlets and _____ adjusted _____ accidental electrocution _____?
_____ any specific _____ to _____ electrical _____?
_____ there ways _____ prevent _____ electrocution _____?
I _____ wondering if _____ considerations made _____ childproofing _____ in _____ of _____ electrocution.
_____ instructions for electrical _____?
_____ safety measures needed _____ electric sockets?
_____ precautions that should be _____ power outlets.
_____ there any _____ for _____ from _____ outlets?
Help _____ electrical outlets?
I want _____ childproofing guidelines for _____.
What do _____ think about _____?
Can childproof outlets _____ used _____ electrocution incidents?
How about _____ accidents?
_____ want to _____ that those outlets are _____ kids and _____ any _____?
_____ to prevent electric shocks?
_____ for _____ for children?
Are there _____ about _____ electrical _____?
Are there instructions _____?
Just checking _____ see _____ are any special _____ with childproof _____.
Is _____ a need for _____ safety precautions _____ sockets?
_____ Outlets needed to prevent _____?
_____ protecting _____ from child _____.
_____ accidental electrical incidents occur, I _____ wondering _____ were _____ made about _____.
_____ childproof outlets _____ adjusted for _____?
What _____ should _____ taken regarding _____?
I _____ to know how to _____ safe _____ accidental _____ during _____.
Can _____ advice about _____ to protect _____ from _____ incidents?
Is _____ necessary _____ install childproof outlets _____ prevent _____?
_____ keep _____ safe _____ getting shocked?

_____ was wondering _____ there _____ considerations made about _____ the event of _____.
Can _____ outlets _____ be _____ against _____ electrocutions.
_____ should _____ prevent _____ deaths of _____ from electrical _____?
Do _____ any precautions _____ prevent _____ outlets?
_____ there _____ on protecting _____ from _____ electrical outlet _____?
How about _____ electrocution?
Is _____ any child safety _____?
_____ be done to _____ accidental _____ childproofed sockets?
Did _____ measures _____ be taken _____ make _____ safe _____ accidental electric shock?
I _____ if there _____ special _____ childproofing outlets when _____ accidental electrocution _____.
_____ measures for _____ electric sockets?
_____ if _____ special _____ for _____ outlets against accidental electrocution incidents.
I was wondering if _____ considerations regarding _____ childproof _____.
Are _____ should _____ taken to protect _____ against _____ accidents?
When _____ should be done _____ outlets _____ electrocution?
How are _____ children?
Will childproof outlets _____ sockets _____ against accidental _____?
_____ should _____ precautions to prevent kids being _____.
_____ you _____ about _____ electrical sockets?
_____ children _____ get _____ by electrical outlets

There is _____ protecting _____ against child _____.

_____ was wondering whether there _____ special _____ for _____.

Can _____ safe around _____ outlets?

_____ there any _____ you _____ recommend _____ outlets _____ from accidental electric _____?

I was _____ there were any special _____ childproof _____ accidental _____.

Do we _____ from electric _____?

_____ accidental _____ incidents occur, _____ wondered if _____ any special _____ made _____ outlets.

Can childproof sockets _____ adjusted _____ accidental _____?

_____ childproofing power outlets

_____ questions about _____ electrical sockets.

I wondered if _____ about childproofing outlets.

_____ tricks for kids?

_____ a _____ special _____ kids and electric sockets?

_____ was wondering _____ were _____ considerations made _____ childproofing _____ there _____ accidental electrocutions.

The _____ childproofed _____ should have _____ taken.

Which precautionary _____ taken _____ childproofed sockets?

Can childproof outlets _____ sockets be _____ protect _____ electrocution?

_____ have any tips on _____?

I _____ to _____ safety power _____.

_____ should I be _____ of about _____?

Is _____ possible to _____ child _____?

Is _____ for _____ for kids?

Is _____ specific _____ electrical outlets _____ childproof?

_____ child _____ electrical sockets?

I was wondering if _____ special _____ made _____ childproofing _____.

How _____ we make _____ from _____ shock during _____?

_____ point _____ how to childproof _____ for _____ reasons?

Is there _____ to _____ being shocked _____ outlets?

_____ we prevent _____ being shocked _____?

Can _____ provide advice on how to keep _____?

_____ there _____ special _____ safety _____ kids?

Are _____ guidelines _____ protecting _____ when _____?

Do we _____ any _____ for kids _____ sockets?

_____ need new _____ measures _____ kids and electric _____?

Is it possible _____ make _____ safer _____?

Can childproof outlets _____ sockets be used _____?

Is childproof _____ for accidental _____ incidents?

_____ we _____ safety _____ for kids _____ sockets?

Can you _____ what to _____ kids from unplugged _____ outlet _____?

I _____ if _____ were _____ special considerations _____ against accidental electrocution _____.

_____ keep children _____ from electrical _____?

Is _____ measures _____ would _____ to make outlets safe from _____?

_____ you _____ how to _____ the kids from unplugged _____ outlet _____?

Are _____ outlet safety tips _____?

Do you have _____ considerations _____ childproofing _____ sockets?

Can _____ be used against _____?

Do childproof _____ electrical _____?

Should childproof _____ needed _____ prevent _____?

_____ about _____ outlets _____ being shocked?

_____ specific guidelines for _____ outlets?

_____ we _____ safety measures for kids _____ ?

_____ guidelines _____ safety of electrical _____ when _____ ?

_____ about _____ electrical _____ ?

_____ _____ keep outlets safe _____ children getting shocked?

Can _____ outlets _____ childproof?

What _____ measures _____ to _____ accidental electrocution caused _____ sockets?

_____ for child-friendly electrical plugs _____ ?

_____ about keeping outlets safe _____ ?

Are _____ against child _____ ?

Electric _____ safety _____ children?

Is _____ children from _____ shock through sockets?

_____ regard to _____ measures should be taken?

I was _____ if there were _____ special considerations _____ outlets _____ .

Can you _____ advice _____ how to protect _____ electrical _____ ?

How about _____ with _____ ?

I was _____ childproof outlets _____ for accidental _____ .

Should _____ be any precautions _____ prevent _____ of _____ ?

Is there _____ safe electrical _____ ?

any _____ tips _____ children?

_____ you have _____ precautions for _____ ?

I _____ wondering if _____ were special considerations made _____ .

When childproofing outlets, are there _____ protect _____ electrical _____ ?
