

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Product information and specifications requests
Inquiry Sub-Category	Technical Specifications
Description	Customers seek information about the technical specifications of a product, such as operating system compatibility, power requirements, or connectivity options.
Data Size	5,039 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)

What ____ of connectors does ____ for audio ____ ?
____ it have different types ____ sound ____ and outputs?
____ of connection is ____ for ____ and out ____ ?
I ____ to know the ____ and ____ connectur ____ .
____ would ____ to ____ about the ____ input ____ used ____ your system.
____ input/output connections ____ used?
Which ____ points do ____ for ____ and output?
____ type ____ sound input and ____ are you ____ ?
____ kind ____ connections are ____ the audio input ____ of ____ product?
____ type of connection use ____ audio ____ input ____ ?
____ input ____ it ____ are being ____ type ____ connection they use.
____ not ____ what connection it ____ the audio ____ input.
Do ____ different ____ of ____ for sound ____ outputs?
____ to know a ____ of ____ audio ____ input connections ____ to ____ waves.
____ in need of ____ audio output/input connections ____
____ would love ____ hear about ____ and ____ connectors ____ .
____ type ____ connection is used ____ and outputs?
I'm ____ need of information ____ audio ____ and ____ to connect ____ .
____ jacks ____ used for input and output.
____ it ____ to ____ the sound ____ and out?
____ sound ____ and out purposes, what kind ____ device ____ ?
____ are ____ for ____ I and O?
____ type ____ are used to ____ and ____ sound?
Do you ____ if ____ plugs ____ inputs and outputs?
____ of connection ____ for audio out/in ____ .
What ____ of connections ____ used ____ sound and output ____ ?
Which type ____ used for the sound ____ ?
____ sound purposes, ____ types of connections ____ feature?

_____ of information _____ output and input conduits used _____ connect _____.

Which _____ of _____ sound _____ outputs?

What _____ are _____ sound and output _____?

_____ a _____ cords _____ sound inputs and outputs?

_____ the _____ of connections used by the _____ devices?

I _____ to know more about _____ input _____ use.

What type _____ is used for _____ and out _____?

What plugs made _____ device _____ in _____?

_____ of connection _____ used _____ sounds?

Is _____ of connection _____ and Sound Input?

_____ possible _____ it _____ different types of _____ for its _____ outputs?

_____ are _____ in _____ audio and _____ of _____ product?

_____ of _____ are used to input _____ sound and _____.

I'm _____ about _____ audio _____ input _____ used.

_____ to _____ more about _____ audio _____ used in your system.

_____ about _____ method of connection used for its _____ and _____.

_____ have different types of _____ and output?

_____ use different types of _____ input/output?

I _____ of _____ is used _____ its _____ inputs and outputs.

_____ type _____ by _____ and input devices?

_____ type _____ sound _____ out connectors _____ device have?

_____ about what type _____ you use to input _____ sound.

_____ are _____ of connections you _____ for _____?

_____ tell _____ of jacks for audio input/output?

I want to _____ kind _____ audio inputs and _____ may _____.

Which _____ it _____ for connecting _____?

_____ of connections _____ used _____ sound _____ output?

Which _____ ups _____ for _____ output?

Which kind _____ is used _____ sound _____ and _____ input?

I would like to _____ the type _____ connection _____ output _____.

_____ of connections _____ used _____ sound _____ output sound?

Information on the audio output _____ connectur used _____.

There is _____ question _____ what type _____ are used _____ and _____.

Which types _____ for sound _____ output?

_____ connections is used to make _____ and _____?

I _____ as to what _____ connection _____ used for _____ in _____.

What _____ of plugs _____ in and out of _____ device?

Do you know _____ type _____ used _____ input and _____?

What connection _____ it use _____ audio _____ types?

_____ of connection _____ for the audio _____ and out _____?

I _____ like _____ the audio output/input connections.

Which _____ input and output connections _____ you _____?

_____ and _____ types are being asked _____ kind _____ connection _____.

Do _____ know the _____ used _____ sound _____ output?

The audio _____ types _____ asked _____ their _____ types.

_____ interested _____ the audio _____ connectur _____ for it.

What _____ do _____ use for output _____ input?

_____ are _____ for audio _____?

_____ there a specific type of _____ sound inputs _____?

_____ kind of connect _____ used _____ input _____ output?

_____ input and _____ you use?

_____ need _____ about the _____ and _____ used to _____ it.

I'd like to _____ more _____ audio _____ and _____ to connect _____.

I need _____ know what _____ input connections _____.

_____ would _____ audio _____ input conduits are used.

_____ am _____ the type _____ connection it uses _____ audio input _____.

What types of _____ are _____ input and _____?

_____ which _____ of _____ is used _____ out/ in functions.

_____ want _____ and input _____ used to connect them.

I don't _____ is used for _____ audio and _____.

Which connections are used for the _____?

_____ like to know information _____ the _____ output and _____.

Do _____ know _____ of audio I/O connectors _____?

It _____ a question _____ type _____ connections _____ input _____ output the sound.

I _____ about the _____ output _____ connectur _____ for it.

_____ require information _____ the _____ output _____ input _____ used.

Which type _____ audio _____ and _____ connections _____?

The connections _____ uses for _____ input are _____.

_____ give us any information _____ used _____ input jacks?

What connections _____ recommend for _____ production and _____?

_____ the _____ jacks _____ use for _____ and output.

_____ connectors do you use?

What _____ of _____ used _____ output and _____ sound?

_____ want _____ know what type of _____ used _____ and _____ sound.

I _____ like _____ know information on _____ output _____ used.

_____ the _____ and _____ used to send _____ waves?

_____ in need of _____ the audio output _____.

_____ give _____ information _____ audio output and connectur used _____.

_____ question is _____ types of connections are _____ sound.

_____ type of connections are _____ input _____ sound?

What connections _____ for _____ inputs?

_____ to _____ about the _____ input connectors that _____ in your sound _____.

_____ need information _____ the audio _____ and _____.

_____ used by the _____ and input devices?

Which _____ are recommended _____ audio _____ audio _____?

_____ don't _____ what connection _____ audio out/in functions

_____ input types _____ asked what type of _____ they _____

_____ connections _____ used for audio?

Please tell _____ the _____ use for input _____ output _____.

I want to know if _____ have any information _____ the _____ in _____.

_____ audio input/output _____ are _____?

_____ know the audio output and _____ used _____ connect _____.

_____ what _____ of connection is _____ the _____ in and out _____.

_____ interested in learning more about _____ audio _____ connectors _____ in _____.

Which audio _____ be used?

_____ types _____ connections are _____ for _____ sound _____ output?

_____ tell _____ which audio jacks _____ use _____ outputs.

_____ are _____ that work for _____ output and _____?

_____ would _____ know the information _____ the audio _____ used.

I want _____ more _____ the _____ input _____ used.

_____ do you _____ to _____ output audio?
 _____ type _____ it _____ for audio?
 _____ for information _____ the audio _____ conduits _____ to connect them.
 Which type of _____ sound _____?
 Does it _____ for sound inputs _____ outputs?
 _____ want to _____ the type of _____ inputs _____ output _____ you _____.
 I'm not _____ it _____ for audio input _____.
 There _____ a _____ about _____ type of _____ used _____ input sound _____ output _____.
 I need information _____ the _____ output _____ conduits _____ used.
 _____ know which _____ connection is _____ for audio _____ in functions.
 Does _____ specific connections _____ and output?
 Is _____ type of _____ for sound inputs/outputs?
 It's a question _____ what _____ connections _____ to input and _____.
 _____ it use _____ types of cords for _____ outputs?
 _____ to _____ how the audio _____ are used.
 _____ type of _____ uses _____ output?
 _____ type _____ use _____ audio and _____ devices for?
 Please tell us _____ audio _____ connections are.
 _____ want to _____ about the audio _____ input _____.
 _____ question _____ the types _____ to input sound _____ output.
 I _____ know more about the _____ used.
 Which type _____ the _____ and _____?
 I _____ to _____ more about _____ and _____ conduits used _____ them.
 There _____ a question about _____ of connections _____ to make _____.
 Which _____ are _____ for sound _____ input?
 _____ know _____ kind of _____ it _____ for audio _____ input.
 I don't _____ type _____ Connector _____ used for _____ out/in _____.
 I'm _____ sure _____ type _____ is _____ for _____ in and out _____.
 Is _____ type of _____ Sound Output and _____?
 _____ we use _____ the audio input _____ this product?
 _____ question is _____ which _____ of connections _____ input _____ output sound.
 _____ not sure what kind _____ it uses for _____ audio _____.
 _____ know which _____ is used in _____ out/in functions.
 How about the _____ audio _____ cables?
 _____ type of _____ audio and input devices.
 What _____ connections _____ the audio _____ to work?
 _____ want _____ the information on _____ and input connections _____.
 What sorts _____ used _____ input _____ output the _____ are making?
 What type _____ is _____ for _____ and input?
 I want _____ the type of _____ uses to output _____.
 What _____ of connections _____ to _____ and Output _____?
 What _____ are _____ to input _____ output _____ sounds you _____ making?
 _____ of connection is used _____ the _____ sounds?
 _____ to know information on _____ and _____ connectors.
 _____ have _____ type of _____ uses to output audio and _____.
 What _____ the _____ you use _____ input _____ output?
 What are _____ in audio and input?
 _____ about connections _____ to _____ and output _____.
 _____ connections are used for _____?
 _____ audio _____ and _____ are used?

_____ types of _____ used to _____ the sound?
_____ looking _____ information _____ the audio output _____ conduits.
_____ question _____ of connections _____ used to _____ output sounds.
I'm curious _____ kind _____ used _____ audio in and _____.
_____ like to _____ what the _____ output/input _____ for.
_____ about the _____ and input conduits used to _____ them.
_____ want _____ the _____ of _____ it uses for _____ and outputs.
What connections were _____ audio _____?
I'm not _____ of _____ is _____ for _____ output and _____.
_____ of audio _____ connectors _____ you _____?
_____ am _____ sure what type _____ uses to _____ output audio.
Can _____ us _____ audio and _____ are _____ for?
_____ are the _____ for audio inputs _____.
_____ kind of _____ is utilized _____ the audio _____?
I need _____ on _____ input _____.
Does _____ different _____ of cords for _____ outputs?
_____ audio _____ input _____ do _____ use?
_____ of connection is _____ by _____ and input _____?
_____ like to _____ information _____ audio connections used.
_____ connectors is used _____?
_____ types do you _____ for _____?
_____ know about the _____ output _____ connections used.
_____ types _____ do _____ send audio I and O?
The _____ they use _____ input _____ being questioned.
I _____ not _____ what _____ of connection _____ for its _____ and outputs.
_____ of connections are used _____ output the _____ that you _____
_____ types of connections _____ send audio _____ sound?
What _____ of connection _____ is _____ input devices?
Do _____ know _____ style _____ I/O connectors you _____?
Please clarify which _____ you _____ for input _____
_____ type _____ is used for audio _____ and _____?
Does _____ different _____ of _____ for sound _____ output?
_____ of connections are _____ for the _____?
What _____ connections support _____ input?
I'm looking for information _____ audio and _____.
Which _____ did the _____ to _____ and out?
_____ connect _____ use _____ process audio?
What are the _____ and _____?
_____ it _____ different types _____ cords _____ sound _____?
_____ need _____ on audio _____ conduits used _____ them.
_____ would appreciate _____ let me _____ audio output and connector used _____.
We want _____ know what _____ input _____ connections are _____.
_____ you _____ let _____ audio _____ connectors are used for, I would appreciate _____.
I don't _____ connection _____ for audio out/in _____.
_____ want to _____ of connections _____ to input sound and _____.
_____ want _____ know how _____ and input _____ connect them.
There is _____ type of _____ used to output _____.
_____ connections are used to _____ the sound?
_____ of _____ there for the _____ input and _____?
_____ that _____ use to input _____ output audio?

_____ you tell us _____ the audio _____ input _____ that _____ ?
 What type of _____ is used _____ audio?
 I am _____ the type of _____ it _____ audio _____ outputs.
 _____ information _____ audio output and input conduits.
 I _____ know _____ about the _____ output/input _____ used.
 _____ am curious what type of _____ audio _____ out.
 Does _____ use any _____ sound _____?
 We need to _____ about _____ input _____ used.
 Does _____ have _____ types _____ cords _____ sound _____ or _____?
 _____ to _____ the method _____ connection used for _____ and outputs.
 _____ would like _____ know the _____ and _____ used.
 If you _____ me information on the _____ would appreciate it.
 _____ know _____ and input conduits that are used.
 _____ can be _____ connecting _____ input of a sound source?
 _____ you _____ the _____ that are _____ for sound _____?
 I _____ to _____ about the audio output _____ input _____.
 We _____ to know what _____ input/output _____.
 I am curious _____ the _____ and input _____.
 _____ do not know _____ type _____ connection _____ audio and input.
 _____ looking _____ the audio and input connectors _____ your _____.
 _____ sound _____ plugs are you _____?
 _____ kind _____ connection _____ for the sound _____ sound _____?
 I am _____ method _____ connection _____ its audio _____ and outputs.
 What _____ the _____ of connection _____ audio _____ input _____?
 _____ of connections _____ input and output sound you _____?
 I would appreciate _____ let _____ about the audio and _____ your _____.
 Which _____ do _____ use _____ output?
 _____ you _____ the used _____ or input _____?
 _____ type _____ used to _____ and output sound?
 The _____ and _____ are _____ asked _____ type of _____ it _____.
 Which connect _____ do _____ for _____ output _____ input?
 Are _____ input/output connected _____ specific type _____ plugs?
 What are the types _____ you _____?
 It _____ possible _____ input and output _____ using _____ connections.
 I want to know _____ and _____ used for _____.
 What type _____ are used _____ and out _____?
 Is there _____ the audio _____ input jacks _____?
 I _____ to know _____ audio _____ connectors _____ for in your system.
 I would _____ output and _____ conduits used.
 I need information _____ output and _____ to _____ them.
 _____ is a question about _____ input and _____.
 _____ question _____ of connections are used _____ input and _____ sound.
 _____ tell me _____ of connection _____ for _____ input _____ output?
 _____ are _____ audio and input?
 I _____ information about audio _____.
 _____ kind of _____ is _____ sound and data?
 Are _____ types of connections _____ Output and _____?
 What _____ connection _____ used by _____ input devices?
 _____ are used for _____ input?
 _____ kind of _____ does the _____ device use?

_____ and input connections it _____ are _____.

Which audio _____ cables _____ use?

I want _____ information on _____ audio _____ input conduits.

_____ have _____ types of _____ for sound _____?

What _____ is used to input _____?

What _____ sound _____ connectors do the _____?

_____ connect the _____ in and out?

_____ and input _____ asked about their connection _____.

I _____ like _____ the audio output and input _____.

_____ support _____ audio output or input?

Are _____ aware of the _____ of audio _____?

_____ know about the audio and input _____.

Please _____ audio _____ input connectors used _____ your sound system.

_____ audio and _____ are being _____ which _____ connection _____ use.

_____ what kind of _____ used for _____ audio in _____ functions.

_____ like to _____ the _____ output and _____ used.

I need to _____ the _____ and _____ used.

_____ used for _____ and output?

The audio and _____ types it uses are _____ connection _____.

_____ information on _____ output/input _____ used

I _____ know _____ the _____ and input conduits used.

_____ specific _____ output/input connections _____?

I would appreciate it _____ give me _____ the audio and input _____.

_____ types _____ are _____ for _____ input and output?

Can _____ a description of _____ input _____ connections you _____?

Which _____ of _____ are _____ audio _____ input devices?

I _____ not sure what type of _____.

_____ need a _____ of the audio _____ input _____ use to _____.

_____ question about what type _____ connections _____ used _____ input _____.

Which type of connection _____ use _____ send _____?

_____ curious as to the method _____ connection _____ for _____ input _____.

I would _____ to _____ about _____ input connectors in _____.

A question about _____ used _____ output _____.

_____ plugs _____ sound input and output?

I _____ like to _____ more _____ output and _____ used.

_____ connection makes sounds _____ and _____?

What _____ audio I/O _____ do _____?

_____ audio _____ ups do _____ use?

Which _____ up are _____ and output?

_____ the _____ of connections you use to _____?

_____ on _____ audio output and input _____.

What kind _____ connection _____ audio and _____?

_____ you able to give _____ a _____ input and _____ connections _____ use?

_____ what type _____ connection _____ to make _____ and input.

_____ question of what connections are _____ and output _____.

_____ question about _____ of _____ are used _____ input _____ output the _____.

_____ you _____ me what plugs _____ uses _____?

What types _____ connections _____ and _____ devices?

What _____ are used for _____?

What _____ do _____ use _____ audio inputs _____?

____ type of ____ is used for ____ in ____ ?
 ____ connections ____ in the audio ____ ?
 What type of ____ is ____ audio ____ input?
 ____ know the style ____ audio ____ that ____ have?
 There ____ which connections are used to ____ sound.
 ____ clarify what ____ jacks ____ used for ____ output.
 What ____ can ____ use for audio ____ ?
 What ____ audio outputs/input ____ used?
 I ____ which ____ of connectin is ____ for ____ out/in ____ .
 ____ used ____ the input and the ____ ?
 Which ____ ups ____ you using ____ ?
 ____ give us a description of ____ audio ____ to ____ waves.
 I'm not ____ type of ____ is ____ for ____ out/in ____ .
 I ____ on the ____ and input conduits utilized.
 We need ____ and audio ____ you use to ____ waves.
 ____ kind of ____ is ____ output and input?
 Which ____ for audio input ____ output?
 A ____ about the ____ of connections used ____ output ____ .
 Is there ____ of ____ used ____ out/in functions?
 ____ information ____ the audio and ____ used.
 ____ need the information ____ the ____ and ____ used.
 ____ know if ____ has specific ____ of plugs for ____ outputs?
 What ____ of ____ is used ____ audio input ____ ?
 What type of ____ are ____ ?
 ____ type of connection ____ audio and ____ devices?
 Does it use specific types of ____ ?
 Which ____ do it use ____ the ____ and ____ ?
 I ____ to ____ of ____ used for audio input ____ output.
 I need to ____ the ____ and ____ connectors ____ in ____ system.
 ____ connection ____ used ____ sound ____ and ____ ?
 Which ____ connections are used ____ sound ____ sound output?
 ____ know information on the audio ____ and ____ connect them.
 What kind of ____ for audio ____ ?
 ____ it use ____ cords ____ inputs/outputs?
 It is ____ question ____ type of connections ____ to input ____ .
 ____ would ____ know the ____ output/input ____ utilized.
 ____ want to ____ audio ____ and ____ conduits used.
 ____ and ____ connections were used?
 ____ are ____ the sound input ____ output?
 What ____ connections are ____ and input the ____ are making
 Which ____ audio output or ____ were ____ ?
 ____ sure ____ kind of connection ____ uses ____ output audio ____ .
 I'm ____ what ____ of connection it uses ____ send ____ .
 The ____ used for sound ____ ?
 Which ____ audio input/output?
 ____ need ____ on the audio output and connectur ____ .
 ____ sure ____ connection ____ to ____ audio and input.
 Is the ____ connected to ____ of plugs?
 What ____ of plugs are utilized ____ the ____ out?
 I'm ____ in learning ____ the audio ____ connectors ____ .

_____ want _____ know details _____ audio or input _____.

What are _____ types of _____ input/output?

_____ kind _____ used for _____ and sound output?

_____ type _____ is _____ for both _____?

_____ curious what _____ of _____ is used for audio in _____.

I _____ to _____ about _____ output _____ input conduits used.

The _____ is _____ types _____ connections used to _____ and output _____.

_____ connections are used to input _____ sound

I am wondering _____ method _____ used _____ its audio _____.

Do _____ what _____ of audio I/O connectors _____?

I'd _____ to _____ the _____ output _____ connector used.

_____ the type _____ connections used _____ output and _____ sound.

_____ want _____ know _____ the _____ input connectors used.

What plugs do _____ to _____ the _____ and _____?

_____ do _____ use _____ put _____ sound in and _____?

There _____ a _____ of connections used _____ input and output _____.

_____ have _____ idea _____ kind of _____ for audio out/in _____.

What _____ plugs _____ to the _____ input/output?

What _____ are used in the _____ and _____?

What connect ups _____ used _____?

_____ what type of connections _____ and input sound.

_____ connection sends _____ input and _____?

_____ it _____ gave me _____ about _____ and input _____ in your system.

_____ sure what _____ of _____ output audio and input.

What _____ connection _____ used _____ send _____ and audio?

It's _____ question about what _____ used _____ output sound.

What _____ of _____ is used _____ sound _____ output?

_____ kind of _____ send _____ output?

The _____ is _____ type _____ connections are used to _____

The _____ and input types _____ being asked _____ of _____.

I _____ about the _____ output _____ input conduits _____ them.

Does _____ have _____ sound input/output?

_____ of _____ output and _____ are _____?

_____ audio _____ connections are _____?

Which _____ of _____ and output?

_____ different _____ cords for sound inputs and _____?

Which types _____ audio _____ and _____ used?

_____ are needed _____ audio _____ and _____ input?

The question is _____ of connections _____ to input _____ sound.

You _____ give me _____ the audio _____ that are _____.

_____ connections are _____ and output?

_____ confirm _____ audio _____ input jacks _____?

_____ don't know _____ are used for _____ out/in functions.

_____ used for audio input and _____?

What type _____ connection is _____ the sound output _____?

A _____ kind _____ connections are _____ input _____ output sound

I want to _____ type _____ connection it uses _____ and _____.

The _____ what _____ connections are used to input _____ sound

Can _____ the input and _____ connections used to _____?

I need to _____ about the audio _____ connector _____.

I need ____ know ____ the audio and ____ used ____ system.
____ of ____ they ____ is being ____ the ____ and input types.
____ you ____ a description of the ____ and ____ you ____?
I ____ type of ____ uses for the ____ and input.
____ there ____ specific audio output/input ____?
____ connections ____ used to ____ and ____ the sound.
____ can ____ the output and input ____ source?
I ____ know what types of ____ cables you ____ have.
It doesn't know what ____ of ____ to ____ input.
Can you ____ about ____ audio output ____ input ____?
What ____ of ____ there ____ audio?
Any ____ or input ____ used?
The type ____ input ____ used.
____ of ____ is used ____ and input?
I ____ like ____ how ____ audio ____ connectors are ____ your system.
I don't ____ of connection ____ uses ____ output ____ audio.
I'm not sure what ____ connection ____ uses ____ input.
What ____ cables ____ for sound ____?
What types ____ input connections ____?
Do ____ know the ____ I/O ____ that you ____?
What ____ of ____ used for ____?
Is there ____ type ____ used ____ audio out/in ____.
What ____ of ____ is used to ____ output the ____ you ____
What ____ of ____ audio and input devices?
____ there ____ details on ____ audio or input ____?
____ plugs do ____ have ____ sound ____ and input?
____ want to ____ the ____ of ____ uses for audio ____ and ____
____ of ____ for input and output of the ____?
____ is ____ that sound ____ output ____ using a ____ connectors.
____ type ____ is ____ for input and ____ sound?
____ of ____ is utilized ____ the sound ____ and ____ output?
____ of connections are used to send ____?
What ____ are ____ and out?
____ types ____ connections used ____ and output sound?
Anything ____ connections used?
I am ____ what type of connection ____ uses ____ send ____.
Which ____ of ____ used to input sound ____?
I don't ____ which ____ of ____ it ____ to output ____ and ____.
____ type of ____ are ____ to ____ and ____ sounds?
For ____ what types ____ connections ____ the ____ feature?
____ of ____ for sound inputs and outputs?
____ to know the ____ the audio ____ input conduits used.
____ there a type of ____ used for audio ____?
____ are used to send audio ____ one point ____?
I ____ like ____ about the audio ____ input connectors in ____.
____ you ____ us ____ the audio ____ input connections?
I ____ about the audio output ____ connector used ____.
____ love to hear about ____ audio ____ you use.
Can ____ give ____ a description ____ the audio ____ jacks ____?
____ types ____ connect up are used for ____?

_____ know about _____ audio and input jacks that have _____.

_____ is used _____ audio out/in functions?

I need _____ on _____ audio _____.

I'm interested _____ learning _____ audio output/input _____.

Can you provide _____ with _____ the audio and input _____?

Do you _____ what _____ have?

I _____ to _____ information _____ the _____ connectors used.

What _____ of connections _____ to output and _____?

What type _____ should be _____ input and _____?

I _____ like to know more _____ audio _____ input _____.

_____ tell me what _____ needed for _____ input/output?

_____ question _____ what _____ of connections _____ to input sound _____ it

A question _____ what types of _____ are _____ to _____.

_____ you _____ tell me about the audio _____ input _____ would _____.

Can _____ tell _____ a little _____ about _____ and audio _____ use?

_____ sound input/output connect _____ a specific _____ plugs?

I _____ to know what _____ of _____ it _____ for audio _____.

_____ connections are _____ for _____ input _____?

_____ is used to input _____ sound?

_____ connectors _____ it use _____?

_____ are the connections _____ audio input _____ output?

_____ interested _____ the _____ output and input _____.

_____ to know about the _____ and _____ connectors.

_____ want to _____ information _____ audio and _____ conduits _____.

_____ kinds _____ plugs _____ to _____ the sound in and _____?

I need _____ audio _____ and _____ used _____ it.

I _____ appreciate information _____ input connectors.

What kind of connection _____ for _____ in _____.

What _____ connections _____ used _____ sound and _____?

_____ of connections _____ used _____ input sound _____ output _____?

_____ what _____ of connectin _____ used for _____ out/in functions.

_____ types _____ the audio and input _____?

What _____ used to input _____ output _____ sound you _____?

_____ request information _____ input connectors used.

_____ type of connection it uses for audio _____ and _____.

Tell us _____ the _____ input/output _____.

_____ not certain what _____ it uses to _____ audio _____ input.

I _____ to _____ on _____ audio output and _____ conduits.

_____ of connection _____ used to send _____ audio?

_____ connections _____ audio _____ and input?

Which _____ connection _____ for the output and _____?

_____ don't _____ type of _____ is _____ for audio _____.

_____ need _____ know information _____ output and _____ used for _____.

_____ types of plugs _____ soundinput andoutput?

Which _____ connection send _____ and _____?

I _____ like _____ about the audio _____ use.

_____ are _____ audio input and output?

Which _____ of connection _____ the audio _____ devices _____?

I _____ not sure _____ it _____ to _____ and input.

I _____ on _____ output and input conduits _____ connect _____.

_____ want to _____ if _____ sound input/output is a _____ a _____.

_____ type of _____ are _____ for _____ input?

I _____ information on the audio _____ and _____ used _____ connect them

_____ want to know _____ the _____ input connections _____ for.

I _____ information _____ the _____ input conduits _____ to connect them.

What _____ of connectors _____ used _____ sound input _____?

The question is what _____ connections _____ used _____ and _____ the _____.

Which _____ connect sound _____?

_____ need to know _____ the _____ output and the _____ conduits _____.

_____ in the _____ and _____ connectors used.

_____ of _____ are used to _____ sound and _____?

_____ type of _____ is _____ sound and data?

What are the connections you _____ input _____?

_____ of connections _____ used _____ input _____ output sound?

I _____ some information _____ output _____ input conduits used to _____.

You should give _____ on the audio _____ conduits _____ them.

What kind _____ are _____ for _____ and inputs?

What _____ ups _____ for _____ and input?

_____ of _____ is used _____ input _____ and output sound?

_____ know what _____ of connection it _____ for _____ output _____.

_____ connections are _____ to input and output _____?

_____ connects do _____ for audio _____?

What _____ of connection _____ use _____ its _____ and _____ types?

_____ the _____ for _____ input/output?

Which _____ are _____ to input _____?

What _____ connection use _____ input _____?

I'd like _____ know _____ type of connection it _____ and _____.

What _____ of connection is used to _____?

Is _____ to know _____ used for _____ out/in functions?

_____ connect ups _____ used to _____ audio?

What _____ are used _____ audio _____?

Does _____ use _____ of connection _____ sound input/output?

I _____ to know _____ output/input connections utilized.

_____ is it using _____ audio and input?

Please help _____ which _____ are _____ input and _____

Audio and input _____ what _____ connect into they use.

I have no idea _____ is _____ for _____ in _____ out.

I _____ know _____ the _____ output and the _____ used.

What kind _____ connection _____ used _____ in _____ out?

Which _____ of connection _____ for the sound _____?

I would like _____ and input _____ use.

I'm wondering what _____ of connection is used _____.

Which kind of _____ is used _____?

What types _____ for the _____?

What kind _____ audio _____ there?

_____ know about _____ audio output/input connections _____.

What _____ of _____ do _____ for audio _____?

_____ not sure what _____ connect in is used _____ out _____ functions.

_____ tell _____ which _____ jacks you _____ input and _____.

I'm _____ about _____ output _____ input conduits _____ connect them.

Does _____ use _____ of cords _____ and output?

It _____ possible _____ sound _____ is using _____ of connectors.

Is _____ a _____ type _____ sound inputs/outputs?

Which _____ are _____ audio _____.

We _____ know about the _____ and _____ jacks _____.

I want to _____ audio inputs _____ cables _____ are suggesting.

_____ audio _____ input types, they are being _____ of connection _____.

_____ like to know _____ and _____ connectors _____ used for in _____.

_____ question _____ the _____ to _____ and output the sound.

What are the connections _____ product's _____ input?

A question _____ connections _____ used to input and _____.

Do _____ the type _____ connectors _____ for _____ and _____?

What connect ups _____ you _____ or _____ audio?

_____ of audio input/output _____?

What _____ utilized by audio and _____ devices?

I _____ like to _____ on _____ audio _____ input _____ used.

What type of _____ are used _____ the _____ input and _____?

_____ plugs _____ play sound in and out?

_____ are _____ audio _____ and input?

The question is _____ type _____ connections are _____ input _____.

_____ know _____ kind of connection _____ for audio outs/ _____.

_____ of connections _____ you use _____ audio I/O?

_____ of _____ for _____ and output.

What _____ it _____ to connect _____ sound _____ and _____?

I don't _____ is _____ for the _____ functions.

It _____ of _____ type of _____ are _____ input and _____ sound.

A type of _____ used for _____ output.

I _____ like _____ audio output and _____ conduits _____ to connect them _____.

_____ connections _____ using for _____ input _____ output?

I would _____ if _____ could _____ me _____ the audio _____ connectors are _____.

_____ connections are used _____ send _____?

Which _____ are used _____ output?

What _____ are _____ to _____ and input audio?

What kind of connections do _____ I/O?

There is a _____ connections _____ for sound _____ output.

_____ are used for audio _____ input in _____?

_____ like _____ know information on the _____ and _____.

Do _____ type of connections _____ to _____ and _____ sound?

I want to _____ what _____ are used for.

Which _____ of _____ does _____ input devices use?

What types _____ connections _____ used _____ input and outputs _____ you _____?

I would _____ what the audio _____ input _____ are used _____.

_____ not sure what _____ used for _____ and functions.

_____ connectup do you use _____ output?

_____ a question _____ types of _____ to _____ output sound.

What _____ connections _____ to _____ and input sounds?

What type _____ do the _____ input _____ utilize?

I want to know _____ audio _____ output _____.

What connections are _____ to _____?

_____ type _____ connections are _____ send and receive _____?

What type of ____ is ____ to ____ and ____?

What type of ____ are ____ to ____ sounds ____?

What ____ connection is ____ to ____ and ____ sound?

I'd like to ____ audio inputs ____ output ____ you ____.

What plugs did the ____ in/ out?

____ connect ____ are ____ for ____ input ____ output?

Which type ____ used ____ and outputs?

____ are ____ connections you ____ audio ____ output?

Information on ____ audio and ____ connectors used ____ be appreciated.

I ____ know if it ____ of ____ for sound ____ outputs.

I have a question about ____ connection ____ inputs and ____.

____ want ____ the ____ output and input ____ utilized.

I want to know ____ audio ____ you.

____ question about connections ____ to ____ sound

____ know about ____ type ____ for audio out/in functions.

____ connections ____ use ____ audio input and ____?

I want ____ know ____ and ____ jacks ____ use.

A question ____ the ____ of connections ____ used to ____ and ____.

____ is a ____ what type ____ connections are ____ to input ____ sound.

What ____ connection do ____ audio ____ devices use?

____ of connections are ____ to ____ and output ____?

I want ____ the ____ connector used.

What types ____ you use for sending ____?

I'm ____ type ____ connection it uses ____ audio ____ input

Can you ____ description of the audio ____ send sound waves?

____ question about ____ of ____ used to ____ and ____ sound

____ connections used ____ audio and ____?

I ____ more ____ the ____ and input connectors ____ in ____ system.

____ of connect ____ is used for ____ and ____?

I don't know what kind ____ it ____ for ____ input.

Which kind of connection ____ sound and ____?

____ are the connections ____ for ____?

There ____ about what ____ are ____ to input and output ____.

____ and ____ do you use?

What ____ is connected ____ the ____ input/output?

____ type ____ connections do ____ use ____ output?

I want ____ about ____ audio and input ____.

____ plugs did the device use ____ and ____?

____ type ____ connection are ____ and input ____?

____ you know ____ of ____ used ____ and output?

Are ____ of connection used ____ Output and ____?

What ____ connections ____ used for ____ output and ____?

I ____ type of connection is ____ the ____ and out ____.

I'm ____ what ____ of ____ audio and input.

What types of ____ are ____ sound ____ and ____?

____ know which ____ of ____ is used for ____ functions.

____ type of connection are ____ and outputs?

Specific ____ connections used?

I ____ more about ____ audio output and ____ input conduits ____ it.

What ____ the connections ____ this product ____ and ____?

I _____ to know _____ type _____ inputs and output _____ have.
 _____ the connections used in _____ audio _____ of _____ product?
 What types _____ for audio output and _____?
 What are _____ types of _____ you _____ audio _____?
 _____ to know more _____ the _____ and the connector _____ it.
 _____ like _____ on audio output and _____ conduits used.
 What are _____ connections you use _____ or _____?
 _____ would like to know _____ and _____ use in your sound _____.
 _____ of connection it uses to _____ audio _____ input.
 _____ am not sure _____ of _____ to output _____ and input.
 _____ types _____ audio _____ are available?
 _____ am _____ sure what method _____ connection _____ uses _____ its audio _____.
 I need to _____ information _____ audio _____ input _____.
 I _____ know the _____ the audio and _____ connectors.
 I _____ not _____ what _____ it _____ for both _____ and input.
 _____ not know _____ of _____ it uses for _____ output _____ input.
 I _____ kind _____ connection it uses to _____ and input.
 _____ are the _____ connections you use?
 Can _____ us _____ audio or input jacks?
 I _____ interested in the audio _____ use.
 Which type of connections are _____ sound?
 If you would _____ me know _____ input _____ used _____ your system, _____ would _____.
 _____ of connections _____ used _____ input _____ output the _____?
 Which plugs _____ it have for _____ and _____?
 _____ of _____ connections are _____?
 How _____ in the _____ input?
 _____ of connect _____ are used _____ output and _____?
 What kind _____ plugs _____ sound in _____ device?
 A question _____ type of _____ to _____ and output.
 What _____ of connections _____ for audio _____ input?
 It _____ audio and input types _____ are _____ what _____.
 Does it use certain _____ for _____ outputs?
 I _____ to _____ the _____ and _____ connectors that are _____.
 I don't know _____ of _____ audio out/in functions.
 _____ you _____ audio connectors you use?
 Which _____ connection is used _____ and _____ output?
 What _____ is used to input _____ the sounds _____ are _____?
 _____ kind of _____ are _____ I/O?
 _____ to _____ on the audio _____ and input _____ used to _____.
 _____ connection is _____ to send _____ and sound?
 _____ know _____ of connection it _____ for both _____ audio and _____.
 _____ type _____ connect _____ are _____ for _____ and input?
 It _____ types _____ cords _____ sound inputs and _____.
 Which _____ of connections _____ used _____ and input?
 _____ need _____ know _____ the _____ output and connector _____.
 _____ of _____ does the audio _____ input _____ use?
 Does _____ particular type of cords _____ sound _____ outputs?
 _____ want to know _____ type of _____ input and _____ have.
 _____ are _____ audio and _____ connections used _____ this _____?
 I don't know _____ of _____ used _____ audio _____ functions.

_____ interested in what _____ inputs and output _____ you _____.

_____ the audio output/input _____ would be _____.

_____ kind _____ the audio and input _____ for?

What _____ do _____ use for _____?

_____ what _____ of audio inputs _____ cables _____ might have.

I _____ what kind _____ used for audio _____ and _____.

I am wondering what type _____ and _____ have.

_____ of connections _____ to send _____ I/O?

_____ connections that make _____ and input on this _____?

_____ don't _____ type _____ connection _____ uses _____ audio and input.

_____ audio jacks _____ use for input _____.

Which _____ connection _____ used for the _____ and _____?

_____ connect ups are used _____ or _____?

I _____ more about _____ audio _____ input connectors _____.

What plugs did it _____ to _____ sound _____ it?

_____ type _____ connections are _____ input _____ and output _____.

_____ would like _____ know _____ connections _____ the _____ output.

Tell _____ audio _____ input jacks _____ you use.

_____ of audio input/output _____ available?

Which audio output _____ used?

I would _____ the audio _____ used

_____ need _____ know the _____ audio and input _____ used.

Do _____ have a description _____ and _____ connections used to _____ your _____?

I need _____ know _____ output _____ input conduits used.

What are _____ types _____ audio?

I would _____ to _____ more about the _____ input _____ used _____.

I would _____ about _____ audio output _____ connectur _____.

_____ of audio I/O _____ do _____?

_____ possible that _____ uses _____ for sound input/output?

A _____ types of _____ used _____ input and output _____

What audio _____ or _____ used?

_____ of _____ are _____ to _____ and output sound?

_____ kinds of _____ are used _____ and input?

What kinds _____ connectors are used _____ out?

Can _____ more about _____ audio output _____ input _____ used?

What _____ to _____ sound and output _____?

I'd _____ the audio output _____ conduits used _____ them.

What _____ were used to _____ into and _____ device?

_____ would like _____ a description _____ the _____ audio connections used _____ send _____.

What _____ connection _____ used to input _____ output _____?

_____ of _____ used in the _____ and input?

What _____ of _____ is _____ Output and _____ input?

Which _____ of _____ sound connection _____ using?

Is _____ any _____ on the _____ and input _____?

_____ you know if it has specific _____ inputs _____?

_____ there a _____ of _____ for _____ and output?

What are the different _____ for the audio _____?

I _____ like to _____ information on _____ connectur used.

Are you _____ what _____ audio _____ connectors you _____?

_____ the _____ for audio production and audio _____?

_____ not _____ what _____ connection _____ uses to produce _____ input.

_____ there a _____ of connection _____ for _____ out/in _____.

It _____ clear what _____ of connectin is _____ audio _____.

_____ know the _____ of connection _____ for Audio _____ and input

_____ connections _____ used for _____ and _____?

_____ types of connections are used to _____ and _____ _____ _____?

_____ would like to know _____ audio output and _____.

Which types of connections are _____ sound _____?

I _____ know what kind of connection _____ input.

_____ of connections are _____ for _____ and input?

_____ sound input and _____ use?

_____ of connections is _____ and _____ the sound _____ are _____ "

Please give me _____ the _____ conduits _____ to connect them.

What type _____ audio inputs and output _____?

I _____ know _____ of audio and _____ you might _____.

I need _____ about the _____.

_____ types of _____ do the device _____ in/out?

I'm _____ sure _____ type _____ used for _____ out/in functions.

_____ to know more about _____ audio _____ used.

Can _____ audio _____ input _____ have been used?

_____ would _____ to _____ information on the _____ output _____ connections.

_____ to know _____ about _____ and connectur used.

Tell me _____ of audio inputs and _____ you _____.

_____ type of audiooutput or _____?

You should _____ me information _____ audio and _____ used _____ system.

_____ input connections used?

_____ know _____ type _____ the _____ out/in functions use.

_____ would _____ know information _____ audio and _____ connectors used in _____.

What types of _____ output and input _____?

_____ am looking for _____ on _____ output _____ input _____ used to _____.

_____ need _____ on _____ and input _____ used

I'm _____ in learning _____ audio _____ conduits used.

_____ different _____ plugs for sound inputs andoutputs?

_____ information _____ the _____ output and input _____ used.

What _____ connections are _____ input _____ sound?

What type _____ to input _____ output it?

What types _____ are used to _____ output _____ sound _____ making?

_____ of _____ up _____ used _____ audio _____ and output?

I _____ like to _____ on _____ output/input _____ used.

_____ of _____ used _____ Sound Output and Sound _____?

_____ of _____ I/O connectors _____ you _____?

_____ connections _____ for _____ and input?

_____ type of connection is used _____ audio _____?

_____ are curious _____ the _____ and _____ used.

Which _____ connections _____ used _____ sound _____ output sound?

What _____ of plugs played _____ of the _____?

What _____ of _____ you _____ for _____?

_____ connection does the _____ and input _____ use.

_____ type _____ connectin is _____ for audio _____ functions.

_____ kind _____ audio _____ cables?

_____ would love to _____ the audio _____ connector _____ it.

_____ of connections _____ use when _____ audio I/O?

What types of connection _____ input _____?

_____ type of _____ is used _____ audio and _____?

Which type of connection _____ used _____ sound?

I want _____ know more _____ and _____ connectors _____ used.

What are the connections _____ for audio _____?

_____ would like _____ know _____ audio output _____ the connector _____.

What _____ of _____ input and output the _____

_____ type _____ connections _____ to send sound and _____?

I am _____ type of connectin _____ audio out/in functions.

_____ are used to send the _____?

The _____ is _____ of connections are _____ input _____ and _____

Does it have _____ kinds of _____ and _____?

What type _____ you _____ for _____?

_____ would like to know _____ input conduits used

I _____ on audio _____ connectors.

What _____ ups do _____ to _____ or _____ audio?

_____ wonder what _____ is used for audio _____ and _____.

What _____ of _____ used to _____ and _____ the _____?

_____ a _____ what kinds _____ are used to _____ and _____ sound.

_____ know _____ the audio _____ and _____ conduits that _____ them.

_____ know what _____ audio out/in _____ is used.

I am _____ of _____ used for _____ output _____ input.

_____ type of audio _____?

What types _____ are _____ input sound _____ sound?

_____ tell _____ the _____ of _____ used _____ sound _____ and output?

Is there a _____ for _____ out/in functions?

What type _____ does _____ for audio _____ inputs?

_____ of audio _____ input _____ do you _____?

_____ types of _____ are _____ this product's audio _____ and _____?

_____ not _____ of connection it _____ to _____ receive audio.

Which _____ output and input _____?

_____ on _____ connectors would _____ appreciated.

_____ is the _____ in the _____ and input?

I wonder what kind of connection is _____.

_____ of _____ use _____ sound input and sound output?

_____ type of _____ used for _____ output?

_____ which connections _____ used _____ audio.

_____ type of connection used _____ sound _____ inputs?

_____ to input _____ output the _____ you are making _____ a question.

I _____ like _____ the audio _____ input connections used.

Is it _____ that _____ types _____ cords for sound _____?

_____ connection is _____ the audio and input _____?

_____ learn about the _____ output and _____ conduits used.

_____ of audiooutput _____ connections were _____?

_____ want _____ know the _____ used.

There _____ question about _____ type of _____ used _____ sound.

What _____ output/input connections _____ use?

What plugs _____ it use to play _____?

What are the different _____ for the _____ and _____ this _____?

I am _____ type of _____ is used _____ out _____ in _____.

_____ would appreciate information on _____ audio output _____.

Does it _____ of cords for _____ sound _____ and _____?

I am looking _____ on the _____ output and _____.

_____ of connection are _____ to send _____ and _____?

_____ of _____ send sound _____ outputs?

What _____ connection _____ for the _____ and input _____?

_____ you _____ input and _____ used to send sound _____?

_____ are _____ for _____ audio input _____ output?

I _____ no idea _____ connection _____ uses to _____ audio _____ input _____ in the product's audio _____ input?

_____ need to know what _____ output cables you _____.

_____ sure what _____ connection is used in its audio _____.

_____ and _____ types _____ which type of connection they _____.

_____ tell us _____ the _____ jacks that have _____ used?

Which plugs are appropriate _____ the _____ the _____ a _____ source?

Is that _____ of _____ Sound Input and _____?

What style _____ I/O _____ have?

Which _____ of plugs are _____ to _____ input/output?

I don't _____ connectin is used for _____ out/in _____.

_____ me the type _____ connection used _____ sound _____ output?

I need _____ on _____ and conduits _____ to connect _____.

Which _____ of connection _____ input devices?

I _____ what _____ of connections _____ use _____ send _____ I and O.

I _____ interested in the _____ output _____ input _____.

I'm interested _____ the type _____ used _____ output _____ input.

_____ have no _____ what _____ it uses _____ audio _____ input.

I _____ to hear _____ output and input _____.

_____ am curious _____ kind _____ used for _____ and out.

Is _____ particular _____ connection used for sound _____?

Which connectors _____ audio input/output?

I _____ about the type _____ audio and _____ output.

_____ of connections are used _____ the audio _____?

I would _____ to _____ about _____ audio _____ and input _____.

I'd _____ know information _____ audio and _____ connectors _____ in your _____.

There _____ a question as to what _____ are used _____ input _____.

_____ of connections are _____ for _____?

I am curious about _____ audio _____.

I _____ the _____ of _____ it _____ for _____ input _____ audio output.

_____ tell _____ about the _____ used.

I _____ what type _____ is used _____ out/in _____ functions.

What are _____ audio _____ and _____?

_____ use particular cords _____ sound inputs _____?

I _____ like _____ the _____ output _____ connector used for _____.

_____ would love _____ know about _____ audio _____ and _____ used _____ them.

_____ need _____ on _____ audio output _____ used _____ it

_____ know which _____ of audio I/O _____ you _____?

What _____ of connection is used _____ in _____?

There _____ a _____ what type of _____ are _____ input _____ and _____.

____ you give ____ description ____ the audio and ____ connections ____?
 The ____ has ____ types ____ connections ____ sound ____.
 I want ____ of connection ____ uses for ____ output and ____.
 ____ of connection is ____ for ____ sound and ____?
 I ____ wondering what type ____ connection it ____ audio output.
 I don't ____ of ____ it uses in its ____ inputs ____.
 ____ kind ____ connections are used ____ output?
 I'm not ____ what ____ of ____ audio in ____ out functions.
 ____ of connections are ____ for ____ inputs and ____?
 What sort ____ output ____ connections would ____ used?
 ____ any particular types of cords ____ inputs ____ outputs?
 I want ____ learn ____ about ____ input connectors ____.
 ____ want to ____ the audio output ____ connector ____.
 I would ____ know ____ information ____ output/input connections.
 ____ would like ____ know ____ input connections used.
 ____ connection is used ____ input ____ sound?
 ____ the ____ output ____ input conduits used to connect ____
 I ____ what ____ and ____ connectors are used in ____ system.
 ____ know the audio ____ and ____ used for ____
 ____ don't ____ connection it ____ for audio inputs and ____.
 Sound ____ output may ____ using ____ of connector.
 ____ know the type of ____ used ____ audio output.
 ____ are ____ connections for the ____ inputs ____ of ____ product?
 ____ me ____ the ____ jacks are for ____ output.
 What are ____ connections for ____ input and ____?
 Which connections are used for ____ audio ____ and ____?
