

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub-Category	Firmware Updates
Description	Customers seek information on the availability and process of updating their telecommunications equipment's firmware to access new features, bug fixes, and security patches.
Data Size	5,014 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

What is _____ frequency _____ updating our telecom _____ access to the latest _____ and _____ ?

How _____ we update _____ equipment software _____ ensure access _____ the _____ fixes?

_____ to _____ to keep the _____ equipment software up- to-date?

_____ frequently should _____ update the Telecom gear's _____ for _____ error _____ ?

The ideal _____ equipment software _____ to _____ access to _____ the latest _____ .

_____ regularity of updates needed for _____ access to all new characteristics _____ resolving issues _____ .

_____ should _____ telecom equipment _____ new features and fixes?

_____ often do we _____ to update _____ telecom _____ firmware _____ access _____ latest _____ ?

What is the best _____ to _____ firmware _____ access newer _____ fix _____ ?

_____ that will _____ equipment updated with new features.

_____ we update our telecom gear _____ keep _____ latest _____ and bug _____ ?

What intervals must _____ telephone _____ hardware _____ newest features?

_____ you tell _____ frequently _____ need _____ update _____ telecom equipment to _____ date?

Is there _____ to update the _____ equipment _____ order to stay _____ features?

_____ we _____ our telecom _____ keep up _____ the latest changes?

_____ ideal update Frequency for _____ gives _____ all _____ latest features.

How often _____ we need to update our _____ features and _____ ?

How frequently must _____ update our _____ equipment _____ latest features _____ bug _____ ?

_____ should we upgrade _____ telecommunications _____ get the _____ features?

Do you know _____ frequently we _____ update our telecom equipment _____ ?

_____ often _____ update our _____ device software to _____ to date?

_____ frequent should _____ Telecom gear's _____ for _____ capabilities and error _____ ?

Is _____ regarding the _____ frequency for our telecom _____ access _____ the latest _____ and _____ fixes?

Do you _____ frequencies to _____ to keep _____ to-date?

New features _____ bug _____ accessed _____ recommended telecom equipment _____ Frequency.

_____ we _____ the telecom _____ firmware _____ up to _____ with all _____ features?

_____ frequencies are suggested _____ equipment to keep _____ the _____ .

_____ we add _____ features and bug _____ telecom gear?

_____ best update _____ telecom _____ to the _____ features and bug _____.

Do _____ recommend updating the _____ keep _____ up _____ date?

To ensure access _____ how frequently _____ update our _____?

_____ often should we _____ the latest _____ equipment?

_____ frequencies be _____ telecom equipment _____ keep _____ with the _____ enhancements and _____?

_____ frequently should _____ our telecom _____ firmware _____ the _____ capabilities _____ correction?

_____ you _____ the _____ time to update our telecom _____ to new _____ and _____ bugs?

Do _____ a _____ our telecom gear software?

Do we _____ telecom _____ software at _____ schedule of frequencies _____ order to _____ newer _____?

_____ often should we _____ telecom _____ to _____ features?

_____ telecommunication equipment's _____ regularly _____ get the latest features _____ bug _____?

_____ update our telecom equipment firmware to _____ to _____?

_____ update our telecom equipment _____ time in _____ get _____ to the latest features?

_____ you _____ to use to keep the _____ equipment _____ up-to- _____?

_____ would you _____ to update _____ equipment Firmware?

How _____ the telecom device _____ for new _____?

_____ to have access to all _____ characteristics _____ resolve issues _____ telecommunication _____ can you _____ the ideal _____?

Can _____ tell _____ frequently we need _____ update the telecom equipment _____ to _____ features _____ fixes?

How _____ should _____ Telecom gear's _____ for latest capabilities _____?

Should we update _____ telecom equipment software _____ certain _____ of _____ can _____ the latest _____?

Should we _____ our telecom _____ a _____ schedule of _____ to get _____ newer equipment?

_____ frequencies _____ guarantee _____ to newest _____ amendments in telecommunication _____?

What frequencies _____ telecom equipment _____ new features and fix _____?

_____ you know _____ we need _____ our _____ to get the _____ features and bug _____?

_____ we update our telecom _____ stay up-to-date with all _____ bug _____?

_____ you _____ how _____ we _____ update our _____ firmware to _____ the latest _____?

_____ often should _____ update _____ telecom gear software _____ top of _____ latest _____ and _____?

_____ recommended _____ for _____ telecom gear _____ get _____ features?

_____ often should _____ update _____ telecom _____ to keep _____ latest features?

How _____ should we _____ telecommunications equipment _____ to _____ the newest _____ and _____?

_____ must _____ refresh telephone network hardware software to _____ the newest _____?

_____ is _____ for _____ our _____ equipment Firmware _____ we have access to all new _____?

Telecom equipment's Firmware _____ to _____ case of new features _____.

What intervals should _____ network hardware _____ newest features and address _____?

_____ the best update frequencies for _____ telecom _____ get _____ latest _____?

_____ you _____ what the _____ are _____ keep our telecom equipment _____?

How _____ to update our _____ firmware _____ error correction?

To _____ access to _____ characteristics and _____ issues _____ our device's _____ you suggest _____ regularity of _____?

_____ access to _____ new characteristics and _____ device's telecommunication systems, _____ you _____ the _____ of updates?

How _____ to _____ telecom _____ to access new _____?

How _____ should _____ update _____ telecom equipment software _____ up _____ the latest features and _____?

What update _____ are recommended _____ it _____ to date?

How _____ you _____ the update of the _____?

How _____ should _____ update _____ to _____ new _____ and _____ fixes?

How _____ should we update our telecom _____ to keep _____ up _____ with _____ the _____ bug _____?

How _____ we update our telecom _____ firmware _____ keep _____ with _____?

How _____ we update _____ telecom equipment Firmware _____ get the _____ fixes?

What frequencies _____ we use to _____ telecom _____ new _____ and _____ any _____?

_____ we update the _____ software _____ a _____ of frequencies _____ order _____ to newer features?
 _____ to stay current with new features _____ is there _____ timeframe _____ updating the _____ equipment _____?
 _____ our telecommunications equipment so we can _____ newest features?
 _____ with new _____ and _____ should be _____ recommended timeframe for updating _____ telecom
 equipment firmware.

How _____ recommend we update the telecom _____?

How _____ should we update our telecommunication equipment, _____ want _____ make _____ have _____ the _____ and
 _____.

Should we _____ telecom _____ at _____ in _____ to _____ access _____ newer ones?

Are _____ guidelines _____ the best _____ frequencies _____ equipment to guarantee _____ to _____ the latest _____ and bug
 _____?

Should we _____ the telecom _____ a certain schedule of _____ newer features?
 _____ you recommend to update our _____ firmware to _____ it _____?

How _____ should _____ update the _____ new features?

_____ often should we _____ our _____ software to get _____ and _____?

_____ should we _____ our telecom equipment's _____ to access new _____?

_____ to get _____ to _____ the _____ and _____ with the _____ update frequencies for _____ telecom equipment?

_____ often _____ recommend us _____ our telecom equipment _____ to keep _____ up _____?

The _____ for updating _____ firmware to _____ features is not _____.

_____ should we _____ telecom equipment _____ latest features and fixes?

How often _____ we _____ out _____ features _____ our _____ software?

_____ it possible _____ get _____ latest _____ fixes with an _____ Frequency _____ our telecom equipment?
 _____ to _____ functions and bug resolutions if _____ telecom equipment firmware at _____ frequencies.

How _____ we _____ with _____ latest updates _____ our telecom _____?

To _____ access _____ the _____ are _____ any guidelines _____ the ideal update _____ for our _____ equipment?

_____ get access _____ all _____ latest _____ and bug _____ with the _____ update frequencies _____ telecom equipment?

To ensure _____ to updated telecom equipment, _____?

To guarantee _____ to all the _____ features _____ fixes, _____ guidelines _____ the ideal update _____ for _____ telecom
 _____?

How _____ we change _____ telecommunications _____ in _____ to _____ fix features?
 _____ know what _____ to use _____ keep the _____ firmware _____?

How often _____ we update _____ equipment _____ stay _____ to _____ feature updates?

How often should _____ Telecom _____ for _____ latest features?

Should we _____ our _____ software _____ schedule of frequencies so that we _____ access _____ features?
 _____ time to update our telecom equipment _____ get access to _____ features _____ bugs?

What _____ we refresh telephone network hardware _____ to enable the _____?

_____ should _____ update _____ software _____ access to new features?

_____ should _____ update our Telecom _____ latest capabilities and _____ corrections?
 _____ recommended _____ our telecom equipment software _____ that we have _____ all _____ and bug
 resolutions?

How often _____ it _____ to update _____ firmware?

_____ you _____ me the _____ time _____ update _____ equipment _____ gaining _____ to new features?

How frequently _____ we update our _____ for _____?

_____ equipment are suggested _____ up with the latest _____.

How frequently _____ update _____ telecom equipment firmware _____ ensure _____ to the latest _____ fixes?

There is _____ suggestion _____ frequencies _____ will _____ up _____ date with new _____ fixes.
 _____ ideal update _____ for the _____ software is _____ access to _____ features.
 _____ to _____ with the latest _____ and _____ fixes, how often _____ we update _____ telecom _____?

How often should _____ get _____ for _____ telecom device _____?

How _____ should _____ telecom equipment _____ updated _____ get new _____?

How _____ should _____ our _____ equipment's software _____ the _____ and bug fixes?
 _____ good _____ update _____ telecom equipment _____ in order to _____ current with _____ features and _____ patches?

How _____ our _____ equipment _____ updated _____ the _____ features?
 _____ intervals must we refresh _____ software to _____ and address bugs?
 _____ should _____ update _____ Telecom _____ for latest capabilities?
 _____ update _____ telecom equipment software _____ stay up-to-date with _____ features and _____?
 How often _____ we _____ the telecom _____ to _____ with _____ features and bug fixes?
 Do _____ know what frequencies to _____ to _____ the _____ equipment _____?
 How often should _____ equipment in order _____ access _____ and fix bug _____?
 How _____ should _____ telecom _____ be _____ features and fixes?
 To _____ current with _____ bug resolutions, _____ is the _____ way _____ update _____ firmware?
 What updates frequencies can allow _____ newest _____ and error _____?
 _____ often _____ we change our telecommunications equipment so that _____ access _____ and fix _____?
 Should _____ our telecom _____ at a certain schedule of _____ so _____ we can _____?
 How _____ upgrade the _____ Firmware?
 New _____ and bug _____ be _____ recommended _____ equipment Firmware Frequency.
 Is there _____ time to update the _____ equipment firmware _____ get _____ to _____ features _____?
 What _____ needed _____ keep _____ equipment's firmware up to _____ accessing _____ feature.
 _____ often _____ we update our telecom _____ stay _____ to _____?
 _____ update frequencies _____ suggested for _____ to keep _____?
 How frequently do _____ telecom equipment firmware?
 _____ are _____ access _____ updated telecom equipment firmware?
 _____ refresh _____ hardware software to enable _____ newest features?
 _____ often _____ we update _____ software to _____ the _____ and bug fixes?
 Can you tell _____ how often _____ to _____ telecom _____ the _____ features _____ bug fixes?
 Is it possible _____ suggest the _____ regularity _____ ensuring _____ to _____ new characteristics _____ issues in _____ telecommunication _____?
 _____ features and _____ bugs in our telecom _____ what _____ the _____?
 Can you _____ when _____ can expect _____ see the latest _____ fixes _____?
 _____ the recommended Frequency _____ updating our _____ equipment _____ access _____ features and _____?
 Can you _____ the recommended _____ updating _____ equipment _____?
 When to _____ to access _____ features/bug _____ is advised.
 _____ is _____ suggestion for _____ to update _____ new features.
 _____ often should _____ change our _____ to access _____ fix _____ fixes?
 How _____ do you _____ we _____ our _____ equipment software _____ current?
 _____ frequently should _____ change our _____ equipment _____ we can access _____?
 In _____ to _____ access _____ new characteristics and _____ issues _____ device's _____ systems, can you suggest _____ regularity _____
 _____ follow _____ specific schedule for firmware _____ can get _____ recent _____ and _____ fixes in _____ telecom _____.
 What update _____ is _____ telecom _____ to _____ up _____ latest enhancements?
 _____ ideal to update _____ Telecom _____ firmware for _____ and errors?
 What _____ frequencies for updating the telecom _____ firmware _____ have _____ the new features?
 How _____ we _____ software to stay _____ to date with new _____ fixes?
 Do you know _____ to _____ order _____ keep the _____ up-to-date?
 Can _____ me what _____ regularity _____ ensuring access to _____ characteristics and resolving issues in our _____
 _____ we update _____ telecom _____ at _____ schedule _____ get access to latest features?
 Is _____ update frequency _____ our _____ equipment to _____ the newest _____ bug _____?
 _____ want _____ make sure we have _____ and bug fixes, _____ we update our telecommunication _____.
 How often _____ telecom _____ access to new _____?
 _____ access to _____ new _____ resolving issues in the _____ device, _____ you _____ ideal regularity of updates?
 How _____ update _____ telecom equipment _____ stay up _____ date _____ the latest features _____ fixes?
 How _____ update our telecom _____ stay up _____ date with features _____ bug _____?

Can ____ recommend ____ can ____ see ____ newest features and fixes for ____?
 ____ it ____ to ____ all the latest ____ and bug fixes ____ the ____ update frequency ____?
 ____ frequently should ____ equipment ____ updated ____ stay current with ____ attributes ____ resolutions?
 ____ with all new attributes ____ bug resolutions, what's ____ recommended ____ equipment?
 ____ should ____ change ____ telecommunications equipment so ____ access ____ and fix bugs?
 ____ often should we ____ telecom ____ access new ____?
 ____ often do we ____ to ____ telecom equipment software ____ get ____ latest ____ bug ____?
 Do you ____ what ____ to use ____ the telecom ____ up ____?
 ____ recommended ____ keep our ____ equipment ____ new features and fixing ____.
 Can ____ recommend the best ____ frequencies ____ get the newest ____ fixes?
 How should ____ our ____ that we have access to all new ____ bug ____?
 ____ are ____ our telecom equipment so that ____ to all the ____ features?
 ____ recommend us to add new features ____ to ____ equipment?
 Can ____ suggest ____ ideal update ____ for our ____ equipment to ____?
 ____ we ____ our telecom ____ a certain ____ of frequencies ____ be ____ to get newer ____?
 ____ know ____ recommended ____ for ____ the telecom gear ____?
 ____ we ____ our ____ equipment firmware to ____ access ____ new features?
 ____ should we ____ telecom ____ to stay up ____ with the latest features ____ fixes?
 ____ get latest features ____ fixes, ____ we update ____ equipment?
 ____ telephone network hardware ____ refreshed ____ enable the latest ____ and address ____?
 How ____ do ____ recommend new features and ____ our ____?
 ____ be ____ our ____ equipment software ____ certain schedule ____ get access to ____ latest features?
 ____ to ____ new characteristics and ____ issues ____ telecommunication systems, can ____ suggest ____ optimal
 regularity of ____
 Can ____ tell ____ recommended frequencies for ____ our ____ to ____ features?
 How ____ we update ____ telecom equipment ____ ensure ____ the ____ features ____ fixes?
 ____ frequently ____ update ____ gear's Firmware for new ____ and ____ correction?
 ____ we ____ our telecommunication ____ keep up with the ____ features?
 ____ you ____ which frequencies are best ____ our ____ equipment ____?
 The ideal update frequencies for ____ gear guarantee ____ and ____.
 We ____ to ____ sure we have access ____ all the ____ and ____ and ____ often should ____ updating ____
 ____ guidelines ____ the ____ for ____ give access to all the ____ features.
 Do you ____ the ____ to update ____ telecom equipment firmware ____ gain ____ new ____ and ____?
 Do you ____ updating the telecom equipment software ____ it ____ features ____?
 ____ frequencies ____ for updating our telecom equipment ____ access ____ features ____?
 How ____ should we ____ telecom ____ top of the latest features ____ bug fixes?
 ____ often ____ we ____ firmware ____ keep up with the latest ____?
 The ____ for the best ____ frequencies for telecom ____ access ____ newest ____ bug ____.
 Should we ____ updating ____ telecom equipment software ____ a certain ____ to get newer ____?
 ____ recommended telecom ____ firmware ____ should be ____ access ____ features ____ bugs.
 How frequently ____ update ____ telecom ____?
 What frequencies ____ suggested ____ telecom ____ to keep ____ the ____?
 Will you ____ when we can ____ see ____ features ____ fixes ____ telecom ____?
 Is it ____ to all the ____ and bug fixes ____ an ____ Frequency for ____ equipment?
 Is it ____ to ____ all ____ and bug fixes ____ update frequency ____ telecom equipment?
 Is it possible to ____ all the ____ ideal ____ frequency ____ our telecom equipment.
 ____ what ____ use ____ keep the telecom equipment ____ to date.
 How ____ do ____ need to update ____ equipment firmware ____ the ____ features ____ fixes?
 For ____ and ____ in our device's telecommunication systems, can ____ suggest an ideal ____
 updates?
 ____ right ____ frequencies for ____ for the ____ updates and bug fixes.

Is _____ time to _____ telecom equipment _____ to get access to new _____ and _____?

What is the _____ update _____ telecom _____ keep _____?

Should _____ update the telecommunication _____ regularly to get _____ features _____?

_____ enable newest _____ as _____ as address _____ what intervals must _____ telephone _____?

_____ often _____ we _____ our telecom _____ to fix _____ get _____ features?

_____ often should _____ the telecom gear software to stay _____ the _____?

_____ order _____ current with new _____ and _____ patches, is there a recommended _____ update _____ equipment _____?

How often should _____ our telecom _____ to get _____ and bug _____?

_____ should we update _____ to _____ new features?

_____ often should _____ update _____ telecom _____ to keep it _____?

Is _____ the telecom equipment firmware the _____ to _____ fix bugs?

Guidelines for _____ frequencies for telecom _____ guarantee _____ to _____ and bugs.

_____ we update _____ Firmware to keep it current?

How often _____ it recommended to _____ firmware _____ get _____?

How _____ update _____ firmware to keep up _____ latest _____ and bugs?

_____ to _____ our _____ gear's firmware for the _____ capabilities?

_____ we need _____ our telecom equipment's firmware _____ access _____ the latest features _____ fixes?

How often _____ we _____ new _____ for _____ device _____?

_____ and _____ should be accessed _____ recommended telecom _____ firmware frequency.

_____ often should _____ keep _____ device software up _____?

What intervals _____ refresh the telephone network _____ to _____ new _____ bugs?

How _____ should we _____ equipment _____ up-to-date _____ features and bug _____?

How _____ should we _____ the telecom equipment firmware _____ date?

_____ you _____ optimal _____ to update our telecom equipment to _____ access to new _____?

How often _____ update our _____ gear firmware _____ features _____?

_____ often must we _____ equipment _____ to access new _____?

Should _____ follow _____ specific schedule _____ updates _____ to _____ the _____ features and _____ our telecom equipment?

How _____ we _____ telecommunications _____ so we can access and _____?

Do you know what _____ the telecom _____ software _____?

The ideal _____ frequencies for the _____ access to the _____.

_____ should _____ update _____ telecom _____ to access new _____?

What is the _____ frequencies for _____ telecom _____ to _____ and _____ bugs?

How _____ should we update our _____ Firmware to _____?

We _____ make _____ have access _____ newest features _____ fixes, and _____ often _____ we _____ our telecommunication equipment

_____ you suggest _____ update _____ for our telecom _____ get the _____ and _____?

_____ we update _____ ensure _____ latest enhancements and issues _____ solved?

How frequently should we _____ Telecom gear's _____ the _____?

How _____ we update our _____ gear _____ with _____ fixes?

_____ often should _____ telecom software _____ new _____ and fixes?

_____ is a _____ frequencies that _____ be used _____ keep _____ equipment updated _____.

How frequently should _____ our _____ firmware _____ new capabilities _____ correction?

How _____ should we update our _____ it _____ to date _____ all the _____ and bug _____?

_____ get _____ the _____ features and bug fixes, _____ is _____ recommended _____ for _____ telecom _____ firmware?

_____ you _____ what update Frequency _____ suggested for _____?

How frequently should _____ our _____ keep _____ with the latest _____?

Is it possible _____ suggest _____ of _____ for ensuring access _____ and resolving _____ in our _____ telecommunicati

_____ guidelines for the best _____ for our _____ equipment to _____ access _____ features and _____ fixes?

How _____ should _____ update _____ software _____ access _____ features?

What ____ the best ____ telecom ____ software ____ features and fix the bugs?
 To ensure access ____ bug fixes, how often ____ update our telecom ____?
 ____ should ____ update ____ telecom ____ software so that we have access ____ the new ____?
 How often ____ we ____ equipment ____ order to ____ features and ____ bugs?
 How many times ____ year ____ update telecom ____ bug fixes?
 Should we ____ at a certain schedule ____ in order ____ the latest features?
 ____ we update the ____ equipment firmware ____ get ____ to ____ new ____ and bug ____?
 How often should ____ our ____ to ____ newer ____?
 ____ should ____ update the ____ gear firmware ____ all ____ latest features ____ bug ____?
 The ____ for ____ equipment ____ with the latest enhancements and ____.
 How ____ should we update ____ telecom ____ to ____?
 To stay ____ all ____ and bug resolutions, what ____ recommended ____ updating telecom equipment ____?
 ____ know the recommended ____ for updating ____ telecom ____ to get ____ latest features ____?
 ____ often ____ we ____ telecommunications ____ to get the latest ____?
 How ____ should ____ update telecom ____ firmware ____ new ____?
 ____ frequently should ____ update ____ equipment for ____ features ____ bug fixes?
 ____ we ____ to ____ fixes for telecom gear, can you give us ____ recommendation?
 ____ equipment firmware ____ of frequencies ____ us to get access to newer features.
 ____ an ____ to ____ our ____ to gain access to new ____ and resolve bugs?
 ____ want to make sure that we have access ____ the ____ often ____ we ____ our
 telecommunication equipment
 ____ you tell us the ____ for ____ telecom equipment to ____ features and ____ fixes?
 ____ frequencies ____ advised for updating ____ telecom equipment ____ features ____ any bugs?
 How should we ____ the ____ telecom equipment to ____ new ____ bugs?
 ____ access ____ the ____ features ____ is the recommended frequency for updating ____ telecom equipment?
 ____ are ____ for ____ telecom equipment to access ____ and ____ bugs?
 ____ should we change our ____ equipment ____ be ____ access the ____ features ____ fix ____?
 ____ often ____ we ____ our telecom equipment ____ stay ____ to ____ the newest ____?
 ____ you ____ us ____ recommendation ____ we can expect ____ latest features and ____ for telecom ____?
 How ____ should we update ____ equipment ____ access to new ____ and bug fixes?
 ____ Frequency for ____ gear to access new features?
 How often should ____ change ____ so we ____ newest features?
 ____ you ____ the ____ update frequencies ____ our telecom ____ access ____ features and ____ fixes?
 ____ frequently ____ update telecom gear's ____?
 What frequencies ____ update our telecom ____ to ____ and fix bugs?
 ____ we update ____ software at ____ frequencies in ____ to get access ____?
 ____ should ____ upgrade telecom equipment ____ with the ____ enhancements?
 How often ____ we update our ____ gear software ____?
 ____ you recommend ____ expect to see ____ and fixes ____ telecom gear?
 ____ Ensuring access to all ____ and resolving ____ device's ____ systems, ____ you suggest the ideal ____
 Can ____ tell us ____ we need ____ update ____ telecom equipment to ____ the latest ____?
 There are ____ features and ____ that ____ through ____ recommended ____ equipment firmware ____.
 ____ often should ____ our telecom gear firmware for new ____?
 How often should ____ updated with the latest ____ and ____?
 ____ you suggest updating the telecom ____ to ____ up ____ features ____ fixes?
 How ____ should ____ the telecom equipment ____ keep it ____?
 ____ update ____ should ____ used to ____ the latest ____ fixes for telecom ____?
 ____ telecommunication ____ software frequently to get ____ latest features and ____?
 How ____ should ____ update ____ telecom equipment ____ to keep ____ with ____?
 What ____ frequencies for ____ equipment ____ access ____ features ____ fix bugs?
 ____ we update our telecom equipment software so that ____ access to ____ new ____?

Should we update our _____ software at certain _____ to the _____?

_____ we update our telecom _____ to keep _____ latest information?

How _____ we _____ telecommunications _____ so that _____ the newest features and _____ fixes?

_____ stay _____ with _____ attributes _____ what's _____ periodicity of updating telecom _____ firmware?

_____ telecom equipment _____ at _____ frequencies _____ order to _____ access _____ newer ones?

_____ you _____ us to _____ the telecom _____ Firmware _____?

How often _____ we update _____ gear _____ keep _____ features and bug _____?

_____ you _____ our telecom equipment software to stay updated with _____?

_____ often _____ need _____ update _____ equipment _____ to get the _____ features and _____?

_____ should _____ update our _____ equipment's _____ to access _____ any bugs?

For access _____ features _____ bug _____ often _____ we _____ telecom firmware?

A suggestion for frequencies _____ keep _____ updated with new _____.

How frequently to update our _____ firmware for _____.

How often _____ telecom _____ software _____ keep _____ the latest features _____ fixes?

What are _____ recommended _____ updating _____ telecom _____ software so _____ we have _____ new features?

_____ are guidelines for _____ right _____ frequencies for the _____ equipment _____ and fixes.

_____ frequencies is suggested to _____ telecom _____ up _____ date?

How _____ should we update _____ equipment _____ to _____ up to _____ and bug _____?

_____ telecom gear _____ access new _____ is advised _____ a _____.

_____ frequently would _____ us to _____ Firmware to keep it _____ to _____?

Can you _____ we should _____ software to get _____ latest _____ and bug fixes?

What _____ are suggested for _____ to _____ up _____ latest fixes _____ enhancements?

_____ intervals must telephone network _____ software _____ to _____ features _____ address bugs?

How frequently should _____ our _____ Firmware _____ keep up _____ updates?

How often should _____ update _____ access _____ new _____?

Is _____ suggest _____ regularity _____ for ensuring _____ to all new _____ resolving issues in the device's _____

For _____ new _____ and _____ issues in _____ device's telecommunication systems, _____ the ideal regularity _____ updates?

New _____ fixes _____ be accessible _____ the recommended _____ firmware frequency.

_____ tell _____ the _____ time to _____ equipment _____ to _____ access to new features?

_____ should _____ our _____ want to make _____ have access to all _____ features and bug-fixes.

_____ is a suggestion _____ frequencies that _____ used _____ telecom _____ with _____ features.

How _____ we update _____ equipment _____ to _____ it up _____ with feature _____?

_____ you _____ the ideal _____ for our _____ equipment to _____ newest _____?

_____ we _____ software for latest capabilities and error correction?

_____ you tell _____ optimal time _____ update our _____ equipment _____ so _____ can gain _____ to _____?

Guidelines for the ideal _____ for _____ will _____ to _____ and bug fixes.

How _____ do you _____ the telecom _____ Firmware to _____ it up _____?

_____ the _____ update _____ telecom gear guarantee access to _____ features and _____.

_____ frequently should we _____ the _____?

_____ you _____ what _____ to _____ to keep _____ equipment's software _____?

In _____ keep _____ with the _____ and fixes, _____ update _____ is _____?

_____ should telecom equipment _____ updated to _____ all-new attributes and _____ resolutions?

_____ want to _____ we _____ access _____ the _____ features and bug _____ should we be _____ our _____ equipment

How _____ should we _____ our _____ equipment _____ up _____ the _____ and fixes?

_____ you suggest _____ we update our _____ equipment _____ with features _____?

There are _____ telecom equipment _____ frequencies _____ features.

If _____ can _____ the _____ regularity _____ needed _____ ensuring access to all _____ characteristics _____ issues _____

telecommunication systems

_____ frequently _____ suggest _____ telecom _____ to keep it current?

_____ often _____ we _____ to _____ telecom equipment to _____ features and fixes?

How often should _____ telecom _____ to date with _____ latest _____ and _____ fixes?
 _____ ideal for updating our Telecom _____?

Is it _____ access to _____ latest features _____ with the _____ update frequency _____ our _____ equipment?
 _____ us _____ update _____ equipment _____ to keep it up _____ date?

The guidelines _____ the ideal updateFrequency _____ the Telecom _____ all _____ features
 What's _____ best _____ update _____ software _____ get _____ features and _____ bugs?
 _____ it best to _____ our _____ gear's Firmware?

Should we _____ telecom equipment firmware _____ certain _____ of frequencies _____ can get _____?
 _____ you tell us the optimal _____ to update our _____ equipment _____ get _____ new _____ resolve _____?
 _____ should we update _____ gear to _____ up _____ date _____ the _____ features?
 _____ frequent _____ update _____ Telecom _____ firmware _____ latest capabilities?

How frequently should _____ our telecom equipment's _____?
 _____ we update the _____ firmware more _____ once _____ to the most up _____ features?

How _____ we _____ firmware to get the _____ features _____ bug fixes?

Do you recommend _____ update frequencies for _____ equipment _____ features?
 How frequently _____ we _____ our Telecom gear's _____ for _____?

How _____ update our telecom _____ stay _____ to date?
 _____ telecom _____ firmware to _____ access to new features _____ solve _____ more _____?

How _____ should we _____ the telecom _____ firmware _____ get all _____ features _____?

To _____ access to _____ and _____ fixes, what _____ the _____ frequencies for updating _____ equipment?
 Is _____ get all _____ and bug fixes with an ideal update _____ for _____?

The telecom _____ needs _____ be updated _____ accessing the new _____.

Guidelines for the _____ telecom _____ access to _____ newest _____ and bug _____.
 _____ should we _____ to get _____ latest features and fixes?
 _____ the telecom equipment software at _____ certain schedule _____ frequencies to _____ to _____ features?
 _____ are recommended _____ telecom equipment firmware _____ benefit _____ enhancements?

How often should _____ the _____ equipment's software to _____ up _____?
 _____ tell us how _____ to _____ our telecom _____ to _____ the latest features _____ fixes?

Which update frequencies _____ suggested _____ to _____ with the latest enhancements _____?

How _____ update _____ software in our _____ access _____ features and _____ bugs?
 _____ you _____ optimal time _____ update our telecom equipment _____ gaining access to _____ features _____ bugs?
 _____ suggest that _____ update our _____ equipment software _____ and bug fixes?
 _____ often should _____ update our telecom _____ firmware _____ stay up _____ date _____?

To _____ access _____ latest features _____ bug _____ how _____ we update _____ equipment?

How _____ recommend us _____ update our _____ to keep it _____ date?
 _____ frequently _____ we _____ our _____ equipment _____ to _____ up _____ date?

How often _____ telecom gear _____ to keep up with _____ the latest _____?

How often _____ you recommend that _____ the _____ equipment _____ to _____?

How often _____ update our _____ equipment software _____ that _____ have _____ new _____?

Can we _____ to get the latest features?

In order _____ get access _____ we be updating our _____ equipment firmware _____ schedule of _____?
 _____ frequently _____ update our _____ to stay up _____ date with _____ features _____ bug fixes?
 _____ you _____ the _____ update _____ our telecom equipment?

How often _____ we update our _____ to _____ current _____ latest _____ and bug _____?

What intervals _____ telephone _____ software to enable the _____?

How _____ we _____ gear _____ to get fancy features _____ bug _____?
 _____ frequently should _____ update our telecom _____ to keep _____ up _____?

How frequently _____ we _____ our telecommunications equipment _____ access the _____?

How often _____ update our telecom _____ to _____ latest features?
 _____ often do _____ us _____ update our telecom _____ Firmware to _____?

How often _____ we need _____ update _____ firmware _____ the latest features _____ ?
 _____ advised _____ the telecom _____ access new features _____ fix bugs?

What is the recommended _____ updating telecom _____ access new features _____ ?
 _____ frequently _____ update our telecom equipment _____ stay _____ to _____ with _____ features and _____ fixes?
 _____ often _____ keep our telecom equipment _____ all the _____ and bug _____ ?

Is there _____ for _____ optimal _____ frequencies _____ our _____ equipment _____ guarantee _____ the latest _____ and _____ fixes?

Is _____ any _____ the _____ update _____ our _____ to all the latest features and bug fixes?

Is it _____ regularity of updates needed _____ guaranteeing _____ to _____ characteristics and resolving issues _____ our _____

Do you _____ us _____ our _____ equipment's Firmware _____ ?

How _____ we _____ our telecom _____ with _____ features _____ bug fixes?

The _____ Frequency _____ Telecom equipment _____ give _____ access to _____ the latest _____ .
 _____ should we _____ firmware _____ new features _____ bug fixes?
 _____ want to make _____ that we have access _____ bug-fixes, _____ how _____ should _____ update our telecommunication _____

The _____ update frequencies _____ telecom equipment should guarantee _____ the _____ bug _____ .
 _____ often should we add _____ and _____ our telecom _____ ?

How _____ should we _____ gear _____ fix _____ and get _____ ?

How _____ should our _____ updated _____ the _____ features?
 _____ frequencies for _____ telecom equipment _____ new features _____ fix any bugs?
 _____ often _____ we _____ our Telecom _____ firmware _____ capabilities?
 _____ we follow _____ schedule for _____ get the _____ recent features and _____ for our telecom _____ ?
 _____ frequently _____ we _____ telecommunications equipment _____ can _____ the newest features and _____ bugs?
 _____ access to the _____ bug _____ what is the _____ frequencies _____ updating _____ equipment firmware?
 _____ best _____ telecom gear _____ access to _____ newest _____ and bug _____ .
 _____ should we update _____ telecom device _____ get _____ features?

How frequently _____ it _____ telecom _____ the _____ enhancements and fixes?

Do _____ what _____ used to keep the _____ equipment _____ ?

We want _____ make sure we have access _____ the _____ features and _____ often _____ telecommunication equipment.

How often _____ we _____ equipment _____ to stay _____ to _____ with all _____ ?
 _____ frequently _____ we _____ Telecom gear's Firmware for the _____ capabilities _____ ?

Do you _____ telecom equipment firmware _____ up to date?
 _____ often _____ we _____ our _____ software is up _____ date?

How _____ we update our telecom _____ to _____ features _____ fixes?
 _____ to _____ telecom _____ to _____ access _____ and fix bugs is _____ question.

How _____ we change our _____ in _____ to access the _____ features?

How frequently _____ we _____ software to access _____ and bug fixes?
 _____ update _____ for telecom gear guarantee _____ to _____ newest _____ fixes.
 _____ tell us _____ frequencies for our telecom _____ ?

Can you tell us _____ to update the _____ access _____ latest features _____ bug fixes?

How often _____ our _____ new features and bug _____ ?

Are there _____ for _____ frequencies _____ telecom _____ to ensure access to all the _____ bug fixes?
 _____ the recommended _____ for updating _____ to _____ new features?

For ensuring _____ all new characteristics _____ resolving issues _____ the telecommunication _____ regularity of updates?
 _____ guidelines for _____ ideal updateFrequency _____ the _____ equipment software _____ to the _____ .

Do you know _____ optimal _____ our _____ equipment _____ get _____ to _____ features and solve _____ ?
 _____ for frequencies _____ will keep _____ equipment _____ with new features _____ .

What _____ the recommended frequencies _____ our _____ equipment _____ new _____ fix any _____ ?

In _____ ensure _____ most _____ features and bug fixes, _____ the ideal _____ to _____ firmware?

How frequent ____ ideal ____ the Telecom ____ for latest ____ and ____?

Can you ____ optimal ____ update our ____ to get access to ____ features and ____?

What ____ should we use ____ the telecom ____?

Should we ____ the telecom equipment software ____ schedule of ____ to ____ features?

____ frequently should ____ update the telecom equipment ____ it ____?

____ should we upgrade ____ equipment to keep up ____ the latest ____?

____ frequently ____ we ____ telecom equipment ____ get the ____ features?

Do you know ____ update frequencies ____ telecom equipment to ____ with ____ latest ____ and ____?

____ update ____ telecom equipment software to ____ up ____ date ____ all of the ____?

How ____ the ____ equipment firmware to stay ____ all the ____?

____ should the telecom gear firmware ____ updated ____ keep ____ latest features ____ bug ____?
