

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Assistance with parental controls and content filtering
Inquiry Sub-Category	Customizing Content Restrictions
Description	Assisting customers in customizing content restrictions based on their children's age, individual needs, and preferences, allowing for personalized control over internet access and content viewing.
Data Size	5,010 paraphrases

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Can we adjust sensitivity _____ on _____ devices (e.g., _____)?
_____ it possible _____ you to _____ sensitivity _____ that enable tailored _____ our _____?
Will you be _____ sensitivity _____ allow tailored limitations _____ we own?
_____ can I _____ you _____ changing _____ controls that _____ you to create tailored _____ equipment?
_____ controls that _____ us to _____ restrictions on _____ equipment _____ something I _____ help _____ with.
Can you _____ settings _____ let me control _____ at home?
I can _____ you in altering sensitivity _____ tailored _____ the _____ equipment
_____ help change _____ that allow us to create _____ on our _____?
Will you _____ able to modify the sensitivity _____ limitations _____ electronic _____.
_____ possible _____ sensitivity _____ for restrictions on _____ gadgets?
_____ it possible for _____ to _____ tailored constraints on _____ household _____ equipment?
_____ can I _____ you change _____ that will _____ us _____ create tailored constraints on _____?
_____ able to modify _____ sensitivity _____ that allow tailored _____ on _____ electronics _____ our _____?
_____ I could _____ sensitivity levels _____ limitations on my gadgets.
I would _____ to _____ in _____ sensitivity _____ that allow _____ to _____ constraints on our _____.
_____ I help _____ change sensitivity controls _____ us _____ tailored constraints on _____?
_____ can _____ help you _____ enable tailored constraints on _____ household _____ equipment?
Is it possible for you _____ tweaking the _____ allow _____ house _____ have tailored _____?
_____ you change _____ sensitivity controls _____ allow for _____ on house electronics?
_____ possible to modify _____ for _____ home device restrictions?
Can you _____ me modify the _____ let _____ some _____ on _____ electronics?
What can _____ you _____ changing _____ allow us to create _____ constraints _____ electronics?
How can _____ help you _____ sensitivity _____ that allow you _____ tailored constraints _____ electronics?
_____ I _____ you _____ the _____ of _____ that _____ to create tailored constraints on our _____?
Can you help modify _____ controls _____ limits on my _____?
Will _____ to modify sensitivity _____ to accommodate _____ on _____ electronics?
Changing sensitivity controls that allow _____ to create tailored _____ electronics _____ assist _____ in.
_____ help _____ alter _____ sensitivity controls _____ enable tailored _____ household electronic equipment?

____ you ____ able ____ sensitivity controls ____ allow tailored constraints ____ household ____?
 ____ to alter sensitivity controls ____ constraints on ____ household ____.
 ____ it possible ____ modify the sensitivity ____ specific constraints ____ household ____?
 Is ____ to ____ sensitivity controls ____ let ____ constraints ____ my electronics?
 Can ____ help ____ modify ____ enable tailored ____ on the household ____?
 ____ I help you ____ sensitivity controls ____ allow us to ____ on household ____?
 Will you ____ able ____ controls that ____ tailored limitations ____ electronic devices?
 ____ alter sensitivity controls in order ____ constraints ____ household ____?
 ____ can ____ help ____ change the ____ that ____ to create custom constraints ____ household ____?
 How ____ I ____ you change the sensitivity ____ help ____ on our household ____?
 How can I ____ you ____ controls that allow ____ to ____ on ____?
 How ____ I ____ you ____ sensitivity controls that make ____ create tailored ____ our ____ electronics?
 Will you ____ able ____ alter the sensitivity ____ that allow for ____ on ____ in ____?
 How can I help ____ in ____ the sensitivity controls ____ allow ____ constraints ____?
 ____ can I help ____ change ____ sensitivity controls ____ allow us ____ electronics in ____?
 ____ can I help you ____ the sensitivity controls ____ allow tailored ____?
 ____ it possible ____ the sensitivity controls that ____ on ____ in our ____?
 How ____ I ____ you ____ changing ____ controls that ____ allow ____ create ____ constraints on ____ electronics?
 ____ I ____ you ____ the sensitivity ____ that allow ____ modify your own ____?
 ____ possible to ____ settings for ____ device restrictions?
 ____ it ____ sensitivity levels to ____ on household gadgets?
 Is ____ possible ____ adjust sensitivity ____ for ____ limits of ____ phones or ____?
 ____ you ____ the sensitivity ____ allow ____ set certain constraints ____ electronics?
 Will ____ modify sensitivity controls ____ allow ____ constraints ____ our electronics?
 ____ can I ____ create tailored constraints ____ household ____ equipment ____ changing ____?
 I wonder ____ make ____ my ____ devices better to give me more flexibility with ____.
 ____ do I help ____ change sensitivity ____ create tailored constraints on ____ electronics?
 ____ able to modify sensitivity controls ____ allow ____ constraints ____ electronics?
 I ____ if ____ can ____ on ____ home devices to ____ me more flexibility ____ phones.
 How ____ assist you with altering sensitivity controls ____ enable ____ on ____?
 A ____ for home device ____ is ____.
 I ____ controls that allow me ____ some ____ my household electronics.
 ____ like to ____ in altering sensitivity ____ to enable tailored ____ the ____.
 ____ you be able ____ controls that ____ for specific ____ household ____?
 Is ____ to change ____ that ____ tailored ____ on the ____ our houses?
 Will ____ be ____ sensitivity ____ that ____ for ____ limitations on ____ electronics that we own?
 ____ change the ____ settings ____ our home device ____?
 Can you help ____ the sensitivity ____ our ____ have tailored ____?
 Will you ____ able to modify the ____ the electronics ____ own?
 ____ device ____ be ____ by adjusting ____ levels.
 How ____ help you change ____ sensitivity controls ____ allow ____ constraints on ____ electronics?
 ____ to alter ____ sensitivity controls ____ home electronics.
 How ____ I help ____ enable tailored ____ on ____ electronics?
 ____ it possible ____ me to ____ controls ____ enable ____ constraints ____ the household ____?
 ____ to ____ if ____ can be changed to create different ____ gadgets.
 How can I help you ____ sensitivity controls that will ____ to ____ constraints ____?
 Are ____ to modify the ____ that allow ____ have tailored constraints?
 How can ____ help ____ the sensitivity controls ____ will ____ to create constraints on ____?
 ____ can I ____ you ____ changing sensitivity ____ will allow us to ____ on our ____ electronics?
 I wonder ____ the sensitivity settings ____ for ____ home gadgets, ____ mobile.

_____ to ramp up customization _____ on phones and _____ ourselves?

Is it _____ change _____ home device restrictions.

_____ you _____ able to _____ controls for _____ in _____ homes?

Are _____ able _____ modify the _____ of _____ electronics?

Is _____ personal limit controls for gadgets like _____?

_____ possible to change sensitivity _____ for _____ restrictions?

Will _____ able to adjust the _____ controls _____ allow _____ on _____ devices?

_____ you _____ able to modify the _____ controls _____ tailored _____ electronics in our _____?

_____ it possible to change _____ that allow _____ specific _____ electronics?

_____ you be able to modify _____ household _____?

How can I _____ modify sensitivity _____ that _____ to create tailored _____ household _____?

_____ can _____ help _____ change _____ to _____ tailored constraints on _____ electronics?

_____ sensitivity levels possible _____ device _____?

_____ adjustments possible _____ enable personalized _____ features on _____?

_____ can _____ controls that _____ us to create tailored constraints on _____ household electronics?

_____ help modify sensitivity _____ that will _____ tailored _____ on _____ electronics?

_____ to modify _____ sensitivity controls _____ tailored _____ on the electronics that _____ own?

How _____ I _____ change _____ allow us to _____ tailored _____ on _____ electronics?

Are _____ to _____ the sensitivity controls _____ limitations on household _____?

Is _____ change the sensitivity _____ allow our _____ electronics to _____ tailored _____?

_____ be able _____ change the sensitivity controls that _____ tailor _____ in our _____?

How _____ I _____ to create restrictions _____ my home _____?

_____ you _____ me _____ the _____ allow me _____ set certain constraints for _____?

Is _____ possible _____ sensitivity levels _____ personal limitations _____ in the _____?

_____ to know _____ can _____ altered _____ create different limits on _____ gadgets.

Can sensitivity levels _____ personal _____ of _____ gadgets like _____ tablets?

_____ help modify the sensitivity _____ me set limits for _____?

_____ sensitivity _____ that allow us to _____ tailored constraints _____ our household electronic _____

How can _____ help _____ to _____ that _____ to create _____ on household electronic equipment?

_____ possible _____ personal electronic _____ restriction sensitivities?

How _____ I help you change _____ that allow us _____ specific _____ electronics?

_____ modify the sensitivity controls _____ allow tailored limitations _____ the electronics _____?

_____ it _____ to _____ sensitivity _____ that _____ constraints on _____ electronics?

Is _____ on _____ electronic devices _____?

_____ can _____ enable _____ constraints _____ the household electronic equipment _____ controls?

_____ modify _____ to _____ limitations on my gadgets?

_____ you be able to modify sensitivity _____ our household _____?

_____ can I help _____ to enable _____ constraints _____ household electronics?

_____ be _____ sensitivity controls _____ to modify the constraints on household _____?

Can _____ the sensitivity controls _____ allow me _____ limits _____ electronics?

I wonder if my _____ be _____ to _____ different _____ my house.

_____ be able to _____ the sensitivity controls _____ tailored _____ on _____ our _____?

_____ you be able _____ sensitivity controls _____ allow _____ to tailor _____ we _____?

_____ can I help you _____ will allow _____ to _____ tailored _____ on _____ household electronics?

I _____ if I can change the _____ on _____ flexibility on my phones.

How _____ I help you in _____ the sensitivity controls _____ allow us to _____ on _____?

Will _____ to _____ the sensitivity controls that _____ limited electronics _____?

_____ you _____ sensitivity controls _____ allow our _____ electronics _____ have tailored _____?

Home device limits _____ possible _____ levels _____.

_____ like to _____ sensitivity controls _____ allow us to create _____ constraints _____ electronics.

_____ you _____ controls that _____ tailored limits on electronic devices?
 I wonder _____ can make the _____ more suitable for _____ home _____
 Will _____ be able _____ the _____ controls _____ tailored restrictions _____ electronics?
 Would _____ be possible _____ change the _____ home _____?
 Can you help _____ controls that allow _____ to limit _____?
 Is _____ the level of sensitivity so that _____ restrict household _____?
 _____ assist _____ in changing sensitivity _____ so _____ we _____ create tailored constraints _____ our _____ electronics?
 _____ it possible _____ the _____ of _____ device controls?
 _____ change _____ level _____ that _____ can _____ my _____ restrictions on household gadgets?
 _____ I help _____ with changing _____ that will allow you to _____ tailored constraints _____ our _____?
 _____ I _____ you _____ sensitivity _____ that allow _____ tailored constraints _____ household _____?
 Will _____ able to _____ that allow for _____ household electronics?
 Change _____ constraints on the _____ electronic equipment?
 It's _____ controls for _____ electronics.
 How can _____ help _____ sensitivity _____ that _____ constraints on _____ electronics?
 How _____ help _____ the sensitivity _____ the household _____ equipment?
 _____ it possible to change _____ sensitivity for _____ restrictions _____ at home?
 Will _____ to alter the _____ allow _____ tailored _____ on the _____ electronic devices?
 Changing sensitivity levels _____ device limits.
 _____ you _____ modify the sensitivity controls _____ the household _____?
 Will you be _____ to modify the _____ controls _____ limitations _____ household _____?
 I am curious _____ sensitivity _____ be _____ limitations on _____ household gadgets.
 _____ it _____ sensitivity _____ allow _____ tailored limitations on the electronics _____ our houses?
 I _____ help _____ change _____ sensitivity _____ to allow _____ household electronics.
 _____ be able to modify _____ sensitivities _____ electronic _____?
 _____ you _____ the _____ allow _____ to set restrictions _____ my household electronics?
 I _____ like _____ help you change the sensitivity _____ allow _____ on household electronics.
 _____ able _____ modify _____ sensitivity controls that allow for _____ on household _____?
 _____ you with changing sensitivity controls _____ can _____ us _____ create _____ constraints _____ household electronic _____?
 _____ can I help you _____ sensitivity controls that _____ changes _____ our _____ electronics?
 I would _____ to modify _____ controls _____ to _____ constraints _____ my household _____.
 How can _____ help _____ change _____ that _____ us _____ constraints on our house electronics?
 _____ can _____ assist _____ in changing sensitivity _____ to _____ tailored constraints _____ equipment?
 Will you be _____ the sensitivity _____ allow tailored _____ electronic devices?
 How _____ I help _____ in changing sensitivity _____ us to _____ constraints _____ household electronic _____?
 _____ to modify _____ and modify constraints _____ household electronics?
 _____ can I help _____ modify sensitivity controls _____ constraints _____ our electronics?
 Changing sensitivity controls _____ allow _____ tailored _____ something that I can assist you _____ changing.
 _____ you _____ to modify _____ controls _____ allow us _____ the electronics in _____ homes?
 Will you _____ able _____ the _____ tailored _____ on the _____ we own?
 I wonder _____ my _____ changed to create _____ limits on gadgets _____
 _____ you able to _____ modify _____ sensitivity controls that _____ our _____ have _____?
 _____ be able _____ sensitivity _____ that _____ for _____ limitations on _____ electronics?
 _____ possible to change sensitivity controls for _____?
 Do we have _____ ability _____ settings _____ device restrictions?
 Can _____ sensitivity controls that _____ tailored _____ on electronics?
 How _____ I _____ the _____ controls that allow you to create tailored _____ our _____?
 Is _____ possible _____ set _____ controls _____ are different _____ mobiles _____ tablets?
 _____ set different _____ controls for gadgets _____ and tablets?

Changing sensitivity controls that allow us _____ tailored constraints _____ to _____.

_____ be _____ the _____ controls _____ allow for specific _____ on household electronics?

There are sensitivity _____ that _____ us to _____ on _____ electronics.

How _____ assist you with changing _____ us to _____ constraints _____ our household electronics?

_____ sensitivity controls _____ allow for specific constraints _____ household _____.

Is _____ for you _____ modify the _____ controls that _____ tailored _____ on the electronics _____?

How can _____ you change the _____ controls _____ it _____ tailored constraints on _____ electronics?

Will _____ able to modify sensitivity controls to _____ specific _____?

How can _____ help you change the _____ for tailored constraints _____ the _____ your _____?

How _____ I _____ in _____ the _____ that _____ for _____ constraints on _____ electronics?

Will _____ be able _____ sensitivity _____ that will _____ constraints on _____?

I _____ to assist _____ sensitivity _____ us to create tailored constraints on _____ electronic _____.

Will you be able to _____ sensitivity controls _____ allow _____?

How can _____ change sensitivity _____ that _____ allow _____ to _____ tailored _____ on your _____ electronics?

_____ can I help _____ alter the sensitivity controls _____ tailored constraints _____?

_____ help _____ changing the sensitivity _____ that allow _____ to create _____ constraints _____ our electronics?

Will you _____ the _____ that permit tailored _____ on the electronics in _____?

I _____ with _____ enable tailored constraints on the _____ electronics.

_____ I change _____ levels _____ impose limitations on _____?

_____ be _____ change the sensitivity _____ on electronics in _____?

How can I _____ sensitivity _____ allow you _____ tailored constraints on _____ household electronics?

Changing _____ levels is a _____ for _____ limits.

How _____ I _____ modify _____ enable _____ constraints _____ household electronic equipment?

Can limits _____ gadgets like _____ or _____?

Might the sensitivity thresholds _____ in _____ changed?

_____ it _____ to set _____ limit controls _____ as mobiles?

Will _____ able to modify the _____ on the electronics in _____?

How _____ modify _____ sensitivities _____ restrictions for my home _____?

_____ help _____ the sensitivity _____ for different _____ on _____ gadgets?

_____ sensitivity levels _____ for _____ gadgets like _____ or tablets?

_____ be _____ to change the _____ controls _____ for the household electronic _____?

_____ you be _____ to modify _____ that _____ limits _____ household electronics?

Is it _____ to adjust _____ levels to _____ limits on _____ tablets?

_____ can I help _____ controls that allow _____ to create tailored constraints _____ electronic _____?

How can I help _____ sensitivity controls _____ allow _____ create _____ constraints _____ household electronic equipment?

_____ you _____ able to _____ the sensitivity controls _____ on _____ electronics?

Is it _____ to _____ the _____ that allow _____ household electronics?

_____ can _____ with changing sensitivity _____ that _____ allow us to create tailored _____ electronics?

_____ can I _____ with _____ sensitivity _____ to _____ constraints _____ the _____ electronic equipment?

Is _____ to change the _____ levels _____ limitations on _____?

_____ be _____ change sensitivity _____ for home electronics?

_____ be possible to set _____ gadgets in your _____?

_____ can _____ you change _____ controls that _____ you to _____ our _____ electronics.

_____ controls _____ allow for _____ create _____ constraints _____ own household electronics _____ something I _____ you with.

_____ be _____ to _____ that allow for tailored limits on _____?

_____ sensitivity _____ allow _____ tailored constraints on our household _____.

Will _____ able to modify _____ that _____ for specific _____ of _____ electronics?

How _____ I _____ you _____ sensitivity controls that _____ for _____ on _____ equipment?

_____ help you alter sensitivity _____ to _____ on household electronics?

Will _____ modify _____ sensitivity controls _____ allow tailored _____ on _____ electronics we _____?

Will you _____ allowed to _____ that allow tailored limitations on _____?

_____ I _____ the _____ of sensitivity so that _____ restrict _____ gadgets _____ and _____?

How can _____ help _____ sensitivity _____ that _____ you to _____ constraints _____ electronics?

Is it _____ me to help _____ change _____ will allow us to _____ tailored constraints _____?

Changing _____ will _____ tailored constraints on our own _____.

Flexible restrictive _____ accomplished by adjusting _____ on household _____.

_____ can I help _____ change sensitivity controls _____ allow _____ tailored constraints _____ household electronic _____?

_____ be able _____ modify sensitivity controls _____ allow _____ tailored constraints _____ household _____?

Can _____ modify _____ let me set certain _____ my electronics?

_____ you be _____ to change _____ that allow tailored _____ the electronics _____ houses?

_____ can _____ you change _____ controls that _____ allow you to _____ constraints _____ household electronics?

_____ modify the sensitivity controls that allow _____ on electronics?

_____ I help you _____ sensitivity controls so that we _____ constraints _____ electronic equipment?

How can I _____ controls that _____ allow you _____ tailored constraints on household _____?

_____ you _____ to alter the sensitivity _____ allow _____ on electronics in _____?

Will _____ to modify _____ sensitivity _____ limitations on the electronics _____ homes?

_____ wondered if _____ sensitivity could _____ to _____ my household gizmos.

Will you _____ able to _____ sensitivity controls _____ household _____?

For _____ to enable tailored _____ on _____ I can assist you.

Changing sensitivity controls _____ allow _____ constraints _____ our household electronic _____ something I _____ help _____.

_____ you _____ able _____ sensitivity _____ tailored limitations for the _____ electronic devices?

Changing _____ controls that allow us _____ our household _____ that I _____ you in changing.

_____ be able _____ modify _____ that enable _____ constraints _____ household electronics?

Can _____ help me _____ the _____ controls _____ I use _____ for _____ electronics?

Sensitivity _____ adjusted _____ personal _____ on gadgets like _____ or _____.

_____ help _____ sensitivity levels _____ on _____ in the home?

_____ sensitivity _____ allow us to _____ tailored constraints on _____ household _____ is _____ I _____ help _____ with.

_____ you be able to modify the sensitivity _____ that _____ the _____ in _____ homes?

Home _____ limits could _____ changed with _____.

Can _____ me modify the _____ controls that _____ me _____ household _____?

Can you _____ with adjusting _____ control _____ electronics?

_____ you be able _____ modify the _____ controls _____ comes _____ household _____?

_____ wonder _____ sensitivity can _____ to _____ different limits _____ household gizmos

Are _____ able to adjust _____ home _____ restrictions?

I _____ help you in _____ controls _____ tailored _____ on the _____ equipment.

_____ can I _____ in altering sensitivity controls to _____ constraints on _____?

Will you _____ to _____ sensitivity _____ that _____ tailoring the _____ own?

_____ you modify the _____ control _____ the _____?

Can _____ sensitivity _____ that allow _____ specific restrictions _____ electronics?

Will _____ able to modify sensitivity _____ household _____?

_____ to _____ the sensitivity levels for _____ on household _____?

_____ sensitivity controls to _____ constraints on the _____ I can assist you _____ doing.

Do _____ know _____ possible _____ levels for personal _____ on gadgets?

_____ adjust sensitivity levels for personal _____?

_____ help _____ change sensitivity controls _____ will allow you to _____ tailored _____ house electronics?

_____ to modify _____ sensitivity controls that allow _____ on _____ electronic devices?

I can help you change _____ us to create _____ electronics.

Can _____ modify the sensitivity _____ let me set _____ constraints _____ electronics?

Can _____ sensitivity controls _____ on household electronics?

Will _____ able _____ modify _____ sensitivity controls _____ limitations in our electronics?

Could _____ the _____ of sensitivity _____ that I _____ restrictions on household _____ and _____?

_____ limits are _____ adjusting sensitivity _____.

Will _____ able to _____ controls that _____ for _____ limits _____ in our houses?

_____ to alter sensitivity controls _____ home _____?

I'm curious _____ sensitivity can _____ changed to _____ different limitations _____.

_____ able _____ modify _____ sensitivity controls to allow _____ tailored limitations _____ the _____ electronic _____?

How can I help _____ controls _____ allow you _____ tailored _____ our house _____?

_____ my sensitivity can _____ to create different _____ for _____ household _____.

Should _____ thresholds for _____ homes be _____?

Can I modify _____ control _____ devices do _____ home?

_____ change _____ sensitivity of personalized home _____ controls?

_____ controls _____ will allow for _____ constraints _____ household electronics?

_____ restrictive _____ achieved through _____ modes on household devices.

_____ it possible _____ settings for home _____ restrictions?

Can you _____ with changing _____ electronics?

_____ possible to modify _____ levels _____ order _____ impose _____ household gadgets?

_____ you be able _____ the sensitivity controls _____ allow tailored _____ the _____ own?

_____ be _____ to change _____ sensitivity _____ allow _____ on the electronics in our _____?

_____ modify restriction _____ tech gear.

What _____ do _____ you change _____ sensitivity controls that allow _____ constraints _____ household _____?

Will you be _____ modify _____ controls that _____ the household _____?

_____ the sensitivity controls _____ your _____ electronics?

_____ I help _____ alter the sensitivity _____ allow _____ constraints _____ household _____ equipment?

How can _____ in _____ sensitivity controls _____ allow you _____ create tailored _____ our _____ electronics?

_____ it _____ to set _____ limit controls _____ the house?

_____ can _____ to change the _____ controls _____ household electronics?

_____ I help _____ the sensitivity controls that _____ us _____ create _____ constraints _____ ourhousehold _____?

_____ you _____ to modify sensitivity controls _____ tailored constraints _____ electronics?

_____ help in changing _____ control _____ household electronics?

How can _____ you in changing _____ that _____ us _____ tailored _____ household electronic equipment?

How _____ I help youChange sensitivity _____ allow _____ to _____ constraints _____ household _____?

Changing sensitivity _____ us to _____ constraints _____ our own household _____ something _____ I can _____ in changing.

Will _____ able to _____ sensitivity controls that _____ the _____ electronics _____ our homes?

How _____ you in changing _____ controls _____ to _____ tailored constraints on _____ electronic equipment?

How _____ I assist you _____ sensitivity controls _____ create tailored constraints on _____ household _____?

Can you _____ me modify the sensitivity _____ to _____ restrictions _____ electronics?

_____ wonder if I can _____ the sensitivity _____ of _____ better to _____ more _____ my _____.

_____ I help _____ sensitivity controls to _____ the household electronic equipment?

Changing _____ be _____ possibility for home _____ limits.

How _____ I help you _____ allow _____ to _____ constraints _____ household _____ equipment?

Is _____ possible _____ set _____ controls _____ in different ways?

Can _____ modify the _____ that _____ set some constraints _____ my household _____?

_____ you _____ modify sensitivity controls _____ me to _____ constraints on _____?

_____ modify _____ sensitivity controls _____ on _____ electronics in our homes?

I _____ if my _____ be altered _____ give _____ on my _____ gadgets.

_____ can I enable _____ the _____ by _____ sensitivity controls?

_____ you _____ able _____ change _____ sensitivity controls that _____ on the _____ electronic _____?

_____ wonder if _____ be _____ create different limits _____ phones and tablets.

Could I change _____ sensitivity so _____ I can _____ gadgets likephones _____?

_____ controls that _____ for specific constraints on household electronics?

I _____ assist you _____ sensitivity _____ that _____ us _____ tailored constraints on our own _____.

_____ you help _____ the sensitivity control _____ household _____?

_____ you modify the _____ controls _____ tailored _____ on _____ electronics?

How _____ help you with changing sensitivity _____ us to _____ on _____?

_____ be able to _____ sensitivity controls that _____ limits on _____?

I _____ assist _____ in _____ controls _____ tailored constraints _____ household electronics.

Is it _____ to change sensitivity _____ device _____?

_____ be _____ to _____ sensitivity _____ deal with household electronics?

I _____ help you _____ controls to _____ constraints on household _____.

I _____ assist _____ sensitivity _____ to _____ constraints _____ the household electronic _____.

_____ you _____ able to _____ controls _____ tailored _____ on our household _____?

Adjusting _____ may be _____ for home _____.

I wonder if _____ can _____ allow _____ limits _____ my household gizmos.

Will _____ be able to modify _____ that _____ certain _____ on our _____?

You _____ help _____ that _____ our house electronics to have tailored _____.

Is _____ to change the _____ for _____ restrictions?

Will _____ be able _____ modify _____ allow for _____ on _____ electronics?

How can _____ help you _____ sensitivity controls that let _____ create _____ our _____ electronic _____?

_____ sensitivity _____ that allow _____ tailored constraints on _____ household _____ can _____ helpful.

I _____ help _____ with changing _____ controls _____ tailored _____ on our own household electronics.

I can help you _____ allow tailored _____ on _____ electronic equipment.

_____ you be _____ electronics sensitivity controls?

How _____ I _____ changing sensitivity _____ that will allow _____ tailored constraints on your household _____?

_____ you _____ able to _____ sensitivity _____ to allow for _____ on _____?

How _____ I _____ to _____ sensitivity _____ us _____ create _____ constraints on household electronics?

_____ you _____ modify _____ that _____ to _____ constraints on my electronics?

_____ I _____ you change sensitivity _____ that _____ us to _____ tailored constraints on _____ electronic _____?

Home _____ may _____ a possibility with _____ sensitivity _____.

Changing _____ to create tailored constraints on household _____ is something _____ can help _____ with.

_____ I help you _____ changing _____ controls that allow _____ constraints _____ our electronics?

_____ possible to set _____ controls _____ mobiles and _____?

_____ want to _____ sensitivity _____ enable _____ constraints on _____ electronic equipment.

How _____ I help you change the _____ will _____ us to _____ tailored constraints _____?

How can I help you change _____ so _____ tailored _____ electronic equipment?

How can I _____ you change the sensitivity _____ for tailored constraints _____?

How _____ help _____ sensitivity controls that will _____ to create constraints _____ electronic equipment?

_____ the sensitivity controls that allow _____ to be _____?

Can you _____ modify _____ controls that _____ to set _____ on _____ electronics?

_____ can I help _____ sensitivity controls _____ that we _____ create _____ on _____ electronic equipment?

Can you help _____ that _____ house electronics to _____ constraints.

_____ to _____ tailored constraints on our own _____ electronics _____ something _____ I _____ assist you with.

Will you be able _____ modify _____ controls that _____ for _____ electronics?

_____ can _____ you change the sensitivity _____ us to _____ constraints _____ household electronics?

_____ want _____ assist you _____ to enable tailored constraints _____ electronic equipment.

Alteration of _____ to enable _____ constraints on _____ something I can _____ you with.

_____ you be able _____ modify _____ that allow _____ limitation _____ electronics we _____?

Is it _____ to _____ restriction _____ tech gear?

_____ it _____ to modify sensitivity _____ to set constraints _____ my _____?

Can _____ controls for my electronics?

Can sensitivity ____ be ____ for ____ gadgets?

____ you be able ____ sensitivity controls that allow ____ limitations ____ devices?

____ modify sensitivity controls that ____ tailored constraints ____ household ____?

I ____ in altering sensitivity controls to ____ electronic equipment.

Can you ____ the sensitivity ____ allow our ____ have ____ constraints?

____ you change sensitivity ____ that allow us ____ create ____ on household ____?

Will ____ be ____ to modify ____ sensitivity ____ allow tailored ____ on the ____ own?

How can I ____ the sensitivity controls ____ you to create ____ constraints on ____?

Would ____ be possible to modify ____ home ____

____ you ____ to help modify ____ controls ____ allow ____ constraints ____ our ____?

____ it possible ____ me ____ assist ____ in changing sensitivity controls that ____ to ____ tailored ____ household electronics?

Will you ____ able ____ change the ____ in our homes?

____ possible to ____ sensitive ____ for home ____ restrictions?

How can I ____ you ____ sensitivity ____ that will allow ____ tailored ____ on our ____?

How can ____ modify sensitivity controls that ____ allow you to ____ tailored ____?

Changing ____ controls that allow ____ to ____ tailored constraints on ____ equipment, ____ you?

____ can ____ assist you ____ the ____ allow for ____ constraints on ____ household electronic equipment?

Is ____ to ____ the ____ controls that allow ____ on ____ electronics?

Changing sensitivity ____ to ____ tailored constraints on ____ can be ____ challenge.

I wonder if ____ make ____ sensitivity ____ more suitable for ____ such ____.

____ possible ____ have ____ limit ____ mobiles or tablets?

Will you ____ able to change ____ sensitivity controls that ____ the ____?

____ help you change ____ that allow ____ make our house ____ tailored?

What ____ I ____ to change ____ controls ____ enable ____ household electronics?

How can I ____ in changing ____ sensitivity ____ us ____ constraints on our ____ electronics?

____ you help modify the ____ that allow ____ to ____ certain ____ for ____?

How ____ assist ____ in ____ controls to ____ tailored ____ on the ____ electronic ____?

____ it possible ____ sensitivity ____ for ____ gadgets ____ phones ____ tablets?

____ help ____ change the ____ that allow us ____ tailored constraints on ____.

Changing ____ that allow us ____ create ____ constraints on ____ is ____ could help ____ with.

I ____ can be ____ to ____ limits on my household gizmos.

How can I ____ you change the ____ that ____ tailored ____ on ____ electronics?

____ able ____ the sensitivity controls to ____ tailored limitations on the ____ that we ____?

____ to ____ you in changing ____ controls that allow us ____ create ____ constraints ____.

____ it possible ____ controls for mobiles ____ tablets?

Can you ____ controls that ____ to set constraints ____ my ____?

Is it possible ____ the ____ for custom ____ device ____.

____ you ____ the ____ controls ____ allow ____ electronics in our homes?

____ can ____ to help you ____ sensitivity ____ to ____ tailored constraints ____ electronics?

Will ____ able ____ modify sensitivity ____ to allow ____ electronics?

Is ____ to ____ the sensitivity ____ device limits ____ homes.

Can you ____ sensitivity ____ that allow for tailored ____ electronics ____?

____ change the level ____ sensitivity so ____ household gadgets?

____ sensitivity controls to enable ____ constraints ____ electronics is ____ I ____ help ____.

Could ____ the ____ of sensitivity so ____ I ____ impose ____ household ____?

Is it possible for me to ____ controls that allow ____ create ____ constraints ____ our household ____?

I ____ assist ____ altering ____ to enable ____ constraints ____ household electronics.

____ sensitivity controls ____ allow tailored constraints ____ equipment.

____ be possible ____ set ____ controls for mobiles and ____?

Do you ____ the ____ modify sensitivity controls ____ enable ____ constraints ____ household ____?

Changing sensitivity ____ that ____ us to ____ tailored ____ on our ____ household ____ can ____ helpful ____ .

____ I change ____ create ____ for ____ devices at home?

____ you ____ the ____ controls ____ let ____ set ____ constraints ____ my electronics?

____ it ____ you ____ help modify sensitivity controls ____ allow ____ constraints ____ electronics?

____ help ____ the ____ controls ____ allow us to ____ constraints on our house electronics?

I ____ if ____ sensitivity can ____ adjusted ____ limits ____ household gizmos.

Will we be ____ to ____ home device ____ ?

____ be able to ____ the sensitivity controls that ____ on ____ that ____ own?

I can ____ you change the ____ us to ____ tailored ____ on ____ .

____ think it ____ possible to set ____ limit ____ for mobiles ____ ?

____ you help ____ on household electronics?

____ it possible ____ fine-tune ____ on home tech ____ ?

We ____ the ____ of sensitivity ____ device restrictions.

____ would like to ____ the ____ controls ____ allow me ____ set ____ for ____ household ____ .

____ thresholds for ____ limits at ____ could ____ .

Can you help ____ allow tailored constraints on ____ ?

Can ____ controls that ____ constraints on household electronics?

Is ____ for me to ____ sensitivity levels ____ impose ____ gadgets?

How ____ you ____ changing ____ controls that ____ us to ____ constraints on household ____ equipment?

How ____ I ____ to ____ sensitivity ____ allow you to create tailored ____ on household ____ ?

____ adjust sensitivity ____ for specific ____ on ____ in the home?

____ I ____ you ____ controls that allow us ____ create tailored ____ on our ____ equipment?

____ it be ____ make personalized limit ____ for mobiles ____ ?

Can ____ controls ____ for constraints ____ our electronics?

How ____ help you ____ the ____ us ____ create ____ constraints on our ____ electronic equipment?

____ that ____ create tailored ____ on ____ own ____ electronics is something ____ can help with.

____ it ____ to adjust ____ sensitivity ____ allow ____ house ____ to ____ tailored constraints?

Can ____ controls ____ enable tailored ____ on electronics?

Can ____ to ____ me control what ____ devices do ____ home?

____ it be ____ to ____ the limit ____ for ____ tablets?

Is it ____ I ____ sensitivity levels ____ limitations ____ my ____ ?

Can ____ with ____ the sensitivity controls ____ our home electronics ____ constraints?

____ you ____ sensitivity controls that ____ tailored ____ electronic devices?

____ I assist ____ with altering sensitivity ____ enable ____ on ____ electronics?

How can we ____ sensitivity ____ device ____ ?

____ it ____ change ____ levels for custom home device ____ ?

____ wonder ____ I ____ devices' sensitivity ____ better to have more flexibility ____ phones.

____ it possible ____ levels for personal limits on ____ phones or ____ ?

Might it ____ to change ____ home electronics?

____ can ____ controls that allow you ____ create ____ constraints on ____ household electronic equipment?

____ it be ____ to set ____ that ____ different ____ and tablets?

____ sensitivity ____ create tailored constraints on ____ electronic ____ is something ____ can ____ you with.

Would ____ be possible ____ change ____ controls for ____ devices?

Can ____ adjust the ____ limits on household gadgets?

Will you ____ able ____ modify ____ sensitivity ____ to ____ specific ____ on ____ electronics?

I ____ if ____ sensitivity ____ changed ____ give ____ different ____ on my household ____ .

____ it ____ to change ____ settings ____ the ____ device restrictions?

____ can I ____ changing sensitivity ____ that allow ____ to create ____ constraints ____ electronics?

Would ____ be ____ set personal limit controls ____ like ____ ?

____ sensitivity controls ____ allow us to ____ our ____ electronics.

How can ____ help ____ modify sensitivity ____ will ____ you to create ____ our household ____?

I ____ help ____ change sensitivity controls ____ tailored constraints ____ electronics.

____ can ____ help you ____ the ____ controls ____ household electronics?

Is ____ for me to help ____ that ____ to create tailored constraints ____ our electronics?

Is ____ possible ____ to modify sensitivity ____ allow tailored constraints ____?

Would I ____ able to ____ levels ____ gadgets?

Is ____ possible ____ sensitivity on ____ like phones ____ tablets?

Can I help you change the ____ that allow ____ create ____ our ____?

Would ____ be possible to ____ limit ____ for ____ tablets.

Sensitivity levels should be adjusted for ____ household ____ tablets.

Changing ____ controls to ____ constraints on ____ can ____ helpful.

____ can ____ you with ____ sensitivity ____ tailored constraints ____ the household ____ equipment.

____ can I do ____ with ____ sensitivity controls to enable ____ on the ____ equipment?

____ I ____ in ____ controls that will ____ to ____ tailored constraints on ____ own household electronics?

Is it ____ for you to change ____ electronics?

____ I ____ you ____ the ____ allow us to create tailored ____ on ____ electronics?

Is ____ the sensitivity thresholds for ____ limits in ____?

I wondered ____ could make the sensitivity settings ____ devices ____ to ____ flexibility on ____.

____ can I help ____ change the sensitivity ____ that ____ to ____ electronics ____ your ____?

____ you ____ able to ____ sensitivity ____ that ____ for ____ limits on ____ our homes?

____ you ____ able ____ sensitivity ____ to allow ____ specific ____ on electronics?

____ the ____ for ____ limits ____ homes be ____?

Will you ____ able ____ modify ____ controls ____ allow tailored constraints ____ the ____?

How ____ I ____ the ____ create different ____ for my ____?

I ____ if my sensitivity can ____ different limits ____ my household ____.

What ____ help ____ with changing ____ sensitivity controls that ____ create tailored constraints ____ electronics?

We need ____ modify sensitivity controls ____ tailored constraints ____.

____ sensitivity ____ are a possibility ____ home ____ limits.

____ help with ____ controls to ____ tailored ____ household electronic equipment.

____ it ____ to change ____ household gadgets?

Home device ____ could ____ changing sensitivity ____.

Could ____ change sensitivity levels ____?

I wonder ____ I could ____ sensitivity settings for my ____ to give ____ more ____.

How ____ I ____ change ____ sensitivity ____ will ____ us to create tailored ____ on ____ electronics?

____ can ____ help ____ sensitivity ____ that ____ to make tailored constraints ____ our own ____ electronics?

Will you ____ to ____ the ____ tailored ____ for ____ electronics in our homes?

Is it possible ____ controls ____ gadgets such ____ and ____?

____ it ____ to ____ the level of ____ restrictions on ____ home?

I wonder if ____ sensitivity can ____ to ____ on ____ in my ____.

____ modify sensitivity ____ allow tailored limitations on the ____ that ____ own?

____ it ____ possible to alter ____ on home ____?

Will you ____ able ____ changes to the sensitivity ____ that ____ tailored ____ the ____ devices?

____ you help us ____ controls that enable tailored ____?

____ you ____ able to ____ controls that allow tailored limitations on ____?

____ you help us ____ adjusting ____ sensitivity ____ allow our ____ electronics ____ constraints?

Will ____ alter ____ controls to ____ specific constraints ____ household electronics?

____ you ____ to ____ sensitivity ____ that ____ tailored limits on ____ electronics?

____ able to modify ____ sensitivity controls ____ we have ____ electronics?

I ____ help ____ altering ____ controls to allow for tailored ____ household ____.

Will ____ be allowed ____ the ____ controls ____ allow ____ limitations on ____ electronic ____?

_____ you be _____ to _____ that _____ for limits on _____ electronics?
 Can _____ change _____ level of _____ so _____ can impose _____ own _____ on _____?
 What can _____ do _____ help _____ change sensitivity _____ that _____ to create tailored _____ on _____?
 I _____ to _____ that allow me to set certain _____ for my _____.
 To modify _____ sensitivity controls that allow _____ constraints, _____ you?
 How _____ modify the sensitivities _____ create my own _____?
 Will you _____ to alter the _____ controls _____ for specific _____ on _____?
 Can _____ sensitivity _____ that _____ electronics to have tailored constraints?
 Will you _____ the controls that _____ for tailored _____ in our _____?
 Can you help _____ controls _____ use _____ limits for my household _____?
 _____ it possible to personalize limit controls _____?
 How _____ help _____ change sensitivity controls _____ help _____ create _____ our electronics?
 Will you be able _____ modify _____ controls that _____ for _____
 _____ can _____ help you change sensitivity controls _____ allow _____ create _____ constraints _____?
 Will _____ to _____ sensitivity _____ allow _____ certain _____ on our electronics?
 _____ I help _____ change the sensitivity _____ let you _____ tailored constraints on _____?
 _____ help you adjust sensitivity _____ to enable tailored _____ the _____ electronic _____?
 What can I do _____ help you _____ sensitivity _____ will _____ us to _____ on _____?
 How can I _____ sensitivity _____ on _____ household electronics?
 _____ can _____ changing _____ controls that _____ us to create tailored constraints _____ household electronics?
 I'm _____ if my _____ modified _____ different limitations _____ my household _____.
 _____ wonder if _____ sensitivity _____ to create different _____ on household _____
 I _____ like _____ modify sensitivity levels so that I _____.
 _____ sensitivity controls that allow _____ to create tailored _____ on _____ house _____ help _____?
 Will you be able _____ modifying sensitivity controls _____ tailored _____ our _____?
 _____ I _____ the _____ settings on my _____ devices better to have _____ my phones.
 Can _____ on personalized _____ changed?
 Can it _____ to _____ different _____ for _____ and tablets?
 _____ if _____ can be changed to create _____ my _____ gizmos
 Can you _____ modify the _____ that I _____ my _____ electronics?
 _____ I _____ to change sensitivity levels _____ my gadgets?
 Would it be _____ to _____ controls _____?
 Would _____ possible to _____ different _____ for mobiles _____?
 I wonder _____ can _____ the _____ my _____ better _____ have more flexibility in my _____.
 _____ help you with _____ that will _____ to create _____ on your _____ household electronics.
 _____ I _____ you _____ controls to _____ on household electronic equipment?
 Will you be _____ the sensitivity _____ that allow _____ constraints _____ our _____?
 _____ sensitivities _____ personal electronic devices?
 _____ I do to help _____ modify sensitivity _____ to _____ constraints on _____?
 _____ it possible _____ controls for home _____?
 Can you please _____ controls _____ electronics to have tailored _____?
 Is it possible _____ restriction _____ tech gear?
 How _____ help _____ you to modify the electronics in your home?
 How _____ I _____ you _____ sensitivity _____ to _____ household _____ tailored?
 Can _____ controls that _____ limitations on household electronic devices?
 The _____ for device limits _____ could _____ adjusted.
 _____ can help with _____ sensitivity controls to _____ on _____ electronics.
 I am _____ I can make the _____ for my _____ to have _____ flexibility _____ phones.
 _____ can help _____ changing sensitivity _____ constraints on the _____ electronic equipment.
 How _____ help you modify sensitivity _____ will allow _____ create tailored constraints _____ household _____?

Will you _____ to modify the _____ allow _____ limitations on the _____ in _____ house?

How _____ I help _____ change sensitivity controls _____ allow _____ to _____?

Is _____ possible _____ levels for _____ limits _____ household _____ like phones and _____?

_____ that _____ us _____ tailored _____ on house _____ is something _____ I can help you _____.

_____ I modify sensitivity _____ to _____ my gadgets?

_____ be changed _____ create _____ limits _____ household gadgets like phones and tablets.

Is it _____ to _____ levels _____ on household gadgets?

_____ there a way _____ modify _____ controls _____ allow _____ house _____ have tailored _____?

_____ able to _____ controls _____ have on our electronics?

_____ can I help _____ alter _____ tailored _____ on the household electronic _____?

Will _____ be able _____ change _____ controls _____ the electronics _____ homes?

Will _____ able _____ modify sensitivity controls _____ constraints on our _____?

How _____ I _____ you _____ changing sensitivity _____ allow _____ constraints on the _____?

_____ can _____ with adjusting sensitivity levels.

_____ can I help you _____ sensitivity controls _____ allow _____ tailored _____ on our household electronics?

Is _____ possible _____ change _____ for _____ limitations _____ gadgets?

_____ you help _____ tweaking _____ controls that _____ tailored electronics?

How _____ I help you with altering sensitivity controls _____ tailored _____?

_____ you have the ability _____ allow tailored _____ on household _____?

_____ customization levels _____ domestic _____ be changed?

_____ with tweaking _____ sensitivity controls _____ allow _____ house electronics _____ have tailored _____?

_____ possible _____ modify sensitivity controls _____ on household electronics?

How can I _____ create _____ on our _____ changing _____ controls?

_____ help you change _____ sensitivity _____ that will _____ us _____ create tailored constraints _____ electronics?

_____ you _____ the _____ for tailored _____ on our electronics?

Can _____ sensitivity _____ let _____ set certain constraints for my _____ electronics?

Is _____ to _____ sensitivities on home _____

Could _____ for _____ limits at _____ be _____?

Will you be _____ to _____ the _____ sensitivity _____?

How can I _____ you with changing sensitivity _____ allow _____ tailored constraints _____ household _____?

_____ assist _____ sensitivity controls that allow _____ to create tailored _____ on our _____ electronics.

_____ wonder if _____ device _____ at homes could be _____.

_____ wonder if _____ can make the _____ settings _____ home devices _____ order _____ have more _____ my _____.

I _____ I _____ change my sensitivity _____ create _____ limits on _____ in _____.

How can I _____ change the _____ us _____ create tailored constraints _____ own _____ electronics?

Can _____ change _____ to modify the restrictions _____ devices?

Will _____ be _____ to help _____ sensitivity _____ that allow for _____ constraints _____?

What can _____ do _____ help _____ sensitivity _____ that will _____ to _____ tailored _____ on your _____ household _____?

_____ you modify sensitivities _____ home _____?

I _____ controls _____ let me _____ certain constraints _____ household electronics.

How _____ I help _____ sensitivity _____ us to _____ tailored _____ on our _____ electronics?

_____ help you change the _____ that will allow _____ on our household _____?

How _____ I _____ sensitivity controls that _____ you _____ tailored constraints _____ household electronic equipment?

_____ you help _____ sensitivity _____ let _____ set limits _____ my _____ electronics?

_____ sensitivity controls _____ allow _____ create tailored constraints on our household _____ something I _____ you _____.

_____ I _____ you _____ sensitivity controls that _____ allow you to create _____ constraints _____ household _____?

Can you _____ sensitivity controls _____ tailored _____ on _____ household _____ devices?

Can you _____ controls _____ for _____ constraints on our _____?

_____ I help _____ with _____ sensitivity _____ that _____ us to create _____ constraints on _____ electronics?

Changing sensitivity controls that _____ to create _____ electronic equipment is _____ I can _____ you _____.

____ you think it's possible to ____ sensitivity ____ on ____ ?
 I ____ help you with ____ the sensitivity ____ allow us ____ tailored ____ electronics.
 Can ____ the sensitivity ____ allow tailored ____ on ____ our home?
 Will you ____ modify the ____ controls ____ allow tailored ____ the ____ ?
 ____ controls ____ tailored limits on household electronic devices?
 ____ you modify ____ sensitivity ____ that allow tailored ____ on ____ ?
 ____ you be ____ modify the ____ for sensitivity ____ household ____ ?
 I ____ help ____ controls that will ____ you to ____ tailored ____ your household ____ .
 ____ controls that allow ____ to ____ tailored ____ on our ____ something I can ____ with.
 ____ I ____ you modify ____ controls ____ allow ____ to create ____ constraints ____ electronics?
 ____ it possible ____ sensitivities to personalize ____ device ____ ?
 I am wondering ____ can ____ the ____ for ____ home devices ____ to have ____ flexibility ____ my ____ .
 Will you ____ change the sensitivity ____ that allow for ____ limitations on ____ that ____ ?
 ____ my sensitivity ____ be changed ____ different ____ on ____ in my household.
 There ____ sensitivity controls that allow ____ to ____ on ____ household ____ .
 Changing ____ allow ____ constraints on ____ equipment is something I can ____ with.
 ____ be able to modify ____ sensitivity controls ____ allow ____ on ____ electronics ____ homes.
 ____ it possible for ____ to ____ you in altering ____ controls ____ the household electronic ____ ?
 Is ____ possible to ____ limit ____ for ____ tablets?
 ____ can I ____ you change ____ sensitivity ____ household electronics?
 ____ you help me ____ sensitivity control ____ my ____ ?
 Can ____ help ____ the sensitivity controls ____ tailored electronics?
 ____ can I ____ sensitivity controls that ____ you ____ tailored ____ your own household electronics?
 How can ____ help ____ with ____ of sensitivity ____ that ____ us ____ on household electronics?
 Is it ____ for ____ to change ____ us ____ create ____ constraints on ____ electronics?
 Can ____ with tweaking ____ sensitivity controls that ____ to have ____ constraints?
 ____ can I ____ you ____ sensitivity controls that ____ tailored ____ on ____ electronics?
 Will you ____ to modify ____ controls ____ tailored constraints on ____ electronics?
 ____ sensitivity ____ to ____ tailored ____ the household electronic equipment ____ something ____ I ____ help ____ with.
 ____ the ____ that allow ____ on the electronics in ____ homes ____ ?
 How ____ I ____ sensitivity ____ allow us to ____ tailored constraints ____ household electronics
 ____ controls that allow us ____ constraints on our household ____ ?
 ____ it ____ possible ____ limit ____ for ____ and tablets?
 ____ with the changing ____ sensitivity ____ that allow ____ to create tailored constraints ____ equipment?
 ____ can I ____ you ____ sensitivity controls ____ allow us ____ household ____ ?
 How can ____ help you ____ controls ____ can ____ constraints on household ____ ?
 Can ____ sensitivity ____ be ____ for home ____ ?
 Can I ____ sensitivity ____ impose limitations ____ household ____ ?
 ____ can ____ assist you ____ changing sensitivity ____ that ____ us to create ____ constraints ____ our ____ ?
 I wonder if ____ sensitivity ____ changed to ____ for my ____ .
 ____ sensitivity controls ____ constraints on our own ____ how can ____ help you?
 ____ us to create ____ constraints on household ____ .
 Will it ____ to ____ the sensitivity ____ allow tailored limitations ____ in our ____ ?
 I ____ you in changing ____ that ____ to ____ constraints on ____ electronics.
 ____ can I help ____ sensitivity controls ____ will ____ you ____ tailored constraints on ____ equipment?
 What ____ do to ____ alter the sensitivity ____ to ____ on the ____ electronic equipment?
 How ____ I ____ you ____ the ____ controls that ____ us to ____ constraints on ____ ?
 ____ I help you change the ____ that ____ for tailored constraints on ____ ?
 How ____ help you ____ changing the sensitivity controls ____ allow ____ to ____ constraints on ____ equipment?
 How ____ I help you ____ sensitivity controls ____ allow tailored ____ ?

_____ change the _____ control _____ household electronics?

Could I change the level of _____ that _____ restrictions _____?

_____ you be _____ sensitive _____ that allow for _____ on household _____?

_____ sensitivity _____ that allow _____ to create tailored constraints _____ household electronics _____ a _____.

_____ that allow tailored limitations _____ the electronics _____ homes _____ modified?

_____ you _____ able _____ make changes _____ the sensitivity controls that _____ the electronics _____ we _____?

_____ can _____ you _____ allow you to create _____ constraints on our _____ electronics?

_____ you change the sensitivity _____ allow _____ to create _____ constraints on our _____?

I wonder if _____ can be _____ to _____ gadgets _____ home.

_____ can _____ help _____ change _____ sensitivity controls so _____ we can _____ constraints _____ electronics?

How can I _____ you _____ controls _____ tailored _____ the electronics?

Will _____ able _____ modify _____ allow for tailored _____ our household electronics?

Would _____ be _____ to personalize _____ controls _____ gadgets like _____?

_____ you _____ to modify _____ sensitivity _____ limitations on _____ household electronic devices?

Will the _____ controls that allow _____ limitations _____ houses be _____?

_____ help you adjust _____ controls to allow tailored _____ the _____?

Would _____ be _____ modify _____ levels _____ limitations on household _____?

_____ be adjusted for personal _____ on _____ gadgets like phones _____.

_____ able to _____ sensitivity control _____ household electronics?

_____ can I help _____ the _____ let _____ create _____ constraints on our _____?

_____ be _____ to modify _____ sensitivity controls _____ household electronics?

_____ I help you _____ controls _____ will _____ to _____ tailored constraints _____ household _____ equipment?

_____ I _____ with _____ sensitivity _____ allow us to _____ on household electronics?

Can _____ help us _____ sensitivity control _____ electronics?

_____ I _____ you _____ sensitivity controls that allow you to _____ electronics?

Is it _____ controls for gadgets like _____ or _____?

How _____ change _____ sensitivity controls _____ create tailored constraints on _____ household electronics?

I _____ assist you in _____ to _____ tailored constraints _____ the _____ electronic equipment.

Can _____ the level _____ so _____ I can restrict _____ of household _____?

_____ enable tailored constraints _____ the household _____ equipment

Is _____ possible _____ to _____ modify sensitivity controls that _____ on _____ electronics?

How can I help _____ controls to make the _____?

Is it possible _____ modify _____ to _____ tech _____?

_____ it be possible to _____ gadgets _____ as _____ and _____?

How can _____ help you _____ sensitivity _____ that _____ to create _____ on our electronics?

Will you _____ to modify _____ for _____ household _____?

_____ you modify sensitivity _____ tailored constraints on the _____ electronic _____?

_____ you be _____ modify _____ controls _____ for certain constraints on _____?

_____ help _____ with altering _____ control _____ household electronics?

_____ able _____ modify _____ that allow tailored _____ on _____ electronics _____ our houses?

_____ it _____ possible _____ set _____ limits _____ mobiles and tablets?

How can _____ help _____ sensitivity controls _____ allow _____ create tailored constraints on our _____?

_____ can I _____ sensitivity controls that allow _____ to _____ tailored constraints on household _____?

It's possible _____ modify _____ controls _____.

Will _____ be able to _____ in order _____ change _____ constraints?

How _____ change sensitivity controls _____ you _____ create _____ on house electronics?

Modification _____ sensitivities on _____ controls is _____.

Is _____ possible _____ to _____ with tweaking the _____ controls _____ allow _____ electronics to have _____?

Would _____ possible _____ modify limit _____ residential _____ as mobiles _____ tablets?

Is _____ limit controls _____ gadgets _____ the home?

____ be ____ to ____ different limit controls ____ tablets and ____ ?

____ help with ____ the sensitivity ____ household ____ ?

____ have the ____ modify ____ levels to ____ limits on ____ gadgets?

____ would like to ____ sensitivity controls ____ to create ____ constraints on our electronics.

How ____ I ____ modify ____ sensitivity ____ that allow for ____ on household ____ ?

Will ____ be ____ sensitivity controls that enable ____ constraints ____ electronics?

Is ____ possible ____ modify sensitivities for ____ ?

____ I do to ____ you modify ____ controls ____ us ____ create ____ constraints ____ household electronic ____ ?

____ modify the sensitivity ____ that allow tailored limitations ____ household ____ devices?

____ you ____ able to ____ the ____ that ____ tailored limitations ____ the ____ in ____ ?

____ can ____ with altering ____ controls to enable ____ electronic equipment.

____ sensitivity controls that ____ us to ____ tailored ____ own ____ electronics, how ____ help you?

How ____ I help ____ change ____ that allow you ____ on ____ electronics?

Will you ____ able ____ the ____ let us ____ the ____ in our ____ ?

Will ____ the sensitivity controls that allow ____ on the household ____ ?

____ possible to ____ personalize limit controls for gadgets ____ ?

I ____ help ____ sensitivity controls ____ enable tailored ____ household electronics.

____ you ____ sensitivity controls that ____ for tailored ____ on our ____ ?

____ can ____ you with ____ controls ____ allow tailored ____ the household electronic ____ ?

____ if my ____ to create different limits on ____ in ____ home.

Will ____ to modify sensitivity ____ for ____ limitations ____ the electronics ____ own?

____ would like ____ sensitivity levels so ____ I ____ impose ____ on ____ .

How can I ____ you ____ controls to accommodate ____ household electronic ____ ?

Can you help me ____ the ____ that ____ set ____ for ____ electronics?

____ you ____ us modify the sensitivity controls ____ electronics ____ constraints?

Will ____ be ____ controls for the ____ in our houses?

____ it ____ modify the ____ for tailored restrictions on ____ devices?

____ be able to ____ the ____ that ____ different limitations ____ the household ____ ?

____ can ____ help you ____ sensitivity controls ____ allow tailored ____ household electronic ____ ?

What ____ I help ____ with ____ sensitivity ____ enable tailored ____ on the ____ ?

____ can ____ to change ____ controls ____ enable ____ constraints on the ____ equipment?

____ us to create ____ constraints on ____ electronics ____ something I can ____ you in ____ .

Is it ____ modify the ____ sensitivity ____ restrictions on smart ____ home?

We ____ to ____ controls ____ allow our house ____ have tailored constraints.

Is ____ to ____ controls in home ____ ?

I ____ you with ____ sensitivity ____ tailored constraints on household ____ .

____ possible ____ modify sensitivity levels ____ on household ____ ?

____ help you ____ sensitivity ____ that ____ for tailored constraints on household ____ ?

____ can ____ help ____ with ____ controls that will allow you ____ create ____ own household electronics?

Are you ____ assist ____ tweaking the sensitivity ____ allow ____ electronics ____ tailored constraints?

I wonder if my ____ can ____ changed to ____ gizmos.

____ I be ____ to modify ____ impose ____ my household gadgets?

Sensitivity settings ____ home ____ restrictions ____ .

_____ you _____ able to _____ certain _____ for household _____?

I _____ assist you in _____ sensitivity controls _____ allow _____ on _____ electronic _____.

Home _____ can be changed by _____.

Will you be able _____ change _____ controls of _____ homes?

_____ can I assist you in changing _____ that would _____ to _____ on _____ equipment?

_____ can _____ you modify sensitivity controls to _____ household _____ equipment _____?

Is it possible to _____ for _____ electronics

_____ can help you _____ controls to _____ constraints on _____ equipment.

_____ wonder _____ my _____ can be _____ to create different limitations on _____.

_____ there a way _____ sensitivity controls _____ allow tailored _____ the household _____?

_____ you _____ able _____ the sensitivity controls _____ constraints on _____ electronics?

How can I _____ sensitivity _____ us _____ create tailored _____ on _____ household electronics?

_____ can _____ the sensitivity controls _____ allow _____ to _____ our _____ constraints on household electronics?

Will you _____ able to _____ the sensitivity controls _____ electronics?

Changing sensitivity controls _____ us _____ household electronic equipment.

Will _____ able _____ the sensitivity _____ that _____ us _____ electronics _____ our homes?

Will _____ able _____ modify the sensitivity _____ for _____ electronics?

_____ you be _____ sensitivity _____ that _____ tailored constraints on _____ electronics?

_____ it possible to _____ sensitivity _____ can _____ limits on _____ gadgets?

Can _____ levels of _____ customization _____ be _____ on _____ tech _____?

_____ modify sensitivity _____ that allow _____ to _____ on my _____?

Can _____ help _____ with _____ controls that allow _____ to tailor _____?

Is _____ change sensitivity settings for _____ restrictions.

_____ sensitivity _____ is _____ possibility for the home _____.

I wonder if _____ be adjusted _____ create limits on _____.

Will _____ to modify _____ sensitive controls _____ allow tailored limitations _____ devices?

Is _____ set sensitivity restrictions on _____?

I _____ if my sensitivity _____ changed _____ different _____ on my _____.

Changing sensitivity controls that allow _____ create tailored constraints _____ our _____ I _____ in.

How _____ help you _____ the _____ allow for tailored _____ your _____ electronics?

Is it _____ sensitivity _____ home electronics?

_____ possible to _____ levels _____ that I _____ limit _____ household gadgets?

How can _____ help you change _____ sensitivity _____ create tailored constraints on _____ electronics?

Will you _____ able to modify the sensitivity _____ it _____?

_____ you _____ sensitivity controls that allow _____ the household electronic _____?

_____ you _____ the sensitivity controls that allow us _____ create _____ on _____ household electronics?

I _____ my _____ to create _____ on gadgets in my house.

_____ to modify the sensitivity controls _____ allow _____ certain constraints _____?

Will _____ be able _____ the _____ controls _____ restrictions on household electronics?

How _____ I help you _____ change sensitivity controls _____ allow us _____ constraints on _____?

_____ you _____ able _____ change the _____ controls in _____?

I can _____ altering _____ to enable tailored constraints _____ household _____.

Changing _____ that _____ us to create _____ on household electronic equipment _____ help you _____.

_____ you help modify _____ controls that _____ certain _____ my household electronics?

Could _____ change the level _____ sensitivity _____ that _____ can _____ in _____?

_____ for _____ to modify the sensitivity _____ tailored _____ on _____ household electronics?

I wonder _____ my sensitivity _____ be _____ to _____ different limits _____.

_____ you be able to _____ controls that _____ for _____ limitations _____ household _____ devices?

_____ sensitivity _____ that _____ us to create _____ electronics, _____ can I help?

____ you be ____ modify ____ sensitivity controls that allow ____ specific ____ our ____?
 ____ do ____ help ____ sensitivity ____ that ____ us ____ tailored constraints on ____ electronics?
 Is ____ a ____ you can alter the ____ electronics?
 ____ your sensitivity controls allow for ____ on ____?
 ____ help you ____ so that ____ can create tailored ____ on our household electronics?
 ____ be ____ limits for gadgets such as mobiles or ____?
 Would ____ be possible to modify ____ gadgets ____ as ____ and ____?
 ____ it ____ me to change sensitivity controls that ____ constraints on ____ electronics?
 ____ I help ____ in changing sensitivity ____ for tailored constraints on ____?
 How ____ you change sensitivity ____ will allow ____ to ____ tailored constraints on our ____?
 ____ can I ____ sensitivity ____ that allow us to create ____ constraints on the ____?
 ____ it ____ to modify ____ tailored constraints ____ household electronics?
 Will you be able to ____ sensitivity ____ that ____ limitations ____ in ____?
 Will you ____ modify ____ for tailored constraints on household electronics?
 ____ me ____ the ____ controls ____ let me set certain constraints ____ my ____?
 Will ____ able ____ sensitivity ____ that allow ____ specific constraints ____ electronics?
 Changing ____ allow ____ tailored ____ our house electronics, ____ I help you?
 ____ sensitivity controls to modify household electronics constraints?
 It is ____ to adjust ____ sensitivity ____ home ____.
 ____ sensitivity ____ to enable ____ on devices?
 ____ wondered ____ sensitivity could be ____ create different limits ____ my ____.
 ____ you help modify the ____ allow ____ to set ____ my ____?
 ____ able to alter the ____ on household ____?
 Changing sensitivity ____ that allow ____ to ____ electronics, how can ____ help?
 Will ____ be able ____ controls ____ limitations on the electronics?
 Changing sensitivity controls ____ us ____ on our ____ electronic ____ is something I ____ assist ____ in.
 I ____ like ____ help ____ changing ____ that ____ tailored constraints on our own household electronics.
 ____ it ____ to set personalized ____ controls for gadgets ____ or ____?
