

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Complaints regarding high electricity bills
Inquiry Sub-Category	Tariff changes and rates
Description	Inquiries regarding recent changes in electricity rates, tariffs, or pricing plans that are resulting in higher bills for customers.
Data Size	5,080 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Will ____ past ____ patterns expose differences ____ older and ____ recently?

Does ____ consumption ____ differences ____ old ____ current billings?

____ it ____ to see ____ in billing ____ to old ____ habits?

The ____ between older and ____ could ____ if ____ analysis of earlier ____ tendencies ____.

____ consumption ____ from before may show ____ differences between ____ previous ____.

____ scrutinizing past ____ show ____ differences ____ arise from recent ____?

Will discrepancies ____ be ____ by reverting to ____?

When ____ used versus ____ implemented rates, is ____ a possibility ____?

Will examining consumption habits ____ and new ____?

____ patterns from before ____ expose ____ billing ____ the past and newer ____.

examining ____ patterns ____ before ____ show the ____ in ____ and currently implemented ____

____ you ____ altered pricing ____ previous and recent ____?

Will ____ revisit ____ consumption patterns ____ between ____ old ____ recent ____?

examining ____ before may ____ the differences ____ billing between ____ rates and the ____ past

____ possible that comparing ____ show different billing for ____ and ____ rates?

Will ____ consumption patterns ____ differences in billing between ____?

____ past ____ differences ____ older and newer bills?

Reexamining ____ from ____ could ____ in billing between the newer rates ____ the ones ____.

Does ____ past consumption ____ between old and ____?

____ before may ____ between the previous and recent rates.

Will ____ revisiting ____ pattern expose ____ and recent rates?

____ consumption patterns ____ billing ____ between ____ newer rates?

Reexamining consumption patterns ____ before ____ show differences in ____ current ____.

____ we ____ behavior to see ____ in billing?

Will ____ spending ____ changes ____ bills ____?

Is ____ possible ____ comparing past ____ will show ____ billing ____ older ____ rates?

____ it ____ to ____ between ____ and those ____ after rate changes?

Do ____ think comparing older ____ recent rates ____ any discrepancies ____ structure?

____ scrutinizing ____ consumption reveal any ____ are ____ recent rate ____?

____ might show differences ____ older and recent rates.

Does ____ past ____ differences ____ to ____ rate changes?

_____ differences in billing between _____ and _____ rates _____ consumption _____.

Is _____ difference between bills generated _____ bills _____ with recently _____ rates?

Will revisiting _____ in billing _____ old _____ new rates?

_____ there be differences _____ old and _____ bills after _____?

Will analyzing _____ uncover discrepancies between old _____?

The _____ patterns from _____ show the differences _____ rates and the _____ implemented recently.

Going back _____ habits _____ discrepancies in billing.

Does the revisiting _____ consumption _____ any _____ between _____ rates recently _____ and the _____ the _____?

Will _____ discrepancies in _____ we _____ old consumption habits?

_____ consumption _____ with _____ will reveal any _____ in _____ billing structure?

If _____ old _____ recently implemented rates _____ show _____?

Do _____ comparing old _____ with recent _____ will show _____ discrepancies _____ the _____?

The revisiting _____ patterns _____ between the old and _____.

_____ we _____ discrepancies for old _____ to _____ rates?

Is _____ possible _____ comparison of past consumption patterns _____ show _____ billing _____ rates?

Is it _____ to _____ in _____ for _____ implemented rates?

Do you _____ if _____ consumption _____ with new rates will _____ any _____ the _____?

_____ the _____ of consumption _____ any discrepancies between _____ and _____?

_____ differences in billing _____ new rates _____ to _____ consumption patterns?

_____ can be _____ by past consumption patterns.

Do _____ think _____ consumption patterns with _____ rates will _____ in _____ structure?

_____ it _____ that _____ discrepancies in billing for _____ implemented rates?

_____ patterns from _____ expose _____ differences in _____ between _____ old _____ new rates.

_____ revisiting _____ patterns _____ in billing from _____ and _____ rates?

Will the revisiting _____ consumption patterns expose any _____ between _____ used _____ the past?

Is it _____ in billing when _____ used and recently _____.

_____ consumption _____ before _____ show differences _____ billing _____ from _____ may expose the differences in billing between _____ and _____.

_____ it possible _____ prior consumption _____ see differences in _____.

Is there _____ between the bills _____ older consumption _____ versus _____ ones calculated _____ rates?

Does revisiting _____ expose any _____ the old and _____?

Is _____ see altered _____ when _____ previous _____ recent charges?

Reexamining consumption patterns _____ can show _____ billing _____ the _____ and _____.

Past usage patterns _____ older and _____ recent structures.

Is _____ possible to examine _____ patterns to _____ in _____?

Will the revisit _____ consumption _____ expose _____ the old _____ current _____?

_____ it _____ to compare previous _____ to see changed _____?

Reexamining _____ can show _____ between the _____ and recent rates.

_____ retroactive usage reveal _____ old vs. _____ rates?

_____ analyzing historical consumption habits _____ old and _____?

Will _____ past usage uncover _____ old _____ ones?

Can _____ consumer behavior show changes in _____ recently _____?

Does _____ past _____ show differences _____ bills?

Does analyzing _____ consumption _____ differences between _____ and _____?

examining consumption _____ may expose the differences in _____ between _____ rates.

Does _____ the _____ between old and _____ billings?

Will _____ past _____ changes between _____ old and _____?

_____ can uncover _____ and recently implemented rates.

Is it _____ to revisit previous _____ to uncover _____ recently _____ rates?

_____ possible to _____ differences in _____ previously _____ rates and recently _____?
 _____ consumption patterns _____ the differences _____ the previous _____ recent _____.
 Can _____ show _____ billing rates?
 _____ consumption patterns _____ before _____ reveal _____ differences _____ old _____ recently _____ rates.
 examining _____ may reveal differences _____ billing between the _____ rates _____ the _____ implemented _____
 Can we _____ differences _____ old _____ rates?
 _____ chance of _____ in billing when comparing _____ rates _____ recently implemented _____?
 _____ consumption _____ before _____ show _____ in _____ the _____ rates and those _____ the past.
 _____ patterns from _____ may _____ the _____ between _____ old and current _____.
 _____ the revisiting _____ patterns show _____ between the previous _____ current _____?
 Will the _____ consumption _____ expose _____ discrepancies _____ the _____ and recent _____?
 Revisiting _____ patterns _____ differences _____ billing _____ old _____ newer rates.
 _____ differences in _____ between older _____ newer rates when revisiting _____?
 _____ consumption _____ will _____ billing discrepancies _____ old and _____.
 _____ patterns, will there be _____ previous _____ current charges?
 _____ consumption patterns from before _____ reveal _____ differences _____.
 examining consumption patterns _____ before could _____ in billing _____ newer _____ the _____ implemented recently.
 _____ there any _____ between the bills generated _____ consumption _____ calculated _____ recently enforced _____?
 Is _____ see inconsistencies _____ bills comparing _____ of usage _____ rates?
 Can retroactive usage reveal _____ and _____ billing _____?
 examining consumption _____ before may _____ billing _____ the newer _____ and the ones _____ recently
 Is _____ consumption patterns _____ to _____ billing between _____ newer rates?
 _____ of _____ consumer behavior show changes _____ billing?
 Does past _____ any _____ charges _____ the rates _____ been applied?
 Will reviewing _____ old and current bills?
 Reexamining _____ patterns _____ differences _____ old and _____ rates.
 _____ usage show any differences in _____ after _____?
 Is _____ in charging old and new _____ while analyzing _____?
 _____ revisiting consumption patterns _____ to differences _____ between _____ rates?
 _____ versus _____ rates _____ be exposed _____ reviewing _____ usage.
 _____ consumption patterns before may _____ in _____ old and _____ implemented rates
 _____ past _____ show _____ in charges _____ enforced rates have _____ applied?
 Reexamining consumption _____ from _____ may _____ differences _____ billing _____ the _____ and recently _____
 _____ past expenditure _____ tendencies between _____ and new _____ methodologies?
 Will analyzing historical _____ show billing _____ old and _____?
 _____ patterns _____ in _____ between the newer rates and _____ implemented recently
 _____ it possible _____ comparing previous _____ recent charges _____ pricing?
 Is retroactive _____ to reveal differences _____ new _____?
 Differences in _____ between _____ and current _____ be _____ by _____ consumption _____.
 _____ the revisiting _____ patterns show _____ between _____ and recent rates?
 _____ show differences _____ old/current bills?
 Revisiting consumption _____ will expose _____ in billing _____ new _____.
 Will _____ usage show differences _____ older _____ and _____ rate changes?
 Revisiting consumption _____ expose billing differences _____ rates.
 _____ reviewing _____ consumer _____ changes in billing?
 Is _____ possible _____ revisit _____ consumption _____ to _____ in rates for _____?
 _____ the _____ of _____ patterns bring _____ any _____ between _____ old _____ recent _____?
 _____ past usage show _____ charges _____ that _____ have _____ applied?
 After _____ newly enforced _____ were applied, _____ any differences _____ charges?
 _____ the discrepancies in _____ be _____ by going _____ old _____?

_____ reviewing past consumption show _____ and _____ billings?
 There might _____ differences _____ using older _____ records and the ones calculated _____ recently _____.
 Older billing discrepancies _____ emerge when looking _____ previous _____ versus _____.
 _____ from before _____ reveal differences _____ billing _____ the newer _____ the ones of the _____.
 _____ it _____ billing between previously _____ and recently implemented rates?
 If you _____ old _____ patterns _____ rates, _____ there _____ discrepancies _____ billing structure?
 Reexamining _____ usage patterns may _____ differences _____ billing between _____ recent _____.
 Is it _____ see discrepancies in bills _____ of _____ rates?
 Is it _____ detect _____ previous _____ current _____ analyzing past usage _____?
 _____ in the bills generated using older consumption _____ compared _____ ones calculated _____ recent _____?
 By _____ past _____ patterns will _____ previous and current _____?
 If comparing _____ with recently _____ rates will _____ billing structure?
 _____ billing between _____ current rates will _____ exposed by _____ consumption _____.
 _____ there a _____ in the _____ generated _____ records _____ to those calculated with _____ rates?
 _____ historical _____ is _____ are there differences in previous _____?
 Is _____ patterns _____ to reveal any discrepancies _____ the old and _____?
 The differences _____ the _____ rates can be _____ by examining consumption _____.
 _____ comparing older consumption _____ recently _____ rates _____ reveal _____ in _____ billing structure?
 _____ possible to see _____ in _____ rates versus previous _____?
 Does examining _____ patterns _____ in billing _____?
 Older _____ discrepancies _____ previous consumption _____ versus current _____ changes.
 _____ revisiting of consumption _____ show _____ old and recent _____?
 _____ past usage show _____ between _____ and _____ bills?
 The consumption _____ before _____ expose differences in billing _____ rates and the _____ past.
 If comparing old _____ new rates will _____ the _____ structure?
 _____ consumption patterns reveal the _____ and _____ discrepancies?
 _____ patterns will show _____ in _____ between old and currently _____.
 _____ consumption _____ from before might expose differences _____ billing _____ newer _____ the ones _____.
 _____ examining previous usage expose _____ differences _____ new _____?
 _____ difference _____ generated using older consumption records compared to _____ ones calculated _____
 enforced _____?
 Does past _____ differences _____ to _____ adjustments?
 examining _____ before _____ expose the differences _____ billing between the _____ and _____
 examining _____ expose the _____ between the old and recently _____
 Reexamining _____ the _____ in billing between the old _____ rates.
 Will _____ revisiting of _____ patterns _____ discrepancies between _____ rates?
 _____ usage _____ might _____ differences in _____ older and more _____ rates.
 _____ consumption _____ may show differences in billing between _____ and _____.
 examining consumption patterns from _____ can _____ differences in billing _____ and the ones _____.
 _____ analyzing past usage _____ differences between _____ bills?
 Does _____ prior consumption patterns _____ billing _____?
 Is _____ possible _____ differences in _____ comparing previously _____ rates _____ implemented ones?
 Will analyzing _____ uncover _____ old and _____ bills?
 _____ scrutinizing past _____ show _____ differences _____ exist because _____ rate _____?
 Is there any _____ between the _____ generated _____ old _____ records and _____ recently enforced _____?
 Reexamining _____ patterns _____ the _____ in _____ between old _____ rates.
 Revisiting consumption _____ will _____ old and newer _____.
 _____ prior consumption _____ between old and _____ prices?
 _____ it possible _____ see _____ billing if you _____ old _____ habits?
 _____ patterns from before _____ show _____ newer _____ and _____ ones of _____ past.
 Is it _____ that past _____ differences between _____ current _____?

Do _____ older vs current _____ when _____ past habits?

Will past spending _____ to _____ between _____ and current _____?

_____ see _____ changes _____ bills _____ new rates _____ we look into _____ old usage _____?

Is _____ possible to _____ prior _____ data to _____ discrepancies _____ under old/new rates.

Will examining past _____ find _____ in _____?

_____ current pricing changes do older billing _____ emerge?

_____ revisiting consumption _____ in billing _____ older and newer _____?

_____ going back to _____ consumption habits, _____ there _____ discrepancies _____?

The gap _____ latest _____ could _____ exposed by _____ of _____ spending patterns.

Will _____ consumption patterns reveal differences in billing _____?

examining _____ before _____ differences in billing between _____ newer _____ and the _____ of _____ past _____ usage show the difference _____ since _____ rates _____ been _____?

_____ you _____ previous _____ patterns _____ differences between _____ and _____ implemented rates?

Could analyzing _____ uncover _____ between old _____ prices?

_____ you _____ older consumption patterns with _____ implemented _____ will _____ any _____?

_____ patterns _____ can _____ in _____ between the _____ and new rates.

_____ you _____ analyzing past usage patterns _____ differences in _____?

Reexamining consumption _____ show _____ in rate between _____ rates.

Will _____ past _____ changes _____ bills recently updated?

_____ and new billing _____ when analyzing consumption _____?

Can _____ reveal altered pricing by _____ charges?

_____ possible that comparing past consumption patterns _____ billing?

Can a _____ of _____ show changes _____ billing under _____ implemented _____?

Since _____ new rates have been applied _____ usage _____ charges?

_____ consumption _____ from before could _____ differences _____ between _____ newer rates _____ the _____ of the _____.

There _____ in billing between _____ and _____ rates if _____ revisit past _____.

Is it possible to _____ variations in older versus _____ prior _____?

_____ analyzing _____ usage _____ enough to _____ differences in _____ and current _____?

Can past usage show any differences _____ the _____ been _____?

_____ revisit consumption patterns expose differences in _____ newer _____?

Can _____ usage _____ differences in _____ new rates have _____ applied?

_____ older consumption _____ with _____ implemented rates will show _____?

Older billing _____ when examining _____ versus current pricing _____.

Will _____ patterns bring _____ any discrepancies between _____ and current _____?

_____ you think _____ revisiting _____ consumption patterns will _____ discrepancies _____ and current _____?

Will the _____ of consumption _____ the _____ in the past and the _____ recently _____?

The _____ patterns _____ before may _____ the _____ between the _____ and _____ rates.

Since _____ have _____ past usage show _____ differences in _____?

_____ differences in billing between the previous and current _____ be _____ by _____.

_____ previous usage uncover differences _____ bills _____ those _____ recent rate _____?

If _____ old _____ patterns _____ show discrepancies in _____ billing structure?

examining consumption _____ from before _____ between _____ and current rates _____ any difference between the _____ using older consumption _____ the _____ calculated _____ recently _____ rates?

Reexamining consumption _____ in billing _____ the _____ rates and the _____ the past.

_____ old _____ recent rates will show discrepancies?

_____ billing _____ be exposed by examining consumption _____ from _____.

Will the revisiting _____ expose discrepancies between the rates _____ used _____ past?

Is _____ see _____ between billing _____ and _____ implemented rates?

_____ you _____ consumption _____ in _____ and recently implemented _____ for billing discrepancies?

Is _____ possible _____ previous consumption _____ would _____ different billing _____ current rates?

_____ revisiting consumption patterns _____ billing _____ old _____ new rates?
 _____ the revisiting _____ differences between the _____ recent rates?
 examining consumption patterns _____ may expose _____ differences _____ the old _____ rates.
 Is _____ possible _____ altered prices when comparing _____ and _____?
 Changing _____ patterns _____ may show _____ in _____ between _____ old _____ recent _____.
 Is it _____ to _____ billing _____ between _____ new _____ methodologies?
 _____ reviewing _____ expenditure show _____ billing tendencies between _____ and _____ introduced _____?
 _____ analyzing _____ uncover differences in _____?
 Does _____ consumption reveal _____ in _____?
 Do _____ patterns _____ divergences _____ and current charges?
 Will reviewing _____ expose differences in billing between _____?
 _____ the revisiting of consumption _____ any _____ between the rates _____ and the _____?
 _____ reverting _____ habits show discrepancies due _____ new rates?
 The consumption _____ before may _____ between the old and newer _____.
 _____ patterns from before _____ differences in _____ between _____ old and _____ rates.
 If comparing old _____ recently _____ rates _____ any discrepancies _____ the billing _____?
 _____ consumption patterns from _____ may reveal _____ in _____ and _____ implemented _____.
 _____ usage _____ help _____ discrepancies in charges?
 Is it possible that _____ past _____ patterns _____ show _____ and current _____?
 _____ spending show changes _____ old and _____ bills?
 Reexamining consumption _____ from _____ may _____ between old _____ current _____.
 The _____ from _____ expose _____ in billing between _____ old _____ recently implemented _____.
 _____ revisiting _____ expose differences in billing _____ old and _____ rates?
 Reexamining consumption _____ show differences between _____ current _____.
 Does _____ consumption _____ between old and current _____?
 Will _____ show _____ discrepancies with new _____?
 _____ possible to compare old consumption patterns with _____ implemented _____ see _____ structure?
 _____ consumption patterns _____ before _____ show _____ differences between _____ rates.
 Older billing discrepancies _____ when _____ at previous consumption _____ current _____.
 _____ patterns _____ before can _____ the _____ in rate _____ old and _____ rates.
 _____ past consumption reveal _____ between _____ and _____ billings?
 _____ consumption _____ from before _____ expose _____ the previous _____ current rates.
 _____ consumption patterns from _____ show the _____ in _____ between _____ and _____.
 Revisiting consumption _____ can _____ in _____ between _____ and _____ rates.
 examining _____ patterns _____ before may show _____ differences _____ between the _____ current _____.
 _____ it _____ past consumption _____ would _____ different bills?
 _____ consumption patterns from before _____ in rates.
 _____ know _____ old consumption patterns _____ ones will show discrepancies _____ the _____?
 _____ patterns _____ before _____ differences in billing _____ the _____ recent rates.
 _____ it _____ to _____ and recent charges to _____ pricing.
 _____ before _____ reveal _____ differences between the _____ rates and the _____ the past.
 When revisiting _____ will _____ be _____ in billing _____ and new _____?
 Will _____ past _____ between old and _____ bills?
 _____ patterns expose billing _____ between _____ newer rates?
 _____ usage _____ evaluated, are _____ between previous and _____ rates?
 Can _____ and recent _____ an _____ pricing?
 _____ consumption patterns _____ expose _____ billing between _____ and _____ rates.
 _____ reviewing past _____ between old and _____ billings?
 _____ consumption patterns _____ discrepancies between the old and recent _____?
 Will _____ expose _____ discrepancies between the old _____ the current _____?

Re-examining ____ utilization patterns ____ differences ____ old ____ service charges.

Will ____ revisiting of consumption ____ lead ____ between ____ current rates?

____ revisiting of ____ patterns will ____ any ____ between the old ____.

Is ____ possible ____ disparities in previous ____ by analyzing usage ____?

____ utilization patterns can reveal ____ old and current ____.

Does ____ past ____ reveal contrast ____ old ____ current ____?

____ past usage ____ any ____ in charges ____ new ____ were ____?

Is it ____ to see discrepancies in ____ vs ____?

examining consumption ____ before ____ show differences ____ between the newer rates ____ recently.

____ are ____ discrepancies ____ consumption ____ versus current pricing changes.

____ possible to detect ____ previous and current ____ analyzing ____ patterns?

Is ____ possible to compare ____ consumption ____ show ____ billing ____ current rates?

Will ____ to previous consumption ____ show discrepancies ____?

examining consumption ____ from ____ can ____ billing ____ newer ____ and the ____ recently

____ the old ____ discrepancies in billing ____ have changed?

____ in ____ between older ____ rates will ____ when reviewing ____ patterns.

____ think the revisiting ____ consumption patterns ____ expose any ____ between the ____?

____ consumption patterns from before could ____ the differences ____ the ____ and the ____ implemented ____.

____ consumption patterns can show differences ____ older and ____ for ____.

Is ____ possible ____ prior consumption ____ see variations ____ billing rates?

____ you compare older ____ with recently ____ rates, you ____ billing structure.

There ____ between old and new ____ when ____ consumption ____.

____ there ____ differences ____ new rates when ____ consumption patterns?

Is it possible ____ patterns to reveal differences ____?

____ consumption ____ from before ____ differences in ____ rates and the ____ recently

Does ____ consumption patterns show ____ in billing ____ rates?

____ comparing previously used ____ implemented rates, ____ in billing?

____ reviewing past ____ contrast ____ and current billings?

Will ____ be discrepancies ____ old and ____ after ____ consumption patterns?

Reexamining consumption patterns ____ reveal ____ in ____ between ____ and ____ ones of the past

____ reviewing ____ behavior ____ recent changes in ____?

Will ____ of consumption patterns expose ____ the old ____ current ____?

Will the ____ of ____ expose ____ between old ____ rates?

Is ____ in ____ by comparing previously used ____ with ____ implemented ones?

Reexamining consumption patterns from before may ____ the ____ the ____ and ____.

____ revisiting ____ patterns reveal ____ in billing between ____ rates?

____ usage ____ differences in old ____ new billing ____?

Can retroactive ____ differences between ____ and ____ rates?

____ consumption habits might ____ billing ____ old ____ rates.

The revisiting ____ consumption ____ might ____ some ____ between the ____ recent ____.

____ scrutinizing past ____ as a result of recent ____?

Older ____ discrepancies ____ arise when ____ previous consumption ____ current pricing ____.

____ differences in ____ the previous ____ be ____ when examining consumption patterns from ____.

____ retroactive usage ____ to ____ in ____ and new ____ rates?

____ the ____ consumption ____ billing discrepancies due ____ new rates?

Will ____ revisiting of ____ any ____ between the old and ____?

Is ____ inconsistencies in ____ of usage ____ revised rates?

Changes ____ billing ____ the ____ may be ____ by examining ____ from before.

____ consumption patterns ____ before can ____ billing ____ the ____ and current ____.

____ to ____ previous ____ patterns to ____ differences between older and ____ implemented ____ for billing ____?

Will ____ past usage ____ bills and ____ generated after rate ____?

Is ____ possible to ____ between ____ and current ____ by ____ patterns.

____ consumption patterns from ____ could expose the ____ recently implemented rates.

Will ____ habits ____ discrepancies for old ____ rates?

Does ____ consumption ____ older or ____?

Will ____ revisit ____ consumption patterns show any ____ between the ____?

Alterations in ____ and ____ rates will ____ revisiting consumption patterns.

____ of ____ patterns ____ any discrepancies ____ the old and ____ rates?

____ consumption patterns ____ before ____ differences in ____ newer rates and ones ____.

Will analyzing ____ help detect ____ in ____ and ____ charges?

What if analyzing prior consumption could ____ new ____?

____ it ____ to uncover ____ charging old ____ when ____ previous consumption?

____ you mean ____ comparing ____ consumption ____ with ____ rates will show ____ the ____?

When older ____ are ____ new ____ do there be ____ billing?

____ patterns ____ show ____ rate between old and current ____.

____ possible to ____ differences ____ previously ____ and ____ implemented rates in ____?

____ expose differences in ____ between old and ____ rates?

Reexamining ____ patterns ____ may ____ in billing between ____ previous ____ rates.

Can ____ review of ____ reveal recent changes ____?

Will ____ re-interpretation ____ consumption patterns ____ any discrepancies ____ current rates?

____ consumption show any differences related ____ adjustments?

Is it ____ past ____ differences due to ____ adjustments?

examining ____ patterns ____ may ____ differences ____ billing ____ old and new ____

Does ____ past ____ reveal ____ that ____ different due ____ recent ____?

Changes in ____ between ____ be ____ examining consumption patterns ____ before.

____ from ____ show differences between old ____ current rates.

If comparing ____ consumption ____ new ____ will reveal discrepancies ____ the ____?

____ discrepancies ____ examining past ____ habits ____ current pricing changes?

Will the ____ show billing ____ old ____ new rates?

Does examining ____ patterns ____ differences ____ current ____ older ____?

____ comparing old ____ newer rates ____ reveal ____ in the billing ____?

The consumption ____ from before ____ the old ____ implemented rates.

____ analyzing prior ____ to ____ differences in ____ old ____ new ____?

examining consumption patterns ____ before ____ reveal ____ between ____ previous ____ rates.

____ comparing previously ____ versus recently implemented ____ there a ____ of ____?

____ consumption ____ from before may ____ the ____ in ____ between ____ and ____ of the past

____ you ____ consumption patterns with recent rates ____ show any discrepancies ____?

Will ____ past spending find changes ____ old ____?

Does ____ past consumption reveal ____ between ____ billings?

____ it ____ find differences in ____ under old/new ____ with ____ data?

Reexamining consumption ____ can ____ differences in rate between ____.

Reexamining ____ from before ____ the difference ____ rates.

Reexamining ____ patterns ____ show differences in ____ older and ____.

____ analyzing ____ show billing discrepancies compared ____ rates?

examining ____ before may ____ the ____ old and ____ rates.

Do ____ comparing ____ with ____ rates will reveal any discrepancies?

Historical ____ patterns can ____ to ____ differences between ____ old ____ current ____.

Can ____ usage ____ in the ____ new ____ rates?

If comparing old ____ patterns with current ____ billing structure?

Reexamining ____ usage patterns ____ billing between ____ and ____ structures.

Is it possible _____ review previous consumer _____ to _____?

_____ the revisiting of _____ patterns reveal _____ between _____ rates _____ the past?

_____ utilization _____ can _____ differences between old _____ charges.

_____ analyzing past consumption levels _____ billing _____?

_____ past _____ show any different charges since _____ been _____?

_____ consumption patterns _____ any discrepancies between the _____ recent _____?

_____ previously used versus _____ rates, is there a _____ of _____?

Changing consumption patterns _____ may show _____ in billing _____ rates and the _____ past.

Differences in _____ between _____ may be exposed by _____ consumption _____.

_____ in billing _____ old _____ implemented _____ may be exposed by examining _____ patterns _____.

_____ historical _____ is examined, _____ and _____ rates differ?

Can _____ review _____ consumer behavior show _____ in _____?

Will _____ revisiting of _____ patterns _____ any discrepancies _____ used _____ and the _____ of the _____?

_____ past _____ patterns might reveal differences _____ older and _____ rate _____.

Is _____ patterns _____ show _____ variations for older and _____ rates?

Rate _____ old and currently _____ rates may _____ examining _____ patterns _____ before.

_____ previously _____ versus _____ is there _____ possibility _____ identifying differences in billing?

_____ past consumption _____ older _____ recent _____?

Revisiting _____ will expose the _____ and _____ rates.

The _____ older and _____ tariffs _____ exposed _____ an _____ spending tendencies were _____ be done.

_____ consumption reveal _____ old and current charges?

examining consumption patterns _____ may _____ billing between _____ rates _____ ones _____ the past

Reexamining _____ patterns from _____ in billing between the _____ rates _____ ones.

_____ reveal _____ old _____ current billings?

Older billing discrepancies _____ looking _____ habits versus _____ pricing _____.

_____ you think comparing consumption _____ with _____ rates _____ in the billing _____?

_____ possible that _____ older _____ usage against _____ rates are _____ consistent?

_____ old consumption patterns _____ recent rates _____ show discrepancies _____ the _____.

Will _____ reveal _____ in billing _____ and new rates?

Will _____ past _____ changes between old _____ bills?

Will the _____ consumption _____ expose any discrepancies between _____ rates _____ past _____?

examining consumption patterns _____ differences between the _____ and _____ rates

_____ differences in _____ and new prices could _____ done by _____.

Do you _____ comparing _____ patterns _____ recently implemented _____ show _____ discrepancies in the billing _____?

_____ that _____ discrepancies between the _____ used and _____ in the past?

Reexamining consumption patterns _____ before can _____ differences _____ billing _____ the ones implemented _____.

_____ trends are _____ to _____ tariffs, _____ billing _____ exist?

_____ analyzing past usage _____ differences _____ bills and those generated _____?

Will _____ be differences _____ between _____ and new _____ consumption patterns?

_____ there a chance _____ previously used rates with _____ rates?

examining consumption _____ may expose _____ differences in rate between _____

_____ consumption patterns _____ before _____ in billing between _____ and current _____

_____ consumption patterns from _____ expose _____ the _____ rates and the ones _____ the _____.

_____ consumption _____ going to expose any _____ between the _____ current rates?

_____ patterns _____ the _____ in _____ between the _____ and the ones of the past

examining _____ patterns _____ before _____ expose the _____ billing between the newer _____ old _____.

Is _____ to _____ and current charges _____ revisiting past habits?

There will be _____ old and _____ if you _____ patterns.

Are there differences _____ consumption records _____ the bills calculated using recently enforced _____?

Can _____ previous _____ patterns to find differences _____ older and _____?

_____ reverting _____ old _____ show _____ discrepancies _____ the new rates?
 _____ older consumption _____ with recently _____ will there _____ discrepancies in _____ billing _____?
 Reexamining consumption _____ could show _____ in _____ between _____ and _____ rates.
 Will _____ be _____ to find billing discrepancies _____ old _____?
 _____ is _____ do there differences _____ previous _____ recent _____ rates?
 _____ patterns from before _____ reveal the _____ billing _____ the _____ recently _____ rates.
 Will _____ old bills and newer ones?
 Do you think _____ of consumption _____ will show _____ between _____ current _____?
 _____ habits _____ current pricing changes, do _____ billing discrepancies _____?
 _____ it _____ that _____ patterns _____ usage _____ against revised _____ in bills?
 Is _____ possible to uncover _____ in _____ recently _____ rates?
 Can retroactive _____ reveal _____ new charges?
 _____ possible to identify differences in _____ rates _____ consumption patterns?
 _____ revisiting _____ consumption _____ show any discrepancies between _____ and recent _____?
 Will _____ past usage _____ older and _____ bills?
 Reexamining consumption patterns _____ show _____ in billing _____ newer rates _____ the _____ implemented recently.
 _____ possible _____ find _____ billing between _____ used rates _____ implemented ones?
 _____ there _____ between _____ bills _____ older consumption records compared _____ the _____ with _____ enforced rates?
 Does _____ past _____ show _____ old _____ current billing?
 _____ analyzing _____ usage _____ there _____ in _____ and current charges?
 The consumption patterns _____ before _____ the _____ in the _____.
 _____ consumption _____ reveal differences _____ between the old _____ recently _____ rates.
 _____ from before _____ show the differences _____ old and _____ rates.
 If _____ consumption _____ with recently implemented rates _____ any _____?
 Can we detect _____ and _____ charges _____ analyzing _____ patterns?
 _____ may expose the differences in billing between the _____ rates.
 _____ the revisiting _____ consumption _____ going to _____ discrepancies between _____ rates?
 Will the _____ consumption _____ expose _____ between _____ old and _____ rates?
 Can _____ divergences in old and _____ billing _____?
 Reexamining _____ before may show _____ rate between old and _____.
 _____ possible _____ old and newer bills after _____ past usage?
 Will _____ revisiting of _____ patterns expose _____ recent rates?
 _____ consumption _____ billing discrepancies for old _____ rates?
 _____ consumption patterns from before _____ differences in _____ the _____ and _____ rates.
 _____ consumption patterns _____ before _____ the differences in _____ the previous and _____.
 _____ older vs. recent billing _____?
 _____ know _____ comparing _____ patterns with recently implemented _____ show _____ discrepancies?
 _____ find _____ older bills and those _____ recent rate changes?
 _____ reviewing past _____ revealing differences between old _____?
 Are there _____ for _____ new when analyzing _____?
 Can past usage _____ disparity _____ since _____ rates _____ applied?
 _____ at _____ patterns from before may _____ differences in _____.
 _____ compare old _____ patterns with _____ rates _____ see if _____ are discrepancies in _____?
 _____ it _____ discover _____ in charging old and _____ prices _____ prior _____?
 _____ consumption pattern _____ differences in billing _____ old _____ rates?
 If comparing _____ consumption _____ will _____ any discrepancies in the _____?
 Is there a _____ old and _____ previous usage?
 _____ usage show differences between _____ and _____?
 _____ there _____ discrepancies _____ the old and _____ when _____ consumption patterns are _____?
 If comparing _____ patterns _____ rates will reveal discrepancies in _____?

consumption patterns from _____ in rate between _____ implemented rates

Will _____ patterns _____ in _____ the old and _____ rates?

_____ past _____ reveal _____ between old _____ new bills?

_____ comparing consumption patterns would show _____ in billing for _____ and _____?

_____ consumption _____ from before can _____ billing between the _____ and _____ ones implemented _____

_____ of consumption _____ reveal any discrepancies between the rates _____ rates in _____ past.

_____ consumption _____ may show _____ billing _____ the _____ rates and ones implemented _____

Is _____ possible _____ comparing past _____ show _____ bills for older _____ rates?

Will there be _____ discrepancies between the old _____ the _____ are _____?

Older _____ trends are compared _____ there _____ in billing?

Is there _____ the bills comparing _____ patterns of _____ against _____?

_____ there any _____ generated using older consumption _____ to _____ calculated with _____ enforced rates?

examining consumption patterns _____ before can _____ differences _____ the old _____ rates

_____ of previous consumer _____ changes in _____ under _____ rates?

Is _____ possible to detect _____ and current charges by _____?

The _____ from _____ may _____ in the previous and _____ rates.

_____ the _____ of consumption _____ cause _____ between the _____ and recent _____?

_____ there be discrepancies in _____ as a _____ of _____ to _____?

_____ consumption patterns _____ in _____ old and newer rates?

Can past usage show any _____ charges since _____ rates _____?

If you compare older _____ patterns _____ there be _____ discrepancies _____ the billing _____?

_____ patterns _____ differences _____ between _____ old and recently implemented rates.

Will _____ any discrepancies _____ the old and recent rates?

Will the _____ consumption patterns _____ discrepancies _____ the rates the _____ current?

Does _____ past _____ show _____ a _____ of recent rate _____?

_____ there _____ discrepancies between _____ when the consumption patterns _____ reexamined?

examining _____ patterns from before may _____ differences in _____ the previous _____

Will _____ revisiting of consumption _____ any discrepancies _____ recently used and _____?

Is _____ possible _____ in _____ when comparing _____ used _____ recently _____ rates?

_____ consumption patterns _____ before may show differences _____ billing between _____ rates.

Reexamining _____ patterns _____ before could _____ differences _____ and recently _____ rates.

_____ could _____ the differences in billing _____ the _____ and recently implemented _____

Is _____ possible to _____ between previously used _____ implemented ones?

Does _____ of _____ consumer behavior _____ changes _____ billing?

_____ charging _____ prices could be discovered by analyzing prior _____.

_____ possible to explore prior consumption _____ to see _____ there _____ any _____ in _____ rates?

Will _____ of _____ any discrepancies between _____ and current _____?

Will _____ consumption patterns _____ differences between _____ old _____ newer _____?

_____ historical _____ patterns _____ divergences _____ old and _____ service charges.

_____ reexamined consumption patterns _____ the old and current _____?

Older _____ can _____ up when _____ habits _____ pricing changes.

Will _____ patterns _____ differences _____ between old _____ newer rates?

Can retroactive _____ in older and _____ rates?

_____ it possible for _____ reveal _____ between old and new _____?

The consumption patterns from _____ the _____ between _____ and now.

Will reviewing consumption _____ older and newer rates?

_____ there any difference between the bills _____ using _____ consumption _____ ones calculated _____?

Can you _____ pricing when comparing _____ charges?

Will _____ revisit _____ consumption _____ show any _____ between the _____ recent _____?

Can _____ previous and _____ changes?

Is the ____ of ____ patterns going to show any ____ between ____ ____ ____ ____ ?

Revisiting ____ ____ ____ expose discrepancies ____ billing between ____ and ____ rates.

Is it possible to ____ discrepancies in ____ ____ ____ charges ____ ____ ____ usage ____ ?

examining consumption patterns ____ before ____ ____ ____ differences between ____ ____ ____ rates ____ ____ ____ ones of ____ past

Reexamining ____ patterns can ____ the ____ between ____ ____ and ____ rates.

Will ____ ____ of consumption ____ uncover any ____ between ____ ____ ____ recent rates?

Will revisiting ____ ____ ____ old and ____ billing ____ ?

____ of historical ____ habits ____ show ____ ____ for ____ compared ____ new rates.

The ____ ____ of ____ ____ may ____ the ____ ____ ____ between the newer rates.

____ ____ be differences ____ billing ____ older ____ ____ ____ you revisit past consumption patterns.

____ consumption ____ ____ ____ may ____ billing differences between the ____ and ____ implemented ____.

____ ____ ____ consumption ____ differences ____ to recent rate adjustments?

____ ____ consumption patterns expose differences in billing ____ old ____ ____ ____ ?

Older ____ ____ can ____ when ____ consumption habits versus ____ pricing ____.

____ there be ____ in billing ____ ____ and ____ rates ____ ____ past ____ patterns?

Looking at ____ patterns from before ____ ____ ____ differences ____ ____ between ____ ____ rates ____ the ones ____ recently.

____ consumption patterns from before ____ show the differences ____ ____ between the newer ____ ____ ____ ____ implemented ____.

Is ____ possible to examine previous ____ patterns to ____ ____ ____ ____ ?

____ ____ ____ from before ____ show the differences ____ ____ old and ____ rates.

____ consumption patterns from ____ ____ ____ the differences ____ ____ and ____ rates.

____ ____ ____ identify differences in billing ____ ____ previously ____ rates with ____ ones?

____ ____ ____ to ____ ____ prior ____ patterns ____ see differences in billing rates?

If ____ ____ patterns with ____ implemented ____ will ____ any discrepancies in ____ ____ ____ ?

Will ____ ____ ____ patterns show any ____ ____ the ____ and current rates.

Historical consumption ____ ____ ____ ____ between old and new ____.

Can ____ ____ show ____ ____ old vs. ____ billing rates?

Is it ____ to explore prior consumption ____ to see ____ ____ are any ____ ____ billing ____ ____ ____ rates?

Reexamining ____ ____ from before may reveal ____ ____ ____ old and ____ ones.

____ ____ ____ previous consumption patterns ____ find ____ in older and recently ____ ____ ?

____ ____ patterns from before ____ ____ ____ differences in billing between ____ newer rates ____ ____ ____ recently.

____ ____ ____ habits reveal ____ discrepancies for old ____ new?

____ consumption patterns may ____ ____ differences in ____ ____ old and ____ ____.

Reexamining consumption ____ from ____ ____ show the differences in ____ between ____ old ____ ____ ____ ____.

Differences ____ billing ____ older and current ____ will ____ exposed ____ ____ ____ ____ consumption patterns.

Is it ____ ____ ____ discrepancies ____ billing from going ____ ____ old ____ habits?

Reexamining ____ patterns from ____ ____ show ____ ____ ____ the newer rates and ____ implemented ____.

____ ____ ____ of ____ disparity ____ ____ and current charges by ____ past usage patterns?

Going back to ____ ____ habits will ____ discrepancies ____ ____ ____.

Older billing ____ ____ ____ examining ____ habits ____ current pricing ____.

Reexamining past ____ patterns ____ show ____ ____ ____ older and more ____ ____ structures.

____ ____ ____ consumption ____ show any ____ ____ old and current rates?

When ____ ____ ____ versus ____ changes, ____ ____ billing discrepancies arise?

____ ____ scrutinizing ____ ____ reveal ____ ____ due to ____ rate changes?

____ ____ ____ previously used rates with ____ implemented ____ ____ ____ ____ possibility of ____ discrepancies?
