

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Rust developing on car body
Inquiry Sub-Category	Rust-related product recommendations
Description	Customers seek recommendations for high-quality rust prevention or repair products, such as rust inhibitors, primers, paints, or undercoatings, to protect or fix their car's body from rust.
Data Size	8,047 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Could you _____ on _____ type of coating would _____ preventing new _____ surface oxidation?

_____ of coating _____ against oxidation?

Which _____ the most _____ stopping surface _____?

_____ any _____ on _____ layer _____ the best _____ rusting?

_____ know _____ layer _____ the _____ against future rusting?

_____ a long lasting coating _____

Is _____ layer _____ is _____ against future rusting?

Can you _____ protective _____ I should use _____ prevent _____ issues?

_____ what the _____ effective coating is _____ stopping _____.

_____ coating is needed to _____ surface _____?

Which _____ surface _____ from _____?

_____ we apply _____ coating?

Which type _____ coating is the _____ to _____ surface _____ the _____?

Which coating would _____ effect _____ rust?

I would _____ if you could _____ to prevent _____ in my _____.

_____ I suggest the best _____ surface _____?

_____ is _____ to stop oxidation?

_____ have the right _____ to _____ ugly oxidation _____ my _____?

Do _____ any _____ coating works best against _____ oxidation?

_____ would like _____ you can _____ coating that _____ prevent oxidation.

The ugly oxidization on my _____ what _____ it?

_____ there a _____ covering _____ suggest _____ to _____ my _____ from further oxidation?

_____ coating _____ best in _____ oxidation?

_____ tell _____ coating to _____ the surface oxide from forming.

Which type of coating _____ the _____ stopping _____?

_____ tell me _____ there is a _____ surface oxidation?

The best protective _____?

Should I ask _____ coating _____ against oxidation?

Do you _____ type of _____ would _____ in _____ new _____ surface oxidation?

_____ wondering _____ of _____ works to prevent surface _____.

_____ coating is _____ oxidation?

Your expertise _____ a top-notch coating that prevents _____ oxidation _____ be _____ by _____.

Which _____ is the _____ efficient _____?

Need _____ recommendation _____ best _____ coating.

Is _____ coat _____ could _____ would prevent further _____ oxidation?

Which _____ coating is _____ best _____ surface _____ in _____ future?

I would _____ it _____ recommend _____ coating that prevents future _____.

Which protective layer is _____ at _____?

I _____ advice _____ anti-oxidation coating.

_____ appreciate it if _____ suggested _____ coating _____ prevent oxidation.

_____ like _____ know which _____ works _____ against _____ impacts.

Do _____ know the _____ use _____ oxidation?

I need to _____ which _____ works _____ the surface.

Which type of _____ is the _____ preventing _____?

Are _____ on how to seal out _____?

Any _____ an _____ coating?

To _____ suggest the best _____.

What type _____ coating _____ oxidation?

Would it _____ possible for _____ recommend _____ way to protect _____?

What's the best _____ to fight _____ oxidation _____?

_____ coating to _____ the surface?

I don't know _____ is _____ surface oxidation.

Which _____ is _____ stopping _____?

_____ want _____ know which _____ is best to _____.

Which _____ coating _____ at _____ surface oxidation?

_____ coating to prevent oxidation.

Can you _____ that _____ not _____ surface oxidation?

_____ that helps stop oxidation?

_____ is the _____ efficient at stopping _____ on _____?

Got _____ knowledge of _____ a _____?

I _____ advice _____ type of _____ would be _____ effective _____ preventing _____.

_____ layer is _____ in _____ oxidation?

_____ coating stops oxidation _____ best?

_____ coating _____ best _____ protecting against _____ rust?

I am _____ to _____ which _____ option is best _____ surface _____.

_____ have _____ about which coating option is best _____.

Do you _____ a _____ coating _____ help prevent oxidation?

Hey, _____ on which protective _____ against _____ rusting?

I _____ on _____ oxidation issues.

_____ it _____ to _____ surface oxidation, which type of coating is _____?

Can _____ about a coat that _____ surface _____?

_____ me what the most efficient coating _____.

I want to know what _____ prevent _____ on _____ surface.

_____ there a type of _____ surface oxidation?

Any _____ protective layer _____ against future rust?

_____ you _____ me about _____ best _____ of coating _____ use _____ issues?

Which _____ blocks _____?

_____ a _____ anticorrosive coating.

I _____ it if _____ recommended _____ coating to _____ cases of _____.
 _____ want _____ type of _____ is most _____ preventing oxidation.
 I _____ to _____ coating would be _____ effective _____ protecting _____ from oxidation.
 Can _____ a way to _____ oxidation?
 I _____ know _____ a _____ of coating could _____ prevent surface _____.
 Is _____ type _____ coating _____ would prevent more oxidation?
 Can _____ me _____ idea of _____ type of coating would _____ oxidation?
 _____ protects surface _____ oxidation?
 I _____ like _____ effective anti-oxidation coating would _____ like.
 I was _____ there _____ type of _____ would help _____ oxidation.
 Is it _____ you to suggest _____ most _____ way of _____?
 Would it be _____ you _____ offer _____ most _____ to _____ against _____ oxidation?
 _____ coating to fight _____ ugly oxidization _____ my surface?
 Is there a _____ oxidation?
 _____ like to know _____ coating _____ best against _____.
 _____ would _____ your recommendation of _____ top-notch _____ that would prevent _____.
 _____ interested in _____ type of _____ effective in preventing oxidation.
 _____ you know _____ best _____ prevent surface oxidation is _____?
 _____ advice on an _____ coating.
 _____ to prevent surface oxidation?
 _____ the _____ oxidation best?
 Are you able to tell _____ about _____ best type _____ issues?
 Would you _____ the _____ type _____ coating _____ rust?
 _____ tell me about _____ type of _____ keep _____ from forming.
 _____ there _____ good type _____ coating _____ prevent _____ rust?
 I _____ wondering if you could _____ surface rust.
 _____ need _____ advice _____ which coating is _____ surface oxidation.
 _____ me _____ the most _____ coating _____ stop _____.
 _____ an _____ anti-oxidation coating _____?
 _____ would _____ to know _____ opinion of _____ future cases of oxidation.
 Can you _____ me _____ best _____ coating is _____ oxidation _____?
 _____ a coat _____ prevent _____ surface _____?
 _____ thoughts _____ which layer _____ against future _____?
 _____ of coating _____ best _____ oxidation?
 The best _____ to _____ oxidation _____?
 Can _____ coat that will _____ surface oxidation?
 I _____ advice on _____ coating works _____ against fresh _____.
 _____ want to know about the best type _____ oxidation _____.
 _____ which coat will prevent _____ vehicle _____ getting _____ again.
 Can you tell _____ the _____?
 _____ like _____ know _____ type _____ coating _____ be more effective in _____.
 _____ the most effective coating _____ oxidation.
 _____ coating works _____ to prevent surface _____?
 Is _____ specific protective covering _____ use _____ avoid _____ on _____ vehicle's surface?
 _____ oxidation most?
 Can you _____ coat that _____ surface oxidation?
 Can _____ me about a _____ coating _____ help protect _____ surface?
 _____ get _____ recommendation on _____ anticorrosive coating.
 _____ best type of coating _____ preventing _____ rust?
 _____ advise me _____ which _____ to minimize oxidation.

_____ anyone _____ an effective _____ coating _____ surfaces?

I _____ to know _____ works best _____ oxidation.

Can you _____ a _____ not _____ oxidation in the _____?

Is there _____ will stop _____?

Which _____ of coating _____ more _____ blocking _____?

_____ like _____ recommend a top-notch coating that can _____ future _____.

_____ a _____ on _____ great _____ coating.

What _____ layer _____ the most _____ on surfaces?

_____ you have any _____ on _____ is the best against _____?

Should _____ coating to stop _____?

Can _____ the _____ to _____ the surface?

If _____ prevent new instances _____ type of coating would _____ most effective?

_____ able _____ choose a coating against _____ oxidation?

Can _____ know about _____ type _____ protective coating _____ prevent oxidation _____?

_____ of _____ most effective _____ oxidation?

_____ to know the best type of _____ for _____.

Can _____ suggest a _____ protect the _____?

_____ am wondering _____ coat will keep my _____ getting _____.

_____ surface oxidation best?

Can _____ suggest _____ coat _____ the _____ from _____ oxidation?

_____ like to _____ if you recommend _____ that would _____ prevent _____.

Which coating _____ the best _____ surface rust?

Need _____ anticorrosive coating.

Is it possible _____ most effective way _____ against new instances _____?

_____ there _____ on which coating _____ best against _____?

Which _____ would _____ best against fresh _____?

Can you tell _____ which coating _____ best _____?

What is _____ best protective _____ to _____ avoid oxidation _____?

Which coat will prevent _____ oxidation _____?

I _____ to _____ which _____ the _____ against _____ impacts.

Which _____ is _____ protecting against oxidation?

I _____ to know _____ a _____ covering that I can use to _____ of _____ my vehicle ' _____

_____ coating best _____ surface?

_____ to know which _____ of _____ most effective in _____ my _____.

Can you please recommend the _____ type _____ to _____?

Which _____ most _____ avoiding oxidation on surfaces?

Can you tell _____ coating _____ work _____ against _____?

_____ want _____ what type _____ coating works _____ stop _____ oxidation.

I need _____ on how _____ that will _____ cases of oxidation.

Can _____ recommend a _____ coating _____ will _____ surface _____?

Which _____ would be _____ best for _____ surface _____?

Is _____ to use _____ new oxidation?

_____ it _____ to _____ paint _____ won't rust?

Do _____ know what _____ most effective against _____?

Can _____ coating _____ doesn't allow rust _____ back?

_____ me about _____ best type of protective _____.

Can _____ recommend _____ coating _____ oxidation _____?

_____ want _____ know _____ of coating _____ most effective _____ new oxidation.

Please _____ right kind _____ coating to _____ surface _____ formation.

_____ type of coating _____ in _____ oxidation on _____ surface?

_____ a coat to _____ surface oxidation?

What kind _____ coating _____ to combat _____?

Can _____ tell _____ what type _____ protective coating _____?

Can you _____ the _____ works best _____ oxidation?

_____ I _____ advice about which _____ works _____ against _____?

_____ able _____ the best coating _____ prevent oxidation?

_____ there a protective covering you _____ use _____ avoid _____ on _____ surfaces?

Which _____ oxidation from happening?

_____ coating a good _____?

_____ a _____ won't let the edges spot with _____?

_____ tell _____ the best coating to _____?

Should _____ an anti-oxidation _____?

I _____ like to know if _____ a top-notch coating _____ of _____.

What _____ best coating to _____ surface _____ oxidization?

_____ you know what _____ of coating _____ to _____ my _____ of oxidation?

_____ need _____ suggestion _____ seal out oxidization on the _____.

_____ like _____ which _____ coating _____ be _____ effective _____ preventing new _____ of oxidation.

I am _____ the most effective coating to prevent oxidation _____.

_____ have a _____ for protecting _____ from _____?

I _____ your _____ a top-notch coating _____ will _____ future _____ oxidation.

_____ effective in avoiding oxidation?

Can _____ recommend a _____ prevent _____ in the _____?

_____ of _____ are most effective _____ surface _____?

_____ it _____ recommend _____ optimum anti-rust _____?

Which _____ of _____ surface oxidation?

What _____ layer is _____ effective at preventing _____?

_____ coating _____ the most effective against _____?

_____ you tell me _____ the _____ option _____ surface oxidation?

Do _____ suggest the _____ oxidation?

Can you _____ the _____ type _____ for protecting _____?

_____ type of _____ can _____ prevent _____?

What _____ the _____ to _____ oxidization _____ my surface?

Can you _____ coating that doesn't _____ the _____?

Please _____ about _____ right _____ prevent future surface _____ formation.

Is _____ a _____ that _____ prevent _____ surface _____?

_____ to offer _____ anti-rust coating?

Do _____ know _____ an _____ is for surfaces?

_____ you _____ advice on an anti-oxidation _____?

What's _____ way to _____ off oxidation _____ the _____?

Do _____ know _____ kind _____ stops new rusty _____?

_____ I use _____ coating _____ surface _____?

Which coat is _____ efficient _____?

Can you _____ coating works _____ oxidation?

I _____ like _____ know _____ you recommend a top-notch _____ will _____.

_____ a _____ what kind _____ stops new rusty _____?

Can _____ us about _____ that would prevent _____ surface _____?

_____ there a coating I _____ to _____ ugly oxidation _____ my _____?

_____ coating is _____ most effective at _____ surface _____?

Which _____ of _____ is most _____ in _____?

_____ type of coating _____ to _____?

Tell ____ what the ____ effective coat is ____ .

What is ____ to stop ____ ?

Which coating ____ best?

____ best for surface ____ ?

____ recommendation ____ great ____ coating.

____ of coat is ____ most effective ____ oxidation?

What is the ____ oxidation?

____ surface ____ please advise on the ____ coating.

Which ____ of ____ stops ____ ?

____ a ____ covering ____ use to ____ surfaces from further rusting or oxidization?

____ the most effective in ____ oxidization?

Which coat ____ at preventing ____ ?

Are ____ any ____ on how ____ out oxidation ____ ?

Is ____ best ____ to prevent ____ .

Could you ____ type of ____ would help ____ the surface ____ ?

____ kind of ____ to be ____ stop oxidation?

Can ____ any ____ on anti-oxidation ____ ?

Need ____ the ____ anticorrosive coating.

What is the ____ oxidation from happening ____ ?

____ protective coat ____ best?

____ need advice ____ which coating ____ against ____ impact.

____ want ____ know what ____ is ____ future rusting.

What's ____ best ____ keep ____ from ____ again?

Which ____ is most effective ____ surface ____ ?

Which ____ of ____ effective ____ preventing surface ____ now and in the ____ ?

I ____ know ____ the ____ works best ____ impacts.

____ for the ____ which coating option is ____ to ____ .

____ recommend a coat ____ not cause further ____ ?

Which type ____ coating ____ oxidation?

Would ____ be possible ____ best way to ____ against ____ ?

____ you ____ the most ____ way ____ protect ____ surface ____ ?

Please tell me ____ coating ____ prevent future ____ oxide ____ .

____ you know which type ____ coating would ____ in preventing ____ ?

Can anyone ____ me what type ____ will ____ car ____ oxidation?

Is there a coat ____ be used ____ surface ____ ?

Which ____ works best ____ the surface?

What kind ____ stops ____ rusty ____ appearing?

I ____ like ____ know ____ of coating would be the most ____ .

____ you ____ the ____ anti-rust ____ ?

Can ____ recommend ____ best ____ on the vehicle?

____ know which ____ of coating ____ most effective ____ surface oxidation.

____ me which coating ____ the most ____ oxidation.

There's a ____ about ____ of ____ will prevent ____ .

____ me what the most ____ coating is ____ .

____ we suggest ____ coating for ____ surface?

____ kind ____ coating ____ to fight ____ ugly ____ on my surface?

I ____ appreciate ____ top-notch coating ____ prevent future cases of oxidation.

Problem: ____ anticorrosive coating.

____ you ____ which coating ____ to use against ____ ?

Is it ____ recommend ____ coating ____ would ____ more oxidation?

Does ____ know ____ to ____ protective coating ____ fight ____ spots?

Is ____ a ____ coating ____ preventing ____?

____ you recommend ____ type of protective coating for ____?

____ for an ____ coating?

____ want to ____ can ____ the best type ____ coating for ____ surface ____.

____ any ____ on ____ an anti-oxidation ____?

Which protective layer ____ efficient ____ oxidation out?

____ able to ____ ideal ____ coating?

Which ____ protects ____ from ____?

____ me what you ____ the ____ coating ____ stop ____.

____ type of ____ is ____ oxidation?

Should ____ effective ____ for the surfaces?

I need ____ with ____ works ____ against ____ impacts.

I'd ____ to ____ of coating would prevent new ____ surface ____.

____ like ____ know ____ type of coating would ____ most effective ____ stopping ____.

____ you tell me about ____ coating ____ preventing rust?

____ type of ____ most ____ it comes to protecting ____?

Is ____ best ____ of coating for ____ surface ____.

I want ____ coating ____ against oxidation.

____ is the ____ effective in ____ oxidation ____?

Which ____ of coating ____?

____ there a ____ that protects ____?

____ is ____ against future rusting?

____ which type ____ effective in preventing new instances of oxidation.

Can you point ____ type ____ coating ____ preventing oxidation issues?

____ coating ____ best against oxidation ____?

Do ____ know ____ coating ____ oxidation?

Which ____ the best?

Discuss which protective ____ is the ____?

____ it ____ to ____ surface oxidation using ____ coating?

____ don't know ____ the right ____ to ____ off ____ oxidation ____ surface.

____ to know what coating works best ____.

____ like to know what ____ is for surfaces.

Is it ____ could suggest the most ____ way ____ against ____?

____ there a best type ____ coating ____ preventing ____?

____ me, ____ is ____ effective ____ for stopping oxidation?

Is ____ protective covering ____ use to ____ further rusting ____ vehicle's surfaces?

____ know ____ a coating ____ prevents ____?

____ what coating option is best to ____ oxidation?

I need a suggestion ____ on surfaces.

____ would ____ to know which type ____ be best ____ preventing ____.

____ about ____ best ____ to ____ oxidation.

I want ____ know ____ best ____ of coating ____ oxidation ____.

What is ____ best ____ to prevent ____?

____ of coating ____ at preserving the surface?

____ you ____ anything about the best type ____ coating ____ oxidation ____?

____ about ____ to stop oxidation

____ it be possible ____ offer ____ most effective way ____ oxidation?

____ a ____ that stops surface ____?

In regards to preventing _____ surface oxidation, which type _____ effective?

Do _____ have any _____ what kind of _____ I _____ to _____ from oxidation?

Are _____ that protects future _____?

Need recommendation _____ top-notch _____.

What _____ of _____ should _____ prevent oxidation?

_____ of _____ prevent oxidation?

_____ would like to know _____ you _____ recommend _____ coating _____ would _____ future _____ of _____.

What is _____ to _____ oxidation?

Which type of coating _____ best _____ oxidation _____?

_____ to _____ best type of coating for _____ oxidation _____.

_____ kind _____ use to stop oxidation?

Does _____ make sense _____ a coat to _____ oxidization?

I would _____ if _____ recommend _____ top-notch coating _____ prevent future _____.

_____ would _____ to _____ type of coating _____ be _____ at preventing new _____ of _____ oxidation.

What _____ works _____ protect the _____?

I _____ you to recommend _____ that protects against _____ cases _____.

_____ for suggestions _____ an _____ coating for _____.

Can you _____ a _____ of _____ that would help _____ oxidation _____?

Which type _____ coating _____ best _____ preventing surface oxidation _____ the _____?

Tell me _____ coating _____ prevent oxidation.

Which coat _____ the _____ keeping oxidization _____ a _____?

_____ coating _____ the _____ to stop _____ rust?

Which coat is the _____ comes _____ oxidization?

What _____ coating to keep _____ oxidation _____ again?

Is _____ advice for _____ anti-oxidation _____?

Can _____ recommend _____ type _____ coating?

_____ your advice _____ which type of _____ the most effective _____ oxidation.

_____ were any effective anti-oxidation coating, _____ it _____?

What _____ of coating _____ oxidation?

_____ want _____ know which _____ protect my vehicle from _____.

Which _____ of _____ most efficient _____ oxidation?

_____ coat _____ the surface _____?

_____ coating that _____ best _____ surface oxidation?

Please suggest the _____ type _____ coating to _____ oxide _____.

_____ you tell _____ appropriate anti-rust _____?

Is _____ better _____ to _____ from happening again?

Can _____ me about the best _____ to _____?

_____ would like to know _____ you can _____ coating that _____.

What _____ best _____ oxidation on the surface?

_____ better _____ of coating that _____ surface rust?

_____ would like to know _____ type of _____ prevent _____.

_____ tell me what _____ is best _____ oxide formation.

_____ be _____ anti-oxidation coating for _____?

_____ protects surface oxidation?

Do you know _____ kind _____ should use to _____ my _____ oxidation?

_____ coating _____ most effective _____ fighting surface oxidation?

Can _____ be recommended to prevent _____?

Where can I find _____ coating _____?

_____ want to _____ the best _____ protective _____ for preventing _____ issues.

_____ appreciate _____ you could _____ top-notch _____ that will prevent _____ of oxidation.

_____ a good anti-oxidation _____ for _____?

_____ recommendation _____ anticorrosive coatings.

I'm _____ coat will prevent _____ getting _____ again.

Which _____ coating would be _____ effective _____ surface oxidation?

Can _____ give me a _____ on _____ type _____ that would _____?

_____ of _____ is needed _____ prevent _____?

_____ protective _____ best?

Can you tell _____ which _____ will stop _____ vehicle _____?

_____ you _____ the best _____ prevent _____ of _____ vehicle?

 Where is the _____ layer _____ oxidation?
 Tell me the _____ coating _____.
 _____ coating that _____ future oxidation?
 _____ there any good _____ that _____ surface oxide _____ again?
 _____ there _____ who can pick _____ protective coating _____ rust _____?

Can _____ tell _____ will prevent _____ vehicle from _____ oxidation _____?

_____ you _____ optimal anti-rust _____?

Please _____ me _____ the _____ coating to stop _____ surface _____ formation.

_____ is the best _____ the oxidation _____ surface?

Which _____ to prevent _____?

_____ I want _____ to _____ a _____ coating to _____ cases _____ oxidation.

_____ if you could recommend _____ best _____ of _____ for _____ rust.

_____ have a _____ regarding _____ coating _____ best against _____ surface _____.

_____ there any _____ about _____ coating?

What _____ stops _____?

_____ there a sealant that _____ edges _____ crap _____ you can _____?

_____ kind of _____ is _____ effective _____?

_____ want _____ know _____ I _____ to stop oxidation.

_____ coating for _____.

_____ be an effective _____ if there were _____?

Is there a specific _____ covering _____ further _____ rusting or oxidization _____ my vehicle's surfaces?

_____ in _____ advice on _____ coating option is best to _____.

You _____ recommend _____ coating.

_____ recommendation _____ best _____ corrosive coating.

_____ you help me find the _____ protective _____ for preventing _____?

_____ what _____ most effective coating _____ stop oxidation

_____ coat prevents _____?

_____ you know what _____ coating _____ prevent oxidation?

_____ you recommend a _____ won't _____?

_____ the _____ of the surface?

_____ prevents _____ best?

_____ specific coating that _____ oxidation?

_____ kind _____ coating _____ should use to protect _____ car's surface from _____?

_____ need a suggestion _____ to _____ oxidation _____ the surface.

_____ of coating protects _____ oxidation now and _____ future?

_____ coating is best _____?

_____ me if a _____ would prevent _____ surface _____?

If _____ exist, _____ be _____ effective _____ coating _____ surfaces?

_____ coating _____ surface oxidation?

_____ type of _____ is _____ preventing oxidation?

Please _____ me what _____ coating to use to _____ future.

_____ an effective anti-oxidation _____ like?

Any future surface _____ be prevented by the _____

Need a _____ the _____ coating.

How about _____ top-notch anticorrosive _____?

I _____ a top-notch coating that will _____ of oxidation.

_____ know _____ of _____ would be most _____ in stopping oxidation.

What _____ of _____ oxidation?

_____ am in _____ of _____ coating _____ the best to minimize _____.

_____ the coating _____ against _____?

Do _____ have _____ ideas on _____ I _____ use _____ keep my car _____ oxidation?

Tell _____ best _____ is to stop _____

_____ wondering _____ you could _____ a coating _____ help _____ oxidation.

_____ you _____ me _____ best _____ of protective coating for _____?

_____ type _____ is _____ at preventing surface oxidation?

I would like ____ to ____ a ____ coating ____ prevent ____ oxidation.
 ____ assistance ____ on top-notch anticorrosive ____.
 ____ like ____ know ____ layer ____ against future rusting.
 I ____ advice on ____ recommend a top-notch ____ prevent future cases ____.
 ____ am ____ which ____ option is best to minimize ____.
 Could you ____ a ____ of ____ that ____ prevent ____?
 Should ____ advice on ____ coating works ____ against oxidation?
