

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Telecommunications Equipment Manufacturers |
| Inquiry Category | Installation instructions and guidance |
| Inquiry Sub-Category | Power and Electrical Requirements |
| Description | Customers inquire about the power and electrical needs of their telecommunications equipment, seeking guidance on electrical standards, grounding, power supply requirements, and wiring for different power sources and voltages. |
| Data Size | 5,585 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can ____ provide guidance ____ for our power and ____ ?
____ us ____ rules for ____.
____ it ____ to guide ____ on ____ ?
____ power setup ____ rules ____ sought ____.
Will ____ give us ____ on ____ use proper ____ ?
____ power ____ electrical ____ ground ____ ?
How ____ the ____ of ____ electrical system?
How ____ make sure ____ our ____ setup is ____ ?
How can ____ meet ____ ground ____ of ____ power system?
We ____ grounding specifications for our ____ setup.
____ setup needs ____ grounding.
____ want ____ rules for electricity ____ power.
____ our ____ systems need ____ ?
Is there ____ comply ____ the necessary grounding ____ our ____ setup?
Will you ____ guidance?
____ possible to ____ the power and ____ rules?
____ are ____ for ____ power setup.
____ advice ____ grounding requirements.
____ you ____ us with the ground ____ setup?
advice on ____ rules ____ and ____
I'd ____ to ____ about ____ power and ____ ground ____.
How ____ our electrical ____ ?
Please ____ ground demands ____ system.
