

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Carbon emissions reporting
Description	Customers seek data on the carbon dioxide emissions associated with the electricity generation process, allowing them to choose suppliers with lower carbon footprints and contribute to addressing climate change.
Data Size	5,035 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ information on CO2 _____ from _____ power _____ used for _____ electricity?

Are _____ CO2 emission levels at _____?

_____ you give _____ details on _____ CO2 _____ from _____ plants?

_____ tell _____ the CO2 emissions by _____ plants I _____?

_____ tell _____ how _____ CO2 emissions _____ each electricity generating _____ use?

Is _____ information _____ of CO2 from _____ power plants?

_____ you _____ us _____ much _____ is _____ by _____ power plants?

Can _____ share _____ emission _____ from power _____ electricity _____?

Do _____ much carbon _____ power plants produce?

I _____ know _____ output is from _____ used for _____ generation.

Is _____ information about _____ plant's CO2 _____?

_____ to _____ how much CO2 the power plants _____ generate _____.

_____ there any information _____ the carbon _____ levels _____ the _____?

Tell _____ about the _____ power station

Do you _____ about _____ discharge _____ electrical generation power _____?

I _____ to know _____ is _____ by _____ generating plants.

Are _____ carbon footprint _____ for _____ energy-generating _____?

_____ am curious _____ carbon dioxide levels from _____ plants _____.

_____ would appreciate _____ if you could _____ CO2 _____ by each _____ plant.

I _____ the carbon _____ levels in _____ plants that _____.

Can _____ CO2 emissions from your power _____?

_____ find _____ the _____ carbon dioxide in _____ plants?

Do you know how _____ power plants I'm _____?

_____ you _____ me the data _____ plant _____ emissions?

Can _____ about _____ from power plants that _____ electricity?

_____ data _____ CO2 emissions per _____?

Do you have _____ CO2 _____ individual power plants?

_____ share _____ carbon _____ emissions from _____ you use?

_____ us _____ much CO2 _____ released by every _____ plant?
 Is there _____ dioxide levels of _____ plants?
 _____ the _____ electricity CO2 statistics _____?
 _____ there any information _____ from every electric _____?
 _____ you have comprehensive _____ on CO2 _____ from _____ power _____?
 Is it possible _____ how much CO2 _____ by _____ plant?
 _____ any statistics relating _____ the _____ of CO2 _____ power plants?
 Can I _____ carbon dioxide _____ at _____ plants?
 _____ you know _____ of CO2 release _____ electric _____?
 How much _____ is _____ your _____ plants?
 _____ level _____ pollution at _____ of _____ power stations?
 I _____ to learn _____ carbon _____ emitted by _____ electricity generation.
 _____ there _____ records relating _____ electrical facilities' CO2 _____?
 _____ you _____ is _____ from every power plant?
 _____ you have _____ information about your _____ sites' _____?
 _____ know how much _____ by the _____ that generate electricity.
 Can _____ the _____ of _____ dioxide in _____ that _____ electricity?
 Can _____ give _____ information _____ the carbon dioxide _____ power plants _____?
 Please _____ information _____ the _____ of _____ power facility utilized.
 _____ specify the amount of _____ caused _____ electricity generation _____ your _____.
 Can _____ with _____ on the CO2 _____ from _____ power _____?
 _____ you _____ list _____ the power _____ that burn _____ for _____ electricity?
 _____ there any _____ about the emissions _____ CO2 _____ plants?
 _____ the _____ of CO2 released _____ generating plant
 Can _____ give details _____ the CO2 _____ plants?
 Can _____ me data _____ CO2 _____ from power _____?
 Can _____ give _____ details _____ of each power plant?
 _____ out how much _____ is _____ the _____ plants that _____ electricity?
 _____ know the amount of CO2 _____ plants used _____ generating _____?
 _____ you know _____ about _____ release _____ CO2 _____ electric plant?
 I _____ like _____ about the _____ emissions _____ the _____ for generating electricity.
 _____ I _____ information about the amount _____ by each _____?
 _____ you share _____ on _____ dioxide emissions?
 _____ you know the _____ of _____ dioxide emissions _____ plant?
 _____ how much CO2 _____ pumped _____ by each generator?
 _____ to _____ much _____ each _____ plant emits during _____ generation
 Can you share _____ carbon dioxide _____ plants?
 Do you know _____ is released by _____?
 _____ you know details _____ emissions at _____ sites?
 _____ you _____ how much CO2 _____ from _____ plant?
 Is there any _____ carbon _____ generating _____?
 _____ carbon _____ by individual energy- generating stations _____?
 _____ carbon _____ produced by _____ generating stations known?
 _____ you _____ us power _____ data?
 _____ you have _____ on the CO2 _____ the _____?
 _____ you _____ information _____ CO2 emissions _____ the power _____?
 Let us _____ the _____ were caused _____ in your power plant.
 How _____ CO2 is released _____ power _____?
 _____ I get _____ about _____ gas releases _____ the power _____?
 Is there _____ information _____ the _____ power plants?

_____ emission data _____ power plants _____ generate electricity?
 Do _____ information _____ CO2 _____ the electric plant?
 Can _____ the _____ in the power plants?
 Is there any _____ regarding _____ generating facility?
 _____ information _____ from generating facilities?
 _____ you give me _____ on _____ CO2 _____ from the _____?
 Is there specific information _____ carbon _____?
 Do you _____ information _____ individual power _____ emissions?
 Tell me the amount of CO2 _____ electricity _____.
 _____ you have details _____ dioxide emissions _____ plants?
 Do _____ have data _____ emissions of _____ power _____?
 I want to _____ much _____ power plants that generate _____.
 You _____ information _____ emissions _____ power _____?
 Can _____ tell me _____ the CO2 _____ a _____?
 Are _____ able _____ give _____ the carbon _____ emissions _____ power _____ you use?
 Do you know _____ the CO2 _____ from the _____ plants _____ for _____?
 Are there _____ about carbon _____ the power _____?
 Do you _____ on _____ CO2 _____ by the power plant?
 _____ any information about _____ CO2 _____ power plants used for _____?
 _____ details _____ the _____ emissions _____ caused by the electricity _____ your power plant.
 _____ possible to _____ CO2 emission _____ power _____ for _____ generation?
 _____ you _____ the data on _____ emissions _____ electricity _____ plant?
 How _____ CO2 _____ emitted _____ power _____ during _____ generation?
 Do _____ much _____ are _____ the power plants that generate _____?
 Can _____ learn _____ the _____ levels _____ the power _____?
 Can I _____ much carbon _____ is in _____ by _____ plants?
 Can _____ share _____ on _____ emissions from _____ plants?
 Do you have _____ about _____ from the power _____?
 Can _____ provide _____ plant CO2 _____?
 Do _____ total amount _____ 2 emissions _____ from the power plants _____ to _____ electricity?
 _____ you have _____ of CO2 from each electric _____?
 I'd _____ to _____ CO2 _____ emitted by each power plant _____.
 Can _____ find out _____ much CO2 _____ pumped _____ generators?
 _____ list of power _____ that produce _____ electricity generation?
 Do you _____ about _____ release from _____ electric _____?
 _____ you _____ me _____ the carbon _____ emissions from _____ plants _____ use?
 Do _____ the _____ of _____ are from _____ power plants _____ using?
 Can you show _____ how much _____ is _____ generator _____ use?
 _____ we know the _____ amount of _____ pollution _____ producing _____?
 _____ know about the carbon emissions _____ every _____ facility.
 _____ you tell me about _____ CO2 emissions by _____ using?
 _____ you tell me how _____ CO2 is released _____ plants _____?
 Can _____ power plant CO2 emissions _____?
 Can _____ learn about _____ dioxide in power _____?
 _____ am curious _____ the _____ levels at the power _____ electricity.
 _____ carbon emissions per _____?
 _____ you tell me how _____ power plants _____?
 Can _____ share the _____ the CO2 emissions from _____?
 Is there _____ on the amount _____ each power _____?
 Do _____ know _____ 2 _____ the _____ plants we _____ toGenerate Electricity?

_____ have details _____ dioxide _____ the power plants?
 Were _____ able _____ us how much _____ each power plant?
 _____ much _____ was released _____ electricity generating plant.
 _____ like to _____ about the _____ each facility _____ for _____ generation.
 Please _____ about _____ CO2 emissions _____ the _____ plants
 Do you have _____ the CO2 _____ from _____ plants _____ generate _____?
 Can you tell me how _____ is _____ plant?
 _____ tell _____ about the _____ emissions _____ the power _____.
 Tell me _____ at each _____.
 _____ you _____ the _____ emissions _____ the _____ plant that _____ were using _____ generate electricity?
 What _____ the greenhouse _____ production _____ your _____ plants?
 Can _____ about _____ from your power plants?
 I _____ to know the carbon _____ levels _____ that _____.
 _____ information on CO2 release from electric _____?
 We _____ power _____ generate electricity, do _____ the total amount of _____?
 Are _____ able _____ us details _____ output from each power _____?
 Tell _____ the level of CO2 _____ power _____.
 Is there any _____ the CO2 _____ each _____?
 Did _____ tell us _____ CO2 emissions _____ power plant _____?
 Can I _____ CO2 is _____ out from each _____?
 How about the _____ emissions from _____ power _____ electricity?
 _____ electricity generating _____ CO2 emissions.
 Do _____ any information on carbon _____ your _____ plants?
 _____ you have the _____ to _____ data on _____ emissions _____ plants you _____?
 _____ you have _____ information regarding _____ from _____ power plant?
 Tell _____ about _____ levels of CO2 _____ power _____.
 Can _____ tell _____ the _____ fumes that _____ electricity stations?
 _____ you have any _____ about _____ much _____ is released _____ power _____?
 _____ me about the _____ CO2 _____ each power _____.
 I _____ know how much CO2 each _____ during _____.
 Please _____ CO2 emissions _____ by electricity _____ plants.
 Are you able _____ carbon dioxide emissions _____ that _____ use?
 Is there any _____ on carbon _____ power plants _____ generation?
 _____ tell _____ CO2 fumes _____ your electricity stations?
 I want _____ how much CO2 the power _____ produce _____.
 _____ it possible _____ emissions from your _____ generating _____?
 Tell _____ the CO2 emissions _____ by the electricity generation in _____.
 _____ information about _____ CO2 emissions _____ each _____ plant.
 _____ data _____ the amount of CO2 _____ power _____ emit?
 How much _____ from the power plants _____ are _____ to _____ the _____?
 Is _____ any information _____ CO2 emissions _____ power _____?
 Do you _____ any information _____ the _____ from the _____ produce _____?
 Is _____ any information about CO2 emissions _____?
 What's _____ lowdown on _____ pollution _____ stations?
 Can I _____ CO2 emission data _____ plants?
 _____ you _____ carbon dioxide the power plants _____?
 _____ like to find out _____ power _____ emit during electricity _____.
 Do _____ information _____ CO2 produced by each power _____?
 _____ let _____ about the carbon emissions of the power _____.
 _____ would like _____ know _____ output from _____ used for electricity _____.

I _____ know the _____ levels _____ the power plants that _____ .
 _____ you _____ the details of the _____ release _____ every _____ ?
 Do you have _____ CO2 is released by _____ power _____ ?
 _____ you know the total amount _____ CO _____ emissions _____ plants _____ are using _____ produce _____ ?
 _____ you _____ information _____ the power plants' _____ of _____ ?
 Have _____ been created _____ the _____ of individual _____ ?
 _____ you _____ about the carbon _____ each power plant?
 _____ you _____ me about _____ CO2 data _____ power _____ ?
 I want to _____ about the _____ emissions _____ used _____ electricity.
 _____ information about _____ carbon emissions _____ ?
 _____ you _____ information about CO2 emissions _____ I'm using?
 Do you have _____ data _____ how _____ released _____ each power _____ ?
 Is _____ on CO2 emissions from _____ electricity _____ plant?
 Do _____ any _____ about _____ power plants that _____ ?
 _____ it possible to share _____ on CO2 _____ your _____ ?
 _____ you share data about _____ from _____ power _____ ?
 _____ tell _____ about _____ CO2 _____ of _____ power plant?
 _____ any information _____ carbon dioxide emissions _____ the _____ plants?
 _____ you _____ emissions from your power plant?
 _____ have any data on the amount _____ CO2 _____ emits?
 _____ you _____ data on carbon _____ emissions _____ plants?
 Have _____ on _____ emissions of power _____ ?
 Do you have any _____ emissions of the power _____ used _____ ?
 _____ information on _____ pollution in _____ ?
 Do _____ have _____ CO2 _____ in _____ plants?
 Are _____ any details regarding the _____ from _____ ?
 I _____ amount _____ from _____ power plant _____ it is generating electricity.
 _____ share the _____ from power _____ ?
 What _____ the lowdown _____ pollution by each _____ the _____ ?
 _____ want _____ know the carbon _____ levels in _____ generate _____ .
 _____ tell us _____ emissions _____ the power plant.
 _____ have data _____ of CO2 produced by _____ power _____ ?
 Do you give _____ data?
 I want to know how _____ the _____ plants _____
 _____ CO2 _____ from the _____ plant used to _____ electricity?
 Please tell _____ the _____ emissions _____ each individual _____ generate electricity.
 _____ wanted to know the _____ by each power _____ generation.
 What about _____ emissions _____ electricity generating _____ you _____ ?
 _____ information _____ the _____ emissions caused by _____ power _____ .
 Can _____ emissions _____ every electricity _____ plant?
 Is there _____ the _____ emissions from power _____ that _____ ?
 _____ the _____ CO2 released by the _____ generating plant.
 Do you have _____ information _____ how _____ is produced _____ plant?
 Can you _____ data _____ power plants?
 _____ you have _____ CO2 emissions _____ plants?
 _____ you have information _____ the _____ of _____ plants emit?
 _____ any information regarding _____ release _____ each _____ plant?
 _____ you tell me _____ amount of CO2 _____ by _____ ?
 Do you _____ about _____ discharge _____ from _____ your power plants?
 _____ you have any data on the _____ of _____ plants?

_____ would like to know _____ much _____ released _____ power plant when _____ is _____.
 I want _____ know how much _____ released _____ power plants while _____.
 _____ CO2 is released _____ every power plant _____ generating _____?
 _____ you _____ CO2 emissions statistics _____?
 Do you _____ any _____ the release of _____ from _____?
 Please _____ about _____ carbon _____ each _____ power _____ used to generate _____.
 _____ have _____ list of _____ plants that make _____ for generating _____?
 _____ you release _____ plant _____ data?
 _____ you _____ any _____ regarding the _____ plants' _____ CO2?
 Do _____ have any data _____ how _____ plants emit?
 _____ me how _____ CO2 _____ released _____ electricity-generating _____.
 _____ are _____ greenhouse _____ production _____ for your _____ plants?
 _____ we _____ exact amount _____ pollution from _____ energy-production facility?
 _____ me _____ is _____ by each electricity _____ plant
 Is there _____ the amount _____ CO2 _____ power plants?
 Specific _____ carbon emissions _____ generating _____?
 _____ about the CO2 _____ each _____ plant.
 _____ much CO2 _____ released _____ each power _____ produces _____?
 _____ it _____ for _____ emissions from _____ electricity generating plant?
 Specific _____ carbon _____ from generating _____?
 _____ figures _____ the _____ footprint of individual _____ stations?
 I want to _____ how _____ plants _____ electricity generation.
 _____ share data _____ the carbon dioxide emissions _____ plants?
 Is there _____ pertaining to the _____ facilities' _____?
 _____ there data _____ amount _____ CO2 emitted _____ power plant?
 Do _____ have _____ on _____ emissions from _____ power _____?
 Can you tell me _____ CO2 _____ from each _____?
 Is there _____ regarding the CO2 _____ plant?
 _____ like _____ how much CO2 is produced by the _____.
 Is _____ any _____ on _____ CO2 emissions _____ the _____ generate electricity?
 Do _____ have information _____ plants' CO2 _____?
 Can _____ know _____ levels of _____ the power _____ that generate _____?
 How much CO2 _____ produced _____ the _____ that generate _____?
 _____ you _____ me _____ amount of CO2 pumped _____ each _____ use?
 _____ you share _____ about _____ from power _____?
 _____ you tell _____ about _____ power plant _____?
 _____ it possible to share _____ CO2 _____ every _____ generating _____?
 Tell _____ about the levels _____ in each _____?
 _____ you tell _____ about _____ each power plant?
 _____ much CO2 _____ out _____ each _____ power plant?
 Is there _____ the carbon _____ levels from _____?
 _____ greenhouse gas are _____ generation plant?
 _____ know _____ amount of _____ emissions _____ your electricity _____ sites?
 _____ we _____ carbon dioxide output _____ from _____ power _____?
 _____ details about _____ CO2 emissions _____ your electricity _____ sites?
 Do _____ statistics on the _____ of _____ electrical _____ power _____?
 _____ you _____ any _____ regarding _____ discharge _____ CO2 _____ electrical generation power _____?
 Can you _____ the power plant?
 Do _____ any information about _____ carbon _____ power plant?
 _____ know the level of _____ dioxide in the _____ generated _____?

_____ know the _____ dioxide levels _____ the _____ that _____ electricity?
 _____ you _____ information _____ individual power plants' _____ dioxide _____?
 _____ would like _____ much CO2 is _____ from power _____ they _____ electricity.
 I _____ to _____ carbon _____ emitted _____ power plants during electricity _____.
 Can _____ me how _____ CO2 is _____ by _____ generator?
 _____ want to know how _____ carbon dioxide _____ released by _____ power _____.
 Specific _____ the amount _____ carbon _____ per generating _____?
 I _____ to know the _____ levels _____ that generate power.
 _____ compiled for the _____ footprint of individual _____ generating _____?
 _____ information on _____ CO2 _____ the electricity _____ in your power _____.
 _____ the carbon _____ emissions from the power plants?
 Do you _____ much _____ is produced _____ power _____?
 Is _____ data about _____ of CO2 _____ by _____ power _____?
 Is _____ share _____ emissions from every _____ plant _____ use?
 _____ get _____ CO2 emission data _____ the _____ plants _____ you _____?
 _____ you have statistics on _____ discharge _____ from _____ your power _____?
 Did _____ tell us _____ about CO2 _____ plants?
 _____ you share _____ emission data from _____ power _____?
 _____ you share data _____ power _____ emissions?
 _____ appreciate if _____ could _____ me _____ amount _____ emitted by each power _____.
 _____ figures been _____ footprint _____ individual energy-generating stations?
 _____ the _____ CO2 emissions that were _____ the _____ generation in _____ plant.
 Can _____ the _____ of carbon _____ power plants?
 _____ carbon _____ by the _____ plants that generate our _____?
 _____ carbon emissions _____ generating facilities?
 Do _____ have data about the _____ CO2 _____ the _____?
 _____ about the carbon emissions of power facilities _____ generating _____.
 _____ me how much CO2 is _____?
 _____ you _____ the amount _____ CO2 _____ from the _____?
 _____ tell me how _____ pumped out _____ generators?
 Specific _____ carbon _____ generating facilities?
 _____ I get the CO2 emission data _____ use?
 I want to _____ carbon dioxide is _____ by _____ power plant.
 _____ there _____ on carbon _____ the _____ that generate electricity?
 Do _____ know the exact _____ pollution from the _____?
 _____ have _____ list of power plants that _____ produce _____?
 Can _____ data _____ the _____ of the _____ station?
 _____ statistics _____ CO2 discharge from all _____ generation power _____?
 Do _____ about CO2 emissions _____ power plants?
 _____ we get precise _____ CO2 pollution from _____?
 _____ I _____ about the _____ dioxide levels _____ the power _____ electricity?
 _____ emissions were caused by the _____ generation in _____ power _____.
 I _____ if _____ could get _____ about the amount of CO2 _____.
 _____ me the amount _____ released _____ generating plant.
 _____ you _____ to share _____ emissions from the _____ plants _____ use?
 Provide details on _____ by the electricity generation _____ plant.
 _____ provide comprehensive _____ regarding CO2 _____ from electrical generation _____?
 _____ you share _____ the _____ dioxide _____ from the _____ plants _____ use?
 Do you have _____ about carbon dioxide _____?
 _____ I learn _____ carbon _____ in _____ power plants?

Can _____ data regarding the _____ carbon footprint?

The carbon emissions _____ every individual power _____ electricity _____ offered.

How _____ from _____ power plants _____ generate the electricity?

Are _____ about carbon emissions per _____?

Did _____ me _____ the _____ of CO2 in the _____?

_____ you have _____ about the amount _____ by the _____?

_____ know _____ much carbon _____ is _____ air _____ power plants?

Let _____ know how much _____ released by _____.

Information _____ carbon emissions _____?

Do you have _____ on _____ of _____ the power _____?

_____ you tell _____ carbon _____ output _____ the _____ plants?

_____ much _____ 2 _____ coming _____ plants we use to Generate Electricity?

_____ the _____ on CO2 _____ the power plants?

I _____ like _____ know _____ much CO2 is _____ power _____ generate electricity.

Is there _____ carbon _____ emissions from _____ plants?

_____ you _____ details on _____ release from _____?

_____ information on CO2 emissions from _____ that generate _____?

Do _____ the amount _____ CO _____ emissions _____ the power plants _____?

_____ would like to _____ how _____ CO2 is _____ the _____ plants _____ are _____ electricity.

_____ give us details _____ the CO2 _____ from _____ plants?

Is there _____ about _____ dioxide _____ from _____ plants?

_____ there _____ on _____ CO2 _____ by _____ power plant?

_____ you know _____ is _____ from _____ power plants that _____ electricity?

_____ there _____ information _____ plants' CO2 emissions?

_____ have _____ the amount of CO2 _____ power plants?

_____ any information _____ CO2 _____ each power plant?

Can _____ get data about _____ footprint?

Do you know _____ dioxide is coming _____ the _____ are _____?

I _____ like _____ how much carbon dioxide _____ plants _____ during _____.

_____ I find out _____ is _____ by each _____?

How about _____ power _____ emissions for _____?

_____ the details about CO2 _____ from _____ electric _____?

_____ you have any _____ pollution at each _____?

_____ the power _____ electricity CO2 _____?

Have _____ been compiled _____ the carbon footprint _____ stations?

Can _____ tell _____ data on the _____ from the _____?

_____ much _____ is released _____ power _____ produce electricity?

Can _____ me the data _____ from _____ electricity generating _____?

I want _____ of _____ each _____ plant emits _____ electricity generation.

_____ me about the _____ footprint produced _____ individual energy-generating _____?

_____ the _____ electricity _____ statistics provided?

_____ CO2 _____ from the power _____ that generate electricity?

Is there _____ list _____ plants _____ from generating electricity?

Can you _____ on CO2 emissions _____ power _____ you use?

Can you _____ the _____ data _____ the power _____?

Can you _____ power _____ data?

Do you know _____ much _____ electricity generating _____ use?

Do you know _____ CO2 _____ power _____ when _____ electricity?

_____ the _____ plants' electricity _____ stats _____?

_____ about _____ plants' _____ statistics?

I ____ to know the ____ CO2 that ____ power plants emit _____.
 Can _____ carbon dioxide levels from ____ plants _____ power?
 Do ____ have information ____ CO2 _____ plants?
 I ____ like to _____ CO2 is released _____ plant during ____ generation.
 Can you share the data _____ power ____ that you ____?
 Do ____ have ____ about carbon _____ emissions _____ plant?
 _____ wanted to know how much CO2 _____ electricity _____.
 _____ anything about CO2 ____ at each ____?
 _____ I ____ about ____ carbon _____ from power plants?
 Provide _____ caused _____ the electricity generation in ____ power plant
 _____ you _____ data on CO2 ____ from _____ plant?
 Do you provide ____ plant _____?
 Do _____ the amount ____ CO2 ____ each ____ station?
 Is _____ regarding the _____ CO2 emissions?
 Do ____ have _____ CO2 discharge from ____ generation _____?
 _____ about the CO2 ____ from ____ power plants.
 _____ want _____ how much CO2 _____ plant emits ____ electricity _____.
 _____ you ____ anything _____ emissions of CO2 from the power _____ electricity?
 _____ any information on ____ amount ____ CO2 ____ from individual ____ plants?
 Is ____ any _____ emissions from the power plants used _____?
 _____ about the CO2 emissions from all ____ power ____?
 Do you _____ on _____ of ____ emissions by the power ____?
 _____ the data ____ your power plant's CO2 ____?
 Can I find ____ about carbon _____ plants?
 _____ you ____ the ____ emission ____ for ____ power plants?
 _____ you have _____ information ____ CO2 _____ all ____ plants?
 I _____ know ____ the carbon output ____ the facilities used _____.
 _____ it possible ____ you ____ share _____ from ____ plants used for electricity ____?
 Do ____ provide _____ CO2 _____ the power plants?
 _____ me what the CO2 levels _____ each _____.
 Is the _____ by individual ____ generating ____ compiled?
 Can _____ CO2 emission from power plants?
 _____ possible _____ to share data on CO2 emissions _____ generating ____?
 _____ you _____ data _____ emissions from every power plant _____?
 _____ you give ____ data on _____ power plant?
 _____ any information ____ the CO2 emissions _____ plant?
 _____ have data _____ power ____ CO2 emissions?
 _____ know _____ from each facility ____ is used for ____ generation.
 _____ I _____ carbon ____ levels from the ____ plants?
 Can _____ the data ____ CO2 emissions ____ electricity ____ plants?
 Can you _____ the truth ____ the CO2 _____ electricity ____?
 _____ give ____ power ____ CO2 emissions ____?
 _____ provide _____ CO2 discharge ____ all electrical ____ power plants?
 Is it possible to _____ statistics ____ CO2 _____ electrical generation _____?
 Tell _____ CO2 there ____ in a ____ station?
 _____ possible ____ share data on ____ emissions from ____ electricity _____.
 _____ you know ____ the _____ for ____ electricity emit CO2?
 Do you _____ of CO2 emissions _____ power ____?
 Let ____ know _____ CO2 is in each _____.
 Do _____ any information on the ____ emissions _____ power _____ to generate ____?

Is it ____ to share power ____ emissions ____ for ____ ?

____ you ____ about the power ____ emissions?

Can you ____ data ____ CO2 ____ from your ____ plants?

Do ____ know ____ amount of ____ 2 ____ from the power plants ____ to generate ____ ?

____ there any information about ____ at ____ ?

Is ____ any ____ on ____ each power plant?

____ you ____ the CO2 emissions ____ power plant?

____ on CO2 emissions from power ____ ?

____ is the lowdown ____ CO2 pollution ____ each ____ ?

____ you ____ about ____ emissions from your ____ plants?

Do ____ power plants ____ burn CO2 to generate ____ ?

____ greenhouse gas ____ by ____ generation plant?

Are ____ plants' electricity CO2 ____ ?

____ you ____ the ____ emissions ____ the power plants?

____ information on ____ release from the ____ plant?

Do ____ about the ____ of ____ power plants used ____ electricity?

Can I know the amount ____ CO2 ____ ?

____ provide information ____ the carbon dioxide ____ from ____ plant?

____ provide ____ emission ____ for the power plants?

Can ____ ask about the ____ emitted ____ the ____ plants?

____ you ____ about ____ CO2 levels ____ each ____ station?

____ to ____ how much ____ is released from ____ power ____ it's ____ electricity.

Can you ____ on CO2 ____ power plants you ____ ?

Can you ____ on ____ carbon dioxide emissions ____ your ____ plants?

____ there any ____ on ____ emissions ____ power plants?

____ you ____ information on the ____ from ____ power ____ ?

____ like ____ the amount ____ CO2 ____ by ____ power plant ____ electricity generation.

____ me how ____ CO2 has ____ released by ____ generating ____ .

Did you ____ information about ____ power plants?

Do ____ regarding ____ release from ____ plants?

Is ____ any information ____ about ____ from the power ____ ?

____ I discover how much ____ is ____ by ____ ?

____ you ____ statistics on the ____ from ____ electrical ____ power plants?

Do you know ____ is coming ____ power plants?

Do ____ have ____ information about the ____ release ____ plant?

Do you have any information ____ the ____ electric ____ ?

Tell ____ the ____ of ____ in ____ station?

Do you have ____ of ____ from ____ generation power plants?

I ____ to ____ out how ____ dioxide ____ during electricity generation.

Is there any information ____ at ____ ?

____ data for your power plants?

Can ____ me ____ CO2 levels in ____ power ____ ?

____ list of power plants ____ produce CO2 from ____ ?

Can I ____ how much ____ pumped ____ by ____ use?

____ tell us about the ____ power plants?

Details on ____ facility?

____ tell me how ____ is pumped ____ by ____ I use?

____ me ____ how ____ CO2 is released ____ the ____ generating ____ .

____ there ____ CO2 emissions from ____ power plants?

How much CO2 ____ from ____ power plants ____ our ____ ?

_____ to share data _____ CO2 emissions from each _____?

Can _____ information on _____ output from electricity _____?

Have _____ figures been compiled _____ individual _____?

_____ about CO2 discharge from the electrical _____ power _____?

Can _____ tell me _____ the CO2 _____ every _____ plant?

_____ you tell me _____ fumes at _____ stations?

_____ possible _____ share _____ on CO2 emissions _____ each electricity _____ use?

I would _____ to _____ how much _____ plants emit _____ electricity _____.

_____ you _____ any comprehensive statistics _____ from electrical generation _____ plants?

_____ tell _____ details _____ the CO2 output from the _____?

Information _____ CO2 emissions _____ each _____?

_____ there data on _____ from _____ generating _____?

_____ us how much _____ is released _____ the _____.

_____ share _____ on the carbon dioxide _____ power plants?

_____ you _____ about CO2 emissions from the _____?

Let _____ the _____ of CO2 in _____ power _____.

Can _____ get data _____ carbon _____?

Do you _____ statistics _____ generation power plants?

_____ you _____ me about _____ emissions from each _____?

Is it possible _____ about CO2 _____ from _____ plant?

Is it possible _____ a list of _____ power _____ produce _____ generation _____?

Does _____ the amount of CO2 _____ out by _____?

Do you _____ about _____ from the power _____?

Tell me about _____ dioxide _____ power _____.

_____ know the _____ of _____ emissions _____ each power plant.

Can I know the _____ carbon _____ the power _____ that _____?

I want _____ much _____ emitted _____ each power plant.

Tell _____ about the CO2 emissions _____ power _____ electricity.

_____ you _____ information on the _____ from power _____?

Can _____ about carbon _____ levels _____ power _____?

Can i _____ out how _____ CO2 _____ out by _____ generator _____?

_____ about CO2 _____ your electricity _____?

Is _____ a _____ the _____ emit CO2 _____ generation of electricity?

_____ like to _____ how _____ CO2 each power _____ releases _____.

_____ you have _____ information _____ plants that _____ CO2?

_____ us _____ emissions of _____ individual power _____ used to _____ electricity.

Do _____ anything about _____ of CO2 from _____ power _____ for generating _____?

Give us the _____ on _____ caused _____ the electricity _____ in your _____.

Can you _____ CO2 emissions _____ the power _____?

Do you _____ on _____ release of _____ electric plants?

_____ information about the carbon _____ per generating _____?

_____ tell _____ about _____ CO2 _____ caused by _____ generation _____ power plant.

Could you tell me how _____ CO2 _____ from _____?

I _____ appreciate _____ you _____ the _____ of CO2 released from _____ power _____.

_____ you _____ me how much _____ a _____ plant _____?

Please _____ us _____ about _____ CO2 emissions _____ power plant.

I _____ to know the carbon output _____ for electricity generation.

How _____ from _____ plants we _____ using to generate electricity?

Is _____ of _____ plants that make _____ from electricity _____?

Can _____ me the amount _____ CO2 emissions from _____?

_____ any _____ how _____ CO2 is produced by each _____ plant?
 _____ there _____ information about _____ pollution at each _____.
 Do you have _____ release _____ the _____ plants?
 Do you know _____ individual energy-generating _____?
 _____ you provide _____ statistics on _____ of _____ electrical _____ power plants?
 Do _____ details _____ CO2 release _____ each electric plant?
 Is there any information about _____ electricity _____?
 _____ have _____ statistics on the discharge of _____ electrical _____ power _____?
 Do _____ have accurate information _____ from _____ power _____?
 _____ carbon _____ per generating _____?
 I _____ like to know how _____ power plant _____ electricity _____.
 _____ tell us about _____ that _____ the electricity generation _____ power plant.
 _____ let _____ emissions from the power plants?
 Can you _____ your power _____ CO2 _____?
 Do _____ have _____ about _____ at _____ electricity generating sites?
 _____ I find _____ the _____ dioxide _____ from _____ plants that _____?
 Did _____ tell _____ about the CO2 emissions from _____ power _____ using _____?
 _____ carbon footprint figures been _____ individual energy-generating _____?
 _____ power plants' _____ CO2 _____?
 _____ much _____ is _____ by _____ plants when they _____ electricity?
 Tell me how _____ released by _____ electricity-generated _____.
 How about _____ power _____ stats?
 Do you provide _____ carbon _____ emissions from _____?
 Can I find _____ of _____ dioxide _____ plants that generate _____?
 Is _____ to provide _____ CO2 statistics?
 _____ there _____ information _____ levels in the power _____?
 _____ data _____ CO2 emissions _____ power _____?
 Give the details _____ CO2 emissions _____ were caused _____ your _____ plant.
 Do _____ any _____ on how much _____ is _____ by the _____?
 _____ of _____ power facility utilized in generating electricity _____ offered.
 _____ to know about _____ the _____ plants used to _____ electricity.
 Will you let us know _____ CO2 _____ power _____?
 _____ state _____ amount of CO2 emissions _____ electricity generation in _____.
 Can _____ out how much CO2 gets _____ generator?
 _____ have any _____ on the CO2 emissions _____ plants _____ generating _____?
 _____ you _____ on CO2 _____ by each _____ station?
 _____ you offer power _____ data?
 _____ you know the _____ of CO2 _____ plant?
 Can _____ us _____ released from the power plants?
 Do you _____ on _____ CO2 _____ of individual _____?
 _____ you know _____ the CO2 _____ the power _____ used to _____?
 _____ there a data on _____ emissions _____?
 _____ regarding _____ dioxide emissions _____ generating _____?
 _____ details about _____ CO2 emissions _____ by _____ generation _____ your power _____.
 Do you _____ CO2 emissions from _____?
 _____ the _____ about the CO2 emissions _____ power plant?
 Do you have _____ about the CO2 _____ power _____ electricity?
 _____ you have any _____ about the amount of _____ power _____?
 _____ you share _____ data _____ emissions from your power _____?
 _____ you tell _____ details about the CO2 output _____?

I would like _____ know how much _____ emitted _____ the _____.

_____ the power plants' _____ emission _____?

Please tell _____ the carbon emissions of _____ facilities _____.

Can you _____ us _____ about _____ much _____ is _____ the _____ plants?

_____ share the CO2 emissions _____ from the _____?

Do you _____ info about _____ CO2 emissions?

Do you have _____ amount of CO2 _____ power _____?

_____ would _____ to know the _____ of _____ pumped _____ each _____ you _____.

_____ much _____ released by the power _____ produce electricity?

Is there _____ to _____ produced by individual energy-generating _____?

Can _____ the _____ power station's carbon footprint?

Do _____ on the _____ carbon dioxide emissions?

_____ me how _____ the _____ plant _____.

_____ know how _____ each power plant _____ generating electricity?

_____ you _____ the _____ release _____ each electric plant?

Tell _____ levels _____ each power station.

_____ you _____ information _____ emissions at _____ generators?

Specific _____ of _____ per generating _____?

_____ know the carbon dioxide _____ plants that _____ electricity?

_____ wish _____ know the _____ of _____ emitted _____ each _____ during electricity _____.

Tell us _____ caused by the electricity _____ in _____ power _____.

_____ there _____ you know about _____ CO2 _____ power _____ used for _____ electricity?

_____ you _____ me _____ of CO2 emitted by _____ plant?

_____ any information _____ the release of CO2 _____ plant?

_____ the carbon emissions _____ power facility _____ generating _____ should _____ offered.

_____ I inquire _____ how _____ pumped _____ by each _____ you use?

Do _____ the discharge _____ CO2 from the electrical generation _____?

Do _____ have _____ the discharge of _____ generation plants?

I would _____ know the carbon _____ facility used _____ electricity _____.

Please _____ details _____ the _____ caused by _____ in your power _____.

_____ specific _____ carbon emitted per _____ facility?

_____ you have any data _____ the _____ CO2 _____ each _____ plant?

Tell _____ about _____ levels _____ each _____.

Please tell us about the _____ of _____ individual _____.

Is _____ on _____ at generators?

_____ there information on _____ dioxide _____ from _____ power _____?

Specific information _____ from generating _____?

Do you _____ power _____ I'm using _____ CO2?

I want _____ know the _____ in _____ plants that generate _____.

_____ you give me the data _____ from the power _____?

Do _____ know _____ levels _____ in _____ stations?

_____ you _____ us _____ the CO2 _____ that _____ out of _____ stations?

Do _____ have _____ information _____ CO2 _____ power plants?

Can _____ CO2 emission data _____ the _____?

I _____ like to _____ the _____ of _____ dioxide _____ power _____ during electricity _____.

Can _____ out the carbon _____ of _____ power _____?

Let _____ how _____ CO2 is released _____ that generate electricity.

Do you have data _____ power _____?

_____ how _____ is released by the _____ plants _____ generate _____ electricity.

Do you _____ regarding _____ emissions _____ the _____ plants?

___ it ___ to ___ power plant ___ emissions info ___ production?

Can ___ us ___ the CO2 ___ the power plants?

___ details ___ the CO2 ___ from the power ___.

___ you have ___ information about the ___ that ___ plants emit?

___ there information about ___ plants' ___?

Can ___ share the ___ emission ___ power plants?

Do you give ___ statistics ___ of CO2 from ___ plants?

What ___ the level of CO2 ___ your power ___?

___ find out how ___ is pumped ___ use a generator?

Provide ___ electricity ___ statistics.

I'd like to ___ how ___ power plant ___ electricity ___.

Do ___ know ___ much ___ emissions come ___ the ___ plants that ___?

Do you ___ information on the ___ of ___ plant?

___ much ___ is ___ from each ___ power plant?

Are you ___ to share ___ emissions ___ plants?

Is ___ any ___ on ___ CO2 by ___ plants?

Did ___ share ___ CO2 emissions ___ the power ___?

Information about carbon ___ from ___?

Provide ___ details ___ CO2 ___ the electricity ___ in ___ power plant.

I would like ___ know ___ is ___ when ___ plant is generating ___.

Information ___ carbon ___ facilities?

Please detail the CO2 ___ that ___ caused by ___ electricity ___.

___ have ___ list of power ___ burn ___ make electricity?

Can ___ get ___ CO2 emission ___ for ___ power ___?

Please ___ information ___ emissions of ___ power plants.

How ___ CO2 does ___ plant emit when ___?

I am ___ in learning how ___ each ___ emits ___ generation.

I ___ know about ___ carbon ___ facility used ___ electricity generation.

___ there any information ___ CO2 release ___ plant?

Will ___ us know the CO2 ___ each ___?

___ CO2 pollution by ___ power ___?

___ you ___ CO2 emission ___ from power ___ for electricity ___?

___ find ___ the amount ___ pumped out by ___ generator?

___ would ___ know how ___ CO2 the power plants ___ generation.

___ you ___ me the ___ of CO2 ___ from ___ power ___?

___ you have ___ on the ___ power plants that ___?

___ you tell ___ about ___ carbon ___ power plants?

___ figures ___ compiled for the carbon ___ energy-generating stations?

Can ___ what ___ carbon ___ at the power plants?

___ able ___ give the data on carbon ___ from the ___ use?

___ CO2 emission data for ___ plants?

___ every power ___ utilized ___ electricity should be offered.

___ there ___ on ___ carbon dioxide levels from power ___ generate ___?

___ me about ___ of ___ in ___ power stations.

I'd ___ to know how ___ plants emit ___ electricity.

___ you have complete ___ regarding the ___ CO2 from ___ plants?

Do ___ have ___ plants' ___ of CO2?

Did ___ tell ___ the CO2 emissions ___ plant?

___ carbon ___ emissions come ___ used to get electricity?

___ data ___ power plant ___ dioxide emissions?

_____ the CO2 emissions _____ by _____ electricity generation in _____ power plant.

_____ I _____ the CO2 emission _____ your _____ plants?

_____ you have _____ that emit CO2 for generating _____?

_____ any information on _____ at the _____ plants?

Can _____ tell me _____ the _____ emissions from the _____ used _____?

Tell _____ the _____ emissions caused _____ the _____ in your power _____

Are _____ electricity CO2 _____?

I _____ to know _____ much CO2 _____ plants emit _____ electricity _____.

Is _____ a lowdown _____ by the power _____?

Do you _____ the _____ from _____ power plants?

_____ like to know _____ carbon _____ plants emit _____ generation.

Can you _____ me _____ data _____ your _____ plants?

Do _____ details _____ release _____ electric plants?

_____ us about your _____ plant's CO2 _____?

Can _____ tell me _____ CO2 _____ from _____ power plant?

_____ you have reports _____ dioxide _____ from _____ power _____?

Do _____ have any _____ on CO2 emissions from _____ generate _____?

_____ any details regarding _____ CO2 _____ every _____ plant?

_____ you show me _____ on _____ from your _____ plants?

_____ know the _____ of _____ CO2 release from _____?

_____ CO2 emissions _____ caused _____ the electricity _____ in your power plant.

_____ of CO2 pollution at each of _____ power _____?

I would like to _____ the _____ of _____ released _____ plant.

_____ you _____ information _____ CO2 emissions _____ your electricity _____?

_____ about the amount of CO2 emitted by _____ plant?

Do _____ information about _____ amount of _____ power _____ emits?

_____ know the details regarding _____ from _____ plants?

_____ you _____ us the power _____?

Is _____ information on the _____ output _____ facility _____ generation?

Do _____ know how much _____ 2 emissions come from _____ plants _____ electricity?

Do _____ information on CO2 _____ from _____?

Do _____ information about carbon _____ each _____ plant?

_____ the _____ fumes that come _____ your electricity stations?

_____ there any information _____ greenhouse _____ at each _____?

I want _____ the _____ of carbon _____ by _____ power _____.

_____ CO2 emissions _____ of your power plants?

_____ would _____ know the level _____ carbon dioxide _____ power _____ generate _____.

Do _____ know what _____ emissions are from the _____ electricity?

Please provide information _____ the CO2 _____ plants.

Is it _____ share data on CO2 _____ every electricity _____?

_____ you _____ about _____ discharge from electrical _____ power plants?

Is there _____ on the _____ emissions of _____ plants used _____?

Do _____ know _____ of CO2 release _____ electric _____?

Do _____ information on the CO2 emissions _____ the power _____?

Do you _____ emissions from the _____ plants _____ generate _____?

Please give _____ information _____ the CO2 emissions _____.

Can I _____ power _____ carbon footprint?

What _____ lowdown on CO2 pollution _____ stations?

_____ the carbon _____ of individual energy generating _____?

How _____ 2 emissions are _____ from the power _____ we _____?

I want to know ____ much ____ plants ____ electricity ____.
 Please ____ emissions caused ____ electricity ____ in your power ____
 Can ____ find ____ how ____ dioxide ____ in ____ power plant?
 ____ me ____ how ____ CO2 each ____ generating plant ____.
 ____ know the details about ____ CO2 ____ from ____ plant?
 I ____ know ____ carbon ____ power plants ____ electricity generation.
 ____ have data on the ____ power plants?
 Is there ____ by each ____ plant?
 ____ about ____ emissions ____ power plants that generate electricity.
 ____ there ____ information ____ CO2 emissions ____ plants used for generating ____?
 Do you know the ____ amount ____ power plants we use to generate ____?
 Did ____ give ____ on the ____ the power ____?
 I ____ information ____ CO2 ____ from the power ____ that ____.
 Has the ____ of the ____ stations ____ compiled?
 ____ the carbon ____ levels ____ the ____ plants that ____ electricity?
 Do you ____ how ____ CO ____ by the ____ plants?
 ____ you ____ on CO2 emissions from your ____?
 ____ there any ____ about CO2 ____ each ____ plant?
 ____ would like to get ____ CO2 emission ____ power ____.
 ____ I get ____ regarding ____ releases at each ____?
 I ____ to ____ the ____ of carbon ____ emissions by ____ power ____.
 ____ want ____ know ____ much CO2 each ____ plant emits ____.
 Power ____ CO2 ____ provided?
 Do you have ____ about ____ CO2 from ____ power ____?
 ____ a question about ____ carbon ____ facility used for electricity ____.
 ____ you give ____ data ____ CO2 emission ____ power ____?
 Can ____ each power ____ carbon footprint?
 Is ____ you to share ____ on ____ emissions from every ____?
 ____ want ____ know the amount of ____ by ____ generating ____.
 Can I know about carbon ____?
 ____ you able ____ how much CO2 ____ the power plants?
 ____ you ____ any information about ____ amount of CO2 ____ from ____?
 Can ____ about CO2 emissions ____ power plant?
 ____ there data on CO2 ____ power ____?
 ____ you have ____ the power ____ emissions?
 ____ the ____ emissions from the ____ you were using to generate ____?
 ____ know ____ levels of ____ emissions ____ power plants?
 Can ____ share ____ data ____ emissions from ____ power ____ you ____?
 Do you know ____ in ____ power station?
 Can you ____ know ____ CO2 fumes ____ your electricity ____?
 ____ on ____ emissions that ____ caused by ____ electricity ____ in ____ power plant.
 When ____ how ____ is emitted ____ power plant?
 ____ would like ____ about the ____ output ____ the ____ electricity generation.
 Can ____ the power ____ CO2 emissions?
 Do ____ have ____ discharge ____ the power plants?
 Can you tell ____ in your ____ stations?
 ____ electricity ____ is released ____ each power plant?
 ____ you tell ____ CO2 ____ that hit ____ electricity stations?
 Can ____ find out how ____ is ____ from the ____ use?
 Can ____ find ____ how ____ is generated ____ generator you ____?

Did you detail the _____ power _____?

_____ tell me about the _____ levels _____ station.

What _____ greenhouse gas production _____?

Tell _____ about your _____ your _____ generating sites.

Information about _____ of _____ utilized in generating electricity _____ offered.

_____ regarding carbon emitted _____ facility?

Can _____ me _____ from electricity _____ plants I use?

Can I get CO2 _____ data _____ your _____?

Do you have _____ discharge of _____ plants?

Can you give _____ per power plant?

_____ information on _____ power plant's CO2 _____?

_____ I _____ about carbon dioxide _____ from power plants _____?

_____ I _____ the power station's _____ footprint?

Can _____ the data on the _____ emissions _____ power _____ you _____?

I _____ like _____ know _____ much _____ dioxide _____ power plants during electricity _____.

Is there _____ information _____ CO2 _____ from the _____?

_____ you share _____ about _____ carbon _____ emissions from the _____?

Let _____ know the amount _____ by the _____.

_____ you provide _____ CO2 _____ from _____ power plants?

_____ you know how much CO _____ comes _____ power _____?

Are you _____ to _____ information on CO2 _____ from _____?

Is there _____ information _____ can _____ emissions from each _____ plant?

Do you provide any information _____ the _____ from _____?

_____ I find out the _____ output _____ used _____ electricity _____?

_____ you be _____ data _____ CO2 emissions _____ electricity generating plants?

_____ us information _____ the _____ of _____ power facilities.

Do you _____ about CO2 _____ electricity _____ sites?

_____ about the _____ emissions from _____ electricity _____ in _____ power plant.

_____ the CO2 _____ every _____ plant?

_____ to share CO2 emission _____ power plants used _____ generation.

I would like _____ much _____ is _____ from each facility _____ generation.

Can you share _____ carbon _____ emissions of power _____?

Do _____ about _____ of CO2 that each power plant _____?

_____ I _____ out how _____ CO2 is pumped out _____?

Do you know _____ carbon _____ emissions _____ power _____ use?

Can you tell me _____ CO2 _____ plant _____?

Do you _____ in _____ power station?

Tell _____ much _____ is released _____ the _____ plants.

_____ know how _____ carbon dioxide is _____ power plants.

_____ us how _____ CO2 _____ by _____ power plants _____ electricity.

_____ you _____ any information on _____ release from _____ plants?

Is _____ possible _____ share _____ emissions numbers for electricity _____?

Is _____ share _____ on CO2 emissions _____ generating plant?

_____ provide comprehensive statistics _____ discharge _____ CO2 from _____ generation power _____?

_____ want to know _____ much _____ is _____ each _____ plant when _____ electricity.

_____ there _____ carbon emitted _____ generating facility?

_____ you able _____ the _____ on CO2 emissions _____ your _____ plants?

_____ keep track _____ carbon _____ from the power plants?

Did _____ information _____ emissions from each power _____?

_____ you give _____ information about _____ dioxide _____ the _____ plant?

I would _____ know _____ carbon dioxide _____ power plant _____ generation.
 _____ have statistics on the discharge _____ all of the _____?
 Can _____ get _____ on _____ from _____ power source?
 Do you know _____ CO2 _____ from _____ plant?
 _____ possible _____ data _____ emissions from every _____ generating plant?
 Can I _____ CO2 pumped out by _____ generator _____?
 Do _____ have data _____ the _____ of _____ the power _____?
 _____ we get precise _____ of CO2 _____ facilities?
 Please provide the _____ caused _____ plants.
 _____ I obtain the _____ for all _____ plants?
 Do _____ about _____ pollution from energy generating _____?
 Can _____ get information _____ amount of _____ by _____ power _____?
 Can you provide _____ details on _____ power plants?
 Do _____ any _____ amount of _____ the _____ plants emit?
 _____ much _____ each power _____ emit when generating _____?
 _____ tell _____ how _____ is released by the electricity _____.
 _____ emissions of power _____ used in _____ electricity should _____.
 Do _____ any information _____ to CO2 _____ plants?
 _____ carbon dioxide output _____ the _____ reported by _____?
 Is _____ any _____ release _____ every electric plant?
 Is there any _____ CO2 _____ generator?
 Can _____ me about _____ from the _____ you use?
 _____ want _____ carbon dioxide is released by the power plants _____.
 _____ tell me _____ CO2 emission data _____ power _____?
 Can I _____ about _____ much _____ the generators you use?
 _____ you tell me _____ the power plants?
 Please give _____ emissions of the _____ plants.
 _____ you _____ any _____ regarding _____ release _____ CO2 _____ each _____ plant?
 _____ share _____ data on CO2 _____ from _____ power _____?
 Can _____ know how much _____ pumped _____ the _____ that you _____?
 Do you have _____ carbon dioxide emissions _____?
 _____ you _____ the amount _____ CO2 released _____ electricity generating _____?
 Please provide the _____ the CO2 _____ by _____ electricity _____ in _____ plant.
 Do _____ details _____ carbon _____ emissions from _____ power _____?
 Can I _____ out _____ carbon _____ from power _____?
 Can _____ about the CO2 _____ your electricity _____?
 Do you have information _____ carbon _____ plants?
 _____ I get _____ about _____ source _____ release _____ gas at _____ plant?
 _____ have _____ information regarding _____ emissions from _____ power plants?
 _____ are the _____ gas _____ statistics _____ every _____ plant?
 What do you _____ about _____ from _____ power _____ for generating _____?
 Is there _____ the _____ levels at power _____?
 _____ you _____ about the CO2 emissions from _____ plant?
 _____ you _____ me _____ power plant's _____ output?
 Can you let me _____ power _____ CO2 _____?
 Can _____ report _____ dioxide output _____ power _____?
 Do _____ have _____ on _____ from _____ power plant?
 _____ there data on _____ emitted by each power _____?
 _____ there any _____ regarding CO2 release _____ electric _____?
 _____ emissions _____ the _____ plants that produce electricity?

____ the details of the ____ emissions caused by ____ the _____.
 ____ tell ____ about your power ____ emissions ____ CO2?
 Can ____ let ____ know about the CO2 ____ stations?
 ____ I get the CO2 ____ your ____?
 Can you ____ on the ____ output ____ the power ____?
 Can ____ obtain the CO2 emission ____ from ____?
 ____ have ____ CO2 emissions from each power ____?
 ____ get the ____ for ____ power plants?
 ____ CO2 is released ____ electricity generating ____?
 ____ you ____ on the emission of CO2 ____ individual ____?
 Did ____ give ____ carbon ____ from the power plants?
 Do ____ dioxide ____ from the ____ plants?
 ____ you ____ share ____ carbon ____ emissions ____ the power plants ____ use?
 What is ____ on CO2 pollution ____ stations?
 Can I find ____ carbon ____ the power ____?
 Are ____ share data on the carbon dioxide ____ from ____?
 ____ to ____ if ____ report carbon dioxide output ____ power plants.
 Can you ____ me ____ CO2 emissions from the ____ use?
 ____ want ____ how much CO2 ____ power plant ____ generation.
 ____ I ____ out how much CO2 ____ pumped ____ each ____.
 ____ to know ____ CO2 the ____ emit when generating ____.
 ____ know which ____ plants produce ____ from ____ electricity?
 I am looking for information ____ emissions from ____ plants _____.
 ____ the ____ of CO2 from electrical ____ power plants?
 Do you have ____ information ____ CO2 release ____?
 Do you have ____ amount ____ CO2 ____ power ____ emit?
 ____ have comprehensive statistics ____ CO2 discharge ____ generation power ____?
 How ____ CO2 is ____ the power plants ____ generate ____?
 Are ____ able to ____ dioxide emissions ____ you use?
 ____ you know how ____ CO2 the ____ when producing ____?
 ____ there anything ____ about the ____ the power ____ that ____ electricity?
 I would ____ how ____ CO2 each power ____ emits ____ generation.
 ____ able to share data on ____ dioxide ____ you use?
 Do you ____ about the ____ emissions ____ power ____?
 Is there ____ information ____ each power plant?
 Did ____ give ____ about ____ emissions of CO2?
 ____ you tell me ____ carbon ____ produced ____ energy generating ____?
 Do ____ have ____ information ____ the ____ from ____ electric plant?
 ____ would like ____ know how ____ is ____ while they are ____ electricity.
 Can you ____ me know ____ the ____ emissions from ____?
 Do ____ details on ____ from ____ plants?
 Did ____ us about ____ carbon dioxide ____ the power ____?
 ____ you tell ____ much ____ is emitted by each ____?
 ____ the ____ of CO2 that a ____ emits?
 ____ are the ____ about ____ discharge of ____ from ____ generation ____?
 ____ me ____ CO2 levels in ____ power ____.
 ____ able to share data ____ from your power ____?
 ____ you have ____ individual power ____ CO2 emissions?
 Can ____ me about the ____ of CO2 ____?
 I'd ____ know ____ much ____ is ____ from the power ____ when it _____.

Can _____ data on _____ emissions _____ power plants _____ use?
 _____ there _____ of the _____ plants _____ CO2 for generating _____?
 _____ you _____ data _____ amount of _____ of power plants?

Specific _____ emissions in generating _____?
 _____ there _____ information _____ emissions per _____ facility?
 _____ you _____ the _____ on _____ emissions _____ your electricity generating _____?

I want _____ know the _____ of _____ plants emit when _____.
 _____ have information _____ CO2 _____ the power plants you _____?
 _____ you tell _____ the CO2 emissions _____ each _____?
 _____ you _____ us about _____ from the _____ plants?
 _____ you _____ CO2 _____ data _____ power plants?
 _____ you share the _____ on CO2 emissions _____ use?

Do _____ on CO2 _____ from electricity _____ plants?
 _____ any information on _____ much _____ power plant _____?

I would _____ to _____ each _____ plant emits during electricity _____.

Do you provide statistics _____ from _____ generation _____ plants?

Is _____ possible _____ power _____ CO2 emissions _____ electricity production?
 _____ get _____ on the carbon output _____ the _____ generation _____?
 _____ much carbon _____ the power _____ when generating electricity?
 _____ have information _____ sites' CO2 emissions?
 _____ comprehensive statistics _____ CO2 discharge _____ electrical _____ power plants?
 _____ would _____ to _____ how much CO2 _____ plants during electricity _____.
 _____ you _____ comprehensive statistics _____ of _____ electrical generation power plants?
 _____ you have _____ information regarding _____ release _____ plant?

I would _____ CO2 _____ released by the _____ plants during electricity _____.

_____ the lowdown _____ CO2 _____ power stations?

Can _____ find _____ much carbon _____ is _____ plants?

Is it _____ data on the _____ from electricity _____?

Do you _____ what _____ emissions _____ CO2 are from the _____ for _____?

Is _____ to share _____ every _____ generating plant?
 _____ I know the carbon _____ the power _____?

Specific information _____ from a _____ facility?

I _____ to _____ much CO2 _____ during electricity generation.

Do _____ have information _____ that emit CO2?

Do you _____ on _____ emissions _____ power plants?

Can _____ the _____ dioxide _____ at power _____ that _____ power?

Can you spill _____ on the CO2 _____ your _____?
 _____ get the _____ data from the power _____ I _____?
 _____ you record _____ from the power _____?

Do _____ have any _____ about the amount _____ power plants?
 _____ know _____ power plants _____ CO2 _____ generation _____ electricity?

Is it possible _____ power station's _____?

I _____ know _____ y'all report carbon _____ output _____ power _____.

_____ you _____ how _____ is released from _____ electric _____?
 _____ give me the _____ emissions _____ the power _____?

Are _____ details _____ the CO2 emissions _____ power _____?

CO2 _____ for each _____?

Do you _____ information _____ the _____ emissions _____ power _____ am using?
 _____ me how much _____ released _____ generators.
 _____ you report carbon _____ the _____ plants?

Specific information ____ carbon ____ emissions ____ ____ ?

Is ____ data ____ the ____ of CO2 ____ by the ____ ?

____ want ____ know if ____ is information ____ ____ each generator.

Are there ____ CO2 ____ from the ____ ?

____ know ____ the CO2 emissions ____ the power plants ____ electricity?

____ would like ____ know the levels ____ carbon ____ the ____ generate electricity.

____ you tell ____ about ____ plant ____ ?

____ provide statistics about ____ discharge ____ the electrical ____ plants?

____ find ____ on ____ each power source?

Do you know ____ CO2 ____ from ____ plants ____ generating electricity?

____ have data on ____ emissions ____ power plants?

Can I ____ out how much ____ produced ____ ?

____ any details on ____ emissions from ____ power ____ ?

____ any info on the ____ emitted ____ each ____ ?

Please ____ CO2 ____ caused ____ each power plant

Do ____ have ____ information ____ power plant's CO2 ____ ?

____ it possible ____ power plant ____ emissions ____ for ____ production?

____ a list of ____ plants that burn ____ generating ____ ?

____ you know the carbon ____ produced ____ stations?

Can you ____ details of ____ output from ____ power ____ ?

____ provide information ____ emissions ____ each power plant?

____ I understand ____ of carbon ____ power ____ that generate electricity?
