_____ you lose _____ elements contribute to _____ comeback?

_____ will _____ after a _____?

Do external _____ affect _____ long _____ us _____ get our supply _____?

Do _____ circumstances influence _____ willpower to come back?

External factors _____ power _____.

Will _____ rebound _____ gone?

_____ of _____ outside elements affect your willpower?

Do you _____ a chance _____ power _____ return _____?

Do external _____ affect the length _____ takes _____ our _____ recover?

Is _____ possible that external _____ are _____ involved _____ restoration _____?

_____ it possible _____ conditions _____ impede _____ power restoration?

_____ restoration _____ is affected _____ outside _____ too.

_____ return soon _____ an _____?

_____ power _____ come back after a break?

Will power returns _____ prolongation linked to _____?

Are external variables _____ the _____ of _____?

_____ a rebound _____ an _____?

_____ possible for power to come _____ after _____?

I _____ wondering _____ prolong the _____ of my _____ after _____ outage.

_____ external _____ prolongation after _____ power goes down?

Is _____ possible that _____ soon?

_____ be outside influences _____ a _____.

Is _____ for _____ elements to extend _____?

Can you _____ back _____ outage?

Is it possible _____ delay _____ recovery _____ will power?

Is _____ power _____ come back _____ an outage _____?

Is _____ between outer forces _____ delayed _____ of _____?

How soon will the power be _____ if there are _____ further delays?

How _____ will the power _____ back _____ there any external _____ might _____ delays?

Is it possible _____ affect _____ power restoration?

Is will power influenced _____ incident?

_____ power _____ after an _____?

Is _____ possible _____ external factors _____ delay the _____?

_____ be outside influences that are _____ for _____?

Is power going _____?

Will power will return soon, _____ external _____?

_____ electricity _____ restored quickly?

External _____ could also be _____ blame for _____

Is _____ restored _____ the outage?

_____ it possible _____ external factors are _____ for _____ restoration of _____?

_____ can _____ expect _____ restart?

_____ delay the power _____.

_____ power recovery _____ delayed _____ influences.

Is _____ power will come _____ soon after _____?

Will there _____ external circumstances _____ how _____ for _____ to come back?

_____ if there is _____ correlation between _____ power _____ external influences.

_____ long _____ it _____ me _____ bounce back after _____ power _____?

Are _____ its recovery process?

Is there any _____ time _____ to regain power _____ influences?

Will we _____ restoration of power _____ an outage?

_____ influences _____ for delaying _____ recovery?

Are these _____ variables _____ for _____?

Is _____ between _____ and the delay _____ regaining power?

_____ timeliness _____ restoration is affected by _____ as _____.

_____ there a _____ for _____ power _____ coming back _____?

_____ electricity _____ restored _____ well _____ the external impact?

Will _____ help _____ bounce _____ from this _____ loss?

Are _____ influences to _____ delayed recovery _____?

____ external ____ affect the amount ____ it ____ for ____ to return?
 ____ influences ____ stalling recovery?
 Will ____ come back ____?
 ____ the ____ be ____ on soon ____ problem?
 Is ____ between delayed regaining ____ external influences?
 ____ possible ____ external factors ____ the ____ of ____ supply to get back ____?
 ____ to outside influences that willpower ____ delayed?
 ____ a relationship between ____ restoration ____ and external ____?
 Is it ____ that ____ influences ____ responsible ____ lagging ____?
 How long ____ be ____ before ____ back on?
 Can we ____ to be ____ an ____?
 Can ____ back ____ not?
 Can ____ a ____ for ____ come back swiftly?
 ____ we expect ____ to come ____?
 Is ____ outside influences ____ delay Willpower ____?
 ____ restoration of power after ____?
 When will electricity ____ external ____ matters?
 Some people wonder ____ prolong ____ willpower ____.
 When ____ electricity ____ restored ____ does ____ impact ____?
