

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Transmission fluid leaking from vehicle
Inquiry Sub-Category	Transmission fluid leaking from the radiator
Description	Customers notice transmission fluid mixing with coolant or leaking from the radiator, prompting them to seek guidance regarding the required repairs or replacement.
Data Size	5,545 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can _____ tips _____ maintaining _____ and _____ levels _____ prevent future issues _____ this?
_____ to make sure _____ maintained?

I'm looking _____ tips _____ trans-fluid and coolants _____.

Can _____ learn more about caring _____ coolants?

Help _____ optimal transmission fluid _____.

_____ to _____ similar _____ what should _____ do to _____ proper levels of _____ fluid _____ coolant?

Can you _____ how _____ low transmission fluid _____?

How _____ issues with transmission _____.

_____ how _____ store transmission _____ coolant at acceptable _____?

Do _____ any advice about fluid _____ cooling _____?

Is _____ any _____ you _____ give _____ appropriate transmission _____ levels?

Do _____ know how to _____ correct _____ fluid?

How _____ transmission _____ and upkeep?

_____ you believe _____ can _____ how not to _____ ride _____ low transmission _____?

_____ on _____ transmission and coolant _____.

_____ you _____ tips about watching _____ and _____ better?

_____ forget to _____ your _____ on _____ keep transmission fluid _____ levels _____.

_____ keep transmission fluid _____ it?

Can you _____ advice on _____ correct levels _____ transmission fluid?

_____ I maintain the _____ transmission _____ and coolant _____ that I don't have _____?

_____ suggestions _____ on _____ levels _____ transmission fluid and coolant?

Suggestions _____ transmission _____?

_____ problems, like low _____ perhaps?

Do you _____ any _____ about fluid _____ for hassle-free _____?

Is it _____ problems tips with _____ for _____ and _____?

Ways of _____ good _____.

_____ make sure _____ fluid _____ maintained?

_____ I _____ sure _____ this doesn't _____ again if I _____ have _____ tranny _____?

____ it ____ for maintaining proper transmission fluid levels ____ problems?
 Can ____ give me ____ on ____ maintain ____ transmission fluid ____?
 ____ want ____ know ____ you can ____ me exactly ____ and coolant.
 ____ for ____ optimal transmission ____ coolant levels ____ performance.
 ____ do ____ sure ____ fluid is maintained?
 ____ on how ____ levels of transmission ____ and engine coolant?
 I ____ like ____ know how ____ correct levels ____ transmission ____ engine ____.
 I wonder ____ you ____ me how ____ transmission ____ coolant ____.
 Maintaining accurate ____ transmission fluid ____ coolant ____ preventive ____ could be ____ could share ____ us.
 Any suggestions ____ transmission fluid should be ____?
 ____ levels ____ transmission fluid ____ coolant as ____ measure is something you ____.
 ____ you tell ____ how to maintain correct ____ fluid?
 Could ____ tell me ____ to ____ levels of ____ fluid ____ coolant?
 ____ to give guidance for maintaining appropriate transmission ____?
 Is it ____ give ____ on how to maintain accurate ____ and ____?
 Is there anything you can do to ____?
 Can ____ give ____ for keeping ____ transmission ____ levels?
 ____ do I ____ sure ____ car doesn't ____ enough ____ fluid and Coolant?
 ____ we ____ more about caring ____ transmission ____ coolants.
 ____ sharing advice ____ transmission ____.
 ____ to ____ fluid ____ in ____ future ____?
 Is ____ any idea ____ against ____ issues ____ to lousy ____ coolant ____?
 What can ____ done to ____ transmission or ____?
 Suggestion for ____ optimum transmission ____ coolant ____ hassle-free performance.
 How can ____ avoid problems with ____ transmission ____?
 ____ you ____ on how to keep ____ fluid and ____?
 ____ to ____ future problems ____ fluids?
 Can we ____ about how ____ care ____ and ____?
 I'd ____ know ____ prevent ____ with low ____ fluid.
 ____ it possible ____ me exactly ____ to ____ transmission ____ coolant?
 Share tips on how ____ correct transmission ____ problems ____ the ____.
 ____ do ____ make ____ I ____ to worry ____ car ____ up ____ if I don't ____ enough ____ fluid
 ____ on ____ prevent problems with ____ transmission fluid.
 ____ suggestions ____ how to ____ the ____?
 Any suggestions ____ what to do with ____ fluid ____?
 What is ____ secret to ____ transmission fluid ____ levels ____?
 ____ there ____ future ____ with the transmission fluids?
 ____ good transmission fluid?

 ____ suggestions on ____ to keep transmission ____ safe?
 You can share ____ on ____
 If ____ want to avoid any ____ issues, ____ I ____ maintain proper transmission ____?
 ____ you tell me ____ I ____ and coolant?
 How ____ with transmission or ____?
 ____ can ____ me how to ____ coolant.
 To ____ problems down the ____ some tips on ____ correct ____ and ____
 ____ what to do with transmission ____ and ____ levels?
 ____ you ready ____ about ____ for ____ fluids ____ to issues?
 ____ there ____ to ____ mistakes in ____ liquids?

I would like to know how _____ of _____ coolant as a preventive _____.

Is _____ advice _____ levels to avoid _____ like this?

Suggestions on what _____ and _____ should _____ taken care _____.

Do you _____ ideas _____ maintain appropriate transmission fluid levels _____ avoid _____?

Advice to _____ future issues _____?

Do you have _____ ideas _____ to _____ trans-fluid _____ coolants?

What _____ I _____ prevent _____ junk from happening _____ and coolants?

Is there _____ prevent _____ this by maintaining proper transmission _____ levels?

Do _____ have _____ instructions on _____ tranny _____?

_____ talk _____ for transmission _____.

Care _____ transmission _____ issues?

Do you _____ on maintaining _____ liquid _____?

_____ you _____ to screw _____ my ride _____ low transmission juice and _____?

_____ able to _____ me how _____ problems like _____ fluid _____?

Suggestions for maintaining optimum _____ and _____ should _____.

_____ advice regarding maintaining _____?

_____ not _____ my ride with _____ transmission juice and cooling?

Advice on _____ should be shared.

_____ let _____ know how _____ maintain correct _____ fluid.

_____ advice _____ transmission levels up.

Can someone tell _____ about caring for _____.

_____ it possible to give some insight _____ levels of _____ as a _____ measure?

Is _____ advice on _____ right _____ transmission fluid?

Have _____ thought _____ ways to _____ gearbox liquids?

How can _____ fluid _____ in check to _____ problems?

_____ suggestions about watching trans-fluid _____?

Are there tricks _____ to _____ mistakes _____ gearbox _____?

_____ you _____ any advice _____ up _____ transmission fluid _____ Coolant levels?

Ready to _____ care of _____?

_____ how the transmission fluid and _____ kept?

Can you _____ tips on _____ to _____ and coolant levels?

Suggestions _____ keeping _____ freshness?

_____ on _____ levels of transmission _____.

_____ am _____ of advice on _____ transmission fluid _____ coolant levels.

_____ you know _____ prevent me from _____ with low transmission juice _____ cooling _____?

_____ how to care for transmission _____ before _____?

How do _____ make _____ my _____ mess _____ again without _____ fluid _____ coolant?

_____ provide ways _____ good _____ fluid?

Ways _____ keep transmission _____?

It's a _____ to _____ to _____ transmission fluid and levels _____.

_____ any similar _____ what should _____ do to _____ proper _____ fluid levels?

_____ sharing _____ proper transmission fluid and coolant _____ to prevent _____?

_____ for maintaining _____ transmission _____?

I _____ to know _____ advice _____ messing up the _____ fluids.

_____ we _____ about _____ for transmission _____ and coolants?

_____ do we _____ for _____ transmission?

How _____ prevent _____ low transmission _____ and coolant?

_____ suggestions _____ to the _____ levels _____ transmission _____ and _____?

Seeking guidance _____ prevent similar _____ appropriate _____ and cooling _____.

Do _____ about fluid levels for _____ transmissions?

How ____ maintain ____ for ____ issues.
____ it ____ to advise ____ coolant ____ for transmissions?
How do ____ make ____ car doesn't get ____ I don't have ____?
How to keep ____ high ____?
____ do you ____ levels in check ____ future problems?
How do I ____ sure my ____ enough tranny fluid and ____?
____ recommendation on fluid and coolant levels ____ transmissions?
How ____ make sure ____ car doesn't ____ up ____ again without enough ____ Coolant?
____ keep ____ and coolant levels in good ____?
Is there ____ you ____ give about ____ and coolants ____?
Can you tell me ____ prevent ____ fluid.
Are you able ____ tell me ____ do ____ transmission ____?
____ have any ____ how to ____ fluid ____ levels correct?
Suggestions to maintain ____ and ____ levels will ____ performance.
Is there ____ idea ____ more ____ fluid and coolant upkeep?
Are ____ share ____ knowledge about ____ for ____ fluids?
____ you give ____ on ____ to ____ correct levels of ____ fluid?
Is there ____ information ____ can ____ on ____ trans-fluid and ____?
How ____ we ensure ____ fluid?

How do ____ sure this doesn't ____ again ____ enough ____ coolant?
Maintaining ____ as a ____ measure ____ be something you could ____ me.
____ you ____ me ____ pointers about watching ____ better?
In ____ any similar issues, ____ should ____ take to maintain ____ transmission fluid?
I would like ____ know ____ low transmission fluid.
Is it ____ to ____ what ____ do ____ transmission ____ coolant?
____ to ____ the ____ fluid?
There is need ____ input on safe ____.
____ help maintaining correct levels ____ transmission ____ and ____ coolant.
____ need ____ keeping ____ right amount of ____ fluid.
How ____ with transmission ____ coolant?

_____ to _____ fluid _____ coolant levels _____?

Share tips _____ levels.

_____ on _____ preserve _____ levels.

_____ think we _____ in gearbox liquids?

Is it _____ you _____ guidance _____ appropriate transmission fluid _____?

_____ information can be _____ about _____ oils and _____?

_____ possible to give _____ insight _____ maintaining _____ transmission fluid and _____ levels _____ a _____?

Do you _____ any _____ how _____ problems _____ low _____ fluid?

I _____ know what _____ so this doesn't _____ my trans _____.

_____ able to tell me how to _____ low _____?

_____ you _____ how to keep _____ transmission _____ and _____ levels?

_____ need _____ input _____ how _____ keep correct levels _____ and _____ coolant.

_____ we _____ errors in gearbox liquids?

_____ to avoid _____ issues, what _____ should _____ to _____ proper levels _____ transmission fluid.

Do _____ have any _____ about _____ trans-fluid _____ better?

_____ not to _____ my ride with _____ juice and cooling?

_____ you _____ any recommendations on how _____ flow?

I _____ to know _____ tell me precisely _____ do with _____ coolant.

_____ speak _____ caring for _____ fluids?

_____ there _____ way to _____ trans- _____ and coolants _____.

How _____ sure the levels _____ fluid _____ maintained?

_____ do _____ keep _____ transmission _____ and _____ levels consistent?

_____ to keep _____ up _____ issues?

_____ tell _____ how _____ appropriate transmission _____ and coolant levels?

How do I _____ my car doesn't _____ road _____ without _____ fluid and _____?

Can you give me _____ and coolants?

Can you show _____ and coolant?

_____ to _____ transmission fluid _____.

What _____ to make _____ doesn't happen _____ trans fluids again?

Is there a _____ to keeping _____ fluid and _____?

Is it _____ to _____ guidance _____ appropriate transmission _____ and _____.

_____ it _____ to advise _____ fluid _____ coolant _____ for _____ transmissions?

Can _____ me how _____ keep _____ fluid and levels?

_____ you _____ insights _____ of _____ problems _____ preserving fluids adequately?

Do you _____ anything about _____ of _____ fluid _____ coolant as _____ preventive _____?

Ways to _____ transmission _____.

_____ you have any _____ to keep transmission fluid _____ levels _____ them.

Can _____ teach _____ how to _____ ruin _____ ride _____ transmission juice _____?

Do _____ have _____ advice to keep the _____ transmission _____?

Can _____ show me _____ regulate _____ transmission _____ coolant?

_____ what I should _____ prevent _____ from _____ again with _____ trans fluids?

How do _____ fluid _____ for _____ transmission _____?

Do you _____ any suggestions _____ of transmission _____ and _____?

How _____ I make sure _____ if _____ don't have enough _____ fluid and coolant?

_____ and level management should _____ used _____ prevent _____ problems.

_____ there any _____ you can give about watching _____?

Did you have _____ advice _____ messing _____ the _____ levels?

_____ ready to _____ about caring for _____?

How _____ I avoid _____ low _____?

I want to _____ how _____ up _____ transmission fluid and _____.

How to _____ transmission or _____?

_____ there _____ way _____ maintain _____ correct _____ of _____ and engine cooling?

_____ avoid any similar issues, _____ steps _____ levels of transmission fluid and _____.

_____ should _____ do _____ maintain _____ levels so that _____ don't _____ any similar _____?

_____ accurate levels of _____ coolant _____ a preventive _____ could _____ give me _____?

How _____ I _____ levels high _____ future transmission _____?

_____ some instructions _____ tranny liquid flow?

_____ advice on _____ transmission levels.

Seeking _____ similar _____ proper transmission _____ level management.

Can you _____ up my _____ with _____ transmission juice _____ cooling stuff?

_____ to maintain _____ good _____.

_____ of advice _____ not messing _____ fluid and _____ levels.

Is _____ on watchings _____ and coolants _____?

_____ to _____ correct _____ of transmission _____ engine cooling _____?

Do _____ know how to _____ problems _____?

_____ can _____ watch _____ coolants better?

_____ do _____ issues _____ transmission fluid?

_____ I maintain proper levels _____ fluid _____ coolant _____ to _____ similar issues?

_____ we have _____ to _____ errors _____ gearbox _____?

I _____ for _____ on not messing _____ transmission fluid _____ coolant _____.

How _____ I _____ no _____ issues with _____ transmission fluid?

_____ way to maintain _____ transmission fluid and _____ coolant _____?

_____ any _____ for _____ with transmission or coolant?

I'm _____ of advice on not _____ up _____ and Coolant _____.

_____ any advice _____ not messing the transmission _____?

_____ avoid _____ similar issues, what steps _____ take _____ levels of transmission _____ and coolant?

Keeping accurate levels of _____ coolant as a _____ could be _____ you _____ with _____.

_____ able to give _____ for maintaining _____ transmission _____ to avoid _____ problems.

Is _____ possible _____ give guidance _____ maintaining the _____ fluid?

_____ it possible to tell _____ regulating _____ coolant?

_____ can offer advice _____ levels.

Is there _____ guidance _____ for maintaining _____ fluid and coolant _____?

_____ can _____ my transmission fluid _____?

Ways _____ keep _____ fluids?

_____ instructions on _____ tranny liquid _____?

What _____ I _____ happening _____ with my trans fluids?

Ensure hassle-free _____ suggestions _____ optimal transmission fluid _____

_____ transmission fluids _____ maintained _____?

Can you _____ about caring for _____ arise?

_____ it _____ to _____ me _____ regulate transmission & _____ precisely?

_____ want to _____ and coolant levels _____ transmission.

Is _____ possible _____ give _____ accurate levels _____ fluid and coolant as a _____?

How _____ we _____ fluid _____ coolant _____?

_____ need _____ instructions on how to _____ liquid _____?

_____ to educate me on how _____ to _____ ride by using _____ transmission _____ cooling stuff.

_____ quick suggestions _____ keeping _____ fresh.

_____ way to prevent disasters _____ the transmission _____?

_____ keeping the proper _____?

What _____ tell us _____ maintaining accurate _____ both transmission _____ coolant as _____ preventive _____?

_____ how to maintain _____ transmission _____ and levels.

_____ to _____ transmission _____ optimal levels?
_____ you _____ caring _____ transmission fluids?
Information _____ for transmission fluids _____.
_____ provide suggestions _____ maintaining optimal _____ fluid _____.
_____ we avoid making _____ liquids?
Do you _____ how to watch _____ and coolants _____?
_____ to _____ fluid _____ maintain it?
