

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Privacy and security concerns
Inquiry Sub-Category	Location tracking and geolocation data
Description	Inquiries related to the collection, storage, and sharing of geographic information, as well as how to control or disable location tracking features on devices or within apps.
Data Size	5,012 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Will ____ off ____ other ____ such ____ navigation ____ that require it?

Will ____ still work if ____ are ____?

____ does disabling ____ services ____ navigation ____?

Will ____ apps work ____ disabled?

Will disabling ____ location ____ the ____?

____ location services affect ____ navigation ____?

____ off locations impact ____?

____ disabling location ____ navigationAPPS

____ off ____ services ____ navigation features?

____ be ____ off or ____ the ____ be ____ with navigation features?

Is ____ possible that disabling ____ services ____ affect ____?

Does ____ services affect ____?

____ like ____ be affected by turning off ____.

Would ____ the Localization ____ navigation ____?

____ stop ____ services, should my ____ applications be ____?

____ location affect ____ software?

Does ____ navigation

____ off location ____ hurt ____ features?

____ want ____ know ____ disabling ____ will affect ____ abilities.

____ disabling location ____ hurt ____?

____ the turning ____ services ____ navigation features?

How ____ disabling location services ____?

Is ____ navigation apps affected ____ location service ____?

____ I turn ____ settings off, what ____ to ____?

Does switching off ____?

____ location settings ____ off, what ____ to navigation ____?

____ apps and related ____ could ____ jeopardized by the ____ of ____ services.

How does disabling ____ services ____?

____ disabled affecting navigation ____?
 ____ disabling going ____ affect ____ apps?
 ____ my location ____ abilities?
 ____ impact ____ worse if ____ or if location ____ is turned off?
 ____ locator function ____ navigation applications.
 ____ possible ____ location ____ would disrupt ____ navigation tools?
 ____ location service ____ off ____ navigation features affect ____ impact?
 When I turn ____ happens ____ like navigation software?
 ____ does turn ____ location ____ apps?
 Will ____ of location ____ navigation ____?
 Is ____ possible ____ Location Services ____ disrupt ____ apps?
 Is ____ that disabling location ____ will affect ____?
 How will abandoning location ____?
 Do ____ location ____ tools?
 How does ____ location ____?
 The functioning ____ navigation ____ and ____ elements might ____ compromised ____ the ____ location ____.
 ____ possible ____ my ____ applications to be affected ____ I lose ____?
 Will location service ____ turned ____ other ____ or ____ impact be worse ____ navigation features requiring ____?
 How will ____ location ____ impact ____?
 The functioning ____ apps ____ elements ____ be ____ location services are ____.
 ____ disabling ____ features such ____ the navigation apps?
 Will ____ location affect ____?
 ____ disabling ____ services have ____ effect ____?
 ____ disabling location ____ applications?
 ____ the navigation ____ work ____ services are disabled?

_____ will be _____ location _____ the _____ be worse _____ navigation features that require _____.

Wouldn't _____ performance of navigation tools _____ function was _____?

_____ off location _____ affect navigation _____?

_____ does _____ navigation app use?

_____ effect _____ that requires _____ services?

How _____ disabling _____ affect _____?

_____ the performance _____ be affected _____ was deactivating?

Would the _____ navigation _____ be _____ deactivating location function?

_____ disabling location going to _____?

_____ down _____ services affect _____ features?

_____ disabling _____ navigation apps?

_____ does _____ a _____ service _____ navigation component?

_____ disabling _____ affect _____ navigation apps?

Will _____ out _____ affect _____ apps?

Will _____ impact _____ if there _____ navigation _____ that need _____ if location _____ is _____ off?

_____ it _____ to switch off _____ services _____ disrupt features _____?

Is _____ to turn off _____ impact navigation _____?

How _____ disabling _____ locator function _____ navigation _____?

Will _____ of _____ locator function _____ navigation _____?

_____ might _____ navigation tools

Is turning off _____?

_____ disabling location _____?

How _____ disabling the _____ affect _____ apps?

_____ does turning _____ locational _____ applications?

If location services _____ will _____ impact be _____ features?

_____ if disabling location _____ affect navigation _____?

_____ to _____ location services will affect _____ apps.

_____ location will affect _____.

_____ navigation apps _____ work after _____ are disabled?

_____ the absence _____ affect navigation?

Is _____ services _____ impact on _____ features?

Does _____ navigation?

Will _____ tracking hurt the _____?

I wonder _____ deactivating location services _____ navigation _____.

Would _____ location _____ the performance of _____?

Will disabling _____ function _____ apps?

_____ that the _____ navigation _____ and related _____ be compromised by the _____ of _____ services.

How would disabling _____ affect _____?

Is it possible _____ the deactivation _____ location _____ affect _____ functioning _____?

How _____ disabling _____ affect _____?

Will navigation _____ after _____ services?

_____ off locations _____ navigation _____ things?

_____ disabling _____ hamper _____ apps?

_____ disabling _____ function affect _____ apps?

_____ the impact _____ worse _____ navigation features that require _____ or _____ service be _____ features?

Will _____ Location Services _____ navigation?

_____ on my navigation _____ I stop using location _____?

_____ leaving _____ affect navigation _____?

Will _____ services harm navigation _____?

_____ location _____ be _____ to affect navigation _____?

_____ services undermine navigation?

_____ effect on my navigation applications _____ stop location _____?

_____ the _____ to _____ services affect _____?

_____ turning off location _____?

_____ deactivating location _____ applications _____ well?

Will _____ location _____ affect _____?

Will _____ still work _____ I have location _____?

Can _____ of _____ important _____ uses?

navigation applications will be _____.

How does _____ location _____ app _____?

_____ location _____ turned _____ impacting _____ features?

Would _____ affect the _____ tools?

_____ functioning _____ navigation _____ elements could be _____ affected by the deactivation _____.

_____ need _____ services _____ be _____ by turning off _____ services.

Is turning _____ location _____ navigation _____?

Does _____ locations _____ navigation?

Will _____ that requires _____ services.

Can _____ still work if _____ services?

Does _____ services have _____ navigation apps?

_____ I _____ off _____ what _____ to my _____ software?

_____ the performance of navigation _____ affected _____ location _____ disabled?

Is it _____ navigation applications _____ affected if _____ uninstall location _____?

Is _____ possible _____ switches _____ locations compromise navigation _____?

_____ deactivating _____ affecting navigation APPS?

How will _____ of _____ navigation apps?

Will _____ a _____ app?

If _____ location _____ feature, what effects _____ it have _____ navigation _____?

Will the navigation _____ by the _____ of _____?

How _____ the locator _____ apps?

Will it affect features _____ depend _____ services?

_____ using location _____ my navigation applications _____ affected?

Will _____ services affect navigation _____?

Is _____ going _____ change _____ applications?

Will the _____ worse _____ that require it, _____ will _____ be turned _____?

Would deactivating _____ performance of _____ tools?

_____ disabling the locator function _____?

_____ deactivating location _____ navigation _____?

How will _____ navigation apps?

_____ turning off location _____ features _____ app-based _____?

Will _____ my location affect _____?

If _____ should _____ any _____ consequences _____ features such as navigation?

Will _____ elimination _____ location services _____?

Will disabling _____ navigation apps?

If location _____ disabled, should _____ expect negative _____ features _____ navigation?

_____ ways _____ turning off location _____ affect _____ apps?

Is _____ location _____ navigation _____?

Will _____ location _____ affect navigation?

_____ off _____ with navigation features?

_____ I _____ location settings, _____ happens _____ features _____ navigation software?

What happens to _____ turn off _____ location _____?

Is _____ impact on _____ apps?

Will disabling _____ services _____?

_____ services _____ navigation apps?

Deactivating _____ may _____ navigation _____ as _____.

If I _____ settings, _____ I _____ any negative consequences _____ such _____?

_____ disabling location services _____ navigation _____?

What happens _____ navigation software _____ off the location _____?

Will _____ affect navigation applications?

Is _____ off _____ navigation _____?

_____ disrupting _____ affect navigation?

_____deactivating _____ services _____ applications?

Would _____ location services _____ ?

_____ of navigation _____ may _____ jeopardized if _____ services are _____.

_____ is it on navigation applications _____ locational services _____ ?

_____ disabling _____ harm navigation?

Do _____ location _____ applications?

Deactivating _____ services could _____ tools.

_____ location _____ affect _____ tools

_____ the impact _____ if navigation _____ to be used or if _____ turned _____ ?

_____ happen _____ navigation apps _____ services _____ turned off?
