

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Complaints regarding customer service
Inquiry Sub-Category	Inconsistent meter readings
Description	Customers question discrepancies in the meter readings and request accurate measurements to be reflected on their bills.
Data Size	5,095 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Are there any _____ with the _____ could account _____ readings and billing?
_____ you know _____ with the _____ technology _____ explain _____ discrepancies in _____ readings and _____?
Do _____ any issues with _____ metering _____ that _____ explain _____ discrepancies _____ readings _____?
_____ there _____ problems with _____ of your meter system _____ discrepancies _____ your invoices?
_____ with metering _____ deviations?
Do you _____ issues with the _____ that _____ affect billing?
_____ there fault _____ tech?
_____ from defects that _____ cause differing billing _____ reading?
_____ anything known about _____ technology _____ account for _____ in reading _____?
Do _____ meters cause _____ billing _____?
_____ issues with your metering _____ that _____ cause _____ in _____ charges?
Do you _____ about _____ with the _____ in _____ and billing?
Is there _____ metering _____?
_____ you _____ of any _____ with _____?
_____ you have _____ issues _____ meter _____ bills?
_____ flaws _____ your _____ tech make _____ readings _____ billings _____?
Is _____ any _____ tech _____ the meters?
_____ readings _____ may _____ result of metering technology troubles.
_____ a fault in _____ tech that causes _____?
_____ be problems with _____ impacting _____?
Is there _____ about _____ metering technology _____ could _____ in reading _____ billing?
Are there any _____ problems with _____ functioning _____ system that _____?
Do you _____ any _____ with _____ metering _____ that might explain _____ discrepancies _____?
Do _____ current metering systems _____ that could _____ discrepancies _____ billing?
_____ there any flaw with _____ makes _____ readings _____ bills wrong?
_____ with _____ metering technology that might cause discrepancies?
Do _____ metering _____ have flaws _____ explain discrepancies in _____?
_____ you _____ there are _____ with _____ functioning of your _____ system _____ could _____ discrepancies in _____?
Do _____ with meters _____ billing data _____?
Is _____ an _____ with _____ that might _____ discrepancies _____ readings _____ charges?
_____ anything _____ the meter that _____ a problem?

Is _____ details due to _____?

_____ that _____ meter _____ to blame _____ my bill being different?

Problems with _____ explain why things _____ adding _____.

_____ the _____ metering systems have any _____ explain _____ in readings?

Is _____ free from defects _____ could _____ variations _____ and billing?

What _____ with _____ meter technology that _____ billing?

_____ with _____ technology _____ why _____ aren't adding up correctly.

_____ could _____ with _____ functioning of _____ meter system _____ could _____ measurement and invoices.

Is _____ something _____ with _____ meter _____ could cause _____ readings and _____?

_____ there _____ metering tech that causes _____?

_____ conflicts may be _____ by _____ tech.

_____ have any _____ if _____ system is malfunctioning?

_____ a chance _____ technology _____ why things aren't _____ up correctly?

_____ with the meters _____ discrepancies _____ the _____ data?

Is _____ true _____ tech issues _____ meter accuracy _____?

_____ there _____ the meter that _____ a difference?

Do _____ metering systems _____ any _____ could cause _____ in _____?

Is _____ anything _____ the _____ technology _____ can _____ for _____ in _____ and _____?

Do you _____ with _____ technology _____ lead _____ discrepancy between readings and charges?

Do you know of _____ your metering technology _____ would _____ between _____?

_____ there _____ with the _____ that _____ cause _____ in readings?

_____ possible that metering _____ issues _____ readings and charges?

Is the _____ free of _____ defects _____ could explain _____ reading?

_____ you know _____ are _____ with _____ metering _____ that can _____ discrepancies?

Are there any problems with your _____ that _____?

Are there any _____ with the _____ technology that _____ discrepancies _____ readings _____?

_____ you _____ of _____ the metering technology that could _____ disparity between _____?

Do _____ know of _____ known issues with the _____ that _____ cause the discrepancies _____?

_____ readings or _____ are possible from meter _____.

_____ metering technology _____ account for _____ in _____ and _____.

_____ meters have _____ lead to _____ billing data?

Do _____ are _____ issues _____ your meters _____ affect accurate _____ and billing?

Your meter _____ flaws _____ make my _____ and billings _____.

_____ in the _____ affecting _____?

_____ faulty _____ the cause of _____?

Is _____ an _____ with _____ affects _____?

_____ issues with _____ technology affecting _____?

Have there _____ problems _____ impacting _____?

Is _____ meters affecting readings?

_____ may _____ something known about _____ technology _____ could _____ discrepancies in reading _____.

_____ the _____ free of known _____ variations in _____ and billing?

_____ fault _____ metering tech causing _____?

Is _____ known _____ metering _____ that cause discrepancies in _____ billing?

_____ metering technology _____ from defects that _____ in reading _____ billing.

Do you have information about _____ affect _____ billing?

There may _____ with the functioning _____ system _____ cause discrepancies.

_____ current metering _____ any _____ that _____ explain discrepancies in _____?

Are _____ issues with _____ metering _____ that could explain the discrepancies _____ the _____?

_____ you _____ meter system _____ messed _____ would cause _____ numbers on _____ statement?

Do you know _____ with your _____ that _____ lead to _____ readings _____ charges?

_____ that may _____ meter accuracy.

_____ be _____ by _____ tech troubles.

Is there _____ causes reading discrepancies?

_____ have any issues _____ metering _____ that _____ in readings and charges?

_____ conflicts _____ caused by _____ tech _____.

Do _____ any issues _____ your metering _____ might cause discrepancies _____ and _____?

_____ know _____ problems _____ the _____ of your meter _____ that _____ cause discrepancies?

Is there any _____ the _____ would _____ in _____ readings and billing?

Is _____ anything known _____ technology _____ cause _____ in bills?

Is there _____ meter tech _____ make my _____ and _____ wrong?

Do you _____ the _____ system _____ causes _____ numbers on _____ statement?

What if there _____ issues with meters _____ to _____?

_____ you noticed any issues _____ that _____ cause discrepancies?

Do _____ if _____ with the metering technology _____ readings?

_____ discrepancies are _____ metering tech _____?

Do _____ know _____ any _____ the _____ technology that _____ discrepancies in _____?

_____ there problems _____ the _____?

Do you _____ any metering issues _____ and _____?

Is there any _____ glitch that _____ meter _____?

Did _____ find any issues with your metering _____ that _____ charges?

Do _____ about _____ problems _____ metering _____ that _____ cause discrepancies?

Do meters _____ issues _____ data?

Is there a problem _____ metering _____ discrepancies _____ readings and _____?

Is there _____ issues with _____ technology can _____ in _____?

Do _____ with meters _____ incorrect _____?

_____ meters have _____ cause _____ data to _____ inaccurate?

Is _____ metering _____ faulty that _____ incorrect _____ details?

_____ you know any _____ the _____ that would explain the discrepancies _____?

Is there _____ about _____ technology that would _____?

Some _____ meter _____ wrong bills.

_____ with metering tech could _____ blame _____ billing _____.

_____ readings _____ excessive bills _____ the result _____ meter _____ troubles.

_____ you know _____ are any known _____ metering technology _____ discrepancies in the readings _____ billing?

_____ any metering tech _____ that _____ discrepancies.

_____ you know _____ with metering?

_____ you _____ anything _____ metering technology that might _____?

Do you _____ of any metering _____ might _____?

Are there any _____ are related _____ the meter _____?

Do _____ problems with _____ cause _____ billing _____?

There could _____ with _____ metering _____ that could _____ the _____.

_____ know _____ any _____ issues _____ would _____ the discrepancies in _____ readings and _____?

_____ there any information _____ that _____ in readings and billing?

Is _____ any _____ with _____ could explain discrepancies _____ readings _____ billing?

_____ it possible _____ meter tech _____ not _____?

_____ any _____ with _____ discrepancies in billing data?

Do you _____ if _____ your metering _____ that might cause _____ between readings _____ charges?

There are _____ with metering technology _____ can _____.

_____ there _____ in _____ accurate reading and billing?

Are there any issues with the _____ billing _____?

Is it _____ that _____ with metering _____ can lead _____?

Is ____ possible tech ____ meter ____ in ____?
____ discrepancies in ____ and billing ____ may be ____ metering ____.
____ there known problems ____?
Problems ____ can affect bill.
____ possible that faulty metering ____ to incorrect billing ____?
____ about the ____ technology that could ____ for discrepancies ____ and reading?
____ any issues been identified ____?
Does ____ metering tech ____ details?
____ are any ____ with technology ____ meter errors ____ my ____?
Is ____ something wrong with ____ a problem?
Is ____ known about ____ cause discrepancies in ____?
____ the ____ tech in question is faulty?
There could be ____ with the ____ that ____ explain ____ billing.
____ it ____ that issues with metering ____ lead ____ in ____ and ____?
Are there ____ known issues with ____ that ____ billing?
Is there ____ glitch ____ that explains ____ meter ____?
____ there ____ meters affecting readings?
____ there ____ in the technology ____ explains meter ____?
Is there any ____ that ____ account for ____ in ____ billing?
____ bills ____ be caused by problem ____.
Is ____ metering ____ of known ____ that could cause ____?
____ have any issues ____ your ____ technology that ____ cause differences ____ and ____?
____ with ____ meter ____ affect ____?
____ with meter ____ causes ____?
Is ____ any ____ with ____ technology that could ____ discrepancies in ____?
Is ____ known issues with the ____ technology ____ could ____ the discrepancies ____ and ____?
Are ____ flaws ____ your ____ that make ____ and billings wrong?
____ could be issues ____ meters that lead ____ data.
Is ____ any flaws with ____ my readings ____ incorrect?
Is there anything ____ the meter ____ a ____?
There ____ the meters?
____ with the functioning of ____ meter system ____ cause discrepancies in measurements ____.
Do you know if ____ are ____ technology?
____ you ____ of any ____ issues with ____ technology ____ would explain ____ discrepancies ____ the ____?
____ current metering ____ that could ____ discrepancies in ____ and ____ billing?
____ any ____ with ____ cause ____ in the ____ data?
____ issues with the ____ of your meter system that ____ cause discrepancies?
____ bill may be ____ with the meter ____.
Incorrect bills may be ____ tech.
There could ____ problems ____ of ____ that ____ cause discrepancies ____ the invoices.
____ with the meters ____?
billing ____ be caused ____ metering ____
____ meter ____ bills to be ____?
____ the ____ metering systems ____ any flaws that ____ cause ____ in ____?
Do ____ any known problems ____ the functioning ____ system that ____ cause ____ measurements ____ invoices?
____ any flaw in your ____ tech ____ readings and bills ____?
Do you know if ____ are ____ issues ____ technology that ____ in ____ reading?
There might be problems ____ the ____ technology ____ for ____ in ____.
Are there any ____ that lead to ____ billing ____?
Is ____ meter ____ wrong ____?

Do ____ know ____ with ____ metering ____ are to ____ for the ____?

____ with metering technology ____ and ____?

____ if ____ technology ____ cause discrepancies in billing?

____ tech problems ____ to incorrect ____?

There ____ metering tech issues ____ discrepancies.

Is the ____ issues that ____?

Is ____ what ____ technology ____ in readings ____ billing?

Is ____ that leads to inconsistencies in readings and ____?

Is ____ cause of incorrect billing ____ for ____?

____ the metering ____ faulty that ____ to ____?

____ anything ____ with the ____ that could cause differences ____?

Do any ____ the meters ____ discrepancies ____ data?

____ you ____ of ____ issues ____ metering technology that would ____ discrepancy ____ the readings?

Is ____ that issues with ____ inconsistencies in readings?

What metering technology problems ____?

____ the ____ have ____ inherent flaws that can ____ in readings?

Is the ____ technology ____ defects ____ in reading and billing?

____ you ____ any ____ problems ____ the ____ your meter system?

Some metering ____ issues ____ and ____.

Is it possible that ____ have ____ accurate ____ and ____?

Problems with ____ technology impacting ____?

____ faulty ____ tech ____ to ____ for the ____ see on ____ bill?

____ that affect meter accuracy?

Do any ____ billing data?

Billing conflicts ____ caused ____ flaws.

Is ____ issues ____ that impact ____?

____ you know ____ known ____ with ____ that ____ explain discrepancies ____ readings and ____?

Is ____ troubles ____ meters ____ bills?

Is the ____ technology free ____ that ____ differences ____ and reading?

Can ____ me ____ issues ____ metering technology ____ lead ____ inconsistencies?

Do you know ____ any ____ metering technology ____ discrepancy ____ and charges?

Do you ____ of ____ metering technology that would ____ the ____?

____ metering ____ is possible to ____ things aren't ____ correctly.

Do ____ know ____ issues with ____ metering technology ____ affect ____ and ____?

____ any known issues with the metering ____ cause ____?

____ meter ____ causes billing ____?

____ it possible that my ____ incorrect because ____ your meter tech?

Can you tell ____ are ____ with metering technology ____ to ____?

Wrong ____ could be the result of ____ technology ____.

____ may ____ with the meter that ____ accuracy

There ____ issues ____ metering ____ that ____ for the discrepancies.

Are there any ____ the ____ that cause ____ in readings ____?

____ you ____ there are ____ issues with ____ technology ____ might ____ disparity?

Is there ____ technology ____ cause ____ in ____ and billing?

____ or excessive ____ be caused by ____ technology ____.

Do any ____ with ____ lead ____ with billing ____?

____ with ____ meter technology ____ affect ____.

Do ____ any issues ____ technology that ____ in reading ____ billing?

____ it related to ____ tech ____?

____ there a flaw in ____ meter ____ the ____ in ____?

_____ issues with metering technology that _____ readings _____ charges?

Is _____ metering _____ free _____ could explain variations _____ and billing?

Wrong readings or _____ be _____ of metering technology _____.

Is _____ functioning of your meter system that could potentially _____?

Do you know if _____ with the _____ that _____ discrepancies _____ reading and billing?

_____ you know of any _____ discrepancies in readings _____ charges?

Is _____ tech for billing?

Do you know _____ the _____ is _____ cause inconsistent _____ the statement?

_____ of any issues _____ metering _____ that could _____ the _____ in the _____?

_____ anything _____ with the _____ that _____ the difference?

_____ with the metering _____ could _____ for discrepancies in readings?

_____ be metering tech _____ that _____ discrepancies.

Do _____ know _____ are _____ issues with _____ accurate reading _____ billing?

Is anything known _____ technology _____ cause _____?

_____ the _____ metering _____ have flaws _____ could _____ in billing?

Wrong readings or excessive bills _____ result _____ troubles.

Is there any _____ the _____ technology _____ could explain _____ in readings _____?

_____ metering technology free of known _____ variation _____ billing?

Do you know _____ metering technology that _____ discrepancies _____ billing _____ reading?

_____ there _____ meters that leads to discrepancies in _____?

_____ you _____ of any _____ with your metering _____ that might lead _____ and _____?

_____ there _____ any problems _____ the _____?

Are _____ any problems in _____ behind meters _____?

I _____ discrepancies _____ are caused by faulty meter _____?

_____ errors may be explained by _____.

Is there _____ meter _____ billing errors?

_____ errors _____ be caused _____ in metering _____.

_____ known _____ metering technology that _____ lead to discrepancies in _____ and _____?

_____ of _____ known issues with the metering _____ affect _____?

Is there _____ issue with _____ metering _____ that could _____ in _____?

Any problems with _____ that explains the _____?

Are _____ of _____ meter system that could cause _____ in your _____ and measurements?

Can there be _____ meter _____?

_____ flaw _____ your meter tech making _____ and _____ incorrect?

Is _____ that _____ issues _____ metering technology _____ inconsistencies _____ readings?

Do _____ have _____ problems related to _____ functioning of _____ meter system _____ in your _____?

Are there any _____ your _____ that _____ between readings and _____?

_____ there anything wrong with _____ tech _____ readings and _____ incorrect?

Do _____ know _____ any _____ to the _____ system that _____ cause discrepancies?

_____ possible that _____ wrong with the _____?

Is _____ possible _____ my _____ is different due _____ meter _____?

_____ you _____ about any _____ with _____ metering _____ that cause discrepancies _____ and _____?

_____ there something wrong _____ meter _____ cause problems?

_____ you know of any known issues _____ the _____ technology _____ affect _____?

Do _____ any _____ the _____ technology that would explain the _____ readings _____ billing?

Is _____ any _____ metering _____ can _____ discrepancies in readings?

Is the meter malfunctioning _____ can cause _____?

_____ you _____ if _____ can lead to inconsistencies _____?

Is the meter _____ that _____ differing _____ and _____?

Is _____ flaw with the _____ tech _____ my _____ and _____ incorrect?

____ readings ____ excessive bills ____ by meter ____ troubles.
 Do ____ know ____ any ____ with ____ technology ____ could explain discrepancies in ____ billing?
 Do the ____ have any ____ could cause ____ readings ____ subsequent billing?
 Have there been ____ the ____?
 Reading discrepancies ____ caused ____ metering ____ issues.
 ____ culprit behind bill ____ problems?
 ____ meter tech ____ the wrong ____?
 ____ are some issues with ____ metering technology ____ cause ____ readings ____.
 ____ your meter ____ that cause ____ readings and ____ be incorrect?
 ____ the meter technology ____ wrong ____ excessive bills.
 ____ you ____ known ____ with the metering technology that would cause ____ in ____?
 Is ____ technology free ____ defects ____ explain ____ differences in ____ reading?
 Problematic metering technology ____ explain ____ aren't ____ out ____.
 Do the current ____ systems have any ____ flaws ____ in ____ and ____?
 Does ____ metering ____ lead ____ details?
 Do ____ of any issues ____ the technology that ____ cause discrepancies ____?
 Is ____ problems ____ causing ____ bills?
 Do ____ current metering systems have ____ flaws ____ discrepancies ____ billing?
 Is the metering technology free ____ could ____ reading and ____?
 ____ know ____ known issues with the ____?
 ____ due ____ problems in meter ____?
 Do ____ about ____ issues ____ the metering ____ discrepancies in billing?
 Do the current metering ____ that might cause ____ readings and ____?
 ____ know of ____ known ____ with the ____ can cause discrepancies in ____?
 ____ it possible that the ____ and ____ due ____ issues ____ your metering ____?
 Is there ____ with the ____ that explains ____ bill.
 ____ meter technology causing ____ with ____?
 ____ the ____ from ____ that ____ cause variations in ____ and reading?
 There ____ metering ____ causing ____ discrepancies.
 ____ you know ____ problems ____ meters that affect reading and ____?
 flaw ____ billing conflicts?
 ____ there any known issues with ____ could ____ discrepancies ____ readings?
 ____ the ____ technology ____ billing?
 ____ there anything ____ technology that ____ for ____ billing and reading?
 ____ problem with technology ____ to my bill?
 Do you ____ any issues ____ metering technology that ____ explain ____ and ____?
 ____ you ____ any issues ____ the ____ that can ____ discrepancies ____ billing?
 Do you know any issues ____ technology that could ____ discrepancies ____?
 Problems ____ the meter ____ billing.
 ____ with meter tech ____?
 ____ you know ____ the meter system is ____ and ____ inconsistent ____ my ____?
 Is ____ any ____ metering technology ____ could account ____ discrepancies ____ and billing?
 ____ be ____ with ____ metering technology ____ discrepancies in readings.
 Do you know if there ____ with ____ technology ____ could ____?
 Do you ____ about the ____ your meters ____ reading ____?
 ____ could be problems with the functioning of your ____ in measurements ____.
 ____ you ____ issues that might cause disparity ____ readings and ____?
 Any ____ problems?
 Do ____ if ____ issues can ____ to ____ readings and subsequent ____?
 Is ____ technology ____ bills?

_____ be caused by any metering _____.

Do any _____ with _____ cause _____?

_____ the meter _____ having _____ with _____?

Problems with _____ cause billing _____.

_____ metering technology _____ impact readings _____?

Do _____ any _____ metering technology that might _____ disparity?

_____ troubles _____ the _____ meters _____ bills?

_____ free _____ known defects that _____ cause variations in _____?

_____ be _____ with _____ of _____ meter system that could _____ in invoices.

Do faulty metering _____ cause _____ billing _____?

There is _____ the _____ technology _____ could account for _____ in _____.

_____ you know if _____ can lead _____ inconsistencies in _____ and _____?

_____ the _____ tech _____ some errors?

_____ the current metering system flawed _____ explain _____ in _____ billing?

Is _____ technology _____ defects _____ could explain variations in _____ and _____?

Is there _____ that _____ meter _____?

Do the current _____ have _____ can cause discrepancies _____ readings _____ subsequent _____?

Are there any _____ with _____ meters that _____ data?

Do _____ any known _____ the _____ that _____ cause discrepancies in _____?

Is there _____ with _____ meter that could _____?

_____ you know _____ issues _____ the _____ technology that _____ explain _____ discrepancies _____?

Do _____ have any _____ tech?

_____ you know of _____ known issues with the _____ that _____ to _____ readings _____ billing?

_____ issues _____ the metering technology _____ would affect _____ and _____?

_____ a _____ with _____ that might cause _____ in readings _____ billing?

Is there anything _____ with the technology _____ my _____?

There may be issues with the _____ that _____ for _____.

Have you _____ issues _____ your metering technology _____ might _____ readings?

_____ it possible _____ faulty _____ tech is _____ for _____ on _____ bill?

Is _____ any _____ with the _____ on my bill?

_____ there a _____ between known issues _____ technology _____ inconsistencies _____ readings and _____?

_____ faulty metering tech cause _____?

Did you _____ there are _____ technology that _____ cause discrepancies _____ reading _____?

Are there _____ metering technology _____ cause discrepancies?

_____ you have _____ the functioning of your meter system _____ potentially cause discrepancies _____?

_____ in _____ tech _____ cause _____ errors.

_____ problems in the _____ the _____ and _____?

There _____ be _____ related _____ the functioning _____ your _____ system _____ cause _____.

_____ there any _____ issues _____ the technology _____ billing and _____?

Is _____ problem _____ explaining _____ errors on my _____?

_____ are _____ by metering tech _____?

_____ you know _____ are any issues _____ that can cause discrepancies in _____ reading?

_____ the metering technology known enough to _____ in _____?

Can you tell _____ if _____ with _____ inconsistencies in _____ charges?

Does _____ tech cause _____ billing details for _____?

_____ with meter _____?

_____ there _____ issues with _____ that _____ to _____ in billing _____?

_____ about the _____ that _____ for discrepancies in reading and billing.

Is there _____ technology _____ could _____ discrepancies in _____ billing?

_____ faulty metering _____ causes incorrect _____ for _____?

_____ there _____ causing reading discrepancies?

_____ you _____ of any _____ with your metering technology _____ could _____ to _____ charges?

Is there _____ wrong with the _____ that _____ cause _____?

Do _____ any known issues _____ technology _____ can _____ in billing _____ reading?

Is _____ possible _____ account _____ in readings _____ billing with _____ technology?

Is _____ wrong _____ the _____ that _____ cause differing _____?

_____ problems with meters impacting _____?

Do _____ know _____ there are any _____ metering _____ could _____ the discrepancies in the _____?

_____ could be issues with _____.

_____ anyone know _____ meter system _____ messed _____ causing _____ on my _____?

_____ there any _____ issues with _____ technology _____ could account _____ readings?

_____ about metering _____ could account _____ discrepancies in billing.

_____ it a _____ with _____ tech behind _____ and _____?

Problems _____ meter tech _____?

There _____ tech issues _____ accuracy in _____.

_____ problems with _____ technology affecting bills?

Wrong _____ bills _____ be _____ result of _____ technology troubles.

_____ any problems with your metering technology _____ disparity _____ and charges?

Is the _____ free from known defects _____ and reading?

There _____ with _____ metering technology that could _____ discrepancies _____.

_____ it possible _____ my _____ and _____ are wrong because of _____ meter _____?

Any _____ affecting readings?

_____ there a technology _____ that _____ errors _____ my _____?

Do you _____ if there _____ known issues with _____ metering _____ discrepancies in _____ readings and _____?

_____ may be something wrong _____ meter _____ causes _____ and billing.

_____ issues with _____ tech _____ and _____?

_____ with _____ tech _____ errors?

Do _____ know _____ there are _____ technology that cause discrepancies?

Is there an _____ with _____ that leads _____ data?

Do you know of _____ metering _____?

Do _____ current _____ systems have _____ can explain _____ readings _____ billing?

Is _____ recognized _____ associated _____ the functioning _____ your meter _____?

Is the _____ tech _____ bills?

Do you _____ if _____ with _____ metering technology _____ in billing?

_____ flaws _____ cause billing _____.

_____ there any flaw in _____ meter _____ that _____ my _____ bills _____?

Is _____ meter malfunctioning that _____ cause differences _____?

Is there _____ tech issues _____ reading _____?

_____ if _____ with _____ technology can cause inconsistencies in _____ charges?

Is there any _____ technology that explains _____?

_____ know of _____ issues _____ your metering _____ that might _____ between charges _____?

I _____ to know if the inconsistencies _____ to faulty _____.

Are there _____ that can _____ discrepancies in _____ and subsequent _____?

_____ the _____ systems _____ inherent _____ that might cause discrepancies _____ readings and _____?

_____ you know of _____ with _____ technology that _____ discrepancies _____ readings and _____?

_____ tech for billing _____?

Do _____ issues with billing _____?

Is _____ metering _____ that can _____ discrepancies in reading _____ billing?

_____ you know if there _____ problems _____ affecting _____ and _____?

Do you know _____ the _____ that affect billing and _____?

Is the _____ technology _____ from _____ that _____ explain discrepancies in _____ ?

Is the _____ technology problem that could _____ in _____ ?

_____ with _____ meter _____ the bill?

_____ there _____ of your meter system that might _____ discrepancies in _____ ?

_____ you _____ metering technology _____ problems that affect billing _____ ?

_____ reading discrepancies may _____ caused by _____.

Do _____ know of _____ issues with the metering _____ discrepancies in _____ ?

_____ flaws _____ meter tech?

_____ there any _____ that issues with _____ inconsistencies in readings?

_____ may _____ problems _____ the meter _____ affect _____ accuracy

Is _____ of metering _____ causing _____ ?

Do _____ of any known issues _____ metering _____ ?

Are _____ problems _____ reading _____ ?

billing errors ____ be ____ tech
 Are there ____ metering ____ can lead to ____?
 ____ issues ____ the ____ readings?
 ____ anything wrong with ____ that affects ____ billing?
 Is ____ faulty ____ tech ____ behind the inconsistencies ____ bill?
 Is ____ flawed that might ____ to discrepancies ____ and subsequent ____?
 reading discrepancies ____ by ____?
 Do ____ meters ____ to ____ in billing data?
 ____ you ____ any issues with the ____ discrepancies in billing?
 There are ____ technology ____ possibly ____ discrepancies in readings and ____.
 Is ____ possible ____ cause differences in ____ and billing?
 ____ the ____ behind meters?
 Is it ____ technology ____ cause ____ in readings and subsequent ____?
 ____ metering technology may explain ____ things ____ correctly.
 ____ know if ____ metering technology ____ discrepancies in readings ____?
 ____ in meters ____ bills?
 ____ are issues ____ metering ____ that ____ to discrepancies ____ readings.
 ____ there a problem ____ tech causing ____?
 Is ____ an issue with the ____ technology ____ discrepancies ____ and billing?
 ____ you know ____ issues ____ your ____ technology that might ____ between ____ and ____?
 ____ metering issues ____ being incorrect?
 ____ if you have any ____ with ____ metering ____?
 Is ____ with meters that ____ to ____ data?
 ____ any known issues ____ the metering ____ the discrepancies ____ readings?
 ____ known metering ____ problems?
 ____ could be ____ result of problems in ____.
 Problems ____ technology ____ the billing.
 Is there a ____ with ____ metering technology that ____?
 Are there ____ meter ____?
 Do ____ know ____ the metering technology that ____ cause discrepancies ____ billing?
 ____ can be ____ issues ____ meter ____.
 Do you ____ anything ____ metering ____ that ____ the discrepancies in ____ and ____?
 Can ____ tell me if ____ issues ____ in readings ____?
 ____ the metering technology ____ defects that ____ variations ____ billing ____ reading?
 A known ____ glitch ____ readings ____ bills?
 ____ tech ____ that are ____ discrepancies?
 Is metering ____ able ____ discrepancies ____ and billing?
 Is there ____ tech ____ billing ____?
 There ____ the metering ____ that ____ explain the ____ in ____ readings.
 ____ metering ____ have ____ flaws that might explain ____ in readings?
 ____ metering technology might ____ why ____ adding up ____.
 Is ____ technology to ____ readings and billing?
 ____ there ____ with your ____ could ____ differences in readings ____ charges?
 ____ something known ____ technology that ____ discrepancies in reading and ____.
 Is the billing ____ with the ____?
 Is there ____ problems ____ behind ____?
 ____ there any known problems ____ the ____ your meter ____ that could ____ in ____ invoices?
 ____ with ____ technology ____ and bills.
 metering ____ billing conflicts?
 Is ____ anything ____ about ____ metering technology ____ could ____ discrepancies in billing ____?

Is there _____ malfunction _____ that explains _____ on my _____?

Is it _____ that tech _____?

Can there _____ the metering technology _____ discrepancies _____ readings and billing?

Can _____ if _____ are _____ problems with the functioning of _____?

Do _____ with _____ meters _____ to _____ data?

_____ it _____ that _____ readings and billings are _____ to _____ your _____ tech?

_____ meter tech _____ bills?

Do you _____ information about _____ faults _____ your _____ that _____ and _____?

Can _____ me if known issues _____ technology _____ inconsistencies in _____?

_____ identified _____ your metering technology _____ might cause discrepancies?

_____ the _____ technology free from _____ that _____ variation _____ billing?

_____ there anything _____ metering _____ that causes _____ readings?

_____ know _____ any _____ with _____ metering technology that could lead _____ and charges?

_____ wonder _____ metering tech can lead _____ details.

_____ it _____ technology can lead _____ inconsistencies in readings?

Do _____ if there _____ a problem _____ system?

_____ the _____ impacting the readings?

_____ readings or excessive bills are _____ troubles?

Do _____ current _____ might explain discrepancies in billing?
