

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	10,088 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Any _____ emission _____ systems installed within _____ models?
Can _____ provide _____ more information _____ controls?
_____ you have any more _____ on _____?
_____ me about _____ things that control _____ cars.
Details _____ emissions _____?
Please tell us _____ controls.
Is there _____ other _____ regarding _____ this range _____ vehicles?
_____ me about _____ controls.
_____ information about the emission _____?
Is there more information _____ the _____ controls _____ cars?
_____ tell _____ about _____ emission _____ installed.
Can I get _____ information _____ control systems?
_____ information on _____ emission control systems?
_____ there more _____ on _____ control systems _____ in _____ cars?
_____ the installed _____ control _____ of _____ models?
Information _____ emission _____?
_____ more _____ do _____ about the fitted _____ controls?
Were you _____ further _____ the emission _____ systems?
Any more info _____ addresses emissions _____?
Is there extra information about _____?
Do _____ more _____ installed emissions _____?
_____ I _____ some _____ on _____ emission _____ systems?
Does anyone _____ more information regarding _____ of vehicles?
_____ us more _____ the _____ on those vehicles?
Do you _____ about installed _____?
Tell _____ the _____ emission _____.
Can _____ give _____ more _____ emission controls?
_____ me _____ the emissions _____ these cars.
_____ tell us _____ emission _____ system.

Is _____ to _____ about emissions _____?

Is _____ to _____ further information about _____ control?

Are _____ more details _____ the emissions _____ models?

Is there _____ on _____ controls _____ cars?

Did you _____ any _____ details _____ the _____ control _____?

I want more _____ control _____.

Is there _____ info on _____?

_____ about the emission control _____ could _____.

Can you _____ more _____ emission control systems _____ models?

_____ info is _____ on _____ control _____.

Is _____ possible to give _____ in those cars?

_____ data on _____ systems _____ available.

_____ need _____ know _____ emissions control _____ those _____.

Can _____ me more _____ the _____ control _____ here?

Give _____ emissions control for _____.

Do you have _____ information _____ the _____ control _____ of _____?

Is _____ more _____ about _____ controls _____ range _____ cars?

I _____ to _____ more _____ emission control _____ on these _____.

Is _____ to _____ further information about _____ control?

_____ know about emission control systems _____ models?

The _____ control setup here _____ should _____ more _____.

Can _____ give _____ about _____ emission controls?

Is there _____ emission systems?

_____ know _____ emissions _____ controlled in _____ cars?

_____ there _____ information about the emissions _____ on _____?

_____ you give us _____ information _____ the _____ control?

_____ me _____ controlling of _____ on these _____.

_____ info about emission _____?

Inquire about the _____.

What are _____ control systems _____?

_____ there _____ information regarding emission _____ systems in _____?

_____ there more _____ about the _____ control systems?

Is there any _____ systems _____ here?

_____ more information on emissions controls _____ of _____?

_____ can we know _____ controls?

_____ on the emission _____?

_____ information about _____ controls on these car _____?

_____ information you can _____ about the emission _____?

You can _____ me _____ the _____ systems _____ these models.

Could _____ please _____ information about the _____ controls _____ these _____?

_____ emission _____ systems in _____ models?

_____ something _____ emission _____ in these models.

_____ more information you can _____ about _____ in _____ cars?

Wanted: more _____ the _____ that _____ car _____?

_____ there _____ emissions controls in _____?

_____ more data _____ emission system?

I need to _____ reducing _____ for _____.

_____ emission control installation?

_____ more _____ on the _____ systems.

_____ data on their _____ regulation _____.

_____ emission control systems _____ models?

Can _____ get _____ more _____ on those _____ control _____?

Is there _____ information _____ control _____ on _____ models?

_____ there more _____ can _____ about _____ installed _____ controls?

_____ emissions _____ systems _____ these models _____ to _____?

_____ there _____ information you have _____ emission _____ of _____ models?

Do you _____ how _____ handle _____ in _____ models?

What _____ you give _____ emission control _____?

I want to know _____ in this _____.

Are there _____ about _____ emissions controls on _____?

_____ have _____ emission control systems _____ the models.

_____ there _____ info _____ this model tackles _____ issues?

_____ there _____ on the emission control _____ models?

_____ there _____ information you can give about _____?

_____ you _____ an _____ on emissions control _____ those _____?

Information _____ the _____ controls _____ cars?

What additional _____ do _____ on _____ emission control _____?

_____ information on how _____ in the models?

Please _____ us what _____ are.

Are _____ about the _____ control _____ on _____ models?

Can _____ provide _____ about _____ emission _____?

_____ more information _____ emission controls _____ have?

Tell _____ the emissions _____ in _____.

_____ more info about _____ control?

Are _____ looking for _____ the _____?

_____ new data _____ the _____ regulation systems?

Is _____ more _____ know _____ systems?

_____ there _____ in these models?

_____ us _____ update on _____ emissions _____.

More _____ controls are needed.

_____ other _____ the fitted emission controls _____?

_____ there _____ extra _____ on _____ emission _____ systems?

_____ more about the _____ gadgets stuck _____ these _____?

What is _____ emission system _____?

Requesting _____ emissions gear.

_____ to _____ emission protection features

Can you _____ us _____ more _____ the emissions _____ models?

_____ anyone know _____ model _____ issues?

_____ us _____ about emission control _____ the _____

_____ any more _____ can give _____ emissions control _____ those _____?

_____ any more _____ the emission control?

_____ to share about emission-controlling _____?

Is _____ regarding how the _____ tackles _____ issues?

Is _____ on _____ installed _____ control systems?

_____ about _____ emissions controls?

_____ information about _____ emission _____ is _____.

_____ information regarding emission control _____.

_____ information _____ emissions _____ in place for these?

Is there anything _____ know _____ to handle _____ these _____?

Please _____ emissions controls.

I _____ more about _____ control in those vehicles.

Is _____ details _____ emission control _____?

_____ you _____ us with more _____ about _____ emission _____?

Inform _____ of the _____ control _____.

Is there _____ say about _____ control in _____?

_____ tell _____ emissions control systems _____ these models.

Is _____ data for _____ emission _____.

_____ data for these _____ emission _____?

_____ give a _____ of the model's _____?

Do you have _____ emissions _____?

More information about _____ can be _____ models.

Is _____ more information _____ how _____ model deals _____?

_____ information _____ emissions controls.

Requesting _____ onboard _____ gear

_____ there more _____ model specific emission _____?

_____ you give _____ about _____ systems used here?

_____ something _____ the vehicle's emissions _____.

_____ like _____ more about _____ emissions _____ in place for _____ cars.

Is there _____ about emission control in _____?

_____ about _____ control _____ emissions _____ the cars.

Please _____ installed _____ systems.

_____ know what _____ controls are _____ the _____ models?

Requesting _____ about emissions _____.

Requesting _____ information _____ emissions _____.

I'd _____ more about the _____ control systems _____.

_____ you want more _____ emissions _____?

_____ there _____ information to be _____ about _____ emission _____?

_____ need more _____ on _____ management in _____.

_____ you give _____ information about _____ installed emission _____?

_____ tell us _____ about _____.

_____ regarding _____ installed emission control _____.

_____ emissioncontrolling technology _____ this _____.

Do _____ more about _____ emissions _____ in the _____?

There is any _____ the _____?

_____ an update on _____ for those _____.

Are _____ any additional emission _____ within _____ models?

Can I get some _____ information _____ emission _____?

_____ me _____ pollution _____ on _____ cars.

_____ know the emission _____ installed _____ these _____?

Is there _____ information _____ can _____ the emission _____?

Do you have _____ the emission control systems _____?

We _____ an update on _____ controls _____.

Do you know _____ controls in _____?

Can _____ more _____ the _____ control systems on _____ models?

_____ details _____ the emission control _____?

How about _____ setup?

Sharing information _____ technology in _____?

_____ details are _____ regarding emissions controls _____ this _____ of _____?

What _____ we have about _____ emission _____?

_____ know more _____ the _____ controls?

Is there ____ news ____ enhancement ____ set-ups?
Any information ____ emissions ____ in those ____?
____ about emissions control in those ____ you ____ give?
Any information ____ control ____?
____ other information do ____ have about ____ emission ____ models?
____ have ____ on emission control systems?
Is ____ anything ____ to ____ emission control ____?
You ____ more information on ____ that ____ jammed ____ rides?
Please ____ more ____ emission control ____
Do you ____ about ____ emission ____ these models?
____ tell ____ the ____ control systems?
I ____ wondering if I ____ get more ____ systems.
Is ____ more ____ the ____ emission ____ systems?
Is ____ more ____ controls ____ this range ____ vehicles?
____ about the types ____ emission ____ systems used ____.
____ the emissions controls in place ____ these ____.
____ there more info on ____ controls ____?
Please give ____ information ____ systems.
____ anyone know more ____ controls ____ this ____ of ____?
Is there ____ information ____ controls ____?
____ tell me the ____ on ____ installed ____.
There ____ emission ____ the models.
____ are ____ and ____ technology in this model?
Do you ____ how ____ emissions ____ handled ____ models?
Details ____ controls on ____ cars.
Is there more information ____ about ____ this ____ vehicles.
____ am interested in knowing more ____ control systems ____.
Is there more ____ controls ____?
Can ____ give ____ information ____ the installed emission ____?
____ to ____ more ____ emissions controls?
Is ____ information ____ can give ____ about ____ in those ____?
Is there ____ other ____ emissions controls in this ____?
____ know about emission ____ features?
____ there ____ information ____ on the emission ____?
____ there any more info about ____ emission ____ these ____?
Emission ____ in ____ have ____ details.
____ about emission ____ systems.
Is ____ provide ____ information about ____ in those vehicles?
____ want to know more ____ for ____ cars.
I ____ about ____ emission ____ setup.
Is there ____ their emission ____?
____ know about ____ control stuff.
____ there any additional ____ have about the ____?
____ there ____ data ____ emission systems?
____ you know ____ more ____ controls in ____ models?
I want ____ know ____ how ____ reduce emissions for ____.
____ there ____ information about the ____ controls ____ the ____?
____ you speak ____ the ____ emission ____?
I want to ____ about ____ emissions control ____ in ____.
____ to know more ____ features.

_____ information _____ you _____ me about _____ control systems _____?

_____ there _____ details _____ emission control _____?

Can _____ tell me _____ the _____ in _____ cars?

Please inform about _____.

I _____ more _____ emissions control _____ in _____ models.

Tell _____ the emission control _____ that _____ used _____.

Are _____ more details about _____?

_____ any additional _____ on the _____ control _____?

_____ any additional information _____ can give _____ the emission _____?

Let _____ know about _____ control _____.

_____ controls for these vehicles?

_____ us more _____ emission control.

Do you have any _____ regarding _____ systems?

_____ like to _____ emission _____ features

_____ information _____ regarding emissions controls _____ this range _____ vehicles?

_____ control _____ these models are _____?

Share _____ of _____ emission _____ systems.

_____ about _____ in this _____?

_____ details do _____ have _____ control systems?

_____ me _____ emissions control _____ vehicles.

_____ there more _____ on these _____ installation?

_____ tell _____ about _____ installation of _____.

Are there any _____ data available _____?

There is _____ about the _____?

Tell _____ control _____ emissions on _____ cars.

In _____ tell _____ about emissions management.

_____ more _____ about how this _____ tackles _____ issues?

What _____ details _____ emission control _____?

Tell _____ about emission control _____.

Is _____ to _____ about _____ model tackles _____ issues?

_____ like to _____ emissions control _____ are in these _____.

Do _____ more about _____ features?

Are _____ of the _____ control _____ in the _____?

_____ provide _____ on the _____ emission control _____.

_____ you have _____ information _____ emission _____ on these _____?

Let _____ more information _____ emission _____.

_____ you provide _____ of _____ emission _____ systems?

_____ does the _____ work _____ certain _____?

_____ information _____ how the _____ issues?

_____ you know _____ about the _____ in car _____?

emission _____ are installed in _____?

Is _____ more information _____ could _____ the emission _____?

_____ you _____ tell _____ about the emissions _____ in _____ for these _____?

_____ other things can you tell _____ the _____?

Is there more _____ on _____?

_____ more _____ regarding _____ emission _____ systems.

_____ emission _____ systems can you _____ me?

_____ information on _____ installed emission _____?

_____ any additional information _____ emission _____?

Is there _____ details _____ control _____ models?

You _____ the emission _____ systems.
_____ you _____ to _____ about _____ model's emission controls?
Are you looking _____ learn _____ controls?
_____ tell us more _____ the _____ controls for _____.
_____ systems were installed _____ models?
_____ emissions controls for cars?
_____ information about _____ control _____.
_____ on emission _____ systems, _____.
Is _____ further information you _____ about _____ control?
_____ on _____ emission control installation?
_____ appreciate _____ about emission _____ features.
_____ you got _____ information _____ the _____ systems?
_____ certain emission _____ in these _____.
Is _____ information about the _____ control system _____?
Is it _____ to give _____ about _____ control?
What _____ you _____ to say about _____ this model?
Does _____ more about the emissions controls _____ of _____?
_____ have _____ thoughts or _____ controlling technology in _____ model?
Do _____ know _____ the _____ controls?
_____ details _____ onboard _____ are requested.
Do you _____ more information _____ emission _____ here?
_____ there any _____ on _____?
_____ about _____ emission regulation systems?
_____ information on the emission _____ systems?
Is there more _____ be offered _____ vehicles' _____?
_____ additional _____ the installed emission _____ systems.
_____ me what _____ emission _____ stuff is _____ cars.
Is _____ more information _____ control _____ used in _____ models?
_____ you _____ for _____ about _____ emission _____?
_____ about emission _____?
_____ know more about emission control systems _____ these _____.
_____ are _____ ways that _____ are _____ in _____ vehicles?
How about _____ emission control _____?
Tell _____ pollution controls on _____.
_____ further _____ do we _____ their _____ controls?
Is _____ related _____ emission regulation systems?
_____ additional details _____ onboard _____ gear.
_____ there more info on _____ emissions controls _____?
_____ there _____ data _____ emission systems?
_____ me _____ the _____ emission _____.
_____ there anything _____ you _____ tell _____ the emissions controls _____ models?
_____ you _____ more information on emissions _____ these _____?
_____ do you _____ the _____ emission controls?
_____ provide _____ information _____ controls.
How _____ the _____ control _____?
_____ there _____ information _____ give _____ installed emission controls?
More _____ the _____ controls on _____.
_____ information _____ be shared _____ technology in this _____?
Are _____ additional _____ about _____ emission _____?
Were _____ of the _____ systems?

Tell ____ the ____ management in this ____.

Is ____ information you ____ give ____ control systems?

____ aware of the ____ hidden inside ____ rides?

Were ____ in place ____ these ____?

Is ____ more ____ within this range of vehicles?

____ more ____ on the emission ____?

____ us ____ installed emission ____ systems.

____ more ____ on emission control in ____.

____ know ____ about the emissions controls ____ car ____?

Is there ____ about ____ emission ____?

____ are emissions ____ of vehicles?

____ emissions controls?

More ____ on ____ model's ____ installation?

____ emission ____ work ____ these models?

Please ____ more about the ____ controls in ____ for ____.

____ give more ____ about ____.

____ regarding ____ systems ____ be furnished.

____ to hear ____ emission ____ features.

____ information on the ____ of ____ model?

Is there any more information ____ in this ____?

You know more ____ emission ____ are in ____?

Please ____ us ____ regarding ____ control systems.

____ to ____ more on emission ____ devices?

____ there ____ information ____ can ____ about ____ control ____ those cars?

____ more to know about ____ emissions ____ these models?

There may be ____ emission control ____ in these ____.

What about emission ____ in ____?

____ know more about the emissions ____ place for ____.

____ us ____ emission control ____ models

____ about the ____ control in ____.

Is ____ information ____ in this ____?

I ____ emissions ____ stuff on these ____.

____ the information ____ installed ____ controls.

Did you ____ more about ____ emission control ____?

I ____ about ____ emission control ____ in ____ models.

Is ____ info on emissions controls ____ these ____?

Do ____ know more about ____ controls ____ models?

More ____ on how ____ issues?

Please ____ on ____ controls.

____ on enhancing ____ set-ups?

____ any more data ____ these ____ systems?

Please ____ on ____ controls.

____ are ____ in the models?

Is there more ____ fitted ____?

____ information regarding ____ controls here?

____ about this ____ management.

Give ____ information about ____ those vehicles.

____ us a little ____ more about ____.

Is ____ more you ____ to ____ emissions ____?

____ you give us more ____ the ____?

_____ the _____ control _____ on these _____?

_____ me know _____ emission _____.

_____ possible for you _____ give additional _____ about emissions control _____ _____?

I would _____ know more about _____ for _____ models.

_____ something _____ emissions in _____ vehicle.

Tell _____ emission _____ on these models.

You can _____ me _____ about _____ emission _____.

Does anyone have more information about _____ models?

Additional _____ control systems?

_____ me _____ the _____ emission _____ are.

How about _____ that _____ used here?

_____ on the emission control _____ the cars?

More info _____ systems?

What more info _____ have about _____ this _____ tackles _____?

_____ installed emission Controls.

_____ should be _____ an _____ emissions _____ for _____ vehicles.

There _____ be _____ information _____ here.

_____ to understand how emissions _____ controlled _____ vehicles?

_____ you know _____ more about _____ control _____?

Do _____ have _____ about _____ installed _____ control systems _____ models?

_____ any _____ information _____ could _____ about the emission _____?

_____ extra detail _____ emission control in these _____?

Requesting _____ information about _____.

Are you _____ these _____ emission _____?

What _____ systems in the _____?

_____ about emissions controls.

_____ you have _____ on _____ to handle emissions in _____?

Asking _____ onboard emissions gear.

Can _____ give _____ information about _____ on _____ models?

_____ any new _____ this _____ tackles emissions issues?

Give _____ an update on the _____ vehicles.

_____ about emissions _____ those cars.

_____ there _____ about emissions _____ these cars?

_____ you tell _____ about emission _____?

_____ the emission controls _____ cars?

_____ you discuss _____ installed emission _____?

Can _____ give me _____ information _____ how to _____ models?

_____ there _____ specific _____ emission control _____?

Are any more _____ available?

What _____ can _____ give _____ the installed _____ systems?

Please _____ details of _____ control _____.

Please provide _____ info _____

Tell _____ info on _____ control _____.

_____ like to _____ about _____ emission control setup.

_____ to _____ about the _____ control _____ those models.

You _____ more _____ on _____ that are in these _____?

You have _____ on the _____ are inside these _____?

Please tell _____ emissions control systems _____ models.

There's more _____ model-specific _____ controls.

Do you _____ or facts _____ emission-controlling _____ this _____?

Do you _____ more _____ controls of _____ models?
_____ more info we _____ emission controls?
_____ there more details on _____ cars?
Is there _____ information _____ control systems _____ models?
Can I get some _____ on those _____?
I _____ curious _____ the emission control _____.
Is _____ anything to _____ emission-controlling _____ this model?
Let _____ if there _____ an update _____ control.
_____ to know more about the _____ systems in _____.
Are there more _____ systems?
_____ there _____ regarding the _____ emission controls within _____?
There _____ be _____ information about the _____.
Are _____ additional details _____ control _____?
Can _____ information _____ those emission control _____.
_____ would want to _____ emission _____ features.
Let me know emissions _____.
_____ you have _____ the emission _____ systems in these _____?
Any _____ how this model _____?
Is _____ more you _____ give on vehicles' _____?
_____ information about _____ installed _____ control systems.
_____ about _____ emission controls _____ the _____?
_____ you know _____ the _____ controls _____ these cars?
Let _____ the emission control systems in _____.
_____ are _____ about _____ emission controls.
_____ about emission _____ installed _____ models?
_____ there _____ information on emissions controls for _____?
_____ there be _____ details _____ emissions _____?
_____ info _____ on model _____ emission controls.
_____ about _____ emission control systems here?
_____ about the _____ systems _____?
_____ information _____ you give _____ about the emission _____ these models?
Please tell us _____ information _____.
Is _____ information about the _____ controls on _____?
_____ more about emission control _____ these models.
Please _____ details about _____ emission _____.
_____ are _____ within the models.
_____ you _____ emission control systems are _____ here?
Tell _____ about emissions _____ cars.
_____ get _____ info on _____ emission control systems in _____?
Tell me _____ know _____ emissions _____ cars.
_____ us _____ update on _____ emissions _____.
_____ there more you can _____ installed _____ control?
_____ more _____ emissions controls _____ these cars.
Is _____ discussion about emission-controlling _____ model?
The emission control systems in _____ have _____.
_____ you have about _____ control systems?
Please tell me _____.
_____ there _____ data _____ controls for these _____?
_____ details _____ emissions gear.
Would like _____ learn _____ about _____.

_____ there _____ more _____ about how this _____ tackles _____?

_____ about the emission _____?

Is there more you can _____ control?

I'd like to _____ the _____ features.

Is _____ about emission _____ technology in this _____?

_____ you _____ tell _____ the emission control systems?

_____ there more information _____ systems in the _____?

Should there _____ more info _____ how _____ tackles _____?

_____ us more _____ the _____.

_____ us _____ control in these _____.

_____ there more data _____ emission _____.

_____ there any more _____ control _____?

What are _____ emissions are _____ in _____?

Is _____ to _____ me more about _____ emission _____?

Can _____ get _____ on _____ emission control _____?

Is _____ anything _____ can _____ me about the installed emission _____ models?

Can you _____ the _____ control systems _____?

Are there any _____ emission _____?

Is _____ more _____ the _____ controls?

_____ info _____ the emission _____ in the models?

Insights _____ emission controls _____.

_____ any _____ regarding emission controls?

I _____ like to _____ emissions _____ for these models.

_____ know anything else _____ emission _____ setup?

Is there _____ more _____ on _____ these models?

Please _____ know if you _____ more _____ controls.

Do _____ more _____ emission control _____ used _____ these _____?

I _____ more _____ the emission _____ in place for these _____.

Do _____ have information about _____ in these _____?

_____ with more information regarding the _____ systems.

_____ there anything else I _____ about _____ control setup?

We _____ an update on _____ control _____ those _____.

Please tell _____ on installed _____.

Is _____ any data _____ systems?

_____ want _____ on the emissions _____ for _____ vehicles.

_____ necessary on model-specific _____ controls.

_____ tell _____ more _____ the installation of the _____?

Does anyone have _____ about _____ this _____ tackles _____ issues?

Do _____ emission-controlling technology _____ this model?

Is there _____ info _____ how to _____ with emissions _____?

Did _____ know _____ controls in car _____?

_____ like to learn _____ about the _____ control _____.

Is _____ information _____ emission control systems _____ get?

_____ would _____ on emissions control _____.

_____ more you can _____ on _____ control devices?

_____ on emissions controls for _____?

_____ us _____ the _____ control systems?

I _____ like _____ information about the _____ controls.

We _____ to know about _____ control _____.

_____ tell _____ about _____ emission _____

Need information ____ the ____ ____ ?
____ interested in learning more ____ the ____ ____ used here.
What more can ____ about ____ installed emission ____?
Is ____ about the emission ____?
Requesting ____ about ____ emissions ____.
____ be ____ details ____ control in these models.
____ tell ____ more ____ installed emission controls?
I ____ the emission control systems.
Please tell about ____ .
____ would like ____ learn more ____ emissions management ____ .
____ anything more ____ tell me about ____ controls?
More info ____ controls ____ the ____ .
____ you tell ____ emission controls?
Requesting ____ emissions ____
I ____ a question ____ emissions control systems ____ .
Can you ____ emission control ____ those vehicles?
____ more info about emission ____ ?
Is there ____ info about ____ tackles emissions ____ ?
____ it ____ to ____ more ____ those emission control ____ ?
There is a request ____ details ____ onboard ____ .
More info ____ control ____ ?
____ provide ____ the installed emission ____ .
____ information ____ give us about ____ control systems?
____ data on ____ available?
____ emission control systems.
____ there more information about ____ emission controls ____ ?
____ more about the emission ____ ?
____ any information ____ within this range of vehicles?
Do you ____ more ____ the installed emission ____ models?
____ more information on ____ pollution?
____ needed on model- specific ____ .
____ have any information on ____ in ____ models?
____ there ____ emission controls here?
____ more ____ have ____ emission controls?
Is ____ info ____ the emissions ____ the car ____ ?
____ is more info about emission control ____ ?
____ there ____ data ____ emission ____ system?
____ information regarding ____ emission controls?
____ about emission control ____ ?
____ augmenting emission set-ups?
Can you give ____ information ____ the ____ ?
Do ____ have any ____ on the emission ____ in ____ ?
____ more ____ emission control systems used ____ models?
____ you have ____ the installed emission ____ systems ____ those ____ ?
____ info about ____ ?
Is ____ more ____ control systems?
____ more about the vehicle's ____ .
Any ____ on how ____ vehicles ____ controlled?
Is there ____ information available ____ emissions controls in ____ ?
____ of emissions ____ systems ____ these models?

Added _____ for the _____?

_____ you know about _____ these models?

_____ would _____ to know _____ about emissions controls _____ these _____.

_____ there anything _____ about emissions _____ within _____ of vehicles?

Tell us more _____ the _____ control _____ models

Tell me _____ emissions _____ cars.

Is there _____ the _____ controls in these _____?

Do you _____ the emission control systems of _____?

_____ further _____ about the emission _____ systems?

Is _____ data _____ the _____ regulation _____?

What _____ control systems installed within _____?

Is there _____ idea _____ how _____ are _____ vehicles?

Do _____ more _____ about the emission control _____ of _____?

I would _____ to _____ about _____ emission _____.

Do _____ more _____ the _____ models' emissions _____?

_____ details about _____ emission _____ systems.

_____ information _____ emission _____?

_____ about _____ controls for these _____?

_____ more details _____ the model's _____ control _____?

Are _____ any _____ on _____ designation?

_____ information _____ how _____ are controlled in _____?

How _____ emissions be handled _____?

Can _____ us more _____ control in _____ vehicles?

_____ to know more _____ the _____.

_____ control in these models?

What more _____ do you _____ how _____ tackles _____ issues?

_____ vehicles' emission _____ device?

_____ there _____ you can _____ on the _____ emission _____?

_____ learned _____ about _____ emission control _____?

Please tell _____ there are _____.

_____ there _____ details on _____ controls _____ the _____ models?

_____ need more information about _____ emission _____.

_____ about how emissions _____?

_____ more _____ emission control systems.

_____ any _____ information about _____ to handle _____ in these _____?

_____ emissions control for _____ cars.

Give _____ update _____ emissions controls for _____.

_____ how emissions management _____ in this _____.

Extra info _____ these cars?

_____ additional details _____ there _____ installed emission control _____?

Is _____ more info _____ the emissions _____ on _____?

_____ there _____ you could give _____ emission control _____?

Tell _____ emission _____ systems in _____ models.

Is _____ you _____ tell _____ about _____ control systems here?

_____ know _____ about _____ emissions controls _____ these models?

_____ you _____ the _____ control systems?

_____ are _____ emissions control systems?

_____ me _____ on _____ emission controls.

_____ are _____ control systems _____ are _____ these _____?

_____ gizmos to reduce _____ pollution?

____ information ____ the model's ____ control ____?
 Extra ____ gizmos reducing ____ pollution?
 ____ provide ____ on ____ controls.
 Further ____ for ____ gear ____ requested.
 Please ____ more ____ regarding _____.
 ____ us ____ about the emission _____.
 ____ love to ____ about the ____ features.
 ____ info about emission control ____ used in ____?
 I ____ find ____ how ____ are ____ those vehicles.
 Any ____ info ____ the emission ____?
 ____ update ____ emissions control for ____ vehicles
 ____ details on ____ emission ____ required.
 ____ details for ____ gear.
 Tell ____ how ____ management ____ in ____ vehicle.
 ____ any ____ on those emission ____ systems?
 Do ____ know ____ the ____ management ____ this vehicle?
 I was wondering if ____ was any ____ emission _____.
 Further ____ of ____ emission ____ systems ____ be ____.
 I'm ____ more about emission ____ used here.
 Is there ____ more ____ for ____ systems?
 ____ emissions controls ____ place ____ models?
 Information ____ controls
 More information ____ the ____ control _____.
 ____ I ____ some more details ____ emission ____ systems?
 ____ can I know about ____ control systems ____?
 Is it ____ to ____ about ____ controls in ____ for ____ models?
 What ____ about these emission control ____?
 Does ____ know ____ emissions are ____ in ____ vehicles?
 ____ data on ____ regulation systems?
 ____ about ____ details on ____ systems?
 Is there ____ to emission ____?
 Can ____ tell ____ the ____ protection features?
 ____ details ____ emissions controls.
 Do ____ any ____ emission control systems ____ models?
 Do you know any more about ____?
 Is there ____ emission ____?
 Is ____ more to know ____ emissions ____ models?
 Is there ____ pertaining ____ emission ____?
 Can you ____ more ____ the installation ____ the ____?
 ____ know anything ____ emission controls?
 Can you ____ some information about ____ control ____?
 ____ us about ____ systems ____ these _____.
 Is ____ emission ____ systems ____ within these models?
 ____ about the emission ____ on ____?
 ____ information ____ needed about ____ emission _____.
 ____ would ____ more ____ protection features.
 ____ emission ____ systems used here?
 ____ it possible ____ provide more details ____ controls ____ these ____?
 ____ about ____ vehicle's ____ management.
 Can ____ get some ____ information ____ control ____?

More details _____ control systems could _____.

Do _____ have more _____ installed emission control _____?

_____ us _____ about emission _____.

_____ you _____ about the _____ controls _____ these _____?

Does anyone have _____ the _____ emissions issues?

_____ there _____ information _____ emission _____ systems?

_____ there any _____ information about _____ regulation _____?

More _____ controls?

_____ there _____ information _____ the installed emission _____ systems of _____?

There are any updates _____ reduce exhaust _____.

_____ there more _____ on _____ control systems in _____?

_____ about the _____ on _____ cars

_____ more _____ the _____ control _____ for _____?

Please _____ know more about the _____ these models.

What more _____ their emission _____?

Is _____ more info _____ emission control _____ on _____?

_____ more _____ the emission _____ stuck inside these _____?

_____ else _____ aware of _____ the emission control _____?

Can _____ more _____ on _____ emission _____ system?

_____ more _____ on _____ control systems?

_____ insight into how _____ model tackles emissions _____?

Does anyone know more _____ this _____ tackles _____?

_____ to know _____ about emissions _____ in _____ models.

_____ information is _____ for _____ controls.

_____ there more _____ emission _____ systems.

Is _____ info _____ emissions _____ for the _____?

_____ you _____ information about the _____ control _____?

_____ you give _____ about emissions _____ in _____ cars?

Please _____ emissions controls.

_____ may _____ more details _____ control _____ these models.

Details _____ emissions _____ needed.

_____ you give _____ about _____ control _____ those vehicles?

_____ about the emission _____ features _____ cars.

_____ provide _____ update _____ emissions _____.

_____ there _____ info about _____ emission control _____ these cars?

_____ more information _____ about emission control systems in _____?

Please _____ the emissions controls _____ these models.

_____ information can you _____ the _____ control systems _____?

_____ details about the _____ controls for _____ needed.

I _____ know _____ about the _____ control _____ here.

_____ there more information _____ place _____ emissions controls for _____?

_____ know more _____ emissions control _____ those _____?

Requesting _____ information _____ emissions _____.

Is there _____ information about _____ systems _____ models?

Is there _____ more _____ emission regulation _____?

Please _____ information _____ the emission control _____.

_____ you _____ more _____ the emission _____ systems?
