

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Coverage area expansion
Description	Customers inquiring about the availability or expansion of network coverage in their geographic area, seeking information on future plans and timelines.
Data Size	7,680 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Has Telecommunications ____ Manufacturers _____ internet access speed across ____ yet?
____ the agenda of ____ producers include _____ their area?
____ there _____ telecommunication equipment producers _____ internet speeds?
Did ____ companies try to _____?
Does the _____ gear _____ include faster _____ accessibility?
____ the agenda of _____ gear producers _____ access?
____ targeting _____ speed in neighborhood _____?
____ of _____ internet speeds been _____ yet?
____ on speeding up _____ broadband access?
Have _____ Equipment Manufacturers set goals _____ speeds _____ area?
____ companies aiming for _____ improvements?
Are _____ initiatives _____ speeding up _____ connections _____ here?
____ it possible that _____ manufacturers _____ speed _____ neighborhood areas?
The objectives of _____ access speed _____ yet _____ be set.
Have _____ Equipment _____ established _____ improve internet speeds?
Does _____ makers have _____ for _____ access speed?
Do _____ faster internet _____ in their area?
____ telecom _____ defined objectives _____ faster internet _____?
____ are _____ the _____ for increasing _____ speed _____ the area?
____ manufacturers hope _____ increase _____ speeds?
Is there a _____ improving internet _____ in _____?
Are there _____ for _____ Telecommunications _____ Manufacturers _____ internet speed?
Can equipment makers _____ for _____?
____ increased _____ speed _____ priority _____ manufacturers of telecommunications _____?
Is there _____ plan to _____ internet _____ in _____?
____ of boosting _____ internet speeds _____ not _____ established _____.
Is _____ to speed up local _____?
Does _____ of _____ gear _____ include _____ accessibility?

_____ manufacturers _____ increase internet speeds in _____?
 Do _____ telecom equipment _____ have _____ for faster _____?
 _____ boosting _____ internet _____ of the plan for equipment _____?
 Is _____ goal _____ net speeds _____ by the _____?
 _____ to _____ net speeds?
 _____ of _____ local internet speeds has _____ established _____.
 _____ increasing _____ connection speeds a goal _____?
 Did telecom _____ faster internet access?
 Did the _____ companies _____ internet _____?
 What _____ telecommunications _____ manufacturers have for increasing _____?
 _____ us know if _____ Equipment Manufacturers set _____ objectives _____ access.
 Are objectives _____ place _____ local _____?
 Are there _____ place for _____ equipment _____ to _____ speeds?
 _____ aim _____ better net _____ established by manufacturers?
 _____ telecom manufacturers want _____ improve _____?
 Did the _____ increase _____ speeds in the _____?
 Local internet _____ goals _____ by _____ equipment suppliers.
 _____ the _____ of boosting _____ internet _____ been established _____?
 Is it _____ Telecommunications Equipment Manufacturers _____ speeds locally _____ targets?
 _____ faster _____ locally are not _____.
 _____ boosting _____ access _____ yet?
 Is _____ any goal _____ Manufacturers to improve internet _____?
 _____ there _____ to speed _____ internet _____ our area?
 Did _____ manufacturers prioritize enhancing _____ connections _____?
 _____ a current goal to _____ access speed _____ areas?
 Equipment makers may _____ goals _____.
 Are _____ improve internet _____ communities?
 Have Telecommunications Equipment _____ goals _____ internet _____?
 _____ increasing _____ online connection speeds _____ goal _____ of telecommunication _____?
 _____ Equipment Manufacturers have _____ internet _____?
 _____ telecommunications device makers have targets _____ speeds?
 Are there any _____ to _____ speed _____ our area?
 Can we _____ give priority _____ boosting internet speeds locally?
 Are there any _____ for Telecommunications _____ manufacturers _____?
 Do the _____ of _____ equipment _____ increase _____ in the _____?
 _____ us know _____ the _____ Equipment _____ any objectives _____ improve _____ speeds.
 Is there any _____ the speed of _____?
 _____ it possible that _____ attempt to enhance web _____?
 _____ you _____ are plans to increase _____ within communities?
 _____ manufacturers seek to improve _____?
 Are telecommunications _____ trying to _____?
 _____ access _____ part of the plan for _____ makers?
 _____ set _____ local goal for better net _____?
 Do manufacturers of _____ want _____ increase _____ their area?
 _____ of _____ producers might include faster _____ accessibility.
 Do _____ manufacturers have a _____ for _____ internet _____?
 Is _____ any plan _____ accelerate _____ yet?
 Is increased internet speed _____ areas _____ goal _____?
 Increased _____ in _____ areas, _____ plans?
 _____ agenda of _____ gear producers _____ internet access?

Has _____ Equipment _____ set objectives _____ boost _____ access?

Did _____ to improve _____ internet _____?

_____ the telecommunications _____ to _____ local _____ speeds?

Did equipment _____ to enhancing web _____ neighborhoods?

_____ Equipment Manufacturers have goals for improving _____ their _____?

_____ may _____ speed _____ set _____ telecom equipment suppliers.

_____ telecom _____ want _____ increase the speed _____ the _____?

_____ telecommunications manufacturers try to _____?

_____ increasing local area online _____ goal of _____ of telecommunication _____?

Are _____ focused on _____ access in _____ community?

Is _____ to increase _____ access _____?

_____ Telecommunications _____ Manufacturers _____ a _____ for enhancing internet access _____ the local _____?

Do _____ equipment _____ any _____ to increase _____ access speed?

_____ have _____ better net speeds?

Increasing _____ area _____ connection _____ is _____ goal _____ telecommunication _____ yet.

Do you _____ have _____ plans to _____ the _____?

_____ manufacturers aim _____ better _____ speeds _____?

_____ internet accessibility on the _____ telecom _____?

Have _____ in local areas been _____?

Does the Telecommunications Equipment Manufacturers _____ in their area?

_____ area online _____ is _____ goal for _____ of telecommunications _____.

_____ there _____ plans _____ increase internet _____ in _____?

Did _____ manufacturers _____ to improve _____ internet _____?

_____ increasing local area online connection _____ become _____ devices'-makers?

Have _____ set _____ goals to improve internet speeds _____ area?

_____ there _____ set _____ local _____ goals?

_____ any initiatives to _____ internet connections around _____?

Does the _____ telecom _____ internet accessibility?

Is it possible _____ Equipment _____ to prioritize boosting internet _____ with _____ goals _____?

Is _____ a plan _____ accelerate _____?

Did _____ prioritize internet _____ locally?

Telecommunications _____ Manufacturers have _____ articulate _____ strategic _____ for _____ access.

Is _____ of _____ telecom manufacturers _____ local internet speeds?

_____ to _____ web access speed?

The _____ of _____ internet speeds _____ not _____ been _____.

Did the _____ gear _____ include _____ accessibility?

Telecommunications Equipment Manufacturers have _____ come _____ with _____ enhancing local _____ access.

_____ to _____ net speed?

Is there _____ make the _____ around these _____?

_____ manufacturers have _____ to _____ net _____?

Have _____ of _____ local _____ speeds _____ by manufacturers?

_____ telecom equipment _____ have _____ for _____ local _____ speeds?

_____ the objective of boosting _____ internet speeds?

_____ there _____ priority _____ internet access _____ telecom equipment _____?

_____ there _____ goal for the _____ Manufacturers _____ internet availability?

Do Telecommunications Equipment _____ strategy _____ enhancing _____ access in _____ area?

Any _____ being _____ place to _____ internet _____?

_____ there _____ from _____ vendor to _____ internet speeds?

_____ try _____ increase _____ speeds?

Is _____ local area _____ of _____ plan for _____ equipment makers?

_____ us _____ Telecommunications Equipment Manufacturers _____ plans to improve internet _____.
 Has the _____ of increasing _____ been _____ by _____ telecom _____?
 Have equipment manufacturers _____ web _____ in _____?
 Increase _____ speed _____ local _____?
 Do _____ Telecommunications Equipment Manufacturers _____ goals _____ in their _____?
 _____ telecommunications equipment manufacturers _____ broadband access?
 _____ the _____ prioritized _____ internet access?
 _____ there _____ plan _____ internet speeds?
 _____ there _____ plan for _____ Telecommunications Equipment _____ to _____ internet _____?
 _____ manufacturers try _____ increase internet _____?
 Is the aim _____ local _____ speeds _____ yet _____ telecom _____?
 _____ agenda of telecom gear _____ internet _____ improvements?
 Telecommunication _____ be _____ improvements.
 _____ us _____ Manufacturers _____ goals for improving local internet _____ speeds.
 _____ suppliers try _____ enhance _____ connections?
 Did telecom makers _____ speed?
 _____ Telecommunications Equipment _____ goals for _____ internet speeds?
 Is _____ a _____ from _____ telecom vendors _____ internet _____?
 _____ goal to improve local _____?
 _____ goal of _____ speeds been established _____ telecom manufacturers?
 What _____ for the _____ Equipment _____ to improve internet _____?
 Do _____ equipment manufacturers _____ any objectives _____ local _____?
 Did _____ want to increase the _____?
 _____ the _____ goal _____ by telecom equipment _____?
 _____ device makers _____ targets _____ access?
 Are _____ or targets for _____ Manufacturers to improve _____ availability?
 Are the _____ focused _____ up broadband access?
 _____ increasing internet _____ neighborhood areas a _____ of _____ equipment?
 _____ telecom manufacturers have _____ objective of _____?
 _____ targets you have lined _____ to _____ faster _____?
 Is _____ one of _____ objectives of communication tech _____?
 If Telecommunications Equipment Manufacturers have objectives _____ improving _____ us _____.
 _____ telecom _____ increase internet speed?
 Has _____ of boosting local _____ been _____ yet?
 _____ Telecommunications Equipment Manufacturers set _____ improving _____ speeds?
 Does the focus _____ local areas by telecom _____?
 _____ the telecommunication _____ make _____ web connection speeds?
 _____ possible _____ manufacturers prioritized improving web _____ neighborhoods?
 Has _____ Manufacturers set objectives for boosting _____ speed _____ area _____?
 Do _____ equipment manufacturers _____ any goals _____ faster _____?
 _____ telecom manufacturers want _____ improve _____?
 _____ focused on speeding _____ broadband _____ at _____ level?
 _____ plan in _____ for _____ of _____ equipment to accelerate internet _____?
 Is the goal _____ locally _____ by manufacturers?
 Is there a _____ improve internet _____ area?
 _____ there _____ to _____ local internet _____?
 _____ anyone trying to _____ the _____ faster _____ areas?
 _____ local _____ speeds _____ goal yet for telecommunication devices.
 _____ there _____ place to speed _____ internet speeds?
 What _____ telecommunications equipment manufacturers _____ for _____ internet _____?

_____ tech want _____ enhance online speed?

_____ telecommunications equipment manufacturers have goals to _____ area?

_____ there objectives _____ producers _____ telecommunication equipment _____ internet speeds?

Is _____ that local internet speed _____ are _____ by _____ telecom _____?

Do telecommunications _____ have _____ to _____ speed in local _____?

The _____ for _____ internet access speed _____ been set.

_____ increasing local area _____ a goal _____ the _____ devices'-makers?

_____ manufacturers might _____ set _____ better _____ speeds.

Has increasing local _____ become a goal for the _____?

_____ us _____ if Telecommunications Equipment _____ have _____ improving internet access _____.

Is _____ any _____ for _____ Telecommunications _____ Manufacturers to improve _____ areas?

Were _____ trying _____ increase _____ speeds?

_____ it _____ that _____ will _____ boosting internet _____ locally with any planned _____?

_____ makers _____ for _____ network access.

Should equipment _____ faster _____ access?

_____ manufacturers of telecommunications _____ are targeting increased _____ speed in _____?

Is _____ goal for _____ devices to _____ speeds?

_____ manufacturers _____ objectives _____ faster _____ speeds?

_____ equipment makers prioritize faster _____?

_____ there an objective to boost _____?

_____ us know _____ Manufacturers _____ to improve internet access _____.

_____ manufacturers have a _____ net speeds _____ area?

_____ the _____ companies want to improve _____?

Did _____ Telecommunications Equipment _____ to improve internet _____?

_____ telecom equipment manufacturers prioritize _____?

_____ manufacturers focused on community _____?

Do Telecommunications Equipment Manufacturers have _____ to _____ local _____?

_____ equipment _____ internet access?

_____ telecom equipment _____ internet _____ locally?

_____ you know if there _____ plan to improve _____?

Did telecommunications manufacturers _____ to _____?

Are _____ any initiatives to _____ the _____ of _____?

Is _____ that Telecommunications Equipment _____ boosting internet _____ locally _____ goals?

Do manufacturers of _____ equipment want to _____ local _____?

_____ are the objectives _____ telecommunications equipment _____ for _____?

_____ it _____ Telecommunications Equipment Manufacturers will _____ boosting _____ in the _____?

Is there _____ for _____ internet _____ in _____ soon?

_____ they have specific targets _____ improve _____?

Do telecommunications _____ want _____ community broadband _____?

Has _____ Equipment _____ set _____ boosting _____ access speed?

Do telecommunications companies _____?

_____ goal to improve _____ speeds in local _____?

_____ Equipment Manufacturers have goals _____ enhancing internet _____ their _____?

_____ there _____ plans _____ increase internet speed _____ communities?

_____ manufacturers have _____ plan _____ speeds locally?

_____ Manufacturers have yet _____ come _____ a _____ for _____ area internet access.

_____ makers should set _____ quicker _____.

Objectives _____ locally, yet?

_____ manufacturers _____ improve internet speed?

Does _____ agenda _____ telecom gear _____ have _____ accessibility _____ mind?

____ the telecommunications ____ manufacturers interested ____ up ____ access?
 Does anyone have ____ for ____ speed ____ areas?
 Are there goals for the ____ telecommunication equipment ____ ?
 Plans for ____ speeds ____ ?
 Do ____ Telecommunications ____ have ____ improve internet speeds ____ their ____?
 Does ____ maker set ____ for ____ ?
 ____ any ____ to raise internet ____ communities?
 How about speeding up ____ ?
 ____ a ____ for ____ to improve internet availability?
 Do ____ have ____ goals for ramping up ____ yet?
 ____ the goal ____ boosting ____ internet ____ set by ____ manufacturers?
 Do ____ makers have specific ____ web access ____?
 ____ enhanced ____ online ____ the ____ of ____ developing communication ____?
 Did ____ internet speed?
 Is ____ local area ____ connection ____ the goal yet ____ ?
 Does the ____ have goals ____ increase ____ speed?
 Is ____ for ____ in neighborhood areas ____ of telecommunications ____ ?
 ____ Manufacturers want ____ increase internet ____ in ____ areas?
 ____ the manufacturers ____ to ____ internet speeds ____ area?
 ____ area ____ connection speeds become a ____ makers of telecommunication ____ ?
 ____ boosting internet access ____ part ____ the plan ____ equipment?
 Does ____ agenda ____ telecom gear ____ convenient ____ accessibility?
 Is there ____ plan ____ boosting ____ in ____ areas?
 Did telecommunications ____ want ____ ?
 Have ____ speed ____ been ____ equipment manufacturers?
 ____ there ____ specific target that ____ have to ____ web access ____ ?
 Is there ____ for ____ local internet ____ yet?
 ____ access in local ____ yet?
 Does ____ agenda of telecom ____ include ____ internet ____ .
 Let us know if ____ objectives for ____ internet access ____ .
 ____ the ____ Equipment ____ have goals ____ internet ____ in their ____ ?
 ____ enhance internet ____ ?
 ____ the ____ to improve internet ____ ?
 Do ____ device makers ____ web access speed in ____ ?
 ____ manufacturers focused on increasing broadband ____ at ____ ?
 Let ____ know ____ the Telecommunications Equipment ____ plan ____ local ____ access speeds.
 What are ____ goals ____ the Telecommunications ____ Manufacturers ____ internet ____ the ____ ?
 Do you know ____ Telecommunications Equipment Manufacturers ____ any ____ speeds?
 ____ set any ____ for boosting ____ access speed?
 Does ____ telecom gear ____ involve more internet ____ ?
 I ____ if ____ makers ____ for ____ network access.
 ____ there a ____ the ____ vendors to improve ____ speeds ____ the ____ ?
 ____ a goal ____ makers of telecommunication ____ to ____ local ____ speeds?
 ____ there ____ increase ____ speeds in ____ areas?
 ____ manufacturers may ____ to ____ internet speed.
 ____ you planning ____ internet speeds ____ ?
 Will there be ____ access ____ ?
 ____ there any goals for ____ in our ____ yet?
 Is ____ plan ____ increase local internet speeds?
 Does ____ of ____ gear producers include ____ accessibility in ____ ?

____ there a ____ to improve ____ the future?
 ____ any plans ____ ramping ____ speed?
 Is ____ specific goal in ____ Equipment ____ improve internet availability?
 ____ have a goal for ____ speeds locally?
 Do telecom ____ have ____ improve internet ____ in their ____?
 ____ telecom manufacturers want to ____ internet ____ area?
 ____ there any ____ increase ____ speed within the ____?
 Do any current objectives ____ equipment manufacturers ____ improve ____?
 ____ exist ____ or targets ____ Telecommunications ____ Manufacturers to increase internet ____?
 ____ boosting internet ____ speed across local areas are ____ set.
 ____ the ____ try to ____ speeds ____?
 ____ web ____ in local ____ planned?
 Are ____ going to make ____ faster ____ areas?
 ____ there any goals ____ up the ____ the ____?
 Can ____ expect Telecommunications ____ to ____ speeds ____ their local area?
 Has Telecommunications ____ Manufacturers set goals ____ boost ____ speed ____?
 Do ____ Equipment ____ a strategic ____ for enhancing local ____?
 Does ____ of ____ gear producers ____ internet?
 ____ there ____ to ____ internet ____ speeds locally?
 ____ Telecommunications Equipment ____ set objectives ____ increase ____ speed ____ their ____?
 Is ____ possible that telecom ____ makers set ____ better ____?
 Is there any ____ internet connections ____ here?
 Did ____ seek to ____ internet ____?
 Did telecommunications manufacturers ____ to ____?
 Is enhanced regional ____ an ____ of companies working ____?
 What are ____ goals of ____ Telecommunications Equipment ____ to ____?
 Are ____ manufacturers focused ____ broadband access ____ the ____?
 ____ Telecommunications Equipment ____ boosting internet speeds ____ or targets?
 Is it ____ prioritized ____ internet in ____?
 Is ____ to ____ web access in local ____?
 ____ there exist any ____ increase ____ access speed ____ local ____?
 Equipment ____ might ____ goals ____ networks.
 ____ telecommunication suppliers ____ to ____ web ____?
 ____ us know ____ of ____ Telecommunications Equipment ____ are ____ local internet access ____.
 Have ____ equipment ____ faster ____ access?
 ____ goals ____ there for ____ Equipment ____ to ____ internet speed?
 Do makers ____ devices ____ specific targets to boost ____?
 Have ____ objectives for ____ defined yet?
 Do ____ Manufacturers ____ regarding ____ local area internet access?
 ____ there ____ plan by telecom vendors ____ speeds?
 ____ telecommunications device ____ have ____ boost ____ access speed?
 ____ have ____ manufacturers ____ enhancing internet ____?
 ____ to ____ internet speed in ____ area?
 Has increasing ____ connection ____ become ____ telecommunication devices?
 Is ____ plan to ____ internet speed in ____?
 Do any current ____ telecommunications ____ manufacturers to increase internet ____ speed ____?
 ____ manufacturers aim to ____ internet ____?
 Is ____ target for speed improvements ____?
 ____ manufacturers ____ to ____ internet ____ in your area?
 Is there a ____ speed in ____?

Is it _____ manufacturers _____ web _____ in neighborhoods?
 _____ the _____ Equipment Manufacturers have _____ for _____ local _____ access?
 _____ of boosting local internet speeds _____?
 Is _____ possible _____ equipment manufacturers _____ increased internet speed _____?
 Is the _____ of boosting _____ by the manufacturers _____?
 _____ plan to boost local _____ internet _____ speed?
 _____ it _____ that _____ will prioritize boosting _____ speeds locally _____ goals _____ targets?
 Telecommunications _____ Manufacturers have _____ to _____ internet access _____.
 Is it _____ manufacturers of _____ equipment _____ targeting _____ speed in neighborhood _____?
 Has equipment makers _____ access?
 _____ Manufacturers prioritize _____ internet _____ locally?
 Is _____ for _____ internet speeds?
 Has _____ Manufacturers set objectives _____ internet access _____?
 _____ telecom _____ manufacturers have _____ for _____ speeds?
 _____ online speed an objective _____ the _____ developing _____ tech?
 Plans to make _____?
 Have the telecom equipment _____?
 _____ areas been targeted _____ for _____ access?
 Plans to enhance internet _____?
 _____ boosting local _____ speeds _____ yet to be _____.
 _____ telecom _____ want _____ increase internet _____?
 _____ know _____ the Telecommunications _____ Manufacturers _____ plans for improving internet _____.
 _____ that telecom gear _____ goals for better local _____?
 _____ objectives for faster speeds?
 Have _____ of telecom equipment _____ quicker _____?
 Do you _____ is a plan to _____?
 Did _____ to _____ their _____ speeds?
 Are there _____ in _____ to _____ speed in _____ area?
 Did manufacturers set _____ net _____?
 Did _____ set the local internet _____ goals?
 Has _____ goal _____ boosting internet _____ established _____?
 Does the aim _____ local internet speeds have _____?
 Is _____ improve internet access speed in _____ areas?
 _____ aiming for _____ internet speeds in neighborhood _____?
 _____ there specific _____ or targets _____ Equipment Manufacturers _____ internet availability _____ the _____?
 Have the goal _____ boosting _____ established _____ the telecom _____?
 _____ telecommunications _____ manufacturers _____ on increasing broadband _____ in _____?
 Did telecom _____ internet _____ locally?
 _____ it possible _____ Manufacturers _____ internet _____ locally with _____ goals or targets?
 Is _____ Telecommunications Equipment _____ to _____ internet speed _____ areas?
 _____ want to _____ internet _____ here?
 _____ the Telecommunications Equipment _____ have _____ increase internet _____ the _____ area?
 _____ the _____ telecom gear _____ local internet access?
 _____ are _____ objectives _____ the manufacturers _____ internet access?
 _____ Manufacturers _____ a strategic objective for enhancing local area _____ access.
 _____ equipment manufacturers _____ accessibility in _____?
 _____ telecommunication suppliers _____ on enhancing _____ eventually?
 _____ us _____ the Telecommunications _____ a plan _____ improve internet _____ speeds.
 _____ a plan for the _____ of internet _____ the _____?
 Do producers _____ telecommunication _____ to _____ local _____ yet?

_____ telecommunications device makers want _____ web _____?

Does _____ gear producers _____ internet accessibility?

_____ increased _____ internet in _____ areas _____ of the telecommunications _____ manufacturers?

_____ it _____ gear companies set goals for _____?

_____ Manufacturers have _____ to state _____ objective regarding _____ local _____ internet _____.

Do _____ have specific goals for improving _____?

Please let _____ what objectives the Telecommunications Equipment _____ improving _____.

Are _____ to speed up _____ internet _____ our _____?

_____ goal among telecommunications equipment _____ to _____ internet _____ speed?

Have telecom equipment _____ their _____ local internet _____?

_____ the _____ Manufacturers set _____ for boosting internet _____?

_____ plan _____ increasing internet speed in _____?

_____ telecommunications _____ have _____ for boosting _____ access speed?

_____ a specific _____ for _____ Manufacturers to increase _____ availability?

Do _____ have specific targets _____ improving web _____?

Has the Telecommunications _____ set objectives _____ internet access _____?

Let us know if _____ Manufacturers _____ objectives _____ access speeds.

Have _____ been trying _____ online _____ already?

Did _____ want _____ increase the local _____?

Have telecom equipment _____ local _____ the _____?

_____ increasing internet access speed _____ plan _____ equipment makers?

Did _____ companies aim _____ internet _____?

_____ telecommunications equipment _____ internet _____ speed in local areas?

Have _____ objectives for _____ internet speeds _____?

Do _____ prioritize _____ internet _____ neighborhoods?

Are _____ objectives _____ accelerate local _____ speeds?

Did _____ manufacturers _____ to _____ the _____?

_____ objectives _____ boosting _____ access _____ local _____ has yet _____ be set.

Objectives for _____ the _____?

_____ equipment makers set _____ networks?

_____ on improving _____ speed in local areas?

_____ of _____ local _____ speeds been established?

_____ up _____ in _____ areas?

Did _____ their _____ for _____ net _____?

Do _____ companies _____ improve _____ online speed?

_____ telecommunications equipment _____ trying to _____ access in _____?

_____ makers _____ goals _____ faster network _____

_____ telecom gear producers contain _____ internet access?

Do companies _____ telecom _____ set _____ improve their _____ connections?

_____ there objectives in place _____ the _____ equipment _____ internet speeds?

Telecommunications _____ have you established _____ internet _____ speed?

Has anyone _____ any _____ up the _____ in _____ area?

Is it possible _____ goals for quicker _____?

Will Telecommunications Equipment _____ boosting internet speeds _____ goals?

Do there _____ Equipment Manufacturers to _____ speed?

_____ telecommunications _____ want to _____ broadband access at _____ community _____?

Is _____ any _____ increasing internet _____ around here?

_____ manufacturers focused _____ improving _____ access?

_____ any effort _____ internet access _____ locally?

_____ telecom equipment _____ for local _____ speeds yet?

Did equipment manufacturers _____ enhancing internet in _____?
 Is the _____ set _____ the _____ equipment suppliers?
 _____ plans _____ local internet speeds.
 Are telecommunications equipment manufacturers _____ increase _____ neighborhood _____?
 _____ increasing _____ online connection speeds a _____ of telecommunications devices?
 _____ objectives _____ faster internet _____ defined?
 _____ goal of increasing _____ speeds _____ by _____ manufacturers?
 Do manufacturers of _____ equipment _____ increased _____ neighborhoods?
 _____ Telecommunications _____ strategic objective of enhancing _____ internet access?
 Have _____ telecom equipment _____ access _____ the area?
 _____ the _____ enhancing _____ area _____ access _____ outlined _____ the _____ Equipment Manufacturers?
 Have the _____ of _____ local _____ established _____ the _____ manufacturers?
 Did _____ want to _____ local _____?
 _____ telecom manufacturers _____ internet speed?
 Is it _____ that _____ that _____ goals _____ improve local connections?
 Are _____ plans _____ internet _____ locally?
 Is _____ a plan to _____ soon?
 _____ goal _____ internet _____ speed in local areas?
 Did _____ to _____ the speed of _____ internet?
 Did _____ manufacturers have _____ to improve _____?
 _____ there be _____ access speeds in _____ area?
 Did the _____ want _____ speeds _____?
 Do device makers have _____ access speed?
 Will _____ be a _____ to _____ speeds in _____ soon?
 Did telecom _____ to _____ internet _____?
 Do telecommunications _____ have targets _____ web _____?
 Does the _____ targets _____ increase web access _____?
 _____ Telecommunications _____ have _____ plan to _____ internet _____ the local area?
 Is it _____ that companies that _____ telecom _____ better _____ connectivity?
 Did the _____ wish to _____?
 Is _____ regional _____ objective _____ companies _____ communication tech?
 _____ us if the Telecommunications _____ have _____ plans _____ internet access _____.
 Any _____ to increase _____ speed _____?
 Is local area internet _____ speed _____ telecom equipment _____?
 Did Telecommunications _____ set specific goals for _____?
 _____ Equipment _____ have a strategic _____ enhancing local _____ yet.
 Is _____ any _____ goal to _____ internet access speed _____?
 _____ of telecom _____ producers may _____ internet _____.
 Goals _____ web _____ yet?
 Are the _____ internet _____ by the _____ suppliers?
 Has the goal of _____ speeds _____ yet?
 _____ there a _____ from _____ companies to _____ speeds?
 _____ telecom manufacturers _____ internet faster?
 Goals on _____ speed?
 _____ Equipment Manufacturers have goals _____ availability in their area?
 Are _____ equipment manufacturers _____ on _____?
 _____ Equipment _____ set specific _____ improve internet speeds in _____?
 Is there a _____ to _____ the speed _____ our _____?
 _____ focus shifted _____ internet speed _____ local areas _____ the telecom _____?
 If _____ Equipment Manufacturers _____ to _____ internet _____ let us know.

_____ telecommunication suppliers try _____ improve _____ ?
 Does the _____ of telecom gear _____ ?
 Is boosting _____ access _____ of _____ for telecom _____ makers?
 Is _____ of increasing _____ pace aimed _____ yet?
 _____ the Telecommunications _____ Manufacturers _____ objectives _____ access speed?
 _____ a plan for _____ speeds yet?
 _____ area internet speed?
 _____ on _____ area _____ pace?
 Are there _____ producers _____ telecommunication equipment _____ local internet _____ ?
 _____ the companies _____ made _____ gear set goals _____ connections?
 Is _____ internet _____ of _____ equipment manufacturers?
 _____ for a fast _____ ?
 What _____ the _____ of the _____ of _____ to _____ internet _____ ?
 Has _____ Telecommunications _____ Manufacturers _____ goals for boosting _____ ?
 _____ enhanced regional _____ speed _____ goal _____ companies _____ tech?
 _____ suppliers try _____ web connection _____ eventually?
 Are any _____ to _____ speed in _____ ?
 _____ objective _____ local _____ speeds hasn't _____ established yet.
 Did _____ manufacturers want _____ increase _____ speeds _____ area?
 _____ a _____ for better net _____ ?
 Is _____ plan to _____ speed in local _____ ?
 In _____ future, _____ to _____ speeds?
 _____ try to improve _____ access?
 Did the _____ try to _____ ?
 _____ plans from the telecom _____ to _____ internet _____ ?
 Is _____ a plan _____ improving _____ ?
 Has boosting local _____ speeds _____ ?
 _____ to improve _____ speed across areas?
 _____ there _____ plans _____ internet access speeds _____ ?
 Have the objectives of faster _____ ?
 Do _____ equipment makers prioritize _____ ?
 _____ the _____ of better net speeds?
 _____ effort to speed _____ Internet connections _____ here?
 Please let us know if the _____ Manufacturers _____ objectives _____ .
 Did equipment manufacturers _____ internet _____ neighborhoods?
 Is enhanced regional _____ speed _____ companies _____ on communication _____ ?
 Did _____ manufacturers _____ the internet?
 Has increasing _____ online connection _____ for telecommunication _____ makers?
 Has the Telecommunications _____ Manufacturers _____ access speed?
 _____ Manufacturers _____ goals to improve _____ speeds in _____ regions?
 _____ increasing _____ web pace _____ ?
 _____ it _____ that increasing _____ connection speeds _____ a goal?
 _____ there _____ area internet speeds soon?
 Does the device makers _____ targets _____ web _____ ?
 Did _____ aim to improve _____ ?
 _____ internet _____ in _____ areas a priority for _____ ?
 Does _____ of telecom _____ include _____ internet _____ the area?
 Is there a plan _____ telecom _____ internet _____ in _____ area?
 _____ equipment _____ prioritized speed _____ access?
 _____ local areas been _____ yet _____ web _____ ?

____ telecom ____ makers ____ priority on faster ____ ?
 ____ the ____ to ____ internet speeds ____ the area?
 Will ____ suppliers ____ to ____ web ____ ?
 Do telecommunications device manufacturers ____ increase web ____ ?
 ____ increasing the local area ____ speeds ____ a ____ ?
 Are there goals for ____ ?
 ____ agenda ____ telecom gear ____ include quicker ____ the area?
 ____ companies ____ on ____ online ____ already?
 Is ____ plan ____ the ____ Equipment ____ improve internet availability?
 Have ____ equipmentmakers ____ access?
 ____ the ____ telecom ____ include faster internet accessibility?
 Is ____ goal for ____ Equipment ____ internet speed in local ____ ?
 Do telecommunications ____ have targets ____ access ____ in residential ____ ?
 ____ telecommunications equipment trying ____ increase ____ speed ____ neighborhoods?
 Telecommunications ____ Manufacturers, have ____ established any objectives ____ improve ____ ?
 Are ____ any plans ____ improve internet ____ in ____ ?
 ____ companies ____ to ____ online speed ____ ?
 Is there a ____ increase ____ ?
 Did ____ set ____ better ____ speeds locally?
 Is there any plan ____ the ____ speeds?
 Has the focus ____ improving ____ speed ____ local ____ ?
 Telecom ____ wanted ____ improve internet ____ .
 Is ____ local internet speeds in ____ future?
 Does the ____ aims ____ speeds?
 Have Telecommunications ____ set goals to ____ internet ____ ?
 Is enhanced regional ____ a ____ companies ____ communication tech?
 Is ____ shifted ____ improving internet ____ local areas ____ manufacturers?
 ____ telecommunication ____ towards enhancing ____ connection ____ ?
 ____ local internet speed goals ____ ?
 ____ possible for ____ to set ____ for ____ local ____ ?
 ____ manufacturers want to ____ ?
 There are plans to ____ internet ____ .
 ____ the ____ the manufacturers ____ equipment ____ internet accessibility?
 ____ agenda of telecom gear ____ internet accessibility.
 ____ the ____ on improving broadband access ____ community?
 Will there be attempts to ____ speeds ____ ?
 Did ____ want ____ speeds?
 ____ goals set by telecom ____ ?
 Is ____ speed goals set ____ suppliers?
 ____ strategic ____ for ____ local area ____ outlined ____ by ____ Equipment Manufacturers?
 ____ any ____ for ____ internet speed in ____ ?
 ____ part of ____ plan for telecom equipment makers ____ access?
 Improve ____ local areas.
 Are there goals ____ increase local ____ ?
 ____ there be ____ internet access ____ ?
 Is ____ speed ____ that ____ are developing communication tech to ____ ?
 ____ equipment ____ access in the ____ ?
 Internet ____ areas may ____ increased.
 Are the ____ of boosting ____ established?
 Is there ____ plan ____ the ____ of internet ____ ?

We don't know ____ Telecommunications ____ ____ prioritize ____ ____ speeds locally ____ any ____ goals or ____ .
 Did the manufacturers ____ ____ to ____ ____ speeds?
 ____ ____ Equipment Manufacturers set ____ ____ boosting ____ access speed?
 ____ ____ Telecommunications ____ Manufacturers ____ objectives ____ ____ internet access speed?
 In ____ ____ equipment ____ ____ enhancing ____ connection?
 Do the ____ ____ in mind ____ improve internet speeds?
 ____ telecommunications manufacturers ____ ____ internet speeds?
 ____ telecommunications ____ makers have ____ ____ internet access ____ residential areas?
 Is ____ speed of internet ____ ____ targeted ____ the manufacturers of ____ ____ ?
 Are ____ ____ the producers of ____ equipment to speed ____ internet ____ ?
 How ____ ____ local internet speeds ____ ____ ?
 Have increasing ____ area online ____ speeds ____ ____ for telecommunication ____ ____ ?
 Will the ____ suppliers try to ____ ____ ?
 ____ objectives for ____ access ____ in ____ areas ____ ____ been set.
 Have ____ speed objectives ____ ____ by ____ Manufacturers yet?
 ____ ____ Equipment Manufacturers set ____ objectives to boost internet ____ ____ ?
 ____ companies ____ focused ____ enhanced ____ speed?
 Is it ____ that telecom ____ ____ internet access?
 ____ a ____ devices'-makers to ____ local area ____ connection speeds?
 Can ____ Manufacturers prioritize boosting ____ ____ locally?
 Are ____ manufacturers ____ to get ____ ____ in neighborhoods?
 Is the goal ____ ____ local ____ online ____ speeds ____ ?
 ____ Telecommunications Equipment Manufacturers prioritize ____ internet speeds ____ ____ ____ ____ goals or ____ defined?
 ____ Manufacturers, have you established ____ ____ improve internet ____ speed?
 ____ any ____ objectives ____ faster local ____ speeds?
 Is increasing internet access ____ ____ plan for ____ ____ ?
 Will ____ suppliers ____ to increase ____ ____ ?
 Are there any plans ____ increase ____ ____ the ____ ____ our ____ ?
 The ____ of ____ internet speeds has ____ yet ____ established by ____ ____ .
 ____ equipment ____ ____ goals for ____ network ____ ?
 Is there a ____ telecommunications ____ ____ to increase internet ____ ?
 Is ____ web connectivity ____ ____ equipment ____ ?
 ____ increased ____ internet ____ in neighborhood areas ____ ____ of telecommunications ____ manufacturers?
 Telecommunications equipment ____ ____ on speeding up ____ ____ the community.
 ____ ____ exist for Telecommunications ____ Manufacturers to improve ____ ____ ?
 Are ____ focused on ____ broadband access ____ ____ community?
 ____ anyone ____ any ____ for ____ the ____ in our ____ yet?
 ____ we ____ Telecommunications Equipment Manufacturers to ____ ____ internet ____ ?
 ____ there plans ____ ____ local ____ speeds.
 ____ a strategic objective ____ ____ local ____ access ____ by Telecommunications ____ Manufacturers?
 ____ the goal ____ ____ internet ____ ____ established by manufacturers?
 Are the manufacturers trying to ____ ____ at ____ ____ ?
 Did the Telecommunications ____ ____ for improving internet ____ ?
 ____ the agenda ____ ____ gear producers include internet ____ ____ ?
 ____ in place ____ producers of ____ equipment to accelerate internet ____ ?
 ____ the goal of boosting ____ ____ yet ____ ____ manufacturers?
 ____ the agenda ____ ____ gear ____ connected to ____ accessibility?
 ____ Telecommunications Equipment ____ ____ goals or ____ to increase ____ availability ____ their ____ ?
 ____ ____ Manufacturers have ____ strategic objective for enhancing internet ____ ?
 Increasing online connection ____ is ____ goal ____ ____ yet.

If _____ Telecommunications _____ have _____ improving local _____ access _____ please let _____ know.
 _____ to _____ net speed better?
 Does the goal _____ local _____ speeds _____ yet _____ by the _____?
 The _____ of _____ for increasing internet _____ locally?
 _____ makers have objectives for _____ internet _____?
 Is _____ the _____ of _____ manufacturers _____ improve internet speed in _____?
 _____ equipment makers prioritised _____?
 Did _____ enhanced _____ online speed as _____ already?
 _____ us if _____ Manufacturers have any _____ improving _____ internet _____ speeds.
 _____ telecom _____ local internet speed?
 Are _____ local internet goals set by _____?
 Did manufacturers _____ better _____ speeds?
 Objectives _____ fast _____?
 Did manufacturers _____ to _____?
 Let _____ know if _____ objectives _____ to improve local _____.
 _____ there goals _____ place _____ the _____ of _____ to improve internet _____?
 _____ possible _____ Telecommunications _____ Manufacturers _____ prioritize boosting internet _____ locally with _____ goals
 _____ targets?
 _____ prioritized by equipment makers?
 _____ the manufacturers _____ telecommunications _____ want to _____ internet _____ in _____ areas?
 _____ ambitions _____ better net speeds?

 ____ any ____ improve internet speed in ____?
 Did ____ internet ____ in neighborhoods?

Is _____ area _____ the goal yet?

_____ telecom equipment _____ their _____ for faster _____ speeds _____?

_____ companies _____ to _____ enhanced _____ online _____ as _____ objective?

_____ boosting _____ access _____ areas been _____?

_____ an objective of communication tech developers?

Did equipment manufacturers _____ web connection _____?

Will _____ be _____ internet _____ speeds?

Have telecom _____ prioritized _____?

Do telecom _____ makers _____ targets _____ access speed?

_____ of _____ plan _____ telecom equipment makers _____ internet access speed?

_____ manufacturers try to _____ speed?

Is _____ the objective _____ telecom manufacturers?

_____ Equipment Manufacturers _____ their _____ boosting internet _____ speed?

_____ agenda _____ telecom _____ internet availability in the area?

_____ it _____ Telecommunications _____ Manufacturers will prioritize _____ speeds _____ any goals or _____?

_____ the _____ for _____ internet speeds _____ yet?

Are _____ objectives _____ internet _____ yet?

Equipment makers _____ faster network _____.

_____ to _____ local internet speeds?

If _____ set _____ for improving _____ internet access _____ please _____ know.

Is _____ that _____ manufacturers are targeting _____ speed?

Do device makers _____ web access _____ residential areas?

Do companies that _____ developing _____ tech _____ improve regional _____?

Have _____ equipment manufacturers _____?

_____ the _____ have _____ plan to _____ net _____?

_____ regional online speed an _____ for _____ tech?

Plans _____ internet speed _____?

_____ telecom _____ improve _____ internet speed?

Have _____ boosting local internet speeds been _____?

_____ Equipment Manufacturers _____ objectives _____ improve _____ internet _____ speeds, please _____ know.

_____ companies _____ improve _____ internet speed?

_____ manufacturers may have _____ web _____ in _____.

Do the _____ of _____ local _____ been _____ yet?

Are _____ trying to _____ internet _____ in _____ parts?

Have the _____ set _____ to improve _____ their areas?

Is there any _____ up internet _____ here?

Are _____ equipment _____ to _____ more people _____ broadband?

_____ the _____ of the Telecommunications _____ Manufacturers _____ up _____ internet speeds?

_____ the agenda _____ gear producers include more _____?

_____ suppliers try to improve _____ web _____?

Have equipment manufacturers _____ enhancing _____ in _____ neighborhoods?

I wonder if companies that _____ set goals _____.

_____ local _____ online _____ speeds _____ goal for telecommunication _____ makers yet?

_____ telecommunications equipment manufacturers looking _____ to _____ broadband _____?

Is there a _____ for _____ Telecommunications _____ the speed _____ availability?

_____ specific _____ or _____ the _____ Equipment Manufacturers _____ improve internet availability?

_____ goal of _____ local internet _____ been established _____ manufacturers?

_____ set objectives _____ boosting internet access speed?

_____ there _____ plan _____ internet speed _____ local areas.

Does telecommunications _____ have specific _____ increase web _____?

Does ____ makers ____ for ____ network ____?

____ plans to ____ speeds?

What goals are there ____ Telecommunications Equipment ____ to ____?

The ____ of ____ local internet ____ has ____ to ____.

____ that ____ Equipment ____ can prioritize boosting internet speeds ____?

____ there any current ____ increase internet access ____ areas?

____ there ____ attempts ____ increase ____ speeds in ____ area soon?

____ device makers have specific targets ____ speed?

Do ____ telecommunications ____ targets ____ increase web access ____?

____ local area internet ____ a part of ____ equipment makers?

____ Manufacturers ____ for improving internet access speeds, please ____ us ____.

____ agenda of telecom gear ____ include ____?

Are ____ any ____ speeding ____ internet around here?

Do you ____ Equipment Manufacturers ____ objectives for ____ speeds?

Is it ____ Equipment Manufacturers to ____ on ____ speeds ____?

Have ____ objectives ____ internet access speed ____ set by the ____?

____ telecommunications ____ plan to ____?

Do manufacturers ____ telecommunications equipment want ____ increase ____ level?

Is ____ local ____ speeds the ____ the ____?

Let ____ know ____ Equipment Manufacturers have any goals ____ internet ____.

____ the agenda ____ telecom ____ producers ____ to internet ____?

____ manufacturers ____ enhancing ____ access ____ neighborhoods?

____ producers ____ have a ____ to accelerate ____ speeds?

____ the Telecommunications ____ Manufacturers set ____ improve ____ speeds ____ their ____?

Have ____ makers ____ telecom equipment prioritized ____?

____ equipment suppliers ____ set local ____.

Did ____ develop ____ to improve ____ online ____?

Is ____ local ____ yet established ____ the telecom manufacturers?

____ enhanced regional online ____ objective of the ____ are developing ____?

____ manufacturers focused ____ increasing broadband access ____ level?
