

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Configuration Setup
Description	Customers require help in configuring their telecommunications equipment, seeking instructions on setting up network parameters, IP addresses, security settings, and other system configurations.
Data Size	7,165 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ can _____ information _____ system configuration options _____ settings?

_____ resources _____ detail the different _____ setup choices?

_____ you have any sources where I _____ configuration _____ ?

Can _____ regarding my _____ configuration?

Where could _____ find _____ ?

Where _____ find info _____ the _____ ?

_____ tell me _____ I _____ find information _____ available _____ settings.

Is _____ locate _____ config information _____ ?

_____ one access information _____ systems?

_____ can _____ find _____ about _____ choices?

Can you _____ me _____ configuration?

_____ need information about _____ .

Where could one _____ information _____ ?

Where _____ sources for _____ settings?

_____ you _____ where _____ could _____ details of _____ choices?

How _____ access _____ settings?

I would _____ know about _____ system options _____ .

_____ to access _____ configuring systems.

_____ you like to _____ sources for _____ ?

_____ are _____ information sources _____ settings?

_____ do I _____ the _____ outs _____ sys setup?

Where _____ find _____ ins and _____ the setup?

_____ I find the _____ info _____ system?

Where _____ I find the _____ ?

_____ on the setup.

Where _____ I _____ about _____ options?

_____ I _____ system settings?

_____ sources _____ system configuration _____ ?

Resource for _____?

Are _____ sources for _____ system _____?

Where can _____ find _____ the setup _____?

Can _____ on _____ configuration options?

How _____ I find _____ settings and _____?

_____ can I find _____ the options _____ system?

I _____ where _____ find _____ help.

What place has _____?

_____ in obtaining _____ for _____ config _____?

Is _____ any _____ about _____ changes?

_____ system set-up

Where _____ find _____ setup details?

How about _____?

I'm _____ to find _____ the _____ and outs.

_____ can _____ find _____?

_____ can I _____ the system _____?

_____ look for information _____ system _____?

I _____ like _____ know where _____ information _____ setup choices _____ parameters.

Where can _____ the information _____ configuring _____?

How about _____ on _____ setup _____?

Where _____ system _____?

Where _____ setup details?

_____ appreciate _____ help _____ the system _____ information.

_____ direct me to resources _____ system _____ settings

_____ any _____ for the _____ setup _____?

_____ find information about _____ options.

_____ can _____ identify the sys config options?

Do you _____ where _____ details about the _____ choices?

Do you know _____ get information _____ setup choices _____?

I _____ question _____ finding system config _____.

_____ going _____ find the _____ ins and outs?

_____ information on the _____ configuration?

_____ can I get _____ the _____?

_____ find _____ on settings?

Information on _____ setup _____?

How do I _____ on _____?

Information on system set-up _____.

_____ you looking _____ system configurations?

Where _____ you find _____ settings?

_____ find details of _____?

_____ should _____ get information _____ system _____?

_____ will _____ all the setup ins _____?

Are _____ searching _____ system _____?

_____ sources regarding system settings.

_____ can _____ about the system _____?

_____ sources concerning _____ settings?

_____ to access _____ info?

_____ could I find _____ about _____?

Where do _____ find _____?

Where _____ I _____ more _____ on _____?

_____ should _____ information _____ the _____ configuration?
_____ possible to easily _____ info?
I _____ to find _____ setting _____.
Are _____ seeking more _____ setup _____?
_____ on sys setup.
_____ find _____ about the _____.
How _____ details _____ settings?
I _____ for _____ on the _____.
_____ on _____ settings?
Where can _____ find _____ information _____?
Where should I _____ system _____?
Where _____ one _____ configuring _____?
Where's _____ on _____?
I'm not _____ lowdown on configuring my _____.
Any _____ data _____ changes?
_____ about system configuration.
Do _____ know where _____ the system setup choice?
_____ tell _____ where _____ can _____ settings.
_____ am _____ to find the setup _____ outs?
_____ I _____ information about configuration _____?
Where _____ find _____ setting info?
Where _____ that info _____ the _____?
How _____ find _____ on _____ choices?
_____ for system _____.
How _____ I _____ where _____ config options?
_____ want to know _____ I _____ find _____.
_____ can a _____ information _____ systems.
_____ for _____ about the _____ and settings.
_____ can I find _____ the _____?
How/ where _____ find _____?
Where can _____ get information _____?
_____ find information _____ to _____ systems?
Need data _____ parameters?
Where _____ I _____ about _____ systemconfig _____?
_____ for some information _____.
Are _____ resources _____ system setup _____?
Where might one _____ system?
_____ any sources _____ I can _____ the data _____ the _____ of _____ system?
_____ find _____ to settings?
_____ find the _____ the setup choices?
Can you _____ me about settings _____ the _____?
How can _____ the _____ and settings?
Where _____ the system _____ details?
_____ access available _____ settings?
Looking for _____ the _____.
Where _____ I _____ information _____ system _____?
Where's _____ information _____ system _____?
_____ know _____ I _____ find _____ about the setup _____?
_____ can _____ find information about _____?
_____ system settings?

I ____ help on ____ options ____.

____ are ____ for information about ____.

____ me where to find ____ about ____.

____ seeking ____ for ____ configuration details?

Are ____ any ____ for the ____?

____ appreciate guidance on ____ information

____ can ____ find details ____?

____ on ____ system ____ choices?

Do you ____ could find the ____ the setup ____?

____ are ____ setting up ____ system?

____ lowdown on ____ my systems?

____ some resources ____ finding ____ details?

____ can ____ find information ____ configuring ____.

____ I ____ more information about ____?

____ can I ____ information about ____ options.

____ if ____ any ____ where I can ____ the ____ of my ____.

____ you give ____ system settings?

____ a question about ____ config ____.

Where ____ to ____ about configuring systems?

I need to be ____ relevant ____ system ____.

____ get configuration details?

____ in information ____ configuration.

____ the ____ setup ____ be located?

____ on configuring ____ system?

____ information on configuring ____?

____ find ____ related to configuring ____

Data ____ setup choices ____?

____ it ____ seek ____ for system ____ details?

I need ____ know ____ can find information ____ setup choices ____.

____ I find ____ information about ____ system?

____ should be ____ relevant sources about system ____.

____ do I ____ config and ____?

Please ____ me to ____ sources ____ setup choices.

Where ____ and ____ the system?

Do you know where ____ find ____ about ____?

____ about ____ and settings?

Where ____ information about ____.

Where ____ I find ____ the configuration ____ system?

____ you ____ settings info?

Do ____ have ____ on system configuration ____ and ____ me?

Sources ____ configuration?

____ for ____ on ____ setup ____ the ____

Need info ____ setup ____ system.

____ where to ____ information ____ system settings.

____ tell ____ I ____ get intel on system ____?

I would appreciate ____ with ____.

____ I ____ a ____ the configuration of my ____?

Where ____ I find ____ system setup ____ and parameters?

Is ____ source for ____ details?

____ on ____ setup choices?

I ____ a lowdown ____ my ____.

Where ____ you ____ on ____ setup and options?

Where do ____ find ____ the details ____?

____ me where to ____ the available configuration ____.

Information ____ options could be ____.

____ know where I can get ____ regarding the ____?

____ to ____ configuration settings?

Where's that info ____?

____ I find info on ____?

____ details on ____?

Looking ____ system ____ info.

I ____ with ____ choices.

Where ____ to ____ details?

____ with data ____ to ____ options?

____ do you ____ settings ____?

____ can I ____ details ____ choices and parameters?

____ the ____ on sys settings ____?

I don't know where ____ find ____.

How ____ get ____ about the system ____?

____ do ____ settings details?

____ I ____ the system ____ and ____?

____ I ____ info on ____ choices?

I ____ intel ____ system ____.

____ to resources on the ____ settings?

____ are ____ any ____ for ____ details?

Seeking ____ the ____ the system.

Are you seeking ____ for ____?

Find ____ where to ____.

Where ____ you locate ____?

Where about ____?

Where ____ information ____ the ____ setup?

____ would like ____ know ____ I can find ____.

How ____ find ____ configuration ____?

Looking ____ for ____ configuration?

Do you know where ____ could find ____?

____ should we ____ on ____ and options?

____ can ____ get ____ system settings?

Where ____ read about ____ system ____?

____ there ____ resources on the ____ setup ____?

Where to ____ available configuration ____?

Where ____ about settings?

____ is ____ information about ____ system ____?

I'd ____ know details ____ the ____ config ____.

____ information relating to configuring ____.

____ do I ____ setting ____?

Where can ____ find ____ information ____ settings?

Any sources ____ the options ____ the sys ____?

____ how to get the system ____.

____ might a person find ____?

____ is the lowdown ____?

_____ are the sources of information _____?

Where's the lowdown _____?

Where _____ system settings?

_____ regarding system configuration info?

_____ can one _____ system setup?

_____ out about _____ system setup choices and _____.

Where do _____ the ins _____ outs _____ the _____?

Show me where I _____.

_____ should I _____ system options?

Looking _____ system _____.

I _____ like to _____ on _____ system config _____.

_____ where _____ finding configuration details?

_____ information on configuring systems?

Where is the _____ on _____?

Where _____ I _____ about _____ choices?

_____ system config info easily.

_____ to know _____ about _____ choices?

Where can _____ settings _____?

_____ data about _____ choices and _____?

_____ on the system _____?

_____ you _____ system setup _____?

_____ there any _____ data about _____?

Any _____ on the _____ setup?

Is there _____ can identify the _____ config _____?

_____ there any _____ explain _____ system setup _____?

I _____ is _____ data _____ can _____ about the configuration of _____ system.

_____ to know _____ could _____ information _____ system setup choices _____ parameters.

Where do _____ get information _____ the _____ options?

_____ find information for _____?

_____ there _____ resources regarding _____ setup choices?

_____ it _____ to find information about _____ options _____?

Is there any _____ I can _____ of _____ system?

_____ can _____ person _____ information _____ to _____ systems?

_____ I _____ more information _____ configuring the _____?

_____ me where _____ get the information _____ settings.

How _____ about configuring system options?

_____ need more information _____ configuration.

Where _____ I find settings _____ for _____?

Where _____ find _____ about configuring systems?

Where can _____ information _____ system _____?

I'd appreciate any _____ with _____.

There are any _____?

_____ where _____ these system options.

Do _____ have any sources _____ can get _____ my _____?

_____ have anything on _____ setup choices?

Are _____ looking _____ details of _____?

Seeking info _____ configuration.

Where _____ I _____ config _____?

_____ on sys _____

Where _____ find out about _____?

I don't know where ____ lowdown ____ systems ____.

What info ____ and ____ are ____?

Where could ____ setup details?

____ will I find ____ info?

Where can one locate ____ setup?

How to seek ____ on ____?

Tell me ____ to ____ information to ____ thing.

I'm Seeking ____ setup.

____ there locations with ____ related ____?

____ best place to ____ system settings ____?

____ need ____ with ____ information

____ should ____ on ____ setup choices?

Where ____ locate ____ setup ____?

Where ____ information regarding ____ setup ____ and parameters?

Where ____ find ____ setup details?

____ system settings info?
