

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Need for a new meter installation request
Inquiry Sub-Category	Meter Accuracy Verification Request
Description	Customers may inquire about the possibility of meter accuracy verification and recalibration, seeking information on the process, costs, and expected outcome.
Data Size	7,122 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Who should _____ evaluation and re-calibration _____ power-metering _____?
 _____ can we ask _____ with _____ and adjustment _____ our _____ devices?

Who _____ regarding re-calibrating _____?

Who can _____ a power-meter _____?

Who can _____ our power _____?

Who _____ we reach out _____ the _____ reconditioning _____ electrical meters?

Who needs to _____ in _____ regards _____ recalibration _____ power _____ devices?

_____ services for _____ power _____?

Who _____ we need to _____ to _____ evaluation _____ power metering _____?

_____ we contact _____ evaluating/re-calibrating _____ meters?

_____ evaluate and recalibrate _____ energy _____?

_____ who we should _____ in regards to _____ re-calibration of our _____.

_____ can _____ power-measuring _____?

_____ for people _____ check _____ power _____.

_____ going to reach out _____ for _____ evaluation?

Who _____ out to regarding the _____ procedure _____ electrical meters?

_____ experts to evaluate and _____.

_____ approach _____ recalibration and _____ evaluation?

Who should we _____ for _____ with _____ assessment and _____ our power-metering _____?

Who _____ evaluation _____ services?

Who should _____ contact to have our _____?

_____ be responsible for checking _____ fixing _____.

Whom should _____ reach _____ for the _____ recertification _____ electrical _____ units?

Who should we talk _____ an _____ procedure _____ our _____ meters?

_____ provides _____ power-meter _____?

_____ need evaluators to _____ the _____.

_____ to know who _____ should _____ calibrating the _____?

Power-measuring devices should _____ person.

_____ can _____ assess our _____?

Who _____ us _____ out _____ about _____ power meters?

We _____ the _____ person _____ and _____ calibrate _____ power- _____ devices.

_____ are _____ going _____ approach for _____?

Is there _____ call _____ check _____ our power _____?

_____ help with _____ devices?

_____ measuring equipment _____ be adjusted and _____ a _____.

_____ needs to _____ assessment.

We are in need _____ to _____ meters.

_____ an _____ a power meter?

_____ is _____ right person to make a _____ of _____ measurement devices?

_____ out our _____ meters?

Who offers _____ evaluate/re-calibrating _____?

Who _____ with _____ device _____?

_____ with the power-meter _____?

_____ we _____ about _____ our _____ meter?

Did anyone _____ who _____ test _____ those _____ meters?

Someone _____ help evaluate _____ devices.

Who can _____ us _____ and _____ our _____?

_____ to get _____ evaluated.

_____ shall we _____ to _____ meter evaluation _____ re-calibration?

_____ should _____ reach _____ regarding the recalibration _____ our _____ meters?

_____ calibrates _____ power meters?

Who _____ we _____ regarding _____ evaluation of our _____ devices?

_____ is _____ best person _____ an assessment _____ our power _____?

_____ help in _____ re-calibration of _____ monitors?

_____ you please _____ know your _____ meter evaluation?

_____ should we _____ out _____ of _____ power-metering devices?

Who _____ an assessment on _____?

Who _____ reach out _____ a _____ evaluation?

Would you _____ able _____ give us the _____ to evaluate _____ calibrate _____?

_____ reach out _____ discuss the evaluation and recertification _____ for _____ units?

_____ should we _____ calibrating?

_____ can _____ reach out to _____ evaluation _____?

Who do we _____ our _____ meters?

_____ in _____ who we should _____ regarding _____ meters?

I am _____ for _____ evaluate and _____ my _____ equipment.

_____ to _____ for assistance with _____ device _____?

Which _____ should _____ an assessment and recalibration _____ measurement _____?

Our power _____ re-adjusted.

Who should _____ get _____ regarding the recalibration _____ power _____ devices?

Is there _____ company _____ evaluate _____ reprogram our _____ equipment?

We _____ to _____ someone _____ recalibration _____ our power metering devices.

Can _____ us _____ we should approach for _____ evaluation?

Who can _____ for _____ with our power _____?

Whom should we _____ to _____ our _____?

_____ us _____ we should approach for _____ device _____.

_____ should _____ get in touch with _____ re-calibration _____ power _____?

Who _____ help calibrate _____ evaluate _____?

_____ might _____ assistance with _____ equipment _____.

_____ the ideal person _____ assessment _____ of our power measurement _____?

Can ____ give ____ an ____ of ____ to contact ____ recalibrating our ____ ?

Were you ____ give us the contact ____ to ____ our ____ devices?

____ is available ____ help ____ adjust ____ electricity ____?

Is ____ possible ____ that ____ calibrates power meters?

____ advice on ____ to ____ for the recalibrating ____ our ____ meters?

____ should we ____ fix ____ these power gadgets?

Are ____ companies ____ can evaluate ____ reprogram ____ power-metering equipment?

____ should ____ talk to regarding ____ and ____ of our ____ units?

____ us who to ____ for ____ and ____ our ____ meters?

Who ____ talk to about the evaluation of our ____ ?

Who can ____ evaluate/re-calibrating ____ ?

____ to talk to ____ about ____ evaluation ____ of ____ power metering ____?

Who ____ we contact if we ____ to ____ our ____ ?

____ can ____ us ____ the ____ our energy monitors?

Are ____ to ____ for a ____ device evaluation?

Who ____ services?

Who ____ for evaluating/re-calibrating power-meters?

____ we reach ____ regarding the evaluation ____ recalibration ____ our power ____?

The ____ request an assessment of our ____ measurement devices ____.

____ ask ____ and recertification ____ our electrical meter units?

____ is ____ need to know ____ should ____ our power meter.

____ we contact if we ____ re- calibrate our ____?

____ we ____ for help with our ____?

Someone ____ test the electric ____.

Who ____ we reach ____ to ____ of a ____?

Who can help ____ meters?

Who ____ calibrating the power ____?

____ need advice on ____ approach for ____ device ____.

Looking for evaluators to ____

____ check and ____ meters asap.

Is it possible ____ to someone ____ evaluate and calibrate ____?

My ____ equipment needs to ____ adjusted ____ evaluated ____ professional.

Whom ____ call ____ meter ____ and ____?

Does ____ services ____ power-meters?

Who will help ____ with ____ re-calibration of ____?

We ____ to speak ____ someone about the ____ of ____ devices.

____ willing ____ our power meters?

Who ____ change our ____ monitors?

We need ____ to ____.

Who can ____ test our ____?

____ who ____ for the ____ of the power meters?

____ can ____ test ____ electric Meters?

____ information ____ assessing ____ fixing ____ is necessary.

____ would ____ evaluators to ____ power ____.

____ who ____ approach for meter calibration?

Who ____ and ____ electric meters?

____ a ____ evaluate power-measuring ____?

Is ____ someone ____ can call ____ our ____ meter?

Is there a ____ check ____ meters?

We ____ to ____ who we ____ calibrating ____ power meter.

_____ that can evaluate _____ calibrate our power-metering equipment?

_____ need _____ appropriate _____ to _____ and re- calibrate _____ power-meters.

_____ to _____ assistance _____ power-meter _____ evaluation?

_____ can _____ us _____ our electricity _____.

We _____ is going to calibrate _____ meter

_____ want _____ a professional _____ my power measuring _____.

Is _____ a _____ or _____ can help _____ and calibrate our _____?

We _____ calibrate our _____.

Who can check _____?

_____ like to know who we _____ approach _____?

Which _____ the right _____ to _____ an _____ recalibration of our _____ devices?

_____ can _____ out _____ for assistance in the assessment _____ power-metering devices?

We need the appropriate contact person _____ re- _____.

Who do we _____ to talk to _____ evaluation and _____ our _____?

_____ check _____ and _____ our meters?

_____ inform us _____ the _____ and _____ of our _____ metering devices?

_____ gives _____ evaluating/re-calibrating power-meter?

_____ a professional _____ and adjust my _____ measuring equipment?

Whom _____ reach out to _____ assistance _____ the _____ power-metering devices?

_____ give us advice on who _____ for _____ meters?

Who _____ approach _____ and _____?

Who _____ we contact _____ services?

Should _____ with _____ we should calibrate our _____.

Please suggest who we _____ reach _____ for _____ evaluation _____ our _____ devices.

_____ should we approach for _____ evaluation _____?

Who _____ with evaluating/re-calibrating power _____?

_____ advise who _____ should _____ the re-calibration of _____ power-metering devices.

_____ to _____ if you need assistance _____ device _____?

We need _____ person who can _____ re- _____ our _____.

Who should we _____ to _____ recalibration of our _____?

Who _____ call to _____ our power-metering devices _____?

_____ is responsible for checking _____ power _____

Can _____ tell _____ contact _____ recalibrating the power _____?

We _____ know _____ to _____ the calibration _____ power meter.

_____ you _____ willing to give _____ contact person to evaluate _____ power-metering _____?

_____ the _____ person to _____ an _____ and _____ of _____ power measurement _____?

Who _____ we _____ out _____ assessment _____ adjustment _____ our power-metering devices?

_____ you _____ us who evaluates _____ calibrates _____.

Did _____ to bother _____ testing and _____ power meters?

_____ to _____ should talk _____ about calibrating our power _____.

Please _____ who we should reach _____ regarding the _____ power meters.

Whom _____ reach out _____ for _____ and re-calibration?

_____ can _____ our power meters?

_____ idea _____ test _____ change the power meters?

_____ for _____ with the assessment _____ adjustment of our _____ devices?

_____ should we _____ when _____ are evaluated?

Do you _____ advice on _____ approach for _____ device _____?

Call _____ assistance with _____ equipment _____.

Who _____ power meters?

Who _____ to check _____ our _____?

Can you point us to _____ knows _____ power _____.
_____ need _____ modify _____ power meters.
_____ are _____ for _____ reprogram our _____.
Whom _____ we _____ touch with _____ meters?
Suggestions _____ whom _____ use _____ power-meter _____?
Do you _____ for _____ recalibrating power meters?
_____ should we _____ for an _____ and recertification _____ electrical _____ units?
Whom _____ we reach out _____ the evaluation _____ of our _____?
Who should _____ a meter evaluation?
Is _____ a company or technician _____ evaluate and _____?
_____ you suggest who _____ contact for _____ meters?
_____ learning who we _____ approach for _____ the _____?
Who _____ help _____ with re-configuration _____ monitors?
_____ could _____ contact _____ evaluating/re-calibrating _____?
Does _____ who _____ call _____ check _____ power meters?
Is there _____ or _____ who can evaluate _____ re- _____ equipment?
_____ are looking _____ evaluators _____ power _____.
Who will _____ us _____ evaluate our _____?
Who _____ fix _____?
_____ you _____ tell _____ who evaluates and calibrates _____?
_____ we approach regarding meter _____?
_____ calibrate our _____.
Looking for someone _____ our _____.
Are _____ any _____ technicians who can _____ reprogram _____ power-metering _____?
I'm _____ sure who _____ ask _____ testing _____ tweaking _____ meters.
_____ power-meter calibrating _____?
Need a _____?
_____ in _____ should approach about calibrating the _____?
_____ who _____ should talk to _____ the power _____.
_____ need the right _____ to _____ re-calibrate our _____.
The evaluation and _____ power-metering devices _____ be done _____.
Who _____ contact for _____ power-meters?
_____ electrical meter _____ need an evaluation _____.
_____ should _____ approach regarding _____ calibration?
Can _____ tell _____ we should _____ out to for the evaluation _____ our _____?
Need to know who _____ going _____ the _____.
_____ measuring _____ assessment?
Can _____ tell _____ we should reach _____ to _____ evaluating _____ our power-metering _____?
_____ would be responsible _____ meters?
Need _____ know who _____ talk to _____ meter.
_____ tell _____ to contact _____ recalibrating power meters.
Who _____ and _____ these _____ gizmos?
_____ me _____ will be _____ tweaking those _____ power meters?
Need _____ with _____ device _____?
Who _____ reach out _____ meter evaluation _____ re-calibration?
_____ the right _____ to _____ re-assessment _____ power measurement devices?
Please tell _____ we should _____ to _____ the _____ of _____ devices
Who _____ we reach _____ with _____ assessment and adjustment _____ devices?
_____ for evaluation _____ re-calibration of our _____ devices?
Who _____ for _____ with power-Meter _____?

Are _____ who can evaluate and _____ calibrate our _____ equipment?

Is _____ we _____ call to _____ our power _____?

Who can help _____ evaluate _____ our _____ monitors?

Someone could _____ for the _____ of _____.

We need someone _____ power _____.

Who _____ about _____ evaluation and _____ procedure for our electrical _____?

_____ can _____ help with the _____ adjustment of our _____ devices?

_____ should _____ contact _____ re-calibration of our _____?

_____ metering equipment

_____ in adjusting our meters?

_____ to _____ power metering _____?

_____ need to know _____ we _____ the _____ of _____ power meter.

_____ tell _____ who we should _____ to regarding _____ of _____ power-metering _____.

Need _____ device evaluation

_____ recommend _____ or technicians _____ can _____ and calibrate _____ power-metering _____?

Contact information for _____ fixing _____ is _____.

To _____ power _____.

_____ you know who _____ reach _____ regarding the _____ of _____ power-metering devices?

_____ person _____ device evaluation?

_____ to _____ if _____ tell me who evaluates and _____ meters.

We need to _____ to someone _____ recalibration _____ our power _____.

_____ us check our _____ meters?

_____ can adjust _____ electricity _____ us?

Can _____ our power meters?

_____ should _____ reach out to _____ meters?

Whom should we _____?

Who is able _____ help _____?

_____ we _____ to for an _____ re-certification of _____ electrical _____ units?

_____ might _____ out to for _____ with the assessment _____ process _____ our _____?

Do _____ need contact details for _____?

_____ consult with someone _____ power meter calibration.

_____ do we need to _____ out to _____ and _____ of our _____?

_____ should we _____ in touch _____ the evaluation _____ power _____ devices?

Inquire about _____ and _____.

For experts _____ our _____.

_____ an _____ person _____ evaluate and re- calibrate our _____.

Who do _____ reach out _____ evaluation _____ meters?

Who should _____ call for _____ meters?

_____ do _____ reach out _____ for _____ evaluation?

Who _____ our energy _____?

_____ should _____ reach regarding the evaluation and _____ our _____?

_____ should look _____ our _____.

We are _____ to _____ on our power _____.

_____ is the _____ person to contact _____ request _____ power _____ devices?

Can _____ tell us who _____ meters?

Whom _____ call to _____ assessment and adjustment _____ our _____ devices?

I need someone _____ and adjust _____.

Who _____ help _____ electricity meters?

_____ necessary for us _____ get in _____ the _____ and recalibration _____ our _____.

_____ we reach out _____ and recertification procedure for our _____?

_____ deals _____ recalibrations of _____ meters?
 _____ reach out to _____ the re-calibration _____ our power-metering devices
 _____ there _____ should reach out to _____ help _____ and _____ our power-metering _____?
 _____ anyone _____ who to test _____ modify those _____?
 Who should _____ get _____ touch _____ regarding _____ and _____ of _____ metering _____?
 _____ recommendations _____ or technicians who can _____ and calibrate our _____ meters?
 Can _____ tell us _____ to _____ for _____ and _____ meters?
 _____ whom we should _____ the re-calibration of our power-metering _____.
 Who should _____ in _____ with _____ the _____ and _____ of our _____ devices?
 Who should we _____ and _____?
 What do you think _____ who we _____ power-metering _____?
 We need the right _____ and _____ power metering _____.
 Who _____ approach for _____?
 We _____ calibrate our _____ meters.
 _____ approach someone for power-metering _____ or _____?
 Whom _____ we contact about _____ evaluation _____ electrical meter units?
 _____ approach the _____ and _____ of the _____?
 _____ can fix and _____ meters?
 We need _____ to about calibrating the power _____.
 Tell us who we _____ reach _____ to _____ evaluating and _____.
 _____ is _____ do _____ tweaking of the power _____?
 _____ if we should _____ about calibrating the _____?
 Can _____ me _____ should _____ for power-metering device _____?
 _____ you _____ contact _____ for assessing _____ repairing power _____?
 Who _____ able _____ and _____ our _____ meters?
 _____ whom _____ should approach regarding meter calibration?
 Are _____ able _____ tell us who _____ and recalibrating power _____?
 Can you _____ power-metering _____ evaluation and re-calibration?
 How _____ I _____ evaluate my power _____ equipment?
 _____ need _____ know _____ calibrate _____ power meter
 Can you _____ know _____ for the _____ meter evaluation?
 _____ should _____ get in _____ with to _____ out _____ power-metering _____?
 Interested in _____ approach regarding _____?
 There is _____ contact details for _____ fixing _____.
 _____ help _____ power _____ device _____?
 _____ needs to _____ in touch _____ the evaluation _____ our power _____ devices?
 Who _____ and _____ electric _____?
 Where _____ help with _____ power _____?
 Seeking experts to _____ and _____.
 Please tell _____ who to _____ out to _____ evaluation _____ power-metering devices.
 _____ help _____ power _____ evaluations?
 _____ reach out _____ for meter _____?
 _____ is _____ who _____ request an assessment of _____ power _____?
 _____ we _____ to for meter evaluation and _____?
 Who _____ help _____ our power _____
 _____ you tell me who _____ should _____ about _____ power _____?
 _____ recalibrate our energy meters?
 _____ to approach for power-metering device _____ re-calibration?
 _____ get _____ with _____ regarding an evaluation _____ recertification _____ our electrical meter units.
 Whom _____ we reach out _____ for _____ with _____ assessment and _____ of _____?

____ let me know who _____ reach out ____ for the evaluation _____ of _____.

_____ tell me ____ they're up for fixing ____ refitting _____?

I need to _____ professional _____ my power _____.

Contact details _____ power _____ needed.

We _____ the _____ person _____ evaluate _____ calibrate _____ devices.

Do _____ to have _____ evaluate _____?

Who _____ you need assistance with _____ power-meter _____?

Do _____ know _____ should reach out to _____ evaluating _____ our _____ devices?

_____ need to get in _____ someone _____ and recalibration of _____ power _____.

_____ we _____ out _____ for _____ evaluation _____ of our electrical _____ units?

Do you _____ contact _____ evaluating the _____ meters?

We need to _____ we _____ consult _____ power _____ calibration.

Please _____ us _____ to reach out _____ the _____ of _____ devices.

_____ reach _____ to for _____ evaluation and _____ for our electrical _____ units?

Who is the appropriate _____ the _____ power measurement _____?

Who is the right _____ to _____ recalibration _____ our _____ measurement _____?

Can you tell us _____ to _____ power _____?

Whom _____ we _____ with concerning _____?

Who needs _____ be _____ touch _____ us _____ the recalibration of _____?

Can _____ recommend _____ who _____ evaluate and _____ our power-metering _____?

_____ person can _____ calibrate _____ power _____?

Can you _____ me _____ evaluates _____ power _____.

_____ you tell _____ to contact _____ power meters?

_____ in touch with us _____ the evaluation _____ recalibration _____ our _____ meters?

Who _____ calibrate those darned _____?

_____ you able _____ provide _____ with someone _____ and _____ our power-metering _____?

Who can _____ to _____ electricity _____?

Who should _____ reached _____ meter _____?

_____ we _____ assistance _____ the _____ and adjustment of _____ devices?

_____ are _____ to _____ touch with regarding the recalibration _____ our _____ devices?

Evaluators _____ to be _____ energy _____.

Can _____ who to call for _____ power _____?

We _____ to _____ someone _____ of our power meter.

Who _____ contact _____ power-meter evaluation?

Please _____ me _____ to _____ to _____ the _____ re-calibration _____ our power-metering devices.

I want _____ know _____ be _____ those power meters.

_____ can check out _____?

_____ offers _____ in _____ power _____?

_____ should _____ in _____ with regarding the _____ and _____ of _____ meters?

_____ fix and _____ gadgets?

Who should we _____ to _____ and _____ devices?

Can _____ tell _____ who _____ approach for evaluating _____?

_____ can help _____ power-meter device _____?

_____ there _____ company _____ technician that _____ help _____ and calibrate our _____?

Whom _____ for help _____ device _____?

_____ services in _____ meters?

_____ will we _____ regarding the recalibration of _____ power metering _____?

Are we going _____ with someone _____ of _____ meter?

_____ to evaluate _____ re-release _____ meters.

_____ should _____ with the _____ evaluation?

_____ should contact _____ our _____ meters.

_____ should we _____ to for _____ re-calibration of the _____?

Who _____ approach meter _____?

We are considering evaluating _____.

We _____ someone _____ help _____ adjust our meters.

_____ can _____ to check our power meters?

_____ reach _____ to _____ re-certification procedure for our _____ meter units?

We want to _____ we should reach _____ the _____ and re-calibration _____ our _____.

_____ we contact for _____?

_____ you want us _____ fix _____ meters?

_____ there _____ can contact to _____ and _____ power meters?

We need _____ to someone about _____ meter.

_____ need _____ contact _____ to evaluate and re- calibrate _____ power _____.

_____ work on our _____?

What should _____ do about _____ evaluation _____ electrical _____ units?

_____ fix and test _____ electric _____?

Please _____ with _____ re-calibration _____ our power-metering devices.

Who do we _____ to for _____ re-calibration

Who _____ going to talk _____ evaluation and recalibration _____ power metering _____?

_____ we _____ to regarding _____ evaluation and _____ our _____ meter units?

_____ need _____ out for meter _____ and _____.

Who should I _____ with a power-meter _____?

Please let me _____ who we _____ reach _____ regarding _____ of _____ devices.

_____ should _____ and _____ the _____ meters?

Who _____ fix _____ meters?

Who _____ re-calibration of our _____?

Are you _____ in knowing _____ we _____ the meters?

Please give _____ person to _____ and _____ power-metering devices.

_____ need _____ with power-meter _____.

_____ inspection and recalibration _____ meters _____?

_____ do we need in _____?

Who _____ contact in _____ to _____?

_____ assessing and _____ meters _____ needed.

Who _____ out to for _____ power-metering devices?

_____ can be contacted _____ of _____.

_____ for people _____ reprogram _____ meters.

How _____ I _____ professional to _____ power _____ equipment?

_____ calibrates electricity _____?

_____ going to _____ and adjust _____ meters?

_____ evaluators should we _____ our _____?

_____ need advice _____ who to _____ for evaluating _____ power _____.

_____ you _____ companies _____ evaluate and _____ power-metering equipment?

Who will _____ meters?

_____ would _____ professional _____ and evaluate my _____ measuring equipment.

Do you _____ any recommendations for _____ or _____ that _____ and _____ equipment?

_____ we should reach _____ to _____ the evaluation and _____ our power-metering _____.

_____ capable _____ fixing _____ testing electric _____?

_____ tell us who we should _____ for evaluation and _____ devices?

Please _____ know _____ reach out _____ evaluation and re-calibration of our power-metering _____.

Who should _____ evaluation _____ for _____?

_____ help _____ a power _____ evaluation?

_____ can help _____ our _____ monitors.

Who are we going to _____ to _____ evaluation _____ our power _____?

Whom can we reach out _____ in _____ our power-metering _____?

_____ get in _____ about _____ evaluation and _____ of our _____ metering devices?

Who _____ we going to get in _____ with _____ the _____ and _____ devices?

Are we supposed _____ power-metering device _____ and _____?

Which one should we reach out _____ evaluation and recertification _____?

_____ can I _____ to assess power-meter _____?

_____ tell us who we _____ reach out to _____ power _____.

There is _____ who to approach for _____ evaluation _____.

Is _____ to call someone to _____ the _____?

Who _____ and _____ of _____ meters _____?

_____ tell me who _____ be _____ and _____ power meters?

Can you _____ calibrates power meters?

Is there anyone that we _____ our _____?

_____ want to _____ who _____ approach regarding _____ calibration.

_____ to use _____ calibration _____?

Is _____ anyone _____ help _____ power meters?

_____ our energy monitors?

_____ we _____ about calibrating the _____?

_____ experts _____ re-calibrating _____ meters

_____ are _____ help us adjust _____ electricity meters.

_____ experts to evaluate _____ meters.

_____ can help _____ with _____ of _____ energy monitors?

Who _____ be able to _____ us with _____?

_____ do _____ reach _____ an evaluation _____ the meter?

Who _____ we get _____ touch _____ evaluation _____ power metering devices?

Who are _____ going _____ out to for _____?

Who _____ and _____ our power _____?

_____ you _____ advice _____ to _____ for evaluating _____ recalibrating our _____ meters?

Who do _____ need _____ the evaluation of _____ metering devices?

_____ in need _____ with the assessment _____ of our power-metering _____.

My _____ equipment needs _____ evaluated and _____ a professional.

_____ regarding an _____ and recertification procedure for _____ electrical _____ units?

_____ should _____ to check _____ power _____.

Can _____ to reach _____ for evaluating _____ recalibrating our power _____?

Who is _____ person to _____ recalibration _____ our _____ measurement _____?

_____ should _____ get in _____ for _____ of _____ power-metering devices?

_____ going to _____ and recalibrate _____?

_____ can _____ electric meters.

Who is capable _____ testing _____?

Who is _____ right person _____ contact for an _____ of _____?

We _____ to _____ who _____ calibrating the power _____.

Whom _____ reach _____ to for help _____ the assessment _____ of _____ power-metering _____?

I would like _____ who we _____ approach _____ evaluation.

Who is the appropriate _____ an _____ of our _____?

_____ contact _____ request an _____ and recalibration _____ our power measurement _____?

_____ is _____ request an assessment of the power _____?

Can you _____ to approach for _____ device _____.

_____ contact for help evaluating and _____ power meters?

_____ with a power _____

Need to _____ we should _____ to _____ our _____.

_____ for re-calibrating our _____

_____ in _____ who _____ approach _____ calibrating meters?

Do you _____ who _____ contact _____ recalibrating _____ meters?

_____ approach _____ and _____ of power metering devices?

We _____ assistance with _____ assessment and adjustment _____ devices.

Need _____ a power-meter _____?

_____ be reached for assistance _____ power-meter _____?

_____ need _____ someone _____ how _____ calibrate a power meter.

_____ can help _____ change _____ electricity _____.

_____ can _____ contact _____ power meters?

_____ you tell _____ testing and tweaking the power _____?

Who _____ our electricity meters?

_____ do _____ reach out to _____ evaluation _____ our _____?

_____ y'all tell me _____ calibrates power _____?

_____ for people to _____ meters.

We need _____ to reach _____ to _____.

_____ help with the _____ of _____ energy _____?

_____ should we _____ to help _____ assessment _____ adjustment of _____ devices?

Please tell us who _____ should reach _____ of our _____ devices.

_____ should _____ to _____ re-calibrating our power-metering devices?

_____ we get _____ touch _____ the evaluation _____ our power _____ devices?

_____ get _____ the assessment and adjustment of our power-metering _____?

We _____ consult _____ someone _____ can help calibrate _____ power _____.

_____ for an evaluation of _____?

Interested in _____ who we _____ contact _____ the _____?

_____ to know who we _____ meter _____?

_____ needs to request _____ assessment and recalibration _____ measurement _____?

_____ we _____ to _____ the assessment _____ adjustment process _____ our power-metering devices?

_____ to check _____ power meters?

Who should we _____ re-calibration _____ our _____ metering _____?

Who provides _____ evaluating/re-calibrating _____?

_____ to talk to someone _____ the calibration _____ our _____.

Who _____ person to request _____ power measurement devices?

_____ would _____ to know who _____ should _____ out _____ of our power-metering _____.

_____ talk to _____ evaluation and recertification _____ our _____ meter units?

_____ with _____ power-_____ device?

_____ need _____ who _____ help calibrate _____ power meter.

Who needs _____ inform _____ the _____ and recalibration of _____ metering _____?

_____ know who to test and _____ meters?

Who _____ we contact about _____?

_____ we call for re-calibration _____ power-metering _____?

Can you _____ to contact for recalibrating _____?

_____ person _____ an evaluation of _____?

_____ to talk _____ us _____ the _____ our _____ metering devices?

We need _____ help _____ our _____ meters.

_____ is _____ for evaluators _____ power meters.

_____ who _____ for power-meter assessment?

We ____ looking for ____ the power ____.
 ____ assistance with ____ device ____?
 You may need ____.
 ____ gives services ____ evaluating/re-calibrating ____?
 We ____ someone to ____ re-calibrate ____ devices.
 ____ do ____ reach ____ for ____ evaluations?
 ____ to know ____ we ____ calibrating the meters?
 ____ if we ____ go to ____ that calibrates ____ meters?
 ____ you tell ____ who to ____ evaluating ____ power meter?
 We ____ right ____ help us evaluate and ____ calibrate ____ devices.
 ____ of power-meters?
 ____ we ____ some help with ____?
 Can ____ tell ____ who ____ for ____ and recalibrating ____ power meters?
 ____ do ____ we ____ approach ____ power-metering device evaluation?
 We ____ us assess and ____ electricity meters.
 Looking ____ evaluators to ____ calibrate ____
 ____ would ____ have a ____ adjust ____ power measuring ____.
 ____ we need ____ reach out ____ the ____ re-calibration ____ our power-metering devices.
 ____ should ____ who knows about ____ evaluation ____ re-calibration of our ____ devices.
 ____ to ____ our power meters.
 Interested ____ knowing ____ we ____ to ____ the meter.
 ____ you ____ give ____ the contact ____ and ____ our power-metering devices?
 ____ you able ____ give us a contact person ____ calibrate ____?
 ____ meter recalibrations?
 ____ be ____ to check ____ meters.
 Who ____ approach ____ and ____ of ____?
 Can you recommend ____ can calibrate ____ power-metering ____?
 ____ out to someone ____ evaluating ____ re-calibrating ____ power-metering devices.
 Wondering ____ approach ____ calibration?
 ____ give ____ the appropriate ____ person to evaluate and re- ____.
 Who can ____ meters right?
 ____ ought ____ calibrating these power gizmos?
 ____ request ____ and recalibration of ____ measurement devices.
 Is ____ person that we should call ____ our ____?
 Looking for evaluators ____ with ____.
 ____ should ____ about calibrating our ____?
 ____ going to reach ____ to for evaluation of ____?
 Who ____ available ____ evaluate/re-calibrating ____?
 ____ are we going ____ reach out to ____ of ____ metering ____?
 Whom could we reach out ____ for ____ with ____ assessment ____?
 Please let me ____ we ____ reach out ____ the ____ our power-metering ____.
 Need ____ device ____?
 Whom can ____ out ____ for help ____ our ____?
 Who should ____ for ____?
 ____ need to ____ with ____ who knows ____ power meter.
 ____ needs ____ the evaluation ____ of our power ____ devices?
 ____ there ____ can ____ power-measuring devices?
 Who ____ you ____ for assistance with ____?
 ____ should ____ requesting an assessment and ____ power measurement devices?
 Whom ____ assistance with ____ device ____?

Do ____ know who ____ fix ____ electric meters?

____ us ____ re-calibrating ____ energy monitors?

Are we ____ someone to ____ our power ____?

Do ____ have any ____ on ____ for ____ power meters?

____ who can ____ re-calibrate our meters.

____ contact ____ for ____ power meters?

____ calibrate our ____ Meters?

Who can ____ us ____ our ____?

We need ____ know who we ____ calibrate our ____.

____ to give us the appropriate ____ evaluate and ____ devices?

____ need ____ out to someone ____ evaluation ____ power-metering devices.

Who ____ reach out ____ evaluation and ____ of ____ meter?

Whom can we ____ to ____ with ____ assessment ____ our power-metering ____?

____ you recommend companies ____ can ____ our ____ equipment?

Who are ____ going ____ out ____ for re-calibration ____ meter ____?

Whom is ____ right ____ an assessment ____ recalibration of our ____ devices?

____ there anyone ____ can call ____ check ____?

____ might ____ reach out to ____ with ____ assessment and ____ our ____ devices?

Who should ____ to ____ our ____ devices ____ out?

Someone please ____ power ____.

____ can ____ and ____ our ____?

____ offers ____ to evaluate ____?

We need ____ our ____.

Is ____ possible ____ who can evaluate and calibrate our ____?

____ in knowing ____ to ____ meter ____?

____ is a ____ contact ____ for assessing and ____ power ____.

____ need ____ re-set our ____ meters.

Please tell ____ who to ____ out ____ the ____ our ____ devices.

Who ____ we reach ____ about ____ recalibration ____ our power ____ devices?

Who should ____ for re-calibration of ____ power ____?

____ are looking for ____ power meters.

____ help us ____ re-calibration of ____ monitors?

____ who ____ bother with testing ____ tweaking ____ power meters.

____ can we reach out ____ for ____ in ____ and adjustment ____ devices?

____ contact for ____ evaluation ____ of our ____.

Who should we ____ the ____ power-metering ____?

Who ____ the correct ____ a recalibration ____ our ____ measurement ____?

Is ____ a ____ technician ____ recommend who can ____ calibrate our power-metering ____?

Who ____ get in touch with ____ and calibrate our ____?

Who ____ to for ____ and recertification procedure ____ our electrical ____?

Please ____ who we should reach out ____ for ____ our ____ devices
