

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Battery capacity and charging options
Description	Customers are interested in the battery life of their smartphone and inquire about the capacity of the battery, estimated usage time, and whether it supports fast charging, wireless charging, or battery optimization features.
Data Size	8,015 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Are there _____ available _____ that optimize _____ life and _____?

Is _____ built-in _____ for _____ battery _____ on this _____?

_____ the _____ or the battery?

Features _____ the performance _____ life.

_____ been equipped _____ attributes that make _____ longer?

What can _____ done to enhance _____ and _____?

_____ this _____ have attributes _____ maximize _____ long _____ lasts _____ also _____ ability?

I _____ to _____ if _____ has features _____ battery efficiency _____ improved _____.

Is it _____ for _____ have better battery _____ performance?

What _____ device improve its _____ battery life?

Does _____ device _____ to _____ and battery life?

There _____ features _____ device _____ can help _____ battery _____ performance.

Can you tell _____ there are _____ battery _____?

Do the battery-saving features _____?

Is it possible to _____ performance _____ life _____ features?

Is _____ any way to maximize _____ life _____ this _____.

What _____ the _____ that will _____ performance?

There _____ features that this device _____ for _____.

What _____ does _____ have that _____?

Does _____ device _____ battery-saving _____?

_____ possible _____ to improve battery life _____ performance?

_____ anything _____ improve both performance and _____ longevity?

Can there _____ this _____ that _____ life and performance?

_____ include _____ and _____ enhancing features?

Does the device _____?

_____ this device designed to enhance _____?

_____ the device have _____ to help _____ life?

Does _____ device _____ features _____ battery _____ and performance?

_____ tell me _____ there _____ any _____ the performance and _____?
 Do _____ improve _____ battery?
 _____ this _____ have features _____ enhance _____?
 _____ the device _____ the _____ improve _____?
 _____ there any way _____ for this thing?
 _____ it possible _____ improve _____ battery _____ and _____ of _____ device?
 _____ device _____ better _____ to last?
 _____ can _____ device improve _____ save _____?
 _____ possible _____ features _____ improve both performance and _____ life?
 Can _____ make a difference _____ battery _____ performance?
 _____ this _____ able _____ save _____?
 _____ are _____ for maximizing battery life and _____?
 _____ phone do _____ to make _____ last longer _____ work _____?
 _____ it _____ to _____ both battery _____ performance.
 _____ expect a better battery life _____?
 _____ device _____ attributes that maximize _____ long it lasts, _____ improving _____ overall _____?
 Can _____ for better battery life _____ features?
 Will the device _____ and _____?
 _____ this gadgets _____ lifespan _____?
 There _____ features _____ device _____ can help _____ battery _____ performance.
 _____ the device got _____ that _____ longevity _____?
 _____ phone _____ to _____ the _____ life?
 _____ it possible _____ and _____ life?
 Does _____ capabilities to _____ batteries?
 Is _____ that _____ the battery _____ and usage?
 _____ anything _____ be done _____ life and performance on this _____?
 Is _____ has _____ features?
 _____ the _____ any _____ battery life and performance?
 Does _____ help the _____ performance?
 _____ there any _____ on this device _____?
 Can _____ find _____ help the _____ last _____?
 Is it _____ for me _____ improve the _____ life _____ on _____?
 Is there _____ improvements _____ battery _____?
 _____ of the available _____ the device's _____ level?
 Are there _____ to the device for _____ performance _____?
 Does this device _____ any _____?
 Can there be _____ can enhance battery _____?
 _____ the _____ device _____ can save _____ and improve performance?
 _____ be possible _____ improve performance and _____?
 What features _____ have that _____ prolong battery _____?
 Will this device _____?
 _____ the device have features that _____ improve the _____?
 _____ there _____ for _____ juice and _____ here?
 The _____ battery-saving _____?
 Is _____ any improvements to the _____ performance _____?
 _____ there _____ that _____ battery life?
 Does the _____ have _____ save _____?
 _____ could be _____ to _____ my device's _____ and _____.
 Does this phone have _____ battery _____?
 _____ I find features _____ battery life?

_____ can _____ maximize battery life _____ performance on _____ device.

_____ device has _____.

Do _____ of the available _____ enhance _____ power _____?

Is this device _____?

_____ I _____ something _____ improve _____ performance of _____ battery?

Does _____ of _____ features _____ the device's power _____ as well _____ level?

Can _____ confirm if there _____ to _____ and _____?

_____ tools _____ help prolong _____ lifespan of this device?

Does _____ ways _____ maximize battery _____?

_____ have any _____ save batteries?

Does _____ have features _____ maximize _____ long it _____ improving the _____ operational _____?

_____ features do _____ will _____ and performance?

How _____ be used to maximize battery _____?

_____ to _____ both battery life _____?

_____ there _____ this device that help _____?

_____ a _____ maximize both battery _____ and performance?

Does _____ device _____ battery-saving _____?

_____ this device _____ and performance _____?

Does _____ a _____ to improve _____?

There _____ any _____ or tools _____ can _____ battery _____?

Does _____ device _____ batry _____ longer?

_____ are the features _____ prolong battery life?

Is _____ in battery _____ and performance _____ device?

_____ me _____ options are _____ to _____ battery life savings?

Does _____ attributes that _____ it lasts, while improving _____ ability?

Does this device _____ and _____?

Does _____ device _____ features to _____ life?

_____ capable _____ enhancing batteries?

I would _____ know _____ features _____ the battery and _____.

Do _____ device _____ anything _____ and speed?

_____ I _____ any _____ to _____ life?

_____ possible to _____ better battery life _____ from the _____?

_____ the phone _____ with features _____ improve the _____?

Is there _____ prolong _____ life?

How does _____ save battery _____?

I'm curious _____ phone has _____ better _____ improved operation.

Does any of _____ features _____ power _____ efficiency level?

How _____ device _____ used _____ save battery _____ performance?

_____ there _____ to the _____ or _____ life _____ this device?

Can _____ prolonging battery _____ savings?

I _____ to know if _____ phone _____ features to _____ efficiency _____.

Is it _____ and battery _____.

_____ on _____ gizmo that improves _____ efficiency?

_____ options _____ prolonging battery _____ saving?

Does _____ device _____ anything _____ lifespan _____ quickness?

_____ are options to _____ battery usage and _____.

What _____ have on this device that will _____ battery _____?

_____ the _____ a _____ saving feature?

_____ device have tricks to _____ last longer?

_____ this _____ performance enhancing features?

Does _____ have _____ that improve the _____?

Is _____ any _____ device that improve _____?

Is _____ device _____ improving battery _____ performance?

_____ any device features that maximize _____ performance?

Do they have ways _____ battery _____ cutting _____?

_____ there _____ to _____ battery life?

What _____ this device _____ save battery and _____?

Do _____ to _____ battery life?

_____ that can _____ and performance.

Does this _____ help _____ last _____?

Is _____ way to prolong _____?

What features do you _____ maximizing _____ life _____ performance of _____?

_____ any _____ that can _____ the battery _____?

_____ have _____ battery or _____ features?

_____ do the _____ improve performance?

Can I expect something to _____?

I want _____ know if _____ phone _____ features _____ better operation.

Is this _____ capable _____ battery _____?

Will _____ have features to make _____ battery _____?

Can _____ find _____ that _____ with _____?

There _____ any enhancements _____ the _____?

Do _____ know if this phone has _____ and _____ operation?

_____ there _____ you can do to improve _____?

Can you tell _____ there _____ any performance _____?

_____ if this device _____ features _____ battery efficiency and enhanced _____?

_____ available _____ to _____ the device's power _____ and _____ level?

Is _____ device _____ of _____ battery _____ performance?

Is _____ possible _____ improve the battery _____ on this _____?

Does this device _____ batteries?

_____ battery and performance?

Does _____ device have _____ increase battery _____?

Does the _____ maximize _____ and _____?

Does _____ any features _____ battery life?

_____ wondering if _____ to increase the battery _____ this phone.

_____ to make the battery last longer _____ better?

_____ there any _____ battery life?

_____ any improvements to the device _____ to _____ performance?

Is _____ device _____ attributes that maximize _____ last _____ improving _____ operational ability?

Can _____ be any _____ both performance _____ battery _____?

_____ have tricks to improve performance _____ prolong _____ life?

What are the _____ this _____ help _____ battery use?

_____ phone able to _____ features _____ battery _____ and _____ operation?

_____ battery-saving _____ for this thing?

_____ the device been _____ to maximize _____ lasts?

Features _____ enhance _____ life _____ performance?

_____ are _____ enhancing battery life _____ this _____.

I want to _____ if _____ device has _____ that _____ how _____ it _____.

There are _____ improvements _____ here?

The _____ can _____ and performance.

The _____ has _____ that can _____ the _____ last _____.

Will there be _____ improve _____ performance?
_____ this phone _____ features _____ battery _____?
Can _____ tell _____ are _____ for _____ battery and performance.
Is there _____ maximize battery _____ this gizmo?
_____ the features _____ device _____ battery _____ longer and improve _____?
Does _____ have performance _____?
_____ know if this phone offers features _____ battery _____ and _____.
Is _____ something _____ this _____ that improves _____?
Is _____ any _____ on this device that _____ and _____?
Can _____ device _____ with _____ and _____?
_____ features can be _____ power?
Can _____ are some features _____ battery and performance?
_____ device have features to prolong _____?
Is _____ can improve the _____?
_____ features on this device that _____ battery _____?
_____ there any improvement _____ the _____ and _____ this device?
_____ may be _____ this device _____ improves its _____.
Can the _____ and performance?
_____ attributes _____ how long it lasts while _____ operational ability.
What _____ do _____ have _____ improving the battery _____ performance _____ device?
Is it _____ features _____ the battery life and _____?
I am wondering _____ is a _____ increase _____ life on _____.
_____ this _____ device have _____ improve _____ performance?
Is there _____ to improve _____ life and _____?
Can the _____ battery _____ and _____?
_____ device have performance _____?
Does _____ phone _____ that will _____ battery last _____?
_____ it possible that _____ can _____ go longer?
_____ device _____ to maximize lifespan _____?
Is _____ device equipped _____ that _____ it _____ improving its overall operational _____?
Are there _____ that _____ prolong _____?
Is _____ any _____ functions _____ battery _____ and performance?
_____ tell me if _____ are optimization features _____?
_____ any performance and battery _____?
_____ I expect anything _____ improve _____ longevity _____?
Does _____ device have any _____ to _____ performance?
_____ are battery-saving _____ for _____?
Is _____ possible to _____ for _____ performance?
_____ there _____ device that improves _____?
_____ offer any features _____ batteries?
Does the _____ features that _____ and performance?
_____ there _____ way that this device _____ improve _____ life?
_____ any battery-saving tricks for _____?
Are there _____ improvements _____ prolong _____?
_____ way _____ improve the battery life and function _____?
For _____ life _____ performance, _____ tools _____ settings here?
_____ device improve _____ performance and _____ life?
What _____ of _____ do you _____ the battery _____?
_____ any built-in _____ for maximizing battery life _____?
_____ better battery life and performance _____?

Does ____ device feature ____ performance ____?

Are ____ on the ____ maximize battery life?

Is ____ that this phone ____ features ____ and enhanced operation?

____ there any ____ battery life?

____ this ____ able to save ____?

____ be ____ for ____ juice?

____ this phone ____ that improve ____ battery performance?

Can ____ special options to improve ____ usage and ____?

There ____ some features that could ____ to ____ battery ____.

____ there a ____ to get ____?

____ any way to ____ life?

Does the phone ____ the battery performance?

____ the device been made ____ it lasts ____ operational ability?

____ phone do ____ to get ____ battery ____ last ____?

Is it possible to maximize ____ and ____?

Does the phone have ____?

____ there changes for ____?

Do ____ ways to maximize battery life ____?

Could you tell me if ____ phone ____ battery ____?

____ be features ____ the ____ and ____.

Is ____ any ____ functions to increase ____ performance?

____ device ____ maximizing batteries?

Can I improve ____ life ____ of ____ phone?

Can ____ find ____ that ____ and battery ____?

____ performance-oriented enhancements ____ the ____?

Does the ____ battery functions?

____ options for prolonging the battery ____?

Is this ____ to maximize ____ performance.

____ something ____ that improves efficiency?

Is ____ device ____ of ____ performance ____?

____ any of ____ to improve ____ device's power ____ efficiency?

____ there ____ settings or tools ____ to maximize ____?

Can ____ if ____ features for ____ battery efficiency and enhanced ____?

Are there ____ features ____ and battery ____?

____ any place where I ____ battery performance?

Is ____ phone capable of providing features ____ and ____?

____ the device has ____ battery ____?

Can ____ find ____ that increase ____ life ____?

____ features ____ make ____ battery last longer?

____ this device have ____ help ____?

Is ____ battery life or performance?

____ there ____ to ____ the ____ life on this ____?

____ the device ____ performance ____ life?

Are ____ any ____ to the ____ battery life?

Does ____ device ____ battery ____ performance ____?

____ any ____ battery and ____?

Will this ____ life and ____?

Are ____ any built-in ____ performance ____ battery life?

____ the ____ have any ____ that make it ____?

There might be capabilities ____ that ____.

_____ there _____ ways _____ improve _____ life _____ performance.

Is _____ device _____ with _____ maximize how long _____ lasts _____ improving _____ _____?

_____ device improve _____ life?

_____ this phone _____ with _____ that _____ battery?

Is _____ built-in _____ that _____ battery life and _____?

_____ that _____ can do _____ improve _____ life _____ on this phone?

_____ anyone _____ any battery-saving tricks _____?

Does this _____ performance _____ features?

_____ any way that _____ can increase battery _____ and speed _____ _____?

Does _____ device _____ battery features?

_____ this _____ have capabilities _____ improve _____?

Does _____ enhancements _____ improve battery life _____ performance?

_____ know _____ are any _____ for the battery?

_____ any feature increase _____?

Does _____ phone _____ settings _____ battery _____ while _____ smoothly?

_____ features _____ and performance?

Has the _____ with _____ attributes _____ maximize _____ long it _____?

_____ this device _____ to _____ prolong battery _____?

To _____ battery _____ and _____ performance, any _____ settings _____?

_____ we _____ provide better _____ life and performance?

Can _____ maximize its life _____?

_____ the device been equipped _____ attributes _____ how _____ lasts while _____?

_____ possible _____ find _____ improve _____ life and performance here?

_____ be _____ will improve performance and _____ life?

Is _____ something on _____ efficiency?

Can you _____ what _____ available _____ prolonging _____ life savings?

_____ this _____ to _____ its battery _____?

Can I _____ way _____ and battery life?

Is this _____ of _____ performance _____?

Does anyone _____ way to _____ battery _____ on _____ phone?

Is there _____ will give _____ life out _____ the _____?

_____ there _____ the performance and battery _____ of _____ device?

_____ there _____ for better battery _____?

Does this _____ have _____ improvements _____ and _____ life?

_____ have settings that can _____ battery _____?

_____ there _____ help _____ juice and _____ speeds here?

_____ this _____ anything _____ the battery life?

_____ device _____ with battery-saving _____?

Does the device _____ that _____ prolong the _____?

_____ device have _____ performance enhancer?

There _____ features _____ improve _____ performance and battery _____ this _____.

Can _____ expect _____ and battery life from _____?

_____ about batteries-saving tricks _____?

_____ are the possible _____ for _____?

_____ will _____ battery life _____ performance?

_____ be _____ to improve this device's _____ battery _____?

There are features that can _____ battery _____ of _____.

_____ it _____ device maximizes performance and battery _____?

_____ anything _____ that makes it more efficient?

_____ find features that _____ here?

Is _____ feature _____ better battery efficiency _____ this phone?

Is the _____ to _____ its battery _____ and _____?

Can this _____ improve _____?

_____ save battery and _____ performance?

Does _____ have things to improve _____ life _____?

Can _____ offer any _____ thing?

_____ device equipped with _____ that maximize _____ it _____ while improving _____?

Is there _____ improve _____ performance of _____ battery?

_____ are _____ here _____ maximizing _____ life and _____ performance?

_____ battery-saving _____ have for this thing?

_____ are the _____ of the device _____?

_____ possible that _____ device can _____ batteries?

_____ feature improvements _____ battery and _____?

This _____ has features _____ increase _____ performance.

Could _____ a way to _____ on this phone?

_____ of helping _____ go longer?

_____ it possible that _____ offers _____ better battery _____?

_____ offer options _____ battery _____ savings?

Can I _____ features that _____ of the _____?

_____ any _____ the battery or _____?

Is _____ way _____ improve _____ usage _____ overall device _____?

Does _____ features _____ increase its performance _____ battery _____?

The _____ that maximize _____ life.

_____ device _____ both _____ and performance?

_____ the device _____ features _____ saving _____?

_____ this _____ anything to _____ battery last longer?

Is _____ any _____ enhancement for _____?

_____ this _____ have features _____ will increase battery _____?

_____ new features improve _____ performance?

_____ the features of this _____ save _____ performance?

Does _____ save batteries?

_____ you know _____ features for performance _____ battery?

_____ there be _____ options _____ improving battery _____ on _____?

Is there _____ battery-saving _____ thing?

Can you _____ features _____ battery and _____?

_____ be built-in _____ for maximizing the battery life _____?

_____ the _____ attributes that _____ long it lasts?

Are there _____ features _____ performance _____?

_____ me if there _____ any improvements _____ or performance?

_____ the _____ any features to improve _____ performance?

_____ help _____ use to _____ longer?

Does _____ have any features _____ improve _____ performance?

Is there _____ to _____ the _____?

_____ this _____ of saving _____?

Do _____ provide _____ battery life?

_____ any options _____ battery _____ savings?

Will this _____ and _____ life?

_____ there _____ battery-saving tricks _____ device?

Is _____ possible to increase battery _____ speed _____?

_____ does _____ that will last longer?

____ it ____ possible ____ my device's ____ and performance?
 ____ are ways ____ the ____ life ____ speed on this ____.
 ____ are battery-saving ____ this ____.
 ____ possible ____ improve battery longevity ____?
 Has the ____ maximized longevity or ____?
 ____ there ____ way ____ improve ____ juice and ____ here?
 ____ you tell ____ this phone offers ____ efficiency ____ enhanced ____?
 ____ the ____ performance or ____ improvements?
 ____ that the device can ____.
 ____ any ____ the features work to enhance ____ the ____?
 Can ____ of its battery?
 ____ there any attributes ____ battery ____ and usage ____?
 Can ____ be capabilities ____ device ____ maximize ____?
 ____ the device ____ help maximize ____?
 Does ____ batteries-saving functions?
 Does ____ with ____ to ____ battery performance?
 Will this ____ make the ____ longer ____ improve ____?
 Does ____ device ____ batry ____ longer?
 What performance ____ there ____ the ____?
 ____ this device ____ features ____ the battery life?
 ____ it possible ____ battery lifespan?
 Does ____ device ____ to ____ of the battery?
 ____ way ____ improve ____ and battery life on this ____?
 Does the ____ have anything ____ improve ____ life?
 ____ it ____ adjust ____ device's ____ and performance?
 Can I expect ____ will ____ battery ____ and ____?
 ____ any ____ to ____ and battery life ____ this device?
 Will ____ changes for ____ life?
 Does ____ gadget ____ that ____ both ____ and efficiency?
 Is ____ anything ____ there ____ keep the ____ dying?
 How about ____ for ____ thing?
 ____ features for long ____ use?
 ____ device ____ battery and performance ____?
 Is there ____ that ____ life ____ here?
 ____ may ____ battery and performance ____.
 Is there ____ improvement to ____ this ____?
 ____ phone make the ____ longer ____ work better?
 Does ____ better ____ of power?
 Features ____ for long ____ use?
 ____ any ____ functions to enhance performance ____ life?
 ____ phone come ____ to improve ____ performance?
 ____ improve its battery ____?
 ____ this ____ come ____ features ____ improve its ____ performance?
 Is there ____ juice?
 Is there ____ the ____ life ____ this device?
 ____ to know ____ offers features for ____ battery ____ enhanced operation.
 Does ____ anything to improve the ____ of ____?
 Is ____ maximize battery life and ____ here?
 ____ the device have ____ increase ____?
 ____ I expect any enhancements ____ improve ____ battery ____?

Does this _____ features that maximize _____ life _____?

_____ expect anything designed _____ improve performance _____ longevity?

_____ any improvements _____ the life of the _____?

Is _____ way to make longer-life juice _____?

Is this _____ equipped with attributes that maximize _____?

Does _____ to increase battery life _____ performance?

Can _____ be built-in options to _____ life _____ device?

Can _____ expect _____ enhancements to _____ performance or _____?

_____ device _____ to improve _____ performance?

_____ there _____ that can improve batteries?

Is there _____ improves both battery _____ and _____?

Does _____ device _____ features to extend _____?

_____ the battery last better?

Does the _____ last longer?

Do _____ have _____ options for prolonging _____

Can there _____ capabilities _____ that improve _____?

Does _____ of _____ work _____ increase the device's _____ capability _____ level?

Can _____ if there _____ for _____ battery.

Can I expect _____ improve _____ battery life?

Does this _____ feature _____ battery _____ enhancing _____?

Does it _____ battery-saving _____?

Does this _____ battery life?

I _____ if this _____ offers _____ for better _____ efficiency _____ enhanced _____.

_____ device _____ features that _____ performance _____ battery life?

_____ there be _____ for enhancing _____ on this _____?

Does this _____ battery _____ better?

_____ tell _____ if _____ are _____ and battery enhancements?

Does _____ have _____ attributes that maximize _____ long it _____ while _____?

Is there _____ improvements _____ battery _____ on this _____?

_____ the _____ a way to _____ last longer?

_____ there features to _____ both _____ life _____?

Is _____ the _____ help _____ go longer?

_____ to upgrade its battery _____?

_____ there _____ to prolong _____ life?

Is there any _____ to maximize battery _____.

Will _____ and improve performance?

Is _____ tricks?

_____ both battery life _____ performance.

Can _____ here _____ make the battery last _____?

Any way _____ battery _____?

Is _____ that increases efficiency?

_____ you tell us _____ are _____ features _____ the _____ performance?

_____ way to maximize _____ life _____ boost performance?

Is _____ device that improves _____ and performance?

Does this _____ the _____ of _____?

_____ device have _____ that _____ power?

_____ it _____ the battery life _____?

_____ there any way _____ this device _____?

Is it possible to _____ and _____?

Has this _____ made _____ maximize _____ long it lasts _____ improving _____?

Is ____ device ____ attributes ____ maximize how ____ it ____?

I would ____ to ____ if this phone has features ____ and ____.

____ have a battery ____ performance ____?

____ the ____ any battery-saving ____?

Are ____ any ____ for ____ battery?

____ any special ____ improve ____ usage and speed?

Is ____ a ____ to ____ battery life in ____?

Do ____ have any ____ battery life?

Are ____ any ____ enhancements for ____ here?

Is ____ boost ____ device's life ____ performance?

____ there ____ longer-life ____ faster speeds here?

____ it ____ to ____ features that maximize ____ battery ____ performance?

What can this phone ____ to ____?

____ features are ____ saving battery and ____?

Is ____ any ____ battery ____ performance on this device?

____ any ____ the ____ enhance ____ device's ____ and efficiency level?

Does this ____ come ____ battery ____?

____ this device ____ tricks to ____ performance ____ battery ____?

The device ____ some ____.

Are there ____ here ____ battery ____?

____ the device have ____.

____ phone capable of offering ____ for ____ battery efficiency ____?

Can ____ increase ____ performance and ____?

What are the features of ____ device ____ will ____?

Does ____ device ____ attributes ____ maximize ____ lasts, and ____ overall operational ____?

____ maximize ____ and battery life.

Is ____ device ____ to ____ battery life ____?

Does this device have ____ to improve performance ____?

Is ____ that ____ the battery life and ____?

____ any ____ available features ____ increase ____ device's power ____ or ____?

How ____ device ____ battery life?

____ it ____ improve ____ life and performance ____ device?

How can ____ improve its ____ and ____?

What are ____ the ____ save battery and improve ____?

____ any ____ functions that can ____ battery ____ and ____?

Are there ____ longer-life ____?

____ wondering ____ this phone ____ features for ____ battery ____ and enhanced ____.

Could ____ be possible ____ my ____ and performance?

____ there any ____ to get ____ speeds here?

Has ____ device ____ that maximize how ____ lasts ____ the operational ____?

____ the device able ____ and battery ____.

What ____ does the ____ will last ____?

____ phone ____ the battery to last longer?

Is ____ possible that this gizmo ____ its ____?

Is ____ possible to ____ life and ____?

____ there ____ built-in ____ improving ____ life on ____ gizmo?

Do they ____ to ____ life ____ reducing performance?

Is there ____ option ____ longer-life juice and ____?

Are ____ any ____ on this device that ____ battery ____?

____ are ____ on this device ____?

_____ the _____ upgrade _____ battery _____?

_____ features _____ battery _____ performance?

_____ can improve _____ and _____.

Is there _____ performance _____ these features?

_____ there any _____ better battery _____?

Does this _____ have features _____ last _____ and _____?

Can _____ device boost _____?

_____ there _____ to improve _____ use _____ device speed?

_____ device have battery-saving _____?

Is _____ this thing _____ it more _____?

_____ this _____ have _____ make the _____ longer and _____ better?

_____ need to know if _____ are _____ for better _____ and _____.

What _____ the features that _____ device has _____?

Is there anything _____ can _____ to _____ and speed on _____?

I wonder _____ is _____ way _____ increase _____ battery life on _____.

_____ there _____ can _____ life on this phone?

_____ device have features _____ improving battery _____ performance?

Is _____ longer _____ and faster speeds here?

Is _____ features _____ improve _____ battery life _____?

_____ phone have _____ to _____ the _____ performance?

_____ this device allow _____ life?

Can _____ maximize battery _____ here?

_____ it possible _____ maximize my _____ life _____?

Do you _____ for _____ thing?

_____ the _____ save battery and improve performance?

_____ any _____ functions _____ battery life and performance?

Does _____ phone _____ enhance the battery _____?

_____ give us options _____ prolonging _____?

Does _____ features that help improve _____?

_____ way to _____ life or performance.

_____ features does _____ to save _____ and improve _____?

_____ this device _____ battery _____?

Is there _____ way _____ maximize batteries?

_____ any _____ the _____ to enhance _____ power capability?

Did _____ device have _____ and speed?

Can _____ to improve both performance _____ life?

I want _____ battery-saving _____ thing.

_____ there _____ on this _____ batteries?

Is there _____ settings for _____ battery life _____ performance _____?

Does _____ phone do _____ that will _____ the _____?

_____ have _____ to improve _____ performance?

Is _____ any option _____ usage and _____ speed?

Is _____ specifically for _____ performance _____ maximizing battery _____?

_____ there _____ any performance enhancements _____?

Can _____ anything _____ and battery life?

Does the _____ that will _____ battery's life?

Is there any _____ help maximize _____ and _____?

_____ device _____ features _____ enhance _____ and performance.

I _____ to know _____ this phone _____ battery _____ operation.

Do they _____ ways to _____?

Does this _____ and performance _____?

_____ any performance-oriented _____ for the _____?

_____ if this _____ features for better battery _____ and enhanced _____.

Is _____ device _____ to maximize _____ life _____ performance.

Is _____ improvements _____ the _____ life and performance _____ device?

What _____ battery and performance?

What _____ be done to _____ and _____ performance?

Can this _____ performance and _____?

_____ to _____ the performance and battery life?

_____ mobile device come with features _____ performance?

_____ curious _____ phone _____ features for _____ battery efficiency.

Is _____ able _____ and performance?

Will _____ any changes to _____ device for _____ and _____?

I _____ wondering _____ this _____ offers _____ for _____ efficiency.

_____ this phone capable _____ better _____ and _____ operations?

_____ I _____ that can _____ battery _____?

_____ are any improvements _____ the battery and performance?

Can _____ life _____ performance?

_____ on this device _____ improve batteries?

What _____ the features _____ that _____ battery?

Is _____ any settings _____ can maximize _____ life?

Do the _____ functions?

_____ find features _____ help my battery _____?

Has _____ device _____ to _____ it last _____?

Do _____ if _____ features for better _____ efficiency and _____ operation?

_____ device provide _____ features?

Does _____ device have _____?

Do the _____ functions _____?

What are the _____ of _____ for _____?

_____ there _____ way to maximize battery life _____?

Do you _____ the phone _____ for _____ and enhanced operation?

_____ features improve _____ performance?

Do the _____ help enhance the _____ capability and _____?

Can _____ any _____ to improve both _____ and _____?

_____ there _____ longer-life juice?

Is _____ of battery-saving _____?

_____ device _____ some battery-saving _____.

_____ device have _____ battery _____ performance _____?

Has the device _____ that _____ and _____?

Does this _____ help _____ battery performance?

_____ you know if there _____ improvements?

Is _____ equipped _____ maximize how _____ it _____ while improving its overall _____?

_____ there _____ built-in _____ that _____ enhance _____ life and performance?

_____ the _____ battery life _____ performance?

Do the _____ battery _____?

Can I find features _____ performance _____ life _____?

_____ this _____ work to _____ of the battery?

_____ I _____ features that help _____ and performance?

_____ features help _____ or _____?

_____ features _____ device have that will save battery _____?

Do _____ offer ways to _____ battery _____ without _____?
 _____ features _____ device _____ that will improve _____?
 _____ this _____ enhance battery _____ and performance?
 Is _____ any _____ maximize _____ battery _____ and performance _____?
 _____ the _____ features _____ performance and battery life?
 Does _____ have features _____ to battery _____?
 _____ performance and battery improvements?
 Can _____ features that _____ battery _____ and performance?
 _____ improve performance and _____ life?
 Can _____ be anything intended to _____ performance _____?
 Is this _____ able to _____ and _____?
 Does _____ feature work towards enhancing the _____ capability _____ its _____?
 Is there _____ built-in _____ to _____ the battery _____?
 _____ device _____ that _____ how _____ lasts while improving operations?
 _____ features will _____ and performance?
 _____ that the phone will make the _____?
 _____ are _____ features _____ this device for _____ use?
 _____ it _____ that _____ device _____ battery-saving _____?
 Does _____ have any _____?
 _____ I find features _____ battery _____?
 _____ features that _____ battery life _____ here?
 _____ something _____ this _____ its efficiency?
 _____ the _____ work _____ increase the device's power capability _____?
 Can this _____ to maximize _____?
 _____ this _____ some performance enhancing _____?
 _____ we _____ life and performance _____ these _____?
 _____ this device _____ to maximize _____ battery _____ and _____?
 Can _____ find _____ increase the life of _____?
 Is _____ device able to _____ both _____ and _____?
 Should this _____ features _____ efficiency and enhanced _____?
 _____ this device _____ that will improve _____?
 Can _____ features that _____ battery life _____?
 _____ features _____ battery life _____ performance?
 _____ phone _____ with features _____ enhance _____ performance?
 _____ it maximize _____ performance _____ battery _____?
 Is _____ a _____ to _____ battery life _____ performance?
 _____ this _____ of enhancing performance _____ battery _____?
 _____ device offer _____ and performance _____?
 _____ this device _____ lifespan?
 I _____ to know _____ this _____ offers features _____ battery _____ enhanced operation.
 _____ there _____ improvement that _____ battery _____?
 There _____ ways to improve this _____ and _____.
 Some _____ tricks for _____?
 Does _____ device _____ to maximize performance _____ life?
 _____ it _____ to improve batteries?
 _____ have any performance _____ for the _____?
 _____ you tell me if there are _____?
 Is there _____ battery _____ and _____ features?
 Is it _____ battery life _____ phone?
 What _____ you _____ maximize _____ lifespan and _____ here?

Can I _____ improve _____ and battery _____?

Does _____ a battery _____ performance _____?

There are any _____ thing.

_____ device _____ attributes _____ maximize how _____ lasts, _____ improving overall operational ability?

_____ this _____ features that _____ performance _____ battery life?

How _____ this device _____ and _____.

_____ battery and performance features?

Did this _____ battery-saving _____?

Is _____ capable _____ for _____ battery efficiency _____ increased operation?

Is there _____ specific settings _____ for _____?

I wonder _____ this _____ can _____ lifespan.

Can these _____ and performance?

Does this _____ to _____ performance and _____ life?

_____ it _____ performance _____ features?

Is _____ possible to _____ battery _____?

_____ there _____ attributes _____ improve _____ life?

Does this _____ make _____ and perform better?

_____ device able to increase _____ batteries?

Can _____ to _____ performance _____ energy usage?

_____ options _____ available _____ improve battery usage _____?

Does this _____ feature _____ to _____ and battery _____?

What do _____ think will _____ battery _____ performance _____?

_____ you _____ there are _____ for the _____ and _____.

Do _____ of the available _____ work _____ enhancing _____ device's _____?
