

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Equipment malfunction troubleshooting guidance
Inquiry Sub-Category	Power Outages
Description	Assistance with identifying and resolving issues related to sudden loss of electrical power, including checking circuit breakers, inspecting fuses, and troubleshooting power fluctuations.
Data Size	5,136 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What ____ the common reasons behind ____ power ____ that occur ____ ____ ____ day or ____?

____ a common ____ that ____ the power ____ we face ____ mornings ____?

Is ____ a ____ cause ____ failures ____ certain hours ____ the ____ or night?

____ power ____ to occur frequently at ____ times of ____.

What ____ contribute ____ scheduled incidents ____ energy ____?

Do ____ certain periods ____ the ____ have frequent outages?

____ the reasons why ____ occur ____ often at ____ day?

____ does power ____ occur at ____?

____ tell us about the ____ that ____ power failures during ____?

____ you provide an ____ for the ____ at certain ____ the ____ and ____?

Why ____ power failures ____ times?

At ____ times, ____ outages?

____ you ____ why electricity disruptions ____?

____ you ____ there are regular ____ outages ____ different times ____ and night?

Is there a reason for the ____ both ____?

Why do ____ happen ____ during certain ____ of ____ night?

Why do ____ see sudden blackouts during ____?

____ we ____ power failures ____ times of day and ____?

Is there a ____ factor ____ power failures both ____?

____ we ____ power failures at certain times ____ day?

____ know ____ there ____ sudden ____ cuts ____ certain hours?

Do you have a reason ____?

Is there an ____ constant loss ____ certain ____ throughout ____ day ____ night?

Why do ____ regular power ____ during ____?

____ do the ____ certain times.

What ____ causing ____ power cuts ____ at ____ times?

Why ____ we ____ electricity ____ at ____ times?

____ do ____ see power failures ____?

Why ____ happen frequently at ____ of day ____ night?

There _____ that _____ failures more often _____ certain _____ of _____ day.
 _____ to _____ the _____ causes _____ power _____ during certain hours of the _____ night?
 What _____ that cause power _____ occur more _____ during _____ day _____ night?
 Is it possible _____ determine the recurring _____ of _____ failures during _____ and _____?
 _____ shed light _____ common factors that _____ failures both _____ and _____?
 _____ power _____ seem _____ occur at _____ of day and night.
 Is _____ for _____ power _____ day/ night?
 _____ the factors that cause _____ failures to _____ frequently at _____?
 Could you _____ why _____ sudden _____?
 _____ do regular power _____ during _____?
 Any idea _____ for _____ power _____ during certain _____?
 _____ would like _____ know _____ are _____ outages _____ certain periods _____ the _____ night.
 _____ do _____ experience _____ and _____ power _____?
 What _____ cause _____ more _____ at _____ times _____ day and night?
 I'm _____ there are frequent _____ at _____ of _____ day or _____.
 What _____ main _____ power failures during _____ times _____ the _____ or _____?
 _____ explanation _____ repetitive _____ electricity _____ at certain times of the _____ and night?
 _____ are there frequent _____.
 _____ reasons for _____ and _____ blackouts.
 _____ want to _____ why _____ frequent outages at _____ periods _____ day.
 _____ want to _____ why _____ frequent power failures _____ of _____ day or _____.
 What _____ the factors _____ during certain _____ of day and _____?
 _____ there recurring causes _____ failures during certain _____?
 Why _____ see sudden power outs _____?
 _____ it possible to determine _____ causes _____ frequent power _____ the _____ and night?
 _____ the _____ common causes _____ power _____ during certain _____?
 There _____ sudden _____ at _____ times.
 _____ outages at set times?
 _____ we _____ power failures at _____ times of _____?
 Were _____ frequent power _____ during certain hours of _____ night?
 _____ you know _____ frequent _____ that _____ at _____ times of the day?
 _____ the _____ for power _____ that occur _____ certain times?
 _____ there a reason for the _____ times a _____?
 Why are _____ frequent sudden _____ during certain _____ of _____ or _____?
 What _____ most _____ of power _____ during certain _____?
 _____ a reason _____ the _____ in _____ parts of the day?
 Could _____ me _____ failures during certain hours of the _____?
 _____ frequent _____ electricity supply _____ the evening?
 _____ night what _____ frequent _____ of _____?
 Why _____ power _____ frequently at _____?
 _____ are any reasons for sudden, recurrent _____.
 Why _____ constant black _____ during the _____?
 _____ the cause _____ occur around certain times daily?
 What are the _____ cause _____ occur _____ day and night?
 Were _____ power failures both mornings and evenings?
 There are _____ cause _____ cuts.
 _____ set _____ leads to intermittent _____?
 _____ there a _____ for _____ power failures _____ times each _____?
 Is there a _____ power failures both mornings _____?
 Is _____ a _____ the _____ failures I encounter _____ day?

What _____ of _____ during certain times _____ day or night?
 _____ reasons _____ frequent _____ failures _____ certain _____ of day and night?
 _____ do sudden power outages happen _____ certain times _____ the _____?
 Did _____ tell _____ about _____ common _____ cause _____ failures _____ morning and _____?
 _____ the typical causes of _____ certain hours?
 Is _____ possible _____ the _____ causes _____ power _____ during certain _____ of the day _____?
 _____ are the common _____ power _____ both mornings _____ evenings?
 Are you familiar with _____ recurring power _____ nightly?
 Have you _____ why we _____ alternating _____ in the _____?
 _____ do you see _____ during certain _____?
 Why _____ blackouts _____ so _____?
 _____ can _____ cuts during certain _____.
 _____ power _____ certain periods.
 _____ is the _____ outages _____ set times?
 There _____ any reasons _____ day/night?
 There _____ sudden black outs, especially _____ frames.
 _____ if there is _____ reason for the power failures I _____.
 _____ ideas on the _____ cut during certain _____?
 _____ causes _____ in certain _____?
 _____ you _____ recurring power outages _____ occur _____ specific intervals _____ nightly?
 _____ there _____ for _____ repetitive loss _____ happening at _____ times _____ the day?
 Do _____ know _____ causes _____ disruptions _____ set _____?
 I _____ know _____ outages at _____ of the day and night.
 _____ do blackouts _____ night?
 Do _____ know why _____ issues?
 _____ you _____ what happens when _____ power _____ out _____ certain _____ or night?
 _____ the reasons _____ the _____ failures _____ occur _____ certain times?
 The _____ cuts _____ happen at _____ times of _____ day _____.
 _____ you _____ what causes unexpected _____ set time intervals?
 _____ you _____ there are frequent _____?
 Any idea of causes _____ power _____ certain _____?
 Why _____ go _____ at a _____ time?
 _____ these blackouts happening _____ certain _____?
 Is _____ a _____ these power _____ occur _____ parts _____ the _____ and night?
 _____ these _____ blackouts _____ at _____ time frames?
 _____ the reasons _____ recurrent, _____ black _____?
 Any idea _____ causes _____ power _____ during _____?
 _____ power out _____ times of the day?
 What are _____ failures to happen more often _____ day?
 _____ you explain _____ why _____ outages _____ certain _____ of the day?
 There are _____ that _____ power _____ more often _____ day.
 _____ why _____ experience _____ power cuts during the evening?
 _____ are _____ so _____ electrical _____ certain hours?
 Repeated electricity _____ certain _____ daily _____ night.
 _____ these _____ frequently at certain times of _____ day _____ night?
 _____ need _____ know why I _____ power _____ hours.
 Why are _____ failures so _____?
 Do _____ we _____ intermittent issues?
 Is it possible _____ the recurring causes _____ power _____ during _____ of _____?
 Is _____ reason _____ repetitive loss _____ happening _____ certain times?

Why _____ sudden blackouts at _____ times of _____?

Was it possible _____ causes of _____ power outages during _____ hours _____ or night?

Why do _____ often _____ power _____ certain _____?

Why do _____ experience _____ outages _____ certain times of _____?

_____ you know what happens when the _____ at _____ or _____?

_____ do electric _____ occur _____ times?

_____ the _____ episodes happen during certain times _____ day?

Could _____ tell us about the _____ that _____ failures _____ evening?

_____ is _____ these _____ black outs at _____?

_____ repetitive blackout _____ that seem to _____ daily?

Why are there frequent _____ certain times _____ the _____ night?

Is there _____ for _____ outages _____ different times _____ and evening?

What _____ go _____ at _____ times?

Is _____ a common reason _____ power failures we face _____?

I _____ to know _____ there are _____ black _____ during _____ hours.

What factors _____ power _____ at _____ of the day?

_____ time _____ what's causing _____ sudden _____?

What _____ problems during _____ hours?

What _____ that cause _____ power failure _____ certain _____ the _____ and night?

There _____ episodes that happen _____ specific _____.

_____ have a _____ to why _____ experience _____ intermittent disruptions?

_____ might be causing _____ intermittent _____?

_____ you tell _____ why there _____ failures?

_____ you tell me _____ there are _____ during certain _____?

_____ at certain times.

_____ there _____ reason _____ the _____ happening at certain times _____ the _____?

_____ you _____ an explanation for _____ of electricity at _____?

Is there _____ explanation for _____ constant _____ of electricity _____ times _____ day _____?

_____ are the _____ failures _____ often at _____ of the day _____ night?

What _____ the _____ black _____?

Do _____ know _____ electric outages happening at _____ times _____ the day _____?

_____ could be causing the frequent _____ cuts that occur _____ times _____?

What causes _____ episodes?

_____ are _____ electric _____ during certain hours?

_____ there a recurring _____ for _____ outages _____ certain _____ of _____ day?

Can you shed _____ on _____ factors _____ lead _____ power _____ morning _____?

_____ might _____ the _____ electricity shutdowns _____ occur?

Have _____ wondered _____ experience intermittent _____ cuts _____ the evening?

_____ does _____ electricity _____ out at _____?

What _____ frequent _____ timed power shortages?

_____ sudden, recurrent _____ day and _____.

What _____ cause _____ failures _____ at _____ of the _____ and night?

_____ are _____ outs _____ certain times _____ the day?

_____ a _____ why we experience constant outages _____?

I'm curious _____ there are frequent _____ at _____ the _____.

_____ the _____ for power cuts?

What may be _____ the _____ electricity shutdowns that _____?

_____ possible to determine _____ cause of _____ frequent power _____ specific hours _____ or night?

What _____ the _____ that _____ power _____ to _____ in certain periods?

_____ you _____ an idea of _____ experience _____ intermittent _____?

Why _____ frequent electricity shutdowns _____ occur _____ times of _____?

Is _____ a reason _____ electric _____ occurring at different times _____ and _____?

_____ are _____ electricity shutdowns that _____ of the day.

What could be _____ the power _____ at _____ times _____ and day?

I would _____ why _____ outages at certain _____ of the _____.

_____ are _____ so _____ failures at _____ times?

_____ a _____ for the _____ outages occurring at _____ each day _____?

_____ do intermittent _____ happen?

_____ come we _____ electricity _____?

Why _____ there _____ blackouts during _____?

_____ are _____ outs at _____ times?

What is causing _____ power _____ happen _____ of _____ night _____ day?

What _____ the _____ power _____ during specific hours?

_____ you _____ the _____ of _____ failures during certain hours of the _____ night?

_____ these power cuts _____ occur at _____ of day and _____?

What causes _____ hours?

Why _____ at certain times _____ the day?

_____ a _____ for recurrent, _____ black outs _____?

At _____ what leads _____?

Is _____ an explanation for the loss _____ electricity _____ certain _____ of _____?

_____ failures _____ frequently _____ times.

_____ there a _____ the typical _____ leading _____ blackouts within certain _____?

Why do we _____ the _____ and nighttime?

Why do _____ experience _____ the evening?

_____ you _____ experience intermittent outages?

_____ do we experience intermittent _____ failures _____ and _____?

Why do we _____ black _____?

_____ are _____ sudden black _____ during _____ of _____ day _____ night?

_____ you _____ why _____ frequent _____ outages that take _____ times each _____ and evening?

Why are _____ sudden blackouts at _____ throughout _____?

_____ do power _____ happen frequently _____?

What _____ intermittent power cuts _____?

_____ us _____ the _____ that cause power failures _____ morning and evening?

Why _____ there _____ power cuts at _____ throughout the _____?

There _____ power cuts _____ hours.

_____ would like to _____ why _____ at certain _____ the day and _____.

_____ there a recurring cause for the _____ during _____ hours of _____?

_____ are frequent _____ outage _____ times.

What are the _____ power _____ at certain _____ of _____ and _____?

Why does the _____ at _____ times _____?

_____ are the _____ causes _____ power disruptions _____ certain _____?

_____ you _____ there are _____ electric _____ occur at _____ times each _____?

_____ you _____ an explanation for the loss _____ during _____ day or _____?

_____ possible to _____ out the recurring causes _____ outages _____ certain hours _____ or night?

_____ there _____ and timed power _____?

What _____ failures to happen _____ certain _____ the day and night?

_____ are _____ of power failures _____ specific hours?

_____ a recurring _____ for _____ power _____ during _____ hours _____ day or night?

What _____ during _____ times?

_____ you _____ why there are _____ certain times?

_____ causes frequent _____ supply??

Is there an explanation _____ constant _____ of _____ happening _____ certain _____ throughout _____ day _____ ?
_____ frequent _____ seem to _____ at _____ times of _____ and night.

Were there _____ causes for _____ of the day _____ night?

_____ that cause _____ to occur _____ times of the day?

_____ it _____ the _____ of power shortages _____ hours of _____ day or night?

What _____ causes _____ power failures _____ certain periods _____ the _____?

Why _____ much in the night _____ day?

_____ know why _____ electricity disruptions?

Why are there _____ black _____ hours _____ the _____ night?

I _____ to know _____ outages at certain _____ of the day _____.

_____ do power _____ occur _____ times?

Something _____ causing these sudden _____ at _____.

Are _____ common _____ power failures we face _____ and evening?

_____ possible _____ out the recurring _____ of frequent _____ certain hours?

Repeated _____ electricity _____ coincide with _____.

Do you know _____ frequent PoC _____ set _____?

Is _____ a _____ that _____ power _____ morning and evening?

Why do _____ see sudden _____ during the day?

_____ there recurring _____ for the _____ hours of _____ day or night?

_____ do we experience power _____ certain _____ the _____?

_____ are the _____ for _____ failures _____ of the day _____ night?

_____ are _____ most _____ for power failures _____ hours?

_____ a reason why _____ outages seem _____ take _____ at different _____?

There _____ black _____ day and night?

_____ know _____ there are frequent outages _____ the day _____?

_____ are the reasons _____ power _____ occur _____ often _____ times?

_____ most common causes _____ power crises _____ hours?

_____ are _____ reasons _____ frequent _____ outages _____ times of _____ day?

_____ curious as _____ why there are frequent _____ at _____ the day _____.

Do you _____ there _____ many _____ issues within set _____?

_____ there a recurring cause _____ during _____ hours of _____ night?

_____ are _____ power failures _____ certain times?

_____ you see _____ electric _____?

There are _____ at _____.

Do you _____ there _____ frequent _____ within set _____ intervals?

_____ you shed _____ on the factors _____ cause _____ during _____ day _____?

_____ power _____ happen _____ during _____ periods?

Why _____ we _____ power shortages?

Why _____ you see _____ during _____?

_____ to _____ why _____ are _____ disruptions _____ certain times of the _____ and _____.

Was it _____ determine the _____ causes of _____ power failures _____ certain hours _____ the _____?

Why _____ see _____ blackouts at _____ times _____ day _____ night?

_____ want _____ know _____ are _____ outages at certain times _____ day.

Could _____ causes of _____ frequent _____ failures during _____ hours of the _____?

What are _____ frequent power _____ that _____ during certain _____?

_____ we experience these outages at _____ times?

_____ are _____ cause power failures to occur more _____ day _____.

Power _____ occur _____ times.

Do _____ know anything _____ frequent _____ failures _____ happen _____ nightly?

There _____ power cuts that _____ at _____ times of _____.
 Why are _____ outs happening _____ certain _____ frames?
 Why _____ power _____ during certain _____?
 What _____ power problems _____?
 What _____ cause _____ sudden _____ shutdowns _____ occur _____ certain times _____?
 _____ causing these sudden _____ times?
 What are the most common _____ of _____?
 Why _____ the _____ blackouts _____ during _____?
 _____ see sudden blackouts?
 _____ do you see _____ failures during certain _____ and _____?
 _____ occur _____ electric failures?
 _____ the causes of power _____ at certain _____ day _____?
 _____ it _____ to determine _____ causes for _____ outages during _____?
 What _____ the causes of frequent _____ failures _____?
 _____ recurring causes _____ frequent power outages _____ hours?
 What _____ power cuts during _____?
 Is _____ a _____ cause for _____ power _____ specific hours _____ the _____?
 _____ possible to shed _____ on the _____ for _____ failures _____ morning _____ evening?
 Do you know _____ there are _____ times of the _____?
 _____ causes _____ at set _____?
 What are _____ factors _____ cause power _____ more often in _____?
 Was _____ to determine _____ causes of frequent power _____ during _____ hours _____ the _____ night?
 What are _____ causes of power _____ during _____ times _____ day _____?
 What are the _____ power _____ specific hours.
 _____ is _____ nightly and _____ morning power _____?
 What are _____ most _____ reasons for _____ failures _____ of _____ and _____?
 Do _____ have _____ as to _____ intermittent outages?
 What is _____ these sudden _____ certain times?
 What _____ the _____ of repetitive _____ failures _____ certain _____?
 Can you _____ why _____ have _____?
 Night _____ day, what _____ of _____ supply?
 Something might be _____ frequent electricity _____ around certain _____ of _____.
 Is there a _____ black outs _____ night?
 What _____ to unreliable _____ times of _____ day?
 _____ there sudden _____ at _____ time frames?
 _____ you _____ me _____ there _____ sudden _____ during certain _____?
 What _____ the _____ that _____ failures _____ often at _____ in the _____?
 Any _____ of _____ causes a _____ certain hours?
 _____ there _____ reason why the _____ outages _____ to happen _____ the day?
 _____ be behind _____ frequent electricity shutdowns around certain _____?
 _____ these sudden _____ at _____ times?
 _____ you _____ wondered _____ we _____ failures in the evening?
 _____ like to know why _____ frequent _____ power _____ certain hours.
 _____ to the constant outages?
 _____ you _____ explanation for why we _____ intermittent _____?
 _____ there _____ reason for _____ black _____ day/night?
 _____ do _____ power _____ at _____ times?
 What _____ frequent _____ that occur at certain _____ daily?
 Why _____ the repetitive blackout _____ happen _____ specific _____?
 _____ tell us about _____ common _____ that _____ power _____ both _____ evening?

_____ you _____ why we experience _____ intermittent outages?

Is it possible _____ recurring causes _____ power _____ during specific hours of _____ day _____?

Why _____ regular blackouts _____?

Do you have _____ of the _____ that occur daily _____?

_____ power cuts _____ to happen at _____ the day _____.

What might _____ electricity _____ that _____ around _____ times of day?

Do _____ have _____ idea why _____ experience _____ intermittent _____?

_____ do power failures _____ at _____ of day _____?

Why _____ frequent _____ power blackouts?

Why _____ the _____ working at certain _____ of _____?

_____ are there _____ blackouts at certain _____ day?

_____ the _____ for frequent power failures _____ occur during _____?

_____ want to _____ I keep losing _____ hours.

_____ causes frequent power losses?

Why _____ in specific periods?

What causes _____ failures during _____ of the _____?

_____ have _____ idea _____ to _____ we experience intermittent _____?

_____ tell us more about the factors that cause _____?

_____ experience frequent power _____ during _____ hours?

What _____ factors that cause power failures _____ times _____ the _____?

_____ idea _____ causes _____ power cut during _____ times?

Why do you _____ power _____ at _____ of the _____ night?

Why do _____ blackouts _____?

Do _____ have an _____ loss _____ times of the _____ and night?

_____ sudden _____ outs at _____ time frames?

Why _____ power failures _____ at _____?

_____ be _____ the power cuts _____ happen _____ times?

There _____ outage at _____ times.

Why do _____ failures _____ certain _____?

Is _____ a _____ explain the _____ electricity _____ certain times throughout _____ night?

Is there _____ the loss _____ times _____ the day and night?

_____ black out incidents during _____.

I _____ like _____ why there are _____ patterns _____ night.

_____ for _____ taking place at different times of day _____ evening?

_____ common factors _____ cause power _____ in the _____ and _____?

_____ you _____ what _____ to intermittent _____?

_____ do _____ occur _____ certain times _____ the day or _____?

_____ see frequent _____ timed _____ blackouts?

_____ like to _____ I _____ losing _____ at specific _____.

_____ would like _____ know _____ there _____ disruptions _____ times of the _____ night.

_____ evening and early morning _____ are _____ by _____.

What could be _____ to occur _____ certain times of _____?

_____ at _____ times of day.

_____ you _____ me _____ the frequent _____ outages during certain _____ of _____ or night?

_____ are _____ causes _____ power failures during _____ day?

_____ sudden electricity _____ with certain _____ day.

Why _____ there _____ cuts _____ certain _____ the day or _____?

Is it _____ on the _____ cause _____ failures during the _____?

Why do the _____ certain _____?

_____ there an _____ the _____ loss of electricity _____ of the day _____?

Why do we _____ times?
 _____ power _____ seem to occur _____ of the day _____ night.
 _____ does _____ outages _____ at _____ times?
 What _____ be _____ these power _____ at certain _____ ?
 Why _____ there happen _____ throughout _____ day and _____ ?
 Are _____ power outages _____ occur at specific _____ the day?
 _____ are factors _____ at certain _____ the day and night.
 _____ do you see _____ black _____ at _____ hours _____ day?
 What is _____ of _____ incidents?
 Could you _____ frequent _____ outages _____ specific hours of _____ day _____ night?
 _____ factors _____ cause power failures _____ certain periods _____ day.
 Do _____ what _____ frequent electricity _____ ?
 _____ causes _____ failures _____ certain _____ ?
 What _____ frequent black _____ specific _____ ?
 _____ for _____ of _____ during the day and night?
 _____ that cause power _____ happen _____ at certain times _____ day and night?
 Is there _____ for _____ loss _____ electricity _____ during _____ throughout the _____ night?
 What are the _____ for _____ more often _____ times of _____ night?
 _____ could be causing _____ cuts _____ happen at _____ times of _____ ?
 Is it _____ determine the causes _____ during specific hours of _____ ?
 Is _____ of _____ outages that occur daily _____ nightly?
 There are _____ seem to occur _____ certain _____ of _____ and _____.
 I want _____ we _____ electricity _____ at certain _____.
 What _____ electricity supply during the night _____ ?
 _____ are there frequent _____ outs during _____ ?
 _____ we see _____ outages _____ certain times?
 Can you _____ me _____ of power _____ hours of _____ day or night?
 _____ are there _____ at certain _____ of _____ day and _____ ?
 _____ there _____ the power failures I _____ times a _____ ?
 _____ do these _____ black outs _____ certain _____ ?
 What _____ the _____ that cause _____ more often _____ night?
 _____ do you see _____ failures at _____ of _____ day or _____ ?
 What causes the _____ happen _____ times of _____ day?
 Is there a _____ why _____ at certain _____ of _____ day?
 _____ we _____ experience power failures at _____ the day and _____ ?
 Do you know _____ the _____ certain times of _____ or _____ ?
 What could _____ causing _____ cuts that happen _____ certain times _____ ?
 What _____ the _____ power cuts during _____ times of _____ day?
 _____ are frequent _____ during certain _____.
 _____ know _____ causes frequent and unexpected PoC _____ intervals?
 _____ shutdowns _____ at certain times _____ ?
 _____ there _____ explanation _____ the _____ electricity _____ throughout the day and night?
 Can you tell _____ about the _____ failures both _____ evening?
 _____ do _____ have _____ at specific _____ ?
 _____ recurring _____ morning power _____ are caused _____ something.
 There are _____ at _____ times.
 Why do _____ experience _____ power _____ during _____ ?
 _____ you _____ why _____ seem to _____ different times of _____ day?
 Is it _____ determine _____ recurring _____ of power _____ certain times _____ or night?
 _____ there a recurring cause _____ during _____ of _____ day or _____ ?

_____ do _____ occur during specific _____?

_____ power _____ out at certain _____.

_____ causes _____ failures _____ hours?

Have _____ we _____ blackouts during the evening?

_____ and early _____ disruptions are caused _____ what.

_____ you _____ light _____ the _____ cause power failures _____ mornings _____ evenings?

Is there a _____ factor _____ is responsible _____ power _____ both _____?

Why _____ sudden _____ occur _____?

Are there recurring _____ for _____ certain _____ of _____ and night?

I _____ know why _____ frequent outages _____ times of _____ night.

What is the cause _____?

Do _____ are frequent outages at _____ during the _____ night?

There are _____ failures at _____ day.

_____ might be _____ frequent electricity shutdowns that _____ certain _____ of _____?

_____ know why _____ intermittent downtime?

I _____ to _____ there are _____ outages _____ certain times.

_____ sudden power failures happen frequently _____ day _____ night?

_____ know why the power _____ out at _____ times _____?

What _____ most common causes _____ at _____ of the day?

Our frequent _____ early _____ power _____ caused _____ something.

_____ know _____ there are _____ certain times of the day and _____.

_____ there _____ explanation _____ the _____ electricity during _____ in _____ day and night?

_____ sudden power failures at _____ times _____ the _____ or _____?

_____ you _____ about _____ common factors that _____ power _____ and evening?

Why are _____ blackouts _____ times during the _____ night?

_____ the recurring blackout episodes _____?

You can tell me _____ are _____ at _____ times _____ day.

Why do _____ go _____ certain _____?

Why _____ experience power _____ during _____ nighttime?

_____ causes _____ power _____ certain times?

_____ is the cause _____ at set _____?

Why do power _____ happen _____ frequently _____ of _____ and night?

_____ there frequent _____ during _____ hours?

Why _____ blackouts at _____ times _____ the _____ and night?

What could be _____ power _____ happen frequently at _____?

_____ do regular black _____ hours?

During specific hours _____ electric _____?

_____ you have _____ clue as to _____ outages?

_____ you have _____ explanation _____ why _____ experience intermittent _____?

_____ it _____ to _____ a breakdown _____ the typical _____ leading to sudden blackouts _____?

_____ there _____ of the _____ factors that lead to sudden blackouts _____?

_____ you _____ about the factors _____ cause _____ failures both mornings _____?

_____ could _____ causing _____ power cuts that _____ times _____ the day?

_____ want to know why _____ power _____ at _____ of _____ day.

_____ do _____ failures _____ during specific _____?

Could you tell me _____ cause _____ the _____ power _____ during _____ the _____?

Day or night, what _____?

_____ it possible to determine _____ causes _____ frequent _____ outages during _____?

There are frequent _____.

Are there common factors _____ power _____ morning _____?

_____ you know _____ there _____ frequent unexplained _____ during certain _____?
 I'd like to know _____ regular _____ certain times _____ the _____.
 _____ tell me why there are _____ certain times _____ the ____?
 _____ does the power _____ certain _____?
 _____ are _____ factors _____ cause power _____ at certain _____?
 Is _____ insight _____ the frequent _____ occur _____ or nightly?
 Why does _____ power go out _____ times _____?
 _____ to give a complete _____ of _____ leading to sudden blackouts _____ time frames?
 _____ reason _____ electric outages happening at _____ of the day _____ evening?
 _____ why _____ these intermittent problems?
 _____ are _____ blackout incidents _____ specific _____.
 What _____ of _____ frequent power cuts that _____ at _____?
 Why are _____ power cuts _____ certain _____ day _____ night?
 Why _____ the _____ on certain _____?
 _____ intermittent _____ at set _____?
 What _____ cause _____ happen _____ often at certain _____?
 _____ are _____ outage at certain _____.
 There are _____ that _____ to happen _____ certain times _____.
 The _____ cuts seem to _____ specific _____ day and _____.
 Do you _____ about _____ power outages _____ daily or _____?
 _____ see _____ outages at _____ times?
 Why do _____ at _____ times?
 The repetitive loss _____ electricity _____ certain times _____ day _____ night could be _____.
 Is _____ a recurring _____ specific hours of the _____ or _____?
 _____ the most common reasons _____ power failures that _____ times _____ and _____?
 _____ the _____ outages at _____ times?
 _____ are _____ reasons for recurrent _____ outs _____?
 _____ why we experience _____ disruptions?
 Why do _____ power cuts during _____?
 Have _____ wondered why _____ frequent power _____ the _____?
 _____ do frequent _____ cuts happen?
 Is there an explanation _____ the _____ during _____ throughout _____ day?
 _____ you _____ the _____ of _____ power outages during _____ hours?
 What _____ during certain times?
 _____ the regular _____ during _____ hours?
 _____ do outages _____ times?
 Is there any _____ the _____ outages _____ occur daily _____?
 Is _____ a _____ cause for _____ outages during _____?
 What _____ be _____ cuts to _____ certain times?
 What are _____ causes _____ power _____ the day _____ night?
 There are _____ can cause power _____ at _____ times _____ day _____.
 _____ to _____ there _____ frequent outages _____ particular times _____ the day _____ night.
 Why _____ sudden power failures _____ certain times of _____?
 _____ possible to _____ out the _____ frequent power _____ during specific _____?
 Why are _____ sudden _____ hours throughout _____ day or _____?
 _____ want _____ know why _____ happening at _____ of the day.
 I _____ I experience frequent power cuts _____.
 _____ electricity _____ coincide _____ certain _____ and nightly.
 There are _____ cuts _____ at _____ times of the _____.
 _____ do frequent _____ power outages _____?

Is _____ for _____ sudden, black _____ and night?

Why are there sudden blackouts _____ or night?

Why are there _____ at certain _____ or night?

_____ do _____ power _____ certain times?

_____ know why there _____ frequent outages _____ the day.

Why _____ lose power at _____ times of _____?

_____ intermittent power _____ during _____ hours?

Any idea of why _____ power _____ hours?

Do _____ there _____ regular disruptions _____ of the day?

Any idea _____ causes _____ power cut _____ certain _____?

_____ why there _____ sudden _____ outs _____ certain hours?

Why do _____ electric outages occurring at _____ times each day _____?

_____ the _____ blackouts _____ certain hours?

_____ for the loss of _____ at certain _____ of the _____ night?

What _____ that cause power _____ often during _____ day _____ night?

_____ are _____ for frequent _____.

What causes _____ occur more _____ at _____ of the _____?

_____ do _____ black outs happen _____?

_____ are _____ that _____ power _____ in certain _____ the day and _____.

_____ there a _____ for the frequent outages happening at _____ of _____?

What is _____ reason _____ shutdowns that occur _____ certain _____ daily?

_____ give _____ the _____ electricity at _____ of the day and night?

Is _____ reason _____ the _____ at set times?

_____ goes out _____ certain times _____.

Do you _____ recurring power disruptions that _____ daily _____?

_____ for the loss of _____ at certain times of the _____?

_____ cause for _____ frequent _____ failures during specific hours _____ the _____ and _____?

Why _____ a _____ electric failures during certain _____?

I _____ know _____ I _____ power all _____ time _____ specific hours.

_____ idea _____ reasons for _____ power _____?

_____ you tell _____ about the recurring causes _____ during _____?

During specific _____ are _____ failures?

_____ are _____ power cuts at _____ times of _____?

Is there _____ cause of frequent power outages _____ of the _____?

_____ are certain _____ that _____ power _____ often at certain _____.

Why are there _____ power _____?

What are _____ factors that causes _____ failures _____ day and _____?

What causes _____ at _____?

_____ there an _____ for _____ repetitive loss _____ during certain times _____ or _____?

Why do _____ shortages _____ specific _____?

_____ able to _____ why we experience these _____?

_____ recurring _____ for _____ frequent power outages _____ hours of the _____?

_____ reasons for _____ power _____ that _____ at _____ times of _____ or night?

_____ are the _____ of _____ loss _____ certain hours?

_____ you know what _____ blackout _____ that happen _____?

At certain _____ causes frequent _____?

_____ do you _____ blackouts?

_____ are _____ reasons for power _____ at _____ times _____ day and _____?

_____ a common occurrence _____ electricity shutdowns _____ around certain times _____.

_____ some of the factors _____ cause _____ certain times of _____ night?

Is there _____ why _____ experience intermittent _____ at _____?

_____ are _____ electric failures?

_____ do sudden _____ happen frequently during _____ times of _____?

Why do we _____ failures at _____?

_____ causing intermittent power cuts.

What _____ the common factors that _____ power _____ both _____?

What _____ of _____ that cause power failures _____ certain _____?

_____ the lights _____ go _____ night?

What causes frequent _____ hours?

_____ be _____ frequent electricity shutdowns that _____ certain times of _____?

Any idea of _____ causes _____ the _____?

Why _____ certain times of the day?

Do _____ know _____ unexpected PoC issues _____ set _____?

_____ frequent _____ failure _____ certain hours?

What causes _____ supply frequently on _____ nightly basis?

_____ the most _____ the power _____ out at _____ times?

What are _____ cause power failures _____ day and _____?

_____ there _____ cuts that _____ at certain times _____ and night?

_____ there a recurring _____ for _____ failures during specific _____?

_____ are _____ why power _____ occur in _____ periods _____ the _____ night?

How _____ why we _____ electricity disruptions?

Why _____ I experience power _____?

_____ occur at certain times?

I _____ to _____ why there are _____ outages at _____ times _____ day _____.

Do _____ have a _____ to _____ intermittent downtime?

_____ are factors _____ can _____ power failures _____ certain times _____.

_____ do they happen _____ frequently _____ the night _____?

_____ would like to _____ are frequent _____ at certain _____ the day _____.

_____ you have any _____ into why _____ these _____?

Why _____ cuts occur _____ hours?

Why _____ we _____ frequent _____ outages at _____?

_____ why there _____ regular electric _____ that take place _____ of _____ day?

_____ there _____ sudden, _____ power cuts day/ night?

Why _____ power cuts happen _____ certain times of _____?

_____ of the _____ when _____ power goes out.

_____ are the most _____ during specific hours?

Are _____ any common factors _____ to _____ both _____ evening?

_____ there _____ comprehensive breakdown of _____ typical _____ leading _____ sudden _____ within certain _____?

What _____ the reasons for _____ failures _____ occur during _____ of _____ night?

What _____ disruptions?

Any _____ causes _____ a power cut _____ hours?

What _____ to _____ set times?

Are you _____ why _____ experience _____ intermittent _____?

Could _____ tell _____ the cause _____ power outages during certain hours _____ or _____?

_____ do power _____ at _____ times?

_____ are any _____ recurrent _____ day/night?

What _____ the factors _____ cause _____ failures _____ evening and _____?

Does anyone _____ frequent power _____ certain hours?

_____ a common _____ power failures both morning _____ night?

_____ do _____ experience _____ outages _____ specific _____?

Electric _____ are _____ certain _____.

_____ wondering why there _____ frequent _____ at certain _____ of _____ night.

Could you _____ an explanation for _____ of electricity _____ the _____?

_____ are there _____ failures during _____ of the _____?

_____ you _____ an explanation _____ loss _____ electricity _____ certain _____ day and night?

Why _____ blackouts during _____ hours?

_____ do _____ power failures _____ certain _____?

_____ are _____ electricity shutdowns _____ occur around _____ times _____ day.

_____ there _____ to be _____ electric _____ occurring _____ different times _____ day and _____?

Could you _____ for _____ loss _____ electricity _____ times during _____ day?

There are _____ electricity _____ that occur at _____ of _____.

Do you _____ are sudden power _____ during _____?

What causes _____ failures to occur _____ day _____ night?

_____ there _____ for the _____ electricity _____ many times _____ the day _____ night?

_____ do _____ occur more often _____ certain periods _____ day _____ night?

What _____ failures?

_____ we _____ electricity _____ at certain _____?

_____ are sudden _____ particular _____ frames.

_____ do they happen so _____?

During _____ frequent electric failures?

_____ you _____ why _____ regular electric _____ different times _____ the day?

_____ are the _____ that _____ power _____ at night _____?

Do you _____ any knowledge _____ we _____ these _____ disruptions?

_____ anything you _____ tell _____ the factors that _____ power failures _____ evening?

Could you _____ the frequent power _____ during _____ hours _____ the day or _____?

_____ are _____ abrupt electricity _____ that _____ around _____ the day.

Why do we have _____ specified _____?

_____ the _____ that lead to _____ often at _____ times?

_____ power failures happen at _____?

_____ electric failures during _____ hours?

Why _____ there _____ black _____ during certain _____ of day _____?

Could you _____ me _____ cause _____ the frequent _____ specific _____ of _____ or night?

Do you know _____ the electric _____ at different _____ the _____ and _____?

_____ are _____ electricity _____ occur _____ times each day.

_____ causing the power _____ certain times of _____ day?

_____ there _____ why constant _____ happen at _____ times?

What are the factors _____ to occur _____ of _____ day?

I _____ to know why _____ outages at certain _____ of the _____.

There _____ be _____ power cuts at _____ the day.

Is _____ an _____ the loss _____ at _____ throughout the day?

_____ causes the repetitive _____ episodes _____ happen daily?

There _____ repeated _____ cuts that _____ times of the _____ night.

_____ do power _____ occur _____ times?

_____ it possible to determine _____ causes _____ frequent power failures _____ the day and _____?

_____ do you see so _____ failures _____ hours?

What _____ the factors _____ failures during _____ of _____ or night?

Is there a reason for the _____ day _____?

_____ are the causes of _____ of the day?

What are _____ causes of _____ certain times _____ day?

_____ to know why _____ losing power _____ certain _____.

_____ the power cuts _____ at _____ of the day _____ night?

Are you _____ to _____ we _____ constant outages _____ times?

_____ reason for recurrent _____ failures _____?

Why do _____ electric _____?

_____ reason for recurrent, _____ blackouts _____ night?

Does anyone know what _____ power _____ hours?

Why _____ sudden _____ so often?

_____ it possible _____ determine _____ shortages during certain _____ of the day or _____?

_____ do _____ occur more frequently at _____ the _____ and night?

_____ cause power _____ to _____ more frequently at certain times _____ day _____?

What are _____ common _____ that cause _____ both morning _____?

_____ be _____ these _____ to _____ at certain times _____ the day and _____?

Is _____ a reason _____ are _____ sudden blackouts _____ hours?

_____ are frequent electricity shutdowns _____ happen _____ certain times _____.

_____ do _____ blips _____ at _____ times?

_____ do power _____ occur _____ often at _____ the day _____ night?

_____ there a _____ factor responsible _____ failures we _____ both _____ evening?

_____ are _____ more frequent at certain _____ day _____ night?

_____ the reasons why _____ power _____ at certain _____ of _____ day and _____?

How _____ are _____ timed power _____?

_____ possible to determine the _____ causes _____ frequent power _____ hours?

What _____ episodes that _____ daily?

Why _____ these _____ cuts happen at _____ times _____?

What _____ power _____ times?

_____ constant outages _____ set times?

_____ loss of electricity _____ frequently during _____ day _____?

Do _____ are _____ electric outages that _____ place _____ different times each _____?

Why are _____ sudden _____ at _____ times of _____ night?

_____ do the _____ failures _____ at _____ of day?

Why _____ power _____ happen at _____ times _____ and night?

_____ a common _____ causes power failures _____ morning and _____?

There _____ repetitive power failures _____.

_____ come there are _____ timed _____?

_____ the _____ reasons for power _____ occur _____ certain _____ of day _____ night?

Can _____ why _____ are frequent disruptions _____ certain times _____ the _____?

_____ are factors _____ can _____ in certain _____ of _____ day.

_____ outages _____ frequently during _____ times _____ the _____ or night?

Why does _____ happen _____ of _____ and night?

What _____ the reasons _____ power cuts?

Is _____ a _____ the _____ of electricity happening _____ the day _____ night?

_____ the most _____ causes of power _____ during _____ time?

What are _____ power _____ that _____ during certain _____ of _____ or night?

What _____ at _____ times?

What _____ the _____ that _____ failures to happen _____ often in _____?

What causes _____ times?

_____ do you _____ electric failures _____?

What are _____ reasons _____ power _____ times of day _____ night?

_____ there an explanation _____ the _____ of electricity _____ times during _____?

_____ specific periods _____ fail, what _____ blackout episodes?

_____ are _____ power cuts _____ certain times of _____ night?

_____ is behind _____ electricity _____ occur at certain _____ of _____ day?
 _____ are _____ failures at _____ times?
 _____ tell me _____ there _____ frequent electric outages _____ different _____ of _____?
 Are _____ any explanations _____ the _____ outages _____ at _____ times of the _____?
 _____ they occur _____ the day _____ night?
 Why _____ electricity shutdowns occur _____ certain _____?
 Why are there _____ certain _____ of _____?
 Day _____ what _____ frequent _____ electricity?
 What _____ the factors _____ cause _____ often _____ certain _____ the day?
 Do _____ why _____ frequent _____ disruptions?
 Can you tell me about _____ failures during the _____ evening?
 Can _____ me why the electric _____ happen _____ different times of _____?
 _____ frequent electric failure _____ hours.
 Why _____ you see sudden _____ certain _____ of the _____?
 What are the reasons why _____ failures occur _____ certain _____ and _____?
 Are _____ reasons _____ electricity disruptions?
 _____ are _____ at certain time _____.
 Can you tell _____ about the _____ cause power _____ the morning _____?
 _____ able to _____ there are _____ electric _____ taking _____ at different _____ of the _____?
 Are _____ of the _____ that _____ certain intervals daily _____ nightly?
 _____ there _____ explanation for _____ loss of electricity _____ times _____ the _____ night?
 The _____ certain times _____ the day.
 _____ are _____ cuts during _____ hours?
 Could you tell me _____ of _____ outages _____ hours?
 Is there an _____ repetitive _____ of _____ certain times throughout _____ day _____?
 _____ power failures _____ at _____ of the _____ and night?
 _____ are frequent _____ shutdowns _____ certain _____ of the day.
 _____ factors that cause _____ failure at _____ times?
 _____ you _____ an _____ for _____ of electricity _____ certain times _____ the _____?
 _____ is the _____ sudden black _____ at certain _____?
 _____ blackout incidents occur _____.
 Why do _____ experience _____ at _____?
 You can _____ me why _____ are frequent _____ times.
 Is _____ loss _____ electricity _____ at _____ times of the day or _____?
 _____ repeated _____ incidents _____ certain hours.
 _____ common causes of power _____ certain days?
 _____ is _____ of repetitive _____?
 There are _____ disruptions _____ certain _____.
 Are you aware _____ the _____ power _____ that occur _____?
 Do _____ clue as to why _____ experience _____ intermittent _____?
 _____ failures _____ occur more often at certain _____?
 _____ reasons _____ power failures during certain _____ of _____ and night?
 _____ a _____ there _____ frequent outages _____ the _____ and night?
 _____ do _____ electrical disruptions?
 _____ any _____ for recurrent, _____ black _____ day/ night?
 Is _____ to explain the _____ loss _____ happening _____ certain times throughout _____ night?
 Do you _____ an _____ the loss of electricity _____ the _____ or _____?
 _____ the most common reasons _____ out during certain _____?
 _____ there an _____ repetitive loss _____ electricity happening during _____ the day?
 _____ regular power cuts happen _____ hours?

_____ know _____ there are sudden _____ patterns at _____?

Why _____ happen so _____ the _____?

I would like _____ losing power _____ specific hours.

What _____ causing these _____ that occur _____ certain _____ of _____ night?

Why _____ regular _____ cuts during _____?

_____ are _____ at particular _____.

_____ are _____ reasons for frequent power _____ occur during _____ of _____ night?

Why _____ the _____ out multiple _____ a _____?

_____ you know _____ causes periodic _____ time intervals?

Is there _____ why there _____ at different _____ the _____ and evening?

_____ causes the _____ to go _____ certain _____?

Do you _____ there are _____ at different times each _____ evening?

_____ causes the constant _____ set times?

What _____ factors that _____ power _____ in _____ and day?

_____ it happen so _____ during _____ night?

Why are _____ power _____ during certain _____?

_____ causes intermittent _____ cuts _____ times?

_____ have an idea of _____ of the _____ cut?

The _____ out _____ times and _____?

Is it _____ to determine the _____ causes _____ frequent _____ specific _____ the day _____ night?

Why _____ there incidents _____ no _____?

Is there an _____ the loss of _____ certain _____ the _____ night?

_____ are _____ most common causes _____ power _____ hours?

Any idea of _____ there _____ during _____ hours?

_____ are the reasons _____ power failures _____ frequently _____ times _____ day and night?

_____ the typical _____ of _____ cuts during _____ and night?

Why are _____ power _____ certain _____?

Why do electricity shutdowns _____ of _____ day?

Why _____ these power _____ seem _____ at _____ times _____ day _____ night?

What are the _____ that _____ power _____ more _____ in certain _____?

Can you _____ me why _____ frequent electric _____ times _____ day _____ evening?

There _____ frequent electricity _____.

Can _____ recurring _____ of frequent power outages _____ of the day or _____?

What _____ to intermittent disruptions _____?

Why _____ we _____ cuts _____ different _____?

_____ frequent and timed _____ disruptions?

Can _____ tell _____ why _____ are frequent _____ at certain times of _____?

_____ it possible _____ the loss _____ electricity _____ at _____ times _____ day _____ night?

_____ power _____ down at _____ times?

_____ is _____ of frequent power cuts _____ certain _____?

What are the _____ common causes _____ power _____ during _____?

_____ factors that lead _____ often at night and day?

During specific hours, _____?

_____ want to know why _____ frequent _____ certain hours.

_____ make power _____ more _____ certain times of the day _____ night?

There _____ sudden _____ at particular time _____.

_____ there _____ common factor _____ for _____ failures _____ the _____ and _____?

_____ you _____ me why _____ are _____ blackout _____?

Do you know _____ disruptions?

Do you know _____ sudden black _____ certain _____?

_____ reasons _____ power failures?

Why _____ failures _____ more _____ certain times _____ the _____ night?

Is there _____ reason _____ frequent electric _____ at different times _____?

_____ be _____ power _____ seem to occur at certain _____ the day?

_____ why there _____ intermittent _____ at certain times of _____ day _____?

_____ there _____ explanation _____ the _____ loss _____ electricity during certain _____?

_____ failures _____ certain hours?

What _____ factors _____ cause a _____ failure during certain _____ day?

_____ shutdowns _____ around certain times daily?

What _____ to _____ outs _____ specific _____?

Our _____ and _____ morning power _____ are caused _____?

_____ any reason _____ recurring, sudden, black _____ day/ _____?

_____ do they _____ frequently _____ the _____ night?

There _____ recurrent _____ day _____ night.

Is _____ an explanation for the _____ loss of _____?

_____ do _____ power _____ during certain hours?

What causes _____ problems _____ specific _____?

_____ causing these power _____ to happen at _____ the night?

What _____ constant outages at _____?

_____ sudden _____ cuts _____ certain times of _____ and night?
