

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Auto Repair and Maintenance Shops |
| Inquiry Category | Issues with car electrical system |
| Inquiry Sub-Category | Alternator malfunctions |
| Description | Customers might seek assistance with problems related to a malfunctioning alternator, such as dimming or flickering headlights, battery not charging properly, or intermittent electrical power loss. |
| Data Size | 7,373 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ intermittently, _____ be causing this issue with _____ car's _____?

_____ baffled by _____ of headlights in _____ ride.

What _____ cause headlights _____?

Sometimes my _____ out.

There _____ that _____ flawed _____ component _____ intermittent dimming of my car's _____.

There _____ a _____ the _____ of _____ car are _____.

Are the _____ dimming _____ headlights _____ car's electrical _____?

_____ what might _____ my headlights to _____ off?

_____ vehicle headlights _____ appearance?

_____ electrical _____ the _____ intermittently _____ the headlights.

_____ by _____ headlight power _____ my car.

_____ wonder _____ lighting system to fluctuate.

How _____ car's _____ dim?

Do you _____ what is _____ to _____ headlights?

It's possible that my car's _____ intermittent _____ headlights.

_____ come my car's lights _____?

_____ car's beams fading?

There _____ with _____ headlights.

_____ intermittent headlight _____ issue!

How come _____?

What is _____ my _____ electrical _____ failing intermittently?

_____ as to _____ headlights are on and _____?

The car's _____ dim.

_____ car has _____ with _____ headlights... _____ come?

_____ is _____ cause _____ my car's _____ dim?

Why is the _____ headlights _____?

I have no _____ car's _____ system might _____ intermittent _____ of _____.

_____ wonder why _____ headlights _____ occasionally.

_____ possible _____ dimming is an electrical fault _____ car?

A car's _____ causing intermittent _____.

_____ the vehicle _____ losing _____ brightness?

Is it _____ system causing my car's _____?

Why does the _____ off?

_____ electricity _____ caused _____ headlights.

_____ are _____ car's lights not _____?

_____ car's headlights _____.

What _____ going _____ my car's lights?

What is _____ the _____ to intermittently _____ the headlights?

Is _____ an issue _____ the electrical _____ makes the _____?

Why is _____ vehicle headlights _____?

Why are _____ car's _____?

_____ could _____ vehicle's _____ to dim intermittently?

What _____ the cause _____ deadening light in _____?

I _____ if the _____ is caused by my car's _____.

_____ do the _____ brightness _____?

Is _____ possible _____ flawed _____ cause intermittent dimming of _____ headlights.

I'm _____ by _____ power _____.

The _____ going _____ randomly.

Do _____ know what _____ causing my _____ headlights _____ flicker off _____?

_____ are _____ brightness.

_____ are the causes of _____ car's _____ not _____?

_____ car's _____ may have an _____.

_____ why _____ headlights dim sometimes.

_____ could _____ an electrical system _____.

If my headlights _____ now _____ again, _____ with my electrical system?

There _____ intermittent dimming _____ car's _____.

Is _____ with my car's _____?

Does _____ is _____ headlights occasionally?

_____ wondered _____ a _____ component _____ cause _____ dimming of _____ car's headlights.

_____ car's electrical system cause _____?

Is _____ longer bright because _____ an _____ problem?

_____ it _____ to explain the _____ glitch _____ lights not _____?

Is my car's _____ bright _____ a _____?

If it's _____ problem, _____ headlights dim occasionally?

I'm _____ the intermittent _____ of my _____.

_____ is the cause _____ car's _____ illuminating?

_____ are _____ turning dim _____?

I _____ the electrical system is _____ lights to dim _____.

_____ car's electrical system intermittently _____ headlights, _____ is _____ problem?

_____ do _____ their _____ periodically?

_____ wrong with my _____ system _____ my _____ fade out _____ now _____?

Is the _____ intermittent _____?

What is _____ for the _____ my _____?

What _____ the _____ for _____ acting up?

_____ causes _____ to _____ dim?

What _____ the _____ dimmer _____?

Why _____ the _____ brightness intermittently?

The car's _____ intermittently dims _____.

What is the _____ headlights _____ randomly?
 _____ electric trouble _____ car _____ are going _____.
 What is _____ the electrical _____ of _____ malfunction?
 _____ the _____ dim of _____ headlights due _____ the electrical _____ car?
 I'm confused _____ headlight _____ in my ride.
 I'm _____ by the _____ loss of _____ my _____
 Is my car's _____ or is that _____ problem?
 _____ car's electrical acting _____ lights _____?
 _____ system in _____ car _____ intermittent headlights.
 _____ electrical mess _____ causes the headlights to _____?
 _____ with my electrical _____ my headlights don't come _____?
 Why _____ car having _____ in _____ headlights?
 Maybe _____ headlight dimming is _____ fault _____ the _____?
 _____ dimming _____ my car's headlights _____ flawed electric component?
 _____ is _____ vehicle _____ in brightness?
 _____ my _____ malfunctioning _____ to the electrical _____?
 What _____ the _____ of _____ car _____ flicker _____ and on?
 _____ electrical _____ acting _____ about headlights?
 _____ is this _____ to vehicle _____?
 _____ my _____ not bright because of _____ electrical _____?
 If _____ fade out every _____ often _____ is wrong _____ electrical _____?
 lamps _____ vehicle electrics are getting _____.
 _____ happened to _____ flickering _____?
 My _____ lights _____ dull.
 _____ this happening _____ vehicle _____?
 _____ car's electrical _____ the cause _____ dim headlights?
 I'm _____ loss _____ headlight _____ on my car.
 _____ it _____ headlights _____ because of electrical wiring _____?
 Is _____ possible _____ lights go _____?
 Is _____ possible _____ flawed electric _____ could cause my _____ dim _____?
 The _____ electrical _____ the _____ are dim.
 Is it _____ with the _____?
 _____ car's _____ not _____ continuously.
 intermittent _____ in _____?
 _____ there a _____ of the _____ flickering _____?
 What is _____ problem _____ car _____?
 _____ headlights _____ the _____ are _____ about the electrical _____?
 headlights _____ strange at times, _____ the _____ system?
 Why _____ my _____ turning off?
 Does _____ have _____ information about _____ of the _____?
 _____ my headlights _____ fade out, _____ is _____ electrical system?
 I _____ know _____ flawed _____ cause _____ headlights to dim intermittently.
 _____ is _____ to _____ vehicles headlights?
 Isn't _____ electrical system affects headlight brightness?
 _____ by the intermittent loss _____ headlight _____ ride.
 _____ in _____ electrical system _____ headlights?
 My car's _____ system intermittently _____ but _____ the cause?
 Is _____ not bright because of an _____?
 _____ electricity glitch which dims _____.
 What's _____ with my _____?

____ it ____ car's ____ that causes ____ headlights to ____?
____ electrical system ____ something to ____ the intermittent dimming of ____?
____ does ____ dim intermittently?
____ might be ____ my car to ____.
____ do Headlights go ____?
____ could possibly cause ____ dim?
____ causing my ____ intermittently dim?
____ you know what the ____ with ____ and on?
____ have dimness on ____ off.
Do ____ what I mean ____ my car ____ off ____?
Why is the ____?
Is ____ reason my ____ all dim?
____ wonder ____ my car ____ dim ____.
I ____ by ____ intermittent loss ____ power in ____ car.
____ car's lights go ____.
Are ____ headlights ____ and ____ an ____ issue?
Is ____ system that ____ malfunctioning?
____ it ____ the car's ____ wiring could ____ cause the headlights ____?
____ like to know ____ cause ____ the ____ headlights.
My headlights ____ fading out every ____ what ____ my ____ system?
What was causing ____ to ____?
Possible cause ____ my ____?
This ____ glitch ____ headlights.
____ confused ____ my car's ____ are all dim.
At ____ act ____ what about ____ electrical ____?
____ my ____ electrical system ____ dim the headlights?
Do ____ know ____ is ____ my ____ to flicker ____?
____ intermittent ____ in ____ headlights?
The car ____ acting ____ the ____.
The lights on ____ constant.
____ intermittent ____ my ____ headlights, what causes ____?
____ car's ____ mysteriously go ____.
If my headlights ____ out ____ and ____ wrong with ____ system?
____ issues ____ electrical wiring could cause ____ headlights to dim?
____ is ____ why my ____ dim sometimes.
____ electric ____ could ____ intermittent ____ of my ____ headlights.
What ____ dimness ____ my ____ headlights?
____ getting dull ____ afoot with vehicle electrics.
____ a ____ with lights not shining ____.
____ electrical ____ related ____ the car's ____ flickering?
____ know ____ be going on with ____ headlights?
____ my auto to experience ____ light?
____ the electrical system that ____ lights to dim frequently.
Sometimes ____ lights in ____ dim.
Why ____ beams ____ the car's electrical ____?
____ not sure ____ make ____ the intermittent loss of ____.
____ why my ____ not bright.
Maybe the ____ dimming ____ is ____ my car's electrical ____.
I wonder ____ caused ____ my car's electrical system.
____ clue why ____ headlights are ____?

My _____ has a _____ headlights... How _____?
_____ electrical _____ of my vehicle _____ the _____.
Do _____ know what _____ my car _____ go off?
_____ the headlights on _____.
What _____ my car's _____ and _____?
Is _____ electrical _____ car _____ cause of _____ headlights?
_____ I _____ a _____ occasional sleepy headlights?
The _____ get _____.
_____ the _____ headlights _____ at times.
Is _____ flawed electric _____ could cause _____ to dim?
_____ kind of _____ issue _____ involved with _____ funky _____.
_____ am confused as to why _____ lights _____.
_____ possible _____ issues within _____ electrical wiring _____ explain the _____ headlights?
There _____ an issue with _____ system _____ causes _____ lights _____.
_____ my car's lights _____?
_____ that _____ car's electrical system _____ intermittent dimming of _____.
_____ are _____ dimmings in _____ headlights.
There could _____ be a problem _____ a _____.
My _____ an issue with its _____ that intermittently _____.
What is _____ cause _____ on-and-off _____ of _____ headlights?
_____ clue _____ are acting _____ on and _____?
Shortages in _____ system _____ affect _____.
Is _____ system responsible _____ headlights?
_____ confused by a loss _____ headlight _____ in _____.
Does anyone _____ why headlights _____?
What _____ the _____ of dimness _____ car's _____?
I am wondering _____ is causing _____ to intermittently _____ its _____.
_____ caused by the _____ lights going dim.
_____ intermittent reduction in _____ brightness
_____ causes the on-and-off _____ car _____?
_____ my car's headlights.
_____ wonder why _____ lights _____ dim.
_____ my headlights not _____ and _____?
I _____ question _____ my headlights _____ dim.
A _____ car's headlights _____ dim?
_____ to the _____ my car's _____?
Any clue _____ are _____ on and off?
Why _____ car's _____ system _____ an issue _____ headlights?
Is the _____ electrical _____ headlights _____ go _____?
beams _____ because of _____.
What could cause _____ auto _____ light?
I was _____ component could cause _____ dimming _____ my car _____.
Why _____ car's lights _____?
What _____ cause of my _____ headlights?
_____ there a flawed _____ that could _____ headlights _____ dim?
There is _____ problem with my _____ system _____ headlights to _____.
_____ could _____ the _____ of _____ light in _____ car?
intermittent _____ be _____ electrical fault
Is _____ car's headlights losing light due _____.
_____ of the _____ causing intermittent headlights.

_____ my _____ headlights are not _____.

I'm _____ by the intermittent _____ of _____ vehicle.

_____ anyone _____ why the _____ weird _____ and off?

_____ happened to my _____ going _____?

What is the _____ car headlights _____ dim _____ and _____?

_____ car's _____ may _____ the intermittent dimming of headlights.

Why are _____ dimmer?

Do _____ know _____ is _____ to flicker off?

_____ an _____ with the _____ system _____ causes my vehicle _____ frequently.

_____ my _____ keep _____ often, what _____ wrong _____ my electrical _____?

_____ the _____ electrical system _____ blame for _____ headlight _____?

_____ reason _____ experiences deadening light?

_____ are causing _____ headlights.

I wonder _____ my _____ lights to go _____.

Do _____ know _____ is causing _____ headlights _____ flicker?

I'm _____ loss _____ headlight power.

intermittent dimming _____ my car's headlights _____ by _____ component.

_____ could possibly _____ the headlights _____ dim _____ on _____?

_____ my _____ are so dim.

_____ my _____ lights _____ the electrical _____?

_____ can't _____ car's headlights are _____ bright.

I _____ understand _____ my car's headlights _____.

I was _____ my _____ keep _____.

Why _____ headlights _____ out?

_____ the cause of _____ light _____ my auto?

_____ electrical _____ might be involved in _____ of _____.

_____ did _____ lose brightness?

Is the intermittent _____ headlights _____ car's _____ system _____ malfunctioning?

_____ dim randomly

The _____ could be an _____.

_____ you _____ be causing my _____ headlights _____ flicker?

_____ dim headlights?

_____ electrical _____ malfunctioning, _____ about _____ headlights?

Some _____ of problem _____ cause _____ headlight _____ a _____.

_____ it make sense _____ the headlights dim on _____ within _____ car's _____?

It is _____ that _____ car's _____ causes _____ dimming of _____.

_____ am _____ if there _____ with the _____ system that causes the lights _____.

Does my car's _____ anything to do with the _____?

_____ am puzzled _____ loss of headlight _____.

_____ bewildered _____ the _____ loss of headlight _____ my _____.

Is _____ possible that _____ wiring _____ the car _____ to dim?

_____ electrical _____ affect the _____ headlights?

My car's electrical system _____ to dim _____.

There is intermittent _____.

Does anyone know _____ my _____ dimming of headlights?

_____ is the reason _____ my _____ headlights not _____?

What _____ wrong _____ the _____ headlights don't work?

Do _____ know what _____ might _____ headlights _____ off and on?

Car _____ power?

_____ spells trouble _____ my _____ lights _____ going _____.

Why _____ acting _____ on and _____?
 Why do _____ lose _____?
 Why _____ beam _____ the car?
 My _____ system could be _____ the _____ dim.
 The _____ on me sometimes.
 Electric trouble _____ when _____ car _____.
 I wonder _____ my _____ system to _____ off?
 My _____ is _____ headlights keep fading out.
 _____ might my car's _____ system _____?
 _____ understand _____ my car _____ all dim.
 My _____ system might _____ to _____ intermittent dimmer _____.
 _____ intermittent headlights _____ an _____?
 What _____ car's _____ system _____ doing to my _____?
 What _____ going _____ with my _____?
 Is _____ electrical _____ my _____ keep fading out?
 What _____ the _____ of _____ intermittent headlights _____?
 _____ are _____ due _____ faulty _____ in the car.
 What _____ the _____ mess at _____?
 Do you know _____ go _____ car headlights?
 Does anyone know _____ flickering _____?
 Will my _____ electrical system _____ reason _____ headlights?
 _____ there _____ headlights _____ brightness intermittently?
 Is there an issue _____ system behind _____ dim lights _____?
 Is _____ electrical system _____ cause of _____?
 Why is _____ headlights _____ brightness _____?
 Why _____ vehicle _____ strength?
 intermittent _____ car _____
 _____ wondering _____ my _____ malfunctioning due _____ an electrical problem.
 _____ dimming in the _____.
 _____ explanation for _____ recurrent _____ fluctuations in _____ vehicle?
 _____ keep fading _____ and _____ wrong with _____ electrical system?
 _____ car's headlights _____ down _____ to an electrical _____?
 _____ come my car's _____?
 _____ that _____ the headlights _____ the car?
 I _____ why my _____ sometimes.
 _____ in _____ could affect _____ brightness.
 Is _____ headlights _____ because of _____ car's _____?
 _____ frequently; _____ car's electrical is acting _____.
 _____ sure why my _____ headlights are _____.
 Car's _____ intermittent headlights?
 I'm puzzled _____ intermittent _____ headlights _____ car.
 _____ my car's lights _____?
 _____ electrical system causing _____ lights _____ my vehicle _____?
 _____ cause of my auto's _____ deadening _____?
 _____ if my car _____ malfunctioning.
 _____ was curious _____ car's _____ headlights.
 _____ car's lights _____.
 _____ glitch has _____ headlights.
 _____ getting dull time _____ with _____ electrics
 My car's _____ system _____ dimmer _____ headlights.

Is there _____ electrical _____ that _____ headlights _____ dim _____?

_____ questions about _____ my _____ dim.

In tarnation, _____ wrong with _____ if my headlights _____ frequently?

_____ wonder what _____ causing _____ system _____ go off.

My car's _____ usual?

_____ am _____ what _____ my auto to _____ light.

_____ my car's electrical system _____ lights?

Does anyone have _____ headlights _____ sometimes?

The lights are _____ electrical _____ up.

_____ a question _____ my _____ dim _____.

Can _____ tell me _____ might _____ causing my _____ flicker _____?

_____ headlights _____ on and off?

_____ malfunctioning _____ intermittent headlight dimming.

_____ car has an _____ system which _____ dims _____.

_____ electric _____ could _____ my car's headlights to _____.

_____ it possible that _____ electrical _____ that cause _____ headlights _____ dim?

If my _____ keep fading out every _____ and _____ is wrong _____?

_____ intermittent headlight dimming

_____ am wondering _____ my car's headlights _____ due _____ an electrical _____.

_____ know what's _____ with my headlights flickering off _____?

My _____ dim erratically.

_____ system may _____ intermittent headlights _____.

_____ perplexed about _____ of _____ power.

_____ is the _____ malfunctioning?

_____ come the _____ weird _____ off?

Electric _____ sign: intermittent _____ headlights _____?

_____ to experience deadening light?

There _____ issue _____ the _____ system _____ why _____ lights _____ frequently.

_____ do headlights acting weird _____ keep _____?

Is _____ car's _____ system _____ intermittent _____?

_____ tell me why my _____ are _____?

The _____ is _____ up, what _____ headlights?

_____ flicker, what about _____ mess?

_____ is the reason for _____ my _____ headlights?

_____ baffled _____ intermittent loss of headlight _____ in my _____.

_____ an _____ with _____ headlights flickering.

malfunctioning _____ need _____

The electrical _____ but what _____ the headlights?

_____ causing my headlights to dim intermittently?

Is _____ caused by an _____?

_____ that my _____ headlights _____ flicker off _____ on?

Shortage _____ electrical _____ headlight _____

Is _____ fault in the car related _____?

_____ may _____ electrical system problem.

The electric _____ isIntermittent _____ headlight _____?

There are lights that _____.

_____ of my car's _____?

I _____ wondering _____ car's electrical _____ to malfunction.

_____ you know _____ could _____ headlights to flicker off?

_____ the _____ dimming of my _____ to _____ car's _____ system?

_____ there _____ plausible _____ for the recurrent _____ in my _____?
 _____ does _____ car's _____ sometimes?
 _____ is wrong _____ electrical system if my _____ come _____?
 _____ wondering _____ headlights _____ electrical problem.
 Is it possible _____ wiring _____ could _____ the headlights to _____?
 Is _____ dimming _____ electrical _____ in _____?
 The _____ works up; _____ frequently?
 _____ what is causing _____ car headlights to _____ off?
 _____ what might cause my car _____ off?
 _____ my car's lights _____ occasionally?
 Why _____ headlights _____ dim _____?
 Maybe _____ not bright _____ to an electrical _____?
 _____ electric trouble _____ car _____ go _____.
 _____ could be wrong _____ system _____ keep fading out?
 _____ headlights _____ intermittently dim.
 My car has _____ electrical _____ and _____ of _____.
 _____ causes of my _____?
 I _____ my _____ no longer _____ due _____ an electrical problem.
 The intermittent _____ headlights, what causes _____?
 Cause _____ car's flickering _____?
 Is a _____ electrical _____ intermittent _____?
 I wonder if _____ go _____.
 What _____ the cause of _____ electrical _____ the headlights?
 Is _____ reason for the dimness _____ headlights?
 _____ intermittent _____ of _____ linked to _____ car's _____ system.
 I _____ a flawed _____ dimming of my car's headlights.
 I'm _____ by the intermittent _____ of _____.
 Why _____ going _____ randomly?
 What _____ my car _____ be _____ and off?
 _____ headlights _____ going dim _____
 _____ might be _____ one explanation _____ lighting _____ in my _____.
 _____ by _____ intermittent _____ of headlights.
 What _____ with my _____?
 _____ come my _____ has trouble _____?
 What is _____ cause of my _____ working?
 _____ car's headlights dim _____?
 _____ could _____ car's electrical _____ be causing headlights _____?
 _____ is _____ intermittently _____ their shine?
 Why do _____ headlights _____ brightness _____?
 _____ clue _____ headlights are _____ weird?
 _____ my _____ lights _____ off mysteriously.
 _____ is _____ losing _____ intermittently?
 I _____ headlights are dim.
 _____ with _____ system if my headlights keep _____ out?
 _____ about that electrical _____ headlights _____?
 There _____ intermittent _____ car headlights.
 Is it possible that my electrical _____ keep _____ out?
 _____ in _____ vehicle _____ frequently dim, _____ there a _____ with the _____?
 _____ that electrical _____ car's headlights?
 I don't _____ car _____ changing.

Is _____ a cause _____ flickering _____ ?

What _____ my car _____ being off?

Is there an _____ the electrical _____ leads _____ dim lights in _____ ?

Why is the _____ ?

Is it _____ that _____ problems within _____ the headlights _____ dim?

The headlights _____ pain but _____ electrical _____ acting _____.

Is _____ that there are issues with the electrical _____ of _____ that _____ headlights _____ ?

Is it the car's _____ system _____ causes _____ of _____ ?

I _____ know _____ the _____ dimming of headlights _____ to my _____.

My car's electrical system _____ cause _____ dimming _____.

Is that electrical _____ the _____ ?

_____ be causing _____ lighting _____ to change?

_____ electrical system responsible _____ dimming of headlights?

_____ headlights _____ fading out, _____ is _____ with the _____ ?

Why _____ get dim?

_____ about _____ mess on _____ headlights?

The _____ my _____ are going _____.

_____ issue with the _____ system _____ lights dim frequently.

How _____ headlights _____ not bright?

_____ my car's _____ reason that _____ headlights are not _____ ?

_____ headlights losing light _____ ?

There _____ an issue _____ do _____ lights in my _____ dim frequently?

_____ auto to _____ sporadic _____ light?

_____ is wrong _____ my _____ if my headlights fade _____ ?

Is _____ electrical problem _____ car's _____ ?

_____ know _____ could _____ my headlights to flicker _____ ?

_____ intermittent headlight _____ an _____ fault?

_____ a likely reason _____ the lighting _____ my _____ ?

_____ the electrical _____ car _____ to dim?

There _____ an _____ dimming _____ headlights.

_____ headlights may be _____ could _____ due to _____ electrical _____.

_____ there a reason _____ the headlights _____ on _____ ?

_____ the _____ weak

_____ my car's _____ dim?

_____ do _____ get dim?

The car's electrical _____ causing _____ to _____ intermittently.

I _____ not _____ car's headlights _____ all dim.

_____ in electrical system _____ ?

Is a _____ component _____ for intermittent dimming _____ headlights?

_____ the _____ on the car's _____ ?

I _____ know _____ my _____ headlights are _____.

_____ the _____ intermittent headlights?

_____ the intermittent diminution of my _____ car's electrical _____ ?

_____ issue that the headlights are _____ and _____ ?

What's _____ with _____ headlights?

_____ car headlights _____ have _____ problem.

The _____ causing my _____ to _____.

What could _____ sporadic _____ light _____ auto?

I _____ causes _____ headlights _____ dim intermittently.

_____ headlights are flickering, what _____ ?

My _____ go off _____.

Car's headlights _____ electrical mess?

_____ a potential _____ car's flickering _____.

_____ on and off is _____.

Is _____ electrical _____ malfunctioning _____ my _____ fade _____ so often?

_____ trouble if the _____ dim.

Is _____ going off due to _____ issue?

_____ intermittent headlight _____ electrical problem.

What _____ to lose light?

Is the _____ to blame for _____ car's _____?

_____ are the _____ randomly?

Why do my car's _____?

_____ know _____ my headlights _____ sometimes?

Is the electric _____ with _____ on _____?

_____ intermittently dim.

Why do _____ changing?

_____ car's _____ behind the intermittent dimming of _____.

What _____ cause _____ electrical _____ not working properly?

_____ if my car's _____ have _____ electrical _____.

I'm not _____ intermittent _____ of headlight _____ in my _____.

_____ my car's _____ dim?

_____ is _____ vehicle headlights?

_____ car's electrical system _____ cause of _____ dimming?

Is _____ car's electrical system _____ of the _____ headlights?

If _____ keep _____ every _____ what's wrong with my _____ system?

_____ am _____ a _____ electric _____ cause my _____ headlights _____ dim intermittently.

lamps _____ time _____ time _____ vehicle _____

_____ my car's headlights be malfunctioning due _____?

_____ am stumped by _____ of headlight power in _____.

_____ about _____ in the _____ headlights?

What is _____ my _____ system that _____ dims _____ headlights?

_____ electrical _____ my car _____ the _____ is the problem?

_____ could be causing _____ intermittently?

_____ stumped by the _____ headlights in _____ car.

_____ the _____ of _____ car _____ causes _____ headlights to dim?

_____ it an _____ that _____ are _____?

_____ my _____ lights are _____?

_____ could be an _____ with the _____ on _____.

_____ my car's _____ intermittently?

What about _____ headlights?

_____ intermittent dimming _____ headlights may be _____ car's electrical _____.

_____ it possible _____ bad wiring within _____ car could _____ dim?

Is _____ dimming of _____ headlights _____ my car's _____ system?

If _____ keep fading _____ is wrong _____ my _____ systems?

Can _____ headlights dim?

_____ possible that problems with _____ electrical wiring can _____ to _____?

Sometimes the _____ on _____ go _____.

Is _____ an electric issue _____ the _____ and _____?

How come my _____ headlights _____?

_____ car's _____ might be _____ dimming.

Does _____ have _____ clue _____ to _____ of _____ headlights?
 _____ the headlights _____ randomly?
 _____ electrical system may be _____ intermittent _____.
 _____ possible _____ headlight dimming could be _____ fault.

The _____ with my _____ headlights is _____.

How _____ are acting _____ off?

_____ it possible that _____ within _____ car could _____ headlights _____ dim?
 _____ possible _____ the headlights _____ because of _____ issues?
 _____ of my _____ headlights _____ working?
 _____ what would cause my _____ headlights _____ off?

I _____ my _____ dim sometimes.
 _____ are intermittently losing _____.
 _____ it an electrical _____ that _____ headlights _____?

What causes _____ to _____ deadening _____?

Is _____ a probable _____ for _____ lighting fluctuations _____?
 _____ it an electric issue _____ flickering _____ off?
 _____ causing my car's _____ to malfunction?
 _____ my car's electrical _____ causing _____ intermittent _____ of _____?
 _____ why my car _____ going off.

There is an _____ my car _____ its _____ system _____ dims _____.
 _____ am _____ by _____ loss _____ power _____ my car.

The _____ my car _____ dimmer.
 _____ it _____ electric _____ flicker on and off?

What is the _____ for headlights _____ weird _____?

My _____ system _____ to _____ for _____ headlights dimming.

I _____ know _____ my _____ electrical system may _____ of headlights.

Is _____ car's headlights malfunctioning _____ it be _____ to _____?

What _____ car's _____ to _____ intermittently?
 _____ why the _____ on _____ off?

Why does _____ car's _____ erratically?

Does _____ make _____ headlights _____ on occasion _____ to issues within the _____?
 _____ car's beam fade _____?

I _____ my car _____ go _____ dim.
 _____ headlights _____ on and off?

I'm _____ by _____ loss _____ power in _____ headlights.
 _____ trouble because _____ lights are _____

The vehicle's _____ dim.

The headlights _____ pain, what _____ happening with _____?
 _____ my _____ have flickering _____?

Could it possibly _____ the _____ my _____ flickering _____?
 _____ do my _____ lights _____ much?

My _____ electrical system _____ for _____ dimming of headlights.

My electrical _____ is _____ if _____ headlights _____ out _____ often.

Is _____ car's _____ longer _____ due to _____ problem?

If my _____ out _____ once in _____ while, what _____ with _____ system?

I have _____ my car's _____ might cause _____ headlights _____.

I can't figure _____ my headlights _____.

The _____ on _____ car _____ go _____ in strange _____.

Is it _____ electric _____ lights are _____ and off?

I _____ causing my car _____ dim its headlights _____.

I'm _____ confused by _____ loss of _____.

I _____ car's headlights are losing brightness _____ of _____ electrical _____.

Why _____ go _____ at _____ times?

_____ possibly _____ to dim on _____ vehicle?

I _____ why my _____ system might cause intermittent _____ headlights.

What is the _____ system _____ don't light up?

_____ pretty confused _____ intermittent _____ of _____ power.

I _____ if _____ electric _____ could result _____ of my _____ headlights.

_____ what _____ that electrical mess?

_____ it _____ that _____ with _____ electrical _____ in _____ could cause _____ headlights _____ dim?

_____ do my _____ out?

_____ have _____ problem and _____ headlights are _____ sometimes.

I _____ wondering if _____ is _____ that _____ headlights dim.

_____ the _____ of _____ headlights?

_____ is _____ with _____ electrical system that _____ my vehicle to dim _____.

_____ my _____ aren't _____ so _____ what _____ wrong with my electrical _____?

_____ is the _____ brightness?

_____ come my _____ always _____ bright _____?

I'm _____ sure _____ causing _____ car's _____ system _____ fluctuate.

What possibly _____ my car's electrical system _____?

Will _____ dimming _____ my car's _____ be _____ result _____ electric component?

Is _____ problem _____ electrical system if my headlights _____ out _____?

_____ confused _____ intermittent _____ headlight power in _____ vehicle.

Does anyone know _____?

_____ that _____ mess, _____ headlights are flickering?

_____ possible that the car headlights _____.

Why is the _____ electrical _____ the _____?

_____ Headlights flickering _____ off an _____ issue?

What is _____ to _____?

_____ is the vehicle _____ off _____?

_____ headlights lose _____ occasionally?

Is my car's electrical _____ reason _____ intermittent _____ headlights?

Is _____ car's electrical _____ headlight _____?

Cars flickering _____ what _____ the _____?

There _____ problem with _____ headlights on the vehicle.

_____ be an electrical problem _____ car's _____.

The _____ lights _____.

_____ is the _____ of _____ car's _____ dim _____?

_____ is _____ cause _____ dimness in _____ headlights?

I'm confused _____ loss _____ power

_____ car's _____ system _____ interfering _____ the headlights.

_____ my car's lights keep _____.

_____ of _____ car sometimes _____.

There _____ a problem with _____ vehicle's _____.

_____ the cause of the _____?

The electrical _____ about the _____?

There could _____ some sort of problem _____ the _____.

How _____ electrical _____ of my _____?

My car's _____ system intermittently _____ and _____ is _____ problem?

_____ electrical system causing the lights _____ my _____ dim _____?

_____ dimming of my _____ headlights _____ by a _____ component?
 _____ you know what _____ be _____ headlights _____ flicker _____ and _____?
 Why are _____ headlights _____ intermittently?
 Is it _____ electrical _____ could _____ the headlights to dim?
 _____ headlights keep _____ out _____ not sure _____ wrong _____ electrical system.
 There is _____ glitch _____ dims _____.
 I'm _____ intermittent _____ of _____ power.
 _____ am _____ if _____ headlights are failing due _____ problem.
 _____ going on with _____ which _____ its headlights?
 I'm _____ car's flickering _____.
 _____ dimming of my _____ be caused by _____ electric _____.
 What is the _____ car's _____?
 It _____ the headlights _____ my _____ are malfunctioning.
 _____ a problem _____ the _____ on a vehicle.
 _____ wonder what _____ causing my car's _____ off?
 Car _____?
 _____ be _____ for _____ lighting fluctuations in _____ vehicle.
 _____ know why the headlights act weird _____.
 _____ be causing _____ have an electrical system _____?
 _____ is causing my _____ to _____ intermittent _____ headlights?
 My car's electrical system _____ be _____ reason _____ intermittent _____.
 There _____ an _____ that Dimming _____ help with.
 How _____ my car's _____ system cause intermittent _____?
 _____ is _____ their shine?
 _____ have thoughts _____ the electrical _____ with _____ headlights?
 What might _____ causing my car _____ flicker _____?
 Why _____ headlights _____ the _____ intermittently losing _____?
 I have a car that _____ on _____ with _____.
 _____ vehicle _____ are losing _____.
 _____ car _____ electrical system _____ causes intermittent dimming _____ headlights.
 What _____ causes _____?
 _____ is _____ with _____ electrical _____ why do _____ dim frequently?
 _____ electrical _____ can _____ the headlights.
 Cars _____ what _____ electrical mess?
 _____ electrical _____ of my car _____ cause _____ of _____.
 _____ act _____ on and off?
 _____ with the electrical wiring of _____ car that causes _____ headlights _____?
 _____ the _____ act _____ any _____ about the electrical _____?
 _____ my car _____ bright?
 _____ car's electrical system might be _____ intermittent _____ headlights.
 The _____ system _____ my car intermittently _____ the _____ causing _____?
 _____ my _____ sometimes go off?
 _____ do _____ think _____ my _____ lights _____?
 Is _____ in the electric _____ cause intermittent dimming of _____ car's _____?
 There _____ be _____ on _____ the headlights on _____.
 _____ intermittent dimming _____ headlights _____ related _____ electrical system.
 _____ problem _____ the electrical system and _____?
 Is _____ that _____ headlights are _____?
 A flawed _____ cause my _____ dim intermittently.
 Could the _____ be malfunctioning?
