

[Demo] NLP Dataset for Customer Service Automation

Company Type	Payroll Outsourcing Companies
Inquiry Category	Employee onboarding and offboarding
Inquiry Sub-Category	Time and Attendance
Description	Inquiries regarding the tracking and recording of employee working hours, including timesheets, attendance policies, leave management, and paid-time-off accruals.
Data Size	5,003 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)

Do you ____ integration ____ devices/fingerprint ____ clocks used at ____ ?
____ you able to integrate with ____ and other ____ ?
Is it ____ to ____ offices using fingerprints, ____ and biometrics?
Do you ____ the ability to ____ Biometrics ____ such as ____ or clock ____ the ____ ?
Are you ____ integrate ____ locations ____ fingerprints and ____ things?
Is it ____ to ____ the Biometrics, including ____ or time clocks ____ in ____ ?
Do ____ provide ____ in physical ____ ?
____ integrate with time clocks and fingerprints in ____ ?
____ possible to ____ Time Clocks and ____ locations.
____ you ____ to ____ Biometrics devices ____ fingerprints and clock ____ physical ____ ?
____ it ____ you to integrate ____ Biometrics for in-office ____ ?
____ you integrate ____ the Biometrics devices ____ fingerprints, ____ and ____ ?
Do ____ the ____ of ____ into our premises?
Do you ____ that ____ clocks are integrated into ____ ?
Can ____ a time ____ fingerprints ____ other devices ____ ?
____ integrate with the Biometrics devices?
Are ____ capable ____ with ____ Biometrics ____ in the physical ____ ?
Are ____ able to ____ in the offices?
Is ____ possible to integrate a ____ fingerprints ____ other ____ ?
Is ____ to ____ Biometrics, such as ____ time ____ in physical?
Is it ____ time clock, fingerprints ____ other ____ in ____ ?
Do ____ the ability ____ integrate ____ clock ____ physical location?
Can ____ integrate with ____ Biometrics devices ____ fingerprints, ____ and ____ ?
____ possible ____ to ____ Biometrics, including fingerprint ____ or time clocks?
____ able ____ integrate the ____ devices of ____ clock ____ the physical ____ ?
Are ____ able ____ integrate ____ the ____ devices ____ fingerprints, ____ clocks, ____ others?
____ time clock and ____ in ____ offices?
Is it possible for you to integrate ____ fingerprints, time ____ ?

_____ to _____ with _____ Biometrics, including fingerprints _____ clock, found _____ physical locations?

Are you _____ of integrating _____ the _____ including _____?

_____ it possible to integrate _____ offices devices _____ or _____?

_____ you capable of working with the _____ our _____?

Are _____ of how to integrate _____ time _____ and _____ our _____?

_____ capable _____ using _____ with _____ locations?

_____ you _____ use of fingerprints _____ time clocks _____ offices?

Is _____ possible _____ sync _____ bio-devices/fingerprint _____ time _____?

_____ you believe _____ integrating _____ time clocks _____ our _____?

_____ able to _____ Biometrics _____ utilized in _____ physical world?

Are you able _____ with the Biometrics devices _____?

Is there _____ to _____ a time _____ fingerprints, and _____ devices _____?

_____ you able to _____ Biometrics _____ such as _____ the physical _____?

_____ with _____ devices that have fingerprints _____ time clocks?

Is it _____ with _____ physical _____ through fingerprints, time _____ biometrics?

Are _____ to _____ the Biometrics _____ in physical.

Is _____ possible for you _____ integrate _____ devices such _____ time clocks, _____ others _____ in _____?

Is it _____ like fingerprints _____ time-clocks _____ physical _____?

_____ able to _____ time _____ and _____ devices _____ your physical offices?

_____ are _____ used in the offices _____ with you?

_____ able to integration with _____ devices such _____ fingerprints, _____ and _____?

_____ possible _____ include a time clock, _____ and _____ devices in _____?

_____ you _____ with _____ Biometrics, _____ scans _____ time clocks?

_____ you able _____ integrate _____ the _____ devices _____ in the _____?

_____ favor _____ incorporating _____ and _____ clocks into our premises?

_____ you capable _____ the Biometrics _____ like fingerprints _____ clock _____ a physical _____?

_____ integrate _____ time _____ fingerprints, and other _____ into a office?

_____ integrate _____ Biometrics devices such as _____ clock into your _____?

Do you _____ how _____ integrate _____ clock, _____ biometrics into our _____?

Are you _____ use the _____ such _____ fingerprints or _____ in a _____?

Do _____ integration of _____ and time clocks into _____?

Is it possible _____ you _____ the Biometrics, _____ fingerprints or _____ clocks, _____ physical _____?

Are _____ with the clock and biometrics used _____

Are you _____ integrate _____ devices _____ fingerprints _____ into the _____ world?

Are you able _____ as _____ or _____ with the physical locations?

Are _____ capable _____ the _____ devices, _____ as fingerprints, time _____ others?

Do you know _____ integrate the _____ and _____ in _____ offices?

Is _____ to _____ physical office _____ fingerprints and _____ clock?

_____ you _____ ability to _____ with _____ including fingerprints _____ time clocks found _____ physical _____?

Can you integrate _____ the Biometrics devices _____ as _____ or _____ the _____?

Do _____ have the _____ to integrate with physical _____ use _____?

_____ able to _____ with _____ devices such as fingerprints _____ clock _____ in _____?

_____ you _____ integrate with offices through fingerprints, _____ similar _____?

Do _____ the ability to integrate with _____ a _____ clock _____?

_____ it possible _____ integrate with the Biometrics, _____ time _____ the physical _____?

_____ it possible to _____ fingerprints, and other _____ into your _____?

_____ able _____ fingerprints or _____ used in _____ physical world?

Are _____ to integrate the _____ fingerprints _____ clock?

Is it _____ integrate a _____ fingerprints _____ into a physical _____

_____ to integrate _____ physical locations _____ fingerprints, _____ and similar devices?

Is it possible _____ fingerprints _____ time clocks _____?

Is _____ possible to integrate _____ clock, _____ into offices.

_____ it _____ physical _____ devices with fingerprints, such _____ clocks?

Is it _____ for _____ to _____ Time _____ and _____ in _____?

_____ able to work with _____ clock and _____ office?

Are _____ able _____ with _____ through fingerprints, time clocks, _____ other _____?

Are you able _____ the _____ and _____ office?

_____ it possible _____ integrate with _____ or time clocks, at a _____?

Will we _____ able _____ sync _____ time clocks?

Can you _____ with the _____ and _____ the _____?

Are _____ integrate _____ Biometrics _____ such as fingerprints, time clocks _____?

Are you capable _____ the Biometrics _____ in _____ location?

Are you _____ to use _____ similar _____ to integrate _____ location?

Are you able to integrate _____ physical _____ using _____ biometrics?

_____ it possible to _____ with _____ and _____ clocks, in physical?

_____ it possible _____ our _____ clocks to _____ synchronized?

_____ you able _____ integrate with the _____ the physical _____?

Is _____ physical office _____ like a _____ clock _____ fingerprints.

_____ you _____ with the Biometrics, including time clocks _____ fingerprints?

Am I able _____ time _____ fingerprints _____ devices into _____ office?

Are _____ able to integrate _____ locations through fingerprints, _____ clocks _____?

Will you be _____ to integrate _____ clocks _____ fingerprints _____?

_____ you _____ to use clock and _____ our _____?

Are _____ able to _____ devices such _____ or clock in _____?

_____ possible for _____ to _____ with _____ Biometrics, including fingerprints, or _____?

Is _____ possible _____ integrate with _____ devices such as _____ or _____ in _____ physical _____?

_____ you _____ the clock _____ being _____ in offices?

_____ you integrate a time _____ and other _____ your _____?

Are you able _____ integrate with _____ offices through _____ and _____?

Are _____ of _____ or a _____ into a _____ location?

_____ to _____ with _____ through _____ time clocks and similar _____?

Are you _____ to _____ integration for _____ biometrics _____ locations?

_____ you have the _____ with _____ fingerprints or time clocks, in _____?

_____ integration _____ time clocks and biometric devices at _____?

_____ able _____ or similar devices _____ integrate with _____ locations?

_____ able to integrate Biometrics devices such _____ into _____ locations?

Can _____ the Biometrics _____ such _____ time clocks, _____ others?

Are you able _____ integrate _____ devices _____ fingerprints or _____?

_____ possible _____ time _____ and other _____ to be integrated _____ a office?

_____ to _____ devices, fingerprint readers, and office time clocks?

Are _____ able to _____ devices such _____ fingerprints _____ clock?

Are you able _____ with _____ the time _____ fingerprints?

Does it _____ devices _____ such as a time _____?

Are _____ with _____ Biometrics devices used _____ the physical world?

Is it _____ integrate _____ Time Clocks and _____ our _____?

_____ able to integrate with _____ such as _____ clocks _____?

_____ to integrate with physical locations _____ offices with _____ and _____?

Is _____ for _____ to _____ fingerprints or clock _____ physical _____?

Do _____ with the clock _____ being _____ in _____ offices?

_____ able _____ integrate _____ biometric _____ with time clock _____ in your _____?

Are _____ aware of _____ integrate _____ clocks, _____ and _____ our offices?

Would _____ possible _____ integrate a time clock, fingerprints _____ other _____?

Do you _____ integration _____ fingerprints _____ time _____?

_____ you _____ to integrate _____ the Biometrics, _____ time _____ fingerprints?

_____ you able _____ with fingerprints and similar _____?

_____ and other _____ integrated in _____ offices?

_____ able to _____ with _____ Biometrics devices that _____ in the _____?

_____ you integrate with _____ used _____ the _____ world?

_____ to integrate Time Clocks _____ Biometrics at _____ locations?

Are you _____ integrate _____ using fingerprints, time _____ and similar _____?

Is it possible to _____ fingerprints, _____ time _____ your office?

_____ possible to sync _____ readers, and office _____ clocks?

Are you _____ with _____ devices used in _____ physical _____?

Is _____ possible _____ bio-devices/fingerprint readers/office time clocks?

_____ way to work with the _____ and Biometrics _____ our _____?

Is _____ toIntegrate fingerprints or _____ into _____?

Is _____ possible to _____ Time _____ office locations?

_____ able _____ biometric _____ and time clocks at _____ offices?

Can the _____ of _____ time _____ fingerprints and _____ devices _____ in _____ physical _____?

Can you _____ clocks and _____ in a _____?

Is _____ possible _____ you _____ integrate with Biometrics, _____ fingerprint _____ in _____?

_____ possible for _____ to integrate _____ clock _____ the _____ locations?

_____ you _____ with _____ clock and Biometrics systems _____?

_____ to put time clocks and _____ the physical _____?

Are _____ aware of how _____ the _____ we use inside _____ offices?

Are _____ able _____ integrate with _____ variety _____ devices, _____ fingerprints _____ time _____?

_____ you have the ability _____ including _____ time clocks, _____ physical?

_____ it possible _____ the Time Clocks _____ office locations?

Is it _____ to _____ and _____ devices into your offices.

_____ you able to _____ with physical _____ timeclocks _____ other _____?

Are you _____ with the physical _____ Biometrics _____?

Is _____ have _____ clock, _____ other _____ in the physical offices?

Does _____ devices that _____ fingerprints or _____ clocks?

_____ it possible _____ with physical _____ as _____ clocks _____ fingerprints?

_____ you capable _____ the clock _____ Biometrics _____ in our _____?

Are you able to _____ with _____ using _____ similar devices?

_____ the integration of _____ and time _____ into _____ premises?

Are you compatible _____ andbiometrics used _____ the _____?

_____ a _____ integrate fingerprints _____ time-clocks into offices?

Is _____ possible _____ to _____ with the _____ and _____ at the _____?

Are _____ work with clock and _____ in _____?

Is it _____ a physical _____ like time _____ and _____?

_____ you _____ to _____ with _____ Biometrics devices _____ used in _____ location?

Are you _____ to integrate _____ in a physical _____?

_____ it possible _____ incorporate _____ into a physical _____?

Do you _____ with integrating fingerprints _____ into _____ office _____?

Is _____ for you _____ integrate with physical locations _____ fingerprints?

_____ you _____ to _____ the _____ or Biometrics _____ the _____?

_____ able _____ with the Biometrics, including _____ scans _____ timeclocks?

_____ of _____ with _____ Biometrics devices _____ fingerprints, _____ clocks and more?

____ you able to integrate ____ the Biometrics, ____ fingerprints ____ ____ ?
 Are ____ able to integrate ____ used ____ a physical ____ ?
 Do ____ integration ____ biometric ____ ?
 Are you ____ fingerprints or clock ____ the ____ ?
 ____ it possible to ____ fingerprints, a ____ and other devices ____ ?
 ____ it ____ integrate ____ fingerprints, and other devices ____ offices?
 Is it ____ time ____ fingerprints, and ____ devices to ____ integrated into ____ ?
 ____ have the ability ____ with the ____ fingerprints, and ____ clock?
 ____ compatible with clock ____ in the offices?
 ____ you compatible with ____ clock ____ offices?
 ____ you integrate ____ clock, ____ and ____ devices in ____ offices?
 Are ____ and biometrics in offices?
 Can time clock, ____ and ____ be integrated ____ ?
 Are you able ____ with ____ fingerprints ____ time clocks?
 ____ you able ____ integrate ____ biometric devices, ____ or time ____ ?
 Will ____ to integrate a ____ clock, fingerprints, and ____ physical office?
 ____ possible to integrate ____ time ____ fingerprints ____ other ____ into offices?
 ____ you able to ____ the ____ devices ____ as ____ ?
 ____ the ability to integrate ____ fingerprint scanning or ____ ?
 ____ possible to ____ or time ____ in ____ physical office?
 Are you able ____ locations through ____ similar ____ ?
 ____ a way ____ integrate time clocks ____ fingerprints with ____ ?
 ____ integrate ____ Biometrics devices such ____ or clock utilized ____ the physical locations?
 Is it possible ____ integrate with the ____ fingerprints ____ ?
 ____ you ____ fingerprints and time clocks in the ____ ?
 ____ you ____ with Biometrics ____ in the physical ____ ?
 Would ____ be ____ integrate ____ Biometrics ____ used in the physical ____ ?
 Will it ____ to ____ a time ____ fingerprints ____ other ____ in ____ ?
 Is ____ possible ____ or time-clocks ____ ?
 ____ you ____ to ____ fingerprints and ____ devices ____ physical locations?
 Are ____ able ____ Biometrics, including ____ scans ____ time clocks, in ____ physical ____ ?
 ____ able to integrate with ____ Biometrics, ____ fingerprints ____ time ____ found in ____ ?
 ____ with the integration ____ things like ____ into our ____ ?
 ____ using the clock ____ Biometrics in ____ offices?
 Can ____ place time ____ fingerprints ____ physical ____ ?
 Is it possible ____ use ____ fingerprints, and ____ in ____ physical ____ ?
 Does it be possible to ____ physical office ____ fingerprints?
 Are ____ capable ____ with the biometrics ____ the ____ location?
 ____ it possible ____ have ____ time ____ other devices ____ a physical ____ ?
 Is it ____ to ____ Biometrics, including ____ or time clocks, ____ locations?
 Can ____ time clock, ____ and other ____ offices?
 ____ you able to ____ locations ____ fingerprints and ____ ?
 Can ____ put time ____ some offices?
 ____ to ____ with the ____ including ____ time clocks, in ____ physical world?
 Are you ____ use ____ and biometrics at the ____ ?
 ____ with physical locations and ____ through fingerprints, ____ clocks, and biometrics?
 Is it ____ to integrate with physical locations ____ by ____ biometrics?
 ____ you able ____ integrate Biometrics ____ like ____ or ____ in ____ physical ____ ?
 Is it ____ fingerprints ____ into ____ physical office?
 ____ it possible ____ integrate ____ time clock ____ other devices ____ ?

_____ you _____ to integrate _____ the biometrics, _____ fingerprints _____ time _____?
 Is it possible _____ time clock, fingerprints _____ devices _____ offices?
 _____ compatible with the Biometrics _____ fingerprints or _____ utilized _____ physical location?
 _____ can use biometrics _____ Time Clocks at our _____?
 Is _____ to _____ a _____ and other devices in _____ offices?
 _____ the _____ clock, fingerprints and other _____ a physical office?
 _____ able to integrate _____ locations and offices through _____ and _____?
 _____ to integrate _____ physical locations _____ fingerprints, and _____ clocks?
 _____ you _____ to integrate with _____ such as a _____ found in _____?
 _____ able _____ integrate _____ Biometrics devices such _____ or clock _____ in _____ physical _____?
 Is it _____ fingerprints, and other devices into _____ physical _____?
 Are _____ integrate _____ physical location _____ fingerprints _____ similar devices?
 _____ able to _____ with the _____ biometrics systems in _____?
 _____ it _____ you support _____ biometric devices, such as _____?
 _____ to _____ with the Biometrics, including _____ scans _____ time clocks in _____?
 Are _____ capable _____ Biometrics devices, such as _____?
 _____ you compatible _____ and biometrics _____ offices.
 Can _____ time _____ fingerprints, _____ other devices _____ in your _____?
 Can _____ time _____ fingerprints, _____ device _____ into a _____ office?
 _____ you _____ to _____ with _____ Biometrics devices such _____ in _____ locations?
 Are you _____ and similar _____ integrate with offices?
 _____ you integrate _____ Biometrics _____ as fingerprints, time clocks, _____?
 _____ integrate with _____ locations through fingerprints, _____ clocks and _____?
 Would it be _____ integrate a _____ fingerprints _____ into a _____ offices?
 _____ way to integrate with time clocks _____ a _____ office?
 Are _____ to _____ with the Biometrics, such as fingerprints _____ at _____?
 Do _____ that fingerprints and _____ are _____ in _____ offices?
 Are you able to integrate with _____ locations by _____?
 Are _____ able _____ integrate _____ Biometrics, including fingerprints, _____ time _____?
 _____ able to integration with _____ devices such _____?
 _____ you _____ integrating _____ devices such _____ fingerprints, _____ clocks, and others used _____?
 Does it _____ devices _____ fingerprints such _____ a _____ clock?
 _____ capable of _____ Biometrics devices such as _____ or _____?
 Are _____ of _____ the _____ devices such _____ fingerprints?
 Is it _____ to integrate _____ fingerprints and _____?
 Is it possible _____ to integrate with _____ such _____ in physical _____?
 _____ you agree with the _____ of time _____ in _____?
 _____ able _____ with the Biometrics _____ in _____ physical location?
 _____ able to _____ office _____ fingerprints and similar devices?
 Are you able _____ integrate through _____?
 _____ time _____ and fingerprints with _____ office technology?
 _____ it possible _____ incorporate fingerprints or _____ offices?
 _____ you able _____ integrate with _____ including _____ clock, in _____ physical?
 Are you _____ and biometrics that _____ used _____ office?
 Do you _____ the ability to _____ with _____ and time _____?
 Is _____ possible _____ technology _____ as time _____ and fingerprints?
 _____ you _____ to _____ the _____ fingerprints and time _____?
 _____ possible to _____ with biometrics like _____ offices?
 Are _____ capable _____ working _____ and _____ at _____ offices?
 _____ to integrate _____ the Biometrics, including _____ or time _____ using a _____?

Are you able _____ integrate _____ fingerprints, _____ clock, and others _____ in physical?
 _____ of integrating with Biometrics _____ like fingerprints, time _____?

Is it possible to integrate _____ devices such as _____?

Is it _____ to _____ biometrics and _____ in _____?

Are _____ able _____ integrate _____ or a clock _____ the _____?

Are _____ with _____ and biometrics _____ are being _____ in _____?

Are you compatible with clock _____ in _____?

Are _____ able to _____ the _____ in _____ locations?

Are _____ to _____ Biometrics, _____ fingerprint scans or time _____ physical?
 _____ agree _____ the _____ of fingerprints and time _____ in _____?
 _____ it _____ offices devices _____ fingerprints _____ a time clock?

Are you _____ or _____ in a physical _____?

Are _____ able to integrate _____ time _____ and more?

Are you able _____ locations _____ using fingerprints, _____ clocks, _____?

Is it possible to _____ Biometrics?

_____ you _____ to _____ fingerprints _____ similar _____ to _____ your offices?
 _____ possible _____ time clock, _____ and _____ devices _____ an office?

Do you agree with integrating _____ clocks _____?

Is _____ a time clock, _____ and _____ into a _____ office?

Are you _____ integrate _____ locations _____ clocks, and other technologies?
 _____ it _____ to _____ Time _____ with office locations?
 _____ and _____ be integrated into your physical _____?
 _____ you _____ use the Biometrics devices such _____ time clocks _____?

Is _____ possible _____ use _____ time clock, fingerprints, _____ your offices?

Is _____ possible to integrate with _____ and _____ fingerprints, _____ clocks _____?

Are _____ capable _____ integrating _____ including fingerprints _____ time clocks?
 _____ our office _____ do you offer _____ for time _____?

Are _____ to _____ such as fingerprints into _____ world?

Are _____ integrate _____ locations using _____ time clocks, _____ biometrics?
 _____ you able to _____ physical _____ via fingerprints _____ similar devices?

Are you _____ to _____ with fingerprints, time _____ and other _____?

Can you _____ in offices?

Is it possible to have _____ other _____ office?

Are you _____ the _____ clock, fingerprints, and biometrics _____ our offices?

Are you _____ to _____ time clock, _____ other devices in _____?
 _____ possible for you _____ with the Biometrics, _____ or _____?

Are _____ able to integrate with _____ Biometrics _____ time _____ and _____?
 _____ to _____ fingerprints and other devices in office?
 _____ you able to _____ fingerprints, _____ integrate with physical _____?

Are you capable _____ using _____ Biometrics _____ time clocks and _____?

Is _____ the Biometrics, including fingerprints _____ time clocks?

Is _____ ability to _____ including _____ or time clocks?

Will it be _____ time clock, _____ and other devices _____ a _____?
 _____ you able to _____ with offices and _____ locations _____ clocks, _____ methods?

Is it possible _____ fingerprints, _____ other _____ in your _____?

Are _____ of _____ the _____ including fingerprints _____ time _____ a _____ way?

Does _____ possible to integrate with _____ such _____ a time clock?

Do _____ the use of _____ and _____ clocks _____ premises?

Are you _____ fingerprints, time _____ others _____ in _____ with the _____?

Are _____ able to _____ the _____ such as fingerprints _____?

Is ____ possible ____ integrate a ____ office ____ such as time ____ ____ ____?
____ possible to integrate ____ the ____ fingerprint scans?
Are ____ to integrate with ____ fingerprints or ____?
Are ____ integrate the Biometrics ____ used in ____?
____ it ____ clock, fingerprints, ____ other devices into ____ physical office?
Does it possible ____ with ____ offices devices with ____ ____ ____?
____ a way ____ integrate with physical ____ and offices through ____ ____ ____?
____ have the ____ to integrate with ____ Biometrics, ____ fingerprints ____ clock?
____ you have ____ integrate with the Biometrics, ____ fingerprints or ____?
____ capable of integrating ____ Biometrics ____ like fingerprints?
Are you ____ integrating the ____ such as ____ the physical world?
____ it possible to ____ or ____ offices?
____ you able ____ integrate ____ locations ____ offices ____ fingerprints ____ other things?
Is ____ possible ____ integrate biometrics ____ fingerprints ____ into ____?
____ use the Biometrics devices such ____ clocks, and more?
Are ____ to integrate ____ clock used ____ the ____ world with the ____?
____ able ____ devices ____ as fingerprints, time clocks and ____?
____ you ____ with the ____ including fingerprint scans or time ____ well ____?
Are you ____ to integrate with physical locations ____ ____ ____?
____ you capable ____ Biometrics, ____ as ____ scans and time clocks?
____ it possible ____ fingerprints ____ other devices in a ____ offices?
____ possible to ____ Clocks and ____ in our ____ locations?
____ compatible ____ the clock and biometrics ____ are ____ the offices?
____ compatible with ____ and biometrics being used ____ office
Is ____ possible ____ us to integrate ____ in ____ office premises?
Are ____ able ____ Biometrics devices such as ____ clock?
Is ____ integrate fingerprints, time ____ and other devices ____?
Are ____ able to ____ as fingerprints ____ clock in the ____?
Are you able ____ with the Biometrics, ____ as time ____ the ____?
____ you to ____ biometric devices, ____ fingerprints or time clocks?
____ that ____ could integrate Time Clocks ____ into our ____ business?
Do ____ fingerprints ____ clocks are integrated into office ____?
Is ____ to ____ office technology such ____ time clock ____
____ you able ____ integrate fingerprints ____ with the ____ world?
____ you able to integrate the ____ clock, ____ others?
____ you ____ use time ____ systems in ____ with your ____?
Are you ____ of ____ with ____ clock ____ Biometrics ____ office?
____ to integrate ____ and fingerprints with physical ____.
____ you capable ____ with the Biometrics, ____ scans or ____?
____ to ____ with the clock ____ Biometrics systems that ____ our ____?
Do ____ idea ____ integrating fingerprints ____ time clocks ____ our premises?
____ you put ____ and fingerprints ____ the physical ____?
____ it ____ or time-clocks into a physical ____?
Do ____ to ____ time clocks and fingerprints in ____?
Do you agree ____ fingerprints ____ can be integrated in ____?
____ integrate with physical locations and ____ and ____ devices?
Are ____ to integrate ____ physical offices through ____ other ____?
Is ____ devices with fingerprints such as a ____?
____ you ____ Biometrics devices ____ as fingerprints, time ____ more?
Is ____ you ____ and Biometrics into your ____ locations?

_____ able to work _____ Biometrics _____ our offices?

Do you know _____ to use _____ fingerprints, _____ offices?

_____ able _____ Biometrics devices like _____ or clock in the _____?

_____ to integrate _____ via fingerprints and other _____?

_____ integration _____ such as fingerprints in our offices?

Are _____ able to _____ the _____ such as _____ time clocks, _____?

_____ it possible to _____ biometrics and _____ Clocks _____ office _____?

Is it _____ integrate _____ clock, _____ and _____ devices within an _____?

_____ you _____ to integrate with fingerprint _____?

Is it _____ to _____ the _____ clocks, _____ technology at _____?

Are you capable _____ integrating _____ devices such _____?

Are you able to _____ with _____ using _____ devices?

Are you _____ to integrate _____ Biometrics _____ like _____ clock _____ physical _____?

Is _____ to integrate with _____ devices such as _____ or _____?

_____ integrate with _____ like time clocks and _____ offices?

_____ able _____ with _____ by using _____ time clocks and biometrics?

Are _____ useclock _____ the office?

Are _____ integrate with _____ devices of _____ or clock?

Are you able to integrate with _____ Biometrics _____?

Is _____ fingerprints or time-clocks _____ offices?

Are _____ of _____ the time clocks, fingerprints, _____ we use _____ offices?

Are _____ integrate _____ offices _____ physical locations using fingerprints and _____?

Is it _____ you to work _____ and _____ in our _____?

Are you able _____ the clock _____ Biometrics _____ office?

Is it _____ to integrate _____ the Biometrics, including fingerprints _____ at _____?

Do _____ ability to integrate _____ the physical world?

Are you able _____ locations _____ offices with fingerprints, _____ andbiometrics?

_____ able _____ with _____ locations and _____ through fingerprints, time clocks, _____ other _____?

_____ you able _____ integrate _____ the Biometrics _____ include fingerprints, time _____?

_____ physical office technology _____ as _____ clock and _____ integrated _____?

_____ you able _____ integrate with _____ biometrics, such as _____?

_____ it possible that _____ Clocks _____ Biometrics in _____ locations?

_____ you able to _____ with physical _____ fingerprints, time _____ things?

_____ to _____ the Biometrics _____ fingerprints or clock into _____ physical locations?

_____ it possible _____ a time _____ and other _____ your offices?

_____ you capable of _____ fingerprints and time clocks?

Is _____ possible to _____ fingerprints _____ time clock _____ physical _____?

Is there a _____ to _____ with _____ locations _____ offices _____ things?

_____ capable _____ with physical locations through fingerprints, time _____ things?

Are _____ Biometrics such as fingerprints _____ clock?

Do _____ agree with _____ integration _____ devices into the _____?

_____ it possible to _____ bio devices/fingerprint _____ clocks?

Are _____ with the Biometrics, _____ or time _____ in physical locations?

Is _____ a way _____ integrate a _____ clock, fingerprints _____ your _____?

Are _____ able _____ work _____ at the _____?

Can _____ fingerprints and _____ be integrated _____ offices?

_____ it _____ to _____ a _____ and other devices in the _____?

Do _____ ability _____ integrate fingerprints _____ time _____ physical offices?

Are _____ with _____ like fingerprints or clock _____ a _____ location?

_____ you capable _____ integrating with _____ including _____ or _____ clocks?

_____ you agree _____ and _____ integrated _____ our office premises?
_____ there _____ to integrate fingerprints _____ clocks in physical _____?
_____ it possible to _____ Biometrics, including _____ in physical _____?
_____ you able _____ Biometrics devices like fingerprints or clock _____?
_____ possible to integrate with _____ fingerprints _____ as _____ clocks?
Are _____ to use _____ and Biometrics _____ office?
Is _____ to integrate a _____ and other _____ in _____ office.
_____ you in _____ of _____ clocks into our premises?
_____ it _____ to _____ and _____ devices into _____ physical offices?
Are you able to _____ the _____ biometrics _____ the _____?
Are _____ to integrate _____ physical locations _____ fingerprints _____ other _____?
_____ capable of integrating with the _____ including fingerprints _____ time _____ typically _____ physical _____?
Is _____ to _____ with _____ variety of devices, _____ fingerprints _____ time clocks?
Is _____ possible _____ integrate your time _____ devices in _____ office?
_____ you _____ to integrate _____ physical locations _____ fingerprints, _____ clocks, _____ devices?
_____ use fingerprints and _____ in a _____ office?
_____ possible to use fingerprints _____ clocks _____ the physical _____?
_____ to integrate _____ Biometrics, including fingerprint scans or _____ you typically _____ physical?
_____ time _____ fingerprints, _____ other _____ be integrated in _____?
_____ you _____ to integrate with physical _____ fingerprints, _____ and other _____?
Are _____ able _____ devices _____ fingerprints and clock _____ the physical _____?
_____ you have the _____ to integrate _____ the Biometrics, _____?
Are _____ able _____ with the _____ including _____ or time clocks, at _____?
Are you _____ to _____ the Biometrics _____?
Are you able _____ with physical locations _____ offices _____ things?
Do _____ with the _____ of fingerprints _____ clocks?
_____ you able to integrate _____ Biometrics, _____ or time _____?
Are you _____ of integrating the Biometrics _____ fingerprints, _____ clocks _____?
_____ it possible to _____ bio- _____ readers _____ time clocks?
Is it _____ to _____ clock, and other devices _____ a _____?
Is _____ possible _____ you _____ integrate with the _____ fingerprints _____ clocks?
_____ to integration with the Biometrics devices _____ as _____?
Can you have _____ clocks _____ physical _____?
_____ possible for _____ to integrate _____ or _____ used _____ physical location?
Are _____ to _____ with _____ Biometrics, including fingerprints, _____ time _____?
_____ to integrate _____ the _____ such as fingerprint _____ or _____ clocks, _____ physical?
Do you _____ integration for time clocks and _____?
_____ it be possible _____ integrate _____ clock, _____ other devices _____ an _____?
Are _____ to _____ and others with the _____ devices?
_____ compatible _____ and biometrics that _____ being used _____ the _____?
Are _____ to integrate with Biometrics _____ clock _____ the physical _____?
Is _____ integrate TimeClocks and _____ office locations?
Are _____ and biometrics _____ the office?
_____ able to integrate with _____ time clocks?
Is _____ possible _____ integrate _____ office time tracking?
_____ able _____ the Biometrics _____ like _____ or clock into a _____?
Could _____ time _____ and other devices _____ your office?
Is _____ to _____ tracking with biometrics?
_____ able to _____ with the _____ offices through fingerprints _____?
Can _____ integrate _____ the Biometrics devices _____ fingerprints _____ time _____?

_____ you _____ to _____ with _____ and physical locations through _____ similar _____?
 Do _____ support integration _____ and time clock _____?
 Are _____ integrating with the Biometrics _____ that _____ in _____ physical _____?
 Is there _____ a _____ clock, _____ and other _____ an office?
 Is _____ possible to integrate _____ office technology _____ a time _____.
 Is it _____ to integrate with the _____ time _____?
 Are _____ of _____ fingerprints _____ a _____ into the _____ world?
 _____ possible to _____ fingerprints, _____ time clock, and _____ in _____?
 _____ there _____ way to _____ locations _____ offices through fingerprints and _____?
 Do you have _____ to integrate _____ the _____ including _____ time _____ a _____ location?
 Is it _____ align _____ bio- _____ readers with _____ time _____?
 Are you _____ to _____ with Biometrics _____ time clocks?
 Are _____ of _____ Biometrics devices such _____ or clock used _____ the physical _____?
 Is _____ integrate _____ time clock, fingerprints and other _____ your _____
 _____ it possible to align _____ time clocks?
 Are you able _____ Biometrics _____ in our offices?
 Are you able _____ integrate with the Biometrics _____?
 Are _____ to integrate _____ devices such as fingerprints _____ the _____ locations?
 _____ you able to _____ and _____ the offices?
 Do _____ that use fingerprints?
 _____ of integration _____ fingerprints and _____ into our premises?
 _____ you _____ to use _____ and Biometrics _____ workplace?
 _____ you able _____ clock with the physical _____?
 _____ you _____ to integrate with _____ locations _____ through fingerprints _____ other _____?
 Are _____ compatible with _____ and biometrics employed _____?
 _____ it _____ for a time _____ and other devices _____ into _____ offices?
 Are you able to _____ fingerprints _____ clock _____ the _____ location _____ devices?
 Are _____ with _____ integrate _____ time _____ and Biometrics we use inside _____?
 _____ capable _____ integrating _____ the Biometrics _____ fingerprints?
 _____ integrate _____ the _____ including fingerprints or timeclocks, _____ physical?
 Are _____ able to _____ with _____ such _____ and time clocks?
 _____ with clock _____ used at the _____?
 _____ it possible _____ integrate Time _____ and Biometrics _____ office _____?
 Are _____ with physical locations _____ offices _____ fingerprints, _____ clocks, and other _____?
 _____ agree that fingerprints _____ time _____ in our offices?
 Is _____ possible to integrate a _____ clock _____ offices?
 Are you _____ integrate _____ offices _____ the _____ fingerprints and _____ devices?
 Are you able to _____ such _____ time _____ and others?
 _____ you _____ to _____ with _____ fingerprints or similar _____?
 _____ you able to _____ fingerprint _____?
 Is _____ to _____ our _____ readers, office _____ clocks?
 Do you _____ integration _____ devices _____ use _____ a time _____?
 _____ you capable of integrating with the _____ location?
 Is it possible to integrate with the _____ fingerprints _____ time _____?
 _____ you _____ to integrate _____ devices such _____ fingerprints _____ the physical _____?
 _____ how to _____ the _____ and technology at our _____?
 Are _____ of integrating _____ the _____ as _____ or time _____ in physical _____?
 _____ you accept the _____ and time _____ our premises?
 _____ it _____ to _____ devices that have _____ or _____ clocks?
 Do _____ know _____ you can integrate _____ the _____ including _____ clocks?

Do ____ have ____ ability ____ with the Biometrics, ____ use a ____ clock?

Are you able to ____ with ____ devices ____?

Can a ____ other ____ be integrated into ____ physical ____?

____ to integrate a time clock, ____ and other ____ office?

____ it possible to integrate with ____ Biometrics, ____ scans ____ in ____?

____ you compatible with ____ that are ____ in ____?

Is ____ possible ____ use ____ as time clock and ____?

Is it possible to ____ clock and ____ into ____ office?

Are you able to ____ the Biometrics ____ are in ____?

Is ____ possible to ____ time clock, ____ and other ____ office?

Do you have the ability to ____ with ____ in ____?

Are ____ capable ____ integrating ____ the ____ location's ____ devices?

Are ____ capable ____ integrating ____ including fingerprints ____ timeclocks?

Is it ____ office ____ including ____ clock and fingerprints?

Are ____ able to ____ clock with the ____?

____ you ____ time ____ fingerprints in ____ offices?

____ you ____ the ability ____ through fingerprints and similar ____?

____ possible for ____ to ____ with ____ number ____ time clocks and fingerprints?

Is ____ a ____ to ____ fingerprints, ____ clocks and ____ devices ____ your ____?

Is ____ possible ____ provide integration ____ Clocks and ____?

Are ____ aware of how to integrate ____ time ____ within ____?

____ you able to ____ the ____ such as ____ time ____ others.

Are ____ capable ____ with the biometrics devices ____ fingerprints ____?

Is it ____ for ____ integrate Time Clocks ____ our ____ business?

____ it ____ to ____ time ____ fingerprints or other device ____ an ____?

Are you able ____ Biometrics at ____ offices?

____ possible ____ a ____ clock, ____ gadgets in a physical office?

Is it ____ physical office ____ including ____ and fingerprints?

Is it possible to ____ time ____ offices?

Are ____ capable of integrating ____ Biometrics, including fingerprint ____ or ____ clocks, ____.

____ it ____ to ____ the ____ including ____ scans ____ time clocks, with physical?

Are you able to ____ devices ____ a physical ____?

Is ____ possible ____ integrate ____ the ____ scans and ____ in physical locations?

Do ____ agree ____ integrating fingerprints ____ other electronic ____ premises?

____ able to integrate with the ____ clocks found ____ physical locations?

Is ____ the Biometrics devices such as fingerprints ____ clock ____ the ____?

____ able to integrate a time ____ and ____ into my ____?

Are you ____ to ____ locations ____ offices ____ and other things?

____ able to ____ the Biometrics ____ with physical ____?

Are you able ____ physical locations and offices ____ fingerprints, ____ devices?

Is ____ possible ____ you ____ fingerprints or ____ utilized in ____ location?

____ it ____ to integrate a time ____ devices into your ____?

____ possible ____ a time ____ and ____ to be ____ into a ____ office?

____ possible ____ a time ____ and ____ devices to ____ into a ____ offices?

Are ____ to integrate ____ fingerprint scans or time clocks, in ____?

Can ____ office ____ as time ____ be integrated?

Are ____ of integrating ____ devices such as fingerprints, ____ more?

____ it ____ physical offices devices ____ or time clock?

Is it ____ to put ____ and ____ into ____?

Are you able to ____ with ____ through ____ or ____?

Would _____ possible _____ physical offices _____ fingerprints _____ time clocks?
 _____ time clocks and _____ in _____ offices?
 _____ it _____ for you to _____ such as fingerprints _____ clocks?
 Are _____ of integrating with _____ Biometrics devices _____ objects?
 Can a _____ clock, fingerprints, and other _____ physical _____?
 _____ capable of integrating _____ a _____ in a _____ location?
 _____ you able _____ with the Biometrics _____ like _____ clocks _____ more?
 _____ it possible for _____ integrate with the likes of _____?
 _____ you able _____ work _____ the _____ biometrics in _____ offices?
 Are you _____ integrate _____ offices _____ through fingerprints _____ other _____?
 _____ you _____ fingerprints _____ clock with the physical _____?
 _____ you able to integrate _____ or _____ utilized _____ physical _____?
 Is _____ to _____ fingerprints and _____ devices _____ your _____?
 Is _____ possible to _____ bio- devices, fingerprint _____ and _____ clocks?
 _____ able _____ integrate with physical locations with _____ of fingerprints, time _____?
 _____ fingerprints and other devices _____ a physical office?
 Is it possible for _____ integrate fingerprints _____ with _____?
 Is it _____ integrate time _____ other devices into _____?
 _____ it _____ to _____ clocks into physical offices?
 _____ you integrating _____ Biometrics _____ time _____?
 Is it possible _____ integrate _____ and other devices _____?
 _____ capable of _____ the Biometrics _____ are in a physical _____?
 _____ you able to integrate with _____ Biometrics devices _____ and _____?
 _____ you _____ to _____ the clock _____ in the _____?
 _____ you _____ to _____ Biometrics devices like _____ clocks _____ others?
 Is it possible _____ and other devices in _____?
 Are you _____ and biometrics _____ at the office?
 Are _____ devices such _____ fingerprints or clock _____ in _____ physical locations?
 _____ with _____ integration of fingerprints and _____ our premises?
 Do _____ have the ability _____ the _____ fingerprints or timeclocks found _____?
 Is _____ possible _____ integrate _____ Biometrics _____ such as fingerprints or _____ in a _____ location?
 _____ able to integrate the _____ as fingerprints or clock _____ the _____?
 _____ possible to integrate _____ the _____ fingerprints, and _____ clocks, in _____?
 Is _____ a way to _____ and _____ physical offices?
 Can _____ with _____ Biometrics _____ as fingerprints?
 _____ possible _____ with physical _____ devices with _____ or time _____?
 Are you able _____ the Biometrics _____ fingerprints _____ clocks?
 _____ able to integrate Biometrics devices _____ as _____ time clocks, and _____?
 Is _____ possible to integrate _____ devices _____ fingerprints _____ a time clock?
 Can _____ time clock, fingerprints, _____ integrated into your _____?
 _____ have the ability to _____ physical locations _____ other things?
 Is _____ possible _____ to _____ with the _____ such as fingerprints or clock _____ the _____?
 _____ it possible to integrate _____ into our _____ with _____?
 Are you compatible with _____ such as fingerprints _____ clock utilized _____?
 _____ capable of integrating the _____ like _____ clock?
 _____ you _____ the ability _____ Biometrics, including fingerprints or _____ physical locations?
 _____ possible _____ to integrate with _____ of _____ fingerprints in physical locations?
 _____ to integrate physical _____ fingerprints, such as _____ time clock?
 _____ of integrating _____ Biometrics _____ as fingerprints or clock?
 Is it _____ with physical locations and offices _____ fingerprints, _____ biometrics?

_____ able _____ integrate the _____ or _____ utilized in the _____ ?
 _____ integration _____ that use fingerprints, such _____ time clocks?
 _____ able to _____ with _____ physical _____ by _____ fingerprints and other _____ ?
 _____ able _____ integrate _____ the _____ devices _____ fingerprints, time clocks, and _____ ?
 Are _____ able _____ integrate _____ clock systems with _____ biometric _____ ?
 _____ it possible to _____ the Time _____ and _____ office _____ ?
 Are you _____ work _____ clock _____ biometrics used _____ our _____ ?
 Are you able _____ Biometrics, _____ and time _____ ?
 Is it possible for _____ Clocks _____ our offices?
 Are _____ with clock _____ that _____ being used _____ the _____ .
 Are _____ to _____ with physical offices through _____ other _____ ?
 Are _____ able _____ use fingerprints or similar _____ to _____ with _____ ?
 _____ have _____ ability _____ with _____ through fingerprints and _____ things?
 Are _____ able to _____ with the fingerprints _____ clock used _____ ?
 Is it _____ time _____ and other devices in an _____ ?
 _____ you _____ with the Biometrics _____ time clocks and more?
 _____ you know how to _____ fingerprints, and _____ inside _____ ?
 _____ possible to _____ time clock, fingerprints _____ other _____ your _____ ?
 Are _____ of _____ to _____ the _____ clock, fingerprints, and _____ of our _____ ?
 Are you _____ to _____ with the _____ include fingerprints _____ ?
 Are _____ able to _____ with _____ at the office?
 _____ you agree _____ time clocks and _____ into _____ ?
 _____ to _____ with _____ Biometrics devices such _____ fingerprints, _____ clocks and more?
 Is it _____ including fingerprints or time _____ into _____ ?
 Are you able _____ other _____ devices?
 Would _____ possible to _____ clock, fingerprints and other _____ office?
 Would _____ to _____ time _____ fingerprints and _____ devices in _____ offices?
 Do _____ have _____ to _____ with _____ Biometrics, _____ scans or time _____ ?
 Are you _____ through fingerprints and _____ clock?
 _____ you _____ to integrate _____ fingerprints _____ similar devices?
 _____ you _____ integration with _____ including fingerprints?
 Do _____ have _____ with the _____ including fingerprints or time _____ ?
 _____ a way _____ integrate physical _____ technology _____ and fingerprints?
 Are _____ to use the _____ and _____ offices?
 _____ it possible to _____ fingerprints _____ other devices in an _____ ?
 _____ you capable of _____ with Biometrics, _____ and _____ ?
 _____ you capable _____ integrating _____ biometrics _____ as _____ clocks and more?
 _____ possible _____ put fingerprints and _____ offices?
 Is _____ possible _____ with _____ devices with fingerprints _____ clock?
 Are _____ how _____ integrate time clocks, fingerprints _____ biometrics in _____ ?
 _____ to integrate _____ locations through fingerprints _____ similar devices?
 _____ able to integrate with _____ through fingerprints, _____ and Biometrics?
 Are _____ to _____ Biometrics _____ such as _____ time clocks and _____ ?
 Do you _____ integrate with the Biometrics, _____ fingerprints _____ ?
 Are _____ able _____ the Biometrics, _____ fingerprints _____ time clocks, _____ physical?
 _____ you _____ with the integration of _____ into _____ offices?
 _____ you _____ integration _____ that use fingerprints?
 _____ possible to _____ with _____ clock _____ systems _____ the office?
 Do you support _____ such as fingerprints, _____ premises?
 _____ it possible _____ physical _____ like fingerprints or _____ clocks?

Is it ____ to ____ Biometrics, including ____ clock?
 ____ it ____ work with clock ____ biometrics ____ the ____?
 Does it ____ to integrate ____ with fingerprints and ____ clocks?
 Is it possible ____ and ____ at the ____?
 Are you able ____ Biometrics devices like ____ or clock ____ world?
 ____ fingerprints, and other devices be integrated into ____?
 Is ____ possible ____ Time Clocks ____ Biometrics into your ____?
 Will it be ____ integrate ____ such as ____ clock ____ fingerprints?
 ____ it be possible ____ integrate ____ time-clocks into ____?
 Are you in ____ time clocks into ____ offices?
 Do ____ with time ____ and ____ devices used in ____?
 ____ the ability to ____ or clock ____ physical location?
 Do you agree ____ time clocks ____ our premises?
 Is it possible ____ you can ____ Biometrics, ____ fingerprints ____ time ____?
 ____ might be able ____ integrate a ____ clock, ____ other ____ your ____.
 Do ____ have the ability ____ integrate ____ like ____ in a ____ location?
 Is ____ a way ____ put ____ clocks ____ in ____ offices?
 Are ____ able ____ integrate ____ Biometrics with ____ time ____?
 Do ____ integration ____ and timeclocks in ____ offices?
 ____ you capable ____ integrating ____ devices such as ____ clock ____ physical ____?
 ____ you agree ____ integrating ____ and ____ into our ____?
 Is ____ possible ____ integrate ____ and Biometrics ____ at office ____?
 ____ you ____ with the Biometrics devices such as fingerprints or ____ physical ____?
 Are you ____ the ____ devices like ____ time ____ others?
 ____ put ____ time clock, ____ and other devices in ____?
 Are ____ able to ____ such as time ____ fingerprints?
 ____ you compatible ____ the offices?
 ____ you ____ integrate with Biometrics ____ or clock in ____ physical location?
 ____ integrating with the Biometrics, such ____ in physical locations?
 Can ____ put ____ and ____ work places?
 ____ devices such as ____ or clock in a ____ location?
 Are ____ to integrate the ____ fingerprints ____ clock ____ the physical location?
 ____ able to integrate ____ Biometrics ____ such as ____ clocks, and ____?
 Is ____ possible ____ fingerprints and ____ into our office ____?
 ____ you able to ____ the Biometrics ____ clock ____ the physical locations?
 Do ____ with the ____ of ____ clocks in our ____?
 Can ____ and ____ devices be integrated into ____?
 Do ____ support ____ and ____ clocks into our ____?
 Is ____ possible to ____ a time clock, ____ and ____ your ____?
 Are ____ to ____ as fingerprints or clock in the physical ____?
 ____ you ____ integration of ____ time clocks ____ offices?
 ____ capable ____ fingerprints ____ a clock in the physical ____?
 ____ combine ____ time clock, fingerprints ____ devices in a physical ____?
 ____ you able ____ with ____ a time clock ____ fingerprints?
 ____ aware of how ____ the time clocks, ____ use into ____ offices?
 ____ able to ____ device ____ fingerprints ____ clock in ____ physical location?
 Is ____ to integrate ____ clocks and ____ in ____.
 ____ you able ____ with Biometrics ____ fingerprints ____ clocks?
 ____ compatible with clock ____ offices?
 Is ____ possible to ____ the ____ Biometrics in office ____?

_____ to _____ a time clock, fingerprints _____ devices into a physical _____?

_____ to integrate _____ clock, fingerprints _____ other _____ a physical office.

_____ you _____ to _____ with _____ Biometrics, including _____ time _____ found in physical _____?

Are _____ able _____ the Biometrics, including fingerprints _____ scales?

_____ you able to _____ for _____ Clocks and Biometrics at _____?

Are you _____ integrate with _____ physical _____ offices using fingerprints _____?

Is _____ to _____ with the clock _____ biometrics _____ our _____?

Are _____ able _____ locations _____ fingerprints and other _____?

_____ compatible _____ the clock and _____ being used _____ offices?

Are _____ able to _____ with the Biometrics, _____ or _____ in _____ locations?

_____ you able to _____ as fingerprints _____ time clocks?

_____ it _____ to integrate fingerprints _____ into offices?

_____ it possible to work with the _____ and _____?

_____ for _____ to _____ with _____ such as time _____ and fingerprints?

Are _____ integrate the _____ fingerprint scans or time _____?

_____ it _____ to _____ with _____ Biometrics, _____ or time clocks, at a _____?

_____ it possible _____ integrate _____ Biometrics, _____ fingerprints _____ found in physical _____?

_____ it _____ to use _____ in Offices?

Is _____ possible _____ physical offices _____ with _____ or _____?

_____ it possible to use _____ time _____ fingerprints in _____?

_____ you have the _____ integrate _____ physical _____ and _____ and other things?

_____ you familiar _____ how to _____ fingerprints, and _____ in our _____?

_____ to integrate physical offices _____ with fingerprints _____ as _____ clock?

Do _____ options to connect _____ technology _____ offices?

_____ you _____ with _____ Biometrics, including fingerprints, _____ use a _____ clock?

Do you have _____ ability _____ with _____ in the physical _____?

Do you _____ fingerprints and time _____ into _____?

_____ the _____ integrate with _____ variety of devices, _____ fingerprints and time _____?

_____ able _____ integrate _____ Biometrics, such _____ fingerprints _____ time _____ at _____ locations?

_____ to _____ Time Clocks and Biometrics used _____ the _____?

Can time clock, _____ be _____ into a physical _____?

Are you _____ integrate _____ the Biometrics, including fingerprints _____ typically use _____.

_____ possible _____ Clocks and _____ in our offices?

_____ you _____ integrate with _____ Biometrics, _____ time clocks _____ fingerprints, found in _____?

_____ you able _____ work with _____ clock _____ Biometrics _____ in _____?

_____ you able _____ with _____ fingerprints, time clocks, and _____?

_____ you integrate the _____ such as fingerprints, _____ used in _____?

Do you _____ integrate _____ clocks, fingerprints, and Biometrics _____ our _____?

Can fingerprints, _____ time _____ other _____ be integrated into _____?

Do you _____ it's possible to _____ time clock, _____ other _____ offices?

_____ able _____ integrate with _____ Biometrics, including fingerprints, _____ time clocks, _____?

Is it possible to _____ devices in your office?

Is _____ integrate a time clock, _____ other _____ a physical _____?

Is _____ with fingerprints _____ time _____ in offices?

_____ you _____ of _____ Biometrics such as _____ time clocks _____?

Are _____ to integrate with _____ devices used _____?

Are _____ integrating with _____ in physical locations?

_____ you _____ and fingerprints in _____?

_____ it possible _____ use a time clock, fingerprints and _____?

_____ agree with _____ of _____ and time clocks in _____ offices?

Is it possible _____ integrate _____ for _____ the _____?

Are _____ able to _____ the _____ with _____ and _____?

_____ integrate the Biometrics devices _____ into _____ physical location?

Is _____ possible that you are _____ the clock _____ in _____?

_____ it _____ physical offices _____ fingerprints and time clocks?

Are _____ with _____ Biometrics devices _____ time clocks, _____ more?

_____ in _____ of integration with certain _____ such _____ time _____ and _____?

_____ you _____ to _____ with the _____ such as fingerprints or _____ physical _____?

_____ you aware _____ integrate the _____ clock, _____ and _____ use inside our _____?

_____ be possible to _____ devices into offices?

_____ compatible with the clock and _____ office?

Do you agree with the integration _____ offices?

Do you _____ with _____ of fingerprints _____ clock into _____?

Are you able to _____ Biometrics device such _____ more?

_____ you able _____ integrate with the _____ the physical _____?

Is _____ possible to place _____ fingerprints and other _____ office?

_____ to _____ Time _____ Biometrics used at _____ office locations?

Is it _____ to _____ as a time clock and _____?

Are _____ of integrating with _____ Biometrics _____ fingerprints _____ utilized in the _____?

_____ with integrating fingerprints _____ clocks in offices?

Can you integration a time _____ other _____ into _____?

_____ it possible to _____ our _____ readers/office _____?

Do you _____ the ability to _____ devices _____ or clock?

_____ possible to integrate _____ clock, fingerprints _____ other items _____ a _____?

Is _____ to incorporate fingerprints _____ into physical _____?

Is it _____ to incorporate _____ office technology _____ clock _____?

_____ to integrate _____ clock, fingerprints and other devices into _____ offices?

Are you _____ using _____ such as _____ in a physical _____?

_____ to integrate with _____?

_____ think it's _____ to integrate a _____ and other _____ in _____ offices?

_____ able _____ integrate with _____ used in Biometrics?

_____ you _____ to integrate with the _____ a _____ location?

Are you _____ integration of fingerprints and _____ premises?

_____ include a _____ clock, fingerprints and other _____ in _____ physical _____?

_____ possible _____ incorporate _____ fingerprints, and other devices into an _____?

Is it possible _____ time _____ fingerprints and other _____ offices?

Are you _____ with the Biometrics, _____ include _____ clocks?

Is it _____ fingerprints and other devices at _____ office?

Can _____ with _____ devices like fingerprints, time clock _____?

Are _____ integrate time _____ fingerprints _____ devices in _____ office?

_____ it _____ office technology, _____ as fingerprints and _____ clock?

_____ it possible for _____ to _____ with _____ including _____ and _____ clocks?

_____ of integrating with the _____ used in the physical _____?

Is it _____ to _____ a time _____ fingerprints _____ devices _____ the _____?

Is it _____ integration fingerprints _____ other _____ into _____?

Are you able _____ use the _____ biometrics _____?

Do _____ have _____ ability _____ the _____ devices _____ as fingerprints _____ the physical location?

Are you able to integrate with _____ things _____ fingerprints _____?

_____ able to integrate _____ physical locations _____ using fingerprints, _____ biometrics?

_____ capable of _____ with the devices used _____?

____ it ____ to sync ____ time clocks?
 Is it ____ integrate ____ fingerprints, and ____ devices into ____ ?
 Are ____ Biometrics, including fingerprints?
 Is it ____ to integrate with ____ have fingerprints ____ clocks?
 Are you ____ to ____ with ____ offices ____ fingerprints ____ other ____ ?
 Could ____ time ____ and other devices ____ integrated ____ offices?
 Are ____ how to integrate ____ clock, ____ in our offices?
 ____ to integrate ____ Biometrics, including fingerprint scans or ____ ?
 ____ it ____ to use physical office ____ like fingerprints ____ ?
 Is ____ to ____ with the physical ____ and ____ other things?
 Is it possible to ____ biometrics ____ locations?
 ____ you ____ to ____ with the biometrics ____ such ____ fingerprints, ____ clocks, ____ ?
 Are you ____ Biometrics devices ____ as ____ ?
 Does it ____ time ____ fingerprints and other ____ into your ____ ?
 ____ integrating fingerprints and ____ into our premises?
 Are you ____ with ____ locations ____ offices by ____ and other ____ ?
 ____ to ____ clocks and fingerprints in offices?
 ____ it ____ integrate ____ Clocks and Biometrics using ____ locations?
 ____ there ____ way to integrate ____ clocks, and other devices ____ ?
 ____ it ____ the Biometrics devices ____ fingerprints or clock ____ physical location?
 Are ____ able to integrate ____ a ____ the Biometrics ____ ?
 Is it possible ____ put ____ time ____ other ____ into ____ ?
 ____ you ____ clock into the physical world?
 ____ to ____ with the Biometrics ____ such as ____ or ____ ?
 Are you ____ things to ____ with physical locations ____ offices?
 Are you ____ favor ____ integration ____ such as fingerprints ____ ?
 Are ____ integrate with ____ Biometrics, including fingerprints, ____ physical ____ ?
 Is it ____ to integrate ____ time ____ fingerprints ____ devices?
 Is it ____ to ____ with clock ____ systems in ____ ?
 Is it ____ to integrate with ____ that ____ fingerprints ____ ?
 ____ to ____ physical offices devices with fingerprints ____ clocks?
 ____ to ____ with physical ____ through fingerprints, timeclocks ____ things?
 Are ____ able to ____ with a ____ of ____ including ____ time ____ ?
 ____ you have ____ ability ____ integrate with ____ variety of ____ time ____ fingerprints?
 Is ____ office technology like ____ time clock?
 Are ____ of integrating ____ Biometrics, like ____ time clocks, ____ in ____ locations?
 Are ____ integrate with ____ Biometrics devices like fingerprints, ____ others?
 Is ____ a way to ____ office technology ____ and ____ ?
 Is ____ you ____ integrate Time ____ Biometrics ____ our office locations?
 ____ possible ____ integrate fingerprints, fingerprints, and other devices ____ ?
 Do ____ how to ____ fingerprints, ____ technology ____ our offices?
 Are you able ____ integrate ____ physical ____ timeclocks, and biometrics?
 ____ able to ____ physical ____ with fingerprints and similar devices?
 ____ you able to ____ used in the physical ____ ?
 ____ to ____ with the Biometrics, ____ timeclocks and fingerprints ____ physical ____ ?
 Is ____ possible to ____ readers/office time clocks?
 Is ____ possible to include a ____ clock, ____ your offices?
 ____ it possible to ____ technology such ____ clock and ____ ?
 Do ____ the ____ integrate the Biometrics devices ____ fingerprints ____ clock in the ____ ?
 Are you ____ integrate with the ____ and time ____ ?

_____ you _____ the _____ devices _____ in a physical location?

Are _____ capable of integrating _____ Biometrics devices _____ fingerprints or _____ the _____?

Are you _____ to integrate fingerprints, _____ clocks _____?

_____ possible _____ a time clock, fingerprints _____ in your _____ offices?

Are you capable of _____ as fingerprints _____ time _____?

Do you have _____ to integrate with _____ through fingerprints _____?

Is it _____ to _____ fingerprints _____ into _____ offices?

Are you able to _____ with the _____ such _____ fingerprints or _____ utilized _____?

_____ able to use the clock _____ at the _____?

Are you _____ to _____ with _____ Biometrics devices such _____ time _____?

Is it possible _____ you to integrate _____ Biometrics devices _____ in _____ world?

Is _____ with _____ and biometrics that _____ being used in _____?

_____ you capable of _____ with _____ fingerprints _____ clock, _____ typically _____ a physical.

_____ to _____ a _____ fingerprints and other devices into _____ offices?

Are _____ the clocks _____ used in the _____?

_____ to integrate _____ a _____ location through fingerprints and _____?

_____ time clock, fingerprints _____ other _____ be _____ into a _____?

Do _____ the ability to _____ Biometrics, including fingerprints, or _____?

_____ you _____ fingerprints or other devices _____ your office?

_____ you capable _____ using _____ time _____ and _____ devices?

_____ it possible _____ with office technology, such as _____?

_____ to integrate _____ the _____ including fingerprints or _____ clocks, _____ a physical _____?

Can _____ integrate _____ Biometrics _____ fingerprints _____ clock in _____ physical location?

Are you _____ integrate _____ including _____ scans _____ clock, in physical?

Do you know how to _____ clocks, _____ offices?

Are you able _____ locations and _____ through _____ other devices?

Is it possible _____ use fingerprints and _____?

Are you capable _____ including fingerprints or time _____?

Do you agree _____ clocks _____ integrated into our office _____?

_____ it possible _____ integrate _____ physical _____ fingerprints, time _____ biometrics?

_____ possible to integrate _____ time-clocks _____ a physical _____?

_____ integrate with physical _____ using fingerprints, _____ clocks and _____ things?

Is _____ add a _____ clock, _____ devices to an office?

_____ offer integration for _____ clocks _____ physical _____?

_____ you agree that _____ and _____ are _____ in _____ office _____?

_____ use time _____ and _____ premises, _____ you support _____ with this?

Is _____ possible _____ integrate _____ locations and offices _____ fingerprints, _____ similar devices?

Are _____ integrate Biometrics _____ like fingerprints or clock _____ physical _____?

Do you _____ the _____ to _____ the Biometrics, _____ scans or time _____?

_____ to integrate _____ time clocks and similar _____?

Are _____ with _____ Biometrics devices such as _____ clock _____ in a _____?

_____ work _____ clock and biometrics _____ our offices?

Are you able _____ biometrics devices _____ fingerprints or clock _____?

_____ possible for _____ with time clocks and _____ offices?

Do _____ agree with _____ and time _____ our office _____?

_____ it _____ integrate a time clock, _____ devices into your _____

Are _____ favor of _____ fingerprints _____ our premises?

Are _____ able _____ with physical locations _____ using fingerprints, _____ and fingerprints?

Do _____ support integration with equipment that uses _____?

Are you able _____ physical locations _____ by _____ time clocks, _____?

_____ and time-clocks be integrated _____?

Is _____ possible for you to integrate _____ physical _____ time _____?

Are _____ devices such as _____ or clock in the _____?

_____ there a _____ to integrate _____ other devices in _____?

Is _____ to _____ with the _____ including fingerprints or time _____?

_____ capable of _____ Biometrics devices such _____ or _____ into a physical _____?

Are _____ to integrate _____ physical _____ through _____ or _____ devices?

Are _____ able to _____ offices _____ locations with _____ other _____?

_____ to sync our bio- _____ readers, office _____ clocks?

_____ you _____ with the clock _____ in the office?

_____ you in _____ of _____ and time clocks _____ offices?

_____ possible _____ you _____ integrate with _____ fingerprints and similar _____?

Is it possible to integrate _____ with time _____?

_____ you compatible _____ the clock and biometrics _____?

_____ you _____ to _____ the _____ such _____ time clocks, and others?

_____ of incorporating with _____ Biometrics _____ such as fingerprints, _____ and _____?

Are _____ to _____ with _____ Biometrics at work?

_____ possible to integrate _____ the _____ devices _____ as fingerprints or _____ utilized in _____?

_____ you able _____ integrate with _____ such as _____ time _____?

_____ it _____ to _____ a _____ clock, _____ and other devices _____ offices?

Are you _____ Biometrics _____ like fingerprints _____ clock in _____ physical _____?

_____ you integrate the Biometrics devices _____ as fingerprints, time _____?

Are _____ of _____ integrate the time clocks, _____ and biometrics _____?

Is _____ possible _____ us _____ Time _____ and _____ at our _____ locations?

We use time _____ and fingerprints _____ our office premises, _____?

Are _____ able to _____ the _____ as fingerprints or time clocks, _____?

Is _____ to _____ fingerprints or _____ a physical offices?

Are _____ able _____ with _____ Biometrics, including fingerprint _____?

_____ compatible with _____ Biometrics, _____ and time clocks?

Do you agree that fingerprints _____ be _____ in _____?

Are you _____ to _____ location's Biometrics devices?

Do you _____ of fingerprints and _____ in our _____?

Are you _____ to integrate with _____ fingerprints, time clocks, _____?

_____ you capable of using Biometrics such _____ in a _____?

_____ it possible for you to _____ Biometrics, _____ physical locations?

Is it _____ to _____ and fingerprints _____ offices?

Is it _____ for you _____ integrate _____ and _____ at _____ places _____?

Are _____ to use clock _____ Biometrics _____ offices?

Is _____ to integrate fingerprints _____ time-clocks _____ offices?

Are you _____ integrate _____ the _____ locations through _____ time clocks _____?

Do _____ know how to _____ clocks, _____ and biometrics _____?

Do you _____ the _____ devices such _____ fingerprints in _____?

Do you _____ fingerprints and _____ integrated _____ our office premises?

Are you able to _____ locations with _____ clocks, _____?

_____ possible to integrate _____ like fingerprints _____ time-clocks _____ offices?

_____ we can use _____ Biometrics in our _____ locations?

Is it possible _____ time _____ physical offices?

Are _____ able to _____ Clock and _____ in _____?

_____ the _____ to integrate _____ the Biometrics, such _____ or _____ clocks, _____ physical?

Is _____ possible _____ clock, _____ other devices work in an _____?

_____ you _____ to _____ fingerprints _____ clock _____ the physical locations?

Is it _____ to integrate _____ and other devices _____?

Are you able to integrate _____ such _____ used in physical?

Are _____ able to _____ and offices through _____ and other _____?

Are you _____ the clock and _____ in _____?

Is _____ possible to _____ time _____ and other _____ into your _____?

_____ there _____ way _____ integrate a time clock, _____ other devices _____ office?

Is _____ possible _____ a time clock, _____ in _____ physical office?

_____ you able to _____ Biometrics _____ as fingerprints or _____ location?

_____ it _____ to integrate fingerprints _____ into physical _____?

Are _____ of _____ with the _____ of _____ time clocks?

_____ to _____ the _____ devices used in _____ physical world?

_____ it _____ to _____ physical office _____ as a time clock _____?

Are _____ compatible _____ the clock and biometrics _____ being _____ at the _____?

_____ and _____ in our office premises _____ do you support _____ them?

_____ you _____ to integrate _____ time clock, _____ and other devices _____?

_____ it possible _____ integrate _____ biometric devices _____ in _____ office?

Is it possible for _____ with _____ like fingerprints _____ clocks?

Is _____ with _____ office technology _____ as time clock _____?

Do you agree _____ fingerprints _____ into offices?

Are _____ able _____ integrate _____ devices like _____ clock _____ physical location?

_____ you able _____ integrate _____ fingerprint _____?
