

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Availability of service in specific area
Description	Customers inquire if electricity service is available in their location, and if so, what the requirements, procedures, and timelines for new service connections are.
Data Size	5,036 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ available, how soon _____ installation _____ submitting all required _____ payments?

Is it _____ the installation can _____ done _____ all the _____ and _____ is accessible?

When will electricity _____ after we _____ complete _____?

When _____ seen after fulfilling _____?

How _____ the _____ can _____ we _____ get electricity after _____ requirements _____ completed _____ payments _____ made?

If we can _____ after _____ have _____ will the installation take _____?

Assuming power _____ guaranteed, _____ long _____ and making payments _____ take for the _____?

_____ the time frame _____ installation to _____ be after _____ electricity and _____ prerequisites _____?

_____ tell us _____ should expect to have electricity _____ after _____ all the _____?

What is _____ time frame _____ installation to begin after we receive _____?

How quickly _____ we _____ the _____ to _____ on _____ has _____ for?

Can we _____ electricity after all _____?

_____ electrical _____ begin with completed _____ money?

_____ power availability _____ when will _____ can it be _____ after making _____.

_____ get electricity, we will expect _____ if _____ the _____ documents _____ payments.

When can we _____ the _____ is _____?

_____ quickly can we expect _____ electricity to _____ up _____ been _____?

If electricity _____ expect _____ soon?

How _____ the installation take place if _____ can receive electricity _____?

_____ soon _____ the installation take _____ if _____ can _____ have been satisfied?

_____ will _____ take place _____ we receive power?

_____ soon will _____ happen _____ necessary paperwork and _____?

_____ docs and payments _____ setup, when _____ it _____?

_____ will _____ installation _____ if _____ can _____ all requirements are _____ and payments are made?

How long _____ we get electricity and all of _____ in _____?

_____ we can _____ after all _____ how fast will _____ installation _____?

_____ quickly will _____ installation take place _____ are able _____ get electricity after _____ requirements _____?

When can _____ the _____ to _____ if electricity _____ available?

_____ will it take _____ the installation to commence after we _____ all _____ have _____?

How ____ does ____ in ____ all ____ are submitted?
____ power setup ____ after given ____ paperwork and ____?

How soon will ____ after the ____ is submitted?
____ can ____ the installation ____ is ____ after we ____ and ____ required documents?
____ be installed if ____ now and provide all ____?

Will ____ be ____ everything is submitted ____ paid for?
____ will ____ setup ____ after receiving ____ and funds?

Assuming ____ is ____ get the installation done ____?
____ can we anticipate installation ____ all ____ paperwork and ____?
____ the installation if ____ available after we ____ the required ____?

Once ____ prerequisites ____ what is the anticipated time ____ installation?
____ long ____ the ____ take ____ receive ____ and all the necessary ____?

If ____ receive electricity after ____ been met, how ____ installation occur?
Assuming ____ availability ____ how ____ after ____ and ____ documents ____ it take for the installation?
____ expect the ____ is ____ we have submitted the ____ documents ____ paid in full?
____ we ____ electricity and ____ paperwork, ____ will ____ frame be for installation?

Once we ____ paperwork ____ how long ____ the electric ____ is ____?
Assuming power availability is guaranteed, ____ can ____ after ____ payments and ____ essential
____ can receive ____ quickly will ____ installation ____ place?

How ____ the electricity be installed ____ are ____?
____ availability is guaranteed, when ____ installations start, ____ it be ____ making ____ and ____ important.
The ____ frame ____ completing ____ after ____ and payment depends ____ availability of ____.
____ be ____ after fulfilling requirements?
____ we expect electricity ____ be set ____ once ____ is submitted ____ paid ____?

When ____ we expect ____ installation after ____ for?
____ we ____ receive electricity, ____ would the ____ place?

Is ____ possible we ____ have the installation ____ once ____ all the ____ accessible?
The ____ time frame ____ will ____ and have ____ with all requirements.
____ like to know when we can ____ after ____ submit all ____ necessary ____.
____ quick will ____ place if ____ can ____ electricity after ____ requirements ____ fulfilled?
If we ____ we should expect installation ____ documents and ____.

When can we ____ if ____ can ____ confirmed?
____ will ____ place if electricity is received?

Assuming ____ availability ____ will installations begin and ____ it ____ making payments and submitting ____
____ will ____ start and ____ submitted and payments ____ are assuming ____ availability is guaranteed.
____ receive electricity, how quickly ____ it take ____?

How quickly will ____ be installed ____ the required ____?
After making payments ____ soon will the ____ be ____?
____ electricity ____ installed quickly after ____ document ____ with ____?

Assuming electricity ____ accessible, can ____ anticipate ____ after ____ all ____ and ____?
If ____ is accessible, ____ we ____ installation immediately ____ and payments?
____ soon will ____ setup ____ given required ____?

How quickly ____ we expect ____ set ____ after everything has ____?
Assuming ____ is accessible, ____ after all necessary paperwork ____?
Is the anticipated ____ for ____ to ____ after ____ receive ____ and ____ prerequisites ____?
How quickly ____ power ____ given ____?

How ____ is ____ I give ____ documents ____ pay right away?
Assuming ____ availability is guaranteed, ____ installations start, and can ____ done ____ and Submitting ____.
When ____ the anticipated time ____ be ____ receive electricity ____ the necessary ____?
How ____ happen if we can get electricity ____ requirements are met ____ payments ____?

How quickly does power get _____ all the _____?

_____ will it _____ for the installation to _____ after _____ receive electricity _____ all _____ the _____?

How quickly _____ be set _____ has been submitted _____ paid _____?

How _____ will the _____ electricity is _____ after _____ requirements are in _____?

After _____ receive electricity _____ met, what is the _____ frame for installation?

How _____ time _____ it _____ can get electricity after all _____ been _____?

The _____ time _____ for _____ will be _____ we _____ electricity _____ all prerequisites have been _____.

How long until _____ installed if _____ everything _____ pay?

_____ soon _____ can we _____ electricity to be set up?

Assuming _____ availability is _____ how long after _____ documents and _____ that _____?

_____ be _____ after document submission with _____?

How soon _____ submission _____ electricity _____?

_____ will _____ time frame _____ after we receive _____ and _____ the necessary _____?

_____ our electricity be installed _____ have _____ it?

_____ would like to _____ when we _____ electricity _____ installed after _____ submit _____ required documents.

If _____ availability is _____ installations _____ and _____ essential documents be _____ and _____.

_____ given electricity, how quickly _____ installation _____ place?

Assuming power availability is _____ long _____ essential _____ and _____ it _____ done?

_____ after finishing paperwork _____ payment _____?

_____ is the expected _____ for installation to _____ after we _____ the _____ paperwork?

_____ to have an installation _____ get electricity?

_____ will _____ expected _____ after we submit _____ documentation and _____.

_____ we _____ installation soon _____ providing all _____ payments?

_____ expect installation soon _____ we provide _____ necessary _____ and _____?

How long until _____ gets installed _____ submit everything?

_____ will _____ setup occur after _____ paperwork _____ funds?

If _____ availability is guaranteed, when _____ start, _____ will essential _____ and _____ be made.

How _____ the _____ is _____ if I have _____ and pay _____?

_____ long will _____ installation take if _____ can _____ after _____ requirements _____?

What _____ will _____ be _____ document submission?

_____ we can _____ electricity after _____ been completed, _____ will _____ installation _____ place?

_____ can we _____ electricity _____ once _____?

How _____ installation _____ place if _____ have _____?

_____ availability is guaranteed, _____ will _____ and _____ be done after making _____.

Installation _____ be expected _____ and payments _____ electricity _____ available.

If _____ electricity and _____ documents, we _____ be _____ installation _____.

Can _____ expect _____ of electricity _____ is done?

If electricity _____ can _____ anticipate _____?

When _____ time to expect _____ we get _____?

If we _____ will be _____ if we have _____ documents and _____.

How _____ power _____ all the required forms _____ submitted?

_____ would _____ power _____ after _____ requirements?

How _____ will the _____ take _____ electricity _____ available _____ all requirements _____ in _____?

_____ we _____ have _____ installation done after you give _____ the _____ paperwork _____ electricity accessibility?

_____ submitting paperwork and _____ when _____ electricity _____ installed?

_____ anticipated time frame _____ to _____ after we receive _____ and _____ are _____?

_____ it possible the _____ be _____ you give us _____ the necessary _____ is accessible?

_____ we get _____ be _____ soon, _____ have the necessary documents.

_____ power get installed after submission of _____?

How long before _____ electricity arrives _____ all documents _____?

_____ is _____ expected _____ for _____ to begin once _____ and all prerequisites _____ met?
 _____ soon _____ expect the installation _____ electricity _____ available?
 What is _____ time _____ for _____ begin _____ we receive _____ and all _____ are met?
 How fast will the _____ place if _____ after _____ requirements are _____?
 What _____ the _____ for _____ we _____ electricity _____ all of the necessary paperwork?
 How _____ can _____ the _____ if electricity _____ available?
 _____ the time frame for _____ electricity if we have _____?
 _____ long _____ electricity is _____ we _____ everything needed?
 _____ will _____ take place _____ get electricity?
 _____ until _____ electricity _____ should we submit everything?
 After completing _____ required _____ paying, _____ will our electricity _____?
 _____ installation begin after everything _____ and paid _____?
 _____ available, _____ let us know _____ timeline _____ we have provided all necessary _____.
 Assuming _____ is ensured, _____ after submitting _____ documents and making _____ begin?
 _____ be installed after we have _____ paperwork _____ paid?
 How _____ will it be before _____ is setup _____ and _____?
 How long _____ electricity _____ I give all the _____?
 _____ will the electricity _____ after _____ made?
 How long _____ the _____ installed when _____ documents _____ pay now?
 _____ quickly _____ we expect _____ to be _____ once everything _____ paid _____?
 _____ occur with completed forms?
 How _____ will the installation take _____ after all requirements _____?
 How quickly can _____ expect _____ to _____ set _____ with _____ submitted _____ paid _____?
 Will power be _____ quickly _____ forms _____ submitted?
 Will the _____ be installed after _____ of _____?
 When _____ once everything is _____ and paid _____?
 If _____ power _____ will the installation take _____?
 After _____ and completing _____ will _____ get _____ electricity?
 When _____ we _____ installation if electricity _____ available _____ full price and _____?
 _____ like to know _____ be installed _____ we submit _____ the _____.
 _____ will electricity installation occur _____ has _____ for?
 _____ the _____ is _____ when we submit everything _____ and _____?
 If electricity is _____ we _____ after _____ the _____ paperwork and _____.
 _____ tell us when _____ expect _____ have electricity _____ we submit all the _____ documents?
 _____ is guaranteed, when will _____ begin, _____ essential _____ be submitted _____ made.
 _____ done after making payments _____ submitting _____ if _____ availability is _____?
 _____ quickly _____ the installation occur if we can _____ after _____ completed _____ payments _____ made?
 _____ might _____ possible after satisfying _____?
 How quickly _____ installation _____ after submission _____ forms?
 Assuming power _____ is _____ how _____ submitting _____ documents _____ should it take for _____ installation.
 How _____ can _____ set up when _____ has _____ paid _____?
 Assuming _____ availability is _____ after submission _____ essential documents and making payments _____ take _____.
 If we _____ electricity and _____ the _____ then _____ expect installation _____.
 _____ be _____ after the required paperwork is submitted?
 _____ and _____ for, can we expect _____ to be _____ up?
 How _____ can _____ set up _____ is paid _____?
 When will _____ installation _____ everything _____ submitted and _____?
 _____ you tell us when we might _____ to _____ installed _____ all _____ documents?
 If _____ availability _____ guaranteed _____ after submitting _____ documents and _____ should _____ take _____ the installation?
 How _____ after _____ submission _____ will it take?

How _____ take _____ to start after we _____ electricity and _____ the _____ paperwork?
 _____ we _____ soon after _____ all necessary paperwork and payments?
 _____ electricity is _____ should expect _____ all necessary paperwork _____ payments.

How soon will _____ power setup happen _____ paperwork _____?
 _____ after final paperwork, payment _____?

What _____ time frame for installation _____ begin _____ receive _____ all _____ are met?
 Do _____ think _____ ready _____ final paperwork and _____?
 _____ electricity _____ accessible, can we _____ soon _____ we provide _____ paperwork _____ payments?
 _____ the electricity _____ installed _____ all requirements?

After _____ electricity and _____ the _____ paperwork, _____ will the _____ frame _____ be?
 _____ power _____ installed _____ the required _____ have been submitted?

After fulfilling documentation _____ payment _____ to get electricity?
 How soon will power _____ after given _____?

How quickly _____ to install _____ we _____ electricity?
 _____ should _____ expecting _____ soon if _____ electricity and _____ required documents _____ payments.
 _____ fast _____ electricity _____ after _____ submission?

Assuming _____ availability _____ guaranteed, _____ after _____ essential _____ and paying _____ take for the _____?
 After paying _____ completing _____ paperwork, when _____ electricity _____?

If _____ when _____ installations _____ can it _____ done after making Payments.
 After _____ required paperwork and making _____ how long _____?
 _____ the installation take place if _____?
 _____ the _____ time _____ after _____ receive electricity and _____ prerequisites _____ been met?

When _____ we expect _____ we're getting _____?
 How _____ electricity be _____ completing _____ requirements?
 _____ fast _____ setup _____ after given paperwork and _____?
 _____ quickly do we _____ electricity to _____ set up _____ is _____?
 _____ paying full and submitting _____ we _____ installation _____ electricity _____ available?
 _____ quickly will _____ installation happen _____ we _____ electricity after _____ requirements _____ satisfied?
 _____ quickly does _____ all _____ forms are submitted?

How _____ installation take place _____ are able to receive electricity _____ all _____?
 Assuming power _____ when will installations begin and _____ it _____ done _____ making payments _____.
 _____ can _____ expect an installation _____ available after _____ pay in _____?

How _____ will _____ take _____ begin _____ receive electricity and all prerequisites have _____?
 _____ availability is guaranteed when will installations _____ be _____ after _____ and _____ essential

When will _____ electricity _____ installed _____ completing _____?
 _____ be installed quickly _____ submission?
 _____ installation _____ if we _____ electricity after all _____ have been met?
 _____ will _____ installation begin _____ electricity and all of the necessary _____?

When _____ our electricity _____ we _____ and complete _____ paperwork?
 After _____ payments, _____ quickly _____ the _____ be _____?
 How _____ can the _____ be _____ all the _____ been _____?

Assuming power _____ guaranteed, when _____ start, _____ be _____ after making payments and submitting _____.
 _____ power availability is _____ when _____ when _____ documents be submitted _____ made.

Will _____ installation _____ place _____ receive _____ requirements have been satisfied?
 _____ will _____ installation take _____ we get the _____?
 _____ will _____ the installation if _____ electricity?

After paying _____ our electricity _____ required _____ will _____ installed?
 _____ electricity _____ can we _____ installation soon after _____ all _____ payments?
 _____ you let _____ know _____ electricity will be _____ we _____ documents?
 _____ electricity and have the _____ we _____ be expecting _____ soon.

_____ possible to _____ electricity after _____ of necessary documents _____ ?
 After we _____ electricity _____ all the necessary groundwork, _____ the _____ installation?
 When will _____ electricity _____ installed after _____ complete _____ paperwork _____ ?
 How soon _____ for _____ electricity _____ ?
 How _____ before _____ can be _____ if I pay _____ documents?
 What _____ time frame _____ installation to _____ after _____ get electricity _____ all of _____ paperwork?
 _____ quickly _____ happen if we receive _____ ?
 Is _____ possible _____ could _____ after you give _____ all necessary _____ the electricity is _____ ?
 Once we _____ and _____ how long _____ take _____ electric _____ to be set _____ ?
 When _____ the _____ when we _____ the power?
 How _____ the _____ take place, _____ we can _____ all _____ have _____ fulfilled?
 _____ availability is guaranteed, _____ will _____ start, and _____ be _____ making payments?
 _____ is _____ how quickly will _____ installation _____ place?
 _____ soon will _____ be installed _____ ?
 Assuming _____ guaranteed, when _____ installations _____ it be done after _____ payments and submission _____ .
 _____ we _____ and all prerequisites have been _____ what is _____ anticipated _____ for _____ to _____ ?
 _____ electricity _____ set up after _____ paid for?
 How _____ will the installation _____ place if _____ electricity _____ all _____ are _____ and _____ are _____ ?
 Once _____ provided _____ the _____ documents _____ payments, could _____ let us know the _____ ?
 _____ when will _____ be _____ ?
 _____ soon will _____ be _____ once _____ required _____ submitted?
 _____ quickly can electricity _____ after _____ requirements have been _____ ?
 _____ the installation _____ after we _____ and all _____ have _____ met?
 _____ quickly can _____ set up after _____ been _____ and _____ for?
 _____ quickly _____ installation _____ place if we can receive electricity _____ requirements _____ ?
 If power availability _____ when _____ installations _____ and when _____ documents _____ and payments _____ made.
 How fast _____ installation take _____ we are able to _____ after _____ have been _____ ?
 If we can get _____ have been _____ quickly _____ take place?
 _____ is available after all requirements _____ met, how _____ will _____ take _____ ?
 If _____ is available _____ should anticipate installation _____ the _____ and _____ .
 _____ the time frame _____ electricity _____ we have _____ to _____ ?
 Assuming power availability is guaranteed, _____ will _____ and _____ it _____ making _____ and submitting _____ ?
 _____ soon will _____ happen _____ receiving _____ and funds?
 _____ quickly the installation _____ if we can _____ electricity _____ all requirements _____ ?
 How soon can _____ be installed _____ completed?
 _____ is _____ anticipate _____ after _____ all the _____ paperwork and payments?
 _____ can we expect _____ installation _____ after _____ the required documents?
 Assuming power availability is guaranteed, _____ after _____ essential _____ making _____ it _____ the _____ to take _____ ?
 _____ electricity _____ installed after we pay and complete _____ ?
 When _____ see _____ after _____ requirements?
 If we can _____ requirements _____ met, how quickly will _____ installation _____ ?
 How _____ the _____ will be done if we _____ receive _____ requirements _____ completed _____ payments _____ ?
 Assuming power _____ when will _____ can _____ done after making Payments and Submitting _____
 When _____ submitted _____ paid for, how quickly can _____ expect _____ set _____ ?
 _____ long _____ installation to begin _____ we _____ electricity and all _____ met?
 How quickly _____ place if we can receive electricity after _____ are completed and _____ ?
 How _____ the _____ if _____ receive electricity _____ requirements are _____ place?
 _____ we can get _____ to _____ what _____ the _____ for _____ ?
 _____ are _____ electricity _____ after submission of _____ and payments?

_____ be _____ quickly _____ document submission _____ made?

What _____ anticipated _____ for installation to _____ after _____ receive electricity _____ prerequisites?

_____ for _____ to start _____ prerequisites are met and electricity arrives?

If electricity is _____ please _____ us _____ estimated installation _____?

When _____ we _____ the installation if electricity is confirmed _____ documents?

If we _____ after _____ have been fulfilled, how _____ will _____ installation _____?

If electricity is accessible, can _____ all _____ and payments?

_____ might power wiring _____ requirements?

Will _____ electricity _____ soon if I _____ documents and _____?

_____ the installation be done _____ we can get _____ completed and payments are _____?

_____ the anticipated time frame _____ to begin after we receive _____ have _____ met?

_____ will the electricity be _____ submit _____ required paperwork?

_____ long _____ given paperwork _____ funds _____ power _____ happen?

_____ is guaranteed, _____ will installations start _____ can _____ making payments.

_____ fast does power _____ installed after _____ all the _____?

_____ long until _____ electricity _____ depends _____ what we submit _____?

How _____ can we expect the electricity to _____ paid _____?

Assuming power _____ how _____ after submitting _____ documents and making payments _____ it _____ the _____ completed?

_____ anticipated _____ frame _____ installation after we receive _____?

How _____ expect _____ to _____ up after everything has been _____?

_____ we _____ our electricity _____ paying _____ completing the _____?

How _____ installation take place _____ get electricity _____ all requirements _____ place?

How fast can _____ expect _____ electricity to be _____ up _____ submitted _____ paid _____?

_____ timetable, _____ ready, _____ final _____ payment?

_____ submitting required _____ when _____ the _____ be _____?

When _____ we _____ power _____ fulfilling _____?

_____ quick will the installation take place _____?

_____ paying _____ paperwork, when will our electricity _____?

_____ can electricity _____ everything is paid _____?

_____ will the _____ if _____ can receive power?

_____ can receive electricity after all requirements are _____ quickly _____ installation _____?

If _____ get _____ should expect installation soon _____ required _____ and _____.

_____ like to know when we should _____ to have _____ after _____ submit all _____.

Wait _____ and payments _____ setup _____ get electric _____?

Assuming _____ availability is _____ when will _____ and can be _____ and Submitting _____

Is _____ possible _____ can have _____ installation _____ you give _____ paperwork _____ electricity is accessible?

How _____ the installation happen _____ get electricity after _____ requirements _____ in _____?

_____ everything _____ and paid for, _____ expect electricity installation?

How quickly will the _____ is _____ all _____ in place?

How _____ before electricity is _____ I _____ documents _____ pay?

If _____ and _____ required _____ and payments, we should _____ expecting the _____.

Once we _____ paperwork, how _____ until _____ electric _____ is _____ up?

How long will _____ installation _____ can receive electricity _____ fulfilled?

When will _____ and when _____ documents be _____ and _____ is guaranteed.

_____ we complete _____ how long _____ connection is set up?

_____ necessary _____ and payments _____ submitted can _____ installation?

How _____ will the _____ be installed _____ made?

_____ it possible _____ electricity installation _____ is _____ paid for?

_____ electricity _____ installed upon payment?

How _____ can _____ installed _____ everything _____ done?

_____ quick _____ if we receive electricity?

How long _____ the installation _____ we _____ able to _____ electricity after _____ are _____ and _____ made?

_____ can we _____ the installation _____ is electricity?

Assuming power availability _____ guaranteed, _____ start, and can _____ be _____ after _____ and _____ necessary.

When power availability _____ guaranteed, _____ will _____ start and _____ essential _____ be submitted _____ be _____.

Is it possible _____ expect electricity _____ been _____ for?

How _____ will _____ place if we _____ after _____ requirements _____ been satisfied?

How _____ will the installation take _____ we can _____ electricity _____ all _____ completed _____ are made?

Will _____ installed quickly when a _____ submission _____?

_____ is _____ we _____ installation after _____ required _____ and payments.

_____ power setup occur after _____?

_____ electricity, we should expect installation _____ if _____ have the _____.

How _____ will _____ be installed _____?

_____ soon after _____ is _____ installation?

_____ the installation take place _____ we have _____?

How _____ after _____ does the _____ take _____?

How soon will power _____ after _____ and _____?

_____ is guaranteed, when will installations _____ it _____ done after making _____ and _____ essential.

_____ power _____ is _____ when _____ installations start _____ it _____ done after _____ payments?

_____ we get electricity, we will _____ soon if we have _____.

_____ quickly does power get installed _____ receiving _____?

_____ quickly does power _____ of _____ necessary forms?

When _____ the _____ if we are _____ electricity?

Can _____ installed after all requirements have _____?

When will installations _____ and when _____ essential documents _____ submitted and payments _____ is _____.

Will electricity _____ document submission _____ payment?

_____ anticipated _____ for installation will _____ after _____ electricity and all _____ complied with

After we _____ electricity _____ prerequisites _____ been _____ what _____ the _____ frame for _____ be?

If _____ can get _____ requirements _____ quickly _____ the installation take place?

Are _____ ready _____ the _____ paperwork _____?

Will electricity be installed quickly _____?

Upon _____ when might _____ occur?

How quickly will the installation _____ place if _____ all _____ are _____ payments _____ made?

If electricity is _____ can _____ soon?

How _____ will the _____ can _____ after all requirements are completed and _____ are _____?

If we _____ get _____ will the _____ place?

_____ expect _____ installation if electricity is _____ after we have _____?

How _____ will the _____ if _____ get electricity?

_____ you tell us when we might _____ have _____ the _____ paperwork _____ submitted?

_____ we _____ electricity _____ prerequisites _____ been _____ time frame will _____ installation begin?

Assuming the electricity is _____ can _____?

_____ power be _____ after _____ and payment?

How quickly _____ will happen _____ can _____ electricity?

How _____ will _____ installation take _____ we _____ electricity and _____ the _____ been _____?

How _____ before _____ is _____ if _____ documents and pay now?

_____ quickly will _____ place if _____ can _____ after all requirements _____ met?

How _____ installation take place once we _____?

How quickly _____ the installation take _____ if _____ can _____ all _____ satisfied _____ payments are _____?

Assuming _____ can _____ expect an _____ soon?

Is it _____ can have the _____ done after _____ give us _____ paperwork _____ accessible?

_____ quickly _____ the _____ take place if we are able _____ electricity _____ met?
_____ after given required paperwork?

When _____ be installed _____ everything has _____ submitted _____ paid _____?
_____ expected _____ we submit required documentation and _____ payments.

How soon _____ expect _____ installation after _____ submitted _____ paid _____?

After paying for _____ doc's, _____ will electric _____?

Assuming electricity is accessible, _____ installation _____ providing all _____ payments?

Will the _____ installed soon after _____ submit _____?

_____ the electricity _____ set _____ once everything _____ paid for?

Assuming power _____ is _____ will installations _____ and _____ be _____ making payments and _____.

_____ does _____ install _____ all the _____ are submitted?

_____ soon _____ the electricity _____ once payments are _____?

_____ timelines, _____ final paperwork, _____?

If power _____ is guaranteed, _____ long _____ essential _____ making payments _____ be?

_____ is _____ expected _____ for _____ to commence after _____ receive electricity _____ all _____ been met?

_____ quickly _____ installation _____ place if electricity _____ be _____ after all _____ are _____?

_____ will _____ after required paperwork and funds?

How soon _____ electricity installation?

Assuming power availability _____ start _____ can _____ be _____ after _____ payments and submitting essential?

Will the anticipated time _____ for _____ commence _____ receive electricity and all prerequisites _____?

When can _____ installation happen _____?

If we can _____ electricity _____ are _____ place, _____ will _____ installation _____ place?

_____ the anticipated time for installation _____ after we receive _____ of the _____?

_____ is _____ when _____ start, and can it be done after _____ payments _____ essential.

Is _____ we _____ receive electricity _____ requirements have _____ satisfied?

_____ is the time _____ installation to _____ receive electricity _____ all _____ the necessary _____?

When would one _____ power _____?

If we can receive _____ requirements _____ been _____ long _____ it take _____?

_____ power _____ is guaranteed, _____ installations start, _____ when will essential _____ submitted _____ be made

When can _____ expect _____ installation _____ the _____ is _____?

_____ the _____ be installed _____ you _____ the _____ paperwork?

_____ soon _____ submission for electricity _____?

_____ time, after _____ power ready?

_____ are able _____ electricity _____ requirements have been _____ how quickly will _____ installation _____ place?

When would _____ expect power _____?

How _____ the _____ if we can _____ all _____ are completed?

If we can get _____ all requirements _____ in place, _____ fast _____?

How _____ can electricity _____ after completion _____ requirements?

Is it _____ we _____ have _____ you provide _____ necessary paperwork _____ electricity is accessible?

_____ is _____ how _____ will the _____ take place?

Assuming power availability _____ long _____ and making payments _____ it take.

_____ be installed _____ the _____ and payments _____ submitted?

_____ electricity _____ installed once the _____ paperwork is submitted?

How quickly can electricity be _____ up _____ for?

After you give _____ all the _____ and the _____ accessible, can _____ have _____?

Do _____ when the electricity _____ after _____ submit required _____?

When _____ wiring _____ seen _____ requirements?

_____ have electricity installed?

_____ can we expect _____ get the installation _____ available _____ full?

When _____ installations start, and _____ will essential documents be submitted _____ payments be _____.

_____ quickly will _____ be _____ after _____?

How _____ power _____ happen _____ required paperwork _____ funds?

If electricity _____ accessible, _____ we _____ soon _____ all _____ necessary paperwork _____?

_____ document submission will _____ begin?

If we get electricity, _____ expect to _____?

Assuming _____ is _____ how _____ after submitting _____ and making payments _____ it _____ installations _____ commence?

How _____ will _____ happen if _____ electricity after all requirements _____ been _____?

_____ we _____ to _____ when will it _____ installed?

Will _____ be able _____ expect _____ electricity _____ once _____ is _____?

How soon _____ submission _____ the _____?

After _____ electricity and _____ of _____ necessary precautions, what _____ for installation be?

_____ much _____ will it _____ we can receive _____ all _____ are completed _____ are made?

_____ quick will _____ be if _____ can _____ electricity?

_____ electricity _____ installed after _____ said and done?

Is _____ that we can _____ installation _____ after _____ provide _____ paperwork and the electricity _____?

_____ can _____ wiring after _____ requirements?

_____ we expect _____ if we get _____?

_____ electricity _____ we expect installation _____ after _____ paperwork and _____?

How _____ after _____ will electric be here?

_____ and all the necessary precautions, _____ is _____ time frame for _____?

How _____ power setup _____ after _____ required _____?

When _____ availability _____ guaranteed, can _____ be _____ payments _____ submitting essential?

_____ installation will _____ we _____ receive electricity after all requirements are _____ payments are _____?

_____ after _____ and _____ for setup for _____?

_____ power _____ guaranteed how _____ documents and making payments should _____ take for _____ installation

_____ it _____ that we can _____ the installation done _____ us all _____ paperwork _____ electricity is _____?

When might power _____ about _____?

_____ soon after _____ does electricity _____ place?

_____ should we expect our _____ if _____?

_____ you let us know _____ be _____ we _____ all the necessary _____?

How _____ submission _____ documents and payments _____ electricity _____ setup?

_____ you tell us when _____ might _____ to _____ after we _____ documents?

_____ the _____ installed _____ after _____ submission of required paperwork?

_____ it possible _____ get electricity _____ are _____ and payments _____ made?

_____ we can get _____ quickly will _____ place?

_____ we get the _____ soon after we _____ all _____ and _____?

_____ is _____ time frame for _____ electricity _____ of the necessary paperwork?

_____ the installation if electricity _____ after we pay _____ full?

_____ we expect the _____ getting _____?

How _____ electricity _____ installed after _____ submission?

_____ installation after all paperwork _____ payments, and if _____.

When _____ the _____ be _____ after we complete _____?

If we _____ after all requirements _____ satisfied _____ installation take place?

If _____ is accessible, can _____ providing _____ necessary paperwork?

What time will _____ installed _____?

_____ it possible _____ have _____ done after _____ provide the _____ paperwork and _____?

_____ anticipated _____ for _____ to commence after _____ and all _____ are met?

Can we _____ soon after providing _____ necessary paperwork _____?

_____ the electricity be installed _____ and payments?

What _____ the anticipated time frame for _____ to _____ after _____ receive _____ met?

How ____ will ____ electricity ____ installed ____ you ____ required ____?

____ will power setup occur after ____ paperwork ____?

____ receive ____ and ____ of ____ necessary ____ what ____ the anticipated time frame for ____?

____ should ____ expect ____ after we get ____?

____ we ____ get ____ after ____ requirements ____ been ____ quickly ____ it take?

When ____ availability is guaranteed, ____ begin and when ____ essential documents be ____ payments ____.

____ to be set ____ after all ____ said and done?

Can we expect ____ electricity ____ once ____?

Assuming ____ is accessible, ____ the ____ soon?

____ quickly can ____ electricity be set ____ when everything ____?

____ electricity be installed after you submit paperwork ____?

How fast will ____ installation ____ place ____ we ____ requirements are satisfied?

____ quickly ____ be set ____ is submitted and paid ____?

How quickly the installation will ____ electricity?

Give ____ heads ____ when ____ the connection after ____ all paperwork and ____?

____ availability is ____ how long ____ submitting essential ____ making ____ installation take?

How quickly will ____ installation take place if ____ electricity ____ all ____ are completed ____?

____ quickly ____ expect to ____ if ____ is available?

How soon will ____ after ____ required paperwork ____?

____ can ____ be set up ____ has been paid?

____ will ____ electricity ____ after completing the paperwork ____?

Will ____ be ____ after ____ of ____ document?

____ is the ____ time frame for installation ____ commence ____?

____ soon ____ electricity ____ once a ____ is submitted?

____ that we ____ have the ____ done after ____ give us ____ the ____ paperwork ____ the electricity's ____?

When ____ our ____ installed ____ finishing ____ paperwork and ____?

What ____ the anticipated ____ frame ____ to ____ after we ____ electricity and ____ have been ____?

How long will ____ take for us ____ access ____ submit ____ and ____?

What ____ timetable for ____ setup after ____ necessary ____?

____ is guaranteed, how ____ after making payments and submitting ____ documents should ____ take ____.

If ____ can ____ all requirements ____ satisfied, ____ soon will ____ installation ____ place?

____ like ____ know when electricity installation ____ happen ____ required documentation.

How ____ occur after ____ necessary paperwork and ____?

____ will the ____ frame for installation ____ we ____?

____ is guaranteed, when will installations ____ and ____ be done ____ Payments and Submitting ____?

If electricity ____ available, ____ anticipate the installation ____ all ____ payments.

If ____ get ____ all requirements are in ____ will ____ installation be?

____ want ____ know ____ expect to have electricity ____ we ____ all the required ____.

We ____ soon if ____ electricity ____ have the required documents.

____ power ____ be ____ fulfilling requirements?

When can we ____ electricity to ____ everything is ____?

Once we have ____ and payments, ____ you let ____ estimated ____ date?

How quickly ____ electricity ____ set up when everything has ____?

When ____ we see electricity ____ everything has ____ and ____?

____ soon ____ electricity be installed after ____ paperwork ____ payments?

____ know ____ we should expect ____ have ____ installed after ____ the necessary ____ is submitted?

____ we expect electricity installation ____ has been submitted ____?

____ fast will ____ be ____ a document ____?

____ to expect the ____ if we get ____?

How quickly ____ installation take ____ if we ____ get ____ all ____ fulfilled?

How quickly will the installation _____ after all _____ satisfied?

After _____ for _____ and _____ when _____ electric _____ here?

How quickly the _____ if we _____ electricity?

Assuming _____ availability _____ guaranteed, when _____ and can be done after making _____.

Will _____ be installed _____ document _____?

Installation _____ necessary paperwork _____ payments, _____ if electricity is available.

_____ long will it take _____ after _____ and _____ prerequisites are _____?

How quickly _____ the installation take _____ electricity?

Can we _____ the installation done _____ give us _____ necessary _____ electricity _____?

After receiving electricity _____ the _____ the anticipated _____ for installation be?

We _____ like _____ expect electricity _____ be installed _____ we _____ all required documents.

Assuming power _____ is _____ how _____ submitting _____ documents and making payments, should it _____?

_____ expect the _____ be set up _____ is submitted _____ paid for?

The anticipated _____ frame _____ will _____ after _____ electricity and _____ are met

_____ is accessible, can we expect _____ providing all _____ payments?

If _____ required documents, we should be _____ soon.

_____ soon will _____ be _____ when _____ make payments?

If _____ electricity after _____ been _____ how _____ will the installation take _____?

_____ quickly does _____ get installed _____ submit all _____?

_____ is guaranteed, how long after _____ payments _____ submitting essential _____ it _____?

_____ soon will _____ after received required _____?

_____ quickly will the _____ place if we _____ all requirements _____ in _____?

After we get electricity _____ have been met, _____ frame _____ installation be?

_____ will power setup happen _____ and money?

When _____ occur with completed _____?

_____ we _____ electricity installation _____ we _____ for it?

_____ quickly _____ power get _____ after _____ all the necessary _____?

How quickly _____ up when _____ is _____ and _____ for?

_____ be done after satisfying _____?

After everything has _____ for can _____ electricity installation?

_____ wiring be predicted _____ fulfilling _____?

How _____ get installed _____ is submitted?

_____ expect the _____ happen if electricity _____ available?

_____ might one expect power _____?

We should be _____ installation _____ if _____ how long does it take after _____?

_____ we _____ electricity after all _____ are completed, _____ installation take _____?

_____ can _____ installation to _____ if electricity is _____?

_____ electricity _____ all requirements _____ fulfilled _____ are made, _____ quickly will _____ installation take place?

_____ possible _____ setup _____ after you submit necessary _____?

Assuming _____ availability _____ guaranteed, _____ of essential _____ making payments will _____ take?

When _____ the _____ be _____ after _____ required paperwork and _____?

How _____ the _____ if we _____ all _____ have been satisfied?

_____ power _____ installations _____ start and when _____ documents _____ be submitted and _____ made.

Can you _____ us _____ might expect _____ have _____ installed _____ necessary documents are _____?

If we _____ after all requirements _____ completed and payments _____ quickly will the _____?

When can we _____ the _____ if _____ power _____?

_____ be _____ after the _____ of the document?

_____ time _____ to begin after _____ get electricity and all _____ have been met?

When might _____ be _____ after _____?

How _____ be _____ after _____ has been paid for?

How ____ will power ____ after given ____ paperwork ____?

____ we receive ____ and all the ____ will the time frame ____?

If electricity is ____ all ____ and payments, ____ we expect ____?

____ will the ____ be ____ we ____ complete required paperwork?

Assuming ____ availability ____ guaranteed, ____ will installations begin, ____ can it ____ after making ____ submitting ____

We'd like to ____ expect electricity to be ____ after ____ all ____ documents.

____ expect the ____ if ____ get electricity?

Is it possible to ____ after ____ documents and payments?

____ power ____ is guaranteed, ____ it be done ____ making ____ and ____?

Is it ____ we ____ have ____ installation ____ you provide ____ the necessary paperwork ____ is ____?

What ____ the anticipated time frame ____ installation ____ after ____ and ____ are met?

____ fast will ____ installation ____ if we ____ get ____ all ____ have ____ fulfilled?

After paying for ____ setup, ____ for ____?

If ____ has been ____ and ____ we ____ electricity installation?

When will ____ after payment and ____ paperwork?

____ soon will ____ setup happen after given ____?

After ____ for our ____ will ____ installed?

After ____ necessary ____ paying, when ____ electricity ____ installed?

____ is ____ time frame for ____ of electricity if ____?

How quickly ____ the installation take ____ we ____ electricity ____ all ____ are ____?

____ we can receive ____ all ____ are completed ____ are made, ____ installation take ____?

____ quickly will the ____ take ____ if electricity is ____ after all requirements ____ and ____?

____ quickly will ____ installation ____ get electricity after ____ have been ____?

____ and all prerequisites have ____ will ____ expected time ____ for installation be?

Installation should ____ and ____ if electricity is available.

How soon ____ we expect ____ if ____?

Assuming ____ is guaranteed, how ____ documents ____ making payments should it ____?

____ electricity ____ expect installation after all the ____ payments.

____ we expect ____ of ____ once things are ____?

____ the ____ be installed soon if ____ documents ____ pay ____?

____ can ____ expect ____ is available after we ____ required documents?

____ will ____ installation ____ once ____ has ____ submitted ____ paid for?

____ electricity be ____ submit ____ paperwork and make payments?

If we get electricity ____ the necessary ____ we ____ be ____.

____ can we expect the ____ if ____ is ____?

How fast does ____ submitting all ____ forms?

____ electrical ____ occur with ____ forms?

How ____ the installation ____ if ____ can ____ electricity ____ all requirements ____ met?

How much time will ____ installation ____ we ____ electricity after ____ been ____?

____ soon after document ____ will ____?

____ the installation take place if ____ electricity?

Is ____ possible to receive ____ requirements ____ completed and ____ are ____?

____ would ____ to know ____ we should ____ electricity ____ we submit ____ necessary documents.

____ will ____ see ____ installation ____ has been paid ____?

____ will we get ____ set ____?

____ receive ____ all the prerequisites ____ will the anticipated time ____ for installation be?

How ____ power ____ after ____ forms are submitted?

Can we ____ electricity ____ satisfied?

____ long will ____ take to ____ up electricity after ____ documents ____?

If we ____ we ____ installation ____ if ____ have required ____ and ____.

_____ is accessible, can _____ get the _____ soon?

_____ our electricity _____ installed, _____ required paperwork and _____?

_____ quickly will the installation take place _____ get _____ after all requirements _____ been _____?

Can we get _____ in _____ for _____ take _____?

_____ take place _____ can get electricity after _____ all requirements?

_____ we _____ setup _____ everything is done?

_____ for us to have the _____ done _____ you give us all the _____ accessible?

When _____ we _____ installation _____ been paid for?

_____ we _____ electricity, we _____ be _____ installation soon _____ we _____ documents.

_____ is accessible, _____ expect installation _____ providing all necessary paperwork _____?

_____ be _____ to _____ the installation done soon _____ all _____ and payments?

_____ will _____ expect _____ installation _____ everything _____ paid for?

How quickly _____ we _____ get _____ if all _____ have been _____?

If we receive electricity _____ required documents, _____ should _____ expecting _____.

Assuming power availability is _____ start _____ when _____ documents be _____ payments _____.

How soon can _____ be _____ completed?

How quickly _____ will _____ if _____ able _____ get electricity?

_____ be installed _____ submission with payment?

_____ quickly would the installation _____ got electricity?

_____ electricity _____ soon after the _____ paperwork _____ submitted?

When _____ we expect _____ after everything has _____?

_____ will _____ expect _____ installation if _____ get _____?

How _____ will _____ installation take place if we can _____ after _____?

What _____ the anticipated time frame for _____ we get _____?

We'd like _____ when we might _____ electricity installed after _____ the _____ documents.

Assuming electricity is accessible, _____ soon after all _____?

_____ soon _____ to be set up _____ everything is _____ for?

Assuming power availability _____ when _____ begin, _____ be done after making _____?

_____ we _____ receive _____ how _____ will _____ to install?

How soon _____ document _____ installation happen?

_____ we expect _____ installation _____ power _____ available?

How quickly _____ be done if _____ electricity _____ all requirements _____ place?

_____ electricity _____ installed quickly _____ document _____?

_____ can _____ installation _____ electricity _____ available after we _____ the required _____?

When will _____ electricity _____ paperwork and paying?

_____ power _____ after given necessary paperwork _____ funds?

How soon _____ the _____ will electricity _____ happen?

How _____ will _____ installation take _____ can _____ power?

Will the electricity be _____ up _____ everything _____?

_____ will electricity _____ installed after completing _____?

How _____ power setup occur _____ receiving required _____?

Assuming power _____ is _____ how _____ after _____ and making payments, _____ it _____ installation?

_____ soon can electricity be _____ after everything _____ paid _____?

_____ expect the _____ if electricity _____ after _____ required documents have been _____ and _____ for?

_____ completing required paperwork and making _____ soon _____ electricity _____?

_____ anticipated time frame for installation _____ receive electricity _____ requirements have _____ with.

_____ we _____ how _____ will the installation _____?

After providing all _____ paperwork _____ payments, _____ we _____ soon?

_____ before _____ is installed if _____ give _____ and _____ now?

After we _____ and all of the _____ groundwork, _____ the anticipated _____?

How quickly _____ the _____ can _____ electricity after all _____ and payment are made?

Assuming _____ is guaranteed, _____ should it take _____ essential _____ making payments?

If _____ receive _____ quickly will the _____ occur?

_____ soon can _____ expect _____ electricity to _____ set _____ after everything _____?

_____ power availability _____ guaranteed, _____ installations _____ and can it be _____ making Payments and _____.

How soon _____ electricity _____ all requirements have been _____?

Is it possible _____ electricity _____ submitting _____ payments?

How soon can the electricity _____ requirements _____ met?

How soon _____ setup happen _____ paperwork?

_____ fast can we _____ electricity to _____ set _____ everything is _____?

_____ power _____ after fulfilling requirements?

_____ quickly can _____ electricity to be set up after _____ and _____?

After _____ electricity _____ all _____ have _____ met, what _____ the _____ frame for installation _____ start?

When might power _____ about _____?

_____ quickly _____ installation take place _____ we _____ electricity after _____ requirements are _____ and _____ are _____?

_____ long will it _____ for _____ setup after _____ documents _____?

How _____ before electricity is installed if _____ all _____ now?

_____ the _____ for installation _____ we receive _____ and all prerequisite have been met?

We would like to _____ might expect to have _____ the required documents.

_____ quickly will the _____ place _____ we _____ get _____ we _____ fulfilled _____ requirements?

Assuming power _____ when will _____ and _____ be _____ after making _____ submitting essential

After documentation _____ payments _____ when will _____ here?

How soon _____ the electricity _____ you make _____?

After _____ money and _____ paperwork, _____ will _____ electricity _____?

How soon _____ happen _____ paperwork and funds?

_____ the electricity _____ soon _____ you submit required _____?

_____ we _____ after all _____ are completed, how quickly _____ the _____ place?

_____ quickly will the _____ if _____ is _____ after all _____ been satisfied?

_____ the installation of _____ electricity?

After making payments _____ submitting _____ paperwork, how _____ be _____?

_____ long will _____ installation _____ after _____ and all of _____ groundwork?

If we can _____ requirements have _____ fulfilled, how _____ the _____ be?

We'd like to _____ expect electricity _____ be _____ after we submit _____ the _____.

When should _____ expect _____ installation to _____ get _____?

Are we _____ after all requirements _____ met?

Installation timelines _____ payment, and _____?

What _____ the expected _____ frame _____ receive electricity _____ all prerequisites _____ been _____?

_____ can we _____ the electricity to come on _____ everything _____?

_____ will _____ be installed _____ payments are made?

_____ soon _____ the installation _____ we can _____ electricity _____ requirements are fulfilled?

_____ we receive electricity _____ all of _____ the _____ frame _____ installation be?

If _____ can _____ electricity _____ requirements have _____ how quick _____ the _____ be?

Assuming power availability is _____ how _____ after submitting _____ documents _____ will _____ for the _____?

Assuming _____ is _____ expect installation _____?

If we can receive electricity _____ completed and payments _____ made, how _____ the _____?

_____ is guaranteed, _____ long after _____ essential _____ should the installation be done?

Assuming power _____ how long after _____ of _____ documents _____ payments _____ take for _____ installation?

_____ long _____ is _____ I provide all _____ documents?

_____ can we expect _____ soon after we _____ the necessary _____?

_____ finishing paperwork to plug _____?

_____ installation take place if _____ receive electricity _____ all _____ are fulfilled _____ are made?

When _____ we get _____ everything _____ paid for?

_____ will power setup _____ after _____ paperwork?

_____ can _____ be installed _____ everything has _____ and paid _____?

How _____ will power _____ place after _____ required _____ funds?

When _____ expect the _____ electricity is confirmed?

How _____ expect _____ to be set _____ everything was paid _____?
