

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Signal and reception troubleshooting
Inquiry Sub-Category	Single-channel or specific-program issues
Description	This category addresses inquiries related to signal inconsistencies or disruptions experienced with specific TV channels or programs. Support representatives may investigate potential signal source issues, guide customers through refreshing or updating their channel lineup, or escalate the matter to technical teams if necessary.
Data Size	5,215 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

____ we consider interference ____ location ____ P experiences periodic loss ____ sound ____?
 Is ____ important to ____ analyzing audio fluctuations ____ documentary ____?
 Do ____ to look into ____ sources ____ to ____ our ____ P ____ a periodic loss ____ sound?
 Is ____ into ____ sources near our location ____ P ____ loss of Sound alone?
 Do ____ need ____ look for ____ sources near ____ loses its ____?
 ____ from ____ of sound ____ should we look into ____ sources nearby?
 Do we ____ sources ____ our documentary ____ a loss of sounds.
 ____ need to ____ into ____ our location to ____ P ____ a periodic loss ____ sound?
 Do we ____ look into ____ sources ____ our location ____ documentary P with a ____?
 Do ____ to ____ sources ____ our ____ P is malfunctioning?
 Would ____ interferences ____ relevant for resolving ____ sounding issues ____ by ____?
 Do we consider ____ interference sources ____ documentary ____ alone?
 ____ we ____ potential ____ near our location into account when it ____?
 ____ we need ____ consider any ____ interference that ____ affect ____ audio for ____?
 Do ____ have ____ take into ____ interference ____ in audio in documentary ____?
 If our ____ P ____ a ____ of ____ we ____ to ____ into interference ____?
 Is it ____ factor in nearby interferers for ____ loss ____?
 Do ____ investigate ____ if P ____ its sound?
 Was exploring nearby ____ for resolving intermittent sounding ____ solely ____?
 ____ it ____ to take ____ account any nearby ____ a loss of ____ while watching ____?
 ____ film ____ solo ____ of ____ sounds due to ____ sources?
 Is it ____ nearby interference sources for sound ____ in ____?
 ____ need ____ look into interference ____ location ____ the ____ P ____ a ____ loss of sound?
 If P experiences a ____ of sounds ____ we need to ____?
 ____ to look ____ sources near ____ if our documentary P ____ do well?
 Is it ____ good idea to consider ____ our location if ____ has a ____?
 Is ____ a good ____ interference ____ during intermittent ____ in doc P?

Is it _____ to _____ cause of periodic sound loss _____ P?

If _____ experiences a _____ of sounds alone, _____ look _____ interference _____?

_____ our _____ P experiences _____ of sound, do we _____ look into _____.

_____ we _____ checking the interference _____ Docu _____ keeps _____ sound?

_____ we take interference sources into _____ documentary _____ experiences _____?

_____ loss _____ sound alone, should we consider _____?

Do we _____ to look _____ interference _____ near our _____ to help documentary _____ periodic _____ of _____?

_____ it time to _____ for local _____ causing _____ in _____?

Is there a _____ factor _____ disruptions near _____ documentary piece _____ experiences intermittent sound _____?

_____ our documentary P _____ a small _____ do we _____ interference sources?

_____ need _____ look _____ sources if the documentary P _____ loss _____ sound?

_____ it possible to resolve _____ documentary P _____ sound _____ by _____ close _____ our _____?

If documentary P _____ a loss _____ sound _____ should _____ at _____ close _____ our _____?

Docu _____ has lost _____ the impact _____ nearby interference _____?

_____ we have _____ take into account local _____ might _____ for _____ documentary _____?

Do we _____ look into interference _____ location in _____ to restore _____ in _____?

If the documentary _____ suffers _____ loss of Sound _____ do _____ to _____?

_____ it _____ the location would help _____ episodes of _____ losing _____ intermittently?

In _____ P, _____ we _____ interference for _____ loss?

If our _____ a _____ loss of _____ we should _____ sources nearby.

_____ need _____ look into _____ sources _____ the documentary _____ loses its _____?

_____ our documentary P _____ periodic _____ sound alone, do we _____ into interference _____?

_____ we bother checking interference sources _____ P _____?

Do we need to investigate _____ sources _____ location _____ P _____ a periodic _____ sound?

_____ look into interference _____ if our _____ experiences _____ of sounds alone.

_____ we have _____ look _____ interference _____ if _____ experiences _____ loss _____ sound?

If _____ from _____ of _____ alone, do _____ to look _____ interference sources _____ our location?

Do we _____ to _____ into _____ sources located _____ location _____ help _____?

_____ we have to _____ at _____ sources if our _____ is _____?

_____ we need _____ into _____ sources _____ our _____ a small loss of _____?

Is _____ necessary _____ consider _____ in _____ silence issues _____ documentary P?

_____ should consider _____ sources _____ P _____ sound loss.

_____ documentary P _____ loss of _____ we consider interference sources _____ location?

If documentary _____ experiences _____ of _____ we consider _____ with _____ location?

_____ we need _____ look _____ near our location if _____ a _____ loss of _____?

_____ documentary _____ periodic loss _____ should we consider interference sources near _____?

Do _____ need to look _____ sources _____ our location _____ our _____ experiences a _____ sound?

Do _____ need to look into interference _____ our _____ sound?

Do we _____ to look _____ interference _____ P _____ sound?

_____ nearby _____ have an _____ on doc _____ audio loss?

Is studying _____ for _____ issues faced by documented _____?

Do _____ bother _____ interference _____ when docu _____ losing noise?

_____ loses its _____ do we need _____ look _____ interference _____?

Will _____ interference _____ into account if documentary P _____ sound _____?

_____ the documentary _____ experiences a _____ of _____ alone, _____ interference sources?

Do _____ look _____ interference sources in _____ to help documentary _____?

Do we have _____ those _____ when _____ loses sound?

Do _____ interfering sources _____ documentary _____ intermittent _____?

_____ examining _____ sources of _____ help explain _____ documentary P?

"Do _____ need _____ interference _____ near our location _____ documentary P _____ loss of Sound alone? _____"

_____ consider _____ interference sources _____ sound loss _____ doc P?

_____ documentary P experiences _____ periodic _____ sound alone, do _____ need to _____ into _____ nearby?

_____ important _____ consider _____ interferers _____ sound loss in doc _____?

If our _____ experiences a _____ alone, we have to _____ into _____.

Is _____ idea to _____ disruptions near our _____ if _____ experiences _____ issues?

Do we need _____ into interference _____ near _____ fix _____ P?

_____ we _____ look into _____ sources _____ our location _____ our documentary _____ small _____ of sound?

Do _____ to look into _____ near _____ location _____ goes silent?

_____ it _____ nearby interference _____ examining audio fluctuations in documentary _____?

If _____ experiences _____ periodic loss of _____ look into interference sources _____ our location.

Do _____ need _____ sources near our location if our _____ is _____?

Do _____ the _____ sources when _____ P loses _____?

_____ necessary _____ consider nearby _____ analyzing _____ fluctuations in documentary _____?

_____ idea to factor _____ potential disruptions near our _____ documentary _____ experiences _____ sound disruptions?

_____ sound disappears _____ and should _____ nearby issues?

_____ our _____ a periodic loss _____ sounds alone, do _____ investigate interference _____?

If P experiences a periodic _____ sound, do _____ need _____ into the _____ our _____?

_____ our _____ periodic loss of _____ we should _____ into interference sources.

_____ sound failure in documentary P related _____?

_____ small loss _____ sound _____ our location, do _____ have to look into _____?

Should nearby _____ be _____ into account _____ audio _____ P?

Is _____ to resolve episodes _____ documentary _____ sound _____ disturbances nearby?

_____ documentary P _____ a periodic _____ of sounds alone, do we _____ look into _____ location?

_____ into account _____ interference that might affect the _____ for _____ P?

_____ to look into interference sources _____ our _____ P goes off _____ rails?

_____ we need _____ sources if P stops making _____?

Should _____ into _____ our location if _____ P _____ from _____ of sound alone?

_____ to _____ nearby interferences _____ the intermittent _____ of documentary P.

Do _____ need _____ look for interference sources _____ our location _____ experiences a _____?

Do _____ to _____ into interference sources _____ doesn't have a lot _____.

Do _____ to _____ any _____ interference _____ may affect _____ audio for the _____ P?

Do _____ into interference _____ close to our _____ our _____ P _____ sound?

_____ we really _____ to _____ those interference _____ when docu _____ keeps _____?

Is local interference _____ in _____ intermittently _____ of documentary _____?

If _____ experiences a periodic _____ alone, _____ to investigate interference _____?

Do we _____ to _____ at _____ our location if P suffers _____ a _____ alone?

_____ local _____ only sound _____ in docsyP?

_____ account for local interferences causing _____ loss in _____.

_____ nearby interferences relevant for resolving _____ issues faced _____?

If _____ documentary _____ experiences _____ loss _____ sound alone _____ look into interference sources _____ our _____.

Do _____ need to _____ into _____ sources _____ our location to _____.

If _____ documentary _____ losing sound, do _____ look _____ interference sources _____ our _____?

_____ we _____ the _____ issue _____ there is sound _____ P?

_____ documentary P _____ loss _____ should we look into _____ sources?

_____ we _____ interference sources _____ P _____ experiences sound _____ alone?

Should _____ interference sources _____ location if P suffers from _____ alone?

_____ periodic _____ of sounds alone, _____ we need to _____ interference sources.

Do _____ to _____ into _____ sources if _____ a _____ loss of _____

_____ exploring _____ interferences be _____ resolving _____ issues _____ by documented undertaking?

_____ documentary _____ experiences _____ sound _____ should we _____ an interference _____?

Is it _____ take _____ interferences _____ the _____ issues of _____ P?

Do _____ to look into _____ sources _____ our documentary _____ a periodic _____?

_____ docu P _____ sound, _____ we _____ those interference sources?

If _____ documentary P _____ small loss _____ our location _____ we _____ to look into _____?

Should Doc P _____ loss _____ interferences?

_____ the documentary P has _____ periodic loss _____ we _____ look _____ interference sources?

_____ account for nearby interferences causing sound _____ doc _____?

If documentary P _____ a _____ should we be _____ for _____?

_____ we _____ local interference that may affect the audio _____ P?

If our _____ P _____ loss _____ alone, do we need to _____ sources _____ location?

_____ a good idea _____ sources if _____ doesn't have _____ sound?

_____ P _____ losses be _____ nearby interferences?

_____ factor _____ potential disruptions _____ location if P _____ intermittent _____ disruptions?

_____ P _____ by signal _____ should we look into _____?

_____ film P's _____ muted _____ by local interference sources?

_____ sounds _____ P, _____ we investigate?

When _____ documentary P's audio loss, _____?

_____ there a _____ with _____ sound _____ our _____ due to interference from nearby _____?

_____ documentary _____ sound _____ alone, should we _____ nearby _____ sources into _____?

_____ in _____ interferers _____ for periodic _____ in doc P?

Exploring _____ interferences might be _____ for _____ sounding issues _____ documented _____.

If _____ documentary _____ loss _____ sounds alone, _____ to look into interference _____.

_____ it _____ look into interference sources _____ location if P _____ of _____ alone?

Is _____ necessary to _____ interference sources _____ location to help _____?

_____ to check the interference sources _____ P _____ right?

_____ we need to look _____ sources _____ our _____ if our _____ P has _____ loss _____?

Do _____ checking those interference sources _____ docu _____ voice?

Do _____ need _____ look into _____ our _____ to _____ documentary P _____ a _____ loss _____ sound?

Does anyone know _____ should _____ with _____ P sound?

Do _____ to look into the interference sources near _____ experiences _____ loss of _____?

If P does not _____ a _____ do _____ need to _____?

_____ documentary _____ occasionally experiences sound _____ we consider interference _____?

Do _____ to look _____ interference sources if _____ documentary P _____ loss _____?

_____ P experiences a periodic _____ of _____ need to _____ into _____ sources?

Do we _____ look into _____ sources if _____ is _____ to _____?

_____ documentary P _____ intermittent audio _____ to local _____?

Is _____ to _____ nearby interferences _____ the intermittent _____ documentary P?

_____ it _____ to _____ interference _____ P loses its _____ alone?

Is _____ a chance _____ signal interferences _____ docu P _____?

_____ have _____ look into interference _____ nearby _____ help _____ P?

Do we need _____ look into _____ P _____ loss _____ Sound?

If our _____ P suffers from loss _____ Sound alone, _____ should _____ into _____.

Do _____ need to _____ interference sources _____ our _____ P _____ alone?

If P loses its _____ alone, _____ interference _____ nearby?

_____ docu _____ keeps losing _____ bother to check _____ sources?

If our _____ P suffers from loss _____ should we be _____ sources _____ our _____?

_____ we _____ into interference sources _____ to _____ location if the _____ P _____ sound?

Do _____ sources near _____ location if _____ its sound?

_____ we check _____ when docu _____ doesn't sound _____?

_____ to _____ into account _____ interference in _____ for documentary P?

_____ we have to account for _____ interferences that _____ sound _____ ?
 Do _____ into interference sources near _____ the _____ P suffers from a _____ sound alone?
 _____ it possible _____ we should look _____ our _____ to help _____ P?
 Do _____ interference _____ if _____ experiences sound loss?
 If P suffers from a loss _____ alone, should _____ look _____ ?
 If documentary P _____ sound _____ consider interference sources nearby?
 Do _____ need _____ check out _____ sources _____ if _____ documentary P experiences _____ loss _____ sound?
 Should nearby _____ be _____ analyzing audio fluctuations _____ P?
 _____ need to _____ into interference _____ location _____ P experiences a _____ sound?
 _____ be _____ from _____ sources on _____ intermittent audio loss?
 _____ periodically experiences sound _____ alone, can we _____ nearby _____ sources _____ ?
 If _____ experiences a periodic _____ alone, _____ need _____ into interfering sources?
 _____ a periodic _____ sounds alone, should we _____ interference sources _____ ?
 Should _____ be _____ the doc P sound _____ ?
 Do _____ to _____ interference sources near our _____ documentary P _____ a _____ sound?
 _____ look into _____ sources _____ the documentary P _____ of sounds alone?
 _____ our _____ P experiences _____ periodic loss _____ sound, do we _____ into _____ ?
 If our documentary P _____ can _____ look _____ interference _____ ?
 Do we _____ to look into _____ sources _____ a _____ of _____ ?
 _____ we _____ interference sources _____ P with _____ ?
 Do we _____ look _____ our location if P _____ a periodic _____ sound?
 Is _____ to _____ interference _____ near our location if the _____ have _____ ?
 Is _____ important _____ nearby _____ when _____ audio _____ in _____ P?
 _____ our _____ P _____ loss of sounds, _____ to _____ into interference sources.
 _____ nearby _____ at audio fluctuations in documentary P?
 _____ look into _____ if our documentary P doesn't _____ Sound?
 _____ investigate _____ that the sound disappears from _____ ?
 If P _____ sound alone, do we have _____ sources?
 _____ need to _____ interference _____ our location _____ P suffers from _____ alone?
 Is _____ to look into interference _____ near _____ location _____ documentary P _____ sound _____ ?
 _____ it necessary _____ take _____ interferences into the _____ documentary P?
 _____ it wise to _____ interference _____ our location if _____ experiences _____ of sound _____ ?
 Sound _____ disappear from _____ investigate nearby _____ ?
 Do _____ need to _____ into _____ our location if _____ suffers from _____ ?
 If our documentary P _____ loss _____ should we _____ looking _____ sources?
 If _____ loss, _____ we look at an _____ location?
 Is _____ a good _____ factor in _____ disruptions near _____ location if _____ intermittent sound _____ ?
 _____ consider an _____ location if _____ sound loss _____ the documentary?
 _____ it necessary to _____ interference for _____ sound loss _____ doc _____ ?
 _____ we _____ to look _____ near our _____ if P _____ quiet?
 _____ our _____ is _____ sound, is it _____ into interference sources?
 _____ we need _____ look into interference sources _____ our _____ P _____ sound _____ ?
 Is _____ to look at _____ sources near _____ location if _____ experiences periodic loss _____ ?
 _____ to look _____ interference sources if the _____ is _____ sound?
 _____ we need _____ look _____ interference _____ near _____ if P _____ periodic loss _____ sounds?
 _____ P experiences _____ loss of sound _____ should we _____ sources?
 _____ we consider _____ interference _____ the _____ has occasional _____ losses?
 _____ we _____ look _____ located near our _____ if _____ documentary _____ is losing sound?
 _____ documentary P _____ affected _____ nearby interference _____ ?
 If _____ experiences _____ loss of sounds alone, _____ need _____ interference sources _____ our location?

_____ nearby _____ soundloss in doc P?

Is _____ nearby interferences to be _____ into _____ issues _____ documentary P?

In _____ film _____ are local _____ sources responsible _____ instances _____ sounds?

_____ P experiences _____ periodic loss of _____ we _____ to investigate _____ sources _____ location?

Is it _____ idea to include _____ if P experiences _____ outages?

_____ we _____ nearby _____ sources _____ documentary _____ occasionally _____ sound loss _____?

Docu P keeps _____ checking those interference _____?

Is it necessary _____ into _____ sources _____ our _____ P is _____?

_____ possible _____ factor _____ nearby interferences _____ the _____ suppression of documentary _____?

_____ documentary _____ occasionally _____ loss alone, _____ should consider _____ sources.

Do _____ to _____ at _____ sources _____ our _____ order to _____ documentary P?

_____ we need to look into _____ sources near _____ location _____ experiences a _____ loss _____?

Sometimes _____ sound _____ should _____ nearby issues?

Is _____ necessary to _____ into _____ near our _____ if _____ documentary _____ losing _____?

Do _____ to look _____ interference sources _____ our _____ P with sound _____?

Is it _____ interference _____ P _____ a periodic loss _____ sound?

_____ we need to look into _____ sources close _____ if _____ experiences a _____ loss _____?

Is _____ possible that the _____ loss _____ be _____ by _____ interference?

If _____ P experiences _____ loss _____ sound alone, _____ near our location?

_____ we need to _____ into interference _____ to _____ documentary _____ with a _____ loss _____ sound?

Should we consider _____ sources _____ sound _____?

Is _____ necessary to _____ nearby interferences _____ of documentary P?

Is it a good _____ to _____ in _____ disruptions _____ location _____ the documentary _____ sound _____?

_____ documentary _____ experiences _____ of sound, _____ we look _____ interference _____ near _____ location?

_____ it _____ good idea _____ account for interference _____ us _____ is _____ absence in _____ P?

_____ sources _____ an _____ on doc P's _____ loss?

Do we _____ to look into _____ our _____ our _____ P _____ a loss of _____ alone?

If documentary P _____ sound _____ should _____ take interference sources _____?

Is _____ to consider _____ sources near _____ location if _____ P _____ loss _____?

Should _____ be blamed _____ doc _____ sound _____?

Do we have _____ near our location if _____ from a _____ of _____ alone?

Is _____ possible _____ of documentary _____ losing sound _____ assessing disturbances near _____?

If the _____ experiences _____ periodic loss of sounds alone, _____ interference sources near our _____?

_____ the doc P sound loss be _____?

_____ account _____ interferences in the intermittent silence _____ surrounding documentary _____?

_____ our documentary _____ experiences _____ of sounds _____ should we look into interference _____?

_____ it a good idea _____ factor in _____ near _____ location _____ documentary _____ P _____ intermittent _____ outages?

_____ has _____ audio, _____ the impact of nearby interference _____?

If P loses _____ sound _____ its own, should _____?

If documentary _____ loss of _____ we _____ for _____ near _____ location?

_____ documentary _____ a _____ of sound, should interference _____ be _____?

If _____ experiences a _____ of _____ will _____ need to look _____ interference _____?

Should _____ sources be considered _____ sound loss in _____?

During _____ absences _____ P, _____ we account _____ interference sources?

_____ documentary _____ experiences sound loss _____ shall _____ interference _____ considered?

We _____ to _____ sources if _____ documentary P experiences _____ loss _____ sounds _____.

If documentary P experiences a loss _____ be _____ nearby?

_____ we _____ to check out interference _____ near _____ P _____ small _____ of sound?

Sometimes _____ disappears from P, _____ investigate _____?

Is _____ interference sources if our _____ P experiences a loss of _____?

If _____ losing _____ do _____ need _____ look _____ interference sources near _____ location?
 _____ in nearby interferences into the _____ of documentary P?
 _____ need _____ look _____ sources if P _____ sound alone?
 _____ documentary _____ experiences _____ loss alone, are _____ interference sources _____?
 _____ our _____ P _____ of sound _____ do we need to _____ into _____?
 _____ it relevant _____ nearby interferences for _____ issues _____ faced by documented _____?
 _____ into interference sources near our _____ P _____ not making noise?
 _____ a periodic _____ sound, _____ should look into interference _____.

If _____ P experiences _____ loss _____ we _____ consider _____ sources.
 Is _____ necessary to _____ the intermittent _____ issues of documentary _____?
 _____ need to _____ into _____ sources _____ our location _____ the _____ does not have _____?
 _____ P sometimes experiences _____ alone, _____ we take interference _____ account?
 _____ we need _____ sources _____ documentary P experience a periodic _____ of sounds _____?
 _____ necessary to _____ into interference sources near _____ P _____ from _____ alone?
 _____ only _____ loss _____ in documentary _____ what's _____ of interference sources _____ by?

If _____ P _____ a periodic loss of sounds alone, do _____ to _____?
 Do _____ have _____ consider _____ if documentary _____ experiences sound _____?
 _____ documentary _____ experiences sound loss _____ we _____ interference sources into _____?
 Sometimes _____ P, _____ we investigate _____ issue?

Do we need _____ our _____ the documentary P is losing _____?
 Should _____ interference sources _____ documentary _____ experiences sound loss?
 What _____ sources _____ on _____ P's _____ audio loss?

Is it necessary to consider _____ location _____ occasional loss of _____?
 Should _____ concerned with _____ interferences causing _____ loss _____ doc _____?
 _____ the _____ P, should we investigate _____.
 _____ it worthwhile to _____ surrounding _____ cause documentary's _____?
 _____ documentary _____ loss of sound _____ sources near us?
 _____ documentary P sometimes _____ sound loss _____ should _____ sources into _____?
 _____ P experiences loss _____ sound _____ interference sources _____ considered?

Should _____ consider _____ sources _____ documentary P _____ loss?
 If P loses _____ sound on its _____ need _____ sources?

Is it a _____ idea _____ disruptions _____ our location _____ documentary piece _____ sound problems?
 _____ some interference _____ be _____ for sound _____ in _____?

If _____ has periodic _____ of _____ alone, should _____ sources _____ near _____?
 _____ need to _____ sources near our _____ our _____ P fails?

Do we need to _____ interference _____ our location _____ our _____ P _____ a _____ of _____?
 Do we bother _____ those interference sources when _____?

When docu _____ keeps _____ sound _____ we bother _____?
 _____ our _____ P _____ periodic _____ sounds, _____ need _____ look into _____ sources near our location.
 _____ be looked into because _____ local _____ interference.
 _____ we mind _____ for periodic sound _____ the _____ P?

"Do we _____ to look into interference _____ our location if _____ documentary P _____ alone? _____
 Do _____ have _____ into interference _____ P's sound alone?

Is _____ a good _____ to consider potential _____ our _____ if _____ experiences _____?
 Should _____ be attributed _____ nearby interferences?

Do we _____ to look into interference _____ sound?

Is _____ a good idea _____ factor in _____ near our _____ sound _____?

If the documentary P is _____ sound, _____ look at _____?

_____ our documentary P _____ of _____ we need _____ look into interference _____.

_____ sound _____ from _____ should we _____ issue nearby?

Is it _____ nearby interference sources _____ sound _____ doc _____?

Is _____ necessary to look _____ sources _____ location _____ our documentary P _____?

Is _____ a good _____ account for interference sources _____ absence in _____ P?

_____ we _____ look into interference sources if _____ get a _____ sound _____ our _____ P?

During intermittent sound _____ we _____ interference sources around us?

If _____ is _____ near our location, _____ look into interference _____?

_____ P experiences _____ loss of _____ do we need _____ interference _____?

Do we need to _____ into interference _____ P _____ a loss of _____?

Should _____ nearby interference _____ into account if _____ experiences _____ loss _____?

If P _____ sound _____ do we need _____ into _____?

_____ it _____ interferences causing _____ loss _____ doc P?

If _____ documentary P _____ a loss _____ look into interference _____?

If P suffers from _____ alone, _____ to look _____ sources?

Is it possible _____ our location _____ resolve episodes where _____ sound intermittently?

_____ to _____ into _____ if P doesn't _____ a sound?

Is it a _____ idea _____ factor in _____ the documentary _____ P experiences _____?

Do we _____ to _____ sources _____ docu P keeps _____?

If the documentary _____ sound _____ should _____ use an _____?

Is _____ good _____ account for _____ around us _____ sound absence _____ doc _____?

_____ it possible that _____ in _____ P _____ due to _____ of interference?

_____ our documentary P _____ from _____ of sound alone, _____ we _____ interference _____ near _____ location?

Do _____ to _____ into interference _____ location _____ documentary P experiences a small loss _____?

_____ it _____ to _____ nearby interferences _____ intermittent _____ issues _____ documentary P?

I wonder if we _____ for sound loss _____.

_____ sound _____ in doc _____ should we _____ for interference _____?

Should we _____ the _____ when Sound _____ P?

Do _____ bother _____ when docu P keeps _____ sound?

_____ P _____ a _____ loss of sound, _____ we _____ for _____ sources?

_____ it necessary _____ take into account _____ when we _____ sound _____ only _____ P?

_____ look _____ proximity-based _____ as a _____ of sound loss _____ doc _____?

If our documentary _____ sound, _____ we _____ into interference _____ near _____?

_____ we investigate _____ issues _____ Sound _____ from P?

_____ have to _____ into interference sources _____ our _____ P has a _____ of sound?

_____ only sound loss occurs occasionally _____ the documentary _____ is _____ of _____ by?

_____ interference sources the _____ of _____ instances of muffled sounds _____?

Is it _____ that _____ our _____ resolve episodes of documentary _____ losing _____?

_____ it _____ factor _____ nearby _____ intermittent _____ issues for documentary P?

Should _____ nearby interference sources into _____ when documentary _____ alone?

Is it _____ interference _____ near our _____ P is not _____ sound?

_____ it possible to resolve episodes _____ P _____ intermittently _____ looking at _____ location?

Is it necessary _____ near _____ location _____ P doesn't _____ right?
 _____ the sound _____ P _____ investigate the issue?

Is _____ for us _____ look into interference sources _____ our location _____ our _____ P _____?
 _____ we need _____ interference sources _____ location to _____ the documentary _____ a _____ of sound?

If _____ P _____ alone, should we _____ interference sources?
 _____ need _____ interference sources close to _____ documentary P with sound?
 _____ nearby interferences to _____ sounding issues faced by _____ undertaking?
 _____ P _____ loss, does _____ interference affect it?
 _____ into local _____ that affect docu P _____?

If our _____ P _____ loss of sounds alone, _____ to look _____.

Do we have _____ look _____ sources _____ location if our _____ sound?

Does _____ occasional _____ loss _____ documentary _____ to _____ interference?
 _____ sound _____ doc P, _____ interference sources be _____?
 _____ a periodic _____ of _____ alone, should we _____ into interference sources?
 _____ we _____ to _____ into interference _____ near our location _____ from a loss _____ Sound alone?
 _____ our documentary P _____ a _____ loss of sounds, _____ need to _____.

If our _____ experiences a _____ sound, do _____ need _____ look _____ sources _____ our location?

Sound disappears _____ should we look _____?

Is _____ idea to _____ disruptions near our _____ if _____ experiences intermittent _____?

Do _____ bother _____ check _____ sources if docu _____ keeps _____?

Do _____ need _____ near our location _____ P stops making _____?

Is _____ to look _____ proximity-based interference _____ a cause _____ loss _____ P?

Is it _____ to _____ of documentary P _____ sound _____ by _____?

Sometimes the sound _____ we investigate the _____?

_____ it necessary to factor _____ interferences _____ the intermittent _____ of _____?
 _____ we need _____ look into _____ sources _____ not make _____?
 _____ it possible that disturbances near _____ could _____ resolve _____ of documentary _____ intermittently?
 _____ P experiences _____ small _____ of _____ can we _____ interference sources?
 _____ suffers from _____ should we look into _____ sources?
 _____ documentary _____ occasional sound _____ should an _____ location be _____?

Do _____ need _____ look into _____ our location in _____ to _____ Documentary _____?

_____ we _____ an interference location _____ there's _____ loss in _____?

_____ need to _____ into account _____ that _____ in the documentary P?

Do _____ need _____ into _____ location if P _____ sound right?

If our _____ P experiences a _____ of sounds _____ interference _____.

If _____ a _____ alone we need to look _____ sources.
 _____ you think nearby interference _____ should _____ considered _____ loss _____ doc _____?

Should _____ at _____ issue _____ disappears from P?

Do _____ to _____ interference sources if P loses _____?

_____ it a good idea to _____ potential _____ location _____ experiences _____ sound problem?

Is _____ to consider nearby _____ when _____ fluctuations in documentary _____?

_____ interference _____ a factor for _____ loss _____ doc _____?

Sometimes the sound _____ from _____ look _____ it?

Should _____ P's _____ be _____ nearby interferences?

Do _____ look into _____ sources _____ location _____ P suffers _____ the loss of _____ alone?
 _____ experiences sound loss _____ should take interference sources into _____.
 _____ experiences a loss _____ sound alone, _____ need to _____ interference sources?

If P suffers _____ need to _____ into interference sources _____ to our location?
 _____ at proximity-based interference _____ the cause _____ periodic _____ loss _____ P?
 _____ we need to look _____ proximity interference as a _____ P?

Is _____ a _____ account _____ interferences causing sound _____ doc P?

Sometimes P's sound _____ look at _____?

When _____ fluctuations in documentary P, _____ nearby _____ considered?

_____ sound disappears _____ P, should _____?

_____ consider interference sources near _____ location if _____ experiences a loss _____?

Is _____ idea to account _____ interference _____ during occasional _____ in _____ P?

_____ interference sources _____ P be taken _____ account _____ sound _____?

If our _____ periodic _____ of _____ alone, _____ need to _____ interference sources

If P loses _____ we _____ to _____ interference sources.

Is it appropriate to factor in _____ our location _____ documentary piece _____?

If documentary P experiences _____ of _____ should _____ be near _____ location?

If _____ P _____ loss of sound _____ interference sources near _____?

_____ to look into _____ if our _____ P gets _____ of _____?

_____ it a good idea to _____ near our location _____ experiences sound issues?

_____ appropriate _____ interference _____ for sound loss in doc _____?

_____ to look _____ interference sources _____ are close _____ our _____ help _____ P?

When _____ occurs _____ in documentary P, what _____ the _____ sources _____ by?

_____ it _____ consider nearby _____ for sound loss in _____?

Is _____ factor in _____ silence of documentary _____?

Do we need _____ look into _____ documentary _____ isn't making _____?

_____ it _____ consider _____ near our location _____ documentary P has _____ of _____?

_____ sources be considered _____ sound loss in _____?

Is _____ possible to resolve _____ where _____ P _____ if _____ assessed _____ near our _____?

Is it possible to explain _____ documentary _____ nearby _____ of interference?

Do we _____ to take _____ any local _____ might _____ recurring _____ for documentary P?

Do we _____ to _____ interference _____ our location if _____ P _____ from sound _____?

Do we _____ to take _____ that _____ affect the _____ for _____ P?

_____ documentary P _____ a loss _____ alone, should _____ look _____ interference _____?

_____ our documentary _____ loss of _____ alone, _____ look into interference _____ nearby?

Is _____ take into _____ local _____ that _____ explain the recurring _____ in _____ for documentary _____?

Is _____ necessary _____ in _____ into the _____ concerning documentary P?

_____ we need to _____ a reason for sound _____ doc P?

_____ periodic _____ absences _____ P, should we account _____ sources around _____?

_____ documentary _____ loss _____ sound alone _____ we consider interference _____?

Is it _____ potential disruptions near our _____ experiences _____ sound disruptions?

If P _____ Sound _____ should we _____ into _____ sources?

_____ experiences a loss _____ sound alone, should _____ near our _____?

_____ wondering if we _____ into _____ sources _____ location to help _____ P.

Do _____ need _____ look _____ interference _____ location _____ aid the documentary _____?

_____ we bother _____ when _____ keeps losing sound?

If _____ experiences periodic _____ of sound _____ we consider _____ nearby?

Do _____ to _____ sources if our _____ P _____ have _____ sound.

Should _____ at _____ nearby _____ when _____ P sound _____?

_____ documentary P experiences _____ loss of _____ need _____ look into interference sources _____ our _____.

Is it relevant _____ explore nearby _____ to resolve _____ sounding _____ undertaking?

When _____ P's _____ loss should local _____?

If _____ suffers from _____ alone, _____ look _____ interference sources nearby?

Is there _____ chance _____ look into interferences _____ sound?

We need _____ look _____ interference _____ P experiences a small loss _____.

Would _____ sources _____ the _____ loss in documentary P?

Does _____ to _____ in potential _____ near our location if P _____?

Do we need to _____ at _____ for _____ doc _____?

If _____ from _____ of Sound alone, do _____ need to look _____?

_____ consider the proximity _____ interference sources _____ P _____ sound issues?

Is exploration of _____ interferences _____ for resolving _____ issues faced _____?

_____ we need _____ interference sources near _____ to help _____ film _____?

_____ we need _____ interference sources _____ has a small loss of _____?

_____ we need to look _____ interference _____ our location to _____?

If P loses _____ sound, do we need _____ sources _____?

Should we investigate a _____ issue _____ from _____?

Do _____ to look _____ interference sources _____ our location to _____ the occasional sound _____?

Do _____ need to _____ sources if _____ documentary P _____ a _____ of _____?

Is there interference _____ by that _____ intermittent _____ failure _____?

Is it _____ to _____ interference sources near our _____ P _____ have _____?

Do we _____ to look _____ sources _____ our documentary _____ able _____?

If _____ documentary _____ is losing _____ do we _____ look _____ interference _____?

_____ we _____ to account for _____ cause _____ loss in doc _____?
