

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub-Category	Green Energy Certification
Description	Customers seek information regarding the certification process and requirements to ensure that the electricity they are receiving is sourced from renewable energy technologies and meets recognized environmental standards.
Data Size	7,013 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How can ____ verify that ____ from you comes from ____?

____ possible to ____ whether or not ____ comes from friendly ____?

____ your electric ____ renewables?

____ verify that the electricity you ____ from ____ energy?

____ the ____ from renewable energy?

____ electricity you ____ eco-friendly?

Is ____ possible ____ if my ____ from ____ sources?

Is there a way to ____ that ____?

I would like ____ your ____ comes from ____.

Is there a ____ that my energy ____?

____ know if ____ from ____ company is made from renewable sources.

I ____ to ____ if the ____ is ____ renewable energy.

____ power ____ clean sources?

____ give ____ that ____ used clean power ____?

____ a ____ confirm that ____ energy ____ is green?

____ can green power ____?

____ that my electricity is ____?

I am ____ if ____ current reaching ____ to renewable sources.

Can ____ certain that ____ power ____ is made only ____?

____ able ____ provide ____ that ____ renewable energy technology?

I ____ to know if ____ get electricity ____.

____ electricity ____ receive ____ renewable energy?

I would ____ to ____ if your energy ____ generated ____.

Is ____ energy ____ you come from ____ sources?

Can you ____ proof that ____ sources?

____ cannot tell ____ my power ____.

____ you ____ me ____ your electricity ____ renewable tech?

____ the ____ of ____ tech confirmed in ____?

____ do ____ determine if ____ electricity ____ green- ____?
 ____ I find ____ my power is ____ renewable?
 ____ you ____ your electricity ____ made from renewable ____?
 ____ assure ____ electricity is made from renewable ____?
 Can ____ me if the electricity ____ comes from ____?
 ____ to know ____ you have any means ____ of my ____ renewable ____.
 Is ____ possible to find ____ if ____ is ____ by ____?
 I am wondering ____ me that my ____ is ____.
 ____ possible to check ____ my ____ with you?
 Is it possible ____ if my electricity ____ renewable ____?
 ____ like ____ know ____ you ____ renewable energy for ____ power.
 ____ like ____ the power ____ provide ____ from renewable sources.
 ____ you ____ I am ____ electricity from ____ sources?
 Can ____ if ____ power ____?
 ____ I ____ if ____ green-energy produced?
 ____ sure ____ I be ____ power supply is ____ sustainable ____?
 How ____ ensure that ____ get ____ derived ____ renewable sources?
 ____ the ____ deliver ____ renewable?
 I ____ if you ____ that your ____ comes ____ renewable energy ____.
 ____ like ____ whether sustainable energy ____ to supply my ____ needs.
 Is ____ determine ____ my electricity ____ a renewable source?
 ____ you able ____ provide electricity from ____?
 ____ want ____ know ____ the ____ I ____ from you is generated ____.
 Is it possible ____ figure ____ if ____ is ____ sources?
 Is ____ for me ____ ensure ____ is renewable?
 Can you ____ me ____ the energy I ____ sources?
 How can I ____ electricity ____ is renewable?
 ____ a way ____ sure that ____ electricity ____ renewable.
 ____ possible to assure ____ my electric ____ sustainable?
 I want ____ know ____ from your ____ generated using renewable sources.
 Do you ____ the ____ get is from ____?
 ____ need to ____ if ____ electricity ____ receive ____ from ____ technologies.
 Do my ____ come from ____?
 ____ able ____ say your ____ is ____ from ____ tech?
 ____ possible ____ confirm if the electricity comes ____?
 ____ any way you ____ make ____ that the ____ derived from ____ sources?
 Is your electrical ____ renewable ____ or ____?
 ____ want to ____ if your ____ renewable ____ sources.
 ____ you provide a ____ the ____ of ____ supply?
 Is ____ a ____ that ____ is ____ from sustainable technologies?
 ____ it possible ____ check if the ____ is ____?
 Is it possible to ____ my ____ generated ____ renewable ____?
 Are ____ power ____ renewable ____?
 ____ a way ____ check if your ____ renewable?
 Is ____ a way to ____ energy ____ renewable.
 Is it ____ to ____ electricity ____ entirely from renewable ____?
 Can ____ that ____ power delivered ____ renewable?
 ____ to confirm your energy source ____ renewable.
 Is ____ possible to verify ____ receive comes ____ sources?
 Is it possible to know ____ is generated ____ renewable ____?

Is _____ possible to _____ of my _____ it _____ renewable?

How _____ if you have _____ renewable _____ of _____?

_____ put _____ place to _____ sure that _____ electricity comes from progressive, _____?

_____ I _____ that your _____ is renewable?

Is _____ that _____ comes from _____ sources?

_____ want _____ know _____ can check if _____ energy is _____.

_____ if you _____ renewable power?

Is _____ determine _____ electricity _____ generated entirely from _____ sources?

Can _____ clean _____ of _____ electricity?

_____ want _____ know _____ the energy _____ buy from _____ is _____ sources.

_____ would like _____ know _____ energy I _____ from your _____ is from _____.

I would _____ to know _____ energy is being _____ supplying _____.

_____ certain that _____ electric _____ from renewable sources?

_____ electricity I _____ derived _____ renewable _____?

_____ your energy source _____ renewable?

I _____ to know if the _____ your company _____ renewables.

_____ the _____ receive made _____ renewable _____?

I want to _____ how _____ the _____ I receive _____ renewable _____ technologies.

Is there any _____ to _____ sure _____ my _____?

How can I make _____ renewable?

_____ the power be proven _____?

_____ the _____ renewable sources?

_____ you any _____ my lights are _____ renewable _____?

How _____ power delivery?

_____ assure _____ that your _____ truly renewable?

Are _____ your _____ derives from _____ sources?

Can _____ verify that _____ electricity _____ sources?

Is _____ used for _____ power?

Do _____ electricity _____ from renewable _____?

_____ wonder if I _____ renewable _____.

Is it possible that _____ me is _____ energy?

_____ the energy _____ to _____ actually being _____?

_____ your electricity _____ from _____ technologies?

_____ I _____ if _____ from _____ sources?

_____ would _____ to _____ electricity is from renewable resources, please.

Can you _____ me _____ the power _____ from renewable _____?

Is _____ to _____ whether or not _____ power _____ sources?

_____ do you ensure _____ electricity _____ get _____ generated _____ sources?

_____ you guarantee your _____?

_____ it _____ to know _____ electricity is generated _____ renewable _____?

Is _____ energy _____ from eco- _____?

I question if you _____ renewable _____ for _____.

Is _____ a way _____ my _____ is made _____ sources?

Is _____ possible to confirm _____ the _____ receive comes from _____?

Is it _____ to _____ whether _____ not _____ a green source?

Can I _____ energy _____ getting _____ eco-friendly?

How _____ if my _____ is renewable?

Is it possible _____ determine _____ received electricity _____ from _____?

Is _____ way _____ verify whether or not _____ renewable?

Will I _____ able to check _____ the _____ sources?

____ do I ____ if my ____ actually ____?
 ____ the ____ I purchase from ____ company ____ generated ____ renewable sources.
 Is ____ by ____ sources?
 ____ know whether ____ electricity is ____ by ____ means?
 ____ confirmation of the ____ of ____ my electric ____?
 ____ can ____ taken ____ ensure that received ____ comes from ____ technologies?
 How ____ you ____ the electricity ____ is derived from ____?
 Are ____ to tell if the ____ from ____ sources?
 ____ you ____ evidence ____ power sources?
 ____ providing ____ from renewable ____ technologies?
 Evidence ____ using clean power ____ give ____?
 I ____ to ____ if there ____ my electricity is renewable.
 ____ your power supply is ____ from sustainable technology?
 ____ there ____ way to ____ that ____ electricity ____ is derived from renewable ____?
 ____ of ____ electrical supply guaranteed?
 Is it possible ____ tell ____ the electricity ____ receive ____ renewable ____?
 Is ____ possible ____ to guarantee your electricity ____ tech?
 Can ____ tell me ____ my ____ from renewable ____?
 ____ would ____ the use of sustainable ____ in ____ needs.
 ____ it ____ determine whether ____ not supplied ____ comes from ____ option?
 How do you make ____ comes ____ sources?
 Is ____ certain that ____ electric ____ reaches ____ the ____ sources?
 ____ are you ____ to ____ sure my electricity ____ derived ____?
 Can you ____ if the ____ you ____ green?
 How ____ I tell if ____ power ____ provide ____ renewable ____?
 ____ possible to ____ the electricity comes ____ renewable ____?
 Do I know ____ my ____?
 ____ it ____ whether or not supplied power comes ____ environmental ____?
 ____ would ____ know if sustainable ____ is ____ to ____ electric needs.
 ____ it ____ use of ____ for ____ power?
 I ____ like to ____ get your electricity ____ sources.
 ____ the electric ____ reaching ____ come ____ sources?
 ____ tell ____ if the power ____ provide is ____?
 Can ____ tell me ____ the ____ I receive ____ resources?
 ____ measures ____ to ____ sure the ____ I get ____ from renewable ____?
 Did ____ the power ____ sources ____?
 Are ____ use of renewable energy ____?
 What ____ do to ____ your energy ____ as ____?
 I ____ like to ____ verify ____ electricity comes ____ renewable ____ please.
 ____ am ____ if ____ comes ____ renewable sources.
 ____ it certain ____ electric current ____ get comes from ____?
 ____ can ____ to ____ sure ____ is green power ____?
 ____ want ____ know ____ the ____ electricity ____ green-energy.
 ____ I make sure that ____ clean sources?
 ____ do I ____ if ____ power ____ provide is ____ a ____?
 ____ power ____ renewable-based
 Are the ____ you ____?
 What ____ the measures ____ take ____ sure ____ the electricity I ____ from ____?
 I need ____ if ____ from renewables.
 ____ I ____ coming from ____ energy?

_____ the power _____ from _____ ?

Is _____ to know _____ the electricity I _____ ?

_____ possible _____ verify whether or _____ is renewable?

How _____ one determine if or _____ comes _____ green _____?

I need _____ if the electricity _____ is _____.

Is _____ to _____ if _____ not _____ comes from a _____ option?

_____ you tell _____ electricity is _____ from _____ sources?

Do you know if _____ electricity I receive _____?

How can _____ electricity _____ receive is from renewable _____ technologies?

_____ the _____ electricity _____ green-energy generated.

How _____ I _____ if _____ electricity _____ receive is _____ energy?

_____ my _____ derived _____ renewable _____?

I _____ to know _____ you _____ a way to _____ my electricity _____ resources.

Can you tell me _____ the _____?

Is _____ determine whether or _____ power is _____ green sources?

_____ can _____ done to ensure _____ green power _____?

I want _____ if your electricity came _____.

_____ there _____ way _____ determine _____ my electricity _____ by renewable _____?

_____ that _____ electricity I receive _____ from renewable _____?

_____ to _____ the power _____ from renewable sources.

Is _____ to _____ if my _____ is renewable?

Can _____ confirm your _____ source _____?

_____ I find _____ if the electricity was _____?

Can you _____ me _____ the electricity _____ receive _____?

_____ I _____ my _____ is _____ renewable?

_____ it _____ determine _____ supplied power comes from eco-friendly _____?

_____ make sure that the _____ I receive comes _____ sources?

Can _____ vouch _____ green _____ energy?

_____ you _____ your _____ really from _____ tech?

_____ do _____ the _____ is green energy?

Is the _____ have from _____?

Are _____ energy _____ from you _____?

_____ am not _____ reaching me stems _____ renewable energy.

_____ possible _____ confirm _____ I receive is eco-friendly?

_____ it possible _____ proof _____ energy supplied is _____?

Is there _____ way to verify _____ supplied _____ renewable _____?

_____ possible to _____ my electricity is generated entirely _____?

_____ proof that my _____ powered by _____ sources?

How _____ I _____ out your _____ renewable?

_____ want to _____ can give me means of verification _____ electricity from _____.

_____ you _____ that _____ electric _____ is _____ in a _____ manner?

How _____ that the electricity I _____ comes from _____ sources?

I _____ if the _____ reaching _____ stems from _____ sources, _____?

Can _____ confirm _____ clean sources?

I _____ like to know _____ usage of sustainable energy in _____.

How _____ I _____ if _____ power _____ truly _____?

_____ electricity come from _____?

_____ tell me if _____ electricity I _____ made _____ energy?

_____ can _____ not _____ power is _____ a green source?

_____ you _____ the _____ from clean _____?

What can ____ do ____ energy source is ____?
 I need ____ know ____ power ____.
 ____ am wondering if ____ is ____ and from ____.
 ____ possible to ____ if ____ electricity ____ from renewables?
 ____ it ____ power you give is from ____?
 ____ interested ____ knowing if the ____ I purchase is generated ____.
 How ____ is ____ that your ____ made ____ sustainable technologies?
 Can ____ if ____ energy is ____?
 ____ your ____ exclusively ____ renewable ____ sources?
 I want ____ electric current reaching ____ stems from ____.
 I want ____ if the electricity ____ is ____ energy.
 Does ____ power ____ get ____ sources?
 ____ can we ____ sure ____ get green ____?
 ____ possible that ____ electric current ____ me is ____ renewable sources?
 Are ____ sure ____ electric supply is generated ____ sustainable ____?
 Does the ____ am ____ from ____ sources?
 Is ____ determine ____ the power comes from something ____?
 ____ electricity ____ get come ____ renewable source?
 ____ the electricity ____ from ____ sources?
 How sure is ____ your ____ supply ____ from ____?
 Did ____ of sustainable electrical ____?
 Can ____ tell you ____ your ____ comes ____ clean ____?
 ____ possible to ____ electricity came from a renewable ____?
 I ____ if sustainable ____ used to ____ my electric needs.
 I ____ means ____ proving ____ electricitiy ____ from renewable resources.
 ____ it possible for ____ to ____ electricity through my ____?
 ____ to prove ____ the power delivered is ____?
 ____ want ____ know ____ or ____ my ____ comes from renewable ____.
 ____ your electrical ____ on renewable ____?
 ____ you ____ renewable ____ to power ____?
 ____ me ____ power is renewable?
 ____ you tell ____ if ____ I ____ is ____ renewable sources?
 How do I know ____ the energy ____?
 Can you tell ____ use ____ sources?
 Can ____ sure that your ____ truly ____?
 ____ prove that ____ is renewable.
 What ____ you ____ to make sure I ____ renewable ____?
 ____ guarantee ____ of sustainable electrical supply?
 Does ____ electricity come ____?
 ____ you vouch for ____?
 Is it possible ____ whether or ____ power comes from ____?
 ____ you using ____ energy ____ supply ____ power?
 ____ know if the ____ electricity ____ green-energy generated.
 ____ be sure that ____ I get ____ green?
 ____ to check if ____ is renewable ____ you?
 Can ____ confirm ____ source as ____?
 Can I be ____ electric ____ reaching ____ renewable sources?
 Is it ____ electric current ____ from renewable ____?
 Is my ____ source?
 How do ____ know ____ power you ____ is ____?

I wonder _____ is from renewable sources.
 _____ electrical service _____ renewables?
 Is it _____ to _____ that _____ electricity _____ clean _____?
 _____ from you from green sources?
 How _____ I _____ I get is derived _____ sources?
 How can _____ make _____ the _____ receive _____ renewable?
 _____ to ensure that _____ I get is from _____?
 I want _____ know _____ my electricity _____ from _____.
 _____ you sure _____ the source of the _____?
 _____ you give _____ proof of _____ power _____?
 How can I _____ my _____?
 _____ way to _____ all the energy received is _____?
 _____ you _____ that the _____ is _____?
 _____ the power from _____ sources?
 _____ possible to _____ if my electricity _____ renewable resources?
 _____ tell _____ my energy is _____ with _____?
 Is _____ to know if my electricity _____ sources?
 _____ there a _____ to verify _____ my energy _____?
 Are _____ sources from _____?
 How do _____ source _____ renewable?
 I would _____ to know _____ verify _____ my electricity comes _____.
 _____ to verify _____ the electricity is _____ sources?
 Is _____ to _____ sure that the _____ I _____ is _____?
 _____ a way _____ check for the green _____?
 I'd like _____ know if _____ with you.
 _____ the power _____?
 Is it _____ know if _____ electricity _____ was generated _____ means?
 Does _____ that _____ get _____ from renewable _____?
 Is it possible to _____ whether _____ power _____ from _____ green _____?
 _____ I be certain that _____ is _____?
 _____ to _____ the electricity comes from _____?
 I _____ the electric _____ comes from _____ sources, right?
 _____ ways _____ check if my energy _____ renewable?
 Do _____ know _____ the _____ I receive _____?
 _____ that my electricity _____ renewable?
 I wonder _____ way _____ make sure _____ electricity _____ renewable.
 Is _____ comes _____ renewable energy _____?
 _____ like to know if _____ from _____ sources.
 _____ to _____ that the electricity _____ receive is renewable?
 _____ I _____ if _____ is _____ generated?
 _____ electricity _____ and from _____ sources?
 Is it _____ your _____ is actually from _____?
 Is _____ to _____ if or not _____ power comes _____ green _____?
 _____ sure _____ the electricity I receive _____ renewable sources?
 _____ do _____ determine if _____ power _____ generated?
 Can _____ you have _____ energy source _____ is _____?
 Is _____ possible to _____ electricity _____ generated by renewable _____?
 How _____ I confirm _____ your _____ renewable?
 _____ that your electricity _____ from renewable _____?
 _____ verify that my _____ electricity is renewable?

_____ supply sustainable _____?
 _____ want to know _____ your power comes _____.
 _____ I _____ to _____ if the _____ green-energy generated?
 What _____ can _____ comes from progressive, green technologies?
 _____ your _____ rely on renewable _____?
 _____ it possible to _____ the energy _____ is _____?
 _____ there a _____ ensure my _____ renewable?
 _____ a way to ensure _____ my electricity?
 _____ you confirm _____ the _____ I _____ is _____?
 _____ it possible to _____ the origin _____ electricity _____ sure _____ renewable?
 _____ I determine if my electricity _____ entirely _____?
 How _____ know _____ electricity _____ green-energy?
 _____ you tell me if _____ you deliver _____?
 Are _____ powered by _____?
 _____ you _____ my electricity is from renewable resources?
 _____ can I make _____ electricity _____ get _____ from renewable _____?
 _____ I be _____ your _____ supply _____ only _____ sustainable technologies?
 I want _____ energy _____ renewable.
 _____ be sure _____ electric _____ is coming from _____ sources?
 _____ you know if _____ is made from renewable _____?
 _____ am wondering if there _____ a way to _____ my _____.
 I _____ know if _____ energy _____ purchase _____ using renewables.
 _____ the _____ get _____ the renewable _____?
 What are _____ make _____ my _____ is from renewable _____?
 Is it possible _____ know _____ is _____ generated by _____?
 _____ I _____ if your energy source _____ renewable?
 _____ if you can assure _____ that your _____ sources.
 _____ i get from _____ sources?
 _____ it _____ to confirm use of _____ tech _____.
 _____ power coming _____ sources?
 Measures that help _____ electricity comes _____ progressive, _____?
 Does anyone _____ proof _____ are powered _____ renewables?
 _____ energy being _____ my power?
 Could _____ the _____ I purchase is generated using _____?
 _____ the power _____ clean sources?
 _____ the energy _____ from you _____?
 _____ it _____ determine if or not _____ comes _____ friendly options?
 _____ it possible to tell whether _____ generated _____ renewable _____?
 _____ you _____ proof _____ power is renewable?
 What _____ I _____ your energy _____ is renewable?
 How _____ that the _____ I get is _____ from renewable _____?
 Can _____ prove _____ power sources?
 Is _____ possible to _____ that the _____ comes _____?
 _____ certain that the electric _____ from renewable sources?
 Is _____ certain _____ the _____ current reaching _____ is _____ to _____?
 How _____ I _____ the electricity _____ green-energy _____?
 I _____ if _____ confirm _____ electricity comes _____ clean sources.
 Is the energy _____ get _____?
 _____ know if the _____ I buy from your _____ is generated _____.
 Does my _____ come _____ sources _____?

Is ____ you using ____ power?

____ possible to ____ the electricity ____ from ____ sources?

____ verify ____ the ____ I receive from you comes ____ sources?

Am ____ able ____ my ____ is ____ with you?

____ know whether or not the ____ comes from ____?

____ tell ____ your electricity ____ generated from renewable ____ sources?

How ____ verify that you ____?

How can ____ if or not power ____ option?

____ can I know ____ receive ____ you ____ from ____ energy technologies?

____ you ____ your ____ comes from ____ tech?

____ get power from ____?

____ the ____ come ____ renewable ____?

Is ____ ensure ____ my electricity ____ derived from renewable ____?

____ you ____ the electricity I ____ renewable energy?

____ the ____ get ____ from renewables?

____ do I ____ if ____ electricity ____ energy?

How ____ I ____ the ____ from you ____ from ____ energy technologies?

How ____ make sure green ____?

How ____ I know that the electricity ____ you ____ from ____?

Is ____ possible ____ if my electricity ____ sources?

____ don't ____ your power ____ is ____ sustainable technologies.

Can ____ deliver be ____?

Can I ____ the electricity ____ from ____?

____ power comes from ____?

Can ____ assure ____ your ____ from renewable energy ____?

Can you ____ the energy I purchase is ____?

How can you ____ that the ____ I get ____?

____ if the ____ was green-energy generated?

____ you ____ electricity that ____?

____ you give us ____ using clean ____?

____ have a ____ the received ____ is ____ generated.

I ____ the electric current reaching ____ renewable resources.

What ____ the measures ____ take to ____ the ____ get ____ renewable sources?

I want ____ assure ____ your electricity comes from ____.

How can ____ tell the ____ your energy ____?

Do you know ____ electricity ____ made from renewable ____?

____ sure ____ current reaching me comes from renewable sources.

____ you sure ____ electricity ____ from renewable ____?

____ your electrical ____ rely ____?

Is ____ clean ____ by ____ sources?

____ can ____ sure that ____ I ____ from you ____ renewable sources?

____ would like ____ if the ____ reaching ____ from renewable resources.

Have you ____ my ____ powered ____ renewable sources?

You derive ____ clean sources?

Is ____ possible ____ whether ____ is generated ____ renewable sources?

____ I ____ to confirm that your electricity ____?

____ do ____ find ____ the ____ is green-energy produced?

____ sure ____ your ____ is truly generated from ____?

Can ____ proof ____ your green energy ____ legit?

____ verify your ____ is renewable?

Solid ____ about ____ supplying my electric needs ____ something ____ would ____.

____ determine if or ____ the ____ comes ____ green option?

____ there ____ to ____ my energy is renewable.

____ the ____ supplied ____ sources?

____ to know if the power ____ renewable.

I do not ____ if ____ reaching me stems ____.

____ it possible ____ power ____ clean ____?

____ would ____ check if ____ comes from renewable ____.

____ it possible ____ electricity ____ generated from renewable ____?

I wonder ____ renewable energy ____ power.

Is ____ a way to ensure ____ electricity ____ is ____?

____ if the ____ comes from ____ resources?

Can you tell me if ____ from renewable ____?

Can ____ that ____ power supply is made ____ sustainable ____?

I want ____ my electricity comes ____ clean ____.

Do ____ know ____ electric ____ generated sustainable?

Is ____ power ____ from ____ sources?

____ the ____ that ____ come from ____?

____ you prove that ____ renewable-based?

Is there a ____ I have ____ energy?

Do ____ a ____ check ____ energy is renewable?

____ wonder ____ I ____ electricity from ____.

Do ____ power ____ sources?

____ the power you deliver ____ renewable?

Are ____ ways to ____ my ____ is ____?

____ you ____ that ____ is renewable?

____ electricity ____ from ____ sources?

____ give me a way ____ check if ____ is ____?

____ there ____ to ensure ____ electricity?

____ the electricity I ____ renewable ____?

Can ____ prove that the ____?

____ not sure if the electric ____ me ____ from ____.

____ are ____ doing to make sure that ____ I receive ____?

Is ____ certain ____ the electric ____ reaching ____ is from ____?

____ if the ____ receive is from ____ energy?

I ____ curious ____ get ____ from renewable energy.

____ can I know ____ is ____ generated?

I want to know if ____ from renewable ____.

How can ____ be sure ____ derived from renewable ____?

____ you ____ way to see if ____ energy ____ you?

____ electricity ____ renewable sources?

Can ____ confirm ____ the electricity ____ renewable ____?

Can ____ me that your electricity comes ____ energy ____?

____ measures ____ be ____ to ____ received electricity ____ from progressive, green technologies?

____ you ____ your electricity is ____ from ____ tech?

____ the ____ from eco- sources?

Is it ____ to ____ sure ____ received ____ is ____?

I need means ____ of ____ from renewable ____ please.

____ show how the power ____?

I ____ if the ____ green-energy generated.

Can you _____ me _____ from renewable sources?

_____ electricity from _____ sources?

Will _____ be _____ show _____ the power is _____?

Do you _____ the _____ sources?

I want _____ know _____ electricity comes _____ sources.

Is it _____ electricity _____ a clean source?

Is it _____ your _____ derives _____ sources?

_____ your _____ userenewables?

Is _____ to _____ your _____ is renewable?

_____ you _____ our supplied _____ from _____?

_____ electricity I receivesourced _____ energy?

What _____ done _____ make _____ received electricity arises _____ progressive, _____ technologies?

Is _____ way _____ the _____ I receive comes from _____ energy?

_____ it possible _____ my electricity _____ from renewable sources?

Is _____ certain _____ the _____ the result of _____ sources?

_____ it _____ your electricity is _____ from renewable _____?

Is _____ something _____ can do to _____ renewables _____?

Is my _____ from _____?

Is it possible _____ electricity is generated by _____?

I don't know how to _____ power is _____.

How confident _____ be that your _____ made _____ technologies?

I _____ to know if _____ generated in a sustainable _____.

_____ if the _____ receive comes from renewable _____?

_____ sure that your _____ comes _____ clean sources.

Is _____ a _____ me _____ know _____ energy is renewable?

Are _____ your _____ derives _____ renewable sources?

Is _____ possible to _____ electricity comes from _____.

Is _____ a _____ power is renewable?

_____ there a _____ to ensure my _____?

Is it possible for _____ that your electricity _____?

Can you _____ power _____ deliver _____ renewable?

Is _____ possible _____ electricity is _____ from the _____?

I _____ that your energy _____ renewable.

I _____ not sure if _____ provide is _____ renewable _____.

Are _____ for _____ power?

Can I _____ out _____ the _____ is _____?

_____ can _____ green power delivery?

How _____ determine if your _____ energy _____ renewable?

_____ verify _____ the _____ I receive comes _____ renewable _____?

Is _____ possible _____ determine whether or _____ from sustainable _____?

Can you say _____ from renewable _____?

Will _____ be able to prove _____ power _____?

_____ do _____ whether _____ electricity is _____ generated?

_____ do I _____ if _____ received _____ green-energy generated?

_____ I _____ the electricity comes _____ renewable _____?

_____ it possible _____ not the power is derived _____ friendly _____?

_____ evidence _____ clean _____ sources are _____?

_____ don't know if the electricity _____ from _____.

Do _____ have _____ way _____ guaranteeing the _____ of _____ supply?

_____ anything _____ can do _____ sure that _____ electricity is derived from _____?

Can you _____ me if _____ is _____?

Do you provide _____ energy _____?

Are you _____ to assure _____ of sustainable _____?

_____ it possible to _____ if _____ has _____ generated _____ renewable _____?

Is _____ and renewable?

_____ prove that the _____ based?

How might one _____ if _____ the _____ a green _____?

_____ the electricity _____ get _____ from _____?

How _____ I _____ you have a _____ source?

_____ the _____ delivered is renewable?

_____ you _____ me _____ verify _____ electricitiy from renewable _____?

_____ you _____ that your _____ is trulysourced _____ renewable _____?

_____ would like to _____ energy _____ from you is generated _____ sources.

_____ you _____ my electric _____ is _____ in _____ sustainable way?

Is _____ that the _____ current _____ is _____ to _____ sources?

_____ confirm _____ electricity I _____ comes from renewable sources?

_____ have _____ way _____ know _____ my energy is _____?

_____ me _____ can verify that my _____ comes _____ renewable resources?

Is _____ any proof _____ your green _____ are _____?

_____ would _____ if sustainable energy _____ being used for _____ needs.

Did _____ from clean _____?

Is _____ possible to _____ my electricity has _____ sources?

Is _____ a _____ know _____ the _____ is eco-friendly?

Is it _____ for _____ your _____ is truly _____?

_____ possible that your electricity _____ renewable sources?

Is it possible to confirm _____ tech in _____?

_____ the electricity I _____ come _____ other than _____?

I _____ if _____ received electricity _____ generated.

_____ power delivered _____ renewable-based?

_____ wonder _____ electricity _____ from _____ sources.

If _____ renewable sources, _____ I check _____ out?

_____ anyone know _____ to _____ energy is renewable _____ you?

_____ any way _____ check if _____ energy is _____?

Can _____ assure me _____ comes from _____ energy _____?

_____ know if _____ power _____ is from renewable sources?

Do _____ if _____ is renewable based?

_____ curious if _____ I get is from _____.

Are you _____ the source of sustainable _____?

Is _____ possible _____ determine _____ not the _____ comes _____ eco friendly _____?

I need to _____ is _____.

Is there _____ my energy is renewable _____ you?

_____ electric current _____ me _____ to renewable _____?

I wonder how _____ source is renewable.

_____ want to _____ verify my _____ renewable resources.

How _____ I _____ certain _____ the energy _____ is _____?

_____ ways to ensure _____ renewable?

_____ there _____ way to prove that _____ electricity _____?

Is _____ possible _____ your _____ is _____ made from _____?

Can I find _____ electricity is _____ entirely _____ renewable _____?

I _____ know _____ to verify my _____ electricitiy _____ resources, please.

I don't _____ if the power you _____ .
 _____ you know if _____ receive is _____ renewable _____ ?
 Can _____ let _____ if my _____ supply is _____ ?
 Do _____ provide electricity _____ renewable energy technologies?
 How _____ make _____ that _____ electricity _____ receive comes _____ energy technologies?
 What should I do to make _____ that _____ sources?
 I would _____ to know if _____ my electric _____ .
 I need _____ if the electricity _____ receive _____ from _____ .
 _____ I know _____ the electricity I _____ from you _____ energy?
 _____ the _____ I get _____ clean _____ sources?
 I _____ know _____ my electricity is clean _____ renewable _____ .
 I _____ to _____ the electricity _____ from renewable _____ .
 I don't know if _____ is _____ renewables.
 _____ appreciate _____ if _____ could tell _____ how _____ verify _____ electricity is _____ resources.
 Is _____ that _____ truly from renewable tech?
 _____ possible _____ ensure _____ electricity _____ renewable.
 Is it possible _____ know _____ electricity _____ received is _____ ?
 Is my _____ sources?
 I don't _____ your electricity _____ energy sources.
 _____ electricity I get _____ from renewable sources.
 _____ would like _____ know _____ my electricity from _____ resources.
 Can you tell me _____ from renewable _____ ?
 Does _____ electricity I _____ from _____ ?
 Can you tell me _____ renewable sources?
 _____ know if it's _____ lights from renewable _____ .
 _____ it possible _____ electric _____ me comes solely _____ renewable _____ ?
 Can you be _____ that _____ is made _____ ?
 _____ provide _____ that _____ renewable?
 Does _____ energy _____ come from _____ ?
 _____ you be able _____ if my _____ renewable?
 Is it certain that _____ electric _____ the _____ of _____ resources?
 _____ possible to verify _____ the electricity _____ from _____ ?
 _____ can I figure out if _____ is _____ ?
 _____ need to _____ if sustainable energy _____ used _____ needs.
 Can there _____ a way _____ check _____ is _____ ?
 _____ would like to _____ electric current reaching me _____ .
 _____ know if the electricity _____ from clean _____ .
 _____ the _____ from renewable sources?
 _____ need means _____ my _____ electricity from renewable _____ .
 Can _____ demonstrate _____ the _____ is renewable _____ ?
 Is _____ to know _____ the electricity _____ generated _____ renewable means?
 Is there _____ way _____ determine if my _____ with _____ ?
 _____ know that you provide power from _____ ?
 _____ to know _____ provide is from renewable sources?
 _____ electricity is from _____ tech?
 _____ to derive _____ supplied power _____ clean sources?
 Is _____ a way for me _____ usage?
 _____ you _____ to _____ your electricity is _____ from renewable _____ ?
 _____ can I _____ out _____ energy _____ renewable?
 How _____ you make sure _____ electricity _____ get _____ derived from _____ ?

How do ____ know if ____ from ____ from renewable energy ____?
____ want ____ know ____ power you ____ from the renewable ____.
____ you tell ____ have used ____ power sources?
____ you supply electricity with ____?
Are you able ____ your ____ is ____ from ____ tech?
____ your electricity ____ sources?
Is ____ to give ____ that the ____ supplied ____ nature?
____ that ____ get ____ from renewable energy?
I am curious if ____ receive is ____.
Do ____ power ____ clean sources?
Do ____ that is from ____ technologies?
____ you give ____ it's ____ running my ____?
I would ____ to know ____ the energy ____ purchase ____ using ____ sources.
Is ____ power that ____ coming from ____?
How do I ____ is ____?
____ you ____ me ____ electricity is made from ____?
What are ____ sure that the ____ I ____ renewable sources?
Does your ____ resources?
____ you ____ electricity is derived from renewable ____?
Can I verify ____ I receive ____ renewable ____ technologies?
How can ____ be sure ____ the electricity ____ from ____ sources?
____ don't ____ how ____ confirm your ____ source ____ renewable.
Are ____ of sustainable ____ supply?
____ like to ____ if ____ is ____ with you.
Is it ____ know ____ electricity is ____ by ____ sources?
I want to know if the ____ renewable.
Can ____ confirm if the electricity ____ renewable ____?
How ____ I determine if ____ generated?
Is ____ possible you can ____ truly renewable?
I ____ know if ____ electricity ____ from ____ sources?
____ be a way to ____ if ____ energy ____?
Are you ____ to show that ____?
____ me that ____ comes from renewable ____ sources?
____ able to know if my ____ renewable?
I would ____ to ____ from renewable energy sources?
Will my ____ sources?
____ regarding the use ____ energy ____ my ____ needs?
Can ____ tell me if ____ power ____ is ____?
Is it ____ to ____ the electricity ____ received ____ renewable sources?
Is ____ energy I ____ you derived ____ sources?
____ know ____ the electric ____ reaching me ____ from ____ energy.
I ____ know if the ____ current reaching ____ renewables, ____?
____ make sure the electricity ____ get is ____ from renewable ____?
Is ____ electricity ____ from ____?
Is it ____ ascertain ____ or ____ supplied ____ green options?
Do ____ to check ____ my ____ is renewable?
____ can I ____ sure that you ____ energy ____?
____ certain ____ it ____ your power supply is ____ from ____?
____ possible ____ if my electricity is ____ by renewable ____?
____ want to be ____ that your ____ comes ____.

Is it possible that _____ electricity _____ truly _____?

How _____ know if _____ power _____ offer is _____?

_____ the power you give me _____ renewable sources?

How _____ I know _____ your power _____ is _____ technologies?

Does you guarantee _____ source _____?

I would _____ to _____ how to verify that the _____ comes _____.

How can I confirm your _____?

_____ that the _____ comes _____ clean sources?

I wonder if the electricity _____ is _____.

_____ you be able _____ tell me if _____ purchase _____ generated _____ sources?

Can _____ for greenenergy _____?

_____ you tell me _____ I _____ your company _____ generated using renewable _____?

Is _____ a _____ to _____ if my _____ is _____?

Can you _____ if _____ from a renewable source?

_____ do _____ sure _____ electricity I get is derived _____ renewable _____?

How _____ confirm _____ the _____ I get from _____ renewable?

Is there a _____ electricity _____ renewable?

_____ can I tell _____ you have _____ renewable _____?

Will _____ electricity _____ come _____ renewable _____?

_____ I _____ sure that _____ I receive _____ from _____ energy _____?

_____ determine whether my electricity was _____ by renewable _____?

Would it be possible _____ if _____ energy _____ renewable _____?

Can _____ tell me _____ theenergy _____ renewable _____ nature?

I _____ like _____ if the energy _____ produced using _____ sources.

Can _____ me that _____ only use _____ sources?

_____ vouch for the _____ green _____?

Is _____ to determine whether or _____ power _____ environmental _____ sources?

How _____ that _____ using renewable energy?

_____ if the power _____ give _____ from renewable sources?

How _____ I make _____ electricity _____ from renewable energy?

_____ want to _____ sustainable _____ is _____ used to _____ my electric _____.

_____ I _____ the received _____ is green-energy _____?

Do _____ eco- friendly _____?

_____ evidence that the power _____?

_____ was wondering if _____ from your _____ is _____ using renewable _____.

Is it possible to _____ my electricity _____ by _____?

Can you _____ know that your _____ from _____?

_____ you _____ sure the _____ I get comes _____ renewable sources?

_____ you demonstrate that the _____?

Where can _____ energy source _____ renewable?

Is the electrical _____ by _____?

_____ possible _____ confirm _____ your _____ comes from clean _____?

_____ want to know _____ the energy _____ purchase _____ your _____ is generated _____.

Is _____ to determine _____ not the power _____ from _____ sustainable _____?

_____ you tell me _____ your _____ from renewable tech?

Do you _____ my electric supply _____ a _____ way?

_____ know if _____ energy I purchase _____ your _____ is _____ renewable energy.

_____ do you _____ sure that the _____ get _____ derived _____ renewable sources?

_____ have any proof that _____ renewables running _____?

Is _____ to _____ if the electricity _____ is _____ by renewable _____?

Can _____ using clean power _____?

_____ your electricity _____ from _____ energy _____?

Can _____ know _____ the _____ is green-energy _____?

_____ that the power delivered is _____?

Is it certain that _____ electric _____ comes _____ renewable _____?

_____ from renewable sources?

_____ the green power _____ be _____?

Is there any evidence _____ sources?

_____ of using _____ sources _____ give me?

Is _____ to _____ electricity comes from renewable _____?

_____ would _____ to know if _____ buy is generated _____ renewable _____.

What measures _____ you take _____ that _____ electricity I _____ renewable?

Is it possible to _____ not the power _____ friendly _____?

Is _____ possible that _____ electricity come _____?

Is the _____ us _____?

Is _____ electricity _____ get is from renewable _____?

_____ tell me _____ to _____ the electricity _____ resources?

Measures _____ guarantee that _____ electricity comes _____ environmentally _____ technologies?

Can you give me assurance _____ supply _____ in _____ sustainable _____?

_____ you have a _____ to _____ energy _____ with you?

_____ I make sure _____ energy _____ receive is _____?

Can _____ see if the _____ renewable _____?

_____ I _____ the _____ I receive from you _____ energy technologies?

_____ the _____ green-energy generated.

I wonder _____ from _____ sources.

I don't _____ how to determine _____ electricity _____.

What can _____ done _____ make _____ green power _____?

Can _____ tell _____ how sustainable _____ is?

How _____ I _____ the _____ comes from renewable _____ technologies?

_____ confirm your _____ of energy _____ renewable.

_____ if the received _____ is _____.

_____ would _____ it if _____ show me how _____ my _____ comes from _____.

_____ do _____ make _____ the _____ I get is _____ renewable _____?

_____ you have a way _____ determine _____ energy _____?

_____ would like _____ if _____ electricity comes _____ sources.

_____ it possible _____ your electricity _____ sources?

_____ do _____ know _____ the power _____ is from renewable _____?

Are you able _____ electricity _____ renewable _____?

How _____ make sure _____ energy source _____?

_____ to _____ if _____ I purchase is _____ using _____ fuels.

_____ you tell _____ power you _____ is _____ renewable sources?

Is _____ possible for _____ to ensure that the _____ renewable _____?

Can _____ me _____ the energy supplied is _____ in _____?

Is _____ way to determine if _____ renewable?

Does _____ energy _____ get _____ renewable _____?

Can you tell me _____ I _____ renewable sources?

_____ check if my _____ is renewable?

Are you _____ that _____ electricity is derived _____?

_____ your electricity _____ from _____?

_____ make sure _____ the electricity comes _____ sources.

_____ way to check _____ see _____ my energy is _____?
 Can you _____ that _____ electricity _____ tech?
 I _____ to _____ if the electricity _____ get _____ sources.
 What _____ you do _____ sure that the electricity _____ sources?
 Is _____ electricity from _____?
 Is _____ to _____ the _____ renewable tech in _____ electricity?
 _____ can _____ if the electricity I get from _____ sources?
 Can _____ that _____ is made from _____ energy sources?
 Is _____ to see if _____ electricity _____ renewable?
 _____ the electricity I _____ renewable _____ sources?
 How can I _____ I _____ electricity from _____?
 Is _____ to verify _____ origin of _____ electricity _____ ensure it _____?
 _____ I _____ if _____ is renewable?
 _____ it _____ your _____ is truly sources from _____?
 _____ be _____ that _____ supply is from _____ technologies?
 _____ the electricity _____ from _____?
 Can _____ proof _____ power _____ renewable?
 _____ I be _____ the electricity I receive _____ from renewable _____?
 Are you providing _____ technologies?
 _____ ensure _____ power delivery?
 How _____ I tell if _____ green-energy _____?
 _____ want _____ energy I purchase _____ your company _____ powered _____ renewable sources.
 How _____ can _____ your _____ supply is _____ sustainable technology?
 _____ you able _____ electricity _____ comes _____ renewable technologies?
 How do _____ the electricity _____ created?
 _____ it comes from renewable _____?
 I might be _____ to _____ your electricity _____ from _____.
 What can _____ done to make _____ that _____ arises _____ progressive, _____?
 _____ there _____ ensure that _____ electricity is renewable.
 _____ there _____ to see if my energy _____?
 Is _____ possible to _____ is _____?
 _____ supply electricity _____ renewable energy _____?
 _____ you _____ a _____ if _____ is renewable with me?
 _____ it possible that _____ electricity _____ Sources?
 Do _____ power from _____ sources?
 Are your _____ renewable tech?
 _____ need to _____ energy is used in _____ needs.
 Is _____ get from _____ from eco-sources?
 Is it _____ to _____ whether _____ supplied _____ friendly options?
 Can I confirm _____ from clean _____?
 Can I _____ you _____ from renewable _____?
 _____ you supplying _____?
 I _____ like to _____ is from _____ sources.
 _____ you prove that _____ renewable?
 Can _____ come _____ sources?
 Is _____ possible _____ electric current _____ me _____ sources?
 _____ you tell _____ if _____ isrenewable _____ you?
 How _____ I _____ that the electricity I _____ from renewable _____?
 _____ would _____ to know _____ your _____ derives _____ renewable _____.
 Is it _____ to _____ that the _____ renewable?

Can ____ tell ____ I get ____ from ____ energy.
 ____ power I ____ from ____ sources?
 ____ confirm if your ____ from clean sources.
 Is it possible ____ my ____ generated by renewable ____?
 ____ find out ____ power you give is ____ sources?
 ____ can I verify ____ is ____?
 Is ____ determine ____ the power is from ____ friendly options?
 I ____ be ____ that ____ electricity is from ____ resources, ____.
 ____ you ____ that ____ power is ____?
 Is ____ possible to ____ that the ____ get from ____ from ____ technologies?
 If the ____ from renewable ____ can ____ that?
 Is it ____ to tell ____ renewable?
 ____ get ____ from clean ____?
 Is there a ____ my ____ in a sustainable ____?
 Is ____ possible ____ determine ____ is green-energy generated?
 Is ____ ensure ____ power delivery?
 Do you know ____ comes from ____ sources?
 ____ to know if ____ I receive ____ from ____ sources.
 ____ show ____ if ____ energy ____ renewable with you?
 Is it possible ____ verify ____ comes ____?
 Do ____ electricity that ____ by ____ energy?
 ____ you ____ electricity ____ comes ____ technology?
 ____ your power ____ made from sustainable technologies.
 What ____ the ____ you ____ make ____ electricity ____ get is from renewable ____?
 Is it ____ that your ____ sources?
 ____ if the energy ____ from ____ company is generated using ____.
 ____ that ____ electric supply is ____?
 ____ would ____ to know if sustainable energy ____ for supplying ____.
 ____ want ____ know if ____ received electricity ____ generated.
 Is ____ exclusively derived ____ energy ____?
 Can you tell me if ____?
 How do ____ the green ____?
 ____ can I verify ____ is ____?
 Can ____ that the electricity ____ coming ____ sources?
 ____ electric service ____ energy?
 ____ whether ____ not the ____ comes from a ____ option?
 ____ you guarantee that ____ is made ____ renewable ____?
 I'm wondering if ____ renewable ____.
 Can ____ assure me that ____ renewable?
 Is the ____ from ____?
 ____ you ____ to say ____ your electricity is ____?
 ____ you derive the ____ sources?
 ____ I ____ for ____ about ____ use ____ in supplying my ____ needs?
 Is it ____ that the ____ me ____ from renewable ____?
 Is it possible to ____ or ____ the ____ options?
 Can you tell ____ the electricity ____ from ____ energy?
 ____ you ____ supplied power from ____?
 Is it possible ____ my electricity is ____ renewable ____?
 Is it ____ if ____ from renewable sources.
 ____ the ____ deliver renewable-based?

I _____ to _____ give _____ to verify that _____ electricity comes from renewable resources.
 Is the _____ current _____ sources?
 _____ make sure that the _____ I get comes _____?
 Can _____ if _____ power is _____?
 Are the _____ by _____ company sustainable and _____?
 _____ it possible to _____?
 Is _____ know whether the electricity _____ is _____ by _____ means?
 _____ you _____ electricity _____ renewable _____ technologies?
 _____ that power _____ renewable?
 _____ do you know _____ the _____ you _____ from renewable _____?
 _____ me _____ electric supply is generated _____ a sustainable _____?
 Are _____ assure _____ that your _____ from renewable sources?
 I _____ to _____ I _____ from _____ company is generated _____ renewable fuels.
 _____ you guarantee _____ your electricity is _____ renewable _____?
 _____ want _____ if _____ can _____ the source _____ sustainable electrical _____.
 Can _____ energy is _____ with you?
 Are _____ able _____ proof _____ the _____ supplied _____ renewable?
 Are you _____ electricity _____ only _____ energy?
 _____ the _____ from the eco- _____?
 I need _____ means _____ verification _____ my _____ renewable _____.
 _____ there a _____ to make sure _____ my received _____?
 Is it possible _____ to _____ if my _____ renewable sources?
 What measures _____ put in place _____ received electricity _____ from _____ technologies?
 _____ to guarantee _____ electricity comes from progressive, green technologies?
 Is there proof that _____ clean _____?
 How do _____ tell _____ green-energy?
 _____ the _____ receive derived _____ renewable _____?
 Is _____ certain _____ the electric _____ comes _____ renewable _____?
 Is _____ getting from _____ sources?
 Is _____ a way _____ that _____ I have _____ renewable?
 I _____ if the power you supply _____ renewable _____.
 _____ you derive _____ power _____ clean _____?
 _____ can _____ your source of energy is _____?
 _____ do I know _____ power _____?
 Can you _____ me _____ electricity is _____ by _____?
 I _____ to know _____ give me _____ to verify _____ electricity comes _____ resources.
 _____ can you _____ the _____ renewable?
 _____ the _____ I get coming _____?
 _____ it _____ you _____ your _____ is renewable?
 _____ I know _____ power is _____.
 _____ be _____ electric current _____ the result of renewable _____?
 _____ I _____ your electricity comes from _____ sources?
 Is there a way _____ make sure _____?
 _____ get your _____ clean sources?
 _____ the _____ I get from you _____ eco- _____?
 _____ would _____ to know _____ energy _____ being used in _____ electric _____.
 I am _____ if the _____ comes _____ renewable _____.
 _____ I _____ the power is _____?
 Can _____ tell _____ the energy _____ from your company is _____ sources?
 _____ do you make _____ that _____ electricity _____ from _____ sources?

____ it certain that ____ electric ____ reaching ____ is ____ of ____ energy?
 ____ you certain that your ____ sources?
 How do I ____ if ____ power is ____?
 ____ your ____ of energy is renewable?
 ____ way to check if ____ energy ____ renewable?
 ____ electricity ____ I get ____ renewable ____?
 Solid confirmation ____ sustainable ____ in ____ needs?
 Is ____ known ____ your ____ from clean ____?
 I ____ if ____ electric current reaching ____ from ____.
 ____ to know ____ energy received is green?
 Can ____ tell ____ power ____ receive is renewable?
 How can I ____ if ____ electricity ____ receive from ____ renewable ____?
 ____ you know if ____ power you ____ is ____ sources?
 Are ____ that the ____ sustainable electrical supply?
 Can ____ electric supply is generated in a ____?
 Does ____ have any ____ that ____ are ____ by ____ sources?
 Is ____ energy ____ from you ____?
 ____ it supplied ____ sources?
 ____ you ____ power delivery?
 ____ you ____ sure ____ electric supply is generated ____ a ____?
 ____ way ____ checking the green energy ____?
 ____ you ____ proof ____ using ____ power ____?
 Are ____ your electricity ____ truly ____ renewable tech?
 What ____ be done ____ sure ____ electricity comes from progressive, ____?
 Is it ____ use ____ renewable ____ in ____ electricity?
 ____ I use from ____ sources?
 ____ the ____ energy technologies ____ you ____ from?
 ____ there any ____ that your ____ renewable tech?
 ____ need ____ energy ____ buy ____ company is generated using renewables.
 ____ do you ensure ____ I ____ is ____ from renewable ____?
 How can ____ energy I ____ is eco-friendly?
 ____ there a way to make sure ____?
 ____ it ____ to ____ if ____ received is green?
 ____ you ____ that your electricity ____ renewable sources?
 ____ want to ____ energy I ____ from ____ is generated from renewable ____.
 ____ certain that your power ____ sustainable technology?
 ____ electricity ____ from renewable ____?
 Is ____ possible ____ to ____ if my ____ is ____ you?
 ____ possible ____ determine if my ____ is ____ renewable means?
 I ____ know how ____ tell ____ the ____ you ____ is ____ sources.
 Is it ____ that the electric ____ reaching ____?
 I ____ if sustainable energy is being ____ my electric ____?
 Will ____ electricity ____ energy ____?
 How ____ I ____ if ____ provide power ____?
 Can ____ tell ____ your electricity comes ____ sources?
 ____ I ____ you ____ clean ____ of electricity?
 ____ I ____ to know ____ my power ____ renewable?
 ____ using clean ____ can you ____?
 I need ____ way to verify ____ electricity is ____.
 ____ know if ____ electricity ____ receive comes from ____ technologies?

_____ a _____ to ensure that _____ electricity _____ get _____ derived from _____?

_____ confirmation _____ the use _____ energy for _____ electric needs.

Are _____ renewable energy _____ my _____?

_____ you sure _____ electricity comes exclusively _____ sources?

Is your _____ renewableenergy _____ my _____?

Can _____ be renewable-based?

_____ you _____ Renewable energy _____ my _____?

I want to _____ sustainable energy _____ provide _____ needs.

_____ you _____ me proof _____ electric _____ is sustainable?

Is _____ possible that the _____ I _____ from _____ renewable sources?

Can _____ verify that _____ electricity _____ from _____ renewable energy?

How do _____ my _____ isrenewable?

_____ that power delivered _____ renewable?

If _____ power _____ provide is _____ do _____ know?

_____ you sure that _____ electricity _____ energy sources?

_____ you supply _____ that comes from _____?

_____ it _____ determined _____ my electricity _____ by renewable _____?

_____ wonder _____ the electric _____ comes from _____ sources.

_____ I confirm _____ source is _____?

Is your _____ from _____?

_____ am in need of means of _____ electricity _____ resources.

_____ a _____ as _____ whether _____ electricity is renewable.
