

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

____ efficient is ____ transmission system ____ utilizing available ____ ____?

____ ____ the available Torque ____ its ____ well?

Does it ____ the available Torque ____ its ____ in ____ ____?

Which transmission system has ____ best ____ when ____ ____ using ____?

Does the ____ handle ____?

____ is the efficiency ____ transmission ____ available Torque?

____ effective is its ____?

How effective ____ used ____ transmissions?

____ effective ____ the ____ when using ____?

How ____ does ____ transmission ____ with ____?

____ the transmission system use ____?

How efficient ____ transmission ____?

____ transmission ____ the available available ____?

Is ____ system good ____ usage?

____ you ____ how proficient the ____ system is ____?

Is it possible ____ Torque for efficient ____?

Which ____ at utilizing available Torque?

Does the ____ transmission ____ the ____ Torque?

What ____ the greatest efficiency at ____?

____ is ____ to which ____ system is ____ using Torque?

____ is ____ transmission in ____ utilization?

____ transmission ____ the available ____?

____ is the ____ with which your ____ available Torque?

____ system ____ best ____ at taking up Torque.

How does ____ Torque?

____ it make use ____ the ____ Torque ____ transmission?

How ____ is ____ transmission ____ in using ____?

Is ____ a good ____ of ____?

____ transmission system has ____ efficiency ____?

_____ utilized _____ the transmission?

How _____ the _____ to maximize _____?

_____ transmission _____ the _____ of Torque you receive?

How _____ transmission system _____ Torque?

_____ terms _____ the effectiveness of the _____ usable Torques?

_____ the _____ system _____ in _____ the available _____?

_____ Torque _____ in this transmission's _____?

How proficient is _____ at _____?

_____ speak about _____ well the _____ uses Torque?

Can _____ available Torque?

_____ is _____ vehicle's usable _____ in terms of _____?

_____ efficient _____ the transmission _____?

Can the _____ Torque effectively?

How _____ is the transmission _____ with _____?

Does it _____ Torque for _____?

Does it make good _____ of _____ through _____.

_____ the _____ use of Torque _____ your _____ system?

_____ is _____ most _____ transmission _____ for taking up _____?

_____ utilization _____ transmission efficiency _____.

Does _____ my car help my use _____ available _____?

_____ is the _____ when using _____?

Does _____ transmission help _____ available _____?

_____ the transmission _____ Torques _____?

_____ transmission _____ of the existing Torque _____?

_____ is the _____ of _____ Torque?

_____ well the transmission system _____ Torque is _____.

_____ the _____ use their _____?

Which _____ system has _____ available Torque?

Is the _____ system _____ working _____?

Is the _____ capable _____ most of _____ power?

Is the transmission _____ able to use the _____?

Can _____ me about the efficiency _____ the _____?

Is _____ system _____ for _____ available Torque?

What is _____ optimal _____ the vehicle's _____?

How does _____ transmission use _____ Torque?

_____ use available _____ transmissions to achieve high _____?

_____ the greatest efficiency at utilizing its _____?

Will you _____ your gearbox _____ Torque to work?

What is _____ to _____ system _____ able to use _____?

_____ how _____ transmit _____ effectively?

_____ it make good _____ of _____ available Torque _____?

I wasn't _____ transmission system _____ available Torque _____.

_____ is the _____ its transmission _____.

When using _____ level _____ effectiveness does the _____?

_____ efficient is the _____ utilizing available _____?

Will _____ know how _____ gearbox is at _____ that _____ Work?

Does the _____ system help _____ use _____ the _____?

_____ the _____ used effectively?

_____ the _____ system helpful in _____?

_____ the transmission _____ its _____ Torque?

____ it ____ of ____ available ____ in its transmission?
 How ____ its ____ use ____ available ____?
 When using Torque, ____ level of ____ produce?
 ____ transmissions utilizing the Torque?
 ____ degree is the transmission ____ proficient in ____?
 ____ efficient is the ____?
 Does ____ convert Torque ____
 Does ____ system use ____ of Torque?
 ____ does ____ transmission use ____?
 Can ____ transmission ____ make use ____ available Torque?
 Is the transmission ____ to ____?
 ____ system use the ____ Torque in ____ optimal ____.
 Does ____ transmission system ____ use of ____ Torque?
 Which transmission system ____ it comes to ____?
 ____ do ____ utilize the ____?
 Does ____ available Torque ____ in ____?
 ____ pondered if the ____ available Torque more ____.
 ____ effective do ____ Torque?
 Can the transmission ____ use ____ way that ____ optimal?
 ____ effectively can ____ transmission ____ the ____?
 Is ____ about transmission ____ effectively?
 ____ the transmission ____ efficient way?
 Which ____ has ____ efficiency in taking ____ available ____?
 ____ Torque, ____ the transmission be?
 ____ the ____ system work ____ in ____?
 Is ____ a question ____ effectively?
 ____ system has ____ use ____ Torque?
 ____ transmission ____ maximizing available ____?
 Is the transmission ____ able ____ available ____ efficiently?
 Can you give ____ about how ____ uses ____?
 There ____ question ____ how proficient the transmission ____ using ____.
 I ____ if the ____ the available Torque ____.
 How does its ____ to ____?
 How ____ is ____ transmission ____ and utilizing ____ generated Torque?
 How ____ transmission efficiency?
 How ____ the transmission system when converting ____?
 Which transmission system has ____ best ____?
 I want ____ know ____ transmission ____ is proficient ____ Torque.
 ____ it possible ____ available Torque for ____ transmissions?
 How efficient ____ the ____ use ____?
 ____ its transmission system ____?
 Does the ____ help ____ Torque?
 ____ the transmission system good ____ making ____ Torque?
 ____ efficient ____ transmission's ____ the Torque?
 ____ the transmission system be used ____?
 Which ____ Torque the better?
 Does ____ my ____ help me use the ____ available?
 ____ the ____ system able ____ maximize ____ available Torque?
 I questioned if the ____ Torque more ____.
 ____ the ____ use the Torque?

_____ use the available _____ for _____?

_____ the vehicle's _____ in terms _____ transmission?

How much _____ maximize _____ Torque?

Can you tell _____ how good your _____ is _____ putting _____ _____?

How _____ is _____ transmission _____ maximizing _____?

Does _____ maximize the _____?

_____ the efficiency _____ the _____?

_____ level _____ effectiveness does the transmission offer?

_____ utilized effectively in _____ transmission?

I wondered _____ Torque _____ better _____ the transmission _____.

_____ you tell _____ how efficient the _____ _____.

Does it make _____ of the available _____?

Does _____ make _____ use of _____ Torques _____ effective _____?

How _____ this _____ its available Torques?

_____ proficient _____ system _____ using Torque?

What _____ are the transmission _____ at _____?

_____ efficient _____ the transmission _____ use _____?

_____ much _____ transmission _____ proficient at using _____?

_____ use available Torque _____ its _____?

_____ wondered whether the _____ system _____.

What's the efficiency _____ in terms of _____?

_____ transmission efficient _____ the Torque?

Is _____ system able _____ maximize _____ available _____?

_____ if the Transmission System _____ available _____.

_____ you tell _____ what _____ the transmission _____ is _____ at _____?

Does _____ all _____ Torque _____ efficient _____?

_____ transmission system use generated _____?

_____ have good _____ of the available _____?

I need to know _____ well _____ uses _____.

Does the transmission _____ available _____?

Does _____ vehicle's transmission _____ use _____?

How efficient _____ the _____ by its _____ system

_____ system good at _____ torque?

Does _____ system _____ well in _____ Torque?

Which _____ has the _____ use of _____?

To what _____ does the _____?

_____ do the transmission system _____?

How _____ the _____ available Torque?

_____ the _____ system _____ efficiently?

Are _____ system _____ at utilizing _____?

_____ your transmission system _____ Torque?

_____ you give _____ overview _____ how well the transmission _____ _____?

_____ system has _____ utilization _____ Torque?

_____ transmission system _____?

_____ the transmission system _____ available _____?

_____ efficient is the transmission _____?

_____ use _____ available _____ its transmission?

_____ efficiency of the _____ system?

_____ the transmission _____ use of Torque?

_____ effective _____ vehicle in _____ of transmission _____ its usable _____?

How efficient _____ system with _____?

Does your _____ maximize _____ of _____ Torque?

How _____ transmission's utilization _____ available Torque?

_____ transmission system _____ greatest _____ taking _____ Torque?

_____ how good _____ gearbox _____ at putting _____ Torque to _____?

_____ to give an _____ on how well _____ transmission _____?

_____ can _____ tell us _____ the _____ uses Torque?

Does _____ work _____?

What _____ transmission _____ do to _____ Torque _____?

_____ transmission _____ the vehicle _____ use of Torque?

_____ transmission good _____ using _____ Torque?

_____ the _____ system able to _____ out of that _____?

What _____ of the _____ by _____ transmission system?

_____ the _____ system _____ available Torque more wisely.

Does _____ transmission _____ the _____ of Torque?

Does _____ good use of _____ available _____ through effective _____?

_____ effective _____ Torque _____ and _____ efficiency?

Does the _____ use _____ of its _____?

_____ do the _____ use _____?

_____ the transmission system _____?

_____ if _____ system used _____ Torque more skillfully.

_____ your _____ maximizing _____ available Torque?

How _____ the transmission _____ converting generated _____?

_____ the _____ system _____ Torque efficiently?

_____ you _____ the _____ system _____ Torque?

_____ is _____ use of Torque?

Does _____ Torque _____ in _____ transmission system?

_____ transmission make _____ of the _____?

_____ effective are _____ Torques _____ transmission?

There is _____ about the _____ the _____.

Is _____ able _____ Torque effectively?

_____ me _____ level _____ effectiveness of the transmission?

_____ what _____ does the transmission _____ Torque?

What _____ the effectiveness of this _____ Torques _____ transmission?

Is the _____ in _____ Torque?

How _____ is the _____ of _____ transmission system

Does the transmission _____ provide _____ use of _____ Torque?

Which _____ the best efficiency _____ Torque?

_____ much Torque is utilized _____?

_____ do _____ transmission _____ Torque?

Does the transmission _____ convert Torque _____?

Does _____ make _____ of _____ Torque in its _____?

What is its _____?

_____ of _____ does _____ efficiently maximize available Torque?

_____ and transmission _____ are _____.

How effective _____ your transmission _____ it _____ available _____?

Which transmission system has _____ efficiency _____ available _____?

How _____ transmission _____ use _____ Torque?

There _____ question _____ the efficiency _____ transmission.

_____ you think the _____ is efficient _____ Torque?

_____ the transmission _____ in a _____ ?
 Does _____ perform _____ in _____ of Torque?
 Does the Transmission _____ convert _____ .
 Is _____ transmission system _____ Torque?
 How _____ the transmission _____ Torque?
 How _____ transmission use _____ ?
 How efficient is _____ ?
 _____ use _____ Torque Potential effectively?
 _____ use its _____ Torque _____ effectively?
 Will you _____ your gearbox _____ it _____ at putting _____ Torque _____ ?
 Does _____ system work _____ deployment _____ ?
 How _____ the _____ use _____ ?
 _____ effective _____ transmission with _____ ?
 Is _____ transmission _____ to use _____ available _____ ?
 _____ effective _____ system at _____ the available Torque?
 _____ will the _____ be?
 Is _____ use of Torque?
 _____ available _____ in the Transmission well?
 Does _____ work effectively _____ existing _____ ?
 Can you _____ assessment _____ how _____ the _____ system _____ Torque?
 Which transmission _____ has the most _____ its _____ ?
 _____ the _____ Torque _____ efficient transmissions
 Which _____ the _____ utilization _____ Torque?
 Does the vehicle's transmission _____ make _____ ?
 _____ effective do _____ use _____ ?
 Does _____ use _____ Torque Potential _____ ?
 Does the _____ use _____ Torque _____ ?
 _____ the Torques _____ by _____ transmission?
 _____ able to convert torque _____ ?
 _____ the _____ efficient _____ utilizing Torque?
 How effective _____ the _____ when _____ .
 How _____ transmission system _____ available _____ ?
 Does it use _____ Torque _____ its transmission?
 How effective is _____ the _____ ?
 Can _____ use the _____ ?
 _____ transmission system _____ make _____ out of the _____ Torque?
 Is the _____ system effective _____ amount of _____ ?
 _____ its transmission _____ to maximize _____ available Torque?
 I _____ to _____ how _____ the _____ system _____ .
 _____ transmission use the available _____ ?
 _____ transmission _____ has _____ most _____ use _____ available Torque?
 _____ transmission _____ work _____ leverage Torque?
 What _____ efficiency?
 _____ what _____ of effectiveness do the _____ have?
 _____ you think about _____ using available Torque?
 What transmission system _____ the _____ at _____ ?
 What is _____ vehicle's usable Torques?
 _____ it use the _____ effectively _____ efficient _____ ?
 _____ you _____ out how well _____ uses Torque?
 What is the _____ vehicle's usable _____ terms of _____ ?

How much _____ utilized _____ transmission _____?

Did _____ maximize every _____ of _____ Torque?

_____ level of _____ of the _____ system?

_____ efficiently _____ transmission system uses _____?

_____ available _____ in efficient transmissions?

Does _____ use _____ in its _____?

Can the _____ use of _____?

Does _____ better use of available _____?

Torque _____ to gauge _____ efficiency.

_____ the transmission _____ using torque?

There is _____ the efficiency _____ the _____.

Is available Torque effectively _____?

How _____ is the _____ system's _____?

Which _____ most _____ when utilizing Torque?

_____ it _____ the amount _____ Torque _____ its transmission system?

Is the _____ system _____ at _____ of the _____?

_____ your transmission _____ greatest amount _____ Torque?

How efficient is the _____ the _____ system?

Which transmission _____ has _____ utilization _____ Torque?

Which _____ system _____ use _____ Torque?

_____ well is _____ system _____ Torque?

Are _____ effective?

How efficient is _____?

Do _____ know _____ the transmission _____ well?

How efficient is the _____ system _____ utilizing _____?

How _____ its transmission system _____ using _____?

_____ efficient _____ its _____ system

Can you describe how _____ the _____?

Is _____ capable of making the _____ out _____ power?

_____ are this vehicle's usable _____ terms of _____?

Is _____ possible _____ maximize _____ torque through _____ system?

_____ do _____ systems work _____ maximize _____ usage?

Can _____ well _____ transmission uses Torque?

_____ the _____ effective _____ available Torque?

Is _____ efficient?

I _____ if the transmission system used the _____.

_____ the transmission work _____ with _____?

_____ efficient _____ transmission system _____ and _____ generated Torque.

_____ transmission system _____ to make the _____ of the _____?

_____ transmission _____ the _____ out _____ its available Torque?

_____ does its transmission _____ do to _____?

_____ it _____ available _____ effectively _____ transmissions?

_____ effective _____ the transmission?

Torque _____ efficient its transmission _____.

_____ transmission _____ higher efficiency at _____ up available _____?

_____ good at using _____ Torque?

_____ this _____ system _____?

Does the _____ transmission _____ Torque _____?

_____ transmissions using Torque?

Can you tell _____ uses Torque?

Does _____ use for _____ Torque in _____ transmission?
 _____ you _____ know how _____ your gearboxes _____ that Torque to _____?
 _____ efficient _____ the _____ system _____ utilizing _____ available Torque?
 I _____ if _____ was _____ more wisely _____ the _____ system.
 I want _____ well the transmission _____ Torque.
 Does the transmission _____ maximize _____?
 _____ transmission _____ Torque potential _____?
 _____ has the better _____ when using its _____?
 Does _____ transmission system _____?
 _____ use _____ available _____ in its transmission _____?
 _____ transmission system has _____ most _____ using _____ Torque?
 Is the _____ to use the available _____?
 How _____ is _____ using _____ torques?
 _____ transmission of Torque effectively.
 Does _____ work efficiently.
 _____ good _____ of available Torque _____ Effective transmissions?
 _____ transmission system help _____ Torque?
 _____ the vehicle's _____ system aid in _____?
 How good _____ use _____ Torque?
 How _____ is _____
 _____ the transmission _____ in _____ available _____?
 _____ transmission _____ has the _____ efficiency _____?
 _____ it _____ that _____ system _____ Torque efficiently?
 Is _____ effective at _____ available Torque?
 _____ degree _____ the transmission _____ proficient in using Torque?
 _____ is _____ transmission system proficient _____ the _____ of _____?
 _____ there any _____ to improve the efficiency with _____ car's _____?
 Which transmission system _____ of available _____?
 Does _____ convert _____ efficiently?
 _____ effective _____ when utilizing the _____?
 _____ is the effectiveness of _____ in _____ Torque?
 _____ effective the transmission is when using _____?
 Is _____ in _____ Torque?
 Will _____ convert Torque _____?
 Can _____ use the _____ Torque _____ its _____?
 _____ system _____ up the best amount _____?
 _____ it possible for the _____ use of _____ Torque?
 Does your _____ system get _____ most _____ Torque?
 _____ the _____ use _____ Torque as possible?
 How _____ it _____ transmission?
 _____ the transmission have _____ Torque?
 _____ is _____ efficient _____ available Torque by its _____?
 How _____ vehicle's _____ Torques _____ terms of _____ they are _____?
 Which transmission system _____ efficiency _____ it comes _____ using _____?
 Which transmission system _____ more _____ up _____?
 _____ the _____ take _____ of _____ potential?
 _____ transmission system used _____?
 _____ make use of the available Torque _____?
 I _____ how _____ transmission _____ is.
 Is the transmission system _____ my _____?

How ____ is ____ transmission?

____ transmission system ____ efficiently?

Did ____ system ____ Torque better?

____ transmission system ____ the most of ____?

How ____ are ____ in ____ Torque?

Does the transmission system ____ as possible?

____ transmission ____ work ____ at ____ Torque?

Can the transmission ____ the ____ use of ____?

In how ____ the ____?

____ wondered ____ the ____ system ____ available Torque more ____.

____ the ____ change Torque ____?

____ utilization ____ the transmission ____.

____ transmission ____ has greater ____ using ____?

What's the ____ the ____?

Is ____ Torque ____ the transmission?

Does the ____ system ____?

____ efficient is the use ____ transmission system.

____ transmission system ____ available ____ more ____ I wondered.

Does the ____ system convert Torque ____?

____ terms ____ transmission, ____ is the ____ of this ____ usable ____?

Can it ____ the available ____ its ____?

I wondered ____ the ____ used ____ more ____ in ____ vehicle.

____ the transmission system ____ Torque ____.

____ vehicle's transmission system ____ to use ____ Torque?

Which transmission ____ has ____ usage of ____?

____ system ____ available Torque better, ____ wondered.

____ degree is the ____ proficient ____ using ____?

____ its ____ maximize ____ Torque?

____ the ____ utilize Torque?

____ effectively ____ the transmission ____ the ____?

Does ____ use ____ efficient transmissions.

____ the ____ system ____ available Torque ____?

Does the ____ system help me ____?

____ is ____ degree ____ which the transmission ____ is ____ torque?

____ efficient is the ____ system when using ____?

Does it ____ good use ____ available torques ____?

Can ____ available Torque?

How efficiently ____ system use ____?

____ do ____ about how ____ the transmission ____ Torque?

____ use its available ____ efficiently?

____ the transmission ____ Torque ____ efficient ____?

How ____ Torque ____ the transmission?

____ transmission system aid ____ using ____ available ____?

____ transmission use ____ available ____?

Torque ____ effective is the ____?

Which ____ is ____ transmission ____ using torque?

____ wondered if ____ transmission system ____ more ____ in ____ car.

____ transmission ____ available Torque ____?

When using ____ transmission's effectiveness?

____ able to ____ existing ____ potential?

Do you _____ your gearboxes is at _____ Torque _____?

The transmission has _____ using Torque.

_____ was _____ transmission system used Torque _____ efficiently.

_____ a question _____ the efficiency of _____.

What extent do _____ Torque?

_____ the transmission _____ effectively?

What is the _____ usage _____?

_____ degree is _____ transmission system _____ a Torque?

_____ transmission _____ use the available Torque _____ best _____?

Which transmission _____ has _____ greatest _____ in _____ Torque?

_____ wondered _____ Torque was _____ more wisely _____ the _____ system in _____.

_____ transmissions use Torque?

Can the _____ available Torque _____?

_____ transmission System _____?

_____ the transmission _____ my vehicle _____ using _____ available Torque?

Which transmission _____ available Torque _____ the _____ way?

Which _____ takes _____ available _____ more _____?

How efficient _____ transmission system _____?

_____ system _____ highest _____ use of _____?

Does _____ available Torques in effective transmissions?

_____ the _____ of the _____ usable Torques _____ terms of _____?

Does the transmission _____ car _____ me _____ the _____ Torque?

_____ the transmission _____ with _____?

_____ transmission system able _____ the _____ out _____ available Torque?

I _____ if _____ transmission system _____ effectively.

Does _____ convert torque _____?

_____ is the optimum _____ for your transmission _____?

_____ transmission system _____ greatest _____ its Torque?

_____ transmission system _____ Torque _____ efficiently?

_____ transmission system _____ its available Torque in _____?

Can you _____ me _____ system's use _____ Torque?

_____ the _____ transmission system _____ available _____?

_____ system has the _____ when using its _____?

Is _____ system in _____ vehicle good _____ Torque _____?

Which _____ system _____ the better _____ using _____?

_____ is a _____ Torque _____?

_____ does _____ transmission _____ to maximize its _____ usage?

_____ is the _____ system proficient _____ it's Torque?

How effective is _____ Torque?

_____ use of the available _____ in the _____?

_____ the transmission system _____ me better use of _____?

_____ the _____ available _____ Torque?

_____ use the available _____ its _____?

How _____ utilized by _____ transmission _____?

_____ the transmission _____ car _____ me _____ my Torque?

_____ the transmission utilized?

_____ the _____ to _____ available Torque?

_____ transmission _____ has _____ efficient use _____ Torque?

What is _____ use of this vehicle's _____ of _____?

Is the transmission _____ to use _____ Torque?

____ the transmission system ____ for optimal ____ of ____ ____?
 ____ is used for ____ efficiency ____ ____ system?
 ____ efficient is ____ ____ to ____ Torque?
 Does ____ ____ use ____ effectively?
 Does ____ ____ Torque ____ Efficient Transmissions?
 ____ ____ transmission ____ efficiently?
 Which ____ system has ____ best efficiency when ____ ____ ____ ____ available Torque?
 Is the ____ ____ of making the ____ of ____ ____?
 I want ____ ____ if the ____ ____ efficient.
 What is ____ ____ of ____ of ____ Torque in ____ transmission ____?
 ____ ____ system has the ____ efficiency ____ using ____ Torque?
 ____ effective is the transmission ____ ____ ____?
 Does ____ transmission system ____ ____?
 ____ ____ is ____ transmission with ____ Torques?
 ____ ____ transmission system ____ ____ well?
 Does ____ vehicle's ____ ____ use ____ Torque?
 ____ using ____ Torque, ____ level of effectiveness ____ the ____ ____?
 ____ ____ transmission system ____ a ____ use ____ the ____ Torque?
 I wondered ____ the ____ ____ used available Torque ____ ____.
 ____ ____ is ____ transmission ____ at ____ Torque?
 ____ ____ transmission make better use ____ the ____ ____?
 ____ proficient is ____ transmission system ____ use ____ ____?
 ____ ____ system does ____ ____ of taking up available ____?
 What ____ does the transmission ____ ____ ____.
 I want ____ ____ proficient ____ transmission ____ is ____ using Torque.
 ____ ____ ____ used effectively by the ____?
 ____ transmission system has ____ most ____ use ____ ____ Torque?
 ____ the transmission able to ____ ____ ____?
 ____ ____ transmission use Torque ____?
 Is it ____ ____ maximize the ____ of ____ ____ its transmission ____?
 ____ the transmission system ____ ____ ____?
 Which ____ system has ____ ____ efficient ____ of available ____?
 ____ effective does ____ transmission ____ ____ using ____?
 Does ____ ____ convert ____ efficiently
 How productive ____ the ____ with ____ ____?
 ____ there good ____ of ____ available Torque in ____ ____?
 How efficient is ____ ____ the ____ Torque by the ____ ____?
 Does ____ ____ use of Torque ____ ____ transmission?
 Which ____ ____ its ____ ____ its ____ Torque?
 Can ____ ____ me ____ well ____ ____ works?
 I ____ ____ transmission ____ ____ available Torque ____ efficiently in my ____.
 ____ ____ the transmission ____ in converting and using ____ ____ Torque?
 What ____ you ____ is ____ ____ of the ____?
 ____ degree is ____ transmission system ____ ____ ____ Torque?
 Does your ____ ____ maximize ____ ____ it ____?
 Which ____ ____ more ____ use of ____?
 ____ the transmission ____ ____ efficiently?
 ____ ____ transmission use ____ most Torque?
 Is ____ ____ good ____ ____ use of ____ Torque?
 ____ it use available Torque ____ ____ ____?

_____ give _____ idea about _____ the _____ system uses Torque?
_____ the _____ system _____ in _____ Torque?
Does _____ transmission system _____ utilizing _____?
_____ transmission system _____ my vehicle _____ me better _____ Torque?
Does the _____ in my _____ better _____ of Torque?
_____ effectiveness _____ this _____ Torques, in terms of transmission?
_____ your _____ maximize _____ amount of available _____?
Are _____ effectively by _____?
_____ transmission _____ in _____ car give me _____ use _____ Torque?
_____ transmission system _____ of the Torque?
How _____ the transmission _____?
_____ is your _____ system at using _____?
Which _____ system has _____ highest _____ taking _____ Torque?
How efficient is _____ Torque by the _____?
Does it use _____ to _____?
_____ wanted _____ know if _____ Torque was _____ better _____ system.
Can _____ transmission system uses Torque?
Does _____ transmission _____ use _____ potential?
_____ asked _____ the _____ system _____ available _____ more wisely.
_____ was _____ the transmission system _____ Torque _____ efficiently.
Which _____ is the most _____ up available _____?
_____ the _____ make _____ most _____ it's _____?
What _____ the efficiency _____ the _____ of _____?
What level of _____ does _____ when _____
Can it use its _____ to _____ Torque?
_____ transmission system has _____ better _____ when _____ Torque?
Does _____ convert Torque _____ an _____?
Torque usage _____ efficiency _____.
Is the transmission _____ available _____?
_____ use the _____ effectively?
_____ you think the _____ system _____ in _____ Torque?
_____ available Torque _____ in _____ transmission?
Is _____ transmission _____?
Which _____ has _____ greatest efficiency _____ of Torque?
What extent _____ its _____ maximize _____?
Is the _____ able to _____?
_____ the _____ work well with the _____?
How _____ vehicle's usable _____ in terms of _____?
_____ the _____ efficient _____ utilizing Torque?
_____ effective _____ it _____ transmission _____?
_____ there a question _____ Torque _____?
What _____ is _____ system _____ at using _____?
Does it _____ use of available power _____?
_____ the transmission _____ out _____ the available Torque?
_____ the more efficient use of _____ Torque?
_____ it _____ available Torque for _____?
Is it possible _____ is proficient _____ Torque?
_____ it make _____ of available Torques _____ transmissions?
_____ the _____ effective because of the _____?
_____ explanation on how well _____ uses Torque?

Is _____ transmission system maximizing _____?

_____ is the _____ a _____?

Has the _____ system _____?

_____ it _____ make optimal use of available Torque?

Does _____ system _____ its _____ efficiently?

I want to _____ degree _____ transmission _____ proficient at _____.

_____ transmission system _____ the _____ efficiency _____ Torque?

_____ is the _____ available _____ this transmission?

_____ the _____ transmission _____ in using _____ Torque?

_____ efficient is _____ transmission system _____ and utilizing _____?

Does it _____ the _____ Torque _____?

_____ transmission capable of making _____ the available _____?

_____ transmission _____ the available _____?

How efficient _____ of available _____ the transmission _____?

_____ transmission _____ maximize the amount of _____ has?

_____ the _____ well with Torque?

Is _____ system _____ to _____ use of the available _____?

_____ transmission _____ efficiency at _____ its Torque?

_____ it make _____ of _____ Torque _____ transmissions?

Which transmission _____ greatest _____ at using its _____?

_____ use available _____ for efficient _____?

How _____ are the _____ utilizing _____?

_____ transmission use the _____?

Does _____ transmission _____ in _____ Torque?

Does _____ transmission _____ do a _____ job maximizing _____?

How efficient _____ transmission _____?

_____ Torque _____ used by its transmission _____?

I _____ if the _____ use _____ Torque more _____.

Is _____ transmission _____ using _____?

_____ system has _____ with Torque?

_____ wondered _____ the transmission _____ used _____ Torque _____ my _____.

_____ the transmission _____ more efficient _____?

How effective is _____ available _____?

Is the _____ system _____ Torque?

_____ the transmission system _____ the available _____?

_____ System efficient?

How _____ use Torque

Does _____ transmission use _____?

How _____ transmission _____ handle _____ usage?

How _____ is _____ transmission _____ putting that Torque _____?

Can _____ give an _____ well _____ transmission uses _____?

Which transmission system has _____ taking _____ Torque?

_____ use _____ available Torque in its transmission _____?

_____ wondered if the _____ available _____ better.

Does _____ its Torque _____?

_____ much proficient _____ the transmission system _____?

I _____ you _____ is at putting that _____ to Work.

_____ is the transmissions _____ Torque?

_____ its _____ Torque well?

_____ does _____ transmission _____ Torque?

Is the transmission _____ available _____?

_____ well does its _____ available _____?

How _____ is _____ in _____ Torque?

Can _____ transmission system _____ of _____ available Torque?

_____ have the ability _____ available Torque _____ transmissions?

_____ efficient _____ transmission system in _____ available _____.

Does the _____ Torque?

_____ the car's transmission _____ of the available _____?

_____ the _____ system efficient _____?

_____ the _____ use _____ to its fullest?

Is _____ transmission system _____ to _____ Torque well?

_____ system has _____ efficiency _____ available Torque?

_____ the transmission _____ efficient?

_____ the transmission _____ use _____ Torque?

What _____ efficiency _____ the transmission system _____ available _____?

How _____ transmission system in converting _____ Torque?

_____ efficient _____ use of available Torque _____ system?

_____ effective _____ a _____?

Does the _____ help _____ of _____?

_____ system efficient _____ use of _____ Torque?

_____ ask you _____ is at putting _____ to Work.

How _____ this vehicle _____ transmission of its _____?

What is _____ transmission _____ Torque?

_____ the _____ the most of the _____ Torque?

Torque _____ the transmission _____ question.

_____ the transmission _____ in my _____ able _____ use the _____ amount _____?

Which transmission _____ uses _____ efficiently?

_____ is the use _____ available _____ in _____?

Is _____ possible _____ its transmission _____ use _____ efficiently?

Will you _____ your _____ is at putting _____ Torque _____ work?

_____ you _____ Torque in the _____ system?

Which transmission system has _____ best _____ using _____?

_____ your _____ perform efficiently?

_____ much _____ the available _____ is _____ its transmission _____?

_____ asking how good _____ is at _____ Torque to Work?

_____ how efficient _____ transmission system _____.

_____ the transmission system _____ converting _____?

_____ transmission _____ efficient _____ converting and utilizing generated _____?

_____ transmission _____ the most _____ uses _____ available Torque?

Does the _____ in my _____ help _____ use _____ Torque?

_____ it work _____ Torque for _____ transmissions?

Can _____ transmission get _____ out of the _____?

How effective _____ be?

How _____ is the _____ to _____ Torque?

_____ wondered if the available _____ was better _____ system.

Can you _____ how _____ the _____ works?

_____ use its transmission _____ in _____ optimal _____?

How _____ transmission use _____?

Is _____ because of Torque?

What _____ is the _____ proficient at _____ torque?

Does its _____ efficiently?

Is _____ transmission _____ making the most _____ its _____?

Which _____ the best _____ with its _____?

_____ wondered if the transmission _____ used available _____ more _____.

_____ the _____ system convert _____ Torque efficiently?

_____ it make _____ of available Torque _____ effective _____ achieve _____?

Does the _____ work _____ using _____?

What's _____ it _____ to transmission of Torque _____?

Does the _____ transmission aid in _____ the _____?

Is _____ transmission _____ available _____?

_____ has the greatest _____ at utilizing _____ Torque?

_____ transmission system _____ with its Torque?

_____ good _____ of available Torque?

Can the transmission _____?

_____ the _____ system perform _____ of Torque?

_____ good use _____ Torque in _____ transmission?

_____ know what _____ the efficiency of this _____.

Torque utilization _____ regarding transmission _____.

Is the _____ system _____ to _____ Torque _____?

Which transmission _____ most _____ at utilizing _____ Torque?

_____ of _____ with which your _____ uses available _____.

What proportion _____ transmission _____ proficient at _____?

_____ transmission _____ maximize the _____ Torque?

How efficient _____ system _____ utilizing _____?

_____ a question about transmission _____.

Which transmission _____ has the _____ using _____?

Is the transmission _____ Torque?

_____ it _____ good _____ available Torques through _____ Transmissions?

What _____ the _____ maximize available _____?

How _____ the use _____ available Torque _____ the _____?

_____ the transmission help _____ use _____ amount of _____?

Can you _____ me the _____ use _____ the _____?

Does _____ use available Torque _____?

_____ wondered _____ available _____ more utilized in _____ system.

Does _____ use _____ Torque _____?

_____ much _____ the transmission system _____?

Does the _____ system _____ available _____?

How _____ does _____ its _____ Torque?

Are _____ system _____ Torque _____?

I was _____ if the transmission _____ Torque _____ efficiently _____ vehicle.

_____ Torque, is the transmission _____?

_____ the transmission _____?

How _____ transmission maximize available _____?

Does _____ system do a good job _____ maximizing _____?

_____ system capable _____ making _____ use of the available _____?

_____ your _____ system _____ use _____ every bit of _____?

_____ efficient _____ transmission _____ using the _____ Torques?

_____ transmission system _____ usage _____ its Torque?

_____ if available Torque was used _____ transmission _____

How _____ Torque _____ your transmission _____ for _____?

_____ use of _____ Torques _____ in this transmission?

Does _____ have _____ to _____ its available Torque?

Do the _____ transmission system _____ use _____ available _____?

_____ the transmissions _____ the _____?

When using Torque, what level _____ transmission _____?

Is its _____ maximizing _____ torque?

How _____ vehicle's usable Torques _____ in terms _____?

_____ does the _____ generated Torque?

Is _____ transmission _____ in using _____?

_____ transmission _____ efficient _____ its use _____ Torque?

_____ its _____ system _____ Torque _____?

_____ efficient _____ transmission system _____ using the _____ Torque.

I _____ if _____ system used _____ Torque _____ correctly.

_____ the _____ able to _____ Torque _____?

_____ has the _____ at using Torque?

_____ it _____ up _____ for efficient _____?

_____ part of its _____ maximizes _____?

how _____ transmission?

Is the _____ with _____ power?

How _____ available Torque through _____ transmission system?

_____ us an _____ of how the _____ uses Torque?

_____ transmission system _____ using available Torque?

_____ it use the _____ TRANSMISSION well?

_____ the car's _____ help make _____ available Torque?

I would like _____ transmission system is _____ Torque.

There is _____ the _____ of Torque _____.

Which _____ does _____ maximize available _____?

Can _____ a _____ of _____ the _____ uses Torque?

What _____ efficiency of _____ vehicle's usable _____ of Transmission?

_____ system gets _____ greatest efficiency _____ taking up _____?

Does _____ use _____ Torque _____ transmissions?

How effectively _____ transmissions _____ the _____?

What do _____ about how _____ uses _____ Torque?

_____ effective _____ with its _____?

Is the _____ effective _____?

Which _____ is the _____ efficient at _____ Torque?

What extent _____ maximize the _____?

Which _____ the most efficient use _____.

Is the transmission _____ Torque?

Is _____ able to use _____?

Does your _____ maximize _____ amount _____ Torque it _____?

Is _____ transmission _____ able _____ optimum use of _____ available _____?

_____ the transmission _____ at making _____ of available _____?

How _____ is utilized _____ the _____?

_____ a _____ to _____ an overview _____ how well the _____ uses _____?

_____ effectiveness of its _____ efficiency?

_____ well do _____ transmission _____ Torque?

Is _____ use of available Torque?

_____ using _____ level of _____ the transmission have?

_____ the _____ make use of _____ available Torque?

____ is it that ____ transmission ____ at ____ Torque?
 ____ a ____ transmission of Torque ____.
 When ____ level ____ the transmission have?
 ____ the transmission ____ well with ____?
 ____ transmission ____ efficiently use all ____ available ____?
 Can ____ use ____ available ____?
 ____ efficient is ____ utilization ____ Torque ____ the transmission ____?
 ____ is a ____ transmit Torque effectively.
 What ____ efficiency of ____ system at ____ Torque?
 ____ efficient ____ the ____ use ____?
 ____ Torque, What ____ of effectiveness does ____ transmission ____?
 What is ____ of ____ in terms of ____?
 There's a ____ transmission ____ Torque ____.
 ____ is the ____ the ____ Torques in transmission?
 Which transmission system has the ____ up ____?
 ____ question on transmitting Torque ____.
 ____ transmission ____ most efficient at ____ up ____?
 ____ maximize the amount ____ available ____ it receives?
 ____ transmission ____ in utilizing available ____?
 Does the Transmission ____ efficiently
 Are ____ transmission ____ at ____ Torque?
 ____ has ____ efficiency at taking ____ Torque?
 Is the ____ effective in ____ the ____ Torque?
 Can ____ transmission ____ it's ____ effectively?
 Can you tell me about ____ level ____ the ____?
 ____ available available Torque ____ transmission system?
 ____ the ____ system ____ Torque efficiently?
 What ____ of available ____ in its ____ system?
 What ____ the ____ of ____ transmission?
 ____ the utilization of ____ system?
 How effective ____ with their ____?
 Which ____ system has the ____?
 I ____ to know if ____ Torque better.
 ____ efficiency ____ this vehicle's usable Torques in ____?
 ____ it ____ its ____ in ____ transmission well?
 ____ system ____ me ____ the ____ amount of Torque?
 What is ____ use of ____?
 Is the transmission ____ Torque ____?
 ____ is the degree ____ the ____ system is proficient ____?
 ____ this transmission's ____ Torques efficient?
 ____ the transmission ____ get ____ out of the ____?
 Which transmission ____ highest ____ Torque?
 Is ____ transmission ____ at ____ Torque?
 Can ____ available ____ through ____ System?
 I ____ if the ____ system used available ____ more ____.
 Is ____ transmission ____ converting Torque ____?
 Is ____ to best use available Torque ____?
 ____ efficient are ____ in utilizing ____?
 Does the ____ Torque ____?
 ____ it use the ____ Torque ____?

_____ vehicle's _____ help take advantage _____ the available _____?
 Do _____ efficiency of _____ transmission?
 The _____ of _____ is _____ question.
 When using Torque, _____ effectiveness is _____ transmission _____ to _____?
 Which transmission _____ has the _____ taking _____ Torque?
 Can you tell me _____ the _____ Torque?
 Is _____ transmission _____ to maximize _____?
 Is _____ system _____ up all the _____ Torque?
 How _____ do _____ transmission _____ use _____?
 _____ want _____ how well the transmission uses _____.
 Does it use enough _____ transmissions?
 How _____ system use maximum _____?
 How _____ is _____ utilize _____ Torque?
 _____ transmission _____ best _____ using available Torque?
 _____ transmission system convert the _____?
 _____ system _____ the highest efficiency _____ Torque?
 _____ transmission system _____?
 Does _____ make _____ of _____ through effective _____?
 _____ system make use _____ available Torque?
 Does _____ help the use _____?
 _____ transmission _____ when using _____?
 _____ its transmission _____ with available _____?
 _____ transmission system has _____ efficiency at using _____?
 How _____ is _____ in _____ Torque?
 How _____ does its _____ maximize _____?
 _____ has the _____ use of its _____?
 _____ degree to which _____ transmission _____ is _____ using _____?
 I _____ to _____ transmission system is _____.
 _____ wanted _____ know if the transmission _____ better.
 How _____ does _____ utilize _____ Torque?
 Does _____ available Torque?
 _____ the transmission _____ available _____?
 _____ its transmission efficiency?
 How _____ the _____ system _____ Torque _____?
 _____ if available Torque _____ the transmission system.
 _____ to _____ if the transmission _____ my vehicle makes _____ use _____ Torque.
 _____ efficient is _____ of torque?
 _____ the _____ system _____ converting Torque?
 _____ is a _____ whether _____ transmission system _____ efficient.
 How efficient _____ in _____ Torque?
 What's the _____ of effectiveness _____?
 _____ looking for _____ on _____ the _____ system uses Torque.
 Which transmission system _____ the highest _____ in _____?
 _____ Effective _____ Transmission?
 _____ it _____ available Torque _____ Efficient _____?
 I wondered _____ used _____ more _____ in my car.
 _____ it _____ available _____ through _____ achieve high efficiency?
 _____ the Torque _____ the transmission?
 Can _____ explain _____ well the _____ system _____?
 _____ effective _____ transmission system _____ available Torque?

_____ wondered _____ transmission system _____ the _____ Torque wisely.

How _____ is _____ of the _____?

_____ transmission _____ the use of available _____?

How effective _____ utilization in _____?

How _____ is the _____ system _____?

_____ the _____ make use of _____?

_____ effective _____ transmission with _____ Torque _____?

Does _____ transmission system get _____ most _____ power?

How effectively _____ transmission _____ Torque?

_____ utilizing available Torque?

_____ system takes _____ Torque with _____ efficiency?

How _____ do transmissions _____?

_____ the transmission _____ my _____ me use up _____ Torque?

_____ the _____ the amount of Torque it _____?

Does _____ transmission _____ help my _____ the available _____?

Does it _____ use _____ Torque _____ efficient transmissions?

_____ if the available _____ used more _____ the transmission _____.

_____ have _____ question on _____ to transmit _____.

_____ the effectiveness _____ usable _____ in transmission?

Is the _____ system _____ torque?

Is _____ good use _____ Torque?

_____ transmission system has _____ in taking up _____?

_____ the _____ Potential Effectively?

_____ did its _____ be _____ maximizing available _____?

Does _____ transmission _____ available Torque?

_____ give _____ on _____ the transmission uses Torque?

Is the _____ good _____ Torque _____?

Does _____ transmission converting _____?

_____ is this transmission's use _____?

I _____ if the transmission _____ available Torque.

What _____ the _____ maximize the _____?

_____ transmission use the _____?

Does the vehicle's _____ help _____?

_____ is _____ transmission System?

_____ transmission _____ its available Torque _____?

Does the _____ you _____ the _____?

_____ transmission system work _____ in _____?

_____ you give an _____ about how _____ the _____ system _____?

_____ the transmission system _____ most of _____ gets?

How effective _____ it _____ terms _____?

_____ it use the available Torques _____ efficiently?

_____ efficient is _____ system.

_____ effective _____ the _____ system _____ available _____?

Which transmission _____ uses _____ with _____ efficiency?

What is _____ of _____ in terms of transmission?

I _____ systems used _____ Torque better.

Does _____ work efficiently _____ utilizing _____ Torque?

_____ the transmission _____ my vehicle _____ better use _____ available _____?

_____ your _____ maximize its _____ Torque?

_____ wonder if the _____ is _____.

_____ transmission _____ has the _____ efficiency _____ utilizing _____ Torque?

_____ transmission system _____ the _____ use _____ Torque?

_____ the _____ system act _____?

_____ it _____ use _____ available _____ for efficient _____?

Does _____ use _____ efficiently?

_____ it _____ its _____ system _____?

_____ does _____ transmission efficiency _____?

How _____ transmission's Torque _____?

_____ the transmission _____ using _____?

_____ do _____ think about _____ transmission's use _____ available _____?

What extent does _____ Torque?

_____ system _____ at _____ available Torque?

How is _____ available Torques?

_____ the _____ use it's _____?

Is the _____ system able to make _____ use _____?

_____ utilize the _____ Torque?

_____ transmission help _____ the _____ amount of Torque?

_____ degree does _____ maximize available _____?

_____ an overview on how _____ the transmission _____?

_____ its transmission system _____ of Torque?

_____ the transmission _____ using _____ Torque?

_____ was _____ if the _____ available _____ more wisely.

Does your transmission _____ available _____?

Is _____ system _____ using Torque?

_____ the transmission _____ Torque _____ efficiently?

_____ the vehicle's _____ system _____ available _____?

_____ its _____ system _____ efficiently.

What _____ you _____ the efficiency _____ its _____?

Does _____ in deploy Torque?

What is _____ of Torques _____?

_____ your transmission system _____ maximize _____ amount _____ Torque?

_____ has _____ transmission maximized available _____?

_____ to _____ how efficiently the transmission _____ Torque.

Which _____ system _____ more _____ with _____?

_____ the transmission _____ Torque?

_____ tell _____ how _____ my _____ is at putting that Torque _____?

_____ if _____ transmission system used available Torque _____.

How efficient do _____ the _____?

Which _____ has _____ greatest efficiency _____ taking _____ Torque?

How _____ is this _____ of transmission?

What degree _____ the transmission _____ Torque?

Does _____ maximize available _____?

Do _____ know how _____ transmission _____ uses _____?

Which _____ the higher efficiency of _____ up _____?

_____ your _____ system _____ its available _____?

_____ in _____ allow for better _____ of available Torque?

_____ it possible _____ through its transmission system?

How _____ the _____ use _____ the _____?

Is _____ to _____ an overview about _____ the transmission _____ Torque?

_____ effective is the _____ torque?

_____ effectively _____ the _____ the Torque?

Which transmission _____ has _____ efficiency at _____ available _____?

If the _____ system used _____ more _____ I _____.

_____ transmission system use _____ an optimal manner?

_____ transmission _____ its use _____ Torque?

How _____ is the _____ available _____ the transmission _____

Does _____ have an optimal use _____ available _____?

_____ system has higher efficiency _____?

Is it _____ to _____ available Torque _____ system?

Is _____ able to make _____ of _____ power?

Which extent _____ available Torque?

Do _____ good your _____ is at putting that _____?

_____ wanted _____ know _____ the transmission _____ used available _____ more _____ vehicle.

_____ is the transmission's _____ available _____?

_____ if the _____ system _____ Torque better

_____ system efficient use?

Does _____ use _____ available _____ for efficient _____?

How efficient _____ its _____?

_____ transmission system _____ efficiency _____ available _____?

_____ the transmission _____ use _____ Torque _____?

_____ efficient _____ use of _____ by its _____ system.
