

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Battery dying frequently in vehicle
Inquiry Sub-Category	Battery Health and Charging Problems
Description	Customers inquire about factors that may affect battery health, such as age or low fluid levels, and seek guidance on diagnosing and resolving charging system issues that could lead to frequent battery deaths.
Data Size	11,028 paraphrases

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Are certain weather ____ more likely to ____ instances ____ dead ____ ____ ?
____ extreme weather ____ a ____ battery problem ____ ?
Is ____ going ____ die ____ due to ____ weather?
____ weather ____ battery failure rates?
____ that ____ cars ____ experience dead batteries on ____ regular basis?
____ the ____ kill car ____ more ____ ?
Do certain environmental factors ____ it ____ batteries will die ____ ?
____ it possible ____ meteorological ____ cars ____ experience ____ batteries on a consistent ____ ?
Does precipitation ____ likelihood of ____ batteries ____ ?
Will extreme weather cause ____ more ____ ?
Is ____ able to increase the ____ failure?
Is ____ a ____ between certain ____ of atmospheric ____ with vehicle ____ ?
____ weather ____ the ____ car batteries ____ ?
____ the ____ of ____ in cars caused by weather?
____ climate factors ____ dead ____ to occur ____ frequently?
Is ____ cause car batteries to ____ more frequently?
____ it possible ____ climate situations are ____ persistent incidents ____ drained vehicle ____ ?
Is it ____ bad weather can lead ____ problems ____ ?
Does ____ weather ____ car ____ die ____ ?
____ weather patterns affect car ____ drain ____ ?
Is the ____ more ____ regular car ____ failures?
____ dead car batteries higher because of ____ ?
Does extreme ____ raise the ____ dying?
____ it possible that dead ____ cars ____ weather events?
Is ____ for certain ____ to increase ____ dead car ____ ?
____ more ____ of battery failure in ____ car ____ certain weather ____ ?
Can ____ affect ____ many car ____ dead?
____ climate ____ more harmful to ____ ?

____ climate ____ lead to drained ____ ____ .
 ____ extreme ____ ____ increase ____ chance of car batteries ____ ?
 ____ extreme weather causes ____ batteries ____ ____ more ____ ?
 It ____ ____ ____ that the ____ wrecks ____ batteries.
 ____ ____ possible that different climatic ____ ____ primary contributors of ____ ____ involving ____ vehicle ____ ?
 Is ____ weather ____ the ____ ____ battery ____ ?
 ____ ____ variations ____ auto ____ failures?
 Is ____ chance of ____ ____ ____ during certain weather ____ ?
 ____ there ____ correlation between climate conditions ____ ____ batter ____ ?
 Will ____ weather affect ____ many ____ ____ ____ die?
 Is there a ____ between ____ ____ of ____ losing power ____ ____ worn-out batteries and ____ ____ ____ ?
 ____ ____ weather effects the ____ of ____ a car ____ ____ dead?
 ____ weather cause batteries ____ ____ ____ often?
 Is ____ possible ____ climates ____ the ____ of ____ batteries?
 Is ____ ____ for ____ weather types ____ ____ more ____ car batteries?
 Do ____ weather ____ contribute to ____ ____ ____ ?
 ____ ____ me or does ____ weather ____ dead ____ on ____ ?
 ____ ____ ____ that cause more ____ battery deaths?
 Some environmental ____ ____ make ____ more ____ ____ a ____ batteries ____ die repeatedly.
 ____ ____ ____ situations affect the ____ of dead car ____ ?
 Will ____ ____ increase ____ of ____ batteries ____ cars?
 Do ____ ____ affect ____ battery ____ ?
 Do certain ____ ____ contribute ____ car battery ____ ____ ?
 ____ it ____ that ____ ____ the likelihood ____ battery deaths?
 Is ____ true ____ ____ can ____ cars ____ have ____ problems?
 ____ batteries ____ more ____ ____ weather.
 Is it possible ____ ____ rates of ____ losing power ____ to worn-out ____ ____ ____ ____ certain meteorological ____ ?
 ____ extreme ____ increasing the likelihood of ____ ____ ____ ?
 Some types of ____ ____ more frequent ____ ____ drainages.
 Is there a ____ ____ ____ a recurrent car ____ ____ ?
 Is ____ possible ____ ____ ____ can make car batteries ____ ____ often?
 ____ ____ possible for ____ conditions ____ lead ____ more drained ____ batteries?
 Is ____ climate likely to ____ ____ ____ ?
 Can ____ ____ cause ____ ____ cars ____ die?
 Is ____ ____ that weather ____ cause a ____ ____ ____ problem?
 ____ ____ circumstances affect the ____ of car ____ ____ ?
 Do the ____ make ____ ____ ____ ?
 Should bad weather ____ ____ car ____ ____ ____ often?
 ____ it ____ that weather can ____ car ____ to ____ ?
 ____ ____ ____ weather events to ____ ____ ____ batteries in cars?
 Can ____ ____ ____ ____ of dead batteries?
 I wondered ____ the weather ____ ____ ____ the auto ____ power.
 Is there a ____ between ____ ____ ____ car ____ batteries ____ a consistent ____ ?
 ____ ____ ____ that certain climate ____ ____ ____ to ____ dead cells?
 Is there a ____ between ____ ____ ____ battery failure ____ ?
 Does the ____ ____ ____ number ____ times car batteries ____ ____ ?
 ____ ____ ____ to more battery issues?
 Do certain climate ____ deplete ____ ____ ____ ?
 Is it possible that some ____ ____ ____ ____ to ____ ____ failures?
 ____ may ____ ____ ____ between meteorological ____ ____ higher rates of vehicles ____ power due ____ ____ batteries.

Is weather a ____ for ____ rates ____ motor-vehicle ____?

____ a ____ condition ____ causes car ____ to die ____ often?

____ there any ____ elements ____ vehicle battery issues?

Can the atmospheric ____ my ____ frequently?

Does ____ contribute to the ____ vehicle batteries?

Car batteries ____ bad weather.

Is it ____ to the weather ____ that ____ die ____?

Does the weather ____ how ____ batteries ____?

Is certain weather ____ likely ____ cause ____ vehicles?

____ it true ____ weather circumstances increase the chances ____?

____ there ____ link ____ car battery failures?

Is it me or ____ the ____ causes dead ____?

Is it likely ____ weather will ____ cars?

____ an ____ between certain meteorological conditions and ____ rates of vehicles losing ____ worn-out ____.

Does specific ____ have ____ effect ____ batteries?

____ weather ____ more likely to cause ____ battery drainages ____.

Does ____ batteries more often?

Is ____ link between weather ____ failure rates?

There can be different ____ circumstances that ____ auto ____.

____ my ____ battery die frequently due ____ weather?

____ there a ____ between certain ____ conditions and ____ rates of ____ worn out batteries ____ time?

____ are climate ____ that can cause ____ vehicle ____ to ____.

Is ____ possible that ____ boost car battery ____?

____ certain ____ likely to ____ car battery ____?

____ there ____ correlation between ____ dead vehicle batteries?

____ weather ____ to make ____ battery fail?

____ car batteries ____ other things?

Is ____ possible for specific ____ make ____ batteries ____ more ____?

____ affect ____ car batteries?

Is ____ an ____ meteorological ____ higher rates of vehicles losing ____ their ____ are worn ____?

____ car dead ____ can ____ caused by ____.

Does ____ to car battery drain ____?

Is ____ increased ____ dead ____ in cars because ____ weather ____?

____ weather affect the regularity ____?

____ certain climates cause frequent ____?

____ adverse ____ affect flat ____?

____ it ____ to ____ to ____ dead batteries ____ cars?

____ if ____ types ____ weather ____ cause ____ dead car batteries.

Is ____ for ____ to ____ repeated instances ____ drained car batteries?

Is there ____ certain ____ occurrence of ____ automotive batteries?

Some meteorological ____ can ____ auto-battery ____.

Are there more instances ____ certain ____ patterns?

Are ____ elements ____ vehicle ____ problems?

Can ____ car ____ life?

____ weather affect ____ battery ____?

____ are ____ causing battery failure.

Does the ____ dead ____?

Is the risk ____ car batteries increased ____ of ____?

Is there a correlation ____ the ____ cars?

Is weather ____ impact ____ battery ____?

____ types of weather could ____ ____ ____ car batteries.
 ____ batter ____ more often ____ by ____ climate conditions.
 ____ atmospheric ____ might be ____ to ____ battery issues.
 ____ ____ affect ____ battery failure?
 ____ batteries could ____ ____ frequently if the ____ ____ bad.
 There are certain ____ conditions ____ can ____ ____ die more ____.
 ____ it possible that certain ____ phenomena can ____ ____ have dead ____ a ____?
 Does ____ ____ ____ many times your car ____ go ____?
 ____ ____ weather ____ ____ more likely for car batteries to ____?
 ____ car ____ increased ____ specific climatic ____?
 Is certain ____ ____ ____ dead automotive ____?
 Is ____ possible ____ ____ battery problems in cars?
 ____ weathers may affect ____ ____.
 The chances ____ ____ failure in ____ ____ increased with certain ____ ____.
 ____ atmospheric factors drain my ____ ____ ____?
 ____ ____ possible that certain ____ causes frequent ____ ____ cells?
 ____ environmental ____ make it more probable ____ ____ vehicle's ____ ____ die frequently?
 ____ precipitation ____ ____ more likely to have dead ____?
 I ____ ____ the ____ ____ prone ____ kill ____ dead power.
 ____ weather can cause ____ ____ cars.
 Is ____ true ____ ____ can affect the ____ ____ cars?
 ____ ____ conditions ____ the ____ of car batteries dying?
 ____ ____ to cause dead vehicle batteries ____ ____ more.
 Is ____ ____ that ____ conditions ____ car ____ more often?
 Car ____ failure rates ____ influenced ____ weather ____.
 ____ ____ a particular weather condition ____ ____ battery deaths?
 ____ the ____ conditions affect the number ____ ____ ____ cars?
 Is ____ ____ ____ situations can be blamed ____ the ____ incidents of drained ____ ____?
 Is ____ ____ ____ between ____ ____ and cars having dead ____ on ____ ____ basis?
 ____ ____ correlation ____ the weather conditions and car ____ ____?
 ____ a recurrent car ____ problem ____ ____ ____?
 Is ____ ____ ____ between ____ weather ____ and the ____ ____ dead motor vehicle ____?
 ____ meteorological circumstances ____ prone ____ causing ____ auto-battery failure ____.
 Is ____ ____ for ____ types of ____ to cause ____ ____ batteries?
 Is it possible that ____ ____ will ____ ____ dead ____ batteries?
 ____ ____ go bad ____ because ____ the ____.
 ____ ____ weather ____ car ____ to die?
 Increased instances ____ dead batteries ____ cars ____ ____ result ____ weather ____.
 ____ there a ____ between ____ conditions and ____ battery ____ ____?
 ____ ____ weather ____ cause dead car ____?
 Is ____ ____ more ____ ____ cause ____ car battery failure?
 ____ it ____ for bad climate ____ to lead ____ drained ____ ____?
 I ____ ____ ____ ____ correlation ____ the weather and dead motor ____ batteries.
 ____ increased ____ of dead motor vehicle batteries ____ ____ ____ certain ____ ____.
 ____ there ____ ____ climatic factors that ____ dead batteries ____ ____?
 ____ ____ weather affecting ____ batteries?
 Does the ____ play ____ part ____ ____ vehicle ____?
 Is weather ____ factor ____ the rate ____ ____ motor-vehicle ____?
 ____ it ____ of specific ____ conditions ____ ____ batteries ____ frequently?
 ____ ____ climate conditions more likely to ____ ____ batter ____?

Can ____ types ____ weather ____ dead ____ batteries ____?

____ weather can ____ problems.

Is ____ myself or does the weather ____ on ____?

Is ____ car batteries dying frequently?

____ lead to more ____ problems?

____ possible that weatherCircumstances ____ frequent auto ____ failures.

____ atmospheric factors ____ vehicle's ____ frequently?

____ a correlation ____ the amount ____ dead car batteries?

Do ____ weather ____ cause ____ car ____?

____ car battery failure ____?

____ there ____ correlation between ____ weather and ____ batteries ____?

____ the ____ increase ____ of ____ failure?

____ weather ____ likely to cause a ____ battery ____ car?

Does ____ affect ____ number ____ dead vehicle ____?

Will ____ types ____ to battery ____?

Do certain weather conditions ____?

____ the ____ affect the frequency of ____?

Is it possible ____ severe weather ____ frequent car battery ____?

Is the ____ rates ____ motor-vehicle batteries?

____ it ____ that ____ can cause ____ battery problems?

____ the ____ impact on ____ battery ____?

____ types ____ are ____ likely to result in ____ batteries ____?

____ precipitation increase the chance ____ experience ____?

Do ____ environmental factors ____ likely for ____ to die ____?

Does ____ the ____ batteries in cars?

____ able to cause car ____ die more ____?

____ it ____ situations are ____ to persistent incidents ____ drained vehicle batteries?

Do weather conditions ____ batteries ____?

____ you think the ____ car ____ lot?

____ an ____ between certain ____ conditions ____ higher rates of ____ power ____ worn-out ____ a thing?

Is there a ____ weather ____ higher rates of ____?

____ possible ____ weather conditions ____ car batteries die ____?

Is ____ the weather ____ causes car ____ to ____?

Does ____ affect ____ of ____ batteries?

____ are occurrences of dead batteries ____ cars ____ during ____ conditions?

Can ____ frequent ____ battery ____?

Is the ____ prone ____ repeated ____ events?

____ specific weather ____ the ____ battery deaths?

Is the ____ of ____ involving drained vehicle ____ due ____?

____ it possible that ____ weather ____ prone ____ causing frequent car battery ____?

____ there a ____ incidence ____ dead ____ batteries ____ weather?

____ increased instances of car battery ____ during ____ patterns?

Is ____ weather conditions and auto battery ____?

____ the weather ____ how often batteries ____ go ____?

Is ____ between certain ____ and higher ____ of vehicles losing ____ due ____ worn- ____ batteries over ____?

____ weather ____ battery failures?

____ car batteries die ____ frequently as ____ result ____ conditions?

The ____ dead car batteries.

Is persistent ____ vehicle ____ due ____ different ____ situations?

____ it ____ certain meteorological ____ can cause cars ____ experience ____ frequently?

Is climate _____ batteries _____ often?
 Is _____ between dead _____ batteries _____ climates?
 Is _____ that _____ batteries _____ are the _____ of _____ weather?
 _____ are certain _____ that _____ vehicle _____ have dead batteries.
 Is there _____ between _____ battery failure rates?
 _____ weather kill _____ batteries?
 _____ weather could _____ to _____ issues.
 Can _____ car batteries _____ frequently?
 _____ it possible that _____ increase occurrences of _____?
 _____ particular atmospheric conditions that cause _____?
 _____ bad weather _____ to die _____ quickly?
 Which climate factors _____ batteries to _____ repeatedly?
 Is there _____ correlation _____ elements _____ car _____ deaths?
 Why _____ conditions _____ car battery more often?
 Is weather _____ of dead _____?
 Does _____ weather impact _____?
 _____ lead to battery _____?
 Is it _____ that _____ behind the _____ incidents of drained _____?
 _____ a connection _____ specific weather _____ vehicle batteries possible?
 Can _____ weather _____ battery _____?
 Can _____ cause auto _____?
 Do specific weather _____ car _____?
 Is _____ true _____ weather _____ problems with _____ in cars?
 Is _____ possible for _____ repeated auto- battery failure _____?
 Sometimes _____ failures _____ be _____ weather.
 _____ extreme _____ car _____ problems?
 Is extreme _____ going to _____ car _____ die _____ often?
 _____ batteries caused _____ weather?
 Which climate _____ can _____ dead vehicle _____ frequently?
 _____ higher occurrence of dead _____ batteries _____ weather situations?
 Is _____ battery failure rates?
 _____ the _____ vehicle battery _____ tied _____ some atmospheric _____?
 Which climate _____ increase _____ vehicle _____?
 Are _____ weather _____ more _____ cause dead _____ cars.
 Is there _____ between _____ and _____ batteries die _____?
 _____ possible for weather _____ lead to _____ failures?
 _____ an _____ on car _____ dying frequently?
 Is _____ possible that _____ meteorological _____ cause _____ experience dead _____?
 _____ possible that dead batteries _____ the result _____ situations?
 _____ weather prone _____ cause auto _____?
 _____ possible that _____ motor-vehicle batteries?
 _____ a way _____ in cars can be _____ by _____?
 Is _____ increased occurrence of _____ a result of _____ elements?
 Is _____ a _____ extreme weather _____ will _____ die more frequently?
 Is there _____ between _____ condition and _____ car _____?
 Does _____ likelihood of _____ batteries dying frequently?
 _____ atmospheric factors _____ vehicle's _____ frequently?
 _____ a connection _____ elements and _____ vehicle battery _____?
 _____ possible _____ lead to frequent auto battery _____?
 Do extreme _____ causes car _____ frequently?

_____ different _____ causes my _____ battery _____?

_____ conditions _____ car _____ more frequently?

_____ that some _____ weathers _____ frequent car _____ drainages?

Is _____ association _____ the _____ vehicles losing power due to _____ batteries?

Will the _____ affect how many _____ a _____?

_____ likely _____ a certain _____ pattern _____ cause _____ in cars?

Do _____ weather _____ cars _____ inconsistent battery failures?

Some _____ make _____ fail.

_____ a correlation between _____ phenomena _____ batteries _____ a consistent basis?

_____ are weather conditions _____ can boost _____ rates.

Is _____ possible _____ certain _____ to cause _____ batteries?

_____ there _____ between specific meteorological conditions and higher _____ vehicles _____ power _____ out batteries?

_____ it possible _____ certain climates to _____ dead batteries?

_____ weather more _____ make my car batteries _____?

_____ possible _____ extreme climate conditions can _____ car batteries?

_____ possible that climate _____ can result _____ batteries?

_____ between _____ conditions and higher rates of vehicles losing power _____ to _____?

_____ climate conditions hurt _____?

Do specific _____ circumstances increase _____ of _____ batteries _____?

Some types _____ circumstances are _____ to causing _____ battery _____.

_____ increase _____ incidence of _____ batteries?

Is _____ rates of flat motor-vehicle batteries?

Do _____ lead to more _____ problems?

Some weathers _____ affect _____.

_____ specific weather _____ die more often?

Is _____ that _____ weather can cause _____ to _____ battery _____?

_____ the _____ make _____ more _____ for _____ batteries to die?

_____ a _____ between _____ elements _____ motor vehicle batteries possible?

Is the _____ to car battery drain _____?

_____ it _____ that _____ can cause problems _____ battery _____ cars?

Is _____ possible _____ can _____ my vehicle's battery frequently?

_____ to cause car battery drainages?

Do _____ increase _____ dead _____ in cars?

_____ some elements _____ likely to _____ battery _____?

_____ car dead _____ can be _____ climate.

_____ weather _____ a role _____ batteries?

Are some atmospheric elements _____?

Do specific weather conditions _____ more _____ die?

Do _____ environmental _____ increase _____ risk of dead _____?

_____ circumstances _____ to _____ battery failures?

_____ weather may cause dead _____ in _____.

Can climate variations _____ to _____ drained _____ often?

_____ it me _____ the _____ affect batteries on _____ often?

_____ it _____ particular meteorological phenomena to cause a lot _____?

_____ the _____ have an _____ on _____ batteries go dead?

Which climate _____ the number of _____?

_____ there _____ of dead car batteries due _____?

_____ batteries _____ be zapped _____ climate _____.

_____ weather phenomena _____ cars to _____ on a consistent _____?

Is it just me _____ does _____ dead _____ more often _____?

Do certain _____ increase _____ risk _____ in cars?

Is _____ possible for _____ circumstances _____ cause repeated auto-battery _____?

Is _____ more likely to have _____ batteries _____?

_____ likely to lead _____ my car _____ dying?

Is _____ atmospheric _____ to drain _____ vehicle's _____ often?

There may _____ weather _____ and _____ motor vehicle batteries.

Will the weather _____ to _____ frequently?

Can _____ meteorological _____ cause _____ to _____ dead batteries _____ consistent basis?

_____ it _____ that specific weather can _____ batteries fail _____?

Is there a _____ between _____ weather _____ times _____ batteries _____ dead?

Is it _____ that weather _____ battery _____ for cars?

_____ weather _____ battery failure?

_____ affect _____ chances of _____ batteries failing?

_____ weather _____ increase the chances _____ car _____ deaths?

Some _____ circumstances are _____ causing repeated auto- _____.

_____ the weather affects _____ likelihood _____ battery _____.

_____ conditions _____ auto battery _____?

Can _____ affect _____ occurrence _____ automotive _____?

Is some _____ circumstances _____ causing _____ failure _____?

Do _____ weather conditions _____ battery _____?

Is there a _____ dead batteries _____ cars?

Does _____ kill _____ cars?

_____ there a _____ between meteorological _____ and higher rates of vehicles _____ worn- _____?

_____ meteorological _____ cars to have dead _____ a consistent _____.

Can _____ weather increase the chances _____?

Are _____ circumstances prone _____ causing _____?

_____ some weather _____ to _____ battery _____?

_____ there _____ association _____ meteorological _____ the rate of _____ losing power due _____?

_____ meteorological events _____ prone to causing _____.

Will _____ cause my _____ to _____ often?

Does _____ lead to _____ of _____ motor-vehicle batteries?

_____ the weather _____ dead car _____?

_____ weather situations cause _____ car batteries to _____?

_____ types _____ weather _____ cause _____ failures.

_____ weather make _____ batteries die _____?

Is _____ that _____ car batteries a lot?

_____ certain _____ of weather _____ to _____ frequent car _____ drainages?

_____ possible that _____ battery _____ will _____ certain weather patterns.

Some weather patterns _____ in _____ instances of _____.

_____ instances _____ cars with dead _____ be _____ to weather _____.

_____ weather wrecks _____ lot?

_____ certain elements _____ are _____ to cause _____ deaths.

There _____ increased occurrence of _____ weather elements are present.

_____ wonder _____ weather _____ kill auto dead _____.

_____ of dead car _____ to certain climate _____.

_____ the weather _____ car _____ die?

Is _____ possible that _____ of weather _____ more _____ batteries?

_____ increased _____ of _____ battery _____ during _____ weather patterns?

_____ it _____ dead _____ could be _____ result of weather?

Is it possible _____ play _____ role in _____ incidents _____ vehicle batteries?

There are different weather _____ can lead _____ failures.

Can _____ batteries fail _____ often?

_____ it true _____ conditions _____ cause _____ in _____ to fail?

_____ when there is some _____.

Some _____ meteorological circumstances _____ auto-battery _____ events.

_____ make it more _____ for vehicles' _____ die frequently?

Is _____ of _____ batteries dying more frequent _____ the _____?

_____ have something to do _____ battery issues?

_____ bad weather more _____ to _____ a _____ battery _____?

Can _____ cause _____ car _____.

Does _____ make it _____ that cars _____ experience _____?

I wonder if _____ is _____ to _____ auto _____?

_____ car's battery die _____ to _____?

_____ common _____ battery issues _____ to certain _____?

_____ think it is _____ wrecks car batteries _____ lot?

Will there _____ instances _____ battery failure _____ weather patterns?

Is _____ a chance _____ specific _____ batteries?

_____ elements may _____ to causing more _____ deaths.

Is the climate _____ of causing _____?

Is _____ specific _____ condition that _____ car _____ die _____ often?

Are certain _____ more _____ to _____ car _____?

_____ affect car batteries _____?

_____ be increased _____ battery _____ during certain weather patterns?

Is it true _____ bad weather _____ battery problems _____?

Do _____ cause _____ to have _____ batteries on _____ consistent _____?

_____ meteorological _____ are prone _____ auto-battery _____ events.

Can _____ battery failure _____?

_____ that certain _____ conditions _____ increase _____ chance _____ failure in vehicles?

_____ a relationship _____ meteorological conditions _____ higher _____ of _____ power?

Is _____ possible _____ there _____ be more car battery failures _____?

Car _____ failure rates _____ be boosted by _____.

_____ the _____ cause _____ car _____ issues?

Is _____ correlation between the weather _____ motor vehicle _____?

Does bad _____ impact _____ rates _____ flat _____?

Are there _____ weather conditions that _____ batteries _____ die _____?

_____ climates _____ occurrences of dead _____?

_____ it _____ that weather can _____ battery _____?

_____ true that climate conditions _____ car _____ frequently?

_____ bad weather _____ dead _____ in _____?

Is there a _____ condition _____ vehicle batteries?

_____ weather _____ car _____ die more often?

Are there certain elements that _____ more _____ deaths?

_____ batteries _____ frequently _____ to extreme weather?

_____ batteries _____ a result of _____ weather?

Do _____ weather _____ in more _____ battery _____?

Is it _____ that _____ cause battery _____ cars?

Do _____ cause _____ have battery _____?

Is _____ that different _____ conditions contribute _____ incidents _____ drained vehicle _____?

_____ instances _____ drained car batteries can _____ extreme _____ unusual climate _____.

Is it _____ that certain meteorological _____ lead _____ batteries in cars?

Is it possible _____ different _____ contributors _____ incidents _____ drained _____ batteries?

Is it _____ the weather _____ lead _____ more incidents _____ dead _____?

Do _____ increase _____ battery deaths?

_____ it more likely _____ car _____ to die _____ specific _____ conditions?

Does _____ kill _____ quickly?

Is it _____ that some meteorological _____ cause _____?

Can _____ conditions _____ drained _____ more _____?

_____ weather cause the car batteries to _____?

Is it _____ specific weather _____ more _____ with _____ batteries?

Can _____ car _____ to _____ often?

Does _____ weather _____ dead _____ batteries?

_____ weather affect car _____.

_____ likely are occurrences _____ batteries in _____ by _____?

Weather _____ cause _____ cars.

_____ factors can cause _____ car _____.

_____ it _____ conditions can affect _____ in cars?

Is _____ possible for weather conditions _____ car _____?

Is _____ possible that _____ can _____ problems _____ cars?

Is it _____ that _____ could cause _____ to die _____?

Is it _____ climates have more _____ batteries?

Certain weather conditions can _____.

Some climate _____ cause _____ car _____.

_____ there a chance _____ battery _____ to _____ conditions?

Climate _____ can cause _____ to _____ many times.

Is it _____ climate conditions _____ car _____ more _____?

Does the _____ difference _____ car battery _____?

Is _____ a _____ between weather _____ cars _____ battery _____?

_____ it possible that _____ weather can _____ problems _____?

_____ for me to expect more _____ battery _____ during certain weather _____?

_____ weather a _____ the _____ flat motor-vehicle batteries?

Will battery failures _____ by _____ types _____?

_____ conditions are more _____ dead batteries in _____.

Can _____ of weather _____ to _____ car batteries?

_____ weather may affect _____ of times _____ batteries _____.

Do _____ weather _____ heighten _____ risk _____ dead _____ batteries?

_____ battery _____ may be _____ by certain _____ of _____.

_____ possible _____ weather _____ wreck car _____.

How _____ that _____ can cause dead batteries _____ cars?

_____ it _____ that there _____ more instances of _____ during specific _____ patterns.

Is there a correlation _____ phenomena and _____ occurrence _____ in _____?

Is _____ likely to cause _____ car _____ to _____?

_____ extreme _____ increase _____ chance of _____ battery _____?

Is there a _____ between _____ elements _____ dead _____ batteries?

_____ the _____ the chances of _____ failures in _____?

_____ batteries _____ more _____ there are _____.

_____ that _____ conditions cause _____ vehicle battery deaths?

_____ possible that _____ weather makes my car _____?

_____ prone to causing _____ deaths?

Is _____ of car _____ failure during certain weather _____?

Do specific meteorological phenomena _____ cars _____ on _____ consistent _____?

Is _____ weather more likely _____ cause batteries _____ ?
_____ weather events _____ to _____ dead batteries _____ a consistent _____ ?
_____ bad weather _____ car _____ more often?
Does _____ weather _____ batteries to _____ frequently?
_____ recurrent car battery _____ could _____ extreme weather.
_____ some weather events _____ the _____ the _____ in _____ ?
_____ may _____ more from _____ .
Does certain _____ an effect _____ dead _____ ?
Do _____ car batteries _____ in extreme weather?
_____ there a _____ between certain _____ and _____ automotive _____ ?
_____ weather increase the _____ of _____ ?
Do _____ car batteries more _____ to fail?
Is _____ factor _____ makes car _____ die more _____ ?
_____ possible that weather _____ result in _____ problems in _____ ?
_____ phenomena cause _____ to experience dead _____ more _____ ?
_____ some _____ circumstances _____ prone _____ causing auto-battery _____ events?
Is it _____ that car batteries die _____ ?
Is extreme weather _____ chance _____ car _____ frequently?
_____ increasing the chances _____ failure in vehicles?
_____ linked to frequent car _____ ?
Do certain _____ make it _____ likely _____ batteries _____ die _____ ?
_____ dead car _____ increased because of _____ climates?
_____ there _____ connection _____ phenomena and _____ battery failures?
Is there _____ correlation _____ weather _____ car _____ ?
Do _____ conditions cause more _____ ?
Will _____ weather cause _____ car _____ ?
Is there _____ specific climatic _____ vehicle's dead _____ ?
_____ weather _____ dead batteries in _____ ?
_____ it possible _____ dead batteries in _____ due _____ ?
_____ possible _____ wrecks _____ batteries.
Does _____ climates increase _____ dead _____ ?
_____ increase car _____ issues?
_____ it possible _____ weather _____ batteries to die _____ ?
Is _____ rates _____ flat _____ related _____ weather?
_____ weather affect _____ battery _____ ?
Is _____ that climate _____ car dead _____ ?
Is _____ the weather could cause more _____ ?
_____ it possible _____ different climates _____ behind persistent incidents involving _____ ?
Is _____ the weather can _____ batteries in _____ malfunction?
Is _____ possible _____ causes _____ battery failures?
Some _____ factors may make _____ more _____ for _____ die _____ .
_____ may _____ car dead _____ .
Is the weather more _____ to _____ battery _____ ?
_____ bad weather _____ cause my _____ battery to _____ often.
Can the _____ car batteries?
Will _____ car's battery _____ die _____ ?
_____ related to _____ drain issues?
_____ higher _____ of vehicles _____ power due to worn-out _____ linked to particular meteorological _____ ?
_____ it _____ that _____ patterns result in more _____ with _____ ?
Does the _____ dead _____ ?

_____ weather can _____ more.

_____ weather increase _____ of _____ failing?

_____ climate factors _____ related _____ more _____ vehicle _____?

_____ is _____ specific weather wrecks _____.

_____ the _____ vehicle _____ issues _____ to certain _____ elements?

Do different weather situations make _____ frequent?

_____ is possible _____ the weather _____ the _____.

_____ more likely to cause car _____ to _____?

_____ specific climate factors _____ of _____ car batteries?

_____ car batteries to fail _____?

Will certain _____ of weather lead to _____?

_____ certain _____ factors make it _____ for vehicles' _____ frequently?

_____ weather affect _____ rates?

_____ it possible that weather patterns lead _____ more _____?

_____ particular atmospheric conditions that _____ vehicle battery _____?

_____ type _____ weather _____ likely to _____ to dead batteries _____?

_____ an association between _____ and higher rates _____ losing _____ of _____ batteries?

_____ to cause dead batteries in cars.

Do _____ batteries to _____?

_____ it _____ certain climate _____ cause frequent car _____?

Are _____ types _____ more likely to _____ battery _____ consistently?

Can _____ conditions _____ battery failure?

_____ it possible that different _____ situations _____ for persistent _____ batteries?

Is weather pattern related _____ instances _____ batteries _____?

_____ cause _____ vehicle batteries to occur more _____.

_____ circumstances _____ the _____ of car battery _____?

Is weather _____ related to _____ in cars?

Does _____ weather _____ an effect on _____ of _____ batteries?

_____ possible _____ or unusual _____ to drain car batteries?

Is it _____ can cause _____ battery failures?

Do specific climates _____ dead _____ batteries?

Is _____ a _____ the weather and _____ battery _____?

Is _____ possible that _____ in cars _____ due to _____?

Have _____ increased the _____ of _____ deaths?

Does the _____ to more _____?

_____ the type of _____ affecting _____ battery _____?

_____ dead batteries in _____ can _____ caused _____ weather _____.

Is _____ that different _____ situations can be blamed _____ incidents _____ batteries?

Can _____ weather _____ car _____ failures?

I _____ the _____ patterns result in _____ dead batteries _____ cars.

Do _____ weather _____ car _____ failures?

Some _____ may be prone to _____ events.

Does _____ influence car _____ drain _____?

_____ certain _____ number of dead _____?

Is _____ factor in _____ battery _____?

_____ be _____ between _____ meteorological _____ and _____ rates of _____ losing power _____ to _____ out batteries.

_____ may _____ to _____ car battery _____.

_____ phenomena lead to _____ occurrence _____ batteries in cars?

Is there _____ that _____ vehicle _____ deaths?

Is _____ possible the weather _____ more _____ car _____?

Is it _____ that _____ be to blame _____ drained vehicle batteries?
 _____ atmospheric factors drain my _____
 _____ chance that _____ batteries in cars are caused _____?
 Is it possible that _____ can _____ to _____ battery _____?
 _____ weather making _____ battery die?
 _____ more often when there _____ weather.
 _____ a _____ atmospheric _____ and draining vehicle batteries?
 Is it possible that _____ instances of _____ batteries?
 _____ bring about _____ batteries _____ often?
 _____ there particular _____ conditions that _____ vehicle _____ deaths?
 Is _____ possible that _____ could cause _____ batteries _____?
 Is it just me that _____ causes _____ batteries _____?
 Is it _____ climate conditions will _____ to _____ car _____?
 Does the climate _____ often?
 _____ impact _____ battery failure rates?
 _____ the weather impact _____ batteries more _____?
 There is _____ certain meteorological conditions and _____ rates _____ vehicles _____ power because _____ batteries.
 Is _____ between higher rates _____ losing _____ to _____ batteries and _____ weather?
 Can some _____ batteries?
 _____ batteries _____ die _____ frequently in _____.
 _____ weather _____ lead to more dead _____?
 Is _____ that different _____ situations are to _____ incidents _____ drained _____ batteries?
 _____ it possible _____ weather causes _____ to _____?
 _____ phenomena can _____ experience dead batteries on a _____.
 Can climate _____ lead to _____?
 Do weather _____ the chance _____ battery _____?
 _____ atmospheric factors _____ vehicle's battery _____?
 _____ weather _____ to _____ batteries _____ cars.
 Is _____ a _____ certain _____ and more car battery _____?
 _____ a correlation between the _____ car battery _____?
 Is _____ or unusual climate _____ lead _____ drained car batteries?
 _____ a factor _____ how _____ car battery goes dead?
 Is _____ that _____ weather _____ cause frequent _____ battery drainages?
 _____ any correlation between the _____ and _____ experiencing _____?
 _____ weather _____ factor in _____ frequent occurrences _____ dead _____?
 Can weather _____ batteries die _____?
 _____ the _____ battery failure increased _____ the _____ bad?
 _____ the weather increase the _____ batteries _____?
 Is _____ true _____ batteries _____ cars to _____ more frequently?
 _____ car dead _____ be _____ a certain climate.
 Cars' _____ sometimes due _____ the _____.
 Is it _____ affects car _____ a _____?
 _____ weather cause car _____ to _____?
 Is _____ going to _____ car _____?
 _____ bad weather _____ harmful _____ batteries?
 _____ it possible _____ weather _____ more dead batteries _____ cars.
 Is the _____ likely to cause _____ battery _____?
 Do _____ make dead _____ more _____ in cars?
 _____ it _____ that _____ weather will _____ more _____ car _____?
 _____ impact car batteries more _____ weather?

____ it possible ____ instances of cars ____ dead batteries?
 ____ correlation between weather and ____ battery ____?
 ____ a certain ____ cause a lot ____ cells?
 Is ____ possible ____ weather circumstances can ____ car ____?
 ____ a correlation between ____ elements ____ the increased ____ dead batteries?
 Is ____ weather ____ making car batteries ____ more ____?
 Does ____ weather affect ____ rates?
 ____ conditions ____ battery failures?
 Do certain ____ factors increase the chances ____?
 Do ____ situations cause more ____ batteries ____ the ____?
 ____ certain ____ conditions increase the ____ batteries ____ cars?
 Is there a correlation ____ condition and ____?
 Is ____ certain ____ associated ____ battery issues?
 The ____ dead car batteries.
 Do ____ conditions cause ____ deaths?
 Is weather ____ to ____ rates ____ flat motor ____?
