

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Fuel efficiency has significantly decreased
Inquiry Sub-Category	Incorrect tire pressure
Description	Customers may inquire about the impact of incorrect tire pressure on fuel efficiency, seeking guidance on the proper inflation levels and potential maintenance or repairs required to resolve the issue.
Data Size	5,043 paraphrases

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ I have ____ of tyre ____ routine maintenace schedule, due to ____ on mpg ____?
 ____ that tyre pressures ____ fuel efficiency should ____ looked ____ implementing a ____ like this.
 Should ____ pressure be ____ during ____?
 ____ checked in ____ maintenance schedule?
 ____ think ____ consistent tire pressure checks ____ good ____ gas ____?
 When added ____ my maintenance ____ the ____ that ____ pressures ____ efficiency ____ considered.
 When ____ added ____ my ____ effect of tire pressures ____ should be ____.
 ____ tire ____ checks ____ done ____ maintenance?
 ____ think I should check ____?
 ____ maintenance schedule ____ regular ____ for tire ____?
 If tire ____ I add ____ to my ____ plan?
 Is ____ worth ____ tyre pressure ____ my ____ because ____ has ____ impact on ____ efficiency?
 Is ____ good idea to check my ____?
 The effect ____ tyre ____ have on ____ efficiency should be ____ account ____ deciding ____ should be included ____.
 The ____ that tyre pressures have on ____ should be taken ____ if ____ checks ____ be ____.
 ____ I check tire ____ the ____?
 Considering the ____ on ____ efficiency, ____ include ____ tire pressure?
 The ____ tire pressures ____ on fuel efficiency ____ be considered when ____ if ____ maintenance.
 Should I schedule regular ____ in my ____?
 Does ____ tire ____ examination ____ the ____ improve ____ mpg results?
 Given ____ the ____ impact ____ be worse, ____ I ____ consistent ____ checks for ____?
 ____ good ____ to ____ regular ____ checks ____ maintain good fuel efficiency?
 ____ would like ____ tire pressure ____ since the ____ impact could be worse.
 ____ have wondered ____ I should ____ checks in ____ schedule.
 Is ____ me to check ____ frequently ____ make sure my ____ is okay?
 Consider tire ____ checks ____ better ____?
 I ____ wondering ____ should include ____ checks ____ maintenance schedule.

_____ tyre _____ on _____ efficiency _____ be _____ account when deciding _____ the checks _____ included in my _____.
 Should _____ pressure _____ included _____ routine _____?
 Do _____ need to _____ tire _____ regular basis _____ make sure _____ gas _____ isn't _____ up?
 Given _____ does _____ make sense to _____ regular tire pressure _____?
 Is _____ necessary to _____ tyre pressing tests _____ they _____?
 I wonder if _____ pressure _____ in maintenance.
 Should _____ periodically _____ tire _____?
 _____ the _____ pressures _____ an effect _____ fuel efficiency, they _____ included in _____.
 _____ don't _____ if I _____ to _____ make sure _____ gas mileage isn't messed up.
 _____ tire _____ checks _____ with gas mileage?
 _____ have _____ check tire pressure in _____ maintenance _____?
 Should the impact of _____ at _____ maintenance?
 The effect _____ pressures have on fuel efficiency is _____ think should _____ implementing _____.
 _____ implementing a _____ schedule, I _____ effect _____ pressures _____ fuel efficiency.
 I've _____ pressure _____ should be included in _____ schedule.
 While deciding if the _____ are included _____ my maintenance, _____ pressures have on fuel _____.
 Does regular tyre _____ examination in _____ mpg results?
 _____ I want _____ keep my _____ in _____ have to check _____ pressure _____ regular basis?
 The effect that tyre _____ have _____ efficiency _____ be considered _____ they should be _____ my _____.
 _____ I have to _____ check the _____ if _____ to _____ my mileage _____?
 _____ am _____ if I _____ tire _____ my maintenance schedule.
 _____ pressure _____ during maintenance.
 Consider _____ on a _____ basis?
 Is _____ appropriate _____ regular _____ assessments _____ my maintenance plan?
 Regular tire _____ should _____ part _____ maintenance.
 _____ pressure _____ my maintenance schedule?
 _____ that tyre pressures _____ fuel efficiency should be _____ decide _____ should be included on _____.
 _____ a _____ idea to _____ the tire _____ in _____ maintenance?
 If the _____ in my _____ effect that tyre _____ have _____ fuel efficiency should _____ account.
 The effect _____ tire pressures have _____ is _____ consider when implementing _____ schedule _____ this.
 Do _____ my tires checked?
 _____ necessary _____ have _____ tire _____ checks because _____ mileage impact _____ worse?
 Can _____ tyre _____ checked _____ to increase _____ mileage?
 _____ impact _____ tire pressure _____ mileage be _____ checks?
 _____ it a good _____ to _____ tyre _____ checks _____ maintain good _____?
 The effect tyre _____ have on _____ something that _____ be considered when _____ schedule _____ checks.
 _____ it's added _____ my _____ effect tyre _____ have on _____ efficiency should _____.
 _____ potential _____ on _____ do _____ to have a _____ tire _____ check?
 When _____ added to _____ maintenance _____ on fuel efficiency should be considered.
 Should tire _____ checked _____?
 _____ tire pressure often?
 The tire pressure checks _____ my _____.
 Is there _____ to _____ proper _____ for better _____ economy?
 Does tyre presssure impact _____ make it _____ part _____?
 Can _____ the tyre presssure be _____ to _____ gas _____?
 Do I _____ to _____ frequently to _____ my _____ doesn't get messed _____?
 _____ tyre pressure has _____ should be considered _____ implementing _____ schedule like this.
 _____ I _____ tire _____ checks in _____ maintenance _____?
 _____ you _____ check _____ tire presssure _____ part of _____ maintenance _____?
 Does _____ of the _____ good gas mileage?

_____ worth keeping tire _____ my maintenance _____ of _____ efficiency?
 _____ want _____ know if _____ pressure checks on _____ schedule.
 _____ tire _____ should I include it in _____ maintenance _____.
 Should I _____ tire _____ maintenance?
 When it's added _____ I _____ to consider the _____ that _____ pressures have on _____.
 _____ if I _____ tire pressure _____ maintenance schedule.
 I _____ if regular tire _____ checks should _____ my _____.
 _____ effect that _____ pressures _____ on fuelefficiency _____ be _____ when _____ a _____.
 _____ effect _____ pressures _____ fuel efficiency is something I _____ implementing _____ schedule.
 Is _____ mandatory _____ pressure updates _____ improve _____?
 The _____ tyre _____ is what I should _____ when _____ implement a maintenance schedule.
 Should tire _____ be included in _____ for _____?
 Is _____ important _____ economy _____ have _____ tire pressures?
 _____ it's _____ my maintenance _____ should _____ into account the _____ tyre _____ have on _____ efficiency.
 I wonder if I should have regular _____.
 I wondered _____ there _____ tire pressure _____ on _____ maintenance _____.
 Is _____ important _____ tire pressure to _____ high mpg _____?
 _____ want to _____ mileage _____ check, do _____ to check the tire _____?
 _____ the _____ are included in _____ maintenance, _____ the effect _____ tyre pressures _____ fuel _____ be _____.
 _____ I _____ tire _____ during my _____?
 The _____ that _____ pressures have on _____ should _____ considered _____ determining _____ include them _____ the _____.
 The effect that tire _____ efficiency _____ to the _____ schedule.
 _____ tire pressure _____ be included _____?
 _____ wonder _____ I need _____ tire pressure checks because the mileage _____.
 _____ tire pressure checks _____ part _____ normal _____ care _____?
 The _____ pressures on _____ efficiency is _____ should be _____ when implementing a _____.
 Given _____ potential impact _____ do _____ to check _____ pressure _____?
 _____ check tire _____?
 _____ tire _____ be _____ part of the _____ routine?
 _____ to _____ tire pressure often in order to _____ sure my _____ mileage doesn't _____?
 Is _____ regular tire pressure _____ necessary _____ economy?
 _____ include _____ regular tire _____ in _____ maintenance plan?
 Should _____ pressure checks as _____ of my _____?
 Do I have _____ frequently _____ order to make _____ my _____ doesn't get _____ up?
 _____ tire _____ be part _____ routine maintenance?
 _____ tyre _____ mileage _____ an _____ part of scheduled upkeep?
 _____ that tire _____ on _____ efficiency should _____ considered _____ I _____ the checks are included.
 _____ it a good _____ to _____ pressure Inspections _____ maintain _____ efficiency?
 _____ monitoring tyre _____ impact mileage _____ part _____ maintenance?
 Should _____ pressure have _____ maintenance?
 The impact _____ have on fuel efficiency _____ if they _____ be included _____ the maintenance
 The _____ that _____ pressures have _____ fuel efficiency has to be considered _____ schedule _____.
 Do I _____ to check the _____ a _____?
 _____ have on fuel efficiency should _____ deciding if the checks are included _____ my _____.
 _____ wonder if _____ tire pressure _____ on _____ service schedule.
 Adding the _____ that _____ pressures _____ on _____ efficiency should be _____ schedule.
 _____ it possible that _____ pressure _____ impact _____ figures?
 The _____ that tyre pressures _____ on fuel _____ taken into account _____ determining _____ the _____ in _____ maintenance.
 Do I _____ to _____ often in _____ to make sure _____ gas mileage _____ not _____?
 I was _____ I need _____ tire _____ checks _____ maintenance schedule.

The effect _____ pressures have _____ fuel efficiency _____ what should _____ when _____ a _____ schedule _____
_____ am wondering if _____ should include _____ in my _____.

Can _____ track of tyre pressure _____ into regular _____ good gas _____?

The _____ tyre pressures _____ fuel efficiency _____ I _____ about when implementing a maintenance _____.

Do I _____ to _____ tire _____ make _____ gas _____ is good?

_____ of _____ on fuel _____ is something _____ should be considered _____ a _____ schedule.

Can _____ tire _____ checks _____ my _____?

_____ track of tyre pressure _____ maintain good gas _____?

Is it _____ to have regular _____ good _____ efficiency _____ my vehicle?

Is _____ important _____ maintaining _____ values to check _____?

_____ pressure affects _____ should I do regular _____ pressure _____?

Don't _____ I should _____ my _____ checked _____ frequently?

_____ advisable to check _____ pressure _____ my _____ schedule?

Is it _____ good idea to _____ regular _____ to _____ fuel efficiency _____ my _____?

If _____ pressure affects fuel efficiency, _____ I _____ routine maintenance _____?

Do I have to check _____ on a _____ basis if I _____ my _____?

_____ that _____ pressure inspections _____ mileage figures?

_____ it a _____ perform _____ checks to maintain _____ fuel _____ my vehicle?

_____ effect _____ pressures have on fuel _____ is _____ thought about when _____ a maintenance _____.

_____ I _____ checks in _____ maintenance?

_____ pressure checks to get _____?

Should I _____ pressure _____ part _____ my _____ maintenance?

_____ tyre _____ assessments _____ in my _____ plan?

Do _____ should have my tires _____?

Given _____ the _____ impact _____ do _____ consistent _____ pressure _____ for my car?

Do _____ really _____ to _____ pressure _____ sure my gas mileage _____ up?

_____ effects that _____ have on fuel efficiency should _____ implementing _____ maintenance _____.

Should I include _____ for _____ pressure _____?

_____ effect that tire _____ have _____ fuel _____ should _____ when _____ to _____ them _____ the maintenance.

_____ on mileage _____ tire _____ should be _____.

_____ your tire pressure _____.

_____ the impact of tire pressure on _____?

_____ track _____ tire pressure help _____ maintain _____ good _____ mileage?

I wondered _____ should check _____ pressure _____ a _____ basis.

_____ consider _____ effect that tire pressures have _____ efficiency when _____ maintenance _____.

Does periodically _____ pressure improve _____?

The effect _____ tyre pressures _____ be considered _____ comes _____ my maintenance.

For _____ mileage, _____ to have a consistent _____ pressure _____?

The _____ that tyre _____ have _____ fuel efficiency _____ be taken into _____ deciding whether _____ them on _____.

_____ tire pressure _____ be _____ maintenance schedule.

_____ I need _____ include regular _____ in my _____ schedule?

Should _____ maintenance _____ tire pressure _____?

I'm wondering _____ I need frequent _____ checks _____ maintenance _____.

The _____ pressure checks _____ be _____ in the _____.

_____ keeping _____ pressure up in _____ maintenance schedule _____ of _____ efficiency?

Should tire pressure _____ regular _____ maintenance?

Should _____ pressure be checked _____?

_____ tire _____ have _____ fuel _____ considered _____ deciding whether or not _____ include them in the _____.

Should I _____ pressure checks _____ care routine?

Checking the _____ pressure _____ gas _____.

_____ my _____ schedule _____ pressure checks?

_____ potential impact on mileage, _____ I _____ pressure _____ part _____ my car care routine?

Should tire pressure checks _____ schedule?

_____ we _____ pressure frequently?

_____ I need to have _____ checked _____ a _____?

_____ effect that tyre _____ have on fuel _____ should _____ while _____ if _____ are _____ my _____.

_____ tire pressure _____ be included _____ routine?

_____ tire _____ be looked _____ regularly _____?

_____ need to have _____ checked _____ in _____ maintenance schedule?

_____ need _____ pressure checks _____ part of my car _____ routine?

Is it _____ to _____ pressure _____ maintain good fuel efficiency?

_____ it necessary _____ check _____ pressure _____ make sure my gas _____ get messed _____?

_____ effect of _____ pressures on fuel _____ be considered _____ whether _____ included in _____ maintenance.

_____ idea to _____ regular tyre _____ inspections to _____ fuel efficiency?

The _____ that _____ on fuel _____ should _____ when _____ to my _____ schedule.

The _____ that tire pressures _____ on fuel _____ should be considered while _____ if _____ maintenance.

_____ am _____ if tire _____ be included on _____ maintenance _____.

Should _____ pressure _____ my schedule?

Should I _____ tire pressure _____ my _____ plan _____ fuel efficiency?

_____ regular tire _____ checks in my maintenance _____?

_____ pressure checks should _____ my _____.

_____ effect that _____ have on _____ efficiency should _____ considered _____ determining if _____ checks are _____ in _____.

_____ it necessary for _____ to check the tire _____ if I _____ in check?

The effect that _____ pressures have _____ fuel _____ need _____ consider _____ implementing a maintenance _____.

Should _____ pressure be _____ part _____ my _____ plan?

_____ need to check _____ pressure _____ to _____ my gas _____ ok?

Keeping track _____ pressure and incorporating _____ into _____ maintenance _____ maintain _____ mileage.

Do I need _____ check my _____ pressure frequently _____?

Should we _____ tire _____?

Given that _____ worse, _____ I need _____ constant _____ pressure check?

_____ of tyre pressures on fuel _____ I _____ to _____ implementing a _____ schedule.

The _____ that tyre pressures have on fuel _____ I should _____ implementing a _____.

_____ tyre _____ have on fuel efficiency is _____ that _____ considered when _____ maintenance schedule.

Is _____ really _____ for _____ to check _____ my _____ mileage doesn't get messed up?

The effects that tire _____ have _____ efficiency _____ be _____ if they should _____ included _____ maintenance.

_____ effect _____ have on _____ efficiency should be _____ implementing a _____ schedule _____ this.

Regular tyre _____ will _____ the _____?

Is _____ have tire _____ checks _____ mileage figures?

Do _____ really have to _____ pressure _____ to make sure my _____ up?

I wonder _____ tire _____ in my maintenance schedule.

_____ wondered if I should _____ pressure _____ schedule.

Should _____ in my _____ maintenance plan if _____ affects _____ efficiency?

_____ periodically checking _____ tyre pressure _____ with _____?

Do _____ impact mileage make _____ part of _____ upkeep?

_____ I _____ to _____ my MPG in check, I _____ check _____ pressure _____.

I _____ I should include _____ during my _____.

The effect that _____ pressures have _____ efficiency should be _____.

If tire _____ affect _____ efficiency, _____ include them in _____?

Is _____ idea for _____ maintenance _____ include tire _____ checks?

_____ tire _____ checks _____ mileage figures?

_____ pressure checks?

_____ keeping tire _____ in _____ maintenance _____ because of the _____ on fuel _____?

_____ I need to get _____ tires checked _____?

Should _____ be _____ at in _____ routine?

_____ we check _____ pressures _____?

_____ effect _____ tyre _____ have on fuel _____ should be taken _____ account _____ I _____ if _____ my maintenance.

The effect _____ of _____ pressures should _____ while deciding if they _____ included in _____.

Should I _____ pressure _____ part of my _____ plan?

_____ I include _____ pressure assessments in _____ plan?

The effect that _____ have on _____ taken _____ when deciding _____ to _____ them on _____ maintenance.

When it's _____ the effect that tyre _____ have _____ fuel _____ should _____ considered.

I wonder _____ I should _____ in _____ maintenance schedule.

Is _____ that my _____ efficiency _____ by tire _____ checks?

Is it _____ good _____ to check _____ during _____?

_____ am wondering if _____ should _____ checks _____ in _____ maintenance schedule.

If _____ want to _____ do I have _____ check _____ tire pressure?

Regular _____ pressure checks _____ be _____ my maintenance _____.

mileage _____ may _____ routine tire pressure _____.

Does _____ addition of _____ checks _____ gas _____?

I _____ if I _____ regular _____ pressure _____.

_____ effect _____ on _____ efficiency is something that _____ be considered when _____ a _____.

Regular checks for _____ part _____ a _____?

_____ tire _____ checks _____ included in my _____?

_____ tire pressure _____ fuel _____ should _____ be _____ my _____ plan?

Do I _____ to have consistent tire _____ because _____ worse?

The effect that _____ pressures _____ fuel _____ should be looked _____ if _____ included in my _____.

Do _____ need _____ tire pressure in _____ maintenance?

_____ tyre _____ my maintenance schedule _____ it _____ it _____ impact _____ fuel efficiency?

_____ I want to _____ in _____ do _____ have to _____ tire pressure on _____ regular _____?

I am wondering _____ need _____ pressure checks _____ my _____.

Consider performing _____.

Maintaining good gas _____ by _____ of _____ and incorporating it into regular _____.

Is it _____ for _____ tests during _____ cycles to _____ gas _____?

_____ was wondering _____ include tire _____ checks for _____ maintenance _____.

_____ tire _____ checks _____ included in _____?

_____ it really _____ to _____ tire _____ often _____ make sure _____ gas mileage does _____ messed _____?

Is it a _____ idea _____ verify _____ part of _____?

_____ it _____ sense _____ keep tire _____ in my schedule because _____ the _____?

The _____ that _____ pressures _____ efficiency _____ be considered while deciding _____ they _____ be included _____ my _____.

I've _____ if I should include _____ pressure _____.

_____ effect _____ tire pressures _____ on _____ something that should be _____ implementing _____ maintenance _____ with regular _____.

_____ should _____ tires checked regularly?

Does monitoring _____ an essential part of _____ upkeep?

_____ it worth _____ to check tire _____ my _____ mileage doesn't get _____ up?

_____ I _____ my routine maintenance plan _____ they _____ fuel efficiency?

_____ I _____ tire pressure checks _____?

The _____ pressures have _____ fuel efficiency is _____ that should be considered _____ maintenance _____ with _____.

_____ effect that tyre _____ have on _____ should _____ deciding _____ to _____ them in _____ maintenance.

Do _____ think tire pressure _____ for _____ performance?

____ tire ____ be ____ in ____ care?
 ____ that ____ pressures have on ____ efficiency ____ deciding ____ the checks should be included.
 ____ I check tire pressure ____ a ____ basis if ____?
 The ____ that ____ fuel ____ is something that ____ be ____ account ____ implementing a maintenance schedule.
 Do ____ have ____ tire pressure ____?
 Do I ____ check my ____ a ____ basis ____ keep ____ in check?
 ____ idea to ____ tire pressure checks for better ____?
 Does ____ track of ____ pressure help ____ mileage?
 ____ a ____ to conduct regular ____ pressure ____ good fuel efficiency?
 ____ regular tire pressure ____ with optimal ____?
 Do ____ need to ____ the maintenance schedule?
 Should there ____ pressure checks ____ maintenance schedule?
 Think I should ____ checked ____?
 When ____ a ____ schedule with ____ checks, ____ effect that tyre pressures ____ efficiency ____ considered.
 Should tire ____ be ____ as part ____ routine ____?
 Checking ____ tire ____ can ____ gas ____.
 Is ____ necessary for me ____ my ____ pressure ____ want to keep my ____ control?
 Is ____ a ____ idea to ____ regular ____ pressure inspections ____ efficiency?
 ____ the ____ be ____ in my maintenance, ____ effect ____ tire ____ have ____ efficiency should be considered.
 Should my service schedule ____?
 Does it ____ sense to perform ____ pressure inspections to ____ vehicle?
 ____ that ____ pressures have on fuel efficiency ____ considered ____ deciding if ____ should ____ in my ____.
 ____ was wondering ____ I ____ include ____ pressure checks ____ maintenance ____.
 Is it a good ____ tire ____ checks ____ routine ____?
 ____ regular ____ pressure assessments ____ be ____ in my ____ plan.
 ____ I ____ check ____ ensure my gas mileage doesn't get ____ up?
 Doesn't ____ sense ____ maintain ____ for better fuel economy?
 ____ tire ____ checked during ____?
 Is it ____ for ____ tire pressure ____ given ____ impact ____ mileage?
 Think ____ should ____ my ____ more ____?
 ____ effect tyre pressures ____ on fuel efficiency should ____ when deciding if ____ should ____.
 ____ tyre pressure ____ will ____ fuel ____?
 Does ____ pressure ____ the ____ help with gas ____?
 ____ it ____ to ____ so that my gas mileage doesn't ____ messed up?
 ____ I conduct tire pressure ____ as ____ my ____?
 Is ____ good for ____ vehicle's ____ have regular ____ pressure ____?
 Should I ____ pressure ____ maintenance?
 ____ to check the ____ pressure?
 The effect tyre pressures have ____ fuel efficiency ____ be ____ deciding ____ they ____ on ____.
 ____ pressure be checked periodically to ____ gas ____?
 ____ tire pressure should be ____ my ____.
 ____ for better gas mileage.
 Is ____ important to ____ the ____ pressure periodically in order ____?
 ____ part of ____ upkeep should ____ be ____?
 ____ wonder ____ there ____ regular tire pressure checks ____ maintenance ____.
 ____ there ____ reason ____ keep proper ____ pressure ____ better ____ economy?
 ____ regular tyre ____ plan improve mpg results?
 ____ it worthwhile ____ tyre pressure ____ maintenance ____ it has an ____ fuel efficiency?
 Can a ____ of ____ pressure ____ gas mileage?
 ____ effects that ____ pressures ____ fuel ____ should be ____ if they should be included ____ the ____.

The _____ pressures have on _____ efficiency _____ be looked into _____ deciding _____ should _____ included in _____.
 _____ is, _____ I need tire pressure _____ in _____ schedule?
 given _____ impact _____ be _____ I need _____ tire _____ checks _____ my car?
 Is it a _____ idea to _____ tyre _____ my _____ plan?
 Does tyre _____ impact _____ up _____ essential part _____ upkeep?
 _____ really necessary _____ to check tire pressures _____ to _____ sure my _____ isn't messed _____?
 I wonder _____ include tire _____ checks _____ part _____ maintenance schedule.
 Considering the effect _____ pressure has _____ efficiency, should _____ it _____ schedule?
 _____ effect that _____ have _____ fuel efficiency _____ considered _____ I decide if _____ checks are _____.
 _____ it _____ good idea _____ include _____ in regular maintenance?
 Do _____ to check _____ often to make _____ gas mileage _____ not _____?
 _____ checks, for _____ mileage?
 _____ make _____ checks part of _____ maintenance regimen?
 Should I _____ tire checks in _____?
 _____ the _____ pressure help _____ gas mileage?
 Should _____ include tire _____ maintenance?
 _____ the _____ are _____ maintenance, _____ effect _____ tyre pressures _____ on fuel efficiency must _____ considered.
 _____ it a good _____ for me to check _____ pressure _____?
 _____ for regular tyre pressing _____ the maintenance _____ to _____ gas _____?
 Should _____ regular checks _____ tyre _____ my maintenance _____?
 Do _____ affect _____ during routine maintenance cycles?
 The effect _____ tyre pressures _____ efficiency needs _____ considered _____ implementing _____ maintenance _____ with _____ checks.
 _____ pressure checks _____ included _____ maintenance schedule
 I wonder _____ tire pressure as _____ of my _____.
 _____ I _____ to check _____ frequently to make sure _____ go bad?
 _____ frequent tire _____ reviews _____ an _____ mileage rates?
 _____ true that _____ pressure _____ affect _____ efficiency?
 _____ that tire pressures have _____ efficiency _____ considered when deciding if they should _____.
 Is it really necessary _____ pressure frequently _____ gas mileage does _____ get _____ up?
 _____ if _____ have regular tire _____ during my _____ schedule.
 Does regular _____ pressure _____ affect _____?
 I _____ the _____ that tyre pressures _____ on _____ when _____ if _____ checks are included _____ my _____.
 _____ wondered if _____ should _____ tire _____ my maintenance schedule.
 _____ regularly inspect tire _____?
 _____ it a good _____ pressure _____ in _____ maintenance schedule?
 _____ I _____ tire _____ regularly?
 _____ that tyre pressures have _____ fuel _____ should _____ if they need _____ in the maintenance.
 _____ tire _____ during _____ maintenance regimen?
 _____ I have _____ tire pressure _____?
 Is _____ possible _____ check the _____ to improve gas _____?
 Is _____ check _____ pressure regularly if I want to _____ mileage _____?
 I _____ if I _____ check _____ pressure frequently _____ make sure _____ gas _____ messed up.
 _____ a routine maintenance regimen, _____ it _____ pressure?
 _____ implementing _____ maintenance schedule like this, _____ need to _____ the _____ have on fuel _____.
 Do _____ to _____ consistent tire _____ checks _____ car _____ the _____ impact could be _____?
 _____ check the tire _____?
 _____ wondered if I _____ include tire _____ my _____.
 Is _____ good idea to do _____ inspections _____ good _____ efficiency?
 Given that my mileage _____ be _____ do _____ to _____ tire _____ checks?
 _____ should _____ include tire pressure _____ in my maintenance _____?

What _____ tire _____ checks in _____ maintenance schedule?

_____ should _____ the _____ tyre _____ fuel _____ when _____ a maintenance schedule like this.

Do I _____ to _____ tire _____ often _____ to _____ sure my _____ isn't _____ up?

_____ pressure _____ affect my fuel _____?

_____ tyre pressures have _____ fuel efficiency should be considered _____ be included _____ maintenance.

_____ track of tyre _____ it into maintenance can help _____.

_____ it _____ it to maintain _____ pressure on _____ regular _____ because _____ an _____ on fuel _____?

I'm curious _____ I _____ include _____ checks _____ my _____ schedule.

Is it worth it _____ pressure inspections to maintain _____?

_____ I _____ to _____ pressure _____ if I _____ my mileage in check?

_____ routine tire pressure _____ affect _____?

_____ effect _____ tyre _____ fuel efficiency needs to _____ considered _____ if _____ checks _____ included in _____ maintenance.

Should _____ pressure _____ doing _____ maintenance?

_____ be a part of _____ routine?

Keeping _____ of _____ and _____ it _____ regular maintenance _____ maintain a good _____.

Do I _____ for tire pressure in _____?

Is _____ to check my _____ in my _____ schedule?

_____ it a _____ idea to have _____ checks _____ fuel efficiency?

_____ need _____ tire pressure at regular intervals?

_____ effect _____ pressures _____ on _____ efficiency _____ something I _____ making a maintenance schedule.

The effect _____ pressures _____ fuel _____ be considered _____ they should be _____ the maintenance.

Is _____ worth _____ to _____ regular tire _____ schedule _____ the impact _____ efficiency?

Checks _____ as part of a _____?

_____ that _____ pressures _____ efficiency _____ be considered when deciding if _____ should be _____ in my _____.

_____ effect _____ tyre pressures _____ on _____ efficiency should _____ deciding _____ to _____ them _____ my maintenance

I _____ I _____ tire pressure _____ on my maintenance _____.

_____ tire _____ affects _____ efficiency, should I _____ tire pressure _____ in _____ plan?

_____ know _____ I need _____ tire _____ checks _____ mileage impact.

Is _____ a good _____ to _____ inspections to _____ my _____ efficiency?

Is it _____ have regular _____ pressure inspections to _____ efficiency _____ my _____?

Is it possible _____ include _____ tire pressure _____ maintenance _____?

_____ to maintain proper tire _____ for better _____ or _____?

Do _____ to check tire _____ regularly if I _____ my MPG _____?

Do you think _____ proper tire _____ necessary _____ economy?

When it's _____ to _____ the _____ that _____ have _____ efficiency should be considered.

_____ implementing a maintenance _____ I should consider _____ impact _____ on fuel efficiency.

The effect that tyre _____ on _____ should _____ considered _____ if the checks are _____ maintenance

The _____ that _____ fuel efficiency should _____ deciding if the _____ are included _____ my maintenance.

_____ tire _____ checks to get good mileage?

_____ we _____ check tire _____?

_____ it _____ good _____ maintain _____ for better fuel economy?

Is maintaining optimal _____ economy _____ regular _____ pressure _____?

_____ should _____ in my maintenance _____.

_____ pressure _____ routinely checked during _____?

_____ tire pressure inspections needed _____?

Consider _____ on a regular _____.

The effect _____ fuel efficiency _____ I _____ consider _____ implementing a maintenance _____.

_____ that tyre pressures have _____ should _____ considered when _____ they should be _____ my _____.

The _____ tire _____ on fuel _____ be considered when _____ my maintenance.

_____ I _____ tyre pressure assessments _____ plan?

_____ the _____ pressure periodically help _____ mileage?

Does _____ tire _____ reviews _____ rates?

_____ if tire pressure checks _____ in my maintenance _____.

_____ should consider _____ that _____ pressures have _____ efficiency _____ deciding _____ they _____ be _____ on my maintenance.

The effect _____ pressures _____ on fuel _____ I _____ consider when implementing _____.

Is there _____ consistent _____ pressure checks _____ that _____ impact _____ be worse?

_____ necessary for tyre _____ tests during _____ cycles _____ affect _____?

_____ frequent tire _____ updates.

_____ tire pressures on fuel _____ should _____ considered _____ implementing _____ maintenance _____.

Should I _____ tire _____ checks _____?

_____ it _____ that _____ pressure _____ affect _____ fuel efficiency?

Can you _____ pressure _____ improve gas mileage?

_____ it possible to _____ regular _____ checks in _____ schedule?

_____ a _____ to maintain proper _____ pressure _____ a better fuel _____?

My _____ be _____ by regular tire pressure _____.

The _____ of tyre pressures _____ fuel efficiency _____ what _____ be _____ when _____ maintenance schedule _____.

_____ tire pressure _____ part _____ maintenance plan if _____ affects fuel _____?

_____ the _____ pressure _____ better mileage.

Should tire _____ of the maintenance _____?

Do _____ have to check _____ pressure _____ to ensure _____ mileage _____ messed _____?

I _____ I should _____ my tire _____ my maintenance _____.

Is _____ necessary _____ tire _____ maximize fuel economy?

Is it _____ to have _____ pressure _____ maintain _____ fuel efficiency?

_____ pressure _____ be _____ to maintain good fuel _____ my vehicle?

_____ routine _____ pressure checks _____ mileage _____?

_____ tyre _____ have on fuel efficiency should be considered _____ a _____.

Given that the _____ be _____ need consistent tire _____ checks _____ my _____?

_____ if _____ tire _____ checks _____ be included _____ maintenance schedule.

Should regular tyre _____ in my _____ plan?

_____ schedule should _____ tire _____ checks

Do _____ to _____ pressure often if _____ to keep my _____ control?

_____ I check _____ pressure _____ routine _____?

_____ that _____ have on fuel efficiency _____ considered _____ deciding if _____ should _____ in my maintenance.

The effect that _____ fuel efficiency should _____ considered in _____ they should _____ included _____ maintenance.

_____ it _____ have _____ pressure checked _____ my _____ routine?

_____ you think _____ proper tire _____ for _____ economy is _____ good _____?

_____ asked _____ I _____ to _____ tire _____ checks in my _____.

_____ I _____ during my _____ maintenance?

The _____ pressure should be _____ maintenance.

_____ I _____ check the _____ if _____ to keep my mileage in _____?

_____ effect _____ tyre _____ have on _____ efficiency is what should be _____ implementing _____ with _____ checks.

Is _____ tire pressure _____ be checked periodically _____ high mpg _____?

Should _____ pressure _____ included?

_____ I _____ to _____ my mileage _____ do _____ have to check _____ tire _____?

_____ a good _____ to _____ tire pressure _____ to _____ good fuel _____?

_____ tyre pressures _____ on fuel efficiency should be considered _____ deciding if _____ join _____.

_____ if _____ have consistent _____ pressure checks _____ that _____ mileage impact could _____ worse.

I wonder if I _____ tire _____ schedule.

Is it _____ have tyre pressure _____ maintain good _____ on _____ vehicle?

Adding ____ pressures to ____ consider their ____ on ____ efficiency.

The ____ fuel efficiency of tyre pressures ____ implementing a ____ schedule with ____.

____ possible to ____ regular tyre pressure inspections ____ maintain ____?

Do I ____ tire pressure ____?

____ tire ____ often to make sure ____ mileage is good?

The effect that ____ have on ____ be ____ at when ____ included in the maintenance.

Is it ____ tire pressures ____ to ____ my gas mileage doesn't get ____?

____ essential for tire ____ to ____ mpg?

Is it possible ____ tyre ____ improve gas mileage?

Do ____ pressing tests ____ maintenance ____ because they ____ gas mileage?

I ____ if ____ have to check tire ____ to ____ sure my gas ____ not ____.

____ it ____ frequent tire pressure checks ____ included in ____ schedule?

Is ____ tyre ____ impact ____ an ____ of upkeep?

Given ____ potential ____ mileage, is it necessary ____ pressure checks?

____ it worth it to keep ____ a regular ____ because ____ has ____ impact ____ efficiency?

____ a ____ inspection ____ pressure ____ mileage figures?

Should ____ pressure be kept ____?

____ effect that tyre ____ fuel ____ should be ____ while ____ whether ____ should be ____ in ____ maintenance.

____ pressure ____ be a part ____ maintenance?

Proper ____ be included in my ____ schedule.

____ it ____ for ____ fuel economy to ____ checked?

____ it ____ good idea ____ regular tire pressure assessments ____ plan?

Shouldn't ____ pressure checks be ____ maintenance ____?

I'm wondering ____ pressure ____ included in my ____ schedule.

I ____ if ____ need to ____ tire pressure ____ make ____ my gas ____ isn't ____.

Regular ____ checks ____ affect ____ efficiency.

Is it a ____ to do regular tire ____ to ____ efficiency on ____?

The effect that ____ have ____ efficiency should be considered when ____ should ____ them ____ maintenance.

I ____ if tire ____ should be ____ maintenance ____.

____ I ____ the ____ pressure ____ my ____ schedule?

____ include ____ checks in my ____?

Do ____ tire ____ checks ____ of my ____ care routine?

I don't know if ____ check ____ pressure ____ to make ____ mileage ____ messed up.

Is ____ necessary ____ have tyre ____ maintenance ____ affect gas mileage?

If tire ____ efficiency, should ____ it ____ my routine maintenance ____.

____ if ____ should ____ pressure in ____ maintenance regimen.

____ you periodically ____ pressure to enhance gas ____?

____ effect ____ pressures have on fuel efficiency ____ be ____ deciding ____ they should ____ the maintenance.

Is it worth ____ keep tyre pressure in ____ because of ____?

____ check tire pressure ____ included in ____?

Is it essential for ____ to have ____?

Do I ____ checks ____ my maintenance schedule?

How ____ I ____ tire ____ checks ____ my maintenance ____?

____ we be ____ checking the ____?

____ tire pressure ____ in my routine ____ hurts fuel efficiency?

____ tire pressures be ____ as part ____ maintenance ____?

The effect ____ pressures ____ efficiency ____ considered ____ deciding if they ____ included ____ the maintenance.

____ tire pressure affects ____ efficiency, should I ____ pressure ____?

Is ____ relevant to my ____ to ____ checks?

Is it _____ have regular tire _____ checks _____ maintenance _____?

The _____ that tyre pressures have _____ fuel _____ is _____ should _____ when _____ a _____.

Should tire _____ be included _____ routine maintenance _____ if it _____ efficiency?

Is it _____ me _____ check tire _____ and then _____ my mileage _____ check?

If _____ affects _____ tire pressure _____ included in _____ plan?

_____ pressure checks affect fuel _____?

Is _____ worth keeping tire pressure up _____ schedule because _____ efficiency _____?

Does the _____ of _____ on fuel _____ regular _____?

_____ pressure _____ be included _____ the routine maintenance.

_____ consider the effect tyre _____ fuel efficiency when _____ schedule _____ regular checks.

Should tire _____ be checked _____ of _____ regimen?

The _____ tyre _____ have on _____ be looked _____ when implementing _____ schedule.

_____ it _____ to include _____ pressure _____ in my _____?

_____ regular _____ examination in the _____ plan _____ mpg results?

_____ mileage _____ be worse, _____ need _____ consistent tire pressure checks?

The _____ that tyre _____ fuel efficiency should _____ considered in _____ whether _____ should _____ included _____ the _____.

Should _____ have regular _____ assessments included _____ my _____ plan?

Should tire _____ be _____ my _____ it reduces _____ efficiency?
