

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Need for a new meter installation request
Inquiry Sub-Category	Meter Tampering Investigation Request
Description	Customers may report suspected meter tampering or irregularities, asking for an investigation to verify the accuracy and integrity of their electricity meter.
Data Size	10,313 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What is _____ investigating suspicions _____ unauthorized _____ to our _____ meters, _____ their _____ ?
_____ will _____ address _____ about _____ adjustments _____ to the energy _____ ?

Tell _____ approach _____ investigating suspicions _____ energy meter equipment.

What _____ are _____ to _____ changes to _____ meters?

What do _____ do _____ inspecting _____ the energy meter?

What can we do _____ investigate _____ alterations _____ ?

Do _____ have _____ for _____ functioning of the meters _____ there _____ ?

_____ does your _____ investigation _____ unauthorized _____ adjustments?

You have _____ questionable alterations _____ meters.

_____ us _____ you use _____ inspecting _____ alterations to our _____ meters.

Explain the _____ look _____ unauthorized _____ in _____ meters.

How do _____ doubts _____ unauthorized adjustments to the _____ ?

_____ is _____ investigating unauthorized alterations to the _____ ?

Do you _____ any steps _____ verify _____ our energy _____ ?

_____ can you _____ the _____ energy meter functioning?

Is _____ investigate suspicions of someone _____ with _____ and _____ sure they're _____ ?

Is there _____ procedure _____ investigating _____ alterations in _____ ?

_____ the _____ checking unauthorized changes _____ meters?

Is _____ process _____ changes to the _____ explained?

Do _____ to see _____ someone _____ the _____ permission?

_____ sure _____ our energy _____ are working correctly _____ is suspicion?

How _____ of energy meters when tampering _____ ?

Are _____ to describe how you _____ unauthorized _____ energy _____ ?

_____ do you prevent unauthorized _____ energy _____ ?

_____ does it take _____ investigate unauthorized _____ energy _____ ?

Can _____ tell me the steps _____ take when _____ ?

Can _____ steps _____ are _____ to _____ suspicious meter changes?

Is _____ to _____ meter _____ to make _____ our _____ are _____ ?

You _____ us your method of _____ meter _____ .

____ you provide ____ your ____ approach for detecting ____ resolving concerns about ____ to ____ meter ____?
 How ____ you know if ____ to ____ energy meter ____ authorization?
 ____ is your procedure ____ alterations of ____?
 What happens ____ there are ____ unauthorized adjustments ____?
 Is ____ way ____ suspicious ____ to our ____ meter?
 Do ____ a way ____ investigate doubts about ____ meter ____?
 How do you ____ to the ____ meters?
 Is there a ____ energy meters?
 ____ steps ____ to find ____ if there ____ to our meters?
 ____ you ____ how you investigate unauthorized changes ____ our ____.
 ____ method is used ____ cases of unauthorized ____ of ____?
 ____ suspected tampering of meters, ____ procedure.
 ____ protocol for ____ instances of ____ impacting the ____ of ____ energy ____ would ____.
 Do ____ any procedures ____ tampering?
 When you ____ on the electricity ____ are ____ measures taken?
 ____ you ____ changes to ____ meters.
 ____ your ____ investigate doubts about ____ with ____ meter ____.
 How ____ to the ____ meter?
 ____ to know how ____ investigate suspicions ____ someone messing with ____ meters ____ sure ____ still
 working.
 ____ doing to ____ changes made ____ our energy meter?
 ____ do you ____ if someone ____ messing ____ our ____ meters ____ if ____ working?
 ____ policy ____ investigating ____ alterations to our energy ____?
 What steps ____ taken to ____ the ____ altered?
 I would like ____ know how ____ changes ____ our ____.
 Do ____ a ____ to ____ if someone fixes ____ without ____?
 ____ protocols when ____ unauthorized ____ with our electric ____.
 ____ investigate doubts about tampering with ____ equipment?
 How ____ about checking the energy ____ for ____?
 ____ energy counter ____ approval ____ do ____ detect ____ and make sure ____ working?
 Is there ____ potential ____ and make sure ____ meters are functioning ____?
 How are ____ to investigate ____ energy meters?
 ____ procedural approaches for detecting and resolving concerns ____ the energy ____?
 ____ possible ____ investigate if someone is ____ with the ____?
 ____ steps are taken to make ____ are ____?
 ____ are ____ to find ____ my ____ system has been ____ with?
 How ____ you look ____ of ____ energy ____ functioning?
 How can you ____ proper ____ is ____ of meter ____?
 ____ your process ____ probing ____ our power meters.
 Can ____ explain ____ procedures for ____ tampering ____ meter?
 I'd ____ to know your ____ dealing with ____ of ____ impacting ____ performance of ____ energy ____.
 ____ have ____ method for investigating doubts about ____ energy ____?
 Can you tell me the ____ used ____?
 Could you give ____ an ____ your ____ to ____ meter ____?
 When you ____ are happening on our ____ what ____ you ____?
 ____ going to find ____ energy system is being tinkered ____?
 ____ you ____ procedures ____ place to ____ and correct ____ to ____ energy meters?
 If ____ shady ____ fiddled ____ my ____ what method ____ use ____ figure ____ out?
 Can ____ tell ____ how ____ inspect suspicious changes ____ to ____?
 ____ there ____ procedure ____ functioning of the meters ____ occurs?
 If ____ with my ____ what did ____ do about ____?

Explain _____ for determining if _____ the _____ meters.

Do you _____ can _____ to _____ modifications _____ our energy meters?

Tell _____ the method _____ use for _____ meter _____.

_____ you _____ with _____ unauthorized adjustments _____ energy meters' performance?

_____ is the _____ unauthorized alterations to the _____?

Do you _____ process _____ the _____ work properly when _____ arises?

_____ about _____ involving _____ the meters?

_____ do _____ investigate _____ to meters?

I _____ like _____ protocol for _____ of illegal modifications _____ our _____ meters.

Can you _____ procedures for detecting meter _____?

_____ when there _____ suspicions of unauthorized _____ the energy _____.

What _____ be _____ there is _____ of _____ adjustments _____ the _____ meters?

_____ let us _____ methods for inspecting questionable alterations _____.

_____ a way _____ investigating unauthorized _____ to _____ meters?

_____ is the _____ investigating altered _____?

_____ you make sure someone _____ the _____ without _____?

I want _____ how you find _____ with _____ energy meters.

Do you _____ how to check for _____ meters?

Can you _____ of your _____ investigating unauthorized changes _____ our _____?

Is _____ procedure _____ place _____ investigating _____ alterations _____ to our energy _____ without authorization?

Do you _____ a _____ certain that _____ meters are doing _____?

_____ don't _____ to investigate suspicions of _____ messing _____ meters.

Let _____ know what _____ for inspecting _____ energy meter _____.

Do you _____ modifications _____ the energy meters?

_____ you _____ the procedure for _____ with _____ meter?

Do _____ have a _____ tampering?

Can you give us _____ information _____ your _____ for _____ concerns _____ unpermitted changes to _____ systems?

If the _____ modified without _____ how do _____ it stays _____?

What do you do _____ to the _____?

What should be _____ there are suspicions of _____ to _____?

Is _____ a _____ investigate _____ suspected faulty alterations _____ gauges?

How _____ suspicions _____ the _____ meter?

_____ there processes for _____ changes _____ our _____?

Is it possible _____ have _____ for _____ tampering?

Please illuminate _____ procedure _____ suspected _____

What is _____ for investigating unauthorized _____ our _____?

_____ you maintain _____ in _____ case of _____ the meters.

_____ like _____ your _____ procedure _____ handling _____ of illegal _____ impacting the performance of _____ energy _____.

Examine _____ changes of _____?

Is there _____ that you _____ unauthorized modifications _____ energy _____?

Can you tell _____ about the method used _____?

_____ your _____ investigating possible tampering _____ energy meter _____.

_____ us _____ process _____ for checking unauthorized changes to _____ meters?

How would _____ approach _____ and resolving concerns _____ changes made _____ our _____ meter systems?

How _____ meter _____?

_____ taken to investigate suspicious _____ our meters?

_____ to investigate suspected energy unit _____?

What _____ to _____ any changes have been _____ to the _____?

_____ do _____ find unauthorized _____ the energy _____?

Do _____ have a _____ investigating suspected _____ with _____ energy _____?

_____ do we _____ to our _____ meters.

_____ are the measures taken _____ suspect _____ electricity meter _____ manipulated?

How should we look _____ suspicions of _____ our _____?

How do _____ look for _____ changes _____ energy _____?

When _____ suspect _____ adjustments _____ what are you going to _____?

_____ can _____ investigate _____ to _____ meters?

How _____ you deal _____ adjustments _____ the energy meters?

What _____ steps taken to _____ what _____ to _____ meters?

What _____ do _____ to investigate _____ to energy _____?

_____ us the _____ of _____ adjustments.

Is there _____ to _____ if _____ up the power _____?

_____ the measures _____ you suspect _____ meter is being altered?

_____ you _____ for verification of suspected alterations _____ meters?

_____ a _____ alterations and _____ sure our energy meters are _____ correctly?

Can you tell _____ your _____ approach for detecting _____ concerns about _____ energy _____ systems?

_____ you _____ out _____ energy meters are _____?

_____ can you _____ the _____ meter?

_____ policy _____ investigating _____ alterations _____ energy meters?

_____ method used _____ investigating _____ power meters.

How _____ you _____ sure _____ someone _____ fixing _____ meters without _____?

Can _____ explain _____ altered power meters?

_____ the process of checking _____ unauthorized _____ the meters?

How do you go _____ to the _____ meter?

How _____ you make _____ are functioning correctly when _____ suspected?

Your approach to investigating _____ tampering _____ the _____.

Can you _____ a procedure for _____ with _____?

Do you _____ the _____ detecting _____?

_____ to know _____ precise _____ for _____ illegal modifications impacting the performance of our _____.

_____ have _____ way to _____ is tampering _____ our energy meters?

_____ are _____ steps to identify _____?

Explain _____ you _____ for _____ alterations in _____.

How do _____ investigate _____ of someone _____ our _____ meters to _____ sure _____ still _____?

Your _____ investigate _____ about altered energy _____.

_____ description of your approach _____ looking _____ meter integrity _____?

_____ do _____ know if there is tampering _____?

_____ is _____ process of identifying _____.

How do _____ conduct _____ into unauthorized _____?

_____ you have a _____ to _____ about _____ meters?

_____ exploring concerns _____ unauthorized _____ with our electric _____ protocols.

How are we _____ to investigate _____ changes _____?

_____ energy counter is modified without _____ how _____ sure _____ working?

Do you _____ a plan in place _____ investigate _____ any _____ to our _____ authorization?

_____ you give _____ of your _____ meter tampering?

Do _____ have _____ procedures in _____ to _____ correct any alterations _____ to _____?

Is _____ method used _____ power meters.

Is _____ any _____ could investigate _____ to our energy _____?

_____ investigate _____ changes to _____ meters?

Are _____ any _____ ways that you _____ suspected _____ unit _____?

_____ tamperings _____ do _____ a _____ for making sure _____ meters are _____?

How do you know if _____ is messing _____ if they _____?

____ do you find ____ energy ____ ?
 Can you tell ____ investigate unauthorized ____ the energy ____ ?
 Do ____ know ____ detect changes to ____ energy ____ authorization?
 How ____ you deal ____ meter tampering?
 ____ tell me about ____ method used ____ power ____ ?
 How ____ to ____ bottom of ____ meter tampering ____ ?
 How ____ you find ____ if someone fixes ____ meters ____ ?
 ____ want ____ your ____ for ____ modifications impacting the performance of our energy meters.
 How ____ maintain their ____ there ____ with our meters?
 ____ to ____ the ____ detecting any ____ made to the ____ meter.
 ____ do you ____ resolve concerns ____ any unpermitted ____ to ____ energy ____ systems?
 What are the ____ taken when ____ meter?
 ____ you ____ out ____ of energy meter ____ ?
 Do you have a process ____ our energy ____ ?
 ____ investigate unauthorized ____ to our ____ so ____ they work correctly?
 Do ____ have a procedure ____ investigate ____ correct any alterations ____ to our energy ____ ?
 If someone ____ up our power meters, ____ about ____ ?
 ____ there ____ suspicions of unauthorized alterations to ____ meters?
 How do ____ into unauthorized ____ meters?
 Is ____ investigating ____ to the energy meters?
 How do ____ signs of ____ energy ____ functioning?
 ____ can ____ do ____ to our energy meters.
 ____ find ____ about unauthorized ____ to the energy ____ ?
 How do ____ find ____ if ____ tampering ____ happening?
 ____ can ____ done to ____ to our energy ____ ?
 How ____ suspicions of ____ with our meters?
 ____ do ____ looking ____ suspicious changes to the ____ ?
 How ____ ensure proper ____ when there ____ meter tampering?
 We ____ know your methods for inspecting ____ alterations ____ .
 How do ____ detect ____ changes ____ without being authorized?
 I would ____ your ____ for ____ instances of illegal ____ impacting the ____ our ____ meters.
 ____ do ____ unauthorized ____ to ____ meters
 ____ tell ____ about ____ procedural ____ for ____ concerns about unpermitted ____ to ____ energy meter systems?
 Is there ____ can ____ me about ____ approach ____ detecting ____ about unpermitted ____ made to ____ energy ____ systems
 ____ do you ____ to our ____ without authorization?
 Tell ____ what is ____ plan for ____ unauthorized ____ .
 Do ____ have ____ procedures ____ to investigate ____ made ____ the energy meters?
 ____ knowing the protocol for handling instances ____ modifications ____ energy ____ .
 How ____ you ____ investigations into ____ ?
 ____ your approach ____ possible ____ with energy ____ equipment.
 ____ will you deal ____ adjustments made ____ the ____ meters.
 ____ process ____ investigating ____ someone messed up the ____ ?
 Is ____ protocol for ensuring ____ the meters after ____ ?
 ____ that energy meters are ____ correctly when ____ is suspected?
 ____ tell ____ how ____ look for ____ alterations to our ____ .
 Explain how ____ investigating ____ messed up ____ meters.
 ____ is ____ procedural ____ and resolving concerns about ____ changes to ____ systems?
 ____ do ____ get ____ of unauthorized meter adjustments?
 ____ to ____ you handle alleged ____ illegal ____ the ____ of our energy meters.
 I ____ to ____ you ____ suspicions of someone ____ meters to ____ sure they ____ still working.

When discussing _____ interference _____ electric usage indicators, _____ protocols.

_____ tell _____ what's _____ plan _____ unauthorized energy meter _____.

_____ the procedure _____ to _____ suspicion about altered _____ meters.

Are you _____ to _____ of _____ detecting meter tampering?

_____ you _____ into unauthorized _____ adjustments.

Tell us _____ the _____ unauthorized _____ in _____ meters.

_____ that can _____ followed _____ our energy meters are working correctly?

_____ idea _____ unauthorized energy _____ adjustments.

_____ method for looking _____ unauthorized _____ adjustments.

_____ the _____ for investigating unauthorized _____ ?

I _____ know your protocol _____ with _____ modifications to _____ energy meters.

_____ your protocol for handling _____ of _____ impacting _____ performance of the _____ meters.

_____ like _____ know how _____ instances _____ illegal _____ the performance of _____ energy meters.

_____ about investigating _____ to our _____ ?

How do you investigate suspicion _____ unauthorized _____ ?

_____ it possible _____ provide _____ regarding your _____ approach _____ resolving _____ about unpermitted changes _____ to _____ energy _____ systems?

What _____ steps taken to investigate _____ to _____ meters.

_____ able to _____ for checking unauthorized changes _____ the _____?

Do you _____ procedures in _____ and _____ alterations made _____ energy meters?

Please _____ your _____ for _____ modifications.

_____ suspicions _____ tampering with _____ meter?

_____ there a _____ you _____ alterations _____ our energy meters?

_____ there _____ for _____ suspicions _____ alterations _____ the energy meters?

_____ us _____ the _____ for detecting changes to _____ meter?

Information about _____ for detecting _____ concerns about unpermitted changes _____ to _____ energy _____ be provided.

How do _____ sure that _____ meters _____ messed _____?

Talk _____ the process _____ our energy meters.

What _____ the actions _____ if _____ unauthorized adjustments to _____ meters?

_____ you find unauthorized _____ meters?

_____ tell _____ the _____ verify _____ modifications to _____ energy meters.

How do you _____ someone _____ messing with our _____ they're still _____?

_____ steps are taken _____ out what happened to _____?

Is _____ possible _____ investigate suspicions of someone messing with _____ meters and _____ they're _____?

_____ has _____ procedure _____ investigating _____ of unauthorized _____ to _____ energy _____?

How _____ you _____ suspicious _____ energy meter?

_____ your procedural approach for _____ resolving _____ about unpermitted changes _____ our _____.

_____ your knowledge on the plan _____ energy _____.

What is _____ when _____ suspect _____ to _____ energy meters?

Is _____ a procedure _____ investigate _____ any alterations made to _____ without approval?

_____ share your _____ for investigating _____ about altered _____.

How _____ you investigate _____ is _____ with energy _____?

_____ a way to investigate the suspected _____ in _____?

Do _____ specific _____ to investigating suspected energy _____?

_____ your procedure _____ suspicious _____ energy meters' performance _____?

Is the _____ investigating _____ meters known?

How _____ you think you'll find out _____ my _____ tampered _____?

_____ protocol for _____ alterations in electricity gauge?

_____ you _____ unauthorized _____ in our meters to keep _____ smoothly?

Do you _____ an _____ for _____ changes _____ meters?

Can _____ of checking unauthorized _____ to _____ meters?

Are _____ energy _____ investigated?

Please _____ unauthorized meter adjustments.

_____ it possible to _____ the _____ investigating altered _____ meters?

How do _____ unauthorized _____ adjustments?

If _____ are _____ of _____ the energy _____ what should _____ done?

_____ is the procedure for discovering suspicious _____ performance _____?

_____ it _____ investigate if someone _____ up _____ power _____?

_____ are you _____ look _____ suspicious changes _____ the _____ meter?

_____ will _____ be for _____ unauthorized _____ meter adjustments?

How _____ you _____ out _____ tampering?

How _____ you _____ about _____ changes _____ energy meters?

_____ you make _____ meter adjustments?

We _____ know _____ plan _____ inspecting _____ energy meter adjustments.

_____ you verify suspected changes _____ our _____?

How _____ you _____ tampering with _____?

_____ quickly did it detect _____ make _____ it _____ working _____ was modified _____?

_____ the _____ way to _____ suspicions _____ meter tampering?

_____ would like to _____ the method _____ altered _____ meters.

_____ like _____ your _____ for dealing _____ instances of illegal _____ impacting the performance of _____.

_____ do you _____ changes made _____ energy meter _____?

How _____ find _____ method for investigating _____ meters?

Can _____ give us a _____ of _____ that _____ when _____ our _____ meters?

_____ me how _____ investigate suspicions about _____ meters.

Is there _____ for _____ any _____ to our energy meters _____ authorization?

Can _____ describe how we _____ to our _____?

_____ there _____ procedure to investigate _____ alterations _____ electricity _____?

What should we do _____ to our energy _____?

_____ you _____ if someone messed _____ our power meters?

What method _____ into cases of _____ revisions _____ electricity _____?

How do _____ the suspicions of energy _____?

Which _____ is used _____ cases of _____ revisions _____ readings?

How do _____ search _____ suspicious _____ the _____ meter?

How _____ the energy meters _____ properly when tampering is _____?

_____ are _____ when you suspect unauthorized _____ to our _____?

When _____ at _____ with _____ usage indicators, _____ the _____ followed.

How do you find _____ to our energy _____?

What is _____ investigating _____ alterations _____ the meters?

_____ a _____ investigation _____ for energy meters?

If some _____ character _____ with _____ precious meters, _____ method _____ figure _____?

How do you _____ sure _____ isn't _____?

What _____ to investigate suspicious changes to _____.

How do _____ suspicious _____ our energy _____?

When _____ suspicions _____ unauthorized changes _____ energy _____ what actions are _____?

How do _____ on finding out that _____ tampered with?

You _____ explain your _____ checking unauthorized _____ in _____.

How do _____ unauthorized alterations _____ our _____?

How do _____ and resolve _____ about unpermitted changes _____ systems?

I _____ to know about _____ and _____ concerns _____ unpermitted changes made _____ our energy meter _____.

What is your procedure _____ determining _____ there _____ unauthorized _____ our _____?

Please _____ the _____ for inspecting unauthorized _____ adjustments.

How _____ you _____ someone is _____ our meters without _____?

_____ investigate unauthorized _____ adjustments?

_____ tamperings _____ you _____ a _____ for ensuring proper _____ of the _____?

_____ about _____ alterations _____ our _____ meters?

How do _____ find _____ messed up _____ meters?

When _____ are suspicions _____ adjustments _____ energy _____ what actions _____?

Discuss _____ investigate unauthorized changes _____ the _____ meters.

_____ taken to investigate suspicious _____ to _____ meters?

_____ do you _____ with the _____ meters?

What are _____ you _____ when _____ suspect that _____ happening on _____ electricity _____?

How do you _____ investigations into _____ meters?

Do you _____ specific _____ investigating _____ energy unit _____?

How _____ you _____ the _____ changes _____ the _____?

If energy _____ was _____ without approval, how _____ and _____ continued working?

How _____ look into _____ to energy _____?

What do you _____ someone _____ meters _____ permission.

The _____ probe _____ in our energy _____.

I want to _____ of illegal _____ impacting our energy meters.

Is there _____ your procedural _____ for detecting _____ resolving _____ about _____ to our energy _____?

What _____ the _____ for identifying _____.

_____ your _____ to _____ tampering with the energy _____.

How _____ go _____ inspecting suspicious _____ to our _____ meter?

_____ there are suspicions _____ unauthorized _____ to _____ meters, what _____ is _____?

What _____ the _____ taken _____ meter changes?

How _____ you _____ for suspicious changes _____ the _____?

_____ you tell _____ about the methods used _____ power _____?

_____ method used _____ investigate altered power meters?

How do _____ modifications to _____?

What _____ we _____ the suspicious changes _____ our _____ meters?

Can you _____ me how the _____ suspicious _____ changes?

_____ you _____ doubts _____ tampering _____ our energy _____ equipment?

_____ what you _____ to look into _____ meter _____.

Can _____ an explanation of the _____ changes _____ the energy _____?

What steps are taken _____ make _____ there are _____?

What _____ you _____ looking _____ suspicious changes made _____ energy _____?

_____ process _____ unauthorized changes to our meters _____?

Please _____ how to verify _____ modifications _____ our _____.

_____ us _____ the plan is for _____ adjustments.

To _____ tampering with energy _____ equipment, _____ your _____.

Is there a process _____ assess _____ unauthorized alterations _____ sure _____?

Is _____ procedure _____ looking for unauthorized _____ our _____ meters?

_____ possible _____ suspicions _____ someone _____ with our energy meters _____ are still working?

I would like to _____ your _____ protocol _____ with instances of _____ to _____.

_____ you know _____ the protocol is _____ checking _____?

I would _____ know _____ for _____ instances of _____ modifications _____ the energy _____.

_____ an investigative _____ energy unit tampering?

_____ can _____ investigate _____ alterations _____ our energy _____?

How _____ look for _____ changes made _____ our _____?

_____ a way to _____ meter _____ and ensure _____?

What _____ taken to _____ changes to _____ meters?

Explain _____ that _____ looking at _____ with our _____ usage indicators.

How _____ my _____ is being tampered with?

How do _____ someone is _____ with the _____?

_____ does your team _____ changes?

When _____ happening _____ the electricity meter, _____ are you _____?

_____ have any _____ to _____ suspected modifications _____ our energy _____?

_____ the _____ checking unauthorized changes to our _____?

I want to know _____ procedure _____ investigating _____ changes _____ our _____.

_____ looking _____ unauthorized interference _____ our _____ usage indicators.

Explain _____ check _____ alterations _____ meters

Can _____ tell me about your procedural _____ for _____ resolving _____ changes to _____ energy _____ systems?

_____ inspect suspicious changes to _____ energy _____?

What details do you have _____ detecting _____ changes to _____ energy _____?

Discuss protocols _____ unauthorized interference _____ electric _____ indicators.

Are there _____ checking unauthorized changes _____ our _____?

What are you _____ do _____ make _____ energy meters _____ correctly?

Are you _____ to deal _____ regarding _____ the energy _____?

How do _____ suspicious changes to _____ energy _____?

When _____ suspicions _____ unauthorized _____ the _____ meters, _____ actions is taken?

_____ do _____ out about _____ changes to _____ meters?

How _____ you _____ energy _____ is tampering?

How _____ you find _____ energy meter is _____?

How _____ discover _____ meter _____?

_____ unauthorized changes to the energy _____ to make sure _____?

What _____ your procedures for investigating _____ meters?

What _____ the measures _____ you suspect _____ something is _____ on _____ meter?

How do _____ at _____ made _____ our _____ meter?

_____ do you _____ the _____ energy meters _____ not compromised?

If someone _____ our meters _____ you make _____ work?

_____ do you _____ changes made to our energy _____ without _____?

_____ us about your approach _____ investigate doubts _____ meter _____.

How do _____ changes to _____ energy _____ without _____?

Tell us _____ method _____ use _____ meter adjustments.

Is there _____ unauthorized _____ to our meters.

If there _____ with _____ meters, _____ have a _____ place?

_____ like to _____ your protocol for _____ with _____ of _____ impacting _____ meters.

Please tell us _____ the _____ is for _____ unauthorized _____.

_____ a procedure _____ suspected altered energy meters?

Do you _____ can _____ suspected modifications to _____ energy _____.

_____ to _____ energy meter?

_____ to tell _____ how _____ unauthorized modifications to _____ energy meters?

What actions are _____ there is _____ to the _____ meters.

Tell _____ about _____ procedure _____ use to investigate the suspicions _____.

_____ you _____ us about the _____ changes to the _____ meters?

How _____ unauthorized _____ to our _____?

How do _____ sure _____ meters _____ normally _____ is suspected?

How _____ with the _____ over _____ to the energy _____?

Do you have _____ procedure _____ investigating _____ unauthorized _____ our _____ meters?

_____ you _____ us _____ about your procedural approach _____ concerns about unpermitted _____ to _____ energy _____ systems?

_____ know how to _____ unauthorized _____ to the _____?
 _____ find unauthorized changes _____ the _____ meters?
 How do you _____ unauthorized changes _____ meters?
 _____ would _____ your protocol _____ instances of _____ modifications of our _____ meters.
 Please describe the _____ suspicions of altered _____
 _____ there _____ way to _____ unauthorized _____ make _____ our _____ meters are _____?
 Can _____ for detecting meter _____?
 _____ do _____ sure _____ energy meters are _____ unauthorized tampering?
 _____ do you determine if _____ is _____ our _____ are still functioning?
 What _____ is _____ to _____ of unauthorized _____ the _____ meters?
 How _____ that someone does not fix _____ meters _____?
 _____ changes _____ energy meter?
 What _____ be _____ when _____ suspicions _____ adjustments to the _____ meters?
 _____ suspected _____ illuminate your procedure.
 _____ procedure _____ use for _____ of unauthorized _____ to our energy _____?
 You _____ investigating suspicions about altered energy _____.
 What _____ steps taken _____ look _____ to _____ meters?
 _____ make sure _____ functioning correctly if tampering is suspected?
 Could you tell _____ how you investigate _____ to _____?
 Tell _____ way _____ unauthorized meter _____.
 What is _____ to _____ alterations _____ energy meters?
 When _____ is suspicion of unauthorized _____ to the energy _____?
 _____ do _____ know if _____ is tampering _____ meters?
 _____ the _____ into unauthorized changes in our _____.
 _____ would like _____ your protocol for _____ instances _____ modifications of _____ energy _____.
 Do you have _____ suspicious _____ for energy _____?
 Are you _____ to deal _____ doubts regarding unauthorized _____ energy _____?
 When _____ are _____ unauthorized adjustments _____ the _____ will happen?
 _____ you _____ a process for _____ the _____ when suspicion arises?
 How _____ you _____ find out _____ is messing with _____?
 _____ how to check _____ in our _____.
 _____ the steps that _____ investigate suspicious changes _____ meters?
 _____ us what _____ plan is for inspecting _____ energy _____.
 _____ what the _____ for inspecting unauthorized energy _____.
 _____ process _____ someone _____ up our power _____.
 How _____ we _____ alterations to _____?
 Do you have _____ steps _____ suspected _____ to _____ energy _____?
 _____ procedure for suspicious Alteration _____ for _____ Meters?
 _____ you investigate _____ meter _____
 Tell us _____ procedure for investigating _____ altered _____.
 How _____ you _____ unauthorized changes _____ meters so _____ they _____?
 Is _____ possible to _____ that _____ taken _____ detecting suspicious _____ changes?
 I _____ like to know the exact _____ instances _____ impacting _____ our energy meters.
 _____ is your _____ suspect unauthorized _____ our energy meters?
 Can you _____ method used when _____ meters?
 Tell _____ about the procedure _____ to investigate _____ of _____.
 _____ are looking at _____ meter _____ illuminate _____ procedure.
 _____ do _____ discover suspicious _____ made _____ energy meter?
 When _____ suspected meter _____ illuminate your _____.
 How _____ the _____ for _____ unauthorized _____ meters work?

How _____ out the _____ of investigating _____ power _____?
_____ procedure in place _____ alterations _____ to our energy meters without _____?
What _____ policy _____ investigating unauthorized changes to _____?
_____ investigate unauthorized _____ our meters?
_____ the procedure for looking _____ unauthorized alterations _____ energy meters?
Do _____ outline _____ meter tampering?
Can _____ tell us _____ to investigate altered _____?
Can _____ a _____ of _____ protocol _____ checking energy meters?
_____ do you _____ energy _____?
Tell _____ about _____ meter adjustments.
_____ if _____ fixes our meters without our _____?
Tell us what _____ plan _____ for _____ meters.
There are suspicions _____ unauthorized adjustments to _____ energy _____ are _____?
_____ there _____ taken to _____ changes to our _____ meters?
_____ will _____ deal _____ regarding _____ adjustments _____ to the _____ meter?
_____ like to _____ your exact procedure for _____ of _____ of _____ energy _____.
How do _____ make _____ functioning _____ energy meters when _____?
_____ do you determine _____ there is unauthorized _____ energy _____?
_____ tell us _____ there _____ for inspecting unauthorized _____ adjustments.
What _____ process to investigate _____ changes in _____?
_____ it _____ investigate the _____ faulty _____ in _____ gauge?
_____ you talk _____ to investigating meter _____?
What _____ the _____ investigating suspicious alterations _____ meters?
Please _____ us _____ your procedure _____ of _____ meters.
How _____ make _____ the meters _____ functioning when _____ suspected?
_____ do _____ suspicious _____ to our energy meters?
_____ your process _____ if someone messed up _____ power _____?
Can _____ elaborate _____ for _____ unauthorized changes _____ our meters?
_____ you find _____ fixes our meters _____ permission?
How _____ ensure _____ proper functioning of _____ meters _____ tampering?
Do you _____ a way _____ make _____ the _____ meters _____ should?
Is there a process _____ made to _____ energy _____?
How _____ you able _____ investigate _____ the meters?
_____ want _____ know _____ will _____ with doubts _____ unauthorized _____ the energy meters.
Is _____ investigate suspicions _____ altered energy meter _____?
_____ you are _____ meter _____ illuminate _____ procedure.
_____ method do _____ use to investigate suspected _____?
Is _____ for investigating unauthorized alterations _____ energy _____?
_____ about _____ procedure for investigating suspicion about _____.
_____ you _____ the process for checking _____ to _____ meters?
How _____ figure _____ unauthorized changes to _____?
_____ you _____ to _____ us _____ you investigate unauthorized modifications to _____?
How _____ your approach for detecting and resolving _____ about _____ changes _____ meter _____?
_____ check unauthorized alterations in _____.
Do you _____ verify the suspected _____ to _____ energy _____?
_____ have a process in place _____ investigate and correct any _____ made to _____?
_____ way you can check _____ suspicious _____ made to _____ energy _____?
How _____ describe your _____ investigating _____ modifications?
_____ should we _____ if _____ is messing _____ our _____?
_____ describe _____ process _____ identifying _____ changes.

Can _____ your procedures for investigating unauthorized _____ meters?

_____ know _____ to _____ if someone messed _____ our _____ meters?

_____ should _____ do if someone is messing _____?

_____ there _____ investigation _____ for _____ faulty _____ gauge alterations?

_____ a _____ altered _____ for energy _____?

How do _____ out suspicions _____ tampering _____ the _____ meters?

In _____ unauthorized _____ with our _____ usage _____ explain _____.

_____ if an energy meter _____ tampered with?

_____ to _____ your _____ dealing with instances of illegal modifications _____ the performance _____ our _____.

Tell _____ know _____ someone is messing with our _____.

If _____ fixes _____ permission, _____ do you _____ if _____ work?

Can you _____ what the process _____ detecting changes _____ meter?

_____ do you _____ unauthorized alterations to _____ meters?

How _____ of meter tampering _____?

Should _____ have _____ procedure in place _____ investigate _____ correct any _____ to _____?

_____ you deal with _____ meter _____?

_____ want _____ you investigate _____ of someone messing with _____ energy _____.

_____ are you planning on _____ my energy _____?

Is there a process for detecting _____ energy _____?

What steps do _____ take _____?

_____ to check _____ meters _____ unauthorized _____.

If tamperings _____ do _____ a _____ proper functioning of the _____?

How _____ you _____ into _____ of _____ affecting electricity accuracy _____?

How _____ your _____ detecting and _____ concerns about _____ changes _____ our _____ meter systems.

Do _____ a _____ way of _____ suspected _____ energy unit?

Do you _____ a way to _____ sure _____ are _____ order?

How do you _____ energy _____ are _____ with?

What do we _____ when _____ are _____ of _____ to _____ energy _____?

_____ would _____ to _____ your precise _____ handling alleged instances _____ illegal _____ energy meters.

Explain _____ finding out if someone _____ up _____ meters.

When you _____ unauthorized _____ the electricity _____ are _____ measures _____ take?

Is there _____ process _____ assessing unauthorized _____ sure _____ energy _____ working?

Can you _____ to _____ unauthorized _____ to _____ meters.

_____ counter _____ modified _____ approval, _____ do _____ make sure _____ works?

Do you think you can _____ with _____ meter _____?

_____ messing _____ our energy _____ how should _____ investigate?

How _____ check our _____?

_____ process for investigating if _____ the _____ meters?

_____ it possible _____ probe _____ changes to _____ energy _____?

_____ a way you _____ unauthorized modifications _____ meters?

_____ the process _____ changes in the _____ meters.

_____ like _____ know your protocol _____ of illegal modifications impacting the _____ of our _____.

_____ you _____ if someone messed up our _____?

How _____ you _____ there is _____ tampering _____ meters?

We'd _____ to know the _____ for _____ unauthorized _____.

_____ steps are _____ look _____ changes to _____ meters?

_____ for _____ of _____ alterations to our energy meters?
