

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Order status and shipping updates
Inquiry Sub-Category	Tracking number not working
Description	Customers are looking for assistance with tracking their order using the provided tracking number, as it may not be showing any updates or information on the shipping progress.
Data Size	5,016 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ long ____ we ____ updated location ____ since current tracer seems inactive?
 ____ it ____ the ____ is ____ can ____ tell when we'll get a new ____?
 Since ____ current ____ be malfunctioning, what's ____ so ____ provide ____ updated location ____ arrival time?
 ____ my updated location ____ time? ____ tracer ____ doing ____
 When we ____ get a ____ data ____ arrival ____ as it ____ that ____ tracer isn't ____ have ____ any
 Since the current tracer ____ you give ____ update ____ location ____?
 The current ____ no ____ is there ____ news ____ coordinates and expected ____?
 ____ tracer isn't functioning, could ____ give ____ on ____ location and time?
 ____ an ____ when we'll get ____ information about a new location ____ time ____ the lack of ____?
 I ____ an update ____ locationManager and expected time ____ to ____.
 ____ inactive our tracing ____ is, ____ will we ____ updated location ____?
 ____ expect ____ estimated time of arrival if ____ current one ____ down?
 If ____ current trace ____ soon will ____ the updated ____ estimated ____ of arrival.
 If the ____ isn't ____ we have to ____ the ____ details?
 Considering the ____ of ____ current ____ when might ____ an ____ location?
 ____ tracker is not ____ the expected ____ time ____ your team?
 Since the ____ tracer ____ functioning, ____ you ____ on the location ____ the ____?
 The tracker isn't active so ____ your team?
 ____ it possible ____ we ____ a ____ location estimate ____ the ____ trace is ____?
 Is ____ estimate ____ we'll get ____ get ____ time due to the lack of activity?
 Since ____ tracker ____ not ____ time is it for ____ give a new location ____?
 Due to ____ of ____ tracker, there ____ no anticipated timeframe ____.
 As the ____ tracker ____ activity, ____ was wondering ____ there ____ news regarding our ____ and ____.
 How ____ our current ____ us an ____ arrival time?
 As the ____ appears ____ inactive, when ____ an updated location or ____ arrival ____?
 ____ the tracker isn't working, ____ for us to ____ location details?
 ____ can we expect ____ new ____ as ____ tracer seems to ____?
 ____ the ____ tracer isn't functioning, ____ you give ____ on ____ location ____ time?

The current _____ no activity _____ any news about our _____ expected _____?
 _____ expect _____ the location _____ estimated _____ arrival, given the lack of activity?
 _____ tracker isn't _____ is _____ estimated arrival _____ location for _____ team?
 Do _____ know when we can _____ to _____ arevised _____ and _____?
 I _____ an _____ locationManager and expected _____ of _____ to _____ unresponsiveness.
 If _____ tracer doesn't change, how _____ will _____ an _____ or _____ of _____?
 _____ the trace _____ be _____ can _____ when we'll get a _____ estimate?
 _____ you _____ any idea when we can _____ revised _____ and _____ time?
 The current tracer seems to be _____ can _____ new _____ update or _____ time _____?
 We need a _____ location or _____ the _____ seems _____.
 _____ the locator isn't active right now, _____ have _____ estimate _____ we'll _____ data?
 When _____ estimated _____ of _____ or updated _____ the _____ is not active?
 Since the _____ inactive, can someone _____ new _____ estimate?
 _____ the _____ isn't active _____ now, _____ have an estimate of when we'll _____?
 _____ the _____ will inform us of _____ updated location _____ arrival _____?
 Do _____ know _____ be able _____ get a _____ update _____ data and _____ as _____ appears _____ our tracker _____
 As it appears _____ there _____ no activity _____ the _____ tracker, _____ will it _____ us _____ get _____ position?
 _____ there _____ for obtaining updated coordinates due to _____ our _____?
 Do _____ when _____ anticipate updated _____ and estimated _____ given inactive _____?
 If _____ does not _____ any time, _____ we get an _____ location or _____ of arrival?
 _____ we see _____ new _____ update or _____ time of _____ when _____ current tracer _____?
 Since the current tracing seems _____ have _____ arrival?
 _____ the _____ tracer isn't working, _____ please _____ an _____ on the _____ or _____?
 _____ like the current tracer is not _____ so _____ taking _____ to _____ updated location _____ arrival time?
 Do _____ for when we will _____ about our _____ since the _____ locator isn't _____?
 _____ our _____ when _____ we expect an _____ data or knowledge?
 Since _____ tracer _____ working, _____ update on the location or the _____?
 How _____ will our _____ us _____ its _____ location?
 _____ seems like _____ tracer _____ it taking _____ long _____ provide an updated location or arrival time?
 Is _____ time _____ non-responsive _____ provide location refreshed details?
 _____ will _____ take for us to _____ fresh _____ our _____ it appears that _____ is no _____ the existing _____?
 When _____ have a _____ of _____ since _____ tracing _____ inactive?
 _____ the current tracing device _____ be malfunctioning, _____ must we wait _____ an _____ on _____ location or _____ time _____?
 _____ will _____ get _____ current _____ estimated _____ of arrival if _____ is no _____ in the current _____?
 Since the _____ can _____ clarify when _____ a new location _____?
 _____ estimate about _____ we will _____ new location or _____ the lack of activity?
 _____ tracker _____ no _____ and _____ have _____ news regarding our _____ expected timeframe.
 Can you _____ new _____ arrival time since _____ current _____ unresponsive?
 As the current tracker shows _____ is _____ regarding _____ and _____ period?
 _____ there _____ for when _____ new _____ about _____ location, since _____ current locator isn't _____?
 As the tracer seems _____ when can we _____ update?
 _____ will _____ time of _____ updated _____ given _____ to the currently inactive _____?
 _____ the non-operation of the tracker, there is _____ obtaining _____.
 _____ idea _____ get a _____ update or _____ since our current one _____?
 Can we expect an _____ on the _____ or estimated _____ arrival _____ is not _____?
 _____ there a time _____ obtaining updated coordinates due _____ the _____ our _____?
 Can we _____ an _____ estimated time of arrival, _____ that _____ current tracer _____ inactive?
 If _____ how soon _____ we get the updated location or _____?
 _____ know when _____ be able _____ get _____ update _____ the gps data and _____ time, as it _____ isn
 How long until _____ get _____ as it _____ there _____ no activity _____ the tracker?

_____ an estimate time _____ because the _____ tracing _____ inactive.

The current _____ be _____ when will we get a _____ position _____ time _____ arrival?

_____ know _____ estimated _____ of arrival since the _____ seems _____?

Do _____ know _____ soon _____ can expect to _____ position _____ arrival time?

_____ current _____ will _____ have an estimate time of arrival?

_____ our inactive _____ mechanism, when _____ projected _____ updated location data _____ know when _____ will _____?

We don't _____ we'll _____ new data _____ our _____ the _____ isn't _____ now.

_____ is inactive _____ when will we get _____ of arrival?

_____ it _____ is no activity _____ existing tracker, _____ long _____ we receive fresh information _____ _____?

The _____ tracker _____ inactive, _____ can _____ or estimated time _____ arrival?

_____ will _____ tracker let _____ know of _____ location and _____ arrival time?

When we _____ get _____ estimated _____ of arrival or _____ because _____ current _____ being _____.

Since the _____ seems _____ can you _____ a _____ location or anticipated _____?

The current tracing seems inactive, when _____ of _____?

_____ current locator _____ right now, when _____ we get _____ data _____ location?

_____ inactive tracker notify _____ its current location and _____ time?

_____ you know _____ long _____ will be _____ a revised _____ and estimated _____ time?

_____ will _____ inactive _____ tell us _____ its updated _____ and _____ time?

_____ want a revised location _____ arrival _____ current one _____.

_____ our inactive _____ tell us _____ updated _____ and estimated arrival _____?

If the _____ tracer does _____ change, _____ we _____ the _____ location _____ time _____ arrival?

When _____ we _____ updates _____ inactive tracer?

If the current _____ doesn't change anytime soon, _____ get the updated _____ or _____?

Since that _____ silent, _____ tell _____ how long it _____ take _____ to get _____ updated location?

_____ we might _____ update _____ gps _____ as it appears _____ our tracer _____ working, _____ you received any

As the _____ shows no _____ there _____ about _____ expected time frame.

When will we get _____ location _____ being inactive?

How _____ it be until _____ an _____ report _____ time _____ arrival with no response _____ our _____?

The current tracker shows _____ so I _____ there is _____ regarding our _____ timeframe.

How _____ will our current _____ us _____ its location _____ arrival _____?

Can _____ give us _____ location _____ the current one isn't _____?

How _____ be _____ information _____ our _____ appears that there is _____ activity from the existing tracker?

_____ a time when _____ coordinates _____ due to _____ non-operation _____ the _____ tracker?

_____ can we _____ an _____ on the _____ as the current _____?

Given that _____ if the _____ tracing _____ is malfunctioning, _____ we wait for an update on _____?

As the current _____ shows no _____ any news _____ our _____ frame.

_____ will the current _____ inform us _____ its location and _____?

_____ our inactive tracing _____ will _____ receive _____ location _____ or _____?

_____ the current _____ isn't functioning, _____ kindly provide _____ location or the _____?

_____ our inactive _____ when are updated _____ data _____ knowledge likely _____?

How _____ we get _____ updated location or estimated _____ there is no _____ the current _____?

_____ get an _____ time of arrival _____ updated location if _____ current _____ is _____?

As _____ current _____ shows _____ activity, _____ any _____ our _____ and expected timeframe?

When _____ I expect _____ arrival _____ as _____ current _____ appears to be inactive?

As it _____ as if _____ how much longer _____ we wait _____ update on _____ location _____ projected time _____

_____ for when we'll get _____ about our _____ current locator is inactive?

Due to _____ current tracer _____ inactive, _____ will _____ an estimated time of _____ updated _____?

_____ tracing _____ so when _____ we have a _____ arrival?

_____ give _____ revised _____ or predicted _____ the current _____ seems nonresponsive?

_____ is the _____ arrival time and _____ your _____ since the _____ ?
 If the _____ does not change, when _____ we _____ updated location _____ arrival?
 How _____ longer _____ we _____ for _____ our _____ and projected time _____ given that _____ if _____ current tracing device
 _____ we _____ update on the _____ or _____ time _____ the current tracer is not _____ ?
 If the _____ long is it going _____ take _____ relevant location _____ ?
 When can I expect _____ or estimated _____ time _____ current _____ not _____ ?
 _____ tracer does not change, how soon will we _____ updated _____ of _____ ?
 How _____ will our _____ know _____ location and _____ arrival time?
 _____ soon will _____ tracker tell _____ location and arrival _____ ?
 _____ it _____ we _____ get a _____ location update or _____ since our _____ is _____ ?
 How _____ will _____ take us to receive _____ location _____ or estimated _____ no _____ from the _____ system?
 _____ seems _____ tracer _____ not working, so _____ it taking for an _____ location or arrival _____ ?
 Since _____ current _____ inactive, when will _____ an estimate _____ of _____ ?
 _____ it _____ we get an upgraded _____ estimated time of _____ no response _____ our current system?
 How _____ we _____ get _____ updated _____ estimated _____ of arrival _____ the _____ does not change?
 Since _____ trace seems to be inactive, can _____ tell _____ new _____ estimate?
 _____ estimate on _____ we _____ get _____ a _____ location or expected _____ time _____ to the lack of _____ ?
 _____ our inactive _____ mechanism, when _____ to receive updated _____ ?
 When we _____ get _____ update on gps _____ and arrival time as _____ appears that _____ tracer _____
 Since that useless _____ has gone _____ can _____ us _____ it will be _____ an updated _____ ?
 When can _____ expect _____ updated location or estimated _____ current _____ seems _____ be _____ ?
 When _____ get _____ information regarding a _____ location _____ arrival time _____ to _____ lack _____ is _____ estimate?
 _____ there an estimated _____ tracker is not _____ ?
 _____ expect an update soon _____ location or _____ of arrival, _____ the current _____ is _____ ?
 Is _____ an estimate _____ when _____ get _____ information _____ a new _____ or _____ the lack of _____ ?
 _____ an estimate _____ when we _____ new location _____ arrival time due _____ of activity?
 _____ the _____ our _____ there _____ predicted time for obtaining _____ coordinates.
 Since your flippin' tracer _____ malfunctioning, _____ expect _____ on _____ or the _____ ?
 When will _____ get revised information _____ my _____ ?
 As the _____ is _____ news _____ our coordinates or expected time _____ .
 _____ we can _____ estimated time _____ due to the current _____ being inactive?
 When will _____ an estimate time _____ arrival, _____ tracing _____ ?
 _____ soon we _____ expect a _____ status and _____ arrival time?
 How long _____ us to _____ location details if the _____ isn't _____ ?
 Can _____ have an estimate time _____ since _____ inactive?
 Since _____ current _____ active, _____ give us _____ estimate _____ when we _____ get new _____ ?
 _____ you _____ when _____ get _____ about our location _____ locator isn't active?
 If the _____ does _____ how _____ will we _____ an _____ or estimated time _____ arrival?
 _____ don't _____ a new location _____ since _____ current one is inactive.
 _____ the _____ doesn't show any activity, _____ there _____ regarding _____ coordinates _____ expected _____ ?
 How _____ have _____ location report or estimated time _____ no _____ our current system?
 _____ this _____ what is the _____ arrival _____ for your _____ to _____ a _____ location?
 _____ will it _____ for us to _____ location _____ or estimated time _____ arrival _____ response _____ our current _____ ?
 _____ the _____ tracker shows _____ there anything _____ about our coordinates and _____ ?
 _____ know how soon _____ get a _____ position _____ and _____ time?
 _____ flippin' _____ isn't working, can _____ an _____ on _____ location or _____ ?
 As the _____ shows no activity, _____ there _____ news _____ our _____ or _____ ?
 _____ this _____ not _____ the estimated arrival time _____ location for _____ ?
 _____ non-operation of our tracker, _____ is no anticipated time _____ updated _____.

_____ tracing mechanism, _____ we be _____ location data or knowledge?
 _____ there a _____ obtaining updated _____ the non-operation of _____ tracker?
 Since it _____ current tracer isn't _____ please _____ an update _____ the location or _____?
 When we'll be getting an estimated _____ arrival _____ location due _____?
 Since it _____ like _____ tracer _____ working, _____ is it _____ so _____ for _____ updated location _____ time?
 _____ to the _____ our tracker, _____ take to obtain an _____ coordinates?
 _____ appears that there _____ no activity _____ existing _____ long until we _____ fresh _____ about _____ position?
 Since _____ tracker is _____ what _____ is it for _____ team to _____ new location _____ estimated _____?
 _____ our _____ is inactive, _____ will _____ get _____ new location _____ estimate?
 If _____ current tracer _____ not change any _____ will _____ location _____ time of arrival?
 How soon will _____ tracker let _____ know _____?
 Considering our _____ we _____ receive _____ location data or knowledge _____ arrives?
 Any idea _____ we'll get _____ estimate _____ since _____ one is inactive?
 How _____ our inactive _____ location and _____ time?
 What _____ arrival time since the tracker _____ used?
 _____ the current _____ I _____ there is _____ information regarding _____ coordinates and expected timeframe.
 _____ a _____ period _____ obtaining updated coordinates _____ to the _____ our current _____?
 Considering _____ when will we _____ receiving _____ location _____ or knowledge?
 _____ will _____ estimated time of _____ location be _____ because of _____ current tracer _____?
 When we might get _____ update _____ gps data _____ appears that our _____ isn't _____ you heard _____
 The _____ shows no _____ and we _____ our coordinates or expected time _____.
 _____ you have _____ when _____ can _____ position status _____ estimated arrival time?
 Can _____ an _____ arrival _____ if the _____ tracer is inactive?
 Considering _____ dormant condition of _____ tracer, when _____ location _____ ETA be _____?
 _____ we'll receive _____ about _____ new _____ or _____ time due to _____ lack _____ is there any _____?
 Since the _____ tracer _____ non responsive, can _____ us _____ anticipated arrival?
 Can _____ an _____ estimated _____ time as _____ tracer appears inactive?
 Considering _____ inactive _____ mechanism, when can we _____ updated location _____?
 Is there an _____ when we'll _____ about a _____ location or arrival time _____ of _____?
 Is _____ that _____ current _____ is _____ and _____ will receive a new _____?
 When can we _____ an _____ the _____ as the _____ inactive?
 It _____ like the _____ tracer is not _____ so long for an _____ time.
 Since the current _____ when _____ the estimate _____ be?
 When will _____ get _____ estimated _____ arrival or updated _____ tracer is _____?
 If _____ current _____ how soon will _____ get _____ updated _____ estimated _____ of arrival.
 Since our existing location _____ idea when _____ get _____ new _____ or _____?
 Since _____ stopped, is _____ a _____?
 _____ the current tracer is not _____ taking _____ long to provide _____ location _____ time?
 _____ soon _____ our _____ us _____ its current location and estimated _____ time?
 When can _____ updated _____ or _____ estimated arrival time when _____ inactive?
 _____ will _____ receive updated location data or _____ arrive considering _____ mechanism?
 _____ we _____ get a status _____ the _____ and _____ as it appears that _____ tracer _____ functioning, have _____
 _____ the _____ tracer _____ to be down, _____ can we _____ update _____ estimated time of _____?
 _____ the _____ appears to _____ can we _____ a new _____ update?
 Is there _____ of when _____ fresh information _____ or expected arrival time due _____ lack of _____?
 The _____ inactive so _____ will we have an _____ arrival?
 _____ current _____ is _____ someone tell _____ we _____ receive a new _____ estimate?
 How _____ will the inactive _____ notify us _____ and estimated _____?
 Due _____ non-operation of _____ tracker, _____ is no anticipated _____ for _____.
 Is _____ for _____ get _____ data _____ our location since the _____ is inactive?

_____ tracker _____ not active, what is the _____ or new _____ for _____ ?
 _____ will we be given _____ location or _____ of _____ if _____ tracer does not _____ ?
 Considering _____ tracing _____ when _____ expect to _____ updated location _____ knowledge?
 The current tracker _____ so I'm _____ sure if _____ news regarding _____ .
 _____ the current _____ be _____ is _____ so _____ to _____ an updated _____ or arrival time?
 _____ we _____ arrival time updates from the _____ ?
 _____ you _____ get new data about _____ since _____ locator isn't active?
 Is _____ a timetable _____ getting _____ coordinates due _____ the _____ tracker?
 Is _____ an _____ of when we _____ receive _____ or _____ time _____ the lack of activity?
 As the current _____ shows _____ wonder if _____ regarding our coordinates and expected _____.
 _____ I expect _____ updated location or estimated arrival _____ the current _____ ?
 How soon _____ our _____ tracker let _____ know _____ updated _____ estimated arrival _____ ?
 _____ our _____ mechanism, when _____ we expect to _____ updated _____ or _____ ?
 _____ current _____ does not _____ soon will _____ get _____ updated location and estimated _____ arrival?
 Since _____ is not _____ it _____ taking so long _____ updated location _____ arrival time.
 As _____ seems _____ down when _____ expect _____ new _____ update or _____ time of arrival?
 _____ us _____ its updated location and estimated arrival time?
 _____ useless _____ has gone silent, can you _____ us _____ long _____ will _____ to _____ an _____ location?
 When _____ we be _____ time of arrival or _____ the _____ tracer _____ not active?
 _____ any estimate _____ when we'll _____ a new location _____ expected _____ due to the _____ ?
 Do _____ when _____ will get _____ update _____ the _____ data and _____ appears that our _____ isn't functioning
 Do you _____ might get _____ status update _____ data and arrival time, as _____ that _____ functioning?
 _____ our inactive _____ mechanism, when will _____ or other information?
 _____ there a time when we _____ a _____ time due to the _____ of activity?
 When _____ expect a new _____ update _____ when the _____ seems to be down?
 This _____ not active, so _____ is _____ estimated _____ for _____ team?
 _____ current tracing device _____ malfunctioning, how _____ must we wait for an _____ our _____ or projected _____ of _____ ?
 Is _____ an _____ about when we'll _____ fresh _____ about _____ location _____ due to the _____ of activity
 How long _____ it _____ an upgraded location _____ or _____ with no reply _____ our current system?
 Considering our inactive _____ mechanism, _____ will we _____ updated location _____ or _____ ?
 Can _____ give us _____ location _____ arrival _____ the current _____ unresponsive?
 Due to _____ of our _____ how _____ will _____ be _____ we _____ updated _____ ?
 _____ our _____ can _____ expect _____ location data or information?
 Since _____ is inactive, _____ we _____ a _____ location?
 _____ are _____ estimated arrival time and location _____ since this _____ is _____ ?
 _____ the current tracer _____ working, could you _____ update _____ location or _____ ?
 _____ is _____ on _____ current tracker, so _____ news regarding _____ coordinates and expected time _____ ?
 _____ there any estimate _____ when we'll get _____ new _____ or _____ time _____ to _____ of _____.
 _____ current _____ functioning, _____ you give us _____ on the location?
 How much _____ we wait _____ an _____ location or _____ arrival given that _____ appears _____ if _____ tracing device is
 As _____ current _____ shows no activity, _____ there any _____ coordinates and _____.
 How soon will _____ tracker _____ us about _____ current location _____ ?
 _____ know _____ get a new location _____ the current one _____.
 Since _____ current _____ seems _____ be _____ could _____ update _____ the location or _____ ?
 _____ that _____ current tracing device appears to be malfunctioning, how _____ longer must _____ for an _____ our _____ ?
 When _____ I _____ updated location _____ arrival time when the _____ one _____ ?
 When _____ we _____ estimate time _____ tracing is inactive?
 We _____ wait for an update on our _____ or projected _____ of _____ current _____ device _____ be _____.

Since it ____ like ____ current trace ____ someone tell ____ we ____ get a new ____?
 ____ the non-operation ____ our current ____ how ____ will ____ take to ____ coordinates?
 ____ we ____ new position ____ or ____ arrival ____ the current one seems to ____ down?
 ____ it ____ as if the ____ device is ____ how long must ____ for ____ update ____ location or ____ of ____
 ____ expect a new ____ or estimated ____ time as ____ one seems to ____?
 Is ____ a time limit for ____ due ____ of ____ current tracker?
 Since the ____ active, what's ____ arrival time for ____?
 Considering ____ inactive ____ when could ____ expect ____ location data ____?
 How ____ inactive tracker let us ____ location ____ arrival time?
 Is there an estimate of when ____ a new ____ or arrival ____ of ____.
 When ____ expect ____ new position ____ or ____ of arrival ____ the current one ____ down?
 How soon ____ we ____ location or ____ time ____ current tracer doesn't change?
 Is there ____ estimate of when ____ will get ____ a new ____ or ____ to ____ lack of ____?
 It ____ current tracer isn't functioning, ____ you give ____ update on ____ time?
 ____ it seems that there ____ existing tracker, how long until we ____ our position?
 It seems ____ the current tracer ____ so ____ you ____ give ____ update on ____ or ____?
 Since this tracker ____ not ____ what is the ____ time ____?
 Considering ____ apparent ____ the tracer, ____ we know ____ location information?
 When we'll ____ a ____ location estimate since ____ is ____?
 ____ the ____ does ____ change any time, how ____ will ____ get ____ updated ____ or estimated time ____?
 ____ appears ____ if the ____ not capable of updating us on ____ location ____ projected ____.
 ____ we might get a status update on ____ gps ____ appears that ____ isn't functioning, ____ heard
 Since ____ inactive, ____ someone ____ when we'll ____ a ____ location estimate?
 ____ appears as if ____ device is malfunctioning, ____ much longer must ____ an ____ location or time of ____
 Since ____ tracer ____ functioning, could you ____ give ____ update ____ or ETA?
 Since ____ trace ____ inactive, ____ someone clarify when we'll ____ new ____?
 ____ not active, ____ the expected ____ time for your ____?
 ____ until we get ____ information regarding our ____ as ____ appears ____ is no activity ____ existing ____?
 ____ the ____ tracing ____ when ____ expect ____ receive ____ location data?
 How long ____ it ____ to ____ updated ____ due to ____ our ____ tracker?
 ____ soon regarding ____ or ____ time of ____ given ____ lack of activity of ____ current tracer?
 When ____ we get ____ of ____ or ____ a result of current tracer ____ inactive?
 ____ the current ____ doesn't ____ we get ____ or ____ arrival time?
 ____ when can we expect a location update?
 Since the tracker ____ not ____ what ____ is ____ team ____ a new location or ____ arrival ____?
 ____ an update ____ or estimated ____ of arrival when ____ current ____ is inactive?
 Since ____ tracer isn't ____ could ____ give ____ on the ____ and ____?
 ____ you have ____ when we will get new data ____ since ____ locator ____ active?
 When we might get a ____ update ____ gps data ____ arrival ____ as ____ appears that ____ have ____?
 How ____ tracker alert us ____ location and arrival time?
 Is there ____ estimate ____ when we'll ____ fresh information ____ expected ____ due ____ the lack of activity?
 When will we ____ location ____ or when will it ____ considering ____?
 ____ current tracing ____ will ____ have ____ estimated time of arrival?
 There ____ no activity ____ current tracker, ____ there ____ regarding ____ coordinates and expected ____?
 ____ inactive tracing mechanism, ____ will we ____ location data or ____ arrive?
 Since ____ trace appears ____ someone tell us when ____ will ____ new ____?
 ____ current ____ no activity, ____ there ____ news regarding our ____?
 ____ the current tracer ____ taking so ____ to ____ an ____ location or ____?

It seems _____ the current tracer isn't _____ and _____ to provide _____ location or _____.
 When _____ estimated _____ arrival _____ updated location be given due _____ tracer?
 Even _____ the _____ isn't _____ you have _____ estimate on _____ we'll get _____ data?
 _____ will _____ new _____ about _____ location _____ arrival time?
 _____ seems _____ be malfunctioning, what's taking _____ to give an _____ location or _____ time?
 _____ have to wait _____ update _____ our _____ or _____ given that the _____ appears to be malfunctioning.
 _____ will _____ inactive tracker _____ us of _____ current _____ and arrival _____?
 How long will it _____ to _____ location _____ if _____ tracker isn't _____?
 _____ will our current inactive _____ us of its _____ arrival _____?
 _____ like the current _____ is _____ and it _____ taking _____ long _____ location or arrival time.
 _____ current trace _____ inactive, _____ someone _____ when _____ receive a new location _____?
 As the current _____ expect an _____ the location?
 _____ long will _____ receive an _____ report _____ estimated time _____ arrival _____ response from our
 current system?
 Can you give us _____ location _____ arrival since the _____ one _____?
 _____ that the _____ locator isn't active, _____ you _____ an _____ we'll _____ new _____?
 _____ flippin' _____ isn't working, when _____ we _____ an update _____ the _____?
 As _____ current tracker shows _____ is _____ news _____ our _____ and _____ time?
 Considering _____ the current _____ isn't _____ do you _____ estimate _____ when _____ will _____ new _____?
 _____ before we get _____ details _____ isn't working?
 Since _____ until we get an _____ time of arrival?
 Since _____ tracker _____ any _____ when we will get _____ update?
 How _____ will _____ take _____ location _____ if _____ isn't working now?
 Since _____ the _____ tracer is _____ working, how long _____ it _____ to _____ updated _____ arrival time?
 _____ you give _____ revised location because the _____ unresponsive?
 The _____ tracker shows _____ activity _____ there any _____ coordinates?
 _____ current tracker _____ no _____ there any _____ regarding _____ coordinates?
 Can _____ expect _____ update on the location _____ tracer _____?
 Considering _____ tracing _____ when should _____ updated _____ data?
 It looks like the trace is inactive _____ tell _____ we'll _____ a _____?
 When _____ a _____ position _____ or estimated _____ of arrival _____ the _____ one seems _____ down?
 Since the flippin' _____ can we _____ an update _____ the _____?
 _____ current _____ any time, _____ we _____ an updated _____ or time of arrival?
 Since the tracer is _____ we _____ update?
 How _____ must _____ an update on our location or projected _____ arrival, given _____ current tracing _____ to
 _____?
 If _____ isn't working, how long _____ it _____ get _____ location _____?
 Since the current tracer _____ working, could _____ on the _____ or _____?
 _____ can we _____ an _____ on the location _____ one _____ inactive?
 _____ it seems that the current tracer isn't functioning, could _____ on _____?
 _____ will _____ for an _____ or estimated time _____ arrival with _____ response from the current _____?
 Can _____ me _____ we will _____ revised _____ and _____ arrival time?
 _____ you _____ us a new location _____ anticipated _____ the current _____?
 It _____ the current trace is inactive, _____ can _____ when we'll _____ a _____?
 If _____ current _____ does not change, how soon will _____ the updated _____ and _____?
 Since _____ seems _____ current tracer is _____ what _____ for an updated location or arrival _____?
 _____ until we get an upgraded _____ an _____ time of arrival _____ response _____ the _____ system?
 Is there an _____ about when we'll _____ fresh information _____ arrival _____ due to _____ activity?
 Considering _____ inactive _____ are _____ expected to receive _____ data or _____?
 _____ the current tracing device appears to _____ malfunctioning, how _____ longer can _____
 location _____ projected time _____ arrival

How about ____ to ____ whereabouts and estimated ____ moment ____ ?

____ I expect ____ location or an estimated ____ if ____ current ____ inactive?

Do you know when ____ going ____ get a status ____ gps ____ and ____ as ____ appears that ____

Is ____ any estimate of when ____ receive ____ information about ____ new ____ time due ____ the ____ ?

____ the current ____ looks inactive, ____ will ____ have an ____ time ____ ?

I ____ update on ____ and ____ time of arrival ____ unresponsiveness.

Considering the ____ tracing mechanism, when ____ updated location ____ projected ____ ?

If ____ current ____ any time, how ____ we get the updated location ____ arrival?

When ____ we ____ a location update on ____ ?

____ the current tracker ____ is ____ any ____ the coordinates ____ time period?

____ we might ____ status ____ gps ____ time as it appears that ____ tracer isn't ____ you ____ briefed

____ will we ____ an ____ time ____ arrival ____ due ____ the current ____ being inactive?

____ will we receive ____ updated ____ or estimated time of ____ is no ____ current tracer?

As the current ____ seems ____ when ____ expect ____ updated location ____ estimated ____ ?

Is ____ any idea ____ when we'll get a new ____ time ____ the lack ____ .

It ____ the ____ working, ____ it ____ so long ____ get ____ updated location or arrival time?

Due to the ____ how ____ be before we ____ get ____ coordinates?

____ inactive ____ when do ____ expect to receive updated ____ ?

How ____ inactive ____ us about ____ current location and estimated ____ ?

Considering the ____ mechanism, ____ can we expect ____ data?

____ tracker shows ____ Is there any ____ regarding ____ coordinates?

____ soon ____ our ____ informs ____ of its ____ location and ____ arrival ____ ?

Considering our inactive ____ when are we ____ data ____ knowledge?

____ seems ____ be ____ when ____ we have an ____ time of arrival?

As ____ no activity from ____ existing tracker, how long ____ take ____ to receive fresh ____ our ____ ?

____ have to ____ for an ____ on ____ location or ____ time of arrival given ____ seems ____ be ____ .

How soon ____ current inactive ____ us ____ and arrival time?

Considering the ____ current ____ when might ____ to ____ an updated ____ ?

____ soon will our ____ inactive ____ us know its ____ and ____ ?

When should ____ expect an ____ location or ____ as ____ appears inactive?

How ____ current location and estimated arrival time from ____ ?

Since the current ____ doesn't ____ is ____ taking ____ long to ____ location or arrival ____ ?

Considering our inactive ____ mechanism, ____ get ____ data ____ knowledge about when ____ will ____ ?

How soon we ____ get ____ location or estimated ____ of ____ current ____ change.

Can we ____ an update ____ the location ____ time ____ the current ____ is not ____ ?

Considering ____ tracing ____ when will ____ receive ____ data ____ it will arrive?

____ long will it ____ us to get ____ information ____ position, ____ that there ____ activity ____ the existing ____ ?

Since it appears ____ the current ____ is ____ can someone ____ when ____ new ____ estimate?

____ current ____ shows no activity, ____ I ____ there is ____ about our ____ .

Since ____ inactive, ____ tell ____ when ____ will get a ____ location estimate?

How soon ____ our ____ inactive tracker ____ of ____ location and ____ ?

____ a ____ when we ____ be ____ to ____ coordinates ____ to the non-operation of our ____ ?

How soon will ____ inactive tracker ____ of its ____ arrival ____ ?

Do ____ an estimate ____ when ____ get ____ data, since ____ current ____ isn't ____ right ____ ?

Is there an ____ arrival ____ for ____ team ____ this tracker ____ active?

____ tracker is not ____ the ____ arrival time ____ new location ____ team?

____ the non-operation ____ how soon can we get ____ ?

When will ____ get ____ time ____ or updated location because ____ not being active?

____ dormant condition of ____ tracer, when might an ____ provided.

Since ____ tracer is ____ working, ____ it taking ____ long to get an ____ location ____ ?

____ can I ____ location or ____ estimated arrival time as ____ current ____ ?
 ____ the ____ trace is inactive, can someone ____ we'll ____ location ____ ?
 ____ this ____ is not active, you need ____ provide ____ new ____ time.
 If ____ tracker isn't ____ then ____ it take us to ____ location ____ ?
 ____ our existing ____ not ____ any idea ____ get a new ____ ?
 ____ get new information about a new ____ time ____ the ____ of activity, ____ an estimate?
 ____ long ____ take to get relevant ____ tracker isn't working right ____ ?
 ____ will we be ____ time of arrival or ____ location ____ the current ____ inactive?
 Is there ____ we'll ____ new ____ arrival time information ____ to the ____ of activity?
 ____ current tracing seems ____ so ____ we ____ estimate ____ of arrival?
 ____ soon ____ inactive tracker ____ us know its ____ location ____ arrival ____ ?
 Do ____ we will be ____ get ____ update on ____ data and ____ time, ____ it appears that ____ is ____
 If ____ tracker ____ working, how ____ does ____ us to get relevant ____ ?
 ____ current ____ shows ____ activity, is ____ news ____ coordinates and expected time of ____ ?
 When can ____ an ____ location and estimated ____ as ____ tracer seems to ____ ?
 Given ____ the ____ tracing ____ to ____ malfunctioning, ____ long must we wait ____ update ____ our ____ or projected
 time ____ ?
 ____ an estimate ____ of arrival since ____ tracing ____ ?
 Is ____ possible ____ give us ____ or ____ arrival ____ one seems unresponsive?
 ____ appears the ____ can someone tell ____ when ____ will get ____ new location estimate?
 If the ____ tracer ____ we get an updated ____ or ____ of ____ ?
 Is there ____ estimated ____ when the ____ will ____ location details?
 Do you ____ when we'll get ____ since the ____ isn't active?
