

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Equipment malfunction troubleshooting guidance
Inquiry Sub-Category	Malfunctioning Outlets
Description	Assistance with identifying and fixing issues with outlets that do not provide power or have loose connections, including inspecting wiring, replacing faulty outlets, and addressing circuitry problems.
Data Size	5,467 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What ____ be ____ certain areas consistently ____ electricity ____ outlets?

____ any solution if ____ zones ____ problems?

Is ____ way to stop ____ repeated ____ regions ____ time?

____ on ____ deal with ____ power failures around me?

Are there ____ address ____ in certain areas?

What should ____ do ____ the power ____ out ____?

____ it ____ the repeated blackouts affecting regions?

____ there any strategies ____ recurring ____ loss?

Is ____ possible to ____ solution to ____?

Can ____ about the repeated blackouts affecting ____?

Is ____ action ____ resolve recurrent area-wide blackout ____.

____ be ____ resolve persistent outlet failures?

____ can be done to ____ a ____ region?

____ there any way to ____ black ____?

____ there be measures ____ recurrent ____ issues ____ specific ____?

Any ____ outlets losing ____ continually?

Is there ____ outlet ____ in certain zones?

____ should we ____ about ____ electricity ____ in some ____?

Is it ____ resolve ____ issues ____ regions?

____ are ____ that ____ be taken related to persistent ____.

____ there ____ to stop repeating black ____ some ____?

What ____ be ____ resolve electrical ____ in ____ regions?

What ____ done ____ areas that lack outlet ____?

There are steps that ____ to resolve ____ losses.

____ action should ____ to cut my connections?

There are power ____ occurring ____.

____ areas ____ experiencing persistent ____.

There ____ problems with ____ failures ____.

Is there a _____ fix _____ in _____ certain _____?

Can _____ a way to deal _____ failure?

If _____ areas _____ should be done?

_____ a _____ to deal with recurring power _____?

There are _____ may _____ regarding _____ outlet _____ losses.

Is there _____ fix available _____ electricity issues _____?

Areas are facing _____.

There are some _____ power continually.

What _____ be taken if power _____ to _____ connections?

_____ event _____ failures, _____ steps should be taken?

_____ fixes for _____ power continually?

_____ help deal with frequent _____?

_____ a way _____ fix _____ failures _____ places?

_____ there a fix available to _____?

_____ are _____ which _____ be _____ outlet electric losses.

_____ we _____ recurring power _____?

_____ the _____ outages in _____ specific _____ be resolved?

_____ can _____ at outlets _____ fixed?

_____ actions _____ be taken to _____ losses?

There _____ some _____ recurring _____ interruptions.

_____ any way to _____ area-wide _____ issues.

Is _____ for electrical _____ certain areas?

How _____ shortages?

_____ it possible _____ resolve _____ power disruptions _____ localities?

_____ on _____ to deal _____ blackouts _____ certain areas?

_____ needed _____ recurring blackouts.

_____ the _____ for ongoing power _____?

How _____ deal _____ electricity _____ in _____?

_____ can power loss _____ outlets _____?

How _____ electrical _____ be resolved _____?

Is it _____ outlets face consistent loss?

_____ you fix _____ power _____?

I wonder if you _____ when _____ sections _____ loss?

_____ possible to _____ resolve electricity _____ experienced by _____?

_____ for electricity _____ certain areas?

_____ to _____ power _____ specific areas?

If certain _____ their outlets, _____ can _____ done?

Is there a way _____ help _____ they face _____?

Experiencing repeated _____ - _____ suggestions?

_____ steps would _____ recommend being _____ to solve _____ outlet _____?

_____ fix _____ outages in specific _____.

_____ steps would you _____ of _____ outlet failures?

_____ to _____ power _____ in your _____?

_____ it possible to find _____ to frequent _____ certain _____?

Is there _____ way _____ certain _____ from _____ outlet _____?

_____ to fix _____ shortages _____ areas?

How to deal _____ electricity _____ specific _____.

How _____ electricity _____ in certain areas?

How _____ change _____?

_____ there _____ way to _____ failures _____ certain locations?

What can we _____ persistent _____?

I am _____ are _____ for _____ electric blackouts.

How _____ the _____ certain _____ be resolved?

_____ solution for _____ issues in _____ places?

Is there any _____ the _____ so _____?

How _____ power failures _____ zones?

Is _____ that _____ area-wide _____ concerns can be _____?

_____ be _____ to resolve electrical incidents in _____?

What _____ the options _____ power _____ problems?

Any fixes _____ lose _____ continually?

Is there a solution _____ the _____ issues _____?

_____ we _____ is more _____ one persistent electricity cut?

How do _____ areas that don't _____ outlet _____?

_____ we do _____ there is more _____?

Is _____ you _____ help _____ electricity disruptions experienced _____ certain zones?

Is _____ to help _____ outlet _____ power disruptions?

_____ there be a solution for _____ certain _____?

_____ to _____ power outages _____ zones?

Do _____ have _____ regular power _____?

We _____ know _____ do if some _____ keep _____ electricity _____.

What _____ to _____ with _____ disruptions?

_____ to _____ power _____ different areas?

_____ there a _____ for ongoing _____ outages _____ certain _____?

_____ there _____ the repetition of blackouts _____ certain regions over _____?

How can frequent _____ loss at _____?

_____ it _____ a _____ to frequent power interruptions?

Is it possible to get a _____?

_____ to find _____ to frequent power cuts?

There are _____ that _____ to take _____ of persistent outlet _____.

_____ a way to resolve _____ problems _____ specific _____?

If certain _____ have _____ what _____ the best _____?

_____ possible to _____ remedies _____ some sections _____ outlet _____?

_____ a way _____ fight _____ power _____?

_____ areas that _____ power outages.

_____ any way _____ address _____ issues _____ different zones?

_____ the electrical _____ a region _____ solved?

Can _____ suggest remedies _____ areas _____ outlet _____?

_____ find a solution _____ loss?

_____ way to stop blackouts affecting _____ regions _____?

_____ might we _____ electricity _____?

Is _____ a _____ to fix power failures _____?

How _____ electrical _____ be resolved _____ region?

How _____ you fix power _____?

If certain _____ have outlet black outs, _____?

Is _____ any _____ deal with the _____ of _____?

What _____ we _____ about persistent _____?

If _____ persistent _____ failures, _____ steps would you _____?

How to _____ loss in _____?

There _____ persistent outlet _____ regions.

_____ a way _____ address _____ loss?

_____ outlet _____ what should be _____?

What can _____ do about _____?

_____ it possible to _____ certain zones?

_____ to the _____ of _____ being _____ regularly?

Is there _____ guidance _____ resolving electricity _____ experienced _____?

What _____ for resolving _____ electricity _____?

What _____ to address _____ failure?

_____ power outages in specific _____.

How _____ we _____ in _____ areas?

_____ should we _____ if _____ power _____ in _____ places?

_____ to fix the _____ a _____ area?

_____ remedy _____ blackouts in certain places?

Is it _____ do something _____ certain regions?

Is _____ a way _____ stop _____ blackouts _____ some _____?

Is _____ any _____ to _____ losing power _____?

_____ the plugs, _____ the solution?

There _____ strategies available _____ addressing _____.

_____ you _____ the frequent power _____?

Is there any _____ could _____ sections that _____ outlet _____?

_____ are _____ black outs in some spots.

There are _____ lose _____ continually.

_____ be a resolution _____ interruptions?

Is _____ a solution _____ the _____ certain places?

_____ a way _____ remedy certain _____ when _____ face consistent _____?

We don't know _____ areas continue _____ persistent electricity cuts.

_____ do _____ there are _____ electrical issues?

Is _____ a _____ to _____ losses through _____?

Fix power loss _____?

_____ possible to stop the constant _____ outlets?

What should _____ do _____ are frequent _____?

_____ if _____ zones have outlet power out?

_____ what _____ be _____ to _____ recurrent area-wide power _____.

Can _____ up _____ a _____ to _____ recurring outages?

How can _____ outages in _____ certain _____?

What _____ be taken if power continued to _____?

Do _____ have _____ solutions if certain _____ blackouts?

Possible remedies _____ outs?

Can we _____ power failures _____?

_____ to areas _____ lack _____ frequently?

_____ the _____ continue to _____ cuts, _____ should we do?

Help _____ failures _____ areas

What should _____ areas _____ outlet _____ constantly?

_____ are any solutions for _____?

_____ be done _____ the persistent outlet electric _____?

_____ possible to _____ a _____ frequent power _____ some localities?

_____ can be done _____ persistent _____ electric _____?

_____ should we do _____ there _____ persistent _____ cuts?

What should be _____ areas _____ outlet _____?

Is _____ solution for frequent power _____ in _____?

I _____ to _____ if something _____ blackouts affecting _____ regions.

_____ anything we can _____ the _____ power losses?

Is it possible _____ you could help _____ certain _____?

_____ to know if _____ are viable resolutions _____ electric _____.

_____ any _____ for outlets losing _____?

Is there _____ remedies you _____ sections face outlet _____?

Any solutions for _____ issue?

_____ we resolve _____ electrical _____?

Are there _____ for electricity _____ often?

_____ there anything that _____ area-wide _____ issues?

Electricity keeps vanishing _____ solution?

If some _____ experience persistent _____ cuts, _____ do _____ do?

_____ should _____ done when specific areas _____?

How to _____?

Is _____ anything _____ can _____ if certain zones face _____?

Is _____ to address _____ issues _____ a _____ zone?

Is _____ available _____ address recurrent _____?

_____ there _____ for electrical troubles _____ certain _____?

_____ you _____ in the _____ of persistent _____ failures?

_____ to areas that lack _____?

I _____ it _____ possible _____ find a resolution _____ power _____.

Is _____ way to _____ frequent _____ in _____ areas?

_____ there a _____ electrical issues?

_____ power disruptions at outlets?

Ways to _____ outlets.

Is there a solution for _____?

_____ power _____ in _____?

If _____ sections face consistent _____ you suggest _____?

Is _____ recurring electricity problems here?

_____ solutions _____ the power _____ going _____?

_____ are _____ ways _____ address _____ troubles _____ the region?

Power goes _____?

Is _____ a way _____ stop power _____ in _____?

_____ we do when _____ are frequent _____?

If _____ zones are affected _____ blackouts, _____ done?

_____ of persistent _____ what steps can you _____?

What actions _____ if there _____ outlet failures?

Is it _____ suggest remedies for sections that _____?

What _____ we _____ when _____ persistent electricity _____?

What _____ be done _____ don't have _____ frequently?

_____ can we fix _____?

Any fixes _____ to _____ power _____?

_____ zones _____ black outs, what _____ are available?

Is _____ on how to _____ with regular _____?

_____ fixes available _____ the _____ losing _____?

What action _____ when power _____ in my connections?

Are _____ any _____ for _____ failures?

Is there _____ to fix _____ failures _____ certain _____.

_____ it possible to find a _____ for _____?

_____ areas _____ facing power _____.

_____ do _____ recurring power loss _____ areas?

_____ way _____ fix repeated _____ failures?
 In _____ of persistent _____ failures, what _____ suggest?
 Is there a _____ frequent _____ failures in _____?
 How _____ persistent _____ loss _____ some areas?
 _____ solutions needed _____ recurring _____?
 Power going _____ solutions?
 What _____ you recommend _____ taken _____ persistent outlet failures?
 Do you _____ any _____ that _____ so often?
 _____ to resolve electrical issues in specific _____?
 There are steps _____ be _____ regarding _____.
 _____ are _____ remedies for consistent _____ outs in _____.
 _____ there _____ way to _____ power failures _____ particular _____?
 How to _____ regions.
 _____ there any way _____ with outlet _____ zones experience _____?
 Is _____ a way _____ frequent _____ interruption _____ localities?
 If _____ experience outlet _____ are the solutions?
 What should we _____ are _____ electricity cuts _____ some _____?
 Is _____ frequent power _____ possible?
 _____ to deal _____ power _____ in _____?
 _____ certain _____ electricity _____ what can be _____?
 _____ are _____ to _____ with _____ regional power outage _____.
 There are _____ solutions for _____ regions?
 Any _____ the _____ of _____ not _____ regularly?
 _____ it possible _____ tackle _____ power interruptions in _____?
 _____ there a solution _____ in certain _____?
 _____ electrical outages in _____ be _____?
 _____ do you _____ loss _____ specific region?
 Is _____ that could resolve _____ area-wide power _____?
 _____ there _____ to _____ issues in certain zones?
 _____ to suggest remedies for sections _____ outlet loss?
 Any _____ the power being _____?
 _____ specific areas _____ have _____ power _____ do _____ do?
 _____ should _____ when _____ electricity _____ out in _____ areas?
 Is _____ solution to _____ gone _____?
 _____ the _____ to _____ consistent _____ failures?
 _____ possible remedies _____ black outs?
 _____ case of persistent _____ failures, _____ steps _____ you _____ take?
 What should _____ about areas _____ outlet _____ constantly?
 _____ to fix _____ a _____ area.
 Some _____ blackouts?
 Is _____ any _____ with outlet _____ in _____ areas.
 There _____ a question on _____ fix _____.
 Any solutions _____ power being gone _____?
 Are _____ recurring power outages?
 _____ steps _____ be taken _____ persistent outlet _____ losses.
 _____ ways _____ address recurring power _____.
 _____ can _____ taken _____ outlet electric _____.
 _____ there _____ to deal with _____ electrical _____?
 Any fixes for _____ outlets _____?
 Can _____ if there are _____?

How _____ with persistent electricity _____ in _____?

If certain areas lose _____ frequently through _____ what _____?

_____ way _____ deal with electrical problems _____ specific _____?

_____ can _____ with power loss in _____?

How _____ we _____ recurring power _____ certain _____?

Can _____ power disruptions?

_____ fixes for _____ going out _____?

_____ it possible _____ suggest _____ sections _____ face _____ outlet loss?

_____ are _____ fixes _____ outlets losing _____?

_____ done to _____ electrical outages in _____ region?

_____ certain _____ there are persistent _____.

_____ for frequent electrical problems?

_____ outages within a _____ be _____?

_____ a _____ to avoid _____ power _____ in _____ localities?

Is there a way _____ the repetition _____ affecting _____?

Might _____ be _____ find _____ solution _____ frequent _____ interruptions?

There are _____ sought _____ outage _____ outlets.

How _____ we _____ problems in _____?

_____ can we _____ power _____ zones?

_____ areas _____ persistent _____ cuts at _____ outlets.

_____ are _____ be taken _____ persistent outlet electric _____.

Is _____ way to _____ with _____ black outs if _____ zones _____?

Is there any solution for _____ regularly?

_____ you able to _____ ongoing _____ experienced _____ particular zones?

There _____ recurring _____ some zones.

_____ ways to _____ frequent outlet _____.

_____ are _____ failures in _____ Areas.

How to address _____ area?

_____ for the _____ being _____ regularly?

What _____ we do _____ electricity _____?

Are _____ any _____ outlets _____ power?

Is there any _____ electricity loss _____ regions?

_____ you do when _____ constant shortage of _____?

What _____ about persistent electric _____?

_____ way to fix power failures _____ certain _____?

_____ some areas continue to _____ persistent electricity cuts _____ we _____?

What can _____ done about the frequent _____ electricity _____?

_____ there _____ to resolve _____ power issues.

Is there a _____ failures in some _____?

_____ do _____ there _____ constant lack of outlets?

In _____ of persistent outlet _____ what _____ be _____?

_____ there _____ way to fix power _____ certain _____?

_____ any remedies you can _____ when _____ sections _____ outlet _____?

_____ can be done if certain _____ outlet blackouts.

Is there _____ way _____ repeat blackouts _____ over time.

What _____ be done _____ address _____ electric _____?

_____ way to stop _____ power _____?

If there is _____ outlet _____ what _____ you _____?

_____ have persistent _____ cuts at _____ outlets what should _____?

Is _____ to _____ recurring _____ issues in _____ zones?

_____ deal _____ down time _____ the _____.

_____ can be _____ address consistent _____ failure?

_____ there _____ for resolving electricity disruptions _____ _____ zones?

_____ _____ outages in specific _____ be _____?

How _____ power loss _____ certain _____?

_____ _____ a _____ recurring electricity problems here?

_____ _____ fix power outages?

_____ to deal _____ _____ outlet downtime.

_____ solutions for _____ issue _____ power not _____ _____?

_____ _____ way to deal _____ power _____?

Are _____ any _____ on _____ to _____ with _____ _____ failures _____ me?

_____ to fix power _____ _____ locations?

There are _____ remedies _____ consistent _____ _____ in _____.

_____ _____ know what to do _____ _____ have persistent _____ cuts.

_____ can _____ done _____ _____ frequent _____ of _____ through outlets?

_____ there a solution _____ electrical issues _____ _____ _____?

What _____ _____ to address consistent _____ _____?

_____ _____ do if there _____ ongoing electricity _____?

Is it possible _____ suggest _____ when _____ sections _____ _____ outlet _____?

What can _____ _____ to handle _____ outlet _____ _____?

How do _____ _____ failures _____ _____ places?

_____ remedies _____ _____ power continually?

In case of _____ outlet _____ _____ steps _____ _____ take?

_____ it possible to do something _____ _____ _____ a _____ regions?

Is _____ any _____ to _____ _____ black outs _____ certain zones?

How to _____ power _____ _____ specific _____?

_____ to fix _____ _____ a specific _____.

Is there _____ way to _____ ongoing electrical _____ _____ _____ _____?

How _____ _____ power _____ in _____ _____ location?

_____ _____ a _____ electrical problems _____ resolved?

_____ _____ for this _____ _____ power _____ gone regularly?

Is _____ _____ can do _____ help _____ ongoing electricity _____ experienced by _____ _____?

What can be _____ _____ fix _____ _____?

_____ it possible _____ resolve frequent power _____ in _____ _____?

_____ there a _____ _____ _____ sections _____ they face consistent _____ loss?

_____ is a _____ _____ with persistent outlet _____.

There is _____ power _____ _____ some _____.

How to fix _____ loss _____ _____ _____?

_____ should _____ do if _____ _____ persist?

How _____ fix power _____ _____ locations?

_____ are some strategies _____ _____ _____ power loss.

Is _____ _____ way _____ _____ recurring power _____?

Is _____ _____ way _____ deal with power failure _____ _____?

_____ _____ consistently lose electricity _____ _____ outlets, what _____ be done?

How _____ address _____ loss _____ different _____?

How _____ _____ resolve _____ problems _____ a specific _____?

_____ can _____ _____ loss in a _____?

What _____ _____ to stop _____ areas from _____ electricity?

_____ _____ deal _____ power issues _____ specific _____?

_____ _____ a problem with recurring _____ _____.

Can _____ to _____ a solution to _____ power interruptions?

Is _____ way _____ prevent outlet _____ certain _____ occur?

What _____ do _____ persistent electricity cuts?

_____ there _____ blackouts _____ certain _____ what solutions _____ there?

Is _____ way to _____ with _____ outlet blackouts _____ certain _____?

Is _____ way to address recurrent _____ issues _____?

Is there a _____ to deal _____?

Do _____ any advice _____ how to deal with _____?

Do _____ any solutions for the _____ so _____?

_____ do when there is _____ lack _____ power.

_____ it _____ help with _____ power _____?

_____ possible remedy _____ consistent blackouts.

_____ can _____ reduce recurring _____ electric losses?

I need any advice on _____ to deal _____.

What _____ done _____ that lack _____ power frequently?

What _____ be _____ to _____ electrical _____ in _____ region?

There are _____ consistent power _____.

Is _____ possible for _____ to _____ done _____ repeating _____ regions?

_____ could be remedies _____ in some places.

_____ help _____ there is frequent _____?

_____ fix _____ in a specific _____?

_____ a _____ power failures in certain areas?

_____ can _____ power _____ in our _____?

_____ steps _____ be _____ to _____ outlet _____ losses?

Is it possible _____ do _____ repeating _____ affecting _____ time?

_____ to _____ electricity loss _____ specific _____.

Is there _____ solution _____ failures in certain _____?

Ways _____ outlet downtime

How _____ fix _____ specific zone?

Is there _____ solution _____ certain _____ experience _____ power _____?

If _____ their _____ what can be done?

_____ areas lose electricity frequently, what _____ be _____ to _____?

How can _____ different places?

_____ taken about _____ outlet electric losses.

What _____ can _____ to alleviate _____?

_____ there a solution _____ certain areas?

Is there a _____ the _____ specific areas?

_____ a solution _____ in certain areas.

How can electrical _____ in _____ be _____?

_____ lose _____ through _____ outlets what _____ be done _____ it?

_____ should we _____ if some areas _____ frequent electricity _____?

_____ outlets _____ lose power continually?

_____ there _____ way to _____ failures?

_____ power _____ in different areas?

_____ solution _____ frequent power failures?

_____ can I _____ in _____ areas?

_____ to deal _____ downtime.

_____ would you _____ to handle _____ outlet _____?

_____ zones are affected _____ what _____ are there?

_____ be done _____ areas _____ have outlet power?

_____ are facing continued _____.

_____ to deal _____ persistent _____ loss in _____?

How to resolve _____ problems _____?

Is _____ a _____ address _____ power _____ in sections?

Is there _____ way _____ power _____ certain areas?

_____ there _____ for frequent power outages in _____?

_____ there _____ to stop repeating _____ affecting _____ regions over _____?

Is _____ way to _____ the recurring _____?

_____ be _____ about _____ loss of electricity?

_____ this problem of power _____ regularly?

What _____ an area has no outlet _____?

What steps should you _____ if _____?

What should _____ certain areas don't _____ often?

_____ there any help _____ power _____ in _____ localities?

_____ can _____ done to address _____ troubles in _____?

Is it possible _____ suggest _____ when _____ have _____ loss?

_____ fix power _____ in _____ area.

_____ can _____ in specific regions?

What _____ available _____ power _____ in _____ area?

_____ should we do _____ areas _____ having electricity _____?

Is _____ suggest _____ when certain sections _____ outlet loss?

_____ localities _____ recurring _____ interruptions.

_____ when we _____ persistent electricity cuts?

What should _____ done _____ areas don't have _____?

Areas are _____ outage.

_____ strategies are available _____ power losses?

_____ something _____ power losses _____ outlets?

_____ fix power problems _____ places?

_____ are any solutions if _____ have _____?

I was _____ fix power _____ in _____ locations.

_____ should we do when _____ persistent _____ cuts?

How _____ we deal with _____ persistent electricity _____?

Is _____ to _____ remedies for _____ consistent outlet loss?

Wondering _____ be _____ to _____ area-wide blackout concerns.

_____ suggest _____ when a _____ faces consistent outlet loss?

_____ available for _____ outlets that _____ losing power _____?

_____ you _____ outlets are not always _____?

_____ there a solution for _____ in specific _____?

_____ we resolve _____ issues in _____?

Is it _____ about repeating black outs affecting _____?
