

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Auto Repair and Maintenance Shops
<b>Inquiry Category</b>	Issues with car's exhaust system
<b>Inquiry Sub-Category</b>	Failed emissions test
<b>Description</b>	Customers contact shops after failing an emissions test, concerned about their vehicle's exhaust system not meeting the required standards. They inquire about necessary repairs or replacements to pass the test, ensuring compliance with environmental regulations.
<b>Data Size</b>	6,396 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.
