

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas leak reporting and emergencies
Inquiry Sub-Category	Pipeline Damage Reporting
Description	Customers inform about incidents resulting in physical damage to gas pipelines, such as accidental digging or construction work.
Data Size	5,074 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Has anyone reported excavation _____ emergencies _____ our underground _____?

Is _____ any _____ due _____ excavation _____?

Did _____ disruptions _____ leaks from _____?

_____ who has _____ leaks or emergencies _____ excavation practices?

Is there any reports _____ causing _____ emergencies?

Anyone reported underground _____ compromised due _____ excavation _____?

Are _____ issues about excavation _____?

Is _____ that excavation _____ can _____ risks like _____ underground utilities?

Can _____ tell me if there _____ any _____ cases _____ digging near _____?

Is _____ report of _____ causing leaks and emergencies in _____?

Anyone _____ because of _____ work?

Is there _____ the _____ of excavation _____ leaks in _____ underground _____?

_____ anyone _____ leaks _____ by excavation _____?

_____ it _____ practices cause leaks _____ underground lines?

_____ it possible _____ excavation _____ can _____ to _____ and _____ in _____ pipes?

_____ there been _____ instances of underground _____ excavation activities?

Has _____ leaks from _____?

_____ any _____ the risks of _____ from excavations _____ lines?

_____ anyone notice _____ where _____ our underground _____ was compromised _____ poor _____ practices?

_____ there _____ reported _____ excavation _____ to leaks _____ in our pipes?

Is _____ of incidents _____ practices causing leaks _____ pipes?

Does _____ have concerns _____ practices _____?

Did anybody report _____ from _____?

_____ concerns about _____ excavation _____ line leaks?

_____ from _____ in our _____?

Have _____ of leaks _____ emergencies _____ by _____ excavations?

_____ there _____ report _____ caused by _____?

Have there been any reported _____ emergencies due _____?

_____ known that _____ methods _____ risks _____ as leaking _____ utilities?

_____ anyone report _____ by excavation _____?

Did anyone know about _____ excavation methods _____ the _____ line?

Is ____ known ____ excavation ____ are endangering ____ utilities?

Did anyone see ____ emergencies ____ excavation ____ our line?

Is there ____ excavation practices leading ____ leaks ____ emergencies ____ our ____?

____ leaks in ____ underground utilities?

Is anyone ____ leaks ____ during ____?

Is ____ possible ____ are causing leaks and ____ in ____ underground ____?

Do you have ____ about potential ____ to excavation ____?

____ and other dangers during ____?

Have you ever heard of ____ safety ____ lines was ____ to poor ____ practices?

Did ____ report potential ____ excavation ____?

Is anyone aware ____ emergencies from ____?

Is ____ aware of leaks or ____ because of ____ in ____?

Have you ____ heard of incidents ____ practices ____ leaks ____ our ____?

Does ____ leaks underground when ____?

Did we ____ leading to leaks and emergencies?

____ anyone report ____ emergencies ____ a ____ excavation methods?

____ have ____ concerns about leaks ____ emergencies in ____ underground lines ____ practices?

Is anyone ____ about excavation ____ to leak?

____ there ____ that ____ excavations ____ damaging our ____ lines?

Someone reported ____ underground ____ because ____ excavation practices.

Did ____ report ____ leaks or emergencies that ____ by ____?

Have ____ been ____ practices ____ leaks?

Are ____ any reports ____ emergencies ____ to excavations?

Does ____ know if excavation ____ lead to ____ in ____?

Are there ____ reports of unsafe ____ causing ____?

Has ____ practices ____ our ____ lines ____ any ____ or emergencies?

Did anyone ____ due ____ excavation ____?

____ you noticed ____ from ____ excavation?

Did ____ report ____ emergencies ____ caused ____ excavation practices?

____ heard ____ by ____ methods in our underground utilities?

Did ____ of damage ____ underground ____ from ____?

____ there ____ the ____ of our ____ lines ____ compromised by ____ practices?

Any ____ who ____ could risk ____ and ____ belowground.

____ there any instance where ____ of ____ was compromised ____ poor ____ practices?

Does the ____ leaks ____ emergencies?

Is ____ excavation ____ or emergencies?

Are ____ of ____ practices ____ the underground lines?

____ the ____ leaking ____ of ____ excavations?

Does ____ have concerns about excavation ____ leaks ____ our ____?

____ wrong-diggin' risks leaks ____ chaos ____?

Is ____ aware of ____ instances ____ safety ____ our underground ____ was compromised ____ poor ____?

Have ____ been reports of ____?

____ compromised due ____ excavation practices?

Did there ____ about the ____ our ____ lines ____?

____ there ____ excavation leading ____ leaks?

____ anyone know ____ excavation ____ leaks ____ emergencies in underground ____?

Is there ____ unsafe ____ causing leaks ____ in ____ underground system?

Are underground ____ causing ____?

Are there concerns ____ of excavation ____ on ____ pipes?

____ possible that issues with ____ our ____ lines?

_____ about the risks _____ leaks _____ in our lines?
 _____ have concerns _____ the impact excavation practices have _____?
 _____ of _____ practices causing _____ or emergencies in _____ underground?
 Do _____ if excavation practices _____ causing _____ emergencies in _____ underground _____?
 Does _____ on _____ lines _____ leaks?
 _____ to _____ reported the excavation _____ the leaks.
 Reports _____ due to excavations _____ our _____ lines.
 _____ of leaks _____ to _____ in _____ underground _____?
 _____ the underground lines _____ risk _____ excavation practices?
 _____ wonder if anyone _____ any leaks or _____ practices.
 Who _____ the _____ leaks and emergencies in _____ lines?
 Is anyone _____ caused by _____?
 _____ reported _____ line _____ compromised by excavation _____?
 Do _____ observations about the _____ of _____ from _____?
 _____ disruptions _____ leaks _____ by excavation _____?
 Is anyone _____ of leaking or _____ because _____ faulty _____?
 _____ anyone _____ leaks and emergencies?
 _____ reporting _____ emergencies caused by _____ practices?
 Has _____ concerns about _____ practices that _____ leaks?
 _____ anyone _____ leaks or disruptions _____?
 Have you heard _____ the safety _____ our underground _____ compromised _____ excavation _____?
 Has _____ excavation methods _____ cause leaks in underground _____?
 Is _____ on the _____ for _____ leaks or emergencies?
 Is anyone aware _____ leaks _____ emergencies _____ faulty _____ practices?
 I'm interested _____ has _____ leaks _____ emergencies _____ of faulty _____ practices.
 _____ you seen _____ practices causing _____ and _____ in _____?
 _____ talking about leaks _____ of _____?
 Did _____ practices _____ leaks or emergencies on _____?
 Have _____ been _____ or _____ reported _____ to excavation?
 _____ any _____ or emergencies _____ to _____?
 Are we _____ of _____ to leaks and _____ in _____?
 Did anyone _____ concerns _____ practices causing _____?
 _____ underground _____ or emergencies?
 _____ anyone _____ any _____ excavation _____ causing leaks?
 _____ excavation work on our _____ lines _____ or _____?
 Is _____ anyone _____ related to _____?
 Is _____ of potential _____ or _____ by _____ methods?
 Have _____ led _____ or _____ dangers?
 Anyone _____ underground line _____ by _____?
 Have _____ reported _____ excavation activities?
 Did _____ know _____ any leaks _____ caused _____ methods?
 _____ there anyone _____ has _____ leaks or _____ bad _____ practices?
 Is _____ incidents of excavation _____ that lead _____?
 Did _____ any _____ about excavation practices _____ to _____ emergencies?
 Is _____ any _____ about _____ practices _____ leaks?
 _____ know anything _____ excavation _____ could _____ to _____ or _____ in our pipes?
 Who has _____ excavation _____ leaks and _____ in the _____?
 _____ anyone _____ leaks _____ to excavation procedures?
 Did _____ report _____ emergencies _____ to excavation _____?
 Did _____ report any leaks _____ caused _____ excavation _____?

Is _____ concern over excavation practices causing leaks _____?

Do _____ think _____ practices _____ in the _____ lines?

_____ the _____ practices _____ problems?

_____ anyone _____ of _____ leaks in our underground _____?

_____ we _____ concerns about leaks _____ due _____ excavation _____?

_____ we _____ any information _____ excavation _____ lead _____ leaks _____ our pipes?

Did _____ report _____ leaks or _____ due to _____?

Any people _____ report _____ risk _____ chaos _____?

_____ may have _____ reports _____ issues with the _____ lines.

_____ been _____ with _____ causing leaks?

_____ of _____ and _____ because of _____ excavation practices?

Have we heard anything about excavation _____ that might _____?

_____ concerned about the _____ of _____ leaking _____ lines?

Has _____ incidents _____ excavation _____ that _____ to _____ our pipes?

_____ you _____ incidents of excavation practices leading to leaks _____?

_____ anyone aware of _____ or _____ related _____ procedures?

_____ it _____ are leaks and emergencies from _____?

Anyone _____ reported underground _____ safety _____ compromised _____ excavation _____?

_____ report on the impact of digging _____ our _____?

Is _____ any _____ or emergencies _____?

_____ leaks or emergencies from _____?

_____ there any evidence _____ excavation _____ causing risks _____ underground _____?

_____ the _____ excavation _____ leaks or _____?

_____ use _____ excavation methods _____ risks _____ our _____ utilities?

_____ of leaks _____ emergencies due to faulty _____?

Is _____ a report of issues _____ lines?

Do _____ any reports _____ causing leaks or _____ underground lines?

Did anyone _____ excavation work?

Have you _____ incidents of _____ practices leading to leaks _____?

_____ there _____ leaks reported _____ the excavation?

_____ there concerns about the _____ of _____ practices _____ lines?

_____ from excavations in our _____ could _____.

Did anyone report any damage _____ the _____?

_____ reports indicate issues _____ underground _____?

_____ excavation practices making leaks _____?

Is the _____ at _____ excavation mistakes?

Someone _____ line _____ was _____ by excavation _____.

_____ there _____ or emergencies from _____ on _____ underground lines?

_____ it possible _____ safety _____ lines was _____ poor excavation practices?

_____ there any _____ underground leaks _____ to excavation _____?

_____ ever heard _____ any _____ excavation practices _____ to leaks _____ our _____?

There might _____ emergencies _____ our underground _____ due _____ excavation _____.

_____ any information _____ excavation _____ lead to _____ and emergencies?

There _____ leaks _____ by _____ practices _____ our underground lines.

_____ are caused by _____ procedures?

_____ been leaks or emergencies from _____ practices _____ underground _____?

_____ there any leaks _____ emergencies _____ to _____?

_____ there any _____ emergencies _____ to _____ practices _____ underground lines?

_____ been _____ leaks or emergencies _____ excavation _____ our _____ lines?

_____ there any leaks or _____ from _____ on our _____?

____ person ____ leaks and chaos belowground?
 Have you ____ of ____ practices ____ to leaks ____ the ____?
 Does ____ if there ____ any leaks ____ digging?
 Do you have any ____ about ____?
 Have there ____ leaks ____ that were ____ due ____ excavation?
 ____ there ____ reports ____ excavations ____ leaks ____ the underground system?
 Have we ____ information about ____ that ____ lead ____ leaks and ____?
 ____ there ____ leaks ____ emergencies ____ by ____?
 ____ excavations ____ our lines, ____ observations?
 Is ____ excavation practices that can ____ to leaks ____ emergencies in ____?
 Have ____ been ____ by excavations?
 Did anyone report ____ during ____?
 Is ____ aware ____ any incidents ____ leaks ____ our pipes?
 Is ____ evidence ____ excavation screw-ups ____ leaks?
 Does anyone ____ leaks or ____ excavation?
 ____ in our underground ____ cause ____.
 ____ there any ____ indicating ____ with excavations damaging ____?
 Have leaks ____ emergencies been ____?
 Is there a reported leak ____ emergency ____?
 ____ it known ____ excavation methods may ____ our underground ____?
 Can anyone confirm ____ to potentially ____ situations?
 ____ any ____ emergencies reported ____ excavation?
 ____ there ____ in ____ the ____ of our underground lines was ____ excavation ____?
 ____ reported due to excavation?
 There ____ have been ____ issues ____ damaging ____ lines.
 Is ____ practices on ____ underground ____ responsible ____ or emergencies?
 ____ seen excavation ____ causing ____ emergencies ____ underground lines?
 Has anyone raised ____ causing underground leaks?
 ____ of ____ instances where the safety of our ____ compromised ____ excavation practices?
 ____ who reports ____ leaks ____ chaos below ground?
 ____ reports wrong-diggin' risks leaks ____ chaos ____?
 ____ observed leaks ____ from excavation?
 ____ excavation methods ____ risks like ____ the underground ____?
 Is anyone ____ of any ____ or emergencies ____ practices?
 Is ____ emergencies have been reported ____ to excavation ____?
 ____ you ____ of ____ causing emergencies?
 Is ____ that ____ methods ____ causing ____ leaks in underground ____?
 ____ excavation ____ to ____ line ____ a ____?
 Is ____ any ____ about issues ____ excavations ____ underground ____?
 ____ underground excavation ____ or leaks?
 Are there leaks or ____ excavation ____?
 Did ____ raise ____ excavation practices causing ____?
 ____ you know of any incidents ____ that lead ____ pipes?
 ____ an underground ____ is ____ leaks or emergencies?
 ____ anyone tell ____ the diggings have ____ situations?
 ____ practices leaking stuff?
 Has there ____ a report of ____ emergencies?
 Do you ____ about the ____ practices ____ on our ____?
 ____ anyone aware of ____ disruptions ____ by ____?
 ____ report ____ emergencies in ____ practices?

Are _____ our underground lines?
 _____ anyone _____ any leaks or _____ practices?
 Does _____ about excavation _____ leaks?
 _____ you _____ about the _____ excavation _____ on leaking _____ lines?
 _____ or emergencies _____ by digging?
 Have _____ heard _____ leading _____ or emergencies in below-ground pipes?
 Does anyone know if _____ cause _____ underground lines?
 Is _____ of leaks in our _____ caused by _____?
 Did _____ leaks _____ emergencies _____ because _____ excavation practices on _____?
 _____ instances _____ the _____ of the underground _____ was compromised by poor _____?
 _____ you noticed _____ from _____?
 Could _____ leaks or _____ related _____ techniques?
 I _____ know _____ anyone _____ leaks _____ emergencies _____ of _____ excavation practices.
 Is anyone _____ or _____ due to _____ practices?
 _____ and _____ reported due to _____ practices?
 Is there _____ evidence that _____ methods _____ causing leaks _____?
 Did _____ report _____ caused _____ methods?
 Did there exist reports _____ underground lines?
 Are _____ emergencies _____ excavation _____ on our underground lines?
 Do _____ if _____ practices lead to _____ emergencies _____ pipes?
 leaking risks from _____?
 _____ excavation _____ cause leaks or _____?
 Have there been any reports of _____?
 _____ have any concerns about _____ or emergencies _____ due to excavation _____?
 Did _____ receive _____ information about excavation _____ leaks?
 I _____ like _____ know _____ reported _____ causing _____ and emergencies.
 _____ want _____ who reported the _____ leaks _____ emergencies.
 _____ you heard _____ incidents _____ practices _____ to _____ in pipes?
 _____ concerns _____ excavation _____ causing underground leaks?
 _____ the underground _____ risk due _____ excavation practices?
 _____ there _____ reports of leaks _____ to excavation?
 Are _____ about excavation _____ lead _____ line _____?
 Have _____ heard of excavation _____ leaks or _____ lines?
 Are _____ leaks _____ emergencies _____ by excavation methods _____ line?
 Is _____ by excavation methods?
 Is _____ risks of _____ and chaos _____?
 Have there been any _____ emergencies _____?
 _____ lines with _____ imperfect _____?
 Has _____ improper earthworks _____ up?
 _____ there _____ excavation practices causing _____ or emergencies _____?
 Is underground _____ practices _____ leaks _____?
 Do _____ know _____ about the _____ that lead _____ emergencies in our _____?
 _____ about excavation practices _____ can lead to leaks _____ pipes?
 Is _____ leaks _____ because _____ flawed excavation practices?
 _____ aware _____ disruptions or leaks caused _____ procedures?
 _____ there _____ concern _____ leading to line _____?
 _____ known _____ excavation methods cause _____ underground utilities?
 _____ there been _____ excavations in our underground _____?
 Have _____ been any _____ emergencies _____ to _____ on our underground _____?
 Is there _____ of _____ excavations _____ leaks _____ emergencies _____ the underground _____?

Did anyone _____ emergencies due _____ excavation _____?
 _____ you _____ of _____ causing _____ or _____ our underground lines?
 _____ there _____ reporting _____ due to _____ work?
 There _____ be _____ or emergencies _____ due to _____ practices.
 _____ anyone _____ of _____ or _____ caused _____ excavation practices?
 Is anyone reporting leaks _____ related _____?
 Is someone _____ practices _____ underground _____?
 Have _____ been any _____ or _____ the excavation?
 _____ leaks from excavation _____?
 _____ concern about leaks or _____ to the _____ practices?
 _____ know if someone _____ the _____ leaks and emergencies.
 _____ excavation practices cause _____ or _____?
 Is _____ any information about _____ practices that _____ to _____ or _____?
 _____ techniques _____ leaks and _____?
 _____ anyone _____ causing leaks in our _____ lines?
 _____ know if _____ leaks or emergencies because _____ practices?
 _____ any leaks _____ emergencies _____ practices on _____ lines?
 Have _____ reported _____ of _____ practices _____ to leaks _____ our _____?
 _____ noticed any leaks or _____ the _____?
 _____ on _____ lines responsible for _____ or emergencies?
 _____ to _____ if _____ seen _____ emergencies due _____ faulty excavation practices.
 Is underground _____ causing _____ or _____?
 Is anyone _____ are leaks _____ to _____ work?
 _____ anyone _____ of _____ practices leading _____ in below-ground pipes?
 _____ any _____ been caused by _____ the underground _____?
 Did anyone _____ instances where _____ safety of _____ were compromised _____ practices?
 _____ there any _____ about excavation practices that _____ leaks and emergencies _____?
 Are _____ reporting leaks _____ to _____?
 Did anyone mention instances where _____ lines _____ jeopardized _____ poor _____ practices?
 Is _____ of excavation practices _____ or emergencies _____ lines?
 _____ it _____ that instances _____ the safety of _____ underground _____ poor _____ practices?
 Did _____ leaks _____ emergencies from _____ methods?
 Did excavation practices _____ lines cause any _____?
 _____ aware _____ potential disruptions _____ to excavation procedures?
 Did anyone _____ leaks caused _____ excavation _____?
 _____ anyone report _____ by _____ in our _____?
 Have _____ been _____ leaks or emergencies _____ the _____?
 _____ know of _____ of _____ causing _____ or emergencies?
 Did anyone report _____ excavation in our _____ line?
 _____ know if _____ are causing leaks _____ our _____ lines?
 Any person that _____ wrong-diggin', _____ leaks _____?
 _____ know of _____ underground lines _____ excavation?
 Is there concern about the _____ leaks _____ underground _____?
 Are there any _____ emergencies because _____ faulty _____?
 Is there concern that _____ cause _____ and _____ underground lines?
 Is anyone aware _____ leaks _____ emergencies _____ because of _____.
 _____ someone _____ about excavation practices causing _____ lines?
 _____ anyone report excavation _____ leaks _____ underground lines?
 _____ in our _____ may cause _____ emergencies.
 _____ there any concern _____ leaks _____ emergencies in our _____ lines _____?

_____ and _____ been _____ because of excavation _____?

Is there any _____ emergencies caused by _____ our _____?

_____ anyone aware of _____ causing _____ or _____?

_____ know anything about _____ practices _____ potential leaks _____ our _____?

_____ any leaks _____ due to the excavation?

Are _____ concerned about _____ impact of _____ and emergencies in _____ underground _____?

Did _____ speak _____ the _____ of our underground _____ by poor _____ practices?

Has anyone _____ of _____ to _____ emergencies in our pipes?

_____ received any _____ about excavation _____ lead to _____ our pipes?

There _____ that excavation practices _____ cause leaks _____ our _____.

Did anyone _____ or emergencies _____ excavation _____?

_____ anyone spotted _____ emergencies _____ the _____?

_____ anyone _____ the safety of our _____ lines _____ compromised _____ poor _____ practices?

_____ there been _____ with excavation _____ caused _____?

Excavation _____ cause leaks and emergencies in _____.

Did _____ practices on the underground _____ leaks _____?

_____ it known that excavation methods _____ our _____ utilities?

_____ there _____ about the _____ of excavation _____ on leaking _____.

Any _____ risks leaks belowground?

Is there _____ concern about _____ in underground _____ excavation _____?

_____ you _____ if _____ were instances where the _____ of our _____ lines was _____ poor _____?

_____ anyone _____ of leaks _____ because of faulty _____ practices?

Has _____ lead _____ leaks _____ dangers?

Has anyone _____ of _____ leading to leaks _____?

_____ want to _____ the _____ causing leaks _____ in the underground _____.

_____ any indication of _____ with excavations damaging _____?

Is _____ cases of hazard caused _____ digging near _____ utility _____?

Is anyone _____ incidents _____ or emergencies in the pipes?

_____ anyone _____ of any leaks or _____ because of _____ practices?

Is there _____ information about excavation _____ causing _____?

_____ anyone talking _____ leaks _____ work?

Is _____ who has _____ leaks or emergencies _____ excavation practices?

_____ anyone have concerns about _____ underground _____?

Did _____ remember _____ where _____ of _____ underground _____ was compromised _____ excavation practices?

_____ any information about excavation _____ that could lead to _____ our _____?

_____ concerns about excavation practices _____ leaks _____ underground lines?

Have _____ of _____ causing _____ and emergencies underground?

Is there _____ that excavation practices could cause _____ lines?

_____ anyone tell _____ have led _____ hazardous situations?

Is there a concern about _____ excavation _____ in _____?

_____ been any _____ caused by excavation practices on _____?

Have _____ emergencies been caused _____ on the lines?

Can _____ be causing _____?

Have _____ been leaks or emergencies _____?

Have there _____ or leaks due _____ excavation?

_____ anyone notice any _____ emergencies caused by _____?

Any _____ wrong-diggin', riskin' leaks, and _____?

_____ someone _____ concerns about the _____ leaks?

_____ there _____ issue _____ to leaks from improper _____?

Has excavation practices resulted _____?

I _____ to _____ who _____ reported _____ the leaks _____ emergencies.
 Is there any _____ leaks _____ our _____ due to _____?
 _____ caused by excavation _____ the underground line?
 A _____ about _____ practices causing leaks _____.
 Did _____ report leaks _____ caused _____?
 _____ mention _____ where _____ safety _____ our _____ compromised due to poor _____ practices?
 Is it _____ methods can cause _____ like _____ in _____ utilities?
 _____ there any leaks that _____ to excavation?
 _____ anyone _____ concerns about excavation practices causing _____?
 _____ of excavation _____ leaks _____ emergencies in our underground _____?
 Are there _____ of excavation _____ the underground?
 Are _____ concerns that _____ may _____ leaks _____ emergencies _____ the underground _____?
 Have you _____ of excavation _____ to _____ in _____ pipes?
 Have you _____ reports _____ practices _____ to _____ emergencies _____ our pipes?
 _____ been leaks _____ excavation?
 _____ any reported leaks or _____ due to _____?
 _____ leaks or _____ due _____ excavation on _____ underground lines?
 Are underground _____ practices _____?
 Have you _____ excavation practices _____ to _____ or emergencies in _____ underground _____?
 _____ there _____ the _____ leading _____ leaks?
 _____ excavation _____ can cause leaks _____
 _____ there any _____ lead to leaks?
 There _____ leaks in the _____ excavation practices.
 Are _____ at _____ due to _____ practices?
 Have _____ been any leaks _____ emergencies _____ excavation _____?
 I _____ to _____ if _____ has _____ causing leaks or _____.
 _____ causing risks like leaks in _____?
 Is _____ any _____ of _____ to _____ work?
 _____ anyone _____ any _____ or _____ caused _____ excavation practices?
 Is _____ aware of excavation practices _____ or _____ in _____ lines?
 _____ there _____ evidence _____ excavation _____ leaks in underground _____?
 _____ there a chance _____ or _____ by excavation _____?
 Is there _____ about _____ practices have _____ leaking underground _____?
 Do you have _____ about the _____ excavation _____ lines?
 Is _____ lines _____ by _____ procedures?
 Is _____ any _____ of _____ causing _____?
 _____ caused leaks _____ the _____ utilities?
 _____ there recent reports of _____ screw-ups _____?
 _____ the use _____ excavation _____ causing _____ the underground _____?
 Is it _____ that excavation methods can _____ in _____?
 Is there any _____ issues with _____ our _____ lines?
 _____ underground system have leaks and _____ because _____?
 _____ excavation _____ our underground _____ cause any _____ emergencies?
 Is _____ that _____ practices cause leaks _____ in _____ lines?
 _____ there _____ about leaks or _____ in our _____ due _____ excavation?
 _____ any _____ about leaks in our _____ lines because _____?
 Did anyone _____ practices _____ leaks _____ emergencies?
 _____ anything _____ leaks _____ emergencies caused by excavation _____?
 _____ anyone _____ excavation _____ underground lines?
 Does _____ know if _____ practices _____ causing _____ in _____ underground lines?

Are _____ or emergencies caused _____ excavation practices _____ underground _____?

Is _____ a _____ the impact _____ excavation _____ on _____ lines?

_____ want _____ if _____ reported leaks or _____ caused _____ practices.

_____ there _____ about _____ that could _____ leaks _____ our belowground pipes?

When _____ hurt _____ do _____ know about it?

_____ to _____ have leaks _____ reported?

Did _____ of _____ emergencies happen because of _____?

_____ procedures _____ been _____ compromising the _____ lines' integrity.

Anyone _____ that underground _____ safety _____ of _____ practices?

Excavation _____ have compromised underground line _____.

_____ anyone _____ or _____ excavation methods in the underground _____?

Is the _____ leading to _____?

_____ if underground excavation practices are causing _____.

_____ we know anything about _____ practices that _____ to _____ in _____ pipes?

Is there any _____ emergencies _____ have been reported _____?

Do you _____ any _____ the _____ leaks from our _____?

Is there _____ about potential leaks _____ emergencies in _____ underground _____ due _____?

_____ there a _____ where _____ our underground _____ was compromised _____ poor _____ practices?

_____ reporting _____ due to excavation _____?

Did anyone _____ leaks _____ emergencies caused _____ practices?

Are excavation methods _____ in _____ utilities?

Is there _____ evidence _____ causing _____ and emergencies?

I _____ like _____ know _____ seen leaking or emergencies _____ of _____ excavation _____.

_____ it _____ methods are putting us _____ risk _____ our underground utilities?

Is our underground _____ at _____ because _____?

_____ about the risks caused by _____ in _____ underground _____?

_____ leaks _____ emergencies tied _____ techniques?

Has anyone seen _____ leaks in _____?

Is _____ any _____ practices on our underground lines?

Did _____ any possible _____ or emergencies _____ practices?

_____ heard about _____ causing leaks _____ emergencies?

_____ it known _____ excavation _____ are _____ in underground utilities?

Has _____ lines have _____ compromised _____ excavation _____?

_____ anyone _____ leaks caused _____ excavation methods in _____?

_____ of excavation practices leading to _____ in below ground _____?

_____ which _____ safety _____ our underground lines was compromised _____ poor excavation _____?

_____ any risk _____ the excavations _____ our lines?

_____ you _____ excavation practices _____ to _____ leaks and _____ our pipes?

Do you _____ excavation _____ causing _____ or emergencies?

_____ there been any _____ of _____ leaks or _____?

_____ aware _____ leaking or emergencies _____ to _____ excavation practices?

Any _____ the risks _____ from _____?

_____ reports _____ riskin' _____ and chaos _____?

Anyone _____ Underground _____ safety compromised _____ excavation practices?

_____ if _____ practices cause _____ or _____ the underground lines?

_____ be _____ and emergencies linked _____ excavation _____?

Does anyone _____ where the _____ lines _____ by poor _____ practices?

Has _____ raised concerns _____ practices causing _____ line _____?

Is _____ improper digging _____ the _____ resulted in a hazard?

_____ line leaks in _____?

_____ any reports of _____ or emergencies _____ the _____?
 Are _____ about the impact of _____ on _____ in _____ lines?
 _____ anyone report _____ emergencies that resulted _____ practices?
 _____ anyone _____ if diggings have _____ hazardous situations?
 Did _____ report _____ caused _____ practices?
 Have _____ emergencies from the _____?
 _____ anyone see _____ leaks or _____ excavation practices?
 Have there _____ leaks or emergencies _____ have _____ due to _____?
 Is _____ leaks caused by excavation?
 There are _____ the _____ practices on _____ and _____ in the _____ lines.
 _____ there _____ leaks _____ excavation practices?
 Is _____ practices _____ leaks?
 _____ there any leak or _____ practices _____ underground lines?
 _____ wonder _____ methods are _____ leaks in _____ underground _____?
 _____ there _____ the risks from _____ excavations in our _____?
 _____ procedures _____ the _____ lines?
 Did anyone _____ where the _____ of _____ was _____ of poor _____ practices?
 Any people who _____ at _____ chaos below ground?
 Have _____ received _____ information about excavation practices _____ to _____ emergencies?
 _____ it known that excavation methods _____ at _____ our _____?
 _____ anyone mention _____ our underground lines _____ compromised _____ bad excavation practices?
 Is _____ leaks _____ disruptions _____ to excavation procedures?
 _____ anyone _____ leaks _____ that _____ caused by _____ excavation practices?
 _____ any concern _____ excavation _____ cause leaks and emergencies _____ underground _____?
 Is anyone aware of any _____ in _____ lines?
 Have you _____ practices causing _____ in our _____?
 Is _____ causing _____?
 Is there _____ concern _____ leaks _____ the _____ lines due _____ practices?
 Is _____ to _____ leakage risks _____ in our _____?
 _____ to _____ who _____ the excavation _____ and _____ in the underground lines.
 _____ you _____ about the risks caused _____ excavation _____ the _____?
 _____ there a concern that _____ practices could _____ underground lines?
 Is _____ causing _____ to our _____?
 Is _____ of _____ causing underground _____?
 _____ the _____ methods _____ risks _____ leaks in our _____ utilities?
 _____ excavation activities _____ leaks?
 Is the _____ cause of _____ or _____?
 Is _____ reports of _____ causing leaks or _____?
 _____ about _____ excavation practices _____ can lead to leaks in _____?
 _____ report _____ by excavation methods in _____ underground _____?
 I would like _____ know _____ reported _____ causing leaks _____ lines.
 _____ excavation _____ causing leaks _____ emergencies in the underground lines?
 Have _____ any leaks _____ the excavation?
 Is anyone _____ leaking _____ caused by excavation _____?
 _____ about _____ impact _____ excavation practices _____ leaks _____ in our underground lines.
 Did anyone _____ leaks or _____ came _____ excavation _____?
 _____ concerns _____ excavation _____ line leaks?
 Is _____ any _____ about the _____ excavation _____ on _____ underground?
 _____ want to know _____ reported the excavation that _____.
 Is _____ leaks from _____ work?

_____ information _____ the _____ from _____ excavations in our lines?
 _____ causing risks like _____ leaks in _____ underground _____?
 Is _____ reported excavation practices _____ leaks _____ our _____ lines?
 Did anyone _____ leaks _____ caused _____ practices?
 _____ our underground lines _____ because of _____ excavation _____?
 _____ underground excavation practices causing _____ _____?
 _____ underground system been _____ by _____?
 _____ we _____ that _____ lead to leaks in the pipes?
 Is _____ anything _____ know about _____ practices _____ lead to _____ in _____?
 _____ leaks or _____ caused by excavation?
 _____ it known that _____ methods are posing risks _____ _____?
 _____ possible leaks or _____ reported _____ to excavation?
 _____ if _____ methods _____ like leaking underground utilities.
 _____ like to know who _____ caused _____ leaks and _____.
 _____ you seen incidents of excavation _____ leaks in _____?
 Is it true _____ causing risks _____ the _____ utilities?
 _____ been suspected of causing leaks _____.
 _____ heard _____ screw-ups causing pipe _____?
 _____ we get any _____ excavation _____ that _____ to _____ and emergencies?
 _____ the underground system _____ or _____ emergencies _____ excavations?
 Is there any leaks _____ emergencies related _____ excavation _____?
 Is _____ leaks _____ from _____ excavation?
 _____ have reported the compromised _____ line _____ due _____?
 _____ there leaks _____ emergencies related _____ techniques _____?
 What _____ leaks and _____ by _____ the underground line?
 Did anyone report _____ or _____ excavation _____
 _____ leaks or emergencies _____ because of _____?
 _____ or emergencies caused _____ practices on underground lines?
 _____ the underground _____ compromised _____ procedures?
 _____ cases of _____ digging near the utility _____?
 Have _____ leaks and _____ excavation?
 Is _____ of leaking _____ happening _____ of the faulty _____?
 Did anyone recall _____ safety of the _____ was _____ by _____ practices?
 Have there been any leaks _____ emergencies _____?
 Is there _____ concern _____ excavation practices causing _____?
 _____ information _____ excavation practices _____ to _____ and _____ in _____ pipes?
 Are _____ or emergencies _____ practices on our underground _____?
 _____ to know _____ anyone has _____ because of bad excavation _____.
 _____ been _____ of excavation activities _____ leaks?
 There _____ leaks or emergencies _____ in our _____ lines.
 Have _____ reported _____ practices _____ leaks _____?
 Is there any _____ of hazard _____ by _____ utilities?
 Is _____ of _____ or emergencies related _____ excavation _____?
 _____ any information _____ that could _____ emergencies in our underground pipes?
 Did _____ leaks _____ emergencies _____ were _____ excavation methods?
 _____ leaks _____ to excavation work, _____ them?
 Is there any reported _____ because of _____?
 Can _____ inappropriate _____ have _____ to hazardous situations?
 _____ our _____ lines at risk because _____ excavation _____?
 _____ there _____ evidence that _____ damage _____ lines?

There may _____ of excavation screw-ups _____ leaks.
 _____ who report _____ riskin' _____ and _____?
 Does anyone have _____ the _____ of leaks _____?
 _____ anyone _____ leaks or _____ excavation practices?
 _____ there any leaks or _____ to _____ excavation?
 _____ underground _____ causing leaks?
 Were _____ leaks _____ by excavation methods in _____ line?
 _____ there anyone _____ has reported excavation _____ in _____ lines?
 Did anyone _____ or _____ that _____ caused by _____?
 _____ line _____ compromised _____ excavation _____ anyone _____?
 _____ anyone _____ caused by _____?
 Did you _____ disruptions or _____ caused _____ procedures?
 _____ who reports wrong-diggin', _____ chaos?
 Is _____ of _____ leaks _____ from excavation?
 Did _____ to underground lines from _____?
 Does _____ know of incidents of excavation practices _____ to _____?
 _____ underground _____ causing leaking or _____?
 Do you _____ about the risks _____ from _____ excavations?
 Have leaking and _____ due _____?
 _____ leaks _____ emergencies from excavation?
 _____ anyone see leaks _____ emergencies _____ by _____ excavation _____?
 _____ practices causing _____ and emergencies in the _____ lines?
 _____ who _____ wrong-diggin', _____ leaking _____ chaos belowground?
 _____ leaks _____ emergencies caused by excavation?
 Is _____ any case _____ improper _____ the _____ has caused _____ hazard?
 _____ you seen _____ practices causing _____ and _____ underground _____?
 Any people _____ report _____ risks _____ chaos _____?
 _____ there _____ concern about _____ practices _____ underground _____?
 I wonder _____ emergencies have been _____ due to _____.
 Did _____ practices _____ our _____ lines _____ any _____?
 _____ if _____ are leaks or _____ the excavation?
 Did _____ emergencies _____ by _____ methods _____ our _____ line?
 Is _____ indicating _____ with excavations _____ our underground _____?
 _____ it known that _____ lead to leaks _____ underground _____?
 Is _____ known _____ excavation _____ to our _____ utilities?
 Have there been _____ emergencies due _____ excavation practices _____?
 _____ there _____ reports _____ excavation _____ leaks?
 Is anyone _____ and _____ by _____ excavation practices?
 Have you ever had _____ of _____ practices _____ leaks in _____?
 Did anyone _____ a _____ or _____ caused by _____?
 Is anyone aware _____ or _____ because of faulty _____?
 _____ anyone report leaks or _____?
 Have _____ ever _____ incident of excavation _____ leading _____ our pipes?
 Can _____ the diggings _____ led to _____ situations?
 Is _____ has reported excavation _____ causing _____?
 Did _____ reports _____ damage _____ our underground _____ excavations?
 Do _____ if _____ methods _____ leaks in our _____ utilities?
 Have people _____ concerns _____ excavation practices _____ our underground _____?
 _____ who _____ risks leaking _____ chaos belowground?
 _____ any leaks been reported _____?

Did _____ find leaks or emergencies _____?

_____ anyone aware of possible _____ leaks caused _____?

Do _____ know _____ causing leaks _____ emergencies _____ the underground lines?

_____ any _____ of excavation practices _____ leaks _____ emergencies in _____ lines?

_____ anyone have concerns _____ practices _____ underground _____?

_____ there any leaks _____ by _____ practices on _____ lines?

_____ there _____ leaks _____ emergencies reported because _____?

Have any leaks or _____ by _____ the _____ lines?
