

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Storage and Expandability
Description	Customers inquire about the internal storage capacity, available memory, and options for expansion, such as microSD card slots or cloud storage compatibility.
Data Size	5,007 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ this smartphone _____ media files _____ terms _____ internal _____ space?
_____ the _____ storage support _____ media _____?
Is _____ of _____ large-size _____ files?
Will _____ have _____ storing huge media files _____ the _____?
_____ this mobile device _____ holding enough large _____?
Can _____ lot of media _____ hogging a _____ of memory?
_____ storage _____ this phone _____ large-size media files?
How _____ this phone deal with a _____ its _____ capacity?
Does _____ the capacity _____ large media files?
Will _____ be able _____ media files _____ phone's internal _____?
_____ phone has _____ for large _____?
_____ my _____ internal _____ be _____ hold huge media _____?
The _____ has _____ Memory _____ handle some media files, _____ can it _____?
Are _____ files supported by _____ internal _____?
Is _____ the _____ large enough to _____ media files?
Is _____ able _____ media files considering its internal _____?
Are large-sized _____ files _____ in _____ internal _____?
_____ internal storage of the _____ files?
Does _____ internal storage _____ for large-sized _____?
Does the _____ device _____ enough _____ hold _____ files?
Does the _____ hold enough memory _____ large _____?
Does _____ phone have the _____ to _____ media _____?
_____ mobile phone _____ memory to _____ media _____ but _____ can _____ handle them.
_____ handle _____ files in memory?
Does _____ phone have _____ memory _____ files?
Is the _____ size _____ files supported _____ phone's _____?
_____ the _____ handle _____ files without hogging the _____?
_____ the _____ storage _____ a lot of media?

____ mobile ____ has ____ internal memory ____ files, but how can ____ handle ____?
 Does ____ the ____ hold large-sized media files?
 Can ____ phone ____ space in its internal memory?
 How can ____ handle ____ its internal memory capacity?
 How ____ media files ____ this ____ internal memory ____?
 ____ the ____ have ____ internal ____ handle large files?
 ____ mobile ____ Memory ____ handle large ____ files, but how ____ it handle ____?
 Is the ____ storage ____ this phone ____ handling large-size ____?
 ____ this phone capable ____ a lot ____ big ____?
 ____ phone ____ but can ____ handle a ____ media files?
 ____ can ____ handle a lot of media ____ with its ____?
 ____ large-sized media ____ of this ____ internal storage?
 ____ this ____ device ____ space to store larger ____?
 ____ internal storage allow large-sized ____?
 How ____ handle a large amount ____ with ____ internal memory ____?
 Is ____ capable of handling ____ media files ____ much ____?
 How can ____ phone ____ large number ____ files, with its ____?
 ____ mobile device have ____ to ____ large media ____?
 ____ files ____ by internal ____ of the phone?
 ____ manage large ____ with its internal memory ____?
 How does ____ phone ____ media files ____ memory space?
 ____ can the ____ handle ____ of files ____ internal memory?
 The mobile ____ memory to handle large media ____ but ____ large enough ____ files?
 How ____ in ____ phone's internal ____ space be ____?
 The mobile ____ enough internal ____ to handle large ____ files ____ it ____ of ____ larger ____?
 Does this mobile ____ enough storage ____ hold ____?
 Can this ____ media files?
 ____ mobile device have ____ storage capacity ____ files?
 Are ____ media files that can ____ place in ____ supported ____ internal ____?
 Does ____ phone ____ enough ____ to ____ the ____ files?
 There ____ files ____ can ____ put in this ____ internal ____.
 ____ this mobile ____ storage space to ____ of files?
 ____ mobile phone ____ enough internal ____ to handle large ____ but ____ of handling bigger ____?
 ____ phone's ____ storage hold ____ files?
 ____ large-size media files supported ____ internal storage?
 ____ the ____ phone's ____ memory large ____ large media ____?
 Can ____ phone ____ the ____ media ____ hogging too much ____?
 Considering the internal memory ____ smartphone, can ____ large ____?
 How can this ____ large ____ files ____ its ____ capacity?
 ____ the ____ phone ____ files, ____ it ____ enough internal memory?
 Is the ____ memory ____ to ____ media files?
 ____ this ____ enough Memory to hold ____?
 ____ the phone ____ sufficient memory ____ media files?
 Has the ____ storage capacity ____ media files?
 ____ internal ____ to ____ with large media files, ____ is ____ capable of handling ____ files?
 Is ____ able to hold ____ media files in ____?
 ____ the ____ memory ____ store big files?
 Is this phone ____ of ____ files with ____?
 Does ____ mobile device ____ enough capacity to ____?
 I ____ to know how this ____ files in terms ____ internal _____.

How does the phone _____ large media files in _____ phone?

How can _____ handle _____ files _____ its internal _____ space?

Do large-sized _____ support inside of _____ phone's _____?

Does _____ hold _____ a lot of _____ files?

_____ the phone's internal storage _____ the _____ files?

The _____ phone _____ internal memory to handle _____ media files, _____ how _____ it _____?

How _____ phone _____ a lot of _____ files _____ its _____ space?

_____ internal storage of _____ phone _____ large-size media _____.

_____ files _____ be _____ from _____ phone's internal storage?

Are large-size files _____ storage _____ this phone?

_____ it possible that _____ phone can _____ hogging too _____ memory?

Does _____ have enough _____ to house a _____ files?

Are the _____ that can _____ placed _____ the _____ from _____ phone's _____ storage?

Does this _____ enough _____ to store _____ files?

_____ this phone have enough _____ memory to _____ large _____?

Is the internal _____ the phone _____ of _____ large-size _____?

Are big-sized _____ inside _____ internal storage?

_____ the internal memory capacity _____ good _____ manage larger media _____?

Do _____ device have _____ storage _____ large media files?

_____ this mobile device _____ bigger media files?

_____ does a _____ device _____ with media on _____?

The _____ phone _____ enough internal memory to handle _____ it _____ files?

Is this phone _____ big files with _____?

Will it be _____ huge _____ files on this _____ memory?

_____ the _____ capable of supporting large-sized _____ files from _____?

Is _____ able _____ store _____ enough internal memory?

Is _____ phone capable of _____ memory _____ hold a _____?

Is the _____ able to _____ enough _____ files?

How do _____ manage media _____ internal _____ of _____ phone?

_____ can this phone _____ large _____ files _____ internal memory space?

Does _____ mobile device _____ capacity to _____ large _____?

How _____ this phone _____ files, _____ its _____ memory space?

_____ can this phone hold large _____ its _____?

How _____ this _____ handle large _____ files _____ internal memory _____?

_____ the _____ storage adequate for _____ files?

Do _____ have enough memory _____ hold _____ lot of _____?

_____ device have the _____ to store huge _____?

Does _____ device _____ the capacity _____ hold huge _____?

Should _____ have enough _____ internal memory to _____ media files?

Does this _____ have sufficient _____ media files?

Is there _____ support for _____ media _____ in the _____?

Are _____ large-_____ files supported _____ the _____ of this _____?

Does the phone _____ enough memory _____ a _____ files?

Are the large-sized _____ files _____ can _____ the phone supported _____ phone's _____?

_____ can _____ phone handle _____ lot of _____ lot of internal _____ space?

The _____ phone _____ enough internal _____ large media _____ but _____ can _____ handle _____?

Do large-sized _____ have support _____ internal storage _____ the _____?

Can _____ phone handle _____ media _____ with _____ space _____ its _____?

_____ the _____ device _____ storage _____ bigger files?

_____ does _____ phone do _____ files in the _____ space?

The ____ phone ____ memory to handle large media ____ but ____ handle ____?
 Does ____ device have ____ storage ____ large ____ files?
 ____ does ____ phone take ____ media files in ____ memory?
 The mobile ____ has sufficient ____ to ____ large media ____ it ____ files?
 How ____ capacities manage so much ____ content?
 ____ can ____ handle a ____ media files ____ it's internal space?
 How does ____ phone handle ____ files ____ memory ____ the phone?
 How ____ this ____ handle ____ files in ____ memory ____ your ____
 The mobile ____ internal memory to ____ large ____ it ____ of handling them?
 Are ____ media ____ supported ____ the ____ on this ____?
 Do large-sized ____ files have ____ internal storage?
 Does this mobile ____ have ____ space ____?
 Does ____ phone ____ enough ____ hold some ____ files?
 Does ____ mobile device ____ enough ____ store ____ files?
 ____ mobile ____ has enough ____ memory to ____ files, but ____ it's capable of ____
 ____ handle a ____ number ____ media files with ____ internal ____ capacity?
 Is this phone ____ big ____?
 How ____ phone handle ____ media ____ the internal memory ____?
 Are the ____ media ____ that ____ be ____ in ____ phone ____ from the ____?
 Can this phone ____ lot of memory?
 Does this ____ have enough ____ store ____?
 ____ possible ____ to hold ____ media files in ____ internal memory?
 How ____ handle a ____ files, with its internal memory ____?
 How does this phone ____ large ____ files with ____ the ____?
 The ____ phone has ____ internal Memory ____ media files but is ____ able ____ bigger ____?
 The mobile ____ has ____ to handle large ____ files, but ____ handling larger?
 Can ____ phone store ____ enough ____?
 Can a ____ handle a lot of media ____ of ____?
 ____ this phone ____ enough ____ a ____ of media ____?
 ____ does ____ phone handle ____ large ____ of ____ its internal memory ____?
 Does your phone ____ enough ____ to ____ media ____?
 ____ media ____ compatible ____ the ____ internal storage?
 Are ____ media ____ the ____ internal storage?
 The mobile phone ____ enough ____ to handle large ____ can ____ handle ____ files?
 The mobile ____ memory to ____ big files, but ____ of handling ____?
 The mobile phone ____ enough internal ____ files but ____ it ____ bigger ____?
 ____ does a ____ care ____ media files ____ internal memory?
 ____ phone ____ enough memory to ____ files?
 ____ the smartphones internal memory large ____ handle ____?
 How ____ handle so many ____ with ____ internal memory ____?
 ____ mobile ____ enough internal ____ handle large media files, ____ is it ____ of ____?
 Do ____ mobile device ____ enough ____ to store large ____?
 ____ phone ____ space ____ it's internal memory ____ handle big media ____?
 How do ____ get ____ of ____ phone's internal memory?
 The mobile phone ____ internal ____ to ____ large ____ it able ____ handle bigger ____?
 ____ phone ____ enough memory ____ large files
 ____ mobile ____ handle a lot ____ media files, ____ how can it handle them?
 How ____ you ____ media ____ in ____ phone's memory ____?
 Does this ____ hold a lot of ____ files?
 ____ does this phone ____ care of ____ in ____ memory ____

____ the ____ capable of ____ large files ____ internal ____ space?
 ____ do ____ manage a ____ of ____ in ____ phone's ____ capacity?
 ____ think this phone has ____ memory ____ hold ____?
 ____ has enough internal ____ media files, but if it can _____.
 ____ phone ____ internal ____ to deal with large files?
 How can this ____ with ____ in its ____ memory ____?
 Is ____ the phone ____ enough to handle media ____?
 ____ memory ____ handle large ____ files, but how can it ____?
 There are ____ that can ____ in ____ phone's ____ storage
 Is the smartphones internal ____ to handle ____?
 Does ____ phone ____ enough space in its ____ files?
 Can ____ handle large ____ without hogging a ____ memory?
 ____ the ____ storage ____ the phone ____ with ____ media ____?
 How can the ____ in the internal ____?
 Can this ____ without hogging too ____ memory?
 Does ____ hold enough ____ hold ____ lot of media ____
 Does the ____ hold enough ____ big file?
 ____ large enough ____ be supported by the ____ of ____ phone?
 ____ the phone ____ enough ____ memory ____ to handle ____?
 Can this ____ memory to hold ____?
 The mobile ____ enough ____ Memory to handle ____ files, ____ capable ____ bigger
 Does this ____ enough memory to ____ a ____ files?
 Can this phone ____ media files ____ internal ____?
 ____ storage ____ large-sized media files?
 Is ____ storage ____ large-sized media files?
 ____ to manage larger ____ files with ____ phone's ____ capacity?
 Does ____ have ____ to hold ____ media files?
 ____ mobile device have sufficient storage ____ hold ____ media ____?
 Can ____ large ____ files ____ its internal memory?
 ____ this phone's internal ____ files?
 How can ____ phone ____ large amount of media files ____?
 ____ this phone able ____ large-sized ____?
 ____ the ____ device capable ____ larger media ____?
 ____ this ____ to manage large files ____ internal ____ capacity?
 ____ media files be ____ within ____ phone's memory ____?
 Does ____ device ____ storage to hold ____ files?
 How ____ phone ____ large amount of files ____ its ____ capacity?
 Can this ____ a lot ____ files in ____ memory?
 ____ do you manage ____ the ____ of a phone?
 Are large-sized ____ files supported ____ storage of ____?
 ____ the mobile ____ enough ____ capacity ____ huge files?
 ____ this phone ____ of ____ large-size ____?
 ____ internal ____ to hold large-sized files?
 ____ the phone ____ large ____ its internal memory?
 ____ storage accommodate large-sized ____ files?
 The mobile ____ has enough ____ how ____ it ____ large ____ files?
 ____ mobile phone has ____ Memory ____ handle large ____ it capable of handling ____ more?
 ____ large media files ____ internal memory ____ this phone?
 Do ____ device have enough ____ to ____ large ____ files?
 do large-sized ____ support inside ____ internal storage?

_____ storage hold _____ media files?

Does _____ device _____ enough room to _____ files?

Is it _____ media _____ support in this _____ internal _____?

_____ phone _____ to _____ large media files on _____ internal _____?

_____ supported by the internal storage _____ this _____?

Does the mobile device _____ huge files?

_____ the large-sized _____ files that _____ in _____ phone supported _____ phone's internal storage?

Is it possible _____ mobile _____ internal memory to _____ large _____?

_____ mobile _____ has _____ internal _____ files, but _____ it _____ of handling them?

_____ this _____ big _____ files _____ space in _____ internal memory?

Is the _____ of _____ phone supporting _____ files?

_____ mobile device have enough storage _____ larger _____?

Can _____ mobile phone _____ large _____ if _____ enough _____ Memory?

_____ this _____ have sufficient _____ large files?

Does your phone _____ room for _____?

_____ the internal _____ of _____ phone supported _____ files?

_____ phone _____ in its internal memory?

Is _____ phone _____ to manage media _____ its internal _____?

What _____ large _____ the phone's internal memory _____?

_____ mobile phone capable of handling larger _____ enough internal _____?

Does the _____ have _____ storage to _____?

Will _____ able to handle large _____ with _____ memory?

The mobile phone _____ enough _____ to handle _____ but _____ it _____ files?

The mobile _____ internal Memory to _____ large media _____ but _____?

_____ the _____ storage of _____ phone _____ for large-sized _____?

_____ the phone have _____ support large _____?

Is it _____ for this phone _____ handle _____ media files _____ lot _____?

_____ the mobile phone _____ internal Memory to _____ files?

_____ internal memory large enough to handle _____?

The mobile _____ internal Memory to handle _____ files, _____ is it _____ of _____ files?

_____ large- _____ media _____ supported by _____ storage _____ the phone?

Does the _____ to hold large amounts _____?

Does the _____ have _____ internal _____ space _____ files?

_____ the mobile _____ have _____ storage _____ large media files?

_____ your _____ of storing _____ files?

_____ if the _____ enough internal _____ large media files?

Can _____ media files?

_____ mobile _____ enough internal memory _____ large files, _____ can _____ them?

_____ phone _____ to _____ large _____ files, _____ it be able to handle bigger files?

_____ large-size _____ files supported by the _____ storage of _____?

Can _____ hold big _____?

Does _____ have _____ memory _____ a lot of large _____?

Is this _____ capable _____ larger media files?

_____ of this phone large _____ to _____ large _____ files?

Does this _____ to store _____ files?

_____ the _____ large files with _____ internal memory _____

_____ it possible that _____ can _____ large media files _____ much _____?

Do _____ support in _____ phone's internal storage?

_____ does this _____ take care _____ files in the _____ of its _____?

The mobile phone has enough _____ but _____ huge _____?

Is it possible _____ support inside the _____ internal _____?

Do the mobile _____ to _____ large files?

How _____ phone _____ a _____ of files with its _____ capacity?

_____ phone's internal storage _____ files?

The mobile phone has enough _____ to _____ can it handle _____?

Can this phone _____ the _____ hogging too much _____?

Can _____ phone handle _____ files _____ device's _____?

_____ phone handle _____ media files with _____ its _____ memory?

Do _____ have support inside _____ storage?

Does the _____ memory _____ a large amount of _____?

_____ does _____ large media files in relation to _____ space?

_____ phone has enough _____ to _____ media files, _____ can it hold _____?

Does this phone has enough _____?

_____ mobile _____ has enough internal memory _____ handle _____ media files, _____ is it _____?

Does _____ phone have _____ capacity to _____ media _____?

_____ can a mobile _____ large _____ if it _____ enough internal _____?

_____ handle _____ large _____ of media _____ with its _____ memory capacity?

How does _____ phone _____ files _____ memory space?

_____ this phone has _____ hold a lot _____ media _____?

Does _____ memory to _____ lot of media files.

_____ possible _____ the phone handles large media files _____?

How _____ a _____ handle _____ with _____ internal _____ space?

_____ media files can _____ this phone's _____ storage?

_____ mobile phone _____ enough _____ handle _____ files, _____ capable of handling larger files?

_____ files _____ the internal _____ of this phone?

_____ phone's _____ storage _____ large-sized files?

Does the phone _____ hold large _____?

How _____ phone process large _____ the memory _____ your _____?

_____ this mobile device have _____ storage _____ to _____?

_____ there enough _____ to _____ files on this _____?

_____ regards _____ internal _____ space, _____ does this _____ large media _____?

Does _____ phone's storage _____?

Do your _____ media files?

How do _____ content _____ the internal memory _____ a _____?

How can this _____ files _____ your _____ memory?

_____ the phone handle _____ files _____ enough internal _____?

Can _____ mobile phone _____ large media files _____ memory?

_____ this mobile _____ enough _____ bigger files?

How can this _____ handle _____ media files with its _____?

_____ phone _____ memory to _____ media files?

How _____ phone use _____ space for _____ files?

how can this _____ lot of media _____ internal memory _____

_____ there _____ for large-sized _____ files _____ phone's _____ storage?

_____ phone has enough internal _____ to take _____ media _____ handle them?

_____ the _____ device _____ storage _____ to hold large _____ files?

Can _____ handle a lot _____ files _____ up _____ of memory?

_____ the _____ enough memory _____ large media files?

Does _____ device have enough _____ large files?

How does this phone handle large _____ with _____?

The mobile phone has _____ to store _____ files, but _____ it _____?

Is _____ handle large media files _____ its _____ space?

What _____ how _____ this phone _____ content in _____ internal memory capacity?

_____ enough _____ Memory to _____ media _____ but is it capable of _____ bigger files?

_____ phone _____ internal memory to handle large _____ files, _____ capable _____ handling _____

Does the _____ device _____ storage capacity _____ much _____ media _____?

Is _____ phone's _____ storage capable _____ supporting _____ media _____?

The _____ enough _____ Memory to _____ media _____ but is _____ big enough to _____ larger _____?

_____ handle large files that have _____ internal _____ space?

Is _____ mobile _____ to _____ files?

Considering _____ internal _____ capacity, _____ this phone _____ media _____?

_____ this _____ have _____ storage space _____ larger media files?

_____ the phone handle _____ a _____ of _____?

_____ does _____ phone _____ care _____ media files in _____ internal _____?

_____ this mobile device have enough _____ files?

_____ the _____ store large files _____ internal _____?

_____ the mobile device have _____ for _____ files?

Are large-sized _____ from the phone's _____?

_____ this phone hold _____ files _____ phone's internal memory _____?

Does _____ mobile _____ have enough _____ to _____ files?

_____ the phone fit _____ files _____ memory?

The mobile _____ Memory _____ media files but is it capable _____ handling _____ files?

_____ has enough _____ memory _____ handle large _____ is it capable of handling _____?

Is it _____ phone _____ big _____ files with enough _____?

How _____ handle _____ lot of media files with _____?

_____ mobile phone has _____ Memory to _____ how can _____ handle them.

_____ the _____ have enough memory to _____?

Are large-size _____ phone's _____ storage?

_____ the phone's _____ storage _____ files?

How can this phone _____ large _____ space of _____ memory?

Can the phone hold enough _____ large _____?

_____ large size media _____ supported _____ phone's _____ storage?

Is _____ phone _____ large files with _____ internal _____?

_____ a phone _____ files in its _____ memory space?

Does _____ have sufficient memory to _____ media _____?

_____ this phone have _____ it's _____ memory to handle large _____?

_____ the _____ memory _____ the phone _____ enough to _____ larger media _____?

Large-sized _____ files _____ be supported by _____ phone's _____.

Does the internal _____ the _____ supports _____?

Can this phone handle large _____?

_____ can this phone handle so _____ media _____ with _____?

_____ has enough _____ to _____ large _____ but _____ it be _____ to handle larger files?

What can _____ phone do with _____ internal _____ space?

_____ the _____ have the _____ to _____ media files?

_____ this _____ big files in its _____?

Can _____ phone handle larger files _____ can _____ memory?

Does this phone _____ carry large _____?

How can _____ phone _____ a lot _____ media _____ with _____ internal _____?

The mobile phone has _____ handle large _____ but how _____ it _____?

How _____ phone _____ media files with _____ internal memory space?

_____ this mobile device have enough _____ files?

The mobile phone has _____ to handle large media _____ but _____?
 How _____ phone take _____ of _____ large _____ files _____ internal _____ space?
 _____ this _____ handle _____ media files in _____ memory space?
 _____ any support for large-sized _____ files in _____ storage?
 _____ phone _____ enough memory for _____?
 Does this _____ hold enough large files?
 Is this mobile _____ of _____ enough _____ files?
 The _____ memory to _____ large media files, but _____ it _____ very _____ files?
 _____ can large _____ be handled _____ memory?
 _____ the internal memory _____ to handle big media _____?
 The _____ phone _____ internal memory _____ large _____ files, but _____ it _____ large _____?
 _____ this phone have enough memory _____ fit _____?
 _____ this _____ of handling big media files _____?
 How _____ this phone _____ in _____ internal memory space?
 Is this _____ store large _____?
 _____ phone _____ memory _____ handle _____ files, but can it handle even bigger _____?
 How will this _____ handle large files _____?
 The mobile _____ has enough _____ can _____ hold _____ media _____?
 _____ mobile device have _____ capacity to _____ files?
 _____ phone handle some large _____ internal memory _____?
 How does _____ phone handle _____ files _____ the internal memory?
 _____ phone have enough _____ memory _____ large files?
 _____ can _____ of _____ files _____ handled with the phone's _____ memory _____?
 _____ this phone _____ files?
 _____ mobile phone _____ sufficient _____ memory to _____ files, _____ it handle _____ files?
 _____ could _____ phone _____ large _____ in the phone's _____ space?
 _____ the phone's internal _____ huge _____?
 _____ phone's internal _____ capable of holding _____ media _____?
 _____ the phone _____ at handling _____ with _____ memory space?
 How _____ a _____ handle _____ files _____ it _____ has internal _____?
 _____ the phone's internal _____ able _____ large-sized media _____?
 _____ mobile _____ has _____ internal _____ handle _____ but can it handle _____ larger files?
 Are the large-sized _____ files that _____ the _____ supported _____ the _____ internal _____?
 _____ a _____ a lot _____ with its internal memory space?
 _____ this phone have _____ for _____ files?
 Do large-sized media _____ the _____ storage _____ this _____?
 Considering _____ capacity of the _____ can _____ effectively _____ media _____?
 Does this _____ have _____ manage _____ files?
 How _____ this phone _____ huge files _____ the _____?
 How is _____ able to _____ a _____ of _____ with _____ internal memory _____?
 _____ has enough internal Memory _____ handle large _____ can it _____ files?
 Does this _____ have _____ memory _____ the media _____?
 _____ phone _____ of large _____ in the internal _____ space?
 _____ does the phone _____ care _____ large media _____ in _____ phone's _____?
 _____ the _____ capacity of _____ phone _____ to handle _____ files?
 How can a phone _____ a large _____ of _____ its _____?
 How can this phone work _____ files _____ internal _____?
 _____ can _____ hold a _____ of media _____ with its _____ memory _____?
 How _____ phone take _____ large _____ files _____ internal memory space?
 Is _____ possible _____ the _____ has enough _____ store _____ media files?

The _____ has enough internal memory to handle _____ media files, _____ it _____
 _____ mobile _____ enough _____ space, _____ it handle big _____ files?
 _____ large-size _____ supported by the internal storage of _____.
 _____ internal storage _____ the phone _____ large-sized _____?
 _____ mobile _____ enough _____ to deal with _____ can it handle large _____?
 Does this phone _____ storage to _____ of _____ files?
 _____ mobile phone has enough _____ memory to _____ files, is it _____ handling larger _____?
 How _____ this _____ handle _____ of media files with _____?
 _____ can _____ phone _____ a _____ media _____ with its internal memory _____?
 How _____ the phone handle _____ many _____ with _____ memory _____?
 Is it possible _____ the phone _____ files _____ of _____ space?
 Is this _____ to _____ big _____ files?
 _____ phone have _____ memory to hold _____?
 _____ the _____ large files _____ enough internal _____ space?
 Does _____ phone _____ enough _____ hold _____ lot _____ files
 How does _____ large media _____ in the internal _____?
 _____ this phone have _____ memory _____ a large _____ files?
 _____ the _____ handle _____ those media files _____ hogging _____ memory?
 How can _____ a _____ of files _____ its _____ memory capacity?
 How can _____ phone _____ large media files if _____ internal _____?
 Does _____ smartphones _____ files _____?
 Do _____ files support the _____?
 _____ has _____ internal memory _____ handle _____ files, but _____ capable of handling _____?
 Does _____ memory for Media _____?
 Can _____ device _____ large media _____?
 _____ large-sized _____ files have a place _____ this _____?
 How can _____ large files in the _____?
 _____ the mobile _____ have _____ to hold much _____ media _____?
 Does _____ phone's internal _____ large _____?
 Do _____ mediafiles have _____ the _____ internal _____?
 _____ phone's internal memory _____ manage large files?
 _____ mobile _____ enough internal _____ to hold large _____ but _____ them?
 _____ large media _____ the _____ storage of _____ phone?
 _____ phone _____ handle _____ files with enough space in _____ internal memory?
 _____ mobile _____ to hold large _____?
 The _____ phone has _____ internal Memory _____ media files, _____ enough to _____ larger files?
 _____ handle _____ huge number _____ files with its internal memory _____?
 Does the mobile device _____ capacity to _____?
 Considering _____ internal memory _____ can _____ manage bigger _____ files?
 _____ this phone store large media files _____ the _____?
 Does _____ phone have _____ to hold large _____?
 Is there _____ for large _____ files _____ phone?
 _____ to place large-sized media files _____ phone's internal _____?
 Is _____ of handling _____ files with _____ space in _____ internal _____?
 _____ phone _____ enough _____ hold all _____ media files?
 How does _____ store _____ media files _____ the _____?
 _____ this phone _____ for large-sized _____ files _____ internal storage?
 _____ can this phone _____ large _____ within its _____?
 _____ mobile phone has _____ internal Memory _____ files, but how _____ that?
 Is _____ possible _____ the phone _____ manage _____ media files with _____?

_____ this _____ large media files?

The _____ has _____ internal _____ store _____ files, but _____ it _____ large files?

Is _____ phone's _____ big _____ handle _____ media files?

_____ large _____ be _____ in _____ phone's internal memory _____?

_____ your _____ enough _____ to handle _____ files?

How _____ files _____ handled with the _____ memory _____?

How can _____ phone deal _____ large _____ of _____ internal memory space?

Will _____ phone _____ enough _____ hold large _____?

_____ the _____ handle _____ files with _____?

_____ this phone _____ internal _____ to _____ large files?

Can this smart _____ huge _____?

_____ phone handle a lot _____ files _____ enough _____ space?

_____ is _____ phone _____ take care _____ large media _____ its internal _____?

_____ your phone have _____ memory _____ files?

The mobile _____ has _____ internal Memory _____ with large media files, _____ is _____ of _____?

Does _____ phone have enough _____ internal memory _____ large _____ files?

How _____ this _____ handle _____ number _____ media _____ its internal _____ space?

_____ your _____ enough _____ for media _____?

_____ relation to internal memory _____ how does _____ large _____?

_____ media files that _____ supported _____ this _____ internal _____?

Can _____ handle those huge _____ files without _____ all _____?

_____ it possible _____ the phone can _____ with _____ memory?

Can a phone _____ big _____ enough _____ memory _____?

_____ its _____ memory, _____ this phone _____ big media files?

Is this _____ handle large _____ its memory?

How _____ the phone _____ files in internal _____?

_____ can _____ phone _____ large files _____ the _____ memory?

How can _____ be _____ of in _____ phone's _____ memory _____?

Are _____ media _____ supported by the phone's _____?

How _____ this _____ take _____ files in the space _____ memory

How can this _____ handle many _____ space?

Is the _____ storage of the _____ media _____?

_____ the _____ phone have large-sized media files?

How can _____ handle a bunch _____ media _____ internal memory _____?

_____ the internal _____ of _____ hold _____ files?

Is _____ phone _____ store _____ files?

_____ you manage _____ the internal _____ a mobile device?

How _____ a _____ media files, if it has enough _____?

_____ the internal storage of this phone?

How can this _____ handle so _____ internal _____ capacity?

What _____ this _____ do _____ a _____ of files _____ its _____ capacity?

_____ the phone _____ enough internal _____ space _____ files?

_____ the smartphones _____ enough to _____ big _____ files?

_____ mobile phone _____ enough _____ to handle _____ files, _____ how do _____ handle _____?

_____ the mobile _____ enough _____ larger files?

_____ phone _____ internal Memory _____ handle large files, _____ can _____ handle _____ files?

How does this phone _____ big media _____ its _____?

_____ supports _____ media files in _____ internal _____.

Will _____ media files _____ the _____ memory _____ a problem?

_____ large-size media files support by _____ this _____?

_____ phone _____ enough internal _____ handle large files, but can _____ handle _____ of _____ files?
 _____ have enough memory to store _____?
 _____ enough internal memory to deal with large _____ is _____ capable _____ handling larger _____?
 _____ the _____ handle _____ media files on its _____ memory _____?
 _____ this _____ large-sized media _____?
 How _____ large files in _____ internal memory _____?
 Is _____ capable _____ media files?
 _____ mobile device _____ to hold big _____?
 _____ mobile device _____ enough _____ for larger _____?
 _____ files support _____ this phone's _____?
 How can _____ many _____ with its internal memory _____?
 _____ this _____ to _____ media files _____ enough memory?
 How _____ you manage a _____ content _____ your phone's internal _____?
 How _____ this _____ number of media files with _____ memory _____?
 _____ phone _____ bulky media on its memory?
 _____ I keep huge _____ files on this _____?
 _____ has _____ internal Memory _____ handle big _____ files, but _____ it _____ them?
 _____ can _____ phone handle _____ media _____ with _____ internal memory?
 _____ can this _____ with large _____ internal memory space?
 _____ have _____ internal memory to manage _____ files?
 Is _____ phone _____ to _____ large media files _____ memory _____?
 Does this phone have _____ its internal _____?
 _____ mobile _____ enough capacity to _____ big media _____?
 _____ phone handle a large amount _____ media _____ with _____ internal _____?
 _____ mobile phone _____ internal memory _____ large media _____ but is it _____ handling _____ files?
 _____ phone capable _____ handling _____ files without hogging _____?
 How can big files _____ phone's _____ space _____?
 _____ memory _____ can _____ phone successfully manage _____ media files?
 _____ do _____ think about _____ on the _____ of _____ phone?
 Are _____ media files _____ internal _____ of _____ phone?
 Does _____ mobile _____ enough _____ to hold huge _____?
 _____ this _____ take _____ large media files in relation _____ internal _____?
 _____ this mobile _____ have _____ larger media files?
 How _____ this _____ large _____ files on _____ internal memory _____?
 Does this _____ hold _____ to _____ files?
 Does _____ phone _____ to hold _____ of the _____ files?
 Is _____ enough internal _____ this _____ to handle _____?
 _____ the _____ device _____ capacity to _____ media files?
 Can _____ phone handle _____ those media files without _____?
 _____ this _____ enough _____ to hold large _____?
 Can _____ those _____ files _____ hogging too _____ memory?
 _____ take care of large _____ files in _____ space _____ memory?
 _____ phone hold _____ memory _____ lot of big files?
 Will _____ be able to _____ files _____ this _____?
 How does _____ phone _____ media _____ in the _____ memory _____?
 The mobile phone has enough internal _____ to _____ large _____ is _____ capable _____?
 Does the _____ internal _____ contain _____?
 How does this phone _____ in _____ memory?
 _____ memory _____ can this _____ large media files?
 _____ the phone _____ memory to hold _____ large _____?

_____ memory capacity _____ the _____ enough _____ handle larger _____ files?
 _____ do you _____ large _____ in _____ phone's internal _____?
 _____ the mobile device have _____ for larger _____?
 Does the _____ hold _____ for _____ of media _____?
 _____ this _____ hold _____ lot _____ files?
