

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Cable and Satellite TV Providers |
| Inquiry Category | Multi-room and whole-home set-up |
| Inquiry Sub-Category | Multi-room audio setup |
| Description | Customers may want to stream music or audio content in multiple rooms using their TV service, and may require guidance on setting up speakers or other audio devices to achieve this. |
| Data Size | 5,157 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Do we ____ special ____ adapters to ____ speakers ____ multi-room setup using our ____ connection?

When ____ up ____ with ____ cable/satellite connection, ____ there any ____?

Is ____ connect ____ speakers ____ a multi-room setup using ____ Cable/Satellite ____?

____ set up external speakers ____ multiple ____ with our ____ technology?

If we ____ to have ____ speaker integration ____ our ____ Cable/Satellite ____ necessary ____ have ____ or adapters?

Can ____ connected in different rooms ____ the ____ cable/satellite ____?

Can ____ use our ____ Cable/Satellite ____ to hook up ____ speakers ____?

____ setting up ____ in ____ with our ____ are there any specific ____?

When ____ speakers ____ a multi-room ____ using Cable/Satellite, ____ it necessary ____ wires ____ plugs?

____ have special ____ or plugs ____ external speakers to a ____ layout ____ Cable/Satellite connection?

____ we ____ use specialized ____ order ____ connect ____ speakers for a multi-room ____?

____ our existing Cable/Satellite setup ____ for ____ speakers?

Can we use our ____ to ____ external ____ for ____ multi ____?

Is ____ for ____ to use our existing cable/satellite ____ set ____ in ____?

____ we ____ specific cables to ____ for multi-room ____?

____ we use our existing ____ setup ____ connect external ____ multiple ____?

____ setting up ____ cable/satellite ____ is there anything else ____?

Can ____ current ____ connection ____ connect external speakers to ____ multi-room ____?

If ____ want ____ integration ____ current Cable/Satellite ____ is it important ____ have ____ or not?

____ it ____ speakers to ____ rooms with our present ____ connection?

____ we need ____ cables ____ with our cable ____?

Can ____ speakers be ____ a multi-room ____ existing Cable/Satellite ____?

____ need ____ to ____ external speakers ____ a multi-room arrangement ____ cable connection?

When connecting external speakers ____ a ____ setup ____ specific cables?

____ use my current ____ connection to ____ speakers for ____ multi ____?

____ necessary ____ have ____ or ____ in ____ external speakers to ____ multi-room layout using the current ____

____ an existing ____ system that ____ to link external ____ multi-room ____.

Can I ____ my existing ____ for a multi-room setup?

We have an _____ system that allows _____ external _____ multi- _____ arrangement.
 Is _____ to _____ speakers _____ the same cable _____ satellite connection?
 Is _____ possible to _____ speakers with _____ cable/satellite setup _____ we have to pay for?
 _____ necessary _____ get _____ plugs to connect _____ in multiple rooms _____ the _____ cable/satellite service?
 Is _____ speakers for a multi-room _____ our current cable/satellite _____?
 Can we _____ Cable/Satellite _____ connect external _____ in _____ room setup?
 _____ we _____ cable/satellite connection _____ link external _____ for _____ multi-room setup?
 Can _____ use _____ current _____ for speakers in _____?
 We have _____ link external _____ a multi-room arrangement.
 How do you link ext. _____ to _____ via _____?
 Is my _____ connection _____ to hook _____ external speakers _____ a _____?
 _____ cable/satellite connection allow us to connect external speakers _____?
 _____ we need _____ cables _____ hook up additional _____ multi-room _____ using our _____ Cable/Satellite _____?
 _____ it _____ for us _____ external speakers in _____ rooms _____ our existing _____?
 Should _____ existing Cable/Satellite _____ connect external speakers to _____ rooms?
 _____ it _____ our cable/satellite _____ to set up speakers in _____?
 _____ there _____ connecting external _____ in a multi-room _____ as part _____ system?
 Is our _____ to _____ up additional _____ a multi- room _____?
 Will _____ need specialized cables _____ external _____ to _____ spaces?
 _____ we _____ cable/satellite setup to connect speakers _____ spaces?
 Are external _____ needed _____ setup _____ our existing cable/satellite _____?
 _____ do you _____ to _____ external speakers _____ our Cable/Satellite connection?
 Is it possible _____ connect _____ speakers _____ with the _____ hookup?
 Is it necessary _____ separate _____ and _____ speakers _____ multiple rooms using _____ current Cable/Satellite service?
 Can _____ existing Cable/Satellite setup _____ hook up additional _____ system?
 Is it _____ speakers to _____ setup via _____?
 Is _____ a requirement _____ connecting _____ speakers _____ multi-room configuration _____ part _____ the _____?
 _____ use _____ existing Cable/Satellite setup _____ connect speakers _____ multiple _____?
 _____ need _____ for connecting _____ speakers _____ multi-room setup?
 We _____ a cable/satellite system _____ could be used _____ speakers _____ multi-room _____.
 _____ existing _____ system _____ be used to _____ external speakers in _____
 _____ we _____ special cords _____ order to connect _____ a _____ arrangement _____ cable connection?
 When using _____ cable/satellite _____ any particular _____ necessary for _____ speakers?
 Can external speakers be _____ setup _____ our existing _____?
 _____ connecting external _____ to _____ multi-room _____ cable/satellite connection, is it essential _____ wires or _____?
 Can we _____ cable/Satellite _____ connect external speakers _____ a multi-room _____?
 Can we use _____ current _____ to connect external _____ multi _____?
 _____ for us _____ connect external _____ to _____ multi-room arrangement _____ cable/satellite connection?
 _____ using _____ regular _____ package, _____ expect to need separate cords _____ connecting _____ throughout _____?
 When _____ our current Cable/Satellite _____ do _____ specific cables to connect _____?
 Can _____ use _____ Cable/Satellite _____ for hooking _____ speakers?
 _____ I _____ connection to connect external _____ in _____ multi-room setup?
 _____ we use _____ cables to _____ speakers in _____ rooms using the _____?
 Is _____ current cable/Satellite connection _____ to _____ multi-room setup?
 _____ I _____ my _____ or _____ connection to _____ external _____ to my multi-room _____?
 Are we required _____ use _____ or add-ons for _____ up _____ multiple _____?
 Is _____ to _____ the multi-room speakers _____ current cable/satellite setup, or _____ it _____ we _____ have _____
 _____ to a _____ the Cable/Satellite connection, _____ necessary to _____ special wires or plugs?
 Is it possible _____ connect _____ to _____ my current _____ connection?

Is ____ possible ____ hook ____ speakers ____ existing cable/satellite link?

Is any particular cords vital ____ supplementary ____ across diverse ____ arrangement?

Does ____ Cable/Satellite ____ allow us ____ connect ____ speakers ____ multi-room ____?

____ current cable/satellite connection ____ me to connect ____ a ____ setup?

____ external ____ to ____ our current Cable/Satellite ____ do we need specific ____ or equipment?

____ external ____ connected ____ a multi-room setup ____ cable/satellite connection?

Will ____ speakers ____ Cable/Satellite ____ in different rooms?

____ necessary to ____ wires ____ for connecting external ____ to a ____ layout with ____ current ____ connection?

____ up extra ____ with our cable/satellite ____ there extra ____ or ____?

Is our current ____ to ____ external speakers for ____?

____ we ____ our ____ Cable/Satellite setup to ____ speakers ____ a ____ system?

____ our existing ____ setup to hook ____ speakers ____ multi- room ____?

Can ____ our existing ____ connection ____ external ____ for a ____ setup?

Is ____ to connect ____ for ____ setup ____ or satellite?

Is our ____ sufficient ____ hook up ____ speakers for ____ system?

____ specific cables/adapters to ____ speakers in ____ setup

Is it ____ external ____ to multiple spaces ____ Cable/Satellite setup?

____ ext.speakers be linked ____ a ____ existing ____ connectivity?

Is ____ the regular ____ to ____ outside speakers throughout several spaces?

Is it ____ in ____ setup with cable/satellite?

____ necessary to have ____ plugs for ____ speakers ____ multiple ____ in ____ to ____ the current cable/satellite ____?

____ the ____ required ____ connecting external speakers ____ different rooms?

____ setting up ____ our cable/satellite ____ should we ____ cables?

____ our ____ are ____ particular ____ vital for ____ supplementary speakers?

Can we use ____ current ____ setup ____ multiple rooms if ____ are ____ cables ____ to ____?

Can ____ speakers ____ connected to a multi-room ____ current ____?

____ we ____ to integrate ____ cable/satellite connection, is ____ necessary to have specific ____?

Can ____ to ____ Cable/Satellite ____ in different rooms?

Do we need ____ connecting external ____ to a ____ setup using our ____?

Will we need to use special ____ for ____ additional ____ existing ____?

____ we use our ____ connection for ____ external speakers ____ setup?

When ____ our regular ____ any ____ essential for linking supplementary speakers ____?

Can we ____ or ____ to connect external ____ for ____?

____ need specific cables or ____ hook ____ speakers for our ____?

The ____ hookup ____ be ____ connect external ____ to ____ rooms.

____ it possible ____ speakers to ____ setup via cable ____?

Can ____ use ____ existing ____ to ____ external speakers in a ____?

____ we ____ our ____ cable/satellite service ____ connect external ____ multi-room ____?

____ the requirements for ____ speakers ____ multi-room ____ as ____ of our ____ system?

Can ____ use ____ cable/satellite setup with external ____ multiple ____?

Does our ____ connection permit ____ to ____ cables ____ speakers?

Is ____ wires and ____ in ____ to connect external speakers throughout ____ using the ____ Cable/Satellite ____?

Is it ____ wires and ____ for connecting external ____ multiple rooms using ____ cable/ ____ service?

Can we use ____ current ____ setup ____ additional ____?

____ cable/satellite ____ connection to set ____ multiple rooms with external ____?

____ use the ____ Cable/Satellite setup to ____ more ____?

Is ____ necessary ____ connect speakers for ____ or satellite?

Does ____ current ____ us to ____ external speakers ____ a ____ room ____?

____ current Cable/Satellite setup in ____ are any ____ needed to connect external speakers?

_____ my current cable _____ satellite _____ to _____ external speakers _____ my multi-room _____?
 _____ setting _____ extra speakers _____ our cable/satellite _____ are _____ extra cables _____?
 Can _____ connect _____ speakers in multi-room setup _____ satellite?
 Should _____ use our existing _____ to connect _____ speakers _____ multi-room _____?
 When connecting speakers to _____ setup _____ Cable/Satellite service, _____ need specific _____?
 _____ connect external speakers _____ the Cable/Satellite _____ multiple _____?
 When _____ speakers to a multi-room _____ our _____ cable/satellite service, _____ specific _____?
 Is it necessary _____ specialized _____ or _____ connecting external _____ for _____ layout _____ the Cable/Satellite _____?
 _____ regular _____ any particular cords vital for linking _____ around?
 _____ we _____ and _____ connect external speakers to multiple rooms?
 _____ a _____ configuration _____ our _____ connection, are there any required _____ cables?
 Does _____ cable/satellite _____ specific _____ to hook up _____ speakers?
 _____ some special _____ out this _____ deal _____ external speakers on _____ of _____ basic _____ service
 _____ external _____ to a multi-room _____ a cable/satellite _____ is _____ necessary to have _____?
 Can we use _____ hook up _____ for _____ multi-room system?
 Should we use special cables _____ across multiple _____ using _____ existing _____?
 _____ we use _____ service to _____ external _____ for a _____ setup?
 Is _____ to have separate wires and _____ for _____ in multiple _____ in _____ use _____ current _____?
 _____ it _____ to have _____ for multi-room _____ cable connection?
 _____ any _____ for connecting _____ to a multi-room _____ part _____ our Cable/Satellite _____?
 If _____ want multi-room _____ cable or satellite connection, is _____ essential to _____ specific _____?
 _____ it possible to connect external speakers to _____ with _____?
 _____ any _____ for _____ external speakers in a multi-room _____ as part _____ cable/satellite _____?
 _____ need _____ to connect _____ speakers for our _____ setup?
 When connecting _____ multi-room _____ using _____ cable/Satellite connection, is it _____ specialized wires or _____?
 _____ it necessary _____ have specialized _____ or _____ connecting _____ to _____ multi-room layout _____ cable/satellite?
 We _____ special _____ deal with external speakers on top of _____ basic _____.
 _____ we connect the _____ speakers with _____ current cable/satellite _____ are we _____ to _____ to _____?
 _____ use our _____ to _____ external speakers _____ multi-room setup?
 _____ there any _____ cables for connecting _____ in _____ configuration _____ part _____ the Cable/Satellite _____?
 If we want _____ integrate multi-room _____ into _____ Cable/Satellite _____ necessary _____ have specific _____?
 Can _____ use our current _____ connect external speakers _____ multi-room _____?
 _____ some _____ cords/adapters to rock out _____ multi-room deal _____ speakers on _____ of _____ cable/Sat _____
 _____ a cable/satellite _____ that _____ to link external speakers _____ multi-room arrangement.
 _____ external _____ be _____ in _____ with _____ present cable/Satellite connection?
 _____ the regular _____ should _____ expect to _____ cords for connecting _____ speakers?
 Will _____ use special _____ for _____ up additional speakers _____ the existing _____?
 In order to link external speakers _____ multi-room _____ cable/Satellite _____ any required _____ to be
 How do I _____ speakers _____ a multi-room _____ our _____?
 When setting up _____ speakers _____ there _____ cables or adapters _____?
 Should we _____ to need _____ cords _____ to connect outside speakers in _____ spaces?
 _____ possible _____ speakers in _____ multi-room setup with our current _____?
 When _____ cable/satellite arrangement, are any _____ for _____ supplementary speakers?
 The _____ Cable/Satellite _____ to connect _____ speakers across _____ rooms.
 When _____ speakers to _____ multi-room _____ our _____ service, do we _____ specific _____ or accessories?
 _____ it necessary _____ connect ex speakers _____ multi-room _____ with _____?
 When _____ speakers with _____ are _____ any extra cables _____ adapters needed?
 If we want _____ our cable/satellite _____ necessary to have specific _____?
 Can _____ use our _____ external _____ for multi-room setup?

_____ there _____ we _____ to _____ speakers _____ setup via Cable/Satellite?
 Should _____ use _____ speakers _____ rooms using the existing Cable/Satellite _____?
 Is my current Cable/Satellite _____ for a _____ room setup?
 Can our _____ used _____ speakers for a multi-room setup?
 Can _____ use _____ current _____ or satellite connection _____ in a multi-room _____?
 _____ with external _____ top _____ the _____ Cable/Sat service _____ some special cords/adapters.
 _____ cables to _____ the external speakers _____ our multi-room _____?
 _____ it possible for _____ use _____ existing cable/satellite _____ to _____ up _____ speakers _____ rooms?
 Do we _____ something _____ with our cable _____?
 Do _____ need _____ unique circuits _____ for _____ cable/satellite _____ connection _____ to _____ up multiple rooms with _____?
 If _____ want multi-room speaker _____ connection, do we _____ cables?
 _____ we _____ multi-room _____ with our current satellite connection?
 Can we _____ speakers to a _____ arrangement with _____?
 _____ it possible _____ use _____ current _____ connection _____ speakers in a multi-room _____?
 _____ cables for multi-room speakers _____ our cable _____?
 Should _____ special cables to connect external speakers _____ hookup?
 When _____ our _____ cable/satellite arrangement, are _____ connecting supplementary _____ across _____ locations?
 _____ regular cable/satellite package, _____ we expect _____ different cords for _____ speakers in different _____?
 _____ we need _____ specific _____ connecting external _____ multi-room setup _____ our _____ cable/satellite service?
 _____ we _____ use _____ connections for hooking up additional speakers _____ existing _____?
 _____ cable/satellite setup to _____ up additional speakers?
 _____ to get different wires _____ plugs in order to _____ throughout multiple _____ the _____ service?
 _____ it possible _____ our current cable/satellite _____ to _____ a multi-room setup?
 _____ possible _____ connect _____ speakers to _____ setup in multiple rooms?
 _____ we _____ our _____ cable/satellite connection _____ up _____ in a multi-room _____?
 _____ need a _____ cable to hook _____ additional _____ in our _____?
 Do we have _____ connect _____ speakers in _____?
 Should we _____ cables _____ connect _____ speakers _____ rooms _____ Cable/Satellite hookups?
 require _____ special _____ this multi-room deal with external _____ on _____ of _____ cable/satellite service
 _____ need _____ cords _____ hooking up external speakers to _____?
 Will _____ existing _____ setup need specialized _____ to _____ speakers to _____?
 Does _____ setup _____ cables to _____ up more speakers?
 _____ setting up _____ loudspeaker with our _____ extra cables?
 _____ it _____ use _____ cable/Satellite connection _____ external _____ for a multi-room setup?
 _____ possible for _____ to _____ our _____ set _____ external speakers _____ multiple rooms?
 Should our _____ Cable/Satellite _____ be _____ for _____ setup _____ speakers?
 Can _____ use _____ existing Cable/Satellite _____ connect _____ speakers _____ multi room _____?
 Can _____ use _____ setup _____ up additional speakers in a _____?
 _____ we use _____ Cable/Satellite connection _____ connect external _____ for our _____?
 Should _____ the _____ cable/satellite _____ to _____ speakers _____ multiple rooms?
 _____ cords _____ accessories in order _____ external _____ for a multi-room arrangement _____ current
 Cable/Satellite connection?
 Do we need _____ to _____ the _____ to the _____?
 Should our existing _____ connection _____ used to link external _____?
 Is _____ a way to _____ up _____ our _____ Cable/Satellite link _____ whole-house _____ system?
 _____ current _____ setup in multiple _____ if _____ need specialized _____ to _____ speakers?
 How do _____ multi-room arrangement through the cable/satellite _____?
 Do we need _____ cables _____ speakers in multi-room _____?
 _____ feasible to _____ external speakers in _____ rooms _____ existing cable/satellite _____?
 Require _____ rock out this multi-room deal with _____ speakers, on _____ Cable/Sat

_____ possible to _____ external speakers _____ different rooms with _____ satellite connection?

To get this _____ external speakers on _____ basic Cable/Sat service, you need _____

_____ we use the _____ cable/satellite _____ connect _____ speakers in _____?

If we _____ our current cable/satellite _____ necessary to have specific cables?

Can _____ existing Cable/Satellite setup _____ external speakers to _____?

_____ utilizing our _____ cable/satellite arrangement, _____ any _____ for _____ speakers across _____ locations?

Should we _____ or _____ when using _____ cable/satellite _____ to connect speakers outside?

_____ need to _____ specialized _____ or add-ons _____ hooking external _____ to _____?

_____ we _____ special _____ to connect _____ in different _____?

Can we _____ or satellite connection to _____ external speakers for _____?

_____ we _____ the _____ cable/satellite _____ to connect external speakers _____?

_____ we use _____ cable/Satellite _____ connect external speakers _____ multi-room setup?

Will we _____ able to hook up _____ link?

_____ we _____ existing cable/satellite _____ to connect external _____ across _____?

Is _____ possible to use _____ cable/satellite _____ connect external _____ for _____ room _____?

When _____ regular cable/satellite package, should _____ cords for connecting _____ speakers _____ several spaces?

When _____ our regular cable/satellite arrangement, _____ cords _____ linking _____ across varied _____?

Can we connect _____ speakers to a multi-room _____?

When _____ external _____ to _____ with our current _____ do _____ need specific _____?

If _____ multi-room speaker _____ through our current Cable/Satellite connection, _____ necessary _____ have _____ or _____?

Can we use _____ to setup external _____ room setup?

_____ we _____ use _____ current cable/satellite _____ speakers, or _____ we have _____ buy something special?

Is it necessary to _____ ext. _____ to _____ system _____ existing _____?

Will _____ to our current cable/satellite connection _____ different _____?

_____ we expect _____ separate cords when _____ outside _____ to _____ spaces using _____ regular _____?

Are there any required _____ connecting _____ in a _____ in _____ system?

Can we _____ to connect external speakers _____ spaces?

Should we use _____ cables _____ speakers _____ rooms?

_____ we need _____ use specialized connections _____ to _____ existing Cable/Satellite _____?

Can _____ be connected _____ multi-room setup _____ our _____ cable/satellite _____?

Our existing cable/satellite _____ can _____ to _____ external speakers _____ a _____.

_____ use our existing _____ setup to _____ additional _____ the _____ system?

Can _____ use our existing cable/satellite setup to _____ our _____?

_____ specific _____ hook _____ speakers for the multi-room system?

_____ cables that need to _____ external speakers _____ a _____ configuration as _____ our _____ system.

Is it necessary to connect _____ a multi-room _____ our _____?

_____ we use the _____ hookup _____ connect _____ speakers across _____?

_____ hook up additional speakers _____ our existing _____?

Should our current _____ be used _____ external _____ in _____ multi-room _____?

Will we need _____ special _____ to _____ external speakers _____?

When _____ external _____ to _____ setup _____ our _____ Cable/Satellite service, _____ we need specific _____?

Can we _____ current _____ for a multi-room _____ speakers?

_____ existing _____ system _____ we can use to _____ external _____ a _____ arrangement.

_____ we _____ to _____ multi-room speaker integration through our _____ it _____ to _____ cables?

_____ we hook up more _____ cable/satellite setup?

Can _____ cable/Satellite _____ hook up additional speakers?

_____ we _____ specific cables to _____ to external speakers _____?

Do we _____ specific _____ to connect _____ in multi-room _____?

Can we use _____ existing _____ hookups to _____ speakers _____?

_____ need specialized cords in _____ to _____ to a multi-room arrangement _____ our _____?
 _____ we connect _____ speakers _____ multi-room _____ with _____ Cable/Satellite?
 Should _____ the existing _____ satellite connection _____ speakers across _____ rooms?
 _____ up external speakers in _____ rooms _____ cable technology, _____ requirements?
 Does _____ current cable/satellite setup need _____ hook up _____?
 _____ we _____ existing Cable/Satellite _____ hook _____ speakers for _____ multi-room system?
 When setting up extra _____ or satellite _____ extra cables?
 _____ use _____ Cable/Satellite connection to _____ for _____ multi- room setup?
 If _____ external speakers to a multi-room _____ using our _____ Cable/Satellite _____ cables?
 Do _____ unique circuits _____ adapters _____ use my cable or _____ to set up multiple _____ speakers?
 Does our _____ allow us _____ link _____ a multi-room setup?
 Do _____ need _____ connect ex _____ in _____ room setup?
 Is _____ necessary _____ get _____ wires and _____ for _____ speakers _____ rooms using _____ current _____ service?
 Can _____ use _____ cable/Satellite _____ to connect _____ speakers _____ rooms?
 Do we _____ to _____ specific _____ to _____ speakers _____ multi-room system?
 Does our _____ allow _____ to hook _____ speakers?
 _____ multi-room _____ with _____ speakers _____ top of the _____ service _____ special cords/adapters.
 How can _____ link _____ a _____ via our _____ connection?
 _____ it _____ to connect speakers _____ or satellite _____ multi-room _____?
 _____ external _____ in a multi-room configuration via our Cable/Satellite _____ cables or adapters?
 _____ utilizing our regular _____ crucial for connecting _____ speakers _____ different locations?
 Can _____ current Cable/Satellite setup with _____ speakers _____ rooms?
 Is it _____ to setup external _____ multiple _____ our _____ cable/satellite _____?
 If we _____ to _____ speaker into _____ necessary _____ have specific cables?
 _____ we _____ cables/adapters _____ connect _____ to a multi-room setup?
 Can we use _____ cable/Satellite connection _____ speakers for _____ setup?
 Is _____ a _____ connecting _____ speakers _____ with our Cable/Satellite system?
 Is it _____ connect _____ in multi-room setup _____ satellite?
 _____ current Cable/Satellite _____ used to connect _____ in _____ rooms?
 Do we _____ specific _____ ex speakers into _____?
 Is connecting external speakers _____ spaces using _____ Cable/Satellite _____?
 _____ rock _____ deal with external speakers _____ of the basic _____ service, _____ need _____ cords/adapt
 Can we _____ our _____ to _____ external _____ for a _____ setup?
 _____ we need _____ to _____ the _____ in different _____?
 _____ we _____ specialized _____ or add-ons for _____ speakers to _____ rooms?
 _____ we use our _____ cable/satellite _____ to connect _____ speakers to _____?
 _____ we _____ connect the _____ with the _____ or do we have to buy _____?
 _____ connecting _____ a multi-room system via existing _____ connectivity _____?
 Is it possible _____ speakers across multiple _____ existing _____ hookup?
 Can _____ connect _____ in a multi-room _____ our _____ connection?
 _____ connect external speakers _____ different _____ with a current _____?
 Does _____ mean we need _____ cables for _____ speakers?
 _____ it necessary to get _____ and plugs for _____ in multiple _____ to _____ the _____?
 Can _____ Cable/Satellite connection to connect external _____ for _____ room _____?
 In order to link external speakers in _____ via _____ cable/satellite _____ special _____ or adapters.
 Do _____ cables to _____ speakers _____ set up?
 _____ we _____ the existing _____ hookup to connect _____ speakers _____?
 _____ external _____ to a multi-room _____ the _____ cable/Satellite _____ is it necessary _____ specialized wires or _____?
 Do we _____ cables/adapters to _____ speakers _____ multi-room _____?
 Will _____ use _____ hooking _____ additional speakers over the existing _____ link?

_____ we link external speakers _____ arrangement with our _____ cable _____ satellite _____ ?
 Can we _____ the multi-room _____ work _____ current cable/satellite _____ or do _____ to _____ something special?
 _____ want to _____ multi-room speaker into our _____ connection, is it necessary _____ ?
 Is _____ possible _____ to different rooms with _____ same cable _____ ?
 To _____ multi-room deal _____ external speakers on top of _____ service, we _____ cords/adapters
 Will we need _____ cables to _____ external _____ our _____ ?
 When _____ external speakers _____ multi-room _____ our _____ service, _____ need any specific cables?
 Can our _____ Cable/Satellite setup _____ used _____ to _____ spaces?
 When utilizing our _____ cable/satellite arrangement, are _____ particular _____ vital _____ ?
 Is it _____ the _____ with the current cable/satellite _____ or is _____ we _____ to buy?
 _____ we use our existing _____ more _____ a multi-room system?
 _____ it necessary _____ connect speakers to _____ cable/satellite?
 Can we connect external _____ multi-room _____ cable/satellite connection?
 Do _____ need specific cables/adapters _____ connect ex _____ ?
 Is _____ possible to hook up _____ to _____ system _____ Cable/Satellite setup?
 _____ it _____ to _____ speakers _____ multi-room _____ via _____ or satellite?
 _____ use my _____ or satellite connection _____ connect external _____ for _____ setup?
 While _____ current Cable/Satellite setup in _____ rooms, are _____ to connect _____ speakers?
 Is _____ external _____ for a multi-room system _____ cable/satellite connection?
 Should we expect to _____ different _____ when _____ cable/satellite _____ connect outside _____ throughout _____ spaces?
 _____ want multi-room speaker integration _____ our cable connection, is _____ specific _____ adapters?
 Is _____ specialized _____ or plugs when _____ external _____ to _____ multi-room _____ with the Cable/Satellite _____ ?
 Should _____ connected _____ our _____ connection in _____ to create a _____ configuration?
 _____ just connect the _____ speakers _____ the _____ cable/satellite setup, or _____ we _____ buy _____ special?
 _____ necessary _____ have _____ wires _____ plugs for connecting _____ speakers to _____ layout using _____ current _____ connection?
 Is _____ we could _____ existing _____ set up _____ speakers in multiple _____ ?
 Is it _____ the _____ to the cable/satellite _____ is it something _____ have to _____ ?
 Does our _____ connection _____ us _____ connect _____ speakers _____ multi-room setup?
 Will we _____ specialized _____ or _____ order _____ external speakers for _____ multi-room arrangement?
 _____ use our existing _____ connection to link _____ speakers in _____ setup?
 _____ our _____ cable _____ satellite connection to connect external _____ a multi-room _____ ?
 _____ use _____ existing Cable/Satellite link _____ hook up _____ speakers _____ audio system?
 _____ are the requirements for connecting _____ to _____ via _____ cable/satellite _____ ?
 _____ connecting external speakers to _____ spaces _____ require specialized _____ ?
 Do _____ need _____ special _____ use _____ TV _____ up multiple _____ with speakers?
 For _____ up additional _____ our existing _____ link _____ we _____ use _____ connections?
 Is there a way _____ link _____ multi-room configuration _____ part of _____ ?
 Will our _____ to _____ used for hooking _____ additional _____ ?
 Can we connect _____ to _____ current _____ setup in _____ ?
 Is it _____ to _____ different _____ and plugs _____ external _____ in _____ rooms using the current _____ ?
 Can _____ external speakers _____ a _____ arrangement with _____ cable _____ ?
 _____ up _____ with our cable/satellite _____ are _____ extra cables _____ accessories?
 If _____ multi-room _____ our _____ Cable/Satellite _____ we need specific _____ or adapters?
 Is it necessary _____ have _____ plugs when _____ external speakers to _____ a cable _____ ?
 _____ we _____ speaker integration through _____ cable/ satellite _____ is it necessary _____ have _____ ?
 _____ to need separate cords _____ when using a _____ connect outside speakers?
 Is it possible _____ connect _____ a multi-room _____ with our _____ ?
 _____ possible to connect external speakers _____ spaces using _____ Cable/Satellite _____ ?
 Is it possible _____ connect _____ in different _____ Cable/Satellite _____ ?
 When using _____ we _____ need separate _____ for _____ outside speakers in different areas?

We _____ considering _____ a multi-room _____ with our current cable/satellite _____.
 _____ existing _____ be _____ to integrate external _____ into _____ multi-room setup?
 _____ we use our _____ Cable/Satellite _____ hook _____ additional _____ for _____ audio system?
 Can _____ existing _____ hook _____ to _____ external _____ to multiple rooms?
 Can _____ our existing _____ to hook up additional _____ for our _____ ?
 In _____ to _____ a multi-room configuration via _____ there _____ to be _____ cables or adapters.
 _____ we _____ connect our speakers to _____ rooms?
 When connecting _____ speakers to a multi-room _____ current _____ service, do _____ specific _____ ?
 Is it _____ to connect speakers _____ via _____ ?
 Is _____ to _____ speakers _____ a _____ with our current cable/satellite _____ ?
 Is _____ necessary to _____ up _____ to _____ current cable/satellite _____ ?
 What are the _____ for _____ in a multi-room _____ cable/satellite _____ ?
 Should external _____ be _____ our _____ Cable/Satellite setup _____ rooms?
 _____ want to have _____ speaker _____ our _____ connection, _____ it necessary _____ have specific cables?
 There _____ speakers that can _____ multi-room _____ as _____ of our cable/satellite _____.
 Will _____ need _____ cables _____ accessories _____ connect speakers _____ multi-room _____ ?
 _____ we _____ existing Cable connection for _____ setup _____ speakers?
 _____ can _____ link _____ speakers in a _____ cable/satellite connection?
 _____ we _____ existing cable/satellite _____ to hook _____ speakers for a multi _____ ?
 _____ we need specialized _____ for connecting _____ speakers _____ multi-room arrangement _____ connection?
 Can we _____ the _____ cable/satellite _____ hook _____ additional _____ ?
 _____ cables _____ for _____ external speakers in a _____ our cable _____ ?
 _____ our _____ cable/satellite connection _____ us to _____ external speakers _____ multi-room _____ ?
 _____ we _____ the _____ cable/satellite hookups _____ connect _____ speakers _____ multiple _____ ?
 Do _____ cables for _____ speakers with our current _____ ?
 Is it necessary _____ extra _____ in multiple _____ via _____ service?
 _____ up _____ speakers _____ our cable/satellite _____ anything else needed?
 _____ we need to _____ connections for _____ up _____ speakers _____ our existing _____ ?
 _____ we _____ to link _____ speakers in _____ multi-room _____ via our _____ connection?
 Should _____ use _____ cables or _____ to connect _____ rooms using _____ existing _____ hookup?
 _____ we _____ our current _____ connect external _____ for a _____ setup?
 Do _____ need _____ to _____ in _____ room setup?
 Can we use _____ existing _____ to connect _____ speakers _____ ?
 Can _____ use _____ Cable/Satellite setup _____ multiple rooms if we have _____ ?
 Is it possible _____ my _____ connection _____ external speakers _____ multi-room _____ ?
 _____ specific cables to connect the external _____ the _____ ?
 Do _____ cable to hook up _____ speakers _____ the _____ system?
 _____ we _____ or satellite to _____ to _____ multi-room arrangement?
 Can we hook _____ with our _____ setup?
 _____ we _____ our Cable/Satellite setup to _____ speakers?
 _____ cables for _____ external _____ in a _____ configuration _____ our _____ connection?
 Is _____ necessary for external _____ connected _____ a _____ as part of the _____ ?
 Do _____ to _____ our cable _____ satellite connection to _____ ?
 _____ do _____ to _____ additional speakers _____ a _____ system _____ our existing _____ setup?
 Can _____ use _____ cable _____ for _____ multi room _____ external speakers?
 When _____ additional _____ with _____ cable/satellite connection, _____ or accessories _____ needed?
 _____ we need _____ cables _____ speakers _____ multi- room _____ ?
 Can I _____ connection _____ connect _____ speakers to my _____ setup?
 When connecting external speakers _____ a _____ layout _____ connection is it necessary _____ ?
 Is it necessary _____ get _____ wires and _____ connect _____ speakers _____ using _____ current _____ service?

Is _____ necessary to _____ or _____ for _____ speakers _____ multi-room _____ with the Cable/Satellite connection?
 _____ use _____ existing Cable/Satellite _____ external speakers for a _____ setup?
 _____ specific cables _____ speakers in multi-room setup

Do _____ think _____ necessary to _____ and plugs for connecting _____ multiple rooms _____ current Cable/Satellite service?
 _____ speakers be _____ to our _____ Cable/Satellite _____ a multi-room _____?
 _____ we _____ specific cables to connect external speakers to _____ multi-room _____ service?

Can _____ our current cable/satellite _____ for _____ speakers?
 _____ it _____ to _____ our _____ Cable/Satellite _____ connect _____ for a multi-room setup?

Should _____ current Cable/Satellite service _____ external speakers _____ setup?
 _____ we need _____ cables _____ speakers to multi-room _____?
 _____ to _____ up _____ speakers _____ a multi-room _____ using our _____ Cable/Satellite setup?

When using _____ cable/satellite arrangement, _____ any _____ cords _____ speakers _____ diverse locations?

Is _____ possible that our existing _____ could _____ setup external _____ multiple _____?

Can _____ use _____ Cable/Satellite setup in _____ if _____ need special cables _____ connect _____?

Can _____ speakers in a multi-room arrangement?
 _____ do _____ have _____ up _____ in multiple rooms _____ our cable technology?
 _____ we _____ use special connections _____ up additional speakers _____ Cable/Satellite link?
 _____ using _____ regular _____ arrangement, _____ any particular _____ vital _____ linking _____ across different _____?

In order _____ link external speakers _____ a multi-room _____ our _____ be required _____ cables.

Should _____ expect _____ different _____ adaptors when using _____ regular cable/satellite _____ for connecting _____?
 _____ we _____ specific cables _____ external _____ for _____ setup using our current _____ service?
 _____ a _____ connection to connect external speakers _____ rooms?
 _____ specialized cords _____ to _____ external _____ for a multi-room _____ our current cable/satellite connection?
 _____ it possible _____ connect the _____ speakers _____ cable/satellite setup _____ is there _____ else we _____?

Should _____ use our existing _____ external _____ a multi-room setup?
 _____ regular _____ arrangement, _____ particular _____ essential for connecting supplementary speakers _____ diverse _____?

_____ external speakers to _____ setup using _____ current _____ service, do _____ cables?

Can _____ cable/satellite connection to connect _____ speakers for a _____?
 _____ it necessary _____ special _____ or plugs to _____ a multi-room layout _____ a _____ connection?

Any special _____ that need _____ be _____ speakers in a _____ configuration _____ our cable/satellite _____?

In _____ external speakers to be _____ in a _____ our cable/Satellite connection, there _____ be _____

What requirements are _____ setting _____ speakers _____ multiple _____ with _____ cable _____?

_____ it necessary _____ have _____ when _____ speakers to _____ multi-room _____ using _____ cable/satellite connection?

Do we need specific _____ in multi-room _____ with _____?
 _____ need some _____ rock _____ this multi-room deal _____ external speakers _____ top of _____ service

Should external speakers _____ a _____ configuration _____ cable/Satellite connection?

Should _____ use the _____ Cable/Satellite _____ connect external _____ multiple _____?

Can _____ our current cable/satellite connection _____ external _____ our multi-room _____?

If _____ speaker _____ our current _____ is it necessary to have specific cables?

Is _____ necessary to _____ or _____ for connecting _____ speakers _____ multi-room layout using _____ Cable/Satellite _____?

Is it _____ to _____ with _____ cable/satellite setup, or _____ it _____ to _____ something special?
 _____ system that can _____ to link _____ speakers _____ a multi-room arrangement.

Do _____ specific cables or _____ to _____ external _____ to _____ multi-room _____?

Is it possible _____ connect _____ speakers _____ setup with my _____?

Is _____ a _____ external _____ in a _____ with _____ cable/Satellite system?
 _____ we _____ a multi-room setup with our _____ cable/satellite _____?

Can _____ hook _____ speakers _____ our existing Cable/Satellite link for _____?

_____ connecting external speakers to a _____ layout _____ the present _____ connection, _____ to _____ specialized _____?

Can _____ existing _____ setup to hook _____ additional _____ a multi-room system?

_____ up speakers _____ multiple rooms using our _____ service _____?
 _____ requirements are _____ when _____ up _____ speakers _____ our cable technology?
 Can it _____ up external _____ multiple _____ using our existing cable/satellite _____?
 _____ my _____ connection enough to connect _____ speakers _____ a multi-room _____?
 Can we use a cable _____ hooking _____ speakers?
 _____ it _____ to _____ multi-room speakers _____ the current _____ or _____ there something else _____ need?
 Can we use _____ Cable/Satellite setup _____ is _____ specialized cables required _____ external speakers?
 _____ use our _____ cable/satellite connection to connect external speakers _____?
 _____ we _____ specialized cords or add-ons _____ hooking _____ multiple _____?
 _____ use _____ cable/satellite service to _____ external speakers _____ rooms?
 Can we _____ existing _____ satellite _____ to _____ speakers to a _____?
 Is my cable/satellite connection _____ connect external _____ for _____?
 Will we need _____ adapters _____ to multi-room setup?
 _____ Cable/Satellite _____ connect _____ speakers for a multi-room setup?
 _____ we _____ to _____ additional speakers with _____ Cable/Satellite link?
 Can _____ current Cable/Satellite _____ to connect external _____ to the _____?
 Can _____ current Cable/Satellite _____ to _____ external _____ a multi-room setup?
 _____ a requirement _____ connecting _____ speakers _____ a multi-room configuration _____ Cable/Satellite _____?
 _____ need specific cables _____ multi-room setup _____ the cable?
 _____ setting up additional speakers _____ should there be _____?
 _____ my _____ Cable/Satellite connection enough to _____ a multi- _____ setup?
 _____ it _____ different _____ and plugs _____ external _____ throughout multiple rooms using _____ current cable/satellite _____?
 _____ it necessary _____ have specialized _____ or plugs _____ order to _____ external _____ a _____ using a _____
 _____ to _____ specialized wires _____ external _____ to a multi-room layout using the current _____ connection?
 Can _____ use our current _____ for _____ speaker _____?
 _____ we hook _____ using _____ existing cable/satellite setup?
 Is it _____ hook up additional _____ system using _____ existing _____ setup?
 Can we use the _____ link _____ additional _____?
 Does our _____ allow us to connect _____ speakers _____ multi-room _____?
 Do _____ to connect speakers _____ multi-room setup?
 Should _____ use the existing Cable/Satellite _____ connect external _____?
 _____ we have _____ use _____ connections _____ hooking _____ additional _____ over _____ cable link?
 _____ we have to _____ connections for _____ up _____ speakers _____ the existing _____?
 _____ it possible _____ external speakers _____ setup _____ my current cable/satellite _____?
 Can _____ the existing _____ a multi-room setup of _____?
 Can we use _____ cable or _____ speakers for a _____ setup?
 When using _____ are _____ particular cords _____ to link supplementary speakers _____?
 Can _____ current cable/satellite service for connecting external _____ a _____?
 _____ are _____ that need _____ used _____ link external speakers in _____ via _____ cable/Satellite connection.
 _____ there _____ need to _____ external speakers _____ multi-room _____ as part _____ Cable/Satellite system?
 _____ setting up _____ rooms, _____ requirements for specialized cables and/or _____?
 We _____ that _____ used to link external speakers in a _____.
 Is it _____ have _____ wires _____ in _____ to connect _____ speakers _____ a multi-room layout _____ Cable/Satellite _____
 _____ we use _____ current _____ to connect external _____ a multi-room _____?
 _____ the _____ speakers be connected _____ current _____ setup?
 Does our current _____ connection _____ special _____ speakers?
 _____ to multiple _____ our cable/satellite link necessary?
 _____ link our _____ cable/satellite _____ to external speakers _____ multi-room arrangement?
 _____ requirements are _____ the set up of _____ multiple rooms _____ our _____?
 Will _____ need specialized cords in _____ to connect external speakers for _____?

_____ use my _____ cable/satellite _____ to setup _____ speakers for a multi-room _____?
 _____ special cables necessary for _____ external speakers _____ multi-room setup _____ Cable/Satellite _____?
 If we _____ through _____ current _____ connection, is it necessary _____ specific _____ or adapters?
 _____ there _____ external speakers to _____ configuration as _____ our cable system?
 When _____ our regular _____ are any _____ cords _____ for _____ speakers across _____?
 Can _____ cable/satellite _____ be _____ to _____ speakers in a _____ arrangement?
 _____ necessary _____ specialized connections for _____ speakers _____ our existing Cable/Satellite link?
 Can _____ our current _____ connecting external speakers _____ a _____ room _____?
 _____ external speakers _____ to _____ multi-room _____ our current Cable/Satellite _____?
 Can we use our existing _____ speakers _____ multi-room system?
 _____ requirements are _____ for _____ up of external _____ multiple rooms _____ our _____?
 Will _____ need specialized cables/adapters _____ to _____ spaces?
 _____ external _____ connected to multiple _____ using _____ existing _____ setup?
 _____ some _____ cords/adapters to play the multi-room deal with _____ speakers on _____.
 _____ you link _____ in a _____ our Cable/Satellite connection?
 Can _____ connect _____ in _____ rooms with _____ cable or _____?
 What requirements are required _____ across multiple _____ with our _____?
 _____ we _____ cables to connect speakers _____ the _____?
 _____ we need specific _____ speakers in multi-room _____?
 _____ speakers that can be _____ in _____ multi-room _____ our Cable/Satellite system.
 _____ it _____ connect _____ speakers _____ a multi-room arrangement _____ a _____ connection?
 _____ it feasible _____ cable/satellite service to set _____ speakers in multiple _____?
 _____ it _____ to _____ specialized _____ or _____ when _____ external _____ to _____ multi-room _____ using a cable/satellite _____?
 Is _____ possible _____ connect these _____ speakers with the _____ setup, _____ it something _____ to buy
 _____ need a specific _____ connect ex _____ in multi-room _____?
 _____ possible _____ speakers in _____ with our _____ cable/satellite service?
 _____ we _____ specific _____ to hook _____ for our _____ system?
 _____ we _____ cables to _____ external speakers to _____ rooms _____ existing cable _____?
 _____ it necessary to have _____ cables _____ to _____ speaker integration _____ our _____ connection?
 Can _____ my _____ cable/Satellite _____ to connect _____ to a multi-room _____?
 Can we _____ our current Cable/Satellite _____ systems?
 Can _____ up additional speakers using _____ existing _____?
 When setting _____ speakers _____ multiple rooms in _____ cable technology, _____ are any _____?
 For _____ external speakers _____ a _____ configuration via our _____ cables or adapters are _____?
 _____ my cable/satellite TV connection to _____ up _____ external speakers?
 _____ setting up external _____ across _____ rooms in _____ requirements _____ specialized cables?
 Is _____ possible to _____ our _____ cable/satellite service _____ set _____ external _____ rooms?
 _____ we need _____ ex speakers in multi-room _____
 _____ need to _____ special _____ hooking up _____ existing cable/ satellite link?
 How _____ we _____ in _____ multi-room _____ through _____ existing _____ system?
 _____ there anything we need to hook up _____ system _____ our existing _____?
 _____ there a requirement for connecting external _____ via _____ connection?
 _____ we need _____ cable to _____ up additional _____ multi-room system?
 Can we integrate external _____ for _____ cable/satellite connection?
 Can _____ use _____ Cable/Satellite connection _____ external speakers _____ multi-room setup?
 _____ we connect external speakers _____ different _____ current _____ connection?
 If we want multi-room _____ Cable/Satellite connection, _____ it necessary to _____ specific cables _____?
 Is my _____ cable/satellite _____ to _____ external speakers _____ a _____ room _____?
 _____ have _____ existing _____ system _____ could be used to _____ speakers in _____ room _____.
 Can _____ use _____ service _____ connect external speakers _____ multi-room setup?

____ it possible ____ connect ____ multi-room speakers ____ current ____ or ____ that something ____ have ____ buy?
 Is our ____ connection ____ external speakers in ____ rooms?
 Does our ____ us to use external ____ a ____ setup?
 Can we ____ setup ____ cable/satellite?
 Our ____ could ____ to link ____ in a multi-room arrangement.
 ____ it ____ for me ____ my current Cable/Satellite ____ to ____ external ____ for ____ multi-room ____?
 ____ use our ____ satellite ____ connect ____ speakers in ____ multi-room setup?
 ____ setting ____ speakers ____ our cable/satellite ____ are ____ cables or adapters ____?
 Is the cable ____ enough ____ speakers ____ multiple rooms?
 ____ we use our current Cable/Satellite setup ____ rooms ____ we only ____ to ____ speakers?
 Can ____ to the current cable/satellite setup?
 ____ it ____ us ____ use our ____ service to set up external speakers ____?
 Can we use ____ connection ____ connect ____ across multiple ____?
 ____ it ____ to set up external speakers ____ using a ____?
 Do we need ____ connect ex ____ multi-room setup ____ the ____?
 When ____ speakers to a ____ layout ____ present ____ connection, ____ it important ____ have specialized ____ plugs?
 Can ____ our ____ Cable/Satellite connection for a ____ speakers?
 Can ____ use our ____ Cable/Satellite service to ____ external speakers for ____ without ____?
 ____ necessary ____ get ____ wires and ____ to connect external ____ throughout ____ rooms using ____ service?
 Use ____ existing Cable/Satellite connection to ____ a multi-room ____?
 ____ our existing ____ setup ____ to hook ____ for a ____ system?
 Is ____ using ____ existing ____ service to ____ external ____ in multiple ____?
 ____ the ____ need ____ cables ____ hook up extra speakers?
 Extra ____ needed to set up extra ____ our ____
 Will our ____ need specialized cables/adapters ____ connect external ____?
 Should we ____ to connect external speakers ____ multiple ____ Cable/Satellite ____?
 ____ our ____ cable ____ mean we need special cables ____?
 Should ____ our current Cable/Satellite ____ to ____ speakers ____ a multi-room ____?
 Should ____ cables to connect ____ speakers across ____ using ____ existing ____ hookup?
 There are ____ that can be ____ to a ____ cable/satellite ____.
 ____ setting up additional ____ with our ____ connection, ____ cables?
 ____ use our ____ cable/satellite setup ____ hook ____ to a multi-room ____?
 ____ it ____ to have ____ wires ____ when connecting ____ a ____ layout ____ the present cable/Satellite connection?
 How ____ connect external ____ to a ____ through ____ existing ____ system?
 ____ current ____ satellite connection sufficient to ____ external ____ a multi-room ____?
 ____ it ____ the multi-room speakers with the ____ setup?
 Is ____ we need ____ external speakers ____ multi-room ____ our cable/satellite system?
 Should we buy specific ____ speakers to ____ cable connection for ____?
 Can we ____ our ____ cable ____ external ____ in ____ room setup?
 ____ have ____ wires or plugs for connecting external ____ multi-room layout using the cable/ ____?
 Is ____ necessary to get ____ wires and plugs in ____ connect speakers ____ using the ____?
 Is it possible ____ rooms with cable ____ satellite?
 ____ we use existing Cable/Satellite to ____ external speakers ____?
 Do we need specific ____ to ____ multi-room system?
 ____ we need ____ connect the ____ in multi-room ____?
 ____ speakers be ____ multiple rooms ____ cable/satellite link?
 Will we need to ____ a ____ cable ____ hooking ____ speakers?
 Is ____ connect the ____ speakers to the ____ satellite setup?
 ____ are ____ for ____ setup of external speakers ____ multiple rooms ____ cable ____?
 While utilizing ____ current Cable/Satellite setup in ____ there ____ cables ____ connect ____ speakers?

_____ make sense to get separate _____ and _____ for connecting _____ throughout _____ current Cable/Satellite service?

Does _____ current Cable/Satellite connection allow _____ to _____ to _____ system?

_____ regular _____ arrangement, are _____ cords _____ linking supplementary speakers across _____ locations?

Can we connect _____ with our current _____ connection?

While utilizing our current _____ multiple rooms, are _____ specialized _____ need to be _____ speakers?

_____ the _____ cable/satellite setup _____ cables to _____ up extra _____?

Is _____ speakers to multi-room setup _____ Cable/Satellite?

_____ something we need _____ to multi-room _____ via cable?

When _____ up more _____ our cable/satellite _____ should _____ extra _____?

Can we _____ our _____ to _____ speakers for _____ multi-room setup?

Can _____ use a _____ link _____ hook up additional _____ for a _____?

_____ we use our current Cable/Satellite app _____ connect _____?

Will _____ Cable/Satellite _____ require specialized cables/adapters _____ connecting _____?

Is it _____ connect _____ speakers to _____ multi-room _____ with _____ cable/satellite _____?

_____ we need to _____ speakers with our cable _____?

We use _____ Cable/Satellite setup in _____ rooms, _____ are _____ any _____ to connect _____?

Will we need _____ cords _____ order to _____ external _____ for _____ arrangement _____ connection?

_____ it necessary _____ specialized wires or plugs _____ connecting _____ to _____ layout when _____ the _____ connection?

_____ we _____ connection to setup external speakers for a _____?

_____ do _____ speakers in a _____ configuration _____ our _____ system?

Is there any requirement _____ connecting external _____ in _____ part _____ system?

_____ are _____ cables _____ need to be _____ to link external _____ in _____ with our _____.

Can _____ connection _____ used _____ link _____ speakers in _____ multi-room setup?

Is it _____ to _____ and plugs _____ connecting _____ multiple rooms _____ the current Cable/Satellite _____?

Can _____ use current _____ and _____ connect _____ in _____ setup?

Can _____ use _____ service _____ connect _____ for multi-room setup?

Can _____ the _____ setup in multiple _____ specialized _____ for _____ speakers?

Can we _____ up _____ speakers _____ our _____?

_____ specific cables _____ speakers _____ a multi-room _____ using our current _____ service?

Will _____ require specialized _____ order to connect _____ speakers _____ multi-room arrangement with our _____?

Should we use specialized cables _____ speakers to multiple _____ using _____?

When _____ to a _____ setup _____ our _____ do we need any specific _____ or _____?

_____ we need specialized _____ to connect external speakers to _____?

_____ connection to connect external _____ for multi-room setup?

How _____ link _____ in _____ multi-room _____ with our _____ cable/satellite _____?

If we want _____ speaker _____ current cable/satellite _____ it necessary to _____?

_____ need some _____ this _____ with external speakers on top of the basic _____ service

What are _____ speakers _____ multi-room configuration _____ our cable/satellite connection?

Is it _____ to _____ wires and plugs for _____ to multiple _____ using _____ current _____?

_____ use my current cable/ _____ connection _____ external speakers _____ multi-room _____?

_____ we _____ external speakers to multiple spaces _____ our _____?

Can _____ connect _____ different rooms with _____ cable/ satellite _____?

_____ way _____ external speakers to a _____ using our current _____ service?

_____ any _____ cables for _____ speakers in _____ configuration as _____ of our Cable/Satellite _____?

_____ I _____ my _____ connection to connect external _____ for a _____?

Can external speakers _____ connected _____ spaces using our _____?

_____ do _____ link external speakers _____ a multi-room _____ with _____ existing _____?

Should _____ use _____ current cable _____ connection _____ connect external _____ a multi-room _____?

Is it necessary _____ additional speakers for a multi-room _____ setup?

_____ external speakers _____ rooms _____ our cable _____ should there be any _____?

____ we need ____ use special connections ____ additional ____ our ____ link?
 ____ we ____ use ____ cords ____ order to connect external speakers ____ a ____?
 Can we ____ existing ____ satellite ____ link ____ for a ____ room setup?
 ____ specialized ____ required ____ order to ____ speakers ____ a multi-room ____ our current Cable/Satellite connection?
 The ____ hookup can be used ____ multiple rooms.
 Is it necessary to ____ separate ____ plugs ____ in ____ rooms ____ the current Cable/Satellite ____?
 ____ current cable/Satellite connection ____ connect external speakers to my ____?
 Is ____ necessary to have specialized wires ____ connecting ____ speakers ____ layout ____ the ____ cable/satellite connection?
 Is it possible ____ connect external speakers ____ in ____ rooms ____ cables?
 Is ____ to ____ speakers ____ multi-room system ____ existing c/s?
 ____ anything we ____ link external speakers ____ multi-room arrangement ____ our ____ system?
 In ____ to link ____ speakers ____ multi-room ____ via our Cable/Satellite connection, ____ required special ____?
 ____ speakers in ____ multi-room configuration ____ our cable/satellite connection?
 Is ____ get different wires and plugs for ____ external speakers ____ rooms ____ service?
 What are ____ requirements ____ connecting ____ in a multi-room ____ connection?
 ____ possible ____ us to use our ____ up external ____ multiple rooms?
 Can external ____ linked to ____ with our existing ____?
 ____ our ____ be used to ____ external ____ in ____ multi- ____ arrangement?
 ____ possible to connect ____ to multi-room setup ____ satellite?
 We ____ cable/satellite system ____ can ____ to ____ external speakers in ____.
 ____ for linking ____ in a multi-room configuration ____ our cable/satellite connection?
 Does my current cable/satellite connection ____ me ____ external ____ in ____?
 When setting up extra ____ cable/satellite ____ anything ____ needed?
 Is ____ to get ____ wires and interchangeable plugs ____ multiple rooms using ____ Cable/Satellite service?
 Does anyone ____ how ____ speakers ____ a multi-room ____ our ____ cable/satellite system?
 Is ____ necessary ____ to ____ my current Cable/Satellite ____ multi-room setup ____ external ____?
 ____ there anything we need to connect ____ via ____?
 Is our current ____ connect ____ for ____ multi- room setup?
 We use ____ current ____ setup in multiple rooms, ____ any special ____ connect ____ speakers?
 Is ____ necessary to get ____ wires and ____ for ____ throughout ____ rooms ____ the current ____?
 ____ we need ____ external speakers ____ our cable/satellite connection?
 Is ____ any ____ for connecting external ____ in ____ configuration ____ system?
 Do ____ cords or add-ons ____ hooking ____ to ____ rooms?
 ____ we ____ our current ____ service ____ external speakers to ____ multi-room ____?
 Can we use ____ Cable/Satellite ____ connect ____ to multiple ____?
 Will we ____ use ____ connections for ____ additional ____ over the existing ____?
 ____ our ____ allow us to ____ speakers to ____ spaces?
 When utilizing ____ arrangement, are ____ particular cords ____ for ____ speakers ____ locations?
 Is it possible ____ to ____ multi-room system with our ____ setup?
 Can we ____ external ____ with the ____ Cable/Satellite connection?
 Will we need to ____ specialized ____ for hooking ____ existing Cable/Satellite ____?
 When ____ up ____ loudspeaker ____ our ____ connection, are there ____?
 ____ connect ____ speakers to ____ rooms via ____ cable/satellite link?
 ____ use specialized connections for ____ additional speakers ____ our existing cable/satellite ____?
 ____ that need ____ connected in ____ multi-room configuration as part of ____ system.
 ____ speakers be ____ to ____ system via ____ c/s communication?
 ____ need ____ cables/adapters to connect ____ speakers in ____ multi-room ____?
 Should we ____ to ____ separate cords ____ when using ____ regular ____ connect ____ speakers in multiple ____?

Is it _____ connect speakers _____ setup via _____ or _____?

_____ an _____ cable/satellite system that we can use to link _____ in _____.

Should I use my _____ or satellite connection _____ connect external _____?

_____ to connect external _____ across _____ rooms with _____ Cable/Satellite hookups?

_____ to link _____ speakers _____ via our Cable/Satellite connection, any _____ cables _____ needed?

Is it _____ to connect _____ with _____ current cable/satellite _____ is _____ else?

If we _____ multi-room speaker _____ our current Cable/Satellite connection, should _____?

Will the Cables and _____ required _____ external _____ in different _____?

_____ to use special connections for _____ additional _____ over our _____ cable/satellite _____?

How _____ connect external _____ multi-room arrangement using our _____ system?

Can we _____ current _____ connect _____ speakers _____ a multi _____ setup?

_____ there anything we need to connect _____ to _____?

_____ up _____ with our cable/satellite _____ any extra cables?

Do _____ need _____ connect speakers to multi-room _____?

_____ the _____ cable/satellite package, _____ expect to need separate cords _____ speakers to several _____?

_____ we need _____ specific cables _____ speakers _____ setup using _____ current cable/satellite service?

Is it _____ to connect _____ multi-room speakers _____ current _____ or _____ it something we _____ to _____?

Are _____ for _____ external speakers in multi-room configurations _____ our _____ system?

_____ we _____ Cable/Satellite connection _____ for a multi-room setup?

_____ we need _____ cables _____ up more speakers in _____ multi-room _____?

_____ we _____ the existing _____ hook up _____ speakers _____ multi room system?

Is _____ that we could use _____ current _____ to set _____ external _____ in _____?

_____ specific _____ to hook up additional speakers _____ our multi-room _____?

_____ are external _____ that can _____ a multi-room _____ part _____ the _____ system.

_____ we use _____ to link _____ for a _____ setup?

_____ speakers be _____ in _____ rooms with _____ same cable _____ connection?

Can _____ use our current _____ service _____ to _____ multi- _____ setup?

_____ we _____ ex _____ multi-room setup _____ current Cable/Satellite?

Can _____ cable/satellite system be _____ link external _____ multi-room arrangement?

_____ connecting external _____ multiple _____ via the _____ link _____?

_____ we expect to _____ separate _____ connecting _____ several _____ using the regular cable/satellite _____?

Is there anything _____ need to set up _____ with _____?

_____ I _____ to connect external speakers _____ multi-room setup?

Will we _____ special connections _____ additional speakers _____ our _____ cable/satellite system?

_____ setting _____ external _____ multiple _____ in _____ cable technology there _____ any requirements for _____?

Can we use _____ current Cable/Satellite _____ connect _____ multi- _____ setup?

Do _____ need add-ons or _____ cords _____ hooking _____ external _____ rooms?

_____ speakers in a _____ our current Cable/Satellite _____ necessary?

_____ are any particular _____ crucial _____ connecting supplementary speakers across diverse _____?

_____ I use my current _____ a _____ setup of _____?

_____ used for a multi-room _____ with external speakers?

Is _____ wires or _____ when connecting external _____ to _____ multi-room _____ using the current _____ connection?

_____ regular cable/satellite _____ particular cords _____ linking supplementary speakers across diverse _____?

_____ we _____ our existing cable connection to link _____ room _____?

Is it possible _____ connect _____ multi-room speakers _____ current _____ does it _____ something else?

_____ use our _____ Cable/Satellite _____ in _____ rooms _____ we only need specialized _____ external _____?

_____ it _____ to connect _____ speakers with the _____ or _____ something we have to _____?

In _____ to link external _____ in a _____ our Cable/Satellite _____ any _____ special _____ adapters _____ be

Can we use _____ Cable/Satellite setup in _____ rooms if _____ to connect _____?

_____ we use _____ current _____ to connect _____ speakers _____ a _____ setup?

____ it necessary ____ be connected ____ via the Cable/Satellite link?
 Is it ____ ex ____ multi-room setup with current cable ____?
 How can we link external ____ a multi-room ____ system?
 Can ____ use ____ existing cable/satellite connection ____ speakers ____ a ____ setup?
 ____ specific cables to connect external speakers ____ multi-room ____?
 ____ we use ____ connection to ____ external speakers ____ a multi- ____?
 ____ our current ____ connection allow us ____ in ____ multi-room setup?
 ____ it necessary ____ have specialized ____ when connecting ____ a multi-room layout using ____?
 ____ need any unique circuits or ____ to use my ____ TV ____ to ____ multiple ____ with ____?
 ____ we just ____ speakers to the current ____ do we ____ to buy something ____?
 Is ____ Cable/Satellite connection enough ____ link ____ speakers ____ multi-room ____?
 Should ____ setup to ____ additional speakers ____ a multi-room system?
 We have a cable/satellite ____ be ____ to link external ____ multi ____.
 ____ need additional ____ or equipment ____ connect speakers ____ multi-room ____?
 ____ it possible ____ speakers ____ multiple ____ using our existing ____?
 Will we ____ for ____ external speakers ____ spaces?
 Will ____ specialized cables/adapters to ____ to ____ spaces?
 ____ special ____ to ____ out ____ with external ____ on top of ____ cable or satellite service
 When ____ speakers ____ multi-room ____ cable/satellite connection, is it necessary ____ specialized wires ____ plugs?
 ____ it possible ____ connect the ____ setup, or is ____ more complicated?
 Can ____ different room with ____ cable or satellite connection?
 ____ we ____ speaker ____ through our current Cable/Satellite ____ are ____ have ____ cables?
 Is it ____ cable/satellite package to connect outside ____ in ____?
 We ____ cords/adapters to ____ out this ____ deal ____ external speakers ____ the ____ Cable/Sat service
 ____ use existing cable ____ setup external speakers ____ multi-room setup?
 Should our current Cable/Satellite ____ be ____ for a ____ configuration?
 What ____ do we need ____ the ____ up of external ____ multiple rooms ____?
 ____ we want multi-room speaker integration ____ connection, ____ to have ____ cables?
 Is there ____ way ____ a ____ configuration with ____ Cable/Satellite system?
 Can we use the ____ Cable/Satellite ____ to ____ in ____ multi-room ____?
 ____ current cable/satellite connection allow ____ external speakers ____ multi-room system?
 If ____ want multi-room ____ Cable/Satellite connection, is ____ essential to ____ cables?
 Do I ____ use ____ set up rooms ____ external speakers?
 When using the ____ package, ____ expect to need different ____ speakers ____ several spaces?
 Will ____ require ____ cords in order to ____ external speakers ____ multi-room arrangement ____ connection?
 ____ need ____ cables ____ connecting external ____ for multi-room ____?
 ____ use existing cable or satellite ____ speakers ____ a ____?
 ____ we ____ special cables to connect external ____ multiple rooms ____ existing ____?
 Is ____ necessary ____ external speakers ____ a ____ setup with ____ current ____ connection?
 ____ it ____ external speakers ____ a ____ system with our ____ connection?
 ____ we ____ to ____ for ____ speakers ____ multiple spaces using ____ cable/satellite package?
 ____ some special ____ rock out ____ with external ____ on top ____ the basic ____ service
 ____ our current cable/satellite ____ used ____ external speakers ____ different ____?
 Is it possible that ____ set up external ____ rooms using ____?
 With our ____ service, ____ it be ____ to ____ up external ____ multiple ____?
 ____ we ____ cords for connecting ____ speakers ____ with our ____ Cable/Satellite connection?
 ____ our ____ setup to connect ____ to multiple places?
 Can we ____ connection for multi-room ____?
 ____ our ____ Cable/Satellite connection be used ____ connect ____ speakers ____ multi-room ____?
 ____ use the existing cable/satellite setup ____ external ____ multiple ____?

Do _____ cables _____ speakers with our Cable/Satellite _____?

Is _____ possible to connect external speakers _____ the _____ Cable/Satellite _____?

When setting _____ speakers _____ multiple _____ our cable _____ do _____ any requirements for specialized _____?

Can we _____ the existing _____ to connect external _____?

Special cables and _____ required to install _____ in _____ via _____ service.

Is it _____ to _____ speakers to _____ multi-room system _____ a _____?

_____ speakers _____ be _____ in a multi-room configuration via _____ Cable/Satellite _____ there must be required _____

_____ we use specialized _____ to _____ external _____ multiple _____?

Is _____ the multi-room speakers _____ current cable/satellite setup, or _____ have to _____ something _____?

Are we going _____ specific _____ to _____ ex _____ in _____?

Will _____ need specialized cables/adapters _____ multiple spaces?

Is _____ additional speaker components _____ multiple rooms via our _____?

Should _____ expect _____ need separate cords _____ adaptors _____ regular _____ connect outside speakers?

Can we connect external speakers for _____ multi-room _____ current _____?

There are special _____ that _____ to be _____ for _____ a multi-room _____ our _____ connection.

_____ setting _____ our _____ connection, are there _____ extra _____ or adapters needed?

_____ there _____ to _____ external speakers to _____ setup using _____ current _____?

Do _____ really need _____ cables to connect _____ setup?

_____ this multi-room deal _____ external speakers on top of _____ basic _____ need _____ special _____

If _____ integration _____ our current cable/Satellite _____ it essential to have _____?

Is there _____ connecting external speakers _____ multi-room configuration _____ system?

Do we need special _____ with our _____?

When _____ up extra _____ with our _____ extra _____ or adapter _____?

_____ any _____ connecting supplementary speakers across _____ utilizing our regular cable/satellite _____?

Is _____ necessary _____ get _____ and plugs _____ order to _____ external speakers to _____ using _____ current _____?

Can _____ use my current Cable/Satellite connection to _____ external _____?

_____ need special cables to _____ to different _____?

_____ it _____ connect these multi-room speakers _____ setup, or is _____ we _____ to buy?

Can _____ use the _____ to setup _____ speakers _____ setup?

Should we use the existing _____ and _____ connect _____ to _____?

_____ connection allow me to set up multiple _____ with _____?

_____ we _____ specialized _____ connect _____ speakers _____ a multi-room _____ with _____ current connection?

Is _____ necessary _____ ext. speakers for a multi-room _____ connections?

Can _____ connect _____ setup with current cable _____ satellite?

Can _____ use _____ Cable/Satellite connection _____ set up _____ for _____ setup?

Is _____ to _____ a multi-room setup using our _____ service?

Is _____ possible to connect _____ via cable/satellite?

_____ we _____ connect external speakers to a multi-room _____ with our current _____ connection?

Can we use our _____ link to _____?

Will _____ for hooking _____ speakers over our existing Cable/Satellite link?

_____ we use _____ Cable/Satellite connection _____ order _____ connect external speakers _____ multi-room _____?

_____ we use our _____ connect external speakers _____ multi _____ arrangement?

Is _____ possible _____ set _____ speakers in _____ the existing _____ service?

_____ to connect external speakers _____ different rooms _____ cable _____ satellite connection?

Can we _____ connection to connect _____ speakers _____ room setup?

Does anyone know how to _____ a multi-room _____ cable/ satellite _____?

Can _____ connect _____ speakers _____ our _____ in _____ rooms with specialized _____?

_____ we _____ setup to connect external _____ to _____ locations?

Is _____ necessary to have specialized wires or _____ external _____ layout using _____ satellite connection?

Can we _____ cable/ _____ setup to _____ up _____ speakers?

Is it necessary _____ wires _____ plugs for connecting external _____ using _____ present Cable/Satellite connection?

_____ we _____ our _____ cable/ satellite connection _____ a multi-room _____ with _____?

_____ special _____ to rock out the _____ deal with external _____ of _____ basic Cable/Sat _____

_____ there _____ cables _____ connecting external _____ in multi-room _____ as _____ of _____ cable/satellite _____?

_____ expect _____ separate cords _____ using the regular cable/satellite _____ to _____ outside _____?

_____ connect _____ in different _____ with _____ Cable/Satellite connection?

_____ special cables _____ connect external _____ multiple _____ using the existing _____ connection?

_____ you tell me the requirements for _____ in _____ multi-room _____ via _____?

_____ we use the _____ cable/satellite _____ to _____ external _____ multi-room setup?

Do we _____ fancy cables _____ satellite connection to _____ up _____?

_____ need to change our _____ or _____ for _____ speakers?

When _____ additional _____ connection, are there extra _____ or accessories _____?

_____ our cable connection _____ connect external speakers _____ a _____?

We _____ use the _____ Cable/Satellite _____ external _____ to multiple _____.

_____ you tell _____ the _____ linking external _____ in a _____ cable/ satellite connection?

_____ to _____ connections _____ up more speakers to our existing _____ link?

Is it possible _____ with the current _____ setup _____ is _____ more _____?

_____ setting up _____ speakers _____ are there extra cables or _____?

_____ we _____ special cables to _____ to _____ setup?

Is it possible to _____ these _____ speakers _____ current cable/satellite setup or _____ to purchase?

_____ to link _____ in a multi-room _____ via _____ needs _____ any required special cables or

Can we _____ the current _____ to _____ speakers _____ multi- _____?

_____ connection _____ to _____ speakers in a multi-room setup?

Will _____ need to _____ special connections for _____ up more _____ existing _____?

_____ utilizing _____ current Cable/Satellite setup in multiple rooms, are _____ any _____ cables _____ required _____?

When _____ up additional speakers with _____ connection, _____ have _____?

Should we _____ cables _____ connect speakers _____ the _____ Cable/Satellite hookups?

Can we _____ our _____ setup _____ rooms if _____ specialized cables required to connect _____?

_____ the requirements _____ connecting external _____ a multi-room _____ via our cable _____?

Can I use _____ connection _____ set up multiple _____ external _____?

Can _____ our _____ to link _____ speakers for a _____ setup?

Should _____ current _____ connection _____ multi-room setup _____ external speakers?

_____ it _____ to _____ the multi-room speakers _____ the current _____ setup or _____ it _____ we _____ to _____?

Can we _____ our current Cable/Satellite _____ multiple _____ there are specialized _____ external speakers?

_____ required to connect _____ speakers _____ a _____ arrangement _____ our current _____ connection?

Is _____ current _____ connection _____ to _____ for a multi room _____?

Should _____ use _____ to connect external _____ multiple rooms?

Should _____ special _____ to _____ external speakers across multiple _____ the existing _____?

Can we _____ Cable/Satellite service to _____ speakers _____ rooms?

Can we _____ current Cable/Satellite _____ in _____ external speakers _____ specialized cables?

Does our _____ allow for special _____ speakers?

Do _____ specific _____ ex speakers in multi-room _____?

_____ requirement for _____ speakers to _____ multi-room _____ via our _____ connection?

_____ to _____ connections for hooking up additional speakers to _____ existing _____?

When utilizing our _____ cable/satellite arrangement, _____ for linking speakers _____ locations?

Are _____ particular _____ linking _____ speakers across _____ locations when utilizing _____ cable/satellite _____?

_____ we use _____ cable/satellite connection to _____ external _____ our _____ system?

Does _____ know how to _____ speakers _____ multi-room configuration _____ system?

_____ use our current cable/ satellite connection to _____ external _____?

Are we _____ connect _____ multi-room setup _____ cable _____ satellite?
 _____ some _____ to _____ out _____ deal with _____ speakers _____ top of _____ basic Cable/Sat service
 Setting up _____ speakers _____ our cable/satellite connection requires _____.
 _____ we can _____ existing cable/satellite service _____ set _____ in multiple rooms?
 There _____ cables _____ need to be _____ to _____ a multi-room _____ with _____ cable/satellite connection.
 _____ it _____ could use _____ existing _____ service _____ set up external speakers _____ multiple _____?
 Is _____ possible _____ we _____ our existing cable/satellite _____ up _____ speakers throughout several _____?
