

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Assistance with vehicle navigation and multimedia systems
Inquiry Sub-Category	Integration with other vehicle features
Description	Supporting customers in integrating their navigation and multimedia systems with other vehicle features like voice recognition, steering wheel controls, or vehicle settings customization.
Data Size	5,007 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Can voice ____ climate ____ using GPS ____ interrupting route ____?

It ____ voice commands to ____ climate ____ way that does not interrupt ____ route ____.

____ voice controls compatible ____ climate ____ without stopping ____?

Can ____ controls be ____ climate settings ____ a gps ____?

Is ____ my voice thingy ____ checking my navigation instructions?

Can voice control adjust ____ in ____ of ____ gps ____?

Voice ____ climate on gps ____.

Can the ____ change the ____ gps ____ directions?

____ there ____ way ____ change temperature ____ checking my navigation instructions?

____ possible to ____ voice ____ gps but ____ adjust the climate ____.

Is it ____ change A/C functions ____ voice control ____ navigator ____ to directions?

____ it possible to reprogram the ____ voice commands, ____ the interruption ____?

____ voice controls ____ to ____ climate ____ without stopping gps ____.

____ air conditioning functions ____ no stops to navigation ____?

Can ____ commands ____ the ____ using gps?

Is it ____ climate ____ with ____ without having to ____ the ____?

____ possible ____ make ____ to heating and cooling settings ____ navigation ____?

Is it ____ for voice ____ climate settings in ____ middle ____ gps ____ route.

Is ____ controls ____ to adjust ____ setting ____ directions.

Does the voice ____ ability to ____ climate setting ____?

Can ____ voice ____ climate in ____ middle of ____ gps ____?

Can ____ controls ____ climate settings ____ the ____ of ____ road ____?

Can voice ____ gps?

____ it possible ____ use voice ____ but ____ the climate settings?

____ controls can adjust climate ____.

Is it possible to ____ order to adjust the ____?

Can voice ____ change ____ functions ____ having to stop map ____?

____ the ____ a gps directed tour ____ Climate settings?

Is voice controls able _____ climate _____ stopping _____?

_____ controls adjust _____ the middle of _____ directed travel _____?

_____ the voice _____ to adjust climate _____ stopping navigation?

_____ a _____ to _____ up voice _____ climate adjustment _____ during the _____ device?

_____ voice _____ the temperature _____ the gps device _____?

Is the _____ of adjusting _____ stopping Directions?

_____ for the voice _____ change _____ the _____ tells you directions?

Is the _____ controls _____ to adjust climate _____ of _____?

_____ there a _____ adjustment in the background with _____ guidance _____ navigation system?

Is it _____ voice _____ to change climate _____ without _____?

Is _____ controls capable of adjusting climate _____?

_____ there a _____ the _____ thingy _____ temperature without taking my _____?

Is there _____ way _____ use _____ gps, _____ still _____ climate settings?

_____ the _____ make climate changes _____ stopping _____?

Voice- activated _____ changes _____ disrupted gps _____?

Can voices _____ routes?

Can _____ commands adjust _____ climate when _____ are _____?

Modifications of car temperature _____ be possible _____ voice _____ system.

_____ it possible for _____ commands to _____ climate settings _____?

Is _____ to reprogram _____ settings with _____ command _____ interruption _____ instructions?

Is _____ a way to _____ commands with _____ but _____ adjust _____ settings?

Is the _____ controls _____ of _____ without _____ gps directions?

_____ control _____ weather through voice, _____ not interfering _____ navigation instructions?

_____ it possible _____ climate setting without stopping _____.

_____ you _____ voice-controlled climate _____ during your _____?

_____ we make _____ and _____ settings hands-free when we're _____ routes?

_____ possible to reprogram climate _____ without _____ route _____ voice commands?

Does _____ voice _____ ability _____ adjust the climate _____ without stopping _____?

Can voice _____ be _____ to modify _____ settings in _____ a _____ directed _____?

_____ it _____ that voice controls can _____ climate settings _____?

Is _____ voice controls _____ of _____ climate _____ without _____ directions?

_____ possible to use voice controls to adjust _____ the middle of _____ travel _____?

Is _____ possible for voice _____ reprogram _____ settings _____ interruption _____ instructions.

_____ the voice _____ have _____ ability to _____ climate _____ with _____ of _____ directions?

_____ to set up a voice-controlled climate _____ the background _____ the _____?

_____ there _____ way _____ set _____ controlled _____ adjustment _____ the background _____ guidance _____ the navigation system?

Is there a way _____ climate to _____ voice while _____ with _____?

Can _____ commands change _____ when _____?

_____ voice _____ adjust air _____ functions _____ no _____ in _____ directions?

Is _____ way _____ voice _____ change _____ the need to check _____ navigation instructions?

Is _____ climate _____ with voice _____ in _____ middle of a gps _____ route?

Is _____ possible _____ command _____ reprogram _____ with no interruption of _____ prompt?

Is the _____ capable _____ without stopping navigation?

_____ to _____ A/C _____ with _____ control of a _____ without _____ to listen _____ directions?

_____ voice changeable _____ gps _____?

Can voice _____ change _____ gps?

Is _____ controls _____ adjust temperatures without _____ directions?

_____ a _____ temp when using _____ gps _____?

_____ possible for _____ reprogram climate settings _____ a manner _____ interruption _____ route _____?

Shall _____ change the _____ gps device shows _____?

____ is ____ voice commands ____ gps but still adjust the ____.
 ____ the voice controls capable of ____ navigation?
 ____ control climate ____ gps?
 Can ____ climate ____ a gps directed travel ____?
 Can the ____ reprogram ____ temp ____ a ____ device ____?
 ____ controls ____ climate settings ____ directions?
 ____ commands be ____ to ____ the climate when ____ gps?
 ____ it possible for voice controls to ____ air ____ to navigation ____?
 Can voice ____ adjust ____ settings in ____ middle ____ gps ____?
 ____ voice ____ be capable of adjusting ____ stopping directions.
 ____ it ____ settings ____ a voice command without interruption ____ route ____?
 ____ it ____ to have ____ change ____ and ____ gps on?
 Is there a ____ commands to adjust ____ without ____?
 ____ are capable of adjusting ____ without ____ navigation.
 ____ able to adjust the ____ setting ____ stopping directions.
 ____ voice controls adjust ____ on a ____ directed ____?
 While ____ gps, ____ voice ____ settings?
 ____ possible to change ____ disrupting?
 Is ____ possible ____ commands to reprogram ____ without interruption ____?
 ____ a change in ____ with ____ interruption ____ gps?
 Can ____ modify air ____ functions ____ to ____ map directions?
 ____ the voice controls to adjust climate without ____ directions?
 ____ changes ____ allowed without ____ gps route.
 Is ____ possible ____ use ____ commands ____ a ____ and adjust ____?
 ____ it ____ to set the ____ stopping ____?
 Climate can be changed ____ gps ____ with ____.
 Is the ____ controls capable ____ adjusting ____ setting ____ gps ____?
 ____ the voice control ____ to ____ stopping directions?
 In ____ middle ____ a ____ road ____ controls change climate settings?
 ____ the voice ____ while ____ gps ____?
 Is ____ possible ____ have Voice ____ air ____ with no stopping ____?
 Can voice control ____?
 Is it ____ to ____ the climate without ____?
 ____ using gps ____ commands ____ climate?
 Is ____ possible ____ the ____ setting without ____ directions?
 ____ adjusting ____ disrupting the gps?
 ____ it ____ adjust ____ climate with voice ____ while ____?
 ____ it possible to ____ heating and ____ settings hands-free ____ navigation ____?
 ____ to ____ settings ____ interruption of route ____ voice commands?
 Is there ____ way ____ up voice ____ the background with ____ guidance ____ the navigation ____?
 Can ____ change ____ settings ____ middle of a gps ____ route?
 Can voice ____ change ____ undisturbedGPS?
 ____ climate can ____ controlled through ____ while not ____ instructions.
 ____ I ____ temperature ____ voice ____ using gps?
 ____ controls capable of adjusting climate ____ stops ____ directions?
 ____ it possible for the ____ be controlled ____ voice ____ affecting ____?
 Is ____ setting without stopping directions?
 Is ____ A/C functions ____ controls, without having to ____ the map ____?
 Is ____ for voice ____ reprogram ____ settings in a ____ route instructions.
 Is it possible for the ____ the ____ while ____ directions.

Is there a way to modify _____ controls _____ having _____ the _____?
 _____ the voice controls _____ to _____ without stopping directions?
 Does voice controls have _____ ability _____ without _____ directions?
 _____ it _____ voice-controlled _____ in _____ background _____ audio guidance during the navigation _____?
 Can _____ controls _____ climate _____ in a _____?
 _____ possible _____ control the _____ voice, _____ not _____ navigation instructions?
 _____ voice _____ used _____ set _____ the middle of _____ gps route?
 Is _____ voice _____ capable _____ adjusting climate setting without _____?
 Does _____ controls have _____ ability _____ adjust climate _____ stopping _____ directions?
 _____ there _____ to _____ the voice _____ to change _____ without checking _____ instructions?
 Is _____ to reprogram climate _____ with _____ commands, _____ it was _____ without _____?
 Can _____ controls _____ settings without a stop _____?
 _____ change climate _____ the _____ of a _____ route?
 It's possible for voice _____ to _____ way similar _____ of GPS without _____ of route.
 Is it _____ to _____ A/C _____ help _____ voice controls, without stopping _____?
 Is _____ possible _____ modify _____ voice control of _____ navigator without having _____ the directions?
 Can voice _____ settings without _____ directions?
 The temperature can _____ changed _____ un _____ gps _____.
 _____ controls _____ the ability to adjust climate _____ in the _____ gps _____ gps _____?
 _____ the _____ controls able _____ adjust climate _____ stopping _____?
 Climate _____ while using GPS
 Change climate with _____?
 Can _____ climate _____ in the middle _____ a _____ directed _____.
 _____ controls adjust climate in _____ middle _____ road trip?
 Voice-activated _____ to temperature _____ route?
 Is _____ controls capable of adjusting _____ without _____?
 Is it _____ to adjust _____ and _____?
 _____ possible _____ the _____ controls _____ adjust climate _____ without stopping for _____?
 _____ the middle _____ a _____ road _____ can voice _____ climate settings?
 Is _____ voice _____ climate settings without _____ directions?
 _____ adjust climate settings _____ controls _____ the middle of a gps _____?
 When _____ shows directions _____ voice change _____ temp?
 Can _____ changes _____ and cooling _____ while doing navigation _____?
 Can the voice change the _____ gps _____?
 _____ voice controls _____ settings when _____ a gps _____?
 Can _____ change _____ while a _____?
 _____ controls _____ of adjusting _____ without stopping directions?
 _____ it possible to _____ commands _____ change _____ using gps.
 Is _____ voice commands to _____ temperature without _____ navigation?
 _____ it _____ to _____ voice commands to adjust _____ while _____ a _____?
 _____ it _____ to control _____ voice but not _____ with navigation _____?
 _____ voices _____ temperatures _____ gps?
 Can _____ climate settings in the _____ of a gps _____?
 Is it _____ change climate and keep GPS _____?
 _____ voice control _____ climate and _____ undisturbed GPS?
 _____ voice _____ climate when it is _____ a _____ device?
 _____ make climate adjustments in _____ of _____ gps directed road _____?
 Do _____ voice controls _____ the _____ to _____ without stopping GPS _____?
 Is it possible _____ voice thingy _____ without brake _____ my _____?
 Can _____ change _____ settings _____ the _____ of _____ gps _____ trip?

_____ the voice controls _____ to _____ climate _____ the _____?
 Can voice controls _____ climate _____ the middle _____ gps _____?
 _____ voice _____ be used _____ adjust _____ in a _____ directed _____ trip?
 _____ voice _____ adjust _____ temperature _____ the middle of _____ gps _____?
 Does the _____ without stopping directions?
 can _____ climate settings in the _____ a gps _____?
 Is it _____ the _____ to _____ climate _____ without stopping _____?
 Is it possible to _____ functions _____ stopping _____ directions?
 _____ voice commands _____ reprogram _____ settings _____ no interruption to _____ route.
 Can _____ climate _____ gps _____ disrupting?
 _____ possible _____ the _____ thingy _____ temperature without mechecking my navigation _____?
 _____ adapt the climate _____ gps?
 Is _____ possible to _____ climate settings _____ without the route _____?
 _____ controls be used to adjust _____ no _____ map directions?
 _____ the voice _____ have the ability to _____ directions?
 Is _____ can be _____ through voice _____ not interfering _____ navigation instructions?
 Is _____ possible to _____ A/C functions _____ directions with the help _____?
 Can _____ orders _____ climate _____ gps _____?
 _____ the _____ the _____ while _____ device gives directions?
 _____ possible _____ to modify _____ functions without pausing the map _____?
 _____ climate _____ of _____ directions?
 _____ voice _____ adjust _____ in the middle of _____ gps _____?
 Can voice _____ in the middle _____ gps directed _____?
 _____ voice _____ climate _____ with no stopping _____ directions?
 Is it _____ climate settings in the middle of _____ directed travel _____?
 Does _____ climate _____ gps route?
 Is _____ the voice _____ change temperature _____ brakechecking my navigation _____?
 Is _____ for _____ climate to be controlled _____ not interfering with _____?
 Does _____ temperature _____ shows directions?
 _____ for the climate to _____ controlled _____ voice _____ avoiding navigation _____?
 _____ changes _____ permitted with un disrupted _____.
 Is _____ for _____ commands _____ the temperature of the _____ without _____ the _____?
 Is _____ reprogram climate _____ with _____ commands, without interruption _____ instructions?
 Is _____ possible to modify _____ functions _____ the _____ having to stop the _____?
 _____ in _____ middle of a gps directed tour?
 Is _____ to have voice-controlled climate _____ the _____ device?
 Is it _____ to _____ the _____ the _____ directions?
 Is _____ change climate settings _____ stopping the _____?
 Is it _____ for _____ to _____ settings in a _____ without _____ route _____?
 _____ possible to modify A/C _____ with _____ without stopping _____?
 Is voice controls _____ setting _____ stop _____ gps directions?
 Can voice _____ be _____ to adjust _____ gps?
 Are voice _____ to adjust climate _____ stopping _____?
 Can we _____ cooling settings _____ while in navigation routes?
 _____ voice controls adjust the _____ during _____ gps _____?
 _____ voice _____ climate settings without _____ directions?
 _____ the voice controls _____ adjust _____ setting without _____ gps directions?
 Is _____ possible for voice _____ climate settings without _____ at _____?
 _____ voice _____ climate _____ gps?
 _____ climate _____ of _____ directions.

_____ way _____ use _____ with gps, _____ adjust the climate settings?
 _____ controls adjust climate settings without _____ gps _____?
 _____ it _____ change climate _____ no interruption _____ signals?
 Change _____ without _____ of _____
 Can _____ change the _____ on _____?
 Is _____ adjust _____ temperature without disrupting the _____?
 _____ voice controls make _____ settings in _____ middle of _____ route?
 Can _____ command _____ gps _____ climate?
 _____ commands use gps _____ climate?
 Can voice _____ adjust _____ gps _____ road trip?
 Is _____ up voice-controlled _____ adjustment _____ the background _____ audio guidance during a _____ service?
 _____ to _____ the climate _____ while not disrupting navigation _____?
 Can _____ controls _____ climate _____ the middle _____ a _____ directed _____?
 _____ it possible for _____ reprogram climate settings _____ route being _____?
 Is it possible to _____ with a _____ device _____ climate _____?
 _____ the _____ controls able to _____ setting _____ navigation?
 Can voice commands _____ the _____?
 When using a _____ device, can _____ change _____?
 _____ it possible _____ voice thingy _____ change _____ navigation instructions?
 Is there _____ to _____ voice _____ adjustment during the _____ device?
 Is it possible _____ to change _____ me checking _____ navigation _____?
 _____ Voice _____ able _____ adjust _____ conditioning functions with _____ to _____ map _____?
 Can Voice controls _____ airconditioning functions with _____ halt _____?
 _____ controls _____ air conditioning _____ with no _____ map _____.
 _____ adjust _____ setting without stopping navigation directions?
 _____ controls capable of _____ settings with GPS directions?
 _____ the _____ controls able _____ adjust the _____ stopping _____?
 Is it _____ for _____ commands _____ reprogram climate settings _____ route _____.
 Is it _____ to modify _____ with voice _____ of a _____ without _____ listen to _____.
 Can _____ use the voice-controlled _____ adjustment _____ use?
 _____ the voice _____ the _____ while _____ a _____ device?
 Is _____ dang _____ to change _____ without brake-checking my _____ instructions?
 _____ voice control possible _____ alter _____ ensure _____ prompt?
 _____ it _____ for _____ to _____ the climate with _____ on?
 Is _____ possible to _____ climate settings _____ interruption of _____ prompt _____ commands?
 Is it _____ voice _____ to change _____ on _____ navigation instructions?
 _____ have _____ to adjust climate _____ stopping directions?
 Is _____ change _____ climate with _____ using gps?
 Is it _____ to reprogram climate settings via _____ instructions?
 Is _____ possible _____ voice _____ change _____ when navigating?
 Is _____ to _____ voice-controlled climate adjustment in the background with _____ during _____ service?
 Does _____ voice controls _____ to _____ setting without stopping their _____?
 _____ voice commands change _____ climate _____ using _____ gps _____?
 _____ have the voice thingy _____ without the _____ the navigation instructions?
 _____ voice control _____ settings without _____?
 Is it _____ to _____ through _____ disrupting the _____?
 _____ in the _____ of a gps directed tour?
 _____ possible to adjust the _____ navigation?
 _____ voice controls adjust the climate settings in the _____?
 How _____ the temperature _____ during _____ gps _____?

Can voice _____ temperature _____?

_____ voice controls _____ adjust the _____ without stopping the _____?

Voicing changes _____ permitted with _____ gps _____?

Is _____ controls to _____ settings in a gps _____ route?

_____ make climate settings _____ without a stop _____ directions?

Can _____ controls adjust _____ setting in _____ a _____ directed travel _____?

Is _____ possible _____ without disrupting?

Does _____ controls have _____ ability _____ climate with no stop _____ directions?

Is it feasible for _____ commands _____ in _____ that doesn't _____ instructions?

Is it _____ voice _____ to _____ temperature _____ checking my _____ instructions.

_____ possible for _____ to _____ climate settings _____ that of GPS _____ of route?

_____ there a _____ to _____ voice-controlled _____ adjusting _____ the background _____ audio guidance _____ the navigation _____?

The voice _____ could be used _____ adjust _____ without _____.

Can _____ climate _____ when _____ gps?

Can _____ when using a _____ device?

Is _____ control able to _____ settings without _____?

Is it _____ that _____ voice _____ brakechecking my navigation instructions?

_____ voice controls _____ used to adjust _____ stopping _____.

Can _____ modify climate _____ without _____ directions?

_____ voice commands to reprogram climate settings _____ no _____ route.

_____ it possible _____ a _____ command _____ climate while _____?

_____ the _____ controls _____ ability to _____ setting without _____ directions?

_____ climate with _____ gps?

_____ commands adjust the climate _____ a _____ device?

_____ it possible _____ adjust climate settings in the _____ of _____ route _____ controls?

_____ adjust _____ climate _____ it's _____ a gps device?

_____ voice controls _____ settings without a _____ directions?

_____ controls adjust climate settings in _____ gps directed travel _____?

Can voice _____ Climate _____ in _____ middle of _____ directed _____ route?

_____ voice controls can be used _____ the climate _____.

Is it _____ to _____ setting without stopping _____?

Can voice _____ settings without stopping _____?

Is there _____ voice controlled _____ in the background with _____ guidance for _____ system?

_____ controls _____ of adjusting climate _____ stopping GPS directions?

_____ possible _____ voice-controlled climate adjustment _____ using gps?

Can _____ conditioning functions _____ no _____ to navigation map _____?

Does the _____ to _____ setting without stopping navigation?

_____ possible to reprogram _____ climate settings with _____ commands _____ route?

_____ Voice controls change air conditioning _____ to map _____?

Is it _____ to _____ temps via _____ gps?

Is there _____ way _____ set up voice-controlled _____ adjustment _____ listening _____?

Can voice _____ make _____ the middle of a _____ directed _____ route?

_____ controls _____ climate settings in _____ middle _____ directed travel route?

Does _____ control _____ ensure undisturbed _____?

_____ there a way _____ have _____ thingy change _____ checks _____ my navigation _____?

Is the voice _____ capable of adjusting _____ without _____?

In _____ middle _____ directed road trip _____ voice controls _____ climate _____?

_____ you _____ voice-controlled climate _____ during _____?

_____ the voice _____ change _____ without a _____ checking of _____ navigation instructions?

_____ adjust climate _____ while on a _____ route?

_____ change the climate using _____?

_____ controls have _____ ability _____ adjust _____ stopping navigation?

_____ climate without interruption from navigations?

Is _____ possible _____ Voice controls _____ airconditioning functions _____ no _____ directions?

Can voice _____ be used to _____ settings _____ way _____ the _____ interrupted?

_____ the voice _____ the _____ when a _____ directions?

_____ voice can _____ the temp _____ gps _____ shows _____

_____ not _____ navigation instructions, could _____ possible to _____ climate _____ voice?

_____ voice _____ air conditioning _____ with no _____ navigation _____ directions?

Is there a _____ use voice commands with gps _____.

Can voice _____ adjust climate settings _____ a _____ route?

Can _____ make _____ change temperature without _____ my navigation _____?

_____ the _____ controls _____ climate setting without _____?

_____ we're in navigation _____ can we _____ to heating _____ cooling _____?

_____ there _____ way to _____ commands _____ but still change climate _____?

Is _____ to use _____ adjust the climate using _____?

Is it _____ controls _____ adjust climate settings _____ stoppingGPS _____?

Can you _____ voice-controlled _____ using _____ gps device?

_____ there a way _____ commands to adjust _____ settings _____?

Does _____ have the ability to _____ stopping navigation?

_____ it _____ for voice commands _____ the _____ settings in _____ way _____ doesn't _____ prompt?

Is _____ possible _____ to change the temp _____ gps _____?

Is it possible to have _____ voice _____ directions?

Does _____ voice change temp _____ tells _____ directions?

Is it possible to _____ voice _____ with _____ the temperature?

_____ the _____ capable of adjusting the _____ stopping _____ directions?

_____ can change the _____ the _____ route.

It is _____ voice commands _____ reprogram _____ in _____ is _____ toGPS without _____ of route.

_____ use voice _____ A/C functions _____ having to stop map directions?

Can _____ make _____ possible for the _____ thingy to _____ temperature without _____?

_____ the voice _____ while _____ gps _____ directions?

_____ adjusted climate _____ while using _____?

When _____ is using gps, _____ adjust _____ climate?

_____ voice changes _____ using _____?

Can we make _____ to heating _____ settings _____ during _____?

Is it possible to change _____ navigation _____?

Can _____ commands adjust _____ while _____

_____ to _____ temperature _____ using gps?

_____ it possible _____ voice _____ change climate _____ undisturbedGPS prompts?

Is the _____ adjust the climate without _____ directions?

Cannot _____ voice change the _____ gps _____ directions?

Does the _____ controls _____ the _____ to adjustclimate setting _____?

_____ voice _____ change _____ climate on _____?

_____ voice _____ change _____ climate when they _____ gps _____?

Can _____ adjust the climate _____?

_____ controls be used to adjust _____ in _____ a _____ route?

Is it possible for _____ commands _____ reprogram climate _____ route _____?

_____ control the _____ through voice, _____ not interfering _____ navigation instructions?

_____ it possible for _____ to adjust _____ using _____?

_____ it _____ to reprogram climate _____ without _____ interruption of _____ instructions?

Is _____ for _____ voice controls to adjust climate _____.

In _____ gps _____ travel _____ voice controls adjust _____?

Is there _____ to _____ up _____ in _____ of the navigation service?

_____ it possible to adjust temperatures _____ directions?

_____ voice _____ climate _____ in _____ way _____ doesn't interrupt _____ route prompt?

Voice _____ temperature _____ with un _____ route?

Is there a _____ to _____ up voice-controlled climate _____ audio _____ the background during _____?

Voice-activated _____ un disrupted _____ route.

Can you _____ it _____ the _____ temperature _____ checking my navigation _____?

_____ the voice _____ capable of _____ stopping directions?

_____ there a _____ set _____ voice-controlled _____ adjustment in _____ background while _____ device?

_____ the voice _____ change temperature while the _____?

Is _____ possible to _____ climate with _____ gps _____?

Is _____ voice control _____ temperatures without stopping _____?

Is _____ to _____ to adjust the climate _____ while _____ gps?

_____ voice controls capable of _____ setting _____ directions.

_____ the gps _____ voice _____ change _____?

_____ the voice _____ while _____ gps tells you _____.

Is it _____ settings in _____ middle _____ gps _____ route using voice controls?

_____ temperature changes are allowed with _____.

_____ Voice _____ air conditioning functions with no _____ map _____?

Is voice _____ able _____ without stoppingGPS directions?

_____ voice _____ climate settings _____ stopping to _____?

Is the _____ controls _____ adjustingclimate settings _____ directions?

Can voice controls modify _____ to gps _____?

_____ it possible for voice controls _____ functions without _____ directions?

A gps device shows _____ change the _____?

Are voice _____ to _____ settings _____ the middle of _____ gps _____?

_____ voice controls change the _____ stopping _____?

_____ there _____ to adjust climate _____ stopping _____?

_____ voice _____ allow for temperature _____ without _____ gps _____?

Can _____ controls _____ climate _____ in _____ middle _____ a _____ road trip?

Can _____ adjustments to _____ climate _____ gps?

_____ there a way _____ climate adjustment _____ the background, _____ audio guidance for the _____?

_____ voice controls _____ settings, without _____ directions?

Climate settings can be _____ while using _____.

_____ there a way to _____ controlled climate _____ in the _____ audio guidance during _____?

_____ can _____ used to _____ the climate without stopping _____.

Can _____ settings _____ a gps route?

_____ Voice _____ adjust _____ conditioning functions with _____ stops _____ navigation _____.

Does the voice _____ the ability _____ without _____ gps directions?

_____ controls _____ climate _____ without a stop to _____?

_____ voice _____ temp with _____?

_____ possible to _____ climate _____ without stopping _____ gps directions?

Is it possible for _____ voice _____ climate without _____ navigation _____?

_____ the voice _____ climate setting without stopping _____?

Can we make changes _____ and _____ settings hands-free _____ routes?

Does _____ voice controls _____ to adjust _____ navigation directions?

_____ it possible _____ voice to _____ and _____ without _____?

_____ commands change _____ climate when they _____ gps?

____ voice ____ make climate ____ in ____ middle ____ a gps directed ____ ?
 ____ can Voice controls ____ air ____ functions ____ no ____ directions?
 Is ____ a way to ____ change ____ without messing with my ____ ?
 Is ____ controls ____ to ____ setting ____ stopping ____ directions?
 ____ voice ____ used to ____ the ____ when ____ gps?
 Is ____ the voice thingy ____ temperature without checking ____ instructions?
 The ____ might be able to ____ setting without ____ .
 Is ____ possible ____ adjust ____ while ____ voice commands?
 ____ it possible ____ Voice ____ change climate ____ ?
 ____ it ____ possible ____ voice commands to change ____ ?
 Is the ____ able to ____ despite ____ directions?
 ____ make climate ____ in the middle ____ gps directed ____ route?
 ____ to use ____ commands ____ but still change the climate ____ ?
 Can ____ voice ____ temp ____ device shows directions?
 Is it ____ voice commands ____ reprogram climate ____ a ____ that of GPS, without ____ of ____ ?
 ____ it possible for voice ____ to ____ the ____ being interrupted?
 ____ voice ____ could be used ____ adjust ____ stopping ____ .
 Can the ____ change ____ the gps ____ them where ____ ?
 ____ voice controls ____ of adjusting ____ without stopping GPS ____ ?
 ____ to ____ voice-controlled ____ adjustment in ____ background ____ audio guidance for the navigation ____ ?
 Is ____ controls capable of ____ without ____ directions.
 Is it ____ A/C ____ with ____ control ____ a navigator ____ pausing ____ listen ____ directions.
 ____ the voice controls capable ____ adjusting climate setting ____ ?
 Is there ____ voice commands with a gps device, ____ still ____ ?
 Is there ____ way ____ set up ____ climate ____ in ____ while the ____ device ____ ?
 Does ____ have the ____ to ____ climate settings without ____ ?
 ____ voice ____ able ____ climate settings without ____ stop ____ directions?
 Is ____ a ____ to ____ voice ____ change ____ without ____ my navigation instructions?
 ____ the ____ thingy change ____ a gps shows ____ ?
 The voice ____ may ____ to ____ climate ____ without ____ directions.
 Can voice controls make climate ____ middle ____ a ____ route?
 Is ____ a ____ have ____ voice thingy ____ temperature ____ checking my ____ .
 Can voice ____ change ____ to read gps ____ ?
 Is it ____ commands ____ reprogram climate ____ with no interruption ____ route ____ ?
 Is it possible for voice controls ____ the ____ settings in the ____ travel ____ ?
 Are the ____ of adjusting ____ stopping navigation?
 ____ possible ____ climate settings with voice ____ without interruption ____ route ____ .
 Can ____ gps on?
 ____ voice ____ adjust ____ settings ____ the ____ of ____ gps steered ____ route?
 Can ____ make ____ to air conditioning ____ no ____ navigation map ____ ?
 Is it ____ to ____ voice commands ____ and still ____ settings?
 Is ____ for voice commands to ____ climate settings ____ the ____ ?
 Is ____ for ____ the climate settings in a ____ doesn't interrupt ____ route prompt?
 Can we make changes ____ cooling ____ hands-free when we're ____ ?
 Is there ____ way to setup ____ controlled ____ the background with audio ____ for ____ ?
 ____ change ____ the gps on?
 ____ it possible ____ reprogram climate settings ____ way without disrupting route ____ ?
 Is there a ____ set ____ voice-controlled ____ adjustment ____ with ____ guidance ____ navigation?
 Is the ____ controls able ____ setting ____ stopping ____ ?
 ____ and cooling settings hands-free during ____ navigation routes?

_____ a way to _____ voice control of the _____ background _____ audio _____ for the navigation _____?
 _____ to adjust climate settings _____ directions with _____ voice _____?
 _____ voice controls capable _____ stopping the navigation?
 Can _____ with the _____?
 _____ it _____ for _____ to change the temp _____ a gps _____?
 Can _____ to heating _____ cooling _____ while we're doing navigation _____?
 _____ it _____ voice commands to reprogram _____ settings _____ used with GPS _____ prompt?
 _____ there _____ way to control _____ climate _____ voice _____ with _____ instructions?
 Is it possible to adjust temps _____?
 Is the voice _____ capable _____ adjusting climate _____ without _____?
 Voice-enabled _____ changes _____ allowed _____ disrupted gps _____.
 On the _____ can voice _____ climate?
 Does _____ voice _____ have the _____ adjust climates without _____?
 Is _____ voice controls _____ climate _____ stop of _____ directions?
 No _____ disruption can vocal _____?
 _____ voice commands be used to _____ settings _____ without interruption of _____?
 Will _____ distract from gps _____ speaking?
 _____ Voice _____ climate with _____ gps _____?
 Is it _____ to modify A/C _____ of _____ without pausing to _____ to _____?
 Is the voice controls capable _____ adjusting _____ of gps _____?
 _____ possible for voice _____ control the _____ in _____ way _____ doesn't _____ instructions?
 Is the _____ controls _____ to _____ climate _____ without a _____?
 _____ the _____ controls able _____ with no _____ directions?
 _____ middle of a gps _____ route, can voice _____ adjust _____?
 Is _____ possible for _____ climate _____ while avoiding interference with navigation _____?
 _____ the _____ controls _____ adjusting _____ setting without _____ of gps directions? _____
 _____ the _____ have _____ ability to change _____ stopping navigation?
 _____ voice controls able _____ adjust temperatures without _____?
 _____ changes _____ be made _____ un _____ gps route.
 Is it possible _____ controls to _____ air _____ map directions?
 _____ you _____ it so _____ voice _____ temperature _____ checking _____ navigation instructions?
 _____ using a _____ device, can voice _____ climate?
 Is _____ reprogram climate settings _____ voice commands in _____ doesn't _____ the _____?
 Can _____ used to _____ the _____ on a gps _____?
 _____ car temperature and non-stop route _____ may _____ with _____.
 Can _____ controls change climate _____ in _____ gps led _____?
 Are _____ voice controls able to _____ directions?
 Does _____ thingy _____ temperature _____ gps _____ directions?
 Can _____ voice change _____ the _____ tells _____ directions?
 _____ voice _____ be _____ climate _____ in _____ way that _____ not interrupt _____ instructions?
 _____ voice _____ adjust climate _____ of a _____ directed tour
 _____ there _____ way to _____ voice controlled _____ adjustment _____ background _____ audio guidance for _____?
 _____ way _____ set up _____ controlled climate adjustment during _____ navigation _____?
 _____ the voice controls _____ the _____ in the _____ directed route?
 Is _____ voice _____ changes temperature without me _____ my _____ instructions?
 _____ voice controls change the _____ settings _____ directions?
 Is _____ a _____ have _____ change _____ with _____ check _____ the navigation instructions?
 _____ the _____ climate settings _____ stopping directions?
 Is it possible _____ set _____ stopping _____?
 Voice _____ changes are allowed _____ disrupted _____ route?

_____ make changes to _____ and _____ settings _____ if we are _____?

Is _____ of _____ climate without stopping _____ directions?

Voice activated _____ with un disrupted gps _____?

Is _____ possible _____ set _____ climate adjustment in the _____ for the _____?

Is it possible _____ climate settings _____ interruption _____ the route _____?

Is it _____ to alter _____ and ensure _____?

_____ the _____ change the temp _____ device _____ directions?

_____ the _____ controls good _____ adjusting climate setting _____?

_____ voice _____ climate _____ gps?

Voice controls _____ adjust climate setting without _____.

Can _____ orders _____ the climate _____ gps _____?

_____ it possible to _____ changes to heating and cooling _____ navigation _____?

_____ it _____ voice commands to change AC _____ the _____?

Does _____ commands can reprogram climate _____ in _____ interrupt route _____?

_____ the _____ capable of _____ settings _____ changing directions?

Can _____ a gps device?

Can _____ controls adjust _____ settings _____ middle of _____ driven _____?

_____ no halt to _____ can _____ controls adjust _____ conditioning _____?

_____ the _____ change the temp when _____ shows _____?

_____ commands _____ climate _____ used with a _____ device?

_____ it possible for _____ to reprogram climate _____ way _____ prompt?

Is _____ possible for voice _____ to reprogram climate settings in _____ similar _____?

Is _____ capable of _____ settings _____ stoppingGPS directions

Is _____ voice _____ able to _____ Climate _____ stopping navigation _____?

_____ possible to _____ voice-controlled _____ while on the _____?

_____ a voice _____ with _____ gps?

_____ climate _____ gps without disrupting?

Is _____ controls _____ to _____ without stopping _____ directions?

_____ to _____ A/C functions with _____ of voice _____ without having _____ navigation?

_____ controls make changes to climate _____ in _____ directed tour?

Is there a way _____ set _____ voice-controlled _____ in _____ background during _____?

Is it possible _____ Voice controls _____ air _____ functions without _____ map _____?

Is _____ controls _____ of adjusting _____ stopping navigation?

The _____ device _____ can _____ voice change _____ temp?

Can _____ controls _____ climate settings _____ the _____ of a _____?

On _____ route _____ orders change _____?

_____ the _____ controls possible _____ adjust _____ setting _____ directions?

Does the _____ have the _____ climate _____ stopping navigation?

Are voice controls _____ climate settings without _____?

Is voice _____ climate settings _____ no _____ directions?

_____ commands _____ climate using _____?

Is it possible _____ voice to change the _____?

The _____ settings without stoppingGPS directions.

Is there _____ way _____ voice _____ gps _____ adjust climate?

Can the voice change _____ gps _____ directions.
