

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Unidentified data consumption
Description	Customers may notice unusual or unknown data consumption, such as higher-than-usual usage during specific times. They contact ISPs to identify the cause of this data consumption and explore potential solutions to minimize excessive usage.
Data Size	6,882 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ there a _____ track and monitor _____ sources of _____ connection?

Can _____ usage _____ sources _____ monitored?

_____ it _____ to keep _____ on _____ bandwidth consumption?

Is _____ to _____ usage _____ my connection?

Is it _____ to _____ origin of _____ and unrecognized _____ on _____ account?

Is it possible _____ oversee _____ my connection?

Can _____ see any _____ data _____ network?

_____ there _____ way to monitor _____ connection's _____ data?

_____ I _____ sources on my _____?

Is there a _____ to _____ data _____ unfamiliar?

_____ I _____ control _____ sources on my _____?

_____ a method for _____ mysterious _____ of _____ consumption?

_____ anyone _____ how _____ can trace _____ data _____ on my network?

_____ I remotely oversee _____ data _____?

Is _____ sources that _____ draining my bandwidth?

_____ be able to _____ that _____ my data _____?

Is there a way _____ of mysterious _____ on _____?

_____ that _____ be _____ unknown sources impacting bandwidth use?

Is it possible to _____?

What _____ used _____ identify _____ monitor my _____ usage?

_____ a way _____ data utilization?

Can _____ data sources _____ my _____?

_____ it possible to track anonymous _____ on _____?

_____ you help _____ sources _____ on my connection?

_____ us a method of monitoring mysterious _____ data _____?

_____ oversee _____ data use?

Can _____ monitor the origins _____?

_____ there _____ method _____ sources of data consumption.

_____ know _____ you have provisions for _____ sources _____ data _____ on _____ network.

_____ might be possible _____ track _____ use.

_____ want to _____ can track _____ data usage.

I _____ advice on _____ to _____ sources _____ my _____ consumption.

Is _____ to _____ tabs _____ the origin _____ bandwidth _____?

Can you help with the tracking _____?

Is it _____ trace _____ supervise my network _____?

I'd _____ to _____ a way _____ which _____ track sources _____ affect my _____.

Is it _____ discover _____ that are _____ bandwidth?

_____ to trace _____ supervise data _____ on my network?

Can _____ way _____ the data _____ on my connection?

_____ want _____ how _____ that affect my data consumption.

_____ I look _____ strange data sources _____ network?

Is _____ keep an _____ on my _____ usage?

Will _____ be able to _____ eye on the data _____?

Can _____ usage be _____?

_____ I _____ usage _____ my network?

_____ can _____ use _____ identify _____ data usage?

_____ I keep _____ of the data from _____?

I _____ to know if _____ is possible _____ anonymous _____.

Can _____ usage _____ unknown sources _____ my connection?

Are there _____ for _____ unidentified sources of _____ on _____?

_____ me _____ way to track sources that affect _____?

I _____ know if _____ to monitor data use _____ my _____.

_____ I _____ out _____ Network activity _____?

_____ can I detect _____ data _____?

_____ it _____ trace _____ monitor unfamiliar data _____?

Can _____ my connection _____?

_____ a way _____ eye on data _____ unknown sources.

_____ there provision for _____ sources _____ data _____ the _____?

Can I _____ eye on _____ data _____?

Tools that _____ be _____ track _____ of _____ usage?

_____ can _____ tabs on _____ data _____?

_____ to _____ on _____ from _____ sources?

_____ help to track _____ monitor _____ on my connection?

_____ it possible to trace _____?

How can I _____ and _____ usage?

_____ there ways to _____ on my _____?

_____ possible to detect hidden sources _____ disrupting _____?

_____ a way to keep _____ eye on _____ data _____ connection?

_____ the data _____ on _____ network?

There are _____ to _____ transfers.

_____ know _____ in which I can _____ affect my data consumption.

Can I check _____ connection from _____ sources?

_____ possible to _____ anonymous data _____ on _____ network?

Any _____ keeping _____ on the mystery _____?

_____ it _____ see data _____ unidentified sources?

_____ I _____ unseen data _____?

_____ trying _____ to find unruly _____ leechers on my connection.

_____ how I _____ sources that affect _____ data consumption.

Is it ____ to ____ of my ____?

Tools ____ sources of ____ usage?

Can ____ keep ____ on obscure ____ bandwidth use?

____ I ____ the origin ____ my bandwidth consumption?

How ____ we ____ tabs ____ data ____?

How do ____ know ____ hidden data ____ is ____?

Does your ____ for scrutinizing unknown ____ data ____?

____ was ____ a way ____ find ____ data shillers on my ____.

____ and trace my ____ usage?

I'm trying ____ down data shillers on ____ connection.

Is it ____ use of ____ in my ____?

____ a way to measure unfamiliar ____ use ____?

I ____ no ____ how to trace ____ data ____ my ____.

Any ____ check out data ____?

____ way to ____ of mysterious ____?

____ there ____ to track ____ un tracked data ____ my connection?

I'm ____ find ____ way ____ track ____ my data consumption.

____ it ____ remotely monitor ____ consumption?

Do ____ have ____ way ____ detect ____ on my ____?

Can ____ suggest a way for ____ my data use?

Is there a ____ mysterious data ____?

What could be ____ to ____ sources ____?

____ you ____ a way to keep ____ unknown sources.

____ trace and ____ unknown data usage ____ network?

____ see if there are ____ shillers on ____?

____ find ____ is ____ with unseen data consumption?

Can ____ observe and track the data ____?

____ possible to track and ____ of ____ resources?

____ possible ____ an eye on data ____ my net?

____ I use ____ means ____ keep ____ on my data ____?

____ can I keep ____ suspicious data ____?

How can ____ eye ____ the ____ from ____ sources?

____ it possible ____ and ____ unseen ____ usage?

____ you ____ find ____ unauthorized data ____?

____ can ____ origin ____ mysterious ____ on my connection?

____ you ____ a ____ to monitor ____ sources of ____ consumption?

____ identify data leechers on my ____.

Is ____ possible ____ find ____ who's ____ bandwidth?

Do ____ the ____ scrutinize sources ____ data consumption on ____?

____ I spot ____ data ____ my ____?

Can ____ eye ____ my connections data ____?

I'm looking for ____ way ____ data.

Can ____ find some ____?

____ I ____ watch over my ____?

____ it possible ____ track ____ of data ____.

____ be ____ to ____ unknown sources impacting ____

Can ____ determine ____ use ____ network ____?

How ____ track of mysterious ____?

Any methods ____ keep ____ hogs?

____ looking ____ way ____ find unruly data leechers ____ connection?

Is there _____ mysterious sources _____ data consumption.

_____ keep _____ eye _____ for obscure _____ of _____ usage?

_____ I _____ of hidden data _____ in my network?

_____ a tool _____ track enigmatic _____ of _____ usage?

_____ way to _____ up _____ unknown sources?

_____ a way to _____ track _____ unknown _____ of data?

Is _____ sources that _____ zapping my bandwidth?

_____ way to _____ data usage.

I want to _____ supervise data _____ on _____.

_____ there a _____ to trace _____ supervise _____ data _____ my _____?

I want _____ if _____ way to check for _____.

Can _____ my _____ to _____ for strange data _____?

Can you _____ me _____ and _____ unknown _____ data?

_____ looking _____ to find unruly data _____ on _____ connection.

Do _____ provisions for scrutinizing _____ sources _____ consumption _____ network?

_____ methodology to _____ and monitor data _____ on my _____?

Is it possible _____ tabs _____ the _____ hogs?

How _____ I keep _____ on _____ data goes?

_____ am looking for a _____ by which I _____ sources _____ my _____.

I am _____ if _____ a _____ trace unidentifiable _____ on _____ connection.

How can _____ a _____ identify _____ monitor _____ usage?

_____ a _____ to know where _____ is coming from _____ connection?

_____ you discover data _____ on _____?

What can _____ detect _____ affecting _____ usage?

_____ there a way _____ keep _____ unknown _____.

_____ possible _____ see _____ suckers on my _____?

_____ a _____ in which I can _____ sources _____ affect _____ data _____?

How _____ keep _____ on _____ from _____ sources?

_____ can I identify and _____ my line?

_____ way to see who is consuming data _____?

Can I get _____ eye on my _____ usage?

_____ have provisions _____ unidentified _____ of data consumption?

_____ monitoring mysterious sources of data _____ provide _____?

_____ there a _____ check the data _____ on _____?

_____ a way _____ track the data _____ on _____ connection?

Is _____ possible to keep _____ of bandwidth consumption?

Is _____ provisions on my _____ sources of data _____?

_____ it possible _____ find _____ what _____ affecting my _____?

Can you track and _____?

_____ there _____ to track _____ control _____ data use?

trace _____ supervise _____ data use _____

_____ I trace and _____ data usage _____ network.

_____ interested _____ on unknown _____ usage.

_____ I trace _____ data _____?

Can I monitor my _____?

I need _____ keeping _____ on _____.

_____ you help track unauthorized _____ by others?

_____ for monitoring mysterious sources of _____?

_____ possible _____ an eye _____ unknown _____ of data usage _____ connection?

_____ it be _____ to trace _____ data _____?

____ way to ____ from unknown ____?
 ____ about ____ sources ____ data usage?
 ____ watch data ____ from unknown sources ____ my connection?
 ____ data sources on my connection.
 Is it possible ____ what data is ____ network?
 ____ determine ____ monitor data usage on my ____?
 Is ____ possible to ____ data ____?
 ____ would like to watch for ____ on ____.
 ____ way ____ the data ____ on my network?
 ____ to see ____ is using data ____ my connection?
 ____ I use ____ to track ____ data usage?
 ____ to keep tabs ____ mysterious data hogs?
 Can I ____ eye on what's ____ data?
 Is ____ for scrutinizing unknown sources ____ consumption ____ network?
 ____ possible to trace ____ watch the data ____?
 ____ a way to ____ and supervise ____ data usage ____?
 Can ____ up with obscure ____ bandwidth ____?
 ____ and trace ____ data ____?
 ____ track ____ data usage ____ network?
 ____ for detection of concealed data ____.
 Can it ____ possible to ____ use?
 How can ____ the ____ on ____ line?
 ____ wondering ____ there was a ____ find ____ leechers on my connection.
 ____ you ____ my ____ data snatchers?
 Is ____ way ____ locate sources ____ usage on ____ connection?
 ____ be done ____ sources ____ the bandwidth utilization?
 How can I watch ____?
 Is it possible ____ source ____ could ____ somehow?
 ____ we ____ tabs ____ the mystery data ____?
 ____ assist with tracking ____ analyzing ____ use of ____?
 How can ____ track and ____ of mysterious ____?
 ____ I keep ____ on ____ network ____ weird data ____?
 ____ it ____ to ____ on data ____ my net?
 How ____ we ____ unknown ____ are impacting bandwidth ____?
 How ____ I ____ data hogs on ____ line?
 How do I ____ eye ____ mysterious data ____?
 Can I track ____ data ____ connection?
 ____ to ____ if you can ____ data ____ on ____ network.
 Is there ____ to ____ unidentifiable ____ that ____ consuming ____?
 What methodology ____ be used to identify ____ usage ____?
 ____ there a ____ what sources of ____ use on ____ connection?
 ____ you help trace ____ the ____ network resources?
 ____ it ____ to monitor unfamiliar ____?
 ____ you have ____ for scrutinizing unknown ____ of ____ consumption.
 Is it ____ data sources on my connection?
 ____ I ____ supervise ____ my network?
 Is ____ way to detect ____ sources that are ____?
 Is ____ track mystery data ____?
 Is there a ____ to ____ data ____ my ____?
 I ____ looking ____ for scrutinizing ____ sources of _____.

____ you ____ use of ____ resources by ____ entities?
 ____ you ____ any ____ of ____ tabs on data ____ unknown ____?
 I ____ if it ____ track ____ usage on ____ connection.
 ____ I follow data ____ connection?
 Is ____ possible to ____ trace the ____ data?
 ____ keep ____ on my ____ sources?
 Can I ____ an eye on ____ bandwidth ____.
 ____ it ____ to ____ data sources on ____ network?
 ____ there a ____ track ____ data ____ on my ____?
 ____ I watch for ____ sources on ____?
 ____ I ____ watch data usage ____ network?
 ____ you have ____ by which ____ can track ____ my data ____?
 Can you help ____ find out ____ data are ____?
 Can I ____ origins ____ bandwidth ____?
 ____ you help identify unauthorized ____ of ____ by ____?
 Can ____ track ____ usage ____ the ____?
 Is ____ possible ____ check ____ sources on ____ network?
 ____ it possible ____ obscure ____ usage ____ be ____?
 ____ ____ for data sources on my ____?
 Is it ____ to track ____ my connection?
 How ____ I ____ eye ____ consumption?
 ____ a method ____ mysterious sources of ____ consumption?
 What ____ done ____ unknown sources impacting ____ bandwidth?
 Is there any way ____ identify ____ monitor data ____?
 ____ have ____ way ____ I ____ track ____ that affect my data ____?
 ____ data ____ on my network?
 trace ____ unseen ____ consumption
 Is ____ possible to monitor ____ usage on ____?
 ____ want to ____ odd ____ sources.
 Is ____ way to ____ of data ____ sources.
 Are ____ able ____ provide a ____ for ____ mysterious ____ consumption?
 ____ a ____ to ____ unfamiliar data ____.
 ____ trace and monitor my ____ usage?
 Is ____ way to ____ data usage ____ my ____?
 I ____ looking for ____ for ____ sources of data ____.
 Clue ____ the ____ usage?
 ____ possible ____ find unknown sources ____ are interfering with ____?
 Is ____ any ____ of ____ and ____ data use?
 ____ if ____ help ____ analyze unauthorized ____ of network resources?
 ____ follow ____ data ____ on ____ connection?
 ____ wonder if ____ can ____ for ____ data ____.
 ____ there ____ way ____ see what ____ is used in ____?
 Does ____ know ____ way to keep track of ____?
 Is it ____ to ____ data usage?
 Is there a ____ used in my ____?
 Can ____ anonymous data ____ my ____?
 Is there a ____ data ____ in ____ connection?
 ____ there ____ way ____ keep ____ the ____ data hogs.
 Can I ____ means ____ monitor my ____?
 Is ____ way ____ detect sources ____ data usage ____ my ____?

___ it possible to ___ unfamiliar ___?

___ is a ___ data use in my ___.

___ keep tabs ___ obscure origins ___ bandwidth ___?

___ I ___ track the data ___ my connection?

Track ___ sources of ___.

___ there a method for ___ sources ___?

___ it possible ___ the origins ___ mysterious traffic ___ my ___?

___ you ___ to track mystery ___?

Is it ___ the ___ my network?

Is there a way to ___ data ___?

___ be ___ to monitor ___ from unknown sources?

I'm in need of ___ trick ___ unruly ___ connection.

___ way ___ monitor ___ unknown sources?

Can you ___ of ___ my ___?

___ out data ___ from other ___?

Is it ___ to keep ___ eye ___ data ___ goesbbling ___ my ___?

I ___ if ___ to monitor data usage ___ my connection.

___ help me to track sources ___ connection?

Is ___ any way ___ data ___ on ___ network?

___ source usage can be ___?

___ want to ___ you can help me track ___ data ___.

___ possible ___ track and ___ data ___

___ methods can I ___ identify ___ monitor my ___?

___ need ___ a trick to find unruly ___ suckers ___.

Is there ___ way to ___ and ___ use?

___ use could be possible.

___ I get ___ way to ___ and ___ my ___?

___ can I ___ data ___?

Is ___ possible to ___ consumption ___ network?

How ___ I ___ up with ___?

___ detect ___ is zapping my bandwidth?

I ___ to ___ from unknown ___.

___ can ___ who ___ using data in my ___?

I wonder if I ___ watch ___ strange data ___.

___ you ___ a ___ to ___ mysterious ___ of data ___.

___ possible ___ and watch data ___?

___ you ___ data ___ my network.

___ you help ___ and monitor sources ___ on ___ connection?

Is there ___ way to track ___ untracked ___ my ___?

Is there ___ enigmatic sources of data ___.

Can I ___ the source of ___ excessive and ___ account?

Can ___ identify ___ use ___ network resources ___ entities?

Can ___ data usage on my ___ from ___?

I ___ know ___ it is ___ to ___ anonymous ___ consumption on ___ network.

___ there a ___ to ___ my ___?

Is ___ possible to ___ the ___ and ___ usage on my ___?

___ it possible ___ network's anonymous data ___?

___ looking for ___ I ___ track sources that ___ my ___ consumption.

___ there a way to ___ someone ___ unfamiliar data ___?

___ I track the ___?

_____ that can _____ enigmatic _____ of data _____?

_____ used _____ monitor unknown data usage on my _____?

_____ I _____ a way to _____ data _____?

_____ way _____ trace and _____ data usage on _____ network?

I wonder if _____ is _____ data use in my _____.

Can _____ data _____ on my _____?

_____ can I _____ utilization _____ my _____?

_____ a _____ keep _____ on mysterious data hogs.

_____ you _____ with unauthorized _____ network _____?

_____ and _____ data use that _____.

What _____ be _____ to detect _____ that _____ bandwidth _____?

Can _____ tell _____ how _____ monitor _____ of data _____?

_____ tell _____ I can _____ sources that _____ my data usage?

Can _____ users be _____ on _____?

Is it _____ to check _____ data _____ network.

_____ options for detecting concealed _____

Is it _____ for _____ scrutinize _____ of data _____ network?

_____ I keep _____ data sources on _____ connection?

_____ me monitor my connection's _____?

Can you offer a way _____ data _____?

_____ you have a _____ monitoring sources _____ consumption?

_____ I monitor _____ track _____ data _____?

Is _____ to _____ enigmatic _____ of data usage?

Can _____ watch for _____ on _____?

Is _____ that obscure _____ traced?

Is it _____ to _____ who _____ my _____?

Any _____ that can help track _____ sources _____?

Can you _____ pilferers on _____?

Is _____ that _____ keep _____ on my data?

_____ I _____ data usage _____ my _____?

How _____ I monitor _____?

_____ give me a _____ by which I can _____ sources _____ affect _____?

_____ it _____ can keep an _____ on _____ data?

Keep an _____ on data _____.

_____ am wondering _____ to _____ data consumption on my _____.

_____ I track _____ record data _____?

_____ I _____ a means _____ track _____ usage?

Can _____ view odd data _____?

_____ data _____ on my connection?

Is it _____ tell if _____ zapped _____ unknown sources?

_____ there any _____ for _____ data sources _____ my _____?

_____ I keep _____ of _____ from unknown _____.

_____ a _____ snoop through mysterious _____ on my line?

_____ way to _____ and _____ data _____ on my network?

Can I _____ on my network?

_____ it possible _____ you to _____ unauthorized use of _____?

_____ it _____ for _____ scrutinize _____ of data consumption _____ the _____?

_____ you have _____ for snooping _____ the _____ hogs on _____ line?

_____ and _____ data?

Can I keep _____ for odd _____ sources?

How can I _____ an _____ out _____ data usage _____ ?

_____ help track unauthorized use _____ ?

_____ need _____ and _____ unseen _____ consumption.

_____ you have a _____ to _____ suckers on my _____ ?

Is it possible to record anonymous _____ ?

_____ and _____ data _____ on my connection?

Can _____ detect _____ zapping my _____ ?

_____ there a _____ unfamiliar _____ in my connection?

_____ I watch and _____ on my _____ ?

_____ some suspected _____ data move?

_____ willing to _____ track and _____ unauthorized use _____ resources?

Do _____ way to monitor _____ of data?

Did you _____ can _____ track unauthorized _____ resources?

What _____ I do _____ supervise my network's _____ ?

_____ I _____ eye _____ data _____ on my connection?

_____ you _____ way for _____ to _____ that affect my data _____ ?

Any _____ that _____ track enigmatic _____ of data _____ ?

Is it _____ help track _____ unauthorized _____ network _____ by _____ entities?

_____ can I trace _____ use?

Is it possible _____ you to _____ use of network resources _____ ?

Can _____ suspected unauthorized data _____ ?

_____ you _____ the ability to track and _____ sources _____ data _____ ?

_____ you help _____ monitor the data _____ connection?

Can _____ a way for _____ to track _____ affect my _____ ?

Is _____ to _____ and _____ consumption?

_____ has _____ way _____ keep tabs on _____ data _____ ?

_____ I _____ is happening _____ unseen data consumption?

_____ you see _____ are _____ suckers on _____ network?

Is _____ possible to _____ watch _____ ?

Is _____ to _____ unknown _____ usage on my _____ ?

Can I _____ usage _____ my _____ ?

Is _____ provisions _____ scrutinizing _____ sources of _____ ?

_____ you _____ help _____ unauthorized _____ network resources by _____ entities?

_____ can I _____ identify and _____ data usage _____ my _____ ?

_____ possible to trace obscure _____ somehow?

_____ you _____ track and monitor _____ sources _____ my _____ ?

_____ like to know _____ track sources _____ affect _____ data consumption.

Can I _____ an _____ on what's _____ my _____ ?

_____ it possible to _____ out _____ .

_____ I keep tabs _____ data _____ my network?

_____ it _____ see data usage?

_____ can _____ watch _____ mysterious data consumption?

Track and _____ use is _____ .

_____ want _____ to keep _____ hidden data usage _____ my network.

_____ I spot odd _____ on _____ ?

Is _____ possible to _____ and monitor my _____ ?

Is there _____ way _____ identify _____ data _____ on _____ line?

_____ there provisions _____ scrutinizing sources _____ on my _____ ?

_____ a way to see _____ consuming _____ data?

Can _____ help with the _____ data on _____ ?

Can I track and oversee _____ on _____?

_____ me find and _____ sources _____ data on _____ connection?

_____ can I _____ watch unknown data _____ on _____?

Does _____ network _____ to scrutinize _____ sources _____ data _____?

Can _____ tabs _____ of bandwidth usage?

_____ you help me with a _____ to _____ that affect _____?

_____ wonder if _____ way to monitor _____ usage _____ connection.

_____ it possible _____ find _____ origin _____ unrecognized data usage on _____?

Is _____ for strange data _____ my network?

Can _____ keep _____ eye on obscure _____ use?

Is _____ to _____ unfamiliar data is _____ in my connection?

Can _____ look _____ data _____ the network?

Can I _____ an _____ on _____ to _____ net?

_____ want _____ know _____ is _____ way to monitor _____ sources.

_____ are in place for _____ data _____ on _____?

_____ there a way _____ and supervise _____ data _____?

_____ connection data usage?

Is there _____ snoop _____ the _____ data hogs _____ my _____?

_____ you tell _____ which _____ are on my _____?

_____ it _____ to _____ and _____ my data _____?

Is there a _____ look _____ data _____ on my _____?

Is _____ any secret way _____ find mysterious _____ hogs _____?

_____ there _____ way _____ keep up with _____ unknown _____?

Is there _____ way _____ if _____ unfamiliar _____ in my connection?

_____ it _____ to _____ tabs _____ origins _____ bandwidth use?

_____ to _____ data consumption?

_____ be possible to _____ data usage.

Are _____ able _____ give a _____ for _____ sources of _____?

Can I _____ of _____ usage _____ my connection?

Data _____ be _____ and watched.

Any _____ tracking _____ data usage?

It _____ to watch _____ trace _____ usage.

I would _____ if it is possible to _____ that are _____.

_____ I _____ supervise the data usage _____ my _____?

How do _____ track enigmatic _____?

Can _____ assist in analyzing the _____ use _____?

I _____ if _____ way _____ trace users consuming _____ my connection.

_____ can I _____ and monitor _____?

_____ done to _____ and monitor _____ data usage?

_____ can be done to _____ impacting the _____?

Is there a _____ to _____ track _____ data _____.

_____ I check my _____ for _____?

_____ a _____ monitoring _____ sources of data consumption?

_____ possible to _____ and trace data _____?

_____ to track and _____ use.

_____ I get a way _____ data _____?

I wonder how _____ and _____.

_____ help track _____ unauthorized network _____?

Can _____ data leechers _____ my _____.

There _____ a _____ to trace _____ watch data _____.

_____ I trace _____ users _____ consuming _____ on _____ connection?

Can _____ tell me _____ way _____ check for _____ data?

_____ there _____ for snooping through _____ data _____ on _____ line?

Can I keep an eye _____ data _____ ?

Is _____ possible _____ you _____ and _____ use of network _____?

_____ anyone suggest a _____ and _____ usage _____ my network?

Is there _____ for _____ of _____?

_____ I track the consumption _____?

_____ for _____ concealed data transfers?

_____ it possible _____ my network's _____ data _____?

Can _____ usage _____ traced?

How _____ tabs _____ my network's hidden data _____?

_____ snoop on the data _____ on my line?

Is _____ to check _____ data sources?

_____ I _____ my _____ usage?

_____ it possible _____ and oversee untracked _____ usage _____ my _____?

_____ look for _____ sources on _____?

Can _____ and _____ data _____?

Is it _____ to _____ the origin of _____ account?

_____ it _____ trace and _____ data _____

_____ a way to observe _____?

Is it possible _____ users _____ are consuming _____ on _____.

_____ possible to observe strange data _____ on _____?

_____ track of hidden _____ usage?

_____ to _____ for data sources on _____ network?

Is _____ possible _____ out where _____ activity _____ from?

_____ about _____ enigmatic sources _____ data _____.

What _____ I do to _____ affect _____ consumption?

_____ possible to keep _____ eye on _____ origins _____ bandwidth _____.

Can I _____ out the _____ on _____?

_____ watch _____ sources _____ the network?

Can I _____ way _____ track _____ my data _____?

_____ a lookout on _____ data that goesbbling my _____?

Are _____ for scrutinizing _____ sources of _____ on my _____?

Can _____ keep track _____ obscure _____?

Is _____ to _____ eye on _____ data sources?

Is it _____ monitor _____ sources of _____?

_____ there any way to _____ data _____?

Can I _____ on my _____?

_____ there _____ way to _____ my data _____ my connection?

_____ have a _____ monitoring mysterious data consumption _____?

If _____ trace and watch _____.

Is _____ way _____ unknown sources _____ interfering with my _____?

_____ there any _____ and watch _____ data use?

_____ it _____ to _____ and oversee _____ sources?

_____ the _____ of _____ source be _____?

_____ you trace _____ track _____ use?

_____ is _____ best methodology _____ identify and _____ my line?

_____ I _____ of bandwidth consumption?

_____ you _____ track and analyze unauthorized _____ unknown entities?

_____ keep _____ watch _____ my data?

Any _____ for tracking _____ use _____?

Can _____ check _____ data _____ my network?

_____ possible _____ trace _____ supervise the _____ usage on my _____?

Can _____ tell _____ in _____ I can monitor _____ data _____?

How can _____ keep _____ data _____?

Can _____ track _____ of _____ resources by outsiders?

What can _____ to trace and _____ data usage _____?

Can _____ use a means _____ my _____?

_____ can I _____ my data?

_____ I do to identify _____ on _____ line?

_____ it _____ to _____ unknown sources that are _____ my _____?

_____ show me _____ monitor mysterious sources of _____?

_____ possible to _____ data usage?

_____ is _____ identifying and monitoring data _____ my line?

How can I keep _____?

_____ possible _____ keep _____ on _____ data _____ my net?

Is there _____ watch for _____ data _____?

Tracking _____ of data usage _____ am interested _____.

Can _____ find _____ how _____ comes _____?

_____ am _____ if you _____ provisions _____ scrutinizing _____ on _____ network.

How _____ I _____ unknown _____ usage _____ my _____?

_____ can I _____ watch my _____ data _____?

_____ keep an eye on _____ sources on my _____.

Is it _____ to detect _____ are _____ my _____?

_____ can I check _____?

_____ would like _____ you _____ for scrutinizing unknown sources _____ consumption.

_____ keep _____ eye on _____ connection's data _____.

_____ for identifying _____ unknown data _____ on my line?

Is it possible _____ sources impacting _____?

Can _____ method for monitoring _____ of _____ consumption?

_____ you tell me _____ there _____ a _____ check _____ anonymous data _____?

_____ a methodology be used _____ and monitor _____?

Do you have _____ means _____ can _____ sources _____ affect _____ data _____?

Can there be options _____?

Can _____ give us a way _____ data consumption?

Is _____ possible to _____ the data _____ on _____?

How _____ where hidden _____ is coming from _____ network?

Can you offer _____ way _____ sources?

Can I _____ on my _____?

Can you offer _____ to _____ sources _____ data?

_____ I _____ out _____ from unknown _____?

_____ can I keep _____ hogs?

_____ can _____ discover sources _____ usage _____ my network?

How _____ tracking _____ overseeing mysterious _____?

Any means to _____ an eye _____ usage on _____?

Is there any way _____ use of mysterious _____?

Any _____ for _____ mysterious _____?

I _____ know _____ possible _____ detect unknown sources zapping _____ bandwidth.

_____ you provide a _____ to _____ sources _____ data?

Is it ____ to ____ my ____ anonymous ____ ?

Can you help ____ use ____ network ____ by ____ ?

____ you tell ____ a way ____ keep tabs ____ sources?

Is ____ possible to ____ data usage ____ my ____ ?

Do ____ way to ____ sources ____ affect my data ____ ?

Can ____ suggest a way that ____ can track sources ____ ?

Can ____ an eye on the ____ going ____ net?

____ you ____ track and ____ of ____ resources by other ____ ?

Can you ____ investigate unauthorized ____ of ____ resources ____ ?

____ there a way ____ users ____ on my connection?

____ there ____ way to trace ____ are ____ my ____ ?

____ I follow the origins ____ ?

____ there ____ way to keep ____ on data ____ ?

Is ____ possible to ____ of ____ data on my ____ ?

____ it possible to check ____ weird ____ my ____ ?

Can I ____ an ____ on ____ the bandwidth ____ ?

____ you ____ me if there ____ a ____ check for anonymous ____ ?

What methodology ____ monitor and ____ data usage?

____ wants ____ know if ____ a way to ____ sources.

____ and ____ data use is ____.

____ I keep an ____ obscure ____ bandwidth consumption?

Is ____ possible to detect ____ ?

____ want to watch ____ data sources ____.

Can you ____ suspected ____ ?

Is ____ keep an eye ____ usage from ____ sources?

Can ____ provide a ____ monitor ____ of ____ consumption?

Can you identify ____ my ____ ?

Is it possible to ____ unseen ____ ?

____ wonder ____ is a ____ unfamiliar data sources.

Can someone suggest a way ____ unknown sources?

Can ____ suspicious data sources ____ ?

Is there ____ check the data ____ connection?

How ____ monitor ____ data consumption ____ ?

____ I keep ____ on ____ origins ____ consumption?

I ____ way ____ which I ____ track ____ affect my data usage.

Am I ____ keep an eye ____ the ____ goesbbling ____ ?

____ can ____ stay up ____ date on ____ data ____ ?

Is ____ way ____ and track data ____ on ____ connection?

How can ____ identify and monitor unknown ____ ?

____ possible to ____ track ____ analyze unauthorized use ____ network resources ____ ?

I need to ____ a way to ____ data ____.

____ I ____ and ____ data ____ ?

____ can I ____ to ____ consumption?

I ____ to ____ is ____ way to monitor my ____ data ____.

____ you ____ manage ____ of network ____ ?

Can ____ locate ____ data ____ ?

____ want ____ know ____ have provisions for ____ of ____ consumption.

Can you help ____ analyze ____ use ____ network resources ____ people?

Is ____ a ____ the use of ____ data?

____ I follow and ____ on ____ connection?

_____ there _____ to _____ enigmatic sources _____ data usage?
 Can _____ be aware _____ obscure _____ bandwidth _____?
 Is there a _____ to _____ on the _____ unknown _____.
 Do _____ a procedure _____ scrutinizing _____ on my _____?
 What can _____ identify _____ sources impacting _____ usage?
 _____ to _____ sources of _____ usage on my _____?
 _____ possible to _____ for odd data _____ network?
 _____ it _____ track _____ usage _____ my data connection?
 _____ there _____ way _____ trace and monitor data usage _____?
 trace _____ data usage _____ network?
 Does _____ network _____ me _____ for strange data _____?
 _____ can I determine _____ data _____?
 Can there _____ a _____ identify _____ monitor _____ data usage _____ line?
 I don't _____ trace _____ watch unseen data _____.
 _____ I _____ an _____ out _____ unknown data sources _____ connection?
 Is there _____ unfamiliar _____ sources?
 _____ it _____ to figure out where _____ from?
 _____ you tell me a _____ by which _____ can _____ sources _____ use?
 _____ for _____ unknown sources of _____ consumption?
 Is _____ to _____ users consuming _____?
 I would like to _____ if _____ way _____ data _____ my connection.
 How _____ I able _____ track of _____ data _____?
 _____ anyone _____ a method for _____ data consumption?
 _____ I track _____ monitor untracked data _____ on _____?
 Can _____ the misuse of _____?
 What _____ identify _____ monitor the _____ on my line?
 _____ I view _____ my network?
 What could be _____ to _____ unknown sources _____?
 _____ I locate hidden _____ in my _____?
 How can I _____ unidentifiable _____ consuming _____ connection?
 _____ find out where _____ come from?
 What _____ detect unknown sources _____ bandwidth usage?
 Can _____ a _____ of _____ origins of _____ consumption?
 I _____ like to monitor _____ usage on _____.
 Are you _____ to _____ track the _____ network resources _____ entities?
 _____ I monitor hidden _____ in my _____?
 _____ a means to _____ untracked _____ usage?
 _____ way _____ track and _____ use of data?
 Can you _____ me with _____ and monitoring of _____?
 _____ way _____ track unidentifiable _____ who _____ my connection?
 _____ you _____ for scrutinizing _____ consumption _____ my network?
 Can you tell _____ a way _____ I can _____?
 There _____ any tools for _____ sources _____ data _____
 _____ an _____ on the data _____ goesbbling _____ my net?
 Do _____ ability _____ help track _____ use _____ network resources?
 Can _____ usage _____ my connection?
 _____ a way _____ keep track of my _____?
 Could _____ be _____ to track _____ data _____ on _____?
 I _____ a way _____ trace users consuming _____ on _____ connection.
 _____ it _____ track _____ data usage?

_____ it possible to track _____ data _____?
 Can you _____ analyze _____ of _____ resources _____ unknown _____?
 Is _____ watch for unusual _____ sources _____ network?
 Could you tell _____ how _____ track _____ my _____ consumption?
 _____ you help _____ locate _____ sources _____ data on my _____?
 _____ I keep a _____ my _____ data _____?
 Do _____ a _____ to _____ tabs on the _____ unknown _____?
 Is there any way _____ identify _____ data usage _____?
 Do you have _____ ability _____ data _____ on _____?
 Is _____ possible _____ what data _____ network is _____?
 _____ it _____ that obscure source _____ somehow?
 _____ find odd _____ on _____ network?
 _____ there _____ way to see _____ data on _____ connection?
 _____ way _____ track _____ of _____ usage?
 Can _____ keep an eye on _____ data _____?
 _____ I keep _____ eye _____ data _____ on my connection?
 Is _____ a way to trace unidentifiable users _____?
 _____ I _____ unidentifiable _____ on _____ connection?
 I'm wondering if you _____ leechers on _____.
 _____ mysterious data use?
 _____ I keep _____ the _____ on my connection?
 Can _____ keep _____ of what's _____ on with _____?
 _____ can _____ to _____ data utilization?
 _____ monitor _____ data consumption?
 How can I keep _____ my network's _____?
 _____ use _____ means to track the _____ usage _____ my _____?
 _____ keep a close _____ the data _____ in?
 Is it possible _____ keep _____ the _____ origins _____ bandwidth _____?
 _____ I _____ where _____ activity _____ from?
 _____ I keep track _____ data _____ I _____?
 Can I _____ an eye _____ origins _____ bandwidth?
 Is _____ way _____ out who is _____ the data on _____?
 _____ a _____ identify unknown _____ usage _____ my line?
 Can you _____ track the unauthorized _____ by _____?
 Can I keep track _____ data _____ the _____?
 Are there _____ for _____ consumption on _____ network?
 Is it _____ to _____ sources _____ my network?
 _____ way _____ out _____ mystery data hogs?
 Can _____ keep an _____ unauthorized _____ of _____ resources?
 _____ I see _____ data _____ network?
 _____ is _____ method to _____ use _____ my connection.
 _____ should _____ an eye on the _____ in _____ network?
 _____ it possible to scrutinize _____ of data _____ on _____.
 _____ you provide _____ mysterious data sources?
 Can _____ be a way _____ trace _____?
 _____ monitor data sources _____ network?
 How can _____ data from unknown _____.
 _____ to _____ and observe unidentified _____.
 _____ I _____ sources that affect my _____?
 What can be done _____ that _____ usage?

_____ there _____ trace _____ monitor data consumption?
 Can _____ unauthorized data moves?
 _____ possible _____ track _____ trace the unverified _____ use?
 _____ be possible _____ and _____ data usage?
 What _____ be _____ to _____ that are impacting bandwidth _____?
 Is _____ secret way to snoop on _____ my _____?
 What methodology _____ be _____ to _____ data usage?
 I _____ know _____ I can _____ of obscure _____ of _____ consumption.
 Is it possible _____ sources _____ are zapping _____?
 Can _____ track data usage _____?
 _____ can _____ an eye _____ data _____ unknown sources?
 Is _____ possible _____ my bandwidth?
 Tracking _____ data _____ are possible _____.
 Is it possible _____ out _____ my bandwidth?
 _____ trying _____ find _____ way to _____ unruly _____ leechers _____ my internet _____.
 Is there _____ check the _____ usage _____ connection?
 _____ I keep an eye on _____ usage?
 Is _____ trace obscure _____ usage
 _____ a way in which _____ can track _____ data _____?
 _____ to _____ a way _____ which I _____ track _____ that affect my _____.
 Possible _____ trace data _____?
 _____ network for data leechers?
 _____ to know _____ it's possible _____ data _____ my network.
 Can I _____ the data _____ on _____?
 _____ like _____ know _____ way I can track _____ that affect my data _____.
 _____ excessive and unrecognized data usage on my account?
 _____ my network _____ weird _____ sources?
 _____ way _____ track _____ hidden data _____ in my network?
 Do _____ have a way _____ tabs _____ unknown sources?
 _____ able _____ monitor _____ data usage _____ my connection?
 _____ give us _____ for monitoring mysterious _____ of _____ consumption?
 _____ there a _____ data usage on _____ network.
 Is it possible _____ monitor unseen _____.
 I _____ if I can track _____ usage _____ connection.
 Can _____ untracked _____ usage on _____ connection?
 _____ detect data usage _____ my _____ from unknown _____?
 _____ it _____ to track the data sources _____?
 _____ detect _____ data usage _____ sources?
 Can you locate _____?
 There is a way _____ on _____ data _____.
 Are I _____ to keep _____ eye _____ the _____ that _____?
 Is _____ way of _____ use?
 Is _____ to monitor unfamiliar data use _____.
 I'm _____ of a _____ to _____ leechers on my _____.
 _____ recommend a _____ to keep tabs _____ from unknown _____?
 Can _____ be _____ way of _____ source _____?
 _____ can _____ keep _____ of the _____ in my network?
 I am wondering if _____ me _____ to _____ that _____ data consumption.
 _____ I _____ an _____ on data usage _____ my network?
 Can _____ where _____ activity came _____?

_____ you _____ data _____ on the _____?

Can you _____ my network?

_____ would _____ to _____ if _____ possible to detect _____ zapping _____ bandwidth.

Can I keep tabs _____ data _____ my _____?

Is it _____ and oversee _____ on my connection?

Is _____ possible for you to help track _____ by _____ entities?

_____ you give _____ method for checking _____ of _____?

_____ is _____ way to _____ and _____ usage on my _____?

_____ I _____ tabs _____ data utilization?

Is it possible _____ for data sources _____.

Is it possible _____ using my network?

What _____ I _____ data utilization?

_____ me a way _____ sources _____ affect my data _____?

Can _____ data consumption?

Do _____ know _____ to track _____ oversee _____ use?

_____ track _____ data from _____ sources?

How _____ check _____ of data?

_____ a _____ monitoring mysterious sources of data _____?

There is a _____ eye on mystery _____.

I would _____ to know the means _____ which _____ sources that _____.

How _____ and monitor _____ data _____?

Can _____ source _____ excessive _____ data usage on _____ account?

_____ can be possible _____ trace _____ usage.

_____ to identify _____ unknown _____ usage on my line.

Can _____ the _____ data _____ my connection?

_____ it _____ source _____ can _____ traced?

_____ data usage from unknown sources?

Can you help _____ a _____ track sources _____ my _____ consumption?

Is it _____ that you can _____ track and _____ sources _____ data _____?

_____ can I do to _____ and _____ data _____?

Can _____ me track _____ my _____ data?

Do you have _____ monitoring mysterious sources _____?

Can I _____ out where _____ comes _____?

Any _____ for _____ data _____?

_____ to check the data usage _____ connection?

_____ it _____ to _____ sources are _____ my bandwidth?

Will _____ options _____ detecting _____ transfers?

_____ it possible _____ on obscure origins of _____ usage.

Is _____ to _____ track of _____ sources on _____ connection?

_____ there _____ way to _____ unfamiliar _____?

_____ you _____ find _____ data moves?

Is it possible _____ connection _____?

Is _____ to track _____ usage _____ connections?

_____ I _____ sources on _____?

_____ can be done _____ detect unknown _____ utilization

_____ monitor _____ data usage _____ my network?

How _____ I _____ tabs on the _____?

_____ I keep an _____ obscure _____ of _____ usage?

Where _____ ways _____ and supervise data usage _____ network?

_____ possible to help track and _____ the _____ use _____ by _____ entities?

Can ____ keep ____ on where ____ goes?

Can I ____ eye on ____ of ____ consumption?

Is ____ possible ____ find ____ who ____ zapping my ____?

Can ____ keep an ____ on ____ network's ____?

____ you ____ if there ____ data leechers ____ my ____?

Is ____ way ____ use in my connection?

____ it possible to ____ data usage on ____.

____ you ____ find ____ data moves?

Can ____ tell ____ trace and ____ data usage ____ network?

____ you think it ____ track ____ usage ____ my connection?

____ check out ____ data sources ____ my ____?

____ there a way ____ consuming data ____ connection?

I ____ connection and I want to ____ a ____ stop ____.

____ help me locate ____ sources ____ on my connection.

Any ____ check on the ____ unknown ____?

I am ____ to ____ sources that are disrupting ____ bandwidth.

Can you help ____ track and ____ on ____?

____ are ____ concealed data transfers.

Is there a ____ to ____ on myconnection?

Can ____ get ____ track my ____ usage?

What can ____ to find ____ affecting ____ utilization?

I'm ____ I ____ for strange ____ sources on my ____.

____ way ____ see what data is ____ used ____ my ____?

How ____ data usage?

____ to know if ____ is a way ____ trace ____ users ____ connection.

____ can ____ to ____ data consumption?

Can ____ keep ____ data usage?

____ possible ____ keep an eye ____ my data?

There ____ a ____ a ____ mysterious sources of ____ consumption.

____ I check ____ usage?

It may ____ possible ____ and ____ data ____.

Is ____ to look at unfamiliar data use ____?

____ there any ____ to trace and watch ____ on ____?

Is it ____ you to ____ and ____ unauthorized ____ of network ____ other ____?

____ it possible ____ untracked ____ usage on my ____?

____ it ____ usage be traced?

____ it possible to trace ____ users who ____ on ____?

Is it possible ____ connection ____?

How can I ____ and ____ unknown data ____?

Is ____ possible ____ track ____ data ____ goesbbling my ____?

Are you ____ track and analyze ____ of ____ resources?

____ you help ____ an eye ____ sources ____ data ____ my ____?

____ want to trace and ____.

Is it ____ for ____ to ____ of ____ on my connection.

____ monitor data usage ____ other ____ my connection?

____ I ____ on ____ network's hidden data usage?

____ keep ____ sources on ____ connection?

____ I trace and ____ usage on ____ network?

Data usage ____ connection can be monitored.

I would like to ____ how ____ can ____ sources ____ my ____.

If _____ way to trace _____ usage on _____ network.
 _____ would _____ know how I can _____ affect my data _____.
 Can _____ sources _____ my network?
 _____ to check data usage _____ sources?
 Can _____ help _____ analyze unauthorized use _____ network _____?
 Can I discover _____ activity _____?
 _____ used to _____ monitor unknown _____ usage on my _____?
 _____ I _____ of sources of hidden _____ usage?
 _____ possible to track _____ observe _____ on my _____?
 _____ I _____ on unexplained _____ consumption?
 _____ can _____ unseen data usage?
 _____ I _____ data consumption _____ network?
 _____ there a _____ that are disrupting my bandwidth?
 _____ can I _____ eye on _____ data _____?
 Can _____ with _____ analysis _____ use of _____ resources?
 Do you have _____ for _____ my network?
 _____ have any _____ by which I _____ track _____ affect _____ consumption?
 Is _____ track and _____ data sources on _____ connection?
 _____ keep _____ eye on _____ data coming _____?
 Can you give _____ method _____?
 Can _____ help _____ with monitoring _____ sources of _____?
 _____ it _____ to _____ an _____ on the _____ of bandwidth _____?
 How _____ the _____ of my _____?
 _____ can _____ keep _____ of _____ data _____?
 _____ interested _____ keeping tabs _____ data usage.
 _____ possible to _____ and oversee _____ use.
 What _____ can I use to _____ on _____?
 Is _____ way to find _____ consuming data on _____?
 I _____ there _____ a way to find _____ data leechers _____?
 _____ identify _____ data move?
 What _____ be done to _____ tabs _____ mystery _____?
 Is there _____ requirement _____ scrutinizing unknown _____ of _____ consumption _____?
 _____ for _____ data sources?
 _____ I _____ an _____ on what's going on _____?
 Could _____ me a way _____ track sources _____ my _____?
 Is _____ a way to _____ mysterious _____?
 Is there _____ to _____ and supervise _____ on _____ network?
 Is _____ to _____ consumption.
 _____ help find _____ data move?
 _____ possible to trace and watch _____?
 I wonder _____ I can keep tabs _____ that _____.
 Do _____ have _____ concealed _____ transfers?
 Is it _____ unfamiliar _____ sources?
 _____ I _____ and control untracked _____ on my _____?
 Is _____ possible _____ out _____ source of excessive and _____ usage on _____?
 Any _____ data usage _____ network?
 I _____ know _____ you _____ tell _____ way to track sources _____ consumption.
 _____ possible _____ you _____ track _____ monitor _____ sources of data on _____?
 _____ trace _____ monitor my data _____?
 Is there _____ way _____ detect unidentifiable _____ my connection?

Can you _____ monitor _____ on the connection?
 _____ was _____ there was _____ way _____ monitor unfamiliar data _____.

Are _____ able _____ the _____ network resources by unknown entities?

What provisions are in _____ scrutinizing _____ data _____ on _____?
 _____ be able to trace and supervise the _____?

_____ I _____ on the data _____ coming in?
 _____ I keep _____ of _____ of my bandwidth _____?

_____ any _____ to keep _____ on mystery data _____?
 _____ be _____ and watch the data usage.

Is it _____ see _____ using _____ network?

Can _____ a _____ for checking _____?
 _____ to observe data _____ on my _____.

You have provisions _____ scrutinizing _____ my _____?
 _____ you _____ data _____ my network.

Is _____ possible you _____ track the _____ use of _____?

Any way to keep an _____ mystery _____?
 _____ it possible _____ monitor _____ my connection?

How can I trace _____ monitor _____ on _____?
 I _____ know if I can _____ the _____ usage _____.

_____ possible _____ trace and _____ data usage?

How _____ detect _____ monitor _____ usage _____ my line?
 _____ have _____ tools _____ tracking enigmatic _____ data usage?
 _____ there _____ to _____ enigmatic _____ of data usage.
 _____ I know _____ data is being used _____ line?

I wonder if I _____ my _____.

_____ there be _____ to _____ tabs _____ mystery data _____?

Is _____ to trace _____ monitor _____.

_____ there a _____ monitor sources _____ data usage _____ my _____?
 _____ and trace data utilization?

How _____ I _____ oversee mysterious _____.

Can _____ for _____ snatchers _____ my _____?

_____ can _____ keep tabs _____ hidden data _____ in _____?
 _____ way _____ keep _____ of obscure origins of _____ usage?

Can I track the _____ that _____ my _____?

Is _____ to identify _____ that are disrupting _____?
 _____ track enigmatic _____ of _____?

_____ give us a method for _____ sources?
 _____ check _____ data consumption?

Track _____ trace _____ data _____.

Do _____ procedures _____ scrutinizing _____ data consumption _____ my network?

Can _____ provide _____ to _____ tabs on data _____ sources?
 _____ way to keep an _____ data from _____ sources?
 _____ can _____ my _____ consumption?

Can I track _____ monitor the _____ on _____?

Is there _____ way _____ unfamiliar _____
 _____ there a way to _____ data leechers _____.

I need a _____ keep _____ unknown sources.

How _____ monitor _____ the _____ usage?
 _____ I detect sources _____?

_____ there _____ means _____ can track sources that _____ my data _____?

_____ there a way _____ out _____ use _____ connection?

Can I _____ a _____ track of untracked _____?

_____ way to keep _____ of the _____ unknown _____?

_____ can _____ track _____ data usage in my _____?

_____ you give me a _____ which _____ track sources _____ data usage?

_____ can we _____ track _____ data _____ unknown _____?

_____ can _____ a methodology _____ identify _____ monitor _____ usage on _____ line?

Where _____ I find _____ way _____ identify _____ data _____ my line?

tracks enigmatic _____ usage?

Can _____ keep _____ eye on _____ my _____ usage?

_____ I _____ a way to find _____ leechers on _____?

Is _____ a _____ unknown _____ data consumption on your _____?

Is _____ a _____ to _____ unfamiliar _____ in _____ connection?

Can _____ get _____ the root _____ excessive and _____ my account?

_____ to _____ what's happening with my _____?

Is there _____ provision _____ sources of _____ on _____ network?

_____ strange data sources _____ my _____?

_____ I locate the _____ mysterious traffic on _____?

Can _____ an _____ unknown data sources on my _____?

_____ do we _____ data use?

_____ you _____ find and track sources of _____ on _____?

_____ techniques _____ tracking mysterious data _____?
