

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Unusual smells or odors inside the car
Inquiry Sub-Category	Smoke smell
Description	Customers inquire about a smoke smell, indicating a possible electrical issue, burned clutch, or oil leak.
Data Size	5,012 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Are there signs to distinguish an ____ leak ____ odor ____ leakage ____ exhaust problems?

Do ____ to tell if the ____ is ____ by an oil ____ a vehicle ____?

____ any way ____ between oil ____ exhaust issues?

What ____ the ____ of oil leaking ____ its ____ of other ____ like leaks ____ coolant ____?

Can ____ the ____ a faulty exhaust ____ leak?

____ you ____ to tell ____ is of an ____ or ____ exhaust?

Is there ____ to ____ smell ____ oil from ____ issues?

There are ____ to distinguish between ____ caused ____ oils and those ____ byContamination ____ Exhaust ____.

Is ____ to ____ oil leak ____ an ____ problem?

____ way ____ separate ____ of ____ from exhaust or coolant problems.

____ are indicators to ____ leak and other potential sources, such ____ leak or problems ____.

If ____ oil ____ caused ____ can it ____ other issues ____ exhaust issues.

Is ____ a ____ tell if ____ comes ____ oil ____ an exhaust leak?

____ we tell the ____ between ____ oil ____ and ____ issues?

____ are signs that distinguish ____ oil ____ a ____.

____ it possible to ____ an ____ leak ____ an ____ trouble ____?

What ____ know ____ the odor in my ____ to ____ oil ____ leak, ____ exhaust issue?

Is it ____ to tell if the ____ oil leak ____ smell?

Are ____ tell if the ____ oil ____ the exhaust?

What is ____ difference between ____ leak ____ cooling/exhaust ____?

____ I tell you ____ it's an ____ leak, coolant ____?

____ we ____ difference between an ____ leak and exhaust ____?

Can you tell ____ difference ____ faulty exhaust and ____?

Is there ____ difference ____ smell ____ an ____ leak ____ the ____ of a coolant ____ exhaust ____?

Is there ____ difference ____ smell ____ and a problem with ____ exhaust?

Can ____ an oil ____ from a coolant ____ sign?

Is it possible to ____ an ____ leaking ____ or an ____?

Do ____ the ____ to ____ of oil from ____ or ____ in the car?

Can we ____ the ____ of ____ oil ____ other ____?

Are ____ to ____ if ____ smell is ____ oil ____ a ____ exhaust?

____ that ____ of an oil ____ issue or ____ problem?

Is _____ way to _____ the _____ is _____ a leaking _____ exhaust leak?

Is _____ oil _____ causing a smell and a _____ exhaust system?

Is there _____ a _____ of an oil _____ a problem with _____?

_____ are signs _____ differentiate an oil _____ from _____ coolant/exhaust _____.

Do _____ you can _____ is _____ leak or _____ vehicle exhaust smell?

_____ we tell _____ the smell _____ caused _____ an _____ or an _____ problem?

_____ way _____ differentiate the scent _____ an oil _____ smell of _____ or exhaust problem?

_____ the smell comes _____ leaking oil instead _____ smelling from a _____ be _____ tell?

_____ you _____ the ability _____ the smell of oil _____ the exhaust _____ system of _____?

Is _____ to tell the difference _____ leak and _____ smell?

Is _____ between an _____ a _____ and an exhaust _____ sign?

_____ you tell _____ difference between _____ smell and an _____?

_____ there _____ way _____ distinguish _____ leak from _____ issues?

_____ know if the _____ my vehicle is due to an _____ or _____ issues?

Is it _____ difference between an _____ leak and _____ exhaust _____?

What is _____ between the _____ leaking odor and _____?

Is there _____ difference _____ an _____ leak odor _____ exhaust _____?

Do _____ set _____ the problems _____ oil _____ and _____ troubles?

I have _____ odor _____ an oil leak, _____ how can _____ tell if _____ or exhaust _____?

Is it _____ to _____ between _____ causing a smell and _____ systems?

If an _____ caused _____ can it be _____ through _____ as exhaust troubles _____ Coolant _____?

Can you tell _____ between _____ and _____ like _____ faulty exhaust?

_____ if _____ caused _____ an oil leak or coolant leak?

Any indicators to separate _____ smell _____ or _____ problems?

_____ it _____ leak through other issues like _____ coolant leak?

_____ to differentiate between odors caused _____ caused by Contamination _____ Coolants and Exhaust Gas

Is there a _____ smell _____ oil _____ a _____ like _____ coolant leak.

_____ any _____ between an oil _____ odor and an _____?

Are _____ to _____ a _____ oil and a malfunctioning _____ system?

Is _____ difference between _____ oily _____ like emissions and coolants?

_____ there a _____ an _____ and exhaust troubles?

Is _____ a _____ know _____ the _____ comes from a _____ or _____ leak?

Is _____ possible _____ an _____ from a problem with _____?

Is there _____ to _____ oil leak _____ exhaust _____?

_____ there _____ to distinguish between _____ scent _____ an _____ leak _____ the smell _____ a _____?

Do _____ clues _____ scent apart from other _____ leaking?

There _____ ways _____ between odors caused _____ leaked oils _____ in Coolants and _____.

Is _____ any distinct _____ oil leak versus _____ or exhaust issues?

_____ signs of _____ leak with _____ odor as _____ other issues like leaks from _____?

Is there _____ leak _____ from exhaust _____ Coolant problems?

Is _____ spill smell _____ to _____?

If _____ comes from leaking oil _____ of _____ coolant _____ what signs can _____?

Is it _____ to _____ odor from _____ exhaust issue?

_____ way to _____ oil leak and exhaust _____?

_____ there _____ between _____ oil leak _____ a _____ leak or _____ issues.

Is _____ different _____ engine/exhst issues?

_____ way to _____ an oil leak _____ as exhaust problems?

_____ a difference between the smell of _____ leak and _____ system _____?

_____ tell _____ oil leak from _____ problems like exhaust leaks?

Can you tell _____ between _____ issues with exhaust?

Can you tell if the _____ caused _____ oil _____?

Is _____ a _____ to _____ the odor _____ leaking oil or an _____.

Is it possible to _____ an _____ leak _____ issue?

What _____ signs _____ oil _____ with its _____ odor as compared to _____ like leaks from _____?
_____ any clues to _____ leaks _____ smells?

If _____ smell _____ leaking _____ and not _____ a _____ malfunction, what _____ can be _____ tell?
_____ it _____ differentiate _____ oil _____ from _____ or exhaust issues?

What are the _____ oil leak _____ its distinctive _____ other _____?

Is there a _____ distinguish _____ oil _____ and _____?

Is there any _____ signs of _____ leak _____ a _____?

_____ there a _____ between an odor _____ an oil _____ and _____ leak or exhaust _____?

How _____ I determine if _____ my vehicle is _____ of _____ oil leak, coolant _____ exhaust _____?
_____ there any way _____ leakage smell from _____ or _____?

_____ differentiates _____ leak from a coolant/exhaust _____?

Is _____ a difference _____ oil _____ odor _____ engine/exhst _____?

Is _____ way to tell _____ comes _____ oil or an _____ leak?

_____ a way _____ between _____ exhaust leak and _____ leaking oil odor?

_____ you _____ the _____ a _____ exhaust and _____ oil leak?

Do there seem _____ any distinct _____ of _____ odorous _____ leak?

How can I _____ the _____ in _____ vehicle is _____ an oil _____ leak, _____ exhaust _____?

Is it _____ the odor is _____ by _____ leaking _____?

Is there _____ to distinguish _____ leak _____ from a _____?

_____ any _____ leak of oil _____ causing problems like a smell or a faulty _____?

Is there any _____ the oil _____ from _____ cooling issues?

There are _____ to _____ oil _____ exhaust problems.

How _____ if my vehicle _____ due _____ an oil leak, coolant _____ or _____ issue?

_____ the smell _____ an oil leak and problems such _____ a _____?

Can we _____ if _____ is due _____ oil leak _____ another _____?

How can _____ the smell _____ caused by _____ oil leak or a problem _____?

_____ a way to _____ leakage smell from _____ coolant _____?

Is _____ way to differentiate _____ scent _____ an oil _____ that _____ an _____ leak?

Do _____ have the _____ to _____ the smell _____ or the exhaust _____?

_____ is the difference _____ oil _____ odor _____ issues?

_____ possible to distinguish between _____ oil _____ a _____ or _____ problem?

Can _____ tell the _____ oil _____ and _____ problem?

Is _____ oil leak _____ exhaust problem?

If an _____ caused the _____ can _____ spotted _____ like exhaust troubles?

_____ a _____ to tell the _____ oil leak from other _____?

Can _____ the smell is _____ oil or _____ else?

_____ if it's _____ oil leak, coolant issue _____ problem?

_____ signs to _____ an oil _____ smell from _____ issue.

If _____ oil leak _____ the smell, can it _____ other issues such _____ exhaust _____?

Is there a _____ the _____ of an _____ leak _____ things?

Is _____ to tell _____ difference _____ an _____ leak _____ a smell _____ a faulty exhaust _____?

_____ there a difference _____ the _____ of an oil leak _____ the problem _____ leak _____?

_____ we tell _____ is due _____ an oil _____ or other _____?

_____ there a _____ to distinguish the _____ from _____ an exhaust leak?

There _____ signs _____ oil _____ from a coolant/exhaust _____.

_____ smell of an oil leak _____ leaks?

Is _____ to separate the _____ leaking _____ exhaust _____ coolant problems?

_____ a _____ smell _____ an oil leak from the _____ coolant or exhaust pipe?

There _____ between _____ caused _____ leaked _____ and _____ caused _____ in Coolants/exhaust gases.

_____ have a way to _____ the smell is _____ or _____?

_____ it _____ to _____ if _____ smell comes _____ leaking _____ an exhaust leak?

_____ the differences between oil leaks with their _____ and _____ issues like _____ coolant _____.

Is there _____ tell if it _____ an oil _____ causing the _____ a _____ exhaust _____?

_____ signs _____ be _____ to identify the smell of leaking _____ of the smell _____.

_____ there a difference between _____ and an exhaust _____?

_____ we _____ the difference _____ oil _____ and _____ problem _____ exhaust?

There are indicators _____ distinguish between _____ oil leak's _____ potential _____ as a coolant _____ problems _____.

_____ you think there are signs _____ compared _____ exhaust _____?

_____ the _____ between _____ oil _____ odor and exhaust problems?

Is _____ possible to tell between _____ exhaust _____?

_____ it _____ to _____ the oil _____ smell from _____ or _____ problems?

_____ you have the ability _____ the _____ oil from the exhaust _____ cooling _____ the _____?

There _____ things _____ to _____ oil leak _____ exhaust or coolant _____.

_____ there _____ way _____ between oil leak _____ problems?

What _____ the _____ leaking odor and _____ cooling/exhaust _____?

_____ tell the difference _____ and exhaust _____ signs?

Can _____ the smell of _____ oil leak _____ of another _____?

_____ oil leak _____ the smell, can it be _____ by _____ issues _____ exhaust _____?

Can we distinguish _____ other troubles _____ leaking coolants?

Can _____ tell if the smell _____ an _____ something _____?

_____ separate _____ of oil from _____ or cooling issues.

Is an _____ different _____ a coolant/exhaust _____?

_____ you tell _____ it's a _____ oil _____ issues?

_____ want to _____ if _____ any distinct _____ of an _____ coolant leak.

_____ distinct sign _____ oil leak or coolant leak?

_____ it possible to see _____ and _____ leaks?

Can _____ smell is of leaking _____ or _____?

Would _____ tell _____ smell is _____ oil leak or _____ vehicle _____ smell?

Do _____ have _____ tell _____ smell of _____ from _____ exhaust or _____ coolant?

Is there _____ difference between _____ an oil _____ and _____ problems like a _____ exhaust _____?

_____ it possible to _____ leak from _____ issues such as _____ leaking _____?

Is there a _____ to _____ odor from _____ or an _____?

_____ a difference between a smell _____ leak _____ problem like an _____?

Can _____ the difference _____ oil _____ and coolant or _____ trouble _____?

Can _____ tell the _____ between an oil _____ something _____ as _____ faulty _____.

There could _____ a way _____ oil leak _____ exhaust _____.

Do _____ have the ability to _____ the _____ your car _____ exhaust _____?

Is there _____ if an oil leak is _____ smell _____ if _____ is _____ exhaust system?

Can _____ distinguish _____ and _____ issues?

_____ possible to _____ the smell is from _____ leaking _____?

Can I find out _____ source of that suspicious _____ whether _____ issue _____ exhaust _____?

Can _____ the _____ between an _____ and _____ coolant issue?

If the _____ leaking oil _____ than _____ from _____ coolant _____ signs can be _____ tell?

_____ source of _____ suspicious smell, whether it's an oil _____ coolant issue, _____?

Is it possible _____ if the _____ is _____ an _____ vehicle exhaust?

_____ signs _____ oil _____ distinct from _____ issues?

_____ an oil _____ from an exhaust trouble _____?

Is _____ to _____ oil leaks _____ like Exhaust problems _____ coolant leaks?

If _____ oil, do _____ know if it is _____ or _____?

Can you tell if _____ from _____ oil leak or _____?

_____ it possible _____ identify if it is _____ to _____ dribble, instead of things _____ fluid _____

_____ there a _____ an _____ leak with _____ and _____ signs?

_____ are _____ oil leak with _____ that _____ different from _____ issues like leaks _____ coolant _____ exhaust?

_____ it _____ to differentiate _____ oil _____ a cooling issue?

What _____ difference between _____ oil leak _____ coolant/exhaust _____?

_____ clues point _____ leaking or other problems _____ troubles?

_____ do you _____ difference _____ oil _____ exhaust smells?

_____ it _____ differentiate _____ leak _____ odor from exhaust _____ signs?

What _____ the signs _____ leaking, with its distinctive _____ as _____ to _____ leaks _____ coolant or _____?

There are _____ to differentiate between odors _____ are _____ oils and odors _____ are _____ gases.

_____ you _____ tell if _____ smell is from an oil _____ or _____?

What signs differentiate _____ oil _____ issue?

_____ difference _____ an oil leak _____ a problem with exhaust?

_____ smell an oil _____ not a coolant/exhaust _____?

_____ you tell _____ is the _____ of _____ oil or an _____?

If _____ oil _____ caused _____ can it be _____ by other _____ exhaust troubles _____ Coolant _____?

What _____ difference between oil _____ with a distinctive odor and other _____ exhaust?

Do _____ know if there are signs _____ leak that _____?

Can you tell _____ difference _____ odor and a _____ exhaust?

_____ are signs _____ an _____ leak and coolant/exhaust _____.

Is there a way _____ determine _____ vehicle _____ to an oil _____ coolant leak _____ exhaust _____?

_____ tell the _____ a _____ and exhaust leak?

Would _____ tell _____ is from an oil leak or a _____?

_____ tell _____ difference between _____ exhaust leak and _____ leaking _____?

Do _____ know _____ tell _____ it's an _____ leak or _____ exhaust smell?

Can you _____ if _____ odor is _____ leaking oil _____ leak?

_____ there a _____ between oil _____ and _____ problems?

How _____ the odor _____ by an oil _____ rather than _____ issues?

_____ you have _____ ability to tell if a smell _____ oil _____ or _____?

Is there _____ way to distinguish the _____ of _____ oil _____ from _____?

_____ we _____ the odor is caused by an _____ coolant leak, _____?

Is _____ a difference between _____ a coolant _____ issue?

_____ it possible _____ the difference between _____ a coolant odor?

_____ an oil _____ caused _____ identified through other _____ as exhaust _____ or Coolant Leaking.

_____ discern oil leaks from _____ issues?

Is there _____ distinctive _____ of _____ odorous _____ a coolant _____?

Is _____ to tell the difference between _____ oil _____ a _____?

Do you have _____ to _____ if a smell is _____ leak _____ a _____?

Is there _____ way to _____ whether _____ smell _____ oil _____ exhaust leak?

Is _____ between odor of _____ leak and problems _____ leak or _____ issues?

If _____ signals are _____ for identifying _____ aromatizing due _____ engine-oil _____ cooler fluid _____ problematic

Are _____ oil _____ that are distinct from exhaust _____?

_____ a _____ between a leak _____ and a _____?

_____ there a distinctive _____ odorous _____ leak versus _____ leak?

_____ identify the source _____ smell, _____ it's an oil leak, coolant _____ issue?

_____ oil leaking that are different _____ exhaust _____?

_____ there _____ way _____ the _____ signs _____ an _____ leak or something else?

_____ ways to _____ between odors _____ by _____ caused by Contamination in Coolants and Exhaust _____.

_____ it _____ an oil _____ from a _____ exhaust?

Is there _____ way to distinguish _____ scent _____ oil _____ from _____?

Is there _____ a _____ an oil leak _____ problem with the _____?

_____ there _____ way _____ distinguish between _____ or _____ exhaust leak?

There are _____ to differentiate between _____ and those _____ by _____ gases.

_____ are _____ able _____ tell if _____ caused _____ an _____ leak or _____ issues?

_____ smell _____ to _____ leak, a _____ issue _____ an exhaust problem?

Is _____ possible _____ differentiate an _____ leak _____ a coolant or _____ sign?

Is _____ any _____ tell the difference _____ an _____ and _____ faulty _____ system?

Is _____ a _____ distinguish _____ leak _____ exhaust leak?

_____ possible _____ an _____ leak from other _____ like exhaust problems _____ coolant _____?

What are _____ oil leak with its _____ and _____ issues _____ leaks from coolant?

_____ possible _____ distinguish _____ an oil leak from _____ of _____ coolant or _____ system?

_____ there any _____ separate _____ of _____ from _____ exhaust or _____ problems?

_____ there _____ difference _____ leak and a problem like _____ leak _____ problem?

_____ to _____ if _____ is from _____ oil leak or a vehicle _____?

_____ tell _____ leak and exhaust _____?

_____ a way to _____ between _____ oil leak and other potential _____ such _____?

Do _____ know if _____ can _____ the smell _____ an oil leak _____?

Is it _____ distinguish between _____ oil leak's scent _____ potential _____ as a coolant _____ issues _____?

_____ it _____ if the odor _____ from an oil _____ problems?

_____ there a difference between _____ of _____ leak _____ problem like a _____ or _____ issue?

Is _____ to identify _____ from coolant _____ exhaust _____?

_____ have the _____ to _____ if the smell _____ from _____ oil _____ the _____?

Is _____ way to _____ between _____ oil _____ and problems _____ exhaust?

Is _____ an oil leak _____ from _____ coolant smell?

What _____ differences _____ leaking _____ a distinctive _____ and other issues _____ exhaust and coolant?

Is _____ possible to tell _____ scent _____ an oil _____ smell _____ a _____ or exhaust _____?

_____ can be _____ identify the smell _____ leaking oil, instead _____ the _____ coolant malfunction.

Is the _____ oil _____ not _____ coolant or _____?

_____ you tell if there is _____ leak _____ or _____?

How _____ if _____ vehicle is emitting an _____ due _____ an oil leak, _____ or _____?

There are signs _____ distinguish _____ an _____ smell _____ coolant/exhaust _____.

If _____ oil leak caused the _____ by other issues like _____ troubles _____ Coolant _____?

_____ to know _____ are any _____ indications _____ odorous _____ or coolant leak.

Is _____ possible _____ between _____ leaking _____ and an _____ leak?

_____ the differences _____ signs of oil leak with its _____ other _____ from the _____ or _____?

_____ possible _____ distinguish an oily _____ from _____ leaking coolants _____ problematic fumes?

_____ you _____ the _____ a faulty exhaust _____ an _____ leak?

Is _____ separate _____ of oil leakage from exhaust _____ problems?

_____ there _____ to tell if _____ in an oil _____ a smell or _____ problem _____ exhaust _____?

Is _____ any way to _____ from _____ coolant problems.

Is _____ a _____ oil leak _____ a coolant problem?

_____ you _____ the difference _____ an exhaust leak and _____?

What _____ the signs _____ an _____ leak _____ a coolant/exhaust _____?

_____ an oil leak _____ the smell, _____ it _____ seen _____ other _____ or coolant _____?

Is _____ way of _____ oil leak and _____?

Is it possible _____ from _____ such as exhaust _____?

_____ there _____ between an _____ oil leak _____ coolant _____ exhaust issue?

Can _____ the smell is _____?

_____ you _____ smell is _____ by _____ leaking or _____ or coolant?

_____ tell between oil leaks _____?

_____ signs of _____ leak with _____ distinctive _____ as opposed to _____ issues _____ leaks from Coolant _____?

_____ a difference between _____ oil _____ smell and _____ issue?

Are _____ indications of _____ odorous oil _____ or _____ coolant _____?

_____ an _____ leak causes _____ can _____ be identified through other _____ exhaust _____ coolant _____?

Is _____ see _____ of oil leak _____ exhaust issues?

How can _____ tell if _____ caused _____ an _____ leak _____ a coolant or _____ leak?

_____ difference between oil _____ and odor from exhaust _____?

_____ a _____ to _____ smell _____ a _____ oil or _____ exhaust leak?

What signs differentiate _____ an oil leak _____?

Is _____ to _____ an oil _____ of _____ coolant/exhaust problem?

Is _____ between an _____ leak _____ coolant/exhaust troubles?

_____ the smell, can _____ be identified with other _____ like exhaust _____ or Coolant _____?

How can _____ tell if the _____ an oil _____ malfunction?

_____ it _____ to _____ of _____ leak as _____ exhaust or coolant _____?

Is _____ to _____ oil leaks from other _____ problems?

_____ indicators _____ be _____ to distinguish _____ oil leak's _____ and _____ potential sources, _____ as a _____ leak.

Do _____ apart problems like oil leaking _____?

Do you have _____ to _____ is an _____ leak or _____ smell?

Can you _____ leak and a problem _____ coolant leak?

How can we _____ if the _____ is _____ oil _____ instead _____ leak?

Is _____ to distinguish between oil _____ odor _____?

Is _____ a difference _____ the _____ a problem with the exhaust _____?

Is _____ possible to _____ the _____ not the _____ coolant in the car?

_____ there any _____ to tell if _____ leak is causing _____ with exhaust systems?

_____ have the ability to _____ it's _____ an _____ leak _____ exhaust smell?

Is _____ a way to _____ scent _____ an _____ leak _____ smell of _____ system?

_____ possible to _____ an oil leak odor _____ issue?

Is it possible to _____ troubles, _____ as leaking coolants _____ fumes?

_____ any way _____ oil leak or a faulty _____ is the cause _____ smell?

_____ possible to _____ the odor _____ by an oil leak _____ an _____?

Is it possible to _____ other _____ like Exhaust _____ and _____ leaks?

Can I _____ if _____ coolant issue, or exhaust _____?

Is there any way _____ smell _____ exhaust or _____?

_____ of the suspicious _____ an oil _____ issue or _____ problem?

_____ tell _____ an _____ smell is _____ to exhaust issues?

Is _____ from the exhaust issues?

_____ we tell _____ the odor _____ oil leak or _____ issues?

_____ to distinguish _____ scent _____ an oil leak from _____ scent of _____ coolant _____ complication?

Is _____ issue, or _____ exhaust problem that causes _____ smell?

Is there a _____ from _____ oil or exhaust leak?

_____ signs _____ an oil _____ is different _____ a coolant/exhaust _____ smell.

_____ difference between an _____ leak versus a _____ or _____ issues?

If you _____ do you _____ it's from the exhaust _____?

Is _____ to differentiate _____ from exhaust problems?

Is _____ possible to distinguish _____ oil leak _____ like _____ leaking?

Can _____ tell the _____ a _____ oil _____ such as a faulty _____?

Can you _____ the _____ leak and a _____ oil?

_____ there _____ difference between _____ odor of an oil _____ the _____ coolant _____?
 _____ clear signs of an oil leak or _____?
 _____ there _____ whether the _____ is _____ a _____ oil or an exhaust _____?
 _____ there any sign _____ oil _____ and coolant/exhaust _____?
 _____ way to _____ difference _____ a _____ oil and an _____ leak?
 _____ you _____ the difference _____ leak and a coolant _____?
 _____ signs _____ be used _____ tell _____ the _____ from _____ a coolant malfunction?
 _____ there a _____ between an _____ odor and _____?
 _____ you tell the _____ oil leak _____ odor due _____ exhaust _____?
 _____ to differentiate _____ from a problem with _____ exhaust system?
 _____ way to separate _____ leak smell from exhaust _____?
 _____ there a way _____ tell the _____ oil _____ that of a coolant _____ exhaust _____?
 Is it _____ differentiate _____ leak from _____ odor?
 Can _____ tell the _____ of _____ oil _____ a _____ leak?
 Is it possible to _____ smell _____ other problems?
 _____ you _____ if _____ smell is from _____ not _____?
 Is there a way to _____ the _____ an _____ an _____?
 Is _____ an oil _____ different _____ the _____ exhaust leaks?
 Can I _____ smell of _____ not a coolant/exhaust _____?
 _____ to distinguish the smell _____ an oil _____ the smell _____ exhaust problem?
 _____ between oil _____ and other issues _____ leaks _____ exhaust or _____ coolant?
 _____ tell the difference between leaking _____ issues?
 _____ it _____ identify _____ spill odor _____ engine/exhst problems?
 _____ between an odorous oil leak and _____ leak?
 Is _____ tell if an _____ causing a smell _____ a _____ exhaust system?
 Is _____ any way to _____ from exhaust or _____.
 _____ it possible to _____ through other _____ like exhaust or _____?
 Is _____ an _____ from a bad exhaust smell?
 _____ there _____ distinguish _____ oil leak from exhaust _____?
 Can _____ difference between _____ oil _____ smell _____ an _____ problem?
 Is it _____ leaks _____ other issues like Exhaust problems _____ Coolant _____?
 _____ possible _____ identify an _____ leak _____ odor _____ exhaust _____ signs?
 _____ it _____ oil leaks from other issues _____ leaks?
 _____ I identify _____ source _____ that _____ smell, even if _____ an _____ coolant _____ exhaust problem?
 _____ between oil _____ and _____ issues like _____ from exhaust _____ coolant?
 What are the differences _____ with _____ odor and other _____ like _____ from the _____ coolant?
 Is there _____ to separate _____ of _____ leak from _____ or _____?
 _____ leaking oil and not _____ coolant malfunction _____ exhaust related trouble, what signs _____ used?
 _____ you tell _____ smell _____ coming from _____ oil _____ exhaust?
 Is there _____ way to _____ oil smell _____ exhaust _____?
 _____ to _____ if _____ is from an _____ leak or _____ vehicle exhaust?
 Is the source of the suspicious _____ a coolant _____ or _____?
 Is _____ oil leak from exhaust _____ sign?
 Is it _____ coolant _____ exhaust _____ that _____ that strange smell?
 _____ the _____ an oil leak odor and _____ issues?
 _____ that an _____ smell is different _____ an _____ issue.
 Is it _____ to tell if _____ coming from an _____ a _____?
 Is there a way _____ the _____ from that _____ an exhaust _____?
 Are _____ signs _____ an _____ leak _____ cooling system issues?
 _____ it possible _____ oil _____ odor _____ a coolant smell?

_____ the differences between signs _____ with _____ distinctive _____ and _____ issues like leaks _____ or exhaust?

Is _____ possible _____ see oil leaks _____ issues like Exhaust _____ leaks?

Can you _____ the difference _____ faulty exhaust _____?

Is _____ to tell _____ the _____ coming from the _____ or _____ exhaust?

_____ way to differentiate _____ scent of an _____ leak from _____ coolant or _____ pipe?

_____ differentiate _____ an oil leak and _____ exhaust smell?

Do _____ clues _____ apart a _____ like oil leaking _____?

What is _____ signs _____ oil _____ with its distinctive odor and other _____ as _____ exhaust?

Can _____ me _____ the smell indicates _____ oil leak _____?

_____ are _____ that an _____ smell is different from _____ issues _____.

Is _____ to differentiate between _____ oil _____ coolant smell?

_____ possible to tell an oil _____ smell _____ issue?

_____ caused the _____ can _____ identified with _____ issues _____ exhaust troubles or Coolant leaks?

_____ we _____ if the _____ is _____ an oil _____ coolant leak?

Is it possible _____ the scent _____ an _____ leak _____ smell _____ a coolant _____ pipe?

_____ we _____ a leaking oil _____ a leaking _____ exhaust leak?

_____ it possible _____ distinguish _____ leak from _____ like exhaust _____ coolant _____?

There _____ indicators to _____ between an _____ leak's _____ sources, such as _____ coolant leak.

_____ a way to tell the _____ between _____ and _____ problems?

Is _____ separate _____ smell of oil from the _____ coolant _____?

Can _____ tell _____ the _____ by _____ oil or exhaust?

_____ the _____ an _____ leak different to _____ problems?

Is _____ possible to _____ spill _____ vs engine/exhst _____?

I would _____ if there are _____ distinguish between an _____ leak and a _____ system.

Is _____ possible _____ differentiate _____ oil _____ a _____ with _____ exhaust?

_____ leak _____ it be found _____ other _____ like exhaust troubles or Coolant leaking?

Is there _____ way _____ if _____ is causing a _____ or bad _____?

Is there a _____ to distinguish _____ of an _____ of an _____?

_____ between an oil leak and _____ else, such as _____ faulty _____?

Can _____ if the smell _____ from _____ oil _____ or _____?

_____ there a _____ to _____ the smell _____ of an _____ something else?

_____ there a _____ between _____ and the _____ troubles?

Is it _____ differentiate an _____ from _____ exhaust _____ sign?

Can _____ smell _____ an oil _____ other leaks?

_____ a difference _____ a _____ leak _____ a _____ like a coolant leak or exhaust _____?

_____ there a _____ between an oil _____ and _____ issues?

_____ a difference _____ an _____ smell _____ a coolant/exhaust _____ smell?

Can you tell _____ coming from _____ or the exhaust?

Is _____ a _____ the problems of oil _____ and _____?

_____ clues set the _____ apart _____ other _____ oil _____ and _____ troubles?

Is _____ to distinguish an oil leak _____ other _____ problems?

_____ telltale signals _____ detecting if _____ aromatizing due _____ engine-oil _____ like leaking _____ fluid and

What _____ the _____ with its distinctive odor _____ issues like leaks from _____ or _____?

Is _____ possible _____ there _____ leak versus a coolant leak _____ exhaust _____?

Is _____ way to tell _____ smell comes _____ or another _____?

There could _____ clues _____ oil _____ versus _____ issues.

_____ a clear _____ to tell if an oil _____ causing a _____ a faulty _____?

_____ it possible to _____ smell _____ an oil leak from _____ like _____?

_____ it _____ tell if the odor _____ by an _____ or _____ leak?

Is there a _____ oil _____ exhaust or _____?

_____ any way _____ oil _____ smell from _____ issues?

_____ to tell if _____ smell _____ the _____ oil _____ the exhaust?

Is there _____ way _____ oil leak _____ from _____ problems?

_____ any way _____ the oil _____ exhaust problems?

_____ there _____ way to _____ an _____ other issues _____ exhaust problems?

Is _____ a way _____ oil leak _____ a problem _____ coolant leak?

_____ it's _____ to _____ dribble, do _____ signals _____ instead of things _____ leaking cooler _____ problematic

_____ there a _____ oil spill smell and _____?

_____ leaking odor _____ cooling/exhaust issues?

Is it possible _____ determine _____ is _____ an oil leak _____ exhaust _____?

_____ signals exist for _____ is aromatizing due _____ engine-oil dribble, instead of _____ leaking _____ problematic

_____ be _____ tell if the smell is from an oil _____ vehicle _____?

Is _____ tell if the smell is an _____ or _____?

_____ you _____ if the odor _____ caused by _____ or _____?

Is _____ tell _____ odor comes from _____ leaking oil or exhaust _____?

Is _____ oil leak _____ the _____ issues?

Is it _____ tell if _____ is from the oil _____?

Is there _____ way to differentiate _____ of an _____ from _____ a _____?

Is there _____ to _____ if _____ smell is _____ from a _____ an _____ leak?

Is there _____ separate the _____ oil _____ exhaust or _____ problems?

Is there a difference _____ oil leak _____ coolant leak _____?

There _____ can distinguish _____ an oil _____ other potential sources such as a _____.

_____ are _____ an oil leak smell _____ to _____ issues.

Can you _____ if _____ smell is an _____ vehicle _____?

_____ difference between an odorous _____ leak _____ exhaust issue?

_____ is _____ difference between oil leakage _____ and _____?

Is there any way _____ if there is _____ causing the _____ a faulty _____?

Is the oil leak _____ issues?

Do you _____ the ability _____ tell the smell _____ the _____ system _____ your car?

Is _____ possible to _____ if _____ is from an _____ leak _____?

_____ are _____ that an _____ leak smell _____ different _____ smell.

Is it _____ determine whether the _____ comes from motor-oil seepage _____ outflowing _____ substance?

_____ find out _____ leak, _____ issue, or exhaust problem?

How _____ one tell the _____ odors associated with _____ oil _____ exhaust _____?

Can you _____ the smell _____ from _____ oil _____ exhaust?

_____ there _____ way to differentiate _____ oil _____ from a _____ exhaust _____?

There are signs _____ an _____ leak _____ different _____ coolant/exhaust _____.

Is it possible _____ the _____ of _____ oil _____ a problem _____ the _____?

How _____ my vehicle is _____ to an oil _____ coolant leak, or exhaust _____?

Is it possible to tell _____ an _____ leak _____ a _____?

_____ it possible to distinguish _____ an _____ leak _____ the smell of a _____ problem?

_____ you have _____ tell if the smell is _____ an oil _____ or _____ exhaust _____?

Is it possible _____ an _____ leak's _____ and _____ sources, such as a _____?

_____ way _____ if _____ an oil leak or a _____?

_____ there _____ distinctive signs _____ oil _____ or cooling _____ issues?

Can _____ identify the _____ of _____ smell, _____ oil leak, coolant _____ problem?

Is it _____ to _____ if _____ smell is _____ an oil _____?

Would _____ to tell _____ smell _____ an oil leak or a _____ exhaust _____?

How can _____ the _____ caused _____ oil leak, instead of exhaust _____?

_____ a difference _____ oil _____ Coolant or Exhaust _____?

_____ tell _____ is _____ the leaking _____ or the exhaust?
 _____ the _____ leak _____ different from _____ exhaust _____?
 _____ it possible to tell the _____ oil _____ and an _____?
 _____ leak caused the _____ be _____ through other _____ such as exhaust _____ or _____ Leaking
 Is _____ difference _____ an _____ leak _____ problem like a coolant _____ or _____.
 Is _____ tell _____ smell is caused _____ leak or a faulty exhaust system.
 Do telltale _____ exist for detecting _____ it's aromatizing _____ engine-oil _____ leaking cooler fluid _____?
 _____ we _____ leak _____ trouble signs?
 Is _____ the _____ of _____ oil _____ and issues like a _____ leak or exhaust _____?
 If _____ oil leak caused the _____ it be _____ through other _____?
 _____ you tell _____ the _____ is due to _____ exhaust leak _____?
 _____ you have _____ ability to tell _____ smell is coming _____ the _____?
 _____ if the _____ in my vehicle is related to _____ oil leak, _____ or _____?
 Is there _____ difference between _____ of _____ and problems _____ a coolant leak or _____.
 Is _____ possible to identify _____ leak _____ a _____?
 _____ the _____ of an _____ leak _____ from other _____?
 Is _____ possible to distinguish oil _____ trouble _____?
 _____ determine if the odor in _____ is related to _____ leak, _____ leak, or _____?
 _____ signals _____ for _____ it _____ aromatizing due _____ engine oil _____ of _____ like leaking _____ fluid and problematic?
 How can I determine if _____ emitting _____ to an oil _____ coolant _____ exhaust _____?
 _____ there are signs _____ oil leaks _____ to exhaust _____?
 Is _____ possible to see _____ oil _____ in contrast _____?
 _____ indicator _____ leak smell from exhaust or coolant _____?
 Is the smell of _____ oil leak _____ exhaust leak?
 What _____ the signs _____ leaking with its distinctive odor _____ opposed _____ issues _____ as _____ or _____?
 Is _____ possible _____ oil _____ with _____ smell from exhaust trouble _____?
 Can you tell _____ between oil spill _____?
 _____ any distinguishing signs of _____ versus a _____ leak?
 _____ I find _____ if it's an oil leak, _____?
 _____ oil spill _____ engine/exhst problems?
 _____ differentiate _____ odors _____ leaked oils and those _____ byContamination in _____ and Exhaust gases
 Is there _____ an _____ leak _____ a _____ issue?
 What are the signs of oil _____ with _____ odor as _____ to _____ issues like _____
 What does _____ smell _____ from _____?
 Is there a _____ odorous _____ leak _____ a _____ or _____ issue?
 There _____ between _____ odor _____ an oil _____ and _____ like a coolant _____ or exhaust _____.
 _____ there _____ smell _____ oil leak _____ the smell of _____ problem like a _____ leak?
 I have _____ how can I tell _____ it _____ from _____ leaking _____ or exhaust issue?
 _____ there a way to _____ scent of an oil _____ of _____?
 _____ signs distinguish _____ leak _____ a coolant/exhaust _____?
 _____ an _____ smell, can _____ be _____ other issues like exhaust troubles or _____ leaking.
 Is it possible to identify _____ engine/exhst _____?
 _____ are _____ to _____ odors that _____ leaked oils _____ odors that _____ caused byContamination in _____ gases.
 Can I identify _____ that _____ smell, _____ it's an _____ issue or exhaust _____?
 _____ unpleasant smell _____ from leaking oil _____ than smelling _____ a coolant _____ or any _____ related trouble, _____
 _____ be _____
 _____ you tell the _____ leak and something else, _____ a _____?
 Can _____ whether it's _____ issue, or exhaust problem?
 How does one tell the _____ odors associated _____ those _____ exhaust _____?
 Is there _____ to distinguish _____ of _____ from that of _____ coolant _____?
 _____ are _____ differences _____ of oil _____ with _____ distinctive odor and _____ issues like leaks _____ or _____.

_____ to distinguish _____ leak smell _____ exhaust issues?
