

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Network coverage and connectivity inquiries
Inquiry Sub-Category	Signal strength complaints
Description	Customers may raise concerns about weak or fluctuating signal strength, seeking advice on how to improve signal reception or identifying if there is a hardware or software issue affecting their smartphone's antenna or signal output.
Data Size	5,129 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ smartphones vary _____ of _____ ability pick up _____ signals?
_____ a _____ strong signals differently?
Is _____ a _____ variation in _____ strength _____ cellphones?
There _____ a question _____ whether _____ devices have _____ .
_____ comes _____ signals, can diverse smartphones _____ greatly?
There are _____ in the _____ signals _____ received on _____ .
What _____ difference in _____ for smartphones?
_____ is _____ of _____ there _____ differences in signal strength _____ mobile _____ .
_____ smartphones be _____ when it _____ to _____ ?
Is the _____ robust network coverage _____ different _____ ?
Is it _____ of cellphone _____ different abilities _____ receive _____ ?
There _____ as to _____ there are _____ the signal _____ mobile devices.
Is _____ true that different _____ of smartphones _____ capabilities of _____ ?
Do _____ signal reception?
_____ smartphones _____ different ability to pick _____ signals?
_____ able _____ up strong signals?
_____ signal _____ discrepancy among _____ ?
_____ the ability _____ get stronger signals different _____ ?
Is it _____ different models of _____ have different _____ powerful _____ ?
_____ it _____ receive stronger signals?
_____ there a _____ to signal strength acquisition _____ smartphones?
_____ difference _____ receiving _____ on various phone models?
_____ true _____ smartphone models have different abilities _____ signals?
There is _____ to whether there are significant differences _____ devices.
Is _____ possible _____ strong signals differently?
Is it true _____ different models of _____ ?
There is _____ question _____ to whether _____ are any significant _____ strength _____ .
Can _____ differ _____ other when it comes _____ signals?

_____ models affect _____ signals?

_____ phones _____ differ _____ their ability to _____.

When _____ comes _____ strong _____ are _____ phone _____ different?

_____ smartphones _____ in _____ to acquire powerful signals?

There may be _____ signals _____ mobile phones.

_____ the _____ robust _____ coverage different between cellphones?

Is _____ models _____ have different ways _____ receiving powerful signals?

Is there _____ differences between _____ for _____ connections?

Does _____ happen _____ models of smartphones _____ signals?

_____ reception _____ between mobile phones?

_____ certain smartphones have vastly different _____ up _____?

Is _____ ability to capture _____ for distinct smartphones?

_____ it true that some models of _____?

Is _____ difference _____ successfully grabbing _____ signal connections.

_____ smartphone models have different capabilities _____ signals?

_____ whether _____ are any significant differences _____ signal strength _____ mobile devices.

_____ it _____ different _____ devices receive _____ differently?

_____ have _____ to _____ up signals?

_____ phones _____ catch _____ that are _____.

_____ are differences _____ signals on various smartphone _____.

Is _____ possible _____ individual _____ out _____ signals?

_____ difference _____ phones when _____ comes to signal strength _____.

Do different mobile _____ signal _____?

_____ signals _____ mobile phones different?

_____ the _____ catch good _____ between mobiles?

Is it _____ signals come _____ different _____ models?

Is _____ diversephones _____ catch _____ signals?

_____ that _____ models of phone have _____ when it _____ to receiving _____?

Is _____ that _____ mobile _____ have _____ signal pickup _____?

_____ that _____ get different signals?

_____ a lot of _____ when it comes _____ strength acquisition?

Is it possible _____ different _____ have _____ capturing network _____?

_____ much do _____ catch when there _____?

_____ mobile phones _____ picking _____ signals?

_____ different phones _____ up strong _____?

There is _____ question as _____ whether _____ mobile _____ in signal _____.

_____ Smartphones have different _____ up signals?

Does smartphones have _____?

_____ they have _____ ability _____ out strong _____ on your _____?

_____ a _____ in _____ between various smartphone models?

Is there _____ difference _____ ability _____ smartphones to _____ network _____ connection/solid signals?

_____ is _____ question _____ there are significant variations among _____ signal strength

_____ that the signals of different _____ models _____?

There _____ variation in the signal strength of mobile devices.

Do _____ signals pick _____ phones?

I wonder _____ the _____ of _____ phone _____ strong signals _____ different phones.

_____ question as to whether _____ are _____ variations of _____ in _____ devices.

_____ a difference in receiving powerful _____ from _____?

Is it possible that _____ model of _____ powerful _____?

When it _____ to _____ signals, can _____ differ _____?

Do smartphone's _____ pick _____ signals _____?

Do _____ phones _____ up _____?

_____ it happen that the _____ stronger signals?

Do mobile _____ different _____?

_____ is _____ question of _____ are significant variations in mobile _____.

Is there _____ found between _____ successfully _____ good signal _____?

_____ strong signals _____ on by _____?

Is _____ possible _____ differences in _____ strength among _____?

_____ possible that different phones _____ up differently?

Is _____ a _____ signals _____ different mobile phones?

Is _____ possible that diverse _____ brands vary _____ comes _____ catching _____?

Is it _____ model phone's receive _____ signals?

_____ is _____ question as _____ whether there _____ variation in signal _____ devices.

Does _____ phones differ _____ it comes to _____?

Are strong signals _____ differently _____?

Is there any _____ receiving _____ for _____ phones?

_____ possible for diverse _____ to differ when _____ catching _____?

Is _____ a big difference between _____ cellphones' skill _____?

_____ it true that different _____ Smartphone _____ different _____?

Is _____ for a mobile _____ powerful signals _____?

_____ the _____ phones _____ different _____ strength?

_____ comes to _____ strong signals, _____ phones differ _____?

Is there a _____ in _____ different _____ phones.

_____ it _____ to _____ signals, do _____ brands differ greatly?

There is a question as _____ differing signal _____.

_____ distinct _____ have different ability to _____ strong _____ connection/solid _____?

Is it _____ that _____ models of _____ receiving signals?

Is there any _____ between _____ for successfully _____ good _____?

_____ various _____ signals differently?

Is _____ smartphones to acquire _____ signals _____?

Is there _____ difference in getting _____ phones?

_____ it true _____ various _____ of smartphone have _____?

_____ possible that _____ can catch strong _____?

Is _____ a _____ difference _____ comes _____ strength acquisition _____ phones?

Do _____ telephones _____ vastly _____ abilities to pick _____?

Is _____ true that _____ kinds of _____ signals _____?

Is the capacity _____ catch _____ connection _____ mobiles?

Do some _____ different _____ pick _____ signals?

Is _____ true that _____ models _____ different capabilities _____ receiving _____?

_____ are differences _____ powerful signals _____ models _____ smartphone.

Is it true _____ phones display differences _____ ability _____.

Is it _____ that _____ in _____ ability to _____ powerful _____?

_____ mobile phones _____ quality?

_____ signals picked _____ phones?

I would like _____ know if _____ to _____ up _____ signals _____ devices.

Is _____ a difference in _____ powerful _____ different _____?

_____ it possible _____ diverse smartphones _____ when _____ to catching _____?

_____ differences _____ for grabbing good _____ connections.

Is _____ true _____ have different signals?

_____ any _____ powerful signals with _____ smartphone models?

Is ____ true ____ phones have ____ receiving signals?

Do ____ devices ____ different ____ pickup ____?

____ it ____ different models ____ have different abilities for ____ signals?

Is ____ significant ____ in ____ strength among the ____?

When it ____ catching signals, ____ different ____?

Is it ____ that ____ display ____ in ____ acquire signals?

Is ____ possible that certain ____ receive ____?

____ show ____ in their ability to ____ signals?

____ a big difference ____ signal ____ phones?

____ it ____ signals, can diverse phones differ ____?

____ different mobile devices ____ pickup ____?

Do distinct phones ____ network coverage/signals/powerful connection/solid signal?

____ picked up by ____ phones?

Is ____ difference in ____ signals on different ____.

____ it ____ that different model of ____ powerful ____?

____ it ____ that ____ pick off ____ signals?

____ a ____ between the phones when ____ to signal strength ____?

____ possible that ____ vary ____ receiving ____ signals?

Is ____ variation in the ____ strength of ____?

Do smartphones show ____ ability ____ signals?

____ have ____ capacities ____ catch good connections?

Is signal ____ different ____ mobile ____?

____ are differences in the reception ____ phones.

Is it ____ are different ____ receiving powerful ____?

The ____ to ____ good ____ vary between ____.

____ signals ____ up ____ by different ____?

____ comes to signal pickup ____ mobile ____ vary?

____ to ____ stronger signals on different ____?

____ to receive strong ____ different between ____.

____ there a ____ smartphone brands' ____ for ____ good ____ coverage?

Is the ____ to ____ up ____ different ____ different ____?

____ different phone ____ robust ____?

____ possible that ____ pick ____ stronger signals?

Is ____ receiving ____ signals ____ various smartphone models?

Is it possible to ____ on ____ phones.

Do ____ different ____ in capturing ____ network coverage?

Is ____ true that ____ phone model has ____ capabilities ____?

Is it ____ smartphone models ____ different ____?

Is it ____ that ____ smartphones have ____ to ____ signals?

There ____ question ____ significant variations in signal ____ among mobile ____.

____ a difference in ____ strong signals ____ phones?

____ it ____ that smartphones have different ____ signal connections?

____ it ____ that there are ____ in receiving ____ on ____ model ____?

Is it ____ Smartphones ____ different ____?

Is ____ in the ____ of signals on ____ of ____?

____ it true ____ different ____ smartphone have ____ receiving signals?

____ different signals?

I ____ a ____ ability ____ up strong signals varies ____ phones.

Is it true ____ there ____ ways ____ receive strong ____ smartphone?

____ wonder ____ phone's ____ to ____ up ____ strong ____ varies between different ____.

Is it possible ____ receive ____ on different ____?

____ it ____ models of phones have ____ abilities for ____?

____ phones have ____ capture strong network coverage/signals/powerful ____?

____ distinct ____ differ in their ____ capture ____ network ____ signals?

____ receive strong signals different between mobile ____?

Is it ____ are different ____ phone that can ____ potent ____?

Is ____ difference ____ on various mobile phones?

Can diverse smartphones differ ____ to ____?

Is it possible that ____ their ability ____ get ____?

Is it possible that ____ powerful signals?

Is ____ different ____ of Smartphone have ____ signals?

Is it ____ that different models ____ smartphones ____ of ____

Is there significant differences among ____ good ____?

____ a large ____ in ____ strength acquisition ____ smartphones?

____ different mobile ____ ability to signal ____?

____ differences ____ receiving ____ signals from various smartphone ____?

There ____ differences in ____ smartphones ____ signals.

do ____ have ____ strength?

____ diverse ____ differ in ____ signals?

Do different smartphone ____ have ____?

Can ____ phones ____ signals?

____ that there are different ____ of smartphones ____ can receive ____?

Is ____ of ____ phone ____ to catch robust ____?

Is there any ____ phones for ____ signal ____?

____ there ____ difference in receiving ____ signals ____ models?

Do ____ have ____ signal reception?

Is ____ display differences in their ____ to get ____?

There are ____ receiving powerful ____ on ____.

____ differences ____ getting ____ on mobile phones.

Is ____ true that ____ models of ____ different ____ receiving powerful ____?

Is ____ signal ____ between ____?

Is there ____ huge difference ____ skill ____ capturing ____ between ____ cellphones?

Is it true ____ power ____ different smartphone models?

____ there a ____ difference ____ the ____ capturing robust network ____ cellphones?

Different ____ catch strong ____.

Does ____ that ____ smartphone ____ receive ____ signals?

____ true that ____ Smartphones have ____ ways ____ signals?

____ it possible ____ powerful ____ on ____ mobile phones?

____ different ____ various smartphone models?

Is ____ true that smartphone ____ ways of ____ powerful ____?

____ the ____ to receive ____ signals ____ between ____ phones?

____ it ____ that smartphones ____ in picking ____ signals?

Is there a ____ receiving ____ phone models?

____ it ____ that the ability to ____ powerful ____ smartphones?

____ happen that ____ phones ____ different ____?

____ some ____ different abilities in picking ____ signals?

Would ____ have different ____ strong network ____ connections?

____ pick out strong ____.

Do different phones ____ different ____ up ____?

____ cellphones have ____ skills ____ capturing robust network ____?

____ phones do ____ have ____ same ____ ?
 ____ a ____ ability ____ up strong ____ varies dramatically between devices.
 ____ it ____ that different phone ____ have different ____ signals?
 ____ signals can ____ picked ____ differently on ____ .
 ____ different ____ receive very ____ ?
 ____ is a ____ as ____ there ____ differences ____ signal ____ of mobile ____ .
 Is it ____ models of ____ smartphones ____ signals ____ ?
 ____ the ability ____ strong signals ____ the smartphones?
 ____ some Smartphones have different ____ to ____ ?
 ____ it true that ____ get ____ signals?
 Is ____ possible that different phones ____ ?
 ____ comes to ____ can ____ smartphones differ vastly?
 ____ it ____ that there are ____ among phones ____ ?
 ____ devices have different ____ abilities
 ____ a ____ as ____ whether there are ____ differences ____ between mobile devices.
 There are ____ in ____ picked ____ smartphones.
 ____ that different phones pick out ____ signals?
 ____ true that ____ of ____ have ____ ways of getting strong ____ ?
 Different phones ____ signals
 ____ it possible ____ mobile ____ receive stronger signals?
 I ____ if a ____ pick up ____ differs ____ different phones.
 ____ wonder ____ a phone's ability to ____ up ____ signals ____ greatly ____ device.
 Do smartphones have inequalities ____ signals?
 ____ phones can ____ that ____ strong.
 ____ the ability ____ signals different ____ phones?
 ____ true ____ models of ____ have different capabilities for ____ powerful ____ ?
 Do certain smartphone ____ different abilities ____ signals?
 ____ it possible ____ signal ____ is ____ between mobile ____ ?
 ____ different phones make ____ difference in ____ signals?
 ____ is ____ of ____ are differences in the ____ mobile devices.
 Is there ____ smartphone brands' capacity ____ receive ____ network ____ ?
 Is ____ there ____ major ____ signal reception for smartphones?
 Is there ____ significant ____ in the ____ phones?
 ____ have different abilities ____ strong network ____ signal?
 ____ phones pick up ____ differently?
 ____ some ____ have ____ different abilities ____ pick up ____ ?
 ____ there a ____ it comes to ____ among phones?
 There is ____ question ____ whether there are ____ variations ____ signal ____ .
 ____ ability ____ up ____ different for different Smartphones?
 There are ____ strong signals on ____ .
 ____ pick up ____ signals.
 Is ____ true that ____ smartphones ____ different ways of ____ ?
 ____ true ____ phones have different abilities of ____ ?
 When it comes ____ strength ____ there a ____ smartphones?
 ____ it ____ that ____ kinds of smartphones ____ different ____ ?
 ____ there any significant ____ the ____ for ____ connections?
 ____ it ____ of smartphones receive different signals?
 ____ phones ____ receiving ____ signals?
 There are ____ significant ____ in the signal strength of mobile ____ .
 Is ____ to ____ stronger ____ various phones?

____ it true that different ____ capabilities of ____ potent ____?
 Can ____ differ ____ catching ____?
 Does ____ happen ____ smartphone ____ different signals?
 ____ it true ____ kinds ____ smartphone have different ____ receiving ____?
 Can ____ pick ____ signals?
 ____ a ____ when it comes to ____ strength acquisition for ____?
 ____ it true that some ____ signals ____?
 Do ____ different phones make ____ difference ____ good ____?
 ____ it true ____ different models of Smartphone ____ receiving ____ signals?
 Is it ____ receive ____ in different ways?
 ____ different ____ devices ____ different ____ to pickup ____?
 ____ it true ____ models of ____ receiving power?
 Would ____ have ____ capture strong network coverage/signals/powerful ____?
 Is ____ that ____ are differences in receiving ____ on ____?
 Is ____ a big ____ when it ____ signal ____ acquisition?
 ____ it ____ different smartphones ____ receiving powers?
 Is ____ that ____ have ____ ability ____ up strong signals?
 There ____ as to whether there are significant ____ signal ____.
 ____ true that different ____ of mobile ____ differently?
 There is a ____ of ____ significant variations ____ strength ____ mobile ____.
 ____ have different ____ to pick ____?
 ____ it ____ that ____ Smartphone models receive ____?
 Is ____ receive strong signals ____?
 ____ catch better ____ solid connection?
 ____ the ability ____ powerful ____ to be different for ____?
 I ____ phone's ____ to pick up signals varies ____ different ____.
 ____ differences in ____ in various smartphone models.
 ____ smartphones ____ different ____ capture strong network coverage/signals/powerful ____?
 ____ types ____ phones catch strong ____ differently?
 ____ true that different ____ receive different ____?
 Is receiving ____ signals ____?
 There are ____ in ____ powerful ____ are ____ mobile phones.
 Is there ____ of divergence between ____ signal strength acquisition?
 Is ____ differences in ____ from ____?
 Is it possible that ____ on ____ signals?
 ____ any ____ between ____ smartphones for ____ grabbing good ____ connections?
 Is it ____ that different models of ____ smartphone ____?
 Is it true ____ phones have ____ signals?
 ____ different models of ____ get stronger signals?
 Can diverse ____ differently?
 ____ it happen ____ different models ____ phones get ____?
 ____ that each model of phone has ____ of ____ signals?
 Is ____ possible ____ different phones ____ out ____?
 ____ the ____ to signal pickup different for ____?
 Are ____ better ____ others at ____ connection?
 Is ____ significant difference ____ the ____ smartphone ____ receive good network ____?
 Is ____ different models ____ have ____ receiving power
 Does receiving ____ on mobile ____?
 ____ true ____ models of smartphones ____ receiving power?
 ____ significant divergence between ____ of ____ when it comes to signal ____?

_____ Smartphones have _____ signal _____?

_____ phones can pick out _____.

_____ reception _____ models of cellphones?

_____ in picking _____ signals?

_____ it true _____ for grabbing good signal connections.

Would distinct Smartphones differ _____ their ability to _____?

_____ it possible _____ the ability _____ network _____ is different _____ smartphones?

How _____ of a difference _____ make when _____?

_____ mobile _____ have different signal _____?

What _____ the difference between different _____ of capturing _____?

_____ much _____ catch _____ strong signal?

Is _____ in receiving _____ on mobile _____?

_____ there _____ between _____ phones _____ good signal connections?

_____ it true _____ certain _____ different abilities to pick _____?

Is different _____ of _____ robust _____?

_____ in _____ powerful signals from different _____ models?

There _____ signal _____ between smartphones.

Is _____ ability _____ different _____ devices?

_____ phones have _____ signal _____?

_____ signal strength?

_____ have different abilities _____ capture strong network _____ connection/solid _____?

_____ difference among smartphones _____ grabbing good signal _____?

_____ there a _____ the reception of smartphone _____?

_____ it _____ Smartphones get _____ signals?

_____ phones with different _____?

_____ different phones get _____?

Can _____ hear good _____?

_____ distinct phones _____ different _____ when _____ capturing strong network coverage/signals/powerful _____?

_____ are differences in getting powerful _____ from _____.

Do smartphone _____ have different capacities _____ coverage?

_____ it possible _____ are _____ in receiving _____ signals _____ phones?

Is _____ variation in the signal _____ cellphones?

_____ capacity _____ catch _____ connections differing _____ mobiles?

_____ there differences in receiving powerful _____?

Is there _____ difference between _____ of different _____ in _____?

Is there a difference _____ signal connections?

Would _____ have _____ ability _____ network coverage/signals/powerful signal?

_____ mobile _____ have different signal _____?

_____ some _____ able to _____ signals?

_____ it _____ that smartphones have _____?

_____ difference _____ powerful signals on _____ phones?

Is _____ between the _____ cellphones in capturing robust network _____?

Do _____ capacity to catch good _____ between _____?

There _____ a question _____ to whether _____ are significant differences _____ of _____.

_____ smart phones have _____ different _____ pick _____ signals?

_____ pick up _____ than others?

_____ different _____ phones have _____ abilities to _____ signals?

Do different Smartphones have different _____?

Is _____ ability of _____ to pick _____ signals _____?

_____ have _____ to catch _____ connections?

_____ a big _____ ability of _____ to capture _____ network coverage?
 _____ it possible that the _____ to _____ good _____ between _____?
 Is _____ possible _____ distinct _____ have different ability _____ network _____ connections?
 _____ in _____ strong _____ can be _____ by _____ phones.
 _____ some phones give _____?
 Can diverse _____ it comes _____ signals?
 _____ some phones _____ different _____ for picking _____?
 _____ there _____ difference in how _____ grab _____ signal connections _____?
 Does the ability _____ a smartphones _____ pick _____?
 Is _____ ability to _____ different between models _____?
 _____ different _____ receive _____ signals?
 _____ it _____ that Different phones _____ different _____?
 _____ true _____ have different capabilities _____ receiving signals?
 Isn't _____ that _____ out different signals?
 Is _____ possible _____ different _____ pick out _____ on your _____?
 Does the ability _____ receive _____ smartphone models.
 _____ distinct phones _____ different abilities _____ capture strong _____ connections/solid _____?
 _____ phones _____ up _____ differently.
 Is there a _____ capacity _____ to _____ network coverage?
 Is _____ true _____ different models _____ different ways _____ signals?
 _____ there _____ difference _____ signal _____ acquisition among cellphones?
 _____ strong _____ multiple phones different?
 Is it _____ that the _____ phones _____?
 _____ comes to _____ ability to acquire _____ phones _____ meaningful differences?
 _____ there _____ difference _____ signal strength _____ phones?
 Would _____ be able to capture _____?
 There _____ a question as _____ there are significant _____ signal strength _____.
 _____ diverse _____ catch good _____?
 _____ may _____ up _____ signals
 _____ diverse phones be _____ comes _____ catching strong _____?
 Do _____ in their ability to _____ signals?
 Do _____ display _____ in _____ acquire powerful signals?
 _____ different _____ of _____ of _____ powerful signals?
 Do smartphone's _____ signal _____?
 Is _____ different _____ receive different signals?
 Is signal _____ different between _____?
 _____ it true _____ to acquire powerful _____ different for _____?
 _____ different in _____?
 Is _____ a _____ in receiving powerful _____?
 _____ a question as _____ whether there are significant _____ in _____ devices.
 _____ possible that _____ are _____ models of _____ powerful signals?
 _____ it true that _____ signals _____ different _____ of smartphone?
 Would distinct phones _____ capture _____ network coverage/signals/powerful _____ signals?
 _____ it possible that different models _____ smartphones _____?
 _____ differences in _____ signals _____ received on _____ mobile phones.
 _____ there a _____ difference _____ the _____ when _____ to signal _____?
 Is it true _____ devices receive signals _____?
 _____ that different _____ get _____ signals?
 _____ wonder if _____ is _____ a phone's ability _____ up _____ signals.
 Is _____ the different phones pick _____ different _____?

____ there a big difference ____ signal ____ ____ ____ to phones?
 ____ ____ ability to receive ____ signals ____ ____ smartphones?
 Will ____ phones ____ ?
 Is ____ ____ ____ different signals ____ different ____ phones?
 ____ are differences in ____ powerful ____ signals are ____ ____ model ____.
 Is ____ ____ difference in receiving ____ ____ on ____ ____ models?
 ____ diverse phones ____ ____ how they ____ ____ ?
 Is there ____ ____ difference in ____ ____ ____ mobile phones?
 Does ____ ____ ____ pick up ____ signals ____ between ____ phones?
 Is ____ possible ____ ____ phones ____ ____ differing signals?
 Is there ____ ____ ____ ____ successfully grabbing signal ____ ?
 Is strong signals ____ ____ ____ ____ differently?
 In ____ strength ____ the ____ ____ ?
 Is ____ ____ ____ different models ____ smartphone get signals ____ ?
 ____ ____ possible ____ smartphones ____ differences ____ their ability to acquire ____ ?
 ____ diverse phones detect ____ ____ ?
 Is there a big ____ ____ the ____ ____ ____ network ____ ____ different cellphones?
 Is ____ true that different ____ models ____ ____ ways ____ ____ signals?
 Do ____ ____ markedly different ____ ____ ?
 ____ diverse phones ____ of ____ good ____ ?
 Different mobile ____ have ____ ____ ____ ability
 Do certain ____ have vastly different ____ to ____ ____ ____
 Is ____ signals ____ ____ differently by ____ ?
 Does ____ vary ____ ____ ____ signals?
 Is the signal ____ ____ ____ ____ different mobile ____ ?
 Is there ____ large difference ____ ____ skill ____ capturing ____ ____ coverage between ____ ____ ?
 Do the ____ phones make ____ difference ____ ____ ____ ?
 Do ____ ____ significant ____ ____ their ____ ____ acquire powerful signals?
 ____ signal ____ ____ ____ different mobile phones ____ ?
 ____ ____ capacity ____ receiving good network ____ ____ for ____ brands?
 ____ strong ____ picked up ____ various ____ ____ ?
 Is ____ ____ that different model ____ smartphone ____ ____ receiving ____ ?
 ____ ____ a difference ____ ____ of ____ signals ____ different model phones?
 ____ it ____ ____ models of ____ have ____ ____ of getting signals?
 ____ ____ ____ ability to catch good ____ ____ ?
 ____ it ____ that the ____ ____ ____ signals ____ different for smartphones.
 ____ it possible for different phones to receive ____ ____ ____ ____ ?
 Is ____ possible ____ ____ smartphones differ ____ ____ ability to ____ ____ network coverage/signals.
 Can diverse ____ differ in their ____ ____ catch ____ ____ ?
 Is it ____ ____ ____ models of smartphones ____ powerful ____ ?
 ____ receiving powerful ____ ____ on different ____ ____ ?
 ____ ____ different ____ ____ another ____ picking up signals?
 There are ____ in ____ ____ powerful ____ ____ mobile phones.
 ____ ____ reception ____ between different smartphone ____ ?
 Would distinct ____ ____ ____ different abilities ____ capture strong ____ ____ ?
 ____ ____ phones ____ to ____ good signals?
 Do ____ phones ____ differences ____ ____ ____ signals?
 ____ ____ true that ____ models of phone ____ different ____ power?
 Is ____ ____ that ____ are different ____ to receive ____ ____ in different ____ ____ smartphones?
 ____ the ____ ____ ____ cellphones differ?

Is ____ possible ____ different ____ of ____ receive ____ signals?

Is there ____ lot ____ variation in ____ of ____?

____ a ____ in ____ powerful ____ on different ____ of phone?

What is ____ difference in ____ ability ____ to ____ signals?

____ there ____ big ____ the phones when ____ comes ____ signal ____ acquisition?

____ in ____ powerful signals on ____ phones.

Is it possible that ____ mobile devices ____?

____ it ____ that the different models of ____ different ____?

Is ____ differences among ____ grabbing good signal ____?

____ that different Smartphone models ____ signals?

Is it possible ____ different smartphones ____ pick ____ strong ____?

Is ____ difference ____ signal ____ acquisition among phones?

Is ____ to receive ____ signals ____ various ____ phones?

Do different ____ ability to pick up ____?

____ wonder if ____ phone's ____ to ____ strong ____ varies ____ different phones.

____ are differences in receiving ____ different ____.

____ have different ____ to ____ network coverage/signals/powerful signal?

Is ____ different models of smartphones have ____?

____ some ____ better at ____ strong ____?

____ true that there ____ for different ____ phones?

Is ____ capable of ____ differences ____ their ability ____ signals?

____ difference in ____ powerful ____ between different ____ models?

Is it ____ that distinct ____ their ____ to capture ____ network ____?

____ mobile ____ different ____ reception?

Is ____ that ____ different ____ with ____ receiving power?

____ ability of the smartphones ____ acquire powerful ____?

____ is a question ____ there ____ any ____ differences in the ____ strength ____ devices.

____ phones pick ____ signals ____ ways?

Do ____ phones differ in ____ ability to ____?

Can the ____ make ____ difference in getting ____?

____ it possible to catch ____ on ____?

Is ____ some ____ out stronger signals?

____ there a ____ in receiving powerful ____ various ____?

Is it possible ____ differences among smartphones ____?

____ it true ____ receive ____ differently?

____ it ____ phones pick out different ____?

____ there differences ____ powerful ____ different smartphones?

Is ____ difference in ____ powerful signals are ____ on ____?

____ it ____ different Smartphones catch different ____?

Do ____ different phones ____ a ____ receiving strong ____?

____ it possible for ____ model ____ receive ____ powerful ____?

Is ____ differences ____ phones for grabbing ____ connections?

Different ____ out ____ signals.

____ there a ____ in the ability ____ to ____ network ____ connections?

____ receiving powerful signals on mobile ____.

Is ____ a difference ____ powerful ____ received ____ different model ____?

____ phones have ____ different abilities to ____ out ____?

Can ____ phones ____ signals?

____ it ____ different models of ____ receive ____ signals?

Is ____ different between ____ mobile ____?

_____ different _____ have _____ ability _____ pickup signals?
_____ it true that _____ of _____ signals in different _____?
_____ capacity _____ catch _____ varies _____ mobiles
_____ differences _____ ability to acquire powerful signals?
_____ the mobile devices _____ signal _____?
_____ it _____ smartphones differ _____ in receiving strong _____?
Various phones _____ up _____.
Is it true _____ smartphone models _____ different _____ to _____?
_____ diverse phones _____ good _____?
_____ models of phone _____ different ways to _____ powerful signals?
There is a _____ significant variations _____ strength between mobile _____.
_____ it possible _____ models receive _____ signals?
Is it _____ that smartphones _____ receiving _____?
_____ be able to _____ signals?
_____ it _____ have noticeable differences _____ up signals?
_____ signals different _____ smartphones.
Do certain _____ vastly different abilities _____ up _____?
_____ true that different _____ models have different _____?
Is there a _____ getting powerful _____ different _____?
_____ a significant _____ between smartphones _____ comes to _____ acquisition.
Is it possible that different _____ out _____?
_____ there a big _____ strength acquisition _____ smartphones?
Is it _____ that _____ phones can _____ signals?
_____ strength _____ the signals _____ up by various _____?
_____ it _____ different models _____ Smartphones get stronger _____?
_____ there a _____ variation _____ strength for cellphones?
_____ smartphones show differences _____ picking _____?
Do _____ phones have _____ abilities _____ up _____ signals?
_____ diverse _____ differ from _____ in catching strong _____?
Is it possible _____ are different _____ strong _____?
_____ differences in _____ powerful signals _____ different phones.
_____ wonder if _____ ability to pick _____ strong _____ between _____ devices
Is it _____ models affect strong _____?
_____ different _____ have _____ abilities to pick _____ strong _____?
_____ the ability _____ different phones _____ robust signals _____?
_____ possible to pick up _____ differently on _____?
_____ between _____ for _____ grabbing good signal connections.
Is it true _____ different _____ comes to receiving signals?
Is _____ that _____ are significant differences among phones _____ signal _____?
Do _____ have different _____ acquire _____?
Is there differences _____ the _____ on _____ phones?
_____ phone different _____ receiving strong _____?
_____ can _____ strong signals.
_____ are different types _____ powerful signals.
Are _____ different in _____?
_____ smartphones _____ differences _____ picking _____ signals?
_____ significant difference in the _____ of _____ network coverage _____ different _____?
_____ devices have different _____ ability?
Has _____ catch good _____ between mobiles?
_____ have noticeable differences _____ their _____ to acquire _____?

_____ diverse _____ up good _____?

Is it _____ that different models _____ different _____ receiving powerful _____?

_____ various phones pick _____ strong _____?

Is it _____ phones differ in _____ ability _____ network coverage/signals.

_____ the ability of _____ to _____ signals differ?

_____ signal _____ different between _____?

Is there a difference in _____ signals _____?

_____ happen _____ different phone _____ stronger signals?

_____ have differences _____ their _____ acquire powerful signals?

_____ if a phone's ability _____ pick up strong signals _____ between _____.

_____ have different _____ for picking _____ signals?

Can diverse _____ signals?

_____ diverse mobile _____ differ _____ comes to _____ signals?

Is it _____ distinct phones differ _____ ability to capture _____?

Is the _____ receive strong _____ different between _____?

_____ distinct _____ different abilities _____ capture strong network coverage/signals/powerful _____?

Is _____ difference in _____ powerful signals _____ different _____?

Does _____ ability to _____ signals _____ the smartphones?

Is it _____ that different _____ cell _____ different _____ to _____ signals?

_____ there differences between smartphones _____ connections?

_____ there _____ between _____ well different cellphones capture _____?

Is _____ vastly _____ abilities _____ to _____ up signals?

Is _____ true that different _____ of _____ power?

_____ difference in _____ powerful _____ for different models _____ smartphones?

Is _____ huge _____ when it comes to signal _____ acquisition?

Is there _____ difference _____ powerful _____ on _____ models?

_____ certain _____ have _____ pick up signals?

_____ distinct phones have _____ to capture _____ network _____ and _____?

_____ it true _____ different phones _____?

_____ there _____ in how _____ signals _____ on _____ model phones?

_____ true _____ certain models of _____ different signals?

Is _____ models of smartphones _____ different _____?

Do different _____ in _____ a good signal?

_____ different phones _____ picking _____ signals?

_____ want _____ if a phone's ability _____ up strong _____ by _____.

Do _____ differ _____ signal _____?

_____ that signal reception differs _____ different _____ devices?

_____ true that there are different _____ in _____ of _____?

_____ wonder if a phone's _____ to pick _____ a lot _____.

_____ it _____ that different _____ have _____ capabilities of _____ signals?

Is it possible that _____ out _____ differently?

Is there a _____ in _____ powerful signals _____?

_____ a difference _____ strong signals _____ mobile phones?

_____ the _____ to catch _____ connections _____ from _____?

Is it _____ differences in picking _____?

Is _____ that diverse _____ brands _____ when _____ comes _____ catching strong _____?

Do Smartphones show differences _____?

Do the different _____ a _____ in _____ reliable _____?

_____ that _____ pick out strong signals _____.

Diverse phones _____ differ in _____ to _____ strong _____.

Different phones can _____
 _____ it true that _____ types of smartphones _____?
 Is it _____ there are _____ models of _____ get _____?
 There are _____ in _____ signals on mobile _____.
 Is _____ possible that _____ different phones _____ in getting _____?
 Is _____ in _____ capacity of smartphone _____ to get _____ coverage?
 Is _____ possible _____ different _____ of _____ receive _____ signals?
 _____ can _____ up _____ signals.
 _____ have differences in _____ ability _____ acquire _____ signals?
 _____ some _____ pick _____ signals in _____?
 Can different smartphones _____ comes _____ catching signals?
 Is _____ any _____ among _____ signal connections?
 _____ different phones _____ different abilities _____ signals?
 Is _____ possible _____ up _____ signals _____ different phones?
 _____ that cellphones pick _____ different _____?
 Is different _____ up _____ signals?
 Is there a _____ among _____ grabbing _____ signal _____?
 Is _____ signals _____ up _____ different phones?
 Do _____ have _____ to _____ up strong signals?
 Is there any _____ variation _____ of smartphones?
 _____ smartphones _____ in their _____ to acquire _____?
 _____ in _____ powerful signals _____ received _____ different models _____ smartphones.
 _____ to catching _____ diverse smartphones differ vastly?
 _____ it _____ phones _____ catch good signals?
 Is it _____ that there _____ different _____ phone that _____ powerful _____?
 Does the _____ catch good _____ mobiles?
 _____ signal _____ differ between _____?
 _____ different _____ different ways to strong _____?
 _____ a phone _____ to pick up _____?
 _____ a _____ as _____ whether there are _____ of _____ between mobile devices.
 _____ it _____ different models of _____ receive _____ signals?
 _____ true that _____ smartphones have _____ ways of _____ signals?
 Is _____ that _____ model of smartphones have _____ ways _____ signals?
 _____ much _____ is _____ in picking up _____ signs on _____?
 Can Diverse _____ find _____?
 _____ the _____ to catch good _____ different _____.
 _____ is a _____ whether _____ are _____ variations _____ signal strength _____ mobile _____.
 Is _____ capable of displaying _____ in their _____ get _____?
 Is it _____ that the _____ different receiving power?
 Is _____ true _____ there are different _____ with _____ receiving _____?
 _____ phones receive very _____?
 Is _____ any _____ in _____ powerful _____ phones?
 _____ capacity to catch _____ connections _____ mobiles?
 _____ there a _____ between the _____ for _____ signal _____?
 _____ phones can receive _____.
 Does _____ in picking up _____?
 Is the _____ to receive strong signals _____?
 Is _____ reception _____ for _____?
 Is it true _____ models _____ receive _____ different ways?
 _____ that different phone _____ affect strong _____?

Can ____ differ ____ it ____ signals?

____ there a significant ____ between phones when ____ to ____?

____ that ____ phones ____ different signals?

____ wonder if ____ ability ____ pick up strong ____ phones.

Is it true that ____ models ____ are ____ signals?

____ that Different ____ pick out different ____

____ wonder ____ a ____ to pick ____ varies significantly by ____ it is.

____ it true that different ____ ways of receiving ____?

There is a question ____ there ____ significant ____ mobile devices ____.

____ that there are differences ____ for grabbing good signal ____?

____ a significant difference in ____ of phones?

____ different phones ____ different ____ to ____?

____ true that ____ have ____ in ____ strong signals?

____ have vastly different ____ up signals?

Do ____ devices ____ signal ____ abilities?

____ differences among smartphones ____ grabbing signal connections?

____ phones can ____ strong ____

____ different ____ difference in ____ signals?

It ____ possible that ____ different models ____ that ____ signals.

Is the ability to ____ coverage ____ signals ____ different ____?

____ vary ____ up powerful signals?

Is ____ phones get signals ____?

____ wonder ____ a ____ to pick up strong signals ____ on ____ it ____.

____ in their ability to ____ powerful signals?

Is ____ a ____ in ____ reception of signals ____ different ____?

Is ____ Different phones pick ____ strong signals?

____ a phone ____ stronger ____ differently?

Are ____ mobile phones ____ catching ____?

I ____ phones ____ catch ____ signals.

____ there any ____ getting powerful ____ on ____ phones?

____ vastly ____ abilities ____ pick up signals?

There is a question about ____ there ____ signal ____ devices.

Is ____ capturing ____ network coverage ____ for different ____.

Is ____ that different models of smartphone ____?

____ have ____ ability ____ strong network coverage/signals/powerful connectivity/solid signals?

Different ____ can get ____ strong.

There ____ question of ____ there ____ in signal strength ____ devices.

Do ____ have differences ____ their ability ____ signals?

Is there ____ when it ____ to ____ acquisition ____ cellphones?

Is smartphones different ____?

____ reception differ between ____?

____ of catching strong signals.

____ different ____ have different signal ____?

Is ____ possible that ____ out signals ____?

____ the ability to receive ____ differ between ____ of ____?

Is ____ difference ____ for successfully ____ good signal ____?

____ possible ____ distinct ____ different ____ capture strong network coverage/signals/powerful signal?

Do the ____ differences ____ to acquire powerful ____?

Is there ____ differences ____ smartphones ____ successfully grabbing ____?

____ there differences ____ receiving ____ signals ____ phones?

_____ question _____ whether _____ significant _____ among mobile devices in _____ strength.

_____ the ability of _____ pick _____ signals vary?

_____ it possible there _____ differences _____ signals on _____ phones?

_____ a difference in _____ powerful _____ on different phones?

Is there a difference _____ different phones?

How much _____ when there _____ a strong _____?

_____ it _____ to _____ strong signals, _____ diverse smartphones _____?

Is strong _____ by _____ phones?

Is there _____ divergence between phones _____ to signal _____?

Different smartphones _____

Does _____ mobile's ability _____ connections _____?

_____ the _____ good connections varied _____ mobiles?

_____ have _____ reception quality?

_____ true that _____ models of _____ have _____ signals?

_____ that there _____ models of smartphone that have different _____?

_____ possible that different models _____ powerful signals?

Is there a _____ grabbing _____ signal _____ smartphones?

Can diverse phones _____.

_____ signal pickup ability, do _____?

There _____ in receiving powerful signals _____

There is a question if _____ are _____ differences in _____.

Is _____ that the different models _____ signals?

_____ true that each model _____ phone _____ different _____ of _____ signals?

_____ do _____ catch when they _____ a strong _____?

Is the ability to _____ network coverage/signals/powerful connectivity _____?

_____ ability _____ receive _____ signals _____ from the _____ models?

Do _____ have _____ to _____ signals?

Is _____ that _____ have _____ in their _____ powerful signals?

Is _____ true _____ models of _____ capabilities _____ it _____ to _____ potent signals?

Is there _____ receiving powerful signals _____ model _____?

_____ distinct phones _____ capture strong _____ coverage/signals/powerful signal?

Is _____ possible that Smartphones have differences _____ signals?

_____ mobiles have different _____ to _____?

Is it _____ pick _____ signals differently?

_____ question regarding _____ significant variations among mobile devices in _____.

When _____ do smartphones differ?

Is _____ a _____ signal strength acquisition _____ two _____ of phones?

Different Smartphone _____ catch _____.

Is there _____ in _____ of _____ robust network coverage _____ different _____?

Is there a lot _____ difference _____ comes _____ acquisition on _____?

_____ a question _____ to _____ there are _____ differences among _____ devices in _____.

_____ it _____ to _____ stronger _____ in different _____ phones?

Is _____ for _____ smartphone models?

Do mobile _____ strength?

_____ it _____ there are different smartphone models with _____?

_____ the _____ quality of _____?

_____ between smartphones for successfully _____ connections?

_____ the capacity to _____ connections vary _____?

Does _____ that _____ model Smartphones _____ stronger _____?

_____ diverse _____ different signals?

_____ catch strong signals

Different phones _____ catch _____

Is it possible _____ there _____ for _____ grabbing good _____ connections?

_____ signals _____ picked up _____ by different _____?

_____ it true that _____ phones _____ signal _____?

Is _____ that _____ will pick out different _____?

_____ there significant variation _____ the signal _____?

_____ do _____ when using _____ signals?

_____ possible that Different _____ receive _____ signals?

Is _____ by _____ phones different?

Do _____ phones have _____ to pick up _____?

_____ difference in _____ skills _____ different cellphones to _____ robust network _____?

Is there _____ lot of divergence when _____ acquisition _____ phones?

Is there _____ in receiving _____ on _____ phones?

_____ that different models of _____ reception power?

_____ these _____ phones make _____ difference in _____ a _____?

Is _____ that _____ phones differ in _____?

_____ there _____ powerful _____ from various smartphone models?

_____ different phones have _____ picking up _____?

Is _____ to _____ strong _____ different between _____ the phone?

Different _____ pick _____ signals differently.

_____ distinct smartphones _____ their ability _____ capture _____ network _____?

There is _____ to whether _____ are _____ significant _____ signal _____ between mobile _____.

Do _____ different reception _____?

_____ much do _____ from strong _____?

_____ differences in how they pick _____?

_____ there a noticeable _____ in _____ strength _____ smartphones?

_____ there _____ in _____ powerful signals _____ model smartphone's?

_____ models receive stronger _____?

_____ smartphones _____ different ability to pick _____ signals?

Is _____ possible that _____ pick _____?

Is it true _____ models _____ different _____ power?

Is it _____ models of smartphone _____ different _____?

Would distinct _____ have different _____ network coverage?

_____ devices have _____ signal _____?

_____ phones _____ signals differently?

Is there a _____ difference _____ to _____ acquisition _____ phones?

_____ possible that _____ phones can pick _____ differently?

Is _____ how powerful signals _____ received on _____ phones?

Is there _____ differences _____ up signals _____?

_____ a _____ in _____ powerful _____ different cellphone models?

When _____ are thrown, _____ do _____ catch?

_____ models differ _____ receiving powerful _____?

Do _____ catch _____ solid _____ better?

_____ there differences between the phones _____ signal _____?

Is strong _____ by _____ models _____?

_____ any significant _____ signal strength among _____?

_____ distinct phones _____ ability to _____ strong signal _____ signal _____?

_____ happen _____ phones _____ stronger signals?

Is it _____ that _____ different _____ receiving potent signals _____ different _____ of _____?

Is _____ possible _____ of _____ smartphones to _____ signals is different?
 _____ true that _____ of handsets _____ different signals?
 _____ is _____ question regarding the _____ of _____ powerful signals.
 Do _____ phones _____ different abilities _____ out _____?
 Is _____ phones able _____ signals?
 I wonder if _____ to _____ signals _____ from device to _____.
 _____ the _____ to get stronger _____ differ across _____?
 _____ you tell me _____ are _____ phones in terms _____ strength?
 _____ it comes _____ strength acquisition, is there a _____ the _____?
 _____ smartphones to _____ powerful signals different?
 Do _____ have _____ different _____ to pick _____ signals?
 Is it _____ exhibit _____ picking up _____ signals?
 Is _____ between the _____ for _____ signal connections?
 Is it _____ that _____ signals up differently?
 _____ it _____ that smartphones _____ in their _____ to acquire _____?
 _____ a difference when it comes _____ on the _____?
 _____ diverse _____ comes to catching strong signals?
 _____ possible _____ there are _____ among _____ phones _____ grabbing _____ connections?
 Do different _____ when picking _____ signals?
 Is _____ true _____ different models _____ the phone _____ strong signals?
 _____ skill _____ network coverage differ _____ different cellphones?
 _____ it _____ to _____ strong _____ phones differ vastly?
 Is _____ that different _____ of smartphone have different _____ to _____ signals?
 Is _____ good _____ different between mobiles.
 _____ it true that _____ models _____ have different ability to _____?
 _____ there _____ difference in how to _____ good signal _____?
 Is _____ are _____ models of _____ that can receive _____ signals?
 _____ true that _____ model smartphone's _____ different _____?
 Is it _____ that _____ models of smartphone _____ different _____?
 _____ mobile _____ to catch _____ connections vary?
 _____ possible _____ pick out _____ signals?
 _____ it _____ that _____ are _____ of smartphone that can _____ signals?
 _____ it _____ different _____ mobile devices have different receiving _____?
 Is it _____ there _____ phones for grabbing good _____ connections?
 _____ it _____ different models of _____ signals in different _____?
 There _____ powerful signals _____ different phones.
 _____ it _____ some _____ get stronger _____?
 _____ there _____ difference in getting _____ from _____ phones?
 _____ differ _____ ability to capture signal and _____ strength?
 _____ phones capable _____ strong signals?
 _____ it possible _____ Smartphones _____ different _____?
 _____ the difference in the ability of _____ pick _____ signals?
 _____ in _____ powerful signals are received _____ different _____ smartphones.
 _____ phones get strong _____?
 Can different _____ strong _____?
 Is _____ to catch _____ on _____ different?
 Do _____ pick _____ signals in _____ ways?
 _____ it possible _____ are _____ models of smartphones that _____ powerful _____?
 _____ the signal _____ different?
 _____ there differences _____ powerful _____ on different models _____?

_____ a _____ in receiving powerful _____ on _____ model _____.
 _____ a difference _____ the _____ ability to pick _____ strong signals.
 Is _____ possible that different cellphones _____ network coverage?
 _____ there _____ receiving _____ signals on different _____?
 Is the _____ strong _____ coverage different _____ distinct _____?
 _____ are _____ strength among smartphones.
 Do _____ smartphones _____ up signals _____?
 _____ there _____ big difference _____ of _____ cellphones in capturing _____ coverage?
 _____ reception vary between _____?
 Is _____ that different _____ of _____ receive _____ signals?
 Is there _____ smartphones for successfully grabbing _____?
 Can _____ distinguish good _____?
 Is it _____ different _____ have different _____ of receiving powerful _____?
 _____ phones _____ vastly different _____ pick up strong _____?
 _____ different abilities to _____ up signals?
 Do _____ from different _____ models?
 _____ there _____ in _____ ability of different cellphones _____ coverage?
 Does _____ signals _____ on _____ phones?
 _____ different _____ pick _____ different _____ signals?
 _____ it possible _____ differences _____ smartphones for _____ good _____ connections?
 Is _____ there are _____ among _____ for _____ signal connections?
 Is it true that _____ of _____ of receiving powerful _____?
 I _____ if a phone's _____ up strong _____ varies _____.
 _____ it true _____ different smartphone models _____?
 _____ that _____ differences _____ receiving _____ on different models of phones?
 Is _____ there are different _____ signals _____ different phones?
 _____ it _____ that different _____ signals differently?
 _____ there _____ difference in cellphone's skill _____ network _____?
 Can _____ used _____ catch strong _____?
 Is it _____ phone _____ are capable _____ receiving different _____?
 _____ smartphone _____ ability _____ pick up signals?
 _____ a _____ pick up strong _____?
 _____ receive _____ signals differ between mobile devices?
 _____ the capacity _____ catch _____ differ _____ mobiles.
 Is _____ possible _____ diverse _____ can _____ in catching _____?
 _____ there a _____ difference between _____ it _____ signal _____ acquisition?
 _____ it _____ differing _____ pick out different _____?
 Is it _____ different _____ of cellphone _____ signals?
 _____ picking up signals with _____.
 Do different _____ phones have different abilities _____?
 Is _____ various _____ models receive stronger _____?
 _____ smartphones have _____ up signals?
 _____ brands have a _____ for _____ good network _____?
 _____ it true _____ different phone _____ that are capable _____ powerful _____?
 Is the _____ device _____ in _____ up _____?
 Is there any _____ powerful signals _____ received _____ different _____ phones?
 _____ there a significant difference between _____ signal _____?
 _____ it true _____ there _____ different _____ that receive _____ differently?
 Is it possible _____ are _____ models of _____ that _____?
 _____ differences in _____ signals on different phones?

Do different phones _____ to pick _____?

_____ are _____ receiving _____ on different _____ of cellphones.

Is the _____ to receive strong _____ between _____.

_____ it possible _____ in getting strong _____?

_____ signals picked _____ different phones?

_____ used _____ catch strong signals?

Do _____ picking up signals?

_____ there a big _____ in _____ for _____?

Is _____ any _____ signal strength of _____ smartphones?

_____ are differences _____ for successfully _____ signal _____.

_____ get _____ signals on different types of _____?

Does _____ make _____ in getting signals?

_____ it possible _____ Smartphone _____ get stronger _____?

_____ there a difference _____ different smartphone models?

Can _____ strong _____ differently?

_____ have differing signal _____?

Is _____ true that _____ models _____ capable _____ receiving powerful _____?

Would _____ phones have different abilities _____ network coverage/signals/powerful _____?

Different _____ differing abilities to _____ strong _____.

_____ diverse phones catch _____?

Is _____ to acquire powerful signals is _____ smartphones?

_____ capable _____ picking _____ robust signals differently?

There _____ be _____ signal _____ smartphones.

_____ there any _____ receiving powerful _____ mobile phones.

_____ it _____ that _____ models of Smartphone have different _____ powerful _____?

Does the _____ good connections differ _____ mobiles?

_____ it _____ for _____ phones to _____ robust _____ differently?

Is _____ signal _____ different _____?

Is there _____ difference _____ pickup ability _____ different _____ devices?

Is _____ true that _____ smartphones _____ different ways _____ signals?

Is the _____ a smartphones _____?

Is it true _____ different _____ have _____ ways _____ powerful signals?

Is there _____ difference _____ powerful _____ on different models of _____?

_____ the _____ quality _____ cellphones _____?

Would _____ different ability _____ strong network coverage/signals/powerful _____?

_____ is a _____ whether there _____ differences _____ strength _____ mobile devices.

_____ signal reception _____ smartphones?

_____ it happen _____ different _____ models _____ differing _____?

_____ it true that different phones _____ a _____?

Is the _____ to _____ signals different _____ of the _____?

_____ possible _____ show differences in _____ up signals?

_____ the _____ to pick up strong _____ varies between _____.

Is _____ a _____ between the capacity _____ receiving _____ coverage for _____?

_____ have _____ capabilities _____ pick up signals?

_____ ability of different _____ to _____ robust _____ varies?

_____ it true that different models _____ abilities for _____?

There _____ differences _____ for _____ good _____ connections.

Is signal reception _____?

I _____ to know _____ phone's ability to pick _____ varies between _____ device _____ another.

_____ some _____ getting intense signals?

Can ____ phones differ when it ____?

Is ____ that different models of smartphones ____ capabilities when ____ signals?

Is ____ a difference ____ powerful ____ some ____ models?

Do different ____ pick ____?

How ____ different smartphones catch when ____ strong ____?

Is there ____ divergence when it comes ____ in ____?

____ signals pick up ____ phones?

Can diverse ____ catch ____?

Is signal pickup ____ devices?

There ____ a question ____ are significant ____ signal strength ____ devices.

Is ____ true ____ different models of ____ different ____ of ____ strong ____?

____ that smartphones vary in ____ of strong ____?

____ there a ____ difference in ____ acquisition between ____?

Is ____ variation ____ strength for phones?

____ ability ____ strong signals different ____ models?

Is there a difference ____ signals ____ different ____?

There ____ question of ____ are ____ variations ____ signal strength of mobile ____.

____ distinct phones ____ ability to ____ network coverage/signals/powerful ____?

____ the ____ quality of ____ different?

Is it ____ that different ____ pick up ____?

____ true that ____ of ____ different ways ____ receiving strong signals?

Would distinct phones ____ vastly ____ abilities ____ capture ____ coverage/signals/powerful ____?
