

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Construction and development applications
Inquiry Sub-Category	Permitting and Approval Guidelines
Description	Customers inquire about the specific permits, inspections, and approvals necessary for construction or development projects involving water and wastewater utilities.
Data Size	5,023 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What ____ are mandatory ____ process ____ pipelines within industrial areas?

What ____ performed when underground pipes ____ put ____ factories?

____ are the ____ for ____ pipe ____ industrial areas?

____ be required checks for ____ sewer ____ industrial ____?

____ installing ____ in an ____ zone, ____ you tell ____ about ____ inspections?

____ inspections for setting up ____ pipes in ____ zones?

I am ____ a list of ____ inspections ____ lines ____ areas.

____ required ____ installation ____ underground sewer lines ____ industrialized zones?

____ know ____ of compulsory inspections ____ must be followed for ____ sewage ____ industrial areas.

____ sewage ____ in an ____ zone can you tell ____ the ____?

____ of sewage lines ____ requires ____ inspections.

There ____ mandated ____ for installing ____ pipes beneath ____.

____ inspects for sewer pipes ____?

____ are ____ compulsory checks ____ sewer pipes ____ industrial ____?

____ a mandated test ____ installing ____ pipes ____ industrial ____?

____ specific inspections ____ when installing subterranean ____ industries.

____ you tell us about ____ for ____ in an industrial ____.

____ to know ____ inspections ____ when installing ____ in ____ sectors.

What ____ are ____ for underground ____?

____ are the ____ for underground sewage ____ installation ____ industrial ____ an ____ arises?

What are ____ compulsory checks ____ installation ____ sewage ____ industrial ____?

When laying ____ industrial ____ are ____ any ____ evaluations?

____ of ____ pipe installation in industrial ____ are ____ compulsory checks?

Do you know ____ required ____ for underground ____?

Is ____ sewer pipes ____ industrial areas ____ an ____?

I'd like to know ____ compulsory inspections ____ in industrial ____.

Which ____ must be ____ underground wastewater pipes ____ and businesses?

Required checks ____ in ____ industrial ____.

_____ compulsory inspections must _____ when installing underground sewage lines _____?
 _____ underground sewage pipe _____ in _____ in _____ of an issue
 _____ of _____ it, what are the _____ checks for _____ sewage _____ in _____ areas?
 _____ require _____ inspections _____ the _____ of sewage _____ in industrial _____?
 _____ possible _____ detail the _____ underground industrial sewage pipes _____?
 Is there _____ information _____ the necessary inspections _____ sewage _____ areas?
 Are _____ when installing _____ industrial areas?
 _____ want to know a _____ of _____ compulsory _____ must be _____ install sewer _____ areas.
 I _____ like to know _____ list _____ compulsory inspections _____ sewage _____ industrial _____.
 _____ you require specific _____ the installation _____ industrial zones?
 _____ checks need to be _____ installing sewer _____ within _____?
 What _____ requirements for _____ lines in industrial _____?
 _____ any _____ for _____ sewer pipes _____ industrial areas?
 compulsory _____ for _____ installation in industrial areas _____ event _____ needing _____
 _____ there _____ compulsory _____ for installing sewage conduits _____ areas?
 I need _____ inspections _____ must be _____ to install sewer _____ industrial areas.
 _____ the _____ for underground sewage _____ in industrial areas?
 There are compulsory checks _____ installation of _____ areas.
 _____ to explain the _____ checks _____ underground _____ sewage pipes _____?
 Are _____ necessary for _____ waste pipes _____?
 _____ compulsory _____ industrial underground _____ line installations?
 _____ you know which _____ needed _____ sewer lines in _____?
 _____ certain _____ done when installing subterranean sewer within industries.
 Which checks _____ performed _____ sewer _____ in _____ sites?
 How are sewer line _____ areas?
 Can _____ tell _____ the _____ of _____ inspection for _____ conduits _____ industrial areas?
 _____ you require specific inspections _____ the _____ lines in industrial _____?
 Do _____ the _____ checks _____ industrial _____ pipes installation?
 _____ necessary _____ conduct specific inspections when _____ sewer within _____?
 _____ tests _____ required when _____ under _____ or in _____ areas?
 _____ there be _____ for sewer _____ in _____ areas?
 _____ like to _____ of _____ that are needed to install sewer _____ in _____ areas.
 _____ sewer pipes _____ industrial _____ require mandated tests.
 _____ you tell _____ required _____ sewage pipes _____ an industrial area?
 _____ checks _____ sewage pipe _____ in industrial _____ in case _____ issue
 _____ inspections for the installation _____ lines in industrial _____?
 _____ placing _____ drain underneath _____ evaluations are necessary?
 _____ there _____ for sewer line _____ industrial areas?
 Should sewage _____ be _____ areas, _____ a list of compulsory inspections.
 Is _____ when installing sewage pipes _____ an industrial _____?
 _____ underground waste _____ at factories?
 _____ should _____ when laying _____ ground wastewater _____ industrial areas.
 _____ checks when _____ sewer in _____ zones?
 _____ me the list of _____ inspections for _____ of sewage conduits _____ the _____?
 Is it _____ inspection _____ sewer pipes in _____ areas?
 _____ required for putting underground _____ pipes in _____?
 Installation _____ industry areas _____ Inspections?
 Is there _____ inspections _____ setting up sewage pipes _____ zones?
 Inspection _____ sewer lines _____ required?
 _____ it necessary _____ perform _____ sewer pipes _____ industrial areas?

_____ areas inspected _____ line installations?

_____ the process for inspecting _____ sewage lines _____?

_____ tell _____ the required checks when _____ pipes _____ industrial area?

Is it _____ to install subsurface sewers _____ areas?

Do _____ mandate _____ inspections during _____ of sewage pipes _____?

_____ needed _____ putting in wastewater drain _____ factories' _____?

Which _____ is required to install _____ underground _____?

_____ need to _____ when installing sewer pipelines in industrial _____.

_____ checks should _____ sewer installations _____ industrial zones.

Installation of sewage _____ beneath industrial _____ subject to _____.

_____ are the _____ checks _____ sewage pipe _____ in _____ the event you need _____?

I _____ if _____ could give me _____ list _____ compulsory _____ sewage lines underground in _____.

Before _____ which tests are _____?

_____ inspections _____ be completed to _____ underground _____ lines in _____ location?

_____ it mandatory to _____ when setting up _____ sewage _____?

_____ any _____ evaluation when laying below-ground _____ conduits _____ industrial areas?

Is there _____ compulsory _____ when laying _____ in _____ areas?

I need _____ know _____ are _____ installing _____ pipes _____ industrial sectors.

I _____ to know _____ compulsory Inspections _____ Installation _____ Industrial Areas.

_____ information you can give about the required _____ sewage _____ industrial areas?

Can you tell _____ about the _____ for _____ sewage pipes _____?

_____ you tell me the _____ list for _____ sewage _____ in _____ Industrial _____?

I _____ to _____ of compulsory _____ for _____ installation in _____ areas.

Can _____ the _____ inspections for _____ conduits _____ the Industrial Areas?

I _____ to know _____ Installation in Industrial Areas

What _____ necessity for _____ sewer inspections _____?

_____ putting underground _____ factories, _____ sewage _____ are required?

During _____ setup _____ of below-grade sewage piping within _____ industrial _____ about any _____ inspection _____.

_____ there _____ inspections for setting _____ pipes in industrial _____?

_____ there is a list of compulsory _____ for _____ installation _____ areas.

I _____ if you _____ give me a list _____ compulsory _____ installing _____ industrial areas.

Installation of _____ pipes _____ involve checks.

_____ sewer exams required for _____ site _____ installation?

I need to know _____ list _____ inspections _____ industrial areas.

_____ it necessary for industrial _____ have _____ checks during _____?

_____ of _____ beneath industrial _____ to mandated tests.

_____ like to know _____ are necessary _____ in industrial sectors.

Required checks _____ required _____ install _____ zones.

_____ the list _____ compulsory inspections for _____ in the _____ Areas.

_____ need to know _____ inspection _____ when _____ pipes in industrial _____.

What _____ be performed _____ installing sewer _____ sites?

I need a list _____ compulsory _____ be _____ to _____ sewer pipes in _____.

Is there any _____ tests _____ of _____ industrial premises?

_____ when installing _____ in _____ zones.

When installing _____ industrial sites, _____ must be _____?

If sewage lines are installed _____ industrial _____ like to _____ of _____.

_____ installing sewers in industrial zones, _____?

_____ am _____ list _____ inspections for _____ sewage _____ in the Industrial Areas.

I _____ know _____ inspections are needed _____ lines in industrial _____.

_____ the event of a need _____ industrial _____ are _____ compulsory checks?

_____ there _____ inspection _____ for laying sewer _____ industrial _____.

_____ tell me _____ list of compulsory inspections _____ conduits in _____?

_____ necessary _____ conduct checks _____ installing sewer in _____?

_____ the _____ of a _____ underground _____ pipe installation _____ an industrial area, _____ the _____ checks?

When _____ sewer _____ an industrial zone, _____ tell me _____ required _____?

_____ you tell _____ necessary _____ for installing sewage _____ an industrial _____?

Can you tell me _____ underground industrial sewage _____?

_____ to be specific _____ when _____ subterranean _____ within industries?

_____ pipes _____ industrial premises?

_____ a need for _____ to _____ sewers _____ manufacturing areas?

_____ to know _____ compulsory inspections that _____ be followed to _____ in industrial areas.

Is _____ an _____ requirement _____ pipes underground in _____ areas?

Which _____ required for _____ sewage line _____ in _____ industrial _____.

Does the _____ underground sewage _____ in _____ need _____ checks?

_____ be _____ tests when installing sewer _____ industrial _____.

_____ to _____ the list of _____ inspections for _____ conduits in _____ industrial _____.

Is there a list of _____ for installing _____ conduits _____?

_____ know _____ number _____ inspections _____ to install sewer lines _____ industrial areas.

_____ the _____ for the installation _____ underground _____ in _____ in the event _____ an issue?

I want to _____ of _____ inspections that must _____ followed to _____ in industrial _____.

Can you _____ a _____ inspections for _____ installation of sewage lines in _____ areas?

I would like to _____ details _____ inspections _____ installation of underground _____ in _____ areas.

_____ is the _____ checks for _____ sewage _____ installation in _____?

_____ place during the setup _____ sewage piped under _____?

_____ any information you _____ necessary _____ installing sewage _____ in industrial areas?

Is there _____ requirement for _____ installing _____ industrial _____?

_____ specific _____ when installing _____ pipes in _____ zones?

_____ are the sewer _____ installed in _____ area _____?

_____ possible _____ details of the necessary _____ installation of underground _____ pipes in _____ areas?

Which mandated _____ take _____ the setup of _____ pipeline _____?

Does _____ laying _____ pipes in industrial areas _____ inspected?

_____ when installing _____ industrial areas.

_____ to _____ the list of _____ inspections that _____ be _____ sewage pipe in _____ areas

Before _____ sewer underneath factories _____ industrial areas, _____?

_____ need to know _____ inspections _____ installing _____ in the industrial _____.

I need _____ which _____ are required _____ installing _____ pipes _____ in _____ sectors.

Which evaluations _____ put in _____ wastewater _____ underneath factories' _____?

_____ site _____ have _____ during installation?

_____ pipes are put in _____ checks _____ to be _____?

_____ want _____ know if _____ have a list _____ of sewage _____ in industrial areas.

compulsory checks for underground _____ pipe _____ in _____ areas _____

How are the _____ in industrial _____?

Is there _____ requirement for mandatory inspections _____ setting up _____?

_____ the event _____ issue, what _____ compulsory _____ for _____ pipe _____ in the industrial areas?

_____ inspections are _____ installation in an industrial area?

What _____ the compulsory checks _____ underground _____ pipe _____ industrial areas _____ need?

Is _____ a specific requirement for _____ underground _____ industrial _____?

Which inspections _____ be done _____ the _____ process _____ in industries?

Do we _____ check those industrial _____ are buried?

_____ to _____ which inspections _____ required _____ sewer lines _____ industrial sector.

Sewage _____ when installing under industry _____.

_____ must be _____ sewer _____ inside industrial sites?

What _____ compulsory checks for _____ pipe _____ the event _____ issue in _____ areas?

What _____ compulsory _____ sewage pipe _____ in _____ areas?

Which inspects _____ to install _____ industrial zones?

_____ it necessary _____ when installing _____ sewers within _____?

Is _____ for _____ evaluation when laying below-ground _____ inside industrial _____?

In _____ which underground _____ required?

_____ want _____ the _____ inspections that must _____ to install sewer pipes in _____ Areas.

_____ is _____ for inspecting underground _____ pipes within _____?

_____ the _____ issue, what are the _____ for underground sewage pipe installation _____.

_____ want _____ which _____ required when installing _____ lines in the _____.

_____ checks _____ be conducted when _____ are _____ near _____ and businesses?

_____ of sewage _____ under _____ subject to inspections.

Is there _____ you can _____ me _____ necessary _____ underground sewage _____ in _____ areas?

What _____ during the _____ of underground sewer lines _____?

_____ want _____ compulsory _____ that must be _____ to install _____ lines in _____ areas.

Does _____ take inspections to install _____ in _____?

_____ it necessary _____ me to have certain _____ sewer _____ industrial areas?

_____ is _____ requirement _____ when _____ in industrial zones.

_____ be conducted _____ laying underground _____ near _____ and businesses?

_____ the event _____ an _____ what are _____ compulsory checks _____ installation in _____ areas?

_____ would _____ inspections are _____ when installing sewer pipes _____ industrial sector.

_____ there a _____ inspection _____ underground _____ installations?

_____ want _____ know a list _____ inspections that _____ followed in _____ to _____ sewer _____ industrial areas.

Which compulsory _____ must _____ in _____ to _____ underground sewage _____ in _____ location?

Is _____ inspection _____ for installing sewage pipes _____ an _____?

Which checks are required to _____ industrial _____?

_____ specific _____ for underground sewage pipes in _____?

_____ have _____ question about _____ list _____ compulsory inspections _____ the sewage installation _____.

_____ need to _____ list _____ compulsory _____ for placing _____ pipe _____ industrial _____.

_____ are _____ to _____ done when _____ sewer in _____ zones.

Is _____ necessary _____ certain _____ while putting _____ sewer lines within _____?

I wanted _____ know a _____ of the _____ for sewage _____.

_____ lines installed in _____ areas _____?

_____ to _____ a _____ of _____ inspections _____ must be preformed _____ sewage _____ in industrial areas.

_____ are the mandatory checks for underground _____ pipe _____ industrial areas _____?

_____ the compulsory _____ must be followed _____ sewage lines are installed in _____ areas.

_____ to _____ a _____ of _____ required _____ install _____ lines in industrial areas.

Industrial site _____ need _____ exams during _____.

_____ checks should _____ laying down _____ wastewater pipes _____ businesses?

Is there _____ inspections for _____ pipes _____ an _____ zone?

_____ are _____ compulsory checks for _____ installation in industrial areas _____ case _____ need?

_____ laying below ground _____ are _____ any mandatory evaluations?

Is _____ mandatory to inspect _____ industrial _____?

Provide me _____ any _____ inspection procedures _____ phase _____ below-grade sewage piping within _____.

Please let _____ if there _____ required _____ procedures during the _____ sewage _____ within _____ industrial area.

_____ inspections are needed for _____ sewage line _____ area?

Is it necessary _____ in industrial zones?

Can you _____ me _____ compulsory inspections _____ for _____ in the _____ Areas?

_____ are _____ for underground sewer installation in industrialized _____?

_____ compulsory inspections need _____ be _____ in _____ install sewer _____ an industrial _____?

_____ the _____ for _____ the underground _____ pipes _____ industrial areas?

_____ necessary _____ check _____ sewer in industrial areas?

_____ the compulsory _____ for _____ pipe installation _____ industries?

Installation _____ sewer _____ premises need _____ tests.

_____ the compulsory _____ pipe installations within industrial areas?

_____ like to know _____ list _____ compulsory _____ that _____ be _____ installing sewage lines _____ industrial _____.

I _____ like to _____ which checks are necessary when _____.

_____ should _____ checks _____ installing sewers _____ industrial _____.

compulsory _____ pipe installation in industrial areas in _____ the _____ it

_____ sewer pipes _____ industrial _____?

_____ required checks when installing sewer in _____?

_____ we _____ check when we bury _____ pipes?

_____ like _____ the mandatory inspections _____ installation in _____ areas.

Installation _____ pipes _____ industrial sites _____.

compulsory _____ for underground sewage pipe installation _____ areas _____ an _____?

Which _____ assessments _____ the _____ of sewage pipe beneath _____?

Which _____ need _____ be _____ for sewage pipe installation in _____?

_____ pipes _____ put in factories, _____ must be _____ to _____?

_____ belowground _____ sewage lines _____ to carry out mandatory _____?

Installation of _____ in _____ checks.

_____ sewer _____ underneath industrial _____ should _____ to mandated tests.

I _____ to know if there are _____ install _____ pipes _____ areas.

_____ are the _____ are required _____ underground _____ pipe _____ in industrial _____?

_____ would _____ know the list _____ compulsory _____ that _____ followed to install _____ in _____ industrial area.

_____ to know _____ of compulsory inspections for _____ sewage conduits _____.

_____ checks _____ be performed _____ laying down underground wastewater pipes _____?

I would like _____ list of _____ inspections for _____ areas.

_____ in industrial zones _____ checks.

What are _____ checks _____ underground sewage _____ industrial areas _____ it _____ needed?

_____ you tell _____ the list _____ inspections for _____ installation _____ the sewage conduits _____ Industrial _____?

_____ the setup _____ of sewage piping _____ industrial _____ please _____ me _____ inspection procedures.

Do you _____ what _____ inspections _____ for installing _____ pipes in _____?

Is _____ a _____ underground _____ pipes to be _____?

_____ you tell _____ about _____ compulsory _____ for underground _____ installation _____ industrial _____ in _____ event of an _____?

_____ an inspection _____ when installing _____ sewer in _____?

What _____ the compulsory checks _____ underground _____ pipe installation in industrial _____?

_____ certain _____ for setting up underground _____ pipes _____ zones.

_____ factories, which _____ are required?

_____ like _____ know _____ for sewage _____ in industrial areas.

Please let me know _____ inspection _____ during the setup _____ piping in _____ area.

What are _____ during the _____ pipes in industrial _____?

What are _____ inspections _____ underground _____ installation in _____?

_____ the setup _____ below-grade sewage _____ within _____ industrial _____ please tell me _____ inspection procedures.

_____ like _____ know _____ compulsory _____ installation in industrial areas.

Can you tell _____ the list _____ compulsory _____ the _____ industrial area?

_____ it possible _____ outline _____ inspections _____ sewage pipes in _____ industrial zone.

What _____ the _____ for _____ pipe _____ in industrial _____?

I _____ like _____ the list _____ compulsory inspections _____ sewage conduits _____ areas.

I would ____ to ____ a list of ____ that ____ be ____ to ____ sewage ____ in industrial ____.

Is ____ required for industrial site ____ have ____ during ____?

____ know which ____ are ____ install sewer lines ____ industrial sector.

____ inspection ____ when ____ sewage ____ in an industrial zone?

____ have to check ____ the ____ sewer pipes?

Is ____ a specific ____ for ____ sewer in ____?

There ____ be mandated ____ the installation of ____ industrial ____.

____ me of any ____ setup phase of ____ piping in an ____ area.

I ____ know the ____ of ____ that ____ to ____ placing sewage pipe in industrial ____.

____ are the compulsory ____ underground ____ pipe installation ____ industrial ____ in ____ need?

____ of ____ underground ____ industrial zones ____ to inspection.

____ looking for ____ of compulsory ____ pipe in industrial areas.

What ____ when ____ down underground wastewater ____ factories and businesses?

Does ____ underground ____ industrial ____ to be inspected?

Did ____ need to ____ checks ____ in industrial ____?

____ pipes be inspected ____ under industry ____?

Please tell me about ____ procedures ____ of ____ piping ____ an industrial area.

____ of sewer pipes ____ industrial ____ should be ____ testing.

What checks ____ be done ____ installing ____ pipes in ____?

____ me about ____ necessary ____ installing ____ pipes ____ an industrial zone.

____ I need to ____ certain exams ____ in ____ lines ____ areas?

What ____ need to ____ done during ____ installation ____ lines?

____ me about ____ required inspection ____ the ____ of ____ sewage piping within an ____ area.

I ____ to know ____ inspections for the ____ installation ____ areas.

____ installation of ____ industrial zones ____ to be ____?

____ checks that ____ be ____ when ____ sewer in industrial ____.

When installing subterranean ____ in ____ industrial zone, ____ overview of ____ required ____?

I ____ of ____ inspections for ____ sewage ____ in ____ areas.

____ during the installation of ____ in ____ areas?

Is there ____ list of ____ inspections for ____ installation ____ sewage ____?

When installing subterranean ____ industrial ____ can you give a ____ required ____?

I would like to know ____ when installing ____ in ____.

____ needed to ____ underground ____ at factories?

____ the inspections necessary for putting ____ at ____?

I ____ a ____ the ____ inspections that ____ be ____ to install sewer pipes ____ areas.

I ____ like to ____ are compulsory ____ required ____ install ____ lines ____ areas.

____ have to ____ in order to install ____ an industrial location?

What inspections ____ to ____ sewage pipes in ____?

Sewage pipes ____ under industry areas are ____.

Is there ____ compulsory ____ industrial underground ____?

____ there any ____ underground sewage lines within industrial areas?

Before ____ underneath factories, ____ needed?

 ____ there a specific inspection ____ sewer ____ industries?
 ____ are necessary ____ install sewer ____ in ____ zones?
 There should ____ checks when ____ lines ____ industrial ____.
 What checks must ____ performed ____ installing ____ inside ____?
 ____ an inspection ____ installing ____ an industrial area?
 There ____ checks ____ be done when ____ sewer ____.
 ____ me about the required checks ____ sewage ____ installation?
 ____ the compulsory ____ installing sewer pipes in industrial ____?
 ____ checks for ____ installation in industrial areas ____ the ____ of ____ what?
 ____ the ____ of ____ for ____ pipe installation in ____ areas, ____ there compulsory ____?
 ____ should be conducted when laying down ____ wastewater ____ and ____?
 What ____ the compulsory ____ for underground sewage ____ industrial area ____ event of ____?
 Which ____ can ____ established in industrial areas?
 Does ____ need ____ be inspected for ____ pipes ____ factories?
 ____ know ____ are ____ inspections ____ the sewage ____ in industrial areas.
 Is ____ required check when ____ industrial zones?
 Installation of sewer pipes ____ industrial ____ certain ____ be ____.
 Do ____ specific ____ for ____ of underground ____ lines ____ industrial areas?
 ____ are required ____ the ____ sewer ____ industrialized zones?
 Installation ____ within industrial ____ need checks to ____.
 Is ____ a ____ install sewer pipes ____ industrial ____?
 Can ____ tell me about ____ necessary inspections ____ installing ____ area?
 I ____ like to ____ the compulsory ____ that ____ to install ____ in ____.
 ____ pipes have ____ be inspected when installed ____.
 Is there an evaluation that ____ conduits ____ areas?
 I ____ know if a compulsory ____ is ____ installing ____ lines ____ areas.
 What are ____ checks for underground ____ installation ____ industrial areas ____ there is ____ it?

_____ inspection procedures for _____ pipes _____ industries.

_____ compulsory _____ when laying _____ wastewater conduits in industrial _____?

What checks _____ be performed _____ pipes _____ industrial sites?

Installation _____ pipes underground _____ industrial _____ requires certain _____.

Which _____ are _____ install sewage lines in _____.

Is _____ specific inspection _____ subterranean sewer in _____?

Is there any _____ while installing _____ beneath _____?

I _____ to _____ compulsory inspections _____ sewage installation in industrial _____.

Required _____ in the _____ area?

_____ are the compulsory _____ underground _____ the _____ of need in an _____ area?

_____ underground wastewater lines in areas _____ to industries _____?

_____ need _____ inspections are needed when _____ sewer pipes _____ the _____.

Is _____ for _____ to inspect sewage _____ industry _____?

Is it _____ the required inspections _____ installing subterranean sewage _____ zone?

Set _____ sewage _____ under _____ unit needs _____ inspection _____.

Is there _____ compulsory _____ that _____ laying _____ inside _____ areas?

There _____ inspections for _____ sewage pipes within _____.

When installing _____ areas?

Is _____ necessary _____ have _____ putting underground _____ at factories?

Can you _____ me _____ the required _____ for _____ pipes _____ industrial _____?

I need to _____ which _____ is _____ when installing _____ sectors.

Is _____ to installing _____ pipes in _____ industrial zone?

Which _____ must _____ laying _____ pipes near factories?

Is _____ necessary _____ to install _____ sewer systems _____ manufacturing _____?

I'd like to _____ which inspections are _____ installing _____ in _____.

_____ installation of _____ in the industrial areas?

_____ are the _____ underground sewage pipe installation _____ the need arises?

Should _____ be _____ installing sewer in _____?

_____ like to know which inspections are _____ sewer _____.

Industrial site _____ might _____ exams during _____.

Which _____ must _____ done _____ wastewater pipes _____ factories?

_____ checks for _____ pipe installation _____ areas.

I would _____ to know which _____ are _____ when _____ sectors.

Is _____ inspection _____ applies _____ the installation _____ sewage pipes in _____ zone?

_____ need to _____ a _____ the _____ inspections _____ be preformed for _____ pipe _____ industrial areas.

I would _____ know _____ of _____ install sewer _____ in industrial areas.

When putting underground _____ in _____ done to check _____?

Does _____ installation _____ in industrial _____ to be inspected?

_____ must sewage _____ done _____ underground _____ are put _____ factories?

Is there _____ for installing _____ pipes in _____?

_____ have _____ be required _____ when _____ sewer _____ industrial _____.

_____ needs to be required _____ in _____ zones.

_____ of _____ pipes _____ premises may _____ mandated tests.

_____ necessary for _____ of sewage pipes _____ be inspected _____ areas?

When _____ sewer _____ in _____ what are _____ checks?

_____ below-ground _____ inside industrial areas, are _____ any mandatory _____?

_____ laying below-ground wastewater conduits in industrial areas?

When installing _____ in an industrial zone _____ required _____?

The installation _____ below-ground _____ in _____ areas _____ checks.

I _____ to _____ inspections _____ placing sewage _____ in industrial areas.

I _____ know _____ required inspection procedures _____ the _____ phase of sewage _____ industrial area.
 When installing _____ an _____ zone _____ you tell _____ the required _____?
 _____ want to know _____ of the _____ that need to _____ pipe in industrial areas.
 _____ want _____ list _____ the _____ inspections _____ must be _____ placing sewage pipe in _____ areas.
 _____ an inspection that _____ installing subterranean sewage _____ an industrial _____?
 I would like _____ list of compulsory _____ installing _____ industrial areas.
 Is _____ for _____ for underground industrial _____ pipes _____?
 What _____ compulsory _____ underground sewage _____ in industrial _____ an issue?
 How are _____ areas inspected _____ of sewer _____?
 _____ any mandatory inspection required for setting _____ pipes _____?
 There _____ compulsory inspections _____ be _____ installing sewage lines in _____.
 _____ establishment of _____ under industries, what are _____ procedures?
 Can you _____ me _____ installing the sewage conduits in the _____?
 Can _____ tell _____ compulsory _____ for installing _____ conduits _____ industrial areas?
 _____ sewer _____ beneath industrial _____
 _____ lines _____ industrial areas, _____ to know a _____ of the _____ inspections.
 I _____ to _____ compulsory _____ that _____ be followed _____ install sewer pipes _____ in _____.
 _____ of sewerage pipes _____ premises _____ tests.
 During _____ construction of sewage lines _____ are the _____?
 Do _____ have to be _____ evaluation when _____ conduits _____?
 _____ you give me a _____ for _____ sewage lines _____ industrial areas?
 I _____ know if you _____ of compulsory inspections for installing _____ lines _____.
 _____ there a _____ inspection _____ for _____ sewers _____ industries?
 Is it _____ get _____ of the _____ inspections for installing _____ in _____ areas?
 _____ you _____ inspections _____ necessary _____ installing sewer _____ in _____ sectors?
 Which inspections _____ to install _____ lines _____ zones?
 _____ necessary _____ inspections for _____ installation of _____ lines in _____ zones?
 _____ should _____ evaluations when _____ wastewater conduits _____ areas.
 Can _____ tell us about the _____ sewage _____ an industrial _____?
 Is _____ need for inspections to _____ sewer in _____?
 What _____ checks need _____ be done _____ pipes in _____?
 _____ necessary for _____ sewer _____ industries?
 Which _____ sewer installation in _____ areas?
 _____ to be performed _____ sewer pipes in industrial _____?
 _____ you _____ the _____ for installing the sewage _____ in _____ Areas?
 _____ underground _____ pipe _____ in industrial _____ in the _____ of _____ is what?
 In _____ event _____ issue, are _____ compulsory checks for _____ installation _____ areas?
 I would _____ the number _____ inspections that _____ followed when installing sewage _____ in _____.
 _____ would _____ know _____ list of _____ for the placement of sewage pipe _____.
 What _____ checks have _____ be done _____ underground _____ factories?
 _____ to know _____ of the _____ inspections _____ must _____ followed when installing _____ in industrial _____.
 _____ checks be _____ installing _____ industrial zones?
 Sewage pipes need to _____ inspected when _____?
 _____ we _____ to get a _____ sewer pipes?
