

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	HVAC System Malfunctions
Description	Customers describe issues with the heating, ventilation, and air conditioning system, such as insufficient cooling or heating, strange odors, or loud noises, impeding their comfort and driving experience.
Data Size	9,931 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

____ plans for a ____ due to insufficient temperature ____ with this ____ control ____?
 ____ there ____ recall for faulty temperature ____ climate ____?
 There ____ due to ____ temperature ____ vehicles ____ climate control systems.
 There ____ inadequate ____ the climate systems ____ model.
 Will vehicles that ____ this model's climate ____?
 When are ____ to recall ____ with ____ AC ____?
 There may be ____ recall vehicles that ____ climate ____.
 This model's ____ control ____ face ____ possible ____.
 ____ are ____ because of ____ AC?
 Is there ____ considered ____ initiate recalls ____ don't have effective ____ regulation?
 ____ there ____ a ____ due to ____ temperature control ____ the ____?
 Are you ____ recalls ____ of ____ climate ____ in ____ vehicle models?
 ____ any ____ considered to initiate ____ cars without effective ____ regulation?
 ____ a ____ be ____ remedy ____ subpar ____ capabilities ____ these cars?
 Is it possible ____ will be recalled ____ climate ____?
 Is there any plan for ____ of ____ regulation in ____ climate ____?
 Is ____ plan for vehicles with inadequate ____?
 Should we expect company ____ poor ____ capabilities ____ vehicle?
 ____ they ____ on ____ recalls for cars ____ control fails?
 ____ cars like ____ at risk ____ being ____ their ____ cooling system ____ work ____?
 ____ manufacturers planning ____ recall vehicles due ____ ineffective temperature regulation ____?
 Can ____ expect a ____ of vehicles ____ temperature ____?
 ____ planning ____ recalling these cars because ____ AC?
 ____ it possible that ____ like ____ are ____ of being ____ system can't manage temperatures ____?
 Will you ____ these ____ if ____ AC ____ the heat?
 Will ____ be a recall if ____ inadequate ____ model?
 ____ there ____ recall for malfunctioning ____ in the ____?
 When ____ comes to insufficient temperature ____ expect ____ recall ____ vehicles with ____ control systems?

There ____ a chance of ____ to ____ temperature ____ on ____ units.
 ____ do not have enough temperature management in ____ climate ____?
 Upcoming ____ relate ____ the insufficiency that affects maintaining desired ____ car's ____.
 There's ____ units ____ be recalled because of ____ temperature regulation.
 Can ____ action to ____ against ____ bad AC systems ____?
 There ____ recall cars ____ a ____ climate system.
 When ____ climate control fails ____ do ____ issue recalls for ____ models?
 The ____ has faulty ____ control ____ climate ____.
 Are ____ risk of being recalled if ____ heating and ____ system ____ the ____?
 There's a plan ____ that have ____ settings.
 ____ these vehicles going ____ over ____ climate controls?
 ____ the cars ____ climate ____ systems be ____ because ____ control issues?
 There ____ a ____ due to temperature control issues.
 Can ____ expect a ____ ineffective climate controls ____ this ____?
 Are there ____ being considered to initiate recalls on ____ climate control systems ____?
 There ____ effective ____ that could be recalled.
 ____ be ____ taken to address ____ temperature control in ____ with ____ controls?
 ____ these ____ at risk of ____ recalled if ____ heating ____ system ____ up?
 Are these vehicles ____ recalled ____ the ____ controls ____ faulty?
 Is ____ for a recall ____ with inadequate climate ____?
 There might ____ plan to recall ____ poor ____ settings.
 Can I expect a ____ the ____ on ____ model?
 Is ____ any intent ____ initiate ____ recall due ____ insufficient ____ regulation with this particular ____?
 Do ____ on ____ recalls ____ the ____ control fails ____ controlling temperatures ____?
 Are you ____ a ____ of ____ of proper ____ the vehicle models?
 ____ you ____ recall the cars if ____ units can't ____ the ____?
 ____ any recalls ____ temperature control in this ____?
 ____ an ____ vehicle's climate control ____ for a recall?
 ____ recall these cars if their ____ can't ____ with the ____?
 ____ I expect a ____ this car model due ____?
 ____ be steps ____ address ____ temperature control in ____ cars with the ____?
 The ____ of this ____ be recalled over ____.
 Can we expect a ____ if insufficient ____ is ____ vehicles having ____ systems?
 ____ plans for ____ recalls due ____ temperature regulation ____?
 ____ model ____ their climate control ____ recalled ____ of ____ control issues?
 When will you ____ messed ____ AC systems?
 ____ I expect a recall ____ on ____ car?
 ____ you plan ____ recalling these ____ can't handle ____ heat?
 ____ the ____ of ____ climate ____ in the ____ causing ____ to ____ recalls?
 ____ a recall ____ ineffective climate ____ on this ____?
 Are organizations ____ vehicle ____ lack temperature ____?
 ____ recall be ____ regarding climate ____ this ____ model?
 Is ____ for ____ because of malfunctioning temperature regulation ____?
 ____ may be a recall ____ to ____ the A/C ____.
 Is ____ plans to issue ____ of ____ controls?
 Is there ____ the climate control issue ____ this ____?
 How ____ due ____ poor ____ regulation on the A/C ____?
 ____ there any upcoming ____ to ____ the temperature in this ____?
 ____ there plans to ____ vehicles because of ____ regulation ____ devices?
 Can I ____ a ____ the climate ____ in ____?

Perhaps there _____ be _____ for poor air conditioning _____ like _____ .
 _____ chance of _____ for models with _____ climate control.
 _____ be _____ because of weak _____ control?
 Are these _____ be _____ with faulty _____ control?
 _____ recall for bad car _____ happening _____ or _____ ?
 Can I _____ a recall _____ climate _____ in _____ ?
 _____ be a recall _____ insufficient temperature controlFunctionality _____ this _____ ?
 Is _____ to be recalled with _____ climate _____ settings?
 Is _____ a _____ air conditioning _____ heat _____ will be recalled?
 _____ cars like these _____ recalled if they can't _____ the _____ ?
 _____ a chance _____ a _____ to the _____ control issues.
 Should _____ company _____ address the poor _____ capabilities in this _____ ?
 Is _____ a plan _____ a _____ of _____ that _____ little _____ in their climate _____ ?
 Will _____ in the air _____ and _____ regulators of _____ model _____ ?
 _____ going to recall _____ if their AC _____ can _____ handle _____ ?
 _____ there _____ vehicle recalls _____ poor _____ controls?
 _____ is a chance _____ to temperature _____ issues?
 _____ fails, do they _____ to _____ for car models?
 _____ control _____ in _____ vehicles _____ be recalled.
 _____ be attempts _____ issue _____ recalls _____ poor temperature controls.
 Should _____ recalled _____ their _____ can't handle _____ heat?
 _____ to _____ cars if they can't _____ the heat?
 Should these cars _____ the _____ units _____ able _____ handle _____ heat?
 _____ the _____ that lack temperature management _____ ?
 _____ control will face a possible _____ .
 _____ will _____ the faulty vehicles _____ up AC Systems?
 Is _____ model's _____ control systems _____ to _____ ?
 _____ any measures being considered _____ recalls _____ cars with _____ systems _____ do not regulate _____ ?
 _____ a recall _____ poor temp control _____ these vehicles?
 _____ plans for vehicle _____ due _____ malfunctioning temperature _____ ?
 _____ there _____ recall _____ controls _____ this _____ of car?
 The _____ climate _____ may _____ control.
 _____ there any intention for _____ poor _____ controls?
 If insufficient temperature control _____ a concern _____ this model's _____ systems, _____ we _____ a _____ ?
 _____ recall _____ vehicles with _____ climate control systems _____ ?
 _____ going _____ be recalled _____ faulty climate controls?
 _____ there _____ a recall due to _____ temperature control in the _____ ?
 _____ a plan for _____ faulty _____ regulation problem in these _____ ?
 Is _____ upcoming recalls _____ the insufficiency that affects maintaining _____ through _____ ?
 _____ will you be recalling _____ faulty _____ up AC _____ ?
 _____ you planning to issue _____ for _____ lacks _____ system?
 _____ is _____ of _____ recall due _____ temperature control _____ here.
 _____ a plan to _____ the faulty temperature regulation _____ ?
 _____ wonder _____ car _____ has a recall _____ AC.
 _____ plans _____ recall vehicles _____ climate _____ systems happening?
 _____ there be a recall for _____ model _____ inadequate _____ ?
 _____ due to faulty temp _____ its climate system?
 _____ potential malfunction _____ vehicle's climate control _____ lead _____ for a _____ .
 It may be _____ bad _____ cars like this _____ .
 Is _____ to fix the climate _____ recall?

Do ____ intend ____ if the AC units ____?

____ there a ____ to repair ____ bad ____ control ____?

Are ____ like ____ at ____ of ____ recalled ____ air conditioning ____ isn't up ____?

____ you considering recalls ____ lack ____ proper climate ____ the ____ models ____ are considering?

____ there anything currently being considered ____ initiate recalls ____ cars ____ systems that ____?

____ you ____ a ____ bad car ____?

____ we ____ for weak temp control ____ vehicles?

Are ____ recalling vehicles due ____ of proper climate ____?

Is ____ any ____ to recall vehicles ____ climate ____?

Can ____ recall ____ expected due to ____ temp ____ in ____?

Are ____ planning ____ for the ____ control system ____ these ____?

____ it possible ____ vehicles will ____ recalled with ____ climate ____?

Will there ____ of lack ____ temperature control?

Do you know ____ the climate ____ will ____ fixed ____?

When are we ____ recall ____ vehicles with messed-up ____?

____ the model's ____ going to be recalled ____ to ____ control ____?

____ there ____ vehicle recalls ____ to faulty temperature regulation ____?

____ a plan for resolving ____ problematic ____ in these ____?

____ there ____ to recall cars ____ temperature regulation?

Will there ____ steps taken to ____ inadequate temperature ____ controls?

Will there be ____ vehicles ____ insufficient ____ control?

Should ____ a recall ____ the subpar cooling capabilities ____?

____ there a recall ____ regulation ____ the climate ____?

____ not have enough ____ control to ____ for cars.

____ you ____ to recall the cars ____ AC ____?

____ plans to ____ the lack ____ proper ____ are you going to ____ these vehicles?

Is ____ to recall ____ with insufficient ____ control?

____ there any upcoming recalls about ____ affects ____ controls?

____ vehicle's climate ____ could ____ a need for a recall.

Are you ____ vehicles due to ____ of ____ climate ____?

____ cars with ____ control systems have a ____?

These ____ management in their climate controls?

____ temperature control enough to prompt recalls ____ this ____?

This ____ have ____ recalled for poor air ____.

When are ____ planning ____ recall ____ with ____ AC systems?

Are ____ to ____ the ____ units can't handle the heat?

Is there a ____ for ____ actions ____ the ____ control ____?

This ____ could ____ for ____ air ____.

____ plans to issue recalls ____ control fails?

Are you planning on issuing ____ the ____ climate ____ system ____?

____ are we going to ____ the faulty ____ systems?

Do ____ intend to recall ____ cars ____ AC units ____ keep ____ with ____?

Can the vehicles ____ this model ____ to ____ failures?

____ to face a recall over temperature ____?

Is ____ possible that ____ this ____ being recalled if theirHVAC ____ can't manage ____ properly?

____ be initiated ____ to ____ vehicle temperature regulation ____ AC system?

Is there ____ to recall ____ don't have adequate ____?

____ considering recalls due ____ lack of ____ regulation ____ vehicle models?

Can ____ expect ____ recall due to ____ control ____ these ____?

Will ____ be steps taken to address ____ in ____ with ____ climatic ____ of this ____?

Will _____ be a _____ model _____ to _____ temperature control?
 _____ be a _____ for the _____ control in _____ model.
 There is _____ of a _____ for poor _____ this _____.
 _____ there any _____ recalls for _____ models _____ climate control fails?
 _____ be _____ for air _____ failing in _____ car.
 The _____ model may _____ for weak _____.
 Is _____ any _____ for a _____ due to _____ regulation _____ this _____ model?
 There is _____ chance of _____ recall _____ to _____ these cars' A/C _____.
 _____ regulation _____ these _____ A/C units _____ prompt _____ recall.
 Is there any _____ for _____ controlled by _____?
 there _____ of a _____ temperature control issues
 If _____ to address the lack of proper _____ are you _____ the _____?
 _____ I expect a _____ ineffective _____?
 _____ cars _____ risk of being recalled if their _____ and _____ can't _____ temperatures _____?
 _____ be _____ for poor air conditioning _____ like _____ one.
 Bad _____ recalled soon _____ not?
 _____ this at _____ being _____ their heating and _____ system _____ up to date?
 There is _____ systems _____ this model of vehicle.
 Is _____ a _____ car cooling?
 Is _____ a _____ to _____ control problem in this _____.
 _____ may be plans for _____ recalls _____ of faulty _____.
 Is _____ any recall of _____ temperature _____ model?
 _____ a plan for a _____ of _____ that _____ climate _____?
 _____ to _____ recalls _____ cars _____ climate control _____ do not regulate temperatures?
 Will any _____ be _____ to address the _____ temperature _____ in _____ with _____ climatic _____?
 Plans to recall _____ inadequate _____ are being _____.
 _____ an _____ with temperature control that _____ be identified and _____?
 When _____ fails _____ controlling temperatures, _____ they issue _____?
 Are _____ about recalls due to _____ lack _____ climate _____ in the _____?
 _____ is a _____ of a recall _____ a _____ control issues _____.
 _____ there be _____ steps taken _____ address the _____ temperature _____ the _____ with _____ specific model?
 There _____ chance _____ a _____ because of _____ control _____ here.
 Should _____ company _____ poor climate _____ capabilities on this _____?
 _____ vehicle _____ temperature _____ being recalled?
 _____ plan to recall _____ because _____ climate devices don't _____?
 _____ recalls relating _____ the _____ that _____ through _____ car's AC controls?
 _____ plan to _____ vehicles with bad _____?
 It _____ be a recall for _____ conditioning _____ one.
 Will there _____ upcoming recalls _____ the insufficiency that _____ maintaining _____ temperatures _____ controls?
 Can we _____ a _____ for _____ that do _____ control?
 Will _____ with the _____ control _____?
 There could _____ for recall _____ if the _____ control _____ properly.
 Should _____ a _____ due to poor temp _____ in _____?
 _____ we _____ to _____ poor temp control _____ the ACs?
 Is there _____ temperature _____ causes _____ for _____ with this _____?
 Will vehicles of _____ recalled because _____ control?
 _____ insufficient _____ prompt recalls for _____ with _____ system?
 Is there any _____ to _____ faulty _____ control?
 _____ model's _____ and _____ going to be recalled for improper _____ management?
 _____ upcoming recalls be related to the _____ affects _____ through _____ car's AC _____?

Are _____ on recalling _____ cars because _____ broken _____?

Do _____ if _____ recall for faulty temperature _____ in this _____?

_____ the _____ ventilating and air _____ of _____ manage temperatures _____ are they _____ risk of _____ recalled

Are _____ plans to _____ because _____ the _____ regulation?

Can _____ a recall _____ the _____ controls in _____ car?

_____ defects involving _____ temperature _____ cause recalls on _____ air conditioning units _____ heat regulators _____?

Will there _____ of _____ to the lack of temperature _____?

We should _____ action _____ climate _____ capabilities of this _____.

Is _____ any intention to _____ vehicle temperature regulation?

Can you _____ there _____ an _____ temperature _____ and handle _____ through _____ recall?

_____ there _____ arrangements _____ for _____ of climate control systems _____ vehicles?

Are _____ affected _____ faulty climate _____?

_____ expect _____ against the malfunctioning _____ soon?

Can we _____ to _____ against the _____ systems very soon?

Do they _____ recalls _____ climate control _____ not _____ correctly?

_____ consider conducting _____ for the subpar _____ these cars?

Is _____ a recall _____ to the _____ that affects _____?

Is there _____ a _____ car _____ the climate control fails?

There _____ a recall for these _____ A/C _____.

Upcoming recalls that _____ desired temperatures through _____?

_____ on cars _____ this one could _____ recalled.

Should _____ company action _____ of this vehicle's A/C system?

Is _____ any recall _____ insufficient _____ vehicles' climate systems?

Is there _____ potential vehicle _____ to _____?

_____ a recall for _____ control?

Will _____ a _____ for this _____ to _____ temperature control?

Is _____ any _____ do _____ recall _____ insufficient _____ temperature regulation?

_____ planning to _____ the faulty vehicles with _____ systems?

Is _____ plan for a _____ due to _____ temperature _____ with _____ model?

Are _____ addressing _____ lack _____ proper _____ temperatures _____ recalling these vehicles?

Any _____ recalls _____ the insufficiency _____ affects maintaining _____ through _____ car's AC _____?

_____ plan to _____ cars with _____ control systems?

_____ be any action taken to _____ the lack of _____ with _____ climatic _____?

_____ their _____ can't handle the _____ want to _____ these cars?

_____ a _____ recall due to _____ temperature regulation?

_____ cars to be _____ to malfunctioning temp _____?

Do there _____ for _____ to malfunctioning temperature _____ systems?

_____ planning a recall _____ the lacks climate _____?

Do _____ cars if their AC _____ can't _____ the heat?

_____ conditioning _____ regulators on _____ model be recalled _____ of improper temperature _____?

_____ a risk of _____ temperature regulation on the A/C _____.

There _____ plans to _____ problem in _____ vehicle through a _____.

Is insufficient temperature _____ to _____ for _____ featuring _____ system?

_____ system _____ insufficient temperature control _____ prompt _____.

_____ a _____ for the faulty _____?

Is there _____ recalls _____ control _____ this model?

Any upcoming recalls _____ insufficiency _____ affects maintaining _____ temperatures _____ car's _____?

_____ there a _____ for _____ due to _____ temperature _____ in _____ vehicle?

_____ recall _____ for _____ that don't have enough _____?

When _____ you _____ recall these _____ messed-up _____ systems?

____ you planning a recall of ____ because ____ lack ____ ?
 ____ recall ____ lack of climate control ____ these vehicles?
 Will there be ____ recall for ____ in ____ ?
 Will ____ steps taken ____ address ____ of inadequate ____ control in the cars with ____ ?
 ____ be recalled ____ faulty climate ____ .
 Can ____ expect ____ a recall ____ temperature control is a concern ____ vehicles ____ climate ____ ?
 ____ recalled due to bad temperature ____ ?
 ____ there ____ plan to ____ vehicles with ____ regulation in ____ climate ____ ?
 ____ there a recall ____ models ____ have ____ climate control?
 Do ____ think a recall ____ subpar cooling capabilities caused ____ climate ____ in ____ cars?
 ____ is a chance ____ a ____ temperature control issues ____ .
 ____ could be a ____ of the temperature ____ issues.
 Plans ____ cars to ____ to faulty ____ control in ____ climate ____ ?
 Are these ____ risk ____ recalled if their heating ____ conditioning ____ isn't ____ to ____ ?
 ____ vehicle models ____ not have ____ temperature ____ in ____ controls?
 ____ the ____ of vehicles ____ climate control ____ happening?
 There ____ a ____ of a recall ____ by poor ____ these ____ .
 ____ cabin conditioning might be ____ due ____ control.
 Is there a recall ____ climate ____ this ____ ?
 Is there a need ____ actions if ____ climate control ____ ?
 This model's ____ control ____ a ____ safety-related ____ .
 ____ was a ____ a recall ____ the temperature ____ issues.
 ____ plans ____ cars to be ____ the ____ temp control.
 ____ the model being ____ of ____ temperature ____ ?
 ____ there ____ possible recall ____ insufficient climate control?
 ____ a ____ the ____ temperature control?
 ____ there a ____ that are ____ insufficient ____ control?
 Will ____ vehicles ____ to ____ temp control?
 ____ there any plans ____ vehicles that ____ climate ____ systems?
 There ____ temperature control in this model's ____ conditioning, ____ there ____ ?
 ____ expect a ____ if insufficient temperature ____ is ____ having this model's ____ systems?
 ____ be a recall ____ to ____ control?
 When the climate control ____ do ____ to ____ the ____ ?
 Is there a ____ of ____ with ____ temperature control?
 ____ this model ____ recalled ____ of ____ poor temperature ____ ?
 Are there ____ that lack enough temperature ____ for ____ ?
 ____ there a plan ____ climate control systems?
 Any ____ for insufficient ____ ?
 Will vehicles ____ model's climate ____ face ____ ?
 ____ we expect ____ recall ____ near ____ control ____ concerned for vehicles with ____ model's climate control ____ ?
 This ____ a possible safety-related recall.
 Have you ____ doing ____ fix ____ subpar cooling ____ in ____ cars?
 Any chance of a ____ due to ____ ?
 Are there ____ models that do not ____ in ____ climate ____ ?
 ____ you ____ to ____ these ____ lack of climate ____ ?
 When ____ climate ____ are they ____ issue recalls for ____ ?
 ____ there be ____ vehicle recall ____ to ____ regulation?
 This ____ model ____ have ____ recall ____ weak AC.
 ____ there be a ____ because ____ weak ____ ?
 Should we expect ____ recall ____ the ____ temp ____ vehicles?

_____ there a _____ recall _____ because _____ ineffective _____ regulation in _____ climate _____?
_____ when _____ these faulty _____ with messed-up AC systems?
Is _____ a vehicle recall _____ insufficient _____ model?
_____ vehicle recall as a result _____ temperature regulation?
Is _____ possible _____ recalling these vehicles with faulty _____?
_____ these _____ be _____ for faulty _____?
_____ we expect a recall _____ in these vehicles?
Is there _____ chance of recalls _____ specific _____ of air _____ heat _____.
Do _____ plan to recall _____ devices don't _____?
_____ for bad _____ cooling happening _____?
Do you intend _____ of faulty _____ controls?
Will _____ be _____ for _____ failing in a _____?
Shouldn't we expect a recall _____ temperature _____ a concern for _____ systems?
Should we _____ the _____ to _____ the poor _____ control _____ this vehicle?
_____ with inadequate _____ control systems?
Is _____ going to _____ recalled?
Are _____ plans to fix _____ problem in _____?
_____ insufficient _____ control cause _____ for cars featuring _____?
Is there any _____ initiate a recall _____ insufficient vehicle _____ regulation _____?
When will y'all _____ recalling faulty vehicles _____?
_____ you _____ recalling _____ with messed-up AC systems?
_____ control _____ cause _____ recalls for cars that _____ this _____?
Is _____ to initiate recalls _____ cars _____ control systems that _____ effective temperature _____?
_____ recalls on cars with climate control _____ that lack effective temperature _____?
_____ you _____ the vehicle models do _____ have proper _____ regulation?
This _____ a recall _____ the poor _____ conditioning _____ car.
In this _____ are _____ any _____ for inadequate temperature _____?
Will _____ be a _____ of the _____ temp control _____ ACs?
_____ planning on _____ messed up AC systems?
_____ cars like _____ at risk _____ if _____ heating _____ system can't manage _____ temperature?
_____ like these at risk _____ being _____ if their _____ and air _____ system _____?
_____ expect the company _____ address poor _____ this vehicle's A/C _____?
Should we _____ the _____ to address _____ poor _____ of _____ A/C _____?
When the _____ control _____ at _____ temperatures, _____ plan to _____ car models?
Is _____ a _____ insufficient vehicle temperature _____ this particular model's AC _____?
Is there _____ plan to recall _____ due _____ lack _____ regulation?
_____ risk of being _____ their _____ can't manage temperatures properly?
Can we _____ recall _____ to _____ temp _____?
Are _____ plans _____ address _____ lack of proper _____ are you _____ these vehicles?
_____ expect an _____ against _____ AC systems _____ soon?
There _____ here _____ to the temperature control issues.
_____ specific model's _____ units _____ regulators going to _____ recalled _____ of _____ temperature management?
_____ planning a recall _____ the _____ climate controls in _____?
Is _____ any _____ recalls due _____ inadequate temperature _____ in _____?
Is _____ any recall _____ insufficient _____ your cars?
It is possible that a _____ the _____ climate _____ in a _____ for _____.
Should we expect _____ company _____ address _____ climate _____ vehicle?
_____ possible to _____ vehicles with faulty climate _____?
_____ recalls _____ to _____ insufficiency _____ maintaining desired temperatures through this _____?
Will this _____ climate control systems be recalled _____?

_____ a _____ for _____ faulty climate?

_____ the _____ models _____ lack adequate temperature _____ considered _____ recalls?

Is _____ possible to initiate _____ on _____ climate _____ systems that _____ temperature?

Could there _____ for _____ regulation?

Is the model's _____ conditioning _____ heat _____ going _____ be recalled _____ to defects _____?

There _____ a _____ that _____ could be _____ temperature _____ on the _____ units.

_____ recall for poor airconditioning on cars _____?

_____ we _____ this model's climate control _____ if insufficient _____ control _____ concerned?

Will _____ model's climate control _____ have _____ due _____ control _____?

_____ cars _____ risk of _____ recalled _____ can't manage temperatures?

Is _____ a _____ vehicles with _____ climate control settings?

_____ the model's _____ control _____ to be recalled as there _____ control?

_____ they _____ to issue recalls for _____ when the _____?

Is there an attempt _____ recall _____ poor temperature _____?

_____ you _____ to recall _____ if _____ AC _____ handle the heat?

_____ recalls _____ air conditioning failing in _____ car?

There are plans _____ recall cars _____ systems.

_____ is concerned for vehicles _____ this model's _____ control systems then can _____ expect _____?

_____ there recalls due _____ the lack _____ proper _____ vehicle _____ boast this _____?

_____ plans for vehicle _____ due to _____ systems?

_____ a possibility of _____ recall for _____ control in _____.

Will there _____ to _____ of _____ control in cars _____ the climatic controls?

_____ to recall _____ cars because _____ broken _____ conditioning?

Is there a _____ with _____ climate control settings?

Which upcoming _____ to _____ insufficiency _____ affects maintaining _____ through this car's _____?

Will _____ model's climate control _____ a recall?

_____ there be a _____ the _____ of temperature _____?

Is _____ cars over faulty temp _____ in its _____?

_____ be _____ taken to address _____ problem of inadequate _____ in _____ cars?

_____ be plans _____ a _____ to _____ temperature control in _____ vehicles.

_____ you _____ a recall _____ lacking _____ system in _____ cars?

_____ the _____ going to _____ control _____ of the vehicle?

_____ be a recall due to _____ regulation _____ units.

_____ a chance _____ a recall _____ insufficient _____ control is a _____ vehicles _____ this _____ control systems?

Any chance of _____ recall _____ temperature _____?

So, when _____ you be recalling _____ vehicles _____ messed _____?

_____ chance of _____ to _____ temperature control issues _____?

Are _____ this _____ at _____ of _____ recalled if the _____ and _____ system can't _____ properly?

Is there _____ plans _____ vehicle recalls due _____ systems?

_____ the vehicle models _____ temperature management _____ for recall?

_____ plan _____ recall _____ because of _____ temperature _____ in their climate _____?

_____ consider _____ recall as a remedy _____ subpar _____ capabilities _____ these _____?

This _____ systems _____ have insufficient _____.

_____ there a _____ vehicles _____ their climate _____ don't work?

Is _____ the _____ regulation issue in these vehicles?

Is there _____ chance _____ to insufficient vehicle _____ regulation with _____ particular _____?

Are _____ considering _____ the lack _____ regulation _____ the vehicle models?

Are you _____ to recall _____ cars _____ AC _____ with _____ heat?

There _____ a possibility _____ vehicles with _____ control _____ be _____.

Is _____ model going to _____ problem with _____?

Is ____ recall being ____ models ____ inadequate climate ____?

Is ____ a ____ of ____ vehicles ____ lack ____ temperature ____?

Is there a ____ insufficient temp ____ climate systems of ____?

Can ____ recall ____ ineffective climate controls ____ this ____?

____ there ____ consideration of recalling ____ models ____ temperature management?

Can ____ be ____ recall ____ climate controls ____ car?

____ equipped ____ this model's climate ____ be ____?

____ vehicle models that don't ____ enough temperature ____?

Can there be plans to fix ____ vehicle?

Is ____ models that don't have ____ control being ____?

____ that ____ the model's climate ____ a recall?

____ the faulty temperature regulation in these vehicles?

____ have ____ for the lacks ____ control ____ in these vehicles?

____ with ____ model's climate ____ systems have to ____ a ____?

Is ____ any ____ recalls ____ to ____ insufficiency in ____ AC ____?

Will ____ model ____ recalled because ____ lack of ____ control ____ cabin ____?

Will the model's climate ____ systems ____ to ____ problems?

____ a ____ to ____ vehicles that have poor ____ settings?

Can ____ recall about ____ on this car?

____ could be a recall ____ faulty temperature ____.

____ you plan on ____ these ____ AC units ____ handle ____?

Will ____ model's climate ____ systems have ____ recalled ____ control ____?

If ____ fails at controlling ____ correctly, will they ____ for ____?

____ there ____ vehicle ____ due to ____ temperature regulation?

____ recalls are ____ insufficiency that affects ____ temperatures ____ the car's ____ controls.

____ cars ____ these ____ of being ____ and cooling system isn't ____ to standard?

Will ____ steps taken ____ control in cars with ____ model?

Are ____ lack ____ management in their climate ____?

Will this ____ climate ____ systems ____ due ____ issues?

____ cars ____ at ____ being recalled ____ the ____ and cooling ____ up to par?

Has there been ____ for ____ conditioners ____ car?

____ you ____ about conducting ____ recall for ____ capabilities ____ by ____ climate ____?

____ need ____ actions if there is a ____ or insufficient operation of ____ vehicle's ____?

____ at risk of being ____ if its ____ cooling ____ can't ____ up?

____ we ____ a ____ because ____ the weak ____ control ____ the ____?

Will there ____ recall for this ____ because ____ control?

____ there ____ need for ____ recall if the ____ malfunctioned?

____ might ____ recall ____ faulty temperature ____ in this model.

____ there ____ a ____ for this ____ because it ____ temperature ____?

Upcoming recalls ____ the ____ maintaining desired ____ through the ____ controls?

____ these vehicles ____ climate controls?

____ any ____ currently ____ considered to ____ on cars ____ temperature regulation?

Is ____ measure currently being considered to initiate ____ climate ____ systems that ____ temperature?

____ expect a ____ because ____ the ____ control in ____ vehicles?

Do ____ have ____ plans ____ issue ____ when the ____ control ____?

Is a recall ____ models ____ don't have ____ control?

Will there ____ steps ____ to ____ inadequate temperature ____ cars with the ____ controls?

____ we expect ____ to ____ climate control capabilities of this ____?

Are ____ to ____ vehicles because of ineffective ____ climate ____?

____ you know ____ car model ____ for weak AC?

Is _____ of recalling these _____ models _____ temperature management?

Should _____ climate systems _____ recalled _____ faulty _____ control?

_____ cars with _____ temp _____ its climate system?

Is _____ recall _____ the climate _____ the car?

_____ you planning _____ vehicles _____ of lack of climate control _____ issues?

_____ we _____ see _____ recall _____ insufficient temperature control _____ concern _____ with the climate control _____?

_____ there a _____ the climate control problem _____ vehicle?

There _____ of a recall _____ temperature control _____ this model.

Is _____ reason _____ a car recall?

Is there any _____ currently _____ taken to initiate _____ control systems _____ effective _____ regulation?

_____ insufficiency that affects maintaining _____ car's _____ expected to _____ recalled soon.

_____ there any intention _____ issue _____ poor _____ controls?

_____ there plans to _____ with _____ controls?

Is _____ a _____ of a _____ to insufficient vehicle temperature _____ with _____?

Can I _____ recall regarding the _____?

_____ model have to be recalled _____ temperature _____?

Can _____ model's climate _____ recalled due to _____ issues?

Will the _____ of _____ model _____ temperature control?

_____ of the vehicle's _____ could _____ in _____ for recall actions.

Do _____ recall _____ the _____ cooling capabilities in these cars?

_____ the _____ models have _____ to do with poor _____?

Are there _____ car _____ soon?

Will defects involving _____ to recalls _____ this particular model of air _____ heat _____?

Is _____ a plan for _____ control _____ fixed through _____ recall?

_____ there be any _____ address the _____ of _____ temperature control _____ the cars _____ this _____?

_____ the _____ climate _____ could lead to a _____ recall actions.

Are the vehicle models _____ lack _____ temperature _____ being _____?

_____ there _____ recall of vehicles _____ poor _____ settings?

_____ are vehicle models _____ lack _____ their climate controls.

_____ climate _____ systems _____ subject _____ recall due to _____ control issues?

_____ anticipate _____ action to address the _____ control capabilities _____ vehicle?

_____ plans _____ recall _____ for faulty temp _____.

Do _____ want _____ cars to _____ their _____ can't _____ the heat?

Might there _____ insufficient temp _____ in your _____?

_____ you plan to recall _____ if their AC _____?

_____ considered _____ models that have _____ little climate control?

_____ expect a recall if insufficient _____ control _____ concerned for _____ that have _____ climate _____?

Are you going _____ they can't _____ control?

Is this _____ control _____ possible recall?

_____ there _____ plan _____ the faulty _____ regulation _____ in _____ vehicles?

_____ you considering recalling _____ due to the _____ proper _____?

_____ recall regarding _____ temperature _____ in _____ climate systems?

Will _____ vehicles that have _____ climate _____?

Poor _____ regulation may _____ to _____ of _____ cars' A/C _____.

Is there a _____ for _____ the _____ control _____ functioning properly?

Is _____ recall _____ the _____ for _____ model's _____ systems?

Are _____ models _____ don't have _____ temperature _____ being _____?

Do you _____ there are _____ to issue vehicle recalls _____?

_____ a recall _____ insufficient climate _____ considered?

If _____ a _____ to address _____ of proper _____ control _____ should you consider _____ these _____?

_____ wonder _____ measures _____ considered _____ initiate recalls _____ that lack _____ temperature regulation.
 There _____ models that _____ temperature management _____ their _____ controls.
 Could there _____ a _____ for _____ faulty _____ control _____ model?
 If _____ temperature control is a concern for vehicles with _____ climate _____ systems, can _____ ?
 _____ the air conditioning _____ heat regulators on _____ recalled _____ of improper _____ management?
 Will there _____ to _____ poor _____ control in _____ vehicles?
 It _____ a _____ poor air _____ cars like that.
 _____ temperature _____ is concerned _____ vehicles with _____ climate _____ systems, _____ expect a recall _____ soon?
 There _____ a _____ A/C units _____ be recalled due _____ poor _____ regulation.
 _____ going _____ these _____ with faulty climate controls?
 _____ you be _____ vehicles _____ faulty climate controls?
 Are _____ plans _____ a _____ due to _____ control _____ vehicles?
 We should expect _____ due to _____ temp control.
 There could be a _____ of _____ to the temperature _____ .
 Are _____ considering _____ vehicles due to _____ proper climate _____ ?
 We should _____ a _____ the temp _____ weak _____ vehicles.
 Should these cars be _____ if _____ units can't _____ ?
 Will _____ the climate _____ systems be recalled due _____ ?
 _____ a need _____ recall actions if _____ is a potential _____ climate _____ ?
 Will this _____ because of their temperature _____ issues?
 _____ there _____ to issue vehicle recalls due _____ temperature _____ ?
 Is there _____ for _____ models to be recalled _____ temperature _____ ?
 _____ we expect a _____ insufficient temperature _____ a concern for _____ vehicles _____ ?
 _____ ways to initiate _____ cars with _____ control _____ that don't _____ temperature?
 Is there plans _____ vehicle _____ with inadequate _____ ?
 _____ happening _____ vehicles with inadequate climate _____ systems?
 _____ possible _____ temperature control would prompt recalls _____ ?
 _____ a _____ of recalling _____ models _____ lack sufficient _____ management?
 _____ these vehicles with _____ controls?
 Is _____ any intention _____ due to _____ temperature regulation?
 Is _____ a need _____ actions _____ vehicle's climate control _____ working _____ ?
 Is there a _____ controls _____ this model _____ car?
 _____ a recall _____ malfunctioning _____ controls?
 Are _____ planning on recalling the _____ vehicles _____ up _____ ?
 Did they _____ to issue _____ car _____ when _____ fails?
 _____ insufficient temperature control _____ for vehicles _____ model's climate _____ systems, _____ expect _____ recall?
 _____ recall _____ over the faulty temp control.
 _____ the _____ air _____ and heat regulators _____ risk _____ recalled?
 Is _____ plan to _____ Climate _____ in this _____ ?
 Do _____ have a plan to address the _____ control _____ or _____ you going _____ vehicles?
 _____ is a chance _____ a _____ temperature control.
 _____ plans _____ made to _____ vehicles _____ inadequate _____ systems?
 _____ are you planning on _____ these _____ with _____ AC _____ ?
 Are these _____ going to _____ recalled _____ they _____ temperature _____ ?
 Does anyone _____ there _____ measures currently _____ recalls on cars that lack _____ regulation?
 _____ cars _____ risk _____ recalled _____ their heating and air _____ can't keep up?
 Will cars _____ this _____ control systems _____ recalled _____ temperature control _____ ?
 _____ climate control _____ that lack effective temperature _____ that _____ for recalls.
 _____ expect _____ recall _____ of weak temp _____ in these _____ ?
 Is there _____ for a _____ to _____ control _____ vehicles?

_____ there _____ recall _____ the climate _____ this car?

_____ there _____ that have _____ climate control systems?

Are _____ considering recalls _____ to the _____ of _____ regulation within the _____ particular system?

There _____ be a recall _____ temperature _____ in _____ with _____ climate _____ systems.

_____ model's _____ control _____ a safety-related recall.

Will _____ equipped with this model's _____ control _____?

_____ recall vehicles with inadequate climate _____ systems?

_____ there _____ plan _____ vehicles due to ineffectual _____ regulation _____ climate _____?

_____ there a plan _____ resolving the malfunctioning _____ in _____?

Is there a _____ ineffective _____ controls on _____?

Could a malfunction _____ vehicle's _____ cause _____ recall actions?

_____ there _____ plan for _____ temps _____ by this _____?

_____ cars _____ recall _____ to temperature control _____?

Are these vehicle models _____ have enough _____ management _____?

_____ that _____ climate control be recalled?

Is _____ upcoming recalls _____ to the insufficiency _____ maintaining desired temperatures _____ car's _____?

_____ model _____ a recall because _____ inadequate temperature _____?

_____ a recall _____ experiencing _____ climate _____?

_____ air conditioning units and _____ regulators _____ to be _____ improper _____ management?

Is a recall considered _____ climate control?

_____ models that _____ sufficient temperature management _____?

_____ these vehicles _____ climate controls?

_____ you planning on recalling _____ vehicles _____ lack of _____?

_____ insufficient _____ control _____ be recalled.

Cars _____ that lack effective temperature regulation may _____.

_____ there _____ to _____ vehicles due to malfunctioning temperature _____?

_____ could _____ a recall _____ to poor temperature regulation _____.

Poor _____ regulation _____ these _____ A/C _____ lead _____ a _____ recall.

_____ are problems with _____ control _____ in the vehicles that _____.

When will we _____ these _____ vehicles _____ messed-up _____?

_____ there any _____ recalls due to poor temperature _____?

_____ specific _____ air _____ and heat _____ be _____ due to _____ temperature management?

Is _____ intention to start _____ recall due _____ insufficient _____?

This one might be _____.

_____ systems in these _____ may need _____ be _____.

_____ there _____ recall cars due to _____ temp _____?

Is _____ of a _____ due to insufficient _____ regulation with _____?

Do manufacturers intend to _____ because _____ in _____ climate devices?

Do you _____ the _____ faulty _____?

Can _____ expect _____ because _____ weak temp control _____ these _____?

Any _____ for _____ temperature control _____ the _____ climate _____?

_____ any upcoming _____ relate _____ the _____ affects _____ through the car's _____ controls?

_____ recalling _____ with faulty _____ controls?

Could _____ of the _____ cause _____ for a recall?

_____ temperature control is _____ for _____ this _____ control _____ will there be a recall?

_____ cars with _____ model's _____ systems _____ a recall?

Is there _____ recall _____ cars _____ to _____ temp control?

Possible _____ or insufficient _____ vehicle's climate _____ could result _____ a need _____.

_____ you _____ a plan to _____ the lack of proper climate _____?

I _____ to know _____ there _____ to recall _____ with _____ climate _____ settings.

Can ____ expect a ____ climate ____ my car?

Is ____ a ____ due ____ the subpar ____ regulation?

____ there any ____ to recall these ____ of ____ management?

Will a ____ cars with the ____ systems?

What ____ the upcoming recalls ____ the insufficiency ____ maintaining desired ____ car's AC ____?

Are ____ plans ____ the climate ____ on this ____?

Is there ____ for ____ conditioners ____ in ____ car?

____ AC ____ can't ____ the heat, do ____ intend ____ these cars?

____ a recall plan ____ vehicles that have ____ climate ____?

Plans to recall ____ of ____ in its ____ system?

____ it possible to initiate ____ on cars ____ control ____ don't regulate ____?

____ wonder if a ____ is ____ don't have ____ climate control.

Maybe ____ be ____ for bad air conditioning ____ one.

Have you thought about conducting ____ cooling ____ cars?

Is it ____ models ____ be ____ for experiencing ____ control?

____ there a ____ for ____ with insufficient ____ control?

____ is a chance ____ recall ____ of ____ issues ____ control.

____ might be a ____ to recall ____ control.

____ be ____ recall regarding ineffective ____?

Will there ____ recall because of ____ the cabin ____?

Could a malfunction of the climate ____ to a need ____?

Is ____ a ____ of ____ with ____ climate ____?

____ vehicle ____ do ____ have enough temperature ____ the climate ____.

Is it possible you ____ be ____ these ____ controls?

Will this car ____ have a ____?

Is ____ fixed through ____ recall?

The ____ be ____ of ____ temperature management.

There is a ____ for a ____ vehicles that ____ in ____ climate ____.

Is ____ any ____ recall vehicles ____ regulation in the climate ____?

____ recall planned ____ this vehicle ____ fix ____ control problem?

Vehicles that lack ____ temperature ____ in ____ controls might ____.

____ plans ____ recall ____ that ____ poor ____ control systems?

____ there a ____ of a recall due ____ issues?

Can we expect a recall ____ for ____ with ____ control systems?

____ there a ____ on the ____ units and heat regulators of ____?

Is ____ consideration ____ vehicle models that ____ temperature management?

If the vehicle's climate control fails, ____ there ____?

____ should expect ____ recall for ____ in these vehicles' ____.

A potential ____ or insufficient ____ of the ____ climate control ____ need ____ actions

____ there ____ plan ____ the ____ with bad climate ____ settings?

Will ____ be recalled ____ to faulty ____?

Will ____ model's air ____ and ____ regulators be ____ due ____ defects ____ temperature management?

____ model's climate ____ face ____ recall.

____ for ____ recall ____ because of malfunctioning temp ____?

Is there a recall about ____ on ____?

____ the temperature ____ in this model ____?

____ be any steps taken to ____ inadequate ____ control ____ climatic controls?

____ you have plans ____ address ____ lack ____ you consider recalling these cars?

____ the recall ____ bad ____ happen ____?

Will ____ expect a recall ____ to weak ____ vehicles?

Are there _____ for a _____ have insufficient temperature _____?
 _____ planning _____ recall _____ the lacks climate control system _____?

There is _____ for _____ recall _____ to subpar _____.
 _____ the climate control _____ the model _____ to temperature control _____?

It might be _____ for _____ air _____ on _____ like _____.
 _____ want to recall these _____ AC?

There may be _____ recall _____ of temperature control _____ conditioning.
 _____ lack _____ regulation _____ the vehicle models boasting _____ system _____ lead _____ recalls.
 _____ be a _____ of vehicles with faulty climate _____?

Do _____ the remedy _____ cooling _____ these cars is _____ conduct _____ recall?
 Do _____ on issuing _____ when _____ climate control _____?

Is _____ upcoming recalls about _____ insufficiency that _____ this _____?
 _____ this model's _____ possible recall?

There _____ be _____ need _____ if _____ is _____ of _____ vehicle's climate control.
 _____ going _____ cars _____ they have broken AC?

There might be a _____ models that don't _____.
 _____ this model's _____ control systems _____ recalled for _____?
 _____ you have _____ to _____ the _____ of proper climate _____ should you _____?

Any plans _____ of _____ temperature regulation _____?

Is there a _____ due _____ regulation
 Will _____ any measures taken to _____ inadequate _____ in cars with the _____ controls?
 _____ there _____ intention _____ vehicle _____ because of poor temperature _____?

Will _____ this _____ be recalled over _____ temperature control?
 _____ we expect _____ the poor climate control _____ of this _____?

Is this model's _____ going _____ be recalled due _____ temperature _____ issues?
 Poor temperature regulation _____ these cars' _____ could cause _____.

Is _____ plan _____ fix _____ faulty temperature regulation _____ these _____.
 There is _____ of a recall _____ the _____ temperature _____.
 _____ a lack _____ regulation in the _____ models _____ this system?
 _____ with the _____ on the cars in _____ model lineup?
 _____ there be any steps taken _____ address _____ lack of temperature control in _____?

Can _____ a recall _____ controls on _____ car?
 _____ recalls be _____ on _____ with _____ control _____ that _____ temperature regulation?
 _____ a plan for _____ recall due to insufficient _____ AC system?

Does this _____ systems have _____?
 _____ coming for inadequate temperature _____ this model?
 _____ the air _____ units and heat _____ this particular _____ recalled _____ to _____?

Will _____ of _____ be _____ for malfunctioning _____ control?
 Are _____ to fix _____ faulty temperature _____ in _____ vehicles?
 _____ to _____ lack _____ climate regulation within vehicle models _____ this particular system?
 _____ you _____ are plans _____ issue _____ recalls because of _____ temperature _____?

Are you _____ on _____ these _____ AC units don't handle _____?
 Are you _____ recall _____ the lack _____ control _____ vehicles.
 _____ be a _____ a _____ because _____ the temperature _____ issues here.
 _____ insufficiency that _____ maintaining desired temperatures _____ car's AC _____ is _____ lead _____ upcoming _____.

Is _____ a _____ air _____ failing in this _____?
 _____ there _____ plan _____ recall these _____ for _____ management?
 _____ the _____ be _____ due _____ climate controls?

There is _____ that vehicles _____ climate control _____ a _____.
 _____ you going to _____ vehicles _____ the lack _____ climate control _____?

____ it possible ____ for subpar cooling capabilities caused ____ control in these ____?
 ____ one may ____ be recalled ____ poor air ____.
 ____ be a recall ____ models ____ climate control.
 I wonder if insufficient ____ control ____ prompt ____ for _____.
 ____ is ____ chance ____ by ____ poor temperature regulation on ____ A/C units.
 ____ expect a recall because ____ control in the ____?
 Could ____ malfunction ____ climate control ____ vehicle cause ____ need ____ recall ____?
 Do you ____ to ____ these ____ if ____ AC ____ up?
 It ____ be ____ recall ____ air ____ on this ____.
 ____ measures currently being ____ to initiate ____ cars with ____ control ____ that do not ____?
 Is it a ____ for ____ conditioning ____ cars?
 Is the company likely ____ address ____ climate ____ capabilities ____ system?
 Is ____ recalls for ____ control?
 ____ that affects ____ desired ____ through this car's AC ____ recalls expected?
 There's a ____ of ____ issues with temperature ____.
 Is any upcoming ____ related to the ____ car's ____?
 ____ the ____ this model ____ failing temperature control?
 ____ recalls be ____ on cars ____ systems that don't ____?
 Is the model's air ____ heat regulators ____ be recalled for ____?
 ____ there ____ plan ____ recall these ____ because of ____ temperature ____?
 Should cars with ____ control ____ be ____ due to ____ issues?
 Is any measures ____ considered ____ recalls ____ cars with ____ systems that ____ regulation?
 ____ you ____ recall these ____ with malfunctioning ____ controls?
 ____ be ____ actions taken ____ the ____ temperature control in cars ____ the climatic ____?
 ____ problems ____ through a recall?
 Is ____ plan to ____ vehicles ____ model's climate ____ don't ____?
 ____ a possibility ____ recalling ____ vehicles with ____ climate ____?
 Is ____ intention of ____ models due ____ poor ____ management?
 ____ models be recalled ____ temperature management?
 Are ____ like these ____ risk of ____ if their ____ properly?
 ____ models that ____ sufficient ____ management in their climate ____?
 Is there ____ plan ____ resolving ____ regulation ____ these ____?
 ____ plans ____ issue vehicle recalls because ____ poor temperature ____?
 Are there ____ to ____ of ____ climate ____ the vehicle models?
 Might ____ for ____ temp regulation?
 ____ recalls ____ of ____ temperature regulation systems?
 Is ____ a ____ air ____ cars like this?
 ____ control ____ at controlling ____ correctly, do they plan on ____ for ____?
 ____ there plans ____ a recall due to ____ in ____?
 Are ____ vehicle ____ that ____ enough temperature ____ recalled?
 Are cars like ____ at risk of ____ recalled ____ cooling ____ perfect?
 Will vehicles ____ climate control have a ____?
 ____ recall of faulty ____ control ____ model's climate ____?
 Plans ____ recall ____ cars with malfunctioning ____?
 ____ this ____ going ____ because of faulty climate ____?
 ____ a plan ____ recall vehicles ____ of the poor temperature ____ in ____?
 ____ I expect ____ recall ____ the ____?
 ____ there ____ recalls ____ car cooling happening ____?
 ____ a ____ due to ____ temperatureregulation?
 ____ there ____ to recall ____ poor climate ____?

_____ they _____ on _____ recalls for _____ when _____ control fails?

_____ model's climate _____ systems cause _____?

Is a _____ the _____ for _____ that don't have _____?

Do manufacturers intend _____ vehicles due to _____ temperature _____ model's _____?

_____ we expect company action _____ poor _____ capabilities in _____?

_____ on recalling the cars _____ AC units can't _____ the _____?

_____ likely because _____ weak temp control in _____ vehicles' _____?

_____ there a _____ of subpar _____ regulation.

Is there a _____ car _____ subpar _____ regulation?

_____ insufficient _____ of cars with this system?

There _____ plans for _____ to malfunctioning _____ systems?

_____ you _____ vehicles due to lack of _____ climate _____?

_____ malfunction or _____ vehicle's climate control cause a _____ recalls?

_____ a recall to fix _____ climate control _____ this _____?

Is _____ recall _____ that _____ not have enough _____ control?

_____ plans for _____ of _____ insufficient temperature control?

_____ there be recalls _____ failing _____ this vehicle?

_____ cars _____ be _____ due _____ control in its climate system?

_____ model's _____ control system _____ to _____ a recall?

_____ control _____ face a recall.

Will _____ a _____ control failures _____ this model?

Is _____ over faulty temp control?

_____ there _____ recall _____ vehicles with inadequate _____ systems?

_____ a _____ address the lack _____ proper _____ control _____ and _____ recall these vehicles?

Should _____ the _____ to _____ poor climate _____ of _____ vehicle's system?

_____ a _____ vehicles with poor _____ control settings.

The _____ of _____ model _____ face a _____ temperature control _____.

Are you _____ lack of climate _____ in _____ models?

_____ there _____ models _____ don't have _____ management in their _____?

_____ recalling the vehicles with messed-up _____ systems?

Is _____ plan to _____ vehicles _____ climate control _____?

_____ affects maintaining _____ through this car's AC _____ can _____ recalled.

Are _____ vehicle _____ that do _____ have enough _____ for _____?

_____ we _____ recall if insufficient temperature _____ is concerned _____?

_____ a _____ control _____ a concern for vehicles with climate control _____?

There could be a _____ to poor _____ regulation _____ the A/C _____.

_____ could be _____ for _____ air _____ on this _____.

_____ there _____ due _____ insufficient climate control in vehicles?

_____ there _____ this model over temperature _____ failures?

_____ the climate control _____ controlling _____ will _____ issue recalls _____ the _____?

I was _____ if _____ have a _____ for _____ AC.

_____ could be _____ need _____ recall actions _____ the vehicle's _____ malfunctioning.

_____ manufacturers want _____ recall _____ because _____ ineffective temperature regulation _____ devices?

There _____ chance of a recall _____ air _____ on _____ this _____.

_____ model's _____ systems be _____ to insufficient temperature control?

_____ with _____ model's climate _____ may _____ a _____ recall.

There might _____ plans _____ a recall _____ to insufficient _____ control in _____ climate _____ systems.

_____ vehicles _____ this _____ climate _____ a recall?

Will _____ a _____ over temperature _____?

_____ there any plans _____ recalls due _____ poor _____?

____ the ____ that lack ____ temperature ____ being ____?
 ____ upcoming recalls related to the ____ that ____ desired ____ AC controls?
 Maybe there ____ be ____ poor air ____ on cars ____ this ____.
 Is ____ recall ____ models ____ don't have ____ control?
 ____ plan to ____ recalls for car models ____ fails?
 When will you ____ recalling ____ AC systems?
 ____ there plans ____ recall of ____ the faulty ____ control?
 ____ a malfunction ____ vehicle's ____ control lead ____ a ____?
 ____ you thinking ____ a ____ fix the subpar ____ these cars?
 Do you plan ____ address the ____ control temperatures or ____ you have ____ recall ____?
 ____ related ____ that affects maintaining ____ temperatures ____ car's AC controls are ____?
 Do ____ want ____ recall these ____ if ____ can't ____ the heat?
 Is there ____ the poor air conditioning ____?
 ____ the model's climate ____ systems ____?
 There ____ a possibility ____ a ____ the temperature control ____.
 ____ there ____ recall ____ vehicles with inadequate temperature ____?
 Will this ____ a ____ temperature control issues?
 ____ I expect ____ recall ____ controls on the car ____?
 ____ there any ____ for ____ car ____?
 ____ if ____ a ____ air conditioning ____ cars like this one.
 There are ____ for cars to ____ of ____ temp ____.
 Do you ____ on ____ cars ____ the ____ units ____ handle ____?
 Is ____ air conditioners failing in this ____?
 Are there ____ to ____ faulty ____ control?
 ____ expect a ____ vehicles ____ insufficient temperature control?
 Are ____ plans for a ____ to insufficient temperature ____ cars ____ control ____?
 ____ the ____ control fails ____ controlling temperatures ____ issue recalls ____ car ____?
 Can ____ expect ____ if there ____ insufficient ____ control ____ climate control systems?
 There is ____ chance for ____ recall ____ car ____.
 ____ you ____ make a ____ for the ____ climate control ____?
 Is there ____ recall tied ____ climate control ____ these ____?
 ____ we ____ company ____ poor climate control ____ of ____ vehicle?
 Can I ____ climate controls ____ this car?
 ____ a plan ____ resolve the ____ problem ____ these cars?
 ____ there a recall of vehicles because ____?
 ____ you want ____ these ____ if ____ AC units don't ____ the ____?
 There ____ need ____ recall ____ if there is ____ potential ____ of ____ vehicle's climate ____.
 ____ a recall ____ to insufficient temperature ____ in ____ vehicles.
 Are cars ____ at risk of being ____ their ____ and ____ system can't ____?
 Will the climate ____ vehicles ____?
 When ____ going to ____ vehicles ____ have messed ____ AC ____?
 Is ____ control ____ fixed ____ recall?
 Can ____ recall ____ to insufficient ____ control ____ vehicles ____ the climate control ____?
 Will ____ be recalled because ____ lack ____ temperature ____?
 ____ is a ____ of a ____ because of ____ control.
 Is there ____ vehicle ____ coming ____ lack of ____?
 ____ vehicles ____ model's climate control ____ recall?
 ____ might ____ recalled for bad ____ conditioning on cars ____.
 Is ____ possible for models ____ be recalled ____ climate ____?
 Could a malfunction ____ the climate ____ cause a ____?

Are there plans to make _____ climate control _____?
 _____ be a recall _____ climate _____ car model?

There are cars _____ lack _____ regulation _____ to recalls.
 _____ there _____ recall for _____ temp _____ vehicles?

If _____ plans to _____ the lack _____ proper climate control _____ vehicles?
 _____ the _____ control systems _____ a _____?

Can I _____ a recall regarding _____ climate _____?

Will _____ against the AC systems _____ are _____ soon?
 _____ to address _____ lack of _____ climate control _____ would _____ consider _____ vehicles?
 _____ plan to _____ cars with bad _____ settings?
 _____ vehicles of this model _____ recalled over _____?

Is a _____ are experiencing insufficient _____ control?
 _____ be recalling _____ with malfunctioning _____?

Is _____ a plan to _____ bad climate _____?
 _____ there _____ vehicle recalls coming _____ control?
 _____ recall for air _____ failing.

Will _____ recall _____ air conditioners _____ in _____ car?

Should there be _____ recall for _____ faulty _____ the _____?
 _____ a _____ considering _____ experience _____ climate control?
 _____ expect _____ for _____ that don't _____ adequate temperature control?
 _____ they _____ to _____ if _____ climate control fails _____ controlling _____ correctly?

Is there any _____ recall these _____ the poor _____?

Any plans for _____ recalls _____ to _____ systems.

Do you _____ to recall _____ they _____ handle _____?
 _____ could be a _____ for _____ the vehicle's climate _____ malfunctioning.

Should _____ cars be _____ if _____ AC units can _____?

Is there any plan _____ a _____ to insufficient _____ vehicles?
 _____ there a _____ recalling vehicle models _____ lack proper _____?
 _____ intend to _____ vehicles because of ineffective _____ climate _____?

Is it possible _____ these _____ enough _____ management _____ climate controls?
 _____ is a _____ for a _____ of _____ issues.
 _____ being considered _____ models with _____ climate control?
 _____ we expect _____ these vehicles because _____ temp control?
 _____ there any plans _____ recall due to insufficient _____ this model's climate control _____?
 _____ for subpar cooling capabilities caused _____ in these _____ have _____ considered conducting _____ recall?
 _____ their _____ units can't handle the _____ to _____ these cars?
 _____ a recall _____ up _____ bad _____ on cars like this _____.

Can there be _____ ineffective _____ controls _____ this _____ model?

Can there _____ of _____ climate controls _____ this _____ model?

Will _____ have _____ recall because of _____ temp _____ vehicles?
 _____ we _____ recall if insufficient _____ for vehicles with _____ model's climate _____ systems?
 _____ model of car have a recall _____?

_____ you planning _____ these _____ of _____ climate controls?

Plans to recall _____ inadequate _____ systems _____ consideration.
 _____ we expect _____ recall _____ of _____ weak temp _____ these _____?

Is there a _____ recalls on the air _____ this _____ model?

Is _____ considered _____ that don't _____ adequate climate _____?
 _____ recalls for inadequate _____ control _____ this model.

When _____ you _____ to _____ these _____ with _____ AC systems?
 _____ a recall for _____ car _____?

There _____ a _____ a recall _____ the temperature control _____.
 Have _____ considered a recall due _____ lack _____ the vehicle models?
 _____ be a recall _____ conditioner failure _____ this _____?
 We don't know _____ model's climate _____ systems _____ recalled _____ insufficient temperature _____.
 _____ there any plans _____ recall _____ with insufficient _____?
 _____ you planning to recall _____ vehicles _____ of _____ control _____?
 _____ you think _____ conduct a _____ for _____ in these cars?
 _____ recalls are _____ insufficiency that affects maintaining _____ temperatures?
 Will _____ be _____ deal with inadequate air _____ in _____ vehicle?
 Does anyone _____ recalls due to malfunctioning _____ systems?
 Do _____ plan _____ issue _____ control fails at controlling temperatures _____?
 _____ plan _____ fixing the faulty _____ regulation in these _____?
 Is _____ a _____ in the works _____ control _____ the climate _____?
 Will _____ model's climate control systems _____ a _____?
 There _____ a _____ for _____ temperature control in _____.
 _____ there a _____ to _____ faulty temperature regulation in _____?
 _____ to _____ these _____ for _____ lack of climate control?
 _____ considering recalls _____ lack _____ proper climate regulation in _____ vehicle _____?
 There could _____ recall for _____ faulty _____.
 Are you considering recalls _____ to _____ lack _____ proper _____ regulation _____ own?
 _____ need for _____ the vehicle's climate control _____ work?
 _____ possible that cars like _____ are at _____ being recalled _____ their HVAC _____ temperatures properly?
 Is _____ recall _____ with inadequate climate _____ near?
 Should we _____ to _____ control _____ these vehicles' ACs?
 _____ there a vehicle recall _____ for _____?
 _____ with inadequate air _____ systems _____ this car?
 Poor _____ regulation on the A/C _____ to _____ possible _____.
 _____ we going _____ see a _____ vehicles _____ insufficient _____ control?
 Is _____ the _____ temperature regulation problem in these _____?
 _____ to recall the cars _____ of the _____?
 Can _____ expect _____ enough temperature control for _____ vehicles?
 Is _____ vehicle recalls _____ to poor temperature _____?
 _____ planning to recall these cars for lack _____?
 Have _____ considered _____ to remedy subpar cooling _____ in _____?
 Are _____ at _____ of _____ their heating and air conditioning _____ isn't up _____ the _____?
 What _____ recalls about _____ insufficiency that _____ desired _____ this car's _____ controls?
 _____ be action _____ AC systems that are malfunctioning _____?
 _____ temperature regulation _____ the _____ cause of a recall.
 _____ cars with the _____ control _____?
 Are there vehicle models that _____ temperature _____?
 It _____ a recall for the _____ on _____ one.
 Are _____ at risk _____ being _____ their system can't _____ temperatures _____?
 Will the _____ with _____ control _____ be recalled due _____ control _____?
 Is there a _____ car models _____ recalled if _____ control _____?
 Are _____ any chances of a _____ control issues _____?
 _____ the remedy for subpar _____ capabilities _____ by deficient climate _____ these _____?
 Cars like these _____ at _____ if they can't _____ temperatures _____.
 Is _____ a plan _____ faulty _____ up AC systems?
 _____ is _____ chance of _____ due to poor temperature regulation _____ A/C _____.
 If _____ have _____ to address _____ climate control temperatures, you _____ consider _____ the _____.

_____ be a _____ due _____ insufficient temperature _____ in vehicles _____ this _____ systems.

Are you _____ a recall _____ of _____ climate regulation in _____ vehicle _____?

_____ conditioning units and heat regulators _____ because of improper temperature management?

Are _____ on recalling the _____ vehicles _____ AC _____?

Are _____ planning a recall because _____ in _____?

Is there _____ plans _____ because of _____ temperature _____?

_____ a recall for _____ air conditioning _____ like this _____.

Should _____ due to the _____ of _____ climate regulation?

So, _____ you _____ recalling vehicles with _____ up _____?

Are there _____ to the _____ proper climate _____ this particular system?

_____ company _____ against _____ poor _____ control capabilities of _____ vehicle?

_____ a chance of _____ to _____ temperature control _____ here.

_____ to recall the _____ if their AC _____ can't handle _____?

Have _____ considered _____ recall to _____ the _____ cooling _____ these cars?

Are you going _____ these _____ due _____ faulty _____?

If the _____ at controlling _____ do _____ intend to _____ recalls for _____?

Is _____ possible _____ these _____ will _____ recalled for _____ controls?

There are _____ temperature controls _____ lead _____ recalls.

Will the climate _____ systems _____ these cars _____ due to _____?

Will _____ and heat regulators _____ recalled due to defects _____ management?

In _____ model's _____ any vehicle recalls _____ for inadequate _____?

Is _____ a _____ vehicle recalls _____ malfunctioning temperature _____ systems.
