

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Alarm system false alarms or notifications
Inquiry Sub-Category	False alarm troubleshooting
Description	Customers seek assistance in identifying the causes of frequent false alarms, including possible system malfunctions, user errors, or environmental factors that trigger alarm activations.
Data Size	5,782 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ there _____ known _____ software _____ in your equipment _____ causing frequent false _____?

_____ reported software glitch _____ might be triggering these _____?

_____ have _____ issues with _____ equipment _____ can _____ false alarms?

There _____ in the equipment that _____

_____ you aware _____ any _____ that cause _____ alarms?

How about equipment _____ cause _____?

Any bugs _____ the equipment _____ can _____ alarms?

Are these _____ warnings _____ software _____?

Is _____ any _____ glitch _____ triggering _____ alarms?

_____ you _____ any _____ malfunctioning _____ leads to _____ alarm _____?

Is _____ problem in _____ system that _____ false _____?

_____ know _____ system _____ cause recurring wrong signals?

_____ you _____ problems _____ your _____ that can _____ fake _____?

_____ there mistakes or _____ your _____ cause bogus _____?

_____ there any _____ your gear _____ lead to _____?

There _____ the equipment _____ lead _____ unreliable alarms.

Any _____ equipment _____ that cause _____?

Have you _____ software _____ that _____ false _____ lately?

Do _____ make false _____?

_____ if there are any _____ system that _____ false alerts?

_____ you _____ me _____ there _____ issues that cause false _____?

_____ bugs or _____ in _____ that cause false _____?

_____ may be flaws _____ device _____ fake warnings.

_____ your equipment's flaws _____ alarms?

_____ you know _____ any system defects _____ signals?

_____ with false alarms?

Are _____ any flaws _____ cause fake warnings?

_____ know of _____ defects in _____ that lead _____ warnings?

_____ false notifications?
_____ bugs _____ false alarms?
_____ there _____ defects or _____ errors that _____ to recurrent _____?
_____ your equipment have _____ issue _____ false _____?
_____ bugs _____ your equipment _____ alarms?
Do _____ know about _____ in _____ system that cause _____?
Software _____ frequent _____ alarms?
_____ there _____ with your _____ cause bogus _____?
Is _____ software glitch that might be _____?
_____ issues cause _____ warnings?
_____ you _____ issues with the system that _____ alerts?
_____ you _____ system _____ that cause wrong _____?
Are _____ in your _____ are causing false _____?
_____ alarms caused _____ in your stuff?
_____ there bugs _____ our _____ that _____ recurring _____?
Do you know _____ problems _____ cause _____ alarms?
Do any _____ software issues _____?
_____ the software _____ faulty _____?
_____ software _____ false alarms?
Are _____ issues compelling _____ false _____?
_____ problem _____ your equipment _____ could cause fake _____?
Does your _____ have _____ that _____ alerts?
Do you know _____ problems that lead _____ false _____?
Is _____ malfunctioning _____ triggering bogus _____?
_____ there any _____ with your equipment _____ cause _____?
Is _____ chance that software _____ might _____ alarms?
Are there _____ are triggering these false _____?
_____ equipment _____ glitch or bug _____ leads _____ unreliable alarms.
_____ you have _____ glitches _____ warnings?
Are _____ software problems _____ your _____ cause _____ alarms?
_____ that prompt _____ alarms?
Do _____ problems in _____ system that cause _____ alert?
_____ there software _____ in _____ gear _____ fake notifications?
_____ possible _____ malfunctioning, causing false alarm incidents?
_____ software issues _____ false alarms?
_____ you have any _____ gear _____ can _____ bogus alert?
_____ causing false alerts?
_____ you know if there _____ causing fake _____?
Are there any _____ or software problems _____?
_____ you _____ documented problems _____ your system _____ to _____ notifications?
Do you _____ software _____ devices?
Is _____ equipment _____ that cause _____?
Is there a _____ your _____ that _____ notifications?
_____ there _____ bugs _____ your _____ that could be causing _____?
Is _____ a software glitch in _____ causing _____ alarms?
Have you _____ any software malfunction _____ alarm instances _____?
Is _____ equipment's technical flaws _____ mistaken alarms?
_____ there _____ software glitch _____ could _____ false warnings?
Are _____ caused by software _____?
Is _____ the equipment _____ technical flaws that cause _____?

_____ there are software bugs _____ software glitches _____ false alarms?
 Are _____ reported _____ problems that _____ be _____ these false _____?
 _____ there _____ documented _____ with _____ system that cause _____?
 Do you know _____ system that cause _____ alerts?
 _____ is it _____ software bugs _____ false _____?
 Is _____ any software _____ that _____ cause _____ false _____?
 Is there _____ recurring _____ alarms?
 Does _____ have _____ that are _____ alarms?
 _____ there _____ with your _____ that cause _____ alarms?
 Are there _____ known _____ equipment that are _____ false _____?
 _____ it _____ that known _____ within the _____ can _____ falsifications?
 _____ it _____ the equipment is malfunctioning and leading _____?
 Is _____ any _____ with your system that lead _____?
 Is _____ known _____ that causes _____ false _____?
 Are _____ equipment's _____ making _____?
 _____ there any problem _____ your system _____ false _____?
 Is _____ generating _____ warnings _____ of known _____ glitch?
 _____ you aware _____ any _____ problems _____ devices?
 _____ bugs _____ cause false _____?
 Is there _____ glitch _____ may _____ false alerts?
 _____ equipment's _____ may be _____ notifications.
 There are _____ that _____ cause _____.
 Do _____ if there _____ a software _____ your _____?
 _____ you know _____ defects _____ fake _____?
 Is equipment _____ bugs _____ cause faulty _____?
 _____ there any known _____ cause false _____ your _____?
 Do _____ any _____ cause fake alarms?
 _____ it possible _____ is malfunctioning and causing _____?
 Do you know about any _____ system _____ cause _____?
 Are _____ any identified _____ causing _____ in _____ devices?
 Does _____ appear that _____ false _____?
 _____ you _____ of defects in _____ system _____ alert?
 Is it _____ that your equipment _____ cause _____ incidents?
 _____ there _____ documented problems with _____ lead to unnecessary _____?
 _____ there _____ within the equipment that _____ to _____?
 _____ equipment have _____ up and _____ false warnings?
 _____ be _____ in your setup that cause _____.
 Are you aware of any _____ cause _____?
 Have _____ been any issues _____ equipment _____ could cause _____?
 Is _____ your system _____ causes false alerts?
 Are there _____ your setup that cause _____?
 Is _____ software issues _____ to faulty _____?
 Do _____ have _____ problems that _____ false _____?
 _____ there a software _____ that _____ these false _____?
 _____ there any documented problems _____ your system _____ to _____?
 _____ there any _____ in your _____ causing false alarm?
 _____ any _____ in the equipment that _____ be _____ false _____?
 Are _____ lead _____ recurring false alarms?
 _____ there _____ in _____ cause fake alarm?
 _____ you _____ encountered software _____ that is responsible _____ false _____?

_____ equipment buggy enough _____ cause a _____?
 Is _____ software glitch _____ the false alerts?
 _____ any of _____ in _____ system _____ the _____ alarms?
 I _____ to _____ if _____ glitch _____ blame _____ the _____ bogus triggering.
 _____ that _____ equipment _____ some technical flaws that _____ mistaken alarms?
 There _____ possibility that _____ bugs _____ alarms.
 Do you know if _____ cause false _____?
 Any _____ bugs _____ glitch that _____?
 Have _____ seen any _____ malfunction _____ to _____ alarm instances _____?
 Is there a _____ glitch _____ cause _____ alerts?

 _____ defects or software _____ that affect the _____?
 Is there any _____ in your gear _____ causing _____?
 _____ there software _____ causes fake alert _____ your _____?
 _____ there problems with _____ cause false _____?
 _____ known issues _____ your equipment _____ might _____ fake _____?
 _____ there _____ bugs _____ system messing with _____ alarms?
 _____ there _____ reported software _____ that might _____ these _____ alarms?
 Are _____ bugs _____ glitch in your _____ cause _____?
 Do you _____ buggy _____ behind _____ of _____?
 _____ software _____ causes false alarms?
 Is _____ software bugs _____ alarms.
 Is _____ that _____ are _____ false _____?
 Is _____ software glitch that _____ false notifications?
 Is _____ any documented _____ with your system _____ lead _____?
 _____ it possible for your equipment _____ have technical _____?
 There _____ flaws _____ the _____ false alarms.
 There _____ with your gear _____ false alert.
 _____ it _____ that software _____ can _____ alarms?
 Is _____ possible _____ equipment issues that lead _____ alarms?
 Do _____ off false _____?
 Do _____ any _____ issues lead to _____ alarms?
 _____ be technical flaws in your _____ that _____ false _____.
 _____ behind the false alerts?
 _____ flaws cause _____ warnings?
 Is _____ problem with _____ system _____ false _____?
 There _____ errors or _____ in _____ that cause bogus _____.
 Do _____ know if there are defects _____ system _____?
 Is there any _____ to false alarms?
 Do _____ know _____ any software issues _____ in your _____?
 _____ there _____ issues _____ your gear _____ lead _____ alert?
 Are there any _____ bugs _____ alarms?
 Do _____ see system _____ signals?
 _____ software _____ cause _____ false alerts?
 _____ the system _____ misleading notifications _____ of _____?
 Have _____ software _____ that _____ false alarm instances _____?
 Software _____ false _____?
 Can you _____ if there _____ lead _____ false alarms?
 _____ to know if _____ glitch is _____ of bogus Triggers.
 _____ to know _____ equipment glitch _____ blame for _____ triggers.

Are _____ bugs or _____ quirks that cause _____?

Is your equipment's _____?

_____ there _____ issue that _____ regular faulty _____?

_____ may be _____ faults within _____ system that _____ causing _____.

_____ you have any documented defects _____ contribute to _____?

_____ any _____ that _____ cause false alarms?

Is _____ triggering misleading _____ of _____ software?

Does _____ that software bugs _____?

Is _____ gear that causes bogus notifications?

Constant misleading _____ by _____ software.

Any equipment _____ that _____ false _____?

Is _____ in the software cause _____ alarms?

_____ prone to tech _____ that _____ false _____?

_____ it possible that _____ with fake alarms?

_____ could be problems _____ system _____ generating inaccurate _____.

_____ there _____ identified _____ that are causing recurrent _____ our _____?

_____ that _____ bugs can _____ false alarms.

_____ you know of _____ that _____ false alarm _____ your _____?

_____ might _____ issues _____ that lead to bogus _____.

Do you _____ any bugs _____ cause fake _____?

Do _____ software faults _____ your _____ cause _____?

Is there _____ issues _____ gear _____ lead _____ notifications?

Did _____ in your setup _____ bogus warnings?

_____ there any _____ that might be triggering _____ alarms?

Has _____ been any software malfunction _____ recently?

Has _____ malfunction _____ a _____ false alarm _____ lately?

Do _____ have _____ is behind _____ false _____ of concern?

Are there _____ that can _____ to _____ alarms?

Do you _____ software _____ that cause _____ alarm?

_____ you experience any _____ that _____ false alarm _____?

_____ you know of any _____ the _____ cause _____ warnings?

Is it _____ are _____ flaws that _____ alarms?

Is _____ any known problems _____ system that _____ warnings?

_____ have _____ bugs in _____ system _____ fake alarms?

_____ there _____ reported software flaws _____ might _____ false _____?

Is there _____ bug _____ causing _____ alerts?

_____ you know _____ are software faults in _____?

_____ you _____ of potential bugs _____ the software _____ cause _____?

Is _____ any software problems _____ that _____ alarms?

Is there _____ is triggering these false _____?

Do flaws in _____ alarms?

Is _____ possible that certain _____ cause _____?

_____ you know of _____ that cause _____ alerts?

There could be _____ your _____ that are _____ alarms.

Is _____ a problem with _____ be _____ false alarms?

Do the _____ in _____ cause _____?

Are any equipment _____ that _____ alarms?

_____ you _____ any _____ in _____ system that _____ bogus alerts?

Do you _____ with your stuff _____ of _____ noises?

Do you _____ issues with _____ equipment _____ cause _____ ?
_____ there _____ provokes false alarms?
_____ fake alert caused _____ faults in _____ ?
Are _____ in _____ setup that cause bogus _____ ?
_____ in your _____ that lead _____ bogus warnings.
Have _____ any software _____ is responsible _____ false _____ instances?
Do you _____ bugs _____ equipment that _____ be causing _____ alarms?
_____ to know _____ equipment glitch _____ blame for _____ the bogus _____ ?
Is there _____ in _____ equipment _____ lead to _____ ?
Did _____ misleading notifications?
_____ any _____ that _____ false warnings?
_____ possible _____ equipment has technical _____ that _____ mistaken alarms?
_____ any software fault in _____ that causes _____ ?
_____ errors _____ setup that cause false warnings?
_____ your _____ generating _____ notifications due to _____ ?
Is _____ any software _____ that might _____ false _____ ?
Are _____ due _____ bugs _____ stuff?
_____ that _____ equipment you _____ is malfunctioning _____ mistaken alarms?
Are _____ any _____ in _____ cause bogus warnings?
Is there _____ software _____ that might _____ triggering _____ ?
_____ errors or malfunctioning in _____ setup _____ warnings?
There may _____ faults _____ the system _____ inaccurate _____.
There could _____ with _____ to bogus notifications.
Are _____ software _____ that cause _____ ?
There _____ equipment causing fake alarms.
Do you know _____ your _____ ?

_____ there any _____ your system that _____ alarms _____ go _____?
 _____ device _____ fake warnings?
 _____ flaws in your _____ false _____?
 Do _____ buggy equipment _____ these bogus _____ concern?
 Is there _____ that _____ alerts?
 _____ it possible that you have technical flaws _____?
 _____ you have any _____ with your _____ fake alarms?
 _____ any software problems that can _____ alarms in _____ devices?
 Do _____ knowledge of _____ that _____ false alarm?
 Are there any _____ the _____ that _____ inaccurate _____?
 _____ device _____ any software _____ cause false alarms?
 _____ equipment issues _____ alarms?
 Is _____ issue with equipment _____ to _____ alarms?
 Are there _____ alarm?
 There _____ equipment _____ that cause _____
 _____ your _____ have _____ software faults that _____ alerts?
 _____ there a _____ in _____ causes false notifications?
 Is _____ tech _____ that cause faulty warnings?
 Have you _____ software malfunction _____ causes false _____?
 Do software _____ false _____ frequent?
 _____ faulty _____ in _____ cause misleading _____?
 Are _____ your _____ false alert?
 Is there anything _____ in _____ system that _____?
 Do _____ know of any _____ problems _____ false _____?
 Is _____ flaw that _____ warnings?
 _____ you _____ any bugs _____ your equipment _____ cause _____ alarms?
 _____ issues _____ lead to false _____?
 _____ there _____ or glitches _____ alarms?
 Did _____ equipment _____ or _____ false _____?
 _____ to blame for _____ alarms?
 _____ issues that can _____ to false _____?
 _____ equipment's glitch creating _____?
 _____ any _____ glitches _____ are making _____ warnings?
 Is _____ any bugs _____ your _____ messing _____ alarms?
 _____ you _____ of any system _____ that _____ alerts?
 Is there _____ might be _____ these false _____?
 _____ it _____ that software defects _____?
 Are there _____ issues _____ your _____ cause _____ alarms?
 _____ any _____ making false warnings?
 _____ you know if there _____ software _____ your _____?
 Have you _____ software _____ that _____ false _____ instances _____?
 Is there _____ problem _____ your _____ that _____ warnings?
 _____ there any _____ in your system _____ false _____?
 Is it _____ that _____ bugs _____ alarms?
 _____ a _____ glitch in _____ equipment _____ to unreliable alarms?
 _____ you _____ about _____ bugs _____ cause _____ alarms?
 _____ there _____ in _____ gear _____ causes fake alerts?
 I would _____ to know _____ glitch is _____ bogus triggers.
 _____ it possible that _____ security _____ has _____ or _____ that cause _____?
 Is equipment _____ tech _____ and _____ lead _____ faulty warnings?

Do you know of _____ that _____ false notifications?

Do _____ know of any defects _____ alert?

I _____ know _____ glitch _____ to _____ for so many _____ triggering.

It's _____ software _____ cause _____ alarms.

Are _____ flaws _____ causing false _____?

_____ flaws in the equipment _____ fake _____

Does your equipment _____ any _____ that could _____ alarms?

_____ that _____ cause false alarms?

_____ tell _____ the equipment _____ lead to false _____?

_____ flaw in the device that _____ fake _____?

Is _____ that your equipment _____ that _____ causing mistaken _____?

I would _____ to know _____ glitch _____ to _____ for many _____?

_____ you _____ any issues _____ your _____ that _____ lead to _____?

Do you _____ any knowledge _____ the software _____ alarms?

_____ equipment issues _____ leading _____ false _____?

Is _____ a malfunction in _____ system _____ causes _____?

_____ seem _____ software bugs _____ false _____?

_____ be flaws _____ the _____ fake warnings.

_____ glitch in your system that _____ false _____?

I _____ to _____ if equipment _____ is to _____ for countless _____?

Is _____ software issue _____ alert?

_____ software _____ causes false alarms?

Do _____ know _____ there are _____ faults that _____ notifications?

_____ you found any bugs _____ cause fake _____?

_____ any _____ leading _____ false alarm?

_____ there _____ in _____ system _____ false notifications?

Is there _____ software glitch _____ may _____ false _____?

There _____ be bugs in _____ that _____ false _____.

_____ there any _____ problems _____ might _____ false warnings?

Do _____ bugs _____ false _____?

_____ information _____ or _____ problems that cause false alarms?

_____ known bugs _____ your _____ be causing false alarms?

Does your _____ have _____ that _____ it _____ go _____ with _____ alarms?

_____ have any _____ equipment that _____ a fake alarm?

Are _____ of any documented _____ with _____ system that lead _____?

Is your _____ faulty _____ notifications?

Is there any equipment _____ to _____ alarms?

_____ Bugs _____ false _____?

_____ glitch that creates _____ warnings?

_____ there any known _____ with _____ that _____ fake _____?

_____ your _____ flaws _____ signals?

There are any _____ might cause _____ alarms?

_____ there bugs _____ faulty signals?

_____ ever encountered software _____ that causes _____ alarm _____?

There may _____ known faults within _____ system _____ inaccurate _____.

Have you _____ software _____ that _____ responsible _____ false _____ instances?

_____ there _____ problems _____ cause these false alerts?

Is _____ any _____ fault _____ that causes fake _____?

Is there _____ that _____ be triggering these _____?

Is _____ any software _____ in _____ gear _____ fake _____?

_____ know if any bugs _____ problems _____ causing false _____?
 _____ are _____ issues _____ cause _____ alerts?
 Any known equipment _____ false _____?
 _____ may _____ in your system _____ are causing _____.
 _____ equipment bugs _____ glitch that _____ cause _____ alarms?
 _____ software _____ the _____ false alarms?
 _____ you know _____ device _____ any software _____?
 _____ any bugs _____ false _____?
 _____ bugs _____ glitches that cause _____?
 _____ there flaws in _____ false alert?
 _____ equipment glitch _____ bug _____ false _____?
 _____ there an _____ your gear _____ could lead _____ bogus _____?
 _____ there _____ glitch in _____ causes false alerts?
 I _____ like _____ equipment glitch is _____ blame for _____ bogus _____.
 There may _____ in your _____ that _____ warnings.
 Do _____ screw-ups _____ false _____?
 _____ there _____ issues that _____ regular _____ alert?
 _____ problems with the software _____ cause these _____ alarms?
 Do you _____ if _____ system _____ any _____ cause false _____?
 _____ there _____ documented problems with _____ that lead _____ unneeded _____?
 _____ equipment _____ that _____ lead _____ false alarm?
 I _____ if _____ is to _____ for _____ many bogus Triggers.
 _____ prone _____ because of _____ tech bugs and defects?
 Is there _____ problem with _____ leads _____ warnings?
 There may be errors or _____ cause _____ warnings.
 Do you _____ of software _____ cause _____ in _____ device?
 _____ it possible _____ your _____ underlying _____ flaws that lead _____ mistaken _____?
 _____ we _____ recurring _____ because of identified _____ devices?
 There _____ be _____ within _____ system _____ cause _____ warnings.
 Do _____ if _____ software faults in your _____?
 Were _____ equipment's _____ causing _____?
 Do your equipment _____ cause _____ alarms?
 bugs or glitch _____?
 faulty _____ be _____ notifications
 _____ may be _____ with your gear _____ alerts.
 _____ you _____ recurring _____ because _____ system defects?
 Is there _____ faulty alerts?
 _____ there _____ within _____ might be causing inaccurate warnings?
 _____ it _____ that _____ alarms are _____ bugs or _____ flaws?
 Do you _____ problems _____ the _____ that cause _____ warnings?
 _____ equipment issues _____ lead to _____?
 _____ software glitch that _____ triggering these false _____?
