

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	8,198 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

____ it come _____ to ____ fuel efficiency further?

_____ a ____ feature for fuel ____ car?

Can it _____ will help conserve ____?

_____ eco mode _____ mileage?

_____ a ____ for saving more ____?

Is _____ mode for ____ efficiency?

_____ eco-mode option that will ____ fuel ____?

Does _____ come ____ an eco- _____ me some fuel?

_____ it eco mode _____ mileage?

_____ I _____ an _____ way _____ this uses ____ fuel?

_____ there _____ eco-friendly feature ____ improved ____ economy?

_____ model come with a ____ to _____ efficiency?

Do ____ have ____ pro-fuel ____ mode in _____?

_____ this model have _____ that improves _____ more?

_____ the car _____ an environment friendly setting _____?

Is _____ to _____ fuel economy ____ to ____ environment ____ mode?

_____ it _____ an Eco-mode _____ me some fuel?

_____ eco features that ____ improve _____?

Can ____ be _____ the ____ mode?

_____ there be _____ on ____ vehicle?

_____ car ____ an option to improve ____ mileage _____?

There _____ option _____ fuelefficiency.

_____ the green mode for increased _____?

_____ have ____ eco mode _____ mileage.

Is ____ possible _____ with an ____ mode ____ improve fuel ____?

Can ____ eco-mode ____ activated ____ will further enhance _____?

_____ it possible _____ access _____ that will conserve gasoline ____?

_____ i save _____ eco option?

Will ____ vehicle with an _____ increase _____?

Does it ____ eco ____ mileage?

Can ____ have ____ that ____ improve its ____ efficiency?

____ it ____ fuel-saving ____ through ____ eco-mode?

Did ____ have earth-friendly ____ for ____?

It ____ boost ____ with an eco option.

Is it possible ____ earth-friendly ____ improved MPGs?

Can ____ green mode be ____ mileage?

____ mode for ____ mileage?

____ it ____ friendly to ____ efficiency?

____ will be a mode that ____ reduce emissions.

____ this ____ come ____ eco ____ to save fuel?

____ it ____ to ____ a better ____ eco-friendly setting?

Will ____ any ____ modes for ____?

Will ____ vehicle have ____ friendly ____?

Does an eco-friendly setting ____ an ____ mileage?

Does ____ come with ____ better ____ mileage ____?

Does it ____ with an ____ for ____ better ____?

It ____ an environment-friendly ____ for ____.

Any ____ can ____ efficiency?

____ provide access to a ____ that ____ gasoline ____?

Is it ____ fuel here with ____ eco- ____.

Will the ____ an ____ feature to ____?

____ it have a ____ that ____ use and ____?

____ in this give ____ to ____ mode that cuts ____?

Is ____ for ____ economy?

____ that it has an eco ____ MPG?

Is there ____ eco ____ for ____?

There is ____ for improved ____ through ____ eco-friendly ____.

____ it possible ____ have ____ better mileage?

Should ____ have an ____ to boost ____?

____ it comes with ____ green mode ____ better ____?

Any ____ this ____ with a green ____ better ____?

Is ____ a ____ saving ____?

Does ____ include ____ fuel ____ device?

Will ____ a mode that ____ fuel ____ emissions?

Is ____ possible to add ____ to ____ efficiency?

____ it ____ an eco mode that ____ efficiency?

Can ____ be ____ to ____ fuel-saving capabilities?

____ way to save ____ driving eco-conscious?

Does it ____ to ____ gas?

____ use the ____ mode for ____ fuel ____?

____ be equipped ____ an ____ mode to ____ efficiency?

____ to ____ eco-friendly mode to ____ better fuel efficiency?

____ the ____ with an ____ mode?

____ it ____ for ____ fuel?

____ an eco feature ____ to increase ____?

Do ____ know ____ there is an ____ feature ____ economy?

Is it ____ can be ____ eco-mode?

Is there ____ mode ____ consumption.

____ have any ____ mode ____ gas?

_____ an option _____ boost fuel efficiency _____ eco-mode?
 Is _____ to _____ mode for better gas _____?
 Does _____ include setting _____ better _____ mileage?
 _____ this vehicle promote a _____?
 Does _____ vehicle _____ supports better gas mileage?
 _____ vehicle be _____ to an eco-friendly mode _____ fuel _____?
 _____ there an _____ for _____ fuel _____?
 _____ possible to have an _____ mode _____ fuel efficiency.
 Did _____ have a _____ savings _____ car?
 Can _____ expect _____ for _____ efficiency?
 Is _____ for _____ fuel-friendly option _____ efficiency?
 _____ it possible _____ equipped with an eco-mode?
 Is _____ a setting _____ improved _____ be achieved?
 _____ it _____ an _____ mode _____ fuel efficiency?
 Is there an option _____ through _____ setting?
 Does _____ eco-friendly mode _____ increases fuel _____?
 _____ mode for _____ mileage _____?
 Has it an eco _____?
 Does it have an _____ mileage?
 Is _____ good for _____ efficiency _____ an eco _____?
 Would investing _____ you to _____ a _____ that conserves gasoline _____?
 _____ mode to save more gas?
 _____ I get _____ green _____ car?
 Any _____ to _____ mileage?
 Is it _____ use _____ mode _____ will _____ conserve _____ and reduce _____?
 _____ mode _____ better mileage.
 _____ a sustainable fuel _____?
 _____ for an _____ for _____ mileage?
 How can _____ come with _____ green _____ better _____?
 Is _____ greater fuel economy?
 _____ it possible to expect _____ fuel _____ thanks _____ an _____?
 Will it _____ a mode _____ would _____ and reduce _____?
 Is _____ possible _____ enhanced fuel _____ due to _____ mode?
 Can it _____ for fuel _____.
 Does _____ car _____ option to enhance gas _____?
 The eco _____ efficiency.
 Is it _____ to _____ access _____ a _____ gasoline usage?
 Can I save _____ using _____?
 _____ there _____ setting _____ can be _____ to improve _____?
 _____ option to improve mileage in an _____?
 Is the _____ for _____?
 _____ the model _____ any _____ settings which _____ fuel efficiency?
 Can it get _____ and _____ fuel consumption?
 _____ have an _____ mode for _____ efficient _____?
 _____ it _____ an _____ mode for better fuel _____?
 Does this _____ the best gas mileage?
 Is _____ possible to _____ eco-friendly _____ for better _____ efficiency?
 _____ it have an _____?
 Is _____ for improved fuel _____?
 Is it possible _____ improved _____ through _____ setting?

Does eco-mode allow _____ save _____?

Will _____ have an _____ feature _____ boost _____?

_____ an _____ fuel efficiency?

_____ it _____ to put it _____ eco mode _____ fuel _____?

Does _____ Eco-mode _____ fuel efficiency?

_____ it _____ an _____ mode _____ greater fuel _____?

Is _____ an _____ mode _____ MPG?

_____ the _____ to enhance _____ fuel _____?

_____ come _____ an eco-mode?

Does it _____ mode that _____ fuel _____ emissions?

Can _____ an eco-mode _____ for _____?

_____ to save fuel _____ eco-option.

_____ an _____ mode for _____ gas _____?

_____ efficiency, can this vehicle be _____ to an _____?

Would _____ in this _____ to _____ that _____ gasoline use well?

Is _____ fuel friendly _____?

_____ there _____ setting for improved _____?

_____ wants _____ for better gas _____.

_____ it have _____ for saving _____?

Does _____ mode _____ better efficiency?

Is it possible _____ fuel _____ due _____ eco _____ mode?

Is an _____ fuel _____ possible?

_____ have an _____ mode that _____ fuel efficiency?

_____ possible _____ it has _____ mode for more fuel _____?

_____ it _____ an _____ mode?

Is there _____ use an eco-mode _____ fuel _____?

Is _____ possible _____ eco-mode for enhanced fuel _____?

Any _____ feature _____ will _____ mileage?

Was there an _____ gas?

Is there _____ improved fuel _____

_____ it have _____ mode for _____ fuel _____?

Are there _____ option _____ efficiency?

Does _____ an eco _____ efficiency?

Which _____ boost _____ efficiency?

_____ it _____ an _____ to _____ fuel efficiency?

Will there _____ a _____ help conserve _____ and reduce _____?

I don't _____ if _____ an eco _____ for _____ fuel _____.

_____ options for improved _____?

Does _____ for efficiency?

_____ be an _____ to _____ fuel economy?

Can _____ conserve _____ an _____?

Is _____ possible _____ on fuel with _____ eco-mode?

_____ mode to _____ mileage?

Does _____ car _____ an _____ its gas mileage?

_____ it _____ eco mode _____ improve fuel _____?

I _____ curious about an eco-mode option _____.

Does _____ mode to improve fuel _____?

Will _____ be _____ to _____?

Can _____ with _____ eco-option?

_____ it possible to _____ green _____ for improved _____?

_____ there an enviro _____ that will _____ mileage?
 Does _____ green mode for _____?
 Does _____ a _____ saving more _____?
 _____ an eco-mode for _____ fuel _____?
 I _____ I _____ use the _____ mode _____ improved _____ mileage.
 Will the _____ offer _____ setting that _____?
 _____ eco-friendly _____ improved fuel economy?
 _____ there an _____ for _____ efficiency?
 There's an _____ improve _____ an _____ setting.
 Green _____ for better _____.
 _____ have _____ boost fuel efficiency?
 _____ eco _____ that _____ increase fuel efficiency?
 _____ way _____ the fuel efficiency with an _____?
 _____ there _____ a _____ for _____ economy?
 _____ the _____ be _____ eco-friendly _____ increased efficiency?
 _____ it possible for _____ to _____ into _____ and _____ down _____ consumption?
 _____ mode _____ mileage?
 _____ have _____ mode _____ help conserve fuel _____ cut emissions?
 _____ an _____ mode to improve _____ efficiency even _____?
 Does _____ thing have _____ fuel?
 Is there _____ option _____ efficiency.
 _____ there _____ sort _____ green mode to _____ them more _____?
 Does _____ ride _____ saver?
 _____ option would _____ fuel _____.
 Is _____ to boost fuel _____?
 _____ am wondering if I _____ enhanced _____ economy _____ to _____ environmental _____.
 There _____ an _____ to boost fuel _____.
 _____ the _____ a sustainable option?
 _____ I _____ mode for _____ mileage?
 _____ environment-friendly fuel _____?
 Does this model have _____ enhance its _____?
 _____ use an eco mode _____?
 It _____ options _____ improved gas _____?
 Can _____ eco-mode for greater _____?
 _____ it possible _____ economy _____ an environmental mode.
 Is _____ going to _____ eco-friendly _____?
 _____ it _____ to _____ an _____ economy?
 Is _____ option _____ better mileage _____ eco _____ setting?
 Is _____ an _____ setting _____ fuel?
 _____ it use _____ to _____ fuel efficiency?
 Is there _____ energy-saving _____ that _____ contribute _____ better _____?
 Is this _____ enviro _____ for better mileage?
 _____ an option _____ mileage through an eco-friendly _____?
 Is _____ to expect enhanced _____ of _____ environment _____ mode?
 _____ this include _____ that _____ increase the _____ gallon?
 _____ expect increased fuel _____ thanks _____ an eco _____?
 _____ an environmental friendly mode _____?
 _____ way this _____ come _____ green _____?
 _____ this provide access to _____ mode _____ conserves _____?
 It has _____ for _____?

_____ there some _____ of green _____ to make _____ _____?

Would it _____ have _____ to _____ that _____ gasoline usage?

_____ it feature _____ environment-friendly _____ for _____?

Is _____ have an _____ mode to increase _____?

Could it be _____ with _____?

_____ an option _____ use an eco-mode _____ will _____ fuel _____?

Is _____ possible to _____ with an eco-mode _____ will _____ fuel-saving _____?

Is _____ possible _____ come with _____ setting _____ better _____?

_____ I change to _____ mode for _____?

_____ I expect _____ fuel efficiency?

Will that be _____ that helps _____ reduce _____?

_____ I _____ fuel by _____ eco-mode?

_____ got _____ mode for savin' _____?

_____ be _____ to save fuel _____ an _____ here?

_____ an eco-feature that improves _____?

Is _____ model equipped _____ efficiency _____ more?

_____ expect a _____ friendly _____?

Can I _____ eco-mode _____?

_____ vehicle _____ friendly for _____ efficiency?

Is there _____ that _____ help with fuel efficiency?

Is _____ eco-mode _____ save me _____?

_____ to boost fuel _____?

Does _____ it _____ eco mode _____ better _____?

_____ like _____ know if it has _____ mode _____ better _____.

Improve mileage _____?

Is _____ green _____ saving _____?

_____ it _____ into _____ mode _____ cut _____ on the fuel _____?

_____ the green _____ for improved _____?

Is _____ possible for it to have _____ better _____?

Does it have a _____?

_____ question if it has _____ better _____.

So, _____ any eco _____ for _____ gas?

_____ an eco-friendly _____ economy?

Can _____ be _____ eco-mode that can _____ fuel?

Is _____ a _____ that _____ fuel _____?

Would investing in _____ a _____ conserves gasoline usage remarkably _____?

Will _____ a _____ setting _____ fuel?

_____ an eco-friendly _____ improve _____?

Does it have green _____ more _____?

Is there _____ this model _____ with fuel efficiency?

Is _____ with an _____ mode?

_____ include setting that promotes _____ mileage overall?

_____ it have _____ mode to _____?

Does _____ have _____ Eco _____.

There's some sort of _____ fuel efficient.

_____ the _____ have an eco _____ better fuel _____?

There's _____ eco option _____ fuel _____.

_____ it possible _____ with a _____ mode for greater _____?

_____ car might _____ a sustainable _____ to _____ gas _____.

_____ it possible _____ mode to increase mileage?

____ eco-feature ____ boost fuel ____?

Does ____ eco-friendly ____ improve fuel efficiency more?

Does ____ with ____ sustainable ____ to improve gas ____?

Does ____ have ____ mode ____ saves ____?

Maybe ____ comes with a ____ mode ____.

There ____ for improved ____ mileage.

Is there ____ to ____ a green ____ mileage?

Investing ____ this ____ give ____ to a mode ____ conserves ____.

____ an eco ____ to ____ fuel ____?

____ I save on fuel by ____?

____ for better mileage ____?

____ feature ____ fuel economizer?

____ environment-friendly fuel saver ____?

Is it possible ____ setting ____ better mileage?

____ the vehicle include ____ gas mileage?

Is it ____ way ____ boost ____?

Is there ____ mode ____ consumption?

____ it ____ to ____ and ____ fuel?

Is ____ to equip ____ an eco-mode that ____ fuel-saving ____?

Can the vehicle ____ switched ____ mode ____ fuel ____?

____ there ____ mode for ____ gas?

Would this provide ____ that reduces ____ usage?

____ the car come with ____ sustainable ____ mileage?

Is ____ Eco ____ for better ____?

Can ____ have an ____ is ____ for fuel ____?

____ feature ____ fuel efficiency?

Is ____ eco ____ for reducing ____?

____ the car feature ____ increase gas mileage?

Does ____ an eco ____ efficient cars?

Can the ____ have an ____ that improves ____?

____ it ____ eco mode ____ save me ____?

Does ____ eco-mode to save ____ fuel?

Is ____ eco-friendly ____ to ____ fuel ____.

____ have a ____ option ____ will ____ gas mileage even ____?

____ it ____ mode to ____ gas?

____ fuel using an ____ option?

Is ____ I can ____ for fuel?

Should ____ be equipped ____ its fuel-saving capabilities?

Is it possible to ____ for better ____?

Do you ____ if ____ are ____ settings available in ____?

Will it be ____ save ____.

Is ____ thing an ____ that will ____?

Can I ____ and save ____?

Is ____ capable of ____ an ____ mode?

Is there ____ settings ____ fuel efficiency in this ____?

Is ____ possible to ____ fuel ____ an eco- ____.

Is ____ possible ____ has eco ____ mileage?

____ use the ____ mode ____ improvement?

____ was wondering if ____ comes with ____ mode ____ better ____.

____ it ____ to enhance ____ with ____ eco feature.

Is there _____ to _____ mileage _____ an _____ setting?
 _____ environment-friendly setting for saving _____?
 _____ possible _____ have _____ setting _____ better MPG?
 _____ this _____ have _____ increase _____ efficiency?
 I would like _____ fuel _____.
 Does _____ have an _____ mode for _____?
 _____ I _____ have a _____ friendly _____?
 _____ this thing _____ eco-mode to _____ me _____ fuel?
 Does it come _____ better _____?
 _____ I _____ to eco-mode _____ save _____ on _____?
 _____ there _____ eco-feature on the _____ to _____ efficiency?
 _____ an eco-friendly mode _____ gas _____?
 _____ going to _____ an _____ feature.
 _____ to add an _____ to _____ fuel efficiency.
 _____ it _____ to boost fuel efficiency?
 I _____ to know _____ I can expect _____ fuel _____ an _____.
 _____ an _____ to _____ fuel economy.
 Enhancement of _____ mileage with _____?
 _____ provide _____ to a mode _____ conserves gasoline _____?
 _____ the car _____ an option to _____?
 _____ possible _____ eco-friendly feature for _____ fuel economy?
 Does it _____.
 Does it improve _____ eco-friendly _____?
 There are energy-saving _____ model _____ help _____ fuel efficiency.
 _____ an _____ feature for improved fuel _____?
 _____ possible _____ enviro setting _____ better mileage.
 _____ come _____ eco-friendly mode to improve fuel _____?
 _____ I use _____ green mode _____ fuel efficient _____?
 _____ there some kind _____ mode _____ 'er more fuel- _____?
 _____ with an eco-friendly mode to _____ more fuel _____?
 _____ there _____ a _____ that _____ help conserve _____?
 _____ possible to _____ fuel _____ by _____ an eco-friendly _____?
 _____ could be _____ eco-drive _____.
 _____ I expect a _____?
 _____ mode good _____ fuel economy?
 _____ be equipped with an _____.
 Do you _____ any _____ savin' _____.
 _____ use _____ mode _____ boost fuel _____?
 For _____ mileage, _____ it _____?
 _____ it _____ it has green _____ to _____?
 I _____ there is a _____ for _____ fuel economy purposes.
 Does _____ mode _____ gas?
 _____ there _____ way _____ on gas _____ in driving?
 _____ if _____ comes _____ green mode for better mileage.
 _____ it _____ green _____ for _____ fuel?
 _____ be _____ function for _____ on _____?
 Does _____ an _____ mode _____ efficient use?
 Would investing _____ access to _____ mode that _____ gasoline _____?
 _____ might have eco mode _____.
 Is there _____ feature _____ my _____?

_____ eco- feature onboard _____ increase _____ efficiency?

Is _____ with _____ setting for better driving?

_____ the _____ sustainable option to boost _____ mileage?

Is it possible that _____ have an _____ mode _____?

_____ eco-friendly mode for _____ mileage?

Does it _____ with an _____ for _____ MPG?

_____ have _____ eco _____ that enhances _____ mileage?

Is _____ mode _____ for _____ fuel _____?

Is _____ any eco _____ would _____ gas _____?

_____ it have _____ which improves _____?

_____ a way _____ the gas _____ of _____ vehicle?

_____ there _____ eco feature _____ could enhance _____?

Does _____ car _____ sustainable option that _____ gas mileage _____?

_____ eco-friendly feature _____ fuel economy?

_____ be eco-drive _____ board?

_____ a feature to enhance _____ efficiency.

_____ expect _____ increase _____ fuel _____ an environment friendly mode?

_____ there a _____ mileage to _____ improved through _____ eco-friendly _____?

_____ there _____ feature _____ boost fuel _____?

Is _____ equipped _____ an eco-friendly _____.

Is there _____ way _____ improve _____ economy _____ ride?

_____ have an eco mode _____ fuel _____?

Does it have an _____?

_____ there an _____ to boost _____?

_____ you _____ it _____ a _____ that will _____ conserve fuel and _____?

Would _____ this give you _____ a _____ conserves gasoline _____?

_____ there any eco-feature on _____ ship to _____?

Do _____ eco _____ enhance _____?

_____ there an eco _____ efficiency?

Is _____ feature for _____?

Is it possible _____ setting _____ better _____ economy?

_____ eco _____ could _____ used _____ boost _____ efficiency.

_____ an _____ solution _____ improved fuel _____?

Will _____ have an _____ feature _____?

_____ there a _____ fuel economy on this _____?

_____ setting _____ for _____ economy?

_____ I _____ an _____ way _____ which _____ well _____ less fuel use?

Should _____ to boost fuel _____?

Will _____ vehicle have _____ eco-friendly feature _____?

_____ gas mileage _____ be _____ eco-friendly _____.

_____ it _____ eco-mode _____ can improve its _____ capabilities?

_____ it _____ to _____ eco-mode option _____ improved fuel _____?

Is there an _____ driving?

_____ wonder _____ there is _____ improved fuel economy.

_____ there some kind _____ to make _____ more fuel _____?

_____ it have _____ mode _____ maximize _____ efficiency?

Does the model come _____ a feature _____?

Can _____ use _____ mode _____ improve _____ gas _____?

_____ eco _____ boost fuel _____.

_____ I _____ here with an _____?

Is a fuel _____?

Does your _____ economizer?

_____ it possible _____ fuel _____ with an environment friendly _____?

Will the _____ a _____ mileage?

_____ there _____ environment-friendly fuel _____?

_____ an eco _____ to _____ consumption?

I'm _____ save fuel with an _____ option _____.

_____ to switch to _____ and save on _____?

_____ it _____ be equipped with _____?

Does _____ mode for _____ mileage?

_____ expect an _____ when using _____ eco mode?

_____ expect _____ option to boost _____?

_____ I use _____ eco option _____ fuel?

Does _____ with _____ save fuel?

Is _____ possible to _____ mode for fuel _____?

Is there any _____ settings _____ model that contribute _____ fuel _____?

_____ to _____ fuel efficiency _____ board?

Is there an _____ use _____ fuel efficiency?

Is _____ possible to _____ an _____ fuel _____ an environment _____ mode?

Is an _____ possible _____ economy?

_____ it _____ an _____ increase its fuel _____?

Is it _____ enhanced fuel _____ with _____ eco _____?

Does _____ have an _____ raise _____?

_____ it possible _____ get _____ environment _____ fuel _____?

_____ it possible _____ equipped with an _____?

Would investing in _____ allow access _____ a mode _____ gasoline _____?

Will the _____ have _____ to _____ its mileage.

Does it _____ a _____ mileage?

Does _____ green mode _____ can save more _____?

Does it include _____ to _____ the _____ efficiency?

_____ have _____ eco-mode?

Green _____ can _____ for _____ mileage.

Is there _____ eco mode _____ fuel _____?

Do it have _____ fuel _____?

Is _____ saver available?

_____ possible to _____ an _____ fuel _____ with _____ environment friendly _____?

Is there _____ fuel _____ that's _____?

An eco _____ to _____ is _____ possibility.

_____ to _____ enhanced _____ economy _____ an environmentally friendly mode?

_____ it an _____ mode _____ improves _____ further?

Does it come _____ an _____ so _____ save _____?

_____ have a feature to _____ efficiency more?

There _____ be _____ green mode _____ make _____ more _____ efficient.

_____ be _____ an eco-mode _____ improves its _____ capabilities?

Can I use _____ green _____?

Is _____ feature that _____ gas mileage?

Does _____ have _____ eco-mode, _____ save me some _____?

_____ model have _____ to increase _____ efficiency?

_____ this thing give _____ an eco-mode _____?

_____ to _____ efficiency?

_____ it _____ an _____ to save _____?

Any way _____ come with _____?

_____ wondering if _____ is _____ eco _____ that _____ fuel _____.

_____ it _____ to _____ an eco _____ better fuel _____?

Will _____ vehicle _____ an _____ feature?

_____ eco option _____ efficiency _____ available.

Should an _____ that _____ enhance the fuel _____?

Is it possible _____ use _____ eco-mode _____ further _____ the _____?

Is there an environment-friendly _____?

An _____ option to _____ is _____.

_____ it _____ it _____ equipped with _____ eco-mode?

Does _____ come _____ Eco-mode _____ save fuel?

_____ option to use an eco-mode _____ will _____ efficiency.

_____ it _____ a _____ saving gas?

Any eco features _____ mileage?

I _____ to _____ if _____ can _____ enhanced fuel _____ thanks to _____ environmental _____.

_____ it _____ equipped with _____ mode?

Is there any _____ model that _____ the fuel _____?

I _____ I can _____ fuel with _____ option _____.

Is _____ option _____ efficiency of the vehicle?

Is it _____ fuel economy to _____ to _____ eco-friendly _____?

_____ investing _____ this _____ access _____ a mode _____ gasoline _____ well?

_____ to _____ if _____ any eco _____ for savin' _____.

_____ pro- _____ savings _____ your car?

_____ it _____ to _____ an eco-mode _____ fuel efficiency?

_____ your _____ include _____ economizer?

Does _____ eco-mode _____ boost fuel _____

_____ the eco-drive _____ aboard?

_____ was _____ if I could use _____ mode for _____.

_____ using an eco-option?

Does _____ come with an _____ mode _____ boost _____?

Is _____ possible to _____ to _____ fuel efficiency?

Does _____ mode increase _____?

Is _____ energy-saving settings _____ contribute _____ efficiency in this _____?

_____ is some _____ of _____ mode _____ make them more _____ efficient.

_____ it _____ change to _____ and _____ on fuel?

can _____ an _____ mode _____ better _____ efficiency

_____ vehicle be _____ to _____ mode for _____ efficiency?

Does _____ eco-friendly setting _____ for _____?

Is _____ chance _____ improve _____ an eco-friendly setting?

Is _____ any energy-saving _____ this _____ will _____ fuel efficiency?

Are there _____ option _____ efficiency?

Is there _____ this _____ with low fuel use?

_____ there _____ environmental friendly _____ can enhance _____ economy?

It might _____ an eco-friendly mode to _____.

Does it _____ an _____?

_____ possible _____ save fuel with _____ eco- _____?

_____ an _____ option _____ boost _____ efficiency.

Is _____ that it has _____ for better _____.

Is _____ way to _____ efficiency?

____ it have an eco-friendly ____ further increase ____ ?
 ____ it have an ____ better fuel ____ .
 ____ it ____ a ____ save fuel?
 ____ will be equipped ____ an eco-mode?
 ____ the ____ a setting that improves ____ ?
 Is it ____ to ____ a ____ conserves gasoline ____ well?
 Is ____ an ____ for ____ setting where mileage ____ be ____ ?
 ____ this vehicle ____ a setting ____ gas mileage ____ whole?
 Can ____ an eco-friendly ____ better fuel ____ ?
 Is ____ option available to ____ ?
 ____ it compatible with ____ mode to ____ efficiency?
 Does this thing ____ an ____ me ____ ?
 ____ expect enhanced fuel ____ an ____ mode?
 ____ it offer a mode ____ helps ____ and ____ ?
 Does ____ have ____ green mode ____ ?
 Is ____ an ____ way ____ which ____ effectively with low ____ ?
 Is an ____ saver ____ ?
 ____ an Eco mode that increases ____ ?
 Is ____ for better ____ it?
 ____ green ____ to ____ more gas?
 ____ it ____ to get ____ that conserves ____ usage?
 How ____ eco ____ to ____ gas ____ ?
 I ____ can ____ fuel with ____ eco-option here.
 Does ____ include ____ make the ____ more efficient?
 ____ it ____ that ____ an ____ to boost ____ efficiency?
 ____ it ____ an eco mode to ____ on ____ ?
 Does ____ come with ____ new option ____ increase ____ ?
 Can ____ use the green mode to ____ ?
 Ain't ____ some kind of ____ to ____ them ____ fuel ____ ?
 ____ it an ____ better MPG?
 Can I use the ____ increase my ____ ?
 ____ include a ____ that ____ increase miles ____ gallon?
 ____ I ____ able to save fuel ____ an ____ ?
 ____ mode that could improve fuel ____ .
 ____ it ____ enviro ____ for better ____ mileage?
 Can ____ green ____ to improve my ____ ?
 ____ model have ____ that improves ____ efficiency?
 Is ____ to ____ fuel ____ thanks to ____ environment friendly ____ ?
 ____ I ____ fuel ____ an eco-option ____ ?
 ____ it be equipped ____ that ____ improve its fuel-saving ____ ?
 There's ____ option ____ the ____ efficiency with an ____ .
 Is ____ possible in ____ green ____ better ____ ?
 ____ earth friendly options ____ improved ____ ?
 ____ there settings ____ the ____ of the vehicle?
 ____ eco-friendly ____ better gas ____ ?
 ____ any ____ settings in this ____ ?
 Can it ____ for ____ mileage?
 Is ____ possible that ____ is equipped with ____ mode ____ better ____ ?
 ____ you offer functions ____ greater ____ ?
 Does ____ vehicle have ____ promotes a better ____ overall?

_____ come with _____ to _____ efficiency even more?

Can I _____ eco-mode _____ save _____?

Does _____ with a _____ option?

_____ switch to _____ to save _____?

_____ it _____ it _____ an _____ mode _____ fuel efficiency?

Is _____ possible _____ an eco-mode to _____ fuel _____?

_____ have settings _____ better gas _____?

Is it _____ it _____ the _____ for better mileage?

Does _____ an eco mode _____ boost _____.

_____ setting that _____ better gas mileage _____?

_____ an eco-feature _____ fuel efficiency.

_____ it has an _____ mode _____ better fuel _____?

_____ mode that increases fuel _____?

_____ vehicle have _____ setting _____ encourage _____ mileage overall?

_____ thing come _____ eco-mode _____ save _____ some fuel?

_____ have an _____ improves fuel-saving?

_____ there _____ can save fuel?

Is it _____ that _____ for saving gas?

Is it _____ an eco-mode option _____?

Is it _____ that this _____ that promotes _____ gas _____ overall?

_____ it possible _____ has _____ eco _____ better MPG?

_____ there an _____ feature _____ improved fuel _____?

I _____ if _____ is _____ improved mileage _____ an _____ setting.

Is _____ model equipped with _____ feature _____ fuel _____?

Is that _____ make 'er _____?

Does _____ in green mode?

Is there any way _____ with _____?

Is _____ possible to have _____ mode _____ better _____?

Does the _____ with a _____ that _____ mileage even _____?

Are _____ eco-friendly modes _____ gas _____?

_____ be _____ setting to _____ fuel?

Is _____ settings available _____ this model that improve _____?

_____ come with an eco-mode _____ save _____ fuel.

_____ about an eco-friendly mode _____?

_____ have _____ mode _____ saving _____ gas?

Is there _____ that _____ improved fuel _____?

_____ wondering if there is _____ green _____ fuel in _____.

Will _____ vehicle _____ a _____?

Is there _____ eco-feature on _____ boost _____ efficiency?

_____ your _____ a fuel-saving _____?

_____ is _____ option _____ use an _____ improve fuel _____.

I _____ to know if _____ have _____ eco _____ gas.

_____ you tell me _____ a pro-fuel _____ the _____?

_____ it _____ it _____ earth-friendly _____ for improved _____?

_____ it _____ in a green _____?

_____ it _____ switch this vehicle to an _____ better _____?

Eco _____ fuel efficiency.

_____ eco-friendly _____ for better gas _____.

_____ it _____ to _____ fuel-saving capabilities _____ an eco-mode?

Is _____ fuel _____ with an _____?

_____ function _____ present aboard.

Is it possible _____ economy to _____ by an _____?

_____ eco option _____ fuel _____ is _____.

Is _____ an option _____ mileage _____ an _____ setting?

_____ is an option for _____ in _____ setting.

Is the _____ that promotes _____ gas _____ vehicle?

_____ an _____ setting offer _____ for _____ mileage?

_____ a _____ fuel efficiency with an eco-mode?

Does _____ an _____ mode?

_____ settings in this _____ which will help _____ efficiency?

_____ investing in this _____ access _____ a mode _____ conserves _____ remarkably _____?

_____ it possible to expect increased _____ to _____ environmental _____?

Is _____ any energy-saving settings _____ model _____ efficiency?

Is there a _____ for _____ through _____ setting?

Is it possible _____ have _____ to _____ environmental mode?

Is _____ mode _____ more fuel efficient?

Does _____ come with a _____ that _____ fuel _____?

Is _____ save _____ an Eco-option?

Is _____ a _____ for the _____ to improve _____?

I _____ if _____ is an _____ friendly _____.

Is _____ eco-feature _____ increase _____ efficiency?

_____ have _____ eco-mode to _____ fuel _____?

Is _____ to use an eco mode _____?

_____ am _____ if there is _____ setting available _____ economy.

Will _____ vehicle _____ an _____?

Does the thing _____ with _____ mode _____ save _____?

Will _____ have a mode that _____ emissions _____?

Is _____ possible to improve _____ economy _____ Eco-friendly _____?

_____ have eco mode _____ better fuel efficiency?

_____ it _____ a _____ the car's miles _____ gallon?

_____ if _____ expect _____ economy thanks to _____ eco mode.

Can _____ use _____ green _____ efficiency?

_____ it _____ boost mileage _____ eco-friendly setting?

Is _____ some _____ of _____ mode _____ will _____ him _____ fuel-efficient?

_____ possible _____ this _____ with an _____ setting for better _____?

_____ if _____ has an _____ mode to boost _____ efficiency?

_____ wonder _____ the _____ mode for better mileage.

Isn't there _____ make _____ more fuel- efficient?

Will _____ eco-mode option _____?

Does _____ thing come _____ eco-mode, to _____ some _____?

Is there _____ option _____ gas _____ even _____?

_____ there an _____ on _____ boost _____ efficiency?

_____ could be _____ eco _____ for better _____ efficiency.

_____ can _____ achieved _____ Eco-friendly mode.

_____ there be _____ option _____ in _____ eco-friendly setting?

_____ its _____ mode for _____?

_____ the _____ option _____ fuel?

Does _____ an _____ that _____ better fuel efficiency?

There is _____ mode _____ can make 'er _____ fuel _____.

_____ vehicle _____ a setting _____ better mileage?

____ this vehicle have ____ setting that ____ better ____ ?
 Does this vehicle ____ a ____ increases gas ____ ?
 ____ I expect ____ eco-mode ____ efficiency?
 Can ____ expect ____ fuel efficiency?
 ____ have a sustainable option that ____ gas ____ ?
 ____ the vehicle equipped ____ a ____ to ____ its ____ ?
 ____ it have ____ greater efficiency?
 ____ a setting ____ economy purposes?
 Can I use ____ mode ____ gas ____ ?
 Did ____ have a ____ savings ____ car?
 ____ it come with ____ will ____ fuel ____ further?
 Is ____ for better ____ ?
 ____ there an eco- friendly ____ fuel ____ ?
 Does ____ thing come ____ an ____ mode ____ fuel?
 Does this ____ have a ____ that ____ mileage ____ ?
 Does this ____ mode for improved ____ ?
 Does ____ thing use ____ save ____ some fuel?
 ____ possible ____ enhanced fuel ____ due to ____ eco-friendly mode?
 ____ possible ____ enviro settings ____ better MPG?
 ____ it possible that ____ have ____ mode that will help ____ fuel ____ ?
 Does ____ a ____ to ____ miles per ____ more ____ ?
 Is there ____ this can ____ with a ____ ?
 Is ____ to ____ enhanced ____ with an environmental mode?
 Comes ____ an ____ a ____ mileage?
 Did ____ eco mode ____ increase fuel ____ ?
 Is it possible ____ to improve ____ capabilities?
 ____ it ____ eco-mode to ____ efficiency.
 ____ there ____ improve mileage ____ an ____ friendly setting?
 ____ to improve fuel economy with ____ feature?
 I ____ if ____ have any ____ for ____ gas?
 ____ vehicle have an eco-mode ____ improves ____ capabilities?
 Can there ____ energy-saving settings ____ model ____ contribute ____ better ____ efficiency?
 ____ an eco-feature that will boost ____ ?
 Is it ____ eco ____ fuel ____ ?
 ____ it ____ an eco mode ____ ?
 Is it possible to ____ mode ____ down ____ fuel ____ ?
 ____ vehicle ____ an ____ feature?
 Is ____ mode ____ lowers fuel ____ ?
 ____ has ____ options for increased ____ .
 ____ to know if ____ an ____ to increase the ____ .
 There ____ modes ____ gas?
 Is ____ any ____ settings ____ can ____ improve ____ this model?
 ____ this model ____ a ____ to enhance ____ ?
 ____ to ____ access to a mode ____ conserves ____ usage?
 ____ there ____ setting in ____ model which contributes ____ efficiency?
 Has it ____ an ____ mode?
 ____ it ____ to ____ fuel ____ with ____ eco-mode?
 ____ know ____ eco-friendly ____ for better ____ mileage?
 Improve ____ mileage ____ mode.
 possible ____ boost ____ efficiency?

There is an _____ could _____ fuel _____.

Can _____ eco-mode that increases _____ fuel-saving _____?

Can _____ use _____ mode _____ improve _____ gas mileage?

_____ be _____ mode that helps _____ fuel _____ reduce _____.

Will _____ for _____ fuel?

_____ possible to _____ Eco mode for _____ efficiency.

Does _____ model _____ feature _____ will _____ fuel efficiency?

_____ with a sustainable option _____ enhance gas _____ even _____?

_____ it possible to expect _____ fuel _____ an environmental _____?

Is this model _____ enhance _____?

_____ there a _____ better gas _____?

Does _____ save _____ gas?

_____ it possible _____ by using eco-mode?

_____ for fuel efficiency?

Can I _____ fuel _____ Eco _____?

Does _____ something to _____ efficiency?

_____ it _____ with _____ mode _____ fuel efficiency?

Is there _____ eco-friendly setting _____ improved?

Does _____ include _____ improve the mileage _____ car?

Does the car feature a _____ gas _____?

_____ an _____ mode that _____ fuel _____ further?

_____ a _____ that _____ enhance _____ mileage?

_____ a _____ mode to make _____ more fuel- _____?

Can _____ cut down _____ suckage _____ mode?

Could _____ eco _____ to _____ efficiency?

There is _____ eco _____ increase _____.

Is _____ green _____ activated _____ better _____?

_____ I _____ an _____ option?

_____ I can _____ fuel economy thanks _____ an _____ mode.

Is the _____ capable _____ improving _____?

_____ it _____ eco-mode _____ save fuel?

_____ eco-friendly setting might _____ an option _____.

This model _____ a feature _____ efficiency.

Eco friendly _____ better _____?

_____ thing might _____ an eco-mode _____ save _____ some _____.

_____ the energy-saving settings available _____ contribute to _____ fuel _____?

Do _____ an _____ for _____ mileage _____ an _____ setting?

_____ there any _____ settings in _____ model _____ could help _____?

_____ there an _____ way _____ performs optimally _____ low fuel _____?

Will this be a _____ helps _____ emissions?

Is this _____ an _____ finally save _____?

_____ it _____ with an _____ better mileage?

Does this _____ come with _____ to use _____?

Earth-friendly _____ available for _____?

_____ that _____ it has an _____ mode _____ fuel _____?

Is there any _____ settings _____ this _____ that _____ better _____ efficiency?

Is _____ possible to _____ eco-mode that _____ efficiency?

_____ the car have _____ option _____ gas mileage _____?

_____ feature that can help _____?

_____ eco mode for _____ mileage?

_____ use a _____ to _____ gas?
 Does _____ come _____ a way _____ gas mileage?
 Is it _____ for _____ eco _____ for better fuel _____.
 Does this vehicle include _____ setting _____ mileage _____?
 _____ I _____ eco-mode that will save _____?
 _____ it _____ an _____ to improve its _____?
 Will _____ an _____ saving fuel?
 _____ cut _____ fuel _____ and kick into economy _____?
 Has _____ an _____ for _____ fuel _____?
 _____ an eco mode _____ save _____ fuel?
 Does it have _____ mode _____ fuel _____?
 Is there _____ eco- _____ for _____ efficiency?
 Can I _____ for improved _____ mileage.
 Is _____ a way _____ the fuel _____ the _____?
 Is _____ have _____ setting for better _____?
 _____ it possible _____ an eco mode _____ efficiency?
 _____ Eco _____ to _____ fuel _____ is _____.
 Can I _____ eco-mode _____ on _____?
 Is it possible to _____ an eco mode.
 Is there _____ setting _____ fuel _____?
 _____ it eco mode _____?
 _____ possible to _____ a _____ option _____ increase efficiency?
 Is _____ possible _____ enviro setting _____ better mileage?
 _____ this _____ eco-mode _____ help me save fuel?
 Can _____ kick _____ economy _____ and _____ down _____ costs?
 _____ an eco mode for _____?
 _____ the _____ an eco-friendly _____?
 _____ is _____ as to _____ vehicle will _____ an eco-friendly _____.
 Will the mode help _____ reduce _____?
 _____ in _____ eco _____ for _____ fuel efficiency?
 _____ possible to have _____ that _____ improve fuel _____?
 Does it have _____ improve _____ efficiency?
 _____ use _____ that _____ conserve _____ and reduce emissions?
 Is there an _____ to _____?
 _____ the _____ an _____ to enhance _____ mileage?
 Can it be _____ eco _____.
 _____ it _____ mode for saving _____?
 _____ it come _____ for better mileage?
 Can _____ the _____ mode _____ get better _____?
 _____ increase fuel _____ is available.
 Is there a setting _____?
 Better _____ mileage _____ achieved in an _____.
 _____ feature to enhance fuel efficiency _____ this _____?
 _____ offer _____ eco mode?
 The _____ used to _____ fuel efficiency.
 I _____ option _____ fuel efficiency.
 Do _____ green _____ saving more _____?
 Will _____ be _____ with _____?
 _____ there a _____ mode to _____ 'er _____?
 Will there _____ energy-saving _____ in _____ model?

I ____ an eco-mode option _____.
_____ for a better _____?
Does _____ eco-mode that _____ me fuel?
_____ there an _____ for _____ fuel _____?
Does _____ allow for an _____ mode _____ improve _____?
Does _____ boost the _____?
Will it have _____ mode _____ fuel?
_____ I _____ more fuel efficiency?
_____ have a _____ increase fuel _____?
_____ wonder _____ eco _____ for more mileage.
Is it possible to _____ an enhanced _____ mode?
Is it possible _____ eco-friendly _____ gas mileage?
Is there _____ gas mileage?
Does this _____ have _____ feature that will _____?
_____ it _____ to _____ an _____ its fuel-saving capabilities?
_____ a green _____ that will make _____ fuel- _____?
_____ have _____ for using _____ fuel?
_____ it come with an eco-mode _____ me _____?
Will _____ vehicle _____ green _____ for increased _____?
Is there _____ way _____ vehicle's gas _____?
Does it _____ for better _____?
_____ an _____ option _____ fuel efficiency?
Does its _____ boost _____?
_____ energy-saving settings in _____ to better fuel efficiency.
_____ I _____ an eco-option _____ fuel?
Is _____ fuel efficiency?
_____ the car _____ an _____ feature _____ increases _____?
_____ an _____ boost fuel efficiency.
Will _____ environment friendly way?
Will it be _____ friendly _____ fuel?
_____ an eco _____ for _____ fuel _____?
Does anyone _____ if there _____ boost fuel efficiency?
_____ have _____ feature that helps boost its _____?
_____ there an _____ to further _____?
_____ it have modes _____ conserve _____ reduce emissions?
A green mode _____ possible.
Does _____ efficiency?
_____ that encourages better gas _____ overall?
_____ there _____ mode that _____ make _____ fuel efficient?
Does this _____ set that _____ gas mileage?
_____ know if _____ an _____ mode to _____ fuel efficiency.
_____ the thing come with _____ save _____ fuel?
Does the model come with a _____?
_____ the _____ have _____ feature?
_____ your _____ have _____ mode on it?
Are there _____ options for _____?
_____ of green _____ to _____ me more fuel efficient?
Can I _____ green _____ for _____ car to _____?
_____ a mode _____ save fuel and reduce _____?
_____ there an _____ saver?

Is there ____ option ____ improvement in ____ eco-friendly ____?

Is the ____ eco ____ fuel ____?

Does ____ a setting that ____ gas ____ overall?

____ there ____ eco- option ____ that can ____?

____ there ____ eco-feature ____ that would ____ fuel ____?

Can ____ green ____ for improved ____ mileage?

____ vehicle have a ____ encourages better ____ mileage?

____ I expect an ____?

Eco-friendly option ____ better ____?

Does this ____ include a ____ that ____ mileage?

Is there a fuel ____?

____ do something to ____ efficiency?

Does it ____ mode ____ improved ____?

Can I find ____ ecological way ____ performs efficiently ____ low ____?

Is this ____ able to ____ eco-friendly ____ better fuel efficiency?

____ model have any energy-saving settings ____ improve fuel ____?

Does ____ eco-mode option have ____ it?

Can ____ take economy mode ____ cut down ____?

Is ____ possible to ____ an ____ with an ____ mode?

____ come ____ an eco-friendly ____ for ____ efficiency improvement?

____ access to a mode ____ gasoline usage?

____ there ____ to boost ____ efficiency?

Is ____ possible for enhanced ____ an ____ mode?

____ environment friendly ____ fuel?

Is there ____ available ____ model?

____ an option to use ____ eco-mode that ____ increase ____?

____ wonder if ____ eco ____ consumption.

____ going ____ any eco mode for ____ gas?

____ possible ____ use green features ____ my ____ up?

Is ____ a ____ for ____ ride ____ MPG?

____ an ____ fuel ____ installed?

How ____ be ____ green mode for ____ mileage?

____ vehicle be able ____ with an eco-friendly feature?

It ____ an ____ to boost ____.

____ a ____ to increase the ____ miles per ____?

Is there a ____ to ____ more ecologically?

Is ____ way in ____ well, with low ____ use?

____ this ____ access ____ a mode that conserves gasoline ____?

Will ____ have a ____ that ____ reduce ____?

____ mode to boost fuel ____?

Can ____ fuel by ____ eco-mode?

Does ____ an ____ mode for ____?

Is ____ possible that ____ has ____ mode for ____.

____ it have a mode ____?

Does this ____ include settings ____ overall?

Should it ____ for saving ____?

Is there ____ for improved ____ under an ____?

do you have ____ gas?

____ have ____ eco ____ for mileage ____?

Will ____ that ____ eco-friendly boost ____ mileage?

_____ include a feature _____ the _____ more efficient?

Can _____ get _____ efficiency _____ an _____ mode?

Is _____ possible to _____ eco _____ better _____?

_____ there _____ eco-feature onboard _____ fuel _____?

Is _____ an Eco-friendly _____ mileage?

Can _____ kick _____ mode and cut down _____ fuel _____ machine?

_____ possible _____ with an eco-mode?

_____ it possible _____ green mode _____ better mileage?

_____ it _____ setting _____ better mileage?

_____ this _____ with _____ to _____ me some fuel?

_____ mode _____ with _____ for better mileage?

Is there an option _____ efficiency _____ an _____?

Can there _____ an _____ mode _____ consumption?

_____ it _____ an environment friendly place _____?

Can it _____ into _____ eco _____ for _____ efficiency?

_____ I switch to _____ mode _____ fuel?

_____ is possible _____ it _____ with an eco _____.

_____ I _____ fuel _____ eco- option _____?

Is this _____ because it _____ for better _____?

Is there _____ setting that can _____?

_____ it _____ that increases fuel _____?

Is it possible _____ save fuel _____?

_____ possible to have an _____ that will _____ capabilities?

_____ mode that will conserve _____ and _____ emissions?

_____ it _____ mode to _____ fuel?

_____ I _____ an increase _____ economy thanks to an _____?

Is _____ possible _____ has _____ eco mode to _____ fuel _____?

_____ it _____ down on _____ use _____ an _____ mode?

Does _____ an eco _____ save fuel?

_____ it have _____ mode for better _____?

Does _____ an _____ mode for _____ efficient _____ use?

Will the vehicle _____?

_____ there an eco-feature onboard that _____?

_____ mode for savings?

_____ you _____ it will _____ that helps conserve _____?

Is it possible _____ an eco option _____?

Is _____ improved mileage through _____ eco-friendly setting?

_____ it possible _____ fuel _____ with _____ eco-friendly mode?

It _____ have _____ mode _____ saving _____.

Does it _____ better mileage?

Will the _____ efficiency?

_____ eco mode _____ better fuel efficiency?

_____ an eco _____ fuel consumption?

_____ eco-friendly mode for _____ mileage _____?

Can _____ the green _____ for _____?

_____ eco option _____ fuel _____?

_____ the _____ have _____ feature?

_____ it have _____ to save _____?

_____ a good _____ for _____ mileage?

_____ it _____ with an _____ setting _____ better _____?

Is _____ feature _____ fuel efficiency?
_____ any _____ this _____ which can help fuel efficiency?
_____ there a way _____ comes _____ a green _____ mileage?
_____ there _____ an eco feature _____ enhance _____ ?
_____ to _____ efficiency?
Does _____ with an eco-friendly mode _____ ?
_____ option available?
_____ the _____ come with _____ to save _____ ?
Does it have _____ for _____ ?
_____ vehicle _____ eco-friendly feature to increase _____ mileage?
Would it be _____ to _____ conserves gasoline _____ well?
Is _____ green mode _____ gas?
_____ by moving to eco-mode?
_____ it have _____ helps the mileage?
_____ can _____ on _____ .
_____ it _____ green _____ for _____ gas?
Can _____ an _____ mode _____ more efficient fuel _____ ?
Is there _____ make _____ more fuel efficient?
_____ this allow _____ to a mode _____ gasoline _____ ?
_____ this _____ have _____ that _____ fuel efficiency _____ more?
_____ there any _____ onboard that _____ boost _____ ?
