

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Banks and FinTech Companies
Inquiry Category	Mobile app functionality and support
Inquiry Sub-Category	Transaction Problems
Description	Users may encounter problems while making or verifying transactions, such as failed payments, duplicate charges, or incorrect transaction details.
Data Size	6,380 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)

_____ way to _____ and retry them automatically?
_____ be an auto-retry _____ payments?
_____ you tell _____ how to track _____ them another _____?
_____ payment _____ monitored _____ retried easily?
_____ any method _____ automated _____ declined _____?
Can _____ set up an _____ to _____ missed _____?
_____ there _____ retry after failure in _____?
Is _____ way to _____ and attempt another _____?
Do you have _____ to _____ and _____ them?
Any auto-retry _____ to _____?
You _____ way to _____ refused _____ and _____ them?
Are _____ able to automatically _____ failed _____ by _____?
Is there a _____ monitoring _____?
Is it possible _____ you _____?
_____ way to find payment failures _____ retry _____?
_____ system _____ initiate retries when _____ are payment _____?
Can payments _____ tried _____?
Is it _____ to trace _____ outcomes _____ auto-retries?
_____ be _____ chance of _____ failed transactions?
Is _____ possible for an _____ system _____ monitor _____?
How do I _____ sure _____ tried again?
You have _____ method _____ and resubmit them?
_____ it possible to _____ failed payments?
_____ failed _____ be tracked _____ automatically?
_____ I make sure _____ are retried _____?
Is _____ possible to track _____ trial feature?
_____ if there _____ ways _____ monitor failed _____ resubmit them.
_____ you auto-retry _____?
Can we _____ payments?

_____ we _____ automated _____ for _____ payments?

Can _____ be _____ auto-retry _____ for monitoring _____?

Is there _____ way to _____ messed-up _____ try _____?

Is _____ to detect failed _____ autonomously?

Can it _____ possible to _____?

Can _____ track _____ make _____ retries?

_____ way to track _____ and easily retry them?

_____ need _____ payments and _____ them.

Is _____ to monitor and _____?

Is _____ an _____ procedure _____ missed _____?

_____ it be _____ automate the _____ of failed _____?

_____ failures _____ automatic retries, _____ way _____ them?

Does anyone have _____ auto-retries _____ failed transactions?

_____ there any way to make _____ failed _____?

Do you _____ system _____ reprocess _____?

_____ there _____ to auto-track _____ payments?

Is it _____ payments and _____ retry them?

_____ it possible for _____ be _____ and reloaded?

_____ a way to track _____ payments _____ retry _____?

Can _____ set automatic retries _____?

Can you offer _____ automatically track and _____ unsuccessful _____?

_____ wonder if bounced _____ tracked _____ auto-retry.

_____ a _____ up _____ tracks missed payments?

_____ have _____ way to tag and _____?

Can _____ be tracked _____?

Is there _____ to _____ payments for _____?

_____ unsuccessful payments _____ retry them?

_____ there a method _____ failed payments _____ again?

Will you be able _____?

_____ it _____ to _____ tracking and retry _____ bills?

_____ a _____ track failed _____ and then _____ them?

We are _____ to automate the _____ failed _____.

Is it _____ of unsuccessful _____?

Would _____ possible _____ payments and retry _____ automatically?

_____ there a way _____ rerun _____?

Is there any _____ failed payments _____?

Can we _____ track _____ transactions?

Does anyone have a _____ to trace unsuccessful _____?

Can _____ put an _____ system _____ to _____ payments?

_____ system _____ monitor failed _____?

If _____ is _____ auto-retries for unsuccessful transactions.

I _____ wondering if _____ can _____ and _____ payments for _____.

_____ possible to track messed-up _____ restart?

Is _____ a _____ failed payments?

I _____ a _____ payment failures and retry them.

_____ I _____ if ya'll can _____ payments and _____?

Is _____ possible to _____ and _____?

Is there any system to _____ when _____ go _____?

_____ it possible to track _____ payments and _____?

Can we _____ automatic system _____ tracks missed _____ attempts?

_____ possible to _____ messed- up _____ and just _____?

_____ you _____ the checking of _____?

_____ it _____ to keep _____ on _____ payments and _____?

Is _____ for _____ trace _____ retry payments?

Is _____ to _____ track _____ failed payments.

Can _____ that have _____?

_____ it possible _____ trace _____ to _____ them retried?

Is _____ to trace _____ with _____?

_____ doable to trace _____ and enable auto-retries?

_____ tracking failed payments?

How can _____ monitor _____ payments and _____?

_____ there be _____ easily _____ payments _____ resubmit them?

Is _____ a option for _____?

Is there _____ to trace _____ failures _____ then _____?

_____ way to automate failed payments _____?

Can _____ payments?

Payment _____ tracked _____ a method for automatic _____.

_____ a way to _____ failure in _____.

Is _____ a way _____ up an _____ that _____ payment attempts?

_____ there be _____ chance _____ auto-retries for _____ transactions?

Is _____ a _____ for _____ to _____ tracked _____ automatically reattempted?

Can I set _____ retries _____ bounced _____.

Are _____ ways _____ the _____ of _____ transactions?

Is _____ to _____ monitoring _____ unsuccessful _____

Can _____ a system _____ missed payments or _____?

_____ it _____ that _____ can _____ monitored and retried _____?

Can we use _____ tracks _____ payments or _____?

_____ it possible _____ track _____ failed transactions _____ quickly?

_____ there a way _____ and automatic _____ to _____ tracked?

Is _____ possible _____ monitoring _____ transactions?

Wouldn't it _____ great _____ track and _____ unsuccessful payments?

Is there _____ to _____ unsuccessful _____ and then _____ them _____?

_____ there _____ to track _____ and retry them _____?

Can we use _____ to trace _____?

_____ to track failed payments _____ automatic re _____?

_____ I _____ failed payments _____?

Can _____ system _____ there are payment failures?

Can _____ on _____ declined transactions and _____ them without _____ intervention?

_____ allow me to _____ failed _____?

Track payment failures _____

Track _____ missed payments _____?

_____ there a way to _____ failed _____ and _____ a _____?

_____ we _____ payments and re-submit _____?

_____ automatic _____ for tracing _____ be put into _____?

_____ always _____ retry bad payments?

Can _____ setup _____ bounced payments?

_____ possible for your system _____ keep tabs _____ payment _____ retries?

Do you think _____ system _____ follow up _____ payments _____?

Does _____ implement _____ procedure _____ tracing failed payments?

_____ there be _____ to _____ auto-retries for _____ transactions?

_____ I ensure failed _____ are _____?
 Is _____ possible to _____ payments?
 _____ it possible _____ track of _____ with auto-retry?
 _____ allow auto-retries for _____?
 Is _____ possible _____ track _____ up _____ and _____ automatically?
 _____ be _____ to _____ failed payments?
 _____ might _____ to _____ and retry failed _____.
 Can _____ locate _____ have _____ retried?
 _____ there _____ way _____ failed payments _____ retry them _____?
 Any auto-retry _____ that _____?
 Do _____ there is a _____ auto-track failure _____?
 _____ we _____ able to _____ the tracking _____ failed _____?
 Is _____ to _____ the _____ charges _____ them retried?
 Is _____ screw-ups _____ payments and get them _____?
 _____ way to _____ for _____ failures?
 _____ there _____ way for _____ to be _____ automatically re- _____?
 Can you _____ me _____ it is _____ tracking _____ failed payments?
 _____ it be possible _____ watch _____ and _____ automatically?
 _____ have a method to _____ them?
 _____ want _____ how to track _____ and give them _____.
 _____ to track _____ debts in _____ automated way.
 _____ monitoring for unsuccessful transactions?
 _____ automate monitoring _____ unsuccessful _____.
 Can _____ up an automatic _____ that will _____ attempts?
 _____ to easily watch _____ retried _____ failures?
 Does there _____ for reprocessing _____?
 Can auto-retries _____ unsuccessful transactions?
 Is _____ option for _____ bounced _____?
 Was _____ trace _____ outcomes and enable auto-retries?
 Is it _____ record of _____ with payments and _____ them _____?
 _____ help me track and _____?
 Track _____ automate _____ how?
 Is there _____ the tracking _____ failed payments?
 _____ you _____ easier _____ failed transactions followed by _____?
 Is _____ a _____ that _____ attempt unsuccessful payments?
 _____ payment _____ automatic retries?
 Can we _____ bills?
 How _____ sure failed payments are _____?
 _____ have an automatic _____ of _____ payments?
 _____ be _____ failed payments for retries?
 Can _____ trace _____ payments?
 Is _____ way to track _____ redo them?
 How to track _____ failures _____?
 _____ it possible _____ failed payments and _____?
 Can _____ be possible to _____ failed _____ again?
 I'm not _____ if ya'll _____ payments _____ them automatically.
 _____ trace unsuccessful _____ and _____ them retried?
 _____ you _____ me _____ have failed?
 You _____ to _____ refused pays and _____ them?
 Does any _____ monitoring exist _____?

Do there _____ automated methods _____ declined _____?

Is it possible _____ and _____?

_____ payments _____ tracked _____ retried?

There may _____ ways to _____ the tracking _____.

How _____ failed _____ tracing _____ done?

_____ we put _____ automatic _____ place that tracks _____ payment _____?

Are there any _____ track _____ and _____ quickly?

Is _____ possible _____ put _____ automatic procedure _____ tracing _____ payments?

Does the _____ to _____ payments _____?

_____ track and retry failed payments?

_____ there _____ track failed payments _____ automatically re- attempt _____.

How _____ you _____ auto-execute _____ transaction _____ resubmission?

_____ be _____ to _____ failed payments _____ re-try them?

_____ use an automated _____ and retry bills?

_____ have automated _____ and failed _____?

If _____ is possible _____ failed _____ and _____ automatically.

Is _____ way to _____ failed payments _____ attempt another _____?

_____ can _____ payments and _____ to _____ a new one?

If there is a way _____ payments _____ them _____.

Is _____ way for failed payments _____ be _____ attempted?

_____ there _____ a _____ track unsuccessful payments and _____ them _____?

_____ you automate _____ monitoring _____ that _____?

It would _____ to monitor _____

How _____ for _____ retries?

_____ a way to track _____ and _____ again?

_____ there _____ a _____ auto-retries _____ unsuccessful transactions?

Is _____ possible to _____ payments?

Can we _____ automatic _____ of _____?

Can _____ a way to track failed _____ attempt _____?

Let _____ to track _____ payments

_____ like _____ able to enable _____ for _____ transactions.

_____ a way to _____ payments _____ automatic re attempt?

Can _____ automatic _____ unsuccessful _____?

Payment _____ for _____ trial _____ there _____ way _____ track them?

Can your _____ initiate _____ when _____?

Is there _____ way _____ unsuccessful payments and _____?

Can _____ implement automatic _____ failed _____?

_____ I _____ on failed payments _____?

_____ it possible _____ detection of _____ transactions.

Can you _____ a _____ to enable _____ for _____?

Will _____ tracked and _____?

_____ system _____ keep a record of payment _____ retries?

_____ possible to _____ tabs on _____ ups _____ payments _____ fix _____ automatically?

_____ have a _____ to tag _____ pays and _____?

_____ failed payments can _____ tracked and retried _____?

Is it possible _____ offer _____ automatically track _____ unsuccessful _____?

_____ there _____ system _____ monitor failed payments?

Is it _____ to _____ and easily _____ them?

Would it be possible _____ payments?

Is _____ way _____ retry _____ payments?

Is it possible _____ screw-ups _____ and rescheduling _____?

Is _____ toAutomate _____ for retries

Can _____ be _____ on _____ unsuccessful _____?

_____ possible to keep _____ eye _____ payments?

_____ there a way _____ monitor _____?

Is there a _____ payments?

Will we be able _____ and _____ automated way?

Is it _____ to _____ and retry them _____?

Is it _____ to track _____ for _____?

_____ anyone _____ to _____ payments and re-try them?

Is there _____ to _____ tabs on _____?

_____ possible _____ keep a record on _____ with _____ and _____ them _____?

_____ payments be _____ retried?

Can these _____ and retried?

_____ system automatically detect _____ failures and _____?

Is auto-retry _____ to _____ bounced _____?

_____ possible _____ track failed payments and _____ reattempt _____?

Is _____ possible _____ track _____ with the auto-retry _____?

We _____ able to _____ failed payments.

_____ there _____ to automate the _____ of _____ payments?

I'm _____ if _____ guys can _____ retry missed _____ for _____.

_____ there a chance _____ auto-retries _____?

I _____ to _____ a _____ to _____ and _____ declined _____.

Can _____ set _____ an automatic _____ to _____ payments?

_____ possible _____ keep an eye _____ with _____ and fix them _____?

Is there _____ way _____ payments and _____ them _____?

Is there any _____ follow up when _____ go _____?

Are you _____ to _____ track my _____ again?

_____ to _____ and retry failed payments?

Will I _____ check failed payments _____?

Is it _____ to track _____ and _____ them?

_____ is _____ of tracing _____ failures _____ retrying them.

Does it _____ possible _____ automate _____ of _____ payments?

Monitoring failed _____ with _____?

_____ any _____ to monitor _____ payments for auto-retries?

_____ failed payments and retrying _____.

Is it _____ to monitor _____ and _____ without intervention?

_____ track _____ failures _____ automatic retries?

Can _____ me if _____ track _____ and retry _____ automatically?

Is _____ to _____ failed _____ make sure they're _____ again?

If _____ can _____ missed payments for me?

_____ there a way _____ tracking failed _____ them?

_____ can _____ failed transaction tracing _____?

_____ can we automatically _____?

_____ it _____ possible to monitor _____ unsuccessful _____?

Do _____ think _____ would _____ declined pay _____ & enable auto-retries?

Does _____ have a _____ transactions?

_____ for you to automatically _____ and _____ unsuccessful payments?

_____ there a way _____ the _____ in _____ payments?

Can an _____ system be set _____ attempts?

_____ the ability to _____ unsuccessful _____?

Is _____ retried failed _____.

You have _____ tag _____ declined pays?

Can I set _____ payments?

A _____ to track _____?

Do you _____ a _____ transactions?

Can the system _____ track _____ failures _____ initiate _____?

_____ know _____ to _____ unsuccessful payments and retry _____ quickly?

_____ can I _____ payments are retried?

_____ don't _____ to catch _____ payments _____ make sure _____ retried.

_____ you able to _____ and just _____?

_____ system _____ can follow up _____ when payments _____ south?

_____ failure _____ pay tracked _____?

_____ you _____ way _____ tag declined pays _____ them?

Can _____ and tried again?

Wouldn't it _____ to _____ declined pay outcomes _____?

Is _____ trace and _____ botched _____?

_____ it _____ to _____ and _____ failed payments.

Would _____ be possible _____ trace _____?

_____ tracking payment _____ for _____ retries?

_____ was _____ if you guys could _____ and _____ me.

Is it possible _____ automatically review _____ payments _____?

_____ it _____ make _____ re attempts for missed _____?

_____ it feasible _____ failed payments _____?

Can _____ monitor failed _____ and _____?

_____ can I _____ the _____ payments _____?

_____ follow and _____ failed _____?

_____ your _____ detect _____ and initiate _____ retries?

_____ easily _____ failed payments _____ resubmit them?

Is _____ auto-retry _____ watch _____ payments?

Is there a way _____ failed _____ automatically attempt _____ make _____?

_____ be _____ way to easily _____ payments?

Is _____ that failed payments _____ tracked _____?

You know _____ to tag declined pays _____?

_____ system to follow _____ payments go awry?

Is it _____ and make _____ re attempts?

Does _____ method for _____ transactions?

_____ it _____ possible _____ automatically track _____ attempt _____ payments?

Can _____ unsuccessful _____ be automated?

Can we _____ up a _____ will _____ track _____?

I _____ like _____ enable _____ for failed transactions.

_____ failed _____ traced and _____?

Is there a _____ track and _____ failed _____?

You _____ a method to tag _____ pays _____?

How _____ auto-retry system _____ payments?

Do _____ method for monitoring _____?

Payment failures _____ be _____ a _____ for _____ retries.

Is it possible _____ tracing of _____?

Are _____ watch failed _____ retry?

You have _____ solution _____ pays _____ resubmit them?

Is ____ a ____ easily see ____ payments and ____ ____?

____ ____ failed ____ if you can?

You ____ ____ to tag ____ pays and ____ them?

____ ____ payment failures?

____ there ____ auto-retry system ____ failed payments?

Is it ____ to ____ ____ retry them automatically?

Is ____ ____ to auto-track ____ inpayments?

____ know ____ system to ____ up when payments ____ south?

Does it ____ monitoring ____?

Any approach ____ ____ rejected payments?

____ possible to have an ____ system that ____ payment ____.

I ____ to make sure ____ failed ____ automatically.

____ the messed up payments?

Can we set up ____ system ____ missed ____?

____ do I ____ sure ____ retried?

Are there ____ tracking of unsuccessful ____?

____ have ____ chance to ____ auto-retries for ____ transactions?

Is ____ possible to ____ failed payments ____ send ____?

____ it ____ automatically track and ____ payments?

____ possible to ____ failed ____?

____ we ____ procedure to follow failed ____?

____ automated way to ____ payments?

____ it possible ____ failed payments ____

____ track ____ payments for automatic ____?

Is failed ____ again?

Is ____ bounced ____ auto-retry an ____?

Is ____ able to ____ unsuccessful charges and ____ ____?

____ automatically track unsuccessful ____

Are we able ____ set up an ____ system ____?

Isn't ____ possible to track messed-up ____ just ____?

____ to track ____ payments ____ just retry them?

Is ____ possible ____ and restart ____ payments?

____ help ____ follow failed payments and restart ____.

Is it ____ to trace payment ____ to ____ retry ____?

Will ____ be ____ unsuccessful payments and ____ easily?

____ there a ____ failed payments?

____ any method ____ for ____ transactions?

____ possible to track ____ unsuccessful ____?

____ there ____ way to automate ____ failed payments?

Can ____ re-trace ____?

____ want to know ____ can ____ retry failed ____.

Is a ____ reprocessing bounced ____?

____ have an auto-retry system ____ monitor ____?

____ there a way ____ payments?

Am ____ able ____ monitor ____ payments and ____?

____ have a ____ tag declined pays and ____?

____ it possible ____ monitor missed payments and ____?

____ a system for ____ failed ____?

____ it be ____ if ____ track and ____ unsuccessful payments?

Is ____ possible ____ track ____ payments

_____ monitor failed payments and resubmit them.

Is _____ option for _____ bounced _____?

_____ payments _____ have _____ be tracked and _____?

Do _____ ways _____ automate the tracking _____ unsuccessful _____?

Can _____ make sure I _____?

Does _____ monitor declined transactions?

_____ monitoring/re _____ rejected payments

Is _____ to _____ and redo _____ payments?

Is _____ a way _____ and attempt _____ payments?

Is there any _____ track _____ and retry _____?

Can you just retry _____?

_____ unsuccessful payments and _____.

_____ an automatic procedure _____ payments _____?

Can _____ help me _____ payments so _____ I can _____?

_____ want _____ know _____ to _____ and try declined _____.

_____ how _____ make sure _____ payments are _____.

_____ track _____ and put automatic retries in place?

_____ payments tracked _____ automatically?

Can _____ be _____ and _____?

Is _____ possible _____ detect _____ transactions followed by _____?

_____ we have a _____ unsuccessful payments?

Can _____ be _____ to _____ payments?

tracking _____ failures _____ retries

Can _____ set _____ automatic retries _____ payments?

Is _____ possible _____ unsuccessful payments?

_____ able to detect _____ transactions _____?

I would like _____ you _____ retry missed payments for _____.

_____ possible _____ retried _____ payments automatically?

Can I _____ automatic retries _____?

_____ possible _____ monitor unsuccessful payments and then _____?

Can you _____ a _____ to track unsuccessful _____ easily _____?

_____ possible _____ you _____ track messed up _____ and retry _____?

_____ you tell _____ if _____ possible to automate _____ payments?

Can _____ set up _____ retries _____?

Is _____ way _____ unsuccessful payments _____ retry them?

_____ there _____ to follow up _____ payments _____ south?

_____ an automatic procedure for _____?

_____ to know if _____ can handle _____ missed _____ for me.

_____ be _____ to monitor failed payments _____ them?

I _____ to know _____ it _____ to _____ the _____ of failed _____.

_____ can _____ of failed payments?

_____ possible to track _____?

_____ it possible to track _____.

Are there ways to _____ missed _____ attempts?

_____ there be an _____ system that tracks _____?

Should it be _____ automate the _____ of _____?

_____ I able _____ failed payments _____?

_____ have a _____ to _____ declined _____ and _____ them?

_____ tracking _____ failed _____ be done by _____?

Could it _____ to _____ payments and restart _____?

_____ provide _____ to _____ payments and retry them quickly?

_____ do _____ failed transactions _____ resubmission?

Can I _____ automatic retries _____?

Does anyone have _____ failed _____ for auto-retries?

Can _____ keep _____ record of payment _____ initiate _____?

Is _____ a way to trace _____ and _____ again?

_____ it _____ to retried _____ payments _____.

Is _____ a way to _____ failures, _____ them?

Can failing _____ and _____?

Can we _____ system _____ tracks _____ payments?

Is _____ way _____ failure in _____?

_____ for monitoring failed _____?

Is there _____ to trace _____ and then _____ again?

_____ a _____ to keep _____ failed payments _____ auto-retries?

You think you have a way _____ resubmit _____?

_____ it possible _____ system to _____ on _____ failures and initiate _____?

_____ payments be retried _____?

Can we _____ to _____ missed payments?

_____ a _____ to tag _____ bring them back?

_____ you _____ the detection of _____?

_____ for automatic retries?

Can _____ use _____ to trace _____ payments?

Is _____ track bounced payments _____?

How to do _____?

_____ it possible _____ payments _____ retries?

Would it _____ possible to _____ declined _____ auto-retries?

_____ possible to _____ messed up _____ and retry _____?

Will it be _____ unsuccessful _____ and _____ retried?

How _____ I _____ failed _____ are _____?

_____ use your platform to _____ declined _____ and _____ again _____ again without _____?

_____ track and attempt _____?

Is _____ way you _____ automatically _____ and reattempt _____?

_____ you _____ missed payments for me?

_____ it possible _____ and redo _____?

_____ way to _____ failed _____ and automatically re-attempt _____?

_____ always trace and _____ failed _____?

Do _____ have _____ track and _____ failed transactions _____?

Is _____ any _____ you _____ track and _____ missed payments _____?

_____ there _____ watch _____ payments for auto-retries?

_____ payments _____ and _____ an option?

Has _____ been possible _____ the _____ of _____ payments?

Can _____ know if _____ payments are being _____ and _____?

_____ there _____ a _____ to _____ track unsuccessful _____?

_____ a method _____ tag declined _____ and get them _____?

Is there _____ way _____ and re-do them?

_____ to know if it is possible _____ the tracking _____.

_____ possible to _____ up payments?

Is it _____ trace _____ retry failed payments?

_____ procedure for tracing _____?

_____ way _____ detect failed _____ auto-retries?

Can _____ be retried _____?
_____ there _____ automated _____ monitoring _____ transactions?
_____ a _____ automate _____ monitoring of declined transactions.
_____ you offer a service _____ automatically _____ and _____ payments?

Can you _____ of _____ transactions?

Can failed _____?

Any _____ for _____ failed _____?

Is _____ a _____ for _____ payments.

Is _____ possible _____ trace _____ charges and get _____?

_____ payments tracked and _____?

There is a _____ about _____ to _____ the _____ of _____.

Are _____ ways _____ monitor _____ payments and resubmit _____?

_____ like to be able _____ retry _____ automatically.

_____ failed _____ be _____ and tried?

_____ to _____ up payments _____ just try again?

_____ don't know _____ it is _____ to _____ the tracking _____.

_____ system continuously monitor payment _____ and _____?

Could _____ tracked and _____?

Is _____ way to trace _____?

_____ there _____ way to _____ in _____?

_____ methods for automated _____ of declined _____?

Can _____ up a procedure _____ failed _____?

_____ it possible _____ to trace and retry _____?

_____ I _____ failed payments are automatically _____?

Can _____ and retry _____ payments?

_____ we experiment _____ for tracing failed payments?

_____ a way to _____ retried _____?

I am _____ you guys can handle _____ payments.

Was _____ to _____ pay outcomes & enable _____?

Can _____ and _____ failed payments?

_____ you _____ the monitoring of _____?

Can _____ be tracked _____

_____ it _____ to detect failed _____ and _____?

_____ and redo missed _____?

_____ there a way _____ failures?

_____ would _____ follow _____ payments and _____ again.

_____ way to track failed _____ automatic re attempting?

_____ payment _____ be _____?

If there _____ chance to _____ auto-retries for _____?

_____ that would automatically _____ reattempt unsuccessful payments?

Is _____ auto-retries for _____ transactions?

_____ you propose _____ monitor failed payments for _____?

_____ have an automatic _____ for tracing _____?

_____ if _____ possible to _____ the tracking _____ payments.

There _____ a _____ to monitor _____ payments _____ retry _____.

Track _____ payments, can _____?

_____ auto _____ system for monitoring _____ payments?

Can _____ make _____ system _____ payments?

Would it _____ trace _____ pay outcomes _____ auto-retries?

_____ I _____ that failed _____ are retried _____?

____ I set up automatic ____ payments?
 ____ it ____ you ____ follow failed payments ____ them?
 ____ it possible ____ the ____ of ____ payments??
 ____ payment failures ____ easily?
 Can ____ be a ____ in ____ to track ____?
 Is ____ for ____ an automatic procedure ____ tracing ____ payments?
 ____ track ____ reprocess ____ transactions quickly?
 Is it ____ to ____ payments.
 ____ easily ____ payments and ____ them?
 ____ there a way ____ easily ____?
 ____ possible to set ____ an ____ to track ____ payments?
 Does ____ way ____ track unsuccessful payments ____ them easily?
 ____ able ____ track unsuccessful ____ and ____?
 Is ____ to ____ monitoring ____ declined ____?
 Is there ____ to ____ failed transactions.
 Is ____ possible ____ trace and ____ payments?
 Can ____ set ____ an automatic ____ that follows ____?
 Do you have ____ easily ____ and ____ them?
 ____ an easy ____ to ____ unsuccessful ____ retry them?
 Is it ____ messed up payments ____ try ____?
 ____ it make sense ____ an automatic ____ for ____ payments?
 Can we ____ up a system ____ tracks ____?
 ____ you ____ the ____ payments?
 ____ possible with auto-retry?
 ____ it ____ failed ____ could be ____ retried automatically?
 ____ I make sure ____ are tried ____?
 ____ a ____ failed payments and automatically re attempt ____?
 ____ track payment failures ____ initiate ____?
 Would there ____ a way ____ failed ____ for ____?
 Any auto-retry ____ monitoring ____?
 ____ be possible to monitor ____ payments ____ them.
 ____ make ____ possible ____ automatically ____ and ____ unsuccessful payments?
 ____ a procedure ____ failed payments?
 Do you have ____ ability to track ____ payments ____?
 Can there ____ monitor ____ payments and ____ them?
 ____ automate tracing ____ payments?
 ____ failures be ____ and ____?
 ____ we setup an ____ to ____ payment attempts?
 ____ there ____ way to help ____ and ____ payments?
 Can ____ me how ____ monitor ____ payments for ____?
 Does ____ any ____ automatically ____ declined ____?
 ____ a ____ reprocess ____ payments?
 ____ a system ____ will ____ payments?
 Is ____ way ____ keep track ____ payments and ____ them?
 Can failed ____ get ____?
 How ____ payments being ____ retried?
 Can there be ____ for ____ missed ____?
 ____ it be ____ detect ____ transactions followed by ____?
 Is there ____ way ____ payment ____
 Can ____ try ____ failed ____?

_____ be possible _____ monitor failed _____?
 _____ we _____ bills in an automated _____?
 Is _____ to monitor _____ and _____ automatically?
 Can _____ payment failures _____ initiate retries?
 Is _____ method _____ monitoring of _____ transactions.
 _____ payments _____ with auto-retry?
 Is _____ tracing _____ possible?
 _____ payment retries _____ are _____ any _____?
 _____ track _____ and give _____ another shot?
 Is it possible _____ automate the _____
 _____ you _____ to tag refused pays and _____?
 Can you tell _____ there is a _____ easily _____?
 There is _____ monitor failed payments and _____.
 _____ trace bad _____?
 _____ you aware of _____ to tag declined _____ resubmit _____?
 Where can I _____ way _____ payments and _____ them _____?
 I want _____ there is a _____ auto-track _____ payments.
 Is it possible _____ monitor _____ payments _____ them?
 Can _____ depend on _____ platform to _____ declined _____ try them again _____?
 Can _____ suggest _____ to track unsuccessful payments _____ quickly?
