

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Property assessment
Description	Real estate developers, property managers, or potential buyers may request historical usage data to assess the energy efficiency of a property, evaluate its potential operational costs, and make informed decisions regarding energy-related investments or renovations.
Data Size	7,353 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ I _____ usage data _____ evaluate the potential _____ energy-related renovations?

Can _____ get _____ usage _____ for my energy _____?

_____ possible _____ access past _____ data _____ assessing _____ related remodeling _____?

_____ considering financing _____ modifications, _____ the most effective strategies _____ gather _____?

_____ possible to _____ usage statistics _____ to _____ energy renovations?

_____ should I get _____ on _____ for energy _____?

Historical usage data can be _____ to evaluate _____.

_____ like to find _____ info _____ evaluating _____.

_____ it _____ get historic utilization figures _____ green retrofits?

_____ to _____ prior _____ to evaluate energy renovations?

Historic _____ be used _____ viability of energy- _____ renovations.

_____ I get _____ usage statistics _____ energy-related _____ financial viability?

Want historical statistics _____ analyze _____?

Is there a _____ to get _____ for _____?

_____ wonder _____ I _____ the investment viability of energy renovation projects.

_____ to know _____ you have historical _____ I _____ energy remodel _____ potential.

I need _____ utility data _____ estimate _____ outlook _____ investing _____.

_____ a way _____ get _____ consumption _____ in order _____ evaluate _____ investments _____ energy _____

I _____ evaluate _____ renovation investments _____ I want _____ records.

_____ don't know _____ usage data can _____ assess the _____ energy renovation projects.

Where _____ I _____ the _____ usage for assessing _____ energy _____?

Is _____ possible _____ give me old consumption _____ when _____?

I was _____ could get prior _____ data _____ energy _____.

Before _____ in _____ retrofits, _____ there _____ acquire historic utilization _____?

Can I estimate the outlook _____ by _____ historic utility _____?

_____ can you give about _____ acquisition of historic _____ data _____?

How should I find the _____ usage _____ need to _____ improvements?

Is it _____ to _____ usage data to _____ viability _____ energy renovation _____?

Is ____ possible to ____ data to ____ the energy ____?

How ____ I ____ to assess ____ potential in renovations?

Where can I ____ usage ____ assessing returns ____ energy ____?

____ to gauge the viability of the energy ____ project?

I wonder ____ there is ____ way ____ past consumption ____ to ____ investments ____ renovations.

____ data to gauge the ____ of energy-related ____?

____ to get ____ stats ____ renovations?

____ to ____ if an investment in ____ gains by looking ____ old ____ consumption?

____ it possible ____ access ____ statistics to ____ potential for ____ renovations?

Historical ____ data ____ assessing ____ potential is not ____ access.

I am researching ____ investments in energy-renovations.

____ on old ____ energy renovations.

How can I ____ historical usage ____ for analyzing ____?

Where ____ historical ____ statistics to ____ potential for ____ renovations?

Is ____ for me ____ obtain historic utilization ____ in ____ retrofits?

____ it possible ____ past ____ data ____ evaluating energy ____ investments.

____ it possible ____ find ____ usage statistics to ____ potential ____?

I ____ for ____ usage ____ for ____ energy-renovations.

____ to get ____ usage ____ prospective ____ renovations?

Do ____ know how ____ get ____ usage ____ evaluate prospective ____?

Historical usage statistics ____ evaluate ____ renovations.

I am ____ to find historical ____ evaluating ____ energy-renovations.

____ there historical usage ____ for evaluating investments ____?

Can ____ me with ____ for evaluating energy-renovations?

____ possible to find ____ usage ____ to ____ energy renovations?

____ can I find ____ that ____ helpful in ____ energy ____?

Do ____ past energy usage to check ____?

How ____ I ____ the viability of an ____ improvement project ____?

____ measures should I ____ to get ____ data in order ____ estimate ____ improvements?

____ you want historic ____ data to ____ the ____ energy-related ____?

____ I ____ historical ____ to estimate the outlook ____ investment in ____?

Is ____ way to view utilization ____ for ____?

____ I get past ____ data ____ renovations?

____ I ____ historical ____ data ____ evaluate the investment in ____?

How to ____ usage statistics in ____ evaluate ____.

Where can I find historical ____ returns ____ energy ____?

I ____ know if you can give ____ data ____ in energy ____ renovations.

How ____ consumption data to ____ the investment ____ in related ____?

Can ____ provide ____ usage data for ____ investments ____ energy-renovations?

____ historical statistics ____ consumption to ____ feasibility ____ energy renovations?

Historical usage data ____ potential for energy- ____ improvements.

Are ____ give me previous ____ records for ____ energy renovation ____?

I ____ to judge energy ____ potential ____ historical usage ____.

Is there a way to ____ investing in ____ retrofits?

____ you ____ usage data to ____ viability of ____ renovations?

Looking for ____ data ____ of energy-related renovations.

____ it ____ to ____ energy use information for ____?

Do you ____ of ____ usage to ____ potential investment?

____ energy- related ____ how ____ I ____ historical ____ records?

____ want to find ____ energy ____ assess ____ potential ____ related renovations.

_____ can I get historical usage _____ the _____ of _____ project?
 I _____ trying _____ find _____ usage _____ for _____ energy-renovations.
 You want _____ to analyze _____ of _____?
 How _____ the _____ energy _____ information for a _____ project?
 How can _____ get _____ in order _____ evaluate _____ in energy-related renovations?
 _____ am attempting to _____ usage _____ for _____ investments in _____.
 How do _____ obtain _____ usage _____ for _____?
 I'm _____ for _____ usage _____ investments in _____.
 How to _____ historical _____ figures in _____ potential energy _____?
 For assessing energy renovation _____ there is _____ way _____.
 I _____ looking for _____ usage data for _____.
 _____ you _____ me _____ acquiring _____ data for energy _____?
 Where _____ to _____ historical _____ consumption data to assess investment _____ related _____?
 _____ historic _____ data _____ me to _____ the viability _____ energy _____?
 _____ historical usage data _____ evaluating _____ improvements?
 _____ usage statistics can be _____ energy renovations.
 _____ should _____ do to _____ to estimate the _____ for _____ improvements?
 _____ can _____ find _____ usage statistics that _____ helpful in _____ energy _____?
 _____ looking _____ usage data _____ energy-renovations.
 _____ can _____ get _____ statistics _____ to evaluate energy renovations?
 Where _____ I find historical usage _____ helpful _____ analyzing _____ energy _____?
 Is it possible to _____ data on _____ energy consumption _____ gains?
 _____ can _____ get historical _____ data _____ an energy _____ is viable?
 How _____ you _____ historical _____ info in _____ evaluate _____ renovations?
 How can I _____ data _____ test _____ viability _____ energy _____ project?
 Is it _____ to get historic utility _____ the _____ for _____ in _____?
 _____ can be _____ for assessing energy _____ potential.
 I'd like _____ utility _____ for _____ energy renovation _____.
 _____ usage _____ can _____ accessed _____ assess the _____ for energy _____.
 _____ find _____ usage data _____ assess potential _____ energy renovations?
 _____ get historical usage _____ help analyze _____ renovations' _____ viability?
 Can you give _____ data on _____ usage _____ I _____ make _____ decision _____?
 Where can _____ get _____ for _____ renovations?
 _____ I _____ get _____ usage data _____ estimating the _____ for energy _____?
 _____ you _____ historic energy _____ use _____ assess potential investment in energy-related _____?
 _____ find _____ usage data _____ energy-related renovations?
 _____ usage _____ the investment viability of energy renovation projects?
 Is there a _____ past consumption _____ to _____ evaluate potential _____ renovations?
 _____ need past usage data to _____ renovation _____.
 I'm looking _____ for energy _____.
 _____ it _____ to find _____ usage for energy _____?
 I don't _____ where to _____ data to assess the _____ potential _____.
 I want _____ find _____ usage info _____ energy-renovations
 _____ can _____ find historic usage statistics _____ identify _____?
 I'm _____ utility consumption records _____ evaluating _____ investments.
 _____ do _____ get past usage data _____ check _____ energy _____?
 Is _____ to get _____ usage _____ the viability of _____ energy improvement _____?
 Is _____ possible _____ old _____ data _____ energy retrofit chances?
 _____ I use the old energy _____ to _____ renovations bring _____?
 How _____ I find historical _____ energy-related refurbishments?

Where ____ I ____ historic ____ to ____ for ____ energy renovations?

Where can I ____ helpful in analyzing ____ financial ____ of ____ related ____?

____ there a way ____ get ____ consumption ____ order to ____ into ____ renovations?

____ find historical ____ for energy- related renovations?

I ____ like old consumption data ____ retrofit ____.

Where ____ I find ____ usage statistics ____ for ____ energy-related ____?

____ usage ____ to gauge ____ viability of ____ energy renovation?

____ it possible to ____ past ____ assessing ____ related ____ potential?

Is there a ____ past ____ in ____ evaluate possible energy ____?

____ it ____ access historical usage ____ for assessing ____ renovation ____?

Is ____ to ____ historical usage ____ to ____ of ____ improvement project?

I want ____ energy remodel investment potential by ____.

____ can ____ find historic usage statistics ____ assess ____ for ____?

Historical usage ____ may be ____ to ____ viability ____ an ____ improvement ____.

How ____ I get historical ____ data ____ gauge ____ an ____ project?

____ can I find ____ usage data ____ renovations?

____ way to get ____ utilization ____ I ____ in green retrofits?

How can ____ get ____ usage data ____ investment ____ energy-related ____

____ can ____ find old energy use ____ cost ____?

I want to ____ energy ____ investment potential, but can ____ give ____?

____ do I find data ____ old ____ renovations?

Do ____ any ____ I ____ to ____ energy remodel investment potential?

How ____ get ____ in order to evaluate ____.

____ you provide ____ usage ____ I can analyze energy ____?

How ____ get historical usage data ____ evaluate ____ in ____ renovations?

____ to use historical utilization records ____ assessing ____ renovation ____?

____ there ____ past ____ records for ____ renovation investments?

____ retrofits, is there ____ way to ____ historic ____ figures?

For ____ renovation investments, ____ you give ____ the ____ records?

Can I find ____ to get ____ figures ____ investing ____ retrofits?

____ there a way ____ get ____ figures ____ to ____ in green ____.

I ____ finding historical ____ info for ____ energy-renovations.

Should ____ ask ____ old ____ evaluating energy retrofit ____?

____ avenues can allow ____ prior use patterns ____?

How ____ you get ____ usage statistics in ____ energy ____?

How about ____ data for ____?

I need some historical ____ the ____ investment potential.

I ____ know ____ for ____ energy renovation investments.

____ it ____ to ____ information ____ acquiring historic ____ data ____ energy ____?

I ____ to ____ but I need historical ____ data.

____ should I do ____ usage ____ for estimating energy-related ____?

Want ____ to ____ energy ____?

Can ____ get ____ usage ____ energy improvements?

Where ____ find historic ____ statistics ____ in analyzing ____ renovations?

Is ____ way to find ____ consumption ____ for planning ____?

____ curious about old ____ evaluating ____ retrofit chances.

____ would ____ past ____ consumption ____ for evaluating energy ____

____ find historical energy consumption ____ to ____ the investment ____ renovations?

____ find historic ____ for ____ energy related ____ financial viability?

For assessing energy ____ is there ____ to ____ records?

____ do ____ find historical energy consumption ____ for ____ related renovations?
 ____ statistics can be used ____ the feasibility ____ renovations.
 ____ find ____ usage statistics that are useful ____ energy ____ renovations' ____ viability?
 ____ need past ____ evaluation of energy ____ investments.
 Do ____ have ____ to see past ____ numbers ____ assessing potential ____?
 ____ use ____ data to evaluate energy renovation ____.
 Can ____ give ____ the past ____ to ____ decide if I ____ the renovations?
 Historical ____ data ____ gauge the viability ____ an energy improvement ____.
 I need ____ past ____ data for ____ renovation ____.
 ____ can ____ find ____ use statistics to ____ for ____ renovations?
 Are there any places ____ get ____ on old ____?
 Is ____ a way ____ consumption data ____ to ____ potential ____ energy renovations?
 Where do ____ consumption data to make an ____?
 Can ____ historical ____ for evaluating energy ____?
 ____ historical data ____ of ____ renovations?
 ____ there a way ____ get past ____ assess ____ renovation ____?
 ____ I get past ____ information for a ____?
 How to ____ usage ____ assessing energy ____ investments?
 ____ possible to ____ old consumption data for ____ retrofit ____.
 Where ____ I ____ statistics to ____ related renovations' ____ viability?
 ____ am searching ____ usage ____ evaluating ____ in energy-renovations.
 Are ____ data to gauge viability ____ renovations related to ____?
 Is ____ a ____ get past ____ use ____ for estimating ____?
 What ____ I take to ____ data in order to ____ the potential ____?
 Is ____ information ____ give me ____ historic usage ____ energy renovations?
 ____ need some historical ____ data ____ judge ____ investment ____ the energy ____.
 ____ is a chance ____ numbers for ____ potential ____ upgrades.
 ____ it possible to ____ usage for assessing ____ energy ____?
 Where ____ I find ____ usage ____ for ____?
 ____ it ____ get old ____ data for energy ____?
 ____ possible ____ obtain past consumption data ____ order to evaluate potential ____.
 Where ____ find ____ usage ____ that help analyze ____ related ____ viability?
 ____ usage ____ used to evaluate ____ energy improvements.
 To evaluate energy-related ____ do ____ get ____ records?
 How to get ____ usage ____ in ____ assess potential ____?
 Can ____ get verdicted historic ____ figures before ____ invest ____?
 Is ____ possible ____ obtain ____ data ____ evaluating ____ improvements?
 ____ can ____ historical ____ data to evaluate investment ____ in related ____?
 ____ can ____ get historic usage ____ to ____ the ____ energy ____?
 ____ need ____ data to ____ energy ____.
 Is ____ to get ____ in ____ evaluate the benefits of ____ renovations?
 ____ interested ____ finding historical ____ info ____ evaluating ____ in ____.
 Where can ____ find ____ statistics to evaluate ____ in ____?
 Where ____ find ____ data ____ analyzing energy related renovations' financial ____?
 ____ possible ____ if an ____ in renovations brings ____ looking ____ old energy ____?
 ____ can I find historic ____ statistics ____ analyze energy ____ financial ____?
 Where do ____ get ____ old ____ energy renovations?
 I ____ to ____ in ____ to estimate the potential ____ related improvements.
 Is ____ to get old ____ data ____ evaluating ____ retrofit ____?
 Can ____ use ____ to ____ energy-related renovations?

____ there a chance ____ past usage numbers ____ assessing ____ energy ____?
 ____ possible ____ access historic usage ____ the potential ____ energy renovations?
 I ____ know ____ there ____ a chance ____ access ____ usage ____ for ____ energy upgrades.
 ____ buying historic ____ energy renovations?
 ____ I ____ historical energy ____ data ____ look at the ____ potential ____ renovations?
 ____ do ____ past ____ to ____ energy renovation potential?
 Do you ____ a ____ to ____ past ____ in ____ to evaluate ____ energy ____?
 How ____ use historical usage records ____ renovations?
 I need old ____ evaluating ____ retrofit ____.
 Is it ____ past ____ numbers for assessment ____ energy ____?
 ____ you able ____ historic ____ data to ____ investment in ____ renovations?
 Is ____ evaluate ____ renovation viability with historical ____ records?
 ____ usage ____ for analyzing ____ renovation investment potential.
 Will there ____ a way to get ____ utilization ____ green ____?
 ____ can I find ____ on ____ for ____ renovations?
 ____ it ____ to ____ data on old ____ to ____ if renovations ____ any ____?
 Are ____ able ____ historic energy ____ to assess the investment ____ energy ____?
 ____ it possible ____ historical ____ gauge the viability ____ an energy improvement ____.
 How ____ get ____ usage ____ in order ____ energy renovations?
 ____ possible ____ get past utility ____ evaluate energy ____ investments?
 Historical ____ data for ____ related ____ is needed ____ investment ____.
 How ____ historical usage data for ____?
 ____ you ____ historical usage statistics ____ order to evaluate ____?
 ____ need historical ____ data ____ evaluate the ____ renovations.
 ____ historic usage ____ to ____ investment ____ of energy renovation projects?
 How ____ I ____ past usage data ____ remodel ____?
 Does anyone have access ____ numbers ____ potential energy ____?
 I ____ to know ____ you can ____ me ____ data ____ assess potential ____ renovations.
 Want ____ to analyze ____ feasibility of energy ____?
 How ____ I get ____ to ____ energy-related remodeling ____?
 Is ____ possible ____ obtain past ____ to ____ energy ____ potential?
 How ____ find past ____ information to estimate ____?
 ____ you please help ____ usage info ____ investments ____ energy-renovations?
 Can i get prior ____ to ____ investments?
 ____ do I ____ historical ____ consumption data ____ to ____?
 ____ to judge energy remodel investment potential ____ data.
 Is it ____ energy ____ information for ____ renovation ____ on investment?
 Is there ____ way ____ get verdicted ____ usage ____ invest ____ retrofits?
 How ____ I ____ past usage ____ renovation project?
 I ____ like ____ see ____ usage ____ to ____ renovation investments.
 ____ searching for ____ for energy ____ renovations.
 Where can I ____ historical ____ assessing ____ from ____ upgrades?
 Were you able ____ me ____ utility consumption ____ renovation investments?
 ____ I ____ historic usage ____ to analyze ____ renovations' financial ____?
 ____ do ____ get ____ energy ____ to evaluate ____ potential ____ related renovations?
 ____ wonder ____ someone can give ____ old ____ data to evaluate ____.
 Does ____ know ____ find ____ that is relevant ____ planning sustainable ____?
 What ____ place to ____ historic ____ statistics ____ potential ____ energy renovations?
 ____ I ____ the data on ____ for ____ renovations?
 In ____ viability, where can I find historic ____?

_____ looking for _____ usage _____ for evaluating investments in _____.
 _____ it possible for me _____ get _____ data _____ evaluate _____ investments?
 How _____ I obtain _____ usage _____ estimate the _____ on _____ energy-related _____?
 Do _____ want _____ usage data to _____ the _____ related renovations?
 _____ there _____ a chance _____ get past _____ numbers _____ assessing potential _____.
 How _____ historical usage figures _____ energy renovations?
 How can I _____ historical usage _____ determine _____ of _____ energy _____?
 Is it possible _____ get _____ energy improvements?
 Where can _____ usage _____ to find _____ energy renovations?
 Want _____ the feasibility of energy renovations?
 Is there a _____ for _____ data to be _____ in _____ renovations?
 What is _____ best _____ to _____ historical _____ for assessing energy _____?
 _____ usage data _____ to assess _____ investment _____ of _____ renovation projects.
 _____ can _____ find _____ usage data _____ evaluating _____ renovations?
 _____ get _____ stat to evaluate _____ renovations?
 How _____ I get past usage data _____ evaluate _____?
 _____ where _____ prior _____ information that is related _____ planning ecologically-friendly _____?
 Is _____ possible _____ usage data _____ assess the _____ of energy renovation _____?
 _____ provide _____ historic energy _____ to check _____ investment in _____ renovations?
 Is there _____ way _____ get _____ data _____ order to _____ in energy _____?
 _____ it _____ old energy _____ to _____ if renovations bring gains?
 Is _____ possible to _____ past _____ investments _____ energy renovations?
 How can I find _____ data _____ the investment _____?
 _____ there _____ to see historical utilization _____ renovation viability?
 _____ way to get _____ consumption data _____ order _____ energy renovations?
 _____ want _____ get _____ usage data _____ evaluating energy _____.
 _____ know how to _____ historical _____ records _____ renovation viability?
 In _____ energy renovation investments, I _____ data.
 _____ find historical usage _____ that can be _____ renovation _____ potential?
 Past _____ data _____ be used to _____ energy _____.
 Is it possible _____ usage _____ potential energy renovation?
 _____ I _____ energy consumption _____ to check _____ the _____ of renovations?
 _____ I get _____ energy _____ for renovations?
 _____ possible _____ consumption data to judge if renovations bring _____?
 Where can I find historical _____ look _____ in _____ renovations?
 _____ it _____ to _____ investment viability of _____ renovation _____ historic _____ data?
 When _____ financing _____ modifications, what _____ gathering user patterns?
 I'm _____ of _____ usage info _____ investments in _____.
 I _____ get _____ on _____ old energy consumption _____ I invest _____ renovations.
 Are _____ willing to share historical _____ so _____ can _____ energy _____ investment _____?
 _____ you give _____ usage data that I _____ to _____ energy _____?
 _____ way to _____ historical _____ records for _____ refurbishments?
 Is it _____ estimate _____ investment _____ energy _____ by gathering historic utility _____?
 For _____ renovation _____ could _____ me with _____ consumption records?
 Is it possible _____ assess energy renovation investment _____.
 How _____ I _____ utilization _____ assessing _____ renovation viability?
 Where do _____ find _____ on _____ usage for _____?
 _____ past _____ data for assessing _____ renovation investments.
 Can I get _____ I _____ analyze energy related _____?
 _____ to judge _____ renovations bring gains by _____ energy consumption?

Historical usage _____ utilized _____ assess energy renovation _____.
 Is it _____ to _____ historical _____ data to assess _____ energy _____?
 _____ do _____ get _____ for analyzing _____ renovation investments?
 _____ I _____ historic _____ can be used to _____ potential for energy _____?
 Is it possible _____ historical _____ records for _____ assessment _____ energy _____?
 Is it _____ historical usage _____ evaluating _____ investment?
 Where _____ I find _____ statistics for cost _____?
 Is _____ a chance to look _____ past _____ potential _____ upgrades?
 _____ it possible _____ past usage data _____ evaluating _____?
 _____ there a _____ to _____ past consumption _____ in order _____ renovations?
 _____ can I _____ usage _____ evaluating energy renovation _____?
 _____ any historical usage _____ can use to _____ energy remodels _____ potential?
 _____ get _____ old energy _____ if I _____ in renovations?
 What is the _____ find historic usage _____ to _____ in _____?
 _____ I _____ energy consumption data _____ determine _____ potential?
 _____ usage data to gauge _____ energy- related renovations?
 _____ there a way to _____ past _____ data _____ order _____ investments in _____?
 Is _____ way _____ past consumption _____ for energy renovations?
 _____ if _____ give _____ old consumption data _____ evaluating _____ retrofit chances.
 Is there _____ place where _____ historical usage for _____ returns _____?
 _____ usage data _____ used to _____ feasibility of an _____ improvement _____.
 _____ able _____ give me _____ for evaluating _____ in energy-renovations?
 _____ can I _____ past _____ assessing energy renovations?
 How can _____ obtain _____ data to evaluate _____ in _____?
 _____ you _____ how to _____ in order _____ evaluate energy renovations?
 What measures should I take to _____ for _____ the return _____ improvements?
 How can _____ past energy _____ information for _____?
 _____ can I get historical _____ data to _____ viability of _____ improvement _____?
 Is there _____ to access _____ usage _____ evaluating _____ energy _____?
 Where can _____ find historical _____ consumption data _____ the _____ potential _____ renovations?
 _____ you _____ me with historical _____ data to _____?
 _____ you _____ to give _____ about historic usage data _____?
 I would like _____ analyze _____ related _____ if _____ can _____ historical _____.
 How _____ historical usage statistics _____ order to _____ energy _____?
 _____ know that I could use past utility _____ evaluate _____?
 _____ find data _____ old usage for energy _____?
 Do I _____ usage _____ energy renovations?
 Are _____ able _____ give me historical _____ analyze _____ renovations?
 _____ want _____ utility _____ for evaluating energy _____.
 _____ I find historical usage _____ returns _____ energy _____?
 Is there a _____ for _____ get _____ investing _____ green retrofits?
 Where _____ historical usage for assessing _____ upgrades?
 How can _____ obtain historical _____ gauge the viability _____ an _____?
 How to check _____ energy renovation _____ potential?
 _____ it _____ to get _____ use _____ estimating renovation ROI.
 Can _____ give _____ data on _____ energy _____ help _____ make _____ decision _____ the _____?
 Looking at _____ gauge the _____ energy-related renovations?
 How _____ I _____ past usage _____ assess energy _____
 Do _____ historic _____ to gauge _____ energy-related renovations?
 _____ gauge _____ an _____ project, I need historical usage data.

There are _____ data _____ assessing energy renovation investment _____.
 _____ do I _____ to _____ historical _____ records _____ energy-related refurbishments?
 Is it possible _____ someone _____ consumption data _____ energy retrofit _____?
 _____ historic usage _____ assess _____ viability in _____ renovation projects?
 _____ you like _____ usage _____ gauge _____ viability of energy-related _____?
 How _____ I get _____ for assessing energy _____?
 Is there _____ way _____ historical utilization _____ for _____ viability?
 I need to _____ data _____ assess _____ investment potential of _____.
 _____ like to know if _____ can get prior usage _____.
 How to _____ historical _____ renovation investment potential?
 _____ can _____ find historical _____ assessing likely returns from _____?
 _____ I do _____ obtain _____ usage data to _____ for energy _____?
 _____ energy _____ chances can _____ provide _____ old _____ data?
 Do you want historical _____ to _____ the _____ energy-related _____?
 _____ possible _____ obtain historical utilization records _____ assess _____ viability?
 Is _____ get _____ consumption data _____ evaluating energy _____ chance?
 _____ can _____ usage statistics _____ prospective energy renovations?
 _____ don't _____ where to find _____ usage _____ returns _____ upgrades.
 I would like _____ analyze _____ renovations _____ historical usage _____.
 Is _____ way _____ consumption _____ be _____ in order to _____ potential investments _____ energy renovations?
 How _____ historical usage records to evaluate _____?
 Can you tell me _____ usage _____ for _____ investments _____?
 _____ can I _____ historic _____ info helpful _____ analyzing _____ viability?
 Is _____ get prior _____ data to analyze _____ renovation _____?
 How _____ gather _____ user _____ when _____ eco-friendly modifications?
 _____ can _____ find historic usage _____ in _____ related renovations' _____ viability?
 Is there _____ to get _____ energy use _____ renovation _____?
 _____ to get _____ usage _____ to assess energy renovation _____?
 What _____ the _____ to _____ past _____ data for assessing _____ investments?
 I _____ historical usage _____ to evaluate potential investment _____.
 _____ it possible to get old _____ data _____ energy _____.
 _____ like to _____ energy-related renovations if _____ share _____ data.
 Can you _____ energy data _____ help me _____ investment _____?
 _____ can I find _____ energy _____ estimate renovation ROI?
 _____ possible to _____ consumption _____ to _____ potential investments in _____ renovations
 Can _____ provide _____ usage data _____ energy related _____?
 _____ I _____ to find _____ usage for assessing _____ energy _____?
 Is there _____ get _____ consumption _____ in _____ evaluate the investments _____ energy _____?
 How _____ access _____ usage _____ for _____ energy _____?
 How _____ I get _____ for energy-related _____?
 _____ can _____ find historical _____ statistics _____ used in _____ related renovations' financial _____?
 How _____ get _____ usage _____ in order to _____ potential _____?
 Where should _____ find historical energy _____ investment potential _____ renovations?
 Where do I find _____ consumption _____ to _____ at _____ of related _____?
 _____ possible to assess _____ obtaining past usage data.
 I was _____ could give _____ past utility _____ records to _____ renovation _____.
 _____ get _____ usage figures _____ evaluate energy _____?
 Can I _____ data _____ energy _____ to _____ if renovations _____?
 _____ find past energy use information to _____ investment?
 Is it _____ to _____ outlook _____ in _____ rehabilitation by _____ historic _____ information?

If I want _____ energy improvements, can _____ usage data?
 _____ it possible for _____ to get _____ historic utilization _____ before _____ retrofits?
 _____ someone _____ give me _____ when I am evaluating energy _____ chances.
 _____ possible for _____ to _____ me about acquisition _____ for energy renovations?
 _____ historic _____ data to gauge viability _____ related _____?
 _____ have a question about _____ get _____ data _____ renovation potential.
 _____ offer me _____ usage info for _____ investments _____?
 _____ do _____ historical _____ records to _____ energy improvements?
 _____ places _____ I can _____ data _____ usage for energy _____?
 I would _____ energy remodel _____ potential if you shared _____.
 Where _____ find historical usage statistics _____ use _____ energy related renovations' _____?
 Where _____ statistics _____ for assessing returns from _____ upgrades?
 Historical usage _____ to _____ the _____ investment _____ energy-related renovations.
 Is _____ possible to estimate the _____ for energy _____ by _____?
 _____ historical usage data _____ can analyze _____ related renovations.
 _____ it possible to _____ statistics _____ evaluate energy _____?
 _____ like to know _____ history of _____ records _____ energy renovation _____.
 _____ to _____ past _____ data that _____ be _____ for energy renovations?
 In analyzing _____ financial viability, where _____ historical _____ statistics?
 _____ energy _____ investment potential _____ historical usage data.
 _____ the _____ investment in _____ how can _____ get historical _____ data?
 How _____ get _____ to evaluate _____ in _____ related renovations?
 I _____ know _____ is a _____ to get past _____ order to evaluate _____ investments in _____.
 _____ it _____ possible to get _____ usage data _____ investments?
 Is _____ tell me about acquisition of _____ data _____ renovations?
 Where _____ find historic usage statistics _____ renovations?
 Is it _____ to _____ historical usage _____ for Evaluating investments _____?
 Can _____ me _____ past energy usage _____ I _____ decide if _____ should bother _____ renovations?
 Know _____ to get historical _____ consumption _____ feasibility of _____.
 I need _____ usage data to _____ energy _____.
 _____ there a _____ get past _____ for _____ potential _____ improvements?
 _____ know _____ usage data for assessing _____ renovation investments.
 _____ if I can _____ prior _____ to evaluate _____ renovation _____.
 Do _____ have _____ to access _____ records _____ energy renovation _____?
 Is it _____ to _____ utility data to _____ energy rehabilitation?
 Where can I obtain _____ usage _____ renovation _____?
 _____ usage data on energy renovation investments?
 _____ I get _____ usage _____ for prospective energy _____?
 I _____ know _____ access past usage _____ assessing _____ potential.
 Is it _____ to _____ data for _____ energy _____ chance?
 Historic _____ be used to _____ the viability _____ related _____.
 Is it _____ for _____ to _____ consumption _____ when _____ retrofit chances?
 Can _____ help _____ historical _____ for evaluating investments _____ energy-renovations?
 I want _____ if _____ is a _____ to _____ utilization records _____ renovation viability.
 Do _____ need _____ data _____ assess _____ investment viability _____ energy renovation _____?
 There _____ a way _____ utilization _____ energy renovation viability.
 Is there _____ way _____ data to _____ energy _____ potential.
 _____ utilization records _____ be used to _____ renovation _____.
 _____ are _____ ways to gather _____ looking at financing _____ modifications?
 _____ is _____ look _____ past usage _____ potential energy upgrades.

Can you _____ data on past _____ to _____ decide _____ I should spend my _____?

Can I get _____ old _____ consumption to see _____ bring _____?

_____ it _____ get historical _____ evaluating investments in energy improvements?

_____ need _____ energy consumption _____ to _____ the _____ in related renovations.

_____ want _____ on _____ for energy _____.

_____ have _____ usage data to _____ investment viability of _____ renovation projects?

_____ way _____ obtain _____ utilization _____ before investing in green _____.

_____ you tell me _____ usage data for _____ renovations?

To _____ investment in energy related _____ historical _____ data.

_____ use details can _____ used to _____ potential _____ renovations.

_____ like historic usage _____ gauge viability _____ renovations?

Historical _____ on consumption should _____ the feasibility _____ renovations.

_____ get past _____ to assess the renovation potential?

_____ there historical usage _____ evaluating _____?

I _____ historical _____ info for evaluating investments _____.

_____ to _____ past usage _____ assessing energy related remodels?

_____ to give me historical _____ data _____ judge energy _____ investment _____?

_____ usage records _____ evaluate energy- related projects?

_____ on prior usage _____ to evaluate _____ renovation _____.

_____ it _____ to access historical _____ the purpose _____ energy _____ viability?

_____ would _____ to _____ energy renovation investments _____ prior _____.

To evaluate _____ energy-related _____ how can I get _____?

How _____ find historical _____ in _____ to evaluate energy _____?

_____ you tell me _____ info for evaluating _____?

Where _____ historical _____ useful for analyzing _____ renovations' _____ viability?

_____ historical _____ to _____ the investment potential in related renovations?

How _____ I get _____ usage _____ for _____ energy _____?

What sources offer _____ information to _____ investment in _____?

_____ get historical usage _____ for energy _____?

I'm _____ historical usage for _____ returns _____ improvements.

I _____ if I _____ usage data for evaluating _____.

_____ there a way _____ obtain historical _____ data _____ investments in _____?

Are _____ able to give _____ data _____ the _____ investment _____ energy related _____?

_____ past usage data to _____ energy _____ potential?

_____ need to know _____ to get _____ on _____ for _____.

Is _____ to _____ about the _____ historic usage _____ for _____ renovations?

I would _____ remodel _____ by sharing historical _____ data.

Scan _____ or _____ considering _____ of _____ alterations towards sustainable _____?

What is _____ way _____ access _____ data _____ assessing energy _____ investment _____?

How _____ use _____ data to _____ energy _____ investment potential?

How _____ I find _____ usage _____ assessing _____ investment potential?

_____ I _____ historical usage _____ for analyzing _____ renovation _____?

_____ there _____ way _____ access past _____ numbers _____ evaluate _____ upgrades?

What _____ I do _____ usage data _____ to _____ return on _____ for energy-related _____?

Can _____ give _____ data on _____ energy _____ me _____ if I _____ spend money _____ renovations?

_____ you _____ give _____ historic energy _____ to assess _____ investment _____ energy _____ renovations?

How _____ historical _____ statistics _____ to evaluate energy renovations?

Is it possible _____ access _____ for _____ renovation _____?

Where _____ I _____ usage statistics _____ check _____ for _____ renovations?

Can I _____ data to _____ energy _____?

____ it ____ historical usage ____ to ____ energy-related refurbishments.
 ____ do ____ historical energy ____ data to ____ the investment potential ____ ?
 ____ energy use information ____ estimating renovation ____ on ____.
 ____ I ____ usage data ____ energy renovation investments?
 How can ____ statistics ____ obtained in order ____ renovations?
 I ____ the ____ data ____ judge the investment ____ energy ____.
 How should ____ historical usage records ____ evaluate ____ ?
 Where can i find historical ____ likely ____ from ____ ?
 Is it ____ past usage data to ____ potential?
 ____ determine ____ of an energy improvement project ____ obtaining ____ usage ____ ?
 Do you have any ____ utility consumption ____ energy ____ ?
 ____ do ____ usage data ____ evaluate ____ energy improvement project?
 ____ to ____ the viability of an energy improvement project?
 ____ it possible ____ old consumption ____ when ____ energy retrofit ____ ?
 ____ can ____ historical ____ to ____ viability of an energy improvement ____ ?
 Can ____ usage data ____ energy improvements?
 ____ historical statistics ____ the ____ of energy ____ ?
 ____ historic usage ____ to assess ____ investment viability of ____ renovation ____ ?
 ____ I get ____ information for power-revised ____ ?
 How ____ I ____ energy ____ information for ____ renovation?
 What should I do ____ get ____ usage ____ estimate ____ potential ____ energy related ____ ?
 ____ historical statistics ____ analyze ____ feasibility of energy ____ ?
 There ____ evaluate the investment in energy related renovations.
 ____ should I ____ historical ____ estimate the return on ____ improvements?
 How to ____ historical ____ for assessing ____ potential?
 Historical utility ____ details ____ used to appraise potential ____ .
 ____ possible to judge if ____ in ____ brings gains ____ looking ____ energy ____ ?
 ____ it possible ____ past usage ____ investigating ____ into power-revised ____ ?
 Does anyone ____ how ____ information that's relevant ____ planning eco-friendly ____ ?
 To gauge the ____ an ____ project ____ need ____ usage ____ .
