Why ____ their calculation ____ considering ____ may ____ different available information?
____ doesn't ____ ours ____ we ____ different information.

Our ____ don't ____ could be due to ____.
____ might ____ data sets, so what ____ between their calculation and ____?
____ have ____ different data, ____ calculation not match us?

If ____ had diff ____ how ____ their ____ did not ____?
____ aren't ____ when we used different ____ sources?
____ different inputs ____ our ____ don't ____.

Is it possible our math ____ use ____?
How ____ their ____ doesn't match ____ if we ____?
____ the ____ slightly off ____ different ____?
____ is ____ they had different information and ____ why our ____.

Even though ____ to totally diff ____ math ____ add up.
____ we ____ dif info, their calculations ____ tune with ____.
____ possible our ____ because we ____ different information?
____ might be discrepancies ____ their ____ we have different ____ sets.
____ be ____ any clue as to ____ the final tally is ____?
____ they use alternate info ____ their ____ don't ____ what ____ did?
____ data is ____ why is ____ calculation ____ aligned?

Our available information may differ ____ the ____?
____ is the cause of our ____ matching ____?
____ the chance ____ distinct ____ why ____ our computations ____?
Even ____ we might have ____ to totally ____ math ____ adding ____.
Is ____ disparity ____ numbers because of different information ____?
____ disparity ____ our ____ that you used ____ information for?

Is there a ____ that our ____ different information?
____ it possible ____ calculations differ ____ on other ____?
We ____ distinct ____ sets ____ for ____ their calculation and ours.
The calculation ____ when we might ____ used ____.

____ it possible ____ we use different intel?
 Do ____ discrepancies ____ our calculations due to ____ at ____?
 ____ result ____ in ____ ours despite ____ different data
 Is ____ dif ____ their calculations aren't in sync ____ ours?
 Why are their ____ off ____?
 Is ____ possible that ____ because we used ____?
 Our numbers ____ match, ____ use different ____ sources?
 ____ we had different information, ____ their ____ doesn't match ____?
 We may ____ facts, ____ why ____ our ____ match?
 How come they arrive ____ different result ____ there ____?
 When our ____ is different, ____ discrepancy ____ the ____?
 ____ used different ____ why doesn't the ____ match?
 How come ____ numbers don't ____ different ____ sources?
 ____ might possess ____ data ____ account for discrepancies between ____ and ____.
 ____ we might have ____ info, ____ is ____ different?
 If ____ had ____ data, ____ come ____ calculation doesn't align ____?
 ____ why ____ math ____ match ours when ____ dif-dang ____.
 We ____ different ____ information, could ____ in our calculation?
 ____ up exactly, maybe diff info?
 ____ we have ____ how come their calculation ____ not ____?
 ____ is it ____ are not the same ____ inputs?
 ____ used ____ information, why ____ their calculation not match ____?
 ____ different ____ have been used, why ____ the calculations ____?
 Do you question why ____ don't ____ inputs?
 ____ up, ____ it be due to different ____?
 ____ we got different ____ why ____ have ____ tally?
 Given the ____ of ____ why ____ calculations differ?
 ____ contrasting ____ facts, ____ there reasons ____ discrepancy between their ____ and ____?
 ____ our available ____ may differ, ____ discrepancy ____ calculation?
 There ____ in ____ because ____ use different ____ of information.
 ____ figures ____ matching ours, ____ because of different ____.
 Our ____ don't add ____ they due to ____?
 There's ____ discrepancy ____ the ____ when we have ____.
 Is ____ a ____ between ____ numbers because ____ different ____?
 If we have diff ____ calculation ____ match?
 ____ wonder why our ____ differ ____ using ____ inputs?
 Is ____ possible ____ have different pieces ____ data which ____?
 ____ calculation doesn't ____ ours because ____ have ____.
 Maybe ____ to ____ information used, our numbers ____.
 ____ calculations, because ____ used different sources of information.
 How ____ don't match ____ if ____ have ____ data?
 How is it that ____ match ____ different ____?
 ____ we ____ sources ____ information, there could ____ between ____ calculations.
 ____ information may differ, why ____ discrepancy in ____?
 Why does ____ off result with different ____?
 ____ is ____ different even if ____ different?
 Is ____ a ____ calculation is ____ with different ____?
 Taking into ____ differences ____ data, what caused ____ calculation ____ differ ____?
 I'm curious ____ our ____ match theirs despite using dif- ____.
 ____ discrepant resources utilized ____ explain ____ their final ____ is off.

____ it possible ____ computation is ____ even ____ information is different?
 Given that we ____ have ____ information, ____ their calculation ____ ours?
 Is ____ they ____ that causes their sums not ____ what ____ did?
 Is ____ that ____ calculations ____ because ____ different info?
 ____ the possibilities ____ data, ____ do ____ differ?
 ____ we ____ do you know why ____ figures ____ from ____?
 ____ result doesn't jibe ____ despite ____ data
 ____ that ____ calculations differ ____ to ____ different information?
 ____ is possible ____ our numbers ____ due to ____ information ____.
 ____ are ____ calculations not ____ with ____ even ____ used dif ____?
 We ____ different ____ of ____ cause discrepancies in ____.
 How ____ calculation does not align ____ ours ____ have ____?
 Considering ____ different information, why ____ their calculation ____?
 ____ calculations ____ if there is ____ possibility of distinct ____?
 We might ____ access ____ their math doesn't ____ up
 Why are ____ calculations ____ with ____ though we used dif ____?
 ____ different ____ why don't ____ have the same ____?
 Why ____ math do ____ despite using ____ material?
 What ____ the calculation ____ from ____ account ____ accessibility?
 ____ the calculation ____ we used different ____?
 Why do ____ differ when there ____ possibilities?
 ____ might ____ access to ____ diff info, ____ their ____ not add ____?
 Given ____ available information, ____ reasons ____ your ____ does not match?
 I don't ____ their ____ ours despite ____ dif- ____ material.
 Knowing ____ might ____ access to totally ____ info, ____ their ____ up?
 Their ____ ours despite potentially using ____ data
 ____ numbers don't ____ may ____ different info.
 ____ use of ____ info ____ their ____ not match what ____ did?
 What ____ calculation ____ yours, taking ____ account data accessibility?
 What causes ____ in computation ____?
 When ____ may ____ different facts, ____ our ____ jive?
 Considering ____ may ____ used different ____ can ____ not match ____?
 When we ____ the ____ match.
 The ____ sync with ours ____ we used ____ info
 ____ our ____ even ____ sources of information ____ have been employed?
 When ____ access ____ different information, ____ our ____ the same?
 If we had ____ how ____ calculation doesn't ____?
 ____ our ____ match ____ using different ____?
 We used different ____ of ____ discrepancies between ____ calculations?
 Given the possibility ____ do our ____ different?
 Is ____ possible ____ different ____ causing different calculations?
 ____ know ____ math doesn't match ____ despite using dif- dang ____.
 ____ information may ____ the discrepancy in ____ calculations?
 It's ____ that's why ____ numbers don't align.
 What causes ____ our ____ even ____ info?
 When other ____ could ____ are the calculations not ____?
 There may be discrepant ____ may explain ____ tally ____ off.
 Their result ____ not ____ despite using ____ data.
 ____ to totally diff info, ____ their math add that ____?
 Their ____ match ours even ____ they ____ different ____.

Their ____ matching ____ so ____ different facts ____ part.
____ possibility that our ____ differ ____ to different ____.
____ numbers don't ____ could that be ____ to different ____?
When different ____ have ____ why are ____ different?
Why ____ their math ____ add ____ knowing ____ access to diff ____?
When we have ____ facts, ____ align ____ numbers?
When our ____ information differs, ____ discrepancy different?
____ numbers ____ it be due to differing ____ used?
____ it ____ they ____ different ____ why ____ numbers don't match?
____ math ____ not good ____ the ____ information?
____ different ____ math doesn't align
We ____ different ____ information, ____ could ____ be ____ our calculations?
____ used ____ sources ____ information, could there ____ discrepancies ____ calculations?
____ they arrive at a ____ answer ____ they ____ access ____ different ____?
considering ____ may ____ used ____ does ____ calculation not ____ ours?
____ know ____ calculations ____ different even though we ____ dif ____?
Does ____ make sense that our calculations differ ____ are ____?
____ the disparity between ____ due ____ different information ____ used?
Their result ____ ours ____ potentially ____ data
If ____ used different ____ does ____ match ours?
____ our information ____ is the calculation ____?
We ____ have access to totally diff ____ math ____ add ____.
They might use ____ not to match what we ____.
____ aren't ____ and they ____ have different facts.
Our numbers ____ up, ____ that ____ the ____ information used?
They ____ access ____ facts, why do ____ arrive ____ a ____.
____ figures ____ they ____ have had different ____ in mind.
____ diff ____ how ____ their calculation doesn't ____ up?
____ why their calculations ____ in line ____ ours ____ using ____ info?
When ____ have ____ to ____ data, does our ____?
____ our calculations ____ though ____ sources ____ information have been ____?
When ____ may ____ why ____ the ____ discrepancy?
Is ____ a reason our figures don't ____?
____ calculations ____ due to ____ information?
____ wonder ____ both have ____ pieces ____ data that ____ discrepancies ____ calculations.
How ____ their result doesn't match ____ despite ____
Is ____ our calculations differed due ____ different ____?
____ come ____ calculation ____ with ours if we ____ information?
____ we might ____ distinct data ____ what ____ account ____ between ____ calculation and ____?
I'm curious ____ why their ____ match ____ despite ____ material.
Given ____ chance ____ distinct data, why ____ vary?
____ match ____ if we had diff ____.
Do ____ discrepancies in our computations ____ different ____?
Given the ____ why ____ our calculations differ?
It's possible ____ we both have different pieces ____.
____ numbers ____ up since ____ different data sources.
Our math ____ align ____ we ____
____ we ____ other ____ why does ____ calculation not ____ us?
Our ____ because ____ may have different ____.
____ the ____ of ____ data, ____ makes our calculations ____?

The math _____ up, _____ might _____ access to _____ info.
 What is _____ reason our calculations differ _____ different _____ of _____ may _____?
 _____ have diff facts, _____ don't our _____ out?
 _____ discrepancies in our _____ due to _____ differing _____?
 _____ it _____ use alternate information _____ causes their sums _____ from what _____?
 _____ have _____ so why does _____ calculation not match?
 _____ using _____ our calculations _____ match.
 _____ doesn't _____ if we have different information.
 What caused _____ between _____ calculation and _____ into _____ data?
 How _____ they didn't _____ with _____ despite _____ data?
 _____ curious _____ why _____ math _____ match ours despite _____ material.
 _____ might _____ so _____ might account for discrepancies between their _____ and _____?
 Is _____ possible that _____ use alternate info that _____ their sums _____ with _____ did?
 _____ we _____ how come their calculation _____ not _____ line with _____?
 When we have _____ the numbers _____?
 Why _____ not add _____ we _____ might have access to diff _____?
 Do you _____ calculations are _____ used dif info?
 How _____ our _____ match despite _____ inputs being _____?
 _____ you _____ calculations _____ with ours even _____ we _____ dif info?
 _____ we might _____ different data, why _____ calculation _____ ours?
 How come _____ does not match _____ have _____ data?
 We _____ how _____ our math _____ match?
 _____ conflicting _____ why _____ our numbers match?
 _____ information _____ explain _____ the computation isn't matching ours?
 If we have access _____ info, _____ math _____?
 _____ possible data, the tally _____.
 Their result _____ match _____ even though they _____.
 Considering we _____ have _____ information, why doesn't _____ match _____?
 I am _____ to _____ math _____ match ours _____ dif-dang material.
 They do not align _____ data.
 _____ that we may have _____ available _____ did _____ not _____ ours?
 _____ our math doesn't match theirs despite _____ material.
 How can _____ calculations not _____ up _____?
 When _____ data, why _____ the calculation _____ match?
 _____ do _____ differ _____ ours, given _____ we may have _____ different _____?
 If _____ use different _____ our _____ doesn't align?
 They have _____ to varying _____ arrive at _____ different answer?
 We may _____ diff facts so _____ align?
 _____ contrasting _____ facts, are _____ reasons _____ the _____ between their _____ and _____?
 _____ we find _____ our calculations due _____ information _____ hand?
 _____ isn't _____ precise, if _____ use distinct _____?
 Why do _____ not _____ when _____ inputs?
 Despite potentially using _____ doesn't _____ with ours.
 We used _____ information, _____ may _____ in our calculations.
 If _____ use alternate _____ their sums don't _____ we _____.
 If _____ diff _____ come your _____ doesn't jive _____ ours?
 I am _____ why does their _____ dif-dang material?
 _____ we may have _____ different _____ know why their _____ from _____?
 _____ used differing _____ sources, _____ our _____ not match?
 _____ differing figures given that we _____ information.

____ we have ____ why ____ calculations differ?
 Do ____ wonder why we have ____ when ____?
 Their ____ do ____ with ____ despite using different ____.
 ____ figures ____ matching ____ they think ____ might ____ because ____ different facts.
 ____ our ____ may ____ different, ____ the discrepancy in their ____?
 Different data might ____ the ____ not align.
 ____ fit ____ ours if we had different ____?
 ____ used different ____ sources, ____ don't ____ numbers ____?
 ____ contrasting available ____ are there ____ the discrepancy between ____ and ____?
 If ____ different information, how come ____ does not ____?
 ____ that we may have used ____ why the figures ____?
 If we ____ data, how ____ wouldn't ____ ours?
 Why does ____ using different ____?
 I am curious ____ why their math ____ though ____ dif-dang material.
 ____ different ____ why doesn't you have ____ tally?
 ____ the available ____ the discrepancy ____ their calculation?
 When ____ diff facts, ____ don't our ____?
 How ____ is different ____ we had ____ information?
 Is it possible that we ____ differing amounts ____?
 ____ their math ____ we might have ____ different information?
 Their ____ aren't ____ that might ____ because ____ different facts.
 ____ it possible that ____ both ____ that ____ in calculations?
 Can ____ tell ____ why our calculations ____ information have been used?
 ____ calculations ____ to match ____ different inputs?
 ____ info, how come ____ calculation doesn't align?
 ____ am ____ why ____ match ____ despite using dif-dang material?
 How ____ their ____ doesn't ____ ours if we ____?
 Our ____ don't align, that could be ____.
 ____ curious as to why ____ math doesn't ____ use ____ material.
 Is ____ possible ____ we both ____ different data ____ therefore ____?
 ____ the possible ____ do our ____?
 ____ had different info, that's ____ our ____ up.
 It's ____ clear ____ our calculations ____ even ____ different ____ of ____ have been ____.
 ____ we have ____ why do ____ not match?
 The ____ aren't in ____ ours ____ using ____ info.
 ____ our calculations don't match ____ we use ____?
 ____ it ____ that we ____ different pieces of ____ affect ____?
 Why are ____ having ____ slightly ____ with different ____?
 ____ we may have ____ facts, ____ align?
 ____ have differing ____ we may have used ____.
 Their result ____ seem ____ align ____ ours ____ using ____.
 ____ come our math ____ not ____ use different ____?
 ____ have used different ____ why ____ their ____ match ours?
 ____ our ____ may differ, why was ____ their calculation?
 Given that there might ____ discrepant ____ used, ____ as to ____ final ____?
 ____ might be discrepancies ____ their calculation ____ ours, ____ have different ____.
 When ____ have ____ different ____ calculation doesn't match ____.
 ____ why ____ calculations differ ____ though ____ of information may have been ____?
 Why ____ computation matching ours ____ the ____?
 We might have ____ to completely ____ why ____ math ____ add ____?

How come our _____ match _____ using _____?

It _____ be _____ to different _____ our numbers _____ add _____.

Their _____ doesn't add _____ we _____ access _____ completely diff _____.

It's _____ they had different _____ why _____ numbers _____ not _____.

When we might have _____ to _____ why _____ math _____?

They don't align _____ despite _____ using _____.

_____ possible they use alternate information that _____ sums _____ match _____ we _____?

_____ that they use _____ information that causes _____ to not _____?

When we _____ differing _____ why don't our _____?

Their _____ doesn't _____ despite possibly using _____ data

_____ that our calculations differ _____ using _____ information?

We _____ have used _____ so _____ doesn't the calculation _____?

_____ our available information _____ differ, _____ the calculation _____?

_____ calculations _____ even though different _____ of information _____?

Why do they _____ up with a _____ when _____ access _____?

_____ differing data sources, _____ numbers not match?

_____ we used _____ information, _____ calculation not _____ us?

We _____ different _____ did _____ numbers not match?

_____ you know _____ our calculations _____ though _____ sources _____ were used?

_____ figures _____ different from ours _____ may _____ used different _____.

Their result _____ up _____ ours, despite _____ different _____.

_____ with ours despite using _____ data

When we have access to _____ different?

_____ might have _____ totally _____ info, _____ why don't _____ it up?

I _____ differ _____ to using different information.

_____ didn't _____ calculation if we _____ diff _____.

_____ curious _____ to why their math _____ ours, despite _____ dif-dang _____.

Despite _____ data, _____ tally _____ match _____.

_____ is the _____ our _____ don't match _____ inputs?

We have _____ possibility _____ why do our _____?

_____ it _____ that _____ differ _____ to different information _____ used?

Our _____ up, _____ be _____ to _____ different information used?

We might _____ to different information, _____ math _____?

_____ don't _____ ours, and they _____ might _____ because of _____ facts.

_____ you _____ calculations differ even _____ of information have been _____?

When _____ might have _____ used, why _____ the _____?

_____ the _____ between their _____ due to differing _____?

Is _____ because _____ might have _____ to _____ diff info _____ add up?

_____ the possibility of _____ why _____ calculations differ?

_____ it possible _____ our _____ differ _____ a result _____ information?

_____ match despite other inputs _____

_____ do our _____ match despite using _____?

Their calculation _____ with _____ we _____ different information.

_____ utilized different sources of information _____ there _____ between _____?

We _____ access _____ totally diff info, why _____ does _____ add up?

_____ though _____ inputs are used, _____ don't _____ up.

Is it _____ they _____ alternate info that _____ sums _____ up?

_____ their computation different even _____ the _____ different?

_____ you tell me _____ calculations _____ despite _____ of information?

_____ different _____ why do you not _____ same tally?

Their calculation _____ ours _____ have _____ different information.
 Is _____ possible _____ have different _____ of _____ discrepancies?
 _____ calculation _____ match _____ when _____ different data
 If the _____ varied, could you _____ matching ours?
 How _____ calculation _____ to match ours if _____ diff _____?
 They aren't in _____ with _____ even _____ used _____ info.
 _____ our calculation _____ even though different _____ of information may _____?
 Considering _____ have used _____ different information, _____ their calculation _____ ours?
 Since _____ might have used _____ do _____ why _____ are different?
 _____ different _____ is used, why did _____ not _____?
 _____ figures _____ ours, so _____ facts _____ a role.
 How come their _____ doesn't _____ ours _____ have _____?
 We have _____ our numbers _____?
 It's possible that they _____ why _____ don't align.
 _____ intel, how come our _____ not line up?
 _____ might use _____ data, _____ the _____ match ours?
 _____ utilized different _____ of information, _____ could _____ discrepancies?
 When different _____ been _____ why _____ calculation not aligned?
 _____ used _____ sources of information, could _____ in _____ calculation?
 How come their calculation _____ we have _____?
 _____ the possibility _____ distinct data, _____ do _____ calculations _____?
 If we had _____ come their calculation _____ fit _____?
 _____ discrepancies arise in _____ calculations _____ to different _____?
 _____ why our _____ when using different inputs.
 _____ possible _____ we use _____ in our computations?
 _____ we _____ different _____ don't our _____ fit?
 Can _____ why _____ differ even _____ of information may have been _____?
 Why _____ when there _____ different data?
 _____ differing _____ information, _____ anyone _____ these sums aren't identical?
 _____ we _____ different _____ why _____ calculation differ?
 Why is our _____ we _____ to _____ data?
 _____ available information may _____ why _____ in their _____?
 Our _____ add _____ could _____ because _____ use different information?
 Why don't _____ math _____ up, knowing we _____ diff _____?
 _____ calculation _____ match _____ if _____ different info.
 How _____ their _____ doesn't _____ ours if we _____ different _____?
 We _____ sources of _____ there _____ discrepancies in our _____.
 _____ might have access _____ diff info, _____ math _____ up.
 When we might _____ used _____ doesn't the _____ ours.
 Do _____ use _____ that makes their _____ not _____ up _____ we _____?
 Even though different sources _____ information may _____ calculations _____.
 _____ their math _____ good, _____ info?
 _____ discrepancies between the _____ because _____ used different _____ of information.
 Given the possibility of _____ data, _____ do _____.
 _____ data _____ been used, why _____ the _____ not aligned?
 Is there _____ our figures don't _____ inputs?
 If we had different _____ calculation _____ align _____.
 Does it _____ our _____ don't match _____ using _____ inputs?
 When _____ available _____ why is the _____?
 The _____ of distinct _____ may _____ calculations differ.

I was curious as ____ why ____ never ____ despite ____ dif-dang ____.
 Given ____ in available information, ____ there ____ why your ____ doesn't ____ to ____?
 ____ have the possibility ____ distinct ____ why ____ our calculations ____?
 ____ their ____ doesn't ____ despite different ____?
 Our ____ match despite ____ inputs
 ____ curious, why does their ____ never ____ using dif- ____?
 When ____ data ____ used ____ are not aligned.
 How come their ____ match up ____ despite ____ data?
 ____ because of using ____ information?
 ____ used different ____ you ____ why their figures ____ different?
 ____ our information ____ did the ____ differ?
 Is ____ our calculations ____ we use different ____?
 ____ different data might have been ____ why ____ align?
 ____ come ____ math ____ match ____ when ____ diff facts?
 Is it possible that ____ their figures different?
 Is it possible ____ we ____ different information ____?
 Maybe ____ different facts played ____ their figures ____ ours.
 ____ our math the same when ____ information?
 Why ____ our calculations ____ there ____ a ____ of ____ data?
 ____ might possess distinct ____ sets, ____ discrepancies between their calculation ____ ours?
 Since we ____ different information, ____ does ____ not match ____?
 Is there a ____ that our ____ different ____?
 Their ____ like ____ having ____ data.
 ____ it ____ distinct information ____ our ____ is not precise?
 Our ____ don't ____ because they ____ have ____ information.
 Considering ____ have used ____ information, why ____ calculation ____ match?
 It's possible that we ____ pieces of ____ calculations.
 ____ you explain why our calculations ____ sources of ____?
 When ____ may ____ why the discrepancy ____?
 As we may have ____ what ____ inconsistencies ____ calculation and ours?
 If we had diff data, how ____?
 Considering we may have used ____ information, why ____ calculation ____?
 We ____ the chance of ____ our ____ differ?
 We ____ different ____ why ____ we have ____ same ____?
 How come ____ doesn't ____ if we use ____?
 ____ we ____ different info, how ____ fit with us?
 If ____ different ____ come their calculation isn't ____ with ____?
 Why do ____ calculations differ ____ though ____ sources ____ information?
 Is ____ that we ____ different ____ compute our ____?
 ____ different info, ____ their calculation didn't jive with ____?
 ____ is their computation ____ even if ____ different?
 Despite ____ different data, ____ result ____ ours.
 When different data ____ why ____ calculations ____?
 When ____ data may ____ been ____ why ____ calculations ____ aligned?
 Why ____ our figures do ____ when using ____?
 ____ varied ____ played a role in their ____.
 ____ we had ____ information, how come ____ wouldn't ____ ours?
 We ____ different ____ information, ____ could ____ discrepancies ____ our calculations?
 ____ do our calculations differ ____ of ____ been used?
 We utilized ____ could there be discrepancies ____ calculations?

_____ not align when _____ different facts.

Is it _____ we _____ information _____ up _____ different calculations?

We used _____ there could _____ between our calculations.

Maybe they _____ different information, _____ why _____ line _____.

_____ possible that _____ differ _____ to different sources?

_____ different _____ information, does _____ these _____ aren't the same?

Is _____ possible that _____ differ _____ use different _____?

I am _____ as _____ why _____ math never _____ ours _____ using _____.

_____ our _____ may _____ be the _____ why the discrepancy _____?

_____ causes _____ in our computation, even _____?

GIVEN _____ of _____ data, _____ do _____ calculations differ?

_____ variations in available _____ are there _____ that your _____ not _____ ours?

When _____ have _____ other _____ why _____ math different?

Can _____ tell me _____ our calculations differ _____ different _____ of information _____?

You wonder _____ figures _____ using different inputs.

Do _____ know _____ calculations aren't in _____ with what _____?

_____ why did _____ calculation not match ours?

Our numbers don't _____ because they _____ information.

_____ we _____ diff data, how _____ doesn't _____ ours?

_____ curious _____ their math _____ match _____ when using _____ material.

Do _____ know _____ calculations aren't in _____ ours even though we _____?

_____ computation _____ from ours even _____ information _____ different?

_____ come our _____ don't _____ despite using _____?

_____ we have _____ different information, how _____ different?

Considering _____ used _____ information, why does _____ calculation _____ match us?

When different data might _____ are the _____?

When _____ did their _____ differ?

_____ come _____ don't align _____ despite using different _____?

If we had diff _____ come _____ did _____ us?

_____ math doesn't _____ up because _____ have access _____ totally _____.

_____ we have different _____ why is _____?

Their _____ don't match _____ think that might be because _____.

There _____ be discrepancies _____ calculations _____ sources of information.

_____ we have used _____ information, why does _____ match _____?

_____ come _____ result doesn't match ours _____ different _____?

_____ why these sums _____ the _____ availabilities of information?

_____ reason _____ our _____ differ even _____ different sources _____ have _____ used?

When we _____ why _____ our numbers _____ up?

When we _____ different _____ why is _____ different _____ ours?

Why _____ our _____ if we _____ to different _____?

Their _____ doesn't _____ despite possibly using different _____

Given _____ variations in available _____ there _____ why your _____ doesn't _____?

When we use different data, why _____?

_____ may _____ different information, so _____ their _____ differ?

_____ had _____ deets, why don't _____ have _____ same _____?

_____ both have _____ pieces of _____ discrepancies in calculations?

_____ access to totally diff _____ so their _____ doesn't _____.

They might use _____ info _____ their sums not _____ did.

_____ our math _____ the _____ we have access _____ something _____?

Considering we may have _____ information, why _____ match ours?

____ you ____ that resulted ____ discrepancy between our numbers?
 ____ come ____ math ____ we use different intel?
 ____ might have ____ data so ____ doesn't the calculation ____ ?
 ____ is ____ like ours, ____ different ____ .
 I'm ____ as to ____ their ____ ours, ____ though they ____ dif-dang ____ .
 ____ why they got ____ different ____ different sources?
 Given ____ of distinct ____ do our ____ differ.
 I am curious ____ their ____ matches ____ despite ____ dif-dang ____ .
 Since we ____ have ____ information, ____ does their ____ not ____ ?
 Can you tell ____ why ____ calculations ____ different ____ of information ____ ?
 ____ we had ____ come ____ doesn't fit with us?
 ____ we might ____ access to ____ info, their math ____ add ____ .
 Their figures aren't ____ they ____ if ____ played a ____ .
 ____ varied ____ of information, ____ there ____ discrepancies between ____ calculations?
 ____ we have access to ____ why ____ differ?
 Why ____ different when we ____ same information?
 ____ match ____ if we have diff ____ .
 ____ that we ____ used ____ information, ____ you know ____ their ____ differ from ____ ?
 Is ____ don't match ____ using different inputs?
 Given the chance ____ data, ____ do ____ calculations ____ ?
 ____ result ____ up ____ ours despite potentially using ____ .
 ____ may have differing ____ why don't ____ up?
 ____ isn't ____ up exactly - possibly ____ info?
 ____ figures don't match ____ and they ____ might ____ of ____ facts.
 It's ____ had different ____ and that's ____ don't line up.
 Is ____ possible that ____ different pieces ____ causes different ____ ?
 ____ numbers ____ add ____ could it ____ because of ____ ?
 ____ numbers ____ up, could it ____ due ____ different ____ used
 The ____ doesn't ____ ours, ____ have ____ different information.
 ____ available information varies, ____ the ____ differ?
 ____ the ____ distinct data ____ our calculations differ?
 ____ your math is different from ____ we used ____ ?
 Why do we ____ discrepancies ____ even ____ different ____ ?
 ____ got different deets, why ____ same tally?
 Their calculations don't ____ ours ____ had ____ .
 ____ is the math different ____ we ____ ?
 Their ____ matching ours, and ____ by different facts.
 ____ it because our ____ match despite using ____ ?
 Is ____ possible ____ use ____ info which ____ their sums ____ what ____ did?
 ____ did their ____ when ____ different information?
 ____ might ____ used different information ____ do ____ their figures ____ different?
 I'm curious ____ to ____ their ____ ours ____ dif-dang materials.
 Despite using different ____ result ____ .
 ____ we ____ intel, how comes ____ doesn't match?
 We might have distinct ____ sets, so what might account ____ ?
 ____ why ____ differ ____ ours, because we may ____ different information?
 ____ there might be a ____ if ____ were used during ____ ?
 We used ____ of ____ there be ____ in ____ calculations?
 ____ curious as ____ why their ____ match ____ using dif-dang ____ .
 ____ as we ____ have used different information.

Is it possible _____ figures _____ using separate _____?

Did you _____ different information _____ the _____ that _____ to _____?

Our calculations do _____ inputs

It is possible that _____ have _____ that cause discrepancies _____.

We _____ have _____ info, so why _____ their _____ add up?

_____ ours if we had _____ info.

If we _____ different _____ how _____ math is _____?

When we _____ have _____ different _____ why _____ our math _____?

_____ we might have _____ different data, _____ match ours?

_____ sources _____ information, there might _____ discrepancies between _____ calculations.

_____ different info, _____ does their calculation not match?

_____ different data _____ been _____ are the _____ not aligned?

_____ disparity between our _____ different information _____ for calculations?

When there may _____ facts, _____ don't _____ match?

As we might possess _____ might _____ for inconsistencies _____ calculation _____ ours?

How come their calculation _____ have _____ data?

We _____ sources of _____ could _____ be _____ discrepancy _____ calculations?

Their _____ with ours despite _____ different data.

Their math doesn't _____ because we _____ have access _____.

_____ it possible that our calculations _____ information?

Our numbers _____ up because we used _____.

Since we may _____ information, do you _____ their _____ are _____?

When _____ distinct _____ why _____ our calculations _____?

Is _____ possible _____ up due to different information _____?

Taking _____ the differences _____ accessible _____ your calculation _____ vary?

When we have _____ to _____ math different?

Their _____ doesn't _____ despite using different data

We might have _____ sets _____ might account _____ discrepancies _____ and ours?

_____ contrasting _____ facts, _____ there _____ behind the _____ in _____ calculation?

How come our _____ if _____ different intel?

How _____ our _____ line _____ when _____ different intel?

There _____ be discrepant _____ may _____ why _____ tally is off.

_____ match even _____ there are different inputs _____.

_____ had different info, _____ come _____ calculation _____ align with _____?

_____ have access to _____ is our math different?

_____ calculation doesn't _____ with _____ if _____ have _____ information.

_____ though _____ dif _____ calculations are out of _____.

Why _____ not _____ ours when we use _____?

_____ it possible that they use alternate _____ to _____ sums _____ up with _____?

_____ math doesn't add _____ they might _____ access to _____.

_____ calculation match ours _____ used different _____?

_____ you _____ why _____ calculations _____ even _____ different sources of _____ may have _____?

_____ the same as _____ despite _____ data.

Considering _____ used _____ information, _____ calculation not match us?

It's possible _____ had _____ that's _____ the _____ don't _____.

It's possible they had different _____ don't _____.

How _____ calculation doesn't _____ to _____ if we _____ information?

_____ data _____ why did our numbers _____ match?

_____ does _____ our information is different?

We _____ distinct _____ why _____ our _____ differ?

____ that ____ have ____ different information, ____ does the ____ match ours?
 ____ we ____ different information, ____ calculation is ____ to ours?
 ____ their ____ not compatible ____ what we ____ they ____ alternate ____?
 Since we may ____ know why their figures ____ from ours?
 I'm ____ about why their ____ ours, despite ____ dif-dang ____.
 ____ come our ____ when we ____ different intel?
 How come their ____ don't ____ have ____ data?
 When available information ____ differ, ____ the calculation ____?
 Why ____ our ____ not ____ when ____ distinct information?
 Their ____ ours, and they think ____ might ____ because of ____.
 Is ____ possible ____ they ____ that ____ their ____ to be different ____ what we ____?
 When our ____ differs, why the ____?
 Is it because they have ____ that ____ a different ____?
 ____ we might have ____ data, ____ doesn't ____ match ours?
 Their result ____ align with ours despite ____
 ____ our calculations don't ____ up ____ inputs?
 Is there ____ the difference ____ calculations with ____?
 Is ____ because we ____ data ____ our numbers ____ match?
 ____ it ____ that they use alternate ____ makes their ____ not match ____?
 Considering ____ availabilities ____ does ____ why ____ sums ____ the same?
 ____ our numbers not match up when ____ different ____?
 Can you ____ different sources of information?
 How ____ their ____ not fit ____ if ____ had different ____?
 ____ wonder why their ____ does ____ ours despite ____ dif-dang ____.
 ____ potential variations in available information, ____ there ____ computation ____ match ____?
 Even ____ we may ____ used different ____ their ____ from ____.
 ____ math ____ not in ____ if we ____ different intel?
 ____ possible ____ vary due to ____ different information?
 We ____ have ____ diff information, ____ doesn't their ____ up?
 It ____ unclear ____ calculations ____ though different sources ____ may have ____ used.
 ____ have different ____ how ____ their calculation ____ ours?
 Is it ____ info ____ their sums to be different ____ what ____ did?
 ____ come ____ calculation ____ different ____ ours ____ had diff data?
 Why ____ our ____ we have ____ data?
 ____ our calculations differ based on ____ information?
 ____ does ____ computation not ____ ours ____ the ____ was different?
 ____ is different ____ used, ____ are the calculations ____?
 I'm ____ why their math does not ____ despite ____.
 ____ result ____ with us despite ____ different ____.
 ____ you ____ us why ____ differ even ____ different ____ information were ____?
 We might have ____ different ____ so ____ does ____ calculation ____?
 ____ ours ____ though they have different data.
 Why ____ their ____ add up, ____ might ____ access to ____?
 ____ is ____ for their ____ off ____ with different ____?
 ____ have used different ____ why ____ calculation ____ match ours?
 Is ____ why ____ calculations differ even ____ of ____ have been employed?
 ____ information in a ____ that resulted ____ a discrepancy?
 Is there a ____ our ____ different data?
 ____ possibly ____ available facts, ____ there a ____ for ____ between their ____ and ____?
 They ____ up ____ we ____ have access to ____ info.

____ we ____ our ____ due ____ differences in information at ____?
 It is ____ our calculations differ ____ information.
 ____ possible that ____ use ____ information to ____ their ____ to ____ different from what ____?
 Our calculations don't ____ despite ____ inputs, ____ that ____?
 We may have different ____ why ____ match?
 It's possible they ____ different information, ____ why ____ line ____.
 ____ doesn't ____ ours despite ____ different data
 ____ we ____ facts, how ____ our math ____ jive?
 ____ you ____ the figures ____ up when using ____ inputs?
 ____ it ____ that ____ use alternate information ____ sums to ____ different ____ we did?
 When we ____ have used different ____ does ____ not ____?
 ____ different ____ how ____ calculation doesn't jive with ours?
 Their ____ matching ____ and they think it ____ be ____ facts.
 ____ we ____ to different data, ____ our ____ different?
 Why ____ our math ____ match ____ we ____ intel?
 ____ do ____ match even though we ____ different ____.
 ____ their ____ does ____ match with ____ if ____ different information?
 If we ____ intel, ____ our ____ doesn't align?
 When our ____ discrepancy in calculation?
 The ____ isn't matching ____ we might ____ different ____.
 How come ____ calculation ____ match ____ if we ____ data?
 ____ to fit with ours despite using ____.
 Given ____ potential ____ information, ____ there reasons ____ your ____ does not ____ with ____?
 ____ may have ____ facts, ____ our ____ match?
 ____ is ____ reason ____ figures ____ using different inputs?
 ____ be discrepancies between the ____ because we used ____ of ____.
 When we ____ access ____ different ____ our ____ differ?
 If we have diff ____ come ____ does ____?
 Even though we ____ dif ____ their calculations ____.
 Their ____ despite having different ____.
 Their figures aren't matching ours, ____ maybe different ____.
 If we ____ different ____ how come ____ calculation ____?
 ____ their ____ different when ____ don't have ____ information?
 The ____ don't add ____ could ____ be ____ of ____ used?
 Is ____ discrepancy ____ the ____ if you ____ information?
 ____ used different information, why ____ their ____ match ours?
 ____ come our ____ does ____ align ____ each other if ____ intel?
 If we ____ the calculation match?
 We could ____ different ____ does ____ not match ours?
 They have access ____ why do they arrive ____?
 If ____ have ____ how come ____ calculation doesn't ____ ours?
 ____ our calculations ____ because of different information?
 ____ may ____ information so ____ does their calculation ____ match ____?
 Considering ____ may ____ different information, ____ their ____ differ from ____?
 ____ their math never ____ ours despite using dif-dang ____
 Is it possible that ____ have ____ causing ____?
 ____ are our calculations different even ____ are involved?
 Is it ____ they ____ information ____ cause their ____ match what we ____?
 Do ____ think ____ math doesn't ____ ours if ____ facts?
 What ____ computation ____ different info?

_____ have access to different info _____ does our _____?
 _____ isn't their computation matching _____ the information _____?
 _____ wonder what _____ our figures different when _____?
 _____ may _____ different _____ their calculation, so _____ does it not _____?
 Given _____ possibility of different _____ our _____ different?
 There _____ be discrepancies _____ calculations _____ of _____ of information.
 Why are their calculations _____ ours _____ used _____ info?
 _____ we may have different facts, _____ numbers _____?
 _____ why their math doesn't match _____ dif-dang _____.
 _____ you tell _____ why our _____ even though _____ sources have _____?
 Why _____ a disparity in _____ despite _____ in _____ data?
 We _____ of information and could there _____ calculations?
 _____ it possible _____ we both _____ pieces _____ causing discrepancies _____ calculations?
 _____ use different _____ how _____ doesn't line up?
 _____ numbers don't _____ up, _____ use different info?
 When _____ information _____ is _____ discrepancy _____ calculation different?
 Why _____ computation matching ours even if _____?
 _____ computation not _____ ours even _____ information was _____?
 _____ we use _____ come your math doesn't _____?
 _____ do our _____ don't _____ when using _____?
 It's possible _____ we _____ different _____ of _____ discrepancies _____ calculations.
 _____ is their _____ matching _____ if information is _____?
 _____ why our _____ are different even though different _____ of _____?
 When _____ is different, why does _____?
 The numbers _____ because _____ may have _____.
 _____ may _____ so _____ don't our numbers align?
 Why doesn't their computation _____ even _____ varied?
 _____ know why our math _____ match _____ using _____ material.
 Taking _____ in accessible data, _____ caused _____ discrepancy _____ your calculation _____?
 Is it _____ doesn't fit if we use _____?
 _____ don't match ours, and _____ it _____ be _____ varied facts.
 Why do _____ even though _____ have different _____ information?
 If _____ data, why do _____ differ?
 There was a _____ in their _____ different _____.
 _____ does _____ add _____ when they know we _____ have access _____ totally _____?
 Is it possible _____ have different _____ calculations?
 Why _____ their calculations different _____ though _____ dif info?
 Is _____ possible that _____ calculations _____ with _____ despite using dif _____?
 Is it _____ that _____ differ _____ different information?
 _____ have access to totally diff _____ why doesn't _____ up.
 _____ come their result _____ match ours _____ using _____?
 _____ tally isn't like _____ data.
 Our numbers don't add up, _____ because _____ information _____?
 It's possible _____ we _____ different _____ of _____ calculations.
 _____ used _____ information, why _____ their figures _____ ours?
 Is it possible that _____ due to _____ information _____?
 If _____ had _____ their calculation _____ mesh with ours?
 We _____ sources _____ and _____ be discrepancies between our _____.
 _____ it _____ that _____ different information?
 _____ and their _____ doesn't match ours.

We used varying ____ of ____ so ____ there ____ between ____?

Is ____ our calculations differ ____ using ____ data?

We ____ information so could ____ between our calculations?

I ____ understand ____ their ____ ours, despite ____ dif-dang material.

Their ____ doesn't ____ ours ____ using ____ data

____ some ____ could have ____ used, ____ are the calculations ____?

If ____ have ____ how ____ their calculation doesn't fit ____?

____ is ____ slightly off ____ is different data?

____ is ____ had different information and ____ is why ____ do ____ align.

We may have used ____ their calculation not ____ ours?

____ had diff ____ come ____ calculations didn't match ____?

We might ____ different ____ why ____ their ____ match ours?

____ result ____ with ____ using different data.

How come ____ calculations differ ____ though ____ of ____ used?

Maybe ____ differ due ____ information.

When we have ____ to ____ why ____ math ____?

They have different ____ may have used _____.

Why is our ____ have ____ different info?

____ our ____ differ ____ of information have been employed?

____ is a discrepancy in ____ when the ____ we _____.

Despite ____ using ____ result ____ match ____ with ours.

Why ____ our ____ they ____ distinct information?

Since ____ may ____ different information, ____ calculation ____ match ours?

I wonder if ____ were discrepancies ____ our calculations ____ sources _____.

Our ____ so why did ____ calculation differ?

____ their sums not aligned ____ what ____ because ____ alternate ____?

Why is our ____ sources of information?

____ access to different ____ why is ____ different?

____ are our calculations different ____ are ____ of information?

____ come ____ calculations ____ even ____ sources of information are ____?

____ calculation ____ align with ____ if we ____ different _____.

If we had ____ how ____ their ____ match?

____ it ____ our calculations ____ because we use ____ information?

____ available information differs, ____ is there a ____ calculation?

When we ____ have ____ our numbers coincide?

Can ____ us ____ differ ____ different sources may ____ been used?

____ we ____ facts, why ____ our numbers ____?

____ calculation doesn't ____ ours ____ we ____ diff data.

____ our available information ____ why ____ their ____ differ?

When ____ information may ____ is ____ different?

We might ____ access to totally ____ so ____ their ____ up?

____ it ____ inputs that our calculations don't ____?

____ is their ____ different even if there ____?

When we ____ to something ____ is our ____?

Maybe varied ____ role, ____ their figures aren't _____.

____ are calculations ____ aligned ____ different ____ is used.

When we have access ____ math differ?

____ our ____ different ____ we ____ have ____ to different ____?

Considering ____ availabilities ____ information, ____ these sums ____ not the same?

____ that ____ calculations don't ____ despite ____ inputs?

Even though we used _____ in sync _____.

Due _____ possibility of distinct data, _____ differ?

Considering _____ have _____ different available _____ did their calculation _____ us?

Our _____ of the possibility of _____

Their _____ isn't _____ with _____ despite _____ different data.

_____ have a discrepancy _____ calculation _____ we _____ different _____.

How come their calculation _____ if _____ have _____?

_____ causes _____ with differing info?

Is _____ a disparity _____ numbers because you _____?

Why does _____ add _____ knowing _____ might _____ access to _____ info?

_____ we _____ discrepancies in our _____ because of _____?

We may have _____ facts, _____ numbers line _____?

_____ what is the discrepancy _____ their calculation?

_____ come _____ match ours if we _____ different _____?

Is there a reason _____ differ even though different _____ used?

_____ might _____ totally diff info so why does _____ up?

_____ come _____ computation doesn't _____ even _____ information _____ different?

We utilized _____ of information _____ could there _____ computations?

Because we may _____ used _____ not match ours?

Is it possible _____ had _____ that's _____ our _____ don't _____?

_____ we _____ different _____ the _____ match ours.

Is it _____ we have different pieces _____ calculations?

_____ have distinct _____ what might _____ discrepancies _____ their _____ and ours?

_____ sums not aligned perfectly with what _____ because _____ info?

_____ come _____ matching _____ even if _____ is varied?

Is _____ reason why _____ doesn't correspond with _____ information _____?

Given _____ in available _____ are there _____ your computation _____ match _____?

_____ might have _____ to information, _____ our _____ different?

_____ use different _____ computations that _____ in a _____?

Are _____ sums not _____ we did _____ of _____ info?

We _____ have _____ different _____ information so _____ does _____ calculation _____?

Their _____ aren't _____ ours, _____ that maybe different _____ role.

We _____ data sources _____ do our numbers _____?

_____ result doesn't _____ ours _____ data, how come?

When we might _____ a different data, why _____?

_____ because they _____ access _____ differing facts _____ arrive _____ a _____ answer?

_____ possibly _____ available _____ there _____ reasons for the _____ between _____ and _____.

_____ might have diff facts, why _____ our _____?

How come the calculation _____ ours _____ we _____?

_____ don't _____ ours _____ different data.

I don't _____ why _____ matches ours despite using _____.

When different data might _____ why weren't _____?

Why isn't our _____ adding _____ maybe diff _____?

_____ might have access to totally _____ info, why _____?

When _____ have _____ why don't our _____ match?

They _____ access _____ why _____ they arrive at _____ answer?

_____ may be _____ between _____ we used different _____ information.

Is _____ that _____ differ _____ on what information _____ use?

Why does our _____ though _____ sources of information _____?

It's possible they had _____ why _____ numbers _____ line _____.

_____ tally is _____ like _____ despite _____.

Taking _____ account _____ in accessible data, _____ caused _____ overall _____ from _____?

_____ we had _____ info, how _____ does _____ match ours?

Why _____ figures not _____ when using _____ inputs?

Given _____ chance _____ distinct _____ how _____ our _____ differ?

It's _____ both _____ data that _____ discrepancies in calculations.

We used _____ of _____ could there be _____ between _____?

We _____ different _____ so why _____ figures differ from _____?

_____ it possible _____ calculations _____ based on _____ available _____?

Why _____ not match _____ using different inputs?

_____ curious why our _____ match theirs _____ use dif-dang _____.

_____ their computation _____ if information was different?

We _____ different _____ why does _____ not match ours?

Why _____ computation matching _____ if information was _____?

_____ why doesn't our numbers align?

_____ it possible _____ they _____ alternate _____ that _____ not match?

_____ possibly _____ available facts, are _____ reasons _____ calculation and ours?

They don't _____ ours if _____ have _____.

_____ may _____ information, so _____ do their figures _____ ours?

_____ come your _____ work with ours if _____ facts?

When our _____ does their _____ differ?

_____ though _____ of information might _____ been used, _____ differ.

We _____ data _____ why _____ the calculation not match?

Our computations don't match _____.

I'm _____ doesn't match _____ using dif-dang material.

_____ different deets, why _____ ya _____ the same _____?

_____ our figures don't precisely _____ when _____ distinct _____?

_____ facts, are _____ reasons behind the discrepancy _____ calculation _____ ours?

How _____ computation isn't matching ours if _____?

_____ we use _____ your math _____ match ours?

_____ we have different facts, _____ do _____ match _____?

If _____ could _____ explain why _____ computation isn't _____ theirs?

It's _____ they had different _____ numbers don't align.

Why _____ their computation matching _____ even _____ there _____?

_____ information _____ could _____ tell _____ why _____ computation _____ matching ours?

_____ do our calculations _____ match _____ despite _____?

Maybe _____ discrepancies in _____ calculations because we _____ different _____.

Is there a reason _____ information we have?

_____ used _____ of information, so _____ be discrepancies _____ our _____.

_____ have different pieces of _____ causing discrepancies _____.

_____ due to the fact that _____ used different information.

Even though we _____ info, their calculations still _____.

_____ might possess distinct _____ so _____ account for the discrepancies between _____?

How _____ math doesn't match up if _____?

Given potential variations _____ there reasons _____ computation _____ match _____?

_____ differences _____ accessible data, what caused the _____ your _____ ours.

Considering _____ might have _____ did _____ calculation not _____ us?

When we have _____ don't our _____?

_____ use alternate info that makes _____ not _____ we did?

_____ have _____ do we _____ align our numbers?

_____ don't _____ despite some _____ used.
 _____ we see _____ in _____ due _____ differences in _____?
 I'm _____ doesn't their _____ match ours, _____ using _____?
 Is it plausible that our _____ to _____?
 Given that _____ may have used _____ know _____ figures differ _____ ours?
 In spite _____ their tally is _____ ours.
 Given _____ of different data, _____ our _____ differ?
