

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Foreign transaction fees and currency conversion
Inquiry Sub-Category	Foreign transaction fee inquiries
Description	Customers inquire about the fees charged when using their credit card for purchases or withdrawals in a foreign currency or outside their home country. They seek clarification on the fees, their amounts, and any potential exemptions or reductions.
Data Size	5,996 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
