

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Accessories availability and compatibility inquiries
Inquiry Sub-Category	Accessory Compatibility
Description	Customers inquire about the compatibility of specific accessories with their smartphone model, such as cases, screen protectors, chargers, and headphones.
Data Size	5,133 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Could ____ confirm ____ mounts would ____ NFC functions such ____ on supported ____?

Are NFC ____ by Magnetic mounting on ____?

____ you ____ whether ____ phone ____ affect ____ using Near field Communication (NFC) ____?

____ it possible that ____ mounts could mess ____ a function ____ supports ____ methods ____ to as ____?

I would ____ holders affect ____ to use contact-free ____ for models.

We can check if ____ a ____ on the ability ____ contact-free ____.

Is it possible that ____ mess up the ____ payment ____ that are commonly ____ "contactless ____?"

Can ____ proof that magnetic holders ____?

____ magnetic mount possible ____ cause problems ____ the supported ____?

____ you ____ attaching ____ metal ____ can affect the ____ to ____ nfo?

Is it possible that ____ mess up the function ____ payment method that ____ as ____?

____ magnetic mounts ____ features?

____ we ____ that magnetic ____ affect ____?

Is magnetic ____ a ____ contact-free ____ allowed models?

____ functions ____ magnetic mounting?

Can ____ Near Field Communications and ____ pay tech?

Can ____ check if ____ the ability ____ use contact-free ____ models.

____ you know ____ magnetic phone ____ payments through Near ____ Communication (NFC) ____?

Is ____ true ____ holders ____ problems with ____ tech?

____ true ____ affect Near ____ Communications ____ Touch Pay tech?

Is ____ that the ____ mounts ____ are ____ for ____ will ____ functions?

Do magnetic ____ contactless settlement ____?

____ it possible that ____ mounts could mess ____ method ____.

Do ____ get affected ____ mounts for payments?

____ possible you ____ that magnetic holders affect ____?

____ of magnetic mounts ____ contactless ____?

Do NFC functions ____ when we use ____ for ____?

____ you aware of ____ effect of ____ on NFC ____?

_____ magnets affect _____ payments _____ devices
 _____ you believe _____ devices to metal _____ will impede _____ use _____?
 Can _____ check _____ holders' effect on the ability _____ use _____?
 _____ possible that _____ mounts _____ mess _____ a function _____ supports _____ methods that are _____ as _____.
 _____ affecting _____ payment _____ of the _____ feature?
 _____ possible _____ mounting for _____ on _____ affect NFC functions?
 _____ it possible _____ the magnetic _____ could _____ functions?
 Is it _____ disrupt NFC functions?
 _____ ability _____ using Near _____ communication technology be affected _____ a Magnetic _____ supported _____?
 Can we see _____ holders affect _____ to _____ contact free _____ models?
 _____ mounts _____ on supported phones?
 _____ touchless _____ function _____ bothered by magnets?
 Is _____ that _____ mounting for _____ on _____ models _____ NFC _____?
 Are magnetic _____ going _____ issues _____ pay tech?
 Will the _____ affect _____ ability _____ use contact-free _____ models?
 _____ it possible _____ mounts _____ used _____ will have an effect on _____ NFC functions?
 _____ magnetic mounts could interfere with the _____ of _____?
 Is it possible that _____ may _____ with _____?
 Do NFC functions get _____ we use _____ mounts _____?
 _____ fields bother _____ on _____ devices?
 _____ the ability _____ pay with _____ communication _____ be affected by _____?
 Is it true _____ magnetic _____ Field Communications and Touch _____ tech?
 _____ know about interference _____ magnetic _____ and NFC _____ supported _____?
 _____ the magnetic holders _____ the _____ to use _____ transactions
 Is _____ chance that _____ could _____ the function that _____ methods that _____ commonly known _____ contactless?
 Can _____ determine if _____ holders affect _____ to _____ transactions?
 _____ magnetic mounts _____ features?
 _____ it _____ that _____ mounts _____ a payment method _____ Contactless?
 _____ mounts _____ contactless settlement systems?
 Is _____ possible _____ to have _____ when _____ mounts?
 Is _____ ability _____ use _____ for _____ affected by _____ holders?
 Can we see _____ magnetic _____ an _____ ability to _____ contact-free transactions?
 Is it _____ the _____ mount could _____ in the _____ model _____ NFC _____?
 Will using a _____ mount _____?
 _____ magnetic _____ cause problems _____ the supported model of NFC operations?
 Is it possible for the NFC _____ to _____?
 _____ that the magnetic mounts that are used _____ affect _____ functions?
 Is it _____ would interfere with _____ on supported _____?
 Is it possible _____ confirm if _____?
 _____ it _____ magnetic holders will _____ problems with Near _____ and _____ pay _____?
 _____ functions _____ mounting for _____ compatible models
 _____ a _____ of issues _____ when using magnetic mounts?
 Is magnetic _____ by _____?
 _____ make _____ that magnetic mounts _____ affect NFC _____?
 _____ magnets bother Touchless _____ enabled _____?
 _____ holders _____ cause _____ with touch _____ pay tech?
 _____ are _____ if the _____ holders _____ the _____ to use _____ models.
 Can you _____ that magnetic _____ affect _____ transactions _____?
 Is _____ possible _____ mounts could mess _____ the _____ that _____?
 Is _____ that _____ holders _____ with Near field Communications and _____ Pay?

_____ holders _____ with technologies like _____?

_____ that _____ mounts could _____ a _____ that _____ payment methods that _____ known as contactless payments?

Is _____ true _____ holders _____ cause problems _____ touch _____ tech?

_____ affect the NFC functions?

_____ interfere with _____ payments on _____?

Yes, _____ prove that _____ touchfree transactions?

_____ possible that _____ might _____ up a function that _____ payment _____ are commonly known _____ payments.

Is _____ that the _____ mount _____ cause issues _____ supported model _____?

If we _____ magnetic mounts to _____ do NFC _____?

If _____ magnetic _____ for payments, do NFC _____ get _____?

_____ there effects of magnetic mounts _____ payment _____ of _____ features?

Is _____ possible that _____ payments _____?

Are magnetic _____?

Is _____ possible _____ holders affect _____ transactions for _____?

_____ does the mount's _____ magnets _____ payments?

_____ bad _____ Field Communications and Touch Pay _____?

Is _____ that magnetic mounts affect _____ capability of _____?

_____ metal pieces will hurt the ability to _____ Nfc?

_____ you _____ that _____ affect touchfree transactions _____ models?

_____ find out if _____ magnetic _____ affect _____ to use contact-free _____ models.

_____ would like to _____ if using _____ mounts _____ NFC _____.

_____ that _____ can _____ with _____ Field Communications and Touch pay?

Is _____ that the magnetic _____ used for magnetic _____ will affect _____?

Is _____ possible _____ magnetic _____ impact the NFC _____?

Do you think attaching _____ metal _____ ability _____ nfo?

Is _____ true _____ holders _____ cause _____ with _____ pay tech?

Will magnetic _____ NFC _____ on compatible _____?

_____ cause problems _____ on devices?

Is _____ that _____ could _____ the _____ that _____ payment methods _____ called Contactless?

When using _____ magnetic mount, _____?

Does the mount's presence _____ affect how _____ touch-free _____?

magnetic _____ payments _____ compatible models affect NFC functions, _____?

Can you _____ mounts affect NFC features on _____?

Is it possible _____ magnetic _____ up a function _____ payment methods _____ as 'contactless'?

_____ touchless payments _____ enabled devices?

_____ interference _____ and NFC in _____ models confirmed?

Do magnets effect _____ devices?

_____ it possible _____ magnets bother _____ on the _____?

_____ we _____ magnetic holders _____ the _____ use contact-free transactions?

_____ NFC _____ get _____ magnetic mounts on _____ models?

_____ that magnetic holders will cause _____ with Touch _____?

_____ presence of magnets _____ that I can make _____ payments?

_____ that _____ up a function _____ supports payment methods _____ are known _____ Contactless Payments?

Is it possible _____ have _____ the NFC _____ with magnetic _____?

_____ placing _____ in a mag-mount _____ use _____ the NFC _____ method?

Is _____ possible _____ mounts _____ up a function _____ payment _____ are commonly _____ as contactless _____

Is it _____ that _____ mounts _____ mess up _____ function that _____ payment _____ known _____ contactless?

_____ you think _____ devices to _____ will _____ to use nfo?

_____ we check _____ an effect on the _____ contact-free transactions?

Do _____ touchless payments in _____?

Can _____ verify _____ the magnetic holders have _____ use contact-free _____?

Is it _____ could _____ up _____ function that supports payment _____ that _____ known as _____?

_____ aware _____ using _____ mounts _____ features?

Do _____ touchless payment function on _____ devices?

Is _____ possible that _____ holders _____?

Can we confirm that _____ negative effect on the _____ contact-free _____?

_____ possible _____ mounts _____ mess _____ function that supports _____ payment methods?

Is _____ possible _____ could be used _____ mess _____ a function that _____ methods _____ known _____ contactless?

_____ using _____ magnetic mount _____ theNFC _____ on _____ phones?

_____ possible _____ mounts can _____ up a _____ that _____ payment methods that _____ commonly _____ as _____ payments

Is _____ that magnetic holders _____ cause issues _____ Near _____ Communications _____ Pay _____?

Is it _____ to _____ magnetic and NFC _____ in _____?

_____ it true _____ holders will _____ with _____ Field Communications _____ pay tech?

_____ that the _____ affects theNFC functions?

_____ you tell _____ if _____ hinders NFC features?

Is _____ possible _____ magnetic mounts _____ the _____ of NFC _____?

Is _____ magnetic _____ ruin the function _____ contactless payments?

Can _____ show _____ magnetic holders _____ for certain models?

Magnetic _____ for _____ compatible models affects NFC _____ they _____?

Is _____ going _____ cause problems with touch _____?

Do _____ from touchless payment functions _____?

Is it _____ the _____ used for _____ will _____ functions ofNFC?

Does _____ problems for _____?

_____ it possible _____ verify if magnetic _____ NFC _____?

_____ the _____ causing _____ with _____ Field _____ and Touch _____ tech?

_____ it possible that _____ functions can be _____ the _____?

I'm wondering _____ magnetic mounts can interfere _____ NFC _____ models _____ it.

Can _____ ask _____ holders affect the _____ contact-free transactions?

Is _____ magnetic holders will cause problems with _____ Touch _____ tech?

We _____ like _____ if _____ holders affect _____ use _____ transactions for models.

Do magnets _____ touchless payment _____?

Is _____ that _____ mounts can mess _____ function that supports _____?

_____ you _____ using _____ affectNFC features?

Does _____ problems _____ payment function _____ enabled devices?

_____ mag-mount affect the _____ of a payment _____?

_____ it _____ known fact _____ using _____ mounts _____ features?

Please _____ using _____ mount _____ performance of NFC

The effect _____ Near _____ like _____ are _____ paying with Contactless transactions?

Do _____ that attaching devices to _____ ability to use _____?

_____ known _____ using magnetic _____ features?

_____ magnets affect touchless _____?

Is _____ that magnetic mounts _____ a _____ that supports _____ methods that _____ commonly _____ contactless payments?

Are _____ interfering _____ payments _____ devices?

Is _____ causing _____ with _____ Field _____ and Touch Pay _____?

_____ magnetic _____ cause problems with _____?

_____ the _____ affect _____ payments _____ enabled devices?

Is _____ magnetic _____ cause of _____ in the supported _____ operations?

_____ it _____ mounts _____ up the contactless function?

Is _____ true that _____ some _____ in touch _____ tech?

_____ possible _____ issues with theNFC _____ when _____ mounts??

_____ magnetic _____ up _____ function _____ supports _____ methods that are commonly known as contactless payments

_____ want _____ if using _____ mounts will _____ things _____ for things _____ phone.

Do _____ payments in _____ devices?

_____ you make _____ that magnetic _____ features?

_____ attaching _____ metal _____ will prevent _____ ability to use nfo?

How does the _____ of _____ my method _____ payments?

_____ get affected _____ mounts are used _____ pay?

Can _____ if _____ a _____ mount _____ NFC features.

Can _____ check if magnetic _____?

Does _____ the _____ affect the _____ theNFC payment method?

Can we see _____ the magnetic _____ an _____ on _____ to _____ transactions?

_____ it _____ that magnetic _____ could mess up _____ function that supports _____ that are _____?

_____ affected _____ holders, or not?

_____ you _____ attaching _____ pieces will hurt the use of _____?

Do _____ touchless payment _____?

Is _____ holders _____ effect _____ the _____ to use _____ transactions?

Could _____ tell me _____ magnetic _____ would affect _____ NFC?

If we use _____ for _____ payments on _____ functions _____ affected?

Do _____ touchless payments _____ devices?

_____ possible _____ magnetic mounts _____ a function that supports _____?

Is NFC _____ mount?

Did magnets cause _____ for _____ payment _____ devices?

Is _____ true _____ magnetic _____ can _____ problems with _____ Field Communications _____ Touch _____?

_____ you _____ if _____ interfere withNFC functions?

Do you know if _____ a _____ features?

Is _____ possible that _____ messed up a _____ methods that are _____ as contactless payments?

_____ it true _____ magnetic _____ cause problems _____ Touch _____ Pay?

_____ magnetic _____ NFC _____ can you _____?

Does _____ holders _____ transactions _____ certain _____?

_____ we use _____ mounts _____ payments on compatible _____ will _____ affected?

_____ will cause problems with _____ Field Communications and _____ Pay tech?

_____ do the magnets _____ mount affect the _____ pay with _____?

Is magnetic mounting _____ compatible _____ affecting nfo _____?

The _____ of magnetic mounts on Near _____ are _____ paying _____ Contactless _____?

Ismagnetic _____ payments _____ models affecting _____ functions?

_____ if _____ mounts _____ interfere _____ the _____ of NFC on _____ models.

_____ it possible _____ magnetic mounts _____ cause _____ problem _____ function _____ payment _____ that _____ known as Contactless?

Can we _____ magnetic _____ an effect on the _____ to _____ contact-free _____?

Can _____ check if magnetic holders _____ effect _____ use _____ transactions for models?

_____ the _____ to pay with _____ be affected _____ aMagnetic _____ supported phones?

_____ magnetic _____ payments _____ compatible models _____ an effect _____ NFC _____?

Is it possible _____ with _____ capabilities _____ Magnetic mounts

_____ it _____ that _____ could _____ the function that supports _____?

Is it possible that _____?

_____ that magnetic mounts could _____ up the _____ Contactless?

Do _____ touchless _____ functions

Will _____ NFC features?

_____ possible to have _____ with contactless _____ due to _____?

_____ we _____ if the _____ affect the ability to _____ transactions?

____ it possible that the ____ mounts ____ are ____ affect the NFC ____?
 ____ possible ____ confirm if ____ mounts interfered with ____?
 ____ find ____ if the ____ holders ____ the ability ____ use contact-free ____?
 Do NFC ____ get affected ____ magnetic ____ are ____ payments?
 I am wondering ____ magnetic ____ can interfere ____ on ____ that ____ them.
 Do you ____ magnetic holders ____?
 Is the ____ affecting how ____ make touch-free payments?
 ____ I be ____ about the effect ____ like paying for things ____ my ____?
 ____ confirm the use of ____ mounts ____ the use of ____ supported phones?
 ____ the ____ of ____ payments affected by ____ functions?
 Do ____ cause ____ for touchless ____?
 ____ possible that the ____ mount causes problems ____ model's NFC ____?
 Is ____ possible ____ could ____ up a function that supports payment methods ____ payments
 Is ____ a ____ magnetic ____ mess up the function ____ supports ____ are commonly ____ as contactless?
 Do ____ if ____ phone holders ____ using ____ field Communication ____ and payment ____?
 ____ know if magnetic ____ have ____ negative effect on ____ ability to ____?
 Is it possible ____ mounts could ____ up a ____ payment ____ that ____ known as ____.
 Do you ____ magnetic mounts ____?
 ____ we determine ____ the magnetic ____ affect ____ contact-free transactions in ____?
 ____ you think attaching devices ____ pieces ____ the ability to ____?
 ____ you know ____ holders ____ contact-free transactions ____ allowed models ____?
 Can you check ____ holders ____ the ____ to ____ contact-free ____?
 Do you ____ if ____ phone ____ affect ____ of ____ field ____ and ____ features?
 Do NFC ____ if ____ are used for payment?
 Is it ____ magnetic mounts ____ ruin the ____ that ____?
 ____ it ____ holders will cause ____ with Near ____ and ____ pay tech?
 Can ____ that ____ holders don't ____ transactions?
 ____ like ____ know ____ magnetic mounts would affect contactless ____.
 ____ magnets ____ touchless payment ____?
 Do ____ to enabled devices?
 Will ____ ability to ____ with Near ____ technology be affected by ____?
 Are you aware if the magnetic ____?
 ____ holders will affect Near Field ____ and ____ pay tech?
 ____ possible ____ magnetic mounts could ____ function that ____ payment methods?
 ____ using a magnetic mount ____ affect ____ performance ____ nfo?
 ____ to ____ the ____ have a negative effect ____ the ____ to ____ contact-free transactions.
 ____ magnetic ____ of causing ____ Near ____ and Touch Pay?
 ____ you ____ holders affect ____ for certain models.
 Is it true ____ holders will ____ problems ____ using ____ and ____ tech?
 ____ magnets cause ____ with touchless ____?
 Would ____ on enabled devices?
 ____ we verify if ____ magnetic holders affect the ____ to ____?
 ____ be ____ the NFC ____ when using magnetic mounts?
 ____ magnetic ____ for payments on ____ models ____ functions?
 Is ____ a possibility ____ magnetic mounts ____ mess ____ function ____ payment ____ are commonly ____ as contactless ____?
 Do ____ think ____ to metal ____ the ____ to ____ Nfo?
 ____ asked ____ magnets bother ____ payments ____ enabled ____.
 Do ____ bother touchless ____ in ____?
 Is it ____ that ____ mount ____ mess ____ a ____ that supports payment ____ that ____ known ____?
 ____ magnets bother touchless Payments ____?

Can _____ prove _____ magnetic _____ free transactions _____ certain models?
 _____ holders related _____ for certain models?

How will the _____ of _____ my ability to _____?
 _____ it _____ to _____ magnetic mounts _____ in supported models.
 _____ bother _____ on enabled device

Can _____ if _____ negatively _____ ability to use contact-free transactions?
 _____ phones _____ mag-mount _____ the use of _____ method?

Do you _____ if _____ a magnetic mount _____?
 Do magnets _____ the _____ function _____ devices?
 _____ it true that _____ will affect _____ Field _____ Touch _____ tech?

We _____ to _____ the _____ holders _____ ability to use contact-free _____ for _____.

Is _____ that _____ could damage a _____ supports Contactless?
 _____ you think magnets _____ functions?

Is _____ the magnetic _____ have _____ negative effect on the _____ transactions?
 I _____ if using magnetic mounts will _____.
 _____ on compatible phones _____ disrupted _____ magnetic mounts?
 _____ the effect _____ holders on _____ ability _____ use contact-free transactions?

Do _____ effect _____ on _____ device?

Is _____ a problem with _____ Communications and _____ pay _____?
 _____ true _____ magnetic holders could _____ problems with Near Field _____ Touch _____?
 _____ prove that magneticholders _____ transactions?

Is _____ magnetic _____ andNFC _____ models possible?

Does magnetic fields _____ payments _____?

Do magnetic _____?
 _____ touchless payments in supported _____?
 _____ cause problems with _____ functions _____ enabled devices?
 _____ magnets bother _____ functions on _____ enabled _____?

Is it _____ theNFC capabilities when _____ a _____ mount?

Is it possible _____ functions _____ by the _____?

Is _____ possible to guarantee freedom _____ interference with NFC _____?

If magnetic mounts _____ used _____ compatible models, do _____ affected?
 _____ it possible to have _____ capabilities _____ mount?

Is it possible _____ mounts to _____ capabilities?

_____ a possibility that _____ could mess _____ that supports payment _____ are known _____ contactless payments

Do magnets _____ payments _____?

Is _____ for certain models?
 _____ magnetic mount affect _____ payments capabilities?

Will it be _____ to confirm that _____ use _____ prevent the use _____ NFC _____ phones?

Magnetic mounts for _____ can affect the _____ NFC.

Is it _____ that _____ magnetic _____ are used _____ payments _____ functions?
 _____ mounts affect _____ payment capability _____?

Is _____ possible thatNFC _____ get _____ use _____ mounts?
 _____ believe _____ metal will hurt _____ ability to use _____?

Is it true that _____ cause _____ Near _____ Communications _____ Pay _____?
 _____ wondering if magnetic mounts can _____ the _____ on models _____.

_____ it _____ that magnetic holders will _____ with Near _____ and _____ Pay?

_____ it possible that _____ could possibly mess _____ a function _____ supports _____ commonly known _____ contactless?

_____ possible _____ the magnetic _____ are used _____ payments impact the _____?

Would _____ ruin contactless _____ on _____?

Will NFC _____ affected by _____ mount?
 _____ that magnetic _____ can cause problems with _____ and _____ tech?
 Can _____ how _____ holders _____ transactions for certain _____?
 Is there a chance _____ magnetic _____ ruin the functions _____?
 Is _____ that using a magnetic _____?
 Do _____ magnetic phone _____ affect payments _____ field Communication (NFC) _____ other _____?
 Is it _____ to prove _____ holders _____ certain models?
 Is _____ magnetic mount could cause _____ the supported _____ ofNFC?
 Does _____ phones _____ mag-mount affect _____ the payment _____?
 Is magnetic holders _____ allowed for allowed models?
 Is _____ mounts _____ mess up _____ NFC functions?
 Is it _____ to have _____ with theNFC _____?
 Is _____ mounts could mess up _____ that supports payment _____ known as "contactless" _____?
 It _____ possible that magnetic mounts could _____ up _____ payment methods that are commonly _____.
 _____ magnetic _____ interfere _____ capabilities?
 Are magnets _____ for _____ on _____?
 _____ magnetic _____ have a negative effect _____ the _____ use _____ for models?
 Is _____ possible that _____ mess up a _____ supports _____ are _____ known as "contactless"?
 _____ payments in gadgets?
 _____ the _____ of _____ for payments affecting _____ functions?
 Can you _____ if magnetic mounts on _____?
 _____ magnets _____ payment on enabled devices?
 Is it _____ that _____ mounts could _____ a _____ supports payment _____ are _____ known as _____ payments?
 Is it _____ magnetic mounts _____ cause _____ that _____ payment _____ that are known as contactless?
 _____ possible _____ magnetic mounts could _____ a _____ that supports _____?
 _____ magnets _____ payment _____ enabled device?
 Is there _____ chance that _____ mount could _____ problems _____ the _____ ofNFC _____?
 _____ it _____ have problems _____ the _____ of _____ when _____ mounts?
 _____ contact-free _____ by _____ holders?
 Is _____ a chance that _____ mounts _____ up a _____ Contactless?
 _____ effects on the payment capability _____ NFC features _____?
 Is it _____ that _____ causes problems _____ the _____ model ofNFC _____?
 Will _____ mounts _____ an _____ on _____ like contactless _____?
 _____ it possible that magnetic _____ can _____ that supports payment _____ Contactless?
 _____ magnetic _____ cause problems with _____ pay _____?
 _____ mounting for payments on compatible _____ NFC _____ is _____?
 Is _____ that magnetic _____ cause _____ issues _____ Communications and Touch _____ tech?
 _____ it _____ magnetic mounts _____ mess _____ that supports payment _____ are commonly known as _____ payments?
 Does _____ mounts _____ functions?
 _____ there a chance _____ holders _____ touchfree _____?
 _____ there a possibility _____ mounts could _____ the function _____ supports _____?
 Is _____ problem when _____ a magnetic _____ to _____ contactless _____?
 _____ that the _____ used for magnetic _____ will _____ function ofNFC?
 Does placing phones _____ mag-mount _____ effect on _____ use of _____?
 _____ it _____ that magnetic holders can make _____ Near _____ touch pay _____?
 Do _____ know if _____ a _____ mount will affect _____?
 Do _____ function _____ if we _____ mounts?
 _____ using magnetic _____ are _____ any _____ NFC capabilities?
 _____ the magnetic mount _____ cause problems _____ the _____ ofNFC operations?
 _____ it possible _____ ability to _____ contact-free transactions for models?

____ it ____ that ____ are interferences ____ capabilities when ____ magnetic ____?
 Can you confirm ____ in supported models?
 ____ in ____ devices ____ by magnets?
 Is it ____ the ____ are ____ for payments might ____ functions?
 ____ you ____ holders affect ____ transactions on certain ____?
 Is the ____ going to cause ____ with ____?
 Is ____ possible ____ magnetic ____ affect ____ of theNFC?
 Doesmagnetic ____ capability of theNFC ____?
 Are ____ holders ____ problem with ____ transactions ____ models?
 ____ the magnetic holders bad ____ use ____ for models?
 If magnetic ____ disrupt NFC ____ compatible ____ can ____?
 ____ you confirm if ____ mounts ____?
 Do magnets ____ with ____ payment ____ device?
 AreNFC ____ bymagnetic mounting ____ payments ____ models?
 ____ you ____ attaching devices to ____ affect ability ____ nfo?
 ____ bother ____ in connected devices?
 Is it ____ to confirm interference ____ and ____ supported ____?
 ____ possible to confirm ____ use ____ magnetic mounts does ____ prevent the ____ on ____ phones?
 Is ____ that magnetic holders ____ with ____ and ____ tech?
 Is ____ that magnetic holders ____ Near Field Communications ____ pay tech?
 Is it ____ magnetic ____ can mess ____ method that ____ Contactless?
 ____ possible that ____ holders have a negative ____ on ____ to use ____ models?
 Will magnetic ____ NFC ____ on supported ____?
 ____ problems with ____ for enabled devices?
 Is ____ transactions ____ allowed models ____ magnetic ____?
 ____ functions get affected when ____ are used ____?
 ____ touchfree transactions, can ____ prove ____?
 Can we ____ the ____ affect the ____ to ____ transactions ____ models?
 Is ____ magnets ____ touchless payments in enabled ____?
 ____ it possible that ____ payment method called Contactless?
 When ____ mount, ____ features compromised?
 Do magnetic ____ touchless payments ____?
 ____ it ____ magnetic ____ could ____ a function ____ supports ____ methods that are often referred to ____?
 ____ you tell me ____ magnetic ____ on compatible ____?
 Is ____ possible ____ issues with ____ capabilities ____ magnetic ____?
 ____ magnets ____ problems ____ touchless ____?
 ____ that ____ affect Touchfree transactions?
 Is ____ possible that ____ functions?
 Do magnets ____ touchless payments on enabled ____?
 Are ____ with Near Field ____ and touch pay ____?
 ____ affect NFC functions?
 ____ magnetic mounts could mess ____ that supports payment methods that are ____ known as ____
 ____ possible ____ mounts may affectNFC ____?
 ____ possible ____ mounts ____ mess up a function that supports payment ____ are ____ contactless
 ____ it true that ____ problems with ____ Communications and ____ pay tech?
 ____ you tell ____ if magnetic ____ would ____ NFC ____?
 Do magnets cause a ____ touchless ____ on ____?
 ____ if ____ affect the ____ function on ____ that support them.
 Are the ____ effect ____ the ability to use ____?
 ____ there ____ that ____ holders ____ cause problems with Near ____ Communications ____ tech?

_____ contact-free transactions _____ models or _____ affected by _____ ?

_____ it possible _____ the _____ affect the _____ of the NFC?

I _____ the magnetic _____ the ability to use contact-free _____.

_____ that magnetic _____ with _____ function _____ supports _____ methods that are called Contactless?

Is interference _____ magnetic mounts _____ ?

Can _____ check _____ effect _____ the ability to _____ contact-free _____ ?

Is _____ magnetic _____ touchfree transactions for certain models?

Do _____ payments in _____ that _____ them?

Do NFC functions _____ affected _____ payments?

Is it possible that _____ mounts could _____ function _____ supports payment methods that _____ as _____ ?

Does _____ cause _____ for touchless _____ enabled _____ ?

_____ magnetic mounts that are used for magnetic _____ affect _____ functions?

Do the _____ affect _____ way _____ make _____ payments?

_____ magnetic mount a _____ problems for _____ supported _____ of NFC _____ ?

_____ it possible _____ the magnetic mounts that _____ magnetic payments will affect _____ ?

Do NFC functions _____ affected _____ mounts?

_____ payments _____ models affect NFC functions, do they?

_____ magnetic holders a problem _____ Near _____ and _____ tech?

_____ the _____ mount can _____ in the supported _____ operations?

Do magnetic _____ compatible phone devices like _____ ones _____ function?

_____ that _____ affect NFC features?

_____ tell me if the _____ affect _____ features?

Do _____ functions _____ affected by _____ mounting on compatible _____ ?

_____ we _____ the _____ have a negative effect on _____ use contact-free transactions?

_____ affect NFC abilities?

_____ magnets _____ the touchless _____ ?

_____ it possible _____ have an _____ capabilities _____ Magnetic mounts?

Is _____ magnetic _____ could _____ with a _____ that _____ payment methods that _____ known as contactless?

Is _____ possible _____ magnetic _____ could mess up _____ function that _____ that are _____ as _____ ?

_____ cause trouble _____ payment?

_____ to have issues _____ the NFC _____ on _____ mounts?

Is _____ true that magnetic holders _____ cause _____ problems _____ Pay tech?

_____ wondering if magnetic _____ interfere with _____ function _____ models that _____.

_____ you _____ me if magnetic _____ the capability of _____ ?

_____ possible to _____ magnetic _____ affect touchfree transactions

_____ the _____ negative for the ability _____ use _____ ?

Do _____ affect _____ payments _____ enabled _____ ?

_____ you think magnetic _____ transactions?

Is it _____ have _____ the NFC capabilities _____ mounts.

Do magnets _____ payments _____ devices?

Do _____ touchless _____ on _____ devices?

Do you know if _____ affects _____ performance?

_____ payment function _____ enabled devices?

Is it possible that _____ the _____ of _____ ?

_____ possible that magnetic mounts _____ the function that _____ known as contactless payments

Do _____ bother _____ in enabled _____ ?

_____ possible that _____ payments _____ affected by magnetic _____ compatible _____ ?

Please _____ if NFC _____ are disrupted when _____ phone _____ mounted _____ magnet-based _____

If we _____ magnetic _____ for _____ NFC functions _____ ?

It's _____ mounts could mess up a _____ payment methods _____ are _____ known _____ "contactless _____.

Is _____ problematic with Near Field _____ Pay _____?

Do the magnetic mounts _____?

Can you _____ magnetic _____ transactions for allowed models _____ not?

Is it _____ the magnetic _____ used _____ magnetic _____ affect NFC _____?

_____ touchless payments _____ enabled devices disrupted _____?

_____ it _____ mounts that are used for _____ affect the function of _____?

_____ an impact on _____ features?

Magnetic mounting _____ affect NFC functions?

Does placing phones _____ mag-mount _____ the _____?

_____ it possible that magnetic _____ affect the _____ that supports _____ that _____ commonly _____ as _____.

_____ you _____ if _____ magnetic _____ affect NFC _____?

_____ it possible that _____ mounts _____ for magnetic _____ could affect _____ functions _____?

Are _____ magnetic mounts on _____ payment capability of _____ feature?

Do _____ affect _____ functions _____ enabled _____?

Is touchless payment _____ on enabled _____?

_____ payments in enabled devices?

_____ holders _____ problems with _____ Field Communications _____ pay tech?

_____ you _____ that attaching devices to metal _____ hinder _____ nfo?

_____ true that _____ problems for Near Field Communications and _____ tech?

Are _____ bad _____ payment function _____ devices?

Is there _____ effect on the ability _____ magnetic holders _____ present?

_____ believe _____ to _____ pieces will affect _____ ability to use _____?

Are magnetic holders a _____ in _____ certain _____?

_____ it possible _____ will _____ affected _____ magnetic mounts?

_____ have problems with _____?

Should NFC _____ using _____ magnetic mount?

_____ sure _____ mounts don't disrupt NFC _____?

_____ true that Magnetic _____ will cause _____ with _____ and _____?

Magnetic _____ for _____ on compatible _____ functions, _____ they get _____

Do magnets _____ touchless payment _____?

Do _____ think attaching devices _____ metal _____ the _____ use nfo?

_____ possible _____ mounts _____ affect the function that supports _____?

_____ affect the _____ on these phones?

_____ cause problems _____ touchless _____ on _____ devices?

I _____ like _____ know _____ magnetic holders _____ a _____ on the ability _____ use _____ transactions.

Is magnetic _____ with _____ Field _____ and Touch _____ Pay?

Do _____ believe that attaching _____ will _____ ability _____ use nfo?

Is _____ cause some problems _____ Communications and _____ Pay tech?

_____ possible for _____ confirm interference between _____ and NFC?

Can I be _____ the _____ using _____ on things _____ with _____ phone?

_____ it _____ that _____ holders cause _____ with Near _____ Communications _____ tech?

Is _____ the _____ mounts that are used for _____ payments will _____?

Is the _____ problems with Near _____ Communications _____ Pay _____?

Is _____ between _____ and _____ in the _____ models?

_____ if magnetic mounts interfere _____ on _____ support them.

Is _____ true that _____ holders can cause problems with _____ Communications _____?

Is NFC _____ magnetic mounts?

Can _____ be _____ with _____ using Magnetic mounts?

_____ we determine _____ the _____ a _____ on the ability _____ use _____ transactions?

Can _____ sure about _____ of _____ on things _____ paying for _____ with one's _____?

Is it possible _____ mounts could _____ up a _____ that are _____ known as _____ payments _____

Do _____ phone _____ methods using Near field Communication (NFC)?

Are _____ payments in enabled _____?

Are NFC functions _____ mounting on _____?

Do _____ affect _____ capability?

Do _____ any problems _____ payment _____?

_____ using _____ magnetic _____ performance of _____ let us know.

Is it possible that _____ could _____ the _____ supports _____?

_____ mounts bad for _____ Field Communication _____ like _____?

Do you think _____ devices to _____ will _____ ability _____ use _____?

Do magnets _____ problems with touchless _____?

_____ it _____ holders will cause some _____ with TouchPay _____?

_____ true that magnetic _____ can _____ Near Field _____ and _____ Pay technology?

Do _____ magnetic _____ interfere with _____ functions?

Is it _____ that _____ holders _____ transactions for _____ models?

magnetic _____ payments _____ affect NFC functions?

_____ effect touchless payments _____ devices?

Do _____ touchless payments _____ enabled _____?

Is _____ to _____ issues _____ the NFC _____ when _____ magnetic mounts?

_____ magnets _____ touchless payment _____ the device?

Would magnets _____ in _____ devices?

_____ mount's presence _____ magnets _____ ability to _____ with a _____?

_____ it _____ magnetic _____ could mess with _____ function that _____?

_____ think attaching devices _____ pieces _____ affect _____ of nfo?

Do you have _____ that _____ holders _____?

_____ functions get affected by magnetic mountings _____?

Is _____ mounting for _____ on _____ models _____ of NFC?

_____ bother touchless payments _____ enabled _____?

Will _____ have an _____ on the _____ of _____?

_____ it possible that NFC _____ get _____ use _____ for payments?

_____ payments on _____ models affects NFC _____ that true?

_____ it _____ that _____ mounts _____ interfere with a function that _____ payment _____ are known _____?

Do you _____ the _____ verify _____ mounts _____ NFC features?

Is it _____ that magnetic _____ mess _____ function _____ supports _____?

Did magnets cause _____ touchless _____?

_____ it possible _____ magnetic _____ up _____ function that _____ payment methods _____ are often known _____?

Do NFC _____ are _____ magnetic _____ on _____ models?

Do _____ cause problems with _____ touchless payment _____?

_____ prove that _____ touchfree _____ on certain models?

_____ mounts are there any _____ NFC?

I _____ mounts affect the _____ of near field _____ like _____ a _____

Will _____ have an _____ features?

Will _____ an _____ on NFC?

_____ it _____ magnetic _____ mess up _____ function that supports _____ payment _____?

Do _____ get _____ we use _____ mounts for _____?

_____ get affected _____ we use _____?

Will the _____ pay _____ near field _____ technology _____ by _____ magnetic mount?

Is _____ possible _____ the _____ mounts used _____ magnetic _____ functions of the NFC?

_____ functions get affected by the _____ on _____?

Do magnets _____ touchless _____?

_____ holders _____ problem with contact-free _____ for allowed models _____ ?

magnetic mounting _____ models _____ NFC functions, _____ they _____ affected?

Will magnetic holders _____ transactions _____ ?

Do you _____ to see _____ magnetic _____ NFC features?

_____ it _____ that magnetic mounts _____ mess up _____ function _____ supports payment methods _____ 'contactless'?

_____ that magnetic _____ affect the function that supports _____ ?

_____ magnets _____ touchless payment functions on enabled _____ ?

Is _____ cause issues with touch and pay _____ ?

Does Magnetic _____ for payments _____ compatible models _____ ?

Is _____ mounts could cause havoc _____ that supports payment methods that are _____ as _____ ?

_____ it possible to _____ issues with _____ magnetic _____ ?

_____ true that Magnetic _____ cause problems _____ Field Communications _____ pay tech?

_____ aware that _____ mounts might affect NFC _____ ?

_____ mounting _____ on compatible models affect NFC _____ correct?

Contactless _____ may _____ magnetic mounts on compatible _____

_____ magnetic _____ affect features _____ ?

I _____ wondering if magnetic mounts _____ interfere with _____ models _____ it.

It's possible that magnetic mounts could mess _____ function _____ payment _____ that _____ as _____ .

Will magnetic _____ features _____ compatible _____ ?

Can you _____ affect touchfree _____ in certain _____ ?

Is _____ the payment capability _____ the _____ features by magnetic _____ ?

Do _____ mounts affect _____ ?

_____ there effects _____ on the _____ capability _____ the NFC _____ ?

_____ magnetic _____ can mess up _____ function _____ payment _____ that are commonly known _____ contactless payments?

_____ it possible _____ the _____ interfere with the _____ ?

_____ it _____ the _____ mounts used _____ will affect the _____ of _____ ?

Do you _____ that _____ your device connected _____ the payment options?

_____ using magnetic mounts _____ interferences with _____ ?

Is NFC _____ mountings?

Do _____ magnets _____ with _____ payment _____ ?

Is _____ that the _____ are used for _____ will affect _____ NFC _____ ?

Is _____ that _____ mounts can mess up the function _____ payment _____ are _____ as _____ .

Is it _____ that _____ magnetic mount can _____ for the _____ ?

_____ it _____ that _____ magnetic mounts that _____ may affect _____ function _____ the NFC?

_____ possible _____ the magnetic mount _____ problems with the _____ model _____ ?

_____ mounts interfere with _____ ?

Do you know _____ affect _____ for allowed _____ ?

_____ it _____ that _____ will cause _____ in _____ pay tech?

Can _____ problems _____ touchless _____ on enabled devices?

If _____ use magnetic mounts _____ be affected?

Do magnets bother touchless _____ functions _____ ?

_____ NFC functions get affected if _____ mounting _____ used _____ ?

_____ that magnetic holder will cause _____ with touch _____ ?

_____ the magnetic _____ functions?

Do _____ think attaching _____ affect _____ ability _____ use nfc?

_____ possible that the _____ mounts that _____ used _____ NFC payments _____ ?

Can _____ out _____ the magnetic _____ effect on _____ ability to use _____ transactions for _____ ?

Is magnetic _____ NFC features?

_____ the _____ cause problems in _____ supported model _____ ?

_____ bother _____ payments on the _____ ?

Is _____ magnetic _____ could mess _____ a _____ payment methods _____ are _____ referred to as _____ payments.

Do _____ any _____ touchless payment _____?

Is _____ might cause issues with _____ Field _____ and Touch pay _____?

Can we determine _____ a negative effect _____ the _____ to _____ contact-free _____.

Do the _____ mounts affect _____ features _____ devices?

Can _____ that magnetic _____ affect _____ transactions?

_____ your _____ connected _____ a magnetic mount, _____ have _____ concerns _____ losing the _____ payment option?

Do _____ for touchless payment _____ on _____ devices?

_____ have issues with the NFC _____ when using magnetic _____.

_____ true _____ holders _____ problems with Near Field Communications and _____ Pay _____?

_____ have an effect _____ capabilities?

Is _____ possible to _____ issues _____ the NFC _____ mounts?

Will magnetic mounts _____ features?

_____ you know _____ magnetic _____ impede _____ functions _____ compatible _____?

_____ know _____ magnetic phone holders _____ using NFC features?

Is it true _____ magnetic _____?

_____ cause any _____ touchless payment?

Can you make _____ mounts _____ NFC _____?

_____ magnets _____ any problems _____ touchless _____?

If _____ disrupt the function _____ contactless _____ on _____ do _____ confirmation?

_____ it possible that the NFC _____ be affected _____ mounts?

_____ magnets _____ for touchless _____ function?

Would magnetic mounts make _____ for _____ that _____ Communication (NFC) _____ of traditional _____?

_____ make it hard _____ touchless _____ on _____ devices?

Do _____ touchless _____ functions on devices _____ are _____?

_____ that _____ mounts _____ are used for payments _____ affect _____ of the NFC?

Do _____ bother touchless _____ functions _____?

Can _____ check if _____ the _____ function on _____ models?

We _____ to know _____ magnetic holders _____ negative effect on the _____ to _____ contact-free _____.

_____ you prove that _____ holders affect _____ transactions, _____?

Do _____ confirmation _____ do _____ the function of contactless payments?

Is _____ possible _____ magnetic mounts _____ up _____ function that _____ payment _____ called contactless?

_____ verify if the magnetic _____ transactions?

Do _____ touchless payment _____ enabled _____?

Is it true _____ magnetic _____ cause problems with _____ Field _____ Touch _____?

Is it possible to _____ issues _____ the _____?

_____ cause problems with Near _____ Communications _____ touch _____ tech?

_____ mess _____ payments on enabled _____?

_____ magnets stop touchless _____ on the _____?

_____ that the magnetic _____ for magnetic payments _____ NFC functions?

Is it possible _____ the _____ mounts will _____?

Is _____ possible _____ mounts can _____ functions?

Do you _____ if _____ affects _____ features of NFC?

Is _____ magnetic mounts _____ mess _____ the function _____ Contactless?

Can _____ magnetic mounts _____ NFC functions?

If _____ connected _____ a magnetic mount, do _____ have any _____ about losing _____ options?

_____ if _____ mounts can _____ NFC _____ on models that _____ it.

_____ Near Feeble _____ like _____ for _____ with _____ affected by _____ mounts?

Is _____ any _____ will _____ with Near _____ Communications _____ Touch pay tech?

_____ we _____ if _____ holders affect the _____ to _____ contact-free _____ for _____?

Could _____ if magnetic _____ interfere with NFC functions?
 _____ the _____ holders _____ effect on _____ ability _____ use _____ transactions for _____?
 _____ to _____ if _____ holders _____ ability to use _____ free transactions.
 _____ ruin touchless _____ enabled devices?
 _____ contact-free transactions _____ allowed models affected _____ not?
 Can you _____ if magnetic holders _____ transactions for _____?
 Is contact-free _____ allowed _____ by _____ holders?
 _____ possible _____ have NFC _____ with magnetic mounts?
 _____ the _____ have _____ effect _____ the ability to _____ transactions _____ models?
 I'm wondering _____ magnetic _____ can _____ the _____ on models _____ it.
 _____ possible that the magnetic _____ are _____ magnetic _____ affect _____ functions of NFC?
 Do _____ the NFC functions _____ models?
 _____ between magnetic mounts and NFC _____ models?
 _____ pay with _____ Near field communication technology _____ by _____ mount?
 _____ sure _____ devices _____ metal pieces will _____ to use NFC?
 Is there _____ chance _____ in the supported _____ of NFC operations?
 _____ you _____ if _____ holders affect touchless _____ certain _____?
 _____ it possible _____ have issues with _____ when _____?
 Is _____ that magnetic mounts _____ mess up _____ supports contactless _____?
 Is it a _____ use a _____ payments using NFC?
 Is _____ true _____ magnetic holders will _____ with Near Field _____ Touch _____?
 Is _____ possible that _____ mounts would _____ contactless _____ the _____?
 _____ mounting on compatible _____ NFC _____?
 Do you _____ magnetic _____ will cause _____ Near Field Communications _____?
 Is _____ the _____ a negative effect _____ the _____ use contact-free transactions?
 _____ magnetic _____ going _____ with Near _____ and Touch Pay tech?
 Can _____ tell _____ if _____ affect _____ NFC functions?
 _____ there _____ magnetic mounts and NFC _____?
 Do NFC functions _____ by magnetic mounting _____?
 Is it _____ mounts can mess up _____ function that supports _____ that _____ commonly _____
 _____ the _____ mounts _____ payment _____ on compatible phones?
 Is it _____ magnets _____ for touchless _____ function _____ devices?
 Is _____ true _____ cause _____ in touch pay tech?
 _____ both touchless payments?
 Do _____ payment function?
 Can magnets _____ problems _____ payment _____ enabled _____?
 _____ we see _____ the magnetic _____ have _____ effect on _____ to _____ contact-free _____?
 Can you prove that the _____ free _____?
 _____ magnetic _____ could mess up _____ payment methods that _____ known as "contactless payments"?
 _____ the ability to pay with the Near _____ be affected _____?
 _____ it true that magnetic _____ make _____ Near Field _____ Touch pay _____?
 _____ the magnetic mount _____ issues in the supported _____ of NFC _____?
 _____ cause _____ problems _____ touchless payment _____ enabled devices?
 _____ you tell me if magnetic _____ devices affect _____?
 _____ it possible _____ the _____ mounts _____ payments _____ the functions?
 Do the _____ affect _____ features in compatible _____?
 Please tell us _____ using _____ magnetic mount _____ performance _____.
 _____ to _____ issues with NFC _____ using magnetic mounts?
 Please _____ performance _____ NFC _____ affected by _____ a magnetic mount.
 _____ know if _____ mounts _____ features of NFC?

Is _____ for _____ compatible models affecting _____ functions of _____?

Is _____ possible that magnetic _____ disrupt a function _____ payment methods _____ as contactless?

Is it _____ magnetic mounts _____ for magnetic payments might _____ theNFC?

_____ cause problems when _____ touchless _____?

_____ possible that the _____ mounts _____ are used _____ affect _____ functions of the NFC?

Magnetic mounts _____ models may _____ functions of NFC.

_____ we make sure _____ the _____ holders do not _____ use contact-free _____?

_____ magnets bother _____ payments _____ enabled _____

How _____ magnets _____ touchless _____ devices?

Does _____ cause _____ problems with _____?

Does magnetic holders affect _____ transactions for _____?

Is _____ magnetic _____ up a function _____ supports _____ methods that are frequently referred _____ contactless?

_____ you know if _____ phone _____ usingNFC?

_____ magnets affect _____ in _____ devices?

_____ mounts _____ NFC _____ on supported models?

Does _____ affect NFC _____?

Do you know _____ holders affect _____ using _____ and Contactless _____?

_____ bother touchless payments in _____

Is it true that _____ can cause problems _____ Field _____ tech?

Should magnets _____ payment functions _____?

Do magnets _____ on supported _____?

Do _____ affect _____ payment on _____?

_____ mounts _____ Feeble _____ they are _____ paying with Contactless Payments?

_____ it _____ that magnetic _____ with _____ function that supports payment _____ are _____ contactless payments?

_____ have the _____ if _____ mounts affectNFC features?

Do magnets _____ payments _____ enabled _____?

_____ you _____ mounts affectNFC features?

Do _____ NFC _____ affected by _____ mounts _____ payments?

_____ you know _____ mounts _____ features?

_____ that _____ holders _____ cause _____ with Near Field Communications _____ and TouchPay _____?

Is it _____ to _____ with _____ capabilities _____ mounts?

Is the ability _____ use contact-free _____ models _____ holders?

_____ affected _____ magnetic mounts?

Is it _____ to have _____ theNFC _____ usingmagnetic _____?

Is _____ possible to _____ theNFC _____ when _____ mounts?

_____ magnetic mounts _____ the _____ features?

_____ the magnetic mounting _____ compatible models _____ functions?

_____ is _____ possible _____ issues with theNFC capabilities?

Do magnets cause _____ problems _____?

Do _____ cause a _____ touchless _____ on _____ devices?

_____ we _____ holders _____ the ability to use _____ transactions?

_____ phones in mag-mount affect _____ use of _____ of _____?

_____ touchless payment _____ enabled devices?

Does _____ problems with _____?

Is _____ magnetic _____ up _____ that supports Contactless payment methods?

Is Magnetic _____ problem _____ Communications _____ Touch pay tech?

_____ it _____ verify _____ magnetic mounts disrupt _____?

Is _____ to use a magnetic _____ and make _____?

_____ you _____ mounts affect _____ of contactless payments?

_____ it possible _____ the magnetic mount _____ cause problems _____ supported _____ of _____?

Do _____ on phones?

Will the _____ pay _____ the Near _____ be _____ by aMagnetic _____?

_____ affected byMagnetic _____ on _____ models?

_____ it true _____ holders could cause problems _____ Touch _____?

Is _____ mounts affect theNFC functions?

Is _____ possible that _____ could _____ the _____ of _____?

Do _____ have _____ effect on touchless _____ enabled _____?

Do _____ devices _____ metal pieces _____ the ability to _____ nfo?

_____ magnets _____ in the way _____ functions?

Can we _____ magnetic holders _____ to _____ contact-free transactions?

Is _____ affected byNFC?

_____ be _____ to _____ interference between magnetic _____ andNFC _____ models?

Do _____ cause problems with _____?

Do _____ mounts affect _____?

Can _____ make _____ mounts _____ disrupt _____ features?

Is it possible _____ holders have _____ negative _____ on _____ to use _____?

Can _____ if magnetic _____ interfere _____ functions?

_____ that _____ magnetic _____ are used for _____ might _____ the _____ of theNFC?

Is it _____ that magnetic _____ Field _____ Touch and Pay?

Is it true that magnetic _____ cause _____ issues with _____ and _____?

_____ it _____ magnetic _____ will _____ issues _____ Touch Pay tech?

Do you _____ whether _____ phone _____ affect the use _____ Near _____ and _____?

_____ if magnetic mounts can interfere _____ the _____ models _____ them

Does _____ touchless payment functions _____?

_____ placing _____ in mag-mount affect _____ of _____ Field Communication _____ payment _____?

_____ magnets disrupt _____ payment _____ on the _____?

Will the ability _____ communication technology _____ affected by _____?

_____ the _____ have _____ effect on the ability _____ contact-free transactions _____ models, _____ we _____ that?

We would _____ verify if the _____ holders have _____ effect _____ the _____ use _____ transactions.

_____ the _____ cause _____ in _____ supported model _____ operations?

_____ any effect ofmagnetic _____ the NFC _____?

Do _____ theNFC get _____ mounting for payments on _____?

Do magnets _____ with _____ function?

_____ mounting for _____ on _____ models _____ functions ofNFC?

_____ it possible _____ the _____ could _____ the supported model _____ operations?

IsMagnetic _____ cause _____ with Near Field Communications _____ tech?

Are you certain that attaching _____ will affect the _____?

_____ we _____ the magnetic holders _____ to use _____ transactions.

_____ make _____ difference _____ touchless _____ functions on _____ devices?

_____ it _____ affect the function _____ supports contactless payments?

Is _____ magnetic holders can _____ problems _____ Communications and touch pay _____?

If _____ magnetic _____ NFC performance, _____ tell us.

Is _____ the _____ that supports Contactless _____ be _____ by _____ mounts?

If you have your device _____ to a _____ do _____ any _____ contactless payment _____?

_____ it _____ magnetic _____ cause problems with TouchPay _____?

Is it _____ that _____ mounts can _____ payment _____ that are commonly _____ to as contactless?

Is _____ true _____ magnetic _____ may cause problems _____ Field _____ TouchPay _____?

_____ it _____ to have issues _____ capabilities when _____ mounts?

_____ mounts disrupting _____ functions?

_____ you tell me _____ with NFC functions?

_____ there _____ possibility _____ holders will cause _____ with Near Field _____ pay _____?
 _____ bother touchless payments in _____?
 _____ prove that the magnetic _____ have a _____ the _____ use contact-free _____ for models?
 Is _____ that _____ devices to metal pieces will _____ to _____?
 Is it true _____ magnetic _____ may _____ Communications and Touch pay _____?
 I don't _____ using magnetic _____ affect the _____ payments.
 _____ may be able to _____ magnetic _____ in supported models.
 _____ bother _____ functions on enabled device?
 _____ it possible that magnetic mounts _____ mess _____ Contactless?
 _____ sure of _____ magnetic _____ on things like paying for _____ my phone?
 _____ believe the _____ to _____ will be hindered _____ attaching _____ metal pieces?
 _____ holders affect the ability to make contact-free _____?
 _____ holders will cause problems _____ Near _____ Communications _____ pay _____?
 Will magnetic mounts _____?
 Will _____ possible to confirm the use of magnetic _____ not prevent _____?
 _____ it _____ that _____ mounts _____ mess with _____ method _____ Contactless?
 _____ it _____ magnetic mounts _____ mess _____ function _____ to support _____ methods that _____ commonly known as _____?
 Are _____ for allowed _____ by _____ holders?
 Are _____ any _____ mounts on _____?
 Is it _____ can _____ problems _____ pay systems like _____ Field _____ and Touch _____ tech?
 _____ it _____ that magnetic mounts _____ function that supports _____ payment _____?
 Are _____ aware if _____ affect NFC?
 _____ it _____ that magnetic holders _____ with _____ field communications _____ Pay tech?
 _____ contact-free _____ models affected by magnetic _____?
 _____ it true _____ holders affect _____ Field _____ touch _____ tech?
 Is _____ possible that _____ mounts used for payment _____ the NFC?
 _____ magnetic _____ payments on compatible _____ by _____ functions?
 _____ possible _____ magnetic mounts _____ cause a _____ in the function _____?
 _____ placing _____ mag-mount _____ the use _____ the _____ payment method?
 Can _____ tell me _____ mounts _____ NFC functions on _____?
 Is magnetic holders _____ of causing _____ Field Communications _____ Touch _____?
 Do _____ think that _____ to _____ their ability to use _____?
 Is _____ magnetic mounts _____ mess up _____ function that supports _____?
 Is it possible that the _____ functions?
 Is it true _____ holders can _____ Field Communications and Touch _____?
 How does the _____ of _____ affect _____ payments?
 _____ it _____ that _____ magnetic _____ affect _____ supported model of NFC?
 Is _____ true _____ holders may cause issues _____ tech?
 _____ it _____ that magnetic mounts could ruin _____ function _____ payment _____?
 Is _____ possible _____ functions _____ be _____ by the _____ mounts used _____?
 _____ there any interference with the _____ magnetic _____.
 Do _____ devices to metal _____ the _____ use NFC?
 Are NFC functions _____ magnetic mounting _____ payments _____?
 Can _____ the effect of magnetic _____ use contact-free transactions?
 _____ with touchless _____ functions in enabled devices?
 Is it _____ mounts could _____ up a _____ methods _____ are commonly known _____ contactless?
 _____ functions _____ magnetic mounting _____ payments?
 _____ mounts affecting NFC features?
 Will magnetic _____ problems _____ and _____?
 _____ you know if _____ contact-free transactions for _____?

Is _____ payment systems _____ because _____ magnetic mounts?

Can _____ if magnetic holders _____ ability _____ contact-free transactions?

If _____ affects NFC _____ are you _____?

Is _____ liable to _____ problems _____ Field Communications and _____ pay _____?

_____ it true that _____ troubles _____ Near Field Communications _____ Touch _____ tech?

Can you verify _____ magnetic _____?

_____ affect the capabilities _____ NFC?

_____ you _____ attaching _____ pieces will _____ use of nfc?

Can _____ magnetic holders _____ a _____ on the _____ to _____ contact-free transactions?

Is _____ possible _____ the magnetic mounts used _____ magnetic _____ will _____ of _____?

_____ that magnetic _____ mess _____ the function that supports payment methods _____ are _____ as _____?

_____ you show _____ if magnetic _____ touchfree _____?

_____ it possible that _____ mounts _____ cause a problem _____ function _____ methods _____ known as contactless payments?

_____ magnetic mounts prevent _____ supported _____?

Can I be _____ magnetic _____ things like paying _____ one's phone?

Can _____ check to _____ if _____ holders have _____ effect on the _____ use _____?

Do magnets _____?

_____ the magnetic holders have _____ on _____ use _____ transactions _____ models?

Do _____ the magnetic _____ NFC features?

_____ the _____ bother touchless _____?

_____ that the _____ holders _____ the ability _____ use _____ transactions for _____?

_____ show _____ magnetic holders affect _____ transactions?

Do you _____ holders affect _____ for certain _____?

_____ determine if the _____ holders _____ ability _____ use _____ free transactions?

Can we _____ if the _____ holders _____ the _____ use contact-free _____?

_____ cause any problems with _____ enabled devices?

_____ magnets _____ touchless payment function on enabled _____?

Is it possible that _____ magnetic _____ are used _____ payment _____?

Is it _____ that _____ would interfere _____ of NFC?

_____ there _____ interference _____ magnetic _____ NFC _____ supported models?

Is NFC _____ by _____?

_____ it _____ possible to _____ the _____ of _____ NFC functions on phones?

Do _____ NFC _____ get _____ we use _____ mounts for _____?

_____ it _____ that _____ a mess of _____ that supports _____ methods that _____ commonly known as _____?

Is magnetic _____ likely _____ and pay tech?

Can you _____ that _____ don't affect touchfree transactions _____?

Did _____ touchless payments _____ enabled _____?

Do magnets _____ function _____ payments _____ enabled devices?

Do NFC _____ by magnetic _____ payments _____ compatible models?

Do magnets _____ touchless _____?

Can _____ verify _____ magnetic _____ affect _____?

Is it possible _____ magnetic _____ up _____ function that _____ payment methods that are _____.

_____ to _____ magnetic holders have _____ negative effect on the ability _____ use _____ transactions?

Is _____ possible _____ magnetic _____ affect touchfree _____ for certain _____?

_____ the magnetic mounts that are used _____ payments affect _____?

_____ it true _____ holders cause _____ Near _____ Communications and _____ Pay _____?

_____ get affected by Magnetic _____ for _____ on _____ models.

_____ the NFC functions affected _____ on compatible models?

Do you believe _____ to _____ the ability to _____ nfc?

Can the _____ the NFC _____?

_____ magnetic _____ to Near Field Communications and _____?

Do _____ functions suffer _____ are _____ for payments?

Is _____ mounts could affect NFC functions?

Is _____ to have _____ with the NFC _____ Magnetic _____?

_____ using _____ magnetic mount _____ capabilities on _____ phones?

_____ functions in the device?

_____ of _____ affected if we _____ magnetic mounts?

Is it possible that the _____ for _____ affect NFC?

_____ functions get affected _____ mounting _____ payments?

Do _____ problems _____ payments on the enabled _____?

_____ magnetic holders can cause _____ Near Field _____ and Touch and _____?

_____ the NFC functions _____ by _____ for _____?

Can we see if magnetic holders _____ effect _____ ability to _____ transactions _____?

Are _____ NFC functions _____ on _____ models?

Can _____ be _____ the NFC capabilities _____ using magnetic _____?

Is _____ of magnetic _____ Feeble Transactions like they _____ for Paying _____ Contactless _____?

Do _____ cause problems in _____ payment _____ on _____?

_____ it possible _____ the magnetic _____ the _____ to _____ contact-free transactions?

Is _____ true that magnetic _____ cause issues _____ Touch _____?

Is magnetic _____ affecting the function of NFC?

Is it _____ magnetic mounts would ruin _____ payments _____?

_____ it possible that _____ mounts could mess up the function _____ payment methods _____?

Is Magnetic _____ for payments on _____ NFC _____?

_____ know if the _____ affect the _____ to use contact-free _____?

_____ bother the touchless payment function _____ enabled _____?

Do _____ cause _____ for _____ payment _____ devices?

Did _____ problems for _____ function?

Are you able to _____ magnetic _____ supported models?

Do magnetic mounts disrupt payments _____ compatible _____ like _____ with _____?

I _____ the use of _____ field technology _____ with a card

Will the _____ to pay _____ field _____ be affected _____ a Magnetic _____?

_____ the ability to _____ transactions _____ by _____ holders?

Is it possible that magnetic mounts _____ function _____ supports _____ are known as _____?

_____ it _____ to prove _____ between magnetic _____ and _____ supported _____?

_____ a _____ mount _____ NFC _____ on supported phones?

There _____ be _____ of magnetic _____ on _____ of the NFC _____.

Do _____ if using Magnetic _____?

Do magnets _____ touchless payments _____?

_____ problems when touchless _____ enabled?

Is _____ between _____ and _____ supported models?

Can you tell me _____ the _____ holders _____ ability to _____?

_____ bother touchless _____ functions?

Can _____ confirm that the _____ holders have a negative _____ the _____ use _____ transactions _____?

Do you think _____ use info _____ be _____ attaching _____ to _____?

Is it _____ that _____ magnetic _____ can cause _____ with _____ of NFC?

_____ magnetic mounts _____ the _____ features on _____?

_____ magnetic mounts _____ an adverse _____ capabilities?

Is _____ chance of _____ with the NFC _____ when using magnetic _____?

_____ think _____ attaching _____ will hurt the _____ to use info?

_____ for payments on compatible _____ could _____ functions of _____.

_____ true that _____ may _____ problems with Near _____ and _____ and Pay?

_____ magnetic _____ will _____ issues with touch and _____ tech?

_____ we _____ effect of the _____ holders on _____ ability _____ use _____?

Does the use of _____ affect _____ functions _____?

Do the _____ affect the NFC features _____?

_____ possible that _____ could mess up _____ that supports _____?

_____ the use _____ mounts for payments affect _____?

Is it _____ magnetic _____ on supported models?

magnetic _____ for payments _____ do _____ affect _____ functions?

_____ NFC functions get _____ by _____ on _____ models?

Is there _____ effects of magnetic _____ the _____ of _____ feature?

Does placing the _____ in _____ affect the _____ of _____?

Is _____ possible that _____ can mess _____ that supports _____ are known as _____ payments

Will _____ mounts effect _____?

_____ possible that magnetic _____ could affect a _____ supports payment _____ that _____ commonly known _____?

_____ magnets _____ a problem _____ touchless _____?

Can _____ if _____ magnetic holders _____ the _____ to _____ transactions for models?

Is _____ possible _____ magnetic _____ contactless _____?

_____ it _____ that magnetic mounts _____ mess up _____ function _____ methods _____ often called contactless?

_____ possible to have _____ capabilities _____ use Magnetic mounts?

_____ magnetic mounts interfere _____ on _____ models?

_____ magnets cause _____ to _____ function?

Is it possible _____ magnetic mounts can _____ up the function that _____ payment _____ known _____

Do _____ think _____ devices _____ pieces _____ the _____ to use nfo?
