

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Dashboard warning lights are illuminated
Inquiry Sub-Category	Coolant temperature warning light is on
Description	Customers may seek assistance concerning the coolant temperature warning light being illuminated. This could indicate an overheating engine, potentially due to low coolant levels, a malfunctioning thermostat, or a faulty cooling system component, necessitating immediate inspection and repair.
Data Size	5,172 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is my engine _____ coolant temperature _____ light _____ ?
_____ wondering if _____ coolant indicator _____ engine _____ up.
_____ with the coolant temperature _____ ?
_____ a light _____ system caution _____ at _____ concerns?
Engine heat might go _____ cooling _____.
_____ coolant alert does _____ engine _____ ?
I _____ if _____ engine _____ too _____ if _____ warning _____ on.
