

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Text messaging and MMS configurations
Inquiry Sub-Category	APN or Access Point Configuration
Description	Customers might require assistance in configuring the correct APN or access point settings in their handsets to enable seamless text and multimedia messaging.
Data Size	6,166 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ the ____ send ____ messages possibly due ____ incorrect access ____ ?
 The ____ to send ____ may be ____ result of ____ of ____ points.
 Is it ____ inaccurate ____ configuration ____ blame for ____ failures?
 Is ____ the ____ of ____ picture messages ____ incorrect access point settings?
 ____ the inability to send image texts ____ be ____ improper configuration of ____ ?
 ____ possible flawed ____ point ____ picture ____ .
 ____ the ____ of not ____ able ____ messages because of ____ point settings?
 Isn't the picture ____ failing ____ of ____ point ____ ?
 ____ transmission ____ image ____ be hampered ____ the ____ setup.
 ____ access point settings ____ blame, ____ can't picture messages ____ ?
 Does ____ of ____ it ____ to send images?
 Wrong ____ point ____ messaging.
 ____ sending of ____ may ____ hampered ____ wrong ____ accessing ____ router.
 ____ point ____ sending ____ picture messages
 ____ transmission of image texts ____ be impeded ____ AP ____ .
 Can ____ consider the setting ____ a ____ for ____ text errors?
 ____ the ____ because of ____ point settings?
 Is ____ that pictures cannot be ____ due ____ points?
 ____ configuration ____ lead to inability ____ send images?
 Do ____ consider ____ points ____ be a ____ for ____ errors?
 incorrect ____ settings interfere with ____
 ____ I send pictures ____ device ____ I have ____ point settings?
 ____ access point setup affect ____ ?
 Wrong setup ____ be ____ to sail through.
 Is ____ failure ____ send ____ messages ____ the ____ point settings?
 Is it ____ the issue of not ____ to send ____ messages ____ incorrect access ____ ?
 I ____ if faulty access ____ the transmission ____ texts.
 ____ there a ____ that picture messaging ____ occur ____ access ____ ?

Is _____ pictures _____ due _____ incorrect access point settings?

Is _____ picture message failures _____ of incorrect _____?

Can an _____ configuration of access _____ be _____ inability _____ pictures?

Is incorrect _____ settings _____ possible _____ for why _____ messages _____ sent?

Is the _____ send _____ to _____ improper configuration of _____ points?

Is _____ possible _____ set _____ AP _____ are making it _____ to _____ image-based _____?

Would faulty _____ one's ability to _____ texts?

Does failure _____ send picture messages _____ are to _____?

It's possible that _____ for messed up _____.

Undelivered photos may _____ faulty _____.

_____ setup could _____ it _____ for _____ to sail through.

Mistaken _____ settings could be making _____ more _____.

_____ settings may affect photo _____.

The _____ caused by inaccurate _____ point configuration.

_____ it _____ that picturmessage _____ caused by incorrect _____ configuration?

_____ message sending _____ be stopped _____ wrongly configured _____?

Is erroneous access _____ messaging _____?

Are _____ an explanation for _____ picture messages are _____?

_____ possible that picture _____ issues _____ of incorrect _____ points?

_____ messaging _____ might _____ affected by the incorrect _____.

_____ if faulty _____ can affect one's _____ to transmit _____.

_____ inability _____ send _____ messages be _____ on an incorrect _____?

Is it possible _____ set up AP _____ with _____ messages?

Might _____ setup _____ AP _____ the transmission _____?

_____ transmission of _____ might _____ by a wrong _____ setup.

_____ picture _____ access point settings?

Can _____ point _____ explain why _____ be sent?

_____ is a _____ messaging _____ because of _____ up _____.

Is _____ possible that the _____ to _____ by incorrect _____ points?

_____ it possible _____ sending pictures _____ arise from _____ point settings?

_____ pictures due _____ points set dumbly.

Is _____ inability _____ due to malfunctioning access point _____?

_____ incorrect access _____ affect the _____ of picture _____?

_____ faulty accessing _____ affect one's _____ to _____ texts?

A possible _____ for _____ picture messages _____ sent _____ incorrect access _____.

I cannot _____ pics _____ points are _____.

Is _____ sending of photos _____ for accessing the _____?

The _____ of _____ may _____ the setup of AP.

_____ problem with _____ picture messages possibly due _____ access _____?

Incorrect _____ settings could _____ the _____ messages are _____ sent.

Is _____ picture message not _____ of _____ settings?

_____ inability to _____ pictures may be _____ wrongly _____ access _____.

The _____ to _____ image-based _____ be affected by _____ access _____.

Is _____ access _____ settings the _____ for _____ messages _____ sent?

Is it possible that _____ points could make it difficult _____?

_____ there a risk _____ the inability _____ send _____ due _____ of _____ points?

_____ having _____ access point settings _____ difficult _____ pictures?

Shouldn't we _____ setting access points _____ cause _____ photo _____?

_____ this _____ that incorrect _____ settings _____ making it _____ to _____ picture _____?

_____ possible _____ the picture messages can't _____ sent _____ access point _____.

____ the ____ to ____ be affected ____ faulty access points?
 ____ photos might be ____ by ____ settings for ____ the ____.
 Can incorrect ____ point ____ messages?
 ____ access ____ settings affect ____.
 Incorrect ____ message sending.
 The ____ image texts may be ____ setup.
 incorrect ____ point settings ____ blame ____ the ____ send picture messages.
 Is ____ points affecting ____ ability to ____ image-based ____?
 Is ____ possible that ____ access ____ prevent ____ from ____ sent?
 ____ issue of ____ to send ____ messages ____ arise from incorrect ____.
 Is the problem ____ not being able to ____ messages ____ settings?
 Can ____ inability to ____ picture ____ on the incorrect configuration ____?
 ____ affect one's ____ to transmit images?
 Is ____ set access ____ the ____ photo ____ errors?
 ____ flawed ____ setup could ____ picture ____.
 Picture messaging ____ by ____ point settings.
 ____ messaging ____ be hampered by incorrect access ____.
 Is ____ ability to send ____ due ____ of access ____?
 Is ____ picturmessage failures ____ access ____ configuration?
 ____ pictures due ____ settings?
 Is the ____ send ____ due ____ error in the ____?
 ____ picture message may ____ the ____ of incorrect access ____.
 Is ____ possible ____ failures are ____ to ____ point configuration?
 Sending ____ incorrect access ____ settings.
 Is ____ of ____ hampered ____ wrong AP ____?
 ____ if flawed access ____ setup affect ____.
 ____ trouble sending picture texts ____ access ____ settings ____ incorrect.
 Is ____ chance of ____ with picture ____ access points?
 ____ point ____ affect ____ of pictures.
 ____ access point ____ affecting ____ picture ____?
 ____ messed with the ____ settings ____ lose my ____ to send ____ texts?
 ____ it ____ to picture ____ failed message ____ incorrect ____ settings?
 Is ____ point setup ____ affect picture ____?
 ____ it ____ that ____ point ____ are at ____ picture ____ are not sent?
 ____ point settings related to ____?
 Is ____ that incorrect ____ settings ____ trouble with sending ____ texts?
 The picture messages can't be ____ to ____.
 ____ reason ____ undelivered ____ may be ____ faulty ____ configuration.
 Couldn't wrongly ____ access ____ prevent ____ from being ____?
 ____ the issue ____ able ____ picture messages ____ due to ____ point settings?
 ____ is ____ access points may ____ picture message sending.
 Is the undelivered ____ result ____ network ____?
 Sending picture ____ may ____ by incorrect ____ settings
 ____ may be ____ with ____ picture ____ the ____ point settings ____ incorrect.
 ____ picture messaging capabilities ____ hampered ____ incorrect access point ____.
 ____ it ____ that wrongly ____ up ____ causing issues ____ image-based messages?
 Picture ____ could ____ affected ____ incorrect ____ point settings
 ____ it ____ that ____ access ____ are affecting ____ sending?
 ____ chance ____ picture messaging ____ arise from ____ points.
 Is there ____ chance ____ wrongly set ____ the ____ of image-based messages?

Is the _____ send _____ of incorrect _____ points?
 _____ of photos could _____ wrong _____ for accessing the _____.
 _____ send photos _____ of _____?
 _____ incorrect access _____ settings _____ picture _____?

Is it possible that incorrect _____ settings _____ sending _____?
 The _____ of _____ may be impeded _____ incorrect AP _____.
 Is _____ configuration of _____ points could cause inability _____ image _____?
 _____ the picture _____ by the _____ access point _____?

Is there a _____ configuration _____ points _____ inability to _____ texts?
 Is it possible that picture _____ are _____ because of _____ points?
 _____ incorrect access _____ an explanation _____ picture _____ are not _____?
 There _____ that _____ messaging _____ arise from incorrect set _____ access _____.
 _____ not being _____ to send picture _____ might _____ of incorrect _____ point settings.

What if picture _____ incorrect _____ points?
 The _____ for undelivered _____ be _____ configuration.
 Is _____ picture messages possible due _____ point settings?
 My picture will not _____ access _____?
 Incorrect _____ points could _____ message _____.
 Is it _____ cannot _____ sent _____ incorrect access points?
 Is it possible that _____ sent _____ to _____ settings?
 _____ a _____ wrongly _____ up AP _____ are _____ with image-based messages?

There are _____ that could _____ photo messaging.
 Is the _____ message _____ caused _____ inaccurate access _____?
 Is _____ message failing due to _____ access _____?
 _____ picture _____ could arise from _____ incorrect _____ point settings.
 Is _____ a chance that _____ messaging issues _____ incorrect access _____?
 _____ picture of message failing _____ incorrect access _____?
 Is _____ possible that _____ prevent image transmission?
 Picture _____ may be _____ flawed _____ point setup.
 _____ sending of _____ possibly hampered by _____ settings for _____.

Is it _____ that _____ of _____ points will _____ it _____ send _____ texts?
 _____ transmission of image texts _____ be _____ the AP _____.
 _____ send _____ due to the incorrect _____ point settings?
 _____ the inability _____ due _____ a configuration of access _____?
 incorrect _____ settings _____ be _____ blame for _____ to _____ picture messages.
 Is _____ incorrect access point settings _____ to _____ for failure _____?
 _____ incorrect access _____ settings _____ explanation _____ picture _____ not _____ sent?
 Isn't _____ hampered _____ incorrect access _____ settings?
 _____ phototurmessage _____ caused _____ access point configuration?
 _____ transmission of _____ texts _____ slowed by _____ wrong _____ setup.
 _____ access point _____ picture texts?

The transmission of _____ texts might _____ the _____ AP.
 _____ sending of photos _____ hampered _____ wrong _____ for the _____.
 _____ the pictureturmessage _____ by the _____ access _____ configuration?
 Is _____ transmission impeded because _____ point _____?
 Does the configuration _____ points make _____ hard _____ image _____?
 Is it _____ access _____ to prevent _____ message sending?
 Is _____ that incorrect _____ reason picture messages are not _____?
 Can _____ that incorrect _____ access points _____ a _____ photo text _____?
 _____ of not _____ able _____ messages may have _____ from incorrect _____ settings.

There _____ chance _____ will fail _____ messed up apn _____.

_____ for accessing the _____ sending of photos?

Problems with _____ pictures may _____ from _____ access _____.

Is sending _____ texts _____ incorrect _____ point settings?

_____ a _____ mistakenly _____ up AP parameters is causing _____ with _____ image-based _____?

_____ issue of _____ being able _____ messages arise from _____ point settings?

Is _____ access point _____ an _____ image _____?

_____ not _____ pictures _____ of _____ settings?

Sending _____ by incorrect _____ point _____.

There _____ incorrect access point settings _____

_____ messaging capabilities _____ hampered _____ access point setting.

Why _____ be _____ there _____ incorrect access point settings?

Should faulty accessing points affect _____ image-based _____?

Can _____ to _____ pictures be traced _____ an _____ of _____ points?

_____ access _____ affect sending pictures.

Picture message _____ might be stopped _____ points.

_____ wrong AP setup _____ affect _____ transmission of image texts?

Should faulty _____ affect one's _____ to _____?

_____ sending picture _____ problematic _____ settings are incorrect?

Maybe faulty _____ are _____ for undelivered _____?

Can _____ to _____ pictures be _____ result _____ an _____ configuration _____ points?

There is _____ chance _____ issues could be related to _____.

There is _____ of picture _____ set up access points.

_____ possible _____ accessing the _____ can affect sending photos?

Is there a chance _____ from incorrect access _____?

_____ a _____ because the access _____ settings are _____?

Should picturmessage _____ caused _____ inaccurate _____ point _____?

Is it the issue _____ being _____ to _____ to incorrect _____ settings?

_____ texts might _____ by _____ access _____ setup?

_____ message sending could _____ prevented by _____ access _____.

_____ access point _____ image transmission.

Deficiency _____ access point settings could _____ messaging _____.

There _____ a possibility that _____ access _____ settings are _____ inability _____ send _____ messages.

_____ settings making _____ to send picture messages?

Is incorrect access _____ settings _____ picture messages _____?

_____ send _____ because of _____?

Maybe _____ of not _____ able _____ send picture _____ is _____ by _____ settings.

_____ possible that _____ AP _____ the _____ of image texts?

Is _____ due to wrongly configured points?

I wonder if _____ of _____ being able _____ send picture _____ arises _____ incorrect _____.

Incorrect _____ of _____ prevent picture _____ sending.

Why _____ messages cannot _____ if _____ access _____ settings are _____?

Picture texts _____ affected by _____ access _____ setup.

Is the _____ send image-based _____ affected _____ points?

_____ possible that _____ accessing _____ internet may affect sending _____?

Is _____ messaging affected by _____?

Is the inability _____ to wrongly configured _____

_____ we _____ wrongly set _____ points _____ cause _____ photo _____ errors?

Is _____ possible _____ access _____ setup _____ texts?

Is there any _____ incorrect _____ it hard to send picture _____?

_____ won't _____ because the access point wasn't _____.
 _____ possible _____ the _____ to send picture messages _____ because _____ incorrect _____ ?
 Is _____ possible _____ picture _____ not _____ sent _____ incorrect _____ point settings?
 Photo _____ might be _____ by _____ point _____.
 _____ failure _____ send _____ sign that _____ access point settings _____ to blame?
 Is there a picture _____ failing _____ point _____ ?
 _____ it possible _____ incorrect access point _____ causing _____ sending _____ ?
 _____ it difficult _____ pictures _____ incorrect access points?
 _____ it possible _____ point settings _____ it _____ to send _____ ?
 Is wrongly _____ points _____ picture _____.
 _____ point _____ to blame for the _____ send pictures.
 The _____ failures may _____ caused _____ inaccurate _____ configuration.
 _____ access points a _____ the inability _____ send images?
 Is it _____ that _____ could lead _____ the _____ images?
 Is _____ that _____ point settings _____ making it difficult to _____ ?
 _____ failures _____ by _____ access point configuration.
 Is _____ due _____ incorrect configuration of access points?
 The sending of _____ may _____ hampered by _____ settings.
 _____ could be _____ possibility that _____ messaging issues _____ access _____.
 _____ an improper _____ of access points _____ to _____ images?
 _____ the _____ not being able _____ send _____ messages arise _____ incorrect _____ settings.
 Is _____ problem _____ picture _____ you have _____ access point settings _____ place?
 _____ of _____ might _____ picture texts.
 _____ failing to send picture messages _____ wrong _____ ?
 Sending _____ messages may be _____ access _____ settings.
 Can the inability to _____ attributed _____ access points?
 Access _____ are set _____ why _____ I _____ ?
 _____ it possible that _____ incorrect access _____ could _____ picture texts?
 _____ be _____ reason for undelivered photos?
 Is _____ possible _____ picturmessage _____ are caused by _____ access _____.
 Is _____ texts affected by wrong _____ setup?
 _____ wonder _____ wrongly configured access points _____ prevent _____.
 _____ not _____ through _____ of the wrong access _____.
 The _____ not being _____ to _____ arise from _____ access point _____.
 Incorrect _____ settings _____ be _____ if picture messages weren't _____.
 _____ transmission of image _____ could be impeded by _____.
 _____ wrongly configured access points not allow _____ ?
 Picture messaging _____ be hampered _____ access _____.
 The picture _____ sending _____ by wrongly configured _____.
 Does the _____ configuration _____ result _____ inability _____ send image texts?
 _____ inability _____ pictures be attributed _____ an incorrect _____ ?
 Send _____ may _____ by _____ access point settings.
 _____ possible _____ access _____ parameters are affecting image _____ ?
 Wrong setup may make it _____ through.
 _____ access point _____ picture messaging _____.
 Do _____ think that _____ access _____ cause _____ photo _____ errors?
 _____ the _____ to send _____ linked _____ an incorrect configuration _____ points?
 Is _____ that improper configuration _____ points causes _____ image texts?
 Is it possible _____ access _____ responsible for _____ inability _____ picture messages?
 I would like to know _____ faulty _____ transmission of _____.

Does _____ points _____ ability to transmit _____ texts?
 _____ faulty _____ affect _____ texts?

Picture messaging _____ affected by _____ access _____ settings.
 _____ be a result _____ faulty _____ configurations.

The _____ of image texts might _____ the _____ AP _____.

Does the _____ picture _____ access point settings?
 _____ picture messages _____ be sent is _____ question that _____ answered _____ access _____.
 _____ access point _____ may _____ picture _____.
 _____ setup is making _____ difficult for _____ to _____?

Are _____ access point _____ the reason I _____ picture _____?
 _____ flawed access point _____ pictures.

Is there _____ cause _____ photo _____ access points _____ set _____?

Is sending _____ texts _____ you _____ point settings?
 _____ there _____ chance that incorrect _____ parameters _____ image-based messages?
 _____ of picture _____ may _____ affected _____ point settings.

Is there a cause _____ picturmessage _____ caused _____ point _____?
 _____ it _____ that incorrect access _____ are _____ for _____ to _____ messages?
 _____ the picture _____ to incorrect access _____ settings?
 _____ having _____ access _____ settings make _____ pictures _____?

Is it possible that _____ up AP _____ is causing _____?

Is it _____ access point settings that _____ inability _____ messages?
 _____ of not being able _____ messages _____ be related _____ access point _____.

Photo _____ capabilities might be hampered by _____.

_____ access point _____ be an _____ picture messages _____ be sent?
 _____ configuration _____ access _____ could _____ a picture message _____ sent.
 _____ not possible to _____ pictures _____ configured access _____?

Can _____ for _____ the internet affect _____ sending _____?
 _____ you think there _____ that _____ issues arise from _____ access _____?

Is it _____ that the inability _____ pictures _____ wrong _____ points?
 _____ that incorrect set access points cause _____?

Is _____ configuration of access _____ inability to _____ images?

Are _____ point settings _____ reason _____ messages _____ being sent?

Can incorrect _____ settings _____ reason _____ the inability _____ send _____?
 _____ transmission of image _____ could _____ a wrong AP _____.

Incorrect access _____ settings might _____ to blame for the _____ not _____ send _____.
 _____ picture _____ may be _____ the incorrect _____ point _____.

_____ reason _____ inability _____ send picture _____ is the _____ access _____ settings.

Is _____ that the _____ to _____ texts is _____ improper _____ access points?

Is _____ a _____ sending _____ messages due _____ access point _____?

Does improper _____ access _____ the ability to _____ image _____?

The _____ send _____ texts may _____ improper configuration of access _____.

_____ I _____ pictures due to wrong settings?
 _____ access point _____ picture messages
 _____ it possible _____ access point parameters _____ image _____?
 _____ is a _____ wrongly _____ up _____ causing issues _____ image-based messages.

The _____ messages _____ sent due _____ incorrect access _____.

_____ that incorrect _____ of AP parameters are _____ with delivering _____?
 _____ access point _____ affect _____ texts.

The sending of _____ affected by _____ settings _____ internet.
 _____ picturmessage _____ caused by _____ access _____?

Is _____ the inability to _____ is _____ incorrect _____ point settings?
 _____ picture _____ go through, _____ point?
 _____ point settings _____ problems _____ sending picture messages.
 The _____ send picture messages may _____ incorrect access _____.
 _____ mistake _____ made configuring _____ AP result _____ be unable _____ messages?
 Can _____ sent _____ to _____ incorrect configuration of _____ points?
 _____ messaging capabilities might _____ adversely impacted _____ point _____.
 _____ messaging capabilities _____ hampered _____ wrong access point _____.
 _____ having _____ access _____ settings _____ sending picture _____?
 Is it _____ access _____ interfering _____ picture messaging capabilities?
 Explanation of _____ point _____ affect picture _____.
 Incorrect access _____ may _____ affecting _____ messaging _____.
 Is _____ inaccurate access point configuration and _____?
 Is the _____ to send _____ wrongly set _____?
 The transmission of _____ texts might _____ a wrong _____.
 Is _____ to transmit image-based _____ impacted _____ faulty _____?
 Is wrong _____ bad _____ sending picture _____?
 _____ of image _____ impeded by wrong AP _____.
 Is _____ possible that incorrect _____ settings _____ picture _____?
 Is _____ that _____ point settings _____ cause trouble sending _____ texts?
 _____ it possible that incorrect _____ might _____ reason for _____ picture messages?
 Is _____ a picture _____ failure _____ incorrect settings?
 Is it _____ incorrect _____ settings _____ making it _____ picture messages?
 _____ could _____ to blame _____ to send picture messages.
 Having _____ point settings _____ to send picture texts.
 Is incorrect _____ point _____ photo _____?
 Is _____ messaging hampered by _____ settings?
 Is the _____ the _____ of incorrect access _____ settings?
 _____ may be _____ by _____ flawed access point _____.
 Incorrect _____ point _____ could _____ the inability to _____ picture messages
 Is _____ that _____ might affect the transmission of _____?
 Is _____ issue of not _____ to _____ photo messages due _____ access _____?
 _____ image texts _____ the AP setup is wrong.
 Is incorrect _____ point settings _____ picture messages _____ sent?
 Picture messaging capabilities _____ incorrect access point _____.
 _____ it _____ access point settings _____ for picture messaging _____?
 _____ may _____ the flawed access point setup.
 Is it _____ send _____ texts if _____ access _____ are _____?
 _____ incorrect access point _____ trouble with _____?
 _____ messed with my _____ point _____ ability to _____ pictures?
 Are _____ access points the _____ send pictures?
 _____ there _____ issue _____ inaccurate access _____ configuration causing _____?
 Is the _____ send _____ messages caused _____ settings?
 Is it possible that _____ configuration _____ points _____ result _____ send image _____?
 _____ incorrect access _____ hurt _____ messaging?
 _____ issue _____ not _____ to send picture _____ arisen from incorrect _____ point _____.
 _____ failures caused _____ inaccurate access _____?
 Picture _____ may _____ because of _____ set up _____.
 Is it _____ that _____ send _____ because of _____?
 _____ messages is _____ incorrect access point settings.

Picture ____ capabilities ____ by erroneous access point ____.

Can ____ be hampered by ____ parameters?

Picture ____ might be ____ point settings.

____ possible that ____ point ____ prevent sending picture ____?

____ possible that ____ up ____ parameters ____ causing issues ____ delivering ____ messages?

____ messaging capability might be ____ by incorrect ____.

Is ____ a ____ message ____ fail from incorrect ____ settings.

Is it ____ being sent ____ to incorrect access point ____?

____ incorrect access point settings the ____ messages ____?

The ____ possibly ____ hampered by wrong settings ____ the internet.

____ possible ____ incorrect ____ point settings ____ the cause ____ the inability to ____?

Is ____ access ____ parameters can ____ image transmission?

____ of not being able ____ send ____ messages because of ____ settings?

____ is a ____ pic messaging ____ of messed ____ options.

Is wrongly ____ points ____ picture ____

Can we ____ incorrectly ____ as ____ cause ____ photo ____ errors?

____ the inability ____ possible because ____ incorrect ____ point settings?

____ the inability to ____ picture messages ____ access points?

Is ____ to ____ pictures caused ____ wrong ____ points?

____ photos ____ the result of faulty ____.

____ the inability ____ due to wrong access ____?

____ transmission can be hampered by ____ access ____.

____ photo ____ be ____ incorrect access point ____?

are picturmessage ____ by ____ point ____?

____ the ____ messaging capabilities ____ incorrect ____ point settings?

Can I send ____ my ____ have incorrect access ____?

Is it ____ picture ____ sent because of ____ settings?

Can ____ access ____ affect image ____?

Incorrect access ____ settings ____ be ____ to ____ picture messages.

____ picture ____ because the ____ point settings weren't configured ____?

____ it ____ photo text errors if we ____ set ____?

____ issue ____ not ____ able ____ messages ____ arise from incorrect access point ____.

____ image transmission ____ by ____ point ____?

Is ____ a ____ AP parameters ____ cause ____ with delivering image-based messages?

____ possible to have incorrect access ____ that ____ sending picture ____?

____ the picture messaging ____ access point ____?

____ possible ____ picture messaging issues to arise from ____?

____ it possible ____ access point parameters ____ transmission?

Can flawed ____ point setup ____?

____ point settings ____ messages.

____ to ____ is ____ to wrongly configured ____ points.

____ consider the set access ____ as ____ cause ____ photo ____?

____ picture ____ from the incorrect ____ point?

____ access ____ parameters hurting image ____?

____ it possible that ____ message ____ incorrect ____ point configuration?

Is ____ possible for picture ____ sending ____ from ____ point ____?

____ be due to faulty ____.

____ was wondering if faulty access ____ transmit images.

Is ____ texts ____ you ____ incorrect ____ point settings ____ place?

____ insufficient access ____ impact ____ transmission?

____ faulty ____ points ____ the ____ to ____ image-based texts?
 ____ improper configuration ____ points ____ factor in the ____ send image ____?
 Sending ____ may be ____ for accessing ____ internet.
 ____ insufficient ____ point parameters ____ image transmission?
 Problems ____ sending picture ____ might ____ access point ____.
 ____ the problem ____ not being ____ to ____ picture messages ____ incorrect access ____?
 ____ is a ____ that ____ send ____ messages is ____ incorrect access point ____.
 ____ is a ____ that picture ____ issues arise ____ incorrect ____
 ____ adversely ____ incorrect access point settings?
 Does ____ configuration of access ____ hard ____ send images?
 Incorrect set ____ cause for photo ____ errors.
 Is ____ pictur message ____ the ____ access point ____?
 Is ____ any ____ access point ____ are ____ picture messages difficult?
 Access ____ wrong, ____ send ____?
 ____ incorrect ____ point ____ messaging harder?
 The ____ of ____ text ____ affected ____ AP setup.
 ____ it possible ____ send ____ is due ____ wrongly configured ____ points?
 ____ it possible that ____ configured ____ prevent picture message ____?
 Is it possible ____ are ____ access point configuration?
 ____ with sending picture texts arise ____ having ____ point settings ____?
 Is a ____ point preventing a ____ being sent?
 ____ that faulty access ____ one's ability to ____ pictures?
 Is ____ a chance that ____ are ____ it difficult ____ image ____ messages?
 Is it possible ____ incorrect ____ point settings ____ difficult?
 There is a possibility ____ up ____ parameters ____ issues with ____ image-based ____.
 Is ____ possible ____ incorrect ____ settings ____ hurting ____ messaging capabilities?
 ____ to ____ messages can ____ attributed to incorrect access ____.
 ____ access point settings can cause a ____.
 ____ won't ____ because of a wrong access ____.
 Should ____ configuration of ____ points lead to the ____ image ____?
 ____ pictures due to wrongly configured ____ points?
 ____ it ____ that picture ____ issues ____ arise from incorrect ____?
 The transmission of image texts might ____ the ____.
 ____ a ____ wrongly ____ up AP parameters ____ causing issues ____ delivering image-based ____.
 ____ of access ____ image texts?
 Is it ____ picture ____ if there's ____ point ____ in place?
 Is it ____ that wrong settings ____ the ____ affect ____?
 The ____ image ____ might be ____ wrong ____ setup.
 ____ cannot be sent because ____ point settings ____ incorrect.
 ____ the ____ send pictures ____ configured access points?
 Is it possible ____ inability to send picture ____ access points?
 ____ photos because of the ____?
 Does ____ failure ____ pictures ____ incorrect ____?
 There ____ be a chance that ____ arise ____ access ____.
 Did ____ access ____ the ____ to send pictures?
 Is it ____ send pictures ____ to ____ access point ____?
 ____ of ____ affect the ability to send ____?
 The ____ to ____ picture ____ might ____ consequence of ____ point settings.
 ____ it possible to send ____ incorrect access ____?
 My ____ won't ____ is ____ internet ____?

_____ incorrect AP _____ be causing _____ with delivering image-based messages.

_____ a chance that _____ messaging issues _____ incorrect _____ points.

Undelivered _____ be _____ faulty _____ configurations.

_____ transmission of _____ might _____ impeded _____ AP setup.

The _____ of _____ may _____ hampered by _____ accessing _____ network.

Is _____ access _____ setup _____ texts?

_____ access _____ may be _____ fault _____ failure _____ picture messages.

Is the _____ send _____ messages _____ result _____ access points?

_____ of _____ unable to send picture _____ from incorrect access _____?

_____ inability to _____ could _____ the result _____ incorrect access point _____

Incorrect _____ may _____ photo messaging.

_____ message _____ be sent _____ of incorrect _____ point _____.

_____ the inability _____ send _____ be _____ an _____ configuration of _____ points?

_____ fail for _____ apn options.

Is _____ possible that incorrect _____ point _____ to _____ for _____ picture _____?

_____ points _____ one's _____ to transmit image-based texts?

Is incorrect _____ point _____ problem _____ picture _____?

Does _____ configuration of access points _____ difficult _____ image _____?

_____ flawed _____ point _____ might affect _____.

_____ there _____ with sending picture texts _____ point settings _____?

_____ point settings could affect _____.

_____ texts could _____ access point setup.

Is _____ problem with _____ picture _____ from having _____ point _____?

_____ access point _____ interfere with _____?

_____ access point settings can _____ on photo _____.

_____ texts _____ by _____ point setup.

_____ inability to send picture _____ is _____ to _____ the result _____ incorrect _____.

The sending of picture messages _____ by _____ point _____.

My picture won't _____ the _____?

It's _____ access point settings _____ making _____ picture messages _____.

Is _____ configured _____ points _____ picture _____?

_____ we consider incorrectly _____ as _____ photo text errors?

Does _____ picture _____ from _____ access points?

Maybe _____ issue of _____ to _____ messages arises from _____ settings?

Undelivered photos might _____ to do _____ configurations.

Is _____ message a failure due to _____?

Is _____ to _____ pictures _____ to _____ access point?

_____ possible _____ incorrect access _____ not good for sending _____?

_____ setup could affect _____ text

Incorrect _____ point settings can _____ texts.

There _____ a chance that _____ messaging issues arise _____ points.

Is the _____ unable to send picture messages _____?

I might _____ to send _____ because _____ wrong _____.

_____ a _____ that _____ access _____ picture messaging issues?

_____ the cause of the inability _____ picture _____ due to _____?

_____ configured _____ preventing picture _____ sending?

_____ the _____ picture messages due to inaccurate access _____?

Is _____ that _____ inability to _____ picture _____ a result of an _____ configuration of _____?

Perhaps _____ of _____ being able _____ picture messages _____ incorrect access point _____?

_____ access _____ settings could _____ the reason for inability _____.

Is ____ configuration ____ points ____ the inability to send image ____?
 ____ improper ____ of ____ cause the inability to ____ image ____?

Is ____ inability to ____ pictures ____ to ____ access ____.
 ____ having incorrect ____ problems with sending picture ____?

Is ____ failure related ____ connections?

The transmission of ____ texts ____ be ____ the ____ setup.
 ____ incorrect access point settings are ____ blame ____ send ____ messages.

Picture messaging may ____ by ____ point ____.
 ____ transmission ____ image ____ may ____ impeded ____ an ____ AP setup.
 ____ picture messages may be ____ to ____ access points.

Is ____ a chance picture messaging ____ apn options?

Photo messaging ____ by incorrect ____ settings.

Is it ____ that picture messaging ____ caused ____ points?

Does ____ access points ____ a person's ____ transmit ____?
 ____ access point settings ____ picture ____.
 ____ improper ____ of access ____ to send images?

Is ____ possible that ____ point parameters can ____?

Should we look ____ incorrect set ____ for ____ text errors?
 ____ incorrect access point settings ____?

The reason ____ may ____ malfunctioning ____ configurations.

Can ____ of ____ points explain ____ inability ____ send ____ messages?

There ____ a ____ that wrongly ____ parameters are ____ with ____ based messages.
 ____ incorrect ____ affect picture messaging?
 ____ pictures ____ be ____ because ____ incorrect access ____ settings.
 ____ there ____ chance that incorrect ____ parameters could cause issues ____?

Is there a ____ issues ____ as ____ result ____ incorrect ____ points?
 ____ pic message ____ settings are messed ____?
 ____ it possible incorrect access ____ settings ____?

I wonder if ____ access ____ could ____ ability ____ images.

The picture ____ from ____ sent ____ wrongly configured ____ points.
 ____ incorrect access ____ explain why ____ messages cannot ____ sent?
 ____ failures ____ blamed on inaccurate access ____?

Is it possible that ____ arise ____ set ____?

Mistaken access ____ settings ____ affecting picture ____

Can ____ to send picture ____ attributed to ____ error?

Is ____ inadequate access point ____ transmission?
 ____ transmission ____ image ____ hindered by ____ wrong AP setup.

Is the picture ____ because ____ point ____ are ____?

Does faulty ____ points ____ transmit image-based text?
 ____ access ____ can affect picture ____.

Is it possible that ____ point ____ picture messages ____ be ____?

There is a chance ____ AP parameters ____ issues ____ image-based ____.
 ____ the ____ to ____ pictures ____ due to incorrect ____ point ____?
 ____ messages can't ____ sent ____ of ____ access point ____

There ____ wrongly ____ points ____ prevented picture message ____.
 ____ possible that ____ access ____ could be ____ for ____ text errors?

There are wrongly ____ points that could ____ picture ____.
 ____ problem with sending ____ to wrongly ____ access ____?

Is ____ access ____ cause for ____ text errors?

The ____ photos ____ be hindered ____ settings ____ accessing the ____.

_____ there _____ chance that wrongly _____ parameters can cause issues _____ based _____?
 Can the _____ be _____ by _____ access _____ configuration?
 _____ sending could be hampered _____ wrongly _____ points.
 _____ access _____ configuration _____ be _____ blame for _____ failures.
 _____ problem _____ sending picture texts if _____ access point _____ aren't _____?
 _____ it possible _____ configuration of access points _____ in _____ to _____ images?
 Is _____ that _____ access _____ parameters _____ image transmission?
 _____ settings could be affecting picture _____.
 Is _____ picturmessage failures are _____ access _____ configuration?
 _____ access points _____ affect _____ sending.
 _____ inability to _____ picture _____ be _____ of incorrect _____ points?
 Can _____ consider incorrect _____ points _____ a _____ for photo _____?
 Is the picture _____ failing _____ to the _____?
 Incorrect _____ point _____ can have _____ negative _____ messaging.
 _____ message _____ because of incorrect _____ access _____ settings?
 _____ like to _____ if _____ access points _____ affect image-based _____.
 Maybe _____ inability to send _____ to _____ point settings?
 The inability to _____ a _____ wrongly configured access _____.
 _____ can _____ the inability to _____ picture messages.
 _____ message _____ by _____ point configuration?
 _____ picture _____ by _____ access point _____?
 Is the _____ message a _____ of the _____ point _____?
 Is _____ possible that _____ messaging _____ incorrect _____ points?
 _____ transmission _____ image _____ could be _____ the _____ setup.
 _____ errors may be _____ by _____ points.
 _____ not send _____ of wrong _____?
