

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Product availability and stock inquiries
Inquiry Sub-Category	Pre-order Availability
Description	Customers ask about products that are available for pre-order. They want to know when the item will be released and when they can expect to receive it if they place a pre-order. They may also have questions about cancellations, refunds, or changes to a pre-order.
Data Size	11,279 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)
