

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub-Category	Upgrading alarm system coverage
Description	Customers considering an upgrade to their current alarm system coverage may seek advice on the best options available, taking into account their specific security needs, budget, and any technological advancements.
Data Size	8,264 paraphrases

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ it possible to _____ the _____ for our _____ sensors _____ a simple _____?

Is it _____ to _____ with _____ easy upgrade?

_____ of the _____ sensors increase detection range?

Can _____ let us _____ the _____ of _____ sensor?

_____ it possible to _____ our _____ motions _____ for _____?

Are the _____ to sense more _____ basic _____?

There _____ a _____ solution for extending the _____ of _____.

_____ possible _____ provide _____ current motion _____ more coverage?

I _____ know if a basic _____ our _____ sense more.

Simple improvements _____ our _____ sensors to _____.

Would it _____ capabilities of our _____ motion sensors.

Can we _____ the _____ motion _____?

_____ it be possible to _____ the _____ detection _____ motion detectors _____ a _____?

_____ it possible for the motion sensor _____ farther _____?

_____ a simple _____ could _____ what distance is _____ the motion _____.

_____ increase _____ area that _____ motion sensors detect?

Adding _____ simple enhancement _____ how far you _____ the _____.

Is _____ doable to _____ motion _____ range?

_____ make the motion sensors' _____ with a _____ upgrade?

Can _____ get _____ sensors to _____?

Is _____ possible to _____ the _____ range _____ motion sensors with _____?

Is _____ possible _____ the reach of _____ with _____ simple update?

_____ range for motion sensor.

Has _____ motion _____ reached _____ with _____?

_____ possible to expand _____ range _____ for motion _____ through _____ update?

Is _____ to increase _____ capabilities _____ the motion _____?

Could _____ improve _____ detection range _____ existing motion _____?

Can _____ detectors be upgraded with _____?

Can _____ use an _____ span _____ recognition in _____ motion sensors?
 _____ you offer _____ upgrade _____ can _____ the _____ radius _____ our _____ motion sensors?
 _____ updating _____ motion _____ be straightforward?
 Upgrading our _____ sensors _____ range.
 Can _____ sensors detection range _____?
 _____ we increase _____ motion _____ detection?
 _____ upgradable option could _____ the range of _____.
 _____ the span of _____ the motion _____ with an easy upgrade?
 _____ we _____ the span _____ motion _____ an easy upgrade?
 _____ our motion sensor _____ could be vastly _____ by a _____ update.
 _____ reach _____ with an upgrade?
 Is it feasible to _____ the _____ of _____ existing _____?
 Is an _____ our _____ motion _____?
 Can _____ get farther _____ upgrade?
 Can _____ upgrade _____ sensors' _____?
 _____ motion _____ detection range can be expanded _____ a _____.
 We _____ be _____ enhance our _____ sensors' _____ range with _____ upgrade.
 _____ we _____ motion sensor's detection _____ a simple update?
 _____ motion sensor _____ to increase _____?
 _____ the motion sensors' _____ upgrade?
 _____ motion _____ upgrades that can extend _____.
 _____ the _____ range _____ motion _____ with a basic upgrade?
 _____ upgrade _____ for our _____ sensor?
 _____ we _____ the detection _____ of _____ current motion _____ a simple _____?
 Is it _____ for a _____ of detection for motion _____?
 _____ possible to extend what distance are _____ by _____ motion _____ by _____?
 _____ simple _____ add to the scope _____ sensors?
 _____ we upgrade our _____ sensors _____ detect _____?
 _____ upgrade that _____ the detection radius for _____ sensors?
 Wouldn't _____ be _____ update our _____ detectors _____ an _____ change?
 Are _____ sensor upgrades _____ extending the _____?
 Is _____ possible to _____ existing motions _____ for _____?
 Can a simple update _____ the range _____ motion sensor?
 Is _____ any _____ extending the range _____ the _____ sensors _____ an _____?
 _____ an _____ make our _____ detectors _____ even more?
 Current motionsensors _____ upgraded to _____.
 Adding a simple _____ for more distance _____ be _____ motion _____.
 _____ simple upgrades _____ extend _____ for the existing motion sensors?
 If we upgrade, _____ sensor _____?
 _____ we _____ the reach _____ the _____ with a _____ update?
 Can an _____ range _____ our current motion _____?
 Is _____ to _____ detection range _____ motion _____ using a _____ update?
 _____ possible to _____ the _____ range _____ our _____ sensors through _____ upgrade?
 _____ we _____ the _____ sensors will _____ able _____ things far _____?
 Is there _____ enlarge the range of detection _____ detectors _____ basic _____?
 Does an _____ to our _____ sensors _____ range?
 _____ we _____ able to _____ our _____ detection range with a _____?
 _____ upgrade allow _____ sensors _____ sense more?
 Can _____ sensor detection range with _____ upgrade?
 _____ expand the coverage of our _____ sensor _____ just an _____?

_____ solution for extending _____ of movement detectors
 _____ it _____ to extend _____ reach of _____ motion detectors _____ easy _____?
 The _____ sensor _____ we upgrade.
 _____ the _____ detection range can _____.
 If _____ upgrade _____ sensor will _____ things far _____?
 _____ it _____ for _____ motion _____ to have greater _____ a _____ improvement?
 _____ there _____ to upgrade our _____ sensors for more _____?
 _____ upgrade, _____ our _____ see farther?
 Can _____ use _____ simple _____ to improve _____ sensor's _____ range?
 _____ if the upgrade will allow _____ sensors _____ sense _____?
 Would it _____ possible for _____ more if _____ upgraded?
 Are our motion _____ sense _____ if we _____?
 _____ a _____ make _____ motion _____ scope larger?
 _____ an _____ way to _____ the _____ on our _____ detector?
 _____ a _____ our motion sensors?
 Is there a _____ upgrade the basic _____ more _____.
 _____ simple _____ to widen our _____ sensors' scope?
 Will _____ be easy to _____ coverage _____ existing motion _____?
 Isn't there _____ for them _____ their _____ sensors?
 _____ it _____ to improve our motion _____ range _____ update?
 _____ basic _____ increase _____ detection range _____ our _____ motion sensors.
 _____ motion _____ improvements _____ of _____ the _____?
 _____ an _____ can the _____ be extended?
 _____ sensor improvements able to _____ the _____?
 _____ there a way to increase _____ motions sensors?
 I wonder _____ is _____ upgrade their _____ motion sensors _____ range.
 Can _____ the coverage range for _____ current _____?
 Is _____ upgrade our current _____ with a basic _____?
 _____ a simple enhancement _____ be _____ to _____ by themotion _____.
 _____ anyone know _____ we _____ extend _____ our _____ motion sensors?
 _____ a _____ upgrade increase _____ detection _____ our motion _____?
 Should _____ motion _____ reach _____?
 Is it _____ update _____ motion detectors _____ improve _____?
 Could there be _____ chance _____ detection coverage _____?
 _____ it _____ to upgrade our motions _____ coverage?
 Simple _____ range _____ motion _____ possible?
 _____ we upgrade _____ motion sensor to _____?
 Upgrading our _____ increase _____ range.
 _____ is _____ to enhance our _____ sensor's detection range _____.
 _____ boosting the range _____ the _____?
 _____ could _____ improve _____ range _____ our motion detectors.
 _____ expand the detection reach of _____ motion _____ with _____ basic _____.
 There _____ an _____ that could _____ our motion detectors.
 _____ a simple _____ increase _____ of _____ existing motion _____?
 Would _____ to _____ the _____ detectors with an uncomplicated _____?
 Can _____ basic _____ done to _____ the range _____ motion detectors?
 _____ it possible _____ the _____ range of our existing _____
 _____ a simple update allow _____ expand our _____ sensor _____?
 _____ be possible _____ widen the capabilities _____ existing _____ sensors?
 Is there _____ way _____ increase _____ range _____ current _____?

Can ____ upgrade our ____ coverage?

____ need to ____ a basic upgrade allows ____ to sense ____.

____ an ____ improve ____ coverage ____ our motion ____?

Is ____ to ____ the range ____ for ____ current motion ____ simple upgrade?

Is ____ possible to ____ our ____ sensor detection range ____?

____ can our motion sensors see ____?

____ a basic ____ allows ____ motion ____ sense more

Is there ____ way ____ our ____ detection range?

Would ____ to ____ coverage area ____ our motion ____ with ____ easy update?

Is it ____ that the ____ can ____ with ____ easy ____?

____ increasing ____ by basic ____ sensor ____ is possible.

Do ____ know ____ upgrade ____ sensors to sense more?

Is it possible ____ expand ____ for our current motion ____?

Is an ____ of ____ the coverage range for ____?

Can ____ extend ____ range of detection ____ simple upgrade?

Is there a ____ upgrade ____ can ____ our current ____?

____ a way ____ increase the detecting capacity ____ present-Motion ____?

Is there ____ way to increase ____ the ____?

____ upgrade ____ detector's ____ reach through ____ basic upgrade?

Is ____ possible to ____ range ____ our motion ____ through ____ simple ____?

____ captured ____ motion ____ upgrades possible?

____ to know ____ the basic upgrade ____ to ____ more.

____ would like ____ know if ____ basic ____ sensors to sense ____.

The ____ sensor ____ with an ____.

____ there any way to ____ the detecting ____ our ____ system?

An ____ update ____ range on our ____ detectors.

Is ____ improve ____ detecting capacity ____ the present motion sensor ____?

____ simple enhancement widen our ____ sensors' ____?

____ improvement be made to ____ to achieve greater ____?

Is ____ to ____ our current ____ to get ____ coverage?

____ to ____ existing motions sensor for increased ____?

Can ____ basic upgrade to our ____ detection ____?

If ____ allows motion sensors ____ more

Is ____ possible ____ increase the ____ for ____ a basic update?

____ sensor ____ farther with ____ upgrade?

Can ____ update extend ____ range ____ our sensors?

Expanding range for ____ possible with ____ upgradable ____.

Is ____ possible for our ____ be achieved ____ a ____ improvement?

Wouldn't ____ be ____ they ____ upgrade ____ motion sensors ____ more range?

____ it possible to ____ motion sensors' ____?

Can we ____ the capabilities of our ____ motion ____?

Is ____ endowing our current motion ____ with ____?

Is it possible ____ the ____ detectors ____ greater coverage ____?

An ____ update could potentially ____ the ____ detectors.

Will it ____ to increase radius ____ by ____ motion ____?

There could be ____ simple ____ to ____ the movement ____.

____ a way to expand ____ detection reach ____ our ____?

____ there ways to ____ the ____ our existing ____ sensors?

____ it ____ to ____ the range on our ____.

Can ____ motion sensors' ____ changed?

Can ____ simple update ____ of ____ current motion ____ range?

Does ____ sensor detect ____ away if we ____?

The ____ for ____ sensors ____ improved ____ a basic upgrade.

____ current motion sensors ____ a broader perimeter?

____ it ____ existing motion sensors' detecting capabilities?

Can ____ our motion ____ to ____ the ____?

____ it possible to increase ____ existing ____?

Can ____ our ____ to increase the detection ____?

Is ____ way ____ upgrade ____ motion sensors for ____?

____ to widen the range ____ for motion detectors ____ a ____?

____ to upgrade ____ motions sensors to ____ coverage?

____ a simple solution be ____ extending ____ of ____ detectors?

____ it ____ our motion ____ range ____ a basic upgrade.

____ possible ____ our ____ motion sensor ____ expand its detection ____?

Is ____ upgrade the motion ____ detection ____?

____ an easy ____ the range ____ detection for our ____?

____ to upgrade the ____ motions ____ to ____ their coverage?

____ a minor update greatly extended ____ of ____ motion ____ devices?

____ a ____ range for our current motion ____?

____ possible ____ current motion sensors ____ increased coverage?

Simple improvements ____ current ____ detect ____.

Can ____ basic upgrade ____ the detection ____ of ____ current ____?

____ to upgrade ____ motion sensors ____ more range?

Is ____ possible ____ existing ____ sensor?

____ it ____ to expand our current ____ detectors through ____?

Is ____ current ____ sensors able ____ achieve a ____ if ____?

I think ____ a ____ to ____ basic motion sensors ____ more ____.

Does an ____ the ____ to widen ____ range ____ our motion ____?

____ want ____ know ____ an upgrade ____ allow ____ motion sensors ____ more.

____ a ____ increase detection range with ____ sensors?

Is ____ capable ____ coverage ____ our current motion sensor?

Is ____ any ____ the ____ capacity in ____ motion sensor system?

Can ____ easy ____ help improve ____ range ____ our ____?

____ it ____ to increase the ____ by ____ motion ____ upgraded?

Is ____ to expand ____ detection for ____ detectors ____ a ____ update?

____ possible ____ expand the detection range ____ using a simple upgrade?

____ upgrade able to widen ____ of our ____?

Are ____ sensor ____ capable ____ range?

____ it ____ that motion ____ can ____ farther if ____?

Simple upgradable ____ expand ____ motion ____.

____ an upgrade ____ for detecting ____?

Is ____ current motion ____ with ____?

What ____ a ____ the ____ detection for motion sensors?

Is ____ possible ____ the ____ sensors ____ amplify detection ____?

A basic ____ could ____ used to ____ greater coverage ____ current ____.

Can ____ enhancement ____ our ____ sensors ____?

____ can ____ farther with ____ upgrade.

Can an ____ detection range ____?

____ detection ____ of ____ motion detectors ____ be ____ a basic upgrade.

Should we ____ to ____ range?

Can motion ____ upgrades be used to ____ ____ ____ ?
____ a ____ enhancement ____ sensors' scope ____ ?
Is ____ widen ____ for our current motion sensor?
The ____ motion ____ can ____ a simple enhancement.
____ are possibilities for augmenting the detecting ____ sensor ____.
Was ____ radius captured ____ basic motion sensor ____ ?
Could ____ be ____ simple ____ the ____ of the movement ____ ?
Would it be ____ the ____ of our ____ motion ____ ?
____ change our motion ____ detection ____ ?
____ way ____ upgrade them basic motion ____ for more ____.
____ current motion ____ achieve ____ broader detection ____ upgraded?
Is an ____ to ____ coverage ____ current motion sensors?
Is ____ of ____ the range on motion ____ upgrade?
If a basic ____ motion ____ sense ____.
____ motion sensor ____ easy upgrade?
Are ____ upgrades ____ extend the detection ____ ?
Do ____ think a ____ enhancement ____ extend what ____ the motion ____ ?
Are motion ____ improvements able ____ ?
With ____ uncomplicated ____ would it ____ possible ____ coverage of ____ detectors?
____ it possible ____ current ____ detectors with ____ coverage?
The range of ____ enhanced.
Is ____ possible to ____ motion sensors' detection range ____ ?
Is there ____ way to ____ detection range ____ ?
____ an upgrade increase the ____ motion sensors?
With an ____ can the ____ ?
____ you ____ simple upgrades ____ extend the ____ radius ____ the ____ sensors?
Does a simple ____ motion ____ amplify detection ____ ?
An easy update ____ motion detectors ____.
____ the range ____ motion ____ devices was vastly extended by ____ update?
Is it ____ upgrade ____ sensors for increased ____ ?
Can ____ improve ____ range with ____ basic upgrade?
____ the ____ of ____ sensors be ____ ?
____ wondering ____ increasing ____ basic motion sensor upgrades ____ possible.
Can ____ upgrade ____ range ____ motion ____ ?
____ it possible ____ our ____ detection ____ with ____ a simple update?
Is there ____ that ____ can upgrade ____ sensors?
____ it be ____ to add ____ enhancement ____ our ____ ?
____ upgrade our ____ Sensors?
Is ____ detection ____ for ____ motion sensors possible ____ a simple ____ ?
____ it possible ____ improve ____ range by using a ____ update?
Is ____ possible to ____ the span of recognition ____ easy ____ ?
____ it ____ to ____ the span of recognition ____ motion ____ an ____ ?
____ it ____ to increase ____ detection ____ for our ____ motion sensors ____ simple ____ ?
Can we ____ current ____ detectors ____ a basic ____ ?
Can our ____ be ____ range?
____ an update to ____ motion ____ detection range?
____ motion sensors have ____ extended ____ an upgrade?
Is there any ____ improvements that ____ the ____ of ____ sensors?
Is it ____ upgrade our existing ____ sensors ____ an ____ ?
____ the motion sensor's ____ range?

The _____ detection for _____ sensors can _____ an _____ update.
 _____ to _____ if the _____ will _____ motion _____ sense more.
 _____ sensor's reach _____ an upgrade?
 Can _____ sensors _____ a broader _____ perimeter if _____?
 Wouldn't _____ to improve _____ coverage of our motion _____ update?
 If we _____ make _____ sensors see farther.
 _____ motion _____ with an easy _____?
 _____ it _____ to expand _____ in our _____ sensors _____ an upgrade?
 Is _____ to increase _____ detecting _____ of _____ motion sensors?
 Can _____ modify _____ sensors to increase _____?
 _____ advancement increase _____ of the existing motion _____?
 _____ may expand _____ detection reach _____ our current _____ a basic _____.
 _____ to our sensors _____ range?
 Is _____ possible to extend _____ range of _____ for _____ an uncomplicated _____?
 _____ easy update _____ the range of the _____?
 Can the _____ motion _____ be improved _____ a basic _____?
 _____ sensors be upgraded _____ achieve a _____ perimeter?
 Is a simple _____ enough _____ current motion _____?
 _____ the _____ reach _____ current motion detectors _____ an upgrade.
 _____ a _____ enhancement could extend _____ detected by the motion _____.
 Will a simple _____ increase _____ of _____ motion _____?
 If a _____ our motion _____ to sense _____?
 _____ basic _____ we increase _____ motion sensors _____ range?
 Is there _____ the detecting capacity _____ current-motion _____ system?
 Is _____ any _____ you can extend the detection _____ our _____?
 Could _____ upgradable _____ expand range _____ sensors?
 _____ there _____ to enhance the _____ of _____ motion sensors?
 _____ an easy change _____ the _____ sensors amplify _____?
 Can the _____ sensors _____ things from _____ away _____?
 _____ possible _____ increase the _____ by motion sensor _____.
 Why not _____ motionsensors _____ range significantly?
 _____ able to _____ motion sensors' detection range?
 Something simple could _____ to expand _____ motion _____.
 Is _____ possible _____ an _____ widen _____ coverage _____ motion sensors?
 Would it be _____ to _____ motion _____?
 _____ there _____ simple _____ that _____ extend _____ detection radius for our _____?
 _____ be _____ to boost their _____ greatly?
 _____ if there is a way _____ basic _____ for more range.
 _____ there _____ way _____ upgrade our _____ for increased coverage?
 What _____ minor update vastly extends _____ of _____ for our _____?
 _____ simple _____ improve our _____ sensors' scope?
 Is _____ possible _____ update _____ motion _____ detection _____?
 Can _____ basic upgrade _____ difference _____ our current _____?
 _____ simple update, _____ possible to _____ our motion _____ detection _____?
 _____ a _____ allow us _____ extend _____ of our _____ sensor?
 _____ an easy _____ amplify _____ range?
 _____ way _____ their basic _____ sensors _____ give them more range?
 _____ it _____ done _____ the _____ of _____ in motion _____ with _____ easy upgrade?
 Would it _____ the capabilities _____ motion sensors?
 _____ a _____ enlarge the range _____ detection _____ motion _____?

Can _____ detection range of _____ sensors?

Is an upgrade possible to _____ range _____ sensor?

_____ possible _____ enhance _____ range of _____ motion sensor?

Can a _____ upgrade _____ motion _____ area.

_____ we _____ the motion sensors' _____?

Can _____ increase _____ motion sensors?

_____ there _____ improve basic motion sensors for _____?

The _____ motion _____ be _____ with an easy update.

Is _____ to reach _____ with _____ upgrade?

_____ motion sensor _____ farther _____ an _____?

It would be _____ extend the reach _____.

_____ it be possible _____ our _____ motion _____ with an upgrade?

_____ upgrade our _____ sensor's?

Is _____ to _____ our existing motion _____ capabilities _____?

Can an _____ current motion sensors' detection area?

_____ upgrades be able to extend _____?

Is _____ improve _____ of _____ current motion detectors with _____ update?

_____ a _____ our current motion _____ detection area?

Is there _____ that could _____ radius for our _____ sensors?

Can a _____ upgrade _____ the _____ our _____?

Can we get _____ out _____ our _____ sensors _____ basic _____?

_____ we _____ basic upgrade _____ our motion _____?

_____ a simple option _____ expand _____ for _____ sensors.

_____ there _____ way _____ range of motion detectors?

_____ improve _____ motion _____ detect more objects?

_____ improvement _____ greater coverage _____ our current motion detectors.

_____ there any upgrade _____ can _____ radius for our _____ sensors?

_____ upgrade motion _____ extend _____ reach?

Might _____ expand _____ detection _____ of our _____ with an _____?

_____ it possible _____ broaden _____ of _____ in _____ using an _____ upgrade?

Is it _____ the current _____ sensors _____ expanded _____ an _____?

Can it be possible _____ capabilities of our _____?

Could _____ upgrade our _____ sensors to _____ a _____?

_____ increase the radius recorded by _____ motion _____ upgrades?

Motion _____ upgrades _____ detection _____.

_____ we increase _____ detection _____ with _____?

_____ can let our _____ detect _____

Is _____ possible to increase our _____?

_____ increase _____ detection _____ with our _____ sensors?

Is _____ any _____ upgrades that can extend _____ our motion _____?

_____ simple update allow for expanded reach _____?

_____ the motion _____ farther with easy upgrade?

_____ it possible _____ increase the _____ range _____ an upgrade _____ system?

_____ the _____ of detection for _____ detector _____ a basic update?

Is _____ possible that would _____ coverage range _____ sensors?

_____ it _____ increase _____ detecting capability _____ our _____ motion sensors?

_____ can _____ extend the _____ detection _____ our current motion sensors?

Our _____ motion _____ be improved with _____ improvement.

_____ simple enhancement _____ our _____ sensor _____?

_____ possible to extend _____ of our _____ an upgrade?

_____ a simple _____ range _____ motion sensors?

Is _____ to update _____ area of our _____?

_____ an update _____ sensors _____ detection range?

Extending _____ of our _____ could be done by _____.

Our current motion _____ achieve a _____ detection _____.

Can _____ extended _____ of detection _____ our present-motion _____?

Can _____ detectors _____ a _____ will work?

_____ enhance _____ motion sensor's detection range with _____ simple _____?

_____ be upgraded to boost _____ range _____.

_____ it possible to _____ the span _____ in the _____ sensor _____ easy _____?

We _____ motion _____ range with a basic _____.

Can _____ motion _____ have an _____?

Would it _____ to increase _____ capabilities _____ our _____ sensors?

_____ an _____ update, _____ possible to improve the coverage of _____?

_____ it possible to upgrade our _____ increase _____ detection _____?

Can we _____ our motion sensors _____ an _____?

_____ significantly _____ the _____ range of our _____ sensor?

Can we _____ a better detection _____ sensors?

Are it _____ to _____ motion sensor's _____ range _____ simple _____?

_____ motion sensors be upgraded to increase _____?

_____ if _____ sensor upgrades can extend _____.

Is _____ upgrade _____ our _____ doable?

Does an _____ update _____ the _____ sensors _____ detection _____?

_____ motion _____ upgrade _____ adding detection _____?

_____ update allow us _____ the reach _____ our motion _____?

_____ expanding _____ coverage for motion _____?

_____ updating our motion _____ detection _____?

Extending _____ our _____ be accomplished with a _____ solution.

A basic _____ increase the detection range _____.

_____ can we enhance our motion _____ detection _____?

_____ update could _____ the _____ of _____ motion detectors.

_____ of _____ sensors _____ be enhanced.

Is there _____ of _____ the _____ on _____ motion sensors?

_____ it _____ to _____ the coverage _____ motion detector with _____ update?

_____ a _____ update let us _____ reach of _____ motion _____?

_____ there any _____ of increasing _____ detecting capacity _____ the _____?

_____ sensors _____ enhance the detection _____.

_____ it possible _____ enhance _____ motion _____ range _____ updating it?

_____ there a _____ upgrade our existing _____ for _____ coverage?

_____ it possible to upgrade _____ boost _____?

Is there an _____ way _____ improve _____ motion detectors?

_____ it be _____ for our motion _____ to _____ with _____ upgrade?

_____ an update to our _____ range?

_____ we _____ detection range _____ our existing motion _____?

Is _____ a way _____ enhance _____ detecting capacity _____ sensor system?

Is _____ to _____ of recognition _____ sensors with an upgrade?

_____ simple enhancement _____ be able to _____ what _____ by _____ motion _____.

_____ we _____ a chance _____ existing _____ sensors for increased _____?

What _____ a small _____ greatly expands the range _____ detection _____?

Can _____ simple enhancement expand _____ scope _____ sensors?

Is _____ increase _____ motion sensor's detecting capabilities _____?
 _____ motion _____ upgrade _____ extending detection _____?
 _____ upgradable option for _____ sensors?

Is _____ for the _____ motion sensors to _____ expanded _____ upgrade?

Are _____ sensor upgrade _____ range?

Can the _____ reach farther?

Is it possible _____ our current _____ have _____ via a _____?

Is _____ to increase the detection _____ of _____ an update?

_____ you offer any _____ upgrades that _____ the _____ our existing motion _____?

_____ it doable to _____ motion _____ detection _____?

Can _____ be upgraded _____ see _____?

_____ us to _____ the _____ our motion sensor's detection range?

_____ a _____ upgrade _____ motion _____ range?

_____ improve _____ using a _____ upgrade?

_____ a _____ upgrade _____ the _____ to detect _____?

Do you _____ simple upgrades that _____ detection radius for _____?

_____ upgrading _____ motion sensors _____?

Is an upgrade _____ the coverage range _____?

_____ great if _____ could upgrade _____ motion sensor _____ more range?

_____ a basic _____ improve _____ detection range for _____?

Can an _____ increase the _____ of _____ for _____?

_____ a basic _____ be _____ to _____ range for motion _____?

Is _____ to increase _____ current _____ coverage via _____ basic _____?

_____ it _____ to enhance _____ sensors' detection _____.

Might _____ to increase _____ detectors with a basic _____?

Is it possible _____ range _____ motion _____ a basic update?

Is _____ a _____ upgrade _____ motions sensors _____ more _____?

_____ capable of widening _____ for motion sensors?

_____ sensor upgrades extend _____?

_____ motion _____ be upgraded _____ no _____?

Will a _____ increase _____ coverage _____ existing motion _____?

_____ we expand _____ reach of _____ current _____ detectors _____ a basic _____?

Is _____ possible _____ enlarge _____ detection range for _____ through _____ update?

Can _____ current _____ reach be _____?

Can _____ coverage _____ present motion devices with an _____?

_____ there _____ way to _____ our _____ sensors?

_____ it _____ increase _____ existing motion _____ detecting capabilities?

_____ it possible _____ enhance the detecting capacity _____ sensor _____?

_____ sensor _____ ability to _____ the detection range?

Would _____ be possible to _____ our _____ a simple _____?

_____ sensors _____ more _____ a basic _____?

_____ a simple enhancement _____ sensors' scope?

There _____ a _____ of extending _____ of _____ sensors with _____ upgrade.

_____ about _____ easy _____ improve the _____ on _____ motion detectors?

_____ possibly extend the reach of _____ detectors.

Can an _____ detection _____ our motion sensors?

Can _____ current _____ sensors _____ extended with an _____?

Can _____ expand the _____ of our existing _____?

Is it possible _____ our _____ detectors _____ coverage.

_____ an upgrade _____ to _____ coverage range _____ our _____ sensor?

If our current _____ sensors _____ achieve _____ broader _____ perimeter?
 _____ detection range _____ our _____ motion sensors _____ improved?
 _____ it possible _____ upgrade _____ motion _____ to reach _____?
 _____ there any chance of _____ the _____ of _____ with _____ upgrade?
 With an uncomplicated update _____ it _____ possible _____ enhance the _____?
 Can _____ be upgraded _____ an easy _____.
 _____ motion _____ reach _____ with _____ upgrade?
 Do _____ have a way to extend _____ motion _____?
 _____ if _____ a _____ upgrade basic motion sensors for _____ range.
 _____ want _____ know _____ basic _____ allow the motion sensors _____ sense _____.
 Is it possible to _____ easy upgrade?
 _____ improve our _____ detection _____ with a minor _____?
 Can _____ add a _____ to _____ motion _____ range?
 _____ range _____ the _____ could _____ with an easy update.
 _____ possible to _____ of _____ the motion sensors with an _____?
 Can an _____ motion _____ detection _____?
 _____ our motion _____ upgraded?
 _____ a _____ enhancement can extend _____ is _____ by _____ manner.
 _____ to _____ the range of our _____ detectors?
 Should we _____ to achieve a _____ detection _____?
 Can _____ our current motion _____ detection area?
 Is _____ feasible to increase _____ captured _____ basic _____?
 _____ upgrade improve the _____ range _____ our _____ sensors?
 _____ we add _____ sensors' _____ range?
 _____ a _____ improve the _____ of _____ sensors?
 _____ it _____ to upgrade _____ motions sensors _____ a _____ coverage _____?
 _____ a _____ enhancement expand our _____ sensors' _____.
 Are _____ expand _____ reach of _____ current motion detectors?
 _____ can improve _____ range _____ our motion detectors.
 Is it possible to upgrade _____ existing _____.
 Is the motion sensor _____ capable _____ detection _____?
 _____ an update _____ the motion _____ detection _____?
 _____ there _____ chances _____ the _____ on the _____ motion _____ with _____ upgrade?
 _____ the _____ able to _____ farther with _____ upgrade?
 Is it _____ upgrade our _____?
 Can _____ upgrade _____ motion _____?
 Are we going _____ the motion _____ a _____?
 Does _____ upgrade to _____ sensor amplify _____ range?
 _____ our _____ sensors _____ more if we upgrade to a _____?
 Would _____ be possible to _____ sensors?
 _____ enhancement make _____ motion sensors _____ more?
 Can _____ enlarge _____ we upgrade?
 Can _____ minor upgrade to _____ motion _____?
 Is _____ possible _____ increase _____ by _____ motion sensor _____?
 _____ could _____ detection range _____ our _____ motion sensors.
 _____ we _____ the _____ with a _____ upgrade?
 _____ allow for _____ of _____ range of _____ motion sensor?
 _____ motion _____ capable _____ detection range?
 _____ upgrade _____ motion sensors can _____ more?
 _____ be _____ to expand the reach _____ our current _____ with a _____.

Does _____ increase the _____ range of the _____ sensors?
 _____ a simple _____ increase the _____ of _____ sensors.
 _____ the current _____ they achieve a _____ detection perimeter?
 _____ a simple _____ could help _____.
 _____ our _____ reach _____ with an upgrade?
 Could an update improve _____ motion _____?
 _____ upgrade _____ sensors can _____ see _____?
 With _____ is it possible to _____ the range of _____ sensor?
 Is _____ possible to _____ the span _____ in _____ sensors _____ an _____ upgrade?
 Is it _____ to _____ coverage area of _____ detectors _____ an _____?
 _____ a chance of increasing detection coverage _____?
 Is _____ capable of _____ the range _____ sensors?
 _____ is a possibility _____ add _____ radius on _____.
 _____ should be upgraded _____ their range significantly.
 _____ it possible to increase range _____ detected _____ with _____?
 _____ basic upgrade _____ the detection _____ for our _____?
 The motion sensors' _____ be _____ with a _____.
 I _____ know if there _____ to upgrade _____ basic _____ for more _____.
 Our _____ sensors _____ broader _____ perimeter with _____ if upgraded.
 _____ there _____ a simple _____ extending the _____ movement detectors?
 Can a simple upgrade _____ sensors' detection _____?
 Can we get a _____ upgrade _____?
 Wouldn't _____ be possible to update _____ of the _____?
 How about _____ the _____ to _____ their _____?
 The _____ on _____ motion sensors _____ be _____ with _____ upgrade.
 _____ change _____ motion sensors to increase _____?
 Is _____ a _____ to _____ our motion _____ detection _____?
 Is _____ the range _____ detection for motion _____ updating?
 If _____ can our _____ see _____?
 _____ enhancement _____ be _____ to widen _____ current motion sensors' _____.
 Can _____ motion _____ reach _____?
 Want _____ know _____ the upgrade _____ motion sensors _____ sense _____.
 _____ it possible to _____ scope of _____ equipment?
 _____ upgraded to achieve a broader detection _____?
 _____ a basic upgrade _____ sensors?
 _____ on _____ detectors could extend their reach.
 _____ our motion _____ be extended with _____?
 _____ possible _____ upgrade our _____ motions _____ improved coverage?
 _____ motion sensor _____ upgraded _____ achieve _____ detection perimeter?
 Can a _____ upgrade help increase _____ detection _____ of _____?
 The _____ our _____ be improved _____ an update.
 An _____ expand our present-day _____ boundary.
 _____ our motion detectors _____?
 Is _____ possible _____ widen the _____ range _____ our _____ with an _____?
 _____ motion sensor _____ an upgrade?
 Is _____ possible _____ current _____ detectors _____ be _____ with more _____?
 _____ it possible to upgrade _____ sensors to _____?
 Can the _____ sensors' _____ by an _____?
 _____ there a _____ to _____ detecting capacity in the _____?
 I _____ if _____ the _____ by _____ motion _____ upgrades is _____.

Is it possible to _____ our _____ motion sensors?

The _____ detection range _____ be enhanced _____ upgrade.

_____ it _____ increase _____ captured by _____ motion sensor upgrades? _____

_____ detectors get _____ easy upgrade?

A _____ improvement to _____ current _____ could _____ used to achieve _____.

Is it _____ current _____ be enhanced _____ a basic improvement?

_____ the _____ of _____ could be _____ with _____ easy update.

Is an _____ capable of _____ coverage _____ for _____ motion _____

_____ possible _____ enlarge _____ detection _____ for _____ detectors with _____ basic update?

Is _____ upgrade capable _____ Extending _____?

Is there a _____ to _____ motion sensors _____ a _____?

Is it _____ make the _____ detection range _____ a simple _____?

Can _____ the range _____ detection for _____ motion _____ a _____ upgrade?

Current _____ be upgraded _____ their _____ a lot.

_____ you _____ way _____ extend _____ radius for our existing _____ sensors?

_____ possible to _____ the _____ scope of _____ motion sensors?

_____ can _____ upgraded _____ their range considerably.

Can _____ add detection _____ the _____ motion _____?

Could the current _____ improved _____ achieve greater _____?

Adding _____ simple enhancement _____ extend _____ distance are _____ manner.

Is _____ to increase _____ detection range _____ motion _____ with _____ basic _____?

Can a simple _____ to _____ the range of _____ for our _____?

Simple _____ could enable _____ detect more.

Can an update improve _____ our _____?

Is _____ possible _____ motion _____ with an uncomplicated _____.

Would _____ to _____ the capabilities of our existing _____?

Would it _____ possible _____ expand the capabilities _____ our _____?

Considering increasing radius captured _____ a possibility.

_____ current _____ sensors _____ a _____ detection perimeter with ease?

_____ our motion _____ upgraded _____ much trouble?

Might we _____ the detection _____ detectors _____ a _____ upgrade?

Will _____ advancement _____ the _____ of the motion _____?

_____ current sensors be _____ to achieve _____ perimeter?

Is _____ increase _____ existing motion _____ detection abilities?

_____ there a _____ way to _____ our movement detectors?

Do _____ possible to _____ our motion sensor's _____ range _____ update?

Can a _____ enhancement enhance _____ of _____ motion _____?

Might _____ be _____ current _____ detectors with a basic _____?

Can an upgrade _____ of motion _____?

What _____ we _____ to _____ detecting capacity _____ present motion _____ system?

_____ possible _____ motion detectors with a basic improvement?

_____ be _____ improve _____ capabilities of our _____ motion sensors?

_____ motion _____ get _____ upgrade?

Can a _____ enhancement _____ scope bigger?

Can _____ update extend _____ range of detection _____ our _____?

_____ expanding _____ range of motion _____ with _____ upgrade?

_____ a minor upgrade, _____ we _____ our _____ detection _____?

Can _____ the detection _____ a sensor _____?

With an _____ update _____ possible _____ of our motion detectors?

_____ it possible _____ upgrade our existing _____ for _____ coverage _____?

Wouldn't _____ make the _____ of our motion detectors _____?
_____ there a _____ that _____ current motion _____ could _____?
The _____ for our _____ motion sensors _____ be extended with _____.
_____ be possible _____ detection range _____ motion sensors?
Is _____ possible _____ the range _____ motion _____ with a _____ upgrade?
Is it _____ to _____ detection range with _____ upgrade?
_____ the _____ sensors _____ be _____?
_____ an _____ increase _____ of our motion sensors?
Is it _____ for _____ sensor _____ see farther _____ upgrade?
Can _____ detectors be upgraded _____ an _____.
_____ simple upgrade _____ motion _____ detection area?
Was _____ possible _____ extend the _____ of our _____?
_____ simple enhancement widen our current _____.
Is _____ for _____ motion _____ to _____ improved with a _____ improvement?
Will it _____ possible _____ capabilities _____ our existing _____ sensors?
_____ sensor retrofits capable _____ range?
_____ possible with _____ motion _____ upgrades?
_____ a simple _____ the detection _____ for our _____?
Is it _____ the _____ our motion sensors with _____ easy upgrade?
Is _____ possible to _____ detection _____ of our _____ sensors _____ a simple _____?
_____ it possible to _____ detection reach _____ our current motion _____ basic _____?
The _____ can reach farther.
_____ our _____ sensors detecting capabilities?
_____ upgrade _____ our motion detection _____?
_____ our _____ sensors' reach be extended _____?
Is _____ improve our motion detectors _____ more _____?
_____ it feasible to _____ detectors _____ an _____ update?
_____ the motion sensor upgrades capable _____ detection _____?
_____ motion sensor upgrades be _____ to _____ range?
_____ our _____ motion _____ achieve a _____ perimeter if _____?
Would _____ possible to _____ the _____ by motion _____ upgrades?
_____ possible to improve the detection _____ our _____ sensor _____ update?
_____ extend the range _____ detection for _____ sensors with _____ upgrade?
Should _____ sensor be upgraded to _____ perimeter?
_____ possible to _____ our _____ motion _____?
Is _____ to improve the _____ detection range?
_____ motionsensors _____ to be _____ to _____ their _____.
_____ a straightforward advancement _____ area _____ the _____ sensors?
Is _____ possible to _____ current _____ for more _____?
_____ current motion _____ could be _____ an upgrade.
_____ we change the _____ to _____?
_____ possible _____ current motion sensors' reach to _____?
_____ their basic motion sensors for _____ range.
Is it possible _____ span _____ in _____ current _____ sensors _____ an easy _____?
_____ a way to _____ capacity in _____ present _____ system?
_____ our motion sensors to _____ the _____ radius?
Is _____ possible _____ our existing _____ sensors' _____?
_____ motion sensor upgrades _____ detection _____?
Current _____ should be _____ to _____ a lot.
Is it possible _____ the _____ sensors _____ a _____ upgrade?

What ____ a minor ____ range ____ detection ____ motion sensor devices?

____ a ____ motion sensors detection area?

Is ____ possibility of increasing radius ____ sensor upgrades ____?

____ possible ____ change the range of ____ motion detectors with ____?

____ our motion ____ achieve ____ perimeter if upgraded?

Is it possible ____ make our motion ____ we ____?

____ farther with a ____ upgrade?

____ it possible to ____ the ____ of detection ____ with ____ update?

____ simple advancement ____ of our existing motion ____?

Can we ____ in ____ motion ____ with an easy upgrade?

____ minor upgrade ____ motion sensors' ____ range is ____.

____ easy ____ could ____ the ____ on ____ detector.

Simple option ____ expand ____ for ____ is a ____.

Can you ____ a basic ____ to enlarge ____ of detection ____?

Does an update to ____ sensor ____ the ____?

Is ____ a way to ____ range of ____?

Is ____ reach extended with ____ upgrade?

Adding ____ might ____ able ____ what ____ detected ____ the motion manner.

Can ____ motion ____ improve with ____?

Can a simple upgrade ____ us to extend the ____?

____ our current motion sensor's detection range?

____ our current motion sensors detection area?

____ uncomplicated ____ extend the ____ of detection for ____ motion ____?

Adding a simple ____ extend ____ distance ____ is ____ by the ____.

Can we ____ motion ____ detection range with ____?

____ an ____ widen the coverage ____ current motion sensor?

How ____ we increase ____ motion ____ using a simple ____?

Do ____ know ____ basic ____ will allow the ____ to sense ____?

Do ____ think it is ____ increase the ____ a ____ upgrade?

____ sensors be upgraded ____ more ____?

____ an upgrade capable ____ broadening ____ coverage range ____ motion ____?

____ easy update to our sensors ____ the ____?

____ a ____ advancement increase ____ area ____ our ____ motion ____?

There ____ motion sensor upgrade that ____.

____ a ____ upgrade ____ the ____ range of ____ current ____ sensors

____ it possible ____ the ____ range for ____ current motion ____ simple upgrade?

____ possible to ____ the coverage area of ____ motion ____ with ____?

Is an ____ update ____ improve the ____ of our ____?

Would it ____ add more coverage to ____?

Is there ____ can extend ____ of ____ existing motion sensors?

____ there an ____ our ____ detectors?

Would ____ current ____ sensors ____ broader detection ____ upgraded?

There is an ____ motion sensor ____ reach ____.

Is ____ possible ____ expand ____ of ____ motion ____ an easy upgrade?

____ to ____ our ____ motion detectors with ____ coverage?

____ an ____ update ____ motion ____ increase detection range?

____ it possible to improve ____ our motion detectors ____ easy ____?

____ a ____ update ____ us to increase ____ motion sensor?

Can ____ current motion ____ increased?

____ uncomplicated ____ would ____ possible to ____ the coverage of ____ detectors?

_____ expand the _____ range of our _____ sensors?
 Is it _____ to _____ our motion _____ with _____ simple _____?
 _____ it _____ to upgrade current _____ boost _____ significantly?
 _____ upgrade enough _____ the coverage range _____ our _____ sensors?
 _____ an upgrade capable of _____ for _____ current _____ sensor?
 _____ enhancement may be _____ to extend _____ detect by _____.
 _____ increase _____ area of motion sensors?
 Is it _____ widen the span _____ recognition _____ the _____ easy upgrade?
 _____ possible _____ our motion sensor's _____ a simple update?
 Can our motion _____ detect?
 Our _____ motion _____ range _____ be _____ with a _____ update.
 Can the _____ get _____ better _____ easy upgrade?
 Can _____ simple _____ area _____ detecting motion?
 _____ we _____ sensor upgrade to improve the _____?
 Wouldn't it _____ to increase _____ of _____ motion _____?
 Is an upgrade _____ to _____ motion sensor _____?
 _____ it possible to improve _____ motion _____ detection range _____?
 _____ we be able to _____ our existing _____ sensors?
 _____ could enhance _____ sensors' detection range _____ a _____.
 _____ our motion sensor's _____ range _____.
 _____ an update _____ the _____ sensor _____ detection range?
 With a simple _____ is it possible _____ the _____ of _____ sensors?
 Want to _____ if a _____ upgrade _____ sense more.
 _____ we upgrade our _____ to increase _____ coverage _____?
 _____ it _____ to upgrade _____ basic motion _____ for _____.
 Is it _____ our existing _____ sensors _____ coverage.
 _____ the _____ range for _____ current motion sensors _____ upgrade?
 Is it _____ increase _____ by basic motion sensor _____?
 _____ it possible for us _____ the sensor _____ with _____?
 Might _____ basic upgrade to the current _____?
 _____ a basic update _____ of detection for _____?
 Ain't _____ to upgrade their _____ sensors for more _____?
 _____ our current motion _____ be _____ bigger detection _____?
 _____ there _____ upgrade them _____ motion _____ for more range?
 _____ sensors _____ upgraded to _____ range?
 _____ range _____ motion detectors could _____ with an easy _____.
 _____ improve _____ sensors' detection _____ with _____ basic upgrade.
 Is it _____ to _____ range on the _____ motion _____ upgrade?
 _____ be _____ solution for _____ the reach of _____ detectors.
 _____ our _____ be _____ with _____ easy upgrade?
 Are _____ simple _____ can extend _____ radius for the _____ motion _____?
 Will _____ the coverage _____ our existing _____ sensors?
 _____ update to the _____ sensors _____ detection range?
 Is _____ possible to widen _____ range _____ motion sensors?
 Is there _____ way _____ of our movement _____?
 _____ an _____ the scope of our _____ sensors?
 _____ you know _____ basic upgrade allows for more _____?
 _____ straightforward _____ increase the coverage _____ our _____ motion _____?
 Is _____ a way _____ upgrade _____ motions _____?
 Is it _____ to extend _____ range _____ for _____ a simple upgrade?

____ it ____ widen ____ span of recognition in our ____ motion ____ ____ easy ____ ?
 ____ ____ improvement possible to ____ greater ____ for our ____ detectors?
 Is it ____ upgrade our ____ sensors ____ their coverage?
 It would be great ____ an easy update ____ the ____ .
 How about increasing ____ existing ____ ?
 Can ____ allow us to expand our ____ range?
 Can ____ simple ____ us ____ our ____ sensor's detection range?
 Adding a simple enhancement ____ extend ____ can ____ motion manner.
 There ____ option ____ increase the ____ for motion ____ .
 Is it possible to ____ our ____ motion ____ ?
 With ____ basic ____ can ____ improve our motion ____ ?
 ____ current ____ detection area ____ be ____ .
 ____ motion sensors' ____ with an upgrade?
 Can an ____ update improve the ____ detector?
 ____ possible to increase ____ current ____ sensors' ____ capabilities?
 Is ____ sensor extendable ____ upgrade?
 ____ a simple ____ what distance is ____ motion manner.
 Is it ____ to expand the ____ in motion sensors ____ ?
 Would a ____ allow ____ motion ____ to ____ more?
 ____ increase ____ range of ____ motionsensors?
 Can an ____ the motion sensors?
 We ____ enhance our motion ____ with ____ basic ____ .
 ____ an ____ upgrade be ____ to broaden ____ recognition ____ motion sensors?
 ____ possible to increase our ____ sensors' ____ range with ____ ?
 ____ the ____ motion sensors ____ be ____ ?
 Can an enhancement ____ scope ____ sensors?
 ____ a ____ may be ____ to extend the ____ by ____ manner.
 Is ____ possible to ____ our ____ for ____ coverage?
 Can ____ expand ____ of ____ motion sensors ____ just an ____ ?
 ____ there ____ way to extend ____ range ____ motion ____ ?
 Can ____ update allow ____ expansion ____ the detection ____ our ____ sensor?
 ____ the ____ detection range ____ improved?
 Can ____ widen ____ coverage range for the ____ ?
 The ____ detection ____ motion ____ can be ____ with ____ simple upgrade.
 Can we ____ our ____ detection range ____ minor ____ ?
 ____ a ____ for them ____ their motion sensors?
 ____ upgrading our ____ possible?
 ____ for ____ to upgrade ____ existing ____ sensors ____ the detection radius?
 There ____ a ____ option ____ expand ____ motion sensors.
 Can ____ sensor's reach ____ ?
 ____ can ____ the ____ reach of our current ____ basic upgrade.
 Is there ____ to ____ the detection ____ of ____ sensors?
 ____ we upgrade ____ motion ____ can we ____ ?
 ____ possible to extend ____ range ____ detection for our ____ a simple ____ ?
 ____ if it's possible ____ increase radius ____ basic ____ upgrades.
 ____ our motion sensor's ____ expanded with ____ ?
 Adding ____ simple ____ what ____ can detect ____ the motion ____ .
 ____ it possible ____ the detection ____ of ____ existing motion ____ ?
 ____ current ____ sensors ____ achieve a ____ detection ____ if upgraded?
 Should current motion ____ be ____ to ____ their ____ ?

Is ____ possible ____ the ____ range ____ our motion ____?
 ____ done with an easy ____ motion sensors?

Is there ____ to ____ detection range of ____?

Is there ____ solution ____ extending ____ movement ____?

Is a simple enhancement ____ motion sensors ____?

Might we ____ a ____ motion detectors?

____ simple improvement increase ____ coverage area ____ our ____ motion ____?
 ____ our ____ motion sensors' detection ____?

Can ____ upgrade increase the ____ our current ____ sensors?

Can an ____ update ____ range of detection ____ our ____?

____ an ____ of broadening the coverage ____ of ____ motion ____?

Adding a ____ enhancement could ____ for ____ to ____ by ____ motion.
 ____ know if ____ upgrade allows ____ motion sensors to ____?
 ____ motionsensors ____ from far away if we ____?

____ current ____ detection area can be increased ____ simple ____.

Is there ____ way to increase detecting ____ sensor ____?

Will a ____ area of our existing ____?

Motion ____ upgrade ____ extend ____ detection ____.

____ update ____ the ____ of ____ for our present- ____ sensor?

Can ____ improve ____ detection range ____ motion ____ basic upgrade?

____ any way ____ increase ____ detecting ____ our ____ motion sensor system?

____ a way ____ improve ____ of ____ for motion detectors?

Is it possible ____ detectors ____ an ____ upgrade?

____ motion sensor upgrade is capable ____.

____ there ____ to increase the detecting capacity ____ present ____ sensor ____?

____ an ____ of motion sensor ____ range?

____ a new motion ____ of ____ the range ____ coverage?

____ an ____ update allow ____ to expand the ____ of ____?

____ upgrade, is it possible ____ increase the ____?

We could ____ the detection ____ of our ____ motion ____ through ____.

Is there ____ simple ____ extending ____?

If a ____ upgrade ____ our motion ____ more.

Is a ____ enhancement able ____ our ____ scope?

____ to upgrade ____ motion sensors' ____ range.

Is ____ upgrade ____ widening ____ range for ____ sensors?

Is ____ give ____ current motion ____ greater coverage ____ a ____ improvement?

____ simple ____ to current sensors ____ feasible ____ amplify ____ scope of ____.

____ our existing ____ stretched with ____ enhancement?

____ the motion sensor ____ upgraded ____?

____ we ____ our ____ detection ____?

Are ____ sensors ____ sense more ____ we ____ a ____ upgrade?

____ a simple ____ be able ____ the detect by the ____.

Is ____ motion sensor ____ of ____ detection range?

____ to widen ____ range for ____ current motion ____ an upgrade?

Can we ____ the ____ of our ____ motion ____?

____ current motion sensors' ____ be extended with ____.

Can ____ upgrade our ____?

Will ____ motion sensors ____ able to achieve ____ detection ____ upgraded?

____ able ____ enhance the detection ____ of ____ existing motion ____?

____ any simple upgrade that ____ the detection ____ our ____ sensors?

_____ it possible _____ update _____ our motion sensors?
_____ change to _____ motion sensors _____ the _____ range?
Is it _____ for _____ motion _____ to _____ expanded _____ a _____?
_____ motion _____ can increase _____ range.
_____ increase the motion sensors' _____ range?
_____ it possible _____ upgrade _____ existing motions _____ coverage?
_____ our _____ sensor be upgraded _____ detection perimeter?
What _____ a _____ vastly _____ the range of _____ our _____ sensor _____?
_____ update expand our _____ sensor?
Is _____ possible _____ upgrade our current _____ increased _____ area?
Are _____ to _____ our _____ sensor's detection _____ a _____ update?
Can _____ update be _____ to expand _____ for motion detectors?
Is _____ motion sensor able _____ farther with _____?
Can an upgrade _____ the _____ motion _____?
Is _____ possible to _____ our _____ sensors _____.
_____ it _____ our existing motion sensors for _____?
Does _____ the motion _____ the range?
_____ upgrade _____ motion detection _____?
Will _____ improvement increase the coverage _____ motion _____?
Can our _____ motion sensor's _____ be increased _____?
_____ sense to upgrade our _____ detection range?
Is it possible _____ give _____ current _____ more _____?
_____ the motion _____ be upgraded _____ range of _____?
Does _____ to the _____ the detection range?
Upgrading _____ sensors _____ increase _____ detection range.
Can _____ detection range of the _____?
_____ possible to make a _____ upgrade _____ the _____ sensors?
_____ it be _____ to _____ the coverage _____ detectors with _____ update?
_____ detector _____ be improved _____ achieve greater coverage.
_____ to enhance _____ detection range _____ motion sensors?
_____ you _____ upgrade allows for more motion _____?
An _____ is capable _____ for _____ current motion sensors.
Can _____ sensors to increase _____?
Are _____ able to expand the _____ scope _____ motion _____?
Is _____ to _____ detection _____ detectors through an update?
Can the current _____ reach be _____ an _____?
_____ a _____ greatly increase the detection _____ current sensors?
Is it possible _____ motion _____ detection _____ using an _____?
_____ be possible to _____ more coverage _____ our _____ detectors _____ update?
Is _____ possible _____ increase the range of _____ motion _____ with _____?
_____ our motion sensors can _____.
Is it _____ upgrade the basic _____ sensors _____?
_____ our _____ sensors reach _____ an upgrade?
_____ way to _____ the reach of our movement _____?
_____ our _____ of achieving _____ detection perimeter with ease?
Should the _____ be _____ their range significantly?
_____ the motion _____ range _____ be done _____.
If _____ can _____ see farther?
The motion _____ detection range can _____ update.
_____ could _____ existing sensors _____ more.

_____ there _____ way to _____ motion _____ to _____ greater coverage?
 To extend _____ radius _____ our existing motion _____ do _____ simple _____?
 _____ a _____ update _____ us expand our _____ sensor's detection _____?
 Can _____ advancement _____ of our motion _____?
 _____ chance _____ the range on _____ will _____ extended with an upgrade?
 _____ there a way _____ the _____ of detection _____ detector?
 _____ there any simple _____ can _____ detection _____ for our motion _____?
 Are _____ ways to _____ motion sensors' detecting _____?
 _____ possible _____ easy update to improve _____ range on _____?
 _____ a _____ coverage _____ of the motion sensors?
 _____ motion _____ upgraded to reach _____?
 Are our _____ able _____ sense _____ an upgrade?
 _____ an update _____ us _____ the range of _____ motion _____?
 _____ possible _____ upgrade the _____ for motion sensors?
 Should _____ current motion _____ upgraded to achieve _____ broader _____?
 _____ there a way to _____ the _____ range _____?
 With _____ simple upgrade to _____ can _____ of detecting potential _____?
 _____ to enhance the _____ range of motion _____?
 Is it _____ update our motion _____ an _____?
 _____ can they upgrade _____ motion _____ more range?
 _____ could _____ upgraded _____ increase their _____ significantly.
 Is there _____ simple option _____ expand _____ of _____?
 Is it possible _____ range for our _____?
 _____ be _____ to increase the range of _____ detectors _____ basic update?
 I _____ about increasing _____ captured _____ sensor upgrades.
 _____ upgrade the _____ our _____ sensors?
 Is _____ possible _____ motion _____ to _____ farther if we _____?
 _____ there _____ can extend the detection _____ for _____ current _____ sensors?
 _____ the motion _____ detect things _____ if _____ upgrade?
 _____ an _____ capable of _____ coverage _____ our motion _____?
 _____ easy _____ our motion _____ could extend their _____.
 Can our _____ detectors _____ better _____ easy _____?
 _____ our current motion sensors _____ upgraded to achieve _____?
 Can it _____ expand the span _____ motion sensors with an _____?
 If our _____ sensor _____ achieve a broader _____ perimeter?
 Can we _____ sensors _____ farther?
 Is there anything you can _____ radius _____ motion sensors?
 Should we _____ to boost _____ range _____?
 Will _____ extend _____ range?
 _____ we increase the detection reach _____ current motion detectors _____?
 Are _____ detecting capacity in our present- _____ sensor system?
 _____ a simple _____ increase _____ range for _____ motion _____?
 _____ there _____ way _____ increase the _____ basic motion sensors?
 _____ it _____ our _____ sensor's detecting capabilities?
 Should _____ upgrade allow our _____ sensor _____ sense _____?
 Can _____ upgrade _____ detection range _____ the sensors?
 Is _____ any _____ can _____ the detection _____ for _____ motion sensors?
 Adding _____ enhancement _____ allow _____ longer _____ detected by the motion manner.
 _____ it possible _____ expand _____ span _____ in _____ current _____ sensor with _____ easy _____?
 _____ could be improved with _____ easy update.

Can the _____ get _____?

Can we _____ range of _____ motion sensor with a _____?

Is _____ radius _____ by _____ sensor _____?

Is there _____ way _____ the _____ capacity in _____ sensor _____?

_____ need an _____ update _____ improve _____ on our motion _____.

_____ improvement could be achieved _____ improve _____ detectors.

_____ to _____ span of recognition in motion _____ with an _____?

Want _____ if an _____ will _____ motion sensors _____ sense _____?

Is it possible to _____ motion _____ basic _____?

_____ it possible to update the _____ detectors _____ reach _____?

_____ range of _____ sensors be _____?

_____ a way to _____ our _____?

_____ adding a simple enhancement could help _____ by _____?

Can _____ our _____ sensors' _____ area with a _____ upgrade?

Can we _____ the coverage _____ our current-motion _____ an _____?

Can an _____ to our _____ amplify the _____?

Simple _____ increase _____ range for _____.

I _____ is a simple _____ the reach _____ movement detectors.

Wouldn't _____ make _____ upgrade _____ basic _____ sensors for _____ range?

Is _____ any simple _____ will extend _____ detection _____ for _____ sensors?

_____ possible _____ increase _____ detection for motion detectors by a _____?

_____ an _____ increase _____ range of _____ detection?
